Subject: Date Change to November 10, 2015 for the National Pollutant Discharge Elimination System Public Hearing

Dear Mr. Mitchell:

This letter is to inform you that the date for the National Pollutant Discharge Elimination System (NPDES) Public Hearing has been rescheduled. The new date of the Public Hearing is being scheduled for Tuesday, November 10, 2015 at 6:00 p.m., or as soon thereafter as the matter is called. Attached are updated documents, including a new ballot for casting your vote. Please note the enclosed ballot will supersede your previous ballot; if your previously ballot was returned it will be discarded.

Please ensure that your new ballot is marked, signed, and returned to the City Clerk's office before the November 10, 2015 Public Hearing in order for your ballot to be included in the official count. **NOTICE TO PROPERTY OWNER-MAIL BALLOT PROCEEDING FOR THE NATIONAL
POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) MAXIMUM
COMMERCIAL/INDUSTRIAL REGULATORY RATE FOR APN 316-180-014**

******* OFFICIAL BALLOT ENCLOSED *******

Introduction

In November of 1996, California voters passed Proposition 218 (“The Right to Vote on Taxes Act”). As a result, any new or proposed increase in a property-related charge requires approval by the property owner of record. In compliance with Proposition 218 legislation, the City of Moreno Valley Special Districts Division is conducting a mail ballot proceeding to provide the owner of Assessor’s Parcel Number (APN) 316-180-014 the opportunity to express support for or opposition to the approval of the NPDES Maximum Commercial/Industrial Regulatory Rate and services. Approval of the NPDES Maximum Commercial/Industrial Regulatory Rate through a mail ballot proceeding will fulfill Condition of Approval LD37 from the Land Development Division to provide a funding source for the NPDES program.

Background

The current NPDES Permit, as administered by the State, regulates the volume and amount of pollutants in stormwater runoff from all development types. The City provides the services necessary to meet mandates of the Federal Clean Water Act related to the NPDES permit. NPDES Maximum Commercial/Industrial Regulatory Rate provides financial support for inspecting site design, source and treatment control Best Management Practices, monitoring maintenance records for those facilities that require periodic maintenance, and performing annual inspections of the affected areas to ensure compliance with federally mandated NPDES Permit requirements.

Services Provided

In compliance with the Federal Clean Water Act, the City of Moreno Valley shall annually inspect site design, source and treatment control Best Management Practices, verify monitoring and maintenance records for those facilities that require periodic maintenance, and perform annual inspections of the affected areas to ensure compliance with federally mandated NPDES Permit requirements.

How is the Amount of the Charge Determined?

Each fiscal year (FY), the City of Moreno Valley shall determine the type of services necessary to comply with NPDES Permit requirements and levy the rate applicable for that service. The rate levied shall not exceed the rate previously approved by the property owner.

Proposed Charge

For FY 2015/16, the NPDES Maximum Commercial/Industrial Regulatory Rate is \$227.66 per parcel. The total amount of the NPDES rates levied for FY 2015/16 for the program as a whole was \$446,716.88.

Annual Adjustment

Beginning in FY 2016/17, the NPDES Maximum Commercial/Industrial Regulatory Rate will be subject to an annual adjustment based on the percentage change calculated for the previous year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor’s Bureau of Labor Statistics.

Duration of the Charge

Upon approval of the NPDES Maximum Commercial/Industrial Regulatory Rate, the annual levy amount will be assessed to APN 316-180-014 (and any division thereof) and shall be placed on the Riverside County property tax bill or included as a monthly charge on a utility bill. The NPDES Maximum Commercial/Industrial Regulatory Rate will be levied each following year at the proposed rate, which includes an annual inflation adjustment.

Public Hearing

To provide information concerning this mail ballot proceeding the City has scheduled a Public Hearing, which will be held at the **Moreno Valley City Hall Council Chamber located at 14177 Frederick Street, Moreno Valley.**

<p style="text-align: center;"><u>Public Hearing</u> Tuesday, November 10, 2015 6:00 P.M. (Or As Soon Thereafter As The Matter May Be Called)</p>
--

Tabulation of returned ballots will commence after the close of the public testimony portion of the Public Hearing. All ballots received shall be tabulated under the direction of the City Clerk in compliance with the City’s Policy For Conducting Mail Ballot Proceedings Policy #1.12.

Effect if the Charge is Approved

Approval of the NPDES Maximum Commercial/Industrial Regulatory Rate will be confirmed if the ballot is marked in favor of the NPDES rate. Approving the NPDES Maximum Commercial/Industrial Regulatory Rate through a mail ballot proceeding will fulfill the Land Development Division’s Condition of Approval LD37 (to provide an ongoing funding source for the NPDES program).

Effect if the Charge is Not Approved

Not approving the NPDES Maximum Commercial/Industrial Regulatory Rate to meet federally mandated NPDES Permit requirements will not satisfy the Land Development Division’s

Condition of Approval LD37. If the returned ballot is marked “No”, the NPDES rate will not be levied on the property tax bill.

Effect if the Ballot is Deemed Invalid or Incomplete

Not marking the corresponding box on the ballot next to the APN (in support of or opposition to the proposed program and annual rate) and/or not signing the ballot will result in an invalid ballot. In order to satisfy the Land Development Division’s Condition of Approval LD37 by placement of the charge on the annual property tax bill, the mail ballot proceeding and 45-day noticing period will need to start over. Reinitiating the process will require payment of the mail ballot proceeding fee.

For More Information

If you have any questions about the mail ballot proceeding process, please contact Jennifer Terry, Senior Management Analyst, with the City’s Special Districts Division at 951.413.3505 or via email at JenniferT@moval.org during the City’s business hours.
