JUNE 26, 2012

CALL TO ORDER

(Joint Meeting of the City Council, Community Services District, City as Successor Agency for the Community Redevelopment Agency, Housing Authority and the Board of Library Trustees- actions taken at the Joint Meeting are those of the Agency indicated on each Agenda item)

PLEDGE OF ALLEGIANCE

INVOCATION

INVOCATION - Father Frederick Costales - St. Christopher Catholic Church

ROLL CALL

INTRODUCTIONS

PUBLIC COMMENTS ON MATTERS ON THE AGENDA WILL BE TAKEN UP AS THE ITEM IS CALLED FOR BUSINESS, BETWEEN STAFF'S REPORT AND CITY COUNCIL DELIBERATION (SPEAKER SLIPS MAY BE TURNED IN UNTIL THE ITEM IS CALLED FOR BUSINESS.)

PUBLIC COMMENTS ON MATTERS NOT ON THE AGENDA UNDER THE JURISDICTION OF THE CITY COUNCIL WILL BE HEARD PRIOR TO CITY COUNCIL REPORTS AND CLOSING COMMENTS. IN THE EVENT THAT THE AGENDA ITEM FOR SUCH PUBLIC COMMENTS HAS NOT BEEN CALLED BY 9:00 P.M., IT SHALL BE CALLED AS THE NEXT ITEM OF BUSINESS FOLLOWING THE CONCLUSION OF ANY ITEM BEING HEARD AT 9:00 P.M. Those wishing to speak should submit a BLUE speaker slip to the Bailiff. There is

a three-minute time limit per person. All remarks and questions shall be addressed to the presiding officer or to the City Council and not to any individual Council member, staff member or other person.

JOINT CONSENT CALENDARS (SECTIONS A-D)

All items listed under the Consent Calendars, Sections A, B, C, and D are considered to be routine and non-controversial, and may be enacted by one motion unless a member of the Council, Community Services District, City as Successor Agency for the Redevelopment Agency, Housing Authority or the Board of Library Trustees requests that an item be removed for separate action. The motion to adopt the Consent Calendars is deemed to be a separate motion by each Agency and shall be so recorded by the City Clerk. Items withdrawn for report or discussion will be heard after public hearing items.

Approved by a vote of 5-0.

F. ITEMS REMOVED FROM CONSENT CALENDARS FOR DISCUSSION OR SEPARATE ACTION

Item A.15 was pulled from the Consent Calendar for separate action.

Mayor Richard A. Stewart opened the agenda item for public comments; there being none, public comments were closed.

G. REPORTS

G.1 WRCOG PRESENTATION ON AB 811 HERO PROGRAM (ORAL PRESENTATION) (Report of: City Manager's Office)

Mayor Richard A. Stewart opened the agenda item for public comments; there being none, public comments were closed.

No action required.

G.2 CITY COUNCIL REPORTS ON REGIONAL ACTIVITIES (Informational Oral Presentation - not for Council action)

a) Report by Mayor Richard A. Stewart on March Joint Powers Commission (MJPC)

Mayor Richard A. Stewart reported:
1. The lawsuit has been filed and served
2. March Health Care - close to signing a deal for health-related use facility on east March
3. FAA requires a general aviation use at March; therefore, a small building for general aviation and possible a hanger or two are going to be built; March Joint Powers held a public forum meeting at Orange Crest area, which is most affected by overflight

b) Report by Council Member Council Member Robin N. Hastings on the

Western Riverside Council of Governments (WRCOG)

Council Member Robin N. Hastings reported:
1. WRCOG has been contacted by counties across the state regarding information on how to assemble HERO program; looking for expanding the program and to provide a model for other jurisdictions
2. WRCOG General Assembly will be held June 21, with VIP reception starting at 5:30 p.m., and General Assembly event at 6:30 p.m. General Powell will be the speaker; encouraged everyone to attend

c) Report by Council Member Council Member Jesse L. Molina on the Riverside Transit Agency (RTA)

Council Member Jesse L. Molina reported:
1. RTA used grants to replace buses
2. Concerned about eliminating school buses; City Traffic Engineer Eric Lewis and Larry Rubio are working diligently to ensure safety for the kids; thanked Eric Lewis and Larry Rubio for working together and for partnering with Safe Routes to School
3. More people are using public transit

G.3 GENERAL MUNICIPAL ELECTION – NOVEMBER 6, 2012 - RESOLUTIONS CALLING AND GIVING NOTICE; REQUESTING CONSOLIDATION WITH STATEWIDE GENERAL ELECTION; AND ADOPTING REGULATIONS PERTAINING TO CANDIDATES' STATEMENTS (Report of: City Clerk Department)

Recommendation: That the City Council:

1. Adopt: Resolution No. 2012-46, calling and giving notice of the holding of a general municipal election on Tuesday, November 6, 2012 of certain officers as required by the provisions of the laws of the State of California relating to general law cities;

Resolution No. 2012-46

A Resolution of the City Council of the City of Moreno Valley, California, Calling and Giving Notice of the Holding of a General Municipal Election on Tuesday, November 6, 2012, of Certain Officers as Required by the Provisions of the Laws of the State of California Relating to General Law Cities

2. Adopt Resolution No. 2012-47, requesting the Board of Supervisors of the County of Riverside to consolidate a general municipal election with the statewide general election to be held on Tuesday, November 6, 2012 pursuant to §10403 of the California Elections

Code;

Resolution No. 2012-47

A Resolution of the City Council of the City of Moreno Valley, California, Requesting the Board of Supervisors of the County of Riverside to Consolidate a General Municipal Election with the Statewide General Election to be Held on Tuesday, November 6, 2012, Pursuant to Section 10403 of the California Elections Code

3. Adopt Resolution No. 2012-48, adopting regulations for candidates for elective office pertaining to candidates' statements submitted to the voters at an election to be held on Tuesday, November 6, 2012; and

Resolution No. 2012-48

A Resolution of the City Council of the City of Moreno Valley, California, Adopting Regulations for Candidates for Elective Office Pertaining to Candidates' Statements Submitted to the Voters for the Election to be Held on Tuesday, November 6, 2012

4. Approve the Municipal Information Form and authorize the City Clerk to submit the completed form and the resolutions to the Registrar of Voters.

Mayor Stewart opened the agenda item for public comments; there being none, public comments were closed.

The City Clerk announced a correction to the staff report under Fiscal Impact: 61,000 dollars was budgeted, and there is a gap, which will be addressed and evaluated during the midyear budget adjustment. Typically, the invoice from the Riverside County Registrar of Voters is not received until February.

Motion to Approve by m/ Mayor Pro Tem William H. Batey II, s/Council Member Robin N. Hastings

Approved by a vote of 5-0.

H.3 ORDINANCES - URGENCY ORDINANCES - NONE

H.4 RESOLUTIONS - NONE

PUBLIC COMMENTS **ON ANY SUBJECT NOT ON THE AGENDA** UNDER THE JURISDICTION OF THE CITY COUNCIL

Pam Patterson, co-owner of A-Postal Express

1. Thanked Council Members Molina and Co for their support and help in robbery case

2. Financial help/loan

Jose D. Chavez

1. Sidewalk repair on New Haven

2. Towing trucks

Gilbert Gonzales

1. Incentive program to streamline and reduce costs for the City

Tom Jerele Sr.

1. Commercial signage

2. Memorial Day service – an excellent service

3. Taste of the Valley is coming up on June 23 - a great event

Kenny Bell

1. Jobs in Moreno Valley

Marcia Amino

1. Jobs in the City

2. Property rights of residents

3. Warehouse/logistics center

CLOSING COMMENTS AND/OR REPORTS OF THE CITY COUNCIL, COMMUNITY SERVICES DISTRICT,CITY AS SUCCESSOR AGENCY FOR THE COMMUNITY REDEVELOPMENT AGENCY OR HOUSING AUTHORITY

Mayor Pro Tem William H. Batey II

1. Thanked staff, PD Chief and Fire Chief for helping with City Hall tour for kids from TownGate Elementary School

2. Edgemont water system issue has always been a tough issue; trying to work with the company to make improvements to the water system; there are some challenges; hope we will get some positive results; might bring the issue to the council for further action

3. Next week will be out of state; requested to delay DIF item

4. Thanked residents of Moreno Valley for all the support

5. Regarding developing jobs - we will need to prioritize what kinds of jobs to bring to the city and how to do that; has ideas that can be brought forward to broaden the job base and streamline the process; a lot of work left to be done

Council Member Robin N. Hastings

1. Voted for the economic development Moreno Valley Utility incentives to bring in additional business - it is an important tool to keep us competitive; it is a pilot program, which will be evaluated

2. Regarding transfer of funds to do Nason Street improvements - improvements are necessary to mitigate the traffic flow; the City was able to take advantage of TUMF funds to do the improvements because the project was shuffle ready; asked to contact her with any questions and concerns

3. Attended a groundbreaking at the Moreno Valley College with Mayor Stewart - terrific to see that we are getting bond money for improvements at college

4. Attended the Sunnymead Ranch Veterans Memorial Garden groundbreaking with Mayor Stewart, which was done specifically to honor Sunnymead Ranch veterans; a phenomenal event; was very honored to be invited to attend it

5. Yesterday, attended the Soroptimist International Award Banquet - this group of women contributed this year over 20,000 dollars to local organizations and charities, a tremendous amount of money to benefit the residents; they are doing a terrific job

5. A-Postal Express - is terrible sorry about the situation; use of City funds is restricted, as money may only be used for specific purposes; a loan or a gift to a business is considered a misuse of public funds

Council Member Jesse L. Molina

1. Is sorry about A-Postal Express situation; if there is anything he can do, he will

2. Will take a look at the sidewalk Mr. Chavez talked about

3. Thanked all the citizens who come to the council meetings with comments; asked to email or call him with any concerns; thanked for being patient

Mayor Richard A. Stewart

1. Stated that his Mom is in the hospital

2. Stated that Best Buy has no financial assistance from the City. The City can help only businesses that are served by the Moreno Valley Utility; we are trying to find ways to assist businesses we have right now; asked to please contact him with any ideas how to retain a business in the City; the City needs to charge the impact fees, as the fee pays for infrastructure;

3. Met with Parks & Community Services Director Mike McCarthy and a member of sports group concerned about high cost of the electricity for lights in the ball fields. The fees are charged by Edison

4. Improvements on Sunnymead Blvd. were paid by business owners on Sunnymead Blvd.

5. Regarding property rights - zoning is not considered to be one of the constitutionally protected property rights

6. The City needs to take action to attract businesses and jobs; welcomes any suggestions

7. Commended Eagle Scouts for working very hard on public projects

8. Stated that he is endorsing Mayor Pro Tem Batey, who is running for a higher office

9. Regarding jobs – the biggest success story is Meridian - many jobs were already created and more will be

10. Edgemont water issue - working on it; not an easy answer to that

11. Stated that we need to keep the effort going to give incentives to businesses to hire local residents

CLOSED SESSION - canceled

ADJOURNMENT

The meeting was adjourned in memory of Cpl. Anthony R. Servin who was killed in combat in Afghanistan.

There being no further business to conduct, the meeting was adjourned at 9:13 p.m. by unanimous informal consent.

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Financial & Administrative Services Director

AGENDA DATE: June 26, 2012

TITLE: APPROVAL OF CHECK REGISTER FOR APRIL, 2012

RECOMMENDED ACTION

Staff recommends that the City Council adopt Resolution No. 2012-53, approving the Check Register for the month of April, 2012 in the amount of $13,408,420.85.

DISCUSSION

To facilitate Council's review, the Check Register lists in alphabetical order all checks in the amount of $25,000 or greater, followed by a listing in alphabetical order of all checks less than $25,000. The Check Register also includes wire transfers, thus eliminating the need for a separate wire transfer register, as well as the fiscal year-to-date (FYTD) amount paid to each vendor.

FISCAL IMPACT

The disbursements itemized in the attached Check Register are reflected in the FY 2011-12 budget. Therefore, there is no fiscal impact other than the expenditure of budgeted funds.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: ACCEPT $3,500,000 OF TRANSPORTATION UNIFORM MITIGATION FEE (TUMF) FUNDING FOR THE SR-60/MORENO BEACH INTERCHANGE PHASE 1 – PROJECT NO. 07-41570024

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept $3,500,000 in Transportation Uniform Mitigation Fee (TUMF) funding for the SR-60/Moreno Beach Interchange Phase 1 project.

BACKGROUND

The SR-60/Moreno Beach interchange has experienced increased traffic as the result of commercial, residential, and recreational growth. The existing SR-60/Moreno Beach infrastructure is insufficient to handle projected growth. Phase 1 improvements include reconstruction of the two eastbound on- and off-ramps to SR-60, the addition of an eastbound auxiliary lane, connection of the west leg of Eucalyptus Avenue to Moreno Beach Drive, the addition of a traffic signal at the eastbound ramps/Moreno Beach Drive intersection, and related improvements.

On March 14, 2006, the City and WRCOG entered into a TUMF Agreement, entitling the City to receive reimbursement for the Project Approval/Environmental Document (PA&ED) phase of the project. Reimbursement for the design and right-of-way phases were addressed in Amendment Nos. 1 and 2 to the agreement.

DISCUSSION

On February 6, 2012, WRCOG adopted the TUMF Central Zone 5-Year Transportation Improvement Program (TIP) for 2012, allocating $3,500,000 for the construction phase of the SR-60/Moreno Beach Phase 1 project. Staff recommends the City Council accept the $3,500,000 of TUMF funding for the SR-60/Moreno Beach Interchange Phase 1 Project.

The Public Works Director/City Engineer was authorized by the City Council on June 24, 2008, to execute amendments to the TUMF agreement. Consequently, the TUMF agreement will be amended to reflect the $3,500,000 construction phase funding. Plans were submitted to Caltrans in March 2012 and are undergoing final review and approval.

ALTERNATIVES

1. Accept $3,500,000 in funding from the Western Riverside Council of Governments (WRCOG) for Moreno Beach/SR-60 Phase 1 Interchange project. *This alternative will allow the completion of needed improvements.*

2. Do not accept $3,500,000 in funding from the Western Riverside Council of Governments (WRCOG) for Moreno Beach/SR-60 Phase 1 Interchange project. *This alternative will delay the completion of needed improvements.*

FISCAL IMPACT

Phase 1 is currently funded using Successor Agency 2007 Tax Allocation Bonds (Fund 797) and Transportation Uniform Mitigation Fees (Fund 415). $3,500,000 has been allocated by WRCOG for Phase 1 project construction. The TUMF funds do not have a local match requirement. The appropriation of these TUMF funds as well as an appropriation of $3,500,000 in Successor Agency funds will be allocated as part of the FY 2012/2013 CIP and is included below in order to show all construction funding sources.

AVAILABLE FUNDS

FY 2011/2012 Successor Agency 2007 Tax Allocation Bonds (Account 797.79731)	$ 2,341,000
*FY 2012/2013 Requested Appropriation from Transportation Uniform Mitigation Fees (TUMF) (Account 415.70024)**	*$ 3,500,000*
*FY 2012/2013 Requested Appropriation from Successor Agency (Account 797.79731)**	*$ 3,500,000*
Total Project Budget	**$ 9,341,000**

** To be appropriated with adoption of the FY 2012/2013 Capital Improvement Program Budget*

ANTICIPATED PROJECT SCHEDULE

Caltrans Approval and Authorization to Bid ..... July 2012
Advertise Project ..... August 2012
Begin Construction ..... November 2012
Complete Construction ..... August 2013

CITY COUNCIL GOALS

PUBLIC SAFETY:
Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

SUMMARY

Staff requests the City Council accept $3,500,000 of TUMF funding for construction phase of the SR-60/Moreno Beach Drive Interchange Phase 1 project.

RECOMMENDED ACTION

Staff recommends that the City Council take the following action:

1. Approve the grant application and authorize acceptance (if granted) of the "The OJJDP FY2012 Community Based Violence Prevention Demonstration Program" in the amount of $713,286, for a 36-month period beginning October 1, 2012 and ending September 30, 2015; and

2. Authorize the revenue and expense budgets in the OJJDP - Police Grant Fund (New Fund - 2XXX) for the FY2012 Community Based Violence Prevention Demonstration Program in the amount of $713,286, respectively, upon approval and acceptance of the grant from the Office of Juvenile Justice Delinquency Prevention (OJJDP).

ADVISORY COMMITTEE RECOMENDATION

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) announced this grant opportunity on March 14, 2012. The complete grant application was subsequently presented to and reviewed by the Moreno Valley Public Safety Subcommittee on May 21, 2012 and was fully supported and approved.

BACKGROUND

The City of Moreno Valley is committed to providing a safe environment for the citizens of Moreno Valley. The City Council has made it a priority to provide financial support to the Moreno Valley Police Department to deal with quality of life issues in the community related to juvenile delinquency and gang activity and crime.

DISCUSSION

The Office of Juvenile Justice and Delinquency Prevention (OJJDP), under the auspices of the U.S. Department of Justice, announced a grant funding opportunity, commencing FY 2012-2013. This grant provides up to $1.5 million in funding to law enforcement agencies and other organizations that create and implement anti-gun violence and anti-gang programs, which include a comprehensive and strategic approach to reduce gang related gun violence and crime that affect our youth.

This grant will provide specific funding for the Moreno Valley Police Department to create an Administrative Position for a full time Deputy Sheriff (Officer), who shall act as the Director/Coordinator for this project. This Director/Coordinator shall ensure the goals and objectives of this grant project are fulfilled throughout the 36 month project period. The Director/Coordinator shall collaborate with local education, law enforcement, business and community agencies in the planning and implementation of this anti-gun violence project.

The grant also provides funding to create and implement anti-violence programs designed as primary prevention; gang violence intervention for identifiable at-risk youth; the training of officers assigned to the Moreno Valley Police Department; and targeted gang enforcement and career criminal apprehension programs.

The population to be served by this project includes youths who are at risk of becoming involved in gang related gun violence and crime; as well as the citizens of Moreno Valley who are affected by the criminal street gang problem in Moreno Valley.

The Moreno Valley Police Department will achieve these goals and objectives by implementing specific programs designed to combat the spread of street gang activity and to reduce the level of violent crime committed by gang members within Moreno Valley. Some of these programs focus on the short-term, immediate reduction of violent criminal activity, while others are designed as intermediate intervention programs aimed at educating the families of at-risk youth.

Progress of the goals and objectives of this project will be measured through the documentation of specific program statistics maintained by the Moreno Valley Police Department.

The Moreno Valley Police Department has prepared the proposed grant application, which details a six-part approach to reducing gang related violent crime and youth gang membership. These programs, many of which are already in place and operated by the MVPD, have demonstrated dramatic progress toward the goals and objectives outlined in the grant proposal. These programs include:

- The City of Moreno Valley's Gang Intervention for Teens (GIFT) program.
- Night Time Curfew Ordinance Enforcement Program.
- Law Enforcement and Public Gang Education Programs.
- Targeted Enforcement Patrol Programs.
- Continued Officer Training in the field of Criminal Street Gangs and Violence.
- Project Safe Neighborhoods (PSN) Program

This grant provides up to $1.5 million in funding that may be utilized to support the continued operation of these programs and to create an Administrative position for a full time Officer, who shall be designated as the Director/Coordinator for this project for a 36-month period.

ALTERNATIVES

The Council has the following alternatives:

1) Approve the application for the "The OJJDP FY2012 Community Based Violence Prevention Demonstration Program"", in the amount of $713,286 and subsequently accept the grant award from OJJDP. Staff recommends this alternative.

2) Decline the application for the "The OJJDP FY2012 Community Based Violence Prevention Demonstration Program", in the amount of $713,286. Staff does not recommend this alternative.

FISCAL IMPACT

There is no required match funding from the City of Moreno Valley as a condition of "The OJJDP FY2012 Community Based Violence Prevention Demonstration Program." Therefore, there is no fiscal impact to the City.

Budget Appropriations:

FUND	BUSINESS UNIT	TYPE	AMOUNT
OJJDP - POLICE GRANT FUND (2XXX)	485000 (Federal Grant Operating Revenue)	REV	$713,286
OJJDP - POLICE GRANT FUND (2XXX)	60697XXXX (OJJDP - Community Based Violence Prevention Demonstration Program)	EXP	$713,286

CITY COUNCIL GOALS

The application of the "OJJDP FY2012 Community Based Violence Prevention Demonstration Program", will meet the City Council Public Safety Goal of reducing youth gang membership and violent activity, lowering the rate of gang related violent crime, and improving the quality of life for the citizens of Moreno Valley who are affected by the criminal street gang problem in the City Moreno Valley.

Instructions

1 **Enter a name for the application in the Application Filing Name field.**

- This application can be completed in its entirety offline; however, you will need to login to the Grants.gov website during the submission process.
- You can save your application at any time by clicking the "Save" button at the top of your screen.
- The "Save & Submit" button will not be functional until all required data fields in the application are completed and you clicked on the "Check Package for Errors" button and confirmed all data required data fields are completed.

2 **Open and complete all of the documents listed in the "Mandatory Documents" box. Complete the SF-424 form first.**

- It is recommended that the SF-424 form be the first form completed for the application package. Data entered on the SF-424 will populate data fields in other mandatory and optional forms and the user cannot enter data in these fields.

- The forms listed in the "Mandatory Documents" box and "Optional Documents" may be predefined forms, such as SF-424, forms where a document needs to be attached, such as the Project Narrative or a combination of both. "Mandatory Documents" are required for this application. "Optional Documents" can be used to provide additional support for this application or may be required for specific types of grant activity. Reference the application package instructions for more information regarding "Optional Documents".

- To open and complete a form, simply click on the form's name to select the item and then click on the => button. This will move the document to the appropriate "Documents for Submission" box and the form will be automatically added to your application package. To view the form, scroll down the screen or select the form name and click on the "Open Form" button to begin completing the required data fields. To remove a form/document from the "Documents for Submission" box, click the document name to select it, and then click the <= button. This will return the form/document to the "Mandatory Documents" or "Optional Documents" box.

- All documents listed in the "Mandatory Documents" box must be moved to the "Mandatory Documents for Submission" box. When you open a required form, the fields which must be completed are highlighted in yellow with a red border. Optional fields and completed fields are displayed in white. If you enter invalid or incomplete information in a field, you will receive an error message.

3 **Click the "Save & Submit" button to submit your application to Grants.gov.**

- Once you have properly completed all required documents and attached any required or optional documentation, save the completed application by clicking on the "Save" button.
- Click on the "Check Package for Errors" button to ensure that you have completed all required data fields. Correct any errors or if none are found, save the application package.
- The "Save & Submit" button will become active; click on the "Save & Submit" button to begin the application submission process.
- You will be taken to the applicant login page to enter your Grants.gov username and password. Follow all onscreen instructions for submiss

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).

6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C.§§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U. S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee- 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.

7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.

8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327-333), regarding labor standards for federally-assisted construction subagreements.

10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000 or more.

11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1451 et seq.); (f) conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and, (h) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

12. Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.

13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§469a-1 et seq.).

14. Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.

15. Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§2131 et seq.) pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by this award of assistance.

16. Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.

17. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

18. Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing this program.

BUDGET OFFICER	
CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council, and the Mayor and City Council, acting in their capacity as President and Board of Directors for the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 26, 2012

TITLE: AUTHORIZATION TO CLOSE PUBLIC STREETS FOR THE INDEPENDENCE DAY FESTIVITIES ON WEDNESDAY, JULY 4, 2012

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Authorize the closure of the following streets between the hours of 6:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 4, 2012.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Alessandro Boulevard between Joy Street and Cactus Avenue;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;
    n. Eastridge Street between Frederick Street and Heritage Way;

Item No. A.7

o. Calle San Juan De Los Lagos between Frederick Street and Veterans Way;
p. Veterans Way between Business Center Drive and Alessandro Boulevard;
q. New Hope between Veterans Way and Elsworth;
r. Veterans Way between Cactus Avenue and Alessandro Boulevard, and
s. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of Dracaea Avenue between Morrison Street and Nason Street, between the hours of 6:00 a.m. on Tuesday, July 3, 2012 through 5:00 p.m. on Thursday, July 5, 2012 for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2012.

3. For a short period of time and immediately following the fireworks display, authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 25 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. The parade in 2010 was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. Approximately 7,000 spectators attended the 2010 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

Street closures for both the parade and the festival site are the same as those closures for the 2010 event.

DISCUSSION

Detailed below is the discussion of the events planned and the street closures for the Independence Day 2012 Program activities:

1. Parade Discussion

   The parade this year will take place on July 4, 2012. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle

San Juan de Los Lagos, Corporate Way and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of the Burlington Coat Factory store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

Festivities will continue on July 4, 2012 from 2:00 p.m. to 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to the previous year's 2010 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. Gates open at 1:00 p.m. with the festival beginning at 2:00 p.m. There will be food, arts and crafts, game booths, clowns and entertainment. New this year will be a wine and beer garden. An entry may be charged to get into the festival, and there may be a minimal fee for the various activities, such as the bouncers and game booths.

A main stage and a youth stage will guarantee enjoyment for the entire family. There will be several entertainers this year. At 3:00 p.m., Moreno Valley IDOL takes the stage when finalists compete for Moreno Valley Idol. At 4:00 p.m., a performance by "Michael John's Tribute to Billy Joel," followed by "BELLA DONNA - A Tribute to Stevie Nicks and Fleetwood Mac," and then "The Joshua Tree – A Tribute to U2." As a grand finale, the event will conclude with a fireworks extravaganza at 9:00 p.m., which will be simulcast with patriotic music by KOLA (99.9 FM).

Presale tickets for the event are available at the Moreno Valley Conference and Recreation Center from June 11 to July 3. Cost is $2 per person or $10 for a family (up to 6 people). On July 4, entry is free between 1:00 p.m. and 4:00 pm.

After 4:00 p.m., entry fee is $3 per person. Military service members with valid identification and children under 5 are free.

We thank the following sponsors who have contributed to our celebration: KOLA 99.9, Moreno Valley Unified School District, Supervisor Marion Ashley, Budweiser, Pepsi, Accurate Accessories, and Waste Management.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during and after the event for all event participants and spectators. Barricades placed at intersections designated for one-way traffic will be removed no later than 11:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordination of this event began prior to FY 2012/13. Funds proposed for the Independence Day Celebration are allocated in the approved budget for the Moreno Valley Community Services District Zone A Fund (161.77310) for Fiscal Years 2011/12 and 2012/13. In an effort to offset expenditures, staff has been soliciting sponsors, an entry fee will be charged after 4 pm and there will be a beer garden.

CITY COUNCIL GOALS

Not applicable.

SUMMARY

The 2012 Independence Day festivities this year will take place on July 4, 2012. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2010 parade route. The parade will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will be held at Mountain View Middle School and Morrison Park; street closures affected are adjacent to the festival site.

Report to City Council

TO: Mayor and Members of the City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF SUNNYMEAD BOULEVARD REVITALIZATION IMPROVEMENTS COMPLETED BY ENVIRONMENTAL CONSTRUCTION, INC. PROJECT NO. 04-89280221-1

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Sunnymead Boulevard Revitalization from Frederick Street to Perris Boulevard constructed by Environmental Construction, Inc., 21550 Oxnard Street, Suite 1050, Woodland Hills, CA 91367.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code.

3. Accept the improvements into the City's maintained system.

4. Authorize the Financial & Administrative Services Director to release the retention to Environmental Construction, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project.

5. Authorize the Purchasing & Facilities Division Manager to execute a Change Order to increase the Purchase Order (No. 35442) with Environmental Construction, Inc., in the amount of $272,468.10 for the Sunnymead Boulevard Revitalization project (Account No. 501.82125).

6. Authorize the Public Works Director/City Engineer to execute Contract Change Order No. 7 (Final) for Environmental Construction, Inc.

BACKGROUND

On February 26, 2008, the City Council approved a construction contract with Environmental Construction, Inc. (ECI), Stage 1 of the Sunnymead Boulevard Revitalization project that provided improvements for the infrastructure and aesthetic enhancements, which included a gateway entry arch, bus shelters, sign monuments, parkway landscaping, curbs, gutters, and color sidewalks.

DISCUSSION

ECI completed the project construction on May 25, 2012 at a total construction cost of $5,753,702.90 inclusive of Contract Change Order (CCO) No. 7 (Final). There were several disputed items of work during the course of construction to be negotiated once those items were complete. After negotiations, the City and ECI agreed to a final construction cost of $5,753,702.90 inclusive of CCO 7 (Final). The Purchase Order amount was $5,481,234.80, and staff is requesting an approval of a Change Order to increase the Purchase Order by $272,468.10.

ALTERNATIVES

1. Accept the work as complete for the Sunnymead Boulevard Revitalization from Frederick Street to Perris Boulevard constructed by Environmental Construction, Inc., 21550 Oxnard Street, Suite 1050, Woodland Hills, CA 91367, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County, as required by Section 3093 of the California Civil Code, accept the improvements into the City's maintained system, authorize the Financial & Administrative Services Director to release the retention to Environmental Construction, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project, authorize the Purchasing & Facilities Division Manager to execute a Change Order to increase the Purchase Order (No. 35442) with Environmental Construction, Inc., in the amount of $272,468.10 for the Sunnymead Boulevard Revitalization project (Account No. 501.82125), and Authorize the Public Works Director/City Engineer to execute Contract Change Order No. 7 (Final) for Environmental Construction, Inc. *This alternative will result in acceptance of the improvements into the City's maintained system.*

2. Do not accept the work as complete for the Sunnymead Boulevard Revitalization from Frederick Street to Perris Boulevard constructed by Environmental Construction, Inc. 21550 Oxnard Street, Suite 1050, Woodland Hills, CA 91367. *This alternative will result in delaying acceptance of the improvements into the City's maintained system, and incur extra cost to the City.*

FISCAL IMPACT

The Sunnymead Boulevard Revitalization project (Stage 1) constructed by ECI was funded with Lease Revenue Bond funds (Fund 501), as budgeted in Fiscal Year 2011/2012. The total Purchase Order amount available for ECI is $5,481,234.80. Contract Change Order 7 (Final) requires a Change Order to the Purchase Order for Environmental Construction Inc., to increase PO No. 35442 in the amount of $272,468.10 in Account No. 501.82125. There is no impact to the General Fund.

CITY COUNCIL GOALS

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

SUMMARY

ECI has completed the Stage 1 construction for the Sunnymead Boulevard Revitalization project from Frederick Street to Perris Boulevard. The City Council is requested to accept the work as complete, direct the City Clerk to record the Notice of Completion, accept the improvements into the City's maintained system, and release the retention to Environmental Construction, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project, authorize the Purchasing & Facilities Division Manager to execute a Change Order to increase the Purchase Order (No. 35442) with Environmental Construction, Inc., in the amount of $272,468.10 for the Sunnymead Boulevard Revitalization project (Account No. 501.82125), and Authorize the Public Works Director/City Engineer to execute Contract Change Order No. 7 (Final) for Environmental Construction, Inc.

TO: Mayor and City Council

FROM: Richard Teichert, Financial & Administrative Services Director

AGENDA DATE: June 26, 2012

TITLE: FACILITY LEASE EXTENSION WITH MORENO VALLEY GATEWAY, LLC

RECOMMENDED ACTION

Staff recommends City Council:

1. Approve the three lease extensions with Moreno Valley Gateway, LLC for the building located at 14325 Frederick St., Moreno Valley.

2. Authorize the City Manager to sign the lease extensions and any subsequent extensions for office space located at 14325 Frederick St., Moreno Valley.

3. Authorize the Purchasing & Facilities Manager to execute a purchase order for said leases for Fiscal Year 2012-13 as follows:

    a. Suites 1-3 $54,029
    b. Suite 4 $24,048
    c. Suites 5-9 $90,000

BACKGROUND

In 2005 the City leased office space with Moreno Valley Gateway, Inc. at 14325 Frederick Street. This space is utilized for Technology Services, Facilities, Special Districts and Moreno Valley Utility office needs.

DISCUSSION

The current lease extension will end on June 30, 2012. The city intends to exercise a one-year lease extension through June 30th, 2013 with the option to extend the lease at the same rate for three months subsequent to the end of the lease term.

The lease is needed for two purposes:

1. House current staff until the Annex #1 project is complete; and
2. House a portion of City Hall staff during the 2nd story sub-floor and re-carpet project.

Staff currently located in 14325 Frederick will move into Annex #1 in early 2013. A portion of the 2nd floor City Hall staff will move into the 14325 building during the sub-floor and re-carpet construction project. This project is scheduled to occur during the first six months of 2013.

The individual lease costs are as follows:

Division	Unit(s)	Square Footage	$ Per Square Foot	Annual Total
Technology Services	1-3	4288	$1.05	$54,029
Facilities	4	2004	$1.00	$24,048
Special Districts & MVU	5-9	7500	$1.00	$90,000

ALTERNATIVES

Staff recommends City Council:

1. Approve the three lease extensions with Moreno Valley Gateway, LLC for the building located at 14325 Frederick St., Moreno Valley.

2. Authorize the City Manager to sign the lease extensions and any subsequent extensions for office space located at 14325 Frederick St., Moreno Valley.

3. Authorize the Purchasing & Facilities Manager to execute a purchase order for said leases for Fiscal Year 2012-13 as follows:

    a. Suites 1-3 $54,029
    b. Suite 4 $24,048
    c. Suites 5-9 $90,000

4. Do not authorize the lease extension renewal and provide staff with alternative direction.

FISCAL IMPACT

The lease extension will encumber $168,077 as follows:

Suites 1-3 $54,029 in 754.75423.6901
Suite 4 $24,048 in 754.75410.6901
Suites 5-9 $90,000 in 149.51710.6901

These lease costs are included in the FY 2012-13 approved budget.

SUMMARY

The City utilizes space located at 14325 Frederick St, Moreno Valley to house staff from Technology Services, Purchasing & Facilities, Special Districts and the MVU Divisions. Staff will require this space until Annex #1 is complete. This lease extension will also be utilized to house a portion of City Hall 2nd floor staff during the sub-floor and re-carpet project.

2nd AMENDMENT TO LEASE
STANDARD LEASE ADDENDUM

THIS AMENDMENT TO LEASE is made and entered into as of the June 26, 2012, by and between Moreno Valley Gateway, LLC ("Lessor") and City of Moreno Valley ("Lessee").

WHEREAS, on or about March 1, 2006 a Lease was entered into by and between Lessor and Lessee relating to certain real property commonly known as: 14325 Frederick Street, Units 1-3, Moreno Valley, CA 92553 (the "Premises"), and

WHEREAS, Lessor and Lessee ☑ have ☐ have not previously amended said Lease, and

WHEREAS, the Lessor and Lessee now desire to amend said Lease,

NOW, THEREFORE, for payment of TEN DOLLARS and other good and valuable consideration to Lessor, the receipt and sufficiency of which is hereby acknowledged, the parties mutually agree to make the following additions and modifications to the Lease:

☑ TERM: The Expiration Date is hereby ☐ advanced ☑ extended to June 30, 2013.

☐ AGREED USE: The Agreed Use is hereby modified to: _____.

☐ BASE RENT ADJUSTMENT: Monthly Base Rent shall be as follows: Base Rent shall remain the same at $1.05 per square foot.

☑ OTHER: After the lease period ends, Lessee has the right to retain premises on a month to month basis at Base Rent of $1.05 per square foot for three (3) months, or until September 30, 2013. After September 30, 2013, the lease becomes month to month and Lessor or Lessee can terminate lease with thirty (30) days notice. During this period rent will increase to $1.20 per square foot.

This Agreement shall not be construed against the party preparing it, but shall be construed as if all parties jointly prepared this Agreement and any uncertainty and ambiguity shall not be interpreted against any one party.

All other terms and conditions of this Lease shall remain unchanged and shall continue in full force and effect except as specifically amended herein.

EXECUTED as of the day and year first above written.

2nd AMENDMENT TO LEASE
STANDARD LEASE ADDENDUM

THIS AMENDMENT TO LEASE is made and entered into as of the June 26, 2012, by and between Moreno Valley Gateway, LLC ("Lessor") and City of Moreno Valley ("Lessee").

WHEREAS, on or about February 1, 2005 a Lease was entered into by and between Lessor and Lessee relating to certain real property commonly known as: 14325 Frederick Street, Unit 4, Moreno Valley, CA 92553 (the "Premises"), and

WHEREAS, Lessor and Lessee ☑ have ☐ have not previously amended said Lease, and

WHEREAS, the Lessor and Lessee now desire to amend said Lease,

NOW, THEREFORE, for payment of TEN DOLLARS and other good and valuable consideration to Lessor, the receipt and sufficiency of which is hereby acknowledged, the parties mutually agree to make the following additions and modifications to the Lease:

☑ TERM: The Expiration Date is hereby ☐ advanced ☑ extended to June 30, 2013.

☐ AGREED USE: The Agreed Use is hereby modified to: _____.

☐ BASE RENT ADJUSTMENT: Monthly Base Rent shall be as follows: Base Rent shall remain the same at $1.00 per square foot.

☑ OTHER: After the lease period ends, Lessee has the right to retain premises on a month to month basis at Base Rent of $1.00 per square foot for three (3) months, or until September 30, 2013. After September 30, 2013, the lease becomes month to month and Lessor or Lessee can terminate lease with thirty (30) days notice. During this period rent will increase to $1.15 per square foot.

This Agreement shall not be construed against the party preparing it, but shall be construed as if all parties jointly prepared this Agreement and any uncertainty and ambiguity shall not be interpreted against any one party.

All other terms and conditions of this Lease shall remain unchanged and shall continue in full force and effect except as specifically amended herein.

BUDGET OFFICER	caf
CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Ahmad Ansari, Public Works Director/City Engineer
Barry Foster, Community & Economic Development Director

AGENDA DATE: June 26, 2012

TITLE: PARCEL MAP 32631 – COMMERCIAL - REDUCE THE IRREVOCABLE LETTER OF CREDIT AS FAITHFUL PERFORMANCE BOND AND ADOPT THE RESOLUTION AUTHORIZING ACCEPTANCE OF THE PUBLIC IMPROVEMENTS AS COMPLETE AND ACCEPTING THE PORTIONS OF DAY STREET, GATEWAY DRIVE, MEMORIAL WAY, CAMPUS PARKWAY, AND TOWNGATE CIRCLE ASSOCIATED WITH THE PROJECT INTO THE CITY'S MAINTAINED STREET SYSTEM

DEVELOPER – GATEWAY COMPANY, L.C., A NEVADA LIMITED LIABILITY COMPANY, BY: FRITZ DUDA COMPANY, A TEXAS CORPORTION, ITS MANAGER
NEWPORT BEACH, CA 92663

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Adopt the proposed Resolution No. 2012-54 authorizing the acceptance of the public improvements within Parcel Map 32631 – Commercial as complete and accepting the portions of Day Street, Gateway Drive, Memorial Way, Campus Parkway, and Towngate Circle associated with the project into the City's maintained street system; and

2. Authorize the City Engineer to execute the 90% reduction to the Irrevocable Letter of Credit as Faithful Performance Bond, exonerate the Irrevocable Letter of Credit as Material and Labor Bond in 90 days if there are no stop notices or liens

on file with the City Clerk, and exonerate the final 10% of the Irrevocable Letter of Credit as Faithful Performance Bond in one year when all clearances are received.

BACKGROUND

Parcel Map 32631 is a commercial development to subdivide a 20.51 acre parcel of land into 14 individual lots for the purpose of providing a 199,500 square foot mixed use complex, including five major buildings and additional pad buildings that include a mixture of retail, restaurant, and potential office use. The project was conditionally approved requiring construction of certain public improvements. The public improvements included asphalt concrete, curb, gutter, sidewalk, driveway approaches, and a traffic signal. Those improvements received on-going inspection during the construction process. Upon completion of the improvements, Community & Economic Development Department/Land Development performed an inspection, and a punch list was generated. The required corrective actions have been completed, and the improvements are now eligible for acceptance into the City's maintained street system.

DISCUSSION

The completed improvements have received a final inspection, and the improvements were completed in accordance with the approved plans and the standards of the City of Moreno Valley. In accordance with the Streets and Highway Code, the method for acceptance of improvements, per Section 1806, (a), and (b), is by action of the governing body, by resolution. It is therefore appropriate to accept those improvements into the City's maintained street system and to provide a 90% reduction to the Irrevocable Letter of Credit as Faithful Performance Bond of $532,000 issued by City National Bank. Ninety days after City Council approves the Irrevocable Letter of Credit as Faithful Performance Bond reduction, the Irrevocable Letter of Credit as Material and Labor Bond will be exonerated by the City Engineer provided there are no stop notices or liens on file with the City Clerk. The remaining 10% of the Irrevocable Letter of Credit as Faithful Performance Bond will be held for the one-year guarantee and warranty period. At the end of the guarantee and warranty period the remaining 10% of the Irrevocable Letter of Credit as Faithful Performance Bond will be released by the City Engineer subject to completion of any defective work that may have appeared during this period.

ALTERNATIVES

1. Adopt the proposed Resolution authorizing the acceptance of the public improvements within Parcel Map 32631 as complete and accepting the portions of Day Street, Gateway Drive, Memorial Way, Campus Parkway, and Towngate Circle associated with the project into the City's maintained street system. Authorize the City Engineer to execute the 90% reduction to the Irrevocable Letter of Credit as Faithful Performance Bond, exonerate the Irrevocable Letter of Credit as Material and Labor Bond in 90 days if there are no stop notices or liens on file with the City Clerk, and exonerate the final 10% of the Irrevocable Letter of

Credit as Faithful Performance Bond in one year when all clearances are received. *The required improvements have been completed according to City of Moreno Valley Standards and therefore should be included in the City's maintained street system.*

2. Do not adopt the proposed Resolution authorizing the acceptance of the public improvements within Parcel Map 32631 as complete and accepting the portions of Day Street, Gateway Drive, Memorial Way, Campus Parkway, and Towngate Circle associated with the project into the City's maintained street system. Do not authorize the City Engineer to execute the 90% reduction to the Irrevocable Letter of Credit as Faithful Performance Bond, exonerate the Irrevocable Letter of Credit as Material and Labor Bond in 90 days if there are no stop notices or liens on file with the City Clerk, and exonerate the final 10% of the Irrevocable Letter of Credit as Faithful Performance Bond in one year when all clearances are received. *The required improvements have been completed according to City of Moreno Valley Standards and therefore should be included in the City's maintained street system.*

FISCAL IMPACT

The acceptance of these street improvements into the City's maintained street system will create an additional fiscal impact to the street maintenance program of the City (Fund 121-Gas Tax, Fund 125-Measure "A", and Fund 152-NPDES. Fund 121 is restricted to the construction and maintenance of streets and roadways. Fund 125 is restricted for transportation projects only for the purposes of construction, maintenance and operation of streets and roadways. The County Service Area (CSA) levy collected from property owners support current NPDES Permit programs and reduce the level of General Fund support necessary to remain in compliance with unfunded federal mandates, as administered by the State. Funds collected from the CSA 152 annual levy are restricted for use only within the Storm Water Management program).

RESOLUTION NO. 2012-54

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AUTHORIZING THE ACCEPTANCE OF THE PUBLIC IMPROVEMENTS AS COMPLETE WITHIN PARCEL MAP 32631 AND ACCEPTING THE PORTIONS OF DAY STREET, GATEWAY DRIVE, MEMORIAL WAY, CAMPUS PARKWAY, AND TOWNGATE CIRCLE ASSOCIATED WITH THE PROJECT INTO THE CITY'S MAINTAINED STREET SYSTEM

WHEREAS, the City Engineer has determined that the public improvements constructed by Gateway Company, L.C., A Nevada Limited Liability Company By: Fritz Duda Company, a Texas Corporation, Its Manager on the portions of Day Street, Gateway Drive, Memorial Way, Campus Parkway, and Towngate Circle associated with the project were constructed according to the approved plans on file with the City of Moreno Valley; and

WHEREAS, the City Engineer has determined that those improvements were inspected during construction and were completed in an acceptable manner; and

WHEREAS, the City Engineer has requested that the City Council authorize the acceptance of said public improvements as complete within Parcel Map 32631 and accept the portions of Day Street, Gateway Drive, Memorial Way, Campus Parkway, and Towngate Circle associated with the project into the City's maintained street system; and

WHEREAS, it is in accordance with Streets and Highway Code, Section 1806, (a) and (b), for City Council to perform this action by resolution.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS: that the public improvements within Parcel Map 32631 are complete, and the portions of Day Street, Gateway Drive, Memorial Way, Campus Parkway, and Towngate Circle associated with the project are accepted into the City's maintained street system.

APPROVED AND ADOPTED this 26th day of June, 2012.

FROM: Abdul Ahmad, Fire Chief

AGENDA DATE: June 26, 2012

TITLE: COOPERATIVE AGREEMENT FOR THE COST SHARE OF AERIAL LADDER TRUCK PERSONNEL BETWEEN THE CITY OF MOERNO VALLEY, THE CITY OF PERRIS, AND THE COUNTY OF RIVERSIDE

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Approve a cooperative agreement for the cost share of aerial ladder truck personnel between the City of Moreno Valley, the City of Perris, and the County of Riverside; and

2. Authorize the Fire Chief to implement the conversion of both basic life support aerial ladder trucks to advance life support aerial ladder trucks.

ADVISORY BOARD/COMMISSION RECOMMENDATION

On May 21, the Public Safety Subcommittee recommended that the City enter into a cooperative agreement for the cost share of aerial ladder truck personnel between the City of Moreno Valley, the City of Perris, and the County of Riverside (Attachment A). The Subcommittee also supported the idea of utilizing the savings from this agreement for the conversion of both basic life support aerial ladder trucks to advance life support aerial ladder trucks.

BACKGROUND

On January 17, 2003, the City of Moreno Valley, the City of Perris, and the County of Riverside entered into a cost share agreement for three Fire Captains at Fire Station 91

due to the proximity of that Fire Station to the City of Perris and the unincorporated areas of Riverside County. The City of Perris terminated their participation in that agreement on January 20, 2005 as they were purchasing an aerial ladder truck and would provide their own aerial ladder truck services to the citizens of Perris. In February 2006 the County of Riverside agreed to pay the full cost of these three Fire Captains in order to continue to receive the benefit of having an aerial ladder truck available to respond to emergency calls for service in the unincorporated areas of the County of Riverside that are adjacent to Moreno Valley.

DISCUSSION

In April 2012, the City of Perris contacted the City of Moreno Valley to re-enter into a cooperative cost share agreement for aerial ladder truck services as the City of Perris was unable to staff their aerial ladder truck due to current economic conditions. Staff from the Moreno Valley Fire Department researched the calls for service for both Truck 2 and Truck 91 as well as examined the cost associated with having an aerial ladder truck available to respond to emergency calls for service in all three jurisdictions. This information was then utilized to determine an appropriate cost to share amongst the jurisdictions.

After a thorough review of the available information, staff determined that the total personnel cost of one aerial ladder truck, consisting of three Fire Captains, three Fire Apparatus Engineers, and six Firefighter II's as well as the administrative/operational per staff charge by the County of Riverside should be cost shared amongst all three jurisdictions, with the City of Moreno Valley funding 60% of the total personnel costs, the City of Perris funding 20% of the total personnel costs, and the County of Riverside funding 20% of the total personnel costs.

Personnel costs are identified annually in an Exhibit A that is provided to the City as part of the Fire Protection Services Agreement the City has with the County of Riverside. This Exhibit A is a projection of personnel costs from the State of California. Actual personnel costs are invoiced to the City on a quarterly basis. It is these actual costs that will be shared amongst all three jurisdictions on a quarterly basis.

The proposed cooperative agreement states that the City of Moreno Valley is in the process of converting both aerial ladder truck companies from providing basic life support medical care to providing advance life support medical care. This is due primarily to the heavy call volume for medical aids experienced at Fire Stations 2, 6, and 65 with an ever increasing call volume at Fire Station 91. As both Truck 2 and 91 provide only basic life support care, they are unable to provide advance life support care if they are the first arriving unit to an emergency call for service. Currently, advance life support care is delayed until either a paramedic assessment fire engine or AMR arrives on scene.

The Fire Department is proposing to convert both basic life support (BLS) aerial ladder trucks to advance life support (ALS) aerial ladder trucks utilizing a portion of the $234,785 in increased annual savings that this new agreement will provide to the City's

general fund. A BLS truck is typically staffed 7 days a week, 24 hours a day, by one Fire Captain, one Fire Apparatus Engineer, and two Firefighter II's, which requires a standard staffing level of three Fire Captains, three Fire Apparatus Engineers, and six Firefighter II's. An ALS truck would be staffed daily by one Fire Captain, one Fire Apparatus Engineer, one Firefighter II Paramedic, and one Firefighter II, and would require a standard staffing level of three Fire Captains, three Fire Apparatus Engineers, three Firefighter II Paramedics, and three Firefighter II's. The cost difference per aerial ladder truck to upgrade to advance life support personnel is $64,639 for a total of $129,278. However, with this new agreement, the actual cost to the City would be $81,166 as three of the Firefighter II Paramedics would be cost shared with the City of Perris and County of Riverside. Utilizing the savings mentioned above, the City's general fund would still realize a $153,619 savings with this conversion.

ALTERNATIVES

1. Approve a cooperative agreement for the cost share of aerial ladder truck personnel between the City of Moreno Valley, the City of Perris, and the County of Riverside; and authorize the Fire Chief to implement the conversion of both basic life support aerial ladder trucks to advance life support aerial ladder trucks. ***Staff recommends this alternative.***

2. Do not approve a cooperative agreement for the cost share of aerial ladder truck personnel between the City of Moreno Valley, the City of Perris, and the County of Riverside; and do not authorize the Fire Chief to implement the conversion of both basic life support aerial ladder trucks to advance life support aerial ladder trucks. ***Staff does not recommend this alternative.***

FISCAL IMPACT

Currently, the cost of personnel to staff one aerial ladder truck on Exhibit A provided to the City by the County of Riverside is $1,838,291. The County of Riverside funds $500,531 of this cost for the availability of both City owned aerial ladder truck companies to respond to the unincorporated areas of Riverside County with the City funding the remaining $1,337,760.

Jurisdiction	*Exhibit A Estimated Cost*
City of Moreno Valley	$1,337,760
County of Riverside	$500,531
Total	**$1,838,291**

Table 1: Current Cost Share Agreement with County of Riverside

This new Agreement will result in the City of Moreno Valley funding 60% of the total personnel costs associated with the aerial ladder truck which will be $1,102,975. The City of Perris will then fund 20% of the personnel costs ($367,658) and the County of Riverside will fund 20% of the personnel costs ($367,658) for a total savings to the City of $735,316. This is an increase of $234,785 over the current savings to the City.

Jurisdiction	Percentage	Exhibit A Estimated Cost
City of Moreno Valley	60%	$1,102,975
City of Perris	20%	$367,658
County of Riverside	20%	$367,658
	Total	**$1,838,291**

Table 2: Cost allocation of a basic life support aerial ladder truck

The cost of one Paramedic aerial ladder truck according to the Exhibit A provided to the City by the County of Riverside is $1,905,930, an increase in cost of $67,639 per aerial ladder truck. This increase would be allocated to all three jurisdictions for one aerial ladder truck. The following table shows the cost estimate for the cost share agreement when the conversion to an advance life support aerial ladder trucks occurs.

Jurisdiction	Percentage	Exhibit A Estimated Cost
City of Moreno Valley	60%	$1,143,558
City of Perris	20%	$381,186
County of Riverside	20%	$381,186
	Total	**$1,905,930**

Table 3: Cost allocation of an advance life support aerial ladder truck

The City's cost for the one ALS ladder truck that is part of the cost share agreement will increase by $40,583; however, the City will also see an increase in payment from the City of Perris and the County of Riverside totaling $27,056, for a net increase to the City of $13,527. The City would be solely responsible for the costs associated with the ALS conversion of the second aerial truck which is $67,639. The total cost to the City for converting both aerial ladder truck companies to paramedic staffing is $81,166. As the City will already be receiving an additional savings of $234,785 to the general fund, this cost could be deducted from that savings, resulting in a net savings to the general fund of $153,619 for this new cooperative agreement and the cost to upgrade to two paramedic aerial ladder trucks.

Description	Amount
Current Contract Savings to the City	$500,531
Cooperative Agreement Savings to the City	$735,316
Increase in savings to General Fund	**$234,785**
Actual Staffing Cost to City for converting both Aerial Ladder Truck to Paramedic Staffing	$81,166
Net Savings to General Fund	**$153,619**

Table 4: Summary of Savings to the City's General Fund

CITY COUNCIL GOALS

Revenue Diversification and Preservation. Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Public Safety. Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

SUMMARY

A cooperative agreement for the cost share of aerial ladder truck personnel between the City of Moreno Valley, the City of Perris, and the County of Riverside will be beneficial to the City as it will result in an increase of savings to the City's general fund of $234,785. This savings can then be utilized to cover the $81,166 staffing cost that the City will incur when converting two basic life support aerial ladder trucks to advance life support aerial ladder trucks. The City will still realize a savings of $153,619 to its general fund and receive an upgrade to the level of emergency medical services provided to its citizens.

COOPERATIVE AGREEMENT FOR THE COST SHARE OF AERIAL LADDER TRUCK PERSONNEL BETWEEN THE CITY OF MORENO VALLEY, THE CITY OF PERRIS, AND THE COUNTY OF RIVERSIDE

This Agreement is made and entered into by and between the City of Moreno Valley, the City of Perris, and the County of Riverside, California on this _____ day of _____, 2012. The purpose of the Agreement is to set forth the parties' understanding of and responsibilities for the cost sharing of aerial ladder truck personnel, consisting of three (3) Fire Captains, three (3) Fire Apparatus Engineers, and six (6) Firefighter II's as well as the administrative/operational per staff charge by the County of Riverside. The total cost of these twelve (12) positions, including the associated administrative charges, will be apportioned amongst all three (3) jurisdictions with the City of Moreno Valley funding 60% of the total personnel costs, the City of Perris funding 20% of the total personnel costs, and the County of Riverside funding 20% of the total personnel costs.

All parties acknowledge that the City of Moreno Valley is in the process of converting both aerial ladder truck companies to Paramedic staffing, which will consist of (3) Fire Captains, three (3) Fire Apparatus Engineers, three (3) Firefighter II Paramedics, and three (3) Firefighter II's per truck company. The City of Perris and the County of Riverside will receive written notice sixty (60) days prior to the date of this implementation. When this occurs, the twelve (12) positions associated with this Agreement will be adjusted to (3) Fire Captains, three (3) Fire Apparatus Engineers, three (3) Firefighter II Paramedics, and three (3) Firefighter II's and will include the allocation of the associated administrative/operational per staff charge by the County of Riverside and the medic program per medic charge by the County of Riverside. The City of Moreno Valley will fund 60% of the total personnel costs, the City of Perris will fund 20% of the total personnel costs, and the County of Riverside will fund 20% of the total personnel costs of those twelve (12) positions.

SECTION I: PURPOSE

A. The County of Riverside has contracted with the City of Moreno Valley, individually pursuant to that certain Cooperative Agreement to provide fire protection, disaster preparedness and response, fire prevention, rescue, hazardous materials mitigation, technical rescue response, medical emergency services, and public service assists for the City of Moreno Valley, dated November 23, 2009, by and between the City of Moreno Valley and the County of Riverside (the "Moreno Valley Cooperative Agreement").

B. The County of Riverside has contracted with the City of Perris, individually pursuant to that certain Cooperative Agreement to provide fire protection, disaster preparedness and response, fire prevention, rescue, hazardous materials mitigation, technical rescue response, medical emergency services, and public service assists for

the City of Perris, dated November 20, 2007, by and between the City of Perris and the County of Riverside (the "Perris Cooperative Agreement").

C. The City of Moreno Valley, City of Perris, and the County of Riverside desire to enter into a cost sharing agreement for the aerial ladder truck personnel which will be of mutual benefit for all involved agencies. The City of Moreno Valley, City of Perris, and the County of Riverside agree that the aerial ladder truck provides service to the City of Moreno Valley as well as to the City of Perris and unincorporated territory of the County of Riverside.

SECTION II: BACKGROUND

On January 17, 2003, the City of Moreno Valley, the City of Perris, and the County of Riverside entered into a cost share agreement for three (3) Fire Captains at Fire Station 91 due to the proximity of that Fire Station to the City of Perris and the unincorporated areas of Riverside County. The City of Perris terminated their participation in that agreement on January 20, 2005 as they were purchasing an aerial ladder truck and would provide their own aerial ladder truck services to citizens of Perris. In February 2006 the County of Riverside agreed to pay the full cost of three (3) Fire Captains in order to continue to receive the benefit of an aerial ladder truck for responses into the unincorporated areas of the County of Riverside that are adjacent to Moreno Valley.

In April 2012, the City of Perris contacted the City of Moreno Valley to re-enter into a cooperative, cost share agreement for aerial ladder truck services as the City of Perris was not able to staff their aerial ladder truck due to current economic conditions. Staff from the Moreno Valley Fire Department researched the calls for service for both Moreno Valley Fire Department aerial ladder trucks as well as examined the cost of associated with having an aerial ladder truck available to respond to calls in all three (3) jurisdictions to determine the actual cost of providing this service and to establish the appropriate share that each jurisdiction should be fiscally responsible for. After a thorough review of the available information, staff determined that the total personnel cost of one (1) aerial ladder truck, consisting of three (3) Fire Captains, three (3) Fire Apparatus Engineers, and six (6) Firefighter II's as well as the administrative/operational per staff charge by the County of Riverside should be cost shared amongst all three (3) jurisdictions, with the City of Moreno Valley funding 60% of the total personnel costs, the City of Perris funding 20% of the total personnel costs, and the County of Riverside funding 20% of the total personnel costs.

SECTION III: ROLES AND RESPONSIBILITIES

Upon adoption of this Agreement, the City of Perris and the County of Riverside each agree to pay the City of Moreno Valley 20% of the total personnel costs associated with one (1) aerial ladder truck, consisting three (3) Fire Captains, three (3) Fire Apparatus Engineers, and six (6) Firefighter II's as well as the administrative/operational per staff charge by the County of Riverside, for a total of 40% of the costs. The roles of each party are defined as follows:

A. As the lead agency, the City of Moreno Valley agrees to maintain a minimum daily staffing level of one (1) Fire Captain, (1) Fire Apparatus Engineer, and two (2) Firefighter II's, seven (7) days a week, twenty four (24) hours a day on the aerial ladder truck which requires a standard staffing level of three (3) Fire Captains, three (3) Fire Apparatus Engineers, and six (6) Firefighter II's to provide this daily coverage. Currently, the City of Moreno Valley contracts with the County of Riverside for fire protection services and the County has the day-to-day operational responsibilities for fire services within the City which includes the administrative and operational function of the aerial ladder truck personnel.

B. The City of Perris agrees to fund 20% of the total personnel costs for one (1) aerial ladder truck, consisting of three (3) Fire Captains, three (3) Fire Apparatus Engineers, and six (6) Firefighter II's as well as the administrative/operational per staff charge by the County of Riverside. Personnel costs are identified annually in Exhibit A of the Fire Protection Services Agreement between the City of Moreno Valley and the County of Riverside. Actual costs for these positions will be invoiced by the County of Riverside to the City of Perris on a quarterly basis. The County of Riverside will then credit this amount in the quarterly invoice issued to the City of Moreno Valley.

C. The County of Riverside agrees to fund 20% of the total personnel costs for one (1) aerial ladder truck, consisting of three (3) Fire Captains, three (3) Fire Apparatus Engineers, and six (6) Firefighter II's as well as the administrative/operational per staff charge by the County of Riverside. Personnel costs are identified annually in Exhibit A of the Fire Protections Services Agreement between the City of Moreno Valley and the County of Riverside. The County of Riverside will invoice the City of Perris on a quarterly basis for 20% of the actual personnel costs associated with one (1) aerial ladder truck and credit that amount to the quarterly invoice issued to the City of Moreno Valley. The County of Riverside will credit their 20% of the actual personnel costs associated with one (1) aerial ladder truck to the quarterly invoice issued to the City of Moreno Valley.

SECTION IV: OWNERSHIP OF THE FIRE ENGINE

The City of Moreno Valley owns the aerial ladder truck and will pay the engine maintenance costs through the cost allocation plan.

SECTION V: INDEMNIFICATION

The indemnification provisions as provided in the respective Cooperative Agreements referenced above, as they are currently in effect or hereafter entered into, shall apply to this Agreement.

Attachment "A"

SECTION VI: INITIAL TERM AND RENEWAL

This Agreement shall be from July 1, 2012 through June 30, 2017. One (1) year prior to the end of this Agreement, the City of Moreno Valley will contact the City of Perris and the County of Riverside to determine whether the City of Perris and the County of Riverside intend to enter into a new agreement. Terms and conditions of the new agreement can be renegotiated at that time.

SECTION VII: GENERAL PROVISIONS

A. ALTERATION OF TERMS. No addition to, or alteration of, the terms of this Agreement, whether by written or verbal understanding of the City of Moreno Valley, City of Perris, the County of Riverside, their officers, agents, or employees, shall be valid unless made in the form of a written amendment to this Agreement, which is formally approved and executed by the City of Moreno Valley, City of Perris, and the County of Riverside.

B. JURISDICTION AND VENUE. This Agreement is to be construed under the laws of the State of California. The City of Moreno Valley, City of Perris, and the County of Riverside agree to the jurisdiction of the appropriate courts in the County of Riverside, State of California.

C. WAIVER. Any waiver by the City of Moreno Valley, City of Perris, or the County of Riverside, separately or collectively, of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term thereof. Failure on the part of the City of Moreno Valley, City of Perris, or the County of Riverside to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof, or estopping the City of Moreno Valley, City of Perris, or the County of Riverside from enforcement hereof.

D. SEVERABILITY. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

E. ADMINISTRATION

1. The COUNTY Fire Chief shall administer this Agreement on behalf of the County of Riverside.

2. The City of Moreno Valley and City of Perris respective City Managers shall administer this Agreement on behalf of its own City.

F. ENTIRE AGREEMENT.

Attachment “A”

This Agreement is intended by the City of Moreno Valley, City of Perris, and the County of Riverside hereto as a final expression of their understanding, with respect to the subject matter hereof and as a complete and exclusive statement of the terms and conditions thereof and supersedes any and all prior and contemporaneous agreements and understandings, oral or written, in connection therewith.

SECTION VIII: TERMINATION

Any party of this Agreement may terminate this Agreement by providing a written notice of termination to the other two parties of this Agreement no less than 365 days prior to July 1 each fiscal year. The termination of this Agreement by either the City of Perris or the County of Riverside only nullifies that jurisdiction's commitment to paying for their 20% allocation of the total personnel costs associated with one (1) aerial ladder truck. The City of Moreno Valley will then be responsible for that jurisdiction's cost. Termination notices will be mailed to all parties at the following addresses:

City of Moreno Valley	City of Perris	County of Riverside
P.O. Box 88005	101 N. D Street	4080 Lemon Street
Moreno Valley, CA 92552	Perris, CA 92570	Riverside, CA 92501
Attn: City Manager	Attn: City Manager	Attn: Chief Executive Officer

This Agreement does not affect any other agreements entered into by or among any or all parties for equipment or facilities.

IN WITNESS WHEREOF, the duly authorized officials of the parties hereto have, in their respective capacities, set their hands as of the date first hereinabove written.

APPROVALS	
BUDGET OFFICER	caf
CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Barry Foster, Community & Economic Development Director

AGENDA DATE: June 26, 2012

TITLE: AUTHORIZATION TO AWARD PROFESSIONAL CONSULTANT SERVICES AGREEMENTS FOR BUILDING & SAFETY PLAN CHECK AND INSPECTION SERVICES TO MULTIPLE VENDORS

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Approve a five year Independent Contractor Agreement with Willdan Engineering for Building & Safety Plan Check and Inspection Services;

2. Approve a five year Independent Contractor Agreement with Scott Fazekas & Associates for Building & Safety Plan Check and Inspection Services;

3. Approve a five year Independent Contractor Agreement with EsGil Corporation for Building & Safety Plan Check Services;

4. Authorize the City Manager to approve the annual purchase orders through the term of the Agreement at the budget amount approved by the City Council during the annual budget process; and

5. Upon approval of the annual purchase order by the City Manager, authorize the Purchasing & Facilities Division Manager to issue the purchase order to each vendor to cover the estimated costs for providing services for the Building & Safety Division for FY 2012/2013 and future years under the Agreement.

BACKGROUND

The Building & Safety Division has used contract services from private firms for over 14 years. Willdan and Melad Associates have been awarded independent contractor agreements to perform plan check and/or inspection services for the City's Building & Safety Division most recently from July 1, 2007 through June 30, 2012. The Building & Safety Division issued a Request for Proposal (RFP) for plan check and inspection services in April 2012 due to the upcoming expiration of the current contract. The RFP was posted on the City's website, advertised in the Press Enterprise and the current contractors were notified of the RFP. The RFP allowed companies to submit for both service areas or only a single service, either plan check or inspection services. All proposals were required to be submitted to the City by May 2.

DISCUSSION

In response to the City's RFP, proposals were received from the following eleven companies:

- Bureau Veritas
- California Code Check
- Esgil Corp (Plan Check only)
- Haier Consulting
- Interwest Consulting Group
- Krazan & Associates
- Melad & Associates
- Onward Engineering
- Scott Fazekas & Associates
- TYR Inc. (Inspection only)
- Willdan Engineering

Between May 7 and May 15, a team of evaluators consisting of the City's Fire Marshal, Land Development Division Manager, Building Inspector II and Building Official reviewed the proposals. Proposals were evaluated on multiple criteria utilizing a point system. The criteria included:

- The company's general experience and qualifications, including depth of staffing.
- The company's length of experience providing services to other local jurisdictions for similar types of projects.
- References from other Building Officials.
- Specialized staffing, such as Professional Civil and Structural Engineers, CasP Accessibility Specialists, Architects and other specialized experts.
- Ability to perform electronic plan review.
- The company's business model and project approach.

Each proposal was evaluated on its individual merit. At the end of the process, the top six companies were awarded points based on their ranking by each evaluator and the ranking from all four evaluators were averaged. Three firms were unanimously awarded the highest scores based on the criteria above.

The proposed contract shall be in effect through June 30, 2015 and then renewed per agreement by both parties in one year increments at the end of each fiscal year for a total period of five (5) years from the date of the agreement. The final year of the contract would be concurrent with the fiscal year ending June 30, 2017. Costs for all services conducted by the vendors will be recovered from the applicant per the City's fee schedule.

ALTERNATIVES

1. Approve a five year Independent Contractor Agreement with three companies for Plan Check and/or Inspection Services; authorize the City Manager to execute an Agreement with each company; authorize the City Manager to approve the annual purchase orders issued to each company and authorize the Purchasing & Facilities Division Manager to issue the purchase order to each company***. Due to the competitive selection process conducted by an inter-departmental evaluation team, the proposed action is believed to represent the highest level of service along with the best value for the City and therefore staff recommends this alternative.***

2. Do not approve a five year Independent Contractor Agreement with three companies for Plan Check and/or Inspection Services; do not authorize the City Manager to execute an Agreement with each company; do not authorize the City Manager to approve the annual purchase orders issued to each company and do not authorize the Purchasing & Facilities Division Manager to issue the purchase order to each company***. Staff does not recommend this alternative. There currently are no staffing positions authorized to provide plan check services for the Division and therefore a new budget appropriation and staffing authorization would be required. In addition, the City Council would need to provide funding to hire additional Building Inspectors to meet occasional workload within the Building & Safety Division to conduct inspections; or provide further direction to staff to obtain services by another means.***

FISCAL IMPACT

The approved budget for the Building & Safety Division (011.45130.6291) for contractual services for Fiscal Year 2012/13 is $ 320,000. Costs for plan check services conducted by outside companies are recovered from the applicant per the City's fee schedule. Costs associated with additional inspection services will be recovered from the issuance of Building Permits and/or payments for overtime or same day inspection services and Time and Material projects.

CITY COUNCIL GOALS

Public Safety. Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

SUMMARY

The Building & Safety Division issued a Request for Proposal for plan check and inspection services in April 2012 due to the upcoming expiration of the current contracts with two companies. An evaluation team consisting of the City's Fire Marshal, Building Official, Land Development Division Manager, and a Building Inspector II reviewed the eleven proposals submitted to the City and awarded the highest evaluation scores to three top firms. As such, staff is recommending that City Council award a five year Independent Contractor Agreement to each of three firms (Willdan Engineering, Scott Fazekas & Associates and EsGil Corp.) for plan check and/or building inspection services.

Federal Tax I.D. Number: 95-2295858

2. **CONTRACTOR SERVICES, FEES, AND RELEVANT DATES**:

A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.

B. Payment terms are provided in Exhibit "B" attached hereto and incorporated herein by this reference.

C. The Contractor Starting Date is July 1, 2012 and the Contractor Ending Date is June 30, 2015. If mutually agreeable, the City and Contractor may extend this agreement in increments of one year, not to exceed a total contract period of five years. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS**:

A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.

B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.

C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].

D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.

E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's negligence, recklessness or willful misconduct in its performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.

F. City Indemnification. The City agrees to indemnify, defend and save the Contractor harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and CSD's employees and all claims which arise from the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused by the negligent acts of the City, Housing Authority and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

G. Insurance Requirements. The Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

The Contractor shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Contractor and the City, the Housing Authority and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Agreement

☒ General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury	$1,000,000 per occurrence/ $2,000,000 aggregate
Property Damage	$500,000 per occurrence/ $500,000 aggregate

☒ Professional Errors and Omission Insurance—such coverage shall not be less than $1,000,000 per claim and aggregate.

☒ Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/CSD/Housing Authority premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

☐ Insurance requirements waived with Risk Manager's approval.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City Risk Manager prior to the execution of this Agreement. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by first class mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by first class mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the City unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The City and the Contractor agree that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

I. Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.

J. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

(b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.

K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractors time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.

L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.

M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

Submitted by:

WILLDAN

Item No. A.12

WILLDAN Engineering

May 2, 2012

City of Moreno Valley
Attn: City Clerk
14177 Frederick Street
PO Box 88005
Moreno Valley, CA 92552

Subject: **Proposal to Provide Building and Safety Plan Check and Inspection Consultant Services - R.F.P.# VAG - 11/12-09**

Dear City Clerk:

Willdan Engineering is pleased to present this proposal to the **City of Moreno Valley** to continue to provide Building and Safety plan check and inspection services. Willdan has been a consistent industry leader for more than 47 years providing all aspects of municipal and infrastructure engineering, including building and safety, public works, public financing, planning, and construction management services.

While our exceptional services are presented in the proposal, listed below are reasons why Willdan is uniquely qualified to provide these services to the **City of Moreno Valley**.

- **Willdan Engineering** has been providing Building and Safety services to the City of Moreno Valley since 1998. Our staff has extensive experience working with the City's procedures and expectations.
- **Willdan Engineering** offers **electronic plan checking** which significantly expedites review and reduces shipping and printing costs for the applicant, and promotes a paperless environment.
- **Willdan Engineering** specializes in providing professional building, engineering, and planning services to municipalities. The firm has been providing building and safety services to cities and counties on a contract basis since 1979.
- **Willdan Engineering** presently provides building and safety services to a vast number of jurisdictions throughout Southern California. In this capacity, we provide a full range of services including building and safety plan review, permit issuance, inspection and code enforcement. We service client needs from an occasional overload plan review to staffing an entire Department.
- **Willdan Engineering** can provide CASp certified inspectors to the City as required by **Senate Bill No. 1608,** specifically **CHAPTER 549.**
- **Willdan Engineering** can provide **OSHPD 3** plan review and inspection services.
- **Willdan Engineering** offers all disciplines the City may require with on-staff personnel. No subconsultants will be needed for any required services.

- **Willdan Engineering** provides no private sector engineering services; therefore there is no conflict of interest.

- **Willdan Engineering** staff will be prepared to attend all required meetings at City Hall either the same day, or within 24 hours notice.

Our approach to each assignment is to furnish the client with technical assistance and strong project management in a professional, efficient and economical manner. We are looking forward to continuing to provide Building and Safety services to the **City of Moreno Valley.** This proposal shall remain valid for a period of ninety (90) days from date of submittal.

Respectfully submitted,
WILLDAN ENGINEERING

Ronald L. Espalin, PE
Director of Building and Safety

FIRM OVERVIEW/QUALIFICATIONS

WILLDAN ENGINEERING has dedicated itself to providing public agencies with reliable engineering and consulting services for more than 47 years. Combining depth of staffing, state-of-the-art technical resources, and local offices rooted in their communities, Willdan Engineering has earned its reputation as a problem solver across a wide range of client interests. We understand the concerns of government agencies – especially those of local government. Our company offers a broad scope of expertise that uniquely qualifies us to serve the needs of cities, counties, and special districts, as well as state and federal agencies.

Since 1964, **Willdan Engineering** has helped revolutionize the way consulting services are provided by local offices. Our regional and satellite offices are strategically located to offer local, focused service to the varied demographics of our public agency customers. Willdan Engineering's lean organization enables staff to efficiently communicate individual project challenges and goals company-wide, thereby utilizing all of Willdan Engineering's resources to deliver the highest quality and most cost-effective product.

WILLDAN ENGINEERING SERVICES

- Building and Safety
- City Engineering
- Capital Program Management
- Construction Management/Inspection
- Development Services/Plan Review
- Environmental/Planning
- Flood Control Design
- Landscape Architecture
- Pavement Management
- Structural Engineering
- Survey/Mapping
- Traffic Engineering
- Transportation Engineering
- Water/Wastewater

Willdan Engineering understands the unique nature of public agency needs and issues. In addition to many of our staff having served in management positions at public agencies prior to joining **Willdan Engineering**, we have numerous assignments with over 60% of the cities and counties in California for building officials, city engineers, planning directors, traffic engineers, and other public agency staff members.

Building and Safety Services

Willdan's experience and strength in building and safety encompasses the complete range of technical disciplines, including, building inspection, grading inspection, accessibility inspection, CASp services, building plan check, and fire-life safety. The inspection and plan check staff maintain current certifications and attends training on a regular basis, to stay current with industry technologies and standards. Specific certifications and education are delineated in staff resumes herein.

This, with our depth of experience, expertise, knowledge and resources, Willdan is able to offer practical solutions that are timely and cost effective, and that will meet the needs of the City of Moreno Valley. The diversity of Willdan's staffs' experience is an added value of our professional services to our clients.

Below is a chart detailing Willdan's Engineering staff by discipline:

California Registered Engineers		California Certified Plans Examiners/Inspectors/Planners	
DISCIPLINE	NUMBER	DISCIPLINE	NUMBER
Civil	56	Building	64
Structural	4	Plumbing	39
Fire Protection	1	Electrical	40
Architect	1	Mechanical	39
Electrical	1	Fire	4
Mechanical	2	Accessibility	58
Landscape Architect	3	Civil	55
Traffic	8	Planner	5

Willdan's corporate-wide capabilities include:

Engineering	
▪ **Building and Safety**	▪ Structural Design
▪ Disaster Recovery	▪ Survey/Mapping/GIS
▪ Landscape Architecture	▪ Traffic Design
▪ Planning	▪ Transportation Design
▪ Program/Construction Management	▪ Water/Wastewater Design

Geotechnical	
▪ Forensic Investigation	▪ Materials Testing
▪ Geotechnical/Foundation Testing/Inspection	▪ Seismic Hazard

Financial Services	
▪ Arbitrage/Rebate	▪ Fiscal Impact Analysis
▪ Cost Allocation/ Study	▪ Utility Rate Analysis
▪ Development Fee Study	

Homeland Solutions	
▪ Infrastructure Protection	▪ Large Event Security
▪ Needs Assessment	

Resource Solutions	
▪ Environmental Assessment/Audit	▪ Soil/Groundwater Investigation
▪ Munitions Investigation	

Energy Solutions	
▪ Demand Side Energy Management	▪ Renewable Resources/Sustainability
▪ Energy Efficiency	

SCOPE OF WORK

PLAN REVIEW SERVICES

Willdan Engineering presently provides Building and Safety services to a number of municipalities and jurisdictions throughout Northern and Southern California. In this capacity, we provide a full range of services including plan review, permit issuance, inspection, code enforcement, counter technician and Building Official services. We service client needs from an occasional overload plan review to staffing an entire Building Division. Willdan has gained a great deal of municipal insight and expertise in serving our extensive clientele over the years. We have performed plan review and inspection on projects ranging from single family residential additions to complex high rise towers (including hotels and casinos), medical facilities and industrial centers. Willdan's plans examiners are ICC certified plans examiners, licensed architects, and registered engineers.

Willdan's experience and strength in building and safety encompasses the complete range of technical disciplines, that is, structural engineering plan check, fire-life safety, electrical, plumbing and mechanical codes, the Title 24 codes, as well as local amendments to the adopted codes. We have extensive experience with the **California Green Building Standards Code.** Willdan staff attends classes and seminars on a regular basis to maintain an up-to-date comprehension of all code requirements.

All building plans will be examined for compliance with the adopted version of the California Building Code, California Residential Code, Green Building Standards Code, California Mechanical Code, California Plumbing Code, California Electrical Code, and the Accessibility, Noise and Energy Conservation requirements as mandated by State Title 24 and all applicable City Ordinances. Plan review for Disabled Access Compliance will include a review of precise grading plans.

All plan check will include compliance with code requirements as well as an overview of the application package for other applicable requirements such as approvals from other local agencies and districts. All plan review will comply with the City's directives, codes and policies. Plan check will include a review of any or all of the following design elements as determined by the City:

Architectural	**Residential**
Fire/Life-safety	**Electrical**
Plumbing	**Energy Conservation Regulations (Title 24)**
Mechanical	**Disabled Access Regulations (CBC)**
Structural	**Green Building Standards**

Willdan staff will either pick up the plans from the City, or have them overnighted to our office at no cost to the City. All plans will be returned to the City either by messenger or overnight delivery at no cost to the City.

Willdan will notify each applicant with two complete typewritten plan check letters which outline the documents reviewed, instructions to the applicant regarding the processing of documents, and a listing of plan check comments. The plan check comments will refer to appropriate sheets, details or calculation pages and the code section of concern. Comments shall specify the apparent code violation. At the City's discretion, plan check comments, plans and documents will be returned directly to the designers until such time as plans are approved.

Our plan checkers will schedule meetings during work hours to discuss and clarify plan check issues with designers, owners and contractors. Resolutions of code issues may also be accomplished by telephone, or meetings prior to resubmitting corrected plans and documents.

Turn-Around Schedule

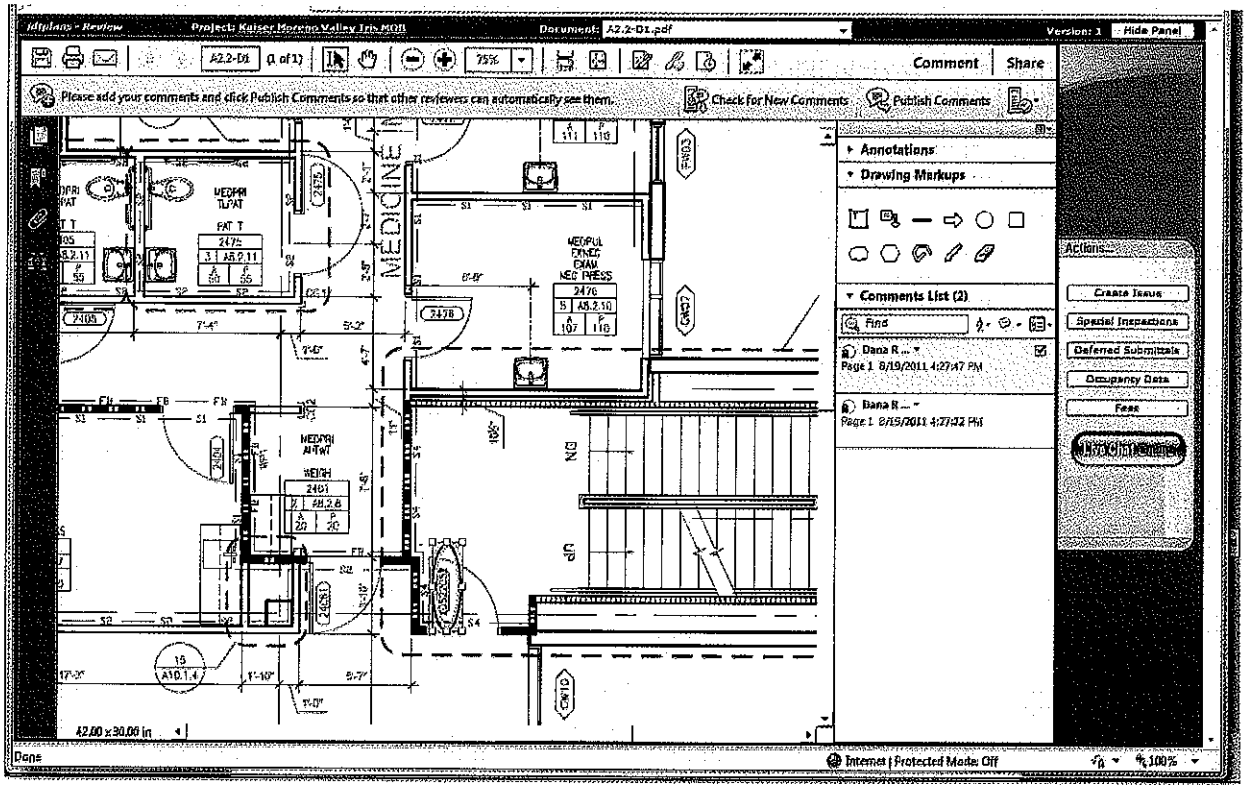
Typical turn-around time for the initial plan check is eight to ten working days, three to five days for rechecks. This schedule is applicable for all types of construction and can be adjusted to serve the City in the most efficient manner. **Expedited plan check will be provided at the request of the City.**

TYPE OF PROJECT	INITIAL PLAN CHECK	SUBSEQUENT PLAN CHECKS
All residential and non-residential	Eight - ten working days	Three - five working days

ELECTRONIC PLAN REVIEW

Willdan has the ability to provide plan review services electronically, **at no additional cost to the City or applicants**. No additional computer software or hardware is required, only an Internet connection is necessary. Services are provided at the request of the applicant or the agency we serve. Submittals are accepted in PDF format. Willdan will review plans and can transmit the electronic redlined plans back to the applicant or designer as directed, electronically along with the plan review comment sheet.

This service allows for collaboration between the City, designer and plans examiner to facilitate a complete understanding of plan review comments and can reduce shipping, printing and time for plan review processing for the applicant. Below is an example of a redlined plan as reviewed in electronic format.



INSPECTION SERVICES

To supplement the current City building inspector on an as needed basis, Willdan can provide certified inspectors to perform building and safety inspections. Our inspectors are fully experienced to perform residential, commercial and industrial inspections for compliance to the approved plans and related documents. The inspections will be performed in accordance with the City's adopted version of the California Building Code, California Residential Code, Green Building Standards Code, California Mechanical Code, California Plumbing Code, California Electrical Code, and the State and Federal regulations for Accessibility, Noise and Energy Conservation.

Inspection staff will be available on a same-day or next-day basis, and will also be available to meet with City staff, builders, developers, and citizens to provide assistance and resolve any inspection issues that may arise.

Inspectors will review the permit package to verify that the on-site condition is consistent with the appropriate records for square footage, setbacks, heights, and other requirements that may be applicable. Inspectors will comply with the City's procedures for reporting inspection results, use City inspection correction forms, make appropriate entries onto the permit documents, and follow City procedures prior to finalizing a building permit.

Willdan will ensure all inspection records, including daily records of what was inspected which will be recorded on the job card, and permit copy entered into the City's Building and Safety Division computer system. We will employ such techniques as necessary to minimize delays to builders and provide helpful advice and counsel to builders, owners, engineers and architects as to enhance the orderly flow of the construction process, yet maintaining an effective level of enforcement.

CASp SERVICES

If required, Willdan can provide CASp certified inspectors to the City as required by **Senate Bill No. 1608,** specifically **CHAPTER 549** which reads as follows:

> *(d) (1) Commencing July 1, 2010, a local agency shall employ or retain at least one building inspector who is a certified access specialist. The certified access specialist shall provide consultation to the local agency, permit applicants, and members of the public on compliance with state construction-related accessibility standards with respect to inspections of a place of public accommodation that relate to permitting, plan checks, or new construction, including, but not limited to, inspections relating to tenant improvements that may impact access. If a local agency employs or retains two or more certified access specialists to comply with this subdivision, at least one-half of the certified access specialists shall be building inspectors who are certified access specialists.*

COUNTER SERVICES

On an as-needed basis, our designated permit technician or inspector will provide counter assistance, permitting and development activities, plan processing, public inquires and other services as needed which can include but is not limited to:

- ✓ Building permit processing and issuance
- ✓ Resolution of resident inquires, complaints
- ✓ Front counter support
- ✓ Plan review monitoring to ensure turnaround times and standards
- ✓ Process Public Records request
- ✓ Maintain records, prepare documents for storage and or imaging;

PERSONNEL

FEE SCHEDULE

Willdan proposes to provide plan review services for seventy-five percent (75%) of the fees collected by the City. **These fees exclude:**

- plan review for large projects with a valuation over $25 million
- revisions to previously approved plans
- single family dwellings
- miscellaneous plans
- room additions
- tenant improvements
- remodels

We propose plan review for these projects to be provided for an hourly rate of $125.

Hourly rates are as follows:

SERVICE PROVIDED	HOURLY RATE
Plan Review (non percent of fee)	$ 125
Project Meetings	$ 125
Inspection	$ 105
Counter Services	$ 60

PATRICK JOHNSON, PE
Plan Check Engineer

Education
University of Iowa, Iowa City, IA Bachelor and Science, Structural Engineering
California State Polytechnic University-Pomona Master of Engineering

Affiliations
ASCE (American Society of Civil Engineers)

Registrations
California Professional Engineer, CE#67960
Arizona Professional Engineer, CE#50435
Colorado Professional Engineer, CE#43704
ICC Plans Examiner, 5280450-60
ICC Building Inspector, 5280450-10

18 Years Experience

Mr. Johnson, a registered Civil Engineer in California, Arizona, Nevada, and Colorado is a Plan Check Engineer for the San Bernardino Office. Patrick has more than 18 years experience in the construction and engineering field. He has more than six years plan check experience with Willdan, and is responsible for structural plan review.

Mr. Johnson's primary focus has been on structural engineering of lightweight commercial, industrial, and residential structures. Since employed with Willdan, he has attended a number of code enforcement and seismic application seminars and has received his Master of Engineering degree, specializing in Structures, from California State Polytechnic University. His extensive experience includes plan checking numerous projects that vary in size and complexity.

Mr. Johnson's previous engineering experience includes the position of a Design Engineer with KLP Consulting Engineers of Centennial, Colorado. In this capacity, he specialized in the design of lightweight commercial, multi and single-family housing. At times he would be called out to the field as a forensic engineer to justify the probable cause of structural damages caused by expansive soils. Mr. Johnson also has engineering experience in the design of variety of transportation projects including single and multi-span bridges, pedestrian tunnels, retaining walls, and concrete box culverts.

Other than residential and commercial timber framed structures, Mr. Johnson has plan checked several tilt up warehouse buildings that range in size up to 2.3 million square feet. He has also plan checked numerous structures consisting of braced and moment frames for lateral resistance, prestressed concrete structures, and multi-story buildings up to 6 stories in height.

ARNE LOVNASETH, RA

Plan Check Architect

Education

Cal Poly Pomona, Bachelor of Science, Bachelor of Architecture

Professional Registrations

California Licensed Architect, #C18833
I.C.C. Plans Examiner #0877794-B3

26 Years Experience

Mr. Arne Lovnaseth, a registered Architect in California, is a Plan Check Architect for the San Bernardino Office. He has 26 years experience in the construction field specializing in design work and plans examining. As a 1983 and 2001 graduate of Cal Poly Pomona his primary focus has been on architectural design of lightweight commercial and residential structures. He has attended a number of code enforcement seminars and currently is compiling a NCARB record for certification nationwide. He has extensive experience in ADA compliance.

During his tenure with Willdan, Mr. Lovnaseth has provided Counter Plan Review services to the City of Redlands, City of Colton, and the March Joint Powers Authority, a redevelopment agency located at March Air Force Base.

Recent plan review projects include:

- **March JPA** - Sysco, 500,000 sq.ft. food processing facility.
- **March JPA** - Fresh & Easy Processing facilities 800,000 sq. ft. complex.
- **City of Loma Linda** - Church addition, 30,000 sq.ft.
- **Moreno Valley** - Chili's Restaurant, 10,000 sq.ft.

Other projects include single and multi-family homes, industrial buildings, commercial warehouses, restaurants, fitness centers, motels, medical facilities and numerous tenant improvements.

Mr. Lovnaseth's previous architectural and plan checking experience includes the position of Senior Plans Examiner for a large Inland Empire City for more than five years. In this capacity, he specialized in the plan checking of lightweight commercial, multi and single-family housing. He supervised a staff of 5 plans examiners and permit technicians, issuing over 3,000 building permits a year.

Prior experience includes project manager at John McInnes Architect in Laguna Beach for five years and job captain at Sumich Design in San Juan Capistrano for eight years.

ICC Certified Mechanical Inspector, #90760

30 Years Experience

Mr. Reed is a Senior Plans Examiner/Deputy Building Official for Willdan's San Bernardino Regional Office. He has more than 30 years of plan review, inspection and construction experience. His extensive experience includes plan review of numerous projects in compliance with the California Building, Plumbing, Mechanical, Electrical, and Fire Codes. Also review of projects under ADA, OSHPD, and Titles 19 & 25.

Examples of recent projects include:

PLAN CHECK

- Barona Casino, valuation $63,000,000
- San Manuel Casino, valuation $45,106,000
- Morongo Casino, valuation $250,000,000
- California State University Student Housing, valuation $7,000,000
- Walgreens Distribution Center, valuation $18,500,000

PLAN CHECK - OSPD III

- Kaiser Support Building, 49,650 SF
- Surgical Center, 6500 SF
- Medical Clinic, 12,000 SF

PLAN CHECK (Fire Review)

- Morongo Casino (alarm system)
- Buena Vista Casino
- Lowes
- Hampton Inn
- Wal-Mart
- San Manuel Village

INSPECTION

- New 100,000 square foot Mercedes-Benz dealership
- New 115,000 square foot K-Mart store
- New 5,000 square foot California Pizza Kitchen

Prior to joining Willdan, Mr. Reed's extensive experience includes plan checking and inspecting industrial and commercial buildings and reviewing plans for compliance with the applicable codes, state and local requirements.

Mr. Reed served the County of Riverside as a plans examiner for the Building Department and as a building inspector for the Cities of Mission Viejo and Laguna Niguel. In this capacity, he reviewed plans for compliance with County and City ordinances, State requirements and codes; he assisted with permit issuance at the public counter, answered technical questions from design professionals and the general public.

JAMES BARRETT, CBO

Project Manager II

Mr. Barrett serves as building inspection manager for the San Bernardino Office. In this capacity, he supervises the Building and Safety Inspection Group and oversees in-house counter technicians. Mr. Barrett has extensive experience in building and safety inspection, code enforcement and plan checking responsibilities. His vast experience includes plan check and inspection of medical research facilities, multi-story office buildings, educational facilities, parking structures, retail outlets, single-family and multi-family residential developments.

Mr. Barrett, a Certified Building Official, has been responsible for complete building and safety operations, that is, front counter operations, permit issuance, plan check, field inspection, and permit coordination with other municipal departments and agencies. His plans examining expertise includes complete fire-life safety building code enforcement, model codes in plumbing, mechanical and electrical as well as the California Building Standard, Title 24 Energy Standards and Accessibility, and ADA requirements. Currently he performs these responsibilities for the City of Loma Linda and the City of Colton.

Relevant Project Experience

City of Colton – Interim Building Official – Oversee city staff, review policy's, provide customer assistance at the counter, prepare monthly reports and perform inspections

City of Loma Linda, Deputy Building Official – Responsible for the day to day building and safety operations, oversee inspection and counter staff provide customer service at the public counter and perform inspections. Also provided inspection management and supervision for various projects including the following:

- Loma Linda University, Centennial Complex, a 150,000 square foot 4 story state of the art medical training facility.
- Loma Linda Academy, gymnasium and education complex.
- Loma Linda University Church Expansion and Renovation

City of Calimesa, Deputy Building Official – over see counter and inspection staff.

City of Canyon Lake, Deputy Building Official - over see counter and inspection staff.

March Joint Powers Authority, Deputy Building Official – Provide inspection management and supervision for various large projects including the following:

- DHL Distribution Center
- Fresh and Easy Food Processing and Distribution Center
- Two Sisters Food Group, Food Processing and Distribution Center
- March Global Port Jet "A" Fuel Farm

26 years Experience

Mr. Patzer, OSHPD and Building Inspector in our San Bernardino Office, has over twenty years of Building and Safety inspection experience. Extensive building inspections include public buildings, commercial and retail construction, medical and educational facilities, single-family dwellings, and multi-family developments. He coordinates with plan check staff, other municipal departments and agencies at the permit issuance stage and when finalizing permits. Most recently he served as an I.O.R for the Casino Morongo Co-Gen Plant, multi level parking structure, high rise hotel tower and casino and the San Manuel Casino, central plant, and multi level parking structure.

Prior to joining Willdan, Mr. Patzer served as Lead Inspector for an engineering firm located in Spring Valley, California. In this capacity, he supervised three inspectors and performed welding and high strength bolt inspection in the field and in the shop. Special projects included the Rancho Los Amigos Hospital in Downey, Riverside County Regional Medical Center, White Memorial Medical Center Market Creek Plaza and Courtyard by Marriot Hotel located in San Diego.

Specific Project Experience

Morongo Band of Mission Indians- Mr. Patzer as Sr. Building Inspector served as an I.O.R. on this project. It consisted of a 29 story hotel tower, 5 level parking structure, 500,000 square foot casino and a 16 delta mega watt co-gen plant.

San Manuel Band of Mission Indians- Mr. Patzer as a Sr. Building Inspector served as an I.O.R. on this project. It consisted of a Casino, a 7 level parking structure and a central plant.

City of Indian Wells- As a Sr. Inspector Mr. Patzer provided all of the California Building Codes inspections for this project. The project was a 6 story addition to the Hilton Grand Champions Resort and Conference Center. He was responsible for ensuring all construction including but not limited to structural, electrical, mechanical and plumbing met the California Codes and approved plans.

City of Fontana- As a Sr. Inspector Mr. Patzer provided supervision of 3 contract inspectors in the City of Fontana. Inspections were performed under the provisions of the California Building Codes. Specifically, Mr. Patzer performed all of the inspections for 3, one million square foot warehouses. Each with a electric service of 1200 AMPS.

Various Special Inspector Assignments- Mr. Patzer performed the Welding and High Strength Bolt Inspections for the following projects: Rancho Los Amigos Hospital in Downey, Riverside County Regional Medical Center, White Memorial Medical Center.

INSTRUCTIONS FOR COMPLETING THIS FORM

The wording of all Jurats completed in California after January 1, 2008 must be in the form as set forth within this Jurat. There are no exceptions. If a Jurat to be completed does not follow this form, the notary must correct the verbiage by using a jurat stamp containing the correct wording or attaching a separate jurat form such as this one which does contain proper wording. In addition, the notary must require an oath or affirmation from the document signer regarding the truthfulness of the contents of the document. The document must be signed AFTER the oath or affirmation. If the document was previously signed, it must be re-signed in front of the notary public during the jurat process.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the jurat process is completed.
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Signature of the notary public must match the signature on file with the office of the county clerk.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different jurat form.
  - Additional information is not required but could help to ensure this jurat is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date. •

Securely attach this document to the signed document

To Whom It May Concern:

Willdan has been providing plan check and inspection services for Building and Safety and Public Works in the City of Grand Terrace for over 12 years. In addition to these services, Willdan is the City Engineer. Their highly qualified staff, attention to detail for all projects, and their unfailing customer service has been a great asset to the City. We consider Willdan as our extended staff and not our consultant.

Personally, I have had the pleasure of working with Willdan not only in the City of Grand Terrace, but also during my tenure as Building Official for the City of Highland.

I highly recommend Willdan to provide Building and Safety services to the City of Moreno Valley. Please feel free to contact me if you would like to discuss their qualifications further.

Sincerely,

Richard Shields, CBO

Re: Letter of Recommendation

To Whom It May Concern:

I would like to take this opportunity to offer a formal recommendation for Willdan Engineering. As the Building Official of the City of Highland I have worked with the Willdan staff on various projects.

Willdan has been the City of Highland's contract Building Division plans reviewer/ inspector services provider since the City incorporated in 1987. Besides providing additional staff, as needed, to assist the Planning and Engineering Department staff on various projects over the years, Willdan developed and implemented the plan review service for the City of Highland Fire Prevention Division in approximately 2004 and has provided Deputy Fire Marshall/Fire inspection services for the last six years.

I have found the Willdan Staff to be well very knowledgeable on the recent code developments and always helpful when problems arise. Construction plans have been reviewed in a consistent timely manner and their staff is dedicated to work with the City's needs.

I believe that Willdan Engineering exhibits many of the qualities that are essential to assisting the city with its continued development, and would highly recommend them for assisting in your city's needs.

Respectfully,

Dale Everman, CBO
Building Official
City of Highland

Reference: Building Services – Reference Letter

It is with great pleasure that I recommend Willdan for consideration in providing Building and Safety Services. Willdan has provided the City of Loma Linda building related services since 1980. Detailed below are the services that Willdan provides to the City of Loma Linda:

- Building Plan Check Services both non-structural and structural services.
- Building Inspection Services
- On-Call Building Services including weekends and holidays
- Building Official and Special/Safety Inspection Services
- Public Works Inspection
- Grading and Engineering Improvements Plan Check Services

We have found that contracting these services to be advantageous and that Willdan is competitive and fare in the pricing of those services.

I have also found the Willdan team to be very flexible and accommodating in meeting the need of the client/city and provide efficient and professional services. Willdan, as a company, has the history and staffing to provide governmental contract services. Should you have any questions, please feel free to contact me at (909) 799-2895.

Sincerely,

Konrad Bolowich
Assistant City Manager

EXHIBIT B

TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed $800,000 per fiscal year.

2. The Contractor will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: http://www.moval.org/do_biz/biz-license.shtml

3. The Contractor will electronically submit an invoice to the City as provided in this Agreement for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services since the last invoice. At no time will the City pay for more services than have been satisfactorily completed and the City's determination of the amount due for any progress payment shall be final. The Contractor will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org

   Accounts Payable questions can be directed to (951) 413-3073.

   Copies of invoices may be submitted to the Community & Economic Development Department at susanc@moval.org or calls directed to (951) 413-3350.

3. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: http://www.moval.org/city_hall/forms.shtml#bf

4. The minimum information required on all invoices is:

   A. Vendor Name, Mailing Address, and Phone Number
   B. Invoice Date
   C. Vendor Invoice Number
   D. City-provided Reference Number (e.g. Project, Activity)

E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the Contractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

This page intentionally left blank.

City of Moreno Valley

INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is made by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon City policies and the following legal citations:

A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and

B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

This Agreement is made and entered into effective the date the City signs this Agreement.

1. **CONTRACTOR INFORMATION**:

Contractor's Name: Scott Fazekas & Associates, Inc.
Address: 9 Corporate Park, Suite #200
City: Irvine State: CA Zip: 92606-5173
Business Phone: (949) 475-2901 Fax No: (949) 475-2560
Other Contact Number: _____
Business License Number: TBD
Federal Tax I.D. Number: 33-0711166

2. **CONTRACTOR SERVICES, FEES, AND RELEVANT DATES**:

A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.

B. Payment terms are provided in Exhibit "B" attached hereto and incorporated herein by this reference.

C. The Contractor Starting Date is July 1, 2012 and the Contractor Ending Date is June 30, 2015. If mutually agreeable, the City and Contractor may extend this agreement in increments of one year, not to exceed a total contract period of five years. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS**:

A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.

B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.

C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].

D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.

E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's negligence, recklessness or willful misconduct in its performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.

F. City Indemnification. The City agrees to indemnify, defend and save the Contractor harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and CSD's employees and all claims which arise from the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused by the negligent acts of the City, Housing Authority and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

G. Insurance Requirements. The Contract or will com ply with the following insurance requirements at its sole expe nse. Insurance co mpanies shall be rated (A M inus: VII—Admitted) or better in Best's Insur ance Rating Guide and shall be legally licens ed and qualified to conduct business in the State of California:

The Contractor shall procure and m aintain, at its sole ex pense, Workers' Compensation Insurance in su ch amounts as will fully comply with the laws of the State of California and which sh all indemnify, insure and provide legal defense for the Contractor and the City, the Housing Authority and CSD against any loss, claim , or dam age arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided for m "Exception to W orker's Compensation Coverage" is signe d, notarized and attached to this Agreement

☒ General Liability Insurance—to protect against loss from liability imposed by law for dam ages on account of bodily injury, includin g death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any a ct or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insuran ce shall be m aintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury	$1,000,000 per occurrence/ $2,000,000 aggregate
Property Damage	$500,000 per occurrence/ $500,000 aggregate

☒ Professional Errors and Om ission Insurance—such coverage shall not be less than $1,000,000 per claim and aggregate.

☒ Liability and Property Da mage Insurance coverage for owned and non-owned automotive equipm ent operated on C ity/CSD/Housing Authority premises. Such coverage lim its shall not be less than $1,000,000 com bined single limit.

☐ Insurance requirements waived with Risk Manager's approval.

A Certificate of Insurance and ap propriate additional insured endorsement evidencing the above ap plicable insurance coverage shall be submitted to the City Risk Manager prior to the exec ution of this Agreement. The Ce rtificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, their officers, em ployees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Mo reno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, em ployees and agents, under any third party liability policy

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the even t the insurance is canceled, the Contractor shall, prior to the cancellation date, subm it to the Risk Manager new evidence of insurance in the amounts established.

H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the cour se of perform ing or otherwise as a result of its work, shall becom e the sole property of the City unless exp licitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in perform ance of this Agreement. The City and the Contractor agree that to the ex tent permitted by law, until f inal approval by the City, all data shall be trea ted as confidential and will not be rele ased to third parties without the prior written consent of both parties.

I. Entire Agreement. This Agreem ent constitutes the entire ag reement between the parties. There are no understandings, agreem ents, or representations of warranties, expressed o r implied, not specif ied in this Agreem ent. This Agreement applies only to the current proposal as attached. This Agreem ent may be modified or amended only by a subsequent written Agreement signed by both parties. Assignm ent of this Agreement is prohibited without prior written consent.

J. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of term ination. Upon receip t of such notice, the Contractor m ay continue work through the date of termination, provided that no w ork or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiv ing any invoice after the date of termination for all non-objected to serv ices performed by t he Contractor in accordance herewith through the date of termination.

(b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.

K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractors time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.

L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.

M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

RE: Proposal for Building & Safety Plan Check & Inspection Consultant Services R.F.P. VAG 11/12-09

Dear City Clerk:

SCOTT FAZEKAS & ASSOCIATES, INC. (SFA) appreciates being considered to provide Plan Review and Inspection Services, as needed, to the City of Moreno Valley. We understand the specific needs of the City and will be able to offer services which are tailored to those needs.

Some of the key features of SFA are as follows:

- Exclusively serving governmental agencies and provides no building design to avoid conflict of interest.
- Excellent staff with municipal experience and public relations skills.
- Strong internal organizational systems and policies to facilitate timely and professional services.
- Excellent references from clients and applicants.
- Questionnaires sent to every applicant to determine satisfaction level enabling refinement of services.
- Timely turnaround.
- Principal of SFA participation in hands-on plan review.
- Internal forms, policies and procedures to achieve tailored services to meet the exact needs of the City.

Credentials include: Structural Engineers, Civil Engineers, Architects, Certified Plans Examiners, Certified Building Inspectors, Certified Building Officials, Fire Protection Engineers, LEED Accredited Professionals and CASp Certification.

I hope the enclosed information is found to be concise and informative. Should additional information be desired in a given area, I would be pleased to provide it. I will look forward to hearing from you to further discuss how Scott Fazekas & Associates, Inc. can serve the City of Moreno Valley.

Sincerely,
SCOTT FAZEKAS & ASSOCIATES, INC.

Scott R. Fazekas, President, AIA, NCARB, CBO, LEED AP, CASp

KEY AGENCY NEEDS

The entire Proposal addresses all the components that as a whole make SFA a high quality solution to the City's needs. Some of the following are highlights which we feel are specifically germane to the RFP.

- **Exclusively serving municipalities** for zero conflict of interest.
- **Fast turnaround times:** Ten (10) working days for initial review; Five (5) working days for rechecks. Seven (7) working days for accelerated reviews.
- **Competitive fees.**
- **Experience of individual plan check staff** in this field.
- **Municipal experience** in building departments and familiarity with all internal & external agency and division needs.
- **Excellent references** by numerous municipalities.
- **E-mail of correction lists** to City for timely communication.
- **Electronic Plan Review** option for plan submittals.
- **Quality Control** measures practiced to insure a quality work product.
-

SFA incorporates several internal procedures which will: **1)** insure better communication with our client agencies and the applicants; **2)** achieve plan reviews which are more consistent with the specific policies and needs of our clients; and **3)** enhance internal organization and processing.

ABOUT THE COMPANY

Scott Fazekas & Associates, Inc. (SFA) is a California Corporation founded by Scott Fazekas in June 1996. It was formed to offer building safety services and as-needed staffing exclusively to governmental agencies. Mr. Fazekas started and managed identical services for a consulting firm over the 11 years prior to forming SFA, with 12 years of prior municipal building safety experience as a City employee.

All of SFA's plan check staff are licensed Structural or Civil Engineers which allows SFA the ability to assign the challenging structural projects to any one of our engineering staff. This expertise allows SFA the ability to balance out workloads and meet obligations without overloading any one engineer.

SFA does not perform any work for the private sector so no conflict of interest can result during our tenure, allowing SFA staff to maintain objectivity in the enforcement of regulations.

SFA's office location is: 9 Corporate Park, Suite 200
Irvine, CA 92606
(949) 475-2901, FAX (949) 475-2560
sfairvine@aol.com

Section 2 - Scope of Services

The following is the itemized Scope of Services which SFA's staff is prepared to provide for the City of Moreno Valley. All are expected to be performed as part of this Proposal. The Scope of Services and the manner in which they are performed will be in accordance with the specific requirements of the City's program.

- Review of plans for compliance with the applicable model codes, local ordinances amending those codes and consistent with local policies and interpretations.
- Prepare written corrections and copy the City on all corrections, if requested.
- Recheck and approval of the final plans after all corrections have been incorporated in the plans and forward to the City with all necessary documents.

SFA has met and frequently exceeds the deadlines of our client agencies. The best reference of SFA's ability to provide the required services in a timely manner is illustrated in our track record which can be supported by our client reference list.

PROJECT MANAGER-LIAISON

SFA recognizes the need to assure an adequate level of commitment by key personnel. SFA will commit the President, Scott Fazekas, as the Project Manager who will see to the proper function of the building plan review process and will also be personally involved in performing services. He will serve as an extension of the City staff, fully capable of providing the necessary services as determined by the City. SFA's availability to the City staff is an essential ingredient. Prompt information on job status will be provided whenever requested.

SFA will also maintain continual documentation and updated information on the status of all plans being processed. Any inquiries regarding the status of plans which have been forwarded to SFA for review can be directed to us to avoid unnecessary research and phone time by City staff. If desired by the City, SFA will copy the City on all correction notices.

BUILDING PLAN REVIEW

Plan Reviews will incorporate the following scope of regulations: Building, Residential, Plumbing, Mechanical, Electrical, Accessibility, Energy and CalGreen Codes.

SFA has LEED accredidation, CBIG Certification and CASp Certifications which may have value to the City.

INSPECTION SERVICES

SFA proposes to suggest a unique method of staffing inspection services. It is more likely aligned with the current economic times and the needs of the City, offering cost savings over traditional consulting services.

Section 2 - Scope of Services

SFA proposes to utilize a sub-consultant staffing agency which will payroll the employees. There are two options which are available to the City.

Option 1

SFA would work with the City to select employees that would meet the qualifications, full or part-time hours and salary range based on the City's needs. We would direct the sub-consultant Apple One Staffing Services to employ them for the City. SFA would invoice the City under SFA's Agreement.

Option 2

Similar to Option 1, however, SFA would not use the staffing company as a sub-consultant. Instead, the staffing service organization would employ the individual selected directly to the City. This saves the City a sub-consultant mark-up by SFA.

Selection of the employee would be by the City. SFA could assist the City in locating candidates or the staffing service organization can provide staff for a cost.

The rates based on multipliers times payroll rate for both of these options are shown in the Fee Proposal Section.

INTERNAL POLICIES AND PROCEDURES OF SFA

Office Hours

SFA's office hours are between 8:00 a.m. and 5:00 p.m. Monday through Friday during which time SFA staff will be available for communication directly with the applicants.

Agency Information Sheet

This form is designed as a starting point for the plan checker to review prior to commencing each project. It serves as a summary of items which may be unique or exclusive to each client such as ordinance amendments, special policies or interpretations, plan routing preferences, contact person(s) in agency, etc. . . This form is often backed up with other documents such as general notes, ordinances, agency checklists or guidelines. This form can easily be updated at any time by simply calling SFA.

Plan Transmittal

SFA will use our U.P.S. or OnTrack account which is paid for and made available for use by City staff for plan delivery purposes. Pre-labeled mail bags are also provided so dispatching plans to SFA is simple and convenient..

When plans are completed they are stamped on every page, signed and forwarded by U.P.S. or courier with a transmittal form directly to the City. The plan transmittal procedure used by SFA eliminates the possibility of the plans being tampered with when being forwarded for permit issuance.

Computer Plan Check Log

Internal tracking is accomplished by a sophisticated computer software that allows for daily tracking of status of each and every plan check and also gives SFA the workload of each engineer. Incoming and outgoing plans are logged into the computer daily which allows us to know the status of a project immediately. This program allows SFA to quickly answer applicants who call wanting to know plan check status of projects. Many other reports are also available and utilized by many of our clients. Reports that show the client all active plans for their City and the status of each can be printed on a weekly basis to show the client the activity of their projects. Weekly status reports are also printed for internal tracking of performance on turnaround times.

Additionally, SFA has a Daily Scheduling Report which monitors each plan checker's workload and plan review due dates. This is an essential ingredient in meeting our turnaround times.

Correction Lists

The plan review staff have a variety of correction lists, supplemental lists and guidelines for use as deemed appropriate on each individual project. Should the City require use of their standard correction lists, SFA can easily accommodate this by maintaining copies in our Agency Correction List File and referencing their use on our Agency Information Sheet which all plan check staff reference at the beginning of each review. Two copies of the correction lists are developed and attached to the plans along with a transmittal form.

When plans are completed, they are stamped on every page, signed and forwarded by U.P.S., OnTrack or courier with a transmittal form directly to the City. The plan transmittal procedure used by SFA eliminates the possibility of the plans being tampered with when being forwarded for permit issuance.

A list of all required plan corrections will be typed on SFA's Correction Lists and will be submitted to the City.

Transmittal Form

SFA's Transmittal Form is tailored for use specifically with building plan checks. Besides serving to document enclosures, it serves as a good communication tool to alert the permit technician of a number of things which are critical at the permit issuance stage. Some examples are: **1)** when special inspection is required; **2)** when another agency approval is necessary; **3)** if the building official was involved in an interpretation and should be given a chance to review the project; and **4)** if additional review fees are due as well as a number of other topics.

Questionnaire

SFA sends a Questionnaire to each applicant with the initial plan check comments for optional use after the plans are approved. This insures that the designer who worked with SFA is given the opportunity to comment. This helps by soliciting feedback on the services provided by SFA customers of the building departments which are entrusted to SFA. The comments received are forwarded to the client agency. This process makes the plan checker aware that the company values a professional attitude, sends a message to applicants that we care about providing professional services, and lastly, it informs the client agency about the service level SFA is providing.

SFA's goal is to provide consistent, timely and professional services geared to the needs of each client agency. We want to be considered an extension of your agency's staff; not providing generic services but services which are an integral component with our client's departmental operations. A copy follows in the Appendix.

Section 3 - Methodology/Approach

Timely Performance

SFA will strive to maintain efficient turnaround times on all reviews since this is largely a measurement of our performance. It is one of the categories on our questionnaire which is given to our applicants. **The maximum turnaround time for initial reviews will be ten (10)) working days.** Extremely large or complex structures would be as agreed upon with the City's Building Official in advance. **Rechecks will be done within five (5)working days. Accelerated plans will be reviewed in seven (7) working days.**

Every effort will be made to accommodate any fast track plan check schedules that might come about in the City. Special scheduling needs or provides of unique scope would be as agreed upon with the City. SFA prides ourselves on meeting the needs of our client agencies.

SFA will accommodate preliminary reviews to facilitate more on-track projects at the time of the formal submittal for plan check when requested by the City staff. This will aid in timely turnaround times as well as good public relations.

Quality Control

Quality control is achieved through implementation of internal policies and a philosophy which produces a work product that is recognized as professional, consistent, service-oriented, technically accurate, and tailored to each client agency's needs. In addition to our listed policies and procedures, SFA has instituted four internal practices: **1)** Regular staff meetings with all plan check staff; **2)** Applicant Questionnaires on all projects to monitor service level, **3)** Tracking of turnaround time reports, **4)** Employ a philosophy of retaining experienced staff and 5) Attendance at seminars as needed.

Conflict of Interest

Reputation of the City's consultant reflects upon the City. In addition to technical and administrative quality, the perception that the consultant is objective and free from any conflict of interest is critical. Not only does SFA decline doing any private work within the jurisdiction of the City of Moreno Valley, but we decline private, non-municipal work anywhere. Additionally, even our plan check staff are prohibited from doing any work outside of their employment with SFA that could cause a conflict of interest.

Interaction with Applicants

To summarize, SFA's approach involves courtesy, responsiveness, communication, technical thoroughness, convenience and follow-up on service level.

Section 4 - Qualifications/Experience

PERSONNEL QUALIFICATIONS

Principal
Scott R. Fazekas, President, SFA
Registered Architect, CA, C-019013, NCARB, Colorado, Nevada
28 years managing municipal building safety consulting services
40years working in building safety divisions
Certified Building Official, I.C.C.
Certified Plans Examiner, I.C.C./Calbo
Certified Building Inspector, I.C.C./Calbo
LEED AP
Certified Access Specialist, CASp

Mr. Fazekas as President of SFA is authorized to bind the company to the terms and conditions contained in this Proposal and states that the terms are valid for 90 days from the date submitted.

Associates
Ganesh Rao, Plan Check Engineer
Registered Structural Engineer, CA, S-4471
10 Years Design Experience
16 Years Plan Review Experience

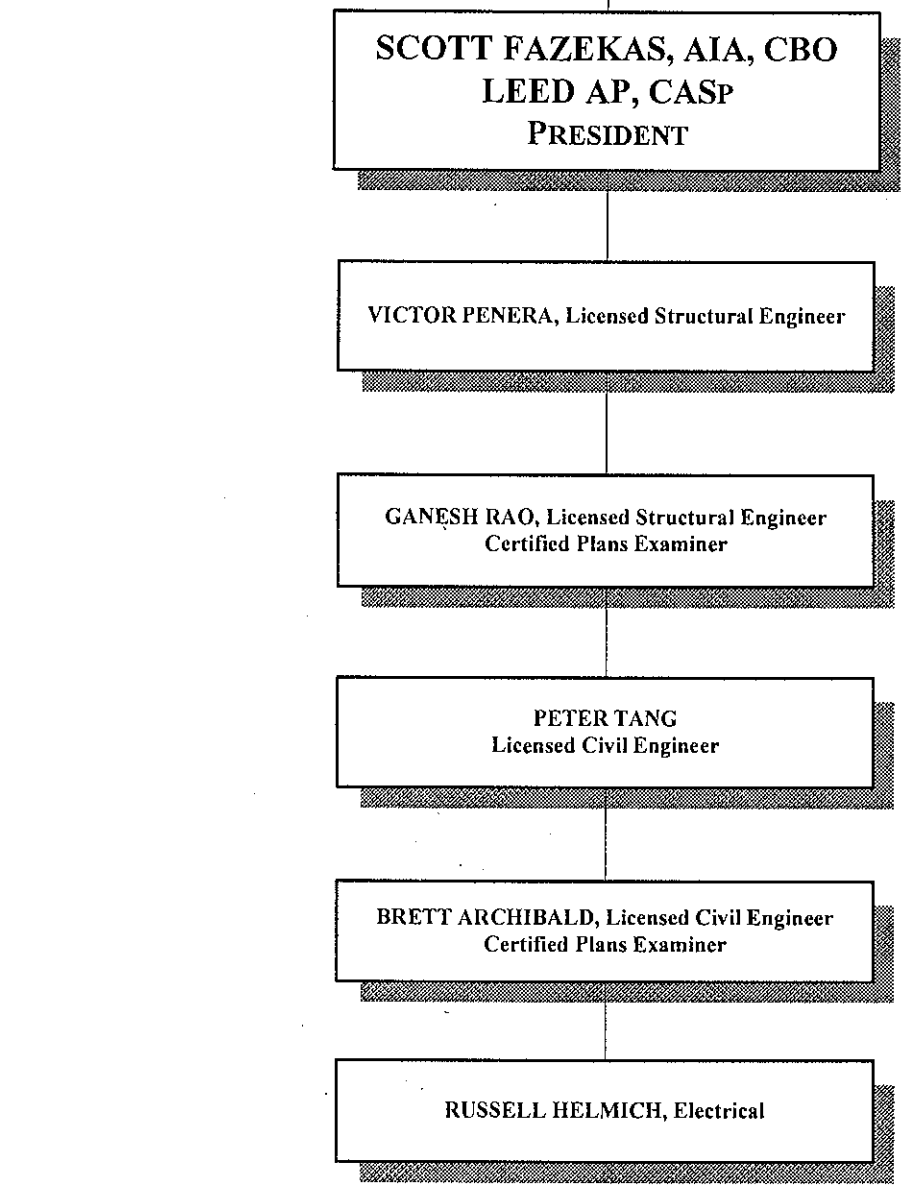
Vic Penera, Plan Check Engineer
Registered Structural Engineer, CA, S-2083
Certified Plans Examiner, I.C.B.O.
24 Years Municipal Safety Departments
15 Years Private Municipal Consulting

Brett Archibald, Plan Check Engineer
Registered Civil Engineer, CA
Certified Plans Examiner, I.C.C.
Bachelor of Science in Civil Engineering, SDSU
Build It Green Certification, CA
Certified Access Specialist, CASp

Peter Tang, Plan Check Engineer
Registered Professional Engineer, CA

Russ Helmick, Electrical Plans Examiner
He worked as Chief Electrical Inspector with the City of Irvine and now works for SFA. Russ also serves on NFPA code development and has taught electrical classes nationally for both NFPA and local ICC chapters.

CITY OF MORENO VALLEY
PLAN CHECK & INSPECTION SERVICES RFP #VAG=11/12-09
ORGANIZATION CHART



Section 4 - Qualifications/Experience

SFA'S EXPERIENCE

SFA currently provides building safety services for the following jurisdictions:

Anaheim	Indian Wells	Santa Rosa	San Dimas
Arcadia	Garden Grove	Norwalk	San Fernando
Beaumont	Huntington Beach	Ontario	Santa Ana
Cathedral City	Irvine	Palm Desert	
Corona	Laguna Woods	Pasadena	
Costa Mesa	Lake Elsinore	Perris	
Pico Rivera	La Habra Heights	Rancho Palos Verdes	

SFA has performed tens of thousands of plan reviews which have included every type of construction and occupancy group in the building spectrum. We have also encountered many unique administrative policies and processes in working with the building officials in our client jurisdictions which may have arisen due to tight project scheduling, application of alternate design methods or simply due to unique project characteristics. If additional information on plan check references is desired, SFA will be glad to accommodate such a request

Section 5 - Proposed Fee

SFA proposes to charge for plan check at a rate based on the percentage of the plan check fee collected by the City and on an hourly basis for services not subject to the Fee Schedule.

1. Fees for plan check are proposed at 50% of the City's plan check fees. For tracts, a rate of 80% of the City's plan check fee is proposed.

2. An hourly rate of $110 is proposed for projects which are selected for the City's large projects program, currently defined as those exceeding 25 million and offered only to select clients.

3. Hourly plan check fees not otherwise covered by the City's Fee Schedule are proposed at $110.00.

4. Expedited reviews, when requested by the City are proposed at 125% of the regular rate.

SFA proposes to charge for inspectors as follows:

Option 1

Full-time employee with benefits billed through SFA's Agreement would be payroll times 1.81.

Option 2

Full-time employee with benefits billed directly from the staffing service payroll times 1.45.

For example, a $25.00/hour employee would be charged at $45.25 and $36.25 for Options 1 and 2, respectively.

These rates are based on the Staffing Service not being required to find and select the employee and would be contingent upon the City finding and selecting the employee.

If the Staffing Service is requested to find the employees, rates of 1.94 and 1.55 would be charged, respectively.

Building Permit Fees

1997 Uniform Administrative Code fees

Building Plan Check Fees

When building plans are required by the Building Official, plan check fees shall be equal to the building permit fee (100%) and shall be paid at the time of submitting plans, excluding the permit issuance fee.

Electrical Permit Fees

1997 Uniform Administrative
Code fees

Note: An Electrical Permit Fee is separate from, and in addition to, the fee for any other permit which may be required by other code provisions.

Electrical Plan Check Fees

Whenever electrical plans are required by the Building Official, plan check fees shall be equal to the electrical permit (100%) and shall be paid at the time of submitting plans, excluding the permit fee.

Mechanical Permit Fees

1997 Uniform Administrative
Code fees

Note: A mechanical permit fee is separate from, and in addition to, the fee for any other permit, which may be required by other code provisions.

Mechanical Plan Check Fees

Whenever mechanical plans are required by the Building Official, plan check fees shall be equal to the electrical permit (100%) and shall be paid at the time of submitting plans, excluding the permit fee.

Plumbing Permit Fees

1997 Uniform Administrative
Code fees

Note: A plumbing permit fee is separate from, and in addition to, the fee for any other permit, which may be required by other code provisions.

Plumbing Plan Check Fees

Whenever plumbing plans are required by the Building Official, plan check fees shall be equal to the electrical permit (100%) and shall be paid at the time of submitting plans, excluding the permit fee.
(100%) and shall be paid at the time of
submitting plans, excluding the permit fee.

Pool and Spa Permit Fees

1997 Uniform Administrative
Code

Pool and Spa Plan Check Fees

Whenever specific plans are required by the Building Official, plan check fees shall be equal to the electrical permit (100%) and shall be paid at the time of submitting plans, excluding the permit fee.

Note: These fees do not include the permit fees for any parts of the pool and spa system which are subject to the requirements of other applicable codes.

Miscellaneous Fees

Minimum Permit Fee	Each	$ 123.00
Permit Issuance	Fee	$ 32.00

Investigation Fees

For work that is under construction for which no permit has been obtained, the investigation fee shall be equal to the value set forth in this Resolution for permit fees (building, electrical, mechanical, plumbing, etc). Plan check fees may be assessed as directed by the Building Official.

Research/Administration Fee		
First 15 minutes		No charge
Each additional 30 minutes or fraction thereof		$ 32.00
Re-inspection fees approved by the Building Official	per Hour	$ 150.00
Inspections for which no fee is specifically identified	per Hour	$ 150.00
Additional plan review required by changes, additions or revisions to approved plans or incomplete plan check re-submittal after 3 reviews	per Hour	$150.00
Inspection outside of normal business hours (2 hr min)	per Hour	$ 150.00 * *
* Or the fully burdened hourly rate cost to the City, whichever is greater		
Premium Inspection - During business hours (Inspection provided within 2 hours after payment)	per Hour	$ 150.00

Certificate of Occupancy Inspection	Each	$ 180.00

PLAN REVIEW SERVICES

SFA proposes to charge a rate based on a percentage of the plan check fee collected by the City and on an hourly basis for services not subject to the Fee Schedule.

1. Fees for plan check are proposed at 45% of the City's plan check fees. For tracts, a rate of 80% of the City's plan check fee is proposed.

2. An hourly rate of $110 is proposed for projects which are selected for the City's large projects program, currently defined as those exceeding 25 million and offered only to select clients.

3. Hourly plan check fees not otherwise covered by the City's Fee Schedule are proposed at $110.00.

4. Expedited reviews, when requested by the City are proposed at 125% of the regular rate.

INSPECTIONS SERVICES

SFA proposes to charge for inspectors as follows:

Option 1

Payroll rate x 1.81 for F.T.E. with benefits. See Proposal for elaboration.

Option 2

Payroll rate x 1.45 for F.T.E. with benefits. See Proposal for elaboration.

ADDENDA ACKNOWLEDGMENT

The undersigned acknowledges receipt of the following ADDENDA and the cost, if any, or such revision has been included in the TOTAL BID of the Bidding Schedule(s). If NONE, WRITE "NONE" ON THE FIRST LINE.

Subject: Letter of Recommendation for Scott Fazekas & Associates

Dear Ms. Garcia:

It is a pleasure to write this letter of recommendation for Scott Fazekas & Associates, Inc. (SFA) as you requested in you RFP for Building & Safety Services. I, Kevin Shear, am the Building Official for the City of Ontario and have served in this capacity for 13 years. I have worked in a number of Building and Safety Departments for over 30 years, and have used SFA to provide plan check services for approximately 17 years.

I have found their services to be exemplary and the staff to be both knowledgeable in their profession and cordial with both the public and City staff. I have always been able to depend on SFA to provide consistent, quality services with speed, accuracy, and professionalism.

Sincerely,

Kevin Shear
Building Official

Subject: Letter of Recommendation for Scott Fazekas & Associates, Inc

Dear Ms. Garcia:

I have worked with Mr. Scott Fazekas for a number of years and I'm pleased to write this letter of recommendation for Scott Fazekas & Associates, Inc. (SFA) for Building & Safety Services.

I am currently the Assistant Director of Development Services for the City of Perris and have worked in various capacities within the Building and Safety field for over 24 years. Through the years SFA has been on contract with many of the Cities I have been with, to include securing his services in my capacity of Building Official in order to expedite and streamline the plan check process within the City. I have found his services to be dependable, efficient and knowledgeable in building code review. It is because of this established track record that that we are able to recommend this firm as an asset to any Building Department.

I would be more than happy to discuss SFA in more detail should you desire.

Sincerely,

Rene Avila
Assistant Director of Development Services

Subject: **Letter of Recommendation for Scott Fazekas & Associates, Inc**

Dear Ms. Garcia:

I'm pleased to write this letter of recommendation for Scott Fazekas & Associates, Inc (SFA) as requested in your RFP for Building & Safety Services. I am the Building Official for the City of Costa Mesa. I have worked in building safety departments for over 31 years and have used SFA's services for approximately 17 years.

The services provided by SFA have always been accurate and on time. The staff of SFA has worked well with the public and has become a valuable resource for the City of Costa Mesa.

If you would like to discuss this matter further, please e-mail me at: keith.clarke@costamesaca.gov or call me on my cell phone at: 951.963.6000.

Keith Clarke – Building Official, City of Costa Mesa

EXPERIENCE

Mr. Fazekas is President of Scott Fazekas & Associates, Inc. (SFA) which provides building official, building plan check and building inspection services to governmental agencies. He has interfaced with architects, engineers, designers, contractors, plan checkers, inspectors, developers and building owners to achieve code compliant building construction through the application of local, state, and federal codes and regulations.

Mr. Fazekas has plan checked buildings which encompass the full spectrum of building types and occupancy groups and has served as building official for fourteen jurisdictions through long term and interim contract arrangements. He has also contributed to both the design and code enforcement professions by regularly lecturing at code-related seminars and classes. He served six years on the American Institute of Architects Building Performance and Regulations Committee where he monitored the ANSI A117.1 Disabled Access Standards. He also served four years on I.C.B.O.'s General Design/Structural Review Committee and on the Orange Empire Chapter of I.C.B.O.'s Code Change Committee.

Mr. Fazekas has 40 years of progressive experience working in and for building departments. Prior to starting SFA, he was employed by BSI Consultants, Inc. as a Senior Vice President and Division Manager of the Building Safety Division. He was responsible for starting, developing and managing the Building Safety Division for 11 years. During that time he served as building official in California and Washington jurisdictions and oversaw plan review services for more than one hundred client agencies. He also founded and served as President of Employment Systems Inc., which was a corporation dedicated to municipal staffing needs. Before his term with BSI, he spent 13 years working for the building divisions in the Cities of Newport Beach and Costa Mesa where he worked his way through all levels in the departments from clerk to permit technician, inspector and plan check engineer.

EXPERIENCE

After completing 30 years of service with the City of Los Angeles, Mr. Penera retired in April , 2000 and immediately joined SFA as a member of its plan check engineering staff.

Having worked four years in the Department of Public Works and 26 years in Building and Safety with the City of Los Angeles, Mr. Penera has substantial experience in both design and plan checking of structural systems. In the 26 years he spent with LA Department of Building and Safety, he plan checked a wide spectrum of structural systems, occupancies and uses; from simple, wood-frame, single family room additions to complex, high-rise, steel office buildings.

During the last three years of his career with Los Angeles Department of Building and Safety, Mr. Penera served as the Deputy Superintendent of Building in charge of the Engineering Bureau. As Chief of the Engineering Bureau, Mr. Penera oversaw a staff of 175 engineers, technicians and clerical staff responsible for the checking for compliance of state and local regulations related to building, electrical, plumbing, mechanical and zoning issues.

Mr. Penera was active in the development of the first International Building Code (IBC). For one year he served on the Steering Committee for the development of the first draft of the IBC and for two years served as Chairman of the Structural Subcommittee to draft the structural engineering chapters (Chapters 16-26) of the proposed IBC.

EXPERIENCE

Mr. Rao has been a building plan check engineer in SFA's Irvine office since 1998. He reviews both commercial and residential plans for compliance with model codes and local ordinances. He has a total of 23 years of progressively involved engineering experience.

Prior to his employment with SFA, Mr. Rao has spent eight years in the design field with experience in California, Nevada and Hawaii designing wood, steel concrete and post-tensioned low, mid and high-rise structures. Occupancies which he has performed design work for have included retail, medical, office resort, bridge, industrial, schools, parking structure and hanger facilities.

Mr. Rao has experience in a variety of geographic regions. His design experience includes projects in California, Nevada, Washington, Oregon, Hawaii and the Territory of Guam. His plan review experience has been in California, Nevada and Colorado. Mr. Rao has reviewed plans for code compliance, residential, tenant improvement, low to mid-rise, tilt-up warehouses, etc. Projects included a three-dimensional finite element analysis of space frame for a mall in the Territory of Guam, Disney Building in Burbank utilizing "Waurch" moment connections, seismic retrofit of Mattel Distribution Center, an aircraft hanger and Sony Technology Center in San Diego. Projects also included design and detailing of antenna structure ranging from 30 feet monopole to 400 foot latticed tower.

EXPERIENCE

Mr. Tang has been a plan check engineer in SFA's Irvine office for seven years. He reviews both residential and commercial plans for compliance with model codes and ordinances. With a background in forensic investigations on wood-framed structures, he is particularly well versed in wood structures.

Over a sixteen year period, Mr. Tang has been exposed to a variety of engineering design assignments with three different structural design firms. He was employed by Seismic, Inc. in Pomona, Ficcadenti & Waggoner Structural Engineers in Irvine, and John A. Martin Structural Engineers in Los Angeles prior to his employment with SFA.

Mr. Tang has been an excellent supervisor to junior plan checkers in the area of wood framing. His expertise in rack design has also made him a valuable resource in the review of increasingly large rack systems.

Mr. Tang was a project designer on Fresno State's Savemart Center, a steel and concrete sports area; the Pacific Grand Resort, a steel conference center in Huntington Beach; the Westpart Tiempo Community in Irvine, a seismic retrofit of homes; and the Casa Gateway Condos in Pacific Palisades, a seismic evaluation of 3-story homes.

EXPERIENCE

Mr. Archibald is one of SFA's professional staff in our Irvine office. He has ten years of experience with SFA reviewing both residential and commercial projects. He is assigned as liaison to the City of La Habra Heights where he has set times to coordinate with City staff.

Mr. Archibald has experience in plan checking a variety of projects including single and multi-family housing, tenant improvements, seismic retrofits, tilt-up warehouses, etc. These projects involved structural systems such as wood framing, light gauge steel, moment frames, cantilever columns, concrete and masonry.

Mr. Archibald has also been instrumental in helping to establish tailored documentation for some of SFA's newer clients or clients which are modifying procedures or policies. His computer skills have assisted in the coordination of SFA processing with the needs of our clients.

Mr. Helmick currently provides specialized consulting electrical plan reivew for all types of commercial and industrial buildings for SFA. He is responsible for reviewing electrical plans for various municipalities and consults with staff on electrical code.

Prior to joining SFA, Mr. Helmick was an Inspection Supervisor and Chief Electrical Inspector with the City of Irvine. In his thirty years with the City, he supervised and trained a team of electrical inspectors; performed difficult, special and complex inspections; and resolved complaints and disputes. He was available to interpret code to laymen, contractors, architects and others as necessary.

During his tenure with the City of Irvine, Mr. Helmick was an instructor at Saddleback Community College for twenty years teaching electrical code and inspection; building code and law; Contractor's License Law, Construction Inspection and Energy Management. He has taught electrical seminars for IAEI and ICBO since 1991. He also serves on NFPA's Electrical Code Development Committee.

JOY FAZEKAS 4/30/12 Date

EXHIBIT B

TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed $800,000 per fiscal year.

2. The Contractor will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: http://www.moval.org/do_biz/biz-license.shtml

3. The Contractor will electronically submit an invoice to the City as provided in this Agreement for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services since the last invoice. At no time will the City pay for more services than have been satisfactorily completed and the City's determination of the amount due for any progress payment shall be final. The Contractor will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org

   Accounts Payable questions can be directed to (951) 413-3073.

   Copies of invoices may be submitted to the Community & Economic Development Department at susanc@moval.org or calls directed to (951) 413-3350.

4. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: http://www.moval.org/city_hall/forms.shtml#bf

5. The minimum information required on all invoices is:

   A. Vendor Name, Mailing Address, and Phone Number
   B. Invoice Date
   C. Vendor Invoice Number
   D. City-provided Reference Number (e.g. Project, Activity)

E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services perfor med and rates, explicit portion of a contract amount, or detailed billing infor mation that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the C ontractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

City of Moreno Valley

INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is made by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon City policies and the following legal citations:

A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and

B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

This Agreement is made and entered into effective the date the City signs this Agreement.

1. **CONTRACTOR INFORMATION**:

Contractor's Name: EsGil Corporation
Address: 9320 Chesapeake Dr., Suite 208
City: San Diego State: CA Zip: 92123
Business Phone: (858) 560-1468 Fax No.: (858) 560-1576
Other Contact Number: (800) 983-7445
Business License Number: TBD
Federal Tax I.D. Number: 95-3444018

2. **CONTRACTOR SERVICES, FEES, AND RELEVANT DATES**:

A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.

B. Payment terms are provided in Exhibit "B" attached hereto and incorporated herein by this reference.

C. The Contractor Starting Date is July 1, 2012 and the Contractor Ending Date is June 30, 2015. If mutually agreeable, the City and Contractor may extend this agreement in increments of one year, not to exceed a total contract period of five years. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS**:

A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.

B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.

C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].

D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.

E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.

F. City Indemnification. The City agrees to indemnify, defend and save the Contractor harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, Housing Authority's and CSD's employees and all claims which arise from the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused by the negligent acts of the City, Housing Authority and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

G. Insurance Requirements. The Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be

rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

The Contractor shall procure and maintain, at its sole expense, Workers' Compensation Insurance in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Contractor and the City, the Housing Authority and CSD against any loss, claim, or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Agreement

☐ General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury	$1,000,000 per occurrence/ $2,000,000 aggregate
Property Damage	$500,000 per occurrence/ $500,000 aggregate

☐ Professional Errors and Omission Insurance—such coverage shall not be less than $1,000,000 per claim and aggregate.

☐ Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/CSD/Housing Authority premises. Such coverage limits shall not be less than $1,000,000 combined single limit.

☐ Insurance requirements waived with Risk Manager's approval.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City Risk Manager prior to the execution of this Agreement. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

> Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community

Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the City unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The City and the Contractor agree that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

I. Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.

J. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

(b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.

K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractors time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.

L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.

M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

ESGIL CORPORATION

Plan Review Services

A. INTRODUCTION

1) Methodology/Approach

Plan Control Logs

When plans are received at EsGil, they are reviewed for completeness of submittal, and then logged into our network tracking system. **Attachment "A"** is a sample report from our log system. Our staff enters project information into our database within 24 hours of arrival. Target times and maximum completion times are assigned for each plan review discipline. This information is transferred to a plan check assignment list with completion deadlines as listed in the contract.

The assigned Plan Review Engineer coordinates his/her review with the other plan check disciplines (electrical, mechanical, energy, fire, disabled access) to ensure good communication and coordination of listed deficiencies. EsGil Corporation assures that corrections are communicated as quickly and as clearly as possible. Our goal is to help the applicant through the plan review process. All corrections are identified based on compliance with specified codes and regulations.

Checklists

We have an extensive plan check library that covers all aspects of engineering, code interpretation and legal aspects of plan review. We have all plan review lists on a computer network that allows us to be very user friendly and responsive to the designers, as well as our client building officials. Our checklists have been tailored for each client. **Attachment "B"** is sample building correction list.

Plan review engineers follow the checklists for their reviews. They add to or modify any item on the checklist at their work station and then print out a list showing only those items where deficiencies were found to exist on the plans. All documents shall be provided in a format desired by the City. Copies of the checklists are then sent to the City and/or the applicant and design team via mail, fax or e-mail.

Quality Control / Supervision

Quality control and supervision of plan review staff are accomplished by having all staff in a single location, a clearly defined organization and having management and supervisory decision-makers immediately available to oversee reviews and answer questions. Oversight reviews are made by supervisors as needed to ensure quality control.

Billing Process

Each month, a detailed billing is sent to the City which shows each project reviewed. This billing will also show the turnaround times and other pertinent information. Please see **Attachment "C"** for a sample copy of our invoice.

Applicant Appeals

In cases where an applicant wishes to appeal a decision made by our staff, it will first be reviewed by a supervisor. If the issue still cannot be resolved, the City Building Official will be contacted and a summary of the issue presented. Our staff will then take guidance from the Building Official's decision.

Customer service is a priority for EsGil. Our staff is committed to working with the public to ensure the health and safety of each jurisdiction's community while making the regulatory process understandable, user friendly and reasonable.

2) Proposing Firm

Name:	EsGil Corporation
Mailing Address:	9320 Chesapeake Drive #208 San Diego, CA 92123
E-mail:	mail@esgil.com
Telephone:	(858) 560-1468
Fax #:	(858) 560-1576

3) Project Manager and Staff

Plan reviews for the City will be managed by Chuck Mendenhall, Vice-President of EsGil Corporation. Mr. Mendenhall is a California licensed Civil and Structural Engineer, and has over thirty-five years of building inspection department experience. Chuck will provide all liaisons with City staff and will be available to respond to any designer challenges of plan review items. Kurt Culver, P.E., S.E. will assist and provide back-up for Chuck. Please see **Attachment "D"** for resumes of the principals and **Attachment "E"** for a list of all professional staff that will be assigned to Moreno Valley plan reviews.

4) Team Members

EsGil has the depth of staff available to commit to the workload identified in your RFP. Our staff includes licensed structural engineers, licensed civil engineers, mechanical engineers, electrical engineers, I.C.C. certified building and fire plans examiners and I.C.C. building and fire certified inspectors. We also have CASp and LEED Certified Plans Examiners. All EsGil plan review engineers are I.C.C. Certified. **Attachment "E"** lists our key personnel with their license numbers, certifications, credentials and areas of responsibility.

B. QUALIFICATIONS

EsGil Corporation is a specialized firm that has provided full-service building and fire plan review, inspection and permit processing services to city, county, tribal and state agencies for over 30 years. We have provided building and fire reviews for projects having a valuation in excess of 60 billion dollars. Projects include high-rise buildings, residential projects, tenant improvements, remodels, regional shopping centers, hotels, resorts, hospitals, sports arenas, detention facilities, police stations, fire stations, city halls, libraries, schools, industrial facilities, hazardous occupancies, trash recycling, essential facilities, unreinforced masonry seismic upgrades and casinos.

We understand the Building Official's role. The two corporate founders of EsGil formerly served as Director and Deputy Director of the San Diego County Building Inspection Department. The corporation presently operates the full building inspection departments and also serves as the Building Official for the cities of Del Mar, Encinitas, Lemon Grove, Poway, Santee and Solana Beach. Responsibilities include providing on-site staff for the public counter, inspection, supervision, in addition to plan check in both the City offices and at our local office. The National City and Coronado Building and Fire Departments also utilize our full-service plan check, inspection and permit processing services. Please see **Attachment "G"** for our Client Reference Sheet.

Through EsGil Corporation, client cities share with other jurisdictions a full-depth of highly trained professionals. Our highly-credentialed plan check engineers assist with reviewing state-mandated structural, plumbing, mechanical, electrical, disabled access, fire, energy conservation, green code regulations and also any local building regulations. Highly qualified EsGil managers are always available for policy decisions, problem resolution, applicant appeals of staff decisions, quality control, and supervision. This level of expertise and experience would typically not be affordable by an individual city. **Attachments "D"** and **"E"** lists the credentials, licenses and certifications of our top-level management and plans examiners assigned to Moreno Valley projects.

During the plan review process, our staff is prepared to meet with the applicant or architect/engineer, City employees or consultants. Telephone discussions or meetings at project sites are welcomed to ensure that any plan review issues are handled efficiently. Our goal is to issue approved plans as quickly as possible but in full compliance with laws, codes, ordinances and regulations. Phone calls, teleconferences and meetings at our office are included in our plan check fees. Conferences and meetings outside of our office may be charged hourly, based on our hourly labor rates listed on **"City Form 5"**.

Training

We believe that continuous training for our staff is absolutely imperative for the accuracy and reliability of our inspections and plan reviews. Our plan review and inspection staff attends training classes presented by building organizations such as SEA, ICC and CALBO, with many of our staff members highly sought-after to lecture, teach, and be mentors. We also provide in-house training and cross-training for our staff on a regular basis.

Memberships

Our involvement and support for our local building organizations is a priority for our company and our staff. Kurt Culver, President of EsGil Corporation, currently serves as a member of CALBO's Structural Safety Committee and two other staff members have formerly served as President of the Structural Engineers Association of San Diego.

We are also active members of the following organizations:

- International Code Council (ICC)
- California Building Officials (CALBO)
- International Association of Electrical Inspectors (IAEI)
- International Association of Plumbing and Mechanical Officials (IAPMO)
- Structural Engineers Association (SEAOSD)
- American Concrete Institute (ACI)
- County Building Officials (CBOAC)
- National Fire Sprinkler Association (NFSA)
- CALBO Structural Safety Committee

In addition to serving on numerous committees for these organizations, our staff is also involved with the California Seismic Safety Commission, Strong Motion Instrumentation Advisory Committee and the Leadership in Energy and Environmental Design (L.E.E.D) Green Building Council.

Conflict of Interest

Since 1979, our only product has been providing services to building inspection departments and state agencies. By limiting our clients to only government agencies *and performing no design*, any conflict of interest is completely avoided. All employees have signed agreements that restrict any outside activities or employment that would create a conflict of interest. We have no direct or indirect financial interest in any projects in Moreno Valley.

EsGil Corporation declares that no potential conflict of interest exists or will exist which might impair or undermine our ability or credibility when providing plan checking services to the City of Moreno Valley.

Insurance

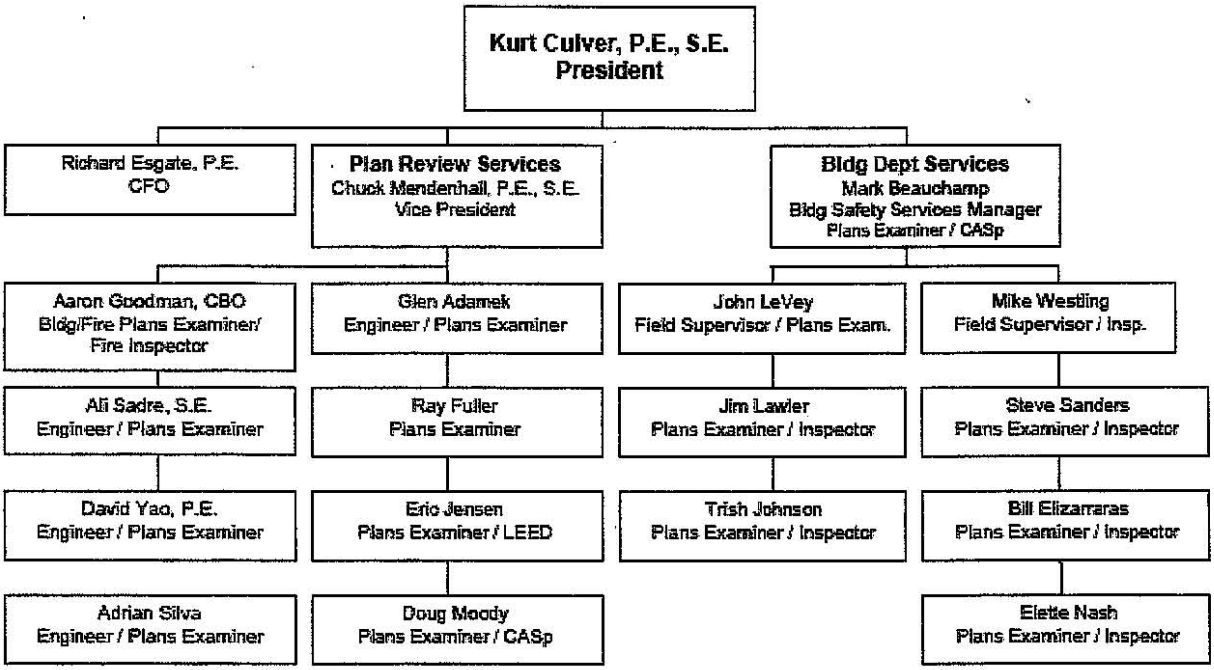
To protect our clients and the Corporation, we carry one million dollars of general and professional liability (E&O) insurance with a two million dollar aggregate. Our policies are written exclusively for plan review and building/fire department services. EsGil currently carries all of the insurance requested and can meet or exceed the insurance requirements listed in the RFP. Please see **Attachment "F"** for a copy of our insurance certificate created for the City of Moreno Valley.

C. PERSONNEL

Attachments "D" and **"E"** lists our personnel experience and background. The following is a copy of our organization chart listing our professional staff:

ESGIL CORPORATION ORGANIZATION CHART

TECHNICAL SERVICES



D. REFERENCE

We have also provided the same scope of work for other jurisdictions in this area and are very familiar with the designers working in the region. Please see **"City Form 4" (References pages)** for a list of three (3) jurisdictional references who have used our plan review services within the last five years.

Attachment "G" is a list of other long-term client references where we have provided a similar scope of services; **Attachment "H"** are letters of recommendation from several of our clients. We encourage you to contact any of our clients to evaluate our professional quality and public relations.

E. AUTHORIZATION

The terms and conditions contained in this proposal shall remain valid for a period of no less than ninety (90) days from the date of submittal. I am the person that is officially authorized to bind EsGil Corporation to the terms of the contract and is capable of acceptance from the City:

Kurt Culver, President

F. FEE SCHEDULE

Please see **"City Form 5" (Proposal Schedule)** for a copy of our proposed fees, which will be *valid for at least one (1) year from the effective date of the contract if awarded.*

G. TIME SCHEDULES

Our diverse staff provides flexibility when managing workloads. During peak workloads, we do not accept projects from cities and counties where we do not have an ongoing contractual relationship, thereby maintaining all current contractual service agreements. When necessary, we also assign overtime to allow our plan review staff to meet those timeframes, at no cost to the City. During our thirty-three years in business, we have always been able to meet all of our agreed-upon review times.

The following is a list of our proposed turnaround time for each possible type of job assigned:

Project Type	*Initial Check*	*Rechecks*	*Plan Change*
Single Family Dwellings	5	5	5
Apartments	5	5	5
Tenant Improvements	5	5	5
Commercial/Industrial	10	5	5

**** Turnaround times not to exceed the workdays listed.***

Accelerated / expedited plan reviews can be performed on overtime in half the normal turn-around times or as requested by the Building Official.

H. TRANSPORTATION OF PLANS

To assist in the security of plans, EsGil currently provides Federal Express and Golden State Overnight services for pick-up and delivery of plans when requested by the City staff, at *no cost to the City*.

Resubmitted plans may be delivered to the City office or shipped directly to our office, based on the City's procedures and requirements. EsGil has the ability to receive plans by mail or via electronic transmission, which decreases the time delays and costs associated with shipping plans. At completion, perforated or signed sets of the final plans are delivered to the City.

REMARKS:	
DATE PLANS RECEIVED BY JURISDICTION: 4/10/12	DATE PLANS RECEIVED BY ESGIL CORPORATION: 4/11/12
DATE INITIAL PLAN REVIEW COMPLETED: **April 20, 2012**	PLAN REVIEWER: **Kurt Culver**

FOREWORD (PLEASE READ):

This plan review is limited to the technical requirements contained in the International Building Code, Uniform Plumbing Code, Uniform Mechanical Code, National Electrical Code and state laws regulating energy conservation, noise attenuation and access for the disabled. This plan review is based on regulations enforced by the Building Department. You may have other corrections based on laws and ordinances enforced by the Planning Department, Engineering Department, Fire Department or other departments. Clearance from those departments may be required prior to the issuance of a building permit.

Code sections cited are based on the 2010 CBC, which adopts the 2009 IBC.

The following items listed need clarification, modification or change. All items must be satisfied before the plans will be in conformance with the cited codes and regulations. Per Sec. 105.4 of the 2009 International Building Code, the approval of the plans does not permit the violation of any state, county or city law.

To speed up the recheck process, please note on this list (or a copy) where each correction item has been addressed, i.e., plan sheet number, specification section, etc. Be sure to enclose the marked up list when you submit the revised plans.

- **GENERAL**

1. Please make all corrections and submit THREE new *complete* sets of prints, to:

   The Menifee building department.

- **PLANS**

2. The architectural plans are incomplete. Please fill in all empty reference bubbles, complete all notes, complete all details, provide necessary dimensions, etc. A complete plan review cannot be performed until then.

3. All sheets of the plans and the first sheet of the calculations are required to be signed by the licensed architect or engineer responsible for the plan preparation. California State Law.

4. Architectural plans were provided for the Storage Building, but no structural information. Also, the "Project Summary" doesn't list it. Please clarify.

5. The reported floor areas on sheet T1 don't seem to include the areas of the various balconies (at each floor). Please recheck the reported floor areas.

6. Provide a note on the plans indicating if any hazardous materials will be stored and/or used within the building which exceed the quantities listed in IBC Tables 307.1(1) and 307.1(2). Room E123?

- **SITE PLAN**

7. Provide a fully dimensioned site plan drawn to scale. Sec. 107.2. Include the following:

   a) Clearly dimension building setbacks from property lines, street centerlines, and from *all* adjacent buildings on the site plan.

   b) Existing and proposed buildings and structures. What is shown southwest of Building E?

8. When two or more buildings are on the same property, the buildings shall have an assumed property line between them for the purpose of determining the required wall and opening protection and roof cover requirements, per Section 705.3. Section 503.1.2.

   a) Please show the assumed property line on the plans (with dimensions), and then show appropriate wall/opening protection. Buildings D/E appear to be quite close, but check all buildings for this requirement.

   b) Additionally, some of the separated "buildings" are connected by exit balconies at the second floor. Please provide a narrative to justify this (pedestrian walkways?).

9. Exterior exit balconies, stairways and ramps shall be located at least 10' from adjacent lot lines and from other buildings on the same lot unless the adjacent building exterior walls and openings are protected in accordance with Section 707 based on fire separation distance. Section 1027.3.

- **BUILDING HEIGHT/STORIES**

10. For the 2-story buildings, please document on the plans that the fire sprinklers are being used to allow increase the allowable number of stories from Table 503.

- **FIRE BARRIERS**

11. Incidental use areas may need to be separated from the main occupancy. See Table 508.2.5 below. Please address the following specific concerns:

    a) Storage rooms.

    b) Even if sprinklers are used to eliminate the need for 1-hour wall construction, Section 508.2.5.2 still requires the partitions to extend to the underside of the floor/roof above and for any doors in the partitions to be self-closing.

    c) In California, the State Fire Marshall has modified the table to prohibit sprinklers as an alternate to the 1-hour protection for laboratories in Group E occupancies. Will there be any laboratories? Room E120?

ROOM OR AREA	SEPARATION AND/OR PROTECTION
Storage rooms over 100 square feet	1 hour or provide automatic fire-extinguishing system

- **EXITS**

12. All doors *and gates*, within the exit path to a public way from an occupancy of Group A or E having an occupant load of 50 or more shall not be provided with latches or locks unless they are equipped with panic hardware. Sections 1008.1.10 and 1002.

- **CORRIDORS**

13. Corridors shall have fire partition walls of one-hour construction when required by Table 1018.1. Show the locations of the rated corridors on the plans or clearly show compliance with an applicable exception from Section 1018.1.

    a) In California, E occupancies must be fire-rated, even if the building is sprinklered.

        i) "Waiting A203" must be constructed as a one-hour corridor. This will also affect A102, etc.

        ii) Also, the second exit for Room B201 is into a stairwell. That stairwell (and its extension at the lower level) must be constructed as a rated corridor.

14. Fire-resistance rated exit corridors shall not be interrupted by intervening rooms. Foyers, lobbies or reception rooms constructed as for corridors shall not be construed as intervening rooms. Section 1018.6.

    a) Corridor A203 must be separated from A202.

    b) See also A103.

15. Corridors shall have interior door openings protected by tight-fitting smoke and draft control assemblies rated 20 minutes. Doors shall be maintained self-closing or be automatic closing by action of a smoke detector per Section 715.4.8. Doors shall be gasketed to provide a smoke and draft seal where the door meets the stop on sides and top. Section 715.

16. Windows in the walls of fire-rated interior corridor walls (Section 715.5):

    a) Such openings shall be protected by glazing listed and labeled for a fire-protection rating of at least 3/4-hour (or ¼-inch thick wired glass in steel frames).

    b) The maximum width or height of such windows shall not exceed 54 inches, and the maximum area may not exceed 1,296 square inches.

    c) The total area of such windows shall not exceed 25% of the area of a common wall with any room. Section 715.5.8.2.

17. Duct penetrations (or air transfer openings) of fire-rated corridor construction shall have fire and smoke dampers per Sections 716.

- **EXIT SIGNS**

18. Exit signs are required whenever two exits are required. Show all required exit sign locations. Section 1011.1.

- **GLASS AND GLAZING**

19. Glazing in the following locations should be of safety glazing material in accordance with Section 2406.4:

    a) Fixed or operable panels adjacent to a door where the nearest exposed edge of the glazing is within a 24-inch arc of either vertical edge of the door in a closed position and where the bottom exposed edge of the glazing is less than 60 inches above the walking surface.

    b) Individual fixed or operable panels, other than those locations described above, that meet all of the following conditions:

        i) Exposed area of an individual pane is greater than 9 square feet, and:

        ii) Exposed bottom edge is less than 18 inches above the floor, and:

        iii) Exposed top edge is greater than 36 inches above the floor, and:

        iv) One or more walking surfaces are within 36 inches horizontally of the plane of the glazing.

    c) Glazing adjacent to stairways or ramps under certain conditions.

- **ROOFS**

20. Specify on the plans the following information for the roof materials, per Section 1506.3:

    a) Manufacturer's name.

    b) Product name/number.

    c) ICC approval number, or equal.

21. Show the required attic ventilation on the plans. Show "area required" and "area provided." The net free ventilating area shall not be less that 1/300th of the area of the space ventilated. Further, 50% of the opening area must be provided with ventilators in the upper portion (at least 3' above eave or cornice) with the balance of ventilators provided by eave or cornice vents. Section 1203.2.

22. Show location of attic access with a minimum size of 20"x30", unless the maximum vertical headroom height in the attic is less than 30 inches. Access must be provided to each separated attic area. Section 1209.2.

- **MISCELLANEOUS LIFE/SAFETY**

23. Specify the guard height at Key Note 13 on A2.1, etc.

24. Pedestrian walkways must be shown to comply with Section 3104.

25. Specify on the plans that the **Emergency Responder Safety Features** of Section 914 will be installed.

26. Specify on the plans that **portable fire extinguishers** will be installed in the building in accordance with Section 906.

27. A **Fire Alarm System** shall be installed under the following conditions, per Section 907 (see exceptions):

    a) Group **E** occupancies with an occupant load of 50 or more persons or containing more than one classroom or one or more rooms used for day care purposes.

- **ACCESSIBILITY**

28. Provide notes and details on the plans to show compliance with the enclosed "Disabled Access" Review List.

- **GREEN BUILDING STANDARDS**

The California Building Standards Commission (BSC) has adopted the Green Building Standards Code which became effective January 1, 2011 and must be enforced by the local building official. The following mandatory requirements for commercial construction must be included on your plans. The Green Building Standards apply only to **newly constructed** buildings throughout California. CGC 101.3

29. Note on the site plan that for projects of one acre or less the site shall be planned and developed to keep surface water away from buildings. A "SWPP" shall be provided and approved by the City Engineer, showing site grading and provide for storm water retention and drainage during construction. BMP's that are currently enforced by the city engineer must be implemented prior to initial inspection by the building department. CGC 5.106.3.

30. Note on the plans that bicycle parking for projects with over 10 tenant occupants (10 employee occupants) shall comply with CGC Section 5.106.4. The specific details must be submitted and approved by the Planning Department.

31. Note on the plans that fuel-efficient vehicle parking will be provided in accordance with CGC Section 5.106.5.1. The specific details for the parking must be submitted and approved by City Planning Department.

32. Note on the plans that exterior light pollution must comply with CGC section 5.106.8.

33. Submit to the Engineering Department or other Agency that regulates construction waste management a Waste Management Plan that outlines the items listed in CGC Section 5.408.2.

34. Note on the plans that a minimum of 50% of construction waste is to be recycled. CGC 5.408.3

35. Note on the plans that 100% of trees, stumps, rocks, vegetation and associated soils primarily from the construction will be reused or recycled. CGC 5.408.4

36. For new buildings that are 10,000 sq. ft. and over, the architect or responsible design professional shall submit, prior to plan approval, a "**Commissioning Plan**". The Commissioning Plan must be submitted with the plan documents during plan check. The Plan must be reviewed and approved by the plan checker for compliance with 5 required features listed in CGC 5.410.2.3 as follows: (a) General project information (b) Commissioning goals (c) List the systems to be commissioned with information on design intent, equipment and systems to be tested, functions to be tested and acceptable performance based on tests (d) Commissioning Team member information (e) commissioning process activities, schedules and responsibilities

37. Note on the plans that a building " Systems Manual" as listed in CGC Section 5.410.2.5 shall be delivered to the building owner or representative and the facilities operator. Further, note on the plans that the "Systems Manual" shall contain the required features listed in CGC Section 5.410.2.5.1.

38. Note on the plans that during construction, ends of duct openings are to be sealed, and mechanical equipment is to be covered. CGC 5.504.3.

39. Note on the plans that VOC's must comply with the limitations listed in Section 5.504.4 and Tables 4.504.1, 5.504.4.1 5.504.4.2, 5.504.4.3 and 5.504.4.5 for: Adhesives, Sealants, Paints and Coatings, Carpet and Composition Wood Products. CGC 5.504.4

40. Note on the plans that installations of HVAC, refrigeration and fire suppression systems will not contain CFC's or Halons, per CGC 5.508.1

41. Note on the plans that prior to final approval of the building the licensed contractor, architect or engineer in responsible charge of the overall construction must complete and sign the Green Building Standards Certification form and given to the building department official to be filed with the approved plans.

42. Provide calculations prepared by a licensed engineer that will show water consumption reduction of 20% below the baseline water consumption listed in 5.303.2.2. In lieu of providing the calculations, imprint on the plans Table 5.303.2.3, which lists fixtures that meet the 20% reduction. CGC 5.303.2

TABLE 5.303.2.3 FIXTURE FLOW RATES

FIXTURE TYPE	MAXIMUM FLOW RATE AT 20 % REDUCTION
Showerheads	2 gpm @ 80 psi
Lavatory faucets-nonresidential	0.4 gpm @ 60 psi
Kitchen faucets	1.8 gpm @ 60 psi
Wash fountains	1.8 [rim space (in.)/20 gpm @ 60 psi]
Metering faucets	0.2 gallons/cycle
Metering faucets for wash fountains	.20 [rim space (in.)/20 gpm @ 60 psi]
Gravity tank type water closets	1.28 gallons/flush[1]
Flushometer tank water closets	1.28 gallons/flush[1]
Flushometer valve water closets	1.28 gallons/flush[1]
Electromechanical hydraulic water closets	1.28 gallons/flush[1]
Urinals	.5 gallons/flush

1. Includes single and dual flush water closets with an effective flush of 1.28 gallons or less:

Single flush toilets-The effective flush volume shall not exceed 1.28 gallons (4.8 liters). The effective flush volume is the average flush volume when tested in accordance with ASME A 112.19.233.2.

Dual flush toilets-The effective flush volume shall not exceed 1.28 gallons (4.8 liters). The effective flush volume is defined as the composite, average flush volume of two reduced flushes and one full flush. Flush volumes will be tested in accordance with ASME A 112.19.2 and ASME A 112.19.14.

43. Imprint on the plumbing plans Table 5.303.6 in the CGC. Note on the plans that waste water fixtures shall comply with the standards listed in CGC Table 5.303.6.

44. Note on the plans that landscape irrigation water use shall have weather based controllers. CGC 5.304.3.1.

- **FOUNDATION**

45. Provide a copy of the project soil report prepared by a licensed civil engineer. The report shall include foundation design recommendations based on the engineer's findings.

46. Provide a letter from the soils engineer confirming that the foundation plan, grading plan and specifications have been reviewed and that it has been determined that the recommendations in the soil report are properly incorporated into the plans (when required by the soil report).

47. Note on plans that surface water will drain away from building and show drainage pattern. The grade shall fall a minimum of 5% within the first 10 feet (2% for impervious surfaces). Section 1804.3.

- **STRUCTURAL**

48. Revise the lateral designs to use a rho factor of 1.3, or provide calculations to justify using 1.0. ASCE 7-05, Section 12.3.4.2 and equation 12.4-3.

49. **Importance Factors.** A load importance factor of **1.25** should be used in accordance with ASCE 7-05, Section 11.5.1 (seismic) or Section 6.5.5 (wind) or Section 7.3.3 (snow), based on the Occupancy Category given in Table 1-1. *This includes buildings with elementary school, secondary school or day-care facilities (capacity > 250 people), , etc. See Table 1604.5 of the IBC for a complete listing.*

50. On sheet S210, please provide information for the elevator area.

51. Some roof/floor members are spaced 48" and 32" on center: Please specify on the plans the Panel Span rating for the plywood at these locations.

52. On sheet S221, please investigate the need for a pad footing below the reaction of the beam on Line C (21k).

53. On sheet S221, please see the bearing wall in-line with the 6x12 on Line 1 (where the 4x8's are): That bearing wall has no footing shown below it on the foundation plan.

54. Also, what is the size of the header opposite that 6x12?

55. On sheet S230, it appears that a portion of the perimeter continuous footing is missing at Line G/F (at 4).

56. On sheet S241, please clarify the support for the 6x12 beam on Line 3 (between F and G).

57. On sheet S252, please specify the roof framing over the elevator.

58. Regarding the structural calculations:

    a) Please revise page 9 to specify Wind Exposure C (instead of B).

    b) The floor plan sketches on the plans (AK1, etc.) don't match the plans. They appear to be rotated, mirror-images of the actual building layouts. Please revise the sketches.

    c) Also, the shear wall lengths on those various sketches don't match the foundation/framing plans. In some cases, the difference is only a few inches, but in other cases it's a few feet. Please clarify.

    d) Sheet AB5 calls for a beam that is 11.875" deep; the sketch on AK3 shows a different depth and the plans themselves show a much smaller depth. Please investigate.

- **ADDITIONAL**

59. For the Director's deck on sheet A2.1, please specify the surfacing material, show the slope and provide drains/overflows.

60. On sheet A2.5 (etc.), "FB" and "FC" floor designations are shown: How do the floor plans make it clear which one goes where?

61. Please provide complete information on the plans for the proposed fireplace.

62. Please see the following sheets for PME corrections.

63. To speed up the review process, note on this list (or a copy) where each correction item has been addressed, i.e., plan sheet, note or detail number, calculation page, etc.

64. Please indicate here if any changes have been made to the plans that are not a result of corrections from this list. If there are other changes, please briefly describe them and where they are located in the plans.

    Have changes been made to the plans not resulting from this correction list? Please indicate: ☐ Yes ☐ No

65. The jurisdiction has contracted with Esgil Corporation located at 9320 Chesapeake Drive, Suite 208, San Diego, California 92123; telephone number of 858/560-1468, to perform the plan review for your project. If you have any questions regarding these plan review items, please contact **Kurt Culver** at Esgil Corporation. Thank you.

PLUMBING AND MECHANICAL CORRECTIONS

PLAN REVIEWER: Glen Adamek

GENERAL AND ARCHITECTURAL PME ITEMS

66. Each sheet of the plans must be signed by the person responsible for their preparation, even though there are no structural changes, before the permits are issued. Business and Professions Code. The final set of corrected drawings to be reviewed for signing and sealing just before the permits are to be issued.

67. Provide data on the proposed hazardous materials to be stored and used within each separate building. CBC 414. Present the description of the hazardous materials in a format that coincides with the material classifications found in CBC Tables 307.1(1) and 307.1(2).

    a) Clearly show the *types* of hazardous materials being stored or used. Provide a list of the proposed hazardous materials; include the material safety data sheets (MSDS), if applicable.

    b) Clearly show the *amounts* for each type of hazardous material to be stored and in use.

    c) Clearly show the *locations* in the building where each type of hazardous material is being stored or used.

    d) Note: If hazardous materials are present in any amount, forward this information to the mechanical designer for design compliance with CMC Chapter 5.

68. Include, on the mechanical plans, the locations of all required smoke, fire, combination smoke and fire, or ceiling radiation dampers. Be sure to include a symbol on the symbol schedule for each damper type. CBC 716

69. Show compliance with CBC, Section 1204.1: "Interior spaces intended for human occupancy shall be provided with active or passive space-heating systems capable of maintaining a minimum indoor temperature of 68°F. at a point 3 feet above the floor on the design heating day. Show compliance with CBC, Section 1204.1: "Interior spaces intended for human occupancy shall be provided with active or passive space-heating systems capable of maintaining a minimum indoor temperature of 68°F. at a point 3 feet above the floor on the design heating day. As per the International Building Code, Code and Commentary book: "Heating facilities are required for comfort in all new construction. The systems may be either active (such as forced-air furnace) or passive (such as solar systems), as long as the specified performance is achieved. ... The exception recognizes that not all interior spaces are associated with human comfort by the nature of their uses, such as commercial cooler or freezer. These and similar spaces would not require heating systems."

70. Corridors shall not serve as supply, return, exhaust, relief or ventilation air ducts, as per CBC, Section 1017.4.

71. Please provide complete construction drawings for plan review and to issue permits. Notes on the drawings state: "Not For Construction"

72. Sheet P0.1 is missing from the plan package.

73. The mechanical sheets in the plan package do not match the list of mechanical sheets in the Sheet Index on sheet T1. The some sheet numbers or different, some sheets are missing from the plans and some of the sheets provided are not listed in the Sheet Index. Please correct to agree.

74. Please provide complete plans and details for the proposed Fireplace shown in building B.

75. Clearly show the locations of the elevator equipment (elevator equipment room) in building A and building E.

76. Provide the required independent ventilation for the elevator equipment room to prevent the overheating of the electrical equipment. CBC Section 3006.2

77. Please correct the drawings to show the required 42 inch tall "Guards" (guard rails) as per IBC, Section 1013.5: "Where appliances, equipment, fans, roof hatch openings or other components that require service are located within 10 feet of a roof edge or open side of a walking surface..."

PLUMBING (2010 CALIFORNIA PLUMBING CODE)

78. Provide a plumbing material schedule on the plans describing the following systems: Potable water piping, the drain, waste, and vent piping, gas piping, and the roof drains.

79. Sheet P1.0 does not include construction details and drawings for the site plumbing systems. Provide the site plumbing plans showing the sizes and locations of the gas meters and water meter; and the sizes, routes, and slopes of the building sewer, storm drainage system, site gas lines, and site water lines.

80. Identify the extent of the private sewer, water, and gas systems on the plumbing site plan. Clearly specify, on the plans, which City Department is responsible for the permitting, plan check, and inspections for the private utility systems. If private, the responsibility of the City Building Department, and under the Uniform Plumbing Code, provide complete civil site utility plans for plan check, or obtain a separate permit from the City for the civil site plans.

81. Please show the upstream sewer manhole rim and finished floor elevations. Provide backwater valves for all fixtures installed on floor levels below the next upstream manhole rim elevation. (Only fixtures installed on floor levels below the next upstream manhole rim elevation may flow through a backwater valve.) UPC 710.1

82. Please provide plumbing fixture and plumbing equipment schedules for all proposed plumbing fixture and plumbing equipment.

83. Please provide complete water line sizing calculations and plans that agree. : Include the water pressure, pressure loss calculations, water demands, and the developed pipe lengths. UPC 610.0 or Appendix 'A'. Please address the following:

    a) Show the sizes and locations of the separate water meter for each separate building as per the water line sizing calculations on sheet P0.2. Also, developed pipe lengths and elevation pressure losses will be reviewed when water meter locations are provided.

    b) Show the minimum and maximum water pressure supplied to each of the separate public water meters. Pressure regulators may be required and pressure losses were not included in the water line sizing calculations for pressure regulators.

    c) Please provide cut-sheet and callout data on the drawing for the proposed flush valve water closets. Many flush valve water closets require more than the 25 psi used in the water line sizing calculations to operate.

    d) Note, the allowed GPM and velocity values do not seem to match the values in CPC, Chart A-4 for copper tubing. The allowed GPM and velocity values for each separate pipe size for each separate building water system will be reviewed when the water piping material is clearly shown.

    e) A complete review of the water sizing calculations and plans will be done when the complete corrected water sizing calculations and plans are provided.

84. Describe the method of compliance for temperature limitations for the public use lavatories (limited to 110 degrees). Note: The water heater thermostat may not be used for compliance with this Code section. CPC 413. Energy Standards 113(C)3.

85. Hot water recirculating loop systems requirements (Not single family homes): Detail the following:

    a) The installation of an air release valve on the inlet side of the recirculation pump, within 4' of the pump.

    b) A check valve is required between the recirculating pump and the water heating equipment to prevent the hot water from flowing backwards through the recirculation loop.

    c) A check valve is required on the cold water supply line between the hot water system and the next closest tee on the cold water supply line. (See CPC 608.3 for expansion tank requirements.)

86. All water closet seats, except those within dwelling units, shall be of the open front type or have an automatic seat cover dispenser, as per UPC, Section 408.2.2.

87. Floors shall slope to the floor drain(s) location(s). Please detail on the architectural floor plans. UPC 411.4

88. Show 1/4 inch per 12 inch slope on drain and waste lines. UPC Section 708.0

89. Provide gas line plans and calculations, showing gas pressures, piping types, pipe lengths, gas demands and pipe sizing method used. UPC Section 1217.0.

90. Please correct the sizing of the horizontal rainwater piping for the 4 inches per hour rainfall rate as per the City of Menfee.

MECHANICAL (2010 CALIFORNIA MECHANICAL CODE)

91. Review with the architect the locations that require (fire/ceiling radiation/or fire/smoke) damper and/or shaft protection and identify installations on the mechanical plans themselves.

92. Building B is shown to have a Fireplace. If a Pre Fab Fireplace is to be used please provide cut-sheets, listing data and installation instructions for the proposed unit.

93. Correct the MECH-3C forms for the study rooms and classrooms, including the occupant load calculations for the required ventilation rates for outside air.

94. Please provide outside air amounts for each of the HVAC units as per the requirements on the MECH-3C forms.

95. Provide smoke detection in the supply air duct of an *"air-moving system"* for required shut-off of equipment for smoke control. UMC Section 609.0 An *"air-moving system"* is a system designed to provide heating, cooling, or ventilation in which one or more air-handling units are used to supply air to a common space or to draw air from a common plenum or space. UMC Section 203.0

96. Buildings of more than 15' in height shall have an inside means of access that meets the design requirements of UMC 904.10.3.3. Please provide. City approval for use of an outside ladder is required.

Note: If you have any questions regarding this Plumbing and Mechanical plan review list please contact Glen Adamek at (858) 560-1468. To speed the review process, note on this list (or a copy) where the corrected items have been addressed on the plans.

ELECTRICAL and ENERGY COMMENTS

PLAN REVIEWER: Eric Jensen

ELECTRICAL (2010 CALIFORNIA ELECTRICAL CODE)

97. The licensed designer must stamp and sign the approved set of the plans.

98. The City of Menifee has adopted an ordinance (2009-24) that restricts the types, style, and amount of outdoor lighting that may be installed for commercial and multiresidential projects. As part of your plan submittal, include all outdoor lighting fixture locations and a description of each fixture type, including manufacturers' catalog cut sheets. This design is unique in that the ordinance was drafted prior to the widespread availability of LED site lighting which is shown to be used for this project. The lumen level, however, of the fixtures exceed the allowable amounts in the ordinance for non-LED lighting. (4050 lumens versus 5562 lumens (lamp). Due to the new style of lamp, you may want to review with the City if their ordinance remains in place or is being modified. I

99. Include a structural pole base detail for the site lighting.

100. I see the Notes as to what buildings parts are what buildings (sheet E1.1) however they do not have common structural footing design. Include the bonding design of the various building sections that results in a common (to the building) ground plane.

101. The main electric Room "D":

    a) Clearances to comply with CEC 110.26(A)(1) and 110.26(C)(2). Review the one door versus two door requirements.

    b) Door swing out from the room and equipped with panic hardware. (Include the proper design on the architectural sheets, as well).

102. GFCI protection is required for all receptacle outlets installed within 6' of the edge of a sink. Please add in the classroom locations, where required.

103. How is the electrical room in building "E" (E112) ventilated such as to dissipate the heat generated by the 300 KVA transformer? (Review all electrical rooms containing transformers for adequate ventilation).

104. Explain the feeder conduit/conductor sizing and the lack of voltage drop considerations on the single line diagram. For example, the ball field feeder is approximately 1,000 feet long (to the jump off point, not including the branch circuits to the pole lights) yet the 150 ampere circuit will require 1/0 conductors which will barely fit interior of a 1 ½" specified conduit?

105. Include voltage drop calculations for the site branch circuit lighting circuits (No. 12 branch circuit conductor sizing?). Be sure to provide a site lighting schedule, there are unnamed fixture types shown on the site layouts.

106. Include a duct bank description for the various feeders from the 3,000 ampere distribution board. Duct bank to include sections with conduit sizing, number, placement, and depth. Review relative location to buildings, footings, etc.

107. Missing exit sign, building "B", second level, The exit sign and egress lighting design for building DE, second floor.

ENERGY CONSERVATION

108. Include the window energy specifications onto the architectural sheet "A10.2". (Window schedule).

109. Provide an LTG design for each (building) permit number.

Note: If you have any questions regarding this Electrical and Energy plan review list please contact Eric Jensen at (858) 560-1468. To speed the review process, note on this list (or a copy) where the corrected items have been addressed on the plans.

SAMPLE

DISABLED ACCESS REVIEW LIST
DEPARTMENT OF STATE ARCHITECT
TITLE 24

The following disabled access items are taken from the 2010 edition of California Building Code, Title 24. Per Section 1.9.1, all publicly and privately funded public accommodations and commercial facilities shall be accessible to persons with disabilities.

NOTE: All Figures and Tables referenced in this checklist are printed in the California Building Code, Title 24.

• WALKS AND SIDEWALKS

1. Walks along an accessible route of travel are required to be ≥48" minimum in width and have slip resistant surfaces, per Section 1133B.7.

   a) The "Legend" on sheet A1.0 calls for 42" wide walks. Please revise.

2. Show that a 36" wide detectable warning material is provided at boundaries between walkways and vehicular ways. Section 1133B.8.5.

• STAIRWAYS AND HANDRAILS

3. At stairs, the handrail on at least one side must be straight (no 90-degree or 180-degree bends). Please check the plans. Section 1133B.4. See 1/A3.6 (Bldg. B), etc.

• DOORS

4. Show on the plans the required 18" strike-side clearance at Door B102, etc.

• SIGNAGE

5. Per Section 1011.3, tactile exit signs shall be required at the following locations:

   a) Wherever basic CBC provisions require exit signs from a room or area to a corridor or hallway. The tactile exit sign shall have the words, "EXIT ROUTE."

   b) Each grade-level exit door. The tactile exit sign shall have the word, "EXIT."

   c) Each exit door that leads directly to a grade-level exterior exit by means of a stairway or ramp. The tactile exit sign shall have the following words as appropriate:

      i) "EXIT STAIR DOWN."

6. Where permanent identification is provided for rooms and spaces, raised letters shall also be provided and shall be accompanied by Braille. Section 1117B.5.

			TOTAL AMOUNT INVOICED:					

KURT CULVER, S.E.
PRESIDENT, ESGIL CORPORATION

Kurt Culver was formerly the Research Engineer with the City of San Diego Building Inspection Department. His responsibilities included supervision and training of plan check engineers, along with researching complex code issues to develop department policies.

As President of Esgil Corporation, Kurt has the responsibility of overseeing the day-to-day management of the office operation. This duty includes previewing all plans received, assignment of plans based on complexity and workload, consulting with the plan check engineers and reviewing their finished product. He serves as a liaison with clients from government agencies to handle requests. He is also responsible for the continuing program of providing technical training to staff.

Kurt has a Bachelor of Science degree (Civil Engineering) from San Diego State University and is both a licensed Civil Engineer and licensed Structural Engineer in Nevada and California. He has twenty-nine years experience in the interpretation and application of regulatory requirements contained in the building code.

Kurt is active in the Structural Engineers Association of California having served as the Treasurer and Secretary for the Board of Director in San Diego, as the Chairman of the Membership Committee. He is currently serving on the Code Committee.

Kurt also has I.C.C. Certification as a Plans Examiner. He has his teaching credentials in the Community College system where he taught building code classes for many years.

Kurt is completing his twenty-fifth year with Esgil Corporation, during which time he has successfully demonstrated his ability to apply his technical leadership and management skills to the benefit of the public and the clients served by Esgil Corporation.

CHUCK MENDENHALL, S.E.
VICE-PRESIDENT, ESGIL CORPORATION

Chuck Mendenhall was formerly a Senior Structural Engineer with the County of San Diego Department of Planning and Land Use. He has over 30 years of continuous regulatory experience in the building inspection and plan check areas. His responsibilities include supervision and training of plan check engineers, field inspectors and advising field inspectors and plan check staff on complex or unusual design or construction problems. He also served as Chief of the El Cajon branch of Planning and Land Use Department, wherein he managed a staff of 30 planning and inspection personnel responsible for serving East San Diego County.

He has served in progressively more responsible positions starting with the San Diego County Building Department in 1971 as a Junior Civil Engineer and progressing through Assistant Structural Engineer, Associate Structural Engineer and ultimately Senior Structural Engineer. During this progression period he served one year as an Associate Civil Engineer with the San Diego County Department of Sanitation and Flood Control in charge of contract administering and inspection of capital improvement projects. He is thoroughly experienced in all aspects of plan review including residential, commercial and industrial structures.

Chuck matriculated at San Diego State University and has a Bachelor of Science Degree and Master of Science Degree in Civil Engineering. He is a licensed Professional Engineer (Civil and Structural) in Nevada and California, a licensed I.C.C. Building Inspector, Plans Examiner and Electrical Inspector and has his Teaching Credential in the Community College system where he has taught structural design review courses for engineers.

He has demonstrated his ability to effectively and efficiently perform both high level technical and management duties in a large regulatory department.

RICHARD ESGATE
CFO / BOARD CHAIRMAN

Richard Esgate is the CFO and Board Chairman for Esgil Corporation, which provides Building Department Services to 135 cities and counties. Richard is the Building Official for the Cities of Poway and Santee.

Richard has a Bachelor of Science degree from Cal Poly and is a Professional Engineer (Civil).

Richard Esgate has served as the Deputy Director of the County of San Diego Department of Planning and Land Use. He was responsible for the day-to-day management of the 120 staff division composed of the County building inspection function and portions of the County regulatory planning process. Land development operations were conducted in three high capability service delivery centers. Work elements included counter operations, building plan checking operations, field inspection operations, zoning enforcement, minor subdivision processing and receiving all land development applications.

Richard also served in the former County Engineer Department, the former Building Inspection Department and the Department of Sanitation and Flood Control. He has high level management experience in surveying, materials testing, contract management and road construction; in the field, office and plan checking functions of the building department and regulatory planning processes; and in the planning, budgeting and facility maintenance of the San Diego County Flood Control District.

Richard has served on numerous high level task forces where his knowledge and regulatory management skills contributed to improving the government function. He is a highly experienced regulatory services manager.

POLICY NUMBER: 6801052T972 COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)

This endorsement modifies insurance provided under the following:
COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. The following is added to **WHO IS AN INSURED (Section II):**

Any person or organization that you agree in a "contract or agreement requiring insurance" to include as an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

a. In the performance of your ongoing operations;

b. In connection with premises owned by or rented to you; or

c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to the additional insured is limited as follows:

d. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.

e. This insurance does not apply to the rendering of or failure to render any "professional services".

f. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the **LIMITS OF INSURANCE (Section III)** for this Coverage Part.

B. The following is added to Paragraph **a.** of **4. Other Insurance** in **COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

However, if you specifically agree in a "contract or agreement requiring insurance" that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance". But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured under any other insurance.

C. The following is added to Paragraph **8. Transfer Of Rights Of Recovery Against Others To Us** in **COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that person or organization. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with such person or organization entered into by you before, and in effect when, the "bodily injury" or "property damage" occurs, or the "personal injury" offense is committed.

D. The following definition is added to **DEFINITIONS (Section V):**

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include a person or organization as an additional insured on this Coverage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

a. After you have entered into that contract or agreement;

b. While that part of the contract or agreement is in effect; and

c. Before the end of the policy period.

Re: EsGil Corporation Services

To Whom It May Concern:

As the Building Official, Building Inspector and Code Enforcement Officer for the City of Avalon, I wear many hats to manage, regulate and ensure the safety and well-being of the community. Esgil Corporation has allowed me to maintain efficient plan reviews and meet required deadlines with limited resources. Their staff of highly-qualified and experienced professionals offer a broad range of disciplines, providing thorough and comprehensive plan reviews.

Since 2008, the Avalon Building Department has used EsGil Corporation for on-call building plan review and inspection services; we look forward to continuing this relationship.

If you have any questions or would like additional information regarding our experience with EsGil and their staff, please feel fee to contact me at the phone number or e-mail listed below.

Regards,

Bryan P Zuppiger, CBO

Re: Reference Letter for EsGil Corporation

To Whom It May Concern:

For over thirty years, EsGil has provided building plan review services for the Carlsbad Building Department. Their company and staff have a respected working history with Carlsbad, assuring that the goals of our department are achieved and the needs of the City are met.

As a coastal city, urban development and environmental regulations in Carlsbad have changed significantly during that time, creating unique challenges for myself and the City staff. As our relationship with EsGil has evolved, so has our ability to meet those challenges. We've built a long-term partnership, providing our community with a service standard of quality, efficiency and integrity.

Please feel free to contact me at 760-602-2716 if you require any additional information regarding our experience with their services.

Sincerely,

Will Foss
Building Official

Re: EsGil Corporation – Letter of Recommendation

To Whom It May Concern:

I am writing to provide a reference for EsGil Corporation and to describe the quality of services received by their company and their staff.

EsGil has provided building plan review services to the City of Coronado since 1981, with inspection and counter services beginning in 2009. They've been a valuable resource in meeting our Building Department needs.

The City of Coronado staff strives to provide our community with a complete package of quality, accountable and excellent customer service, while meeting required deadlines and turn-around times. Our long lasting relationship with the EsGil team is due to their proven track record of efficiency, consistency and flexibility.

I would highly recommend using EsGil and their staff as a Building and Safety resource for your community.

Thank you,

Dave Calvani,
Senior Building Inspector,
City of Coronado

San Diego, CA 92123

Subject: Letter of Reference

Dear Mr. Esgate:

EsGil Corporation has continually provided full building services for the City of Encinitas since incorporation, 1987. The services you provide are seamless; the customer typically considers EsGil employees as City employees. EsGil staff work well with the various development services departments. They are very responsive to issues, and services are provided in a very expedient manner.

The comments we receive from our customers (via customer comment cards) regarding building services consistently rate the Building Division services as exceptional in all of our categories – availability, courtesy, helpfulness and knowledge. We have been monitoring customer comments for multiple years, and the City's Building Division is one of the top rated divisions for receiving exceptional service scores. You often make the City look good.

The timeliness of plan checks and inspections is greatly appreciated by our customers. You consistently meet your contractual performance measures, which is an example for all City departments to follow.

The overall management of the EsGil employees and the Building Division is also worth noting. Any change of staffing has been efficient and without impact to services. Staffing levels are typically adjusted to keep pace with either an increase or decrease in workload. I have personally worked with EsGil through two periods where development activity dropped significantly (early 1990's and 2009/10), and EsGil's performance through these periods has been well received by the Council, management and the public. You continued to provide the City with needed services.

I have also received commendation from the building industry regarding EsGil's performance. Over the past several years with Encinitas, I have had the pleasure of meeting multiple times with building industry representatives over a variety of issues. When discussing the City's

building services and EsGil's performance, the development community has always been pleased … even saying "we don't want to lose EsGil." In a more formal process, the City reached out to the development community in 2003/04 to ask them "*how are we doing.*" The consultant's report made the following comment: "Esgil and the Building [Division] received the most positive comments of all departments. Participants indicate that they provide good service – fast, predictable, precise, timely, etc."

It has been a personal pleasure working with EsGil all of these years. You have made my job easier. The City has been pleased with EsGil's services, and we hope to continue that relationship in the future. If you have any questions or need additional information, please call me (760/633-2696) or e-mail pmurphy@cityofencinitas.org.

Sincerely,

Patrick Murphy

Kirk Culver
Chief Executive Officer
EsGil Corporation
9320 Chesapeake Drive, Suite 208
San Diego, CA 92123-1355

Dear Mr. Culver:

EsGil has provided building services to the City of Poway since the City incorporated 30 years ago. Your company has provided excellent consultant services without the cost to the City of an in-house building staff.

EsGil building staff members are a very much a part of the City of Poway's Development Services team. They are knowledgeable regarding California Building Codes and regulations, and they have the same local knowledge that our in-house staff members have. We truly appreciate their problem-solving attitude and the overall customer service they provide.

We are fortunate to have EsGil staff working with us. Your staff's work is professional and thorough, and I would recommend EsGil to anyone considering hiring them.

Sincerely,

DEVELOPMENT SERVICES DEPARTMENT

Robert J. Manis
Director of Development Services

EXHIBIT B

TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed $800,000 per fiscal year.

2. The Contractor will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: http://www.moval.org/do_biz/biz-license.shtml

3. The Contractor will electronically submit an invoice to the City as provided in this Agreement for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services since the last invoice. At no time will the City pay for more services than have been satisfactorily completed and the City's determination of the amount due for any progress payment shall be final. The Contractor will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org

   Accounts Payable questions can be directed to (951) 413-3073.

   Copies of invoices may be Copies of invoices may be submitted to the Community & Economic Development Department at susanc@moval.org or calls directed to (951) 413-3350.

4. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at: http://www.moval.org/city_hall/forms.shtml#bf

5. The minimum information required on all invoices is:

   A. Vendor Name, Mailing Address, and Phone Number
   B. Invoice Date
   C. Vendor Invoice Number
   D. City-provided Reference Number (e.g. Project, Activity)

E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services perfor med and rates, explicit portion of a contract amount, or detailed billing infor mation that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the C ontractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer and Barry Foster, Community & Economic Development Director

AGENDA DATE: June 26, 2012

TITLE: PA11-0009 – COMMERCIAL DEVELOPMENT – ACCEPT THE AGREEMENT AND BONDS FOR PUBLIC IMPROVEMENTS

NORTH SIDE OF IRIS AVENUE, WEST OF OLIVER STREET

Developer: Kaiser Foundation Health Plan, Inc. &
Kaiser Foundation Hospitals
27300 Iris Avenue
Moreno Valley, CA 92555

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the Agreement and Bonds for Public Improvements.

2. Authorize the Mayor to execute the Agreement.

3. Direct the City Clerk to forward the signed Agreement to the County Recorder's Office for recordation.

4. Authorize the City Engineer to execute any future time extension amendments to the agreement, subject to City Attorney approval, if the required public improvements are not completed within said timeframe.

BACKGROUND

On July 14, 2011, the Planning Commission of the City of Moreno Valley approved project number PA11-0009. The proposed project is for a 74,425 square foot 3 story medical office building located adjacent to the existing Kaiser Hospital.

DISCUSSION

The developer has completed and submitted an Agreement for Public Improvements. The developer agrees to perform and complete all of the required street improvements within twenty-four (24) months of the date the agreement is executed. The City Engineer may execute any future amendments to the agreement, subject to City Attorney approval, if the required street improvements are not completed within said timeframe. The public street improvements include but are not limited to asphalt pavement, curb, gutter, sidewalk, driveway approaches, street lights, and landscaping. Accompanying the agreement are a Faithful Performance Bond in the amount of $522,000 and a Material and Labor Bond in the amount of $261,000 issued by Travelers Casualty and Surety Company of America.

ALTERNATIVES

Not applicable.

FISCAL IMPACT

No fiscal impact is anticipated.

CITY COUNCIL GOALS

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

NOTIFICATION

Publication of agenda.

AGREEMENT FOR PUBLIC IMPROVEMENTS
FOR
PROJECT NO. PA11-0009

This Agreement, made and entered into by and between the City of Moreno Valley , State of California , hereinafter called City, and **Kaiser Foundation Health Plan, Inc. & Kaiser Foundation Hospitals**, herein after called Developer, on the date the City signs this agreement.

WITNESSETH:

FIRST: Developer, for and in consideration of the approval by the City of the final map of that certain land division, or that certain other land development project, known as **PA11-0009** agrees, at Developer's own expense, to furnish all labor, equipment and material necessary, and within **TWENTY-FOUR (24)** months from the date this Agreement is executed, to perform and complete in a good and workmanlike manner, all of the required improvements in accordance with those improvement plans for said project which have been approved by the City Engineer, and are on file in the office of the City Engineer, and to do all work incidental thereto in accordance with the standards set forth in City ordinances and regulations, and pay all costs of engineering necessary in connection therewith, which are expressly made a part of this Agreement. All of the above required work shall be done under the inspection of and to the satisfaction of the City Engineer, and shall not be deemed complete until approved and accepted as complete by the City. Developer further agrees to guarantee the required improvements for a period of one year following acceptance by the City and during this one year period to repair and replace, to the satisfaction of the City Engineer, any defective work or labor done or defective materials furnished. Developer shall complete the improvements described in this paragraph pursuant to Section 66462, Government Code. Developer shall also complete any offsite improvements required as a condition of approval and with plans approved by the City Engineer at such time as the City acquires an interest in the land which will permit the improvements to be made, and the Developer waives the 120 day time limitation set forth in Section 66462.5, Government Code.

Security to guarantee the performance of this agreement shall be in the following amounts:

Faithful Performance security shall be in the sum of **FIVE HUNDRED TWENTY-TWO THOUSAND AND NO/100** Dollars (*****$522,000.00*****). The estimated cost of said work and improvements, pursuant to the Preliminary Estimate of Cost labeled Exhibit A attached hereto.

Labor and Material security shall be in the sum of **TWO HUNDRED SIXTY-ONE THOUSAND AND NO/100** Dollars (*****$261,000.00*****). The estimated cost securing payment of labor and materials is fifty (50) percent of the total cost estimate of the improvements.

SECOND: Developer agrees to pay to the City the actual cost of such inspection of the works and improvements as may be required by the City Engineer. Developer further agrees that, if suit is brought upon this Agreement or any bond guaranteeing the completion of the required improvements, all costs and reasonable expenses and fees incurred by the City in successfully enforcing such obligations shall be paid by Developer and guaranteed by the surety in addition to the face amount of the security, including reasonable attorney's fees, and that, upon entry of judgment, such costs, expenses and fees shall be taxed as costs and included in any judgment rendered.

Exhibit "B"

THIRD: City shall not, nor shall any officer or employee of City, except for its or their sole negligence, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this Agreement prior to the completion and approval thereof, nor shall City or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Developer, his agents or employees, in the performance of the work, and all of said liabilities are assumed by Developer. Developer agrees to protect, defend and hold harmless City and the officers and employees thereof from all loss, liability or claim because of, or arising out of the acts or omissions of Developer, his agents and employees, in the performance of this Agreement, or arising out of the use of any patent or patented article in the performance of this Agreement.

FOURTH: The Developer hereby grants to the City and/or to any authorized agent or employee of the City, the irrevocable permission to enter upon the lands of the above-referenced land division for the purpose of completing the improvements. This permission shall terminate in the event that the Developer has completed the work within the time specified or any extension thereof granted by the City.

FIFTH: Developer agrees at all times, up to the completion and acceptance of the improvements by the City, to give good and adequate warning to the traveling public of each and every dangerous condition caused by the construction of the improvements, and to protect the traveling public from such defective or dangerous conditions. The Developer shall keep all traveled ways that are a part of, or affected by the construction of this project free and clear of mud, dirt and debris and shall provide twice monthly street sweeping service. A copy of the contract for street sweeping service shall be provided to the City. The Developer's obligation under this provision shall be secured by the bonds securing performance of this Agreement.

SIXTH: The Developer, his agents and employees, shall give notice to the City Engineer at least 48 hours before beginning any work and shall furnish said City Engineer all reasonable facilities for obtaining full information with respect to the progress and manner of work.

SEVENTH: If the Developer, or his agents or employees, neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the specified time, or within such extensions of time as have been granted by the City, or if the Developer violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, he shall be in default of this Agreement and notice in writing of such default shall be served upon him. The City Council shall have the power, on recommendation by the City Engineer, to terminate all rights of the Developer because of such default. The determination by the City Engineer of the question as to whether any of the terms of the Agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the Developer, and any and all parties who may have any interest in the Agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to the City under law.

EIGHTH: Developer agrees to file with City, prior to the date this Agreement is executed, a good and sufficient improvement security in an amount not less than the estimated cost of the work and improvements for the faithful performance of the terms and conditions of this Agreement, and good and sufficient security for payment of labor and materials in the amount prescribed by City ordinances and regulations to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California. Developer agrees to renew each and every said bond or bonds with good and sufficient sureties or increase the amounts of said bond or bonds, or both, within ten (10) days after being notified by the City Engineer that the sureties or amounts are insufficient. Notwithstanding any other provision herein, if Developer fails to take such action as is necessary to comply with said notice, he shall be in default of this Agreement unless all required improvements are completed within ninety (90) days of the date on which the City Engineer notified the Developer of the insufficiency of said bonds. Developer reserves the right to substitute the form of security in accordance with the City's Municipal Code at anytime during the term of this agreement, subject to approval by the City Engineer and City Attorney.

NINTH: It is further agreed by and between the parties hereto, including the surety or sureties on the bonds securing this Agreement that, in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this Agreement, extensions of time **may** be granted by the City from time to time, either at its own option, or upon request of Developer, and such extensions shall in no way affect the validity of this Agreement or release the surety or sureties on said bonds, Developer further agrees to maintain the aforesaid bonds in full force and effect during the terms of this Agreement, including any extensions of time as may be granted therein.

TENTH: It is understood and agreed by the parties hereto that if any part, term or provision of this Agreement is by the courts held to be unlawful and void, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term or provision held to be invalid.

ELEVENTH: Any notice or notices required or permitted to be given pursuant to this Agreement shall be served on the other party by mail, postage prepaid, at the following addresses:

City:
City Engineer
P.O. Box 88005
14177 Frederick

State of California)

County of Los Angeles)

CALIFORNIA ALL-PURPOSE CERTIFICATE OF ACKNOWLEDGMENT

On April 13, 2012 before me, Grace S. Lee,
(here insert name and title of the officer)

personally appeared Carlos Zaragoza,

who proved to me on the basis of satisfactory evidence to be the person(s) whose name(s) is/are subscribed to the within instrument and acknowledged to me that he/she/they executed the same in his/her/their authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or the entity upon behalf of which the person(s) acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

NRO1 GRACE S. LEE COMM. #1874691 Notary Public · California Los Angeles County My Comm. Expires Dec. 25, 2013 NRO1

Signature Grace Lee

(Seal)

City of Moreno Valley
County of Riverside
State of California
(Government Code Section 66499.1)

Public Improvements $522,000

Project No. PA11-0009

Bond No. 105700018

Premium $2,088.00

Surety Travelers Casualty and Surety Company of America A+(XV) CA

Principal Kaiser Foundation Health Plan, Inc. & Kaiser Foundation Hospitals.

Address 205 Lennon Lane, Suite 201

Address 27300 Iris Avenue

City/Zip Walnut Creek, CA 94598

City/Zip Moreno Valley, CA 92555

WHEREAS, the City Council of the City of Moreno Valley, County of Riverside, State of California, and **Kaiser Foundation Health Plan, Inc. & Kaiser Foundation Hospitals**, (hereinafter designated as "Principal") have entered into, or are about to enter into the attached agreement whereby Principal agrees to install and complete the above-designated public improvements, relating to **PA11-0009**, which agreement is hereby referred to and made a part hereof; and,

WHEREAS, said principal is required under the terms of said agreement to furnish bond for the faithful performance of said agreement;

NOW, THEREFORE, we the Principal, and Travelers Casualty and Surety Company of Americaas Surety, A+(XV) CA are held and firmly bound to the City of Moreno Valley in the penal sum of **FIVE HUNDRED TWENTY-TWO THOUSAND AND NO/100** Dollars (*****$522,000.00*****), lawful money of the United States, for the payment of which sum will and truly to be made, we bind ourselves, our heirs, successors, executors and administrator, jointly and severally, firmly by these presents.

The condition of this obligation is such that if the above bonded Principal, his or its heirs, executors, administrators, successors, or assigns, shall in all things stand to and abide by, and well and truly keep and perform the covenants, conditions and provisions in the said agreement and any alteration thereof made as therein provided, on his or specified, and in all respects according to their true intent and meaning, and shall indemnify and save harmless the City of Moreno Valley, its officers, agents and employees, as therein stipulated, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

As part of the obligation secured hereby, and in addition to the face amount specified therefore, there shall be included costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by City in successfully enforcing such obligation, all to be taxed as costs and included in any judgment rendered.

FAITHFUL PERFORMANCE BOND (Page 2 of 2)
PROJECT NO. PA11-0009

The surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the agreement or to the work to be performed thereunder or the specifications accompanying the same shall in anywise affect its obligation on this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of the agreement or to the work or to the specifications. Surety further stipulates and agrees that the provisions of Section 2845 of the Civil Code are not a condition precedent to Surety's obligations hereunder and are hereby waived by Surety.

When the work covered by the agreement is complete, the City Council of the City of Moreno Valley will accept the work and thereupon the amount of the obligation of this bond is reduced by 90%, with the remaining 10% held as security for the one-year maintenance period provided for in the agreement(s).

IN WITNESS WHEREOF, this instrument has been duly executed by the Principal and Surety above named on April 23rd, 20 12.

MATERIAL AND LABOR BOND

City of Moreno Valley
County of Riverside
State of California
(Government Code Section 66499.2)

Public Improvements $261,000

Project No. PA11-0009

Bond No. 105700018

Premium Included in the performance bond

Surety Travelers Casualty and Surety Company of America A+(XV)CA

Principal Kaiser Foundation Health Plan, Inc. & Kaiser Foundation Hospitals.

Address 205 Lennon Lane, Suite 201

Address 27300 Iris Avenue

City/Zip Walnut Creek, CA 94598

City/Zip Moreno Valley, CA 92555

WHEREAS, the City Council of the City of Moreno Valley, County of Riverside, State of California, and **Kaiser Foundation Health Plan, Inc. & Kaiser Foundation Hospitals,** (hereinafter designated as "Principal") have entered into, or are about to enter into the attached agreement whereby Principal agrees to install and complete the above-designated public improvements, relating to **PA11-0009**, which agreement is hereby referred to and made a part hereof; and,

WHEREAS, under the terms of said agreement, principal is required before entering upon the performance of the work, to file a good and sufficient payment bond with the City of Moreno Valley to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California.

NOW, THEREFORE, we the Principal, and the undersigned as corporate Surety, are held and firmly bound unto the City of Moreno Valley and all contractors, subcontractors, laborers, material persons and other persons employed in the performance of the aforesaid agreement and referred to in the aforesaid Civil Code in the sum of **TWO HUNDRED SIXTY-ONE THOUSAND AND NO/100** Dollars (*****$261,000.00*****), lawful money of the United States, for materials furnished or labor thereon of any kind, or for amounts due under the Unemployment Insurance Act with respect to such work or labor, that said Surety will pay the same in an amount not exceeding the amount hereinabove set forth, also in case suit is brought upon this bond, will pay, in addition to the face amount hereof, costs and reasonable expenses and fees, including reasonable attorney's fees, incurred by City in successfully enforcing such obligation, to be awarded and fixed by the court, and to be taxed as costs and to be included in the judgement therein rendered.

It is hereby expressly stipulated and agreed that this bond shall inure to the benefit of any and all persons, companies and corporations entitled to file claims under Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code, so as to give a right of action to them or their assigns in any suit brought upon this bond.

CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Abdul Ahmad, Fire Chief

AGENDA DATE: June 26, 2012

TITLE: SECOND AMENDMENT TO THE INDEPENDENT CONTRACTOR AGREEMENT WITH DENNIS GRUBB & ASSOCIATES

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Approve the Second Amendment to the Independent Contractor Agreement between the City of Moreno Valley and Dennis Grubb & Associates, LLC;

2. Authorize the City Manager to execute the Second Amendment to the Independent Contractor Agreement between the City of Moreno Valley and Dennis Grubb & Associates, LLC; and

3. Authorize the City Manager to execute a Change Order to increase Purchase Order No. 41249 with Dennis Grubb & Associates, LLC in the amount of $25,000 for fire plan check services for a total not to exceed amount of $115,000 for Fiscal Year 2011/2012.

BACKGROUND

The City of Moreno Valley entered into an Independent Contractor Agreement with Dennis Grubb & Associates, LLC. on July 8, 2009. The initial agreement contained an annual not to exceed amount of $50,000 (Attachment A).

On January 18, 2011, Dennis Grubb & Associates, LLC. and the City amended the initial agreement to increase the annual not to exceed amount to $90,000 for fire plan check services. (Attachment B).

DISCUSSION

The number of plans submitted to the Fire Prevention Bureau for review and approval has increased 33% when comparing plan checks submitted from July 1, 2011 through May 15, 2012 to the same time period from the year before. This increase in the demand for fire plan check review has caused the City to reach the $90,000 limit of its Independent Contractor Agreement with Dennis Grubb & Associates, LLC. In order to continue to process plans in a timely manner, and to ensure that complex plan checks are accurately reviewed, the Fire Prevention Bureau is requesting a second amendment to the Independent Contractor Agreement (Attachment C) be approved by City Council, increasing the not to exceed amount to $115,000.

ALTERNATIVES

1. Approve the Second Amendment to the Independent Contractor Agreement between the City of Moreno Valley and Dennis Grubb & Associates, LLC; authorize the City Manager to execute the Second Amendment to the Independent Contractor Agreement between the City of Moreno Valley and Dennis Grubb & Associates, LLC in the form attached hereto; and Authorize the City Manager to execute a Change Order to increase Purchase Order No. 41249 with Dennis Grubb & Associates, LLC in the amount of $25,000 for fire plan check services for a total not to exceed amount of $115,000 for Fiscal Year 2011/2012. ***Staff recommends this alternative as it will ensure timely fire plan check services.***

2. Do not approve the Second Amendment to the Independent Contractor Agreement between the City of Moreno Valley and Dennis Grubb & Associates, LLC; do not authorize the City Manager to execute the Second Amendment to the Independent Contractor Agreement between the City of Moreno Valley and Dennis Grubb & Associates, LLC in the form attached hereto; and do not authorize the City Manager to execute a Change Order to increase Purchase Order No. 41249 with Dennis Grubb & Associates, LLC in the amount of $25,000 for fire plan check services for a total not to exceed amount of $115,000 for Fiscal Year 2011/2012.***Staff does not recommend this alternative as it could potentially delay plan checks.***

FISCAL IMPACT

The additional increase of $25,000 for the second amendment to Dennis Grubb & Associates, LLC. is already included in the existing approved budget for Fire Prevention Inspections - 011.45810.6255. There is no direct impact to the City's General Fund as costs for fire plan check services conducted by Dennis Grubb & Associates, LLC. are recovered from the applicant per the City's fee schedule. This fee, which is adopted annually by City Council, is the actual consultant cost plus a 20% administrative fee.

Original Contract $50,000
First Amendment $40,000
Second Amendment $25,000
Total..... $115,000

CITY COUNCIL GOALS

Public Safety. Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

Positive Environment. Create a positive environment for the development of Moreno Valley's future.

City of Moreno Valley

INDEPENDENT CONTRACTOR AGREEMENT

This Agreement is made by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and the following named independent contractor, hereinafter referred to as the "Contractor," based upon City policies and the following legal citations:

A. Government Code Section 53060 authorizes the engagement of persons to perform special services as independent contractors; and

B. The public interest, convenience, necessity and general welfare will be served by this Agreement.

This Agreement is made and entered into effective the date the City signs this Agreement.

1. **CONTRACTOR INFORMATION**:

Dennis Grubb and Associates LLC
12523 Limonite Ave., Ste. 440-102
Mira Loma, CA 91752
951-218-5482 (business) 951-681-6860 (fax)
Business License Number:
Federal Tax I.D. Number: 20-8680376

2. **CONTRACTOR SERVICES, FEES, AND RELEVANT DATES**:

A. The Contractor's scope of service is described in Exhibit "A" attached hereto and incorporated herein by this reference.
B. The City's responsibility, other than payment, is described in Exhibit "B" attached hereto and incorporated herein by this reference.
C. Payment terms are provided in Exhibit "C" attached hereto and incorporated herein by this reference.
D. Consultant fee schedule is provided in Exhibit "D " attached hereto and incorporated herein by this reference.
E. The Contractor Starting Date is July 1, 2009 and the Contractor Ending Date is June 30, 2012. The City acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

3. **STANDARD TERMS AND CONDITIONS**:

A. Control of Work. Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The City will not provide any training to Contractor or his/her/its employees.

B. Intent of Parties. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the City, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the City, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the City.

C. Subcontracting. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the City. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the City shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].

D. Legal Considerations. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.

E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City, the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's performance of the work contemplated by this Agreement. Acceptance of this Agreement signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.

F. City Indemnification. The City agrees to indemnify, defend and save the Contractor and its officers, agents and employees harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, RDA's and CSD's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the City under this Agreement, or are caused or claim to be caused by

the negligent acts of the City, RDA and CSD, their officers, agents or employees, or its subcontractor(s) or any person acting for the City or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.

G. Insurance Requirements. Where determined applicable by the City, Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

☒ General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, sub-Contractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Agreement and any extension thereof in the minimum amounts provided below:

Bodily Injury $1,000,000 per occurrence/ $2,000,000 aggregate
Property Damage $500,000 per occurrence/ $500,000 aggregate

☐ Professional Errors and Omission Insurance—such coverage shall not be less than $1,000,000 per claim and aggregate.

☒ Worker's Compensation Insurance—in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Contractor and the City, RDA, and CSD against any loss, claim or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Agreement.

☒ Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/CSD/RDA premises. Such coverage limits shall not be less than $500,000 combined single limit.

☐ Insurance requirements waived with Risk Manager's approval.

☐ Insurance requirements modified with Risk Manager's approval and attached hereto as Exhibit "D" and incorporated herein by this reference.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City Risk Manager prior to the execution of this Agreement. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

> Solely as respect to services done by or on behalf of the named insured for the City of Moreno Valley, it is agreed that the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, its officers, employees and agents, under any third party liability policy.

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail of amendment or cancellation to the City, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

H. Intellectual Property. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the City unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The City and the Contractor agree that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

I. Entire Agreement. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or

representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.

J. Termination. (a) The City may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the City. The City shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.

(b) Either party may terminate this Agreement for cause. In the event the City terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.

K. Payment. Payments to the Contractor pursuant to this Agreement will be reported to Federal and State taxing authorities as required. The City will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractors time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the City's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement.

L. Restrictions on City Employees. The Contractor shall not employ any City employee or official in the work performed pursuant to this Agreement. No officer or employee of the City shall have any financial interest in this Agreement in violation of federal, state, or local law.

M. Choice of Law and Venue. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.

EXHIBIT A

SCOPE OF WORK

A. The review of plans for any and all types of structures including, but not limited to, single family dwellings, multi-family dwellings, industrial and commercial buildings for compliance with all local ordinances and State and Federal laws pertaining to Fire and Building Safety, and for compliance with the adopted Fire, Building, Electrical and Mechanical Codes and adopted NFPA standards as mandated by State Title 24 and applicable ordinances.

B. The selected Consultant shall have on staff at all times, individuals who are experienced in building and fire requirements and related California Fire and Building Codes for commercial and residential design and plan review procedures. It is highly desirable that plan reviews be conducted by a Certified Plans Examiner or registered engineer.

C. Transportation of plans for the first check and for all subsequent re-checks between the City of Moreno Valley Fire Prevention Division and the Consultant's office where the plan check services will be completed.

D. The completion of plan review within the expected time frame. Standard first review is expected to be completed in a maximum of ten (10) working days from the date the Consultant receives the plans for review. Subsequent reviews are expected within ten (10) working days. Upon written request from the City, Consultants will also provide expedited building plan review. Expedited plans shall be reviewed in a maximum of seven (7) working days from the date the Consultant receives the plans.

E. The submittal of two complete, typed listings of all required plan corrections.

F. The arrangement and/or attendance at any required meetings connected with the plan review of a project.

G. The calculation and invoicing of all Fire plan check related fees.

H. This contract if for plan check services on an "as needed" basis. The City of Moreno Valley will use discretion regarding which plans will be reviewed by the consultant.

EXHIBIT B

CITY'S RESPONSIBILIES

A. Provide a copy of the Moreno Valley Fire and Building Code Ammendments.

B. Prepare all plans for shipping using consultant paid shipping account and process plans on behalf of the consultant when returned to City Hall.

C. Provide timely review, processing, and reasonably expeditious approval of all submittals by the consultant.

EXHIBIT C

TERMS OF PAYMENT

1. The Contractor's compensation shall not exceed $50,000.00 annually.

2. The Contractor's compensation shall be in accordance with the attached Fee Schedule labeled as Exhibit D

3. The Contractor shall submit to the City an original invoice identifying the name of the plans/project and any associated project numbers and the services performed. Each invoice must reference the appropriate Purchase Order number.

4. The City will review each invoice submitted by the Contractor, along with any accompanying required documentation in order to determine that the Contractor has properly invoiced, documented and executed the required services. Payment is made by the City within 30 days of approval of completed work.

5. Failure to comply with all requirements of this Agreement may result in non-payment for work performed.

EXHIBIT D

AMENDMENT TO PROFESSIONAL
SERVICES AGREEMENT
PROJECT NO. _____

This first Amendment to Agreement is made and entered into as of the date the City signs this Amendment by and between the City of Moreno Valley, California, a municipal corporation, hereinafter referred to as the "City", and Dennis Grubb & Associates, LLC, an independent contractor, hereinafter referred to as the "Contractor,"

RECITALS:

Whereas, the City and Contractor entered into an Agreement entitled "Independent Contractor Agreement," hereinafter referred to as "Agreement," dated July 8, 2009.

Whereas, the Contractor is providing Plan Check Services in the City of Moreno Valley, Riverside County, California.

Whereas, it is desirable to amend the Agreement to expand the scope of the work to be performed by the Contractor, as is more particularly described in Section 1 of this Amendment.

SECTION 1 AMENDMENT to ORIGINAL AGREEMENT:

1.1 Terms of Payment C-1 to the Agreement is hereby amended by changing the compensation amount to "Not-to-Exceed $90,000".

1.2 The City agrees to pay the Contractor and the Contractor agrees to receive a "Not-to-Exceed" fee of $90,000.00, in consideration of the Contractor's performance of the work set forth in Exhibit D to this Amendment and a City issued Change Order to the original Purchase Order.

SECTION 2

2.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Agreement shall remain in full force and effect.

SECOND AMENDMENT TO THE INDEPENDENT CONTRACTOR AGREEMENT BETWEEN THE CITY OF MORENO VALLEY AND DENNIS GRUBB & ASSOCIATES, LLC.

This Second Amendment to Agreement is by and between the CITY of MORENO VALLEY, a municipal corporation, hereinafter referred to as "City", and **Dennis Grubb & Associates, LLC (a California Sole Proprietorship, Corporation, Partnership)**, hereinafter referred to as the "Contractor",

RECITALS

Whereas, the City and Contractor entered into an Agreement entitled "Independent Contractor Agreement", hereinafter referred to as "Agreement," dated July 8, 2009.

Whereas, the Contractor is providing Plan Check Services in the City of Moreno Valley, Riverside County, California.

Whereas, it is desirable to amend the Agreement to expand the scope of work to be performed by the Contractor, as is more particularly described in Section 1 of this Amendment.

SECTION 1 AMENDMENT TO ORIGINAL AGREEMENT

1.1 Terms of Agreement, Exhibit C – 1 is hereby amended to "The Contractor's compensation shall not exceed $115,000 annually" ($50,000 for the original agreement plus $40,000 for the First Amendment to Agreement plus $25,000 for the Second Amendment to Agreement).

1.2 The City agree to pay the Contractor and the Contractor agrees to receive a "Not to exceed" fee of $115,000, in consideration of the Contractor's performance of the work set forth in Exhibit D to this Amendment and a City issued Change Order to the Original Purchase Order.

SECTION 2

2.1 Except as otherwise specifically provided in this Amendment, all other terms and conditions of the Agreement shall remain in full force and effect.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: WASTE MANAGEMENT OF THE INLAND EMPIRE FY 2012/2013 RATE ADJUSTMENT

RECOMMENDED ACTION

Staff recommends that the City Council approve the Waste Management of the Inland Empire proposed Fiscal Year (FY) 2012/2013 Rate Adjustment.

BACKGROUND

Waste Management of the Inland Empire has had an exclusive agreement with the City of Moreno Valley for the collection, transportation, recycling, and disposal of solid waste since April of 1991. The terms and conditions of the original contract were renegotiated and adopted on July 1, 2008. As part of this agreement, the Contractor Service Rates are to be adjusted annually to reflect changes in the Consumer Price Index (CPI), disposal (e.g. tipping fees or tonnage increases), changes in service, and extraordinary costs. The City Council has the authority to approve these annual rate adjustments.

DISCUSSION

The franchise agreement with Waste Management of the Inland Empire stipulates that an annual CPI adjustment shall be made effective the first day of July of each calendar year and other adjustments such as tipping fees, service costs, and extraordinary costs, shall be made effective as they occur. The agreement with Waste Management states that the CPI shall be derived by multiplying the service component (Waste Management's cost to provide service to Moreno Valley) by the percentage increased or decreased in the CPI for March of the immediate preceding year. The combination of a CPI adjustment for FY 2012/2013 of 2.02%, a 2.15% increase in Riverside County tipping fees, and the decrease in household disposal, results in a residential service component rate increase of $0.11 per month, per home.

This is inclusive of a $0.03 discount that has been applied to the disposal component to account for the 2012 estimated annual rebate amount for the bulky item program. This rebate is administered by the Riverside County Waste Management Department under a program initiated in 1999 that provides a rebate for waste service programs that include bulky item pick-up services. The net effect of the decreased pounds per household and bulky item rebate is a disposal component rate decrease of $0.20 per month, per home.

Accordingly, with a decrease in the disposal component of $0.20 and an increase in the residential service component of $0.31 per month, the new monthly residential rate reflects a total change of an increase of $0.11 and the new rate is $21.32.

Relative to commercial rates, the 2.15% increase in Riverside County tipping fees and the decrease in commercial disposal tonnage results in a commercial disposal component rate decrease of 5.6%. The service component has been revised to reflect bundled commercial trash/recycling service as directed by the City Council at the study session of March 20, 2012. The new combined rate provides a significant savings to customers maintaining the same overall capacity as compared to the cost of adding commercial recycling service to existing commercial trash service under the previous rate structure.

The new bundled rates were developed to comply with Assembly Bill 341 (AB341). AB341 requires businesses, public entities, and multi-family housing complexes to implement a recycling program. The recycling programs must be implemented by July 1, 2012. The goal of this legislation is to reduce commercial solid waste from landfills and reduce green house gas emissions.

The attached exhibit shows details of the proposed new fees for FY 2012/2013 for all classifications.

ALTERNATIVES

1. Approve the Waste Management of the Inland Empire proposed Fiscal Year (FY) 2012/2013 Rate Adjustment. *This would ensure compliance with the existing Waste Management Franchise Agreement.*

2. Do not approve the Waste Management of the Inland Empire proposed FY 2012/2013 Rate Adjustment. *This would result in non-compliance with the existing Waste Management Franchise Agreement and could result in Waste Management's inability to continue to perform their service as per the contract specifications.*

FISCAL IMPACT

The City receives a 12.13% franchise fee on all monies collected by Waste Management of the Inland Empire. Any increase or decrease in rates has a proportionate effect on revenues received by the City. Any decrease in the current rates would negatively affect the general fund.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

Publication of the City Council Agenda.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: AUTHORIZE ESTABLISHMENT OF THE KEEP MORENO VALLEY BEAUTIFUL PROGRAM

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Authorize the establishment of a Keep Moreno Valley Beautiful Program which will include becoming a Keep America Beautiful affiliate;
2. Approve the submission of a Keep America Beautiful affiliate application with Mayor's Letter of Endorsement; and
3. Authorize the use of Maintenance and Operations Division operational funds for the $4,000 start-up cost.

BACKGROUND

In 2010, the City of Moreno Valley was approached by Keep America Beautiful (KAB) staff regarding the opportunity to become an affiliate. City staff reviewed the program and its requirements and found that it aligned with current City programs, goals, and future direction.

KAB was founded in 1953. It is the largest volunteer based community action and education organization in the country with more than 1,000 affiliates (cities, counties, and non-profits) nationwide. Their areas of focus include: litter prevention, waste reduction and recycling, and beautification and improvement of public spaces. The mission of KAB is to inspire and engage individuals to take a greater responsibility for improving their community environments.

The establishment of a KAB affiliate program offers several key benefits. The national credibility of the KAB program will help improve the overall City image by readily identifying the City as a leader in environmental stewardship. Additionally, its goals are

consistent with maintaining a high quality of life for Moreno Valley residents and businesses. As an affiliate, the City would also be eligible to receive specialized grant funds and would receive national and state support from a network of established affiliates.

During the study session meeting of May 15, 2012, City Council directed Staff to proceed with the development of a Keep Moreno Valley Beautiful Program and establish an affiliation with the Keep America Beautiful organization.

DISCUSSION

The creation of a KMVB program will provide an umbrella for certain existing City of Moreno Valley environmental programs, such as: Adopt-A-Park, Adopt-A-Trail, Waste Management Litter Abatement Partnership, Weekend Weed and Litter Abatement Program, Earth Day Clean-up Event, Neighborhood Clean-up Program, Graffiti Removal Program, and the Illegal Dumping Program. It also allows for the opportunity to expand and include programs, such as Adopt-A-Street, Adopt-A-Landscape Maintained District (LMD) Area and other new grant funded programs. Multiple programs administered by various divisions now would be consolidated under one entity.

The cost for the program will be $4,000 for the start-up year and $350 each year to maintain the affiliation. The start-up costs include pre-certification training and support from the KAB national program staff.

The City has selected a Pre-Certification Team made up of City staff that will represent the various programs involved. The team is made up of City staff from the following divisions:

- Maintenance & Operations Division
- Special Districts Division
- Parks and Community Services Department
- Code and Neighborhood Services Division
- Land Development Division (NPDES Section)

This team will undergo training by KAB staff. The team will develop a community plan with the assistance of KAB national program staff. KAB's staff will also train the Pre-Certification Team on resources, leadership, and networking development. Each year this Team will be responsible to produce an annual report to help measure successes and assess the program.

The initial step to become a KAB affiliate is the submission of an application, including a Letter of Endorsement from the Mayor. The next step will be the initiation of the Pre-Certification process. Staff will bring a resolution and the community plan for Council review and approval once the Pre-Certification process has been completed.

ALTERNATIVES

Staff recommends that the City Council:

1. Authorize the establishment of a Keep Moreno Valley Beautiful Program which will include becoming a Keep America Beautiful affiliate; approve the submission of a KAB affiliate application with Mayor's Letter of Endorsement; and authorize the use of Maintenance and Operations Division operational funds for use of the $4,000 start-up cost. *This option would bring the existing City of Moreno Valley environmental programs together under a single overarching entity. This will allow for the City's programs to receive grant funds that are designated for affiliates of Keep America Beautiful and unify the theme/messaging of the City's various environmental programs.*

2. Do not authorize the establishment of a Keep Moreno Valley Beautiful Program which will include becoming a Keep America Beautiful affiliate. *This option would maintain the existing City of Moreno Valley environmental programs as separately administered and independent programs. This will limit the ability to receive grant funds that are designated for affiliates of Keep America Beautiful and the ability to create a unified theme/message for the City's various environmental programs.*

FISCAL IMPACT

The establishment of the Keep Moreno Valley Beautiful program would be $4,000 for start-up costs ($2,000 will be charged to 010.51510 and $2,000 will be charged to 121.55130) and $350 to maintain on a yearly basis. The cost would be paid for from Public Works Maintenance and Operations Division operational funds within current fiscal year appropriations.

CITY COUNCIL GOALS

Advocacy – Develop cooperative intergovernmental relationships and be a forceful advocate of City policies, objectives, and goals to appropriate external governments, agencies and corporations.

Positive Environment – Create a positive environment for the development of Moreno Valley's future.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

Application for Certification

Keep America Beautiful, Inc. is a non-profit organization whose network of local, statewide and international affiliate programs educates individuals about litter prevention, beautification and community improvement, and waste reduction. Through partnerships and strategic alliances with citizens, businesses and government, Keep America Beautiful's affiliates motivate millions of volunteers annually to clean up, beautify and improve their neighborhoods, thereby creating healthier, safer and more livable community environments.

June 26, 2012

To: Keep America Beautiful Executive Director

The City of Moreno Valley seeks to establish an affiliate program of the Keep America Beautiful national program. This undertaking was formally considered by the City Council at its Study Session meeting of May 15, 2012 and its Regular City Council meeting of June 26, 2012.

A cleaner community supports the quality of living goals of the City and supports the establishment and retention of businesses. To this end, I, Mayor Richard A. Stewart, endorse the establishment of the Keep Moreno Valley Beautiful program.

Sincerely,

Richard A. Stewart
Mayor of the City of Moreno Valley

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF THE INDIAN STREET BICYCLE LANES FROM IRIS AVENUE TO KATRINA AVENUE CONSTRUCTED BY ELITE COMPANIES US, INC. PROJECT NO. 11-12556331

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Indian Street Bicycle Lanes from Iris Avenue to Katrina Avenue, constructed by Elite Companies US, Inc., 15321 La Salle Lane, Huntington Beach, CA 92647.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County as required by Section 3093 of the California Civil Code.

3. Authorize the Financial & Administrative Services Director to release the retention to Elite Companies US, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project.

4. Accept the improvements into the City's maintained system.

BACKGROUND

The City received a Fiscal Year 2010/2011 Bicycle Transportation Account (BTA) grant from Caltrans to design and construct this project. On February 8, 2011, City Council accepted the BTA grant and appropriated funds for design and construction. On March 20, 2011, the City received a fully executed agreement with Caltrans to move the

project forward. Per the agreement, the City must complete the project prior to April 1, 2016 otherwise the project would not be eligible for reimbursement. The design and construction documents were prepared by in-house staff as a cost saving solution for the City. In October 2011, the Plans and Specifications were approved by the City Engineer, and the project was advertised for construction bids.

On December 13, 2011, the City Council awarded the construction contract and authorized the issuance of a Purchase Order in the amount of $115,280.10 (the bid amount plus 20% contingency) to Elite Companies US, Inc. for construction of the Indian Street Bicycle Lanes from Iris Avenue to Katrina Avenue. The construction work for this project began on January 4, 2012.

DISCUSSION

This project constructed Class II Bikeway Improvements on Indian Street between Iris Avenue and Katrina Avenue per the BTA grant. As a point of reference, a Class II Bikeway provides a striped lane for one-way bike travel on a street or highway. Specific work for this project consisted of the installation of new bike lane signs, pavement striping, bicycle detection at traffic signals, and additional pavement in areas to accommodate the bicycle lanes.

The Contractor completed the project at a total construction cost of $94,066.75 inclusive of Contract Change Order No. 1. The final contract total cost did not exceed the approved purchase order amount of $115,280.10. The project was completed on schedule, within budget, and in accordance with the project's contract documents.

ALTERNATIVES

1. Accept the work as complete for the Indian Street Bicycle Lanes from Iris Avenue to Katrina Avenue, constructed by Elite Companies US, Inc., 15321 La Salle Lane, Huntington Beach, CA 92647, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County as required by Section 3093 of the California Civil Code, authorize the Financial & Administrative Services Director to release the retention to Elite Companies US, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project, and accept the improvements into the City's maintained system. *This alternative will allow payment to the Contractor and acceptance of the improvements into the City's maintained system.*

2. Do not accept the work as complete for the Indian Street Bicycle Lanes from Iris Avenue to Katrina Avenue, constructed by Elite Companies US, Inc., 15321 La Salle Lane, Huntington Beach, CA 92647. *This alternative will result in delaying payment to the Contractor, delaying acceptance of the improvements into the City's maintained system, and incurring extra costs to the City.*

FISCAL IMPACT

The construction phase of this project is included in the Fiscal Year 2011/2012 Capital Improvements Plan Budget and is funded by Measure "A" (Fund 125). Caltrans will reimburse 90% of the eligible costs up to $152,458 per the BTA grant accepted by the City. The funding for this project is restricted to bicycle related improvements and cannot be used for operational activities. There is no impact to the General Fund.

FISCAL YEAR 2011/2012 BUDGETED FUNDS:

Indian Street Bicycle Lanes / Iris to Katrina (Account No. 125.56331)	$165,077
Total Funds Available	**$165,077**

FINAL DESIGN AND CONSTRUCTION RELATED COSTS:

Design Costs	$25,000
Contractor Construction Costs	$94,000
Construction Surveying Costs	$8,000
Construction Geotechnical Costs	$8,000
Project Administration and Inspection Services	$30,000
Total Project Costs	**$165,000**

CITY COUNCIL GOALS

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

SUMMARY

Elite Companies US, Inc. completed construction of the Indian Street Bicycle Lanes from Iris Avenue to Katrina Avenue on May 17, 2012. The City Council is requested to accept the work as complete, direct the recordation of the Notice of Completion, and accept the improvements into the City's maintained system.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: NOTICE OF COMPLETION AND ACCEPTANCE OF THE TRAFFIC SIGNAL IMPROVEMENTS FOR THE LASSELLE STREET AT MARGARET AVENUE INTERSECTION CONSTRUCTED BY J.F.L. ELECTRIC, INC. PROJECT NO. 10-12566630

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Accept the work as complete for the Traffic Signal Improvements for the Lasselle Street at Margaret Avenue Intersection constructed by J.F.L. Electric, Inc., 8257 Compton Avenue, Los Angeles, CA 90081.

2. Direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County as required by Section 3093 of the California Civil Code.

3. Authorize the Financial & Administrative Services Director to release the retention to J.F.L. Electric, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project.

4. Accept the improvements into the City's maintained system.

BACKGROUND

The design and construction documents were prepared by in-house staff as a cost saving solution for the City. In July 2011, the Plans and Specifications were approved by the City Engineer, and the project was advertised for construction bids.

On September 13, 2011, the City Council awarded the construction contract and authorized the issuance of a Purchase Order in the amount of $211,660.00 (the bid amount plus 20% contingency) to J.F.L. Electric, Inc. for construction of the Traffic Signal Improvements for the Lasselle Street at Margaret Avenue Intersection. The construction work for this project began on December 19, 2011.

DISCUSSION

This project installed a new traffic signal at the intersection of Lasselle Street at Margaret Avenue, adjacent to Vista Del Lago High School. The traffic signal accommodates pedestrians crossing Lasselle Street adjacent to the southerly driveway and pedestrian access gate to Vista Del Lago High School. The work also included the removal and construction of new asphalt concrete pavement, curb and gutter, sidewalk, and access ramps, as well as restriping of the intersection, and the installation of signage.

The project work by J.F.L. Electric, Inc. was completed on time in February of 2012. Due to a manufacturing defect in one of the traffic signal mast arms, a new mast arm had to be manufactured and was shipped in May of 2012. All project work was completed on May 8, 2012.

The Contractor completed the project at a total construction cost of $190,059.29 inclusive of Contract Change Order Nos. 1 and 2 (Final). The final contract total cost did not exceed the approved purchase order amount of $211,660.00. The project was completed on schedule, within budget, and in accordance with the project's contract documents.

ALTERNATIVES

1. Accept the work as complete for the Traffic Signal Improvements for the Lasselle Street at Margaret Avenue Intersection constructed by J.F.L. Electric, Inc., 8257 Compton Avenue, Los Angeles, CA 90081, direct the City Clerk to record the Notice of Completion within ten (10) calendar days at the office of the County Recorder of Riverside County as required by Section 3093 of the California Civil Code, authorize the Financial & Administrative Services Director to release the retention to J.F.L. Electric, Inc. thirty five (35) calendar days after the date of recordation of the Notice of Completion if no claims are filed against the project, and accept the improvements into the City's maintained system. *This alternative will allow payment to the Contractor and acceptance of the improvements into the City's maintained system.*

2. Do not accept the work as complete for the Traffic Signal Improvements for the Lasselle Street at Margaret Avenue Intersection constructed by J.F.L. Electric, Inc., 8257 Compton Avenue, Los Angeles, CA 90081. *This alternative will result in delaying payment to the Contractor, delaying acceptance of the improvements into the City's maintained system, and incurring extra costs to the City.*

FISCAL IMPACT

The construction phase of this project is included on Fiscal Year 2011/2012 Capital Improvements Project Budget and was financed by DIF Traffic Signal Capital Projects (Fund 417). The funding for this project is restricted to traffic signal capital and street improvements and cannot be used for operational activities. There is no impact to the General Fund.

FISCAL YEAR 2011/2012 BUDGETED FUNDS:

Lasselle Street/Margaret Avenue Traffic Signal (Account No. 417.79027).....	$272,000
Total Funds Available	$272,000

FINAL DESIGN AND CONSTRUCTION RELATED COSTS:

Design Completion and Utility Coordination	$6,000
Contractor Construction Costs	$190,000
Construction Surveying Costs	$8,000
Construction Geotechnical Costs	$4,000
City Furnished Equipment	$20,000
Project Administration and Inspection Services	$30,000
Total Project Costs.....	**$258,000**

CITY COUNCIL GOALS

POSITIVE ENVIRONMENT:
Create a positive environment for the development of Moreno Valley's future.

PUBLIC FACILITIES AND CAPITAL PROJECTS:
Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

SUMMARY

J.F.L. Electric, Inc. completed construction of the Traffic Signal Improvements for the Lasselle Street at Margaret Avenue Intersection on May 8, 2012. The City Council is requested to accept the work as complete, direct the recordation of the Notice of Completion, and accept the improvements into the City's maintained system.

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: June 26, 2012

TITLE: AUTHORIZATION TO CLOSE PUBLIC STREETS FOR THE INDEPENDENCE DAY FESTIVITIES ON WEDNESDAY, JULY 4, 2012

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Authorize the closure of the following streets between the hours of 6:00 a.m. and 12:00 noon for the purpose of conducting the Fourth of July Parade scheduled to take place on July 4, 2012.

    a. TownGate Boulevard between Frederick Street, Eucalyptus Avenue and Memorial Way;
    b. Frederick Street between Centerpointe Drive and Cactus Avenue;
    c. Cottonwood Avenue between Pan Am Boulevard and Dunhill Drive;
    d. Eucalyptus Avenue between Pan Am Boulevard and Kochi Drive;
    e. Dracaea Avenue between Pan Am Boulevard and Kochi Drive;
    f. Atlantic Circle east of Frederick Street;
    g. Brabham Street between Frederick Street and Andretti Street;
    h. TownGate Boulevard between Frederick Street and Heritage Way;
    i. Bay Avenue between Kristina Court and Courage Street;
    j. Alessandro Boulevard between Chagall Court and Elsworth Street;
    k. Alessandro Boulevard between Joy Street and Cactus Avenue;
    l. Resource Way between Frederick Street and Corporate Way;
    m. Corporate Way between Calle San Juan de Los Lagos and Resource Way;
    n. Eastridge Street between Frederick Street and Heritage Way;

Item No. B.3

o. Calle San Juan De Los Lagos between Frederick Street and Veterans Way;
p. Veterans Way between Business Center Drive and Alessandro Boulevard;
q. New Hope between Veterans Way and Elsworth;
r. Veterans Way between Cactus Avenue and Alessandro Boulevard, and
s. Heritage Way between TownGate Boulevard and Town Circle.

2. Authorize the closure of Dracaea Avenue between Morrison Street and Nason Street, between the hours of 6:00 a.m. on Tuesday, July 3, 2012 through 5:00 p.m. on Thursday, July 5, 2012 for the purpose of conducting the Fourth of July Festival and Fireworks Program scheduled to take place on July 4, 2012.

3. For a short period of time and immediately following the fireworks display, authorize one-way traffic on various streets in the vicinity of Morrison Park as directed by the Moreno Valley Police Department.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

For the past 25 years, the City has sponsored the Independence Day Celebration, which includes the parade, festivities, and fireworks program. The parade in 2010 was a success with more than 100 entries comprised largely of local businesses, church groups, youth groups, and other non-profit organizations. Approximately 7,000 spectators attended the 2010 Independence Day Parade.

The Independence Day Festival and Fireworks Display were also successful in attracting an estimated 20,000 spectators to Morrison Park and Mountain View Middle School. Those in attendance enjoyed the festival atmosphere throughout the day and the excitement of the fireworks display that evening.

Street closures for both the parade and the festival site are the same as those closures for the 2010 event.

DISCUSSION

Detailed below is the discussion of the events planned and the street closures for the Independence Day 2012 Program activities:

1. Parade Discussion

   The parade this year will take place on July 4, 2012. Parade participants will enter north onto Veterans Way from Golden Crest or Cactus Avenue and check in near San Juan De Los Lagos. Staging for the parade will take place on Calle

San Juan de Los Lagos, Corporate Way and Resource Way. The parade route will begin on Frederick Street at Alessandro Boulevard and go north on Frederick Street to TownGate Boulevard, turn west on TownGate Boulevard, turn north onto Heritage Way and disband into the parking lot located between the rear of the Burlington Coat Factory store and the theater in the TownGate Shopping Center. The parade will begin promptly at 9:30 a.m. and conclude prior to 12:00 noon.

The street closures being requested will allow sufficient time for safe passage during the event for all event participants and spectators. Traffic entering and/or leaving commercial establishments will be restricted during the parade. All barricades at intersections will be removed no later than 12:00 noon. Police officers will be stationed at the following major intersections for safety purposes.

- Cactus Avenue and Frederick Street
- Alessandro Boulevard and Frederick Street
- Cottonwood Avenue and Frederick Street
- Frederick Street and TownGate Boulevard
- TownGate Boulevard and Heritage Way
- Veterans Way and Alessandro Boulevard
- Heritage Way and Town Circle

2. Festival and Fireworks Display Discussion

Festivities will continue on July 4, 2012 from 2:00 p.m. to 10:00 p.m. with the Family Fun Fest activities at Mountain View Middle School/Morrison Park. Similar to the previous year's 2010 festival, the afternoon activities will be held at Mountain View Middle School and Morrison Park. Staff is anticipating approximately 20,000 spectators to attend the festivities. Gates open at 1:00 p.m. with the festival beginning at 2:00 p.m. There will be food, arts and crafts, game booths, clowns and entertainment. New this year will be a wine and beer garden. An entry may be charged to get into the festival, and there may be a minimal fee for the various activities, such as the bouncers and game booths.

A main stage and a youth stage will guarantee enjoyment for the entire family. There will be several entertainers this year. At 3:00 p.m., Moreno Valley IDOL takes the stage when finalists compete for Moreno Valley Idol. At 4:00 p.m., a performance by "Michael John's Tribute to Billy Joel," followed by "BELLA DONNA - A Tribute to Stevie Nicks and Fleetwood Mac," and then "The Joshua Tree – A Tribute to U2." As a grand finale, the event will conclude with a fireworks extravaganza at 9:00 p.m., which will be simulcast with patriotic music by KOLA (99.9 FM).

Presale tickets for the event are available at the Moreno Valley Conference and Recreation Center from June 11 to July 3. Cost is $2 per person or $10 for a family (up to 6 people). On July 4, entry is free between 1:00 p.m. and 4:00 pm.

After 4:00 p.m., entry fee is $3 per person. Military service members with valid identification and children under 5 are free.

We thank the following sponsors who have contributed to our celebration: KOLA 99.9, Moreno Valley Unified School District, Supervisor Marion Ashley, Budweiser, Pepsi, Accurate Accessories, and Waste Management.

Based on past years, the Moreno Valley Police Department and the Transportation Division are recommending closure of the previously mentioned streets to allow sufficient time for safe passage before, during and after the event for all event participants and spectators. Barricades placed at intersections designated for one-way traffic will be removed no later than 11:00 p.m. Police officers will be stationed at major intersections as directed by the Moreno Valley Police Department.

As part of the Fourth of July planning process, businesses and residents that are potentially affected by the street closures will receive written notification of the street closures scheduled to take place.

ALTERNATIVES

1. Approve street closures as outlined above.

2. Provide direction to staff on alternate parade route and/or street closures.

FISCAL IMPACT

The planning and coordination of this event began prior to FY 2012/13. Funds proposed for the Independence Day Celebration are allocated in the approved budget for the Moreno Valley Community Services District Zone A Fund (161.77310) for Fiscal Years 2011/12 and 2012/13. In an effort to offset expenditures, staff has been soliciting sponsors, an entry fee will be charged after 4 pm and there will be a beer garden.

CITY COUNCIL GOALS

Not applicable.

SUMMARY

The 2012 Independence Day festivities this year will take place on July 4, 2012. Staff is requesting that City Council authorize the street closures outlined above for the City's Independence Day Celebration. The parade street closures are similar to the street closures for the 2010 parade route. The parade will step off at 9:30 a.m. from Frederick Street, south of Alessandro Boulevard. The festival will be held at Mountain View Middle School and Morrison Park; street closures affected are adjacent to the festival site.

Report to City Council

TO: Mayor and City Council, acting in their capacity as President and Board of Directors of the Moreno Valley Community Services District

FROM: Michael J. McCarty, Director of Parks and Community Services

AGENDA DATE: June 26, 2012

TITLE: AMEND THE CONTRACT WITH THINK TOGETHER, INC., TO OPERATE DAY-TO-DAY ACTIVITIES AND FUNCTIONS INVOLVING THE CITY'S AFTER SCHOOL EDUCATION AND SAFETY (ASES) GRANT PROGRAM FOR FISCAL YEAR 2012-13

RECOMMENDED ACTION

Staff recommends that:

1. The City Council, acting in their capacity as President and Board of Directors of the Moreno Valley Community Services District, authorize the City Manager to amend the contract entered into with THINK TOGETHER Inc. on April 26, 2011, to operate day-to-day activities and functions of the City's Prop 49 state-funded ASES after school grant program, as reflected in Attachment A.

2. The City Council, acting in their capacity as President and Board of Directors of the Moreno Valley Community Services District, authorize the additional revenue and expense budgets in the STARS Program Grant Fund (Fund 162) for the ASES Grant Program in the amount of $262,941, respectively, upon approval of the contract amendment with Think Together, Inc.

BACKGROUND

The After School Learning and Safe Neighborhoods Partnership Program began in 1998. Proposition 49 was passed by California voters in 2002, changing the name to After School Education and Safety (ASES), which staff refers to as the STARS (Students, Teachers, Achieving, Real, Success) program, and effective July 1, 2006

increasing annual funding from $121 million up to $550 million. Applicants awarded an ASES grant receive a three-year renewable direct grant awarded in one-year increments.

As a result of staff's efforts to provide an increased level of service for Moreno Valley youth through diverse funding, staff submitted competitive grant applications in partnership with Moreno Valley Unified School District (MVUSD) and Val Verde Unified School District (VVUSD) to the After School Partnerships Office, CDE. The City of Moreno Valley is the fiscal agent for the grant. The City of Moreno Valley Parks and Community Services Department received a three-year direct grant that was awarded in three one-year increments of $4,950,000 from the State Department of Education. Grant funding has been reduced since 2006 directly relating to participation numbers and as a result, $4,296,909 is available for the period FY2011-12. The program is currently funded through June 2013.

A two year contract with THINK Together was approved on April 26, 2011 in the amount of $4,296,909 per year to operate the City's ASES grant program for 2011 through 2013.

DISCUSSION

THINK Together has successfully provided comprehensive After School Programming, serving the City's After School Education and Safety Grant (ASES) at 43 sites in MVUSD and VVUSD for the 2011-2012 school year. Attendance increased and there were waiting lists at several of the school sites.

Due to the increased attendance, Parks and Community Services requested permission to apply for additional ASES funding in order to serve more students. On January 10, 2012 Council approved the request to apply for additional funding.

The California Department of Education posted the funding results on May 10, 2012. Funding was available to award grants to one fifth of the applicants. The City of Moreno Valley will receive $262,941 to increase the number of students served at eleven school sites for fiscal year 2012-13.

Attachment A is the amended payment schedule for the THINK Together contract. Also, due to staffing changes with THINK Together, an additional $15,175 will revert back to the City per the benefit allowance agreement on page 3 of the contract.

ALTERNATIVES

1. Authorize the City Manager to amend the contract with THINK Together Inc., to operate day-to-day activities and functions of the City's Prop 49 state-funded ASES after school grant program, as outlined within this document.

2. Do not authorize amendment to the contract and provide direction to staff.

FISCAL IMPACT

This amendment will increase the amount for administration of the contract by $15,175 (16215); $247,766 will be added to Other Contractual - Other (16215.6291.293). All grant funds must be used for ASES Grant Expenditures.

Additional Appropriations:

FUND	BUSINESS UNIT	TYPE	AMOUNT
STARS GRANT FUND (162)	1280.4611 (ASES Grant Revenue)	REV	$262,941.00
STARS GRANT FUND (162)	16215 (ASES Program Grant)	EXP	$262,941.00

SUMMARY

Parks and Community Services Department staff believe that increasing the contract amount with THINK Together is in the best interest of the City. This will allow the City to serve approximately 195 more students. Not only do after school programs offer constructive alternatives to gangs, drugs, and crime, but can also help improve school day attendance, increase academic achievement, and boost graduation rates.

ATTACHMENT A

AMENDMENT TO
THINK TOGETHER, INC. CONTRACT

This First Amendment to the THINK Together, Inc., Contract is made and entered into between the Community Services District of the City of Moreno Valley (hereinafter referred to as "CSD"), and THINK Together, Inc. (hereinafter referred to as "Contractor") and is effective the date the CSD Signs this Amendment.

Whereas, the CSD and Contractor entered into an Agreement dated July 13, 2011.

Whereas, the Contractor is providing operation of the After School Education and Safety Grant Program (ASES).

Whereas, the CSD received additional ASES Grant funding to serve additional students.

Whereas, the Contractor desires to serve additional students.

Section 1 – Amendment to THINK Together, Inc., Contract.

1.1 Contractor will service additional students for 2012-13 school year according to the ASES Grant requirements.

1.2 Pursuant to Page 3 of the Agreement, the Contractor will not pay the monthly benefit allowance of $1,264.58 to the Program Supervisor position and the annual amount of $15,175 will revert back to the CSD. Schedule B has been revised to reflect this change, attached hereto.

1.3 Pursuant to Page 4 of the Agreement, the Contractor's compensation shall be changed to 100% of the grant award from California Department of Education (CDE), less $115,175 for administrative costs, according to Schedule A, attached hereto.

Section 2 – Other Terms to Remain

2.1 Except as otherwise specifically provided in this Amendment, the terms and conditions of the Contract shall remain in full force and effect.

IN WITNESS HEREOF, the parties have each caused their authorized representative to execute this Contract.

Report to City Council

TO: Mayor and City Council

FROM: Barry Foster, Community & Economic Development Director

AGENDA DATE: June 26, 2012

TITLE: A PUBLIC HEARING REGARDING PA10-0030, AN AMENDMENT TO TITLE 9 OF THE MUNICIPAL CODE REGULATIONS TO: (1) ADOPT WRCOG GOOD NEIGHBOR GUIDELINES; (2) REVISE PARKING STANDARDS FOR RESTAURANTS; (3) REDUCE COMMUNITY COMMERCIAL (CC) FRONT AND STREET SIDE BUILDING SETBACKS, AND OTHER REVISIONS TO PARKING AND LANDSCAPE SETBACKS; (4) PROVIDE FOR PARKING LOT MAINTENANCE STANDARDS; AND (5) AMEND THE GENERAL PARKING DESIGN STANDARD TO REVISE SAFETY FEATURES AND DRIVE AISLES WIDTHS.

RECOMMENDED ACTION

Staff recommends that the City Council:

1. **RECOGNIZE** that PA10-0030 is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061 of the CEQA Guidelines; and

2. **INTRODUCE** Ordinance No. 849, thereby approving PA10-0030, amending various sections of Title 9 of the City of Moreno Valley Municipal Code. (Attachment 2)

ADVISORY BOARD/COMMISSION RECOMMENDATION

The Planning Commission, at its March 8, 2012, meeting approved Planning Commission Resolution 2012-04, recommending by a 6-0 (1 absent) vote that the City Council recognize that PA10-0030 (Municipal Code Amendment) qualifies as an exemption in accordance with CEQA Guidelines, Section15061 (Minor Alterations in

Land Use Limitation) as defined by Section 15378, and approve PA10-0030 (Municipal Code Amendment).

BACKGROUND

The proposed changes were the result of issues and concerns that have arisen over the past few years. Some of the proposed changes are due to Planning Commission requests, and others are staff generated to address changes in development practices, and to provide greater clarity of city regulations and to encourage reduced air emissions and greater land use efficiency and therefore reduced energy use City-wide. This effort has been funded by the City's Federal Energy Efficiency Grant.

DISCUSSION

During the Planning Commission Hearing, the Commission voted to approve the item with some discussion on a couple of the code amendments. There was discussion of issue 4 on the possibility of rewording the language of Topping of Trees in the Tree Preservation and Maintenance section. It was suggested that the word "destructive" be added in front of "topping of trees is prohibited", after discussion and clarification amongst the commissioners and staff, no rewording of issue 4 was motioned. In addition to the proposed code amendments one Commissioner noticed that the diagonal parking measurement was not accurate in Figure 9.11.080-5. Staff agreed that the figure is not accurate, and staff has deleted the "16 feet" from the diagonal parking dimension in Figure 9.11.080-5. Overall the Planning commission was in support of the proposed municipal code amendments.

This proposed amendment would modify various provisions of the Municipal Code and entire amendment is located on Attachment 3. Below is a summary of the items, with more detail provided in the attached Planning Commission report. If adopted, it would create or change the regulations concerning:

1. Adopting WRCOG Good Neighbor Guidelines.

   The addition of the Good Neighbor Guidelines has been suggested to help minimize the impacts of diesel particulate matter (PM) from on-road trucks associated with warehouses and distribution centers on sensitive receptors within the City of Moreno Valley. The following are the standards from WRCOG that staff suggests be adopted:

   A. Minimize exposure to diesel emissions to neighbors that are situated in close proximity to the warehouse/distribution center.

   B Eliminate diesel trucks from unnecessarily traversing through residential neighborhoods.

   C. Eliminate trucks from using residential areas and repairing vehicles on the streets.

D. Reduce and/or eliminate diesel idling within the warehouse/distribution center.

2. Parking Standards for Restaurants.

Revisions to Section 9.11.040 have been made to better address the standard parking requirement for eating and drinking establishments within shopping centers of 25,000 square feet of building area or greater. The proposed standard would reduce the required parking for restaurant space equaling up to 15% of the shopping center building square footage, which has been shown to be accommodated with adequate parking at the lower retail parking standard. The proposed standard would permit greater building area and/or less impervious paved areas.

3. Reduction of (CC) Community Commercial front and street side building setbacks, and revisions to parking and landscape setbacks.

Several years ago, the Planning Commission asked staff to review other cities setback requirements in the Community Commercial (CC) and Neighborhood Commercial (NC) zones. Staff recommends that the CC front building setback be amended from 20 feet to 10 feet, and that the side street building setback be amended from 20 feet to10 feet. In the NC zone staff recommends that the setback not change and keep the existing 20 foot front and street side setback. Additionally we have added * in regards to a setback based on building height. Based on staff research we recommend that the building play more of a prominent roll in the development of the site layout. Therefore we have revised the parking area to have the same minimum setback as the building setback, or in the case of the CC zone have the parking be set back further than the building setback. In keeping with the building playing more of a prominent role in site layout staff has eliminating the 10 feet and 10 feet landscape option, and replacing it with a 15 feet landscape depth requirement between the property line and parking area on the parking side street setback and 20 feet on the parking front street setback.

4. Provide for parking lot maintenance standards, banning “topping” of trees.

Revisions to Section 9.17.030 have been made in order to address the practice of topping of trees, which prevents the development of adequate tree canopy to provide the shading required by the Municipal Code. The practice of topping prohibits trees from growing naturally or reaching maturity and fulfilling the code requirement. In association with the new Tree Preservation and Maintenance portion of the code we have added a Heritage Trees section to help preserve mature and historical trees in our City. Staff has researched other cities that have adopted similar tree preservation ordnances.

5. Amend the General Parking Design Standard with revised safety features and 24 foot wide drive aisles.

Revisions to Section 9.11.080 have been made in order to make parking design safer and consistent with current traffic engineering standards. The standard improvements safety features of parking lot design have been revised and Table 9.11.080-13 has revised driveway and aisle dimensions.

ALTERNATIVES

1. Approve the proposal as submitted.
2. Approve the proposal with modifications to address City Council concerns.
3. Refer the proposal back to the Planning Commission.
4. Deny the proposal.

NOTICE
OF
CITY COUNCIL
PUBLIC HEARING

THE CITY COUNCIL WILL CONSIDER A MUNICIPAL CODE AMENDMENT (PA10-0030) FOR THE AMENDMENT OF THE MUNICIPAL CODE REGULATIONS REGARDING: (1) WRCOG GOOD NEIGHBOR GUIDELINES. (2) PARKING STANDARDS FOR RESTAURANTS IN SHOPPING CENTERS. (3) COMMUNITY COMMERCIAL LAND USE ZONE (CC) FRONT AND STREET SIDE BUILDING SETBACKS, AND PARKING AND LANDSCAPE SETBACKS. (4) PARKING LOT MAINTENANCE STANDARD TO BAN "TOPPING" OF TREES; AND (5) GENERAL PARKING DESIGN STANDARDS FOR SAFETY FEATURES AND 24 FOOT WIDE DRIVE AISLES.

The proposed Municipal Code Amendment (PA10-0030) modifies various provisions listed above. The modifications eliminate conflicts and clarify the meaning of the above mentioned sections.

The project is exempt from the California Environmental Quality Act (CEQA) in accordance with Section 15061 of the CEQA Guidelines. The amendment does not have the potential to cause a significant effect on the environment.

The City Council may consider any appropriate modifications or alternatives to the amendment or the environmental determination. Any person concerned about the proposal may submit written comments to the Planning Division prior to the hearing date listed below. Any person may appear and be heard in support or opposition to the project or the environmental determination at the time of the hearing. Any person interested in the proposed project may contact Gabriel Diaz, Associate Planner at (951) 413-3206 or at the Community & Economic Development Department at 14177 Frederick Street, Moreno Valley, California, during normal business hours (7:30 a.m. to 5:30 p.m., Monday – Thursday).

If you challenge any of these items in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the City Council on or before the following meeting date:

Tuesday,
June 26, 2012
6:30 P.M. or thereafter

ORDINANCE NO. 849

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING THE MORENO VALLEY MUNICIPAL CODE REGULATIONS REGARDING: (1) ADOPTING WRCOG GOOD NEIGHBOR GUIDELINES; (2) REVISED PARKING STANDARDS FOR RESTAURANTS; (3) REDUCTION OF (CC) COMMUNITY COMMERCIAL FRONT AND STREET SIDE BUILDING SETBACKS, AND REVISIONS TO PARKING AND LANDSCAPE SETBACKS; (4) PROVIDE FOR PARKING LOT MAINTENANCE STANDARDS, BANNING "TOPPING" OF TREES; AND (5) AMEND THE GENERAL PARKING DESIGN STANDARD WITH REVISED SAFETY FEATURES AND 24 FOOT WIDE DRIVE AISLES.

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1. FINDINGS:

Based on substantial evidence presented to this City Council during its public hearing on June 26, 2012, including written and oral staff reports and the record from the public hearing, this City Council hereby finds as follows:

A. Conformance with General Plan – The proposed amendment is consistent with the General Plan and its goals, objectives, policies and programs.

FACT: All of the proposed changes are consistent with, and do not conflict with the goals, objectives, policies, and programs established within the General Plan or any specific plan. The amendments modify various provisions of the Municipal Code regarding: (1) Adopting WRCOG Good Neighbor Guidelines with amendments to address air quality; (2) Reducing the minimum restaurant parking space requirement within shopping centers greater than 25,000 square feet of building area where restaurant space is less than 15% of the shopping center square footage; (3) Recommending that the (CC) Community Commercial front and street side building setbacks be reduced, while maintaining a greater setback for parking than for buildings and eliminating the 10 feet and 10 feet landscape option, and replacing it with a 15 feet landscape depth requirement between the property line and parking area on the parking side street setback and 20 feet on the parking front street setback; (4) Providing for a parking lot maintenance standard including the banning of "topping" of trees; and (5) Amending the General Parking Design Standard with revised safety features and 24 foot maximum wide drive aisles. The modifications are aimed at reducing the environmental impact of new and existing development by increased attention on post-construction operational issues, increased efficiency in site development and decreased energy usage.

B. Health, Safety and Welfare – The proposed amendment will not adversely affect the public health, safety or general welfare.

FACT: The proposed changes do not have the potential of adversely affecting the public health, safety or welfare of the residents of the City of Moreno Valley or surrounding jurisdictions. The amendment deals with administrative matters that would not cause a physical effect on the environment. Amendments like the Good Neighbor Guidelines and amendments that make development more efficient only improve the Health, Safety and Welfare.

C. Conformance with Intent of Zoning Regulations – The proposed amendments is consistent with the purposes and intent of Title 9 of the Municipal Code.

FACT: The amendments to the Municipal Code provides for an internally consistent set of regulations that are compatible with the purpose and intent of Title 9. The proposed changes eliminate conflicts or clarify the meaning of some sections of Title 9. As such, it furthers the specific purpose and intent of Title 9 to "implement the goals, objectives, policies and programs of the Moreno Valley General Plan and manage future growth and change in accordance with that plan."

SECTION 2 MUNICIPAL CODE AMENDMENT:

2.1 Section 9.05.050 of Chapter 9.05 of the City of Moreno Valley Municipal Code is hereby added as follows:

Chapter 9.05 INDUSTRIAL DISTRICTS

Sections:
9.05.010 Purpose and intent.
9.05.020 Industrial districts.
9.05.030 Permitted uses for industrial districts.
9.05.040 Industrial site development standards.
9.05.050 Good Neighbor Guidelines

9.05.050 Good Neighbor Guidelines for Warehouse Distribution Facilities.

In September, 2005, the Western Riverside Council of Governments (WRCOG) and the Regional Air Quality Task Force (RAQTF) approved the *Good Neighbor Guidelines For Siting New and/or Modified Warehouse/Distribution Facilities*. The Good Neighbor Guidelines used in this section are a modified version of the WRCOG's RAQTF Guidelines. The modified version includes goals and strategies that fit the specific needs of the City of Moreno Valley.

These "Good Neighbor Guidelines for Siting New and/or Modified Warehouse/Distribution Facilities," (referred to as "Good Neighbor Guidelines") assist planning departments, developers, property owners, elected officials, community organizations, and the general public as a tool to potentially help address some of the complicated choices associated with permitting warehouse/distribution facilities and understanding the options available when addressing environmental issues. These Good Neighbor Guidelines are designed to help minimize the impacts of diesel particulate matter (PM) from on-road trucks associated with warehouses and distribution centers on sensitive receptors located within the City of Moreno Valley. Sensitive receptors include residential neighborhoods, schools, parks, playgrounds, day care centers, nursing homes, hospitals, and other public places where residents are most likely to spend time.

For the purpose of these Guidelines, warehouse/distribution center means a building used for the storage, receiving, shipping, or wholesaling of goods and merchandise, and any incidental or accessory activities that is greater than 650,000 square feet. This shall be cumulative to include multiple warehouse buildings deemed as part of a project or a phased project exceeding a combined total building area of 650,000 square feet. For the purpose of these Guidelines, a warehouse and distribution center is not intended to include "big box" discount or warehouse stores that sell retail goods, merchandise or equipment, or storage and mini-storage facilities that are offered for rent or lease to the general public.

A. Minimize exposure to diesel emissions to neighbors that are situated in close proximity to the warehouse/distribution center by using the following strategies:

1. To the extent possible, locate driveways, loading docks and internal circulation routes away from residential uses or any other sensitive receptors.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.2 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any vacant lot or unimproved nonresidential property in the City.

3. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.5 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds within any commercially zoned property for the purpose other than doing business at the site, and or remaining parked or standing for longer than reasonably appropriate to do such business acts related to such business operations.

4. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.8 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any highway, street or road which is adjacent to a parcel upon which there exists a public facility.

5. Enforce compliance with Moreno Valley Municipal Code Section 9.10.150 – "Odors" no operation or activity shall be permitted which emits odorous gases or other odorous matter in such quantities as to be dangerous, injurious, noxious, or otherwise

objectionable to a level that is detectable with or without the aid of instruments at or beyond the lot line of the property containing said operation or activity.

B Eliminate diesel trucks from unnecessarily traversing through residential neighborhoods by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.36.030 – "Designation of Truck Routes" the city traffic engineer shall erect appropriate signs designating the affected street or portion thereof.
2. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.1 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any highway, street, road, alley or private property within any residential district within the city.
3. Required warehouse/distribution centers to establish a specific truck route and post signage between the warehouse/distribution center and the freeway and/or primary access arterial that achieves the objective.
4. Require warehouse/distribution centers to provide signage or flyers identifying where food, lodging and entertainment can be found, when it is not available on site.

C. Eliminate trucks from using residential areas and repairing vehicles on the streets by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.A.4. – "Parking Prohibitions or Restrictions" It is unlawful to park or leave standing any vehicle on any highway, street, road or alley within the city for the purpose of servicing or repairing such vehicle except when necessitated by an emergency.
2. Allow warehouse/distribution facilities to establish an area within the facility for repairs.

D. Reduce and/or eliminate diesel idling within the warehouse/distribution center by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.C – "Parking Prohibitions or Restrictions" while adjacent to a developed residential area, the operator shall not idle the vehicle's engine for longer than fifteen (15) minutes.
2. Enforce compliance with Moreno Valley Municipal Code Section 12.50.040.A.1 – "Idling Limitation" a driver of a vehicle must turn off the engine upon stopping at a destination.
3. Enforce compliance with Moreno Valley Municipal Code Section 12.50.040.C – "Idling Limitation" an equipment operator of a TRU (Transportation Refrigeration Unit) must not cause or allow a TRU to operate while stationary unless the vehicle is lawfully parked at a location approved for truck parking by this code and not within five hundred (500) feet of a school unless the operator is actively engaged in the process of loading or unloading cargo or is waiting in a queue to load or unload cargo for a period not to exceed two hours.
4. Enforce compliance with Moreno Valley Municipal Code Section 12.50.060.D – "Relationship to other laws" nothing in this chapter allows idling in excess

of other applicable laws, including, but not limited to any other local, state or federal law or regulation as stringent as, or more stringent than this chapter.

5. Future tenant improvements involving conversion of a warehouse for refrigeration storage shall include electrical hookups for refrigeration units.

6. Promote the installation of on-site electric hook-ups to eliminate the idling of main and auxiliary engines during loading and unloading of cargo and when trucks are not in use.

2.2 Table 9.11.040B-12 of Section 9.11.040 of Chapter 9.11 of the City of Moreno Valley Municipal Code is hereby amended as follows:

Table 9.11.040B-12
Off-Street Parking Requirements

Commercial Uses	Requirement	Notes
General retail (unless specified elsewhere)	1/225 sq. ft. of gross floor area	
Eating and drinking establishments	1/100 sq. ft. of gross floor area up to 6,000 sq. ft. 1/75 sq. ft. of gross floor area over 6,000 sq. ft.	A minimum of 10 spaces required for stand alone use.
Eating and drinking establishments within shopping centers of 25,000 square feet of building area or greater.	1/225 sq. ft. of gross floor area up to 15% of the shopping center gross building square footage. 1/100 sq. ft. of gross floor area over the 15%.	Example a 25,000s.f. Shopping Center. 15% of Shopping Center = 3,750s.f. is calculated at 1/225. 3,750/225 = 17. Any restaurant space over 3,750s.f. is calculated at 1/100. 2000/100 =20

2.3 Table 9.04.040-7 of Section 9.04.040 of Chapter 9.04 of the City of Moreno Valley Municipal Code is hereby amended as follows:

9.04.040 Commercial site development standards.

A. General Requirements. The following table sets forth minimum site development standards for all commercial and office zones. All sites shall conform to the dimensions set forth in this section. A development or center may, however, be a combination of

many parcels totaling at least the required site size, but its design must be integrated and unified. In addition, projects must comply with the special requirements enumerated in Section 9.04.040(B), the performance standards included in Chapter 9.10 and any other applicable city ordinances, policies, and programs.

Table 9.04.040-7

Commercial Site Development Minimum Standards

	Requirement	O	OC	VC	NC	CC
1	Minimum site area	10K[1]	10K	10K	10K	1ac[2]
2	Minimum site width, in feet	100	100	100	100	200
3	Minimum site depth, in feet	100	100	100	100	175
4	Front building setback, in feet[3]	20*	20*	20*	20*	10*
5	Side street building setback area, street sides, in feet[3]	20*	20*	20*	20*	10*
6	Lot coverage, maximum	60%	60%	—	—	—
7	Building height, in feet, maximum	See Special Requirements				
8	Parking front street setback, in feet[3]	20	20	20	20	20
9	Parking side street setback, in feet[3]	15	15	15	15	15

	Requirement	O	OC	VC	NC	CC
10	Setback landscaping	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas

[1] The term “K” means one thousand (1,000).

[2] The term “ac” means acre or acres.

[3] Measured from property line after dedications for public rights-of-way.

* Building areas above 30 feet shall be setback an additional 5 feet for every 10 feet of additional structure height unless otherwise approved by the Planning Commission.

On legal lots of record existing immediately prior to the date of adoption of this title, and which otherwise comply with all other provisions in this title and with all land use regulations existing immediately prior to adoption of this title, if any of such lots contain less than the minimum depths required by this section they need not provide a front building setback or landscaping greater than twenty (20) percent of the depth of the property (excluding right-of-way area). The creation of new lots within these districts shall conform to these minimum dimensions, except in the case of condominium lots or lots within an integrated commercial center containing shared parking and access, in which case no minimums are established. Parcels created within integrated commercial centers are exempt from the site development standards stated herein, as they relate to minimum site areas, and minimum lot width and depth, as long as a conceptual development plan for the entire center has been developed and approved and if appropriate easements for reciprocal access parking and maintenance are provided.

B. Special Requirements.

1. Wherever a lot in any commercial district abuts a lot in any residential district, a minimum setback equal to the building height, but not less than ten (10) feet shall be required. A minimum of ten (10) feet nearest the district boundary line shall be landscaped.

2. Where off-street parking areas or drive-through aisles in commercial districts are situated so as to be visible from any street, screening in the form of a landscaped earthen berm, shrubs, or decorative wall three feet in height shall be erected between the street and the parking area.

3. In all commercial districts, required front building setback areas shall be landscaped. Such landscaping shall consist predominantly of plant materials except for necessary walks and drives.

4. Required rear and interior side building setback areas in any commercial district shall be used only for landscaping, pedestrian walkways, driveways, off-street parking or loading, recreational activities or facilities, and similar accessory activities.

5. In the office commercial district, all nonoffice uses permitted shall be supportive of office-based development. (See Table 9.02.020-1)

6. In the office commercial district, all commercial and retail activities, other than offices, shall be limited to no more than twenty-five (25) percent of the square footage of any building. In the case of a mixed use development, no more than twenty-five (25) percent of the total square footage of all buildings shall be devoted to commercial/retail uses, with the remaining seventy-five (75) percent to be utilized for office.

7. Parking for each use shall comply with the requirements of Chapter 9.11.

8. Except as otherwise specified in this section, structures shall be constructed either on the property line or be set back at least three feet from the rear or interior side property line. (Ord. 643 § 2.1, 2003; Ord. 616 §§ 2.2.3, 2.2.4, 2003; Ord. 590 § 2 (part), 2001; Ord. 560 § 2.1, 2000; Ord. 497 § 1.4, 1996; Ord. 359 (part), 1992).

2.4 Section 9.17.030 of Chapter 9.17 of the City of Moreno Valley Municipal Code is hereby amended as follows:

9.17.030 Landscape and irrigation design standards.

A. General. The landscape plans shall incorporate low water use plants, turf trees and ground covers adaptable to the area. A list of plants may be found in the county of Riverside's Guide to California Friendly Landscaping that provides a variety of options to meet the drought tolerant needs of the area while ensuring an aesthetically pleasing landscape. Plants not on the list may be used providing the water consumption does not exceed the project's water budget. Consideration should be given to climate, soil types and topographic conditions. Landscapes should group plants using similar watering patterns to eliminate over watering and provide irrigation watering zones of similar use.

The irrigation systems shall be installed using water-conserving equipment including the installation of bubblers, drip systems, low volume sprays and smart irrigation controls. Smart irrigation controls are sensitive to the changing weather patterns and adjust watering cycles automatically to reduce water usage during colder/rainy weather. A water budget shall be completed that meets Eastern Municipal Water District guidelines and submitted with the landscape plans. Based on the landscape design, the water budget will determine the landscape's water demand. Once

calculated, the annual maximum allowable water budget (AMAWB) is compared to the estimated annual water use (EAWU) to ensure the design does not exceed the allowed water use.

Projects shall be designed to capture and retain storm water onsite to improve water use efficiency and water quality. The use of reclaimed water is encouraged. Contact Eastern Municipal Water District for availability.

B. Plan Design Standards. The following design standards are required on all landscape plan submittals:

1. Final landscape and irrigation plans shall be based on the approved site plan and/or the final grading plan for the project.

2. Final landscape and irrigation plans for all projects, with more than one thousand (1,000) SF of landscaped area, except custom homes or projects designed in-house by the public works department or parks and community services department, shall be designed (and wet stamped/certified) by a California state licensed architect, civil engineer or landscape architect. All non-residential projects with one thousand (1,000) square feet or less of landscaped areas shall provide landscape and irrigation plans certified by a certified irrigation designer.

3. Minimum scale is one inch = twenty (20) feet. A smaller scale may be used with prior approval by the city. Standard sheet size is twenty-four (24) inches by thirty-six (36) inches.

4. Existing vegetation shall be retained on any portion of a development not designated for grading or construction, unless otherwise approved or required by the city.

5. Landscape shall include drought-tolerant plants and water conservation principles.

6. All soil surfaces in landscape areas shall be covered with plant materials, walkways or mulch (organic or inorganic).

7. Ground-mounted equipment (e.g., transformers and back flow preventers) shall be screened with landscaping or screening walls, allowing for adequate access for equipment maintenance.

8. Trash enclosures are screened with at least three feet of landscaping on three sides.

9. Unimproved areas are maintained in a weed-free condition, and may require temporary landscape and irrigation.

10. All nonturf landscape areas are covered with a minimum of three inches of mulch following installation, unless otherwise approved by the city.

11. Native or low-water use plant materials shall be used. The use of invasive plants should be avoided. (See the California Invasive Plant Inventory by the California Invasive Plant Council www.cal-ipc.org). No invasive plants are permitted adjacent to Multi-Species Habitat Conservation Plan conservation areas.

12. Water budgets that meet Eastern Municipal Water District guidelines shall be attached to plan submittal. Obtain water budget information from Eastern Municipal Water District.

13. Water budgets are subject to approval by Eastern Municipal Water District. The city of Moreno Valley will cooperate with Eastern Municipal Water District in monitoring to the extent practicable.

14. Irrigation systems shall be designed, maintained and managed to meet the current irrigation efficiency standard as determined by the state of California Code of Regulations and Eastern Municipal Water District. Landscape plans submitted shall meet this standard.

15. Water quality basin design shall ensure that the design between the basin and the required landscaping area complement one another.

C. Turf Areas.

1. Turf areas shall have a maximum design slope of twenty (20) percent and a minimum design slope of one percent.

2. Turf areas shall be limited to less than twenty-five (25) percent and only in gathering areas with the exception of parks and similar recreational facilities. Turf shall not be used solely for decorative purposes. Turfless or xeriscape design concepts are preferred.

3. Where turf areas are allowed, drought-tolerant and warm season turf varieties shall be used.

4. Except for single-family residences, concrete mow strips shall be installed between all turf areas and groundcover/shrub areas, vine pockets, walls, structures, or signs.

5. High quality artificial turf is allowed as an element of a project landscape.

6. Native grasses not requiring regular mowing shall be used in lieu of turf in water quality facilities.

D. Ground Cover/Shrub Areas.

1. Shrubs and groundcover shall be installed in shrub/planting areas in amounts and at intervals that will provide eighty (80) percent coverage within twenty-four (24) months.

2. Shrubs shall be located to provide visual interest to the project site, break-up building massing, and help screen unsightly views.

3. Groundcover (low water use plants are preferred) shall be installed in such a manner to ensure eighty (80) percent coverage within twelve (12) months.

4. No plantings shall be located closer than twenty-four (24) inches from any building or structure, unless otherwise approved by the city.

5. All planting areas adjacent to buildings or structures shall slope away from all buildings, structures or walls, or incorporate drains to direct water away from these elements.

6. Large ground cover areas shall have multiple plant types including a variation in height, texture and color.

7. The plant palette provided in the Riverside County Landscape Guidelines is recommended to identify plants which can be used to establish a balance of drought tolerant plants.

E. Trees.

1. Trees shall be planted in a manner, which maximizes the shading of paved areas, outdoor seating, and both south- and west-facing windows.

2. Street trees for designated streets shall be used, unless a different street tree has already been established along the street segment in question.

3. Trees shall be planted at sufficient size and manner to ensure successful establishment and protection from breakage.

4. All landscape plans shall indicate mature tree canopy diameters.

5. The tree palette shall provide a balanced use of evergreen and deciduous trees with attention to summer shade, fall and spring color, winter sunlight, and new growth.

6. Parkway tree planting shall provide a buffer effect that creates partial screening between parking lot areas and street vehicular traffic.

7. Existing mature trees that cannot be preserved in-place, shall be transplanted elsewhere on the site, unless transplantation is infeasible due to the type or condition of the trees.

8. Projects necessitating the removal of existing trees with four-inch or greater trunk diameters (calipers), shall be replaced at a three to one ratio, with minimum twenty-four (24) inch box size trees of the same species, or a minimum thirty-six (36) inch box for a one to one replacement, where approved.

9. Trees shall be planted in a manner and at locations, which minimize the potential for damage to adjacent walkways and paving.

F. Tree Preservation and Maintenance.

1. Trees are required to be pruned, fertilized, and irrigated as needed to maintain an appropriate healthy condition, maximize shading, and maintain an aesthetically pleasing appearance.

2. Topping of trees is prohibited. Topping of trees means cutting back of the crown creating large stubs and preventing trees from growing to maximum maturity resulting in a loss of shading.

3. Pest diseased trees and dead trees shall be replaced with the same species and in the appropriate size. The appropriate size shall be a minimum twenty-four (24) inch box tree.

4. Guidelines are subject to modifications as determined by an arborist, or landscape architect, and approved by the Community & Economic Development Director.

G. Heritage Trees.

1. Heritage trees are defined as meeting one of the following:

a. Any tree that defines the historical and cultural character of the City including older Palm and Olive trees, and or any tree designated as such by official action.

b. Trees with a fifteen (15) inch diameter measured twenty-four (24) inches above ground level.

c. Trees that have reached a height of fifteen (15) feet or greater.

2. No person shall remove, destroy, top, or disfigure a Heritage tree within the City Limits.

3. Removal of a Heritage tree is permitted if the tree poses a dangerous or hazardous condition to people, structures, property, or another Heritage tree.

4. Removal of a Heritage tree is permitted if tree is diseased, drying, or dead, and if a reasonable undertaking to preserve the tree had occurred.

5. Removal of a Heritage tree in the public or future right of way is permitted with the approval of the Community and Economic Development Director and if a reasonable undertaking to preserve the tree had occurred.

6. Removal of a Heritage tree designated historic and or culturally significant by official action shall require the review of the Ecological Historical Preservation Board.

7. Trees grown by nurseries and tree farms for sale purposes are exempt from being a Heritage tree.

H. Irrigation.

1. All planted landscape areas shall be provided with an approved "smart" automatic irrigation control systems (labeled as evapotranspiration (E.T.) based), with rain sensing and soil moisture sensing devices. Watering during the rain shall be avoided.

2. Drip and bubbler-type and MP rotator sprinkler heads or similar efficient sprinklers shall be used whenever possible. These sprinklers should be used exclusively when positioned adjacent to building walls. (Bubblers and spray heads should be pressure compensating, low volume type).

3. Separate irrigation zones shall be provided for areas with different irrigation requirements, including, but not limited to, trees, turf and nonturf areas.

4. Reduced pressure backflow preventers are required on all irrigation systems.

5. No fixed risers are permitted, unless otherwise approved by the community development director.

6. A pressure vacuum breaker shall be installed at the top of slopes when irrigation is installed on the top of the slope.

7. Irrigation shall be placed in a manner that eliminates overspray, runoff, wicking action and/or damage to adjacent buildings, walls, walks, driveways, streets, and fences.

8. Irrigation of landscapes should occur between nine p.m. and six a.m. except during the establishment period, when temperatures are predicted to fall below zero or when repairing/adjusting the irrigation system.

9. Eastern Municipal Water District will calculate the annual maximum allowable water budget (AMAWB) for customers requesting a new account. The proposed landscape must meet the AMAWB requirements prior to meter release. (Ord. 786 § 2, 2009)

2.5 Table 9.11.080-13 of Section 9.11.080 of Chapter 9.11 of the City of Moreno Valley Municipal Code is hereby amended as follows:

9.11.080 Design standards.

A. General Parking Design Standards.

1. Parking lot design shall take into consideration the appropriate integration of commercial uses. Parking facilities shall be designed to eliminate obstacles to pedestrian movement, consider spatial relationships between commercial uses and associated parking, and where appropriate, parking design will dictate the types of uses that may feasibly be established to ensure that adequate parking is available within a reasonable distance to the use it serves.

2. Special plazas, motor courts or turnarounds are encouraged to identify entrance areas.

3. Project access and circulation shall allow for both vehicles and pedestrians by separating autos and foot traffic, by creating pedestrian entrances to projects and by using enhanced paving treatments, bollards or pergolas to identify pedestrian pathways through parking areas and along buildings.

4. Projects shall minimize impacts on adjacent streets by consolidating access points. Access points should be consolidated to take advantage of planned or existing median breaks.

5. The city may require reciprocal parking and access agreements between individual and adjacent commercial parcels.

6. To discourage excessive speeds within parking areas, the maximum length of straight aisles shall not exceed three hundred (300) feet unless otherwise approved by the community development director.

7. Parking rows shall not be longer than one hundred eighty (180) feet, allowing for easier movement within the parking lot and preventing long queues within aisles unless otherwise approved by the community development director.

8. Drive aisles should make a loop around the structures and avoid dead end parking. In the case of straight drive aisles, provide at least ten (10) feet of setback between the last parking stall and the property line.

9. Parking areas shall be screened from streets through a combination of mounded landscaping, low profile walls and/or grading separations.

10. Parking areas shall not be used for loading or unloading.

11. Internal roadways should be designed so that direct access is available to all structures visible from a particular parking area.

12. Parking areas should use sound walls, screen walls and landscaping to minimize auto noise, glare and increased ambient temperature.

13. Landscaping, signs and walls shall be limited to thirty-six (36) inches in height, measured from top of curb within twenty-five (25) feet of any driveway entrance to protect visibility. Any trees located in these areas shall have trunks not exceeding eight inches in diameter and shall have a minimum branching height of six feet.

14. Trash enclosures shall not impair visibility.

15. Auto headlights in parking areas shall be screened so that they do not shine into adjacent properties or public rights-of-way.

16. All illumination of streets, parking areas and other project areas shall provide a variety of light quality and intensity, emphasizing areas of high vehicular and pedestrian activity with increased light intensity.

17. Driveways shall be designed so entering vehicles do not interfere with the existing vehicles. Main driveways shall employ entry medians whenever possible.

18. The first parking stall perpendicular to a driveway or first aisle juncture shall be at least sixty (60) feet back from the property line, providing sufficient queuing for exiting vehicles unless otherwise approved by the city engineer.

19. In commercial developments, parking aisles should be oriented perpendicular to the major tenant's front entrance, to facilitate pedestrian movement.

20. Dead-end parking aisles which exceed eight standard parking stalls in length, and serving greater than sixteen (16) standard stalls for dual lanes, shall provide turnaround facilities (i.e., hammerhead, cul-de-sac, etc.) adequate to accommodate emergency vehicles.

21. Consideration shall be given to service vehicles (i.e., tractor trailers) when designing landscape and hardscape areas.

22. Bicycle and motorcycle parking shall be provided as required by this code.

23. All projects generating vehicular traffic shall participate in the traffic signal mitigation program as adopted by the city of Moreno Valley.

24. Transportation management programs may be requested of projects generating significant vehicular traffic. These programs may include transportation system strategies or transportation demand strategies targeted to reduce the project's impact on roads, air quality, and energy consumption. System strategies deal with physical improvements to the road or facility network, such as street widening, restriping, bus turnout improvements or consolidation of driveways. Demand strategies deal with the behavior of those using the road system and include carpooling, subsidized transit passes, bicycle racks, showers for employee use located within the facility, transit centers, and flexible work shifts.

25. Parking lot design shall include openings in curbs to convey water run off into landscape areas for water quality, retention and absorption. Pervious surfaces are recommended where feasible and required for parking areas provided in excess of city requirements.

B. Dimensions of Parking Spaces.

1. Covered Spaces. Parking spaces within an enclosed garage shall have an unobstructed, clear area dimension of ten (10) feet by twenty (20) feet for each required parking space provided. All other covered spaces shall each be nine feet in width and eighteen (18) feet in depth. The parking area shall be clear of any obstructions and the measurements shall not include the exterior walls or structural supports.

2. Parallel Space. Each parallel parking space shall have a minimum dimension of eight feet wide by twenty-two (22) feet long. However, if a parallel space does not abut another parallel space, and access is adequate to that space, the length may be reduced to twenty (20) feet (see Figure 9.11.080-4).

3. Uncovered Spaces, Full-Size. Each full-size uncovered space shall be nine feet in width and sixteen (16) feet in depth of paved area and two feet of landscaped depth in excess of the adjacent landscape requirement. Spaces may be eighteen (18) feet of paved depth with no additional landscape depth subject to approval by the planning official. (The two feet of additional landscape may not be included in the required landscape setback.) (See Figure 9.11.080-5.)

4. Trailer parking stalls shall have a minimum dimension of fourteen (14) feet wide by fifty (50) feet in depth.

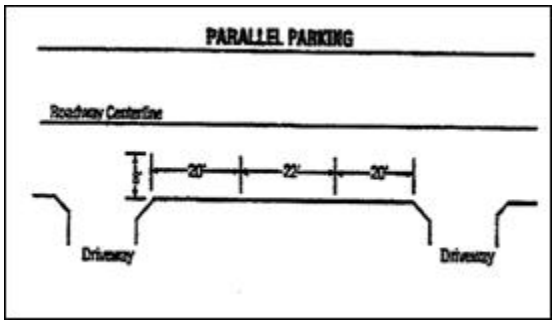

Figure 9.11.080-4

Dimensions of Parallel Parking Spaces

Figure 9.11.080-5

Nonparallel Parking Spaces

5. Tandem Space. Each tandem space shall be a minimum of nine feet in width and twenty-two (22) feet in depth.

C. Standard Improvements.

1. Drainage. Parking lots shall be designed to drain into landscape planters using openings in curbs and site grading. All parking facilities, except those serving two or fewer dwelling units, shall be graded and provided with drainage facilities so as to provide for the disposal of water without surface flow over sidewalks within public rights-of-way.

2. Safety Features.

a. Additional requirements and guidelines for parking facility safety, including design, internal layout, acceptable turning radii, pavement slope, vehicular and pedestrian circulation and other design features may be adopted by the city traffic engineer when determined to be appropriate.

b. Visibility of and between pedestrians, bicyclists, and motorists shall be assured when entering individual parking spaces, when circulating within a parking facility, and when entering and exiting a parking facility. To the extent possible, the parking facility shall be designed so that primary pedestrian access to and from building entrances is along, rather than across, parking aisles.

c. Parking lots shall be designed to minimize conflicts between vehicles and pedestrians and shall also endeavor to minimize speeding and through traffic.

d. Drive aisles and parking lot drives shall not exceed five percent slope.

e. Streets should intersect others on outside rather than inside horizontal curves.

f. Streets should intersect at as near to a right angle as possible. They should be no more than fifteen (15) degrees skew.

g. Intersections should be offset a minimum of six hundred (600) feet.

h. Deceleration right turn lanes should be a minimum of two hundred thirty five (235) feet long and ten (10) to twelve (12) feet wide, composed of a minimum sixty (60) foot transition and one hundred twenty five (125) foot turn lane. As approved by the City Traffic Engineer.

i. Internal streets and drive lanes should have a minimum radius of two hundred fifty (250) feet (twenty-five (25) mph design speed).

j. Where feasible, bus turnouts and bus stops shall be located on the far side of intersections to reduce conflicts between buses and through traffic.

3. Striping and Identification.

a. All automobile parking spaces shall be clearly outlined with white double lines on the surface of the parking facility as shown in Figure 9.11.080-6 (three-inch line – six-inch space – three-inch line for a total of twelve (12) inches) or as otherwise specified by the building official.

b. Fire lanes, if required, shall be installed to the specifications of the city of Moreno Valley fire chief, including red curbing and posting with signs.

c. Stop signs and painted stop bars shall be installed in parking areas where drive lanes intersect and at egress points to streets or alleys.

d. Within parking facilities, the city traffic engineer may require all aisles, approach lanes and maneuvering areas to be clearly marked with directional arrows on the pavement surface to facilitate vehicular movement. In addition to directional arrows, the city traffic engineer may require installation of signs to ensure safe and efficient vehicular movement.

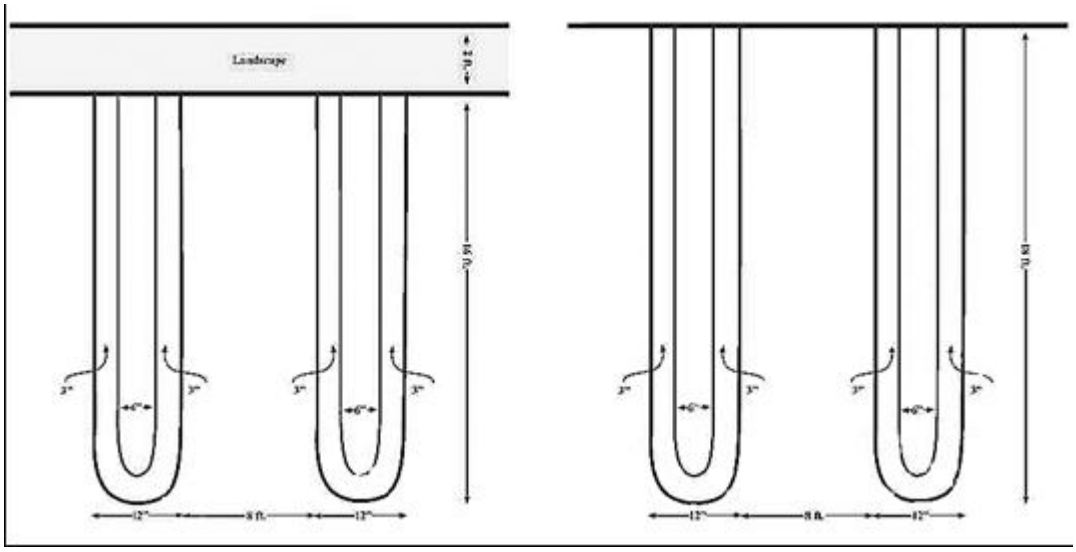

Figure 9.11.080-6A **Figure 9.11.080-6B**

Parking Space Striping Requirements

* Ends of parking stall striping shall be curved or squared off.

D. Accessible Parking Design Standards. The following design standards for accessible parking are intended to be consistent with the state or federal requirements. Any conflicting provisions or future changes in state or federal requirements shall pre-empt the standards for provision of accessible parking spaces contained in this title:

1. All accessible parking spaces shall be striped and marked according to applicable state regulations.

2. Each parking space reserved for persons with disabilities shall be identified by a permanently affixed reflectorized sign, of a construction and material approved by the building official, displaying the international symbol of accessibility. The sign shall have a minimum size of seventy (70) square inches, and shall be centered at the interior end of the parking space at a maximum height of eighty (80) inches from the bottom of the sign to the finished grade of the parking space.

3. At each entrance to a parking facility containing one or more parking spaces for the handicapped, a sign with a minimum size of seventeen (17) inches by twenty-two (22) inches shall be posted, stating clearly and conspicuously in letters with a minimum height of one inch the following:

Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or license plates issued for physically handicapped persons may

be towed away at owner's expense. Towed vehicles may be reclaimed at _____ or by telephoning _____.

4. Parking spaces reserved for persons with disabilities shall have, in addition to the requirements of subsections (D)(1), (2) and (3) of this section, a surface identification in blue paint of at least three square feet in size, duplicating the international symbol of accessibility.

5. Each accessible parking space shall be fourteen (14) feet wide, striped to provide a nine-foot wide parking area and a five-foot wide loading area (access aisle) and shall be a minimum eighteen (18) feet in length. If two accessible spaces are located adjacent to each other, they may share the five-foot wide loading area, resulting in a width of twenty-three (23) feet for the two spaces. One in every eight handicapped spaces, but not less than one, shall be van accessible; served by a loading area not less than eight feet wide. If two van accessible parking spaces are located adjacent to each other, they may share a common eight-foot wide loading area.

6. When less than five parking spaces are provided, at least one shall be fourteen (14) feet wide, striped to provide a nine-foot parking area and a five-foot loading area. Said space shall not be required to be reserved or identified exclusively for use by persons with disabilities.

7. Accessible parking spaces serving a particular building shall be located on the shortest accessible route of travel from adjacent parking to an accessible entrance. In parking facilities that do not serve a particular building, accessible parking shall be located on the shortest accessible route of travel to an accessible pedestrian entrance of the parking facility. In buildings with multiple accessible entrances with adjacent parking, accessible parking spaces shall be dispersed and located closest to the accessible entrances.

8. In each parking area, a bumper or curb shall be provided and located to prevent encroachment of cars over the required width of walkways. The space shall be so located that persons with disabilities are not compelled to wheel or walk behind cars other than their own. Pedestrian ways that are accessible to people with disabilities shall be provided from each such parking space to the related facilities, including curb cuts or ramps as needed. Ramps shall not encroach into any parking space, with the exception that ramps located at the front of accessible parking spaces may encroach into the length of such spaces when such encroachment does not limit the capability of a person with a disability to leave or enter their vehicle, thus providing equivalent facilitation. Where the building official determines that compliance with any regulation of this paragraph would create an unreasonable hardship, a waiver may be granted when equivalent facilitation is provided.

9. The slope of an accessible parking stall shall be the minimum possible and shall not exceed one-quarter inch per foot (2.083 percent gradient) in any direction.

10. Notwithstanding the off-street parking requirements of Subsection 9.11.040(A) of this chapter, the number of parking spaces that are not accessible may

be reduced to the extent necessary for modification of an existing facility to comply with the requirements described in this subsection.

11. Where provided, one passenger drop-off and loading zone shall provide an access aisle at least five feet wide and twenty (20) feet long adjacent and parallel to the vehicle pull up space. Such zones shall be located on a surface with a slope not exceeding one vertical in fifty (50) horizontal and shall be located on an accessible route of travel to the entrance of the facility. If there are curbs between the access aisle and the vehicle pull-up space, then a curb ramp shall be provided. Valet parking facilities shall provide a passenger loading zone as described herein.

12. All disabled spaces shall be located as close as possible to the entrance(s) of the use they are intended to serve and oriented so that the user of the disabled parking space need not go past the rear of automotive parking spaces in order to reach the building's main entrance.

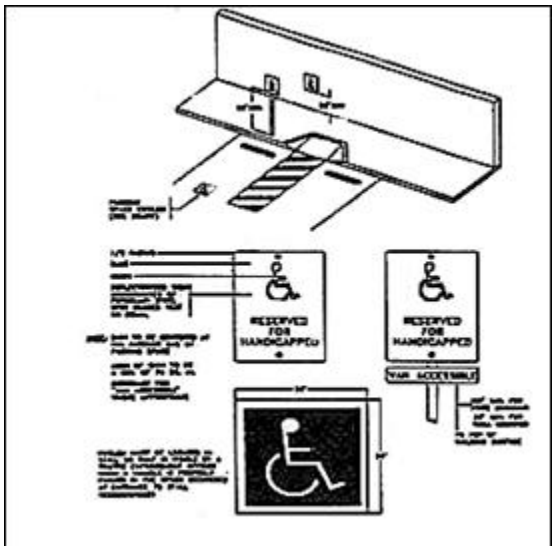

Figure 9.11.080-7

Accessible Parking Stall Requirement

* Ramps shall include a curb-cut type design

* Loading area width: van accessible = 8 feet; all other accessible spaces = 5 feet

E. Surfacing.

1. All permanent automobile and disabled parking spaces, loading and maneuvering areas shall be paved and permanently maintained with asphalt, concrete, or other all-weather surfacing, as approved by the city engineer. Every effort should be made to use pervious surfaces to reduce water run off. All parking areas in excess of the requirements of the Municipal Code shall use pervious pavement and/or increased landscape water retention and absorption areas.

2. Temporary parking facilities shall be provided with surfaces which prevent dust, as approved by the city engineer.

F. Location of Parking.

1. All parking spaces required by this chapter shall be provided on the same site as the use requiring the parking spaces, except as authorized in Section 9.11.070, Adjustments to off-street parking requirements of this chapter.

2. All automobile spaces required for residential uses shall be located a maximum of two hundred fifty (250) feet from the units they are serving. Distances shall be measured from the nearest point of the building to the parking space(s) serving that building.

3. All car pool parking spaces shall be located as close as possible to the entrance(s) of the use they are intended to serve.

G. Landscape and Screening Requirements. Parking lot screening and landscaping shall conform to the requirements of Chapter 9.17 of this title.

H. Access.

1. Parking Access from Streets.

a. Access to parking spaces, other than four or fewer spaces serving a residential use, shall not require backing onto a public or private street or onto a private drive other than a drive designed exclusively to provide access to parking spaces.

b. Commercial developments should orient traffic onto major arterials and not onto local streets or collectors.

c. Projects shall minimize impacts on adjacent streets by consolidating access points. Access points shall be consolidated to take advantage of planned or existing median breaks.

2. Driveway and Aisle Widths and Clearances. For purposes of this section, a driveway shall be defined as an access leading from a public street or right-of-way or a private street to a parking area, or from one parking area to another, but shall not be defined to include any ramp, aisle, or maneuvering area. A ramp is defined as an access driveway from one parking level to another. All driveways and ramps shall comply with the following standards:

a. Driveways and aisles for single-family detached structures shall not be less than sixteen (16) feet in width, and shall be maintained free and clear of all obstructions. Driveways which serve single-family development shall be defined as the paved area leading from a public street or right-of-way or a private street to the designated parking area, and shall not be wider than such designated parking area; and

b. Driveways for single-family attached, multiple-family, and nonresidential uses shall be as shown in Table 9.11.080-13 of this section, except when for health and safety purposes wider dimensions are required for emergency vehicle access.

Table 9.11.080-13
Driveway and Aisle Dimensions for Single-Family Attached, Multiple-Family, and Nonresidential Uses

Width, excluding flares or curb radius	
Required (one-way)*	20 feet
Required (two-way)*	24 feet
Right Turn Radius[1]	
Minimum	15 feet
Maximum	50 feet
Minimum Spacing[2]	
From side property line	10 feet
From street corner	25 feet
Angle[3]	75°

[1] On side of driveway exposed to entry or exit by right-turning vehicle to driveways with curb radius.
[2] Measured along the street side property line from throat to the side property line, or to a line passing through the intersection.
[3] Minimum acute angle measured from the edge of pavement.
* Wider driveway aisles may be approved with the approval of the Community and Economic Development Director.

3. The following criteria and dimensions may be modified by the city engineer:

Table 9.11.080-14

Street Classification	Distance from a Driveway to an Intersection	Spacing Between Adjacent Driveways
Expressway 134′ ROW	Restricted* **	1/2 mile
Divided Major/Modified Major	Limited access* **	Limited access
Divided Arterial	Minimum 450 feet	Minimum 450 feet
134′ ROW/120′ ROW		One driveway per parcel
Divided Arterial	Limited Access* **	Minimum 250 feet
110′ ROW	Minimum 350 feet	
Arterial/Minor Arterial/ Industrial Collector		
100′/88′/78′ ROW	Limited access* **	Minimum 150 feet
	Minimum 250 feet	
	Full Access 350 feet	
Collector/66′ ROW	Minimum 200 feet* ***	Minimum 100 feet or one driveway per parcel
Local Street	Minimum 100 feet* ***	Minimum 100 feet or one driveway per parcel

* Access may be limited to the minimum movements necessary to safely expedite traffic.
** Access may be restricted by medians.
*** For residential development.

4. Ramps.

a. One-way ramps shall have a minimum width of fourteen (14) feet, unless a larger dimension is required for emergency vehicle access.

b. Two-way ramps shall have a minimum width of twenty (20) feet.

5. Gated Entries. Requests for gated entries shall be submitted to the city traffic engineer and shall be subject to review and approval by the city traffic engineer and planning official, based on an analysis of the following issues:

a. Type and operation of gate;

b. Adequacy of vehicle stacking area;

c. Effect of gated entry on parking usage and distribution on the site;

d. Effect of gated entry on parking for surrounding or adjacent areas;

e. Emergency vehicle access. (Ord. 826 § 3.4, 2011; Ord. 808 § 2.5.3, 2010; Ord. 694 § 1.1 (part), 2005; Ord. 643 § 2.6, 2003; Ord. 616 § 2.2.22, 2003; Ord. 604 §§ 2.15—2.18, 2002; Ord. 557 § 2.6, 2000: Ord. 475 § 1.4 (part), 1995; Ord. 406 § 1.4, 1993; Ord. 405 §§ 1.14, 1.15, 1993; Ord. 402 §§ 1.3, 1.4, 1993; Ord. 359 (part), 1992)

SECTION 3 EFFECT OF ENACTMENT:

Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 4 NOTICE OF ADOPTION:

Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city.

SECTION 5 EFFECTIVE DATE:

This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this 10th day of July, 2012.

Issue 1. Adopting WRCOG Good Neighbor Guidelines.

Staff recommends amending Chapter 9.05 by adding Section 9.05.050 as follows:

Chapter 9.05 INDUSTRIAL DISTRICTS

Sections:
9.05.010 Purpose and intent.
9.05.020 Industrial districts.
9.05.030 Permitted uses for industrial districts.
9.05.040 Industrial site development standards.
9.05.050 Good Neighbor Guidelines

9.05.050 Good Neighbor Guidelines for Warehouse Distribution Facilities.

In September, 2005, the Western Riverside Council of Governments (WRCOG) and the Regional Air Quality Task Force (RAQTF) approved the *Good Neighbor Guidelines For Siting New and/or Modified Warehouse/Distribution Facilities*. The Good Neighbor Guidelines used in this section are a modified version of the WRCOG's RAQTF Guidelines. The modified version includes goals and strategies that fit the specific needs of the City of Moreno Valley.

These "Good Neighbor Guidelines for Siting New and/or Modified Warehouse/Distribution Facilities," (referred to as "Good Neighbor Guidelines") assist planning departments, developers, property owners, elected officials, community organizations, and the general public as a tool to potentially help address some of the complicated choices associated with permitting warehouse/distribution facilities and understanding the options available when addressing environmental issues. These Good Neighbor Guidelines are designed to help minimize the impacts of diesel particulate matter (PM) from on-road trucks associated with warehouses and distribution centers on sensitive receptors located within the City of Moreno Valley. Sensitive receptors include residential neighborhoods, schools, parks, playgrounds, day care centers, nursing homes, hospitals, and other public places where residents are most likely to spend time.

For the purpose of these Guidelines, warehouse/distribution center means a building used for the storage, receiving, shipping, or wholesaling of goods and merchandise, and any incidental or accessory activities that is greater than 650,000 square feet. This shall be cumulative to include multiple warehouse buildings deemed as part of a project or a phased project exceeding a combined total building area of 650,000 square feet. For the purpose of these Guidelines, a warehouse and distribution center is not intended to include "big box" discount or warehouse stores that sell retail goods, merchandise or equipment, or storage and mini-storage facilities that are offered for rent or lease to the general public.

A. Minimize exposure to diesel emissions to neighbors that are situated in close proximity to the warehouse/distribution center by using the following strategies:

1. To the extent possible, locate driveways, loading docks and internal circulation routes away from residential uses or any other sensitive receptors.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.2 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any vacant lot or unimproved nonresidential property in the City.

3. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.5 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds within any commercially zoned property for the purpose other than doing business at the site, and or remaining parked or standing for longer than reasonably appropriate to do such business acts related to such business operations.

4. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.8 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any highway, street or road which is adjacent to a parcel upon which there exists a public facility.

5. Enforce compliance with Moreno Valley Municipal Code Section 9.10.150 – "Odors" no operation or activity shall be permitted which emits odorous gases or other odorous matter in such quantities as to be dangerous, injurious, noxious, or otherwise objectionable to a level that is detectable with or without the aid of instruments at or beyond the lot line of the property containing said operation or activity.

B Eliminate diesel trucks from unnecessarily traversing through residential neighborhoods by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.36.030 – "Designation of Truck Routes" the city traffic engineer shall erect appropriate signs designating the affected street or portion thereof.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.1 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any highway, street, road, alley or private property within any residential district within the city.

3. Required warehouse/distribution centers to establish a specific truck route and post signage between the warehouse/distribution center and the freeway and/or primary access arterial that achieves the objective.

4. Require warehouse/distribution centers to provide signage or flyers identifying where food, lodging and entertainment can be found, when it is not available on site.

C. Eliminate trucks from using residential areas and repairing vehicles on the streets by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.A.4. – "Parking Prohibitions or Restrictions" It is unlawful to park or leave standing any vehicle on any highway, street, road or alley within the city for the purpose of servicing or repairing such vehicle except when necessitated by an emergency.

2. Allow warehouse/distribution facilities to establish an area within the facility for repairs.

D. Reduce and/or eliminate diesel idling within the warehouse/distribution center by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.C – "Parking Prohibitions or Restrictions" while adjacent to a developed residential area, the operator shall not idle the vehicle's engine for longer than fifteen (15) minutes.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.50.040.A.1 – "Idling Limitation" a driver of a vehicle must turn off the engine upon stopping at a destination.

3. Enforce compliance with Moreno Valley Municipal Code Section 12.50.040.C – "Idling Limitation" an equipment operator of a TRU (Transportation Refrigeration Unit) must not cause or allow a TRU to operate while stationary unless the vehicle is lawfully parked at a location approved for truck parking by this code and not within five hundred (500) feet of a school unless the operator is actively engaged in the process of loading or unloading cargo or is waiting in a queue to load or unload cargo for a period not to exceed two hours.

4. Enforce compliance with Moreno Valley Municipal Code Section 12.50.060.D – "Relationship to other laws" nothing in this chapter allows idling in excess of other applicable laws, including, but not limited to any other local, state or federal law or regulation as stringent as, or more stringent than this chapter.

5. Future tenant improvements involving conversion of a warehouse for refrigeration storage shall include electrical hookups for refrigeration units.

6. Promote the installation of on-site electric hook-ups to eliminate the idling of main and auxiliary engines during loading and unloading of cargo and when trucks are not in use.

Issue 2. Parking Standards for Restaurants.

Staff recommends amending Table 9.11.040B-12 of Section 9.11.040 by changing the subscript for restaurant parking and adding subscript for as follows:

Table 9.11.040B-12
Off-Street Parking Requirements

Commercial Uses	Requirement	Notes
General retail (unless specified elsewhere)	1/225 sq. ft. of gross floor area	
Eating and drinking establishments	1/100 sq. ft. of gross floor area up to 6,000 sq. ft. 1/75 sq. ft. of gross floor area over 6,000 sq. ft.	A minimum of 10 spaces required for stand alone use.
Eating and drinking establishments within shopping centers of 25,000 square feet of building area or greater.	1/225 sq. ft. of gross floor area up to 15% of the shopping center gross building square footage. 1/100 sq. ft. of gross floor area over the 15%.	Example a 25,000s.f. Shopping Center. 15% of Shopping Center = 3,750s.f. is calculated at 1/225. 3,750/225 = 17. Any restaurant space over 3,750s.f. is calculated at 1/100. 2000/100 =20

Issue 3. Reduction of (CC) Community Commercial front and street side building setbacks, and revisions to parking and landscape setbacks.

Staff recommends amending Table 9.04.040-7 of Section 9.04.040 by changing the subscript for front building and side street building setback, and adding subscript B4 as follows:

9.04.040 Commercial site development standards.

A. General Requirements. The following table sets forth minimum site development standards for all commercial and office zones. All sites shall conform to the dimensions set forth in this section. A development or center may, however, be a combination of many parcels totaling at least the required site size, but its design must be integrated and unified. In addition, projects must comply with the special requirements enumerated in Section 9.04.040(B), the performance standards included in Chapter 9.10 and any other applicable city ordinances, policies, and programs.

Table 9.04.040-7

Commercial Site Development Minimum Standards

	Requirement	O	OC	VC	NC	CC
1	Minimum site area	10K[1]	10K	10K	10K	1ac[2]
2	Minimum site width, in feet	100	100	100	100	200
3	Minimum site depth, in feet	100	100	100	100	175
4	Front building setback, in feet[3]	20*	20*	20*	20*	~~20~~ 10*
5	Side street building setback area, street sides, in feet[3]	20*	20*	20*	20*	~~20~~ 10*
6	Lot coverage, maximum	60%	60%	—	—	—
7	Building height, in feet, maximum	See Special Requirements				
8	Parking front street setback, in feet[3]	20	20	20	20	20

	Requirement	O	OC	VC	NC	CC
9	Parking side street setback, in feet[3]	15	15	15	15	15
10 ~~8~~	Setback landscaping	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas

[1] The term “K” means one thousand (1,000).

[2] The term “ac” means acre or acres.

[3] Measured from property line after dedications for public rights-of-way.

* Building areas above 30 feet shall be setback an additional 5 feet for every 10 feet of additional structure height unless otherwise approved by the Planning Commission.

On legal lots of record existing immediately prior to the date of adoption of this title, and which otherwise comply with all other provisions in this title and with all land use regulations existing immediately prior to adoption of this title, if any of such lots contain less than the minimum depths required by this section they need not provide a front building setback or landscaping greater than twenty (20) percent of the depth of the property (excluding right-of-way area). The creation of new lots within these districts shall conform to these minimum dimensions, except in the case of condominium lots or lots within an integrated commercial center containing shared parking and access, in which case no minimums are established. Parcels created within integrated commercial centers are exempt from the site development standards stated herein, as they relate to minimum site areas, and minimum lot width and depth, as long as a conceptual development plan for the entire center has been developed and approved and if appropriate easements for reciprocal access parking and maintenance are provided.

B. Special Requirements.

1. Wherever a lot in any commercial district abuts a lot in any residential district, a minimum setback equal to the building height, but not less than ten (10) feet shall be required. A minimum of ten (10) feet nearest the district boundary line shall be landscaped.

2. Where off-street parking areas or drive-through aisles in commercial districts are situated so as to be visible from any street, screening in the form of a landscaped earthen berm, shrubs, or decorative wall three feet in height shall be erected between the street and the parking area.

3. In all commercial districts, required front building setback areas shall be landscaped. Such landscaping shall consist predominantly of plant materials except for necessary walks and drives.

~~4. The street side building setback area in any commercial district shall be used only for landscaping, pedestrian walkways, driveways or off-street parking. When off-street parking is located within building setback areas, a minimum landscaped area of ten (10) feet in depth shall be provided between the property line and the parking area, with an additional minimum landscaped area ten (10) feet in depth required between the parking area and the building.~~

~~5~~ 4. Required rear and interior side building setback areas in any commercial district shall be used only for landscaping, pedestrian walkways, driveways, off-street parking or loading, recreational activities or facilities, and similar accessory activities.

~~6~~ 5. In the office commercial district, all nonoffice uses permitted shall be supportive of office-based development. (See Table 9.02.020-1)

~~7~~ 6. In the office commercial district, all commercial and retail activities, other than offices, shall be limited to no more than twenty-five (25) percent of the square footage of any building. In the case of a mixed use development, no more than twenty-five (25) percent of the total square footage of all buildings shall be devoted to commercial/retail uses, with the remaining seventy-five (75) percent to be utilized for office.

~~8~~ 7. Parking for each use shall comply with the requirements of Chapter 9.11.

~~9~~ 8. Except as otherwise specified in this section, structures shall be constructed either on the property line or be set back at least three feet from the rear or interior side property line. (Ord. 643 § 2.1, 2003; Ord. 616 §§ 2.2.3, 2.2.4, 2003; Ord. 590 § 2 (part), 2001; Ord. 560 § 2.1, 2000; Ord. 497 § 1.4, 1996; Ord. 359 (part), 1992).

Issue 4. Provide for parking lot maintenance standards, banning "topping" of trees.

Staff recommends amending by changing subscript E, F, G, and H by adding, deleting, and, renumbering, subscript as follows:

9.17.030 Landscape and irrigation design standards.

A. General. The landscape plans shall incorporate low water use plants, turf trees and ground covers adaptable to the area. A list of plants may be found in the county of Riverside's Guide to California Friendly Landscaping that provides a variety of options to meet the drought tolerant needs of the area while ensuring an aesthetically

pleasing landscape. Plants not on the list may be used providing the water consumption does not exceed the project's water budget. Consideration should be given to climate, soil types and topographic conditions. Landscapes should group plants using similar watering patterns to eliminate over watering and provide irrigation watering zones of similar use.

The irrigation systems shall be installed using water-conserving equipment including the installation of bubblers, drip systems, low volume sprays and smart irrigation controls. Smart irrigation controls are sensitive to the changing weather patterns and adjust watering cycles automatically to reduce water usage during colder/rainy weather. A water budget shall be completed that meets Eastern Municipal Water District guidelines and submitted with the landscape plans. Based on the landscape design, the water budget will determine the landscape's water demand. Once calculated, the annual maximum allowable water budget (AMAWB) is compared to the estimated annual water use (EAWU) to ensure the design does not exceed the allowed water use.

Projects shall be designed to capture and retain storm water onsite to improve water use efficiency and water quality. The use of reclaimed water is encouraged. Contact Eastern Municipal Water District for availability.

B. Plan Design Standards. The following design standards are required on all landscape plan submittals:

1. Final landscape and irrigation plans shall be based on the approved site plan and/or the final grading plan for the project.

2. Final landscape and irrigation plans for all projects, with more than one thousand (1,000) SF of landscaped area, except custom homes or projects designed in-house by the public works department or parks and community services department, shall be designed (and wet stamped/certified) by a California state licensed architect, civil engineer or landscape architect. All non-residential projects with one thousand (1,000) square feet or less of landscaped areas shall provide landscape and irrigation plans certified by a certified irrigation designer.

3. Minimum scale is one inch = twenty (20) feet. A smaller scale may be used with prior approval by the city. Standard sheet size is twenty-four (24) inches by thirty-six (36) inches.

4. Existing vegetation shall be retained on any portion of a development not designated for grading or construction, unless otherwise approved or required by the city.

5. Landscape shall include drought-tolerant plants and water conservation principles.

6. All soil surfaces in landscape areas shall be covered with plant materials, walkways or mulch (organic or inorganic).

7. Ground-mounted equipment (e.g., transformers and back flow preventers) shall be screened with landscaping or screening walls, allowing for adequate access for equipment maintenance.

8. Trash enclosures are screened with at least three feet of landscaping on three sides.

9. Unimproved areas are maintained in a weed-free condition, and may require temporary landscape and irrigation.

10. All nonturf landscape areas are covered with a minimum of three inches of mulch following installation, unless otherwise approved by the city.

11. Native or low-water use plant materials shall be used. The use of invasive plants should be avoided. (See the California Invasive Plant Inventory by the California Invasive Plant Council www.cal-ipc.org). No invasive plants are permitted adjacent to Multi-Species Habitat Conservation Plan conservation areas.

12. Water budgets that meet Eastern Municipal Water District guidelines shall be attached to plan submittal. Obtain water budget information from Eastern Municipal Water District.

13. Water budgets are subject to approval by Eastern Municipal Water District. The city of Moreno Valley will cooperate with Eastern Municipal Water District in monitoring to the extent practicable.

14. Irrigation systems shall be designed, maintained and managed to meet the current irrigation efficiency standard as determined by the state of California Code of Regulations and Eastern Municipal Water District. Landscape plans submitted shall meet this standard.

15. Water quality basin design shall ensure that the design between the basin and the required landscaping area complement one another.

C. Turf Areas.

1. Turf areas shall have a maximum design slope of twenty (20) percent and a minimum design slope of one percent.

2. Turf areas shall be limited to less than twenty-five (25) percent and only in gathering areas with the exception of parks and similar recreational facilities. Turf shall not be used solely for decorative purposes. Turfless or xeriscape design concepts are preferred.

3. Where turf areas are allowed, drought-tolerant and warm season turf varieties shall be used.

4. Except for single-family residences, concrete mow strips shall be installed between all turf areas and groundcover/shrub areas, vine pockets, walls, structures, or signs.

5. High quality artificial turf is allowed as an element of a project landscape.

6. Native grasses not requiring regular mowing shall be used in lieu of turf in water quality facilities.

D. Ground Cover/Shrub Areas.

1. Shrubs and groundcover shall be installed in shrub/planting areas in amounts and at intervals that will provide eighty (80) percent coverage within twenty-four (24) months.

2. Shrubs shall be located to provide visual interest to the project site, break-up building massing, and help screen unsightly views.

3. Groundcover (low water use plants are preferred) shall be installed in such a manner to ensure eighty (80) percent coverage within twelve (12) months.

4. No plantings shall be located closer than twenty-four (24) inches from any building or structure, unless otherwise approved by the city.

5. All planting areas adjacent to buildings or structures shall slope away from all buildings, structures or walls, or incorporate drains to direct water away from these elements.

6. Large ground cover areas shall have multiple plant types including a variation in height, texture and color.

7. The plant palette provided in the Riverside County Landscape Guidelines is recommended to identify plants which can be used to establish a balance of drought tolerant plants.

E. Trees.

1. Trees shall be planted in a manner, which maximizes the shading of paved areas, outdoor seating, and both south- and west-facing windows.

2. Street trees for designated streets shall be used, unless a different street tree has already been established along the street segment in question.

3. Trees shall be planted at sufficient size and manner to ensure successful establishment and protection from breakage.

4. All landscape plans shall indicate mature tree canopy diameters.

~~5. All mature tree canopies in parking lots shall be pruned and maintained to maximize shade potential and ensure healthy, maximum growth. Topping of trees shall be avoided.~~

~~6~~ 5. The tree palette shall provide a balanced use of evergreen and deciduous trees with attention to summer shade, fall and spring color, winter sunlight, and new growth.

~~7~~ 6. Parkway tree planting shall provide a buffer effect that creates partial screening between parking lot areas and street vehicular traffic.

~~8~~ 7. Existing mature trees that cannot be preserved in-place, shall be transplanted elsewhere on the site, unless transplantation is infeasible due to the type or condition of the trees.

~~9~~ 8. Projects necessitating the removal of existing trees with four-inch or greater trunk diameters (calipers), shall be replaced at a three to one ratio, with minimum twenty-four (24) inch box size trees of the same species, or a minimum thirty-six (36) inch box for a one to one replacement, where approved.

~~10~~ 9. Trees shall be planted in a manner and at locations, which minimize the potential for damage to adjacent walkways and paving.

F. Tree Preservation and Maintenance.

1. Trees are required to be pruned, fertilized, and irrigated as needed to maintain an appropriate healthy condition, maximize shading, and maintain an aesthetically pleasing appearance.

2. Topping of trees is prohibited. Topping of trees means cutting back of the crown creating large stubs and preventing trees from growing to maximum maturity resulting in a loss of shading.

3. Pest diseased trees and dead trees shall be replaced with the same species and in the appropriate size. The appropriate size shall be a minimum twenty-four (24) inch box tree.

4. Guidelines are subject to modifications as determined by an arborist, or landscape architect, and approved by the Community & Economic Development Director.

G. Heritage Trees.

1. Heritage trees are defined as meeting one of the following:

a. Any tree that defines the historical and cultural character of the City including older Palm and Olive trees, and or any tree designated as such by official action.

b. Trees with a fifteen (15) inch diameter measured twenty-four (24) inches above ground level.

c. Trees that have reached a height of fifteen (15) feet or greater.

2. No person shall remove, destroy, top, or disfigure a Heritage tree within the City Limits.

3. Removal of a Heritage tree is permitted if the tree poses a dangerous or hazardous condition to people, structures, property, or another Heritage tree.

4. Removal of a Heritage tree is permitted if tree is diseased, drying, or dead, and if a reasonable undertaking to preserve the tree had occurred.

5. Removal of a Heritage tree in the public or future right of way is permitted with the approval of the Community and Economic Development Director and if a reasonable undertaking to preserve the tree had occurred.

6. Removal of a Heritage tree designated historic and or culturally significant by official action shall require the review of the Ecological Historical Preservation Board.

7. Trees grown by nurseries and tree farms for sale purposes are exempt from being a Heritage tree.

~~F~~ H. Irrigation.

1. All planted landscape areas shall be provided with an approved "smart" automatic irrigation control systems (labeled as evapotranspiration (E.T.) based), with rain sensing and soil moisture sensing devices. Watering during the rain shall be avoided.

2. Drip and bubbler-type and MP rotator sprinkler heads or similar efficient sprinklers shall be used whenever possible. These sprinklers should be used exclusively when positioned adjacent to building walls. (Bubblers and spray heads should be pressure compensating, low volume type).

3. Separate irrigation zones shall be provided for areas with different irrigation requirements, including, but not limited to, trees, turf and nonturf areas.

4. Reduced pressure backflow preventers are required on all irrigation systems.

5. No fixed risers are permitted, unless otherwise approved by the community development director.

6. A pressure vacuum breaker shall be installed at the top of slopes when irrigation is installed on the top of the slope.

7. Irrigation shall be placed in a manner that eliminates overspray, runoff, wicking action and/or damage to adjacent buildings, walls, walks, driveways, streets, and fences.

8. Irrigation of landscapes should occur between nine p.m. and six a.m. except during the establishment period, when temperatures are predicted to fall below zero or when repairing/adjusting the irrigation system.

9. Eastern Municipal Water District will calculate the annual maximum allowable water budget (AMAWB) for customers requesting a new account. The proposed landscape must meet the AMAWB requirements prior to meter release. (Ord. 786 § 2, 2009)

Issue 5. Amend the General Parking Design Standard with revised safety features and 24 foot wide drive aisles.

Staff recommends amending by changing subscript C and Table 9.11.080-13 by adding and deleting subscript as follows:

9.11.080 Design standards.

A. General Parking Design Standards.

1. Parking lot design shall take into consideration the appropriate integration of commercial uses. Parking facilities shall be designed to eliminate obstacles to pedestrian movement, consider spatial relationships between commercial uses and associated parking, and where appropriate, parking design will dictate the types of uses that may feasibly be established to ensure that adequate parking is available within a reasonable distance to the use it serves.

2. Special plazas, motor courts or turnarounds are encouraged to identify entrance areas.

3. Project access and circulation shall allow for both vehicles and pedestrians by separating autos and foot traffic, by creating pedestrian entrances to projects and by using enhanced paving treatments, bollards or pergolas to identify pedestrian pathways through parking areas and along buildings.

4. Projects shall minimize impacts on adjacent streets by consolidating access points. Access points should be consolidated to take advantage of planned or existing median breaks.

5. The city may require reciprocal parking and access agreements between individual and adjacent commercial parcels.

6. To discourage excessive speeds within parking areas, the maximum length of straight aisles shall not exceed three hundred (300) feet unless otherwise approved by the community development director.

7. Parking rows shall not be longer than one hundred eighty (180) feet, allowing for easier movement within the parking lot and preventing long queues within aisles unless otherwise approved by the community development director.

8. Drive aisles should make a loop around the structures and avoid dead end parking. In the case of straight drive aisles, provide at least ten (10) feet of setback between the last parking stall and the property line.

9. Parking areas shall be screened from streets through a combination of mounded landscaping, low profile walls and/or grading separations.

10. Parking areas shall not be used for loading or unloading.

11. Internal roadways should be designed so that direct access is available to all structures visible from a particular parking area.

12. Parking areas should use sound walls, screen walls and landscaping to minimize auto noise, glare and increased ambient temperature.

13. Landscaping, signs and walls shall be limited to thirty-six (36) inches in height, measured from top of curb within twenty-five (25) feet of any driveway entrance to protect visibility. Any trees located in these areas shall have trunks not exceeding eight inches in diameter and shall have a minimum branching height of six feet.

14. Trash enclosures shall not impair visibility.

15. Auto headlights in parking areas shall be screened so that they do not shine into adjacent properties or public rights-of-way.

16. All illumination of streets, parking areas and other project areas shall provide a variety of light quality and intensity, emphasizing areas of high vehicular and pedestrian activity with increased light intensity.

17. Driveways shall be designed so entering vehicles do not interfere with the existing vehicles. Main driveways shall employ entry medians whenever possible.

18. The first parking stall perpendicular to a driveway or first aisle juncture shall be at least sixty (60) feet back from the property line, providing sufficient queuing for exiting vehicles unless otherwise approved by the city engineer.

19. In commercial developments, parking aisles should be oriented perpendicular to the major tenant's front entrance, to facilitate pedestrian movement.

20. Dead-end parking aisles which exceed eight standard parking stalls in length, and serving greater than sixteen (16) standard stalls for dual lanes, shall provide turnaround facilities (i.e., hammerhead, cul-de-sac, etc.) adequate to accommodate emergency vehicles.

21. Consideration shall be given to service vehicles (i.e., tractor trailers) when designing landscape and hardscape areas.

22. Bicycle and motorcycle parking shall be provided as required by this code.

23. All projects generating vehicular traffic shall participate in the traffic signal mitigation program as adopted by the city of Moreno Valley.

24. Transportation management programs may be requested of projects generating significant vehicular traffic. These programs may include transportation system strategies or transportation demand strategies targeted to reduce the project's impact on roads, air quality, and energy consumption. System strategies deal with physical improvements to the road or facility network, such as street widening, restriping, bus turnout improvements or consolidation of driveways. Demand strategies deal with the behavior of those using the road system and include carpooling, subsidized transit passes, bicycle racks, showers for employee use located within the facility, transit centers, and flexible work shifts.

25. Parking lot design shall include openings in curbs to convey water run off into landscape areas for water quality, retention and absorption. Pervious surfaces are recommended where feasible and required for parking areas provided in excess of city requirements.

B. Dimensions of Parking Spaces.

1. Covered Spaces. Parking spaces within an enclosed garage shall have an unobstructed, clear area dimension of ten (10) feet by twenty (20) feet for each required parking space provided. All other covered spaces shall each be nine feet in width and eighteen (18) feet in depth. The parking area shall be clear of any obstructions and the measurements shall not include the exterior walls or structural supports.

2. Parallel Space. Each parallel parking space shall have a minimum dimension of eight feet wide by twenty-two (22) feet long. However, if a parallel space does not abut another parallel space, and access is adequate to that space, the length may be reduced to twenty (20) feet (see Figure 9.11.080-4).

3. Uncovered Spaces, Full-Size. Each full-size uncovered space shall be nine feet in width and sixteen (16) feet in depth of paved area and two feet of landscaped depth in excess of the adjacent landscape requirement. Spaces may be eighteen (18) feet of paved depth with no additional landscape depth subject to approval by the planning official. (The two feet of additional landscape may not be included in the required landscape setback.) (See Figure 9.11.080-5.)

4. Trailer parking stalls shall have a minimum dimension of fourteen (14) feet wide by fifty (50) feet in depth.

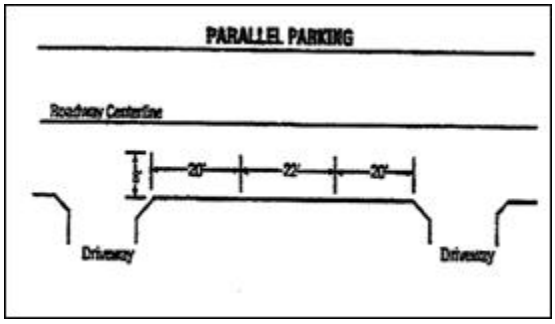

Figure 9.11.080-4

Dimensions of Parallel Parking Spaces

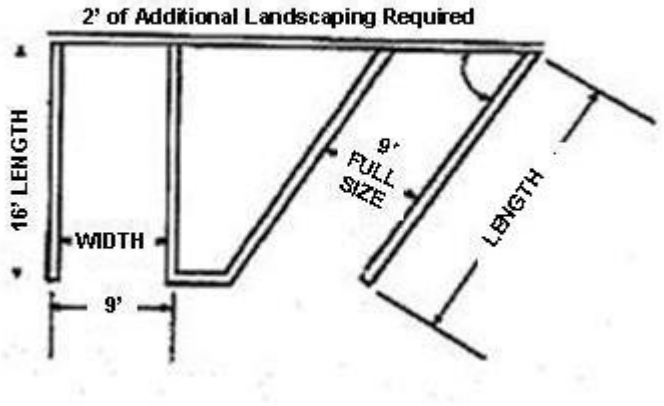

Figure 9.11.080-5

Nonparallel Parking Spaces

5. Tandem Space. Each tandem space shall be a minimum of nine feet in width and twenty-two (22) feet in depth.

C. Standard Improvements.

1. Drainage. Parking lots shall be designed to drain into landscape planters using openings in curbs and site grading. All parking facilities, except those serving two or fewer dwelling units, shall be graded and provided with drainage facilities so as to

provide for the disposal of water without surface flow over sidewalks within public rights-of-way.

2. Safety Features.

a. Additional requirements and guidelines for parking facility safety, including design, internal layout, acceptable turning radii, pavement slope, vehicular and pedestrian circulation and other design features may be adopted by the city traffic engineer when determined to be appropriate.

b. Visibility of and between pedestrians, bicyclists, and motorists shall be assured when entering individual parking spaces, when circulating within a parking facility, and when entering and exiting a parking facility. To the extent possible, the parking facility shall be designed so that primary pedestrian access to and from building entrances is along, rather than across, parking aisles.

c. Parking lots shall be designed to minimize conflicts between vehicles and pedestrians and shall also endeavor to minimize speeding and through traffic.

d. Drive aisles and parking lot drives shall not exceed five percent slope.

e. Streets should intersect others on outside rather than inside horizontal curves.

f. Streets should intersect at as near to a right angle as possible. They should be no more than fifteen (15) degrees skew.

g. Intersections should be offset a minimum of ~~one hundred fifty (150)~~ six hundred (600) feet.

h. Deceleration right turn lanes should be a minimum of two hundred ~~ten (210)~~ thirty five (235) feet long and ten (10) to twelve (12) feet wide, composed of a minimum sixty (60) foot transition and one hundred ~~fifty (150)~~ twenty five (125) foot turn lane. As approved by the City Traffic Engineer.

i. Internal streets and drive lanes should have a minimum radius of two hundred fifty (250) feet (twenty-five (25) mph design speed).

j. Where feasible, bus turnouts and bus stops shall be located on the far side of intersections to reduce conflicts between buses and through traffic.

3. Striping and Identification.

a. All automobile parking spaces shall be clearly outlined with white double lines on the surface of the parking facility as shown in Figure 9.11.080-6 (three-inch line – six-inch space – three-inch line for a total of twelve (12) inches) or as otherwise specified by the building official.

b. Fire lanes, if required, shall be installed to the specifications of the city of Moreno Valley fire chief, including red curbing and posting with signs.

c. Stop signs and painted stop bars shall be installed in parking areas where drive lanes intersect and at egress points to streets or alleys.

d. Within parking facilities, the city traffic engineer may require all aisles, approach lanes and maneuvering areas to be clearly marked with directional arrows on the pavement surface to facilitate vehicular movement. In addition to directional arrows, the city traffic engineer may require installation of signs to ensure safe and efficient vehicular movement.

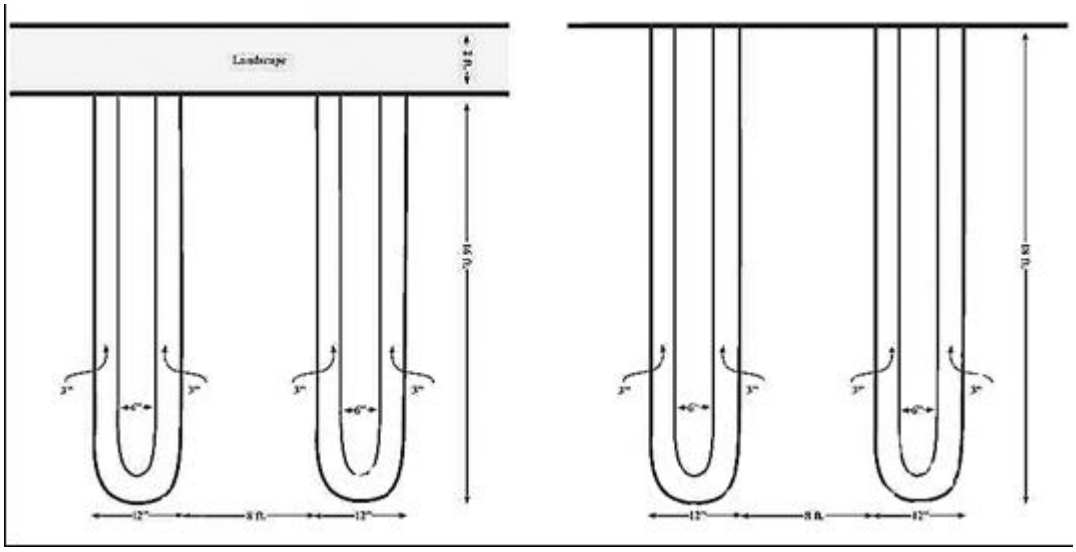

Figure 9.11.080-6A Figure 9.11.080-6B

Parking Space Striping Requirements

* Ends of parking stall striping shall be curved or squared off.

D. Accessible Parking Design Standards. The following design standards for accessible parking are intended to be consistent with the state or federal requirements. Any conflicting provisions or future changes in state or federal requirements shall pre-empt the standards for provision of accessible parking spaces contained in this title:

1. All accessible parking spaces shall be striped and marked according to applicable state regulations.

2. Each parking space reserved for persons with disabilities shall be identified by a permanently affixed reflectorized sign, of a construction and material approved by the building official, displaying the international symbol of accessibility. The sign shall have a minimum size of seventy (70) square inches, and shall be centered at the interior end of the parking space at a maximum height of eighty (80) inches from the bottom of the sign to the finished grade of the parking space.

3. At each entrance to a parking facility containing one or more parking spaces for the handicapped, a sign with a minimum size of seventeen (17) inches by twenty-two (22) inches shall be posted, stating clearly and conspicuously in letters with a minimum height of one inch the following:

Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or license plates issued for physically handicapped persons may be towed away at owner's expense. Towed vehicles may be reclaimed at _____ or by telephoning _____.

4. Parking spaces reserved for persons with disabilities shall have, in addition to the requirements of subsections (D)(1), (2) and (3) of this section, a surface identification in blue paint of at least three square feet in size, duplicating the international symbol of accessibility.

5. Each accessible parking space shall be fourteen (14) feet wide, striped to provide a nine-foot wide parking area and a five-foot wide loading area (access aisle) and shall be a minimum eighteen (18) feet in length. If two accessible spaces are located adjacent to each other, they may share the five-foot wide loading area, resulting in a width of twenty-three (23) feet for the two spaces. One in every eight handicapped spaces, but not less than one, shall be van accessible; served by a loading area not less than eight feet wide. If two van accessible parking spaces are located adjacent to each other, they may share a common eight-foot wide loading area.

6. When less than five parking spaces are provided, at least one shall be fourteen (14) feet wide, striped to provide a nine-foot parking area and a five-foot loading area. Said space shall not be required to be reserved or identified exclusively for use by persons with disabilities.

7. Accessible parking spaces serving a particular building shall be located on the shortest accessible route of travel from adjacent parking to an accessible entrance. In parking facilities that do not serve a particular building, accessible parking shall be located on the shortest accessible route of travel to an accessible pedestrian entrance of the parking facility. In buildings with multiple accessible entrances with adjacent parking, accessible parking spaces shall be dispersed and located closest to the accessible entrances.

8. In each parking area, a bumper or curb shall be provided and located to prevent encroachment of cars over the required width of walkways. The space shall be so located that persons with disabilities are not compelled to wheel or walk behind cars

other than their own. Pedestrian ways that are accessible to people with disabilities shall be provided from each such parking space to the related facilities, including curb cuts or ramps as needed. Ramps shall not encroach into any parking space, with the exception that ramps located at the front of accessible parking spaces may encroach into the length of such spaces when such encroachment does not limit the capability of a person with a disability to leave or enter their vehicle, thus providing equivalent facilitation. Where the building official determines that compliance with any regulation of this paragraph would create an unreasonable hardship, a waiver may be granted when equivalent facilitation is provided.

9. The slope of an accessible parking stall shall be the minimum possible and shall not exceed one-quarter inch per foot (2.083 percent gradient) in any direction.

10. Notwithstanding the off-street parking requirements of Subsection 9.11.040(A) of this chapter, the number of parking spaces that are not accessible may be reduced to the extent necessary for modification of an existing facility to comply with the requirements described in this subsection.

11. Where provided, one passenger drop-off and loading zone shall provide an access aisle at least five feet wide and twenty (20) feet long adjacent and parallel to the vehicle pull up space. Such zones shall be located on a surface with a slope not exceeding one vertical in fifty (50) horizontal and shall be located on an accessible route of travel to the entrance of the facility. If there are curbs between the access aisle and the vehicle pull-up space, then a curb ramp shall be provided. Valet parking facilities shall provide a passenger loading zone as described herein.

12. All disabled spaces shall be located as close as possible to the entrance(s) of the use they are intended to serve and oriented so that the user of the disabled parking space need not go past the rear of automotive parking spaces in order to reach the building's main entrance.

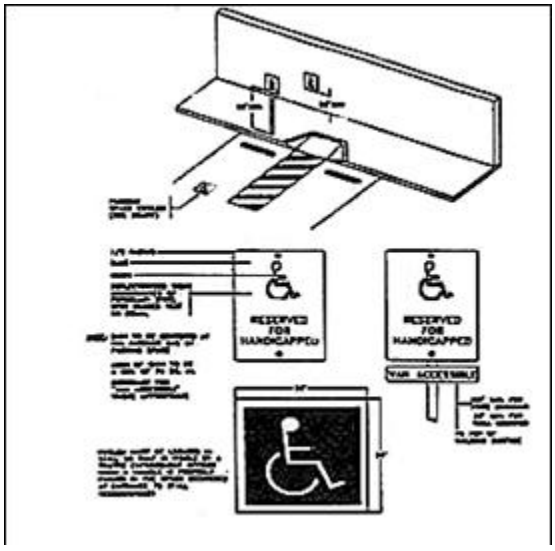

Figure 9.11.080-7

Accessible Parking Stall Requirement

* Ramps shall include a curb-cut type design

* Loading area width: van accessible = 8 feet; all other accessible spaces = 5 feet

E. Surfacing.

1. All permanent automobile and disabled parking spaces, loading and maneuvering areas shall be paved and permanently maintained with asphalt, concrete, or other all-weather surfacing, as approved by the city engineer. Every effort should be made to use pervious surfaces to reduce water run off. All parking areas in excess of the requirements of the Municipal Code shall use pervious pavement and/or increased landscape water retention and absorption areas.

2. Temporary parking facilities shall be provided with surfaces which prevent dust, as approved by the city engineer.

F. Location of Parking.

1. All parking spaces required by this chapter shall be provided on the same site as the use requiring the parking spaces, except as authorized in Section 9.11.070, Adjustments to off-street parking requirements of this chapter.

2. All automobile spaces required for residential uses shall be located a maximum of two hundred fifty (250) feet from the units they are serving. Distances shall be measured from the nearest point of the building to the parking space(s) serving that building.

3. All car pool parking spaces shall be located as close as possible to the entrance(s) of the use they are intended to serve.

G. Landscape and Screening Requirements. Parking lot screening and landscaping shall conform to the requirements of Chapter 9.17 of this title.

H. Access.

1. Parking Access from Streets.

a. Access to parking spaces, other than four or fewer spaces serving a residential use, shall not require backing onto a public or private street or onto a private drive other than a drive designed exclusively to provide access to parking spaces.

b. Commercial developments should orient traffic onto major arterials and not onto local streets or collectors.

c. Projects shall minimize impacts on adjacent streets by consolidating access points. Access points shall be consolidated to take advantage of planned or existing median breaks.

2. Driveway and Aisle Widths and Clearances. For purposes of this section, a driveway shall be defined as an access leading from a public street or right-of-way or a private street to a parking area, or from one parking area to another, but shall not be defined to include any ramp, aisle, or maneuvering area. A ramp is defined as an access driveway from one parking level to another. All driveways and ramps shall comply with the following standards:

a. Driveways and aisles for single-family detached structures shall not be less than sixteen (16) feet in width, and shall be maintained free and clear of all obstructions. Driveways which serve single-family development shall be defined as the paved area leading from a public street or right-of-way or a private street to the designated parking area, and shall not be wider than such designated parking area; and

b. Driveways for single-family attached, multiple-family, and nonresidential uses shall be as shown in Table 9.11.080-13 of this section, except when for health and safety purposes wider dimensions are required for emergency vehicle access.

Table 9.11.080-13
Driveway and Aisle Dimensions for Single-Family Attached, Multiple-Family, and Nonresidential Uses

Width, excluding flares or curb radius	
~~Minimum~~ Required (one-way)*	20 feet
~~Minimum~~ Required (two-way)*	24 feet
~~Maximum~~	~~36 feet~~
Right Turn Radius[1]	
Minimum	15 feet
Maximum	50 feet
Minimum Spacing[2]	
From side property line	10 feet
From street corner	25 feet
Angle[3]	75°

[1] On side of driveway exposed to entry or exit by right-turning vehicle to driveways with curb radius.
[2] Measured along the street side property line from throat to the side property line, or to a line passing through the intersection.
[3] Minimum acute angle measured from the edge of pavement.
* Wider driveway aisles may be approved with the approval of the Community and Economic Development Director.

3. The following criteria and dimensions may be modified by the city engineer:

Table 9.11.080-14

Street Classification	Distance from a Driveway to an Intersection	Spacing Between Adjacent Driveways
Expressway 134′ ROW	Restricted* **	1/2 mile
Divided Major/Modified Major	Limited access* **	Limited access
Divided Arterial	Minimum 450 feet	Minimum 450 feet
134′ ROW/120′ ROW		One driveway per parcel
Divided Arterial	Limited Access* **	Minimum 250 feet
110′ ROW	Minimum 350 feet	
Arterial/Minor Arterial/ Industrial Collector		
100′/88′/78′ ROW	Limited access* **	Minimum 150 feet
	Minimum 250 feet	
	Full Access 350 feet	
Collector/66′ ROW	Minimum 200 feet* ***	Minimum 100 feet or one driveway per parcel
Local Street	Minimum 100 feet* ***	Minimum 100 feet or one driveway per parcel

* Access may be limited to the minimum movements necessary to safely expedite traffic.
** Access may be restricted by medians.
*** For residential development.

4. Ramps.

a. One-way ramps shall have a minimum width of fourteen (14) feet, unless a larger dimension is required for emergency vehicle access.

b. Two-way ramps shall have a minimum width of twenty (20) feet.

5. Gated Entries. Requests for gated entries shall be submitted to the city traffic engineer and shall be subject to review and approval by the city traffic engineer and planning official, based on an analysis of the following issues:

a. Type and operation of gate;

b. Adequacy of vehicle stacking area;

c. Effect of gated entry on parking usage and distribution on the site;

d. Effect of gated entry on parking for surrounding or adjacent areas;

e. Emergency vehicle access. (Ord. 826 § 3.4, 2011; Ord. 808 § 2.5.3, 2010; Ord. 694 § 1.1 (part), 2005; Ord. 643 § 2.6, 2003; Ord. 616 § 2.2.22, 2003; Ord. 604 §§ 2.15—2.18, 2002; Ord. 557 § 2.6, 2000: Ord. 475 § 1.4 (part), 1995; Ord. 406 § 1.4, 1993; Ord. 405 §§ 1.14, 1.15, 1993; Ord. 402 §§ 1.3, 1.4, 1993; Ord. 359 (part), 1992)

PLANNING COMMISSION
STAFF REPORT

Case:	PA10-0030 (Municipal Code Amendment)
Date:	March 8, 2012
Applicant:	City of Moreno Valley
Representative:	Planning Division
Location:	City-wide
Proposal:	To amend the municipal code regulations regarding: (1) Adopting WRCOG Good Neighbor Guidelines. (2) Parking Standards for Restaurants. (3) Reduction of (CC) Community Commercial front and street side building setbacks, and revisions to parking and landscape setbacks. (4) Provide for parking lot maintenance standards, banning "topping" of trees. (5) Amend the General Parking Design Standard with revised safety features and 24 foot wide drive aisles.
Recommendation:	Approval

SUMMARY

This is a proposal to amend a range of zoning regulations contained in Title 9 of the City of Moreno Valley Municipal Code as identified in the report title above. Some of the proposed changes are due to Planning Commission requests, and others are staff generated to address changes in development practices, and to provide greater clarity of city regulations.

ATTACHMENT 5

PROJECT DESCRIPTION

This proposed amendment would modify various provisions of the Municipal Code. If adopted, it would create or change the regulations concerning: (1) Adopting WRCOG Good Neighbor Guidelines with amendments to address air quality: (2) Reducing the minimum restaurant parking space requirement within shopping centers greater than 25,000 square feet of building area where restaurant space is less than 15% of the shopping center square footage: (3) Recommending that the (CC) Community Commercial front and street side building setbacks be reduced, while maintaining a greater setback for parking than for buildings and eliminating the 10 feet and 10 feet landscape option, and replacing it with a 15 feet landscape depth requirement between the property line and parking area on the parking side street setback and 20 feet on the parking front street setback: (4) Providing for a parking lot maintenance standard including the banning of "topping" of trees: and (5) Amending the General Parking Design Standard with revised safety features and 24 foot maximum wide drive aisles. The modifications are aimed at reducing the environmental impact of new and existing development by increased attention on post-construction operational issues, increased efficiency in site development and decreased energy usage.

ANALYSIS

Issue 1. Adopting WRCOG Good Neighbor Guidelines.

Chapter 9.05 Industrial Districts of the Municipal Code addresses requirements for industrial development.

The addition of Section 9.05.050 to Chapter 9.05 has been suggested to help minimize the impacts of diesel particulate matter (PM) from on-road trucks associated with warehouses and distribution centers on sensitive receptors located within the City of Moreno Valley. The Good Neighbor Guidelines used in this code amendment is a modified version of the WRCOG model guidelines. The guidelines would apply to warehouses of 650,000 square feet or more, the State threshold for "projects of regional significance" that require enhanced environmental scrutiny. The following are the standards from WRCOG that staff suggests be adopted:

A. Minimize exposure to diesel emissions to neighbors that are situated in close proximity to the warehouse/distribution center.

B Eliminate diesel trucks from unnecessarily traversing through residential neighborhoods.

C. Eliminate trucks from using residential areas and repairing vehicles on the streets.

D. Reduce and/or eliminate diesel idling within the warehouse/distribution center.

There are current municipal code sections that help with the implementation of the WRCOG standards A - D. The municipal code sections that are called out are located in Title 12 *Vehicles and Traffic* of the Municipal Code. By citing the exiting Title 12 codes in the new Good Neighbor Guidelines Section 9.05.050 of Title 9 *Planning and Zoning* it will assist in minimizing the impacts of diesel particulate matter (PM) from on-road trucks associated with warehouses and distribution centers. The entire code amendment is located on Attachment 3.

Issue 2. Parking Standards for Restaurants.

Section 9.11.040 of the Municipal Code, addresses Off-street parking requirements.

Revisions to Section 9.11.040 have been made to better address the standard parking requirement for eating and drinking establishments within shopping centers of 25,000 square feet of building area or greater. The proposed standard would reduce the required parking for restaurant space equaling up to 15% of the shopping center building square footage, which has been shown to be accommodated with adequate parking at the lower retail parking standard. The size threshold provides for sufficient parking lot size and variety in retail and service uses to preclude a single popular restaurant from overwhelming parking provided on site.

Currently the parking standard for eating and drinking establishments is 1/100 sq. ft. of gross floor area up to 6,000 sq. ft. and 1/75 sq. ft. of gross floor area over 6,000 sq. ft. The proposed parking standard will make eating and drinking establishments within shopping centers of 25,000 sq. ft. of building area or grater be calculated at the general retail standard of 1/225 sq. ft. of gross floor area for up to 15% of building gross floor area for the shopping center. For eating and drinking establishments in excess of the 15% building gross floor area of the shopping center the parking calculation will be 1/100 sq. ft. of gross floor area.

Staff has researched a number of local jurisdictions and found that many have similar parking requirements for restaurants within shopping centers of 25,000 square feet of building area or greater. In addition staff has completed a number of parking studies to prove that the proposed parking standard will not result in a lack of available parking. Lakeside Plaza (Stater Bro's Market Center) located at the northwest corner of Lasselle and Iris, and Lakeside Terrace (CVS Center) at the north east corner of Lasselle and Iris were studied – both centers had sufficient excess parking at peak hours to allow for the proposed lower parking standard. The proposed parking changes will result in shopping centers being more adequately parked, and provide for more efficient development. The proposed standard would permit greater building area and/or less impervious paved areas.

Staff recommends amending Table 9.11.040B-12 of Section 9.11.040 by changing the subscript for restaurant parking and adding subscript for as follows: See Attachment 3.

Issue 3. Reduction of (CC) Community Commercial front and street side building setbacks, and revisions to parking and landscape setbacks.

Section 9.04.040 of the Municipal Code, addresses Commercial site development standards.

Several years ago, the Planning Commission asked staff to review other cities setback requirements in the Community Commercial (CC) and Neighborhood Commercial (NC) zones. The City of Moreno Valley has the same setback requirements for both Community Commercial and Neighborhood Commercial zones. Other local cities that have been researched differentiate setback requirements between the CC and NC zones.

On January 28, 2010 staff brought forth the following research. From the research typically the NC zone has a greater setback requirement than the CC zone. Typically what would be developed in the NC zone is smaller scale commercial buildings that cater to the local neighborhoods, and the greater setbacks help create a more residential character by providing more landscaping. The CC zone is typically a community or regional commercial zone where retailers draw people from throughout the community and from other communities. The CC zone tends to be more of a destination for shoppers and typically has your big box retailers;

therefore the shopping center is typically bigger than the NC shopping center in most cases, and the lesser setbacks help create a more urban character with buildings closer to the street.

For either zone, parking could be permitted closer or further away from the front property line. The Village Commercial Residential zone along Sunnymead Boulevard currently allows for buildings to be placed closer to the front property line while keeping parking at the twenty foot setback to allow for the creation of a more pedestrian downtown feel to that area long term. This information was provided to allow for elicit Planning Commission discussion of the issue. Staff did not have a specific recommendation.

At the January 28, 2010 meeting Planning Commission recommended that staff do further research on the building and parking setbacks in the NC and CC zones and that staff provide a recommendation.

Revisions to Section 9.04.040 have been made in order to address the past concerns of the Planning Commission. Planning staff has done additional review of building and parking setbacks in other jurisdiction's commercial zones. Attachment 4 is an informational table that provides the setbacks of other cities that were studied. Staff recommends that the CC front building setback be amended from 20 feet to 10 feet, and that the side street building setback be amended from 20 feet to10 feet. In the NC zone staff recommends that the setback not change and keep the existing 20 foot front and street side setback. Additionally we have added * in regards to building height, this is something we did not bring forth at the previously Planning Commission meeting. Through our research we came across this in other cities and thought it made sense to include a setback based on height to help reduce the potential of having too much building massing at the setback line. In addition to the building setback we changed the parking setback. Based on staff research we recommend that the building play more of a prominent roll in the development of the site layout. Therefore we have revised the parking area to have the same minimum setback as the building setback, or in the case of the CC zone have the parking be set back further than the building setback. In keeping with the building playing more of a prominent role in site layout staff has eliminating the 10 feet and 10 feet landscape option, and replacing it with a 15 feet landscape depth requirement between the property line and parking area on the parking side street setback and 20 feet on the parking front street setback.

Staff recommends amending Table 9.04.040-7 of Section 9.04.040 by changing the subscript for front building and side street building setback, and adding subscript B4 as follows: See Attachment 3.

Issue 4. Provide for parking lot maintenance standards, banning "topping" of trees.

Section 9.17.030 of the Municipal Code, addresses Landscape and Irrigation Design Standards.

Revisions to Section 9.17.030 have been made in order to address the practice of topping of trees, which prevents the development of adequate tree canopy to provide the shading required by the Municipal Code. Parking lot shading reduces the "heat island effect" created by hot pavement and results in lower micro-climate temperatures that can provide greater comfort and lower energy use in adjacent structures. There are current commercial centers in Moreno Valley that practice and have practiced the topping of trees. The Municipal Code requires that parking areas provide 50 percent shading. The majority of the parking areas meet this code requirement by planting trees, the code defines the 50 percent tree shading requirement at maturity. The practice of topping prohibits trees from growing naturally or

reaching maturity and fulfilling the code requirement. In association with the new Tree Preservation and Maintenance portion of the code we have added a Heritage Trees section to help preserve mature and historical trees in our City. Staff has researched other cities that have adopted similar tree preservation ordnances.

Staff recommends amending by changing subscript E, F, G, and H by adding, deleting, and, renumbering, subscript as follows: See Attachment 3.

Issue 5. Amend the General Parking Design Standard with revised safety features and 24 foot wide drive aisles.

Section 9.11.080 of the Municipal Code, addresses General Parking Design Standards.

Revisions to Section 9.11.080 have been made in order to make parking design safer and consistent with current traffic engineering standards. The standard improvements safety features of parking lot design have been revised and Table 9.11.080-13 has revised driveway and aisle dimensions.

Staff recommends amending by changing subscript C and Table 9.11.080-13 by adding and deleting subscript as follows: See Attachment 3.

ENVIRONMENTAL

The project is exempt from the California Environmental Quality Act (CEQA) in accordance with Section 15061 as defined by Section 15378 of the CEQA Guidelines. The amendment does not have the potential to cause a significant effect on the environment.

NOTIFICATION

A 1/8 page public notice was published in the local newspaper.

STAFF RECOMMENDATION

APPROVE Resolution No. 2012-04 and thereby, **RECOMMEND** that the City Council:

1. **APPROVE** PA10-0030 (Municipal Code Amendment); and,

2. **RECOGNIZE** that PA10-0030 (Municipal Code Amendment) qualify as an exemption in accordance with CEQA Guidelines, Section 15061 as defined by Section 15378.

NOTICE
OF
PLANNING COMMISSION
PUBLIC HEARING

THE PLANNING COMMISSION WILL CONSIDER A MUNICIPAL CODE AMENDMENT (PA10-0030) COVERING REGULATIONS REGARDING: (1) WRCOG GOOD NEIGHBOR GUIDELINES. (2) PARKING STANDARDS FOR RESTAURANTS IN SHOPPING CENTERS. (3) COMMUNITY COMMERCIAL LAND USE ZONE (CC) FRONT AND STREET SIDE BUILDING SETBACKS, AND PARKING AND LANDSCAPE SETBACKS. (4) PARKING LOT MAINTENANCE STANDARD TO BAN "TOPPING" OF TREES; AND (5) GENERAL PARKING DESIGN STANDARDS FOR SAFETY FEATURES AND 24 FOOT WIDE DRIVE AISLES.

The proposed Municipal Code Amendment (PA10-0030) modifies various provisions listed above. The modifications update, eliminate conflicts and/or clarify the meaning of the above mentioned sections.

The project is exempt from the California Environmental Quality Act (CEQA) in accordance with Section 15061 of the CEQA Guidelines. The amendment does not have the potential to cause a significant effect on the environment.

The Planning Commission may consider any appropriate modifications or alternatives to the amendment or the environmental determination. Any person concerned about the proposal may submit written comments to the Planning Division prior to the hearing date listed below. Any person may appear and be heard in support or opposition to the project or the environmental determination at the time of the hearing. Any person interested in the proposed project may contact Gabriel Diaz, Associate Planner at (951) 413-3206 or at the Community & Economic Development Department at 14177 Frederick Street, Moreno Valley, California, during normal business hours (7:30 a.m. to 5:30 p.m., Monday – Thursday).

If you challenge any of these items in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the Planning Commission on or before the following meeting date:

Thursday, March 8, 2012
7:00 P.M. or thereafter
City Council Chambers
14177 Frederick Street
Moreno Valley, CA 92552-0805

PLANNING COMMISSION RESOLUTION NO. 2012-04

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF MORENO VALLEY RECOMMENDING APPROVAL OF PA10-0030 (MUNICIPAL CODE AMENDMENT) TO THE CITY COUNCIL, AMENDING THE MORENO VALLEY MUNICIPAL CODE REGULATIONS REGARDING: (1) ADOPTING WRCOG GOOD NEIGHBOR GUIDELINES. (2) PARKING STANDARDS FOR RESTAURANTS: (3) REDUCTION OF (CC) COMMUNITY COMMERCIAL FRONT AND STREET SIDE BUILDING SETBACKS, AND REVISIONS TO PARKING AND LANDSCAPE SETBACKS: (4) PROVIDE FOR PARKING LOT MAINTENANCE STANDARDS, BANNING "TOPPING" OF TREES: AND (5) AMEND THE GENERAL PARKING DESIGN STANDARD WITH REVISED SAFETY FEATURES AND 24 FOOT WIDE DRIVE AISLES.

Section 1:

WHEREAS, the City of Moreno Valley has filed an application for the approval of PA10-0030 (Municipal Code Amendment), as described in the title of this Resolution.

WHEREAS, on March 8, 2012, the Planning Commission of the City of Moreno Valley held a meeting to consider the application.

WHEREAS, all legal prerequisites to the adoption of this Resolution have occurred.

NOW, THEREFORE, BE IT RESOLVED, it is hereby found, determined and resolved by the Planning Commission of the City of Moreno Valley as follows:

A. This Planning Commission hereby specifically finds that all of the facts set forth above in this Resolution are true and correct.

B. Based upon substantial evidence presented to this Planning Commission during the above-referenced meeting, including written and oral staff reports, and the record from the public hearing, this Planning Commission hereby specifically finds as follows:

1. **Conformance with General Plan Policies –** The amendment is consistent with the General Plan, and its goals, objectives, policies and programs, and with any applicable specific plan.

   FACT: All of the proposed changes are consistent with, and do not conflict with the goals, objectives, policies, and programs established within the General Plan or any specific plan. The amendments modify various provisions of the Municipal Code regarding: (1) Adopting WRCOG Good Neighbor Guidelines with amendments to address air quality: (2) Reducing the minimum restaurant parking space requirement within shopping centers greater than 25,000 square feet of building area where restaurant space is less than 15% of the shopping center square footage: (3) Recommending that the (CC) Community Commercial front and street side building setbacks be reduced, while maintaining a greater setback for parking than for

buildings and eliminating the 10 feet and 10 feet landscape option, and replacing it with a 15 feet landscape depth requirement between the property line and parking area on the parking side street setback and 20 feet on the parking front street setback: (4) Providing for a parking lot maintenance standard including the banning of "topping" of trees: and (5) Amending the General Parking Design Standard with revised safety features and 24 foot maximum wide drive aisles. The modifications are aimed at reducing the environmental impact of new and existing development by increased attention on post-construction operational issues, increased efficiency in site development and decreased energy usage.

2. **Health, Safety and Welfare –** The proposed use will not be detrimental to the public health, safety or general welfare.

   FACT: The proposed changes do not have the potential of adversely affecting the public health, safety or welfare of the residents of the City of Moreno Valley or surrounding jurisdictions. The amendment deals with administrative matters that would not cause a physical effect on the environment. Amendments like the Good Neighbor Guidelines and amendments that make development more efficient only improve the Health, Safety and Welfare.

3. **Conformance with Zoning Regulations –** The proposed amendment is consistent with the purpose and intent of Title 9.

   FACT: The amendments to the Municipal Code provides for an internally consistent set of regulations that are compatible with the purpose and intent of Title 9. The proposed changes eliminate conflicts or clarify the meaning of some sections of Title 9. As such, it furthers the specific purpose and intent of Title 9 to "implement the goals, objectives, policies and programs of the Moreno Valley General Plan and manage future growth and change in accordance with that plan."

BE IT FURTHER RESOLVED that the Planning Commission **HEREBY APPROVES** Resolution No. 2012-04, recommending that the City Council approve PA10-0030 (Municipal Code Amendment), thereby amending the Municipal Code as described in the title of this resolution.

APPROVED this 8th day of March, 2012.

Issue 1. Adopting WRCOG Good Neighbor Guidelines.

Staff recommends amending Chapter 9.05 by adding Section 9.05.050 as follows:

Chapter 9.05 INDUSTRIAL DISTRICTS

Sections:
9.05.010 Purpose and intent.
9.05.020 Industrial districts.
9.05.030 Permitted uses for industrial districts.
9.05.040 Industrial site development standards.
9.05.050 Good Neighbor Guidelines

9.05.050 Good Neighbor Guidelines for Warehouse Distribution Facilities.

In September, 2005, the Western Riverside Council of Governments (WRCOG) and the Regional Air Quality Task Force (RAQTF) approved the *Good Neighbor Guidelines For Siting New and/or Modified Warehouse/Distribution Facilities*. The Good Neighbor Guidelines used in this section are a modified version of the WRCOG's RAQTF Guidelines. The modified version includes goals and strategies that fit the specific needs of the City of Moreno Valley.

These "Good Neighbor Guidelines for Siting New and/or Modified Warehouse/Distribution Facilities," (referred to as "Good Neighbor Guidelines") assist planning departments, developers, property owners, elected officials, community organizations, and the general public as a tool to potentially help address some of the complicated choices associated with permitting warehouse/distribution facilities and understanding the options available when addressing environmental issues. These Good Neighbor Guidelines are designed to help minimize the impacts of diesel particulate matter (PM) from on-road trucks associated with warehouses and distribution centers on sensitive receptors located within the City of Moreno Valley. Sensitive receptors include residential neighborhoods, schools, parks, playgrounds, day care centers, nursing homes, hospitals, and other public places where residents are most likely to spend time.

For the purpose of these Guidelines, warehouse/distribution center means a building used for the storage, receiving, shipping, or wholesaling of goods and merchandise, and any incidental or accessory activities that is greater than 650,000 square feet. This shall be cumulative to include multiple warehouse buildings deemed as part of a project or a phased project exceeding a combined total building area of 650,000 square feet. For the purpose of these Guidelines, a warehouse and distribution center is not intended to include "big box" discount or warehouse stores that sell retail goods, merchandise or equipment, or storage and mini-storage facilities that are offered for rent or lease to the general public.

A. Minimize exposure to diesel emissions to neighbors that are situated in close proximity to the warehouse/distribution center by using the following strategies:

1. To the extent possible, locate driveways, loading docks and internal circulation routes away from residential uses or any other sensitive receptors.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.2 – "Parking Prohibitions or Restrictions" is unlawful to park or leave

standing any commercial vehicle weighing 10,000 pounds or more on any vacant lot or unimproved nonresidential property in the City.

3. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.5 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds within any commercially zoned property for the purpose other than doing business at the site, and or remaining parked or standing for longer than reasonably appropriate to do such business acts related to such business operations.

4. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.8 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any highway, street or road which is adjacent to a parcel upon which there exists a public facility.

5. Enforce compliance with Moreno Valley Municipal Code Section 9.10.150 – "Odors" no operation or activity shall be permitted which emits odorous gases or other odorous matter in such quantities as to be dangerous, injurious, noxious, or otherwise objectionable to a level that is detectable with or without the aid of instruments at or beyond the lot line of the property containing said operation or activity.

B Eliminate diesel trucks from unnecessarily traversing through residential neighborhoods by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.36.030 – "Designation of Truck Routes" the city traffic engineer shall erect appropriate signs designating the affected street or portion thereof.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.B.1 – "Parking Prohibitions or Restrictions" is unlawful to park or leave standing any commercial vehicle weighing 10,000 pounds or more on any highway, street, road, alley or private property within any residential district within the city.

3. Required warehouse/distribution centers to establish a specific truck route and post signage between the warehouse/distribution center and the freeway and/or primary access arterial that achieves the objective.

4. Require warehouse/distribution centers to provide signage or flyers identifying where food, lodging and entertainment can be found, when it is not available on site.

C. Eliminate trucks from using residential areas and repairing vehicles on the streets by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.A.4. – "Parking Prohibitions or Restrictions" It is unlawful to park or leave standing any vehicle on any highway, street, road or alley within the city for the purpose of servicing or repairing such vehicle except when necessitated by an emergency.

2. Allow warehouse/distribution facilities to establish an area within the facility for repairs.

D. Reduce and/or eliminate diesel idling within the warehouse/distribution center by using the following strategies:

1. Enforce compliance with Moreno Valley Municipal Code Section 12.38.020.C – "Parking Prohibitions or Restrictions" while adjacent to a developed residential area, the operator shall not idle the vehicle's engine for longer than fifteen (15) minutes.

2. Enforce compliance with Moreno Valley Municipal Code Section 12.50.040.A.1 – "Idling Limitation" a driver of a vehicle must turn off the engine upon stopping at a destination.

3. Enforce compliance with Moreno Valley Municipal Code Section 12.50.040.C – "Idling Limitation" an equipment operator of a TRU (Transportation Refrigeration Unit) must not cause or allow a TRU to operate while stationary unless the vehicle is lawfully parked at a location approved for truck parking by this code and not within five hundred (500) feet of a school unless the operator is actively engaged in the process of loading or unloading cargo or is waiting in a queue to load or unload cargo for a period not to exceed two hours.

4. Enforce compliance with Moreno Valley Municipal Code Section 12.50.060.D – "Relationship to other laws" nothing in this chapter allows idling in excess of other applicable laws, including, but not limited to any other local, state or federal law or regulation as stringent as, or more stringent than this chapter.

5. Future tenant improvements involving conversion of a warehouse for refrigeration storage shall include electrical hookups for refrigeration units.

6. Promote the installation of on-site electric hook-ups to eliminate the idling of main and auxiliary engines during loading and unloading of cargo and when trucks are not in use.

Issue 2. Parking Standards for Restaurants.

Staff recommends amending Table 9.11.040B-12 of Section 9.11.040 by changing the subscript for restaurant parking and adding subscript for as follows:

Table 9.11.040B-12
Off-Street Parking Requirements

Commercial Uses	Requirement	Notes
General retail (unless specified elsewhere)	1/225 sq. ft. of gross floor area	
Eating and drinking establishments	1/100 sq. ft. of gross floor area up to 6,000 sq. ft. 1/75 sq. ft. of gross floor area over 6,000 sq. ft.	A minimum of 10 spaces required for stand alone use.
Eating and drinking establishments within shopping centers of 25,000 square feet of building area or greater.	1/225 sq. ft. of gross floor area up to 15% of the shopping center gross building square footage. 1/100 sq. ft. of gross floor area over the 15%.	Example a 25,000s.f. Shopping Center. 15% of Shopping Center = 3,750s.f. is calculated at 1/225. 3,750/225 = 17. Any restaurant space over 3,750s.f. is calculated at 1/100. 2000/100 =20

Issue 3. Reduction of (CC) Community Commercial front and street side building setbacks, and revisions to parking and landscape setbacks.

Staff recommends amending Table 9.04.040-7 of Section 9.04.040 by changing the subscript for front building and side street building setback, and adding subscript B4 as follows:

9.04.040 Commercial site development standards.

A. General Requirements. The following table sets forth minimum site development standards for all commercial and office zones. All sites shall conform to the dimensions set forth in this section. A development or center may, however, be a combination of many parcels totaling at least the required site size, but its design must be integrated and unified. In addition, projects must comply with the special requirements enumerated in Section 9.04.040(B), the performance standards included in Chapter 9.10 and any other applicable city ordinances, policies, and programs.

Table 9.04.040-7

Commercial Site Development Minimum Standards

	Requirement	O	OC	VC	NC	CC
1	Minimum site area	10K[1]	10K	10K	10K	1ac[2]
2	Minimum site width, in feet	100	100	100	100	200
3	Minimum site depth, in feet	100	100	100	100	175
4	Front building setback, in feet[3]	20*	20*	20*	20*	~~20~~ 10*
5	Side street building setback area, street sides, in feet[3]	20*	20*	20*	20*	~~20~~ 10*
6	Lot coverage, maximum	60%	60%	—	—	—
7	Building height, in feet, maximum	See Special Requirements				
8	Parking front street setback, in feet[3]	20	20	20	20	20

	Requirement	O	OC	VC	NC	CC
9	Parking side street setback, in feet[3]	15	15	15	15	15
10 ~~8~~	Setback landscaping	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas	All setbacks exclusive of required walkways and driveways will be landscaped planting areas

[1] The term “K” means one thousand (1,000).

[2] The term “ac” means acre or acres.

[3] Measured from property line after dedications for public rights-of-way.

* Building areas above 30 feet shall be setback an additional 5 feet for every 10 feet of additional structure height unless otherwise approved by the Planning Commission.

On legal lots of record existing immediately prior to the date of adoption of this title, and which otherwise comply with all other provisions in this title and with all land use regulations existing immediately prior to adoption of this title, if any of such lots contain less than the minimum depths required by this section they need not provide a front building setback or landscaping greater than twenty (20) percent of the depth of the property (excluding right-of-way area). The creation of new lots within these districts shall conform to these minimum dimensions, except in the case of condominium lots or lots within an integrated commercial center containing shared parking and access, in which case no minimums are established. Parcels created within integrated commercial centers are exempt from the site development standards stated herein, as they relate to minimum site areas, and minimum lot width and depth, as long as a conceptual development plan for the entire center has been developed and approved and if appropriate easements for reciprocal access parking and maintenance are provided.

B. Special Requirements.

1. Wherever a lot in any commercial district abuts a lot in any residential district, a minimum setback equal to the building height, but not less than ten (10) feet shall be required. A minimum of ten (10) feet nearest the district boundary line shall be landscaped.

2. Where off-street parking areas or drive-through aisles in commercial districts are situated so as to be visible from any street, screening in the form of a landscaped earthen berm, shrubs, or decorative wall three feet in height shall be erected between the street and the parking area.

3. In all commercial districts, required front building setback areas shall be landscaped. Such landscaping shall consist predominantly of plant materials except for necessary walks and drives.

~~4. The street side building setback area in any commercial district shall be used only for landscaping, pedestrian walkways, driveways or off-street parking. When off-street parking is located within building setback areas, a minimum landscaped area of ten (10) feet in depth shall be provided between the property line and the parking area, with an additional minimum landscaped area ten (10) feet in depth required between the parking area and the building.~~

~~5~~ 4. Required rear and interior side building setback areas in any commercial district shall be used only for landscaping, pedestrian walkways, driveways, off-street parking or loading, recreational activities or facilities, and similar accessory activities.

~~6~~ 5. In the office commercial district, all nonoffice uses permitted shall be supportive of office-based development. (See Table 9.02.020-1)

~~7~~ 6. In the office commercial district, all commercial and retail activities, other than offices, shall be limited to no more than twenty-five (25) percent of the square footage of any building. In the case of a mixed use development, no more than twenty-five (25) percent of the total square footage of all buildings shall be devoted to commercial/retail uses, with the remaining seventy-five (75) percent to be utilized for office.

~~8~~ 7. Parking for each use shall comply with the requirements of Chapter 9.11.

~~9~~ 8. Except as otherwise specified in this section, structures shall be constructed either on the property line or be set back at least three feet from the rear or interior side property line. (Ord. 643 § 2.1, 2003; Ord. 616 §§ 2.2.3, 2.2.4, 2003; Ord. 590 § 2 (part), 2001; Ord. 560 § 2.1, 2000; Ord. 497 § 1.4, 1996; Ord. 359 (part), 1992).

Issue 4. Provide for parking lot maintenance standards, banning "topping" of trees.

Staff recommends amending by changing subscript E, F, G, and H by adding, deleting, and, renumbering, subscript as follows:

9.17.030 Landscape and irrigation design standards.

A. General. The landscape plans shall incorporate low water use plants, turf trees and ground covers adaptable to the area. A list of plants may be found in the county of Riverside's Guide to California Friendly Landscaping that provides a variety of options to meet the drought tolerant needs of the area while ensuring an aesthetically

pleasing landscape. Plants not on the list may be used providing the water consumption does not exceed the project's water budget. Consideration should be given to climate, soil types and topographic conditions. Landscapes should group plants using similar watering patterns to eliminate over watering and provide irrigation watering zones of similar use.

The irrigation systems shall be installed using water-conserving equipment including the installation of bubblers, drip systems, low volume sprays and smart irrigation controls. Smart irrigation controls are sensitive to the changing weather patterns and adjust watering cycles automatically to reduce water usage during colder/rainy weather. A water budget shall be completed that meets Eastern Municipal Water District guidelines and submitted with the landscape plans. Based on the landscape design, the water budget will determine the landscape's water demand. Once calculated, the annual maximum allowable water budget (AMAWB) is compared to the estimated annual water use (EAWU) to ensure the design does not exceed the allowed water use.

Projects shall be designed to capture and retain storm water onsite to improve water use efficiency and water quality. The use of reclaimed water is encouraged. Contact Eastern Municipal Water District for availability.

B. Plan Design Standards. The following design standards are required on all landscape plan submittals:

1. Final landscape and irrigation plans shall be based on the approved site plan and/or the final grading plan for the project.

2. Final landscape and irrigation plans for all projects, with more than one thousand (1,000) SF of landscaped area, except custom homes or projects designed in-house by the public works department or parks and community services department, shall be designed (and wet stamped/certified) by a California state licensed architect, civil engineer or landscape architect. All non-residential projects with one thousand (1,000) square feet or less of landscaped areas shall provide landscape and irrigation plans certified by a certified irrigation designer.

3. Minimum scale is one inch = twenty (20) feet. A smaller scale may be used with prior approval by the city. Standard sheet size is twenty-four (24) inches by thirty-six (36) inches.

4. Existing vegetation shall be retained on any portion of a development not designated for grading or construction, unless otherwise approved or required by the city.

5. Landscape shall include drought-tolerant plants and water conservation principles.

6. All soil surfaces in landscape areas shall be covered with plant materials, walkways or mulch (organic or inorganic).

7. Ground-mounted equipment (e.g., transformers and back flow preventers) shall be screened with landscaping or screening walls, allowing for adequate access for equipment maintenance.

8. Trash enclosures are screened with at least three feet of landscaping on three sides.

9. Unimproved areas are maintained in a weed-free condition, and may require temporary landscape and irrigation.

10. All nonturf landscape areas are covered with a minimum of three inches of mulch following installation, unless otherwise approved by the city.

11. Native or low-water use plant materials shall be used. The use of invasive plants should be avoided. (See the California Invasive Plant Inventory by the California Invasive Plant Council www.cal-ipc.org). No invasive plants are permitted adjacent to Multi-Species Habitat Conservation Plan conservation areas.

12. Water budgets that meet Eastern Municipal Water District guidelines shall be attached to plan submittal. Obtain water budget information from Eastern Municipal Water District.

13. Water budgets are subject to approval by Eastern Municipal Water District. The city of Moreno Valley will cooperate with Eastern Municipal Water District in monitoring to the extent practicable.

14. Irrigation systems shall be designed, maintained and managed to meet the current irrigation efficiency standard as determined by the state of California Code of Regulations and Eastern Municipal Water District. Landscape plans submitted shall meet this standard.

15. Water quality basin design shall ensure that the design between the basin and the required landscaping area complement one another.

C. Turf Areas.

1. Turf areas shall have a maximum design slope of twenty (20) percent and a minimum design slope of one percent.

2. Turf areas shall be limited to less than twenty-five (25) percent and only in gathering areas with the exception of parks and similar recreational facilities. Turf shall not be used solely for decorative purposes. Turfless or xeriscape design concepts are preferred.

3. Where turf areas are allowed, drought-tolerant and warm season turf varieties shall be used.

4. Except for single-family residences, concrete mow strips shall be installed between all turf areas and groundcover/shrub areas, vine pockets, walls, structures, or signs.

5. High quality artificial turf is allowed as an element of a project landscape.

6. Native grasses not requiring regular mowing shall be used in lieu of turf in water quality facilities.

D. Ground Cover/Shrub Areas.

1. Shrubs and groundcover shall be installed in shrub/planting areas in amounts and at intervals that will provide eighty (80) percent coverage within twenty-four (24) months.

2. Shrubs shall be located to provide visual interest to the project site, break-up building massing, and help screen unsightly views.

3. Groundcover (low water use plants are preferred) shall be installed in such a manner to ensure eighty (80) percent coverage within twelve (12) months.

4. No plantings shall be located closer than twenty-four (24) inches from any building or structure, unless otherwise approved by the city.

5. All planting areas adjacent to buildings or structures shall slope away from all buildings, structures or walls, or incorporate drains to direct water away from these elements.

6. Large ground cover areas shall have multiple plant types including a variation in height, texture and color.

7. The plant palette provided in the Riverside County Landscape Guidelines is recommended to identify plants which can be used to establish a balance of drought tolerant plants.

E. Trees.

1. Trees shall be planted in a manner, which maximizes the shading of paved areas, outdoor seating, and both south- and west-facing windows.

2. Street trees for designated streets shall be used, unless a different street tree has already been established along the street segment in question.

3. Trees shall be planted at sufficient size and manner to ensure successful establishment and protection from breakage.

4. All landscape plans shall indicate mature tree canopy diameters.

~~5. All mature tree canopies in parking lots shall be pruned and maintained to maximize shade potential and ensure healthy, maximum growth. Topping of trees shall be avoided.~~

~~6~~ 5. The tree palette shall provide a balanced use of evergreen and deciduous trees with attention to summer shade, fall and spring color, winter sunlight, and new growth.

~~7~~ 6. Parkway tree planting shall provide a buffer effect that creates partial screening between parking lot areas and street vehicular traffic.

~~8~~ 7. Existing mature trees that cannot be preserved in-place, shall be transplanted elsewhere on the site, unless transplantation is infeasible due to the type or condition of the trees.

~~9~~ 8. Projects necessitating the removal of existing trees with four-inch or greater trunk diameters (calipers), shall be replaced at a three to one ratio, with minimum twenty-four (24) inch box size trees of the same species, or a minimum thirty-six (36) inch box for a one to one replacement, where approved.

~~10~~ 9. Trees shall be planted in a manner and at locations, which minimize the potential for damage to adjacent walkways and paving.

F. Tree Preservation and Maintenance.

1. Trees are required to be pruned, fertilized, and irrigated as needed to maintain an appropriate healthy condition, maximize shading, and maintain an aesthetically pleasing appearance.

2. Topping of trees is prohibited. Topping of trees means cutting back of the crown creating large stubs and preventing trees from growing to maximum maturity resulting in a loss of shading.

3. Pest diseased trees and dead trees shall be replaced with the same species and in the appropriate size. The appropriate size shall be a minimum twenty-four (24) inch box tree.

4. Guidelines are subject to modifications as determined by an arborist, or landscape architect, and approved by the Community & Economic Development Director.

G. Heritage Trees.

1. Heritage trees are defined as meeting one of the following:

a. Any tree that defines the historical and cultural character of the City including older Palm and Olive trees, and or any tree designated as such by official action.

b. Trees with a fifteen (15) inch diameter measured twenty-four (24) inches above ground level.

c. Trees that have reached a height of fifteen (15) feet or greater.

2. No person shall remove, destroy, top, or disfigure a Heritage tree within the City Limits.

3. Removal of a Heritage tree is permitted if the tree poses a dangerous or hazardous condition to people, structures, property, or another Heritage tree.

4. Removal of a Heritage tree is permitted if tree is diseased, drying, or dead, and if a reasonable undertaking to preserve the tree had occurred.

5. Removal of a Heritage tree in the public or future right of way is permitted with the approval of the Community and Economic Development Director and if a reasonable undertaking to preserve the tree had occurred.

6. Removal of a Heritage tree designated historic and or culturally significant by official action shall require the review of the Ecological Historical Preservation Board.

7. Trees grown by nurseries and tree farms for sale purposes are exempt from being a Heritage tree.

~~F~~ H. Irrigation.

1. All planted landscape areas shall be provided with an approved “smart” automatic irrigation control systems (labeled as evapotranspiration (E.T.) based), with rain sensing and soil moisture sensing devices. Watering during the rain shall be avoided.

2. Drip and bubbler-type and MP rotator sprinkler heads or similar efficient sprinklers shall be used whenever possible. These sprinklers should be used exclusively when positioned adjacent to building walls. (Bubblers and spray heads should be pressure compensating, low volume type).

3. Separate irrigation zones shall be provided for areas with different irrigation requirements, including, but not limited to, trees, turf and nonturf areas.

4. Reduced pressure backflow preventers are required on all irrigation systems.

5. No fixed risers are permitted, unless otherwise approved by the community development director.

6. A pressure vacuum breaker shall be installed at the top of slopes when irrigation is installed on the top of the slope.

7. Irrigation shall be placed in a manner that eliminates overspray, runoff, wicking action and/or damage to adjacent buildings, walls, walks, driveways, streets, and fences.

8. Irrigation of landscapes should occur between nine p.m. and six a.m. except during the establishment period, when temperatures are predicted to fall below zero or when repairing/adjusting the irrigation system.

9. Eastern Municipal Water District will calculate the annual maximum allowable water budget (AMAWB) for customers requesting a new account. The proposed landscape must meet the AMAWB requirements prior to meter release. (Ord. 786 § 2, 2009)

Issue 5. Amend the General Parking Design Standard with revised safety features and 24 foot wide drive aisles.

Staff recommends amending by changing subscript C and Table 9.11.080-13 by adding and deleting subscript as follows:

9.11.080 Design standards.

A. General Parking Design Standards.

1. Parking lot design shall take into consideration the appropriate integration of commercial uses. Parking facilities shall be designed to eliminate obstacles to pedestrian movement, consider spatial relationships between commercial uses and associated parking, and where appropriate, parking design will dictate the types of uses that may feasibly be established to ensure that adequate parking is available within a reasonable distance to the use it serves.

2. Special plazas, motor courts or turnarounds are encouraged to identify entrance areas.

3. Project access and circulation shall allow for both vehicles and pedestrians by separating autos and foot traffic, by creating pedestrian entrances to projects and by using enhanced paving treatments, bollards or pergolas to identify pedestrian pathways through parking areas and along buildings.

4. Projects shall minimize impacts on adjacent streets by consolidating access points. Access points should be consolidated to take advantage of planned or existing median breaks.

5. The city may require reciprocal parking and access agreements between individual and adjacent commercial parcels.

6. To discourage excessive speeds within parking areas, the maximum length of straight aisles shall not exceed three hundred (300) feet unless otherwise approved by the community development director.

7. Parking rows shall not be longer than one hundred eighty (180) feet, allowing for easier movement within the parking lot and preventing long queues within aisles unless otherwise approved by the community development director.

8. Drive aisles should make a loop around the structures and avoid dead end parking. In the case of straight drive aisles, provide at least ten (10) feet of setback between the last parking stall and the property line.

9. Parking areas shall be screened from streets through a combination of mounded landscaping, low profile walls and/or grading separations.

10. Parking areas shall not be used for loading or unloading.

11. Internal roadways should be designed so that direct access is available to all structures visible from a particular parking area.

12. Parking areas should use sound walls, screen walls and landscaping to minimize auto noise, glare and increased ambient temperature.

13. Landscaping, signs and walls shall be limited to thirty-six (36) inches in height, measured from top of curb within twenty-five (25) feet of any driveway entrance to protect visibility. Any trees located in these areas shall have trunks not exceeding eight inches in diameter and shall have a minimum branching height of six feet.

14. Trash enclosures shall not impair visibility.

15. Auto headlights in parking areas shall be screened so that they do not shine into adjacent properties or public rights-of-way.

16. All illumination of streets, parking areas and other project areas shall provide a variety of light quality and intensity, emphasizing areas of high vehicular and pedestrian activity with increased light intensity.

17. Driveways shall be designed so entering vehicles do not interfere with the existing vehicles. Main driveways shall employ entry medians whenever possible.

18. The first parking stall perpendicular to a driveway or first aisle juncture shall be at least sixty (60) feet back from the property line, providing sufficient queuing for exiting vehicles unless otherwise approved by the city engineer.

19. In commercial developments, parking aisles should be oriented perpendicular to the major tenant's front entrance, to facilitate pedestrian movement.

20. Dead-end parking aisles which exceed eight standard parking stalls in length, and serving greater than sixteen (16) standard stalls for dual lanes, shall provide turnaround facilities (i.e., hammerhead, cul-de-sac, etc.) adequate to accommodate emergency vehicles.

21. Consideration shall be given to service vehicles (i.e., tractor trailers) when designing landscape and hardscape areas.

22. Bicycle and motorcycle parking shall be provided as required by this code.

23. All projects generating vehicular traffic shall participate in the traffic signal mitigation program as adopted by the city of Moreno Valley.

24. Transportation management programs may be requested of projects generating significant vehicular traffic. These programs may include transportation system strategies or transportation demand strategies targeted to reduce the project's impact on roads, air quality, and energy consumption. System strategies deal with physical improvements to the road or facility network, such as street widening, restriping, bus turnout improvements or consolidation of driveways. Demand strategies deal with the behavior of those using the road system and include carpooling, subsidized transit passes, bicycle racks, showers for employee use located within the facility, transit centers, and flexible work shifts.

25. Parking lot design shall include openings in curbs to convey water run off into landscape areas for water quality, retention and absorption. Pervious surfaces are recommended where feasible and required for parking areas provided in excess of city requirements.

B. Dimensions of Parking Spaces.

1. Covered Spaces. Parking spaces within an enclosed garage shall have an unobstructed, clear area dimension of ten (10) feet by twenty (20) feet for each required parking space provided. All other covered spaces shall each be nine feet in width and eighteen (18) feet in depth. The parking area shall be clear of any obstructions and the measurements shall not include the exterior walls or structural supports.

2. Parallel Space. Each parallel parking space shall have a minimum dimension of eight feet wide by twenty-two (22) feet long. However, if a parallel space does not abut another parallel space, and access is adequate to that space, the length may be reduced to twenty (20) feet (see Figure 9.11.080-4).

3. Uncovered Spaces, Full-Size. Each full-size uncovered space shall be nine feet in width and sixteen (16) feet in depth of paved area and two feet of landscaped depth in excess of the adjacent landscape requirement. Spaces may be eighteen (18) feet of paved depth with no additional landscape depth subject to approval by the planning official. (The two feet of additional landscape may not be included in the required landscape setback.) (See Figure 9.11.080-5.)

4. Trailer parking stalls shall have a minimum dimension of fourteen (14) feet wide by fifty (50) feet in depth.

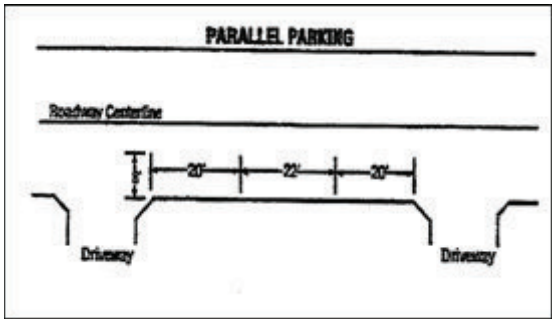

Figure 9.11.080-4

Dimensions of Parallel Parking Spaces

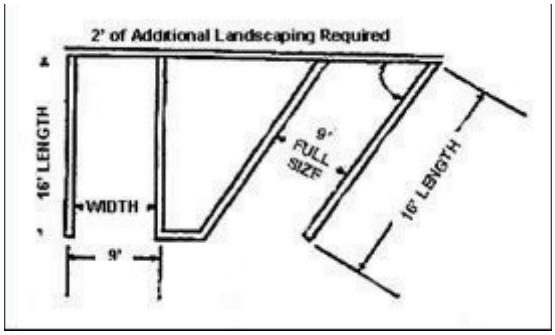

Figure 9.11.080-5

Nonparallel Parking Spaces

5. Tandem Space. Each tandem space shall be a minimum of nine feet in width and twenty-two (22) feet in depth.

C. Standard Improvements.

1. Drainage. Parking lots shall be designed to drain into landscape planters using openings in curbs and site grading. All parking facilities, except those serving two or fewer dwelling units, shall be graded and provided with drainage facilities so as to provide for the disposal of water without surface flow over sidewalks within public rights-of-way.

2. Safety Features.

a. Additional requirements and guidelines for parking facility safety, including design, internal layout, acceptable turning radii, pavement slope, vehicular and pedestrian circulation and other design features may be adopted by the city traffic engineer when determined to be appropriate.

b. Visibility of and between pedestrians, bicyclists, and motorists shall be assured when entering individual parking spaces, when circulating within a parking facility, and when entering and exiting a parking facility. To the extent possible, the parking facility shall be designed so that primary pedestrian access to and from building entrances is along, rather than across, parking aisles.

c. Parking lots shall be designed to minimize conflicts between vehicles and pedestrians and shall also endeavor to minimize speeding and through traffic.

d. Drive aisles and parking lot drives shall not exceed five percent slope.

e. Streets should intersect others on outside rather than inside horizontal curves.

f. Streets should intersect at as near to a right angle as possible. They should be no more than fifteen (15) degrees skew.

g. Intersections should be offset a minimum of ~~one hundred fifty (150)~~ six hundred (600) feet.

h. Deceleration right turn lanes should be a minimum of two hundred ~~ten (210)~~ thirty five (235) feet long and ten (10) to twelve (12) feet wide, composed of a minimum sixty (60) foot transition and one hundred ~~fifty (150)~~ twenty five (125) foot turn lane. As approved by the City Traffic Engineer.

i. Internal streets and drive lanes should have a minimum radius of two hundred fifty (250) feet (twenty-five (25) mph design speed).

j. Where feasible, bus turnouts and bus stops shall be located on the far side of intersections to reduce conflicts between buses and through traffic.

3. Striping and Identification.

a. All automobile parking spaces shall be clearly outlined with white double lines on the surface of the parking facility as shown in Figure 9.11.080-6 (three-inch line – six-inch space – three-inch line for a total of twelve (12) inches) or as otherwise specified by the building official.

b. Fire lanes, if required, shall be installed to the specifications of the city of Moreno Valley fire chief, including red curbing and posting with signs.

c. Stop signs and painted stop bars shall be installed in parking areas where drive lanes intersect and at egress points to streets or alleys.

d. Within parking facilities, the city traffic engineer may require all aisles, approach lanes and maneuvering areas to be clearly marked with directional arrows on the pavement surface to facilitate vehicular movement. In addition to directional arrows, the city traffic engineer may require installation of signs to ensure safe and efficient vehicular movement.

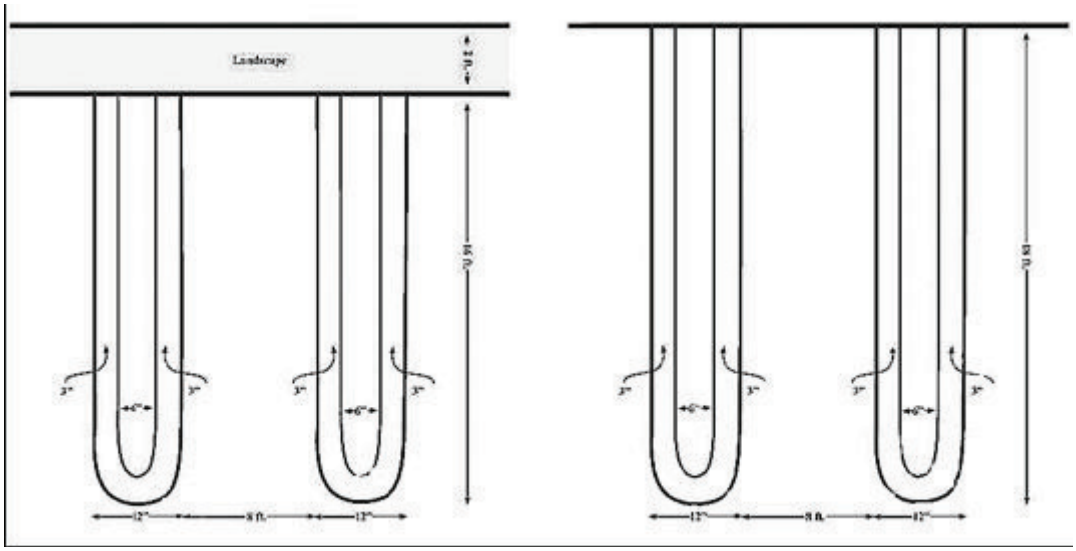

Figure 9.11.080-6A Figure 9.11.080-6B

Parking Space Striping Requirements

* Ends of parking stall striping shall be curved or squared off.

D. Accessible Parking Design Standards. The following design standards for accessible parking are intended to be consistent with the state or federal requirements. Any conflicting provisions or future changes in state or federal requirements shall pre-empt the standards for provision of accessible parking spaces contained in this title:

1. All accessible parking spaces shall be striped and marked according to applicable state regulations.

2. Each parking space reserved for persons with disabilities shall be identified by a permanently affixed reflectorized sign, of a construction and material approved by the building official, displaying the international symbol of accessibility. The sign shall have a minimum size of seventy (70) square inches, and shall be centered at

the interior end of the parking space at a maximum height of eighty (80) inches from the bottom of the sign to the finished grade of the parking space.

3. At each entrance to a parking facility containing one or more parking spaces for the handicapped, a sign with a minimum size of seventeen (17) inches by twenty-two (22) inches shall be posted, stating clearly and conspicuously in letters with a minimum height of one inch the following:

Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or license plates issued for physically handicapped persons may be towed away at owner's expense. Towed vehicles may be reclaimed at _____ or by telephoning _____.

4. Parking spaces reserved for persons with disabilities shall have, in addition to the requirements of subsections (D)(1), (2) and (3) of this section, a surface identification in blue paint of at least three square feet in size, duplicating the international symbol of accessibility.

5. Each accessible parking space shall be fourteen (14) feet wide, striped to provide a nine-foot wide parking area and a five-foot wide loading area (access aisle) and shall be a minimum eighteen (18) feet in length. If two accessible spaces are located adjacent to each other, they may share the five-foot wide loading area, resulting in a width of twenty-three (23) feet for the two spaces. One in every eight handicapped spaces, but not less than one, shall be van accessible; served by a loading area not less than eight feet wide. If two van accessible parking spaces are located adjacent to each other, they may share a common eight-foot wide loading area.

6. When less than five parking spaces are provided, at least one shall be fourteen (14) feet wide, striped to provide a nine-foot parking area and a five-foot loading area. Said space shall not be required to be reserved or identified exclusively for use by persons with disabilities.

7. Accessible parking spaces serving a particular building shall be located on the shortest accessible route of travel from adjacent parking to an accessible entrance. In parking facilities that do not serve a particular building, accessible parking shall be located on the shortest accessible route of travel to an accessible pedestrian entrance of the parking facility. In buildings with multiple accessible entrances with adjacent parking, accessible parking spaces shall be dispersed and located closest to the accessible entrances.

8. In each parking area, a bumper or curb shall be provided and located to prevent encroachment of cars over the required width of walkways. The space shall be so located that persons with disabilities are not compelled to wheel or walk behind cars other than their own. Pedestrian ways that are accessible to people with disabilities shall be provided from each such parking space to the related facilities, including curb cuts or ramps as needed. Ramps shall not encroach into any parking space, with the exception that ramps located at the front of accessible parking spaces may encroach into the length of such spaces when such encroachment does not limit the capability of a person with a disability to leave or enter their vehicle, thus providing equivalent facilitation. Where the building official determines that compliance with any regulation of this

paragraph would create an unreasonable hardship, a waiver may be granted when equivalent facilitation is provided.

9. The slope of an accessible parking stall shall be the minimum possible and shall not exceed one-quarter inch per foot (2.083 percent gradient) in any direction.

10. Notwithstanding the off-street parking requirements of Subsection 9.11.040(A) of this chapter, the number of parking spaces that are not accessible may be reduced to the extent necessary for modification of an existing facility to comply with the requirements described in this subsection.

11. Where provided, one passenger drop-off and loading zone shall provide an access aisle at least five feet wide and twenty (20) feet long adjacent and parallel to the vehicle pull up space. Such zones shall be located on a surface with a slope not exceeding one vertical in fifty (50) horizontal and shall be located on an accessible route of travel to the entrance of the facility. If there are curbs between the access aisle and the vehicle pull-up space, then a curb ramp shall be provided. Valet parking facilities shall provide a passenger loading zone as described herein.

12. All disabled spaces shall be located as close as possible to the entrance(s) of the use they are intended to serve and oriented so that the user of the disabled parking space need not go past the rear of automotive parking spaces in order to reach the building's main entrance.

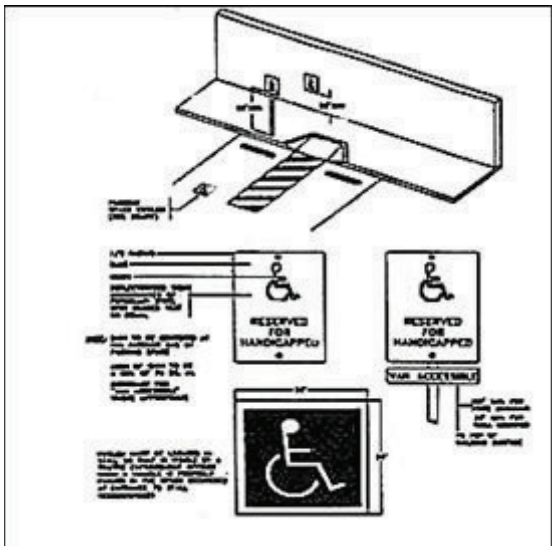

Figure 9.11.080-7

Accessible Parking Stall Requirement

* Ramps shall include a curb-cut type design

* Loading area width: van accessible = 8 feet; all other accessible spaces = 5 feet

E. Surfacing.

1. All permanent automobile and disabled parking spaces, loading and maneuvering areas shall be paved and permanently maintained with asphalt, concrete, or other all-weather surfacing, as approved by the city engineer. Every effort should be made to use pervious surfaces to reduce water run off. All parking areas in excess of the requirements of the Municipal Code shall use pervious pavement and/or increased landscape water retention and absorption areas.

2. Temporary parking facilities shall be provided with surfaces which prevent dust, as approved by the city engineer.

F. Location of Parking.

1. All parking spaces required by this chapter shall be provided on the same site as the use requiring the parking spaces, except as authorized in Section 9.11.070, Adjustments to off-street parking requirements of this chapter.

2. All automobile spaces required for residential uses shall be located a maximum of two hundred fifty (250) feet from the units they are serving. Distances shall be measured from the nearest point of the building to the parking space(s) serving that building.

3. All car pool parking spaces shall be located as close as possible to the entrance(s) of the use they are intended to serve.

G. Landscape and Screening Requirements. Parking lot screening and landscaping shall conform to the requirements of Chapter 9.17 of this title.

H. Access.

1. Parking Access from Streets.

a. Access to parking spaces, other than four or fewer spaces serving a residential use, shall not require backing onto a public or private street or onto a private drive other than a drive designed exclusively to provide access to parking spaces.

b. Commercial developments should orient traffic onto major arterials and not onto local streets or collectors.

c. Projects shall minimize impacts on adjacent streets by consolidating access points. Access points shall be consolidated to take advantage of planned or existing median breaks.

2. Driveway and Aisle Widths and Clearances. For purposes of this section, a driveway shall be defined as an access leading from a public street or right-of-way or a private street to a parking area, or from one parking area to another, but shall not be defined to include any ramp, aisle, or maneuvering area. A ramp is defined as an access driveway from one parking level to another. All driveways and ramps shall comply with the following standards:

a. Driveways and aisles for single-family detached structures shall not be less than sixteen (16) feet in width, and shall be maintained free and clear of all obstructions. Driveways which serve single-family development shall be defined as the paved area leading from a public street or right-of-way or a private street to the designated parking area, and shall not be wider than such designated parking area; and

b. Driveways for single-family attached, multiple-family, and nonresidential uses shall be as shown in Table 9.11.080-13 of this section, except when for health and safety purposes wider dimensions are required for emergency vehicle access.

Table 9.11.080-13
Driveway and Aisle Dimensions for Single-Family Attached, Multiple-Family, and Nonresidential Uses

Width, excluding flares or curb radius	
~~Minimum~~ Required (one-way)*	20 feet
~~Minimum~~ Required (two-way)*	24 feet
~~Maximum~~	~~36 feet~~
Right Turn Radius[1]	
Minimum	15 feet
Maximum	50 feet
Minimum Spacing[2]	
From side property line	10 feet
From street corner	25 feet
Angle[3]	75°

[1] On side of driveway exposed to entry or exit by right-turning vehicle to driveways with curb radius.
[2] Measured along the street side property line from throat to the side property line, or to a line passing through the intersection.
[3] Minimum acute angle measured from the edge of pavement.
* Wider driveway aisles may be approved with the approval of the Community and Economic Development Director.

3. The following criteria and dimensions may be modified by the city engineer:

Table 9.11.080-14

Street Classification	Distance from a Driveway to an Intersection	Spacing Between Adjacent Driveways
Expressway 134′ ROW	Restricted* **	1/2 mile
Divided Major/Modified Major	Limited access* **	Limited access
Divided Arterial	Minimum 450 feet	Minimum 450 feet
134′ ROW/120′ ROW		One driveway per parcel
Divided Arterial	Limited Access* **	Minimum 250 feet
110′ ROW	Minimum 350 feet	
Arterial/Minor Arterial/ Industrial Collector		
100′/88′/78′ ROW	Limited access* **	Minimum 150 feet
	Minimum 250 feet	
	Full Access 350 feet	
Collector/66′ ROW	Minimum 200 feet* ***	Minimum 100 feet or one driveway per parcel
Local Street	Minimum 100 feet* ***	Minimum 100 feet or one driveway per parcel

* Access may be limited to the minimum movements necessary to safely expedite traffic.
** Access may be restricted by medians.
*** For residential development.

4. Ramps.

a. One-way ramps shall have a minimum width of fourteen (14) feet, unless a larger dimension is required for emergency vehicle access.

b. Two-way ramps shall have a minimum width of twenty (20) feet.

5. Gated Entries. Requests for gated entries shall be submitted to the city traffic engineer and shall be subject to review and approval by the city traffic engineer and planning official, based on an analysis of the following issues:

a. Type and operation of gate;

b. Adequacy of vehicle stacking area;

c. Effect of gated entry on parking usage and distribution on the site;

d. Effect of gated entry on parking for surrounding or adjacent areas;

e. Emergency vehicle access. (Ord. 826 § 3.4, 2011; Ord. 808 § 2.5.3, 2010; Ord. 694 § 1.1 (part), 2005; Ord. 643 § 2.6, 2003; Ord. 616 § 2.2.22, 2003; Ord. 604 §§ 2.15—2.18, 2002; Ord. 557 § 2.6, 2000: Ord. 475 § 1.4 (part), 1995; Ord. 406 § 1.4, 1993; Ord. 405 §§ 1.14, 1.15, 1993; Ord. 402 §§ 1.3, 1.4, 1993; Ord. 359 (part), 1992)

Motion carries 6 – 0, with one absent (Vice Chair Salas)

CHAIR BAKER – Thank you very much and good luck to you. I am looking forward to it and then Staff wrap up on this project John. Thank you

PLANNING OFFICIAL TERELL – Yes this action shall become final unless appealed to the City Council within 15 days.

CHAIR BAKER – Thank you. Okay moving onto to Item No. 2

2. Case Number: PA10-0030 Municipal Code Amendment

Case Planner: Gabriel Diaz

CHAIR BAKER – This is an amendment to the various code regulations to encourage site plan and energy efficiency. Our Case Planner on this is Gabriel Diaz.

PLANNING OFFICIAL TERELL – Yeah, by way of introduction this is a project… Gabriel has been working on a grant which includes many different items. One of them is looking at our code and identifying areas where we can increase the efficiency of the development really to enhance energy, which is the original reason for the grant. There is a bunch of other things, but that's the reason that this being brought forward. It has a series of environmentally related; energy related issues that are here for your consideration.

CHAIR BAKER – Thank you

ASSOCIATE PLANNER DIAZ – Thank you Chairman and Commissioners. My name is Gabriel Diaz, Associate Planner here for the City. The Municipal Code Amendment Case No. PA10-0030 is the case number and the Applicant is the City of Moreno Valley. The proposed amendment would modify various

provisions of the Municipal Code. If adopted, it would create or change the regulations concerning. We have five issues and some of them are kind of lengthy and some detail in there. The first one would be the Adoption of WRCOG Neighborhood Guidelines. We have four of them. The addition of Section 9.05.0502, Chapter 9.05 has been suggested to minimize the impact of diesel particulate matter from trucks associated from warehouse and distribution centers on sensitive receptor areas. The good neighbor guidelines are used in this Code Amendment is a modified version of the WRCOG Model Guidelines. The Guidelines would apply to warehouses of 650,000 square feet or more. The State threshold of projects of regional significance that require enhanced environmental scrutiny. Staff has adjusted the adopting the four standards from the WRCOG Guidelines. The first one would be minimize exposure to diesel emissions to neighbors that are situated in a close proximity to the warehouse distribution center. The second one is eliminate diesel trucks from unnecessary transversing through residential neighborhoods. The third one is eliminate trucks from using residential areas and repairing vehicles on the streets and the fourth one is reduce and/or eliminate diesel idling within the warehouse distribution center. These are all current Municipal Codes that help with the implementation of these WRCOG standards.

PLANNING OFFICIAL TERELL – Yeah, maybe what we'll do is we'll stop after each one of these items to see if you have any questions. It is not time for deliberation, but if you have any questions… all the items that Gabriel mentioned are already covered in our Code. What we wanted to do is bring them all together in one place so it was very clear to industrial firms and I think it is really clear already, but make it clear to the world as well as the development community, this City's commitment to those protections; primarily residential neighborhoods from the impacts of diesel emissions from trucks, so it is not a new standard it is really a refashioning. So are there any questions on this particular item.

COMMISSIONER OWINGS – Mr. Chairman if you would. John I was just wondering to reiterate that we are not imposing any more stringent standard that what already exists.

PLANNING OFFICIAL TERELL – That's correct

COMMISSIONER OWINGS – The purpose of this is just to put it all into one area as opposed to…

PLANNING OFFICIAL TERELL – It is to make it clear to the development community as well as the general community that the City is committed to protecting folks from diesel emissions, so it is really what I would call… this is not really… it is not public relations; it is really just bringing you altogether so it is really clear so you don't have one item in this section and one item in that section and it just doesn't; it doesn't come together very well. WRCOG had asked all the

cities to look at these guidelines and encouraged us to adopt them. Several other cities have done so in a similar fashion and they kind of brought together their existing regulations and say hey we're in compliance.

COMMISSIONER OWINGS – That's where I am kind of confused when you say they have asked us to adopt these guidelines and the guidelines are what are the guidelines they wish us to adopt?

PLANNING OFFICIAL TERELL – They are those items right there. It is basically things that we already do, but it is not necessarily things that everybody does, so I think we are trying to provide a consistent way of dealing with this across Western Riverside County.

COMMISSIONER VAN NATTA – Okay and the purpose of putting them in all one place is so that when we start to develop an area of town where we are going to have more warehouses and distribution centers that people can more clearly see that we already have the things in place to prevent us from becoming another Mira Loma.

PLANNING OFFICIAL TERELL – I think that's a fair statement; yes

COMMISSIONER VAN NATTA - Okay

COMMISSIONER GIBA – Could I ask a couple just at a point of education Gabriel? I like to learn while I go along and I'm the new guy in town so, for the WRCOG that they have; they have a regional significance at 650,000 square feet or more for the warehousing they set and established. How is that determined and why is not less. I mean warehouses of less size might still be used, so why is that the regional significance standard set for minimum.

PLANNING OFFICIAL TERELL – There is a regional level of significance that is actually set as State law, so we wanted to use an existing standard that is widely accepted across the State rather than a new standard. The standard for office or retail or residential units is all different square footages, but for warehousing and industrial specifically it is 650,000 square feet, so we wanted to use that existing standard that rather than a new standard and really, you don't have significant truck traffic until you get into the…and it is only significant because the buildings are so big, until you get into those big buildings.

COMMISSIONER GIBA – I just wanted to understand why that was the cut-off number and in neighborhoods where there might be smaller ones. Do we have smaller warehouses in the area other than that that might have that same kind of traffic that could come into them? I know part of this has to do with restricting on neighborhood areas and…

PLANNING OFFICIAL TERELL – Yes we do. The restrictions on trucks will apply to smaller facilities as well but we wanted to identify the area of concern is really the larger warehouses where you get to a scale where there is a potential for… what we do when all industrial buildings over the 650,000 square feet is do a health risk assessment and that is really to identify where those high levels of contaminants exist and we don't allow them to occur in residential neighborhoods and even on those larger buildings we can readily do that. We've designed buildings to access from different streets and other things to really make sure that this standard is met, but those larger buildings is where we look at that because the smaller buildings don't rise to that level of significance. They don't provide; they don't create enough emissions to really kick over any standards, so focusing on those doesn't really get us very far. Other regulations the City has regarding truck routes and those sorts of things take care of the smaller warehouses.

COMMISSIONER GIBA – It is kind of what I thought. I just wanted to clarify that mainly for me; this one is for me. And I had just one other one. I went to the… is this the right place to be discussing this? On page 71, I was just curious, as I was reading the adoptions in here that you had and I understand you put them all together. It is a good idea. Actually I saw it and so you took all those and put them into one package so to speak so that we; you know somebody looking for a good neighbor standard; aha here it is; here are all the ones that cover it, but there was a line item here that just caught my eye and just wanted some clarity. Down toward the bottom just above the letter A; that paragraph it says, big box discounter warehouse stores that sell retail goods, merchandise or equipment or storage and mini storage facilities… how does Sketchers fit into that? They sell retail out of their facility, I mean so kind of by definition you almost want to include them.

PLANNING OFFICIAL TERELL – Well they are not a big box or warehouse store. That is Costco, Super Walmart; those are what we would consider big box.

COMMISSIONER GIBA – Okay, so that warehouse with the store attached is not considered a warehouse store; retail store?

PLANNING OFFICIAL TERELL – Correct

COMMISSIONER GIBA – I'm just kind of curious

PLANNING OFFICIAL TERELL – We have others here in town and I believe Frazee Paint has a retail sales outlet also and that is just an accessory use; it is not the main use.

COMMISSIONER GIBA – Okay, that's all, thank you

CHAIR BAKER – Go ahead Gabriel

ASSOCIATE PLANNER DIAZ – Alright… issue 2; Parking Standards for Restaurants. Revisions to Section 9.11.040 have been made to better address the standard parking requirements for eating and drinking establishments within shopping centers of 20,000 square feet of building area or greater. The proposed standard would reduce the required parking for restaurant parking, for restaurant space equaling up to 15 percent of the shopping center building square footage, which has been shown to accommodate the adequate parking at the lower retail parking standard. Currently the parking standard for eating and drinking establishments is one for every 100 square feet of gross floor area up to 6,000 square feet and from there it is one for every 75 square feet of gross floor area. The proposed parking standard will make eating and drinking establishments within the shopping centers of 20,00 square feet of building area or greater be calculated at a general retail standard of one parking space for every 225 square feet of gross floor area for up to 15 percent of the building gross floor area for the shopping center. There is a lot of math with this new amendment. For eating and drinking establishments in excess of the 15 percent of the building gross floor area for the shopping center, the parking will be calculated at one parking space for every 100 square feet of gross floor area. Staff has researched a number of local jurisdictions and found that many have similar parking requirements for restaurants within shopping centers of 25,000 square feet of building area or greater. In addition, Staff has completed a number of parking studies to prove that the proposed parking standard will not result in a lack of available parking. Lakeside Plaza; the Stater Bros. Market Center located at the northwest corner of LaSalle and Iris and Lakeside Terrace; the CVS Center at the northeast corner of LaSalle and Iris were studied. Both centers had sufficient access parking at peak hours to allow for the proposed parking standard. The proposed parking changes will result in centers being more adequately parked and provide more efficient development.

PLANNING OFFICIAL TERELL – Yeah, to add onto that, what we do now if a restaurant wants to go into a shopping center and there hasn't been a restaurant there before, they have to do a parking study and I've been doing this for a while and we haven't come across one yet where they weren't able to demonstrate that there was sufficient parking even using the retail standard, because the bigger the projects, the only place where I think we might have a parking problem in a shopping center because of a lot of restaurants is in the Town Gate Center, where you have BJ's and Olive Garden and all those restaurants that are next to each other. That particular center doesn't have the citywide standard, it has its own standards and this is a long time ago where there is no limit on the number of restaurants you can have in a center and you still park at roughly the retail rate, so that is an anomaly, so part of it was to kind of get small in line restaurants that want to go into shopping centers out of this requirement to do a parking study just to justify there is enough parking in the center which is the only vehicle we have right now and no pun intended by the code to do that. This

particular standard Gabriel mentioned; we looked at other communities. It is almost the same standard as the City of Rancho Cucamonga and the City of Temecula and so it is more of an industry standard. We've tended to require in my opinion too much parking and too much parking means it is empty; you have to maintain it; it creates environmental impacts such as increased heat and glare and reduces the amount of building you can build on a particular site and so we wanted to bring all those things together and create a more efficient thing that makes projects more viable and makes it easier for tenants to get into buildings.

COMMISSIONER VAN NATTA – I just had a comment. BJ's and Outback and all of those; there is plenty of parking for them as long as you don't mind walking a half a mile from the other side of the parking lot. There are plenty of spaces there, you just hike a little.

PLANNING OFFICIAL TERELL – It is our own little wellness program I guess

COMMISSIONER VAN NATTA – Yeah

COMMISSIONER OWINGS – You can stop off at Carl Jr.'s on the way for a snack on your way to the Olive Garden.

CHAIR BAKER – Okay

ASSOCIATE PLANNER DIAZ – Okay, issue three is reduction of Community Commercial front and street side buildings setbacks and revisions to parking and landscape setbacks. Back in January 28th, 2010 the Planning Commission recommended that Staff defer the research on building and parking setbacks and that Staff provide a recommendation for the NC and CC zones. NC zone (Neighborhood Commercial) is typically a smaller scale commercial building center used for local neighborhoods and the CC zone (Community Commercial) is typically a community regional where retailers draw from throughout the community and from other communities to attend these centers. Revisions to Section 9.04.040 have been made in order to address the past concerns of the past Planning Commission. Planning Staff have done additional review of building and parking setbacks in other jurisdiction commercial center zones. Cities like Temecula, Perris, Riverside, Redlands, Ontario and San Bernardino were studied. Staff recommends that the Community Commercial front building setbacks be amended from 20 feet to 10 feet and that the side street building setbacks be amended from 20 feet to 10 feet and for the Neighborhood Commercial zone, Staff recommends that the setbacks not be changed and keep the existing 20 foot setbacks. In addition, through our research we found that a building height was brought up in other jurisdictions. This was not brought up at the previous Planning Commission meeting. Through our research we came across this in other cities and thought it made sense to include a setback based on height to help reduce the potential for having too much building massing at the setback line. In addition to the building setback, we changed the parking

setback. Based on Staff research, we recommended that the building play more of a prominent role in the development of the site layout, therefore we have revised the parking area to have the same minimum setback as the building setback or in the case of the Community Commercial zone, have the parking be setback further than the building. In keeping with the building playing more of a prominent role in the side layout, Staff has eliminated the 10 foot landscape option and replaced it with a 15 foot landscape depth requirement between the property line and the parking area on the parking side street setback and 20 feet on the parking front street setback. We did have a Commissioner ask a question about what the appearance of this may be and we have provided City Hall here which has a closer setback than the 20 feet requirement in the CC zone. I know this is not a Community Commercial zone, but it is just a building and you see the landscaping and the street and the sidewalk and we've also provide some sketches of what a 10 foot setback is and a 20 foot setback is and setbacks are measured from property line; between the property line and the right-of-way. I believe there is a sidewalk and curb which is 6 feet and in this case I believe it is 11 feet and back from the sidewalk is where the property line starts, so you know the 10 foot setback that we are proposing is not right at the street, you know there is an additional 11 feet there, so in reality from the street you have at least 20 feet.

PLANNING OFFICIAL TERELL – Yeah, again when this came up the last time, we presented this information and there wasn't a strong… the Planning Commission asked us to look into it and then we came back with the information and they said do a little more research and make a recommendation because the first time we just said we'll here are the different standards people have and as Gabriel said, most cities in Riverside County and I won't go out of Riverside County because when you get into LA, the setbacks are much less. We have a similar differential between their major commercial areas which have a smaller setback and their neighborhood center which have a bigger one, because let's think; Sunnymead Ranch there is Lakeshore Plaza up there. The 20 foot setback is actually the same as the 20 foot setback on a single family home and it may blend in and give it a more residential character to those centers, where if you are on Alessandro Boulevard, the buildings could be much closer and have a more urban feel to them without being incompatible and if you go into a lot other cities nearby, you'll see that where the buildings…the MacDonald's you brought up in Riverside is a great example. That is even closer to the street. That is much more urban than we are proposing here and this is the Community Commercial and the Neighborhood Commercial. We have another zone in the code; the Mixed Use zones and they actually do allow buildings to be even closer, but that is your Mixed Use really super urban for Riverside County zone, so when you'd be driving through town in these different zones, you'd notice that they were different and in the Community Commercial this would allow a more efficient use of the site and allow a little bit more building; allow a little more connection to the street, because of those areas you are more likely to have a bus line, which again is trying to get into not forcing people to ride the bus, but to

make it easier or more convenient or to ride a bike or something. It is really to create a more; a better connection between shopping centers and those major streets so that we have both more efficient use of land as well as a better connection to alternatives for transportation. So that's kind of how it got included in this Code Amendment; so we brought that forward with this specific recommendation for your consideration.

COMMISSIONER CROTHERS – I would much rather see a nice beautiful building or see landscaping in the Neighborhood Commercial, rather than seeing a parking lot, so I think this is a good idea. I have always kind of cringed every time you drive by and just see this big giant parking lot and then the building is set in the back and you know there is not much to it, just a big empty or full parking lot either way. You know I'd rather see the nice building or the landscaping so I think this is a good idea.

COMMISSIONER VAN NATTA – Whenever we see something like this, I kind of try to figure out okay how does it apply to what I see going on in the City or is going to go on, so would this apply to something like say for example on Ironwood Boulevard, where it is being widened and people's setbacks are being taken away and cut down, then along Ironwood, would that then apply to where new construction that goes up in that area; may be schools or businesses that are going along Ironwood would have then the smaller setback and fit in with what is being done there to the street?

PLANNING OFFICIAL TERELL – Probably not… Ironwood is a residential street, so most of that along there is actually the Neighborhood Commercial. You've got a few very small shopping centers along that, so probably a 20 foot setback would still apply there. Where it would be is the project you just looked at MacDonald's. MacDonald's is going to be set back further any of the other buildings in that shopping center because the current standard is actually more stringent than the standard that was in place when the shopping center was built. So that is Sunnymead Boulevard, Alessandro, Perris and Frederick; you know those are the streets that were most of the Community Commercial zoning is. The smaller streets like LaSalle or Ironwood are primarily residential streets and they would have the Neighborhood Commercial unless we changed the zone. We can always change the zone, but currently that is most of the Neighborhood Commercial is, is on those mostly residential streets and the Community Commercial is on those mostly commercial streets.

CHAIR BAKER – Yeah, is there anyone else?

COMMISSIONER GIBA – Attachment 4 has to do with this. Am I correct, that is your research?

ASSOCIATE PLANNER DIAZ – Yes

COMMISSIONER GIBA – I was just looking it. They are all over the map and you can explain the all over the map to me. It looks like it depends on the feelings or emotions of what that particular city is doing at that point, but the one that caught my eye is Riverside. Is that a mistake or is that in fact that everything is a zero setback in Riverside or did you not get the data?

PLANNING OFFICIAL TERELL – No, that is correct. They do have a zero setback but then they have no…

COMMISSIONER GIBA - … height requirement…

PLANNING OFFICIAL TERELL – They have a zero but they have notes that push things back based on the height.

COMMISSIONER GIBA – So what we are doing is just what is basically good for Moreno Valley even though we are looking at everybody else because you know some are 15; some are 20; some are 10; some are zero and so we're going to a different setback because it is our City and we think that is what is best for us.

PLANNING OFFICIAL TERELL – Correct and really we're recommending having a differential between Neighborhood and Community Commercial.

COMMISSIONER GIBA – It is ours… I got it

ASSOCIATE PLANNER DIAZ – It does match up with other cities like the City of Perris and some cities like the City of Rancho has very many different types of Community Commercial something or other, so it is pretty hard to compare the two, but the ones that we have are the ones that are in the table here, are the ones that are the closest to our City and are similar.

COMMISSIONER GIBA – And I see that and I agree. There is nothing wrong with changing that. Thank you Gabriel

ASSOCIATE PLANNER DIAZ – Issue four is and I've got one more after that…provide parking lot maintenance standards banning topping of trees; revisions to Section 9.17.030 have been made in order to the address the practice topping of trees, which prevents the development of adequate tree canopy to provide the shading requirements by the Municipal Code. Parking lot shading reduces the heat island effect created by hot pavement and results in lower microclimate temperatures that can provide greater comfort and lower energy use in adjacent structures. There are current commercial centers in Moreno Valley that practice and have practiced the topping of trees. The Municipal Code requires that parking areas provide 50 percent shading. The majority of the parking areas meet this Code requirement by planting trees. The Code defines 50 percent tree shading requirement at maturity. The practice of topping prohibits trees from growing naturally or reaching maturity and fulfilling

the Code requirement. In association with the new trees preservation and maintenance portion of the Code, we have added a heritage tree section to help preserve mature and historical trees in our City, Staff has researched other cities and have adopted similar tree preservation ordinances.

PLANNING OFFICIAL TERELL – Yeah and there are a couple of items here. One of the topping of trees and there are certain trees where it is appropriate. I'm trying to think of the kind and you pollard and you have to trim them back every year. The Mulberry is an example. We don't have any Mulberry Trees in parking lots though, but that is an example of a tree where you need to clip it back every year for it to grow back, because it grows a full canopy within a season once it gets mature. This is to look at trees such as California Sycamore's, which we have in several parking lots. That is not a tree you are supposed to pollard every year because all you do is get stumps that little growees coming out of them and it doesn't recover in a season and Commissioner Riechers who was on the Commission for many years had asked us to look at this and so we did. The other source of looking at this was our Environmental and Historical Preservation Board which has been concerned about the removal of older trees and not that they can't be removed, but that there are environmental benefits in keeping mature trees and providing a policy statement that that is what we want to occur; won't always occur; but what we want to occur for a variety of benefits based on water quality and air quality and some other things. So again this is presented for your consideration and to get your input.

CHAIR BAKER – Are there any questions?

COMMISSIONER GIBA - I always have questions. Thank you. I saw what you did here, is you actually added a whole section that you called Tree Preservation and Maintenance and the Heritage Tree Section. Originally all you had what was called Trees.

PLANNING OFFICIAL TERELL – That's correct

COMMISSIONER GIBA – I see that. You might want to appropriately title that section now Tree Planting because that whole section talks about planting the trees, so if you are going to specify it make it where you can at least say what it is. What I wanted to say is that I don't want you to shoot yourself in the foot on this one. It is interesting because Commissioner Riechers and I are neighbors and friends and I did sit on the Ecological Preservation Committee for a while with his wife and so this is kind of one of these things that always pops up with all of us all the time. Sometimes it is appropriate to top trees for safety issues if nothing else and in some cases by topping trees appropriately or properly you can increase the tree canopy and since a lot of this has to do with shading in parking lots, it might be wise not to use the language and I think your language in here was to say, topping trees is prohibited. You might want to look at the

language on that and say something to the extent of chopping trees will be evaluated based on the need at the time or whatever so you don't shoot yourself on the foot on that one. I am an advocate. If anybody took an aerial picture of my house, you can't see my house because of the trees and I have trees and most of my trees are not topped, but there a couple that are because the wood is softer; it breaks easier; some of them get bug infested more and keeping the lower profiles can be a safety issue, so I was just going to recommend you didn't shoot yourself in the foot on it. Change the language on it and make it a little more permissive and not so much definitive because and I forget where it was, but I think it said it is prohibitive. Am I correct?

PLANNING OFFICIAL TERELL – Yeah, F2 says topping of trees is prohibited and then it gives a definition of topping which was intended but it may not have been clear enough you know that largely preventing the tree from growing to maximum,but I see your point where we could have some language that says generally prohibited except where the species of tree would benefit from...

COMMISSIONER GIBA – We'll talk to George… something like that and then I was just kind of curious on page 81 over here that says trees that have reached a height of 15 feet or greater for your heritage trees. Are there trees that are less than 15 feet that are heritage trees? I mean you've got a limit of 15 feet. I mean are there any trees around that are less than 15 feet that you could consider a heritage tree that you are leaving out of this or is there a reason really to have a height requirement for heritage trees.

PLANNING OFFICIAL TERELL – I think it was just to put some boundaries around it so that you know an Oleander Bush wasn't considered a heritage tree. I'll defer to Gabriel. I think he found this standard in another pretty well respected code and we kind of relied on that. You know they've already tested this for many years.

ASSOCIATE PLANNER DIAZ – I believe in response to this question it was the City of Rancho Cucamonga which had… I think their code was more stringent. We've kind of made the diameter and maybe the height a little higher, but there is always a possibility to add it. If you take it through the process of the Historical Preservation Board to possibility make any tree for whatever reason a heritage tree.

COMMISSIONER GIBA – Don't shoot yourself in the foot that's all and make it a little broader. Just because other cities have theirs doesn't mean that we can't look at it for our City. I was just a suggestion.

PLANNING OFFICIAL TERELL – Yeah, I can't conceive of a tree that would be less than 15 feet that would be a heritage tree. I mean a Crate Myrtle is probably the classic one in most communities because it was a popular tree a hundred years ago and they are over 15 feet pretty quickly. They don't get much

over 15 feet till they get really old, but it is just a standard so we can change it, but I think there is a condition that allows others to be included. You know if we went out and found this famous tree and wanted to designate it, the Board could do that.

COMMISSIONER VAN NATTA – Well it just says on there that that's one of the criteria is that size, so it wouldn't be the exclusive one or if something is under 15 it wouldn't be considered a heritage tree under any circumstances or whatever, it says that meeting one of the following, and that is one of three things that are on there. I think under the topping of trees, because topping as he was mentioning is sometimes a very healthy thing to do a tree, you might have instead of saying, topping of trees is prohibited except… give a definition to a descriptive word to topping like excessive topping or something there that then your definition would make sense because topping is a very common thing that is done.

COMMISSIONER OWINGS – You know I defer to Jeff because he is a teacher I suspect, but I think that is what this says. It says that if the topping is done for the sole purpose of not allowing the tree to reach its maximum maturity that would be prohibited. If it is done for the health of the tree or it is done for some other reason, it is totally allowable. It is only when you are doing it just to keep it from reaching its maturity, so I think the wording is clearly what you intended it to be.

ASSOCIATE PLANNER DIAZ – Yeah, I think back to Mr. Giba; prohibited is a strong word, but it is something that happens throughout the City that when you go… these are all guidelines, but when you get to number 4 which is Section F, Tree Preservation Maintenance, there is only four under them and it is pretty short, so you read all four and it kind of all makes sense. If you stop at prohibited, it is pretty tough, but when it goes to number 4, it says the guidelines are subject to modification as determined by an arborist or a landscape architect and approved by the Community and Economic Development, so there is leeway to do the correct thing. We want the tree to grow the way it is supposed to and yes there are different ways of taking care of landscaping and topping maybe one of them, but we want to prevent the topping that destroys the tree.

PLANNING OFFICIAL TERELL – Yeah, I think we have differentiated topping from pruning or other things that you do to trees.

COMMISSIONER VAN NATTA – Can you just use the word destructive topping?

PLANNING OFFICIAL TERELL – Hum… unnecessary, no, but destructive or counterproductive; yeah… destructive is probably the best one

COMMISSIONER VAN NATTA – Put a word in there that differentiates it from just normal topping.

COMMISSIONER OWINGS – You know my concern is I think and not to belabor all these points, either we are for preservation of trees or we're not and if we are, it has to be somewhat strong in the language otherwise everything will become an exception, so you know I don't have any difficulty with the wording as it is because it does allow an arborist to make that determination. So I think the real point here; the real question that we should be asking ourselves is you know do we really want to protect heritage trees or not and if you allow these wiggle room words that is what is going to happen. It is going to make it harder for Code Enforcement to do their job. That's my personal opinion of that and so I would suggest that we leave language. I think the wiggle room here is that if an expert in trees says this tree needs to be topped, then fine.

COMMISSIONER CROTHERS – I agree and I was having the same thoughts you know. When it says prohibited it is not the end all of these requirements you know to top it. It does provide for an arborist or a landscape artist to come out and say yes this tree does need to be topped for the tree's own good and not just because we like the way it looks or because that's what we want to do today you know for the trees.

COMMISSIONER OWINGS – Yeah and to answer Meli's concern and Jeff's concern is the modifier should probably if there were going to be a modifier, the modifier should probably be down in the area where it talks about the sole purpose of being to keep the tree from growing, so if there were to be some wording entered in here to soften this in some way, it should be in that sentence as opposed to the sentence that says prohibit. In other words, a clarifier as to what is as Meli was saying destructive. I don't think that is the proper word, but a word like that could be added there as opposed to the shall be prohibited.

PLANNING OFFICIAL TERELL – Yeah something along the lines of topping of trees means the destructive cutting back in that sentence. Is that what you were referring to?

COMMISSIONER OWINGS – I'm not saying destructive is the right word, but that's where it would be; where I think the modifier needs to be if there is one, otherwise it just gets to be a meaningless… it becomes a symbolic gesture as opposed to one that really means something and I think your intentions of making this a meaningful ordinance is very applaudible and we should support your effort in that and by keeping the stronger language.

PLANNING OFFICIAL TERELL – I would agree, thank you. Are we ready for our last item?

CHAIR BAKER – Issue five, let's move ahead

ASSOCIATE PLANNER DIAZ – Alright, issue 5 is to amend the General Parking Design Standard with revised safety features and 20 foot wide driveway aisles.

Revision to Section to 9.11.080 have been made in order to make parking designs safer and consistent with current traffic engineering standards. The standards improvement safety features of parking lot design have been revised and table 9.11.080-13 has revised driveways and aisle dimensions.

PLANNING OFFICIAL TERELL – Yeah this one was really to discourage overly wide driveways that are really very bad for internal circulation; the 20 and 24 foot and in some cases there is 30, that is why there is an exception at the bottom, relate to fire code standards where they have a minimum for fire code access. A 30 foot wide driveway is actually pretty wide, but on taller buildings it is necessary for fire access so they can get enough distance away from the building to fight a fire and to avoid people saying I've got an extra 20 or 30 feet on my site, I'll just make this driveway wider and pave over on it, so it is really to discourage excessive paving, which has a myriad of environmental issues mainly again related to heat and dirty runoff and other things. So that was the intent of this, this is really limit pavement as much as possible.

COMMISSIONER OWINGS – It wasn't too long ago Planners were saying that driveways should be wider, so all things like the double-breasted suit, they all come back. Is that what you are saying?

PLANNING OFFICIAL TERELL – I don't know that Planners were saying that roads had to be wider but the development standards were saying let's create more and more excess and I think Transportation Planners and Michael is one of them, have seen that wider driveways are not always the best solution. I'm not saying that Michael ever believed they were but they're not always the best and obviously we have the flexibility to hear what the footnote if a good case could be made that gee the driveway has to be 32 feet and we have that option to do that. We're just creating a standard that says do this unless you provide evidence that it really needs to be wider.

COMMISSIONER OWINGS – So someone who has a little experience in this area, I've found that fire department personnel do not understand that they have a reverse in their fire truck, they want all the streets to be wide enough to turn around in and so we need to point out to them that "R" is for reverse, but I guess it is a concern that they would become too narrow. As I get older, I like those wider driveways.

PLANNING OFFICIAL TERELL – Right and that's why we set… really the standard is 24 feet. It has always been the minimum standard and really as a maximum is works pretty well. Sometimes on a main drive aisle we'll make them a little bit wider because there is more traffic and more conflict and it is just like streets you know. Alessandro is wide for a reason you know. The street you live on is narrower for a reason and it's really hopefully starting to create also hierarchy within parking lots; you know every parking aisle is not 30 feet wide because they have the space to do it.

COMMISSIONER GIBA – I had a question. Just clarity if I may… page 85. You have a diagram, figure 9.11.080-5 non-parallel parking. I was looking around for the description of that and I'm probably missing it somewhere so maybe you can point it to me, but besides that you're measurements are on the side of the parallel parking which says 16 feet, but the reality is that the car can't park in that little corner, so that length is not the 16 feet, so do you really mean the car can hang over into the other side of the… because that's not really… this isn't a 9 by 16 like the other picture of your square dimension would be a 9 by 16.

PLANNING OFFICIAL TERELL – No good point, I think we'll do the math and correct that number. It's like x plus y equals 2xy or something like that. We'll get the number because the intent was a standard space is 16 feet deep with 2 foot overhang; that's more than enough for most cars; certainly the standard car would easily fit in that area.

COMMISSIONER GIBA – It's not like we find standard cars anymore, they are all those big ones.

ASSOCIATE PLANNER DIAZ – I don't believe that section has been changed.

COMMISSIONER GIBA – Do you see what I'm talking about?

PLANNING OFFICIAL TERELL – Yeah, that's what happens when we bring something forward, we find something that has always been broken and we have the opportunity to fix it because somebody notices it.

COMMISSIONER GIBA – Thanks Gabriel. Thanks John

CHAIR BAKER – Does anyone else have any comments on the parking amendment? Okay, so do we open this up to Public Hearing? I guess we do.

PLANNING OFFICIAL TERELL – Yes

CHAIR BAKER – Okay, let's open this item up for Public Hearing. I don't have any Speaker Slips on this. Does anyone want to speak on this? If not, I'll close Public Testimony and we'll go forward with Commissioners Debate on the overall project I guess. Does anyone have any comments?

COMMISSIONER VAN NATTA – Sounds good to me.

COMMISSIONER GIBA – I like it pretty good. I just had one other question if I may. Page 88; you left it blank. Is it supposed to be blank for a reason or they just the lines where you are going to fill it in with something or is there some standard I'm supposed to go to get the information; the phone number; the…?

PLANNING OFFICIAL TERELL – Yeah, it's meant… it's a standard language for a sign so each property will have a different location or…

COMMISSIONER GIBA – Okay, so maybe just a reclaimed add. That's kind of what I figured. I thought maybe you hadn't finished filling it in

PLANNING OFFICIAL TERELL – No it is standard language so it would be different for each site.

CHAIR BAKER – I think it's a smart idea

COMMISSIONER OWINGS – Chairman, are we into Commissioners Debate?

CHAIR BAKER - We are

COMMISSIONER OWINGS – I think I speak for everyone that any attempt to make our City more livable is a worthy cause and it seems like you folks have put a lot of work into doing this and I think you've done a good job here and we just need to take from this and extend it into the neighborhoods and start to work to help you know; all this work starts helping property values; livability and making Moreno Valley a more attractive City, so for my standpoint thank you.

CHAIR BAKER – Very good, thank you, anyone else have any comments about this item? I think it's a great move. A lot of work went into putting this together, so if there is no further discussion; if I could get a motion for this PA10-0030, we'll move forward.

COMMISSIONER CROTHERS – I'll motion

CHAIR BAKER – Okay, do you want to read… let's see here; I'll give you this here. I think this will work. Just read the approval; okay.

COMMISSIONER CROTHERS – I motion to **APPROVE** Resolution No. 2012-04 and thereby **RECOMMEND** that the City Council;

1. **APPROVE** PA10-0030 Municipal Code Amendment; and,

2. **RECOGNIZE** that PA10-0030 Municipal Code Amendment qualify as an Exemption in accordance with CEQA Guidelines, Section 15061 as defined by Section 15378.

CHAIR BAKER – Thank you. Do I have a second to that motion?

COMMISSIONER GIBA – Second to that

CHAIR BAKER – Okay, we have a motion and a second. All in favor?

Opposed – 0

Motion carries 6 - 0, with one absent (Vice Chair Salas)

CHAIR BAKER – Okay the next thing we want to move onto is…

PLANNING OFFICIAL TERELL – Before you do that…

CHAIR BAKER – Oh yeah, Staff wrap up; I'm sorry

PLANNING OFFICIAL TERELL – That's okay. This item shall be forwarded to the City Council for final review and action.

CHAIR BAKER – Thank you very much.

COMMISSIONER OWINGS – Mr. Chairman, Gabriel should get a commendation for reading that whole thing.

CHAIR BAKER – I'm telling you Gabriel, we'll get you plaque or something for that one I'll tell you. Okay, now the next thing we have is Other Business.

OTHER BUSINESS

CHAIR BAKER – It has to do with the 2011 Annual Report of the Planning Commission. John do you want to give that or…

PLANNING OFFICIAL TERELL – Yeah, real quickly, this is a report. It is required by State Law that we file in April and it is just a recitation of what you guys did last year and you had 34 items and some of those were combined; but 34 items, which is a little bit light. This year we anticipate that you'll have more than that. I think last year hopefully was the low year and it is all uphill from here now that you are all trained and ready to go. In addition to that though there is a chart here and we did have 598 administrative approvals and also 432 plan checks, so that is what we kind of keep. You know based on your direction, we read the codes and all these other projects are able to comply with those codes

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, Public Works Director/City Engineer

AGENDA DATE: June 26, 2012

TITLE: PUBLIC HEARING FOR DELINQUENT RESIDENTIAL SOLID WASTE ACCOUNTS

RECOMMENDED ACTION

Staff recommends that the City Council, after conducting the public hearing:

1. Approve placing the submitted list of delinquent solid waste accounts that are attached to this report on the Fiscal Year (FY) 2012/2013 Riverside County property tax roll for collection.

2. Adopt Resolution No. 2012-55 repealing, revising and reenacting the provisions of Resolution 2007-72 of the City Council of the City of Moreno Valley, California, and authorizing the collection of delinquent and unpaid taxes and charges for solid waste collection on the tax roll.

3. Direct the City Clerk to file with the Riverside County Auditor a certified copy of Resolution No. 2012-55 and the list of delinquent solid waste accounts as required by Section 5473.4 of the California Health and Safety Code and Section 6.02.030 of the City of Moreno Valley Municipal Code.

BACKGROUND

Waste Management of the Inland Empire bills residential customers quarterly for solid waste services. Payments are made directly to Waste Management in advance for the following quarter. When a customer fails to make payment and the bill becomes more than sixty (60) days past due, the collection of the delinquent account is placed on the Riverside County property tax roll. This procedure was authorized by prior enactments of the City Council as reflected in Section 6.02.030 of the Moreno Valley Municipal

Code. The option to collect delinquent payments was negotiated as part of the franchise agreement.

DISCUSSION

The City Council approved the collection of delinquent solid waste accounts through the property tax roll process on March 1, 1993. Since that time, delinquent charges have been placed on property tax bills annually in June.

Waste Management of the Inland Empire has submitted a preliminary list of approximately 7,573 delinquent accounts. This delinquent list is to be placed on the FY 2012/2013 tax roll if approved by Council. An official copy of the list is available in the City Clerk's office for public viewing. The maximum charge to be placed on the tax roll is $2,123,212.06. Although Waste Management accepted payment on delinquent accounts until June 19, 2012, there may be some additional deletions to the list or minor adjustments to the amounts prior to final submittal to the Riverside County Auditor.

As part of the notification process, Waste Management has mailed a "Notice of Delinquent Account" to the affected property owners and account holders, informing them of the intent to place all delinquent charges on the tax roll. These notifications are mailed on a quarterly basis which is over and above the minimum notification requirements as per Section 5470 of the California Health and Safety Code and the Moreno Valley Municipal Code Section 6.02.030. A public posting of the Council's action, in accordance with Section 6066 of the Government Code, is all that is required by law.

Procedurally, in order to collect these delinquent charges on the County tax roll, the City must file with the County Auditor a certified copy of the proposed resolution along with the report as specified in California Health and Safety Code Section 5473.4 and Section 6.02.030 of the Moreno Valley Municipal Code.

ALTERNATIVES

1. Approve placing the submitted list of delinquent solid waste accounts attached to this report on the Fiscal Year (FY) 2012/2013 Riverside County property tax roll for collection and direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code.

2. Do not approve placing the submitted list of delinquent solid waste accounts attached to this report on the Fiscal Year (FY) 2012/2013 Riverside County property tax roll for collection and do not direct the City Clerk to file with the Riverside County Auditor a certified copy of the proposed resolution and a written report as prescribed by Section 6.02.030(e) of the Moreno Valley Municipal Code. *If Council does not approve the placement of the delinquent solid waste accounts on the tax roll, it could result in a net loss of revenue to the City of approximately $257,545 in franchise fees.*

FISCAL IMPACT

The City receives a 12.13% franchise fee for revenue generated from the collection of delinquent accounts at the time of collection. Placement of these delinquent charges on the County property tax roll will ensure the City receives the revenues due from this source which would be approximately $257,545. This amount is deposited into the general fund.

Solid waste services are exempt from Proposition 218, as stated in Section 6(c) Property Related Fees and charges. This is because the obligation to pay does not arise due to the customer owning the property, it arises because the property is used in a way which generates trash, and the customer did not choose to legally self-haul. Furthermore, the fee is not an encumbrance on the property, although delinquent fees can become the subject of a judgment lien.

CITY COUNCIL GOALS

Revenue Diversification and Preservation - Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness - Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

NOTIFICATION

A "Notice of Public Hearing" was published on June 12, 2012 and June 19, 2012, in The Press Enterprise in accordance with Section 6066 of the Government Code. A public posting of Council's action will also be done in accordance with section 6066 of the Government Code. In addition, Waste Management mailed payment requests to the attached accounts through a separate notice sent to property owners where the property could be identified as non-owner occupied. An official list of the submitted delinquent accounts is available in the City Clerk's office. This list represents the maximum charges which can be placed on the property tax roll for FY 2012/2013.

RESOLUTION NO. 2012-55

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, REPEALING, REVISING AND REENACTING THE PROVISIONS OF RESOLUTION 2007-72, AND AUTHORIZING THE COLLECTION OF DELINQUENT AND UNPAID TAXES AND CHARGES FOR SOLID WASTE COLLECTION ON THE TAX ROLL.

WHEREAS, the City Council has heretofore adopted Chapter 6.02 of Title 6 of the City of Moreno Valley Municipal Code relating to refuse collection, transfer and disposal services; and

WHEREAS, Section 6.02.030 of Chapter 6.02 provides for the collection of delinquent and unpaid fees and charges on the tax roll in the same manner, by the same persons, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Section 5473 of the California Health and Safety Code; and

WHEREAS, said delinquent and unpaid fees and charges are those fees and charges for which services have been rendered but which have not been paid for more than sixty (60) days after the billing date; and

WHEREAS, Section 5473.10 of the Health and Safety Code provides that in addition to delinquent fees and charges, the amount collected on the tax roll may also include a 10% basic penalty for nonpayment of those fees and charges and, in addition, a penalty of 1 ½ % per month for nonpayment of those fees, charges and the basic penalty: and

WHEREAS, it is in the best interests of the City that delinquent and unpaid fees and charges for refuse collection be collected on the tax roll: and

WHEREAS, the City Council has heretofore caused a report to be prepared, a copy of which is on file in the office of the City Clerk, which identifies each parcel of real property (without consideration of the value of said property) receiving such refuse collection services and facilities and the amount of the delinquent fees and charges for each parcel for the year which remain outstanding, computed in conformity with the charges prescribed by Chapter 6.02, and has caused notice of said report and of a public hearing thereon to be duly given; and

WHEREAS, the City Council has held said hearing, at which all persons wishing to be heard were heard, and at which hearing the City Council heard and considered all objections and protests, if any;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Resolution No. 2007-72 as adopted by the City Council on June 26, 2007, is hereby repealed, the repeal to be effective only upon the date of adoption of this resolution. No action commenced pursuant to the authority granted by Resolution No. 2007-72 shall be invalidated or otherwise affected by the repeal thereof.

2. Delinquent and unpaid fees and charges for solid waste collection as set forth in said report, and herein confirmed, shall be collected on the tax roll in the same manner, by the same persons as, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Chapter 6.02 of the City of Moreno Valley Municipal Code and Section 5473 of the California Health and Safety Code.

3. On or before August 10th of each year following the final determination of the delinquent charges, the City Clerk shall file with the auditor of the County of Riverside a certified copy of this resolution together with a certified copy of said report endorsed with a statement over her signature that the report has been finally adopted by the City Council.

4. The auditor shall enter the amounts of the charges against the respective lots of parcels of land as they appear on the current assessment roll.

5. Said election to collect delinquent and unpaid fees and charges shall remain in effect until December 31, 2017, unless otherwise repealed or amended by the City Council.

APPROVED AND ADOPTED this 26th day of June, 2012.

CITY COUNCIL REPORTS ON REGIONAL ACTIVITIES

a) Report by Council Member Robin N. Hastings on the Western Riverside Council of Governments (WRCOG)

This page intentionally left blank.

APPROVALS	
BUDGET OFFICER	caf
CITY ATTORNEY	
CITY MANAGER	

Report to City Council

TO: Mayor and City Council

FROM: Jane Halstead, City Clerk, CMC

AGENDA DATE: June 26, 2012

TITLE: APPOINTMENTS TO THE CITY COUNCIL ADVISORY BOARDS AND COMMISSIONS

RECOMMENDED ACTION

Staff recommends that the City Council:

1. Review the ballots for appointments to various City Council Boards and Commissions (to be provided by the City Clerk) and mark your choices where appropriate;

2. Appoint those applicants who received majority vote by the City Council; and

3. If vacancies are not filled by a majority vote of the City Council, authorize the City Clerk to re-advertise the positions as vacant and carry over the current applications for reconsideration of appointment at a future date.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not applicable.

BACKGROUND

Applications were accepted by the City Clerk's Office to fill vacancies for the various City Council Boards and Commissions, with certain terms expiring June 30, 2012.

Members with expiring terms were notified and advised of the need to submit a new application to be considered for reappointment. Appropriate time frames with respect to posting notices of vacancies were followed.

As provided in the City's Municipal Code, the appointees will serve without compensation for designated terms.

Pursuant to Municipal Code Subsection 2.06.010(e), "Unless otherwise specifically provided by the action establishing the body or appointing its initial members, no person shall be at the same time a member of more than one citizens' advisory body created by ordinance or resolution of the City Council." This section of the code is waived for members of the Accessibility Appeals Board. Mary McBean applied for the Arts Commission, Environmental and Historical Preservation Board and the Library Commission.

The commissions, boards, applicants, and vacancies to be filled are as follows:

ACCESSIBILITY APPEALS BOARD

One (1) term expiring June 30, 2015
Public Representative

None

ARTS COMMISSION
Three (3) terms expiring June 30, 2015

Mary McBean**
Ruth A. Van Hala*

ENVIRONMENTAL AND HISTORICAL PRESERVATION BOARD
Two (2) terms expiring June 30, 2015

Michelle Terese Gerard
Mary McBean**
Carla Jennifer Thornton*

LIBRARY COMMISSION
Two (2) terms expiring June 30, 2015

Mary McBean

PARKS AND RECREATION COMMISSION
Two (2) terms expiring June 30, 2015

Jonneshia C. Bright
Latrece Bright
James Lucha

RECREATIONAL TRAILS BOARD
Three (3) terms expiring June 30, 2015

Angelyn L. Grady
Radene Ramos Hiers*
Brenda Y. Jackson*
Vivian Joneswhye-Brock*

SENIOR CITIZENS' BOARD
Three (3) terms expiring June 30, 2015

Cleveland Johnson*

TRAFFIC SAFETY COMMISSION
Two (2) terms expiring June 30, 2015

Michael Riiff
Wraymond Sawyerr *

*Incumbent
** Applied for more than one position

ALTERNATIVES

Members of the Council appointed boards and commissions serve in an advisory capacity to the City Council. Choosing not to appoint members to the above-mentioned boards and commissions would result in decreased participation from residents. This option is not consistent with the City Council goal of creating a positive environment for the development of Moreno Valley's future. Therefore, staff recommends that the City Council make the recommended appointments.

NOTIFICATION

1. Posting of Notices of Openings
2. Publication of the agenda
3. Report and agenda mailed to applicants

Report to City Council

TO: Mayor and City Council

FROM: Michele Patterson, Assistant to the City Manager

AGENDA DATE: June 26, 2012

TITLE: JOB TRAINING LINKAGE INITIATIVE

RECOMMENDED ACTION

Staff recommends that the City Council approve the continued development of the Job Training Linkage Initiative in Moreno Valley.

BACKGROUND

Though some areas of the state and nation are beginning to experience improvement in unemployment rates, Moreno Valley's rate continues to be unusually high at 13.7%. Expressed in terms of local impact, 12,200 Moreno Valley residents are currently unemployed.

Committed to stimulating local improvement, the City Council adopted the Economic Development Action Plan in April 2011 and conducted a Goal Setting Workshop in May 2011. Both events established Job Development as a prioritized goal.

This last year, Moreno Valley's logistics industry has grown significantly. The City's monthly Economic Development Summary documents more than 15 million square feet of industrial buildings under development and many millions of square feet are in the planning stages:

- First Industrial Logistics Center: a proposal to develop a 397,000 square foot logistics building.
- March Business Center: a proposal to develop 75 acres into four industrial buildings totaling 1,484,407 square feet.
- VIP Moreno Valley Distribution Center: a proposed plan to develop a 1,616,133 square foot distribution facility on 71 acres.
- World Logistics Center: a proposed master plan for the development of up to 41.6 million square feet on 2,665 acres.

Unfortunately, creating jobs does not guarantee employment for Moreno Valley residents. Staff now proposes to offer subsidized logistics training that facilitates the selection of Moreno Valley residents to fill the expected employment opportunities.

As described by noted regional economist Dr. John Husing, Moreno Valley's demographics support logistics development. According to his source - the American Community Survey of 2010 - approximately 54% of Moreno Valley residents aged 25 or older have a high school diploma or less. In addition, a significant portion of Moreno Valley's workforce has been employed in residential construction. As the residential construction industry continues to experience recovery delays, the City has identified logistics as a growth industry that could offer the opportunity for upward mobility and replace lost residential construction jobs for these segments of Moreno Valley's population.

In FY 2007/08, the City's Neighborhood Preservation office introduced a job training program for the manufacturing and logistics industries. Known as the Community Talent Development Partnership, that program partnered with Riverside Community College District (RCCD) and was targeted to assist income-eligible, at-risk youth. Funded by a grant from the U.S. Department of Labor and by the City's Community Development Block Grant (CDBG), the program trained dozens of youth. However, it was discontinued when the grant funds were exhausted and few of the graduates found employment in the declining economy.

In 2009, the American Recovery and Reinvestment Act (ARRA) included a grant program identified as the High Growth and Emerging Industries Grant. A partnership of community colleges including RCCD formed the Southern California Logistics Technology Collaborative (SCLTC), which received an ARRA grant of $4,260,863 from the U.S. Department of Labor, Employment and Training Administration to fund new vocational training programs. As a member of the SCLTC, RCCD has been bringing new vocational training to Riverside County residents at their Corona location and has facilitated the employment of more than 150 people.

Staff has engaged in planning discussions with SBCCD and RCCD. ARRA grant funds continue to be available through early 2013 and RCCD has indicated their support for providing training to several cohorts of Moreno Valley residents through the end of 2012.

DISCUSSION

Staff recommends that the City Council approve the continued development of the Job Training Linkage Initiative, to be funded until the end of 2012 by RCCD through the SCLTC's ARRA grant.

The Manufacturing Skill Standards Council (MSSC) has created a credentialing system that covers core competency areas for logistics employees, as defined by MSSC's industry-led, nationally-validated skills standards for higher skilled, frontline material handling workers across all supply chain facilities: factories, warehouses, distribution centers, fulfillment centers, and transporters.

Understanding MSSC's credentialed training program, RCCD and City staff met with representatives of Masonite, Ralph's, Ross Dress For Less, Ryder, Skechers, United Natural Foods, Inc., and Walgreens distribution centers to confirm that the curriculum supports the employee knowledge, skills and experience that each requires. The proposed program format is derived from those conversations.

Enrollment Eligibility

If the City Council approves, the proposed training will be available free of charge to all eligible Moreno Valley residents. MSSC training recognizes the employers' need for employability, academic, and technical skills. All of the proposed programs incorporate an intake assessment to ensure that students meet the minimum knowledge, experience, and skill pre-requisites. MSSC strongly recommends that individuals be at the 9th grade level of English, math and critical thinking before attempting MSSC courses and assessments. In addition, all students must pass a drug test prior to admission into the program.

Proposed Training

If approved, two Logistics Certification credentials will be offered: the foundational-level Certified Logistics Associate (CLA) certificate and the mid-level Certified Logistics Technician (CLT) certificate. CLA certification is a prerequisite for CLT enrollment. In addition, with emerging logistics technologies, many distribution centers offer positions that require advanced skills in programming and maintenance of robotics, conveyors, computer numerical control, and programmable logic control (PLC) systems. Staff is proposing that RCCD offer the Automation Technologies courses in Moreno Valley to enable residents with three years of experience in a related field to train and successfully compete for as many of these new positions as possible.

Some Moreno Valley residents with logistics experience may only need forklift certification. RCCD will provide a short-term 3-day orientation that will enable students to gain their OSHA Safety Standards (10-hour card). Finally, in the event that several residents need a refresher to pass the 9th grade English / math assessment(s), RCCD would offer an Employability Skills course.

The curriculum of each program is summarized in Attachment A.

Coordination with Moreno Valley High Schools

The current logistics growth, high unemployment rate, and expiring grant funding demand immediate, relevant training for adults. In addition, the longer-term vision for

the development of the City's logistics workforce would expand the training program to Moreno Valley's high school students.

Establishing curriculum for high school credit requires review by a curriculum committee, which could involve a six-month to one-year evaluation period. Staff has engaged in preliminary discussions with Superintendent Dr. Judy White from Moreno Valley Unified School District (MVUSD) and will make a similar proposal to Val Verde Unified School District (VVUSD) regarding a series of courses to be offered through each districts' Career Technical Education programs.

Schedule

If the City Council approves, staff propose to offer the following training cohorts of approximately 20 students each:

- CLA / CLT: Two cohorts by Fall 2012.
- Automation Technologies: One cohort by Fall 2012
- 3-day Forklift Orientation: Potential for one cohort by Fall 2012, if RCCD identifies enough students
- Employability Skills: Potential for one cohort concurrently offered with the first CLA class, if RCCD identifies enough students. Once students pass the assessments, they would be eligible to participate in the second CLA cohort.

Training Location

As a member of the SCLTC, RCCD has been bringing new vocational training to Riverside County residents at their Corona location and this proposal would expand the training to include a Moreno Valley location. To ensure convenient access for Moreno Valley residents, staff has confirmed the availability of the Moreno Valley Employment Resource Center as the training location through 2012. Moreno Valley Unified School District has also expressed enthusiasm for providing a training classroom. Forklift training will be conducted in the Hunter Park area of Riverside, near the intersection of Columbia and Iowa Avenues.

ALTERNATIVES

Alternative 1: Approve the continued development of the Job Training Linkage Initiative in Moreno Valley. **Staff recommends this alternative because the training will enable the employment of Moreno Valley residents in the growing logistics industry.**

Alternative 2: Decline to approve the continued development of the Job Training Linkage Initiative in Moreno Valley. **Staff does not recommend this alternative.**

FISCAL IMPACT

There is no fiscal impact on the City's funds. If the City Council approves the proposed programs, RCCD will fund the training through the end of 2012 from the $4,260,863 grant awarded under the American Recovery and Reinvestment Act of 2009 to the Southern California Logistics Technology Collaborative, of which RCCD is a partner.

RCCD is participating in an application to extend the grant performance period and they are also seeking new grant opportunities. If the grant funding expires as scheduled in February 2013, the City could consider funding additional cohorts through CDBG, as has been used in the past. Such a proposal would be brought back to the City Council in the future for separate consideration.

CITY COUNCIL GOALS

Positive Environment. Create a positive environment for the development of Moreno Valley's workforce.

SUMMARY

Moreno Valley's logistics industry is growing. However, creating local jobs does not guarantee employment for Moreno Valley residents.

A partnership of community colleges including Riverside Community College District (RCCD) formed the Southern California Logistics Technology Collaborative (SCLTC), which received an American Recovery and Reinvestment Act of 2009 (ARRA) grant of $4,260,863 from the U.S. Department of Labor, Employment and Training Administration. The grant is funding vocational training programs. As a member of the SCLTC, RCCD has been bringing new vocational training to Riverside County residents at their Corona location.

Staff proposes to offer subsidized logistics training programs in Moreno Valley that facilitate selection of Moreno Valley residents to fill the expected logistics employment opportunities. Specific logistics training programs are summarized on Attachment A and would include:

- The foundational-level Certified Logistics Associate (CLA) certificate.
- The mid-level Certified Logistics Technician (CLT) certificate.
- Automation Technologies.
- Forklift Certification / 3-day Orientation: For residents with distribution center experience but who lack current forklift certification.
- Employability Skills: a refresher in 9th grade English / math.

Staff recommends that the City Council approve the continued development of the Job Training Linkage Initiative in Moreno Valley.

LOGISTICS TRAINING CURRICULUM

The Manufacturing Skill Standards Council (MSSC) has created a credentialing system that covers core competency areas for logistics employees across all supply chain facilities: factories, warehouses, distribution centers, fulfillment centers, and transporters.

MSSC training recognizes the employers' need for employability, academic, and technical skills. All of the proposed programs incorporate an intake assessment to ensure that students meet the minimum knowledge, experience, and skill pre-requisites. MSSC strongly recommends that individuals be at the 9th grade level of English, math and critical thinking before attempting MSSC courses and assessments. In addition, all students must pass a drug test prior to admission into the program.

Certified Logistics Associate – 60 hours

- Intro. to Global Supply Chain Logistics
- Material Handling Equipment
- Material Handling & Equipment Operation
- Quality Control Principles
- Work Communication
- Teamwork & Good Workplace Conduct
- Computer Systems for Logistics
- OSHA Safety Standards (10-hour card)

Certified Logistics Technician* – 36 hours

- Product Receiving
- Product Storage
- Order Processing
- Packaging & Shipment
- Inventory Control
- Safe Handling of Hazardous Material
- Evaluation of Transportation Modes
- Dispatch & Tracking Operations

* CLA certification is a prerequisite for CLT enrollment.

Automation Technologies – 100 hours

- Electrical & Motor Controls
- Programmable Logic Controllers (PLC)
- Integrated Automation & Troubleshooting
- OSHA Safety Standards (10-hour card)

Forklift Certification – 3-day Orientation

For those residents who possess distribution center experience but lack current forklift certification (which is frequently issued and retained by each employer), the City / RCCD will provide a short-term 3-day orientation that will enable students to gain their OSHA Safety Standards (10-hour card).

Employability Skills

In the event that several residents need a refresher to pass the 9th grade English / math assessment(s), RCCD would offer an Employability Skills course. Once a student passes the assessments, he or she would be eligible for the next CLA / CLT cohort.

Report to City Council

TO: Mayor and City Council

FROM: Barry Foster, Community & Economic Development Director

AGENDA DATE: June 26, 2012

TITLE: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING SUB-SECTION 9.12.050(F) OF TITLE 9 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE AND ADDING SUB-SECTION 9.12.060(O) TO TITLE 9 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE RELATING TO SIGNS IN THE PUBLIC RIGHT-OF-WAY.

RECOMMENDED ACTION

Staff recommends that the City Council introduce the proposed Ordinance No. 850, an Ordinance of the City Council of the City of Moreno Valley, California amending sub-section 9.12.050(F) of Title 9 of the City of Moreno Valley Municipal Code and adding sub-section 9.12.060(O) to Title 9 of the City of Moreno Valley Municipal Code relating to signs in the public right-of-way.

BACKGROUND

The existing Right-of-Way (ROW) within Sunnymead Boulevard is not symmetrical from the centerline and is shifted approximately ten (10) feet to the south. The result of this shift is that there are several signs that find themselves located within the public ROW where they otherwise would not be situated had the ROW been consistant on each side of the roadway. One example is the sign for the Chicago Pasta House, which is now located within the public ROW. Chicago Pasta House is looking to reconstruct its monument sign, but is prohibited under the existing Municipal Code.

DISCUSSION

City staff is recommending an update to Title 9 of the MVMC in order to accommodate the off-set ROW of Sunnymead Boulevard (from Frederick Street to Perris Boulevard).

Listed below are key proposed changes to various portions throughout sub-sections 9.12.050 and 9.12.060 of Title 9 of the existing municipal code:

- Amend the Municipal Code to include an additional exception to those signs within the public right-of-way of Sunnymead Boulevard
- Add a subsection to specify the circumstances and provisions under which a sign permit would be considered for approval

An administrative policy will be drafted to address signage within the public Right-of-Way of Sunnymead Boulevard and will establish the limitations and requirements of such a condition, including requiring the issuance of an encroachment permit, liability insurance and compliance with all other aspects of Chapter 9 of the City of Moreno Valley Municipal Code.

ALTERNATIVES

1. Approve the introduction of the proposed Ordinance No. 850, an Ordinance of the City Council of the City of Moreno Valley, California amending sub-section 9.12.050(F) of Title 9 of the City of Moreno Valley Municipal Code and adding sub-section 9.12.060(O) to Title 9 of the City of Moreno Valley Municipal Code relating to signs in the public right-of-way. **This alternative is recommended by staff.** *Approval would allow limited approval of certain signs which encroach into the public ROW.*

2. Do not approve the introduction of the proposed Ordinance No. 850, an Ordinance of the City Council of the City of Moreno Valley, California amending sub-section 9.12.050(F) of Title 9 of the City of Moreno Valley Municipal Code and adding sub-section 9.12.060(O) to Title 9 of the City of Moreno Valley Municipal Code relating to signs in the public right-of-way. **This alternative is not recommended by staff.** *Any signs found to be within the public ROW would be in violation of the Municipal Code and subject to fines by the City.*

FISCAL IMPACT

There are no fiscal impacts associated with the proposed action.

CITY COUNCIL GOALS

Advocacy. Develop cooperative intergovernmental relationships and be a forceful advocate of City policies, objectives, and goals to appropriate external governments, agencies and corporations.

Community Image, Neighborhood Pride and Cleanliness. Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

ORDINANCE NO. 850

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AMENDING SUB-SECTION 9.12.050(F) OF TITLE 9 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE AND ADDING SUB-SECTION 9.12.060(O) TO TITLE 9 OF THE CITY OF MORENO VALLEY MUNICIPAL CODE RELATING TO SIGNS IN THE PUBLIC RIGHT-OF-WAY

The City Council of the City of Moreno Valley does hereby ordain as follows:

SECTION 1. AMENDMENT OF SUB-SECTION 9.12.050(F) OF SECTION 9.12.050 OF CHAPTER 9.12 OF THE MORENO VALLEY MUNICIPAL CODE:

1.1. Sub-Section 9.12.050(F) of Chapter 9.12 of Title 9 of the City of Moreno Valley Municipal Code is hereby amended to read, in its entirety, as follows:

"Signs within the public right-of-way, except those required by a governmental agency and temporary political signs and off-site directional signs subject to the provisions of Sections 9.12.040(H) and 9.12.060(L) of this chapter. Modified Monument Signs located in the public right-of-way subject to the provisions of Section 9.12.060(O) of this chapter may also be permitted."

SECTION 2. ADDITION OF SUB-SECTION 9.12.060(O) OF SECTION 9.12.060 OF CHAPTER 9.12 OF THE MORENO VALLEY MUNICIPAL CODE:

2.1 Sub-Section 9.12.060(O) of Chapter 9.12 of Title 9 of the City of Moreno Valley Municipal Code is hereby added to read, in its entirety, as follows:

"O. Signs in the Public Right-Of-Way

1. A Modified Monument Sign that is otherwise permissible pursuant to Section 9.12.060(B)(1) of this chapter and located in the public-right-of-way may be permitted in the following circumstances:
    a. The sign is located within a public right-of-way controlled by the City of Moreno Valley;
    b. The sign is located along Sunnymead Boulevard between Frederick Street and Perris Boulevard;
    c. There is no practicable location on private property to locate the sign;
    d. The sign design and location do not obstruct or impede any utility, utility access, pedestrian walkways or pedestrian or vehicle sight lines.
    e. The sign design and location are not located over or upon any other easement without written authorization for such from the owner of the easement.

f. An encroachment permit is obtained, all fees paid, and all required insurance and other requirements are kept current and valid;
g. A sign permit is obtained in accordance with this Chapter.

2. In order to apply for a permit for a sign in the public right-of-way pursuant to this Section, an application must first be made for an encroachment permit and all criteria for such encroachment permit must be met.
3. In the event that any of the requirements or terms of the encroachment permit are not met or are not continually maintained in accordance with the encroachment permit, any sign permit shall become void and such sign shall become a public nuisance and may be removed by the City at any time at the sign owner's expense.
4. Any such sign in the public right-of-way shall be immediately removed from the public right-of-way upon request by the City for any public purpose and shall not be entitled to any compensation."

SECTION 3. EFFECT OF ENACTMENT:

3.1 Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 4. NOTICE OF ADOPTION:

4.1 Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be publicly posted in three places within the city.

SECTION 5. EFFECTIVE DATE:

5.1 This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this 10th day of July, 2012.

ORDINANCE NO.847

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING APPLICATION PA12-0008 AMENDING THE MUNICIPAL CODE TO INCREASE THE MAXIMUM HEIGHT AND SIGN AREA FOR MENU BOARDS IN THE CITY'S SIGN CODE IN SECTION 9.12.060.D.

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1. PRIOR ENACTMENTS REPEALED:

1.1 All prior enactments of the City, which are in conflict with this Ordinance, are hereby repealed, effective upon the date which this Ordinance becomes effective and operative.

SECTION 2: FINDINGS

2.1 With respect to the proposed Municipal Code Amendment, and based upon substantial evidence presented to the City Council during the public hearing on June 12, 2012, including written and oral staff reports, and the record from the public hearing, the City Council hereby specifically finds as follows:

1. Conformance with General Plan Policies – The proposed Municipal Code Amendment is consistent with the General Plan, and its goals, objectives, policies and programs.

   FACT: General Plan policy 2.10.6 states that signs should be highly compatible with the building and site design relative to size, color, material, and placement. Policy 7.7.3 states that reasonable controls should be implemented on the size, number and design of signs to minimize degradation of visual quality. The changes proposed to the Municipal Code are consistent with the General Plan and do not conflict with the goals, objectives, policies, and programs established within the Plan.

2. Health, Safety and Welfare – The proposed amendment will not adversely affect the public health, safety or general welfare.

   FACT: Although the proposed amendment will be effective citywide, it addresses minor land use matters and does not have the potential to adversely affect the public health, safety or welfare of the population residing in the City of Moreno Valley or surrounding jurisdictions. As a minor alteration to land use limitations,

the Municipal Code Amendment is determined to be exempt under California Environmental Quality Act Guidelines, per Section 15305, as a Class 5 Categorical Exemption.

3. Conformance with Title 9 – The proposed Municipal Code Amendment is consistent with the purposes and intent of Title 9.

FACT: The purpose and intent of the City's sign regulation as stated in Municipal Code Section 9.12.060 is to aid in the identification of land uses and facilities to provide for public convenience; encourage signs that are attractive, discourage clutter and maintain a high quality visual image for the community; promote the economic well-being of local businesses and the community; reduce traffic and safety hazards; and ensure that signs are in keeping with the goals, objectives and policies of the city of Moreno Valley general plan. As proposed, the Municipal Code Amendment is consistent with the purposes and intent of Title 9.

SECTION 3 MUNICIPAL CODE AMENDMENT:

3.1 The City's sign regulations in Chapter 9.12 of Title 9 of the City of Moreno Valley Municipal Code in Section 9.12.060.D are hereby revised as follows:

D. Drive-Through Restaurant Menu Boards. Two additional signs shall be permitted for the purpose of displaying the type and price of products sold on-site to drive-through customers. Such signs may include a speaker system to allow drive-through customers to order food and beverages. Such signs shall not exceed forty-eight (48) square feet in area and eight feet in height inclusive of the base. If the restaurant elects to build only a single menu board, the sign shall not exceed 64 square feet and the height shall not exceed eight feet inclusive of the base.

SECTION 4: EFFECT OF ENACTMENT:

4.1 Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 5: NOTICE OF ADOPTION:

5.1 Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city.

SECTION 6: EFFECTIVE DATE:

6.1 This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this 26th day of June, 2012.
