Dwayne Lewis

1) Withdrew his speaker's slip and will address the full Council at the next meeting

Marcia Amino

2) Inquired about progress on street lights issue and if city's owned streetlights are under the same rules as Edison's streetlights
2) Gang problem - inquired what kinds of proactive programs are in place in the City
3) Increased budget deficit

Pete Bleckert

1) Budget/expenditures

Daryl Terrell

1) Standing against adversity; hopes and dreams

**CLOSING COMMENTS AND/OR REPORTS OF THE CITY COUNCIL,
COMMUNITY SERVICES DISTRICT, OR COMMUNITY REDEVELOPMENT
AGENCY**

Mayor Pro Tem Hastings

1) Responded to speaker's comments about budget - other government agencies, including the County, are facing budget deficits also; in addition, the State is looking into taking funds from the local governments; the budget picture doesn't look good, but local government needs to work efficiently to provide core services to the residents

2) League of California Cities sponsored an initiative to protect local funds; encouraged everyone to vote on it; still working on retaining RDA funds; it is a very tough time right now, but tough times don't last, tough people do

3) Regarding Rancho Belago signs - expressed concerns about it while the City is facing a budget deficit

4) A very productive townhall meeting with two Homeowners Associations, staff and POP team was held at Moreno Valley Ranch - about 125 residents attended; thanked everybody who attended

Council Member Batey

1) Responded to speaker's comments regarding Edgemont District water issue - Box Spring Mutual Water District is a private, for profit company with own governing board and shareholders making decisions on water rates, maintenance and service; the District collects money and the District, not the City Council, is responsible for upgrades. According to the study, it will cost over \$15 million to upgrade and increase capacity of the system; the Council tried the best to partner with the board and provide seed money for improvements, but so far, not much has been done. It is a serious issue, as the lack of system improvements is holding other projects in that area.

A meeting with the major water districts, the County Supervisors' office and the City is set up at the end of May to develop a long term plan to bring necessary improvements; a lot of work needs to be done, and it will take about five to ten years to upgrade the system

2) Regarding streetlights in Edgemont area - Edgemont is a separate district and it is responsible for the streetlights, not the City; residents need to request the board to install streetlights, as the board votes and makes those decisions

Mayor Flickinger

1) Responded to speaker's comments about deficit situation - the City is in a deficit situation because the revenues are down; the Council has to

figure out how to provide services with less money than before

2) Responded to the comment regarding gangs in the City - the Public Safety Subcommittee had a presentation by the Police Department's Antigangs Team regarding this subject two days ago - the gangs that were previously active in the City have been shot down by the Police Department - we are tough on gangs and not allowing them to take over our city; there is no a serious gang problem in the City

3) Encouraged residents to watch American Idol on Channel 11, where Moreno Valley resident Andrew Garcia is a finalist in the national competition

4) Received a lot of e-mails supporting DUI checkpoints, which make street safer, save lives and keep citizens safe

5) The City has return only about 52 percent of the census forms; encouraged residents to return the forms to keep services funded by federal grants

6) The next round of City's foreclosure prevention workshops starts April 26 at Vista High Middle School

7) On April 22 and May 6, at 6 p.m. at City Hall, Southern California Association of Governements will be holding workshops to devise a vision document that will focus on the long-term plans for Alessandro corridor from Freeway 215 to Lasselle Street; looking for input from the public

8) Congratulated students at Moreno Valley and Riverside colleges for voting to continue free rides on RTA buses for all the students; buses are free for the next 5 years

9) Requested to agendize for next study session a discussion regarding expenditures for March Field air show and July 4th celebration; seconded by Mayor Pro Tem Hastings
