Format for the public hearing item – use the modified version of the Planning Commission’s format for public hearing - the staff reports and the Council’s questions of staff for (regarding) the housing element first, then the public comments on the housing element; then do the same with the section of the land use element – go through staff reports, questions, but not debate, then public comments. Set the time limit how long we intent to meet tonight (not able to finish all 15 sections - follow the format for the public hearing
9:00 or 9:30 p.m. m/West, s/Stewart
