Report to City Council

TO:	Mayor and City Council
FROM:	Ahmad R. Ansari, P.E., Public Works Director/City Engineer
AGENDA DATE:	October 18, 2016
TITLE:	PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON STREET LIGHTS

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Approve the Purchase and Sale Agreement, including the Light Pole License Agreement, in substantially the form attached hereto, with Southern California Edison to acquire approximately 9,411 street lights and authorize the City Manager to execute the necessary documents subject to City Attorney final approval.

2. If the Agreement is approved, direct staff to bring financing options, energy efficient conversion options and review of the street light standards back to the City Council for consideration.

SUMMARY

This report recommends approval of a Purchase and Sale Agreement with Southern California Edison (SCE), which includes a Light Pole License Agreement for Wireless Attachment (collectively the "Agreement"), in substantially the form included as Attachments 1 and 2. The Agreement is for the acquisition of approximately 9,411 SCE owned street lights for a purchase price of not-to-exceed $4,948,472. Buying the street lights will transition them from SCE's LS-1 (utility owned and maintained) tariff to its LS-2 (city owned and maintained) tariff. The Light Pole License Agreement provides SCE with an existing and future easement on the 9,411 poles for existing and future wireless communicating devices. SCE uses the wireless communication to collect and relay data from meters, and to collect, relay and communicate with SCE distribution equipment. Final approval of the Agreement and the sale of the street lights are subject to approval from the California Public Utilities Commission (CPUC) and approval of a financing plan by the City Council.

During the July 12, 2016 Study Session, staff was directed to negotiate the terms of the Agreement with SCE and to determine whether or not the Edgemont Community Services District (ECSD) had an interest in acquiring street lights within its district and under its control. The Council requested the Agreement be brought back to the City Council for consideration.

If the Agreement is approved, options for financing the purchase, conversion of the street lights to Light Emitting Diode (LED) technology, operations and maintenance (O&M) and a review of the City's street light standards will be brought back to the Council at subsequent meetings. Any future street light installations will be dedicated to the City and added to SCE's billing under the LS-2 tariff.

Acquisition of the SCE street lights provides the City with an opportunity to control certain costs and reduce the projected funding shortfall in the street light program. Projections for tariff increases (based on historical increases) were included in the financial analysis. However, the City does not have control over SCE's proposed increases to the tariffs. If the actual increases exceed the projected increases, it will negatively impact the projected savings.

DISCUSSION

As street lights are installed within the City, they are currently dedicated to the utility provider. The utility provider owns the lights and is responsible for O&M, risk management, knock-down replacements, and energizing the street lights. The two utility providers, SCE and Moreno Valley Utility (MVU), charge the City a monthly tariff to maintain and illuminate approximately 11,500 street lights. Street lights within Moreno Valley are designated under the LS-1 (SCE) or SL-1 (MVU) tariff. This tariff is for utility owned and maintained street lights.

The City (and the Moreno Valley Community Services District) levies a parcel charge and/or parcel tax ("parcel charge") on the annual property tax bills. Revenue received from the parcel charge funds a portion of the street lighting program. The City does not levy street lighting parcel charges against those parcels located within the ECSD. Street light service to the ECSD is provided by an independent special district, which levies parcel charges to pay for the street lights within its boundaries. Street lights located within the ECSD are not included within the City's street lighting program. A map of the ECSD is attached to this report.

As utility costs have increased over the years, parcel charge revenue received to support the street light program has not kept pace, creating a funding shortfall. The General Fund has been funding the shortfalls since fiscal year (FY) 2010/11. The FY 2015/16 unaudited shortfall is estimated at $400,000. Based on SCE's past practice of continuing to increase its monthly tariff, the annual shortfall is anticipated to grow to an estimated $1,800,000 by FY 2035/2036. Unless new revenue sources or cost saving measures can be identified, the General Fund will have a liability to continue meeting the funding shortfall.

Over the years, a number of alternatives to reduce expenditures have been explored to include removing street lights, turning off street lights, and converting the street lights to energy efficient lighting (e.g. LED). None of these options provide enough of a cost savings to warrant implementation.

In 2011, the City spearheaded the formation of the Coalition for Affordable Street Lights to jointly participate in SCE's 2012 General Rate Case (GRC). The Coalition includes other cities also served by SCE. The GRC is the process SCE goes through every three years to modify its tariff. During the 2012 GRC settlement discussions, the Coalition expressed concern over the rising costs to provide street lighting services and cities' inability to control costs. In response, SCE announced a street light purchase program in March of 2012. Three years later, SCE announced the end of the program, but agreed to honor the program with those cities that requested a purchase price prior to August 2015 and entered into SCE's Purchase and Sale Agreement within 1-year of receiving the purchase price. On October 27, 2015, SCE provided a purchase price of $4,948,472 for Moreno Valley's 9,411 street lights. Moreno Valley's deadline to enter into a Purchase and Sale Agreement is October 27, 2016. SCE has agreed to extend the deadline to December 31, 2016 provided Moreno Valley is actively negotiating the terms of the Purchase and Sale Agreement (Attachment 3).

If the City elects to purchase the SCE street lights, the monthly tariff will change from the LS-1 tariff to the lower LS-2 tariff. The LS-2 tariff will cover the SCE's cost to transmit the energy to the street lights and the cost of the energy. Ownership costs (e.g. O&M, risk management, knock-down replacements, and customer service) will become the responsibility of the City. By owning the street lights, the City could realize a potential cumulative cost savings of up to $3,600,000 over a 20-year period. These savings include estimated ownership and acquisition costs.

Ownership of the street lights provides the City with greater control over O&M costs. If the City elects to upgrade the street lights to an energy efficient lighting system (e.g. LED) there will be additional savings in energy costs. Converting to energy efficient lighting is estimated to provide an additional potential cumulative cost savings of up to $4,400,000 or a total of $8,000,000 in savings (net of costs to convert to LED) over a 20-year period when compared to the projected funding shortfall of the current, SCE ownership scenario.

WESTERN REGIONAL COUNCIL OF GOVERNMENTS

In December 2014, the Executive Committee of the Western Regional Council of Governments (WRCOG) directed WRCOG staff to develop a regional street light program on behalf of its member jurisdictions. WRCOG's regional program includes an inventory of the street lights, acquiring the street lights and retrofitting them to LED technology, and providing the ongoing O&M of the street lights. Because Moreno Valley has its own utility, it has not been party to WRCOG's efforts. However, WRCOG and Moreno Valley have been working cooperatively together as each navigates simultaneously through the analysis process. Moreno Valley has the ability to opt-in to

WRCOG's regional program at any point and for any portion of WRCOG's program.

Financing

On September 12, 2016, the Executive Committee approved WRCOG staff's recommendation to select Bank of America Public Capital Corporation ("BofA") to provide financing for the acquisition and retrofit of street lights to LED technology. The BofA option provides a "direct placement lease" which is secured by the street lights. BofA was selected after WRCOG conducted a competitive bidding process. A copy of WRCOG's staff report is attached to this report.

Operation and Maintenance

O&M of street lights included as part of WRCOG's regional program will be provided by a contractor selected via a competitive procurement process. The contractor will provide routine O&M and will handle customer service related calls on behalf of those cities participating in the regional program. WRCOG anticipates issuing a request for proposal in October.

LED Regional Demonstration Area

WRCOG selected the City of Hemet as a location for a Regional Demonstration Area to test LED street lights. Five different locations within Hemet, which include multiple land use types (e.g. residential, commercial, industrial, etc.), were identified. Various LED types from 12 vendors have been installed for the public to view and provide input. WRCOG plans to conduct multiple educational tours in October and November. The public will be invited to complete surveys indicating their preference of LED type based on the type of land use. WRCOG will distribute a media kit to its member jurisdictions outlining the specifics of the survey process in early October. The survey period will run from mid-September through the end of January 2017.

PURCHASE AND SALE AGREEMENT

The attached Agreement, in substantially the form included as Attachments 1 and 2, specifies a $4,948,472 not-to-exceed purchase price of the approximate 9,411 street lights in Moreno Valley. The actual amount may be less depending upon the number of street lights actually available for sale. Street lights which have any equipment used for SCE's distribution system attached to them are not available for sale. SCE will only sell the street lights if all of the eligible street lights are purchased. The City cannot elect to purchase a portion of the lights. The Agreement is subject to SCE having complied with the terms of the Agreement and the City Council approving a structured financing plan. The Agreement is silent on timing to approve the structured financing plan, but it must occur prior to the acquisition process moving forward. The street lights are sold "as is" and generally includes the pole, light and mastarm, wiring within marbelite poles and the base. Ownership of wiring on wood poles will be retained by SCE.

The Light Pole License Agreement (Exhibit F of the Purchase and Sale Agreement),

allows SCE to maintain an easement on the street lights for wireless communication devices. The communication devices are used for the collection and relay of data from meters and for the collection, relay, and communication to SCE distribution equipment. SCE will also have the ability to install additional attachments for these purposes at no charge and under certain terms. SCE is limited to attachments allowed on up to 3% of the street lights. SCE estimates there are currently 10 attachments in place or less than 0.01% on the existing street lights. The Light Pole License Agreement has an initial term of 10 years, with automatic 3-year renewal terms. The City can terminate the agreement during the initial 10-year term between year 8 and 9 ½ or during the first year of the 3-year renewable terms. There is no cost to the City to terminate the Light Pole License Agreement during these periods.

The estimated 9,411 street lights are for those included on the City of Moreno Valley's monthly SCE bills. It excludes those street lights whose monthly utility bill is paid by other agencies (e.g. HOAs, ECSD). Staff met with the ECSD on July 27, 2016 to gauge its interest in purchasing street lights within its district and under its control. On August 29, 2016, the ECSD Board advised the City it wants to maintain its current ownership arrangement with SCE (Attachment 6).

Process

SCE estimates transition of ownership for all the street lights may take up 17 months. This timeline may be shortened as more cities enter into the process and the CPUC and SCE streamline the transition processes.

SCE Estimate of Transfer of Ownership Timeline	
2 months after City approval	SCE files with Advice Letter with CPUC
3-6 months	CPUC approves Advice Letter
1-2 months after CPUC Approval	Transition of ownership begins
5-7 months	In Field transfer (1,500-2,000/month)

Operation and Maintenance

Four alternatives have been initially identified to provide the ongoing O&M of the street lights should the City elect to proceed: 1) City crews who currently service traffic signals and safety lighting could provide the O&M; 2) MVU's contract with ENCO could be amended to include O&M of the SCE street lights (MVU has a public-private partnership with ENCO to maintain the MVU owned street lights); 3) the City could conduct a competitive procurement process; or, 4) the City could partner with WRCOG for O&M. These options will be presented for City Council consideration in more detail during a future meeting.

Additional Opportunities

Ownership of the street lights also provides an opportunity to take advantage of emerging technologies. The network of real estate the street lights provide enables their use for additional services that can benefit our community and can create opportunities to generate additional revenue. For example, the City of Los Angeles

uses street lights for electric vehicle charging stations while other communities use them to create a wireless mesh network of radio nodes. The nodes are used for smart cities applications and position a city for developing a communication network. Examples of these applications include the ability to collect data on traffic mobility, sense movement on the streets, turn off streetlights when sidewalks and roads are empty, detect ground shifts and send earthquake warnings, and act as WiFi hotspots.

ALTERNATIVES

1. Approve the Purchase and Sale Agreement, including the Light Pole License Agreement, with Southern California Edison to acquire the street lights and related recommended actions as presented in this staff report. *Staff recommends this alternative based on the financial projections. Acquiring the SCE street lights will provide the City with control over Operations and Maintenance costs, reduce the funding shortfall, allow for a greater cost savings for conversion to energy efficient technology and opportunities to take advantage of emerging technologies.*

2. Delay approval of the Purchase and Sale Agreement, including the Light Pole License Agreement, with Southern California Edison and continue the item to a future meeting. *Staff does not recommend this alternative as it may delay meeting SCE's deadline to enter into the Agreement.*

3. Do not approve the Purchase and Sale Agreement with Southern California Edison. *Staff does not recommend this alternative as it minimize the City's ability to control costs in its street lighting program and limit its ability to use street lights for emerging technologies.*

FISCAL IMPACT

The not-to-exceed purchase price of the street lights is $4,948,472. Multiple options for the financing of the purchase are being explored to include:

Option 1: Participate with WRCOG through its approved financing structure or examine our own independent structure with BofA. If the City chooses to proceed under the WRCOG agreement, the terms of the financing structure will be determined at that time.

Option 2: Use the City's Financing Team to seek an independent bond financing structure. This option would allow us to proceed independently from WRCOG under a similar structure, with terms to be determined.

Option 3: Borrow from the General Fund, with terms to be determined.

In addition to the potential savings from the purchase of the street lights, additional savings may be realized by converting the street lights (SCE and MVU) to LED technology. The conversion cost is estimated to be $4,250,000. The project may be eligible for energy rebates provided through SCE for approximately $1,500,000, leaving an estimated conversion cost of just over $2.7 million. The conversion cost may be

funded through options similar to the options for financing the purchase of the street lights. The conversion cost does not include those street lights within and under control of the ECSD

Financial Estimate Assumptions

The current financial modeling projects the City could save $3.6 million over 20 years if it acquires the street lights. Additionally, with conversion to LED technology, the City may save a total amount of $8 million over the same 20-year time period. Based on the estimated savings in the tariff with the purchase (LS-1 to LS-2) and energy costs with LED conversion, the City's General Fund will still be required to subsidize the street light program between $400,000 to $1 million annually for an estimated total amount of $13.2 million over the 20-year time period. The shortfall increases through year 15 (term of projected debt service) and decreases the remaining five years of the 20-year period. If the street lights are not purchased the projected shortfall ranges from $400,000 to $1.8 million annually for an estimated total amount of $21.6 million over the 20-year time period.

The annual shortfall includes costs for those street lights (22%) currently located on arterial streets, 22%. The remaining 78% of the street lights are located within residential neighborhoods. The arterial street lights benefit the general population while the residential street lights provide the most benefit to those residents.

The current modeling was developed based on the initial work by WRCOG and their consultants, and the City's historical data. The results of the model are based on multiple assumptions including, but not limited to, the following items:

- Estimates are based on historical knowledge. Although prior results may provide an indicator for future results, there is no guarantee that these or similar results may be experienced.
- The not-to-exceed purchase price is $4,948,472. The actual price may be adjusted based on the final inspection of each individual street light prior to transition.
- Total acquisition costs are estimated at $5,577,277 which includes the purchase price ($4,948,472), initial replacement reserves ($303,000), transition costs ($100,000), and cutover costs ($125,000).
- Transition of the street lights and change in the tariff occurs on day one. The actual timing for the transition of the lights is phased and will be dependent on SCE meeting key dates of delivery. Any delays in transition will reduce the cumulative savings.
- The financing structure is estimated based on a 15 year term at an interest rate of not-to-exceed 4%.
- SCE utility rate tariffs will not increase greater than 5% on an annual basis.
- SCE energy costs will not increase greater than 3% on an annual basis.
- Maintenance costs are estimated based on historical activities and do not account for any major unforeseen costs, including but limited to additional knockdowns or natural disasters. A repair cost per knockdown is estimated at

$6,500 per pole with a knockdown rate of 0.47% of inventory.

- Property taxes are assumed to increase at the maximum 2% annually based on the limitation of Proposition 13.
- Overhead operation and administration costs will increase based on an annual inflation rate of 3%.
- LED conversion costs assume an installation cost of $4,250,000 (SCE and MVU street lights) and energy rebates of $1.5 million. Many credits are limited and are not guaranteed. If any credits are not received, this could have an impact on the final financial projections.
- Assumes MVU street lights are converted to LED technology.
- LEDs are still an emerging technology and do not have a historical track record of meeting the projected life span and maintenance requirements. LED maintenance is estimated based on projected estimates.
- There may be certain intangible benefits from the ownership of the lights which are not determined at this time. Based on future technology, there may be financial and non-financial benefits to have key infrastructure located throughout the City to allow for the attachment of new technology.
- Street lights under control of ECSD are excluded from the financial modeling.

Although the purchase of the lights may reduce operation costs, under these assumptions the General Fund will still be required to provide annual funding for the operation of the street lights.

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement") is made and entered into as of _____, 2016 ("Effective Date"), by and between SOUTHERN CALIFORNIA EDISON, a California corporation ("SCE"), and the City of Moreno Valley, a Municipal Corporation and Charter City ("Buyer"). SCE and Buyer are referred to herein individually as a "Party," and together as "Parties".

RECITALS

A. SCE currently owns Nine Thousand Nine Hundred Ninety Five (9,995) LS-1 electric streetlight facilities located in the City of Moreno Valley, of which, Nine Thousand, Four Hundred Eleven (9,411) are preliminarily scheduled to be purchased by Buyer.

B. Buyer has expressed a desire to purchase the Facilities (defined below) from SCE, and SCE is willing to sell the Facilities to Buyer, on the terms and conditions set forth in this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the respective covenants and agreements contained in this Agreement, SCE and Buyer each agree as follows:

1. DEFINITIONS. The following terms shall have the meanings ascribed to them below for purposes of this Agreement.

"Agreement" has the meaning given in the first paragraph.

"Applicable Requirements" means all laws, statutes, ordinances, rules, regulations, requirements or orders of any Governmental Authority now in force or that may later be in force, and the terms and conditions of any permit, certificate, license or other requirement.

"Bill of Sale" means a document setting forth the Purchase Price and Severance Costs as well as any Taxes for which Buyer is responsible with respect to the Facilities specified to be transferred to Buyer in each Phase (including Reconfigured Facilities in the final Phase), which document shall be substantially in the form of **Exhibit B** attached hereto.

"Business Day" means a day other than Saturday, Sunday or a day on which (i) banks are legally closed for business in the State of California; or (ii) SCE is closed for business.

"Buyer" has the meaning given in the preamble paragraph.

"CEQA" has the meaning given in Section 5.2.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

"Claims" has the meaning given in Section 7.1.

"Commencement" has the meaning given in Section 6.2.

"Commencement Date" has the meaning in Section 6.1.

"CPUC" means the California Public Utilities Commission, or its regulatory successor, as applicable.

"CPUC Approval" means a final, unconditional and unappealable decision of the CPUC under Section 851 of the Public Utilities Code (including exhaustion of all administrative and judicial remedies or the running of time periods and statutes of limitation for rehearing and judicial review without rehearing or judicial review being sought) approving this Agreement and the transactions contemplated hereby on terms and conditions acceptable to SCE and Buyer, in their good faith discretion, including approval of SCE's proposed accounting and rate making treatment of the sale in accordance with CPUC's decisions.

"CPUC Approval Date" means the date on which the CPUC Approval occurs.

"Effective Date" has the meaning given in the preamble paragraph.

"Environmental Requirements" means any applicable federal, state and local statutes, regulations or ordinances now in force or that may later be in force relating to the protection of human health or safety, or regulating or relating to industrial hygiene or environmental conditions, or the protection of the environment, or pollution or contamination of the air, soil, surface water or ground water, including federal, state and local laws, requirements and regulations pertaining to reporting, licensing, permitting, investigating and remediating emissions, discharges, releases or threatened releases of such substances into air, surface water or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of such substances. Environmental Requirements include without limitation: the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601 et seq.); the Hazardous Materials Transportation Act (49 U.S.C. 5101 et seq.); and the Resource Conservation and Recovery Act (42 U.S.C. 6901et seq.)

"Excluded Taxes" means (a) taxes (other than any sales, use, gross receipts, or any taxes in the nature of sales, use or gross receipts taxes) imposed on SCE that are capital gains taxes, minimum or alternative minimum taxes, accumulated earnings taxes, franchise taxes or taxes on or measured by gross or net income, capital or net worth of SCE; and (b) personal property taxes to the extent the payment is addressed in Section 3.3(b), and is not required to be reimbursed to SCE by Buyer.

"Facilities" has the meaning given in Section 2.2 and further described in **Exhibit A**.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

"Governmental Authority" means any federal, state, local or other governmental, regulatory or administrative agency, commission, department, board, subdivision, court, tribunal, or other governmental arbitrator, arbitral body or other authority, but excluding Buyer.

"Hazardous Substances" means any hazardous or toxic material or waste, which is or becomes regulated by Environmental Requirement. Without limiting the generality of the foregoing, Hazardous Substances includes any material or substance: (a) now or hereafter defined as a "hazardous substance, " "hazardous waste," "hazardous material," " extremely hazardous waste," " restricted hazardous waste" or "toxic substance" or words of similar import under any applicable Environmental Requirements; or (b) which is toxic, explosive, corrosive, flammable, infectious, radioactive, carcinogenic, mutagenic or otherwise hazardous, and is now or hereafter regulated as Hazardous Substance by the United States, the State of California, any local governmental authority or any political subdivision thereof, or which cause or are listed by the State of California as being known to the State of California to cause, cancer or reproductive toxicity; or (c) the presence of which poses or threatens to pose a hazard to the health or safety of persons or the environment; or (d) which contains gasoline, diesel fuel or other petroleum hydrocarbons; or (e) which contains lead-based paint or other lead contamination, polychlorinated biphenyls ("**PCBs"**), or asbestos or asbestos-containing materials or urea formaldehyde foam insulation; or (f) which contains radon gas; or (g) fuel or chemical storage tanks, energized electrical conductors or equipment, or natural gas transmission or distribution pipelines; and (h) other potentially hazardous substances, materials, products or conditions.

"Inventory, Planning and Inspection Activities" means the activities referenced in Section 6.2(a) and set forth in **Exhibit D** to be performed by Buyer and SCE during the Inventory, Planning and Inspection Period.

"Inventory, Planning and Inspection Period" has the meaning set forth in Section 6.2(a). **"**

"Land" means the real property on which the Facilities are located, together with any other real property that is encumbered by Land Rights.

"Land Rights" means the easements, leases, permits, franchise agreements or other agreements that grant SCE the right to locate the Facilities on the Land and/or permit access to the Facilities by SCE.

"Local Service Planning Office" means SCE's local service planning office located at 26100 Menifee Rd. Menifee CA 92585.

"Phase" means the Nine (9) periods of Five (5) months each, during which the Parties will undertake certain activities as set forth in this Agreement with regard to the Facilities identified in each such Phase in **Exhibit C**. The Parties may mutually agree at any time to change the Phase Commencement Date and/or the Phase Closing Date for any or all Phases.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

"Phase Commencement Date" means the first day of each Phase as set forth in **Exhibit C**.

"Phase Completion" means the completion of all activities for each Phase as set forth in Sections 6.2 and 6.4 of this Agreement.

"Phase Closing Date" means the last day of each Phase as set forth in **Exhibit C** on which the closing of the purchase and sale of the Facilities in such Phase shall occur.

"Potential Environmental Hazards" means electric fields, magnetic fields, electromagnetic fields, electromagnetic radiation, power frequency fields, and extremely low frequency fields, however designated, and whether emitted by electric transmission lines, other distribution equipment or otherwise.

"Purchase Price" has the meaning given in Section 3.1.

"Reconfigured Facilities" means any additional facilities the Parties identify during the Inventory, Planning and Inspection Period of any Phase which serve purposes in addition to street lighting, which the Parties agree that SCE will reconfigure to remove such other (non-street light) uses, and which will be purchased by Buyer from SCE in the final Phase. Buyer shall coordinate all activities relating to Reconfigured Facilities with SCE's Local Service Planning Office.

"SCE Parties" means SCE, its affiliates, and each of their respective past, present and future officers, directors, partners, employees, agents, representatives, shareholders, attorneys, affiliates, parent and subsidiary corporations, divisions, insurance carriers, heirs, legal representatives, beneficiaries, executors, administrators, predecessors, transferees, successors and assigns.

"Severance Activities" means the activities referenced in Section 6.2(a) and set forth in **Exhibit D** to be performed by SCE and Buyer during each Phase (after the applicable Inventory, Planning and Inspection Period expires) with respect to the Facilities to be transferred from SCE to Buyer in such Phase.

"Severance Costs" has the meaning in Section 3.1.

"Tax Claim" has the meaning given in Section 3.3(e).

"Taxes" mean all federal, state, local or foreign income, ad valorem, gross receipts, license, payroll, employment, excise, stamp, occupation, premium, windfall profits, environmental, customs duties, capital stock, franchise, profits, withholding, social security (or similar), unemployment, disability, real property including assessments, special assessments, special district assessments, escape assessments, benefit assessments and maintenance assessments, fees or other charges or surcharges of any nature based on the use or ownership of real property), personal property, sales, use, documentary transfer, registration, value added, alternative and add-on minimum, estimated taxes, and all other taxes of any kind whatsoever, including all

interest, penalties, fines and additions thereto, whether disputed or not, including all items for which liability arises as a transferee or successor-in-interest.

2. PURCHASE AND SALES OF FACILITIES.

2.1 Purchase and Sale. Subject to the terms and conditions of this Agreement, SCE agrees to sell, convey, assign, transfer and deliver to Buyer, and Buyer agrees to purchase and acquire from SCE, all of SCE's right, title and interest in the Facilities.

2.2 Description of Facilities. The "Facilities" consist of Nine Thousand, Four Hundred Eleven (9,411) electric streetlight facilities owned by SCE and located within the Buyer's service territory. A detailed description and listing of the Facilities to be purchased and sold is provided **Exhibit A**. The Parties believe that **Exhibit A** contains a reasonably accurate inventory and map of the LS-1 streetlight facilities owned by SCE within the Buyer's service territory that are considered for sale.

3. PURCHASE PRICE AND OTHER COSTS.

3.1 Purchase Price. Subject to adjustment as provided in this Section 3.1, the total purchase price for all Facilities described in **Exhibit A** ("**Purchase Price**") is Four Million, Nine Hundred Forty Eight Thousand, Four Hundred Seventy Two Dollars ($4,948,472).

(a) The Parties shall mutually agree on the Purchase Price, Severance Costs and any additional costs for any Reconfigured Facilities transferred to Buyer in the final Phase in accordance with Section 6.2(b).

(b) If, within thirty (30) days after the Phase Closing Date for the final Phase, the Parties determine that the number of Facilities that have been transferred to Buyer pursuant to this Agreement does not equal [insert # of Facilities the first Recital of the Agreement says are to be transferred] then, within sixty (60) days after the Phase Closing Date for the final Phase, the Parties will amend the Bill of Sale for the final Phase to increase or decrease the Purchase Price, as appropriate, using the dollar amount of SCE's average price for each type of streetlight facility in the Buyer's municipality (concrete poles will be valued at SCE's average price for concrete poles, steel poles will be valued at SCE's average price for steel poles, wood poles will be valued at SCE's average price for wood poles, and fiberglass poles will be valued at SCE's average price for fiberglass poles).

3.2 Severance Costs. In addition to the Purchase Price, Buyer shall pay to SCE, SCE's good faith estimate of the cost of SCE's Severance Activities with respect to the Facilities, which the parties agree is equal to a total amount of $282,330 (**"Severance Costs")**. Buyer shall pay the Severance Costs in nine (9) equal installments, as invoiced by SCE in each Phase.

3.3 Taxes.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

(a) Except for any Excluded Taxes for which Buyer will have no liability, Buyer shall pay all Taxes arising in connection with the sale and transfer of the Facilities, this Agreement or the transactions contemplated herein, or the receipt of the Purchase Price or other amounts hereunder, which Taxes are levied or imposed on or with respect to SCE, Buyer or all or any part of the Facilities or any use thereof on or after the applicable Phase Closing Date.

(b) State and local personal property Taxes relating to the Facilities for the tax year (ending June 30) will be prorated between Buyer and SCE on the following basis: SCE is to be responsible for all such Taxes for the period up to the Phase Closing Date for such Facilities; and Buyer is responsible for all such Taxes for the period on and after the Phase Closing Date for such Facilities. All Taxes assessed on an annual basis will be prorated on the assumption that an equal amount of Taxes applies to each day of the year, regardless of how many payments are billed or made, except that Buyer will bear all supplemental or other state and local personal property Taxes with arise out of change in ownership of the Facilities. In addition, Buyer acknowledges that the Facilities are assessed by the California State Board of Equalization as of January 1 of each year, and, if the Phase Closing Date occurs between January 1 and June 30, SCE must pay personal property taxes arising out of the ownership of the Facilities for the subsequent fiscal year. If the Phase Closing Date occurs between January 1 and June 30, Buyer will deposit with SCE the full amount to pay personal property taxes for the tax year beginning on July 1, in addition to the prorated amount of personal property taxes for the current tax year (ending June 30), and SCE will pay the personal property taxes for these tax years before they become delinquent; provided however, SCE may pay such taxes in installments as permitted by law. If the personal property tax amounts owing for the tax year beginning on July 1 are not available as of the Phase Closing Date, then the amount due from Buyer to SCE for such tax year will be estimated on the basis of the prior year's personal property taxes and such amount will be subject to adjustment after the Phase Closing Date. If the Phase Closing Date occurs between July 1 and December 31, Buyer will deposit with SCE the prorated amount of personal property taxes for the tax year in which the Phase Closing Date occurs and SCE will pay the personal property taxes for such tax year before they become delinquent; provided however, SCE may pay such taxes in installments as permitted by law.

(c) SCE will be entitled to any refunds or credits of Taxes relating to the Facilities that are allocable to the period prior to the Phase Closing Date. Buyer will promptly notify and forward to SCE the amounts of any such refunds or credits to SCE within five (5) Business Days after receipt thereof. Buyer will be entitled to any refund or credit of Taxes relating to the Facilities that are allocable to the period on and after the Phase Closing Date. SCE agrees to reasonably cooperate with Buyer's efforts to obtain such refund or credit.

(d) After each Phase Closing Date, Buyer will notify SCE in writing, within five (5) Business Days after Buyer's receipt of any correspondence, notice or other communication from a taxing authority or any representative thereof, of any pending or threatened tax audit, or any pending or threatened judicial or administrative proceeding that involves Taxes relating to the Facilitates for the period prior to the Phase Closing Date, and furnish SCE with copies of all correspondence received from any taxing authority in connection with any audit or information request with respect to any such Taxes relating to the Facilities for the period prior to the Phase Closing Date.

(e) Notwithstanding any provision of this Agreement to the contrary, with respect to any claim for refund, audit, examination, notice of deficiency or assessment or any judicial or administrative proceeding that involves Taxes relating to the Facilities for the period either entirely prior to the Phase Closing Date or both prior to and after the Phase Closing Date (collectively, "**Tax Claim")**, the Parties will reasonably cooperate with each other in contesting any Tax Claim, including making available original books, records, documents and information for inspection, copying and, if necessary, introduction as evidence to any such Tax Claim contest and making employees available on a mutually convenient basis to provide additional information or explanation of any material provided hereunder with respect to such Tax Claim or to testify at proceedings relating to such Tax Claim. SCE will control all proceedings taken in connection with any Tax Claim that pertains entirely to the period prior to the Phase Closing Date, and SCE and Buyer will jointly control all proceedings taken in connection with any Tax Claim pertaining to the period both prior to and after the Phase Closing Date. Buyer has no right to settle or otherwise compromise any Tax Claim which pertains entirely to the period prior to the Phase Closing Date; and neither Party has the right to settle or otherwise compromise any Tax Claim which pertains to the periods both prior to and after the Phase Closing Date without the other Party's prior written consent.

(f) The obligations of the Parties pursuant to the Section 3.3 shall survive the termination of this Agreement.

4. CONDITIONS PRECEDENT

4.1 Conditions to Buyer's Obligations. Buyer's obligation under this Agreement to purchase the Facilities is subject to the fulfillment or waiver of each of the following conditions precedent:

(a) SCE shall have performed or complied in all material respects with all covenants, agreements and conditions contained in this Agreement to be performed or complied with by SCE at or prior to the Commencement Date and each Phase Closing Date.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

(b) The City Council shall have identified and approved a structured financing plan to pay the Purchase Price and Severance Costs. The terms of a feasible financing shall be determined solely by the City Council.

(c) No suit, action or other proceeding shall be pending before any court or Governmental Authority which seeks to restrain or prohibit any of the transactions contemplated by this Agreement or to obtain material damages or other material relief in connection with this Agreement or the transactions contemplated hereby.

4.2 **Conditions to SCE's Obligations** SCE's obligation under this Agreement to sell the Facilities to Buyer is subject to the fulfillment or waiver of each of the following conditions precedent:

(a) Buyer shall have performed or complied in all material respects with all covenants, agreements and conditions contained in this Agreement to be performed by Buyer at or prior to the Commencement and each Phase Closing.

(b) No suit, action or other proceeding shall be pending before any court or Governmental Authority which seeks to restrain or prohibit any of the transactions contemplated by this Agreement or to obtain material damages or other material relief in connection with this Agreement or the transactions contemplated hereby.

4.3 **CPUC Approval**. The obligation of each Party to consummate the purchase and the sale of the Facilities is conditioned upon obtaining CPUC Approval. SCE agrees to make reasonable efforts to draft and file an application seeking CPUC approval within ninety (90) days following the Effective Date of this Agreement. Buyer agrees to cooperate with SCE's efforts to obtain CPUC Approval, including by promptly reviewing and commenting on the application for CPUC Approval. Buyer acknowledges and agrees that SCE makes no representation or warranty with respect to the likelihood of obtaining CPUC Approval, and Buyer hereby waives all Claims against SCE that may arise as a result of the need for CPUC Approval or SCE's failure to obtain CPUC Approval.

4.4 **Satisfaction or Waiver of Conditions Precedent**. Buyer may waive in writing any of the conditions precedent set forth in Section 4.1, and SCE may waive in writing any of the conditions precedent set forth in Section 4.2. Neither Party shall have the right to waive the condition precedent set forth in Section 4.3. Subject to the foregoing, in the event that any of the conditions precedent set forth in this Section 4.1 or Section 4.2 have not been satisfied or waived on or before the Commencement Date or any Phase Closing Date (as the same may be extended), then the Party whose obligations are subject to such condition precedent shall have the right to rescind this Agreement ab initio upon written notice to the other Party, and SCE and Buyer shall thereupon return to the other Party all performances received from the other Party (except for the Severance Costs

actually paid), and each Party shall be released from all other obligations under this Agreement, except those which expressly survive termination.

5. CONDITION OF FACILITIES AND LAND RIGHTS

5.1 Compliance with Applicable Requirements and Governmental Approvals. Except for CPUC Approval**,** Buyer is solely responsible for complying, at Buyer's sole expense, with all Applicable Requirements and obtaining all authorizations, consents, licenses, permits and approvals of Governmental Authorities and third persons in connection with the consummation of the transactions contemplated by this Agreement and with Buyer's operation of the Facilities, whether as result of the PCB content or otherwise. Without limiting the foregoing, Buyer is responsible for any costs of complying with the California Environmental Quality Act (**"CEQA"**), if and to the extent applicable to the sale and transfer of the Facilities, and satisfying, at Buyer's sole expense, any and all mitigation measures under CEQA that may apply to Buyer's acquisition or operation of the Facilities. Buyer shall promptly notify SCE of any and all mitigation measures that may affect SCE. If SCE determines in good faith that any such mitigation measures may adversely affect SCE, SCE shall have the right without liability to Buyer to terminate this Agreement upon written notice to Buyer. In the event of such termination, SCE and Buyer shall each be released from all obligations under this Agreement, except those that expressly survive termination. Buyer's obligations under this Section 5.2 shall survive the termination of this Agreement.

5.2 Disclosure Regarding Hazardous Substances. SCE hereby discloses to Buyer that Potential Environmental Hazards and Hazardous Substances, including PCBs, may be present at, in, on, under, about, contained in, or incorporated in the Facilities. Buyer represents that it is purchasing the Facilities for Buyer's own use, and not for resale (provided that Buyer contemplates that Buyer may transfer title to the Facilities in connection with financing and/or refinancing of the Facilities). If Buyer sells the Facilities, or any part thereof, it shall disclose, in writing, to all potential Buyers, prior to the sale, that Potential Environmental Hazards and Hazardous Substances, including PCBs, may be present at, in, on, under, about, contained in, or incorporated in the Facilities, or portions thereof. Further, in the event the Facilities (or any portion thereof) are sold, conveyed or transferred in any manner to a person other than SCE, Buyer shall incorporate in the agreement effectuating such transfer, language substantially in the same form as this paragraph. Buyer's obligations under this Section 5.3 shall survive the termination of this Agreement. Notwithstanding anything to the contrary set forth in this Agreement, SCE approval shall not be required for any conveyance of the Facilities, whether or not such conveyance is made in connection with a financing or refinancing of the Facilities or any part thereof.

5.3 Disclaimers Regarding the Facilities and the Land. BUYER ACKNOWLEDGES THAT IT IS RELYING UPON ITS OWN INDEPENDENT INVESTIGATION IN DECIDING TO PURCHASE THE FACILITIES. BUYER

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

EXPRESSLY DISCLAIMS RELIANCE ON ANY REPRESENTATIONS, WARRANTIES OR GUARANTIES, EITHER EXPRESS OR IMPLIED, BY SCE, ITS OFFICERS, DIRECTORS, COUNSEL, REPRESENTATIVES OR AGENTS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SCE EXPRESSLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, AS TO THE CONDITION, VALUE OR QUALITY OF THE FACILITIES, THE PROSPECTS (FINANCIAL AND OTHERWISE) OF THE FACILITIES, THE QUALITY OF WORKMANSHIP OF THE FACILITIES, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT. SCE FURTHER SPECIFICALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY REGARDING POTENTIAL ENVIRONMENTAL HAZARDS, THE PRESENCE OF HAZARDOUS SUBSTANCES, COMPLIANCE OF THE FACILITIES OR THE LAND WHERE THE FACILITIES ARE LOCATED WITH ENVIRONMENTAL REQUIREMENTS, OR LIABILITY OR POTENTIAL LIABILITY ARISING UNDER ENVIRONMENTAL REQUIREMENTS. NO SCHEDULE OR EXHIBIT TO THIS AGREEMENT, NOR ANY OTHER MATERIAL OR INFORMATION PROVIDED BY OR COMMUNICATIONS MADE BY SCE, WILL CAUSE OR CREATE ANY REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SCE EXPRESSLY DISCLAIMS: (A) ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY; (B) ANY IMPLIED OR EXPRESS WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; AND (C) ANY IMPLIED OR EXPRESS WARRANTY OF CONFORMITY TO MODELS OR MATERIALS.

5.4 **"AS IS" SALE**. THE FACILITIES ARE BEING TRANSFERRED "AS IS, WHERE IS, AND WITH ALL FAULTS" IN THEIR EXISTING CONDITION, WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND BY SCE, EXPRESS, IMPLIED OR STATUTORY, AND WITHOUT RECOURSE AGAINST SCE.

5.5 **Specific Disclaimer Regarding Land Rights.** BUYER SPECIFICALLY ACKNOWLEDGES AND AGREES THAT SCE IS NOT ASSIGNING OR OTHERWISE TRANSFERRING ITS RIGHT, TITLE AND INTEREST IN AND TO ANY LAND RIGHTS (OR ANY CLAIM, RIGHT OR BENEFIT ARISING UNDER OR RESULTING FROM SUCH LAND RIGHTS) IN CONNECTION WITH ITS SALE OF THE FACILITIES TO BUYER, AND BUYER ASSUMES ANY AND ALL RISKS AND LIABILITIES IN CONNECTION WITH THE ABSENCE OF ADEQUATE OR APPROPRIATE LAND RIGHTS.

5.6 **Maintenance of Facilities Pending Commencement**. From the Effective Date until the Phase Closing Date, SCE will, at its expense, operate and maintain the Facilities in accordance with SCE's rate "Schedule LS-1 LIGHTING - STREET AND HIGHWAY - UNMETERED SERVICE COMPANY-OWNED SYSTEM," and consistent with SCE's custom and past practices.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

5.7 **New Facilities**. Until the Commencement Date, SCE may continue to install new streetlights in the City of Moreno Valley in accordance with SCE's standard practices and tariffs and CPUC rules and regulations.

6. COMMENCEMENT AND POST-COMMENCEMENT ACTIVITIES.

6.1 **Commencement Date**. The "**Commencement Date**" shall be the date that is sixty (60) days after the CPUC Approval Date or after the approval of a financing plan by the City Council, whichever occurs later. The application seeking CPUC Approval will request such approval within six months of the date the application is filed. SCE makes no representations as to when or in what manner the CPUC will act on the application.

6.2 **The Phases**. The first Phase shall commence on the Commencement Date ("**Commencement**"), and each successive Phase shall follow consecutively thereafter or on such earlier date as mutually agreed by the Parties as to the Facilities identified for each Phase in **Exhibit C**. The Parties shall take the following actions during each Phase for the Facilities to be transferred to Buyer in such Phase:

(a) For a period not to exceed four (4) months following the commencement of each Phase (each, an "**Inventory, Planning and Inspection Period"),** the Parties will perform their respective Inventory, Planning and Inspection Activities set forth in **Exhibit D**, including identifying any Reconfigured Facilities. For each Phase, SCE's Local Service Planning office shall provide written notice to Buyer before the expiration of the Inventory, Planning and Inspection Period identifying any potential Reconfigured Facilities and stating the work necessary to reconfigure such facilities for sale to Buyer and the estimated time and cost to complete the work ("Reconfigured Facilities Notice").

(b) For a period of ten (10) Business Days following Buyer's receipt of the Reconfigured Facilities Notice, Buyer shall have the right to accept or reject the Reconfigured Facilities described in the Reconfigured Facilities Notice, which acceptance or rejection shall be evidenced by a written notice delivered to SCE's Local Service Planning Office.

(c) At any time prior to the applicable Phase Closing, each Party shall perform and complete its respective Severance Activities for all Facilities in the applicable Phase, excepting only the Reconfigured Facilities identified in the Reconfigured Facilities Notice for that Phase, which Reconfigured Facilities shall be added to the final Phase. Prior to or during the final Phase, each Party shall perform and complete its respective Severance Activities for any Reconfigured Facilities.

(d) Not later than thirty (30) days prior to each Phase Closing Date, SCE shall deliver to Buyer an original Bill of Sale duly executed by SCE. The Parties

agree that delivery of the Bill of Sale shall be effective upon the earlier of (i) delivery to Buyer by hand of an original Bill of Sale or (ii) Buyer's receipt of a facsimile or other electronic transmission of the Bill of Sale. If delivery is made by facsimile or other electronic transmission, SCE shall concurrently send the original Bill of Sale to Buyer by registered or certified mail or overnight courier.

(e) At any time prior to any Phase Closing, Buyer may elect at its sole and absolute discretion to remove any of the Facilities (except for Reconfigured Facilities) from any Phase and deduct on a pro rata basis the value of such Facilities from the Purchase Price.

(f) By each Phase Closing Date, Buyer shall pay to SCE in U.S. dollars the Purchase Price, Severance Costs, and the Taxes (but not Excluded Taxes) for the Facilities to be transferred to Buyer in such Phase.

(g) After completion of the final Phase, SCE's Local Service Planning Office will invoice Buyer separately for any Reconfigured Facilities.

6.3 **Assumption of Liabilities**. On each Phase Closing Date, Buyer will assume all obligations and liabilities of any kind or nature whatsoever related to, arising from, or associated with ownership or possession of the Facilities transferred to Buyer in such Phase.

6.4 **Post-Phase Activities**.

(a) Within ninety (90) days after each Phase Closing Date, but effective as of each such Phase Closing Date, SCE will change the charge for electricity furnished to the Facilities transferred to Buyer in such Phase from the Streetlight Rate Schedule LS-1 to the Streetlight Rate Schedule "LS-2 LIGHTING - STREET AND HIGHWAY CUSTOMER-OWNED INSTALLATION - UNMETERED SERVICE" Multiple Service – Rate B and provide written notice to Buyer of such change ("Notice of Rate Change").

(b) Within ninety (90) days after each Phase Closing Date, SCE shall provide an updated map and inventory of the Facilities transferred pursuant to such Phase to Buyer.

6.5 **Prohibition on Connecting Non-Conforming Load**. Buyer acknowledges and agrees that Buyer's purchase of the Facilities does not entitle Buyer to connect non-conforming load to the Facilities or supporting circuits beyond SCE's initial point of connection. If Buyer wishes to connect such non-conforming load, Buyer agrees to comply with SCE's applicable filed tariffs.

7. **RELEASE**.

7.1 **Release**. Buyer, for itself, and for any future owners of all or a part of the Facilities, and each of their respective predecessors, successors, assigns, licensees, officers, directors, employees, agents, partners, shareholders, transferees, parent

and subsidiary corporations, legal representatives, heirs, beneficiaries, executors and administrators hereby fully and forever releases, discharges and covenants not to sue the SCE Parties of, from or for any and all losses (including diminution in the value of the Land) and all other costs, claims, demands, actions, suits, orders, causes of action, obligations, controversies, debts, expenses, accounts, damages (including consequential or direct damages), judgments and liabilities of whatever kind or nature (including fines and civil penalties), and by whomsoever asserted, in law, equity or otherwise, whether known or unknown, (each a "**Claim**" and, collectively, "**Claims**") arising from or in any way connected with the Facilities, Claims relating to Potential Environmental Hazards, and Claims relating to the presence of PCBs or any other Hazardous Substances in the Facilities, and/or in, on or about the Land.

7.2 **Waiver of Civil Code § 1542.** With respect to the matters being released in Paragraph 7, and as to those matters only, Buyer does knowingly, after having first obtained the advice of its attorneys, waive all of the provisions of California Civil Code § 1542 ("Section 1542"). Section 1542 reads as follows:

> "A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor."

Buyer acknowledges and agrees that: (a) the releases set forth in Paragraph 7 are intended to extend to and extinguish all claims, causes of action, etc. that are encompassed within the terms of the releases, including those that are not presently known to or suspected by Buyer and (b) it may hereafter discover facts in addition to or different from those which it now believes concerning the subject matter of this Agreement, and that notwithstanding any such new or different facts, the releases contained herein will remain effective. Buyer further acknowledges and agrees that the foregoing waiver of Section 1542 is an essential and material term of this Agreement, without which said consideration would not have been given. Buyer has been advised by its legal counsel regarding this release and waiver and understands and acknowledges the significance and consequences of this release and waiver of Section 1542.

8. **INDEMNITY**. Buyer shall, at its sole cost and expense, indemnify, protect, defend and hold the SCE Parties harmless, to the fullest extent permitted by law, from and against any and all Claims (including the payments of damages, both actual and consequential, the payment of penalties and fines, the payment of the actual fees and expenses of experts, attorneys and others, and the payment of the cost of environmental investigations, monitoring, containment, abatement, removal, repair, cleanup, restoration, remedial work and other "response costs" under CERCLA or any other Environmental Requirements) arising from or in any way connected with: (a) any activities or failures to act in connection with this Agreement by Buyer, its employees, agents, or contractors; or (b) the ownership, possession, use or operation of the Facilities transferred to Buyer from and after the Phase Closing Date applicable to such Facilities; or (c) Potential Environmental Hazards relating to the Facilities or the presence, disposal, dumping,

escape, seepage, leakage, spillage, discharge, emission, pumping, emptying, injecting, leaching, pouring, release or threatened release of PCBs or any other Hazardous Substances in connection with the Facilities, to the extent such Hazardous Substances were present or affecting the Facilities and/or in, on, or about the Land as of the applicable Phase Closing Date; or (d) the failure of the Facilities to comply with any Applicable Requirements; or (e) Buyer's breach of any of its obligations under this Agreement. In no event shall Buyer be required to indemnify SCE for any claims to the extent related to the gross negligence or willful misconduct of SCE. If any action or proceeding is brought against any one or more SCE Parties for any Claim against which Buyer is obligated to indemnify or provide a defense hereunder, Buyer, upon written notice from SCE, shall defend the SCE Parties. Buyer's obligation to defend includes the obligation to defend claims and participate in administrative proceedings, even if they are false or fraudulent. The indemnity, defense and other obligations of Buyer in this Section 8 shall survive the termination of this Agreement.

9. MISCELLANEOUS.

9.1 Time of Essence. Time is of the essence of this Agreement and each and every provision hereof.

9.2 Force Majeure. Except for the payment of money when due, performance by either Party hereunder shall not be deemed to be in default, or considered to be a default, where delays or defaults are due to force majeure events beyond the control of such Party, including, without limitation, war, insurrection, strikes, lockouts, riots, floods, earthquakes, fires, casualties, acts of God, acts of the public enemy, epidemics, quarantine restrictions, government imposed moratorium legislation, actions of failures to act by any regulatory authority with jurisdiction over SCE (including the CPUC), freight embargoes, lack of transportation, weather-caused delays, inability to secure necessary labor, materials or tools, delays of any contractor, subcontractor or supplier, that are not attributable to the fault of the Party claiming an extension of time. An extension of time for any such force majeure cause shall be for the period of the enforced delay and shall commence to run from the date of occurrence of the delay; provided, however, that the Party claiming the existence of the delay first provides the other party with written notice of the occurrence of the delay, within ten (10) days of the commencement of such occurrence of a force majeure event and, thereafter, takes prompt and reasonable action within its control to remedy such force majeure event.

9.3 Further Assurances. Each Party hereto agrees to execute and deliver to the other Party such further documents or instruments as may be necessary or appropriate in order to carry out the intentions of the Parties as contained in this Agreement.

9.4 Binding Effect; Assignment. This Agreement shall be binding upon, and shall inure to the benefit of, the heirs, successors and assigns of the Parties hereto.

Notwithstanding the foregoing, Buyer shall have no right to assign this Agreement or any of its rights or obligations under this Agreement.

9.5 **Severability**. If any provision of this Agreement shall be unenforceable or invalid, the same shall not affect the remaining provisions of this Agreement and the provisions of this Agreement are intended to be and shall be severable.

9.6 **Survival**. The covenants, agreements, obligations, indemnities and releases contained in Sections 3.3, 5, 6.3, 6.4, 6.5, 7 and 8 of this Agreement shall survive the termination of this Agreement.

9.7 **Governing Laws**. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California without reference to its conflicts of laws provisions.

9.8 **Counterparts**. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

9.9 **Notices**. Any notice or other communication required or permitted under this Agreement shall be in writing and shall be either personally delivered or transmitted by registered or certified mail, return receipt requested, postage prepaid, or by a nationally recognized overnight courier, such as FedEx or Airborne Express, addressed to the Parties as follows:

If to SCE: Manager of Streetlights
Attention: John King
Southern California Edison
6042 A Irwindale Ave, Irwindale CA 91702

If to Buyer: Public Works Director
City of Moreno Valley
PO Box 88005
Moreno Valley, CA 92552-0805

The date of any notice or communication shall be deemed to be the date of receipt if delivered personally, or the date of the receipt or refusal of delivery if transmitted by mail or overnight courier. Any Party may change its address for notice by giving notice to the other Party in accordance with this Section 9.7.

9.10 **Limitation on Liability**. Buyer expressly agrees that the obligations and liabilities of SCE under this Agreement and any document referenced herein shall not constitute personal obligations of the officers, directors, employees, agents, affiliates, members, representatives, stockholders or other principals or representatives of SCE. SCE expressly agrees that the obligations and liabilities

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

of Buyer under this Agreement and any document referenced herein shall not constitute personal obligations of the officers, directors, employees, agents, affiliates, members, representatives, stockholders or other principals or representatives of Buyer. The limitations contained in this Section 9.9 shall survive the termination of this Agreement.

9.11 Exhibits. The following Exhibits are attached hereto and incorporated by reference into this Agreement.

Exhibit A	Description of the Facilities
Exhibit B	Form of Bill of Sale
Exhibit C	Phases
Exhibit D	Inventory, Planning and Inspection Activities
Exhibit E	Communications Equipment
Exhibit F	Pole Attachment License Agreement

9.12 Dispute Resolution. In the event any dispute arises concerning the enforcement and/or interpretation of this Agreement, the Parties agree to attempt initially to settle such claims or disputes in good faith between themselves. Said obligation to discuss settlement of such claims or disputes shall be initiated by written notice of such claim or dispute. Should the Parties not settle such claims or disputes within thirty (30) days of the date of mailing of such notice or within such additional time period to which the Parties agree in writing (the "Negotiation Period"), the Parties may mutually agree to submit any such claim or dispute to mediation. In such case, the Parties will select an independent mediator within thirty (30) days of the expiration of the Negotiation Period (the "Selection Period"), either by mutual agreement or, in the absence of agreement on a mediator, by requesting during the Selection Period that the American Arbitration Association in Riverside, California appoint a mediator. The mediation shall be commenced within thirty (30) days of the selection of a mediator by the Parties or the American Arbitration Association. Except as provided herein or by written agreement of the Parties, the mediation shall be conducted in Riverside pursuant to the rules of the American Arbitration Association. If the Parties are unable to settle the dispute through discussions or in mediation, each Party shall have the right to pursue all of its remedies at law or in equity. The covenants of Buyer and SCE contained in this **Section 9.13** shall survive the termination of this Agreement.

9.13 Communications Equipment. Buyer acknowledges that the Facilities have certain SCE-owned and operated radio equipment, used for the collection and relay of data from meters and the collection, relay, and communication with SCE distribution systems, attached to them as identified in **Exhibit E** ("Communications Equipment"). Concurrently with each Phase Closing Date, Buyer shall grant to SCE a cost-free license to leave in place, operate, maintain, replace and remove any Communications Equipment attached to Facilities included in such Phase pursuant to a Pole Attachment License Agreement.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

9.14 Interpretation. The language in all parts of this Agreement shall be construed according to its normal and usual meaning and not strictly for or against either SCE or Buyer. The headings of the paragraphs of this Agreement are inserted solely for convenience of reference and are not a part of and are not intended to govern, limit or aid in the construction of any terms or provisions hereof. The words "include," "includes," and "including" shall be deemed to be followed by the phrase "without limitation."

9.15 Authority. Each Party represents and warrants that the execution, delivery and performance of this Agreement has been duly authorized by such Party and each person signing this Agreement on its behalf is duly and validly authorized to do so.

9.16 Prior Agreements. This Agreement and the exhibits hereto contain the entire agreement and understating of the Parties relating to the subject matter hereto and shall supersede any prior written or oral agreements or communications between the Parties pertaining to such subject matter.

IN WITNESS WHEREOF, the Parties hereto have caused this agreement to be duly executed as of the date and year first written above.

Exhibit B
Form of Bill of Sale

BILL OF SALE

Pursuant to that certain Purchase And Sale Agreement, dated_____, 2016 ("Agreement"), by and between Southern California Edison, a California corporation ("SCE"), and the City of _____, [a Municipal Corporation and Charter City] ("Buyer"), effective as of _____, 20___ **[Insert Phase Closing Date]**, SCE hereby sells, assigns, transfers and delivers to Buyer all of SCE's right, title and interest in and to the property described in Attachment A ("Facilities"), attached hereto and hereby incorporated herein by this reference. All capitalized terms not defined in this Bill of Sale shall have the meanings given them in the Agreement.

THE FACILITIES ARE BEING TRANSFERRED "AS IS, WHERE IS, AND WITH ALL FAULTS" IN THEIR EXISTING CONDITION, WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND BY SCE, EXPRESS, IMPLIED OR STATUTORY, AND WITHOUT RECOURSE AGAINST SCE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SCE EXPRESSLY DISCLAIMS ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED, AS TO THE CONDITION, VALUE OR QUALITY OF THE FACILITIES, THE PROSPECTS (FINANCIAL AND OTHERWISE) OF THE FACILITIES, THE QUALITY OF WORKMANSHIP OF THE FACILITIES, OR THE ABSENCE OF ANY DEFECTS THEREIN, WHETHER LATENT OR PATENT. SCE FURTHER SPECIFICALLY DISCLAIMS ANY REPRESENTATION OR WARRANTY REGARDING POTENTIAL ENVIRONMENTAL HAZARDS, THE PRESENCE OF HAZARDOUS SUBSTANCES, COMPLIANCE OF THE FACILITIES OR THE LAND WHERE THE FACILITIES ARE LOCATED WITH ENVIRONMENTAL REQUIREMENTS, OR LIABILITY OR POTENTIAL LIABILITY ARISING UNDER ENVIRONMENTAL REQUIREMENTS. BUYER SPECIFICALLY ACKNOWLEDGES AND AGREES THAT SCE IS NOT ASSIGNING OR OTHERWISE TRANSFERRING ITS RIGHT, TITLE AND INTEREST IN AND TO ANY LAND RIGHTS (OR ANY CLAIM, RIGHT OR BENEFIT ARISING UNDER OR RESULTING FROM SUCH LAND RIGHTS) IN CONNECTION WITH ITS SALE OF THE FACILITIES TO BUYER, AND BUYER ASSUMES ANY AND ALL RISKS AND LIABILITIES IN CONNECTION WITH THE ABSENCE OF ADEQUATE OR APPROPRIATE LAND RIGHTS.

This Bill of Sale is executed pursuant to the authorization contained in the order of the California Public Utilities Commission in its Decision No. _____, dated _____, and is subject to all the terms and conditions of the Agreement, including the provisions set forth above.

The parties represent that they are duly authorized to execute this Bill of Sale.

LIGHT POLE LICENSE AGREEMENT FOR WIRELESS ATTACHMENT BETWEEN THE CITY OF MORENO VALLEY AND SOUTHERN CALIFORNIA EDISON

This No-Fee Light Pole License Agreement ("Agreement") is made as of _____, 2016 ("Effective Date"), by and between the City of Moreno Valley, a Municipal Corporation ("Licensor"), and Southern California Edison Company, a California corporation ("Licensee"), individually "Party" and collectively "Parties."

Licensor herein provides Licensee a no-fee license to attach certain wireless communication equipment to light poles that are owned by Licensor and used by Licensor to provide street lighting services to customers.

The terms and conditions of this Agreement are as follows:

1. DEFINITIONS

Terms with the initial letter or letters capitalized, whether in the singular or plural, shall have the following meanings:

a. Applicable Requirement: Any law, code, regulation, ordinance, statute or requirement of a governmental or quasi-governmental authority, regulatory agency or any other similar authority with jurisdiction or control over access to or use of the Light Pole, an Attachment, Work on a Light Pole or operation of an Attachment.

b. Attachment: A wireless communicating device and all of its associated ancillary equipment which are owned and used by Licensee and serve the purpose(s) presently served by those fixtures identified in Exhibit A hereto, specifically the collection and relay of data from meters and the collection, relay, and communication with SCE distribution systems.

c. Custom Light Pole: A specialized light pole, owned and installed by Licensor and paid for by Licensee, for the purposes of accommodating Licensee's Attachment and for Licensor to provide street lighting services.

d. Equipment: All ancillary equipment owned and utilized by Licensee in connection with an Attachment, and installed on third party property.

e. Light Pole: A Licensor Light Pole or a Custom Light Pole.

f. Licensor Light Pole: A standard light pole owned by Licensor used to provide street lighting services.

g. Work: Any work performed by Licensee relating to an Attachment, including the installation, repair, removal or replacement of the Attachment or Equipment.

2. TERM

The initial term of this Agreement shall be ten (10) years, with automatic renewal terms of three (3) years each, provided, however, that either Party may terminate this Agreement by written notice to the other Party ("Termination Notice"). During the initial ten (10) year term the Termination Notice must be given not more than two (2) years and not less than one hundred eighty (180) days prior to the expiration of the initial term. During each subsequent renewal term the Termination Notice must be given not less than two (2) years prior to the expiration of any succeeding term. Upon the issuance of a Termination Notice by either Party, only Licensee's rights to install Future Attachments as described in this Agreement shall terminate, but Licensee's rights under this Agreement with regard to then-installed Attachments and Upgraded Attachments shall not terminate.

3. ATTACHMENTS

The installed Attachments are listed in Exhibit A hereto. During the term hereof, Licensee shall have the right (i) to upgrade Attachments to new technology that serves the same purpose as the Attachments listed on Exhibit A ("Upgraded Attachments"), and (ii) to install new Attachments that are not listed in Exhibit A ("Future Attachments"), so long as such Upgraded Attachments and Future Attachments serve the same purpose as the Attachments listed on Exhibit A and do not interfere in any manner with any then-existing Licensor equipment. All installations of Upgraded Attachments and Future Attachments shall be performed in in a good and workmanlike manner.

4. LICENSEE'S ATTACHMENT RIGHTS

Licensee shall have a no-fee license to use the Attachment for the wireless communications purposes described in the definition of Attachment, and to maintain, remove, repair or replace the Attachment, as described herein (collectively, the "Attachment Rights"). All costs and expenses incurred by Licensee as a result of Licensee's exercise of its Attachment rights hereunder shall be the sole responsibility of Licensee.

5. CONDITIONS AND RESTRICTIONS ON LICENSE RIGHTS

In addition to the other terms and conditions of this Agreement, Licensee's exercise of its Attachment Rights shall be subject to the following conditions and restrictions:

a. Licensee shall operate its Attachment for wireless communication equipment, with the purposes described in the definition of Attachment.

b. Licensee shall be solely responsible for separately obtaining any electric utility or other services required for operation of its Attachment, if secondary power from the streetlight is inaccessible.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

c. Except as set forth in Section 5(f), Licensor shall not be required to modify the Light Pole or its use of the Light Pole to accommodate use by the Licensee.

d. Licensor shall not install any Equipment for the Licensee, Licensee shall be solely responsible for the installation of any Equipment.

e. Except as set forth in Section 5(f), Licensee's rights regarding Upgraded Attachments and/or Future Attachments shall not interfere with Licensor's use of the Light Pole. If an Attachment made under this Agreement interferes with Licensor's ability to use a Light Pole for its purposes, then Licensor will inform the Licensee and Licensee shall remedy the interference in a reasonably prompt period of time after receiving notice of the interference from Licensor.

f. Licensor shall not install any devices, and Licensor shall not allow third parties to install any devices that interfere with Licensee's then existing Attachment. If Licensor interferes with Licensee's wireless communication, then Licensor shall remedy the interference in a reasonably prompt period of time after receiving notice of the interference from Licensee.

g. Prior to commencing any work or activity affecting any Light Pole, Licensee shall provide Licensor with not less than three (3) business days prior notice.

6. ATTACHMENT

a. Licensee shall be allowed to install Future Attachments at additional locations under this Agreement upon written approval of Licensor which shall not be unreasonably withheld provided however, ten (10) business days' notice has been provided to Licensor; provided, however, Licensor may disapprove proposed Future Attachments in the event Licensor reasonably determines the proposed Future Attachments may interfere with any existing or planned municipal operations or Licensor equipment. Licensee shall provide Licensor the structure number and address or location description where the Attachment will be installed. For purposes of this paragraph, "planned" shall mean that the City has taken steps towards the identification of future municipal needs relating to attachments on light poles as evidenced by (1) City Council adoption of a plan, program or budget, (2) active negotiations with third parties for the implementation of an administrative plan or program, or (3) expenditure of City resources towards the implementation of any plan or program. City plans or programs that are merely conceptual and for which the City has not expended City resources shall not be considered "planned" for purposes of this paragraph.

b. Licensee shall use commercially reasonable efforts to perform any Work in a manner which will not cause any interruption of Licensor's street-lighting services or other equipment, or damage Light Poles or Licensor's existing Light Pole attachments or equipment, or damage or interfere with any existing third party Light Pole attachments.

c. All Work shall be performed at Licensee's sole risk and cost and shall be performed in a good and workmanlike manner and Licensee shall indemnify, defend and

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

hold harmless Licensor, its elected officials, staff, directors, invitees, employees, agents, contractors, successors and assigns, from any and all costs, liabilities, claims and expenses, including those from death or injury to any person or from a loss or damage to any real, personal or other property, to the extent arising out of or pertaining to any Work, or any act or failure to act by any of Licensee's employees, agents, or contractors in relation to the Upgraded Attachments and Future Attachments.

d. The performance of any Work shall comply with the requirements for such Work as contained in applicable industry standards, specific work requirements imposed by Licensor or a third party, or in any Applicable Requirements associated with the Work.

e. Upon written notification from Licensor or a government authority that the Attachment or any Equipment is out of compliance with any Applicable Requirement or is unsafe or hazardous, Licensee shall promptly take whatever actions are necessary to come into full compliance with such Applicable Requirements or to remedy the unsafe or hazardous condition, as the case may be. Notwithstanding any other provision of this Agreement, if at any time, in Licensor's sole judgment, an unsafe or dangerous condition exists, Licensor shall immediately notify Licensee and Licensee shall have twenty-four (24) hours from such notice to remedy the unsafe or dangerous condition. If Licensee does not remedy the unsafe or dangerous condition within such twenty-four (24) hour period, then Licensor may correct such condition and notify Licensee of such correction within three (3) business days. If at any time, in Licensor's sole judgment, an imminent threat to human life or safety exists, Licensor may correct such condition and notify Licensee of such correction within three (3) business days.

f. Licensee shall not drill, burn or punch any holes in a Light Pole, without first obtaining written consent from Licensor, which consent shall not be unreasonably withheld. Licensee shall reimburse Licensor for any damage to any Licensor Light Pole in connection with the use, repair, restoration or replacement of a Light Pole by Licensee.

g. Licensee shall follow Licensor's established procedures to request Licensor to replace a Licensor Light Pole with a Custom Light Pole, and Licensee shall be solely responsible for all costs of such request and any resulting replacement.

h. Notwithstanding the foregoing, if Licensee requests to place Attachments, including Attachments, Upgraded Attachments, and Future Attachments, on Licensor's Light Poles during the term of this Agreement that would exceed three percent (3%) of the total number of Licensor's Light Poles, the Parties will meet and use good faith efforts to agree on increasing the number of Future Attachments allowed under this Agreement.

7. REMOVAL OF AN ATTACHMENT FROM A LIGHT POLE

a. Licensee may at any time remove an Attachment from any Light Pole. Notice of any such removal shall be provided to Licensor within sixty (60) business days after such removal and Licensor's Light Pole shall be repaired and restored to its original condition.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

b. Nothing in this Agreement shall be construed to limit Licensor's rights, at any time, to remove a Light Pole from service or to require Licensee to remove its Attachment from a Light Pole that is being removed from service. In the event Licensor requires Licensee to remove its Attachment from a Light Pole that is being removed from service, then Licensor will notify Licensee ninety (90) days prior to the removal and use reasonable efforts to supply Licensee with an alternative Light Pole for such Attachment. Licensee shall complete removal of its Attachment within ninety (90) days of Licensor's request to do so.

c. Whenever Licensee removes an Attachment, Licensee shall restore the Light Pole to its original condition, reasonable wear and tear excepted, except where Licensor notifies Licensee that restoration is unnecessary because the Light Pole is being removed from service or Licensor agrees otherwise.

d. When a Light Pole that contains an existing Attachment is relocated or replaced by Licensor, and there is a suitable other location for a new Light Pole or an existing Light Pole which could be used by Licensee for its Attachment, then Licensor and the Licensee may agree that Licensee may so use the other location or Light Pole and amend Exhibit A to reflect the transfer of Licensee's Attachment Rights. Except in emergency situations, Licensor will notify Licensee ninety (90) days prior to relocation or replacement of Light Pole.

8. RISK OF LOSS; RESTORATION OR REPAIR OF LIGHT POLE

In the event a Light Pole is damaged or destroyed, restoration of Licensor's use of a Light Pole shall take priority over Licensee's restoration of its use; provided, however, that Licensor shall not unreasonably delay Licensee's opportunity to restore the use of its Attachment. Licensor shall permit Licensee to make repairs to restore use of the Attachment, as long as such restoration efforts do not interfere with Licensor's restoration activities. In addition, Licensee shall fully cooperate with Licensor if Licensor performs any repairs or other work on the Light Pole, which work may require a temporary shutdown of Licensee's Attachment. The Licensor shall notify the Licensee at least 48 hours prior to planned repairs that will require a shutdown of the Licensee's Attachment.

9. REGULATORY MATTERS

To the extent that this Agreement is subject to the jurisdiction of any regulatory authority, Licensor and Licensee acknowledge that this Agreement may be subject to such changes, modifications or termination as that regulatory authority may direct from time to time in the exercise of its jurisdiction.

10. INDEMNIFICATION AND LIMITATION OF LIABILITY

a. Licensee shall indemnify, defend and hold harmless Licensor, its elected officials, staff, directors, invitees, employees, agents, contractors, successors and assigns, from any and all costs, liabilities, claims and expenses, including those from death or injury to any person or from a loss or damage to any real, personal or other property, to the extent

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

arising from any negligent act or omission by Licensee, or by any of Licensee's employees, agents, or contractors in performing this Agreement.

b. Intentionally Omitted.

c. Licensor shall promptly notify the Licensee of the existence of any matters to which Licensee's indemnity obligations apply. Upon demand by Licensor, the Licensee shall defend at its own expense with mutually acceptable counsel any such matter; provided that Licensor shall at all times also have the right to fully participate in the defense and consent to any settlement or compromise.

d. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES (INCLUDING LOSS OF THE OTHER PARTY'S CUSTOMERS OR GOOD WILL, OR LOST REVENUE OR PROFITS), FOR ANY CAUSE OF ACTION, WHETHER IN CONTRACT OR TORT, ARISING IN ANY MANNER FROM THIS AGREEMENT OR THE PERFORMANCE OR NON -PERFORMANCE OF OBLIGATIONS HEREUNDER, REGARDLESS OF THE CAUSE OR FORESEEABILITY THEREOF.

11. TITLE AND RISK OF LOSS

a. Licensor shall have and retain sole and exclusive ownership of all Light Poles, and Licensor's ownership shall not be affected by Licensee's Attachment to the Light Pole.

b. Except as otherwise provided for herein, Licensee shall retain its ownership of the Attachment and any Equipment at all times.

12. INSURANCE

At all times during the term of this Agreement, Licensee shall maintain and shall require its subcontractors that perform any Work pursuant to this Agreement to maintain insurance coverage as described below:

a. Worker's Compensation Insurance with statutory limits, in accordance with the laws of the State of California, and Employer's Liability Insurance with limits of not less than one million dollars ($1,000,000). Licensee shall require its insurer to waive all rights of subrogation against Licensor, its officers, agents and employees.

b. Commercial General Liability Insurance, including coverage for bodily injury, property damage, products/completed operations liability and contractual liability, with a per occurrence limit of not less than two million dollars ($2,000,000). Such insurance shall (i) name the City of Moreno Valley, Community Services District of Moreno Valley ("CSD") and the Moreno Valley Housing Authority, its officers, agents, and employees as additional insureds, but only for Licensee's negligent acts or omissions; (ii) be primary for all purposes; and (iii) contain standard cross-liability provisions.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

c. Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City of Moreno Valley/CSD/Moreno Valley Housing Authority premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

Written proof of compliance with the requirements of this Section, consisting of Certificates of Insurance and a copy of the Additional Insured Endorsement for the Commercial General Liability insurance policy, in a form acceptable to Licensor, shall be provided to Licensor prior to any Attachment or the installation of any Equipment upon an Light Pole and prior to the expiration of each policy year thereafter. The Certificates of Insurance shall provide that this insurance shall not be terminated, canceled or reduced except on thirty days' prior written notice to Licensor. Failure to provide and maintain such insurance shall constitute a default under this Agreement. Licensee may self-insure any and all of the above insurance requirements.

13. REMEDIES IN THE EVENT OF DEFAULT

If either Party fails to comply with a material term or condition of this Agreement, the non-breaching party shall provide written notice to the defaulting party of such non-compliance. The breaching party shall then have thirty (30) days (except in the case of health and safety issues, which shall require cure within forty-eight (48) hours) from receipt of such notice to reasonably cure such non-compliance. If such a cure is not completed within the thirty (30) day period (or 48 hour period as provided above), or if a cure is not possible within such period and the breaching party has not taken steps to effect such cure, then the non-breaching party may pursue its legal remedies relating to such non-compliance.

14. DISPUTE RESOLUTION

a. Except as may otherwise be set forth expressly herein, all disputes arising under this Agreement shall be resolved as set forth in this Section 14.

b. Licensor and Licensee shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiations between an authorized representative of each of the Parties. Any dispute which cannot be resolved between the authorized representative shall be referred to an officer or designee of Licensee and Licensor. Licensor or Licensee shall give the other Party written notice of any dispute following expiration of the applicable cure period pursuant to Section 13. Within twenty (20) days after delivery of such notice, the designated parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary to exchange information and to attempt to resolve the dispute. If the matter has not been resolved within thirty (30) days of the first meeting, the Parties will consider and decide whether the dispute should be submitted to mediation. The Parties will cooperate with one another in selecting the mediator ("Mediator") from the panel of neutrals from Judicial Arbitration and Mediation Services, Inc. ("JAMS"), it's successor, or any other mutually acceptable non-JAMS Mediator, and in scheduling the time and place of the mediation.

Attachment: Purchase and Sale Agreement [Revision 1] (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

c. To the extent allowable by law, all negotiations and any mediation conducted pursuant to this Section 14 shall be confidential and shall be treated as compromise and settlement negotiations, to which Section 1152.5 of the California Evidence Code shall apply, which section is incorporated in this Agreement by reference.

d. Notwithstanding the foregoing provisions, either Licensor or Licensee may seek immediate equitable relief, a preliminary injunction or other provisional judicial remedy.

e. Licensor and Licensee shall continue to perform their obligations under this Agreement pending final resolution of any dispute arising out of or relating to this Agreement.

f. If Licensor and Licensee, after good faith efforts to resolve a dispute under the terms of this Agreement (as provided in Subpart b above), cannot agree to a resolution of the dispute, either party may pursue whatever legal remedies may be available to such party, at law or in equity, before a court of competent jurisdiction and with venue in Riverside County, California.

15. TAXES AND LIENS

Licensee shall pay when due any and all taxes or assessment resulting from any Attachment on any Light Pole including, but not limited to, special assessments and governmental fees of any kind whatsoever which may be levied or assessed upon any personal property which Licensee has caused to be placed or maintained upon Licensor's facilities, or against Licensee's business and shall keep Licensor's property and facilities, including any Light Poles, free from all liens, including but not limited to mechanics liens, and encumbrances by reason of the use, occupancy, or maintenance of Licensor's facilities or property by Licensee or by any person claiming under Licensee. It is further agreed that in the event Licensee fails to pay the above-mentioned taxes, assessments, or liens when due, Licensor shall have the right to pay the same and invoice Licensee for the amount thereof and Licensee shall pay the same upon demand together with interest at the maximum rate allowed by law from the date of such expenditure by Licensor.

16. NOTICES

Notices hereunder must be in writing and transmitted by United States mail or by personal delivery to Licensor. Such notices shall be deemed given: (a) upon receipt in the case of personal delivery or confirmed facsimile transmittal; (b) two (2) days after it is sent by certified mail, with a return receipt requested, (c) three (3) days after deposit in the mail, or the next day in the event of overnight delivery.

17. DISCLAIMER

LICENSOR MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER CONCERNING THE SUITABILITY OR CONDITION OF ANY LIGHT POLE. FURTHERMORE, IT IS SPECIFICALLY UNDERSTOOD AND HEREBY ACKNOWLEDGED BY LICENSEE THAT ANY LIGHT POLE MADE AVAILABLE HEREUNDER, TO THE MAXIMUM EXTENT PERMISSIBLE BY LAW, WILL BE PROVIDED BY LICENSOR ONLY ON AN "AS-IS" BASIS AND WITHOUT ANY WARRANTY BY LICENSOR ABOUT THE CONDITION OF THE LIGHT POLE OR ITS SUITABILITY FOR LICENSEE'S PURPOSES. FURTHER, LICENSEE'S RIGHTS HEREUNDER SHALL BE SUBORDINATE TO LICENSOR'S USE OF THE LIGHT POLE FOR MUNICIPAL SERVICES.

18. GENERAL PROVISIONS

a. California Law. This Agreement, and performance pursuant to it, shall be governed, interpreted, construed, and regulated by the laws of the State of California, without reference to its conflicts of laws provisions.

b. Assignment. Neither Party may assign, transfer, sublease, or sublet any right, obligation, or privilege given to it hereunder without the prior written consent of the other Party. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties hereto.

c. Interpretation. The language of each part of this Agreement shall be construed simply and according to its fair meaning, and shall never be construed either for or against either Party, regardless of which Party may have drafted the provision.

d. Nature of Rights. Nothing in this Agreement shall preclude Licensor from granting any third-party permission to use available capacity on a Light Pole in ways that do not interfere with the rights granted to Licensee under this Agreement.

e. Invalidity of Provisions. To the extent that any terms or provisions of this Agreement shall be finally determined by a court of competent jurisdiction to be invalid,

(i) such invalidity shall not affect, release or modify any other terms or provisions, and (ii) in lieu of each such provision which is invalid, illegal or unenforceable, there shall be substituted or added as part of this Agreement a legal, valid and enforceable provision which shall be selected to be as similar as possible, in achieving the economic and business objectives of the Parties, to such illegal, invalid or unenforceable provision.

f. Waiver. The failure of either Party to enforce any provision of this Agreement or the waiver thereof in any instance, including but not limited to the right to terminate, shall not be construed as a general waiver or relinquishment on its part of any such provision but the same shall nevertheless be and remain in full force and effect.

g. Incorporation Clause. This Agreement, including attached Exhibits, incorporate all the covenants and understandings between Licensor and Licensee regarding the subject matter of this Agreement. No other verbal agreements or understandings exist between the Parties nor shall any be binding upon either Licensor or Licensee unless reduced to writing and signed by the Parties. Any addition, variation or modification to this or any other Agreement shall be ineffective unless made in writing and signed by the Parties.

h. Radio Frequency Emission ("RFE") Compliance. Licensee shall be responsible, at its sole cost and expense, for ensuring compliance with all regulations relating to RFE. Licensor will cooperate with Licensee, where possible, to allow Licensee to place required signage on a Light Pole where this is necessary to comply with RFE regulations. In addition, Licensee shall use its best efforts to minimize the RFE impact on health of workers and on future uses of the Light Pole.

i. Exhibits. Exhibits referenced herein are incorporated by said reference. Licensee shall provide any updates of Exhibit A to Licensor within thirty (30) days of Licensor's written request, delivered pursuant to Section 16 of this Agreement, but not more often than once each calendar quarter. Specifically included as exhibits to this Agreement hereto are:

LIGHT POLE LICENSE AGREEMENT FOR WIRELESS ATTACHMENT BETWEEN THE CITY OF Moreno Valley AND SOUTHERN CALIFORNIA EDISON

This No-Fee Light Pole License Agreement ("Agreement") is made as of _____, 2016 ("Effective Date"), by and between the City of Moreno Valley, a Municipal Corporation ("Licensor"), and Southern California Edison Company, a California corporation ("Licensee"), individually "Party" and collectively "Parties."

Licensor herein provides Licensee a no-fee license to attach certain wireless communication equipment to light poles that are owned by Licensor and used by Licensor to provide street lighting services to customers.

The terms and conditions of this Agreement are as follows:

1. DEFINITIONS

Terms with the initial letter or letters capitalized, whether in the singular or plural, shall have the following meanings:

a. Applicable Requirement: Any law, code, regulation, ordinance, statute or requirement of a governmental or quasi-governmental authority, regulatory agency or any other similar authority with jurisdiction or control over access to or use of the Light Pole, an Attachment, Work on a Light Pole or operation of an Attachment.

b. Attachment: A wireless communicating device and all of its associated ancillary equipment which are owned and used by Licensee and serve the purpose(s) presently served by those fixtures identified in Exhibit A hereto, specifically the collection and relay of data from meters and the collection, relay, and communication with SCE distribution systems.

c. Custom Light Pole: A specialized light pole, owned and installed by Licensor and paid for by Licensee, for the purposes of accommodating Licensee's Attachment and for Licensor to provide street lighting services.

d. Equipment: All ancillary equipment owned and utilized by Licensee in connection with an Attachment, and installed on third party property.

e. Light Pole: A Licensor Light Pole or a Custom Light Pole.

f. Licensor Light Pole: A standard light pole owned by Licensor used to provide street lighting services.

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

g. Work: Any work performed by Licensee relating to an Attachment, including the installation, repair, removal or replacement of the Attachment or Equipment.

2. TERM

The initial term of this Agreement shall be ten (10) years, with automatic renewal terms of three (3) years each, provided, however, that either Party may terminate this Agreement by written notice to the other Party ("Termination Notice"). During the initial ten (10) year term the Termination Notice must be given not more than two (2) years and not less than one hundred eighty (180) days prior to the expiration of the initial term. During each subsequent renewal term the Termination Notice must be given not less than two (2) years prior to the expiration of any succeeding term. Upon the issuance of a Termination Notice by either Party, only Licensee's rights to install Future Attachments as described in this Agreement shall terminate, but Licensee's rights under this Agreement with regard to then-installed Attachments and Upgraded Attachments shall not terminate.

3. ATTACHMENTS

The installed Attachments are listed in Exhibit A hereto. During the term hereof, Licensee shall have the right (i) to upgrade Attachments to new technology that serves the same purpose as the Attachments listed on Exhibit A ("Upgraded Attachments"), and (ii) to install new Attachments that are not listed in Exhibit A ("Future Attachments"), so long as such Upgraded Attachments and Future Attachments serve the same purpose as the Attachments listed on Exhibit A and do not interfere in any manner with any then-existing Licensor equipment. All installations of Upgraded Attachments and Future Attachments shall be performed in in a good and workmanlike manner.

4. LICENSEE'S ATTACHMENT RIGHTS

Licensee shall have a no-fee license to use the Attachment for the wireless communications purposes described in the definition of Attachment, and to maintain, remove, repair or replace the Attachment, as described herein (collectively, the "Attachment Rights"). All costs and expenses incurred by Licensee as a result of Licensee's exercise of its Attachment rights hereunder shall be the sole responsibility of Licensee.

5. CONDITIONS AND RESTRICTIONS ON LICENSE RIGHTS

In addition to the other terms and conditions of this Agreement, Licensee's exercise of its Attachment Rights shall be subject to the following conditions and restrictions:

a. Licensee shall operate its Attachment for wireless communication equipment, with the purposes described in the definition of Attachment.

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

b. Licensee shall be solely responsible for separately obtaining any electric utility or other services required for operation of its Attachment, if secondary power from the streetlight is inaccessible.

c. Except as set forth in Section 5(f), Licensor shall not be required to modify the Light Pole or its use of the Light Pole to accommodate use by the Licensee.

d. Licensor shall not install any Equipment for the Licensee, Licensee shall be solely responsible for the installation of any Equipment.

e. Except as set forth in Section 5(f), Licensee's rights regarding Upgraded Attachments and/or Future Attachments shall not interfere with Licensor's use of the Light Pole. If an Attachment made under this Agreement interferes with Licensor's ability to use a Light Pole for its purposes, then Licensor will inform the Licensee and Licensee shall remedy the interference in a reasonably prompt period of time after receiving notice of the interference from Licensor.

f. Licensor shall not install any devices, and Licensor shall not allow third parties to install any devices that interfere with Licensee's then existing Attachment. If Licensor interferes with Licensee's wireless communication, then Licensor shall remedy the interference in a reasonably prompt period of time after receiving notice of the interference from Licensee.

g. Prior to commencing any work or activity affecting any Light Pole, Licensee shall provide Licensor with not less than three (3) business days prior notice.

6. ATTACHMENT

a. Licensee shall be allowed to install Future Attachments at additional locations under this Agreement upon written approval of Licensor which shall not be unreasonably withheld provided however, ten (10) business days' notice has been provided to Licensor; provided, however, Licensor may disapprove proposed Future Attachments in the event Licensor reasonably determines the proposed Future Attachments may interfere with any existing or planned municipal operations or Licensor equipment. Licensee shall provide Licensor the structure number and address or location description where the Attachment will be installed. For purposes of this paragraph, "planned" shall mean that the City has taken steps towards the identification of future municipal needs relating to attachments on light poles as evidenced by (1) City Council adoption of a plan, program or budget, (2) active negotiations with third parties for the implementation of an administrative plan or program, or (3) expenditure of City resources towards the implementation of any plan or program. City plans or programs that are merely conceptual and for which the City has not expended City resources shall not be considered "planned" for purposes of this paragraph.

b. Licensee shall use commercially reasonable efforts to perform any Work in a manner which will not cause any interruption of Licensor's street-lighting services or

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

other equipment, or damage Light Poles or Licensor's existing Light Pole attachments or equipment, or damage or interfere with any existing third party Light Pole attachments.

c. All Work shall be performed at Licensee's sole risk and cost and shall be performed in a good and workmanlike manner and Licensee shall indemnify, defend and hold harmless Licensor, its elected officials, staff, directors, invitees, employees, agents, contractors, successors and assigns, from any and all costs, liabilities, claims and expenses, including those from death or injury to any person or from a loss or damage to any real, personal or other property, to the extent arising out of or pertaining to any Work, or any act or failure to act by any of Licensee's employees, agents, or contractors in relation to the Upgraded Attachments and Future Attachments.

d. The performance of any Work shall comply with the requirements for such Work as contained in applicable industry standards, specific work requirements imposed by Licensor or a third party, or in any Applicable Requirements associated with the Work.

e. Upon written notification from Licensor or a government authority that the Attachment or any Equipment is out of compliance with any Applicable Requirement or is unsafe or hazardous, Licensee shall promptly take whatever actions are necessary to come into full compliance with such Applicable Requirements or to remedy the unsafe or hazardous condition, as the case may be. Notwithstanding any other provision of this Agreement, if at any time, in Licensor's sole judgment, an unsafe or dangerous condition exists, Licensor shall immediately notify Licensee and Licensee shall have twenty-four (24) hours from such notice to remedy the unsafe or dangerous condition. If Licensee does not remedy the unsafe or dangerous condition within such twenty-four (24) hour period, then Licensor may correct such condition and notify Licensee of such correction within three (3) business days. If at any time, in Licensor's sole judgment, an imminent threat to human life or safety exists, Licensor may correct such condition and notify Licensee of such correction within three (3) business days.

f. Licensee shall not drill, burn or punch any holes in a Light Pole, without first obtaining written consent from Licensor, which consent shall not be unreasonably withheld. Licensee shall reimburse Licensor for any damage to any Licensor Light Pole in connection with the use, repair, restoration or replacement of a Light Pole by Licensee.

g. Licensee shall follow Licensor's established procedures to request Licensor to replace a Licensor Light Pole with a Custom Light Pole, and Licensee shall be solely responsible for all costs of such request and any resulting replacement.

h. Notwithstanding the foregoing, if Licensee requests to place Attachments, including Attachments, Upgraded Attachments, and Future Attachments, on Licensor's Light Poles during the term of this Agreement that would exceed three percent (3%) of the total number of Licensor's Light Poles, the Parties will meet and use good faith efforts to agree on increasing the number of Future Attachments allowed under this Agreement.

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

7. REMOVAL OF AN ATTACHMENT FROM A LIGHT POLE

a. Licensee may at any time remove an Attachment from any Light Pole. Notice of any such removal shall be provided to Licensor within sixty (60) business days after such removal and Licensor's Light Pole shall be repaired and restored to its original condition.

b. Nothing in this Agreement shall be construed to limit Licensor's rights, at any time, to remove a Light Pole from service or to require Licensee to remove its Attachment from a Light Pole that is being removed from service. In the event Licensor requires Licensee to remove its Attachment from a Light Pole that is being removed from service, then Licensor will notify Licensee ninety (90) days prior to the removal and use reasonable efforts to supply Licensee with an alternative Light Pole for such Attachment. Licensee shall complete removal of its Attachment within ninety (90) days of Licensor's request to do so.

c. Whenever Licensee removes an Attachment, Licensee shall restore the Light Pole to its original condition, reasonable wear and tear excepted, except where Licensor notifies Licensee that restoration is unnecessary because the Light Pole is being removed from service or Licensor agrees otherwise.

d. When a Light Pole that contains an existing Attachment is relocated or replaced by Licensor, and there is a suitable other location for a new Light Pole or an existing Light Pole which could be used by Licensee for its Attachment, then Licensor and the Licensee may agree that Licensee may so use the other location or Light Pole and amend Exhibit A to reflect the transfer of Licensee's Attachment Rights. Except in emergency situations, Licensor will notify Licensee ninety (90) days prior to relocation or replacement of Light Pole.

8. RISK OF LOSS; RESTORATION OR REPAIR OF LIGHT POLE

In the event a Light Pole is damaged or destroyed, restoration of Licensor's use of a Light Pole shall take priority over Licensee's restoration of its use; provided, however, that Licensor shall not unreasonably delay Licensee's opportunity to restore the use of its Attachment. Licensor shall permit Licensee to make repairs to restore use of the Attachment, as long as such restoration efforts do not interfere with Licensor's restoration activities. In addition, Licensee shall fully cooperate with Licensor if Licensor performs any repairs or other work on the Light Pole, which work may require a temporary shutdown of Licensee's Attachment. The Licensor shall notify the Licensee at least 48 hours prior to planned repairs that will require a shutdown of the Licensee's Attachment.

9. REGULATORY MATTERS

To the extent that this Agreement is subject to the jurisdiction of any regulatory authority, Licensor and Licensee acknowledge that this Agreement may be subject to such

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

changes, modifications or termination as that regulatory authority may direct from time to time in the exercise of its jurisdiction.

10. INDEMNIFICATION AND LIMITATION OF LIABILITY

a. Licensee shall indemnify, defend and hold harmless Licensor, its elected officials, staff, directors, invitees, employees, agents, contractors, successors and assigns, from any and all costs, liabilities, claims and expenses, including those from death or injury to any person or from a loss or damage to any real, personal or other property, to the extent arising from any negligent act or omission by Licensee, or by any of Licensee's employees, agents, or contractors in performing this Agreement.

b. Intentionally Omitted.

c. Licensor shall promptly notify the Licensee of the existence of any matters to which Licensee's indemnity obligations apply. Upon demand by Licensor, the Licensee shall defend at its own expense with mutually acceptable counsel any such matter; provided that Licensor shall at all times also have the right to fully participate in the defense and consent to any settlement or compromise.

d. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES (INCLUDING LOSS OF THE OTHER PARTY'S CUSTOMERS OR GOOD WILL, OR LOST REVENUE OR PROFITS), FOR ANY CAUSE OF ACTION, WHETHER IN CONTRACT OR TORT, ARISING IN ANY MANNER FROM THIS AGREEMENT OR THE PERFORMANCE OR NON-PERFORMANCE OF OBLIGATIONS HEREUNDER, REGARDLESS OF THE CAUSE OR FORESEEABILITY THEREOF.

11. TITLE AND RISK OF LOSS

a. Licensor shall have and retain sole and exclusive ownership of all Light Poles, and Licensor's ownership shall not be affected by Licensee's Attachment to the Light Pole.

b. Except as otherwise provided for herein, Licensee shall retain its ownership of the Attachment and any Equipment at all times.

12. INSURANCE

At all times during the term of this Agreement, Licensee shall maintain and shall require its subcontractors that perform any Work pursuant to this Agreement to maintain insurance coverage as described below:

a. Worker's Compensation Insurance with statutory limits, in accordance with the laws of the State of California, and Employer's Liability Insurance with limits of not

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

less than one million dollars ($1,000,000). Licensee shall require its insurer to waive all rights of subrogation against Licensor, its officers, agents and employees.

b. Commercial General Liability Insurance, including coverage for bodily injury, property damage, products/completed operations liability and contractual liability, with a per occurrence limit of not less than two million dollars ($2,000,000). Such insurance shall (i) name the City of Moreno Valley, Community Services District of Moreno Valley ("CSD") and the Moreno Valley Housing Authority, its officers, agents, and employees as additional insureds, but only for Licensee's negligent acts or omissions; (ii) be primary for all purposes; and (iii) contain standard cross-liability provisions.

c. Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City of Moreno Valley/CSD/Moreno Valley Housing Authority premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

Written proof of compliance with the requirements of this Section, consisting of Certificates of Insurance and a copy of the Additional Insured Endorsement for the Commercial General Liability insurance policy, in a form acceptable to Licensor, shall be provided to Licensor prior to any Attachment or the installation of any Equipment upon an Light Pole and prior to the expiration of each policy year thereafter. The Certificates of Insurance shall provide that this insurance shall not be terminated, canceled or reduced except on thirty days' prior written notice to Licensor. Failure to provide and maintain such insurance shall constitute a default under this Agreement. Licensee may self-insure any and all of the above insurance requirements.

13. REMEDIES IN THE EVENT OF DEFAULT

If either Party fails to comply with a material term or condition of this Agreement, the non-breaching party shall provide written notice to the defaulting party of such non-compliance. The breaching party shall then have thirty (30) days (except in the case of health and safety issues, which shall require cure within forty-eight (48) hours) from receipt of such notice to reasonably cure such non-compliance. If such a cure is not completed within the thirty (30) day period (or 48 hour period as provided above), or if a cure is not possible within such period and the breaching party has not taken steps to effect such cure, then the non-breaching party may pursue its legal remedies relating to such non-compliance.

14. DISPUTE RESOLUTION

a. Except as may otherwise be set forth expressly herein, all disputes arising under this Agreement shall be resolved as set forth in this Section 14.

b. Licensor and Licensee shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by negotiations between an authorized representative of each of the Parties. Any dispute which cannot be resolved

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

between the authorized representative shall be referred to an officer or designee of Licensee and Licensor. Licensor or Licensee shall give the other Party written notice of any dispute following expiration of the applicable cure period pursuant to Section 13. Within twenty (20) days after delivery of such notice, the designated parties shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary to exchange information and to attempt to resolve the dispute. If the matter has not been resolved within thirty (30) days of the first meeting, the Parties will consider and decide whether the dispute should be submitted to mediation. The Parties will cooperate with one another in selecting the mediator ("Mediator") from the panel of neutrals from Judicial Arbitration and Mediation Services, Inc. ("JAMS"), it's successor, or any other mutually acceptable non-JAMS Mediator, and in scheduling the time and place of the mediation.

c. To the extent allowable by law, all negotiations and any mediation conducted pursuant to this Section 14 shall be confidential and shall be treated as compromise and settlement negotiations, to which Section 1152.5 of the California Evidence Code shall apply, which section is incorporated in this Agreement by reference.

d. Notwithstanding the foregoing provisions, either Licensor or Licensee may seek immediate equitable relief, a preliminary injunction or other provisional judicial remedy.

e. Licensor and Licensee shall continue to perform their obligations under this Agreement pending final resolution of any dispute arising out of or relating to this Agreement.

f. If Licensor and Licensee, after good faith efforts to resolve a dispute under the terms of this Agreement (as provided in Subpart b above), cannot agree to a resolution of the dispute, either party may pursue whatever legal remedies may be available to such party, at law or in equity, before a court of competent jurisdiction and with venue in Riverside County, California.

15. TAXES AND LIENS

Licensee shall pay when due any and all taxes or assessment resulting from any Attachment on any Light Pole including, but not limited to, special assessments and governmental fees of any kind whatsoever which may be levied or assessed upon any personal property which Licensee has caused to be placed or maintained upon Licensor's facilities, or against Licensee's business and shall keep Licensor's property and facilities, including any Light Poles, free from all liens, including but not limited to mechanics liens, and encumbrances by reason of the use, occupancy, or maintenance of Licensor's facilities or property by Licensee or by any person claiming under Licensee. It is further agreed that in the event Licensee fails to pay the above-mentioned taxes, assessments, or liens when due, Licensor shall have the right to pay the same and invoice Licensee for the

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

amount thereof and Licensee shall pay the same upon demand together with interest at the maximum rate allowed by law from the date of such expenditure by Licensor.

16. NOTICES

Notices hereunder must be in writing and transmitted by United States mail or by personal delivery to Licensor. Such notices shall be deemed given: (a) upon receipt in the case of personal delivery or confirmed facsimile transmittal; (b) two (2) days after it is sent by certified mail, with a return receipt requested, (c) three (3) days after deposit in the mail, or the next day in the event of overnight delivery.

17. DISCLAIMER

LICENSOR MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER CONCERNING THE SUITABILITY OR CONDITION OF ANY LIGHT POLE. FURTHERMORE, IT IS SPECIFICALLY UNDERSTOOD AND HEREBY ACKNOWLEDGED BY LICENSEE THAT ANY LIGHT POLE MADE AVAILABLE HEREUNDER, TO THE MAXIMUM EXTENT PERMISSIBLE BY LAW, WILL BE PROVIDED BY LICENSOR ONLY ON AN "AS-IS" BASIS AND WITHOUT ANY WARRANTY BY LICENSOR ABOUT THE CONDITION OF THE LIGHT POLE OR ITS SUITABILITY FOR LICENSEE'S PURPOSES. FURTHER, LICENSEE'S RIGHTS HEREUNDER SHALL BE SUBORDINATE TO LICENSOR'S USE OF THE LIGHT POLE FOR MUNICIPAL SERVICES.

18. GENERAL PROVISIONS

a. California Law. This Agreement, and performance pursuant to it, shall be governed, interpreted, construed, and regulated by the laws of the State of California, without reference to its conflicts of laws provisions.

Attachment: Light Pole License Agreement 9-29-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

b. Assignment. Neither Party may assign, transfer, sublease, or sublet any right, obligation, or privilege given to it hereunder without the prior written consent of the other Party. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the Parties hereto.

c. Interpretation. The language of each part of this Agreement shall be construed simply and according to its fair meaning, and shall never be construed either for or against either Party, regardless of which Party may have drafted the provision.

d. Nature of Rights. Nothing in this Agreement shall preclude Licensor from granting any third-party permission to use available capacity on a Light Pole in ways that do not interfere with the rights granted to Licensee under this Agreement.

e. Invalidity of Provisions. To the extent that any terms or provisions of this Agreement shall be finally determined by a court of competent jurisdiction to be invalid, (i) such invalidity shall not affect, release or modify any other terms or provisions, and (ii) in lieu of each such provision which is invalid, illegal or unenforceable, there shall be substituted or added as part of this Agreement a legal, valid and enforceable provision which shall be selected to be as similar as possible, in achieving the economic and business objectives of the Parties, to such illegal, invalid or unenforceable provision.

f. Waiver. The failure of either Party to enforce any provision of this Agreement or the waiver thereof in any instance, including but not limited to the right to terminate, shall not be construed as a general waiver or relinquishment on its part of any such provision but the same shall nevertheless be and remain in full force and effect.

g. Incorporation Clause. This Agreement, including attached Exhibits, incorporate all the covenants and understandings between Licensor and Licensee regarding the subject matter of this Agreement. No other verbal agreements or understandings exist between the Parties nor shall any be binding upon either Licensor or Licensee unless reduced to writing and signed by the Parties. Any addition, variation or modification to this or any other Agreement shall be ineffective unless made in writing and signed by the Parties.

h. Radio Frequency Emission ("RFE") Compliance. Licensee shall be responsible, at its sole cost and expense, for ensuring compliance with all regulations relating to RFE. Licensor will cooperate with Licensee, where possible, to allow Licensee to place required signage on a Light Pole where this is necessary to comply with RFE regulations. In addition, Licensee shall use its best efforts to minimize the RFE impact on health of workers and on future uses of the Light Pole.

i. Exhibits. Exhibits referenced herein are incorporated by said reference. Licensee shall provide any updates of Exhibit A to Licensor within thirty (30) days of Licensor's written request, delivered pursuant to Section 16 of this Agreement, but not more often than once each calendar quarter. Specifically included as exhibits to this Agreement hereto are:

Candace – Thank you and we will work hand in hand to meet your goals. Thank you also for formalizing the request and as discussed, I am glad to grant the extension for the street light acquisition opportunity through the end of the calendar year. Remember that the requirement is to have an executed agreement and we don't have to complete the filing etc… Beyond the extension to the end of the year, I will need to seek senior management concurrence if we are still working to finalize an agreement. Thanks again…JCK

Hi John – thanks for the return call. The City Manager has directed this item be scheduled for the October 18th Council Agenda. We are hopeful the Agreement will be finalized on Monday (September 26th) and we will have the final Purchase and Sale Agreement by the end of next week (September 30th). This will enable us to meet our Agenda publishing deadline (we publish 12 days in advance).

As a back-up only, Moreno Valley is requesting an extension through the end of the calendar year to enter into the Agreement.

We appreciate the consideration and value our relationship with SCE. Please let me know if you have any questions.

Staff Report

Subject: **Regional Streetlight Program Activities Update**

Contact: **Tyler Masters, Program Manager, masters@wrcog.cog.ca.us, (951) 955-8378**

Date: **September 12, 2016**

Requested Action:

1. Recommend, for those jurisdictions interested in using financing for the acquisition and retrofitting of streetlights, that they utilize Bank of America Public Capital Corporation (which was deemed the most responsive during the bid process by WRCOG staff and its Financial Advisor, Public Financial Management, for being able to provide the most competitive financing for the Regional Streetlight Program).

WRCOG's Regional Streetlight Program will assist member jurisdictions with the acquisition and retrofit of their Southern California Edison (SCE)-owned and operated streetlights. The Program has three phases, which include 1) streetlight inventory; 2) procurement and retrofitting of streetlights; and 3) ongoing operations and maintenance. The overall goal of the Program is to provide significant cost savings to the member jurisdictions.

Program Update

At the direction of the WRCOG Executive Committee, WRCOG is developing a Regional Streetlight Program that will allow jurisdictions (and Community Service Districts) to purchase the streetlights within their boundaries that are currently owned / operated by SCE. Once the streetlights are owned by the member jurisdiction, the lamps will then be retrofitted to Light Emitting Diode (LED) technology to provide more economical operations (i.e., lower maintenance costs, reduced energy use, and improvements in public safety). Local control of its streetlight system allows jurisdictions opportunities to enable future revenue generating opportunities such as digital-ready networks, and telecommunications and IT strategies.

The goal of the Program is to provide cost-efficiencies for local jurisdictions through the purchase, retrofit, and maintenance of streetlights within jurisdictional boundaries, without the need of additional jurisdictional resources. As a regional Program, WRCOG is working with each of the jurisdictions to move through the acquisition process, develop financing recommendations, develop / update regional and community-specific streetlight standards, and manage the regional operations and maintenance agreement that will increase the level of service currently being provided by SCE.

Cash-flow meeting update: WRCOG staff has conducted streetlight cash-flow meetings with the Cities of Calimesa, Eastvale, Hemet, Lake Elsinore, Menifee, Murrieta, Norco, Perris, San Jacinto, Temecula, Wildomar, the County of Riverside, and with the Rubidoux and Jurupa Community Services Districts. Meetings with remaining jurisdictions are being scheduled.

The purpose of the cash-flow meetings is to provide jurisdictional staff (i.e., Finance Director, City Manager, senior staff, etc.) with the financial information needed for staff to make a recommendation on whether it is feasible to move forward with the acquisition and retrofit of the streetlights currently owned by SCE.

Attachment: WRCOG Financing Staff Report, 9-12-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

On a regional basis, WRCOG is identifying a 50-60% reduction in utility bills after streetlight acquisition and retrofit to LED fixtures. These savings are due primarily to reductions in maintenance and energy costs. Additionally, WRCOG has developed a feasibility model that includes a variety of financial sensitivities, including utility cost reductions, energy cost reductions, operations and maintenance costs (including pole knockdown replacement costs), debt service of ownership, and LED retrofit for each jurisdiction's streetlight system, and also includes a re-lamp reserve. The re-lamp reserve is a reserve to set aside funds to ensure that in 15 years (when the LED streetlights are projected to wear out) each jurisdiction will have funds to retrofit to the next generation of energy efficient street lighting, without negatively impacting the jurisdiction's general fund. This model has been provided to each member jurisdiction for their review. This tool will allow City staff to toggle variables (interest rates, re-lamp reserve, number of poles, etc.) to quantify how cash flows are impacted in various scenarios.

Financing Update: On August 18, 2016, (WRCOG Technical Advisory Committee), August 10, 2016, (WRCOG Administration & Finance Committee), and July 28, 2016, (WRCOG Finance Director's Committee), Public Financial Management (PFM), consultant on this Program, provided presentations on the financing strategies being proposed. Each of the Committees have approved the requested action provided in this staff report. A copy of PFM's recommendation memo, which also outlines the bid process that was undertaken, is attached.

WRCOG and PFM staff considered numerous financing options. These options included WRCOG-pool financing, individual city-issues bonds, California Infrastructure bank loans, California Energy Commission, and direct placement leases financing options. Member jurisdictions have expressed interest in the WRCOG-pool and direct placement lease options as potential financing structures. The WRCOG-pool option would allow WRCOG to set up a single transaction and release the funds to jurisdictions on a needed basis; however, this structure could potentially encounter timing challenges given the fact that each jurisdiction will be moving through the acquisition and retrofit processes at different times. The alternative structure (Direct placement lease) would allow for additional flexibility on timing, and allow for slightly differentiated jurisdictional interest rates given credit ratings. Upon Executive Committee authorization, staff will begin to work with Bank of America to develop a financing structure for acquisition and retrofit of the streetlights.

Background on the bid process: On March 7, 2016, WRCOG released a Request for Bids (RFB) to select a financing vendor that would provide capital to member jurisdictions for the acquisition process at a competitive rate. WRCOG staff and PFM have been working with Bank of America, which was deemed the most responsive and best option during the bid process and meets the needs of the Program. Bank of America has proven to have the following:

1. Ability to provide financing to all participating jurisdictions in the Program
2. Provide financing for both purchase and LED retrofit
3. Streetlights accepted as sole collateral
4. Able to finance as either taxable or tax-exempt debt
5. Smart City usage permitted
6. The qualifications and experience of the proposing firm
7. Competitive fee proposal for all jurisdictions

Regional Demonstration Area Update: During the week of August 29 through September 2, 2016, WRCOG is creating a Regional Streetlight Demonstration Area in five different locations throughout the City of Hemet to showcase various LED streetlights from 11 different vendors. The Demonstration Areas incorporate multiple land use types (residential, commercial, industrial, etc.) that jurisdictional leaders, staff, and members of the public will be able to view and provide feedback.

To gain additional input, staff will coordinate multiple educational tours in October / November 2016. The use of electronic and physical surveys will be used to gain feedback from the public. Results from the surveys will be used to assess preferences of the LED lights and rank the selection of viable LED lights to use for the Program. The Streetlights will be marked with a designated pole tag to help stakeholders identify which lights are or are not part of the Program.

A media kit is being developed and will include sample press releases, brochures and informational items, a "frequently asked questions" sheet, signage, social media language, and a map of the Demonstration Areas. The media kit will be available for all member jurisdictions to distribute to their community within the next week.

The following is a map depicting Demonstration Area locations and a sample of the streetlight pole identification tag that will be used.

Recommendation and selection of the new lighting fixtures is expected to be provided to and considered by WRCOG Committees at the conclusion of the Demonstrations Areas in early 2017.

Prior WRCOG Actions:

August 18, 2016: The WRCOG Technical Advisory Committee recommended, for those jurisdictions interested in using financing for the acquisition and retrofitting of streetlights, that they utilize Bank of America Public Capital Corporation (which was deemed the most responsive during the bid process by WRCOG staff and its Financial Advisor, Public Financial Management, for being able to provide the most competitive financing for the Regional Streetlight Program).

August 10, 2016: The WRCOG Administration & Finance Committee recommended, for those jurisdictions interested in using financing for the acquisition and retrofitting of streetlights, that they utilize Bank of America Public Capital Corporation (which was deemed the most responsive during the bid process by WRCOG staff and its Financial Advisor, Public Financial Management, for being able to provide the most competitive financing for the Regional Streetlight Program).

WRCOG Fiscal Impact:

Activities for the Regional Streetlight Program are included in the Agency's adopted Fiscal Year 2016/2017 Budget under the Energy Department.

Re: Western Riverside County of Governments:
RFP # S-727, Financing for Streetlight Acquisition & Retrofit

---

On behalf of Western Riverside Council of Governments ("WRCOG"), Public Financial Management, Inc. ("PFM") has been pleased to assist with the solicitation, evaluation and additional consideration of funding partner selection for the Regional Streetlight Program. Based on the offers received and questioning of the respondents, we recommend the appointment of Bank of America Public Capital Corporation ("BAPCC") to serve as funding partner for WRCOG's Regional Streetlight Program (the "Program").

On March 7, 2016, WRCOG solicited Requests For Bids from the 56 firms identified in the following table. The table indicates which of the solicited firms responded.

In evaluating the responses received, the primary considerations were:

(1) Provide financing for all participating jurisdictions in the Program
(2) Provide financing for both purchase and LED retrofit
(3) Streetlights accepted as sole collateral
(4) Able to finance as either taxable or tax-exempt debt
(5) Smart City usage permitted
(6) The qualifications and experience of the proposing firm
(7) Competitive fee and interest rate proposals for all jurisdictions

After receiving the proposals, telephone interviews were scheduled with the respondents. Through these interviews PFM discerned that one of the firms was not proposing a compliant structure to serve as funding partner:

- SolarMax suggested a structure that would not be viable under the regulatory framework for streetlight acquisition. The structure suggested would require that SolarMax become the purchaser of the streetlights from Southern California Edison ("SCE" or "Edison") and then sell the streetlights to the jurisdictions after retrofitting. In addition to the financial structuring concerns, SolarMax indicated a requirement for use of their equipment, and a significantly higher borrowing rate than the other respondents. WRCOG's evaluation team discussed these concerns with SolarMax during the verbal evaluation and no additional information or follow up was provided by the bidder.

Attachment: WRCOG Financing Staff Report, 9-12-16 (2224 : PURCHASE AND SALE AGREEMENT FOR SOUTHERN CALIFORNIA EDISON

Of the remaining bidders, it was determined that BBVA was qualified but lacked the depth of specific streetlight experience of the other two bidders. Wulff, Hansen initially provided a vague level of specificity in their response; and after several conversations, provided a formal bid from an investor, Hannon Armstrong, who would actually provide capital for the transactions. Wulff, Hansen's representative is a former energy service company finance professional with experience in this type of project finance; and, Hannon Armstrong, is a real estate investment trust that specifically invests in energy-related improvements. Wulff, Hansen and Hannon Armstrong provide a reasonable alternative, but the coordination between the two firms relative to the timing of providing their bid raised concerned on their ability to meet the Program's schedule and conform to timely processing needs. The remaining bidder, Bank of America, provided a complete and timely bid, was able to respond to questions relative to the content of that bid, has demonstrated experience with other streetlight financing; and, upon request, and was able to verbally indicate pricing levels that were in the range expected by the evaluation team.

Given their experience, understanding of Program needs and competitive pricing, it is PFM's opinion and recommendation that the Program appoints Bank of America as the funding partner for the WRCOG Streetlight Program. We appreciate your consideration of this recommendation, and we are available to provide additional information or answer any questions you have.

Re: City of Moreno Valley's proposed purchase of street lights from Southern California Edison

Dear Ms. Dawson,

It has come to the attention of Edgemont Community Services District ('Edgemont") that the City of Moreno Valley is contemplating purchasing from Southern California Edison ("SCE") street light poles within the City. Edgemont has been unable to ascertain whether or not this proposed purchase would include poles which were requested and installed at the District's request. Edgemont has 248 street light poles which have been installed and are maintained by SCE.

The District does not want to change that arrangement. If the contemplated purchase of street light poles by the City includes poles requested by Edgemont, Edgemont objects to the inclusion in the purchase of such poles and requests that those poles be excluded from the purchase.

Sincerely,

Jessica Pfalmer
