**CLOSING COMMENTS AND/OR REPORTS OF THE CITY COUNCIL,  
COMMUNITY SERVICES DISTRICT, OR COMMUNITY REDEVELOPMENT  
AGENCY**

Council Member Jesse L. Molina

- 1) Thanked the public for their patience in waiting to speak. Is not a fan of checkpoints. Someone in Sacramento is giving money to arrest drunk drivers; nothing good comes out of checkpoints except for a few arrests. It was a shame some liberties are taken away after fighting for them for so long. Caught in the middle, and one day a line will have to be drawn with this Council unless Council changes. Made a motion to get rid of DUI checkpoints.

Motion died due to a lack of a second.

Council Member Richard A. Stewart

- 1) The issue of drivers licenses is not a city issue, it's a state issue. Driving is not a right, it's a privilege, and there are lot of restrictions on who can get a license and what you have to do to earn one. Driving without a license is a misdemeanor in California. The cities of Riverside, San Bernardino and Perris have checkpoints. Checkpoints are funded by grants from the State of California. A significant number of cars are also taken from people driving with suspended or revoked

drivers licenses. The checkpoints are not diverting police from other activities because they are paid for by State grants. The checkpoints are complying with what the County Council and the District Attorney has said is the law. The State of California needs to address the drivers license issue. People will call and say they want this program to continue.

- 2) The Rancho Belago sign issue will come back April 13.

#### Council Member William H. Batey II

- 1) Supports the checkpoints. They have their value and need. Being on the Fire side of the law enforcement, sees the results of drunk drivers and unlicensed drivers. Will not knowingly tell the Police Chief to turn his head and not enforce the law in order for the Fire Chief to dig someone out with a set of jaws because they just caused an accident. That's not appropriate. If everything is in place, checkpoints are no big deal. The laws are the law. The officer's job is to uphold the laws of the city, state and nation. Will continue to go after grants for the checkpoints.
- 2) Went to Edgemont and Armada Elementary School to talk to the kids and get them excited about reading. Taking the top four classes to see the movie, "How to Train a Dragon."
- 3) There was a lot of rain this spring. Make sure you have brush clearance as this could be a bad fire season given the current growth.

#### Mayor Bonnie Flickinger

- 1) The sign at the opening of the checkpoint says DUI/DL, which is a DUI and drivers license checkpoint. There is a Press Release several days in advance that states what day and time the checkpoint will be.
- 2) Moreno Valley has created over 1,100 new jobs, and it has released a new website called [MorenoValleyProspector.com](http://MorenoValleyProspector.com). The website is designed to encourage people who have businesses in other areas to discover Moreno Valley and find out what buildings and what land is available.
- 3) Saturday, March 27, at 7:30 a.m. the Recreational Trails Board is leading a six mile round-trip hike from the Equestrian Center up San Timoteo Canyon.
- 4) The Moreno Valley Arts Commisison will have a street fair on April 24, which will focus on Moreno Valley artists.
- 5) The Recreational Trails Board, Arts Commission, Accessibility Appeals Board, Environmental and Historical Preservation Board, Library Commission, Parks and Recreation Commission, Senior Citizens Board, and Traffic Safety Commission have openings. The applications are due in the City Clerk's office by May 12.

- 6) Moreno Valley now has their own independent accredited college, the Moreno Valley College.
- 7) March 28, at 1:00 p.m. is a Welcome Home Vietnam Veterans Day at the March Field Air Museum. It is free to Vietnam vets and their families.
- 8) In May there will be another household hazardous waste collection, and it is free.
- 9) Return your census form. It means money for services for our community.

There being no further business to conduct, the meeting was adjourned at 10:56 p.m. by unanimous informal consent.
