February 8, 2024 Planning Commission Agenda Packet

Good morning/afternoon Planning Commissioner,

I hope you will read my two letters buried in your agenda packet on the two housing projects which really should have been treated as one. **The city is segmenting a larger project into two smaller ones to make their total environmental impacts appear less.** This should not be done under CEQA.

Agenda Item #1

South of Iris project or Neighborhood #1 of Heritage Park begins on packet page 72 and **Please read my letter on packet pages 419-421**

Agenda Item #2

Goya at Heritage Park or Neighborhood #2 of Heritage Park begins on packet page 422 and **Please read my letter which can be found on the very last three pages which are packet pages 793-795**

The links in my letters are not live to allow you to click/read them and that is why I sometimes send you my letters.

Couple of other thoughts:

Please make sure the window treatment in the back and sides of the houses are given the same special attention as the front of the house.

An SUV should be able to park in the driveway And the Garage door should still be able to be opened. Small houses will use the garage for many things other than cars and some roadways in the project do not allow street parking.

Packet page 380 begins Heritage Park Design for “both” Item #1 and Item #2. Packet pages 385 & 388 show the two items before you are really part of one larger project and their environmental review under CEQA should not have been segmented to appear with less Greenhouse Gas (GHG) and other impacts. You cannot just try to combine all environmental impact of the two together or all large project would try this because it is just not allowed under CEQA.

The same Five People are listed as the applicants of both — really one — project as you can read under “Summary” of the first page of each.

Packet pages 89, 93, 436, 442, and 443 show warehousing/diesel trucks across the street and that Indian St will be used for truck traffic bringing the trucks even nearer to family homes — where are the permanent Air Filtration systems? **Please note photos from the developer avoid warehouses across the street and their diesel trucks.**

Thank you for taking the time to read this email and my letters,

George Hague

Good afternoon Mr Kelleher,

Since as you can read below the City Clerk did not find any justification for emails not being forwarded to the Planning Commissioner as well as the City Council when they are sent to your department, please forward my next email to each Planning Commissioner and also confirm when this happened.

Thank you,

George Hague

Subject: Public Records Request on emails to Planning Commissioners

Warning: External Email – Watch for Email Red Flags!

Good afternoon City Clerk,

Last night when a Planning Commissioner asked why letters sent to the city for the Commissioner that arrived after the start of the preparation for the agenda could not be forwarded to them instead of being handed to them at the start of meetings with no time to read them.

Sean Kelleher responded that there was a law that would require them to re-notice with a new agenda each time they forwarded such emails/letters concerning a project that was to be part of a public hearing. This is the best as I can explain.

This public record request is for that law or requirement which prevents the city from forwarding emails/letters from the public to each Planning Commissioner and I assume the city council as soon as they arrive to the planning department and/or city clerk on a project to later be heard by those bodies.

Thank you,

This letter is in response to your request for public records received on January 12, 2024, by the City of Moreno Valley ("City") pursuant to the California Public Records Act, Government Code § 7920.000 *et seq.* ("the Act"). You asked for copies pertaining to the following:

1. This public record request is for that law or requirement which prevents the city from forwarding emails/letters from the public to each Planning Commissioner and I assume the city council as soon as they arrive to the planning department and/or city clerk on a project to later be heard by those bodies.

Enclosed is Legislative Policy 1.10 which addresses the responsibilities of a "Staff Liaison," which may be responsive to your request. The provision of this information completes the City's response to the above request.

This completes your request. I am responsible for this determination concerning your records request in my capacity as the City Clerk in consultation with the City's legal counsel. Should you have any questions regarding this matter, please do not hesitate to contact my office at (951) 413-3001.
