G.3 CITY MANAGER'S REPORT (Informational Oral Presentation - not for Council action)

City Manager and Assistant City Manager Speak to Local Groups

I was honored to be the speaker at the July 2nd meeting at Adelante, the monthly meeting of the Moreno Valley Hispanic Chamber of Commerce. I appreciate the Hispanic Chamber Board for inviting me to speak. Today Assistant City Manager Assistant City Manager Tom DeSantis and I spoke to the Moreno Valley Noon Rotary. We enjoyed sharing information with these community stakeholders and ambassadors for the community.

Helen Putnam Award Judging

I served as a judge for the 2013 Helen Putnam Award for Excellence for the League of California Cities. The Helen Putnam Award for Excellence program was designed to recognize and promote the outstanding efforts and innovative solutions made by city governments each year. There are a total of 12 categories and I judged the 18 entries submitted in the Public Safety category. Winners will be announced at the League's Annual

Conference in September.

Executive Team Participates in League Events

On June 26th I participated in a luncheon meeting hosted by Riverside County League of California Cities representative Erin Sasse for the city managers in Riverside County. The purpose of the meeting was to engage the managers in participating in regularly scheduled meetings to discuss League initiatives and items of mutual interest. Given the size of the County, this group has not been very cohesive in years past. Last night Assistant City Manager Assistant City Manager Tom DeSantis, CFO Rick Teichert, and Public Works Director Public Works Director Ahmad Ansari attended the League's Riverside County Division General meeting. Hosted by the City of Banning, the featured speaker was Randall Lewis of the Lewis Group of Companies.

July 4th Parade

As promised, with the exception of Interim Community and Economic Development Director John Terell who was out of state, ALL of your Executive Management Team participated in the July 4th parade last week and had such a fun time. Thanks to Public Works Director Ahmad Ansari and Assistant City Manager Tom DeSantis for letting us use their classic vehicles, and thank you to all of the residents lining the parade route. We enjoyed celebrating our nation's birthday with our residents and promise to participate each year as we all enjoyed ourselves very much.

Movies in the Park

This Thursday night's installment of the free movies in the park series features Kung Fu Panda 2. Bring your lawn chair, blanket, dinner, and family to the CRC, film starts at dusk.

CLOSING COMMENTS AND/OR REPORTS OF THE CITY COUNCIL, COMMUNITY SERVICES DISTRICT, CITY AS SUCCESSOR AGENCY FOR THE COMMUNITY REDEVELOPMENT AGENCY OR HOUSING AUTHORITY

Council Member Victoria Baca

- 1. 4th of July being in the parade with her grandchildren. Fireworks show was phenomenal. Parks & Community Services Director Mike McCarty is a leader of our Parks & Community Services Department and has a lot of people working under him. It takes a long time to put an event of this size together. 4th of July is a kickoff to summer. Commends City Council for putting the funds together for an event of this size. Thank you to the Police Department of keeping everything under control; no disorderly conduct. Loved the music, it was fantastic.
- 2. Recalls it's Democracy. The recalls are part of the voting process. Everyone has the right to their opinions. We have a wonderful City and City staff.
- 3. Budget Very happy we have a balanced budget; not too many Cities can say that.

1. Jeff Giba's remarks - credit really belongs to the City Manager, Assistant City Manager, the Public Works Director and their Division Managers have done right by us with outstanding customer satisfaction. City Manager, Michelle Dawson, and her staff have fulfilled her promises; Council has some credit, embracing standards for customer service. The Moreno Valley City Employee's Association has a lot to with embracing the initiative. Thanked Rick Teichert and Candace Cassel for their hard work. The speed of crew is speed of Captain, you deserve the same kudos. Personally thanked John Terell and Public Works Director, Ahmad Ansari, for greatest tool to use Utilities. The senior management is an effective way to make our future brighter.

AGENDA DATE: September 10, 2013

TITLE: APPROVE ECONOMIC DEVELOPMENT RATE AGREEMENT

REVISION FOR MORENO VALLEY UTILITY

RECOMMENDED ACTION

Recommendation:

1. Approve revision to the Economic Development Rate Agreement for Moreno Valley Utility.

ADVISORY BOARD/COMMISSION RECOMMENDATION

N/A

BACKGROUND

One of the primary reasons for the creation of the electric utility is to promote a competitive economic climate. The ability to attract businesses and jobs to the City through economic development incentives such as discounted electric rates is an important tool to expanding the tax base of the City. On June 12, 2012, the City Council adopted two electric rate schedules that offer discounted rates to attract new businesses and retain existing businesses in Moreno Valley based on certain criteria. The criteria for new businesses include the following:

- a. Targeted industries
 - i. Logistics/Distribution
 - ii. Medical/Healthcare

iii. Auto Dealerships

b. Building/Area size

i. Logistics/Distribution 500,000 sf minimum

1. Tier 5 Discount Rate

a. Regional Corporate

Office Space 50,000 sf minimum

b. Perishable Space 200,000 sf minimum

ii. Medical/Healthcare 100,000 sf minimum

iii. Auto Dealerships 5 acres

c. Job Creation

i. Tier 1 Discount Rate 150 – 499 jobs

ii. Tier 2 Discount Rate 500 – 999 jobs

iii. Tier 3 Discount Rate greater than 1000 jobs

iv. Tier 4 Discount Rate 350 jobs minimum

v. Tier 5 Discount Rate 200 jobs minimum

d. City Revenue Producer – either sales tax or use tax generation

i. Tier 1a Discount Rate

ii. Tier 4 Discount Rate minimum \$40,000 annual sales

tax revenue to the City

DISCUSSION

New commercial or industrial end-use customers that would otherwise receive service under Electric Rate Schedule TOU-LGS (Time of Use-Large General Service) and meet the criteria as stated above may take advantage of the Economic Development Rate. A TOU-LGS customer must have a monthly maximum demand that is expected to meet or exceed 500 kW in three months out of twelve months. Customers who wish to be placed on the Economic Development Rate must also sign a standard Moreno Valley Economic Development Rate Agreement. The current Economic Development Rate Agreement for new customers is being revised to clarify that new customers must qualify for Schedule TOU-LGS, and that if a new customer no longer qualifies as a Time

of Use customer, the economic development rate discount will be suspended and shall resume once the customer qualifies for Schedule TOU-LGS.

<u>ALTERNATIVES</u>

- 1. Approve the proposed revision to the Economic Development Rate Agreement for Moreno Valley Utility. The revision to the Economic Development Rate Agreement clarifies the criteria for a new customer to qualify for the discounted rate, and will help the City's utility to attract new businesses.
- 2. Do not approve the proposed revision to the Economic Development Rate Agreement for Moreno Valley Utility. This would restrict the City's ability to offer competitive rates and attract new businesses.

FISCAL IMPACT

There is no fiscal impact associated with the clarifying language to the Economic Development Rate Agreement for new customers.

CITY COUNCIL GOALS

REVENUE DIVERSIFICATION AND PRESERVATION:

The municipal electric utility will generate revenues to provide funding for City programs and services over time. These revenues will help achieve important financial goals of the City.

POSITIVE ENVIRONMENT:

The proposed revision to the Economic Development Rate Agreement helps to create a positive environment for economic development within the community. The City of Moreno Valley Electric Utility will offer competitive rates and will help the City attract new businesses and jobs for the community.

NOTIFICATION

Posting of the Agenda.

- the Electric Service Rules and any programs or services mandated by a state or federal regulatory agency, or Moreno Valley's City Council.
- 1.11 Expanded Load: The amount of qualifying load eligible for discount under this Agreement and shall be measured as the difference between the new monthly, meter-documented energy use and demand, and the Base Period Usage.
- 1.12 Expanded Load Customer: A commercial or industrial customer currently served by Moreno Valley meeting the qualifications set forth in Schedule ED and expanding business operations within Moreno Valley's electric service area that will add new load and increase their average monthly demand by a minimum of 200 kW.
- 1.13 Forecast Maximum Demand: Customer's forecast of its Total Load maximum demand, including any expansion of load planned over the term of this Agreement.
- 1.14 Labor Dispute: A strike, walkout, lockout or other dispute between a Party's labor force and the Party.
- 1.15 Liquidated Damages: Damages owed by Customer to Moreno Valley as provided in Section 10 of this Agreement.
- 1.16 Minimum Charge: The amount as defined in Customer's Otherwise Applicable Rate Schedule.
- 1.17 Minimum Load: The minimum metered kilowatt input at the Point of Interconnection during one calendar month as averaged over a rolling one year period, as referenced for Customer in Section 5.
- 1.18 New Load Customer: A commercial or industrial customer meeting the qualifications set forth in Schedule ED, locating in Moreno Valley's electric service territory.
- 1.19 Otherwise Applicable Rate (OAR) Schedule: The rate schedule under which Customer is taking electric service from Moreno Valley at the time of signing this Agreement, and any applicable successor schedule.
- 1.20 Party, Parties: The parties to this Agreement are Moreno Valley and Customer, as defined above.
- 1.21 Total Load: customer's recorded (metered) load (energy and demand).
- 1.22 Uncontrollable Force(s): Any cause beyond the control of the Party affected and asserting excuse from performance, including but not restricted to flood, drought, earthquake, storm, fire, lightning, epidemic, war, riot, civil disturbance or disobedience, labor dispute, labor or material shortage, sabotage, restraint by court order or public authority, and action or inaction by or failure to obtain the necessary authorizations or approvals from, any governmental agency or authority which by exercise of due diligence such Party could not reasonably have been expected to avoid and to the extent which by exercise of due diligence it has been unable to overcome. The Party claiming such Uncontrollable Force must give the other Party at least ten (10) days written notice of the commencement of such cause, and keep the other Party informed concerning the continuance of such cause.

2 CUSTOMER AFFIDAVIT OF ELIGIBILITY

- **2.1** Customer represents and warrants to Moreno Valley that it satisfies the criteria for Schedule ED eligibility as indicated by Customer's initials below [Customer must initial Subsection 2.4 and one of Subsections 2.2 or 2.3.
- **2.2** () New Load Customer that:
 - **2.2.1** Has a projected minimum monthly electrical demand of at least 500 kW in any three months out of a twelve month period; or
- **2.3** () Expanded Load Customer is an existing customer of Moreno Valley that:
 - 2.3.1 Covenants to increase its average monthly demand by a minimum of 200 kW, and
 - **2.3.2** Customer represents that all documents that it has provided to Moreno Valley as evidence of Customer's ability to maintain such a demand increase during the Agreement Term are true and correct.
- **2.4** () Customer represents and warrants under penalty of perjury under the laws of the State of California that all covenants, statements of facts, representations, and documents provided to Moreno Valley with respect to Customer's eligibility for Schedule ED are true and correct.

3 ECONOMIC DEVELOPMENT RATE

- 3.1 Customer represents that it meets the applicability requirements of Schedule ED.
- 3.2 Customer agrees to purchase from Moreno Valley and Moreno Valley agrees to sell to Customer at the Electric Rate set forth herein, all of Customer's Electric Service requirements at Customer's Site(s) including Electric Service necessary to deliver such Energy to Customer's Points of Interconnection throughout the Term of this Agreement. Except as expressly provided in this Agreement, Moreno Valley shall provide such Electric Service in accordance with the Electric Rules. In the event any term of this Agreement adds to, varies or contradicts the Electric Rules, the terms of this Agreement shall prevail.
- 3.3 Subject to the terms and conditions of this Agreement, Moreno Valley will provide New Load Customers and only the Expanded Load for existing Customers a ______ discount off the Customer's bill calculated based on the rate components comprising its OAR for purchases of electricity (demand and energy) over the term of this Agreement.

	Tier 1/Tier 1a	Tier 2	Tier 3	Tier 4	Tier 5
Years 1 - 2	15%	20%	20%	20%	20%
Years 3 - 4	12%	15%	20%	20%	20%
Years 5 – 6	10%	10%	15%	20%	20%
Years 7 -12	-	-	-	20%	20%
Years 13 - 18					20%

- 3.4 All charges for electric Service pursuant to this Agreement shall be subject to Moreno Valley's Public Purpose Program Charge, any applicable state or federal energy Tax, and any other governmental taxes, duties, or fees, as may be revised from time to time by the relevant regulatory authority, applicable to Electric Service provided by Moreno Valley.
- 3.5 The Electric Service provided herein is expressly reserved for Customer's sole use. Customer is prohibited from transferring, providing, or reselling all or any portion of such service to any third party or parties.

4 BASE PERIOD USAGE

- 4.1 Base Period Usage must be established for each Customer.
- 4.2 Moreno Valley shall determine Customer's Base Period Usage by estimating Customer's load characteristics, including estimated demand and energy usage on a time-of-use basis using available data, including Customer's previous electricity bills, if any. That calculation shall be used to determine Customer's Base Period Usage until recorded load data becomes available to more definitively establish Customer load characteristics. When Moreno Valley can more accurately estimate Customer's actual load characteristics, Customer's Base Period Usage shall be established based upon the new recorded data.
- 4.3 If Customer is subject to billing on a time-of-use basis but does not have the requisite historical data to determine its actual base period usage, Moreno Valley shall estimate Customer's load characteristics, including estimated demand and energy usage on a time-of-use basis using available data. That calculation shall be used as Customer's Base Period Usage until recorded load data becomes available to more definitively establish Customer's load characteristics. When Moreno Valley can more accurately estimate Customer's actual load characteristics, Customer's Base Period Usage shall be established based upon the new recorded data.
- 4.4 Base Period Usage is established as follows:

	Average	Monthly	Base	Average	Hourly	Base
	Period Us	age (kW)		Period Us	age (kWh)	
Facilities Related Demand				N/A		
Summer						
On-Peak						
Mid-Peak						
Off-Peak						
Overall						
Winter						
Mid-Peak						
Off-Peak						
Overall						

Base Period Usage Facilities Related Demand is computed as follows:

- 1. Determine a Facilities Related Demand for each month in the period used to establish Base Period Usage that is the greater of:
 - a. The maximum billing demand for the month, or
 - b. 50% of the highest of all the billing demands in the period used to establish Base Period Usage.
- 2. Compute the average of the monthly Facilities Related Demands thus determined. This is Base Period Usage Facilities Related Demand.
- 3. An "XXX" entered above indicates that the entry is not applicable to Customer's Base Period Usage.

5 MINIMUM LOAD

- **5.1** Customer must maintain a Minimum Load for each year from the date service is first rendered under Schedule ED for the term of this Agreement.
- 5.2 The Minimum Load for a New Customer representing and warranting its eligibility for Schedule ED under Subsection 2.2 of this Agreement must be at least 500 kW, and qualify for Schedule TOU-LGS Time of Use Large General Service.
- **5.3** The Minimum Load for an Existing Customer representing and warranting its eligibility for Schedule ED under Subsection 2.3 of this Agreement cannot be lower than 200 kW.
- 5.4 If during any year of service the New Customer's Total Load maximum demand falls below 500 kW such that the New Customer no longer qualifies as a Time of Use customer, the Customer's discounts under Section 3.3 above shall be suspended for the balance of the year and such suspension shall begin with the month that the Customer is deemed no longer eligible to receive service under Schedule TOU-LGS. Customer's discounts applicable to total Load, shall resume at the beginning of the following year, subject to the terms of this provision. For purposes of this section, a year of service commences with the start of each level of discount set forth above in Section 3.3.
- 5.5 If during any year of service the Expanded Load Customer's Minimum Expanded Load falls below 200 kW in any three months, the Customer's discounts under Section 3.3 above shall be suspended for the balance of the year and such suspension shall begin with the month of the third occurrence. Customer's discounts applicable to Minimum Expanded Load shall resume at the beginning of the following year, subject to the terms of this provision. For purposes of this section, a year of service commences with the start of each level of discount set forth above in Section 3.3.
- 5.6 Any load reductions shown to be directly attributable to energy efficiency measures implemented after establishing Base Period Usage in this Agreement shall not adversely impact the calculation of Customer's Minimum Load. The imputed load reductions attributable to any energy efficiency measure implemented subsequent to the establishment of Base Period Usage shall be added back into the load calculation in the event that New Customer's Minimum Load falls below 500 kW, or Expanded Load

Customer's Minimum Expanded Load falls below 200 kW. Provided that New Customer maintains usage of at least 500 kW, and Expanded Load Customer maintains their Minimum Expanded Load, net of any energy efficiency impacts, all Customer discounts shall apply.

6 COMMENCEMENT OF SERVICE

- **6.1** Moreno Valley will begin providing the Customer service under Schedule ED at the start of the next regular billing period following the date the Customer notifies Moreno Valley that service should begin under Schedule ED, which date shall not be more than 12 months from the effective date of this Agreement.
- 6.2 Customer estimates that service under Schedule ED shall commence at the start of the next regular billing period beginning after ______ and shall provide Moreno Valley at least five business days' notice of any change in such date.

7 ACKNOWLEDGEMENT

- **7.1** Except as otherwise amended herein, customer acknowledges that it is fully subject to all terms and conditions contained in Customer's OAR, or its successor rate schedule, all of the Moreno Valley's rules, and all terms and conditions of service contained in Moreno Valley's rates. Any provision pertaining to either a peak period rate limiter or an average rate limiter does not apply.
- **7.2** Customer also acknowledges that Moreno Valley may request documentation to support Customer's signed Affidavit and may verify any supporting documentation and statements Customer has made in support of its signed Affidavit.

8 TERM

- 8.1 This Agreement shall be effective for six years following the commencement of service under Schedule ED pursuant to Section 6 of this Agreement for Tiers 1/1a, Tier 2, or Tier 3. This Agreement shall be effective for twelve years following the commencement of service under Schedule ED pursuant to Section 6 of this Agreement for Tier 4. This Agreement shall be effective for eighteen years following the commencement of service under Schedule ED pursuant to Section 6 of this Agreement for Tier 5.
- 8.2 At the end of the sixth year, Customer will no longer take service under Schedule ED and will be billed only under its OAR, effective with the start of the next regular billing period following the end of the sixth year of service under this Agreement for Tiers 1/1a, Tier 2, and Tier 3. Under Tier 4, the Customer will no longer take service under Schedule ED and will be billed only under its OAR, effective with the start of the next regular billing period following the end of the twelfth year of service under this Agreement. Under Tier 5, the Customer will no longer take service under Schedule ED

and will be billed only under its OAR, effective with the start of the next regular billing period following the end of the eighteenth year of service under this Agreement.

8.3 This Agreement is not renewable at the expiration of its term.

9 TERMINATION

This Agreement may be terminated (subject to payment of Liquidated Damages as provided for in Section 10) by either party upon written notice as follows.

- 9.1 Termination for Misrepresentation or Fraud: Moreno Valley may terminate this Agreement upon five business days' notice if any representation made by Customer in this Agreement is untrue in any material respect, or if any statement in Customer's Affidavit was untrue, or if Moreno Valley determines that Customer was not eligible for Schedule ED when this Agreement was signed, in which case Liquidated Damages as set forth in Section 10.3 shall be paid.
- 9.2 Termination at Customer's Request: customer may request termination of this Agreement at any time by providing at least 60 days' written notice to Moreno Valley.
- 9.3 Termination for Nonpayment: Moreno Valley may terminate this Agreement if Customer fails to pay any amount due, under Schedule ED within 30 days after receipt of notice of nonpayment from Moreno Valley. Customer shall be liable for all unpaid amounts and any late payment charges.
- 9.4 Termination for Noncompliance: Moreno Valley may terminate this Agreement upon five business days' notice if Customer fails to comply with any term or condition of Schedule ED or this Agreement, or if Customer ceases the operations to which this Agreement applies or moves such operations out of the Moreno Valley's service territory.
- 9.5 Termination for Ineligibility: Moreno Valley may terminate this Agreement upon five business days' notice if it determines that Customer has become ineligible for Schedule ED.
- 9.6 Termination for Failure to Maintain Minimum Load: Moreno Valley may terminate this Agreement if Customer fails to maintain its Minimum Load during any consecutive 12 month period or shuts down its operations. If Customer fails to maintain its Minimum Load, Moreno Valley must provide Customer at least 90 days' notice of termination and Customer shall have the opportunity to increase its load to the Minimum Load and demonstrate to Moreno Valley's satisfaction that it will continue to use its Minimum Load for the remaining term of this Agreement.
- 9.7 Termination for Failure to Commence Service: Moreno Valley may terminate this Agreement if Customer does not begin service within 12 months after the date this Agreement was executed.
- 9.8 Obligations Continuing: Termination of this Agreement shall not relieve either Party of its obligations incurred prior to termination.

9.9 Upon termination of the Agreement, Moreno Valley's obligation to provide Electric Service to Customer and the rates and rules applicable to Moreno Valley's provision of such Electric Service shall be pursuant to Moreno Valley's then existing Electric Service Rate Schedules.

10 LIQUIDATED DAMAGES

- 10.1 Upon termination of this Agreement, prior to its six-year, twelve-year, or eighteen-year term pursuant to Sections 9.1, 9.2, 9.3, 9.4, 9.5, or 9.6, Customer shall be required to pay Moreno Valley Liquidated Damages. The Liquidated Damages are required to ensure that neither Moreno Valley nor its ratepayers are financially or otherwise damaged if this Agreement is prematurely terminated before the end of its term.
- 10.2 It would be extremely difficult for the Parties to identify the amounts of increased or additional costs attributable to termination of this Agreement. Parties agree the Liquidated Damages specified herein are a reasonable approximation of damages which Moreno Valley and its ratepayers may incur as a result of such termination, and that the damage amount does not represent a penalty.
- 10.3 For termination under Section 9.1 above, Liquidated Damages under this Agreement shall be an amount equal to 200% of the cumulative difference between (i) the amount the Customer would have paid for its energy and demand if billed at their OAR from the date service was first rendered under Schedule ED to the date of termination, and (ii) the amount billed to Customer under this Agreement and Schedule ED during the same period.
- 10.4 For termination under Sections 9.2, 9.3, 9.5, or 9.6 above (excepting business closure or reduction in load without relocation) Liquidated Damages under this Agreement shall be an amount equal to 100% of the cumulative difference between (i) the amount billed to Customer under Schedule ED from the date service was first rendered under Schedule ED to the date of termination, and (ii) the amount the Customer would have paid for its energy and demand if billed at their OAR from the date service was first rendered under Schedule ED to the date of termination. Should a customer's usage increase such that the cumulative liquidated damages become negative upon contract termination, under no circumstances will Moreno Valley be liable for paying liquidated damages to a customer.
- 10.5 After termination of this Agreement for any cause, Customer shall be billed at its OAR.
- 10.6 The limitations of the Moreno Valley's Electric Rule 17 shall not apply to amounts payable under this Agreement.
- 10.7 The Moreno Valley may in its discretion require Customer to establish a letter of credit or other security as a condition to providing service under Schedule ED to secure payment of any Liquidated Damages.

11 UNCONTROLLABLE FORCE

- 11.1 Neither Party shall be considered to be in default in the performance of any obligation under this Agreement, except for obligations to pay money, when and to the extent that failure of performance shall be caused by an Uncontrollable Force.
- 11.2 If either Party, because of an Uncontrollable Force, is rendered wholly or partly unable to perform its obligations under this Agreement, the Party shall be excused from whatever performance is affected by the Uncontrollable Force to the extent the following conditions are met.
 - 11.2.1 The suspension of performance is of no greater scope and of no longer duration than is required by the Uncontrollable Force.
 - 11.2.2 The nonperforming Party uses its best efforts to cure its inability to perform. This subsection shall not require the settlement of any strike, walkout, lockout or other labor dispute on terms which, in the sole judgment of the Party involved in the dispute, are contrary to its interest. It is understood and agreed that the settlement of strikes, walkouts, lockouts, or other labor disputes shall be at the sole discretion of the Party having the difficulty.
 - 11.2.3 When the nonperforming Party is able to resume performance of its obligations under this Agreement, that Party shall give the other Party written notice to that effect immediately.
- 11.3 Nonperformance due to Uncontrollable Force shall be excused, provided Party can demonstrate that the Uncontrollable Force was owing to causes outside its reasonable control and the occurrence of the Uncontrollable Force could not have been prevented by the exercise of due diligence.
 - 11.3.1 Accordingly, nonperformance shall be excused from the date of the occurrence of the Uncontrollable Force, provided the nonperforming Party has given the other Party written notice describing the particulars of the occurrence within two weeks of the event.
 - 11.3.2 Accordingly, nonperformance shall be excused from the date on which the nonperforming Party gives the other Party written notice describing the particulars of the occurrence of the Uncontrollable Force, is such written notice is given more than two weeks after the Uncontrollable Force occurred.
- 11.4 If Customer experiences an Uncontrollable Force that prevents Customer from complying with Schedule ED and this Agreement, Customer may request that Moreno Valley suspend the terms of Schedule ED and this Agreement for the duration of the Uncontrollable Force. Customer will be billed at the Otherwise Applicable Rate for the duration of the suspension of this Agreement. Resumption of the terms of Schedule ED and this Agreement shall commence with the next regularly scheduled billing period. In addition, the term of this Agreement will be extended for up to 12 months beyond the term originally established in this Agreement by the length of time this Agreement was suspended.

- 11.5 The occurrence of an Uncontrollable Force shall not (i) prevent Moreno Valley from terminating this Agreement in accordance with Sections 9.4 and 9.5, or (ii) extend the period any level of discount is available as provided in Section 2.3.
- 11.6 If the Uncontrollable Force causing the nonperformance is caused by the actions or inactions of legislative, judicial or regulatory agencies, or other proper authority, this Agreement may be amended to comply with the legal or regulatory change causing the nonperformance. Any such amendment must first be approved by the Moreno Valley City Council prior to implementation.

12 INDEMNITY

- 12.1 Except for any liens, claims, costs, damages, liability or loss resulting from Willful Action, as defined herein, Customer agrees to indemnify, protect, defend, and hold harmless Moreno Valley, and Moreno Valley's employees, officers, managers, agents and City Council Members from and against any claim for damage, charge, lawsuit, action, judicial, administrative, regulatory or arbitration proceeding, damage, cost, expense (including reasonable attorney and expert fees), judgment, civil fine and penalties, liabilities or losses of any kind or nature whatsoever whether actual, threatened or alleged, which arise out of, pertain to, or relate to, or are a consequence of, or are attributable to, or are in any manner connected with this Agreement but only in proportion to and to the extent such liens, claims, damages, liability or loss are caused by or result from the negligent acts, errors, or omissions of Customer, its employees, officers, or agents. This indemnification provision shall apply to any acts, omissions, negligence, recklessness, or willful misconduct, whether active or passive, on the part of the Customer or anyone employed or working under the Customer.
- **12.2** "Willful Action" shall be defined as an action taken or not taken by a Party at the direction of its directors, officers, or employees where:
 - **12.2.1** An action is knowingly or intentionally taken or not taken with conscious indifference to the consequences thereof or with intent that injury or damage would probably result therefrom; or
 - **12.2.2** An action has been determined by final arbitration, judgment, or judicial decree to be a material default under this Agreement and occurs beyond the time specified for curing such default or, if no time to cure is specified therein, occurs or continues thereafter beyond a reasonable time to cure such default; or
 - **12.2.3** An action is knowingly or intentionally taken or not taken with the knowledge of material default under this Agreement.
- **12.3** Willful Action does not include any act or failure to act which is merely involuntary, accidental, negligent, or performed (or not performed).
- **12.4** The provisions of this Section 13 shall be binding upon the Parties to the full extent permitted by law. The obligations set forth herein are binding on the successors, assigns and heirs of Customer and shall survive termination of this Agreement.

13 ASSIGNMENT OF AGREEMENT

13.1 Customer shall not assign this Agreement or any part or interest thereof, to a third party without the prior, written consent of an authorized representative of the City of Moreno Valley. Any assignment made without such consent shall be void and of no effect. Further, any assignment made under this Agreement shall be subject to any applicable City Council authorization except as waived by the City Council.

14 REPRESENTATIVES AND NOTICES

- **14.1** Representatives: Upon the Effective Date of the Agreement, the City Manager or his designee for Moreno Valley, and person identified on the execution page for Customer shall be the Authorized Representatives who will act on its behalf in the implementation of this Agreement. Either Party may at any time change, via written notice, the designation of its Authorized Representative to the other Party.
- 14.2 Form of Notice: any notice and other communication required or permitted to be given under this Agreement shall be deemed given: (i) when hand delivered; or (ii) one (1) business day after pickup by Federal Express or similar overnight delivery service properly addressed as provided below; or (iii) three (3) business days after such notice or communication shall have been deposited with the United States Postal Service, postage prepaid and properly addressed as provided below; or (iv) when sent by facsimile transmission to the fax numbers provided below, with receipt of such fax confirmed telephonically, provided that on the same day such notice or communication shall also be hand delivered or sent by overnight delivery pursuant to this Subsection.
- **14.3** Addresses Of Parties: Notices to Moreno Valley should be given to: City Manager, City of Moreno Valley, 14177 Frederick Street, Moreno Valley, CA 92552; Notices to Customer shall be given to the addressee at the location shown on the execution page.
- **14.4** Change of Address: Either Party may change such address by giving notice to the other Party as provided herein.

15 ENFORCEMENT

- **15.1** Legal Action: In addition to any other rights or remedies, either Party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement.
- 15.2 Governing Law: This Agreement shall be interpreted, governed by, and construed under the laws of the State of California or the laws of the United States as applicable without regard to the conflicts of laws or rules thereof. Any action at law or in equity brought by either of the Parties for the purpose of enforcing a right or rights provided in this Agreement shall be tried in a court of proper jurisdiction in the County of

- Riverside, State of California, and the Parties hereby waive all provisions of law providing for a change of venue in such proceedings to any other county.
- 15.3 Damage Limitation: Moreno Valley shall not be liable for any consequential, incidental, indirect, or special damages, whether in contract, tort, or strict liability including, but not limited to, lost profits, property damage, personal injury and loss of power, arising out of or in any way related to power outages, other electric service interruption(s), Moreno Valley's performance or nonperformance of its obligations under this Agreement or termination of this Agreement.
- **15.4** Attorney Fees: If either Party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which any be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees, whether or not the matter proceeds to judgment.
- **15.5** Disputes: All disputes regarding questions of fact, opinions or interpretation of provisions in this Agreement shall be submitted to the Authorized Representatives. If the Authorized Representatives are unable to resolve the dispute, the matter shall be referred to the individuals designated to receive notices pursuant to Section 14. Nothing in this Agreement precludes either Party from taking any lawful action it deems appropriate to enforce its rights.
- 15.6 Waivers: Waiver by any Party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

16 MISCELLANEOUS

16.1 Integration and Amendment: this Agreement contains the final, complete, and exclusive statement of the terms of the agreement between the Parties pertaining to the subject matter of this Agreement, and supersedes all prior and contemporaneous oral or written communications of the Parties. Neither Party has been induced to enter into this Agreement by, nor is any Party relying on, any representation or warranty of the other Party outside those expressly set forth in this Agreement. Ambiguities or uncertainties in the wording of this Agreement shall not be construed for or against either Party, but shall be interpreted in a manner that most accurately reflects the original intent of the Parties, and is consistent with the nature of the Parties' rights and obligations. No

- modification of this Agreement shall be valid or binding unless in writing duly signed by both Parties.
- 16.2 Severability: In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material this its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.
- **16.3** Exhibits: All documents referred to below and attached to this Agreement as Exhibits are incorporated into and made a part of this Agreement. Exhibit "A": Customer Site(s); Metered Accounts
- 16.4 Corporate Authority: The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized agents to be effective on the date of the Moreno Valley's signature below.

TITLE: AUTHORIZE SUBMISSION OF GRANT FUNDING APPLICATIONS

FOR RIVERSIDE COUNTY TRANSPORTATION COMMISSION'S MULTI-FUNDING CALL FOR PROJECTS AND APPROVE

RESOLUTION 2013-65

RECOMMENDED ACTION

Recommendations:

- 1. Authorize the submittal of grant applications for the Riverside County Transportation Commission's (RCTC) Multi-funding Call for Projects.
- Approve Resolution No. 2013-65 indicating the City's commitment to provide a funding match for projects selected as a part of the RCTC Multi-funding Call for Projects. Resolution No. 2013-65, a Resolution of the City Council of the City of Moreno Valley, California, authorizing the submittal of applications for the RCTC Multi-Funding Call for Projects and Matching Fund Commitment

BACKGROUND

On June 25, 2013, RCTC announced the Multi-funding Call for Projects. Project Categories include the Surface Transportation Program (STP), Congestion Mitigation and Air Quality (CMAQ) program, and Measure A Regional Arterial (MARA) program. The STP funds highway and arterial roadway capacity enhancements, interchange improvements, and bridge/arterial widening. The CMAQ program funds traffic signal control systems, transit projects, and bicycle and pedestrian facilities projects. The MARA program funds arterial roadway projects in Western Riverside County.

Project selection will be based upon scoring criteria consisting of Regional Significance, Project Readiness, Local Match, Safety, Air Quality, Cost Benefit, and Regional

Transportation Plan/Sustainability Communities Strategy. Grant applications are due to RCTC by September 23, 2013.

DISCUSSION

The City is currently pursuing funding opportunities for projects that meet the intent of the RCTC Multi-funding Call for Projects program.

After considering all the requirements of the program, staff has determined several projects to be the best candidates for potential funding. Staff recommends submitting applications for the following projects based upon readiness for construction, type of environmental clearance required, and maximum available funds:

- SR-60/Moreno Beach Drive Interchange: The project consists of the replacement of the SR-60/Moreno Beach Drive two-lane bridge with a sixthrough-lane bridge, reconfiguration of the existing westbound on-ramp and off-ramp, addition of a westbound direct on-ramp, completion of a westbound auxiliary lane, and construction of a portion of Line K-1 drainage facility on Ironwood Avenue. The project is eligible for Federal funding since it already has NEPA environmental clearance. Approximately \$20 million in various funds may be requested to update the previously completed plans and specifications to current Caltrans requirements and construct this \$24 million project.
- SR-60/Theodore Street Interchange: This project consists of the replacement of the SR-60/Theodore Street two-lane bridge with a new wider bridge, reconfiguration of the existing ramps, and other improvements as may be identified through the planning/environmental phase. The project planning/environmental stage has just commenced. Approximately \$1 million of various types of funds may be sought for project development phase work, which could include later-phase preliminary engineering and planning.
- Kitching Street from Cactus Avenue to Iris Avenue: The existing roadway consists of a two-lane road with existing improvements on the east side. The proposed project will widen and improve a mile-long segment of Kitching Street to its General Plan ultimate width of four travel lanes and turning lanes at intersections. The project would include curb, gutter, minor storm drain, pavement, sidewalk, street lights, traffic signal modifications, signing and striping, and related road improvements. A total of \$2.5 million in STP funding will be requested as a part of this \$6 million project.
- Cactus Avenue from Veteran's Way to Heacock Street: Currently, Cactus Avenue between Heacock Street and Elsworth Street is built to three lanes westbound and two lanes eastbound. This project will widen the eastbound roadway to include an additional third lane, increasing the level of service within this segment of Cactus Avenue. Additionally, the project will modify four traffic signals, install additional raised median and median landscaping on the east leg of Graham/Cactus intersection, new curb and gutter, and asphalt concrete curbs. A total of \$1.64 million in STP funding will be requested as a part of this \$1.85 million project.

- Transportation Management Center Phase 1B: The project will improve mobility and air quality on several arterial roadways (portions of Eucalyptus Avenue/Towngate Boulevard, Alessandro Boulevard, Perris Boulevard, Cactus Avenue, and Lasselle Street) by enhancing the integration of the City's traffic management system via the deployment of a critical portion of the field devices and supporting communications system. Proposed improvements include an Ethernet fiber-optic backbone system, closed-circuit television cameras at 16 key intersections, and new traffic signal controllers at 45 existing signalized intersections. A total of \$1.9 million in CMAQ funding will be requested as a part of this \$2.4 million project.
- Aqueduct Trail: The City's Aqueduct Trail is planned to extend from the Towngate area to the Lake Perris State Recreation Area. The Trail has various segments constructed, mostly within residential neighborhoods connecting to adjacent arterial streets. Funds will be requested to develop plans for all missing segments, improved connections to adjacent neighborhoods, and trail crossings at arterial streets. A total of \$375,000 in CMAQ funding will be requested as a part of this \$425,000 design project.
- Dynamic Traveler Alert Message Boards: Dynamic Message Signs (DMS) serve the purpose of alerting the traveling public to incidents and other traffic related issues, so that alternative routes may be taken. The City will request CMAQ funding for DMS to be placed on City streets approaching the freeways. A total of \$398,000 in funding for three signs will be requested as a part of this \$450,000 project.

Other projects that may become evident during the analysis and grant preparation process will be submitted to the RCTC for funding consideration as well.

The total amount of funding requested will be a minimum of \$27.8 million.

<u>ALTERNATIVES</u>

- 1. Approve and authorize the recommended actions as presented in this Staff Report. This alternative will allow the City to submit applications for the RCTC Multi-funding Call for Projects and potentially receive funding for several key infrastructure projects.
- 2. Do not approve and authorize the recommended actions as presented in this Staff Report. This alternative will prohibit the City from submitting applications for the RCTC Multi-funding Call for Projects.

FISCAL IMPACT

Applications for the RCTC Multi-funding Call for Projects require a matching fund commitment ranging from 11.47% to 20% from the agency submitting the application (amount dependent upon the type of funding). If projects are selected for the RCTC Multi-funding Call for Projects Program, City staff will bring those selected projects back

to City Council to accept the RCTC grants and appropriate funds. The source of the matching funding would come from available Gas Tax (Fund 2000), Measure A (Fund 2001), DIF Traffic Signals (Fund 2902), DIF Interchange (Fund 2911), TUMF Capital Project funds (Fund 3003), or any other available transportation funding sources. These funds may be used only to implement transportation related programs. There is no impact to the General Fund with this action.

CITY COUNCIL GOALS

PUBLIC SAFETY:

Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

PUBLIC FACILITIES AND CAPITAL PROJECTS:

Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AUTHORIZING THE SUBMITTAL OF APPLICATIONS FOR THE RCTC MULTIFUNDING CALL FOR PROJECTS AND MATCHING FUND COMMITMENT

WHEREAS, the Riverside County Transportation Commission (RCTC) announced the 2013 Multi-funding Call for Projects seeking candidate projects for a variety of transportation related funds; and

WHEREAS, the City of Moreno Valley has many unfunded projects that may qualify for the RCTC funds; and

WHEREAS, the City of Moreno Valley desires to submit applications for funding from the RCTC 2013 Multi-funding Call for Projects;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS: It does hereby authorize the City Manager to submit applications for the RCTC 2013 Multi-funding Call for Projects and commit to provide the necessary matching funds from available transportation related funds, if projects are selected by the RCTC for funding.

AGENDA DATE: September 10, 2013

TITLE: AWARD THE PURCHASE OF EMERGENCY VEHICLE PRE-

EMPTION EQUIPMENT TO GLOBAL TRAFFIC TECHNOLOGIES FOR RETROFITTING 117 EXISTING SIGNALIZED

INTERSECTIONS—PROJECT NO. 808 0010 70 76

RECOMMENDED ACTION

Recommendations:

- 1. Award the purchase of Emergency Vehicle Pre-emption systems for Project No. 808 0010 70 76 to Global Traffic Technologies.
- 2. Authorize the Purchasing & Facilities Division Manager to execute a Purchase Order to Global Traffic Technologies, in the amount of \$319,062.39 (\$282,356.10 for the bid amount, plus sales tax and 5% contingency) Account No. 3302-70-76-80008-660310).

BACKGROUND

An Emergency Vehicle Pre-emption (EVP) system allows for priority treatment of emergency vehicles, such as fire trucks and ambulances, at traffic signals. Emergency vehicles are provided with strobe lights which flash light patterns that can be detected by the EVP system. Upon receipt of the appropriate strobe light signal, the traffic signal is programmed to terminate conflicting traffic movements and display a green light for the approaching emergency vehicle. The EVP system's primary benefits are a reduction in response time, of between 14% and 23%, and an improvement in safety since emergency vehicles would normally enter intersections on a green light instead of on a red light.

On March 27, 2007, the City Council authorized Resolution No. 2007-32 requiring the installation of EVP equipment for all future traffic signals. At the time, the City had successfully retrofitted 19 signalized intersections with pre-emption equipment. Subsequently, the City has installed EVP systems at approximately 25 newly signalized intersections.

In 2008, the City successfully applied for Highway Safety Improvement Program (HSIP) funds for the deployment of Emergency Vehicle Pre-emption equipment at 117 existing signalized intersections. Although the City has more than 117 intersections in need of retrofit, staff estimated this to be the maximum number that could be retrofitted under the maximum HSIP grant. The City was awarded the maximum HSIP grant amount of \$1,000,000.

On June 8, 2010, the City Council ratified an agreement with the California Department of Transportation to commence preliminary engineering for this project.

Caltrans environmental staff has declared this project to be categorically excluded from federal environmental review under the National Environmental Policy Act (NEPA), and City planning staff have concurred with the finding and declared the project to be categorically exempt from the California Environmental Quality Act (CEQA).

On November 27, 2012, the City Council rejected all bids for procurement and installation of emergency vehicle pre-emption equipment based on staff's recommendation. The rejection was required due to concerns about the product proposed by the low bidder which were unable to be addressed during the bid evaluation period.

DISCUSSION

Since the last Council activity on this project, staff has performed extensive research, testing, and systems engineering to specify minimum requirements for an EVP system which meets the City's needs while being open to multiple vendors. The procurement documents were drafted based on the new system requirements.

In contrast to the previous advertisement, the current award is for equipment procurement only. It is staff's opinion that a two-step process consisting of procurement, followed by construction, would be the best path to successful completion of the project. Staff is prepared to advertise for construction of the project upon approval of the equipment procurement. All applicable local, state, and federal requirements have been met for this procurement, and will be met for the advertising and award of the construction contract.

A new systems engineering report and concept of operations was prepared by in-house staff. This document was routed to prospective bidders to confirm that multiple bidders would be able to satisfy the requirements. The procurement documents were then completed in May 2013 by in-house staff. The engineer's estimate for the procurement

was \$395,000, which was based on prices provided to another public agency in a competitive procurement process that occurred earlier this year.

Formal bidding procedures have been followed in conformance with the Public Contract Code. The project was also advertised twice in the Press-Enterprise. The Clerk opened bids at 3:00 p.m., on June 18, 2013, for the subject project. The three (3) valid bids received were as follows:

BIDDERS Bid Amount

This bid required testing of product prior to award, since the City previously went out to bid on this project on November 27, 2012 and was unable to proceed with the award of contract due to concerns with the proposed equipment.

KM Enterprises, Inc. acknowledged receipt of City correspondence requiring testing, but did not follow up to arrange a test. Therefore the bid is non-responsive since the City was unable to ascertain the suitability of the proposed materials.

Southwest Traffic Systems performed testing on July 17, 2013 and was not able to achieve the equipment performance requirements. Southwest Traffic Systems' bid is therefore non-responsive.

Existing GTT systems installed within the City limits were evaluated and meet the required range test. GTT emergency vehicle pre-emption systems have performed at high levels for many years in Moreno Valley.

ALTERNATIVES

- 1. Approve and authorize the recommended actions as presented in this staff report. This alternative will be the best path to successful completion of the project for the City.
- 2. Do not approve and authorize the recommended actions as presented in this staff report and provide alternate direction to Staff. This alternative would potentially delay this project.

FISCAL IMPACT

This project is included in the Fiscal Year 2013/2014 Capital Improvements Project Budget and is funded using the Traffic Signals Development Impact Fee Fund (Fund 3302). These funds can only be used for traffic signal purposes. There is no impact to

the General Fund. Upon completion of the project, the City will be reimbursed for 90% of the project cost from the Highway Safety Improvement Program.

AGENDA DATE: September 10, 2013

TITLE: APPROVAL OF PAYMENT REGISTER FOR MAY, 2013

RECOMMENDED ACTION

Recommendation:

1. Adopt Resolution No. 2013-66. A Resolution of the City Council of the City of Moreno Valley, California approving the Payment Register for the month of May, 2013 in the amount of \$12,527,069.50.

DISCUSSION

To facilitate Council's review, the Payment Register lists in alphabetical order all checks in the amount of \$25,000 or greater, followed by a listing in alphabetical order of all checks less than \$25,000. The Payment Register also includes wire transfers, thus eliminating the need for a separate wire transfer register, as well as the fiscal year-to-date (FYTD) amount paid to each vendor.

FISCAL IMPACT

The disbursements itemized in the attached Payment Register are reflected in the FY 2012-13 budget. Therefore, there is no fiscal impact other than the expenditure of budgeted funds.

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: September 10, 2013

TITLE: APPROVAL OF PAYMENT REGISTER FOR JUNE, 2013

RECOMMENDED ACTION

Recommendation:

 Adopt Resolution No. 2013-67. A Resolution of the City Council of the City of Moreno Valley, California approving the Payment Register for the month of June, 2013 in the amount of \$22,008,214.83.

DISCUSSION

To facilitate Council's review, the Payment Register lists in alphabetical order all checks in the amount of \$25,000 or greater, followed by a listing in alphabetical order of all checks less than \$25,000. The Payment Register also includes wire transfers, thus eliminating the need for a separate wire transfer register, as well as the fiscal year-to-date (FYTD) amount paid to each vendor.

FISCAL IMPACT

The disbursements itemized in the attached Payment Register are reflected in the FY 2012-13 budget. Therefore, there is no fiscal impact other than the expenditure of budgeted funds.

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: September 10, 2013

TITLE: RECEIPT OF QUARTERLY INVESTMENT REPORT – QUARTER

ENDED JUNE 30, 2013

RECOMMENDED ACTION

Recommendation:

1. Receive and file the Quarterly Investment Report, in compliance with the City's Investment Policy.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Not Applicable

BACKGROUND

California Government Code Sections 53601 and 53646 establish the types of investments allowed, the governing restrictions on these investments, the third-party custodian arrangement for certain investments, and the reporting practices related to the portfolio for local agencies. The City's Investment Policy, adopted on July 9, 2013, is in full compliance with the requirements of both of the above-mentioned Code Sections.

DISCUSSION

The attached Quarterly Investment Report presents the City's cash and investments for the quarter that ended June 30, 2013. This is the fourth quarterly report submitted for the 2012-13 fiscal year and is in compliance with California Government Code Section 53646 regarding the reporting of detailed information on all securities, investments, and monies of the City, as well as the reporting of the market value of the investments held.

All of the investments contained within the portfolio are in full compliance with the City's Investment Policy and Government Code Section 53601 as to the types of investments allowed. As stated in the attached report, there is more than adequate liquidity within the portfolio for the City to meet its budgeted expenditures over the next six months.

The City has used Chandler Asset Management as its professional portfolio manager since 2010. Chandler uses an active investment management approach. Utilizing an active approach, securities purchased by Chandler on the City's behalf are not necessarily held to maturity but may be actively traded based on market conditions and the City's investment goals. The City's cash flow requirements are evaluated on an ongoing basis, with short-term needs accommodated through the City's pooled investment funds with the State Local Agency Investment Fund (LAIF). LAIF is a pool of public funds managed by the State Treasurer of California, providing 24-hour liquidity while yielding a rate of return approximately equivalent to a one-year treasury bill. With the combined use of a conservative approach to evaluating cash flow needs and LAIF liquidity, the City will not have to liquidate securities at current market rates that are intended to be held for longer-term investment. This is especially important considering that the average maturity of the general portfolio is 2.44 years.

The investments managed by Chandler Asset Management totaled \$146,817,918 at par and achieved a Yield to Maturity (YTM) for June 2013 of 1.25%. This compares to a YTM in March 2013 of 1.28% and a YTM in June 2012 of 1.31% In addition, the City maintained \$11,652,451 in the State Local Agency Investment Fund Pool (LAIF) with a YTM of .24%.

In accordance with California Government Code Section 53646, the City is properly reporting investments of all bond proceeds and Deferred Compensation Plan funds. These funds are not managed by the City Treasurer as part of the pooled investment program and were not included in the City's investment reports prior to the current legislation. Bond proceeds are held and invested by a Trustee; Deferred Compensation Plan funds are held and invested by the respective plan administrators with the funds also placed in a trust separate from City funds.

FISCAL IMPACT

Current market rates continue to hover at or near all-time lows and based on comments by the Federal Reserve Board we do not expect this to change in the near future. This interest rate environment directly impacts the ability of the portfolio to generate income. The budget for fiscal year 2012-13 projected General Fund investment earnings totaling \$2.3 million. Year to date through June 2013 these revenues have totaled \$ 2.1 million which is in line with the projections for FY 2013 which were included in the FY 2013-14 budget.

CITY COUNCIL GOALS

Revenue Diversification and Preservation. Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

SUMMARY

The attached Quarterly Investment Report presents the City's cash and investments for the quarter that ended June 30, 2013. This report is in compliance with California Government Code Section 53646 regarding the reporting of detailed information on all securities, investments, and monies of the City, as well as the reporting of the market value of the investments held. All of the investments contained within the portfolio are in full compliance with the City's Investment Policy and Government Code Section 53601 as to the types of investments allowed. It is recommended that the City Council receive and file the attached Quarterly Investment Report.

Holdings Report Glossary

CUSIP (Committee on Uniform Securities Identification Procedures) – A unique identification number assigned to all securities.

Security Description - The issuer name, coupon (periodic interest payment rate) and maturity.

Par Value/Units - The face value or number of units held in the portfolio.

Purchase Date - The settlement date on which the security was purchased.

Book Yield - The YTM that equates the current amortized value of the security to its periodic future cash flows.

Cost Value - The value at which the securities were purchased, excluding purchased interest.

vok Value - The value at which an asset is carried on a balance sheet. To calculate, take the cost of an asset +/- net - cretion/amortization.

Mkt Price - The current fair value market price.

Mkt YTM – The internal rate of return that equates the periodic future cash flows (interest payments and redemption value) to the market price, assuming that all cash flows are invested at the YTM rate.

Market Value - The current fair value of an investment as determined by transactions between willing buyers and sellers.

Accrued Int. - The interest that has accumulated on a bond since the last interest payment up to, but not including, the settlement date.

f Port. - The % of the portfolio that the security represents based on market value, including accrued interest.

▼in/Loss – The unrealized gain or loss on the security, compared to either cost or amortized value, as of the date of the report.

ody - The Moody's rating for the security.

Holdings Report Glossary (continued)

P - The Standard and Poor's rating for the security.

m (yrs) - The time, in years, until maturity.

Duration - The weighted average time to maturity of a bond where the weights are the present values of future cash flows. Duration measures the price sensitivity of a bond to changes in interest rates.

Slowing Growth In China. . . . 3 And What It Means For The Global Economy

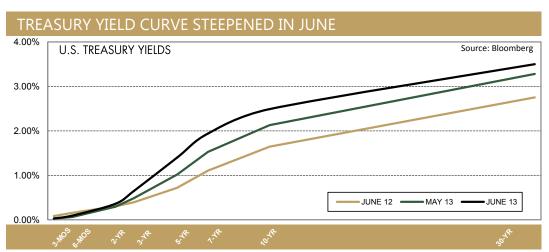

Since 1988, Chandler Asset Management has specialized in the management of fixed income portfolios. Chandler's mission is to provide fully customizable, client-centered portfolio management that preserves principal, manages risk and generates income in our clients' portfolios.

Market Summary

The economy continues to grow slowly. Nonfarm payrolls rose 195,000 in June, which was better than the consensus forecast of 161,000. Average nonfarm payroll growth during the second quarter of 2013 was about 196,000 per month. The unemployment rate remained unchanged in June at 7.6% due to an increase in the labor force. Overall, the labor market continues to improve. Manufacturing trends are beginning to show modest improvement as well, while housing trends remain favorable in spite of the recent jump in interest rates. Consumer spending also remains healthy.

The Treasury yield curve steepened again in June as Fed policymakers continued to discuss winding down quantitative easing. The move has also been influenced by a modest improvement in economic data.

The Federal Open Market Committee left policy rates unchanged at its June 18-19 meeting and assured investors that policy changes continue to be data dependent. The Fed noted that the economy continues to grow at a moderate pace. The labor market has continued to improve, but unemployment remains elevated. Inflation is running below target. The Fed will continue to purchase mortgage-backed securities at a pace of \$40 billion per month and longer-term Treasury securities at a pace of \$45 billion per month. During his press conference, Chairman Bernanke indicated that the Fed could begin tapering bond purchases later this year and that asset purchases could end in 2014. However, he emphasized that Fed policy will depend on the state of the economy.

The yield curve steepened in June as economic data improved modestly and Fed policymakers continued to discuss winding down quantitative easing.

Slowing Growth In China And What It Means For The Global Economy

Concerns about China's economy have made headlines in recent weeks, as the country's interbank and money market interest rates soared to record highs last month. The spike in rates along with weakening economic data has fueled investors' anxiety about the safety of China's banking system and the sustainability of the country's economic growth.

A tightening in liquidity, along with an apparently deliberate move by the People's Bank of China to hold back on providing stimulus, drove overnight

repo rates to surge as high as 30% in June, essentially freezing credit markets in China. The run-up in rates was driven by a number of factors, including fears that lending activities had become overstretched, speculation in the media that China could be facing a banking crisis, as well as actions by Chinese authorities to induce monetary tightening and discipline speculators in the country's

shadow banking system. While China's central bank eventually injected liquidity into the system at the end of June and interbank lending rates have since eased, it has become evident to market participants that China's new leadership may be willing to tolerate higher interest rates and slower economic growth in pursuit of financial sector deleveraging and reform.

Last November, Xi Jinping was named head of the Communist Party in China and subsequently became President in March. Since he has taken office, Mr. Xi has indicated that he wants to revamp China's economic structure and move toward greater interest rate liberalization (allowing market forces to have a greater influence on interest rates). Also in March, Li Keqiang was elected by the Chinese Congress as Premier (China's head of government and an influential driver of economic policy).

Like Mr. Xi, Mr. Li has vowed to reduce the government's role in the economy and supports private enterprise and fiscal reform. These recent changes in leadership seem to be shifting the trajectory of the Chinese economy to some degree. Policymakers appear willing to accept short-term pain for longer-term gains.

Over the past decade, China's economic growth had been fueled by a number of factors including massive state spending, strong export growth (supported by low-cost labor), a burgeoning real

estate market and easy access to credit. However, it appears that these factors are now decelerating.

In 2012, China's GDP grew

by 7.8%. It was the first

China's new leadership may be willing to tolerate higher interest rates and slower economic growth in pursuit of financial

time growth had come in below 8% in more than a decade. For the second quarter of 2013, economists are forecasting GDP growth of roughly 7.6%, a deceleration from first quarter growth of 7.7%

(which was below expectations of 8%). Growth is expected to decelerate further in the third quarter to 7.4%, according to Bloomberg. While GDP growth of more than 7% may seem strong when compared to GDP growth of roughly 2% in the U.S., it represents a slowdown for China.

The deceleration in China's economy has been reflected in the recent decline in the country's closely watched purchasing managers' indices as well as the recent weakening in Chinese trade data. Manufacturing investment has declined, as evidenced by the drop in China's HSBC PMI for June to 48.2 (the lowest reading since November 2011). A reading below 50 is indicative of a contraction in factory activity. China's official PMI was 50.1 in June, a decline from 50.8 in May, pointing to lack-luster manufacturing growth.

and reform.

Slowing Growth In China And What It Means For The Global Economy (CONTINUED)

Meanwhile, Chinese exports declined 3.1% in June on a year-over-year basis compared to 1% yearover-year growth in May. In addition, Chinese imports fell 0.7% in June, reflecting weaker demand. Sluggish global economic growth, including an ongoing recession in Europe, has put pressure on China's exports, which has negatively impacted China's manufacturing sector and contributed to the country's overall slowdown.

We believe the most immediate risks related to China's slowdown are to commodity prices (where we have already seen significant volatility) and to

second quarter corporate 2013 forecasts) for companies that generate a signifiportion of revenues in China and/or companies that have been counting on China to be their growth-driver. believe the slowdown in China also has the potential

to spill over to other economies, especially in countries like Australia, South Korea, Taiwan, Indonesia, Japan, and Singapore. Europe, which is already struggling, is also likely to feel additional pain from China's slowdown. In terms of the U.S. economy, the fact that China's policymakers seem to be backing away from providing stimulus at the same time the U.S. Federal Reserve is mapping out its own exit from stimulus does, in our view, add risk to the sustainability of our economic recovery.

We believe speculation in the media about a potential banking crisis in China may be overblown. The difference between what happened in the U.S. during the financial crisis and the trouble that appears to be brewing in China is that all big Chinese banks are owned, or are at least partially controlled, by the government.

believe it is unlikely that Chinese authorities would allow a systemically important bank to fail. Nevertheless, Chinese policymakers have signaled less willingness to provide ongoing stimulus, and any risk to the financial stability of China's banks is a headwind for economic growth in our opinion.

This week, the International Monetary Fund lowered its growth forecast for the global economy to 3.1% in 2013 from its previous forecast of 3.3%. The IMF cited slower growth in developing economies such as China, as well as a deepening recession in the Eurozone, as reasons for the downward

> revision. The IMF cut its growth forecast for China to 7.7% in 2013 from its previous forecast of 8.3%. The downward revision to the IMF's growth forecast for the U.S. was less severe. down just 0.2 percentage points to 1.7%.

earnings (and second half We believe the structural changes taking place in China will be a headwind to the global economy over the near term.

> Overall, we believe structural changes taking place in China will be a headwind to the global economy over the near term. However, we believe the country's new leadership regime is focused on putting China on a longer-term path to stability and consumer-led (rather than government-led) economic growth.

AGENDA DATE: September 10, 2013

TITLE: ADOPT RESOLUTION NO. 2013-68 APPROVING THE

RELOCATION PLAN FOR ELIGIBLE OCCUPANTS OF A SINGLE FAMILY RESIDENCE LOCATED AT 13597 NASON STREET (APN 487-470-017) FOR THE NASON STREET FROM CACTUS AVENUE TO FIR AVENUE STREET IMPROVEMENT PROJECT –

PROJECT NO. 801 0001 70 77

RECOMMENDED ACTION

Recommendation:

 Adopt Resolution No. 2013-68 approving the Relocation Plan for eligible occupants of a single family residence located at 13597 Nason Street (APN: 487-470-017). Resolution No. 2013-68, a Resolution of the City Council of the City of Moreno Valley, California, Approving the Relocation Plan for Eligible Occupants of a single family residence located at 13597 Nason Street (APN 487-470-017) for the Nason Street from Cactus Avenue to Fir Avenue Street Improvement Project – Project No. 801 0001 70 77.

BACKGROUND

The Nason Street from Cactus Avenue to Fir Avenue Street Improvement project (Project) will result in a total of four (4) full lanes of street improvements on Nason Street between Cactus Avenue and Fir Avenue. In order to construct the necessary improvements, right of way (ROW) acquisition is required from several parcels. A single-family residence (SFR) is situated on one of these parcels (APN: 487-470-017), located at 13597 Nason Street.

DISCUSSION

The proposed Project requires the acquisition and demolition of one SFR, which consequently results in the permanent relocation of one tenant-occupied household. For this particular parcel, only the necessary right of way for the street widening will be acquired. The City is not seeking acquisition of the whole property.

One tenant-occupied household will be relocated as part of the Project. The proposed displacement triggers relocation assistance obligations under State Relocation Law and the State Relocation Guidelines. The relocation assistance obligations require a Relocation Plan (Plan) addressing the circumstances and needs of those persons potentially displaced by the project and a mandatory 30 day review of the Plan by the impacted parties.

Overland, Pacific & Cutler, Inc. (OPC), real property consultants for the project, has met with the occupants of the subject SFR and prepared the Plan (Attachment 3). The 30 day public review period has expired and no public comment was submitted. Based on the Plan, the estimated cost to relocate the occupants is \$63,060 (including 20% contingency).

ALTERNATIVES

- 1. Adopt the proposed Resolution approving the Relocation Plan for eligible occupants of the SFR located at 13597 Nason Street (APN 487-470-017). This alternative will allow the City to begin negotiations to acquire right of way needed for construction of this essential project.
- 2. Do not adopt the proposed Resolution approving the Relocation Plan for eligible occupants of the SFR located at 13597 Nason Street (APN 487-470-017). This alternative will not allow the City to begin negotiations to acquire right of way and will delay construction of this essential project.

FISCAL IMPACT

Funding for the proposed ROW acquisition is included in the current Fiscal Year 2013/2014 budget. The design and construction of the project is funded with the proceeds from the California Communities Gas Tax Revenue Certificates of Participation (COPS), Series 2011B (TRIP – Total Road Improvement Program) in the amount of \$15 Million (overall project budget). These funds have been allocated for the Nason Street from Cactus Avenue to Fir Avenue Street Improvement project and cannot be utilized for operational activities. There is no impact on the City's General Fund.

CITY COUNCIL GOALS

Public Safety:

Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

Public Facilities and Capital Projects:

Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

Positive Environment:

Create a positive environment for the development of Moreno Valley's future.

NOTIFICATION

The Plan was provided to the occupants of the subject property at least 30 days prior to the presentation of this report. The City's real property consultant, OPC, also met in person with the occupants of the subject property to fully explain the Plan.

Introduction

The City of Moreno Valley (the "City") has authorized the preparation of a Relocation Plan to be undertaken in connection with the commencement of the proposed street improvements necessary to widen Nason Street from Cactus Avenue to Fir Avenue in Moreno Valley. The proposed Nason Street Widening Project ("Project") requires the acquisition of necessary right of way to widen Nason Street from Cactus Avenue to Fir Avenue. This area on Nason Street from Cactus Avenue to Fir Avenue is an existing two to four lane road that would be improved into a four to six lane road though pavement widening, curb, gutter and median construction/reconstruction, traffic signal upgrades, storm drainage modifications, undergrounding of utility lines, installation/modification of water facilities, sidewalk, and bicycle lanes, side street intersection improvements, and American with Disabilities Act (ADA) ramp and bus bay construction. The improvement would require new right of way acquisition of vacant and improved land.

The currently proposed phase of the Project requires a partial acquisition which impacts a single-family dwelling along Nason Street in City of Moreno Valley jurisdiction. The proposed Project would involve the acquisition and demolition of one single-family residence (SFR) and permanent relocation of one household to accommodate the actions of the proposed Project.

The needs and characteristics of the displacee population, available relocation resources and the City's program to provide assistance to each affected person are general subjects of this Relocation Plan (Plan). This Plan conforms to the requirements of the California Relocation Assistance Law, Government Code §7260, et seq. (Law), the Relocation Assistance and Real Property Acquisition Guidelines adopted by the Department of Housing and Community Development and Title 25, California Code of Regulations §6000, et seq. (Guidelines).

This Plan is organized in five sections:

- 1. Project description (**SECTION I**);
- 2. Assessment of the relocation needs of persons subject to displacement (**SECTION II**);
- 3. Assessment of available replacement housing units within the City of Moreno Valley and surrounding communities (**SECTION III**);
- 4. Description of the City's relocation program (**SECTION IV**);
- 5. Description of the City's outreach efforts, Project timeline and budget (**SECTION V**).

I. Project Description

A. Regional Location

The Project is located in the City of Moreno Valley in Riverside County. Moreno Valley is located approximately 60 miles east of the City of Los Angeles and is easily accessible by SR-60 and Interstate 215 (I-215). Adjacent communities include Riverside, Loma Linda, Beaumont, Yucaipa, Redlands, Grand Terrace, and Perris. (See Figure 1: Regional Project Location)

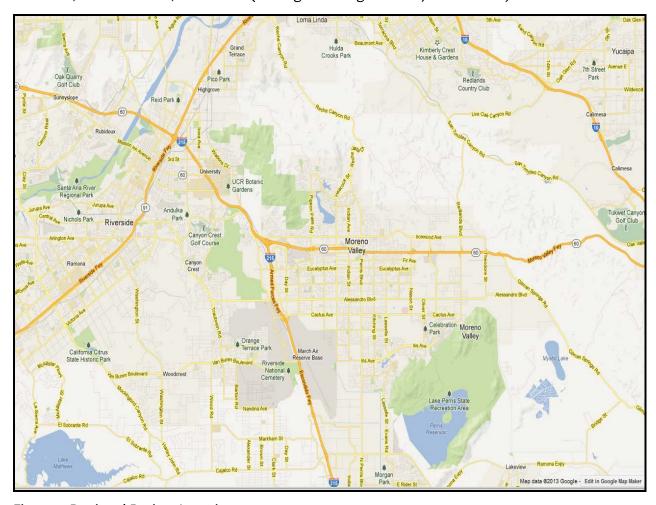

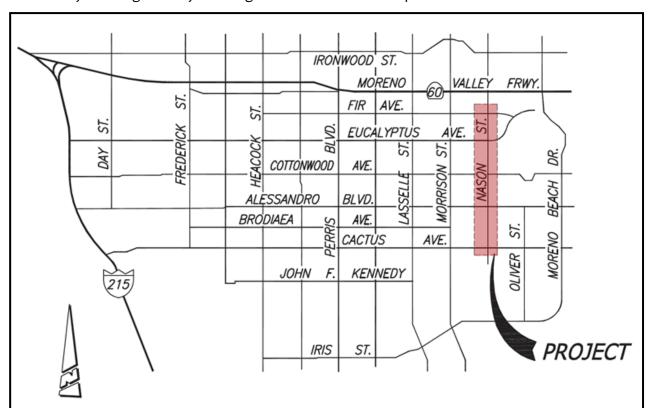

Figure 1: Regional Project Location

The Project site consists of the entire width of Nason Street from Cactus Avenue to Fir Avenue. (See Figure 2: Project Site Location and Description). The Project area of construction is approximately 28 acres.

Due to the nature of the proposed improvements and the impact on the subject property, there will be only one single-family dwelling that will need to be acquired.

B. General Demographic and Housing Characteristics

According to the 2010 U.S. Census, the population of the City of Moreno Valley is 193,365, and the population of the impacted Census Tract 426.22 is 4,107 (see **Table 1**.). Corresponding Census data concerning the housing mix is shown in **Table 2**.

II. Assessment of Relocation Needs

A. Survey Method

To obtain information necessary for the preparation of this Plan, a personal interview with the residents to be permanently displaced was conducted in April 2013. The interviewer was successful in obtaining survey responses from the one occupied household in the Project area that is to be displaced. The data in this section of the Plan are based solely on the unsubstantiated responses of those individuals who participated in the survey.

Inquiries made of the residential occupants concerned household size and composition, income, rent and mortgage payments, length of occupancy, ethnicity, home language, physical disabilities, and replacement housing preferences. A sample of the residential interview form used in the interview process is presented as **Exhibit A** of this report.

B. Field Survey Data

1. Current Occupants

There is one residential household that will be relocated as part of the Project. At the time of the interview, based on data known for the one household to be displaced, there was one adult and three children (17 years or younger) onsite to be permanently displaced.

The project occupants reside in a SFR. Among the individual households to be displaced, there is one tenant-occupied household. The commonly accepted standard for housing density allows two persons per bedroom and one person in the common living area. Based on this criterion and available tenant data, there are no overcrowded units among the tenant-occupied households.

2. Replacement Housing Needs

Replacement housing needs, as expressed in this plan, are defined by the total number of required replacement units and distribution of those units by bedroom size. The projected number of required units by bedroom size is calculated by comparing survey data for household size with typical replacement housing occupancy standards. These standards, generally, allow for up to three persons in a one-bedroom unit, five persons in a two-bedroom unit, seven persons in a three-bedroom unit and nine or more persons in a four-bedroom unit.

Replacement units required for the displaced Project occupants include one three-bedroom SFR for rent.

3. Income

Income information was provided by the only tenant household. According to income standards for the County of Riverside (**Exhibit B**) adjusted for family size as published by the United States Department of Housing and Urban Development (HUD), the household qualifies as Very Low Income (39% of area median income).

4. Ethnicity/Language

Based on information from the single household who participated in the survey, the ethnicity stated was as Hispanic for the one household and the household reported English as their preferred language.

5. Senior/Handicapped Households

There are no known households identified with a senior head of household or spouse (62 years or older) in the Project. It was reported that a female child living in the household is a child with special needs that are due to behavioral issues.

6. Preferred Relocation Areas

The single household indicated that they preferred to remain within Riverside County in order to maintain current access to employment, schools, and family.

III. Relocation Resources

A. Methodology

For residential housing, a resource survey was initially conducted to identify available homes for rent and for sale within a ten-mile radius from the Project site and then expanding throughout the Moreno Valley area. The following source was utilized:

 Internet sources for rental and purchase opportunities, including the Multiple Listing Service.

B. Replacement Housing Availability

1. Residential Rental Housing

The rental replacement housing survey considered SFRs for rent in Moreno Valley. This data is summarized in **Table 3** below. The individual figures for number of units found by bedroom size are presented in the table alongside the number of units needed (shown in parentheses) to meet the re-housing obligations.

Table 3: Availability and Cost of Replacement Rental Housing

Bedroom Size	Three
# Found (# Needed)	74 (1)
Rent Range	\$995 - \$2,300
Median Rent	\$1,647.50

The median rent amount shown in the table is among the figures used to make benefit and budget projections for the Plan. This amount is, naturally, subject to change according to the market rates prevailing at the time of displacement.

2. Summary

Considering the above described availability of replacement housing resources gathered in April 2013, there are adequate replacement resources for the residential occupants.

Based on survey results of rental opportunities and the tenants' current rent, the tenant occupants will likely not have an increase in monthly rent. However, possible increases, if any, will be met through the Agency's obligation under the relocation regulations, including Last Resort Housing (LHR) requirements. (See Section IV.E, Last Resort Housing).

C. Related Issues

Concurrent Residential Displacement

At this time, there are no other current public projects causing significant displacements underway in the City of Moreno Valley or adjacent communities which would compete with the Project for needed housing resources. The funding source is California Communities Gas Tax

Revenue Certificates of Participation (COPS), Series 2011B (Total Road Improvement Program [TRIP]). As shown in Tables 3 and 4, there are adequate resources available for replacement sites. No residential displacee will be required to move without both adequate notice and access to available affordable decent, safe and sanitary housing.

2. Temporary Housing

No need for temporary housing is anticipated.

IV. The Relocation Program

The City's Relocation Program is designed to minimize hardship, be responsive to unique project circumstances, emphasize maintaining personal contact with all affected individuals, consistently apply all regulatory criteria to formulate eligibility and benefit determinations and conform to all applicable requirements.

The City has retained Overland, Pacific & Cutler, Inc. ("OPC") to administer the Relocation Program. OPC has worked on more than 3,000 public acquisition and relocation projects over the past 32 years. Additionally, OPC has an extensive resume of redevelopment and public works projects undertaken in the City of Moreno Valley and other Southern California communities. Experienced City staff will monitor the performance of OPC and be responsible to approve or disapprove OPC recommendations concerning eligibility and benefit determinations and interpretations of the City's policy.

The Relocation Program consists of two principal constituents: Advisory Assistance and Financial Assistance.

A. Advisory Assistance

Individuals who will need to move from existing homes will receive advisory assistance. Advisory assistance services are intended to:

- inform displacees about the relocation program
- help in the process of finding appropriate replacement accommodations
- facilitate claims processing
- maintain a communication link with the City
- coordinate the involvement of outside service providers

To follow through on the advisory assistance component of the relocation program and assure that the City meets its obligations under the law, relocation staff will perform the following functions:

- 1. Distribute appropriate written information concerning the City's relocation program;
- 2. Inform eligible project occupants of the nature of, and procedures for, obtaining available relocation assistance and benefits (see **Exhibit C**);
- 3. Determine the needs of each residential displacee eligible for assistance;
- 4. Provide residential displacees with at least three referrals to comparable replacement housing within a reasonable time prior to displacement;
- 5. Maintain an updated database of available housing resources, and distribute referral information to displacees for the duration of the Project;
- 6. Provide transportation to residential displacees, if necessary, to inspect replacement sites within the local area:

- 7. Offer special assistance to help elderly or disabled displacees find housing near friends, relatives, medical facilities, services and convenient transportation;
- 8. Provide continuously updated referrals to potential replacement sites within a reasonable time prior to displacement,
- 9. Supply information concerning federal and state programs and other governmental programs providing assistance to displaced persons;
- 10. Assist each eligible displacee in the preparation and submission of relocation assistance claims;
- 11. Provide additional reasonable services necessary to successfully relocate occupants;
- 12. Make benefit determinations and payments in accordance with applicable law and the City's adopted relocation guidelines;
- 13. Assure that no occupant is required to move without a minimum of 90 days written notice to vacate. This notice could be part of, separate from, or be an Order for Immediate Possession issued from the Court;
- 14. Inform all persons, subject to displacement, of the City's policies with regard to eviction and property management;
- 15. Establish and maintain a formal grievance procedure for use by displaced persons seeking administrative review of the City's decision with respect to relocation assistance; and,
- 16. Provide assistance that does not result in different or separate treatment due to race, color, religion, national origin, sex, marital status or other arbitrary circumstances.

B. Relocation Benefits

Specific eligibility requirements and benefit plans will be detailed on an individual basis with all displacees. In the course of personal interviews and follow-up visits, each displacee will be counseled as to available options and the consequences of any choice with respect to financial assistance.

Relocation benefits will be paid to eligible displacees upon submission of required claim forms and documentation in accordance with the City's administrative procedures. The City may process advance payment requests from determined eligibility amounts to mitigate hardships for residential occupants who do not have access to sufficient funds to initially secure replacement housing such as paying an escrow deposit or first month's rent and security deposit. Approved requests will be processed expeditiously to help avoid the loss of desirable, appropriate replacement housing.

1. Residential Moving Expense Payments

All residential occupants to be relocated will be eligible to receive a payment for moving expenses. Moving expense payments will be made based upon the actual cost of a professional move or a fixed payment based on a room-count schedule.

a. Actual Cost (Professional Move)

The displacee may elect to retain the services of a licensed professional mover, in which case the City will pay the actual cost of moving services, based on the lower of at least two (2) acceptable bids. (The City may, at its discretion, solicit competitive bids to determine the lowest, reasonable move cost.) After the move is complete, the displacee may request a direct payment from the City to the mover.

b. Fixed Payment (based on Room Count Schedule)

The displacee may, while taking full responsibility for the move, elect to receive a fixed payment for moving expenses based on a room count in the displacement dwelling. The fixed payment is a one-time, all inclusive allowance that does not require back-up documentation. The current schedule for fixed payments is set forth in **Table 4**:

2. Rental Assistance to Tenants Who Choose to Rent

A tenant displaced from a dwelling may be entitled to a Replacement Housing Payment in the form of rental or downpayment assistance not-to-exceed \$5,250 (prior to consideration of eligibility for Last Resort Housing benefits – see Section IV.E, Last Resort Housing), if the displacee:

- 1. Has actually and lawfully occupied the displacement dwelling for at least 90 days immediately prior to the initiation of negotiations; and
- 2. Has rented, or purchased, and occupied a decent, safe, and sanitary replacement dwelling within one year (unless the Agency extends this period for good cause) after the date he or she moves from the displacement dwelling.

Rental Assistance payment amounts are equal to 42 times the difference between the base monthly rent and the lesser of:

- 1. The monthly rent and estimated average monthly cost of utilities for a comparable replacement dwelling; or
- 2. The monthly rent and estimated average monthly cost of utilities for the decent, safe and sanitary replacement dwelling actually occupied by displaced person.

The base monthly rent for the displacement dwelling is the lesser of:

- The average monthly cost for rent and utilities at the displacement dwelling 90 days prior to the offer on the property. For owner-occupants or households, which pay no rent, Fair Market Rent will be used as a substitute for actual rent; or
- 2. Thirty percent (30%) of the displaced person's average, monthly, adjusted gross household income. If a displacee refuses to provide appropriate evidence of income or is a dependent, the base monthly rent shall be determined to be the average monthly cost for rent and utilities at the displacement dwelling; or
- 3. The total of the amount designated for shelter and utilities if receiving a welfare assistance payment from a program that designated the amounts for shelter and utilities.

Table 5 illustrates the computation of a rental/downpayment assistance payment.

7. Yields Monthly Need	\$100	Subtract line 3 from line 6	
8. Rental Assistance Payment	\$4,200	Multiply line 7 by 42 months	

^{*}Gross income means the total amount of annual income of a household less the following: (1) a deduction for each dependent in excess of three; (2) a deduction of 10% of total income for the elderly or disabled head of household; (3) a deduction for recurring extraordinary medical expenses defined for this purpose to mean medical expenses in excess of 3% of total income, where not compensated for, or covered by insurance or other sources; (4) a deduction of reasonable amounts paid for the care of children or sick or incapacitate family members when determined to be necessary to employment of head of household or spouse, except that the amount shall not exceed the amount of income received by the person who would not otherwise be able to seek employment in the absence of such care.

3. Downpayment Assistance to Tenants Who Choose to Purchase

Displacees otherwise eligible to receive a Rental Assistance payment as previously described, may choose to utilize the full amount of their rental assistance eligibility amount (including Last Resort benefit) to purchase a home. Such payments shall be deposited directly into an escrow account with provisions that allow the Agency to recover its funds should the escrow be cancelled or not proceed in a timely manner. These funds can be used as a downpayment and/or to pay for eligible non-recurring closing costs.

4. Payment to Non-Tenured Residential Tenants

A residential tenant who has actually and lawfully occupied the displacement dwelling for less than 90 days immediately prior to the initiation of negotiations is entitled to receive a moving expense payment. Additionally, non-tenured residential tenants may qualify for a rental assistance payment under the provisions of Last Resort Housing assistance (see Section IV.E, Last Resort Housing). Such assistance is authorized when comparable replacement housing is not available at rental rates within the tenant's financial means (30% of gross monthly household income). Last Resort Housing assistance to non-tenured households is based solely on income.

C. Determination of Comparable Housing

Relocation staff will evaluate the cost of comparable replacement housing in the preparation of each individual Notice of Eligibility issued to residential displacees. For residential tenant occupants, the cost of comparable replacement housing will be determined by the comparative method.

D. General Information Regarding the Payment of Relocation Benefits

Claims and supporting documentation for relocation benefits must be filed with the City no later than 18 months after the date of displacement. The procedure for the preparation and filing of claims, and the processing and delivery of payments, will be as follows:

- 1. Claimant(s) will provide all necessary documentation to substantiate eligibility for assistance;
- 2. Relocation staff will review all necessary documentation including, but not limited to, income verification, lease documents and escrow material before reaching a determination as to which expenses are eligible for compensation;
- 3. Required claims forms will be prepared by relocation staff and presented to the claimant for review. Signed claims and supporting documentation will be returned to relocation staff and submitted to the City;
- 4. The City will review and approve claims for payment, or request additional information;
- 5. The City will issue benefit checks to claimants in the most secure, expeditious manner possible;

- 6. Final payments to residential displacees will be issued after confirmation that the Project premises have been completely vacated and actual residency at the replacement unit is verified;
- 7. Receipts of payment and all claims materials will be maintained in the relocation case file.

E. Last Resort Housing

Specifically, for renters, when the computed replacement housing assistance eligibility exceeds \$5,250 or replacement dwelling monthly rental costs (including utilities and other reasonable recurring expenses) exceeds 30% of the person's average monthly income, Last Resort Housing will have to be provided.

Therefore, if the Project is to go forward, the City will authorize its funds or funds authorized for the Project to provide housing of last resort. Funds will be used to make payments in excess of the monetary limit specified in the statute (\$5,250); hence, satisfying the requirement that "comparable replacement housing" is available.

A displaced tenant household will be entitled to consideration for supplementary benefits in the form of Last Resort Housing assistance when the computed replacement housing assistance eligibility exceeds \$5,250 or replacement dwelling monthly rental costs (including utilities and other reasonable recurring expenses) exceed 30% of the person's average monthly income (financial means) or when a tenant fails to meet the 90-day occupancy requirement and comparable replacement rental housing is not available within the displaced person's financial means. Calculations of Last Resort rental assistance benefits for tenants who fail to meet the 90-day occupancy requirement will be based solely on household income. Non 90-day qualifiers must meet basic eligibility requirements applied to all other displacees.

The City may pay Last Resort Housing payments in installments or a lump sum. Recipients of Last Resort rental assistance, who intend to purchase rather than re-rent replacement housing, will have the right to request a lump sum payment of all benefits in the form of downpayment assistance.

F. Relocation Tax Consequences

California Government Code Section 7269 indicates no relocation payment received shall be considered as income for the purposes of the Personal Income Tax Law, Part 10 (commencing with Section 170 o1) of Division 2 of the Revenue and Taxation Code, or the Bank and Corporation Tax law, Part 11 (commencing with Section 23001) of Division 2 of the Revenue and Taxation Code. Furthermore, federal regulations (49 CFR Part 24, Section 24.209) also indicate that no payment received under this part (Part 24) shall be considered as income for the purpose of the Internal Revenue Code of 1954, which has been redesignated as the Internal Revenue Code of 1986. No federal dollars are anticipated for this project. Therefore, federal regulations may not apply and the Internal Revenue Service (IRS) may consider relocation payments as income. The preceding statement is not tendered as legal advice in regard to tax consequences, and displacees should consult with their own tax advisor or legal counsel to determine the current status of such payments.

(IRS Circular 230 disclosure: To ensure compliance with requirements imposed by the IRS, we inform you that any tax advice contained in this communication (including any attachments) was not intended or written to be used, and cannot be used, for the purpose of (i) avoiding tax-related penalties under the Internal Revenue Code or (ii) promoting marketing or recommending to another party any matters addressed herein)

V. Administrative Provisions

A. Notices

Each notice, which the City is required to provide to a Project occupant, shall be personally delivered or sent certified or registered first-class mail, return receipt requested and documented in the case file. Each notice will be written in plain, understandable language. Each notice will indicate the name and telephone number of a person who may be contacted for answers to questions and other needed help.

There are three principal notices:

- 1. the Information Statement
- 2. the Notice of Relocation Eligibility, and
- 3. the 90-Day Vacate Notice.

The Informational Statement is intended to provide potential relocatees with a general written description of the City's relocation program and basic information concerning benefits, conditions of eligibility, noticing requirements and appeal rights. (See **Exhibit C**)

A Notice of Relocation Eligibility (NOE) will be distributed to each residential relocatee. The NOE to residential relocatees contains a determination of eligibility for relocation assistance and a computation of a maximum entitlement based on information provided by the affected household and the analysis of comparable replacement properties undertaken by the relocation staff.

No lawful occupant will be required to move without having received at least 90 days advance written notice of the earliest date by which the move will be necessary. The 90-Day Vacate Notice will state a specific date as the earliest date by which the occupant may be required to move or state that the occupant will receive a further notice indicating, at least 60 days in advance, the specific date of the required move. The 90-Day Vacate Notice will not be issued to any residential displacee before a comparable replacement dwelling has been made available.

In addition to the three principal notices, relocation staff will issue timely written notification in the form of a Reminder Notice, which discusses the possible loss of rights and sets the expiration date for the loss of benefits to those persons who:

- 1. are eligible for monetary benefits
- 2. have moved from the acquired property, and
- 3. have not filed a claim for benefits.

Reminder Notices will be issued periodically throughout the qualification period. An attempt shall be made to make written contact with all non-responsive relocatees no later than within the last six months prior to the filing expiration date.

B. Privacy of Records

All information obtained from displacees is considered confidential and will not be shared without consent of the displacee or the City or as a requirement of a specific Public Records Request in accordance with State law. Relocation staff will comply with federal regulations concerning safeguarding of relocation files and their contents.

C. Grievance Procedures

The City's grievance policy will follow the standards described in Article 5 Section 6150, et seq. of the State guidelines. Briefly stated, displacees will have the right to ask for administrative review when they believe themselves aggrieved by a determination as to eligibility, the amount of payment, the failure to provide comparable replacement housing referrals or the City's property management practices.

Requests for review will be directed first to the Director of Public Works or an authorized designee of the City and subsequently to a formal Relocation Appeals Board, at the election of the appellant complainant. Details concerning the entire appeals process will be provided upon request.

D. Eviction Policy

The City recognizes that eviction is permissible only as a last resort, and that relocation records must be documented to reflect the specific circumstances surrounding any eviction. Eviction will only take place in cases of nonpayment of rent, serious violation of the rental agreement, a dangerous or illegal act in the unit, of if the household refuses all reasonable offers of alternate accommodation. In the event of an eviction for cause, the household may forfeit their eligibility for relocation benefits.

E. Citizen Participation

A community meeting regarding this Project phase was held on June 27, 2012 at the local high school that fronts Nason Street in the proposed Project area. As the process for considering the Project moves forward, the City will observe the following protocol:

- 1. Provide affected tenants with full and timely access to documents relevant to the relocation program;
- 2. Encourage meaningful participation in reviewing the Relocation Plan and monitoring the relocation assistance program;
- 3. Provide technical assistance necessary to interpret elements of the Relocation Plan and other pertinent materials;
- 4. Issue a general notice concerning the availability of the Plan for public review, as required, 30 days prior to its proposed approval; and
- 5. Include written or oral comments concerning the Plan as an attachment (**Exhibit D**) when it is forwarded to the City Council for approval.

F. Projected Date of Displacement

The City anticipates that a date specific Notice to Vacate will not be issued prior to **October 2013.** No resident will be required to vacate without a minimum of 90 days' notice. However, a resident may choose to vacate prior to a vacate notice being issued, once they have received their Notice of Eligibility, and be assured they will receive any replacement housing assistance and moving assistance to which they may be entitled.

G. Estimated Relocation Costs

The total budget estimate for relocation-related payments for this Project, including a 10 percent contingency, is \$63,060.

The Estimated relocation budget does not include any payments related to property acquisition. In addition, the budget does not consider the cost of any services necessary to implement the Plan and complete the relocation element of the Project.

If the Project is to be implemented, and circumstances arise that should change either the number of displaced occupants, or the nature of their activity, the City will authorize any additional compensable funds that may need to be appropriated. The City pledges to appropriate, on a timely basis, the funds necessary to ensure the successful completion of the Project, including funds necessary for Last Resort Housing as indicated in Section IV.E, of this Plan to meet its obligation under the relocation regulations.

Informational Statement for Families and Individuals

(CA State)

1. GENERAL INFORMATION

The dwelling in which you now live is in a project area to be improved by, or financed through, the Displacing Agency using state and/or local funds. If and when the project proceeds, and it is necessary for you to move from your dwelling, you may be eligible for certain benefits. You will be notified in a timely manner as to the date by which you must move. Please read this information, as it will be helpful to you in determining your eligibility and the amount of the relocation benefits you may receive under the state law. You will need to provide adequate and timely information to determine your relocation benefits. The information is voluntary, but if you don't provide it, you may not receive the benefits or it may take longer to pay you. We suggest you save this informational statement for reference.

The Displacing Agency has retained the professional firm of **Overland**, **Pacific & Cutler**, **Inc. (OPC)** to provide relocation assistance to you. The firm is available to explain the program and benefits. Their address and telephone number is listed on the cover.

PLEASE DO NOT MOVE PREMATURELY. THIS IS NOT A NOTICE TO VACATE YOUR DWELLING. However, if you desire to move sooner than required, you must contact your agent at Overland, Pacific & Cutler, Inc., so you will not jeopardize any benefits. This is a general informational brochure only, and is not intended to give a detailed description of either the law or regulations pertaining to the Displacing Agency's relocation assistance program.

Please continue to pay your rent to your current landlord, otherwise you may be evicted and jeopardize the relocation benefits to which you may be entitled to receive. Once the Displacing Agency acquires the property, you will also be required to pay rent to the Displacing Agency.

2. ASSISTANCE IN LOCATING A REPLACEMENT DWELLING

The Displacing Agency, through its representatives, will assist you in locating a comparable replacement dwelling by providing referrals to appropriate and available housing units. You are encouraged to actively seek such housing yourself.

When a suitable replacement dwelling unit has been found, your relocation agent will carry out an inspection and advise you as to whether the dwelling unit meets decent, safe and sanitary housing requirements. A decent, safe and sanitary housing unit provides adequate space for its occupants, proper weatherproofing and sound heating, electrical and plumbing systems. Your new dwelling must pass inspection before relocation assistance payments can be authorized.

3. MOVING BENEFITS

If you must move as a result of displacement by the Displacing Agency, you will receive a payment to assist in moving your personal property. The actual, reasonable and necessary expenses for moving your household belongings may be determined based on the following methods:

- A <u>Fixed Moving Payment</u> based on the number of rooms you occupy (see below); or
- A payment for your <u>Actual Reasonable Moving and Related Expenses</u> based on at least two written estimates and receipted bills; or
- A combination of both (in some cases).

For example, you may choose a Self-Move, receiving a payment based on the Fixed Residential Moving Cost Schedule shown below, plus contract with a professional mover to transport your grand piano and /or other items that require special handling. In this case, there may be an adjustment in the number of rooms which qualify under the Fixed Residential Moving Cost Schedule.

A. Fixed Moving Payment (Self-Move)

A Fixed Moving Payment is based upon the number of rooms you occupy and whether or not you own your own furniture. The payment is based upon a schedule approved by the Displacing Agency, and ranges, for example, from \$450.00 for one furnished room to \$2,365.00 for eight rooms in an unfurnished dwelling. (For details see the table). Your relocation agent will inform you of the amount you are eligible to receive, if you choose this type of payment.

If you select a fixed payment, you will be responsible for arranging for your own move, and the Displacing Agency will assume no liability for any loss or damage of your personal property. A fixed payment also includes utility hook-ups and other related moving fees.

Fixed Moving Schedule						
CALIFORNIA (Effective 2012)						
Occupant Owns Furniture:						
1 room	\$685					
2 rooms	\$880					
3 rooms \$	\$1,100					
4 rooms	\$1,295					
5 rooms \$	\$1,570					
6 rooms \$	\$1,815					
7 rooms	\$2,090					
8 rooms \$	\$2,365					
Each additional room	\$250					
Occupant does NOT Own						
Furniture:						
1 room	\$450					
Each additional room	\$85					

B. Actual Moving Expense (Professional Move)

If you wish to engage the services of a licensed commercial mover and have the Displacing Agency pay the bill, you may claim the ACTUAL cost of moving your personal property up to 50 miles. Your relocation agent will inform you of the number of competitive moving bids (if any) which may be required, and assist you in developing a "mover" scope of services for Displacing Agency approval.

4. REPLACEMENT HOUSING PAYMENT - TENANTS AND CERTAIN OTHERS

You may be eligible for a payment of up to \$5,250.00 to assist you in renting or purchasing a comparable replacement dwelling. In order to qualify, you must either be a tenant who has occupied the present dwelling for at least 90 days prior to the initiation of negotiations or an owner who has occupied the present dwelling between 90 and 180 days prior to the initiation of negotiations.

A. **Rental Assistance**. If you qualify, and **wish to rent** your replacement dwelling, your maximum rental assistance benefits will be based upon the difference over a forty-two (42) month period between the rent you must pay for a comparable replacement dwelling and the lesser of your current rent and estimated utilities or thirty percent (30%) of your gross monthly household income. You will be required to provide your relocation agent with monthly rent and household income verification prior to the determination of your eligibility for this payment.

B. **Down-payment Assistance.** If you qualify, and **wish to purchase** a home as a replacement dwelling, you can apply up to the total amount of your rental assistance payment towards the down-payment and non-recurring incidental expenses. Your relocation agent will clarify procedures necessary to apply for this payment.

Where a tenant is sharing a dwelling with an owner-occupant and paying the owner-occupant rent for the privilege, the tenant shall not be entitled to more than one-half of the rental assistance otherwise payable.

5. SECTION 8 TENANTS

When you do move, you may be eligible to transfer your Section 8 eligibility to a replacement site. In such cases, a comparable replacement dwelling will be determined based on your family composition at the time of displacement and the current housing program criteria. This may not be the size of the unit you currently occupy. Your relocation agent will provide counseling and other advisory services along with moving benefits.

6. REPLACEMENT HOUSING PAYMENT - HOMEOWNERS

- A. If you own and occupy a dwelling to be purchased by the Displacing Agency for **at least 180 days** prior to the initiation of negotiations, you may be eligible to receive a payment of up to \$22,500.00 to assist you in purchasing a comparable replacement unit. This payment is intended to cover the following items:
 - 1. **Purchase Price Differential** An amount which, when added to the amount for which the Displacing Agency purchased your property, equals the lesser of the actual cost of your replacement dwelling; **or** the amount determined by the Displacing Agency as necessary to purchase a comparable replacement dwelling. Your relocation agent will explain both methods to you.
 - 2. **Mortgage Interest Differential** The amount which covers the increased interest costs, if any, required to finance a replacement dwelling. Your relocation agent will explain limiting conditions.
 - 3. **Incidental Expenses** Those one time incidental costs related to purchasing a replacement unit, such as escrow fees, recording fees, and credit report fees. Recurring expenses such as prepaid taxes and insurance premiums are not compensable.
- B. **Rental Assistance Option** If you are an owner-occupant and choose to rent rather than purchase a replacement dwelling, you may be eligible for a rental assistance payment of up to the amount that you could have received under the Purchase Price Differential, explained above. The payment will be based on the difference between an economic rent of the dwelling you occupy and the rent you must pay for a comparable replacement dwelling.

If you receive a rental assistance payment, as described above, and later decide to purchase a replacement dwelling, you may apply for a payment equal to the amount you would have received if you had initially purchased a comparable replacement dwelling, less the amount you have already received as a rental assistance payment.

7. QUALIFICATION FOR, AND FILING OF, RELOCATION CLAIMS

To qualify for a Replacement Housing Payment, you must rent or purchase and occupy a comparable replacement unit within one year from the following:

- For a tenant, the date you move from the displacement dwelling.
- For an owner-occupant, the latter of:
 - **a.** The date you receive final payment for the displacement dwelling, or, in the case of condemnation, the date the full amount of estimated just compensation is deposited in court,: **or**
 - **b.** The date you move from the displacement dwelling.

All claims for relocation benefits must be filed with the Displacing Agency within eighteen (18) months from the date on which you receive final payment for your property, or the date on which you move, whichever is later.

8. LAST RESORT HOUSING ASSISTANCE

If comparable replacement dwellings are not available when you are required to move, or if replacement housing is not available within the monetary limits described above, the Displacing Agency will provide Last Resort Housing assistance to enable you to rent or purchase a replacement dwelling on a timely basis. Last Resort Housing assistance is based on the individual circumstances of the displaced person. Your relocation agent will explain the process for determining whether or not you qualify for Last Resort assistance.

If you are a tenant, and you choose to purchase rather than rent a comparable replacement dwelling, the entire amount of your rental assistance and Last Resort eligibility must be applied toward the down-payment and eligible incidental expenses of the home you intend to purchase.

9. RENTAL AGREEMENT

As a result of the Displacing Agency's action to purchase the property where you live, you may become a tenant of the Displacing Agency. If this occurs, you will be asked to sign a rental agreement which will specify the monthly rent to be paid, when rent payments are due, where they are to be paid and other pertinent information.

10. EVICTIONS

Any person, who occupies the real property and is not in unlawful occupancy, is presumed to be entitled to relocation benefits. Except for the causes of eviction set forth below, no person lawfully occupying property to be purchased by the Agency will be required to move without having been provided with at least 90 days written notice from the Agency. Eviction will be undertaken only in the event of one or more of the following reasons:

- Failure to pay rent; except in those cases where the failure to pay is due to the lessor's failure to keep the premises in habitable condition, is the result of harassment or retaliatory action or is the result of discontinuation or substantial interruption of services;
- Performance of dangerous illegal act in the unit;
- Material breach of the rental agreement and failure to correct breach within the legally prescribed notice period;
- Maintenance of a nuisance and failure to abate within a reasonable time following notice;

- Refusal to accept one of a reasonable number of offers of replacement dwellings; or
- The eviction is required by State or local law and cannot be prevented by reasonable efforts on the part of the public entity.

11. APPEAL PROCEDURES - GRIEVANCE

Any person aggrieved by a determination as to eligibility for, or the amount of, a payment authorized by the Displacing Agency's Relocation Assistance Program may have the appeal application reviewed by the Displacing Agency in accordance with its appeals procedure. Complete details on appeal procedures are available upon request from the Displacing Agency.

12. TAX STATUS OF RELOCATION BENEFITS

California Government Code Section 7269 indicates no relocation payment received shall be considered as income for the purposes of the Personal Income Tax Law, Part 10 (commencing with Section 170 01) of Division 2 of the Revenue and Taxation Code, or the Bank and Corporation Tax law, Part 11 (commencing with Section 23001) of Division 2 of the Revenue and Taxation Code. Furthermore, federal regulations (49 CFR Part 24, Section 24.209) also indicate that no payment received under this part (Part 24) shall be considered as income for the purpose of the Internal Revenue Code of 1954, which has been redesignated as the Internal Revenue Code of 1986. No federal dollars are anticipated for this project. Therefore, federal regulations may not apply and the IRS may consider relocation payments as income. The preceding statement is not tendered as legal advice in regard to tax consequences, and displacees should consult with their own tax advisor or legal counsel to determine the current status of such payments.

(IRS Circular 230 disclosure: To ensure compliance with requirements imposed by the IRS, we inform you that any tax advice contained in this communication (including any attachments) was not intended or written to be used, and cannot be used, for the purpose of (i) avoiding tax-related penalties under the Internal Revenue Code or (ii) promoting marketing or recommending to another party any matters addressed herein)

13. NON-DISCRIMINATION AND FAIR HOUSING

No person shall on the grounds of race, color, national origin or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under the Displacing Agency's relocation assistance program pursuant to Title VI of the Civil Rights Act of 1964, Title VIII of the Civil Rights Act of 1968, and other applicable state and federal anti-discrimination and fair housing laws. You may file a complaint if you believe you have been subjected to discrimination. For details contact the Displacing Agency.

14. ADDITIONAL INFORMATION AND ASSISTANCE AVAILABLE

Those responsible for providing you with relocation assistance hope to assist you in every way possible to minimize the hardships involved in relocating to a new home. Your cooperation will be helpful and greatly appreciated. If you have any questions at any time during the process, please do not hesitate to contact your relocation agent at Overland, Pacific & Cutler.

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: September 10, 2013

TITLE: RIGHT OF WAY EASEMENTS (APNS 487-470-023 AND 487-470-

026) AND DRAINAGE EASEMENT (APN 487-470-023) FOR THE NASON STREET FROM CACTUS AVENUE TO FIR AVENUE

STREET IMPROVEMENT PROJECT

PROJECT NO. 801 0001 70 77

RECOMMENDED ACTION

Recommendations:

- 1. Adopt Resolution No. 2013-69 granting a roadway easement on City owned parcels fronting the west side of Nason Street between Alessandro Boulevard and Cottonwood Avenue known as Assessor Parcel Numbers 487-470-023 and 487-470-026.
- 2. Authorize the granting of roadway easements for the City owned parcels known as Assessor Parcel Numbers 487-470-023 and 487-470-026.
- Direct the City Clerk to forward the Resolution to the Mayor for execution and the roadway Easement Deeds to the Public Works Director/City Engineer for execution and to forward the documents to the County Recorder's office for recordation for Assessor Parcel Numbers 487-470-023 and 487-470-026.
- Adopt Resolution No. 2013-70 granting a drainage easement on a City owned parcel on the northwest corner of Alessandro Boulevard and Nason Street known as Assessor Parcel Number 487-470-023.
- 5. Authorize the granting of a drainage easement for the City owned parcel known as Assessor Parcel Number 487-470-023.

6. Direct the City Clerk to forward the Resolution for Assessor Parcel Number 487-470-023 to the Mayor for execution and the Drainage Easement to the Public Works Director/City Engineer for execution and to forward the documents to the County Recorder's office for recordation for Assessor Parcel Number 487-470-023.

BACKGROUND

The Nason Street Improvement Project proposes to construct improvements along Nason Street from Cactus Avenue to Fir Avenue for a 4-Lane Divided Arterial Augmented Parkway with 120-foot right of way and 86-foot roadway width. The improvements will include curb and gutter, sidewalk, street lights, drainage facilities, and undergrounding of overhead utilities. Traffic signal modifications will be constructed at intersections with existing traffic signs and a new traffic signal at Medical Center Drive will also be completed.

On November 27, 2012, the environmental document, a Mitigated Negative Declaration (MND), was approved by City Council. On December 4, 2012, the Notice of Determination for the MND was filed with the Riverside County Clerk. The project is currently in the design and right of way phases.

DISCUSSION

In order to construct the proposed Nason Street Widening improvements, right of way is required from Assessor Parcel Numbers (APNs) 487-470-023 and 487-470-026, which are owned by the City of Moreno Valley. The two parcels are located on the west side of Nason Street between Alessandro Boulevard and Cottonwood Avenue. The appropriate manner for the City to grant any easements to itself is by both resolution and easement deeds. Once the Mayor executes the resolution and the easement deeds are executed by the Public Works Director/City Engineer, the documents will be recorded with the County Recorder to memorialize the roadway easements.

A drainage easement is also required from APN 487-470-026, which, as stated earlier, is owned by the City of Moreno Valley. The proposed drainage easement is located on the northwest corner of Nason Street and Alessandro Boulevard. Similarly, a resolution and drainage easement is recommended for the City to grant the easement to itself. As such, once the Mayor executes the resolution and the easement deed is executed by the Public Works Director/City Engineer, the documents will be recorded with the County Recorder to memorialize the drainage easement.

ALTERNATIVES

1. Approve and authorize the recommended actions as presented in this Staff Report. This alternative will allow the City to acquire right of way needed for construction of this essential project.

2. Do not approve and authorize the recommended actions as presented in this Staff Report. This alternative will not allow the City to acquire right of way needed for construction of this essential project, thereby potentially causing the City to pay for the right of way in the future should the property be sold prior to the construction of the improvements.

FISCAL IMPACT

Because the City owns the property from which it requires the subject easements, there is no acquisition cost associated with the recommended actions. The design and construction of the project is funded with the proceeds from the California Communities Gas Tax Revenue Certificates of Participation (COPS), Series 2011B (TRIP – Total Road Improvement Program) in the amount of \$15 Million (overall project budget). These funds have been allocated for the Nason Street from Cactus Avenue to Fir Avenue Street Improvement project and cannot be utilized for operational activities. There is no fiscal impact to the City's General Fund.

ESTIMATED PROJECT COSTS:

Remaining Design and Design Management Costs	\$550,000
Right of Way	\$1,450,000
Utility Relocation Costs (including SCE Engineering Deposit)*	\$2,300,000
Construction and Construction Management Costs	\$10,000,000
Total Estimated Project Costs	\$14,300,000
*An additional \$850.000 of separate SCE Rule 20A funds is also estimated for U	

CITY COUNCIL GOALS

Public Safety:

Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

Public Facilities and Capital Projects:

Ensure that needed public facilities, roadway improvements, and other infrastructure improvements are constructed and maintained.

Positive Environment:

Create a positive environment for the development of Moreno Valley's future.

RESOLUTION NO. 2013-69

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, GRANTING A PUBLIC ROADWAY EASEMENT ON CITY OWNED PARCELS FRONTING THE WEST SIDE OF NASON STREET BETWEEN ALESSANDRO BOULEVARD AND COTTONWOOD AVENUE

WHEREAS, the City of Moreno Valley owns two vacant land parcels identified as APNs 487-470-023 AND 487-470-026 fronting the west side of Nason Street between Alessandro Boulevard and Cottonwood Avenue; and

WHEREAS, these parcels may be developed in the future; and

WHEREAS, the City of Moreno Valley wishes to grant easement right of way for public highway purposes, including public utilities, private utilities permitted by the City, and public service facilities over, under, upon, across and within the real property, for future public use, which dedication is specifically described as:

<u>Parcel One (APN 487-470-023):</u> as described in the legal description marked Exhibit A and depicted on the plat map marked Exhibit B attached to the Resolution and incorporated herein by this reference; and

<u>Parcel Two (APN 487-470-026):</u> as described in the legal description marked Exhibit C and depicted on the plat map marked Exhibit D attached to the Resolution and incorporated herein by this reference; and

WHEREAS, the City of Moreno Valley City Council considers this grant of easement to be in the best interest of the City of Moreno Valley and of the public.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

- 1. The grant of easement as described above and depicted on Exhibits A through D attached to this Resolution are hereby approved.
- The Mayor and City Clerk are hereby authorized to and directed to execute the Resolution and the Public Works Director/City Engineer is hereby authorized to and directed to execute the associated Easements Deeds on behalf of the City and record all such documents with the County Recorder.
- 3. This Resolution shall become effective immediately upon adoption.

APPROVED AND ADOPTED this 10th day of September, 2013.

Report to City Council

TO: Mayor and City Council

FROM: Joel Ontiveros, Chief of Police

AGENDA DATE: September 10, 2013

TITLE: APPROVE BIO-TOX LABORATORIES PURCHASE ORDER FOR

\$125,000

RECOMMENDED ACTION

Recommendation:

1. Authorize the Moreno Valley Police Department to execute a Purchase Order to Bio-Tox Laboratories, 1965 Chicago Ave. #C, Riverside, CA 92507, for \$125,000 (Account No. 1010-60-65-40010-625099)

BACKGROUND

The County of Riverside contracts with Bio-Tox Laboratories for toxicology testing services, to include both blood and urine. This contract details the services provided by Bio-Tox and a fee schedule. The City of Moreno Valley's Police Department has been authorized by the County of Riverside to utilize this contract as its own, which allows us to take advantage of the any negotiated discounts given to the County. Over the last few years, the Moreno Valley Police Department has had a substantial increase in the number of samples sent to Bio-Tox Laboratories for toxicology testing. This increase is partially due to the increased number of grant funded DUI enforcement operations. Additionally, over the past few years, we have had a handful of traffic officers become certified as Drug Recognition Experts (DRE) and most traffic officers have attended the Advanced Roadside Impaired Driving Enforcement (ARIDE) training sponsored by the California Highway Patrol. With deputies trained with these specialized skills, it has allowed for better recognition of drivers appearing to be driving under the influence.

DISCUSSION

Bio-Tox Laboratories collects samples of both blood and urine. A sample sent to Bio-Tox may be tested for multiple drugs and/or alcohol. Each test requested is billed

individually and invoiced on a monthly basis. Bio-Tox has the ability to track the amount of samples received by the Moreno Valley Police Department, which is detailed below, however; this is not an accurate number of tests performed only the number of blood and/or urine samples received. Alcohol tests range from \$39-\$95/per test and drug tests range from \$19-\$195/per test, per the contract. The amount of samples sent to Bio-Tox Laboratories from the Moreno Valley Police Department for the past four fiscal years are presented below.

Sample Count: Moreno Valley	FY 09-10	FY 10-11	FY 11-12	FY 12-13
Blood	413	840	964	1374
Urine	172	130	113	118
Total Samples	585	970	1077	1492

We anticipate that the charges for FY13/14 to Bio-Tox Laboratories will be approximately \$125,000, due to the increase of samples over the past few years.

ALTERNATIVES

The City Council has the following alternatives:

- 1) Authorize the Moreno Valley Police Department to execute a purchase order to Bio-Tox Laboratories for \$125,000. **Staff recommends this alternative**
- 2) Not authorize the Moreno Valley Police Department to execute a purchase order to Bio-Tox Laboratories for \$125,000. **Staff does not recommend this alternative.**

FISCAL IMPACT

The Moreno Valley Police Department budgeted \$125,000 in FY13/14 for the contract with Bio-Tox Laboratories. No appropriation is needed, as this budget was approved and appropriated to Account No. 1010-60-65-40010-625099 during the initial FY13/14 budget process.

CITY COUNCIL GOALS

To provide a safe and secure environment for people and property in the community, and provide protection for citizens who live, work and visit the City of Moreno Valley.

SUMMARY

The City Council is requested to authorize the Moreno Valley Police Department to execute a purchase order to Bio-Tox Laboratories for \$125,000.

This Agreement, made and entered into this 23 day of April, 2013, by and between Bio-Tox Laboratories, (herein referred to as "CONTRACTOR"), and the COUNTY OF RIVERSIDE, a political subdivision of the State of California, (herein referred to as "COUNTY"). The parties agree as follows:

1. <u>Description of Services</u>

- 1.1 CONTRACTOR shall provide all services as outlined and specified in Exhibit A, Scope of Services, consisting of 3 pages at the prices stated in Exhibit B, Payment Provisions (4 pages).
- 1.2 CONTRACTOR represents that it has the skills, experience, and knowledge necessary to fully and adequately perform under this Agreement and the COUNTY relies upon this representation. CONTRACTOR shall perform to the satisfaction of the COUNTY and in conformance to and consistent with the highest standards of firms/professionals in the same discipline in the State of California.
- 1.3 CONTRACTOR affirms this it is fully apprised of all of the work to be performed under this Agreement; and the CONTRACTOR agrees it can properly perform this work at the prices stated in Exhibit I. CONTRACTOR is not to perform services or provide products outside of the Agreement.
- 1.4 Acceptance by the COUNTY of the CONTRACTOR's performance under this Agreement does not operate as a release of CONTRACTOR's responsibility for full compliance with the terms of this Agreement.

2. Period of Performance

2.1 This Agreement shall be effective upon signature of this Agreement by both parties and continue in effect through pril 22, 2014, with the option to renew for four (4) additional years, renewable in one year increments by written amendment, unless terminated earlier. CONTRACTOR shall commence performance upon signature of this Agreement by both parties and shall diligently and continuously perform thereafter.

3. Compensation

3.1 The COUNTY shall pay the CONTRACTOR for services performed, products provided and expenses incurred in accordance with the terms of Exhibit B, Payment Provisions. Maximum payments by COUNTY to CONTRACTOR shall not exceed \$510,000.00 annually including all expenses. The COUNTY is not responsible for any fees or costs incurred above or beyond the contracted amount and shall have no obligation to purchase any specified amount of services or products. Unless otherwise specifically stated in Exhibit B, COUNTY shall not be responsible for payment of any of CONTRACTOR's expenses related to this Agreement.

- 3.2 No price increases will be permitted during the first year of this Agreement. All price decreases (for example, if CONTRACTOR offers lower prices to another governmental entity) will automatically be extended to the COUNTY. The COUNTY requires written proof satisfactory to COUNTY of cost increases prior to any approved price adjustment. After the first year of the award, a minimum of 30-days advance notice in writing is required to be considered and approved by COUNTY. No retroactive price adjustments will be considered. Any price increases must be stated in a written amendment to this Agreement. The net dollar amount of profit will remain firm during the period of the Agreement. Annual increases shall not exceed the Consumer Price Index- All Consumers, All Items Greater Los Angeles, Riverside and Orange County areas and be subject to satisfactory performance review by the COUNTY and approved (if needed) for budget funding by the Board of Supervisors.
- 3.3 CONTRACTOR shall be paid only in accordance with an invoice submitted to COUNTY by CONTRACTOR within fifteen (15) days from the last day of each calendar month, and COUNTY shall pay the invoice within thirty (30) working days from the date of receipt of the invoice. Payment shall be made to CONTRACTOR only after services have been rendered or delivery of materials or products, and acceptance has been made by COUNTY. Prepare invoices in duplicate. For this Agreement, send the original and duplicate copies of invoices to:

Riverside County Sheriff Department, Fiscal Department
4080 Lemon Street
Riverside, CA 92502

- a) Each invoice shall contain a minimum of the following information: invoice number and date; remittance address; bill-to and ship-to addresses of ordering department/division; Agreement number SHARC-96148-001-3/14; quantities; item descriptions, unit prices, extensions, sales/use tax if applicable, and an invoice total.
- b) Invoices shall be rendered monthly in arrears.
- 3.4 The COUNTY obligation for payment of this Agreement beyond the current fiscal year end is contingent upon and limited by the availability of COUNTY funding from which payment can be made. No legal liability on the part of the COUNTY shall arise for payment beyond June 30 of each calendar year unless funds are made available for such payment. In the event that such funds are not forthcoming for any reason, COUNTY shall immediately notify CONTRACTOR in writing; and this Agreement shall be deemed terminated, have no further force, and effect.

4. <u>Alteration or Changes to the Agreement</u>

- 4.1 The Board of Supervisors and the COUNTY Purchasing Agent and/or his designee is the only authorized COUNTY representatives who may at any time, by written order, alter this Agreement. If any such alteration causes an increase or decrease in the cost of, or the time required for the performance under this Agreement, an equitable adjustment shall be made in the Agreement price or delivery schedule, or both, and the Agreement shall be modified by written amendment accordingly.
- 4.2 Any claim by the CONTRACTOR for additional payment related to this Agreement shall be made in writing by the CONTRACTOR within 30 days of when the CONTRACTOR has or should have notice of any actual or claimed change in the work, which results in additional and unanticipated cost to the CONTRACTOR. If the COUNTY Purchasing Agent decides that the facts provide sufficient justification, he may authorize additional payment to the CONTRACTOR pursuant to the claim. Nothing in this section shall excuse the CONTRACTOR from proceeding with performance of the Agreement even if there has been a change.

5. Termination

- **5.1**. COUNTY may terminate this Agreement without cause upon 30 days written notice served upon the CONTRACTOR stating the extent and effective date of termination.
- 5.2 COUNTY may, upon five (5) days written notice, terminate this Agreement for CONTRACTOR's default, if CONTRACTOR refuses or fails to comply with the terms of this Agreement or fails to make progress to endanger performance and does not immediately cure such failure. In the event of such termination, the COUNTY may proceed with the work in any manner deemed proper by COUNTY.
 - 5.3 After receipt of the notice of termination, CONTRACTOR shall:
 - (a) Stop all work under this Agreement on the date specified in the notice of termination; and
 - (b) Transfer to COUNTY and deliver in the manner as directed by COUNTY any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to COUNTY.
- 5.4 After termination, COUNTY shall make payment only for CONTRACTOR's performance up to the date of termination in accordance with this Agreement and at the rates set forth in Exhibit B.
- 5.5 CONTRACTOR's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by CONTRACTOR; or in the event of CONTRACTOR's unwillingness or inability for any reason whatsoever

to perform the terms of this Agreement. In such event, CONTRACTOR shall not be entitled to any further compensation under this Agreement.

5.6 The rights and remedies of COUNTY provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

6. Ownership/Use of Contract Materials and Products

The CONTRACTOR agrees that all materials, reports or products in any form, including electronic, created by CONTRACTOR for which CONTRACTOR has been compensated by COUNTY pursuant to this Agreement shall be the sole property of the COUNTY; and may be used by the COUNTY for any purpose COUNTY deems to be appropriate, including, but not limit to, duplication and/or distribution within the COUNTY or to third parties. CONTRACTOR agrees not to release or circulate in whole or part such materials, reports, or products without prior written authorization of the COUNTY.

7. Conduct of Contractor

- 7.1 The CONTRACTOR covenants that it presently has no interest, including, but not limited to, other projects or contracts, and shall not acquire any such interest, direct or indirect, which would conflict in any manner or degree with CONTRACTOR's performance under this Agreement. The CONTRACTOR further covenants that no person or subcontractor having any such interest shall be employed or retained by CONTRACTOR under this Agreement. The CONTRACTOR agrees to inform the COUNTY of all the CONTRACTOR's interests, if any, which are or may be perceived as incompatible with the COUNTY's interests.
- 7.2 The CONTRACTOR shall not, under circumstances which could be interpreted as an attempt to influence the recipient in the conduct of his/her duties, accept any gratuity or special favor from individuals or firms with whom the CONTRACTOR is doing business or proposing to do business, in accomplishing the work under this Agreement.
- 7.3 The CONTRACTOR or its employees shall not offer gifts, gratuity, favors, and entertainment directly or indirectly to COUNTY employees.

8. <u>Inspection of Service: Quality Control/Assurance</u>

8.1 All performance (which includes services, workmanship, materials, supplies and equipment furnished or utilized in the performance of this Agreement) shall be subject to inspection and test by the COUNTY or other regulatory agencies at all times. The CONTRACTOR shall provide adequate cooperation to any inspector or other COUNTY representative to permit him/her to determine the

CONTRACTOR's conformity with the terms of this Agreement. If any services performed or products provided by CONTRACTOR are not in conformance with the terms of this Agreement, the COUNTY shall have the right to require the CONTRACTOR to perform the services or provide the products in conformance with the terms of the Agreement at no additional cost to the COUNTY. When the services to be performed or the products to be provided are of such nature that the difference cannot be corrected, the COUNTY shall have the right to: (1) require the CONTRACTOR immediately to take all necessary steps to ensure future performance in conformity with the terms of the Agreement; and/or (2) reduce the Agreement price to reflect the reduced value of the services performed or products provided. The COUNTY may also terminate this Agreement for default and charge to CONTRACTOR any costs incurred by the COUNTY because of the CONTRACTOR's failure to perform.

8.2 CONTRACTOR shall establish adequate procedures for self-monitoring and quality control and assurance to ensure proper performance under this Agreement; and shall permit a COUNTY representative or other regulatory official to monitor, assess, or evaluate CONTRACTOR's performance under this Agreement at any time upon reasonable notice to CONTRACTOR.

9. <u>Independent Contractor</u>

The CONTRACTOR is, for purposes relating to this Agreement, an independent contractor and shall not be deemed an employee of the COUNTY. It is expressly understood and agreed that the CONTRACTOR (including its employees, agents, and subcontractors) shall in no event be entitled to any benefits to which COUNTY employees are entitled, including but not limited to overtime, any retirement benefits, worker's compensation benefits, and injury leave or other leave benefits. There shall be no employer-employee relationship between the parties; and CONTRACTOR shall hold COUNTY harmless from any and all claims that may be made against COUNTY based upon any contention by a third party that an employer-employee relationship exists by reason of this Agreement. It is further understood and agreed by the parties that CONTRACTOR in the performance of this Agreement is subject to the control or direction of COUNTY merely as to the results to be accomplished and not as to the means and methods for accomplishing the results.

10. Subcontract for Work or Services

No contract shall be made by the CONTRACTOR with any other party for furnishing any of the work or services under this Agreement without the prior written approval of the COUNTY; but this provision shall not require the approval of contracts of employment between the CONTRACTOR and personnel assigned under this Agreement, or for parties named in the proposal and agreed to under this Agreement.

11. <u>Disputes</u>

11.1 The parties shall attempt to resolve any disputes amicably at the working level. If that is not successful, the dispute shall be referred to the senior management of the parties. Any dispute relating to this Agreement, which is not resolved by the parties, shall be decided by the COUNTY's Purchasing Department's Compliance Contract Officer who shall furnish the decision in writing. The decision of the COUNTY's Compliance Contract Officer shall be final and conclusive unless determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as necessarily to imply bad faith. The CONTRACTOR shall proceed diligently with the performance of this Agreement pending the resolution of a dispute.

11.2 Prior to the filing of any legal action related to this Agreement, the parties shall be obligated to attend a mediation session in Riverside County before a neutral third party mediator. A second mediation session shall be required if the first session is not successful. The parties shall share the cost of the mediations.

12. Licensing and Permits

CONTRACTOR shall comply with all State or other licensing requirements, including but not limited to the provisions of Chapter 9 of Division 3 of the Business and Professions Code. All licensing requirements shall be met at the time proposals are submitted to the COUNTY. CONTRACTOR warrants that it has all necessary permits, approvals, certificates, waivers and exemptions necessary for performance of this Agreement as required by the laws and regulations of the United States, the State of California, the County of Riverside and all other governmental agencies with jurisdiction, and shall maintain these throughout the term of this Agreement.

13. Use By Other Political Entities

The CONTRACTOR agrees to extend the same pricing, terms, and conditions as stated in this Agreement to the Riverside County Sheriff's Department, Riverside Police Department and Corona Police

Department only. It is understood that each entity shall make purchases in their own name, make direct payment, and be liable directly to the CONTRACTOR. COUNTY shall in no way be responsible to CONTRACTOR for Riverside Police Department or Corona Police Department purchases.

14. Non-Discrimination

CONTRACTOR shall not be discriminate in the provision of services, allocation of benefits, accommodation in facilities, or employment of personnel on the basis of ethnic group identification, race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status or sex in the performance of this Agreement; and, to the extent they shall be found to be applicable hereto, shall comply with the provisions of the California Fair Employment and Housing Act (Gov. Code 12900 et. seq), the Federal Civil Rights Act of 1964 (P.L. 88-352), the Americans with Disabilities Act of 1990 (42 U.S.C. S1210 et seq.) and all other applicable laws or regulations.

15. Records and Documents

COUNTY agency, a copy of this Agreement and such books, documents and records as are necessary to certify the nature and extent of the CONTRACTOR's costs related to this Agreement. All such books, documents and records shall be maintained by CONTRACTOR for at least five years following termination of this Agreement and be available for audit by the COUNTY. CONTRACTOR shall provide to the COUNTY reports and information related to this Agreement as requested by COUNTY.

16. Confidentiality

- 16.1 The CONTRACTOR shall not use for personal gain or make other improper use of privileged or confidential information which is acquired in connection with this Agreement. The term "privileged or confidential information" includes but is not limited to: unpublished or sensitive technological or scientific information; medical, personnel, or security records; anticipated material requirements or pricing/purchasing actions; COUNTY information or data which is not subject to public disclosure; COUNTY operational procedures; and knowledge of selection of contractors, subcontractors or suppliers in advance of official announcement.
- 16.2 The CONTRACTOR shall protect from unauthorized disclosure names and other identifying information concerning persons receiving services pursuant to this Agreement, except for general statistical information not identifying any person. The CONTRACTOR shall not use such information for any purpose other than carrying out the CONTRACTOR's obligations under this Agreement. The CONTRACTOR shall

promptly transmit to the COUNTY all third party requests for disclosure of such information. The CONTRACTOR shall not disclose, except as otherwise specifically permitted by this Agreement or authorized in advance in writing by the COUNTY, any such information to anyone other than the COUNTY. For purposes of this paragraph, identity shall include, but not be limited to, name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.

17. Administration/Contract Liaison

The COUNTY Purchasing Agent, or designee, shall administer this Agreement on behalf of the COUNTY. The Purchasing Department is to serve as the liaison with CONTRACTOR in connection with this Agreement.

18. Notices

All correspondence and notices required or contemplated by this Agreement shall be delivered to the respective parties at the addresses set forth below and are deemed submitted two days after their deposit in the United States mail, postage prepaid:

COUNTY OF RIVERSIDE

Purchasing and Fleet Services Attn: James P. Hewett JD/MBA 2980 Washington Street Riverside, CA 92504

CONTRACTOR

19. Force Majeure

If either party is unable to comply with any provision of this Agreement due to causes beyond its reasonable control, and which could not have been reasonably anticipated, such as acts of God, acts of war, civil disorders, or other similar acts, such party shall not be held liable for such failure to comply.

20. EDD Reporting Requirements

In order to comply with child support enforcement requirements of the State of California, the COUNTY may be required to submit a Report of Independent Contractor(s) form **DE 542** to the Employment Development Department. The CONTRACTOR agrees to furnish the required data and certifications to the COUNTY within 10 days of notification of award of Agreement when required by the EDD. This data will be transmitted to governmental agencies charged with the establishment and enforcement of child support orders. Failure of the CONTRACTOR to timely submit the data and/or certificates required may result in the contract being awarded to another contractor. In the event a contract

Page 10 of 23

has been issued, failure of the CONTRACTOR to comply with all federal and state reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignments Orders and Notices of Assignment shall constitute a material breach of Agreement. If CONTRACTOR has any questions concerning this reporting requirement, please call (916) 657-0529. CONTRACTOR should also contact its local Employment Tax Customer Service Office listed in the telephone directory in the State Government section under "Employment Development Department" or access their Internet site at www.edd.ca.gov.

21. Hold Harmless/Indemnification

- 21.1 CONTRACTOR shall indemnify and hold harmless the County of Riverside, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from any liability whatsoever, based or asserted upon any services of CONTRACTOR, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of CONTRACTOR, its officers, employees, subcontractors, agents or representatives Indemnitors from this Agreement. CONTRACTOR shall defend, at its sole expense, all costs, and fees including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards, the Indemnitees in any claim or action based upon such alleged acts or omissions.
- 21.2 With respect to any action or claim subject to indemnification herein by CONTRACTOR, CONTRACTOR shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of COUNTY; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes CONTRACTOR'S indemnification to Indemnitees as set forth herein. CONTRACTOR'S obligation hereunder shall be satisfied when CONTRACTOR has provided to COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim involved.
- 21.3 The specified insurance limits required in this Agreement shall in no way limit or circumscribe CONTRACTOR'S obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

- 21.4 In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the CONTRACTOR from indemnifying the Indemnitees to the fullest extent allowed by law.
- 21.5 CONTRACTOR's indemnification obligations shall also apply to any action or claim regarding actual or alleged intellectual property infringement related to any material or product provided to COUNTY pursuant to this Agreement. In the event of any such action or claim, CONTRACTOR shall provide immediate notice to COUNTY of the action or claim. CONTRACTOR may defend or settle the action or claim as CONTRACTOR deems appropriate; however, CONTRACTOR shall be required to obtain for COUNTY the right to continue to use the material or product (or a similar non-infringing material or product with the same function) on terms identical to those stated in this Agreement.

22. Insurance

- 22.1 Without limiting or diminishing the CONTRACTOR'S obligation to indemnify or hold the COUNTY harmless, CONTRACTOR shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverage's during the term of this Agreement. As respects to the insurance section only, the COUNTY herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.
- Workers' Compensation: If the CONTRACTOR has employees as defined by the State of California, the CONTRACTOR shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of the County of Riverside.
- 22.3 <u>Commercial General Liability:</u> Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of CONTRACTOR'S performance of its obligations hereunder. Policy shall name the COUNTY as Additional Insured. Policy's limit of liability shall not be less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.
- <u>Vehicle Liability</u>: If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then CONTRACTOR shall maintain liability insurance for all owned, non-owned, or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single

limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit. Policy shall name the COUNTY as Additional Insureds.

22.5 Professional Liability: Contractor shall maintain Professional Liability Insurance providing coverage for the Contractor's performance of work included within this Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If Contractor's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and CONTRACTOR shall purchase at his sole expense either 1) an Extended Reporting Endorsement (also, known as Tail Coverage); or 2) Prior Dates Coverage from new insurer with a retroactive date back to the date of, or prior to, the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that CONTRACTOR has Maintained continuous coverage with the same or original insurer. Coverage provided under items; 1), 2), or 3) will continue as long as the law allows.

22.6 General Insurance Provisions - All lines:

- 1) Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.
- 2) The CONTRACTOR must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the County Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to the COUNTY, and at the election of the Country's Risk Manager, CONTRACTOR'S carriers shall either; 1) reduce or eliminate such self-insured retention as respects this Agreement with the COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- 3) CONTRACTOR shall cause CONTRACTOR'S insurance carrier(s) to furnish the County of Riverside with either 1) a properly executed original Certificate(s) of Insurance and certified original copies of Endorsements effecting coverage as required herein, and 2) if requested to do so orally or in writing by the County Risk Manager, provide original Certified copies of policies including all Endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said Certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days written notice shall be given to the County of Riverside prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or

reduction in coverage, this Agreement shall terminate forthwith, unless the County of Riverside receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. CONTRACTOR shall not commence operations until the COUNTY has been furnished original Certificate (s) of Insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this Section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the Certificate of Insurance.

- 4) It is understood and agreed to by the parties hereto that the CONTRACTOR'S insurance shall be construed as primary insurance, and the COUNTY'S insurance and/or deductibles and/or self-insured retention's or self-insured programs shall not be construed as contributory.
- 5) If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services; or, there is a material change in the equipment to be used in the performance of the scope of work; or, the term of this Agreement, including any extensions thereof, exceeds five (5) years; the COUNTY reserves the right to adjust the types of insurance and the monetary limits of liability required under this Agreement, if in the County Risk Manager's reasonable judgment, the amount or type of insurance carried by the CONTRACTOR has become inadequate.
- 6) CONTRACTOR shall pass down the insurance obligations contained herein to all tiers of subcontractors working under this Agreement.
- 7) The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to the COUNTY.
- 8) CONTRACTOR agrees to notify COUNTY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

23. General

- 23.1 CONTRACTOR shall not delegate or assign any interest in this Agreement, whether by operation of law or otherwise, without the prior written consent of COUNTY. Any attempt to delegate or assign any interest herein shall be deemed void and of no force or effect.
- 23.2 Any waiver by COUNTY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term of this Agreement. Failure on the part of COUNTY to require exact, full, and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms or preventing COUNTY from enforcement of the terms of this Agreement.
- 23.3 In the event the CONTRACTOR receives payment under this Agreement, which is later disallowed by COUNTY for nonconformance with the terms of the Agreement, the CONTRACTOR shall promptly refund the disallowed amount to the COUNTY on request; or at its option the COUNTY may offset the amount disallowed from any payment due to the CONTRACTOR.
- 23.4 CONTRACTOR shall not provide partial delivery or shipment of services or products unless specifically stated in the Agreement.
- 23.5 CONTRACTOR shall not provide any services or products subject to any chattel mortgage or under a conditional sales contract or other agreement by which an interest is retained by a third party. The CONTRACTOR warrants that it has good title to all materials or products used by CONTRACTOR or provided to COUNTY pursuant to this Agreement, free from all liens, claims, or encumbrances.
- 23.6 Nothing in this Agreement shall prohibit the COUNTY from acquiring the same type or equivalent equipment, products, materials or services from other sources, when deemed by the COUNTY to be in its best interest. The COUNTY reserves the right to purchase more or less than the quantities specified in this Agreement.
- 23.7 The COUNTY agrees to cooperate with the CONTRACTOR in the CONTRACTOR's performance under this Agreement, including, if stated in the Agreement, providing the CONTRACTOR with reasonable facilities and timely access to COUNTY data, information, and personnel.
- 23.8 CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations. CONTRACTOR will comply with all applicable COUNTY policies and procedures. In the event that there is a conflict between the various laws or regulations that may apply, the CONTRACTOR shall comply with the more restrictive law or regulation.
- 23.9 CONTRACTOR shall comply with all air pollution control, water pollution, safety and health ordinances, statutes, or regulations, which apply to performance under this Agreement.

- 23.10 CONTRACTOR shall comply with all requirements of the Occupational Safety and Health Administration (OSHA) standards and codes as set forth by the U.S. Department of Labor and the State of California (Cal/OSHA).
- 23.11 This Agreement shall be governed by the laws of the State of California. Any legal action related to the performance or interpretation of this Agreement shall be filed only in the Superior Court of the State of California located in Riverside, California, and the parties waive any provision of law providing for a change of venue to another location. In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.
- 23.12 This Agreement, including any attachments or exhibits, constitutes the entire Agreement of the parties with respect to its subject matter and supersedes all prior and contemporaneous representations, proposals, discussions and communications, whether oral or in writing. This Agreement may be changed or modified only by a written amendment signed by authorized representatives of both parties.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Agreement.

EXHIBIT A SCOPE OF SERVICE

Scope of Services

1.0 Response Time: Contractor will provide an acceptable response time from notification that a specimen is ready for pickup. Preliminary drug screening results should be available within 24 to 48 hours after pick up, followed by confirmation testing of presumptive positive screened results. "Stat" sample testing will be completed in 24 hours or less. Delivery/postmark if mailing of a final report, is to be no longer than (3) three working days (working days are 8:00 am to 5:00 pm, Monday through Friday). Final laboratory reports are to be delivered to the requesting agency. The laboratory shall be appropriately staffed to allow for STAT drug testing when requested by the agency.

2.0 Licenses & Certification:

- a. Qualifications of the lab director should include being licensed by the California Department of Health Services as a Supervising Clinical Toxicologist or a Board Certified Forensic Toxicologist;
- b. Supervisors of analyst must be licensed by the California Department of Health Services in Clinical Toxicology;
- c. It is recommended that the laboratory meet the Scientific and Technical Guidelines, and Standards for Certification of Laboratories engaged in urine drug testing for Federal agencies. The laboratory must be accredited in Forensic Toxicology by the American Board of Forensic Toxicology (ABFT).
- 3.0 Experience: Suppliers and agents of Contractor must be familiar with the handling of evidence and the proper protocol for documenting and maintaining the correct chain of evidence. All aspects of testing must be appropriately documented. The documentation will include personnel files on analysts, supervisors, directors and all persons with access to specimens; chain of custody documents; quality assurance/control records; all test data; performance on proficiency testing can be accomplished and there is no deterioration of these items of evidence.
- 4.0 Expert Witness: The County of Riverside reserves the right to request replacement of any professional during the life of this agreement that is found to be unacceptable to the Court. Contractor shall provide analysts and expert witnesses that have previously been established in court proceedings by judges and attorneys. Coroner Review consultations shall be provided by toxicologists familiar with post mortem cases and work in conjunction with coroner staff when additional investigative measures are warranted.

5.0 Testing Procedures:

- a. Testing must consist of the screening of appropriate bodily liquids (e.g., blood, urine, bile, vitreous, gastric contents) and tissues (e.g., liver, brain, spleen, muscle) for the presence or absence of drugs, followed by confirmation of the amounts of drugs by a second procedure based on a different chemical principle.
- b. Initial screening can be done by Enzyme Multiplied Immunoassay Test (EMIT) or Radioactive Immunoassay Test (RIA); however, only gas chromatography/mass spectroscopy will be considered acceptable for conformation testing (thin layer

-381-

- chromatography is unacceptable). Examples of drug panels, which may be required for testing, are noted in Exhibit B Payment Provisions.
- c. Procedures for testing samples will include screening techniques such as Immunoassay Elisa kits, used in conjunction with Tecan instrumentation. The assays are used to determine the presence of a parent molecule and/or metabolite of drugs of abuse in forensic samples such as whole blood, serum, plasma, urine, and/or tissues.
- d. Contractor may also use Liquid Chromatography/Mass Spectrometry/Mass Spectrometry (LC/MS/MS) analytical equipment for detecting the presence of drugs. Confirmation analysis will consist of LC/MS/MS. The second MS denotes tandem Mass Spectrometry, an additional separation step. LC/MS/MS will be used to provide quantitative results in most cases. In an effort to provide optimum result accuracy and efficiency, Contractor may enhance analytical methods to include new equipment and procedures.
- e. Contractor may utilize one or more secondary toxicology laboratories for forensic testing of substances not provided by the primary laboratory (Send out or other reference laboratory).
- f. The secondary facility shall conform to the license and certification requirements of the primary laboratory. Analysis not performed by Contractor may be sent to a secondary toxicology laboratory whereby Contractor acts as a pass-through laboratory for convenience to the Sheriff Department.
- g. Contractor has existing accounts with reference laboratories and will handle the sample packaging and shipping once in house testing has been completed. Contractor will accept the routine billing and payment responsibilities for these tests and pass through the results from the specified laboratory. Fees for these services will be billed accordingly during monthly invoice cycles.
- h. Chain of custody will be maintained by Contractor until the point of shipping, at which time the chain of custody is transferred to the reference lab. Reference lab will maintain chain of custody and provide the sample return upon request.

<u>6.0 Locations</u>: Locations where the lab may expect to obtain specimens from however, this is not to be considered a complete list. It is only a representation of the major places that were used in the past.

7.0 Special Considerations: The Contractor shall include an itemized listing of any potential special fees (e.g., handling charges, chain of custody, tissue preparation) and listing of tests requiring a secondary laboratory (send outs). It shall specify approximate turnaround times for reporting of results on routine, rush and STAT cases. Specimens are to be maintained for duration to be specified by the agency (at least three (3) years). At the present time, the Riverside County Sheriff-Coroner performs approximately 1100-1500 autopsies per year and 1000 consultations (examination of the decedent without autopsy). The investigation of most of the autopsied decedents requires varying degrees of toxicological support on one or more specimens. A number of decedents not requiring autopsy will be expected to have a toxicological workup.

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: September 10, 2013

TITLE: PA07-0080 (PM 35672) – APPROVE PARCEL MAP AND ACCEPT

THE AGREEMENT AND SECURITY FOR PUBLIC

IMPROVEMENTS

RECOMMENDED ACTION

Recommendations:

- 1. Approve Parcel Map 35672 and authorize the City Clerk to sign the map and transmit said map to the County Recorder's Office for recordation.
- 2. Accept the Agreement and Security for Public Improvements.
- 3. Authorize the Mayor to execute the Agreement.
- 4. Direct the City Clerk to forward the signed Agreement to the County Recorder's Office for recordation.
- 5. Authorize the City Engineer to execute any future time extension amendments to the agreement, subject to City Attorney approval, if the required public improvements are not completed within said timeframe.

BACKGROUND

On July 8, 2008 the City Council of the City of Moreno Valley approved Tentative Parcel Map No. 35672 (PA07-0080) and a Plot Plan (PA08-0018) for a one-building option 1,560,046 square foot industrial building. The parcel map proposes to consolidate 80.24 gross acres into one (1) parcel. The map is located at the southeast corner of Iris Avenue and Indian Street.

On May 16, 2013 the developer submitted a planning application for Amended Plot Plan PA13-0022, an amendment to original Plot Plan PA08-0018. The Amended Plot Plan PA13-0022 proposes a 1,476,017 square foot building. Staff has reviewed the Amended Plot Plan and is in the process of recommending approval of the project to the Community and Economic Development Director.

The required improvements in the conditions of approval associated with the tentative map approval will not change as a result of the approval of Amended Plot Plan PA13-0022. On February 11, 2009, a Cooperative Agreement, among the developer, the City, and Riverside County Flood Control and Water Conservation District recorded, obligating the developer to construct master storm drain facilities within Indian Street and Krameria Avenue consistent with the Sunnymead Area Drainage Plan.

DISCUSSION

Parcel Map No. 35672 is in substantial conformance with the approved tentative map. The developer has requested that the map be approved for recordation. The Conditions of Approval for this project require that the developer provide surety for the required improvements. Public improvements are to be constructed on Iris Avenue, Indian Street, Krameria Avenue, and Cosmos Street.

The developer of this project has completed an Agreement for Public Improvements. The developer agrees to perform and complete all of the required street improvements within twenty-four (24) months of the date the agreement is executed. The street improvements include, but are not limited to: asphalt, base, curb, gutter, sidewalk, street lights, storm drain, catch basins, striping, signage, water, sewer, and undergrounding overhead utilities. The City Engineer may execute any future amendments to the agreement, subject to City Attorney approval, if the required street improvements are not completed within said timeframe.

Accompanying the agreement is Faithful Performance bond in the amount of \$8,664,000 and a Material and Labor bond in the amount of \$4,332,000 issued by XL Specialty Insurance Company.

FISCAL IMPACT

No fiscal impact is anticipated.

AGREEMENT FOR PUBLIC IMPROVEMENTS FOR PROJECT NO. PA07-0080 (PARCEL MAP 35672)

This Agreement, made and entered into by and between the City of Moreno Valley, State of California, hereinafter called City, and **Panattoni Construction, Inc.**, herein after called Developer, on the date the City signs this agreement.

WITNESSETH:

FIRST: Developer, for and in consideration of the approval by the City of the final map of that certain land division, or that certain other land development project, known as PA07-0080 (PM 35672) agrees, at Developer's own expense, to furnish all labor, equipment and material necessary, and within TWENTY-FOUR (24) months from the date this Agreement is executed, to perform and complete in a good and workmanlike manner, all of the required improvements in accordance with those improvement plans for said project which have been approved by the City Engineer, and are on file in the office of the City Engineer, and to do all work incidental thereto in accordance with the standards set forth in City ordinances and regulations, and pay all costs of engineering necessary in connection therewith, which are expressly made a part of this Agreement. All of the above required work shall be done under the inspection of and to the satisfaction of the City Engineer, and shall not be deemed complete until approved and accepted as complete by the City. Developer further agrees to guarantee the required improvements for a period of one year following acceptance by the City and during this one year period to repair and replace, to the satisfaction of the City Engineer, any defective work or labor done or defective materials furnished. Developer shall complete the improvements described in this paragraph pursuant to Section 66462, Government Code. Developer shall also complete any offsite improvements required as a condition of approval and with plans approved by the City Engineer at such time as the City acquires an interest in the land which will permit the improvements to be made, and the Developer waives the 120 day time limitation set forth in Section 66462.5, Government Code.

Security to guarantee the performance of this agreement shall be in the following amounts:

Faithful Performance security shall be in the sum of <u>EIGHT MILLION SIX HUNDRED SIXTY FOUR THOUSAND AND NO/100</u> Dollars (***\$8,664,000.00****). The estimated cost of said work and improvements, pursuant to the Preliminary Estimate of Cost labeled Exhibit A attached hereto.

Labor and Material security shall be in the sum of **FOUR MILLION THREE HUNDRED THIRTY TWO THOUSAND AND NO/100** Dollars (***\$4,332,000.00****). The estimated cost securing payment of labor and materials is fifty (50) percent of the total cost estimate of the improvements.

Developer further agrees to guarantee the required improvements for a period of one year following acceptance by the City and during this one year period to repair and replace, to the satisfaction of the City Engineer, any defective work or labor done or defective materials furnished. Upon entering the warranty period, the City shall retain ten percent of the original faithful performance security. Developer reserves the right to substitute the form of security, in accordance with the Moreno Valley Municipal Code, at any time during the term of this agreement, subject to approval of the City Engineer and City Attorney.

SECOND: Developer agrees to file with City, prior to the date this Agreement is executed, a good and sufficient improvement security in an amount not less than the estimated cost of the work and improvements for the faithful performance of the terms and conditions of this Agreement, and good and sufficient security for payment of labor and materials in the amount prescribed by City ordinances and regulations to secure the claims to which reference is made in Title 15 (commencing with Section 3082) of Part 4 of Division 3 of the Civil Code of the State of California. Developer agrees to renew each and every said bond or bonds with good and sufficient sureties or increase the amounts of said bond or bonds, or both, within ten (10) days after being notified by the City Engineer that the sureties or amounts are insufficient. Notwithstanding any other provision herein, if Developer fails to take such action as is necessary to comply with said notice, he shall be in default of this Agreement unless all required improvements are completed within ninety (90) days of the date on which

the City Engineer notified the Developer of the insufficiency of said bonds. Developer reserves the right to substitute the form of security in accordance with the City's Municipal Code at anytime during the term of this agreement, subject to approval by the City Engineer and City Attorney.

THIRD: Developer agrees to pay to the City the actual cost of such inspection of the works and improvements as may be required by the City Engineer. Developer further agrees that, if suit is brought upon this Agreement or any bond guaranteeing the completion of the required improvements, all costs and reasonable expenses and fees incurred by the City in successfully enforcing such obligations shall be paid by Developer and guaranteed by the surety in addition to the face amount of the security, including reasonable attorney's fees, and that, upon entry of judgment, such costs, expenses and fees shall be taxed as costs and included in any judgment rendered.

FOURTH: City shall not, nor shall any officer or employee of City, except for its or their sole negligence, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this Agreement prior to the completion and approval thereof, nor shall City or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Developer, his agents or employees, in the performance of the work, and all of said liabilities are assumed by Developer. Developer agrees to protect, defend and hold harmless City and the officers and employees thereof from all loss, liability or claim because of, or arising out of the acts or omissions of Developer, his agents and employees, in the performance of this Agreement, or arising out of the use of any patent or patented article in the performance of this Agreement.

FIFTH: The Developer hereby grants to the City and/or to any authorized agent or employee of the City, the irrevocable permission to enter upon the lands of the above-referenced land division for the purpose of completing the improvements. This permission shall terminate in the event that the Developer has completed the work within the time specified or any extension thereof granted by the City.

SIXTH: Developer agrees at all times, up to the completion and acceptance of the improvements by the City, to give good and adequate warning to the traveling public of each and every dangerous condition caused by the construction of the improvements, and to protect the traveling public from such defective or dangerous conditions. The Developer shall keep all traveled ways that are a part of, or affected by the construction of this project free and clear of mud, dirt and debris and shall provide twice monthly street sweeping service. A copy of the contract for street sweeping service shall be provided to the City. The Developer's obligation under this provision shall be secured by the bonds securing performance of this Agreement.

SEVENTH: The Developer, his agents and employees, shall give notice to the City Engineer at least 48 hours before beginning any work and shall furnish said City Engineer all reasonable facilities for obtaining full information with respect to the progress and manner of work.

EIGHTH: If the Developer, or his agents or employees, neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the specified time, or within such extensions of time as have been granted by the City, or if the Developer violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, he shall be in default of this Agreement and notice in writing of such default shall be served upon him. The City Council shall have the power, on recommendation by the City Engineer, to terminate all rights of the Developer because of such default. The determination by the City Engineer of the question as to whether any of the terms of the Agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the Developer, and any and all parties who may have any interest in the Agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to the City under law.

NINTH: It is further agreed by and between the parties hereto, including the surety or sureties on the bonds securing this Agreement that, in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this Agreement, extensions of time **may** be granted by the City from time to time, either at its own option, or upon request of Developer, and such extensions shall in no way affect the validity of this Agreement or release the surety or sureties on said bonds, Developer further agrees to maintain the aforesaid bonds in full force and effect during the terms of this Agreement, including any extensions of time as may be granted therein.

TENTH: It is understood and agreed by the parties hereto that if any part, term or provision of this Agreement is by the courts held to be unlawful and void, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain the particular part, term or provision held to be invalid.

ELEVENTH: Any notice or notices required or permitted to be given pursuant to this Agreement shall be served on the other party by mail, postage prepaid, at the following addresses:

Report to City Council

TO: Mayor and City Council

FROM: Ahmad R. Ansari, P.E., Public Works Director/City Engineer

AGENDA DATE: September 10, 2013

TITLE: PA13-0012 - APPROVAL OF PROPOSED RESOLUTION FOR

THE VACATION OF A PORTION OF JOY STREET FROM

CACTUS AVENUE TO BROADIAEA AVENUE

RECOMMENDED ACTION

Recommendations:

- 1. Adopt the Resolution No. 2013-71, vacating a portion of Joy Street.
- 2. Direct the City Clerk to certify said resolution and transmit a copy of the resolution to the County Recorder's office for recording.

ADVISORY BOARD/COMMISSION RECOMMENDATION

The Planning Commission was scheduled to review the vacation of Joy Street at its August 22, 2013 meeting. The results of the Planning Commission, if any, will be orally reported at the Council meeting.

BACKGROUND

On December 11, 2012, the City Council approved PA12-0020 an Amended Plot Plan to add 507,720 SF to an existing 779,016 SF warehouse building for a total of 1,286,736 SF on an 18.6 acre site.

On July 23, 2013, the Community & Economic Development Director of the City of Moreno Valley approved PA13-0012, a Tentative Parcel Map for the 507,720 square foot expansion of the existing distribution warehouse building on approximately 18.6 acres. The project is located at the west side of Graham Street, between Cactus

Avenue and Brodiaea Avenue. The project conditions of approval require the vacation of Joy Street in order to accommodate the project's proposed building expansion. The recently approved plot plan requires the same condition of approval.

City staff requires that the vacation be completed prior to issuance of building permits as per the conditions of approval. However, for the purpose of removing unwanted encumbrances from the project site in advance of the design drawings, the developer is requesting the vacation at this time. In addition, as part of the purchase and sales agreement between the private parties, the vacation of Joy Street is required in order for the exchange of property to move forward.

DISCUSSION

The proposed building expansion will enlarge the existing structure and parking area in the westerly direction, across what is now Joy Street. By way of the Tentative Parcel Map approved as PA13-0012, the existing parcel and the additional property needed for the expansion will be merged into a single lot following the proposed vacation. As the proposed building expansion will be constructed over Joy Street, the vacation of this portion of the roadway is necessary to allow for the requested business expansion.

At present, the portion of Joy Street to be vacated is fully improved. Utility Coordination letters were sent to all utility companies that may exists within the portion of the street to be vacated. There is currently an existing sewer main within Joy Street which will be abandoned upon the completion of a new alternate system routed around the proposed expansion area. The developer is coordinating with Eastern Municipal Water District (EMWD) and staff has received correspondence indicating their support of the vacation. In addition, Moreno Valley Utility has some conduits servicing the street lights within the portion of Joy Street to be vacated. These facilities will be removed with the other public improvements within this section of roadway per the conditions of approval. The proposed vacation will continue to reserve the rights and easements within the right-of-way.

Therefore, in accordance with the Streets & Highway Code, staff is recommending the vacation of Joy Street as described and shown in the exhibits attached to the proposed resolution for the following reasons: 1) the vacation would not cut off access to any adjacent properties 2) the street will be impassable to vehicular traffic following the expansion of the existing building and 3) the right-of-way will be considered excess right-of-way and not required for street purposes.

ALTERNATIVES

- 1. Adopt the proposed resolution, vacating a portion of Joy Street. The said portion of right-of-way is no longer, nor will be in the future, useful for road or landscaping purposes.
- 2. Do not adopt the proposed resolution, vacating a portion of Joy Street. The said portion of excess right-of-way will remain as public right-of-way, and the proposed

building expansion will not be able to move forward. This alternative would prohibit the developer from developing per the previously approved project entitlements.

NOTIFICATION

Written notice of the intent to vacate Joy Street has been provided to the various utility companies, in addition to those businesses within 300-feet of the project boundaries. The public has been notified by publication in the newspaper, the posting of a large-scale notice on the project site and through the agenda.

TO: Mayor and City Council

FROM: Thomas M. DeSantis, Assistant City Manager

AGENDA DATE: September 10, 2013

TITLE: RECOMMENDATION TO ESTABLISH THE CLASSIFICATION OF

RECYCLING SPECIALIST IN THE PUBLIC WORKS

DEPARTMENT

RECOMMENDED ACTION

Recommendation:

1. Adopt the new position, class specification and salary range of the Recycling Specialist in the Public Works Department.

BACKGROUND

The FY 2013/14 City Budget, adopted on June 11, 2013, authorized a Recycling Specialist Position in the Public Works Department pending development of a Classification Specification to be developed in coordination with the Human Resources Department.

DISCUSSION

Authorization for a Recycling Specialist position within the City's FY 2013/14 Budget funds a career, full-time Recycling Specialist (salary grade 16) in lieu of the two existing temporary, part-time Intern positions within the Solid Waste Program. Replacing part-time positions with a single career position will promote program continuity and improved support for the City's Recycling Program.

The Solid Waste/Recycling Program currently has only one full-time Management Analyst as the sole career position associated with this program. Given the specialized nature of this program, and the need to ensure compliance with State of California regulations, it is important to ensure adequate staff support for the state-mandated Recycling Program. The addition of a Full-Time Career Recycling Specialist will

accommodate this need. The position will be funded by the Used Oil Recycling Grant, Beverage Container Recycling Grant, and Solid Waste (General Fund) budget with a funding split of 44% (\$27,000), 44% (\$27,000), and 12% (\$7,000), respectively. The position would utilize approximately 60% of the funds available from the (2) grants and the remainder would remain available for educational outreach efforts. Funding for this position was approved in the FY 2013/14 - 2014/15 budgets.

The recommended Classification Specification and salary range are consistent with similar classifications in the County of Riverside's recycling program.

ALTERNATIVES

- 1. Approve the Recycling Specialist position and establish the job title, class specification, and salary range for the new classification. *Staff recommends this alternative*.
- 2. Not approve the Recycling Specialist position. Staff does not recommend this alternative.

FISCAL IMPACT

No additional funding is required. Funding for this position is included in the FY 2013/14 - 2014/15 budget.

The salary grade for the Recycling Specialist position is proposed at Grade 16 (\$40,777 - \$57,411). The position would be funded by the Used Oil Recycling Grant, Beverage Container Recycling Grant, and Solid Waste (General Fund) budget. The position would utilize approximately 60% of the funds available from the (2) grants and the remainder would remain available for educational outreach efforts.

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: September 10, 2013

TITLE: APPROVAL OF PAYMENT REGISTER FOR JULY, 2013

RECOMMENDED ACTION

Recommendation:

 Adopt Resolution No. 2013-72. A Resolution of the City Council of the City of Moreno Valley, California, approving the Payment Register for the month of July, 2013 in the amount of \$11,239,988.26.

DISCUSSION

To facilitate Council's review, the Payment Register lists in alphabetical order all checks in the amount of \$25,000 or greater, followed by a listing in alphabetical order of all checks less than \$25,000. The Payment Register also includes wire transfers, thus eliminating the need for a separate wire transfer register, as well as the fiscal year-to-date (FYTD) amount paid to each vendor.

FISCAL IMPACT

The disbursements itemized in the attached Payment Register are reflected in the FY 2012-13 and 2013-14 budgets. Therefore, there is no fiscal impact other than the expenditure of budgeted funds.

- 3. Authorize the issuance of a Purchase Order to Miracle Recreation Equipment Company, in the amount of \$381,928.11 (\$356,928.11 for the bid amount plus 7% contingency) when the contract has been signed by all parties.
- 4. Authorize the Parks and Community Services Director to execute any subsequent change orders to the contract with Miracle Recreation Equipment Company, up to but not to exceed the Purchase Order contingency of \$25,000 subject to the approval of the City Attorney.
- 5. Authorize the Parks and Community Services Director to accept the improvements into the Community Services District's maintained system upon acceptance of the improvements as complete.

ADVISORY BOARD/COMMISSION RECOMMENDATION

Parks and Recreation Commission reviewed and recommended the Capital Improvement Plan, including this project on March 8, 2012.

BACKGROUND

In order to comply with the California Code of Regulations, Health and Safety Codes, American Society for Testing and Materials (ASTM) and the U.S. Consumer Products Safety Commission (CPSC), play structures that are not compliant need to be retrofitted and/or replaced to be in compliance. Retrofitting is not an option in these cases, since the play equipment at these sites was discontinued in the 1990's. Several sites have been identified for replacement in the 5-year CIP, including Fairway Park, El Potrero Park, and Bethune Park.

Miracle Recreation Equipment Company's play equipment is part of the Parks and Community Services Department's specified standards for tot lots and playgrounds. The play equipment being replaced was manufactured by Miracle Recreation Equipment Company. Additionally, Miracle Recreation Equipment Company is the exclusive supplier for Fibar® ADA compliant surfacing used in City parks. Fibar® is the standard specification for loose fill engineered wood fiber for City parks.

DISCUSSION

Project materials and labor costs have all been publically bid utilizing the HGAC (Houston-Galveston Area Council government-to-government procurement service) cooperative bidding process. Miracle Recreation Equipment Company was the low bidder for all components that are being contracted for.

In order to maintain and ensure the continuity of adopted park standards and compliance with the State and Federal codes and regulations, staff recommends that Miracle Recreation Equipment Company provide the play structures, surfacing, and this service during installation of the new structures at Fairway Park, El Potrero Park, and Bethune Park.

<u>ALTERNATIVES</u>

- Award Purchase Order to Miracle Recreation Equipment Company, 8445 Solution Center, Chicago, IL 60677-8004 for material and labor to replace play structures and playground surfacing at Fairway Park, El Potrero Park, and Bethune Park, and authorize the Purchasing Manager to execute a purchase order in an amount not to exceed \$381,928.11 as appropriated in FY13/14, in G.L. account 3006-50-57-80007-720199, project number 807 0004 50 57 3006Q.
- 2. Elect not to award a purchase order to Miracle Recreation Equipment Company at this time and provide further direction to staff.

FISCAL IMPACT

Funding for the new play structures and playground surfacing is estimated not to exceed \$381,928.11, utilizing Quimby Development Impact Fees (2906). This item is an approved budget item for FY 13/14 in GL account 3006-50-57-80007-720199, project number 807 0004 50 57 3006Q.

This recommended action imposes NO fiscal impact to the General Fund.

- A. The Contractor's scope of service is described in Attachment 'A' attached hereto and incorporated herein by this reference.
- B. The CSD's responsibility and project locations, other than payment, described in Attachment 'B' attached hereto and incorporated herein by this reference.
- C. Payment terms are provided in Attachment 'C' attached hereto and incorporated herein by this reference.
- D. Playground apparatus schematics are provided in Attachment 'D'.
- E. Contractor's quote is provided in Attachment 'E'.
- F. The Agreement shall commence on the date it is signed by the CSD. The termination date of the Agreement shall be April 30, 2014.
- G. The Contractor's Starting Date is the date listed on the issued Purchase Order, which will be utilized as the "Notice to Proceed". The Contractor agrees to diligently prosecute the contracted work, including corrective items of work, day to day thereafter, to completion within **ninety (90) working days** after said date in the "Notice to Proceed". The CSD acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.

H. The work performed in this contract shall be performed Monday through Friday, 7 a.m. to 4 p.m. CSD observed holidays shall be observed by the Contractor and no work shall be performed on these dates.

3. **STANDARD TERMS AND CONDITIONS**:

- A. <u>Control of Work.</u> Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The CSD will not provide any training to Contractor or his/her/its employees.
- B. <u>Intent of Parties.</u> Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services is paid by the Contractor, an agent or employee of the CSD, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the CSD, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the CSD.
- C. <u>Subcontracting</u>. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the CSD. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Agreement, with the exception that the CSD shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].
- D. <u>Legal Considerations</u>. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Agreement.
- E. Contractor Indemnification. To the fullest extent permitted by law, the Contractor assumes liability for and agrees, at the Contractor's sole cost and expense, to promptly and fully indemnify, protect, hold harmless and defend (even if the allegations are false, fraudulent, or groundless), the Moreno Valley Community Services District (CSD), the City of Moreno Valley, the City Council and each member thereof, and the Moreno Valley Housing Authority and all of their respective officials, officers, directors, employees, commission members, representatives and agents ("Indemnitees"), from and against any and all claims, allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceeds, causes of action, demands, costs, judgments, liens, stop notices, penalties, liabilities, damages, losses, anticipated losses of revenues, and expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses), or losses of any kind or nature whatsoever, whether actual, threatened or alleged, arising out of, resulting from, or in any way (either directly or indirectly), related to the Work, the Project or any breach of the Contract by Contractor or any of its officers, agents, employees, subcontractors, sub-subcontractors, or any person performing any of the Work, pursuant to a direct or indirect contract with the Contractor ("Indemnity Claims"). Such Indemnity Claims include, but are not limited to, claims for:
 - 1. Any activity on or use of the CSD's and/or City's premises or facilities;
 - 2. Any liability incurred due to Contractor acting outside the scope of its authority pursuant to the Contract, whether or not caused in part by an Indemnified Party;
 - 3. The failure of Contractor or the Work to comply with any Applicable Law, permit or orders;
 - 4. Any misrepresentation, misstatement or omission with respect to any statement made in the Contract Documents or any document furnished by the Contractor in connection therewith;
 - 5. Any breach of any duty, obligation or requirement under the Contract Documents, including, but not limited to any breach of Contractor's warranties, representations or agreements set forth in the Contract Documents;

- 6. Any failure to coordinate the Work with CSD's Separate Contractors;
- 7. Any failure to provide notice to any party as required under the Contract Documents;
- 8. Any failure to act in such a manner as to protect the Project from loss, cost, expense or liability;
- 9. Bodily or personal injury, emotional injury, sickness or disease, or death at any time to any persons including without limitation employees of Contractor;
- Damage or injury to real property or personal property, equipment and materials (including, but without limitation, property under the care and custody of the Contractor or the CSD) sustained by any person or persons (including, but not limited to, companies, corporations, utility company or property owner, Contractor and its employees or agents, and members of the general public);
- 11. Any liability imposed by Applicable Law including, but not limited to criminal or civil fines or penalties;
- 12. Any dangerous, hazardous, unsafe or defective condition of, in or on the Site, of any nature whatsoever, which may exist by reason of any act, omission, neglect, or any use or occupation of the Site by Contractor, its officers, agents, employees, or subcontractors;
- 13. Any operation conducted upon or any use or occupation of the Site by Contractor, its officers, agents, employees, or subcontractors under or pursuant to the provisions of the Contract or otherwise;
- 14. Any acts, errors, omission or negligence of Contractor, its officers, agents, employees, or subcontractors;
- 15. Infringement of any patent rights, licenses, copyrights or intellectual property which may be brought against the Contractor or Owner arising out of Contractor's Work, for which the Contractor is responsible; and
- Any and all claims against the CSD seeking compensation for labor performed or materials used or furnished to be used in the Work or alleged to have been furnished on the Project, including all incidental or consequential damages resulting to the CSD from such claims.

Effect of Indemnitees' Active Negligence. Contractor's obligations to indemnify and hold the Indemnitees harmless exclude only such portion of any Indemnity Claim which is attributable to the active negligence or willful misconduct of the Indemnitee, provided such active negligence or willful misconduct is determined by agreement of the parties or by findings of a court of competent jurisdiction. In instances where an Indemnitee's active negligence accounts for only a percentage of the liability for the Indemnity Claim involved, the obligation of Contractor will be for that entire percentage of liability for the Indemnity Claim not attributable to the active negligence or willful misconduct of the Indemnitee(s). Such obligation shall not be construed to negate, abridge or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph E. Subject to the limits set forth herein, the Contractor, at its own expense, shall satisfy any resulting judgment that may be rendered against any Indemnitee resulting from an Indemnity Claim. The Indemnitees shall be consulted with regard to any proposed settlement.

Independent Defense Obligation. The duty of the Contractor to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Contractor of the tender of any Indemnity Claim from an Indemnitee. The Contractor's obligation to defend the Indemnitee(s) shall be at Contractor's sole expense, and not be excused because of the Contractor's inability to evaluate liability or because the Contractor evaluates liability and determines that the Contractor is not liable. This duty to defend shall apply whether or not an Indemnity Claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively, or concurrently negligent, or which otherwise asserts that the Indemnitees are responsible, in whole or in part, for any

Indemnity Claim. The Contractor shall respond within thirty (30) Calendar Days to the tender of any Indemnity Claim for defense and/or indemnity by an Indemnitee, unless the Indemnitee agrees in writing to an extension of this time. The defense provided to the Indemnitees by Contractor shall be by well qualified, adequately insured and experienced legal counsel acceptable to the CSD.

Intent of Parties Regarding Scope of Indemnity. It is the intent of the parties that the Contractor and its subcontractors of all tiers shall provide the Indemnitees with the broadest defense and indemnity permitted by Applicable Law. In the event that any of the defense, indemnity or hold harmless provisions in the Contract Documents are found to be ambiguous, or in conflict with one another, it is the parties' intent that the broadest and most expansive interpretation in favor of providing defense and/or indemnity to the Indemnitees be given effect.

<u>Waiver of Indemnity Rights Against Indemnitees.</u> With respect to third party claims against the Contractor, to the fullest extent permitted by law, the Contractor waives any and all rights to any type of express or implied indemnity against the Indemnitees.

Subcontractor Requirements. In addition to the requirements set forth hereinabove, Contractor shall ensure, by written subcontract agreement, that each of Contractor's subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to Indemnity Claims arising out of, in connection with, or in any way related to each such subcontractors' Work on the Project in the same manner in which Contractor is required to protect, defend, indemnify and hold the Indemnitees harmless. In the event Contractor fails to obtain such defense and indemnity obligations from others as required herein, Contractor agrees to be fully responsible to the Indemnitees according to the terms of this Paragraph 11.

No Limitation or Waiver of Rights. Contractor's obligations under this Paragraph E are in addition to any other rights or remedies which the Indemnitees may have under the law or under the Contract Documents. Contractor's indemnification and defense obligations set forth in this Paragraph 11 are separate and independent from the insurance provisions set forth in the Contract Documents, and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance provisions. The purchase of insurance by the Contractor with respect to the obligations required herein shall in no event be construed as fulfillment or discharge of such obligations. In any and all claims against the Indemnitees by any employee of the Contractor, any subcontractor, any supplier of the Contractor or subcontractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the obligations under this Paragraph E shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any subcontractor or any supplier of either of them, under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. Failure of the CSD to monitor compliance with these requirements imposes no additional obligations on the CSD and will in no way act as a waiver of any rights hereunder. Withholding to Secure Obligations. In the event an Indemnity Claim arises prior to final payment to Contractor, the CSD may, in its sole discretion, reserve, retain or apply any monies due Contractor for the purpose of resolving such Indemnity Claims; provided, however, the CSD may release such funds if the Contractor provides the CSD with reasonable assurances of protection of the Indemnitees' interests. The CSD shall, in its sole discretion, determine whether such assurances are reasonable.

<u>Survival of Indemnity Obligations.</u> Contractor's obligations under this Paragraph E are binding on Contractor's and its subcontractors' successors, heirs and assigns and shall survive the completion of the Work or termination of the Contractor's performance of the Work.

F. <u>Insurance Requirements</u>. The Contractor shall procure and maintain at its sole expense and throughout the term of this Agreement, any extension thereof, Commercial General Liability, Automobile Liability, and Workers' Compensation Insurance with such coverage limits as described herein.

Additional Insured Endorsements. The Contractor shall cause the insurance required by the Contract Document to include the Moreno Valley Community Services District (CSD), the City of Moreno Valley (City), and the Moreno Valley Housing Authority, and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives as an additional insureds. For the Commercial General Liability coverage, said parties shall be named as additional insureds utilizing either:

- Insurance Services Office ("ISO") Additional Insured endorsement CG 20 10 (11/85); or
- 2. ISO Additional Insured endorsement CG 20 10 (10/01) and Additional Insured Completed Operations endorsement CG 20 37 (10/01); or
- 3. Substitute endorsements providing equivalent coverage, approved by the City.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. The coverage shall contain no special limitations on the scope of protection afforded to such additional insureds. Coverage for such additional insureds does not extend to liability to the extent prohibited by Insurance Code Section 11580.4.

<u>Waivers of Subrogation.</u> All policies of insurance required by the Contract Documents shall include or be endorsed to provide a waiver by the insurers of any rights of recovery or subrogation that the insurers may have at any time against the Moreno Valley Community Services District (CSD), the City of Moreno Valley, the City Council and each member thereof, and the Moreno Valley Housing Authority, and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives.

<u>Primary Coverage</u>. All policies and endorsements shall stipulate that the Contractor's (and the subcontractors') insurance coverage shall be primary insurance as respects the Moreno Valley Community Services District (CSD), the City of Moreno Valley, the City Council and each member thereof, and the Moreno Valley Housing Authority, and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives, and shall be excess of the Contractor's (and its subcontractors') insurance and shall not contribute with it.

<u>Coverage Applies Separately to Each Insured and Additional Insured.</u> Coverage shall state that the Contractor's (and its subcontractors') insurance shall apply separately to each insured or additional insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Coverage shall apply to any claim or suit brought by an additional insured against a named insured or other insured.

<u>Self-Insurance</u>. Any self-insurance (including deductibles or self-insured retention in excess of \$50,000) in lieu of liability insurance must be declared by Contractor and approved by the City in writing prior to execution of the Agreement. The City's approval of self-insurance, if any, is within the City's sole discretion and is subject to the following conditions:

Contractor must, at all times during the term of the Agreement and for a period of at least **one (1) year** after completion of the Project maintain and upon Owner's reasonable request provide evidence of:

- 1. Contractor's "net worth" (defined as "total assets" [defined as all items of value owned by the Contractor including tangible items such as cash, land, personal property and equipment and intangible items such as copyrights and business goodwill]) minus total outside liabilities must be reflected in a financial statement for the prior fiscal year reflecting sufficient income and budget for Contractor to afford at least one loss in an amount equal to the amount of self-insurance;
- 2. financial statements showing that Contractor has funds set aside/budgeted to finance the self-insured fund (i.e., Contractor has a program that fulfills functions that a primary insurer would fill;) and
- 3. a claims procedure that identifies how a claim is supposed to be tendered to reach the financing provided by the self-insured fund.

If at any time after such self-insurance has been approved Contractor fails to meet the financial thresholds or otherwise fails to comply with the provisions set forth in this

Paragraph G, at the option of the City:

- the Contractor shall immediately obtain and thereafter maintain the third party insurance required under this Paragraph G and otherwise on the terms required above; or
- 2. the insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, the CSD, its officers, officials, employees and volunteers; or
- 3. the Contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

<u>Insurer Financial Rating.</u> Insurance companies providing insurance hereunder shall be rated A:VII or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

Notices to CSD of Cancellation or Changes. Each insurance policy described in Paragraph G shall contain a provision or be endorsed to state that coverage will not be cancelled without thirty (30) days' prior written notice by certified or registered mail to the CSD (this obligation may be satisfied in the alternative by requiring such notice to be provided by Contractor's insurance broker and set forth on its Certificate of Insurance provided to the CSD), except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. If an insurance carrier cancels any policy or elects not to renew any policy required to be maintained by Contractor pursuant to the Contract Documents, Contractor agrees to give written notice to the CSD at the address indicated on the first page of the Agreement. Contractor agrees to provide the same notice of cancellation and non-renewal to the CSD that is required by such policy(ies) to be provided to the First Named Insured under such policy(ies). Contractor shall provide confirmation that the required policies have been renewed not less than seven (7) days prior to the expiration of existing coverages and shall deliver renewal or replacement policies. certificates and endorsements to the City Clerk within fourteen (14) days of the expiration of existing coverages. Contractor agrees that upon receipt of any notice of cancellation or alteration of the policies, Contractor shall procure within five (5) days, other policies of insurance similar in all respects to the policy or policies to be cancelled or altered. Contractor shall furnish to the City Clerk copies of any endorsements that are subsequently issued amending coverage or limits within fourteen (14) days of the amendment.

Commercial General Liability. Coverage shall be written on an ISO Commercial General Liability "occurrence" form CG 00 01 (10/01 or later edition) or equivalent form approved by the City for coverage on an occurrence basis. The insurance shall cover liability, including, but not limited to, that arising from premises operations, stop gap liability, independent contractors, products-completed operations, personal injury, advertising injury, and liability assumed under an insured contract. The policy shall be endorsed to provide the Aggregate Per Project Endorsement ISO form CG 25 03 (11/85). Coverage shall contain no contractors' limitation or other endorsement limiting the scope of coverage for liability arising from pollution, explosion, collapse, or underground (x, c, u) property damage. Contractor shall provide Products/Completed Operations coverage to be maintained continuously for a minimum of **one (1) year** after Final Acceptance of the Work, and any extension of the one-year correction guarantee period in accordance with Section 6-8.1 of the CSD Special Provisions.

Contractor shall maintain Commercial General Liability insurance with the following minimum limits: \$1,000,000 per occurrence / \$2,000,000 aggregate / \$2,000,000 products-completed operations.

<u>Business Automobile Liability.</u> Coverage shall be written on ISO form CA 00 01 (12/93 or later edition) or a substitute form providing equivalent coverage for owned, hired, leased and non-owned vehicles, whether scheduled or not, with \$1,000,000 combined single limit per accident for bodily injury and property damage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

Workers' Compensation. Contractor shall comply with the applicable sections of the California Labor Code concerning workers' compensation for injuries on the job.

Compliance is accomplished in one of the following manners:

- 1. Provide copy of permissive self-insurance certificate approved by the State of California; or
- 2. Secure and maintain in force a policy of workers' compensation insurance with statutory limits and Employer's Liability Insurance with a minimal limit of \$1,000,000 per accident; or
- 3. Provide a "waiver" form certifying that no employees subject to the Labor Code's Workers' Compensation provision will be used in performance of this Contract.

<u>Subcontractors' Insurance.</u> The Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

- G. <u>Intellectual Property</u>. Any system or documents developed, produced or provided under this Agreement, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the CSD unless explicitly stated otherwise in this Agreement. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Agreement. The CSD and the Contractor agree that to the extent permitted by law, until final approval by the CSD, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.
- H. <u>Entire Agreement</u>. This Agreement constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Agreement. This Agreement applies only to the current proposal as attached. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties. Assignment of this Agreement is prohibited without prior written consent.
 - (a) The CSD may terminate this Agreement without cause by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue work through the date of termination, provided that no work or service(s) shall be commenced or continued after receipt of the notice which is not intended to protect the interest of the CSD. The CSD shall pay the Contractor within thirty (30) days after receiving any invoice after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.
 - (b) Either party may terminate this Agreement for cause. In the event the CSD terminates this Agreement for cause, the Contractor shall perform no further work or service(s) under the Agreement unless the notice of termination authorizes such further work.

<u>Payment</u>. Payments to the Contractor pursuant to this Agreement will be reported to federal and state taxing authorities as required. The CSD will not withhold any sums from compensation payable to Contractor. Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Agreement. Upon reasonable notice, such records must be made available to the CSD's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Agreement. No payment shall be made until the product has been fully installed, inspected and certified by an authorized Certified Playground Safety Inspector (CPSI).

- I. <u>Stop Notice Withholds.</u> The CSD may withhold payments to cover claims filed under Civil Code § 3179 et seq.
- J. <u>Restrictions on CSD/City Employees</u>. The Contractor shall not employ any CSD or City employee or official in the work performed pursuant to this Agreement. No officer or

- employee of the CSD or City shall have any financial interest in this Agreement in violation of federal, state, or local law.
- K. <u>Choice of Law and Venue</u>. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall govern the interpretation of this Agreement. Any legal proceeding arising from this Agreement shall be brought in the appropriate court located in Riverside County, State of California.
- L. <u>Legal Action.</u> Should either party bring any legal or equitable action for the purpose of protecting or enforcing its rights under this Contract Agreement, the prevailing party in such action shall recover in addition to all other relief, its reasonable attorney fees and court costs to be fixed by the court.
 - In addition to the foregoing award of attorney fees, the prevailing party shall be entitled to its attorneys' fees incurred in any post judgement proceedings to enforce any judgments in connection with this Contract Agreement. The Provision is separate and several and shall survive the merge of this Provision into any judgement.
- M. <u>Warranty.</u> The Contractor, the Contractor's heirs, executors, administrators, successors, or assigns guarantee that all work performed under this Contract fully meets the requirements thereof as to quality of workmanship and materials furnished. If any defects in materials or workmanship become evident within a period of one year from the date of the acceptance of the work by the City Council, the Contractor shall, at his or her own expense, make any repair(s) or replacement(s) necessary to restore the work to full compliance with the Plans and Specifications.
- N. Prevailing Wage. The Contractor and any agents or subcontractors of the Contractor shall pay the prevailing rates of per diem wages established by the California Department of Industrial Relations and Prevailing Wage Rates. The Contractor and any agents or subcontractors of the Contractor shall also adhere to the California Labor Code, Division 2, Part 7, "Public Works and Public Agencies," and the California Administrative Code, Title 8, Group 3, "Payment of Prevailing Wages upon Public Works," all of which are made a part of the Contract documents. The Contractor shall submit a list of all trades utilized in the project and corresponding DIR wage determinations. Certified payroll reports, Certificates of Compliance and Fringe Benefit Statements shall be submitted weekly.
- O. Records. The Contractor agrees that he or she and its subcontractors shall maintain and keep books, payrolls, invoices of materials, records on a current basis, and recording all transactions pertaining to this Agreement in a form in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, Riverside County, the State of California, the Federal Government and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for such periods of time as required by law, provided, however, notwithstanding any shorter period of retention, all books, records, and supporting detail shall be retained for a period of at least three years after Final Acceptance.
- P. <u>Performance.</u> The parties do for themselves, their heirs, executors, administrators, successors and assigns agree to the full performance of all of the provisions herein contained. The Contractor may not, either voluntarily or by action of law, assign any obligation assumed by the Contractor hereunder without prior written consent of the CSD.
- Q. <u>Workers' Compensation.</u> By my signature hereunder, as Contractor, I certify that I am aware of the Provisions of Section 3700, of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the Provisions of that code, and I will comply with such Provisions before commencing the performance of the work of this Contract.
- R. <u>Contract Commencement.</u> The effective date of this Contract Agreement shall be the date of the Award of Contract by the CSD.
- S. <u>Licensing.</u> Contractors are required by law to be licensed and regulated by the Contractors' State License Board. Any questions concerning a Contractor may be referred to the

Registrar, Contractors' State License Board, 3132 Bradshaw Road, Sacramento, CA 95826. Mailing address: P.O.Box 26000, Sacramento, CA 95826.

- T. <u>City of Moreno Valley Business License.</u> The Contractor and all subcontractors shall obtain and keep current a City of Moreno Valley Business License prior to commencement and throughout the duration of the Work.
- U. <u>Successors and Assigns.</u> The parties bind themselves, their heirs, executors, administrators, successors and assigns the covenants, agreements and obligations contained in the Contract Documents. The Contractor shall not, either voluntarily or by action of law, assign any right or obligation of the Contractor under the Contract Documents without prior written consent of the CSD.
- V. <u>Unconditional Release of Materials and Labor.</u> Prior to final payment for material and labor, the Contractor shall provide the CSD Unconditional Wavers of Release for all products and associated labor.
- W. <u>Certification</u>. Prior to final payment, the Contractor shall provide a Certification of Compliance letter, from a Certified Playground Inspector (CPSI), stating that all playground materials were installed in compliance with the United States Consumer Product Safety Commission (CPSC) guidelines.

X. Bonds.

<u>Performance Bond</u>. The Contractor shall furnish a satisfactory Performance Bond meeting all statutory requirements of the State of California on the form provided by the CSD. The bond shall be furnished as a guarantee of the faithful performance of the requirements of the Contact Documents as may be amended from time to time, including, but not limited to, liability for delays and damages (both direct and consequential) to the CSD and the CSD's Separate Contractors and consultants, warranties, guarantees, and indemnity obligations, in an amount that shall remain equal to one hundred percent (100%) of the Contract Price.

Labor and Materials Payment Bond. The Contractor shall furnish a satisfactory Labor and Materials Payment Bond meeting all statutory requirements of the State of California on the form provided by the CSD in an amount that shall remain equal to one hundred percent (100%) of the Contract Price to secure payment of all claims, demands, stop notices, or charges of the State of California, of material suppliers, mechanics, or laborers employed by the Contractor or by any Subcontractor, or any person, form, or entity eligible to file a stop notice with respect to the Work.

All bonds shall be executed by a California-admitted surety insurer. Bonds issued by a California-admitted surety insurer listed on the latest version of the U.S Department of Treasury Circular 570 shall be deemed accepted unless specifically rejected by the CSD. Bonds issued by sureties not listed in Treasury Circular 570 must be accompanied by all documents enumerated in California Code of Civil Procedure Section 995.660(a). The bonds shall bear the same date as the Contract. The attorney-in-fact who executes the required bonds on behalf of the surety shall affix thereto a certified and current copy of the power of attorney. In the event of changes that increase the Contract Price, the amount of each bond shall be deemed to increase and at all times remain equal to the Contract Price. The signatures shall be acknowledged by a notary public. Every bond must display the surety's bond number and incorporate the Contract for construction of the Work by reference. The terms of the bonds shall provide that the surety agrees that no change, extension of time, alteration, or modification of the Contract Documents or the Work to be performed thereunder shall in any way affect its obligations and shall waive notice of any such change, extension of time, alteration, or modification of the Contract Documents. The surety further agrees that it is obligated under the bonds to any successor, grantee, or assignee of the CSD.

Upon the request of any person or entity appearing to be a potential beneficiary of bonds covering payment of obligations arising under the Contract, the Contractor shall promptly furnish a copy of the bonds or shall authorize a copy to be furnished.

Should any bond become insufficient, or should any of the sureties, in the opinion of the CSD, become non-responsible or unacceptable, the Contractor shall, within ten (10)

Calendar Days after receiving notice from the CSD, provide written documentation to the Satisfaction of the CSD that Contractor has secured new or additional sureties for the bonds; otherwise the Contractor shall be in default of the Contract. No further payments shall be deemed due or will be made under Contract until a new surety(ies) qualifies and is accepted by the CSD.

Contractor agrees that the Labor and Materials Payment Bond and Faithful Performance Bond attached to this Agreement are for reference purposes only, and shall not be considered a part of this Agreement. Contractor further agrees that said bonds are separate obligations of the Contractor and its surety, and that any attorney's fee provision contained in any payment bond or performance bond shall not apply to this Agreement. In the event there is any litigation between the parties arising from the breach of this Agreement, each party will bear its own attorneys' fees in the litigation.

SCOPE OF WORK

Fairway Park:

- 1. This is a State of California Prevailing Wage Project; certified payroll is required per the Department of Industrial Relations guidelines.
- 2. Provide and maintain temporary fence (approx.190 l.f.) around area of work (no barb wire allowed).
- 3. Demo and dispose of all existing play equipment, footings, ramps, rubber surfacing and its base concrete, sand, soil, engineered wood fiber, or other base material. Excavate play pit materials to a depth minimum of 14".
- 4. Contractor to provide the CSD a **weight certification and weight in 'Tons'** for all recyclable material (concrete, steel, rubber, etc.) removed from the project. The certification shall be generated from the disposal or recycler facility. The Contractor shall be careful not to contaminate materials with other foreign matter.
- 5. Install one (1) concrete ADA ramp with a maximum 4.5% slope (direction of travel) and a 1.5% maximum cross slope. The ramp must extend to the bottom of the play pit and have a minimum 6" high protective edge. All ramps shall be compliant with ADA/Title 24 and have 6' landings. Ramps shall be reinforced with #4 rebar @ 24" on center. Minimum thickness of concrete shall be no less than 6". Base material for ramp must be Class-II, compacted to 95%.
- 6. Install two (2) large sump drains (36" wide x 72" deep), utilizing drainage fabric and 3/4" washed gravel and filter fabric. The grade shall slope approximately 2% toward the sumps.
- 7. Install Kid's Choice modular play structure with one (1) Integral 18' x 18' Playcover and Nexus play equipment.
- 8. Install a minimum of 1760 square feet of Fibar System 312 (including filter cloth and drainage channels) to a <u>minimum compacted</u> depth of 12". Contractor shall make allowances for the extra depth created by the drainage slope. The finished surface of Fibar shall be level across the perimeter of the play pit. Compaction shall be using water and a power whacker or equal.
- 9. Replace/repair turf, plant and or hardscape damage caused by construction vehicles and/or equipment.
- 10. Contractor to supply product submittals and shop drawings. Concrete shall be Greenbook 560C-3250 PSI for footings and Greenbook 560C-3250 PSI for flatwork. Fly ash will not be permitted on any concrete. Contractor shall compact all footing excavations and flatwork sub base to 90%.
- 11. Contractor shall notify Underground Service Alert, prior to any excavation.
- 12. Contractor to provide unconditional releases from all material suppliers and subcontractors.

El Potrero Park:

- 1. This is a State of California Prevailing Wage Project; certified payroll is required per the Department of Industrial Relations guidelines.

State of California Statutes

California Code
California Government Code
Title 1 General
Division 7 Miscellaneous
Chapter 5 Joint Exercise of Powers
Article 1 Joint Powers Agreements
§ 6500 Government.

As used in this article, "public agency" includes, but is not limited to, the federal government or any federal department or agency, this state, another state or any state department or agency, a county, county board of education, county superintendent of schools, city, public corporation, public district, regional transportation commission of this state or another state, or any joint powers authority formed pursuant to this article by any of these agencies.

§ 6502 Government.

If authorized by their legislative or other governing bodies, two or more public agencies by agreement may jointly exercise any power common to the contracting parties, even though one or more of the contracting agencies may be located outside this state.

It shall not be necessary that any power common to the contracting parties be exercisable by each such contracting party with respect to the geographical area in

which such power is to be jointly exercised. For purposes of this section, two or more public agencies having the power to conduct agricultural, livestock, industrial, cultural, or other fairs or exhibitions shall be deemed to have common power with respect to any such fair or exhibition conducted by any one or more of such public agencies or by an entity created pursuant to a joint powers agreement entered into by such public agencies.

Chapter 7 Intergovernmental Operations
Article 3 Joint Exercise of Powers
§ 11-951, Definitions

For the purposes of this article, the term "public agency" shall include the federal government or any federal department or agency Indian tribe, this state, any other state, all departments, agencies, boards and commissions of this state or any other state, counties, school districts, cities, towns, all municipal corporations, and any other political subdivisions of the state or any other state.

§ 11-952. Intergovernmental agreements and contracts

If authorized by their legislative or other governing bodies, two or more public agencies by direct contract or agreement may contract for services or jointly exercise any powers common to the contracting parties and may enter into agreements with one another for joint or cooperative action or may form a separate legal entity, including a nonprofit corporation, to contract for or perform some or all of the services specified in the contract or agreement or exercise those powers jointly held by the contracting parties, except that if two or more school districts arrange to become contracting parties under the terms of this section, such contract shall first be approved by the state board of education

State of Nevada Statutes

Title 27 – Public Property and Purchasing

Chapter 232 Purchasing: Local Governments

General Provisions

§ NRS 332.015 "Local government" defined.

For the purpose of this chapter, unless the context otherwise requires, "local government" means:

- 1. Every political subdivision or other entity which has the right to levy or receive money from ad valorem taxes or other taxes or from any mandatory assessments, including counties, cities, towns, school districts and other districts organized pursuant to chapters 244, 309, 318, 379, 450, 473, 474, 539, 541, 543 and 555 of NRS.
- 2. The Las Vegas Valley Water District created pursuant to the provisions of chapter 167, Statutes of Nevada 1947, as amended.
- 3. County fair and recreation boards and convention authorities created pursuant to the provisions of NRS 244A.597 to 244A.655, inclusive.
- 4. District boards of health created pursuant to the provisions of NRS 439.370 to 439.410, inclusive.
- 5. The Nevada Rural Housing Authority.

§ NRS 332.195 Joinder or mutual use of contracts by local governments.

- 1. A governing body or its authorized representative may join or use the contracts of other local governments located within or outside this state with the authorization of the contracting vendor. The originally contracting local government is not liable for the obligations of the local government which joins or uses the contract.
- 2. A governing body or its authorized representative may join or use the contracts of the State of Nevada or another state with the authorization of the contracting vendor. The State of Nevada or other state is not liable for the obligations of the local government which joins or uses the contract.

§ NRS 332.115 Contracts not adapted to award by competitive bidding; purchase of equipment by local law enforcement agency or local fire department; purchase of goods commonly used by hospital.

- 1. Contracts which by their nature are not adapted to award by competitive bidding, including contracts for:
- (m) Supplies, materials or equipment that are available pursuant to an agreement with a vendor that has entered into an agreement with the General Services Administration or another governmental agency located within or outside this state

In 1971, the Texas Legislature passed the Interlocal Cooperation Act [Texas Government Code, Title 7, Chapter 791] to promote activities among local governments across Texas. Any local government or non-profit providing government services may contract or agree with one or more local governments under the terms of this Act to conduct purchasing and other administrative functions. The following excerpt from the Act states that... "The Interlocal Cooperation Act's purpose is to improve the efficiency

and effectiveness of local governments by authorizing the fullest possible range of intergovernmental contracting authority at the local level including contracts between all political subdivisions of the state and agencies of the state.

Legal Authority

Governmental entities join HGACBuy by execution of an Interlocal Contract (ILC). By executing the ILC, the End User represents and warrants to H-GAC that (1) it is eligible to contract with H-GAC under the Act because it is one of the following: a qualifying non-profit corporation, county, municipality, special district, or other political subdivision of the State of Texas, or another state, and (2) it possesses adequate legal authority to enter into this Contract.

Scope of H-GAC's Professional Services

When participating in HGACBuy, members make their purchase orders out to, and directly pay, the HGACBuy contractor (Miracle Recreation). However, H-GAC does act as the designated purchasing agent on behalf of participating End Users by performing specific services including, but not limited to:

- Conducting research and surveys
- Developing specifications for each product/service
- Soliciting vendor participation
- Issuing specifications documents
- Conducting pre-bid/pre-proposal conferences
- Opening bid/proposal responses
- Evaluating responses
- Issuing Vendor Contracts awarded by the H-GAC Board of Directors
- Certifying contract validity
- Contracts Administration

Interlocal Contract Renewals

Provisions of the Interlocal Cooperation Act provide for annual renewal of Interlocal Contracts. The contract document issued by HGACBuy contains a provision for automatic annual renewal. Unless an updated contract document is requested, or statutory change occurs, the initial enactment could remain in effect in perpetuity. A permanent identification number is assigned to each End User contract.

Purchasing Statutes Applied to H-GAC Competitive Bid Process

Products offered through HGACBuy have been subjected to either the competitive bid or competitive proposal format based on Texas statutes for Councils of Governments under the Local Government Code Chapter 252. The 76th Legislature, Regular Session, added language that stipulates Councils of Governments shall specifically use "municipal bidding statutes". As administrator, H-GAC's rules of governance apply. In evaluating bid and proposal responses, HGACBuy takes into account any prospective contractor's ability to meet performance requirements. Factors considered include number and location of sales/service facilities, depth of staff, qualifications of technical support personnel, and business continuity. Contractors are expected to service all End Users participating in the Program wherever possible, practical, and not contrary to franchise or dealership agreements.

H-GAC Board of Directors Awards All Contracts

The Board of Directors composed of 35 elected officials awards all H-GAC cooperative purchasing contracts. As a political subdivision of the State of Texas, Board agenda are publicly posted in advance of public meetings. Board meetings are customarily held on the third Tuesday of each month in H-GAC Conference Room A, Second floor, 3555 Timmons Lane, Houston. The Houston-Galveston Area Council is one of Texas' 24 regional councils of governments.

Steps To Placing Purchase Orders Through HGACBuy

Step 1: (first time only) Execute the "Interlocal Contract" (ILC) and return 2 wet signed copies to H-GAC via mail. H-GAC will sign two copies and return one to the End User for their records. The ILC may be faxed to 713-993-4548 for expedited processing.

Step 2: Obtain specific product plans and quotes from Miracle Playground Sales, your local Miracle Recreation, HAGS, Fibar and Xccent representative at (800) 264-7225 or sales@miracleplayground.com.

Step 3: Prepare and submit your purchase order directly to:

Miracle Recreation c/o Miracle Playground Sales 9196 Stellar Ct

Corona CA, 92883 (800) 264-7225 Phone (951) 676-8706 Fax sales@miracleplayground.com

A copy of the order along with a copy of the Miracle Recreation written quotation shall be faxed or mailed to HGACBuy at FAX: 713-993-4548. Orders should include specific details regarding the purchase (i.e., name of the End User's contact person, shipping/delivery instructions, and installation details, if any). Miracle Recreation will then invoice End User for all purchases, and End User will pay the contractor directly following delivery and acceptance.

NOTE: Performance Bond

HGACBuy's contractual requirements no longer include a Performance Bond, and bid pricing should reflect this cost saving. However, Miracle Recreation must be prepared to offer a Performance Bond to cover any specific order, if so requested by End User. Miracle Recreation shall quote a price of 2.5% of the total order to End User for provision of any requested Performance Bond. If Performance Bond is requested by End User for a particular order, Miracle Recreation agrees to furnish the Performance Bond within ten (10) days of receipt of End User's purchase order.

HGACBuy Order Confirmation

On most contracts, when a copy of a purchase order is received (see Step 3 above), HGACBuy staff prepares an Order Confirmation, which is then sent to the Member and Miracle Recreation - authorizing Miracle recreation to proceed with the order. This Order Confirmation indicates that Miracle Recreation does have a valid contract with HGACBuy for the products contained on the order. Actual pricing is not verified on the Order Confirmation. For pricing verification prior to issuing the purchase order, contact HGACBuy staff.

Remitting End User Payments For Products and Services Rendered

The prompt payment requirements for products and services rendered through cooperative purchasing states that "...upon delivery of the goods and services purchased, and presentation by Miracle Recreation of a properly documented invoice, the End User shall promptly, and in any case within thirty (30) days, pay Miracle

Recreation the full amount of the invoice. All contracts between HGACBuy and Miracle Recreation require prompt payment upon delivery of products/services to an End User.

Ownership Passes Directly From Miracle Recreation to End Users

HGACBuy does not at any time take title to any product. Miracle Recreation assigns ownership directly to End Users.

Reimbursement of HGACBuy's Operational Costs

The HGACBuy program is solely funded through the assessment of an administrative fee paid by Miracle Recreation on each order.

End Users Invited to Attend Pre-Bid Conferences

HGACBuy schedules publicly announced pre-bid/pre-proposal specification conferences with manufacturers, distributors, representatives, and dealers for the various product categories offered. These conferences, held throughout each year, are widely attended by the various industry groups represented in the Program. End Users are invited to attend these conferences also.

3-Way Partnership At Work

The three-way partnership between HGACBuy, Program End Users, and Miracle Recreation is a very important relationship that provides vital links to ensure effective cooperative results. Clear, concise communication is essential to making the partnership effective and successful. The contact path includes all three parties: HGACBuy, End User, and Miracle Recreation.

H-GAC's Role:

HGACBuy's role is to conduct product research and surveys, write technical specifications, conduct pre-bid conferences, open bids, and evaluate responses. After contracts are awarded by the H-GAC Board, HGACBuy certifies contract validity, and administers contracts.

The End User's Role: End Users are expected to consult with Miracle Recreations'

representatives for the purpose of determining the exact requirements needed to serve constituents. End Users work with Miracle Recreation's representatives to detail and complete all documentation required when submitting purchase orders.

Miracle Recreation's Role:

HGACBuy relies upon Miracle Recreation and its local representatives to quickly respond to End User inquiries that provide detailed product information and pricing, including priced options for specific products. Miracle Playground Sales will work closely with each End User to meet specific constituent needs.

H-GAC's Bid Notices

The Program's Coordinator for Specifications & Bids directs the bid/proposal cycle for products and services that HGACBuy desires to place under contract on behalf of Members. The near term schedule of procurements is posted on the HGACBuy website under Bid Notices.

Distribution of H-GAC Product Specifications

Product/service specifications and Invitations To Submit Competitive Bids/Proposals are distributed by email to all prospective responders that HGACBuy is aware of. The documents are also posted on the HGACBuy website, and the legally required notices are posted in newspapers, including minority-emphasis publications.

End User Benefits

HGACBuy offers significant benefits to participating End Users whether large, medium, or small size.

Expedited procurement

- Volume purchasing discounts
- On-duty professional staff assistance
- Research and development of technical specifications

JOINING HGACBUY BY EXECUTING AN INTERLOCAL CONTRACT (ILC)

In order to participate in HGACBuy, you must:

- 1. Be a state agency, county, municipality, special district, or other political subdivision of a state, or a qualifying non-profit corporation (providing one or more governmental function or service); and
- 2. Possess legal authority to enter into the Contract.

End User warrants that both requirements are fulfilled by execution of an ILC.

Steps For Completion And Processing:

Step 1:

Print two copies of the appropriate HGACBuy ILC Form and fill in all required information, including the date your governing body authorized the ILC.

Step 2:

Secure signature by an individual with authority to contractually bind your entity.

Step 3:

Send both documents **with original signatures** to HGACBuy at the address indicated on the ILC Form.

Step 4:

HGACBuy will execute both copies of the contract and return one to you.

Special Requirements For Non-Profit Corporations:

Qualifying non-profit corporations providing one or more government services (e.g. Volunteer Fire Departments, Emergency Medical Services) must also submit the following items together with the ILC documents:

Copy of 501(c)(3) Form

Copy of Charter and By-Laws highlighting section(s) demonstrating that your organization performs a governmental service.

A letter describing the governmental service(s) that your organization performs. (This requirement does not apply to Volunteer Fire Departments or organizations providing Emergency Medical Services).

Fax copies of Interlocal Contracts will be accepted and processed subject to the same requirements as original documents.

FREQUENTLY ASKED QUESTIONS

Q: What is H-GAC?

A: The Houston-Galveston Area Council (H-GAC) is a regional council of governments operating under the laws of the State of Texas and governed by a board comprised of 35 elected officials from the 13 county region. The H-GAC Board awards all contracts, which can then be made available to local governments nationwide thru HGACBuy.

Q: How does HGACBuy work?

A: Government entities join by executing an Interlocal Contract to participate in HGACBuy. This document sets out the conditions, requirements and processes through which an entity's purchase orders are received, confirmed to contract and processed.

Q: Can my entity purchase through HGACBuy?

A: The Texas Interlocal Cooperation Act permits joint participation by local governments, states, state agencies, and certain non-profit corporations. Most states have interlocal cooperation authority or other joint power provisions that allow participation in cooperative activities.

Q: I have to advertise for bids therefore I can't purchase thru HGACBuy.

A: HGACBuy uses mass circulation, minority emphasis print media, and Internet

services to post legal notices and bid solicitations. Therefore, posting of public notices to solicit bids and the formal competitive bid process are satisfied thru HGACBuy procedures.

Q: What other services are offered through the HGACBuy program?

A: Researching products, writing specifications, holding pre-bid conferences, assisting with order placement, contacting vendor reps, helping to resolve order issues, and reviewing and certifying purchase orders to confirm compliance with any specific HGACBuy contract.

Q: What is the difference between HGACBuy and some other cooperatives?

A: HGACBuy is a unit of local government and a political subdivision of the State of Texas. The HGACBuy Program is over 30 years old and specializes in high ticket, capital intensive, products and services that require technical, detailed specifications and extensive professional skills to evaluate bid responses. All products offered through HGACBuy have been awarded by virtue of a public competitive process. There are no annual membership dues required to purchase thru HGACBuy.

Q: Where do I find information on products offered through HGACBuy?

A: Access HGACBuy's web site at www.hgacbuy.org for a complete listing of products with descriptions and prices and/or contractors and contacts.

Q: What products are available thru HGACBuy?

A: Primarily, products that are utilized in Public Safety, Public Works, and Communications, in addition to professional consulting, personnel and financing services. A wide variety of capital equipment is under contract, and thru a unique feature of HGACBuy it can be customized through the use of published and unpublished options to fit your specifications and requirements.

Q: Can I purchase on-line?

A: Because of the nature of most of the products and services we have under contract, we prefer that you speak with a contractor's representative and get a detailed price quote before placing an order. This is to insure that you get what you want, configured

like you want it. Use the HGACBuy website to for basic information and to get the contractor's telephone and email address. After you receive your written quotation and have reviewed it, prepare your purchase order to the Contractor and fax a copy to HGACBuy.

Q: What does it cost to join HGACBuy? How is HGACBuy funded?

A: HGACBuy is a self-funded "Enterprise Fund" government agency, self-supported thru an administrative fee assessed to the contractor. An "Order Processing Charge" (Administrative Fee) will appear on quotation forms for purchases of motor vehicles in the State of Texas in accordance with State of Texas, Department of Transportation - Division of Motor Vehicles requirements.

Q: What are the benefits of HGACBuy? I want to inform my elected officials and staff:

A: We give you access to volume purchasing and discounts. • We put over 200 years of combined purchasing experience to work on your behalf. • We write technical specifications eliminate the need to hire consultants for that purpose. • We absorb the costs associated with publishing legal notices. • We offer you an expedited procurement process so you need not be delayed for months preparing specifications and satisfying all of the other requirements for competitive bids and proposals.

WITNESSETH

WHEREAS, H-GAC is a regional planning commission and political subdivision of the State of Texas operating under Chapter 391, Texas Local Government Code; and

WHEREAS, pursuant to the Act, H-GAC is authorized to contract with eligible entities to perform governmental functions and services, including the purchase of goods and services; and

WHEREAS, in reliance on such authority, H-GAC has instituted a cooperative purchasing program under which it contracts with eligible entities under the Act; and

WHEREAS, End User has represented that it is an eligible entity under the Act, that its governing body has authorized this Contract on * _______ (Date), and that it desires to contract with H-GAC on the terms set forth below;

NOW, THEREFORE, H-GAC and the End User do hereby agree as follows:

ARTICLE 1: LEGAL AUTHORITY

The End User represents and warrants to H-GAC that (1) it is eligible to contract with H-GAC under the Act because it is one of the following: a local government, as defined in the Act (a county, a municipality, a special district, or other political subdivision of the State of Texas or any other state), or a combination of two or more of those entities, a state agency (an agency of the State of Texas as defined in Section 771.002 of the Texas Government Code, or a similar agency of another state), or a non-profit corporation created and operated to provide one or more governmental functions and services, and (2) it possesses adequate legal authority to enter into this Contract.

ARTICLE 2: APPLICABLE LAWS

H-GAC and the End User agree to conduct all activities under this Contract in accordance with all applicable rules, regulations, and ordinances and laws in effect or promulgated during the term of this Contract.

ARTICLE 3: WHOLE AGREEMENT

This Contract and any attachments, as provided herein, constitute the complete contract between the parties hereto, and supersede any and all oral and written agreements between the parties relating to matters herein.

ARTICLE 4: PERFORMANCE PERIOD

The period of this Contract shall be for the balance of the fiscal year of the End User, which began * July 15th, 2009 and ends * June 30th 2010. This Contract shall thereafter automatically be renewed annually for each succeeding fiscal year, provided that such renewal shall not have the effect of extending the period in which the End User may make any payment due an H-GAC contractor beyond the fiscal year in which such obligation was incurred under this Contract.

ARTICLE 5: SCOPE OF SERVICES

The End User appoints H-GAC its true and lawful purchasing agent for the purchase of certain products and services through the H-GAC Cooperative Purchasing Program. End User will access the Program through HGACBuy.com and by submission of any duly executed purchase order, in the form prescribed by H-GAC to a contractor having a valid contract with H-GAC. All purchases hereunder shall be in accordance with specifications and contract terms and pricing established by H-GAC. Ownership (title) to products purchased through H-GAC shall transfer directly from the contractor to the End User.

ARTICLE 6: PAYMENTS

H-GAC will confirm each order and issue notice to contractor to proceed. Upon delivery of goods or services purchased, and presentation of a properly documented invoice, the End User shall promptly, and in any case within thirty (30) days, pay H-GAC's contractor the full amount of the invoice. All payments for goods or services will be made from current revenues available to the paying party. In no event shall H-GAC have any financial liability to the End User for any goods or services End User procures from an H-GAC contractor.

ARTICLE 7: CHANGES AND AMENDMENTS

This Contract may be amended only by a written amendment executed by both parties, except that any alternations, additions, or deletions to the terms of this Contract which are required by changes in Federal and State law or regulations are automatically incorporated into this Contract without written amendment hereto and shall become effective on the date designated by such law or regulation.

H-GAC reserves the right to make changes in the scope of products and services offered through the H-GAC Cooperative Purchasing Program to be performed hereunder.

ARTICLE 8: TERMINATION PROCEDURES

H-GAC or the End User may cancel this Contract at any time upon thirty (30) days written notice by certified mail to the other party to this Contract. The obligations of the End User, including its obligation to pay H-GAC's contractor for all costs incurred under this Contract prior to such notice shall survive such cancellation, as well as any other obligation incurred under this Contract, until performed or discharged by the End User.

ARTICLE 9: SEVERABILITY

All parties agree that should any provision of this Contract be determined to be invalid or unenforceable, such determination shall not affect any other term of this Contract, which shall continue in full force and effect.

ARTICLE 10: FORCE MAJEURE

To the extent that either party to this Contract shall be wholly or partially prevented from the performance within the term specified of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed; provided, however, force majeure shall not excuse an obligation solely to pay funds. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 11: VENUE

Disputes between procuring party and Vendor are to be resolved in accord with the law and venue rules of the State of purchase.

Report to City Council

TO: Mayor and City Council, acting in their capacity as President and

Board of Directors of the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: September 10, 2013

TITLE: AMEND THE CONTRACT WITH THINK TOGETHER, INC., TO

OPERATE DAY-TO-DAY ACTIVITIES AND FUNCTIONS INVOLVING THE CITY'S AFTER SCHOOL EDUCATION AND SAFETY (ASES) GRANT PROGRAM FOR FISCAL YEAR 2013-14

THROUGH FISCAL YEAR 2015-16

RECOMMENDED ACTION

Recommendations:

- Authorize the City Manager to amend the contract entered into with THINK Together, Inc., on April 26, 2011, to operate day-to-day activities and functions of the City's Prop 49 state-funded ASES after school grant program, as outlined within this document.
- 2. Authorize the additional revenue and expense budgets in the ASES Program Grant Fund (Fund 2202) for the ASES Grant Program in the amount of \$520,050, respectively, upon approval of the contract amendment with THINK Together, Inc.

BACKGROUND

The After School Learning and Safe Neighborhoods Partnership Program began in 1998. Proposition 49 was passed by California voters in 2002, changing the name to After School Education and Safety (ASES) program, and effective July 1, 2006 increasing annual funding from \$121 million up to \$550 million. Applicants awarded an ASES grant receive a three-year renewable direct grant awarded in one-year increments.

As a result of staff's efforts to provide an increased level of service for Moreno Valley youth through diverse funding, staff submitted competitive grant applications in

partnership with Moreno Valley Unified School District (MVUSD) and Val Verde Unified School District (VVUSD) to the After School Partnerships Office, CDE. The City of Moreno Valley is the fiscal agent for the grant. The City of Moreno Valley Parks and Community Services Department received a three-year direct grant that was awarded in three one-year increments of \$4,950,000 from the State Department of Education. Grant funding has been reduced since 2006 directly relating to participation numbers and as a result was at \$4,296,909.

A two-year contract with THINK Together was approved on April 26, 2011 in the amount of \$4,296,909 per year to operate the City's ASES grant program for 2011 through 2013, along with two subsequent automatic 3-year renewals for the next two ASES grant cycles.

DISCUSSION

THINK Together has successfully provided comprehensive after school programming, serving the City's After School Education and Safety Grant (ASES) at 43 sites in MVUSD and VVUSD for the 2011-2012 and 2012-2013 school years. Attendance increased, and there were waiting lists at several of the school sites.

Due to the increased attendance, the Parks and Community Services Department applied for and received from the California Department of Education \$262,941 additional ASES funding to increase the number of students served at eleven school sites for fiscal year 2012-13. An amendment to the THINK Together contract to include an additional \$247,766 was approved by Council on June 26, 2012.

The Parks and Community Services Department applied for additional funding to increase the number of students at nine middle school ASES sites for fiscal year 2013-2014 through fiscal year 2015-2016. The California Department of Education posted the funding results, and the City of Moreno Valley will receive an additional \$520,050 per fiscal year.

Attachment 1 is the amended payment schedule for THINK Together. Also, due to staffing changes with THINK Together, an additional \$30,350 will revert back to the City per the benefit allowance agreement on page 3 of the contract.

ALTERNATIVES

- 1. Authorize the City Manager to amend the contract with THINK Together, Inc., to operate day-to-day activities and functions of the City's Prop 49 state-funded ASES after school grant program, as outlined within this document.
- 2. Do not authorize amendment to the contract and provide direction to staff.

FISCAL IMPACT

This amendment will increase the amount for administration of the contract by \$30,350 (2202-50-58-75312-611110); \$489,700 will be added to Other Contractual - Other

(2202-50-58-75312-625099). All grant funds must be used for ASES Grant Expenditures. There is no impact to the General Fund.

SUMMARY

Parks and Community Services Department staff believe that increasing the contract amount with THINK Together is in the best interest of the City. This will allow the City to serve approximately 385 more students. Not only do after school programs offer constructive alternatives to gangs, drugs, and crime, but can also help improve school day attendance, increase academic achievement, and boost graduation rates.

AMENDMENT TO THINK TOGETHER, INC., AGREEMENT

This Second Amendment to the THINK Together, Inc., Agreement (hereinafter referred to as "Agreement") is made and entered into between the Community Services District of the City of Moreno Valley (hereinafter referred to as "CSD"), and THINK Together, Inc., (hereinafter referred to as "Contractor") and is effective the date the CSD signs this Amendment.

Whereas, the CSD and Contractor entered into an Agreement dated July 13, 2011.

Whereas, the Contractor is providing operation of the After School Education and Safety Grant Program (hereinafter referred to as "ASES").

Whereas, the CSD desires to renew the Agreement with the Contractor for the July 1, 2013 to June 30, 2016 grant cycle.

Whereas, the Contractor desires to continue to operate the ASES.

Section 1 – Amendment to THINK Together, Inc., Contract

1.1 Pursuant to Page 1 of the Agreement, the Contractor will continue to provide services, July 1, 2013 to June 30, 2016, for the ASES using the first of two (2) subsequent automatic three (3)-year renewals.

Pursuant to Page 3 of the Agreement, the Contractor will not pay the monthly benefit allowance of \$1,264.58 to one of the Program Coordinator positions and the Sr. Administrative Analyst. The annual amount of \$30,350 will revert back to the CSD. Schedule B has been revised to reflect this change, attached hereto.

Pursuant to Page 4 of the Agreement, the Contractor's compensation shall be changed to 100% of the grant award from California Department of Education (CDE), less \$145,525 for administrative costs, according to Schedule A, attached hereto.

Section 2 – Other Terms to Remain

2.1 Except as otherwise specifically provided in this Amendment, the terms and conditions of the Agreement shall remain in full force and effect.

IN WITNESS HEREOF, the parties have each caused their authorized representative to execute this Agreement.

Report to City Council

TO: Mayor and City Council, acting in their capacity as President and

Board of Directors of the Moreno Valley Community Services District

FROM: Michael McCarty, Director of Parks and Community Services

AGENDA DATE: September 10, 2013

TITLE: ACCEPTANCE OF GRANT MONIES FROM THE CALIFORNIA

DEPARTMENT OF EDUCATION, CHILD DEVELOPMENT SERVICES, FOR CHILD CARE SERVICES AND ADOPTION OF THE RESOLUTION TO CERTIFY THE APPROVAL OF THE

GOVERNING BOARD

RECOMMENDED ACTION

Recommendations:

- Authorize the acceptance of grant money in the amount of \$547,461 for Fiscal Year (FY) 2013/2014 from the California Department of Education, Child Development Division, for the purpose of providing school age child care and development services.
- Adopt Resolution No. CSD 2013-16. A Resolution of the Moreno Valley Community Services District of the City of Moreno Valley, California, certifying the approval of the governing board to enter into a transaction with the California Department of Education for the purpose of providing child care and development services and to authorize the designated personnel to sign contract documents for FY 2013/2014.

BACKGROUND

The State of California appropriated a total of \$6.6 million to be utilized statewide as a continuous funding source for services to school age children, in the range of kindergarten to 14 years of age. However, the Budget Act of 2003 eliminated child care services to children 13 years and older. Of the \$6.6 million allocated statewide, Riverside County was appropriated \$950,000 based on service level needs. In an effort to provide an increased level of services for Moreno Valley youth through diverse funding, staff submitted a competitive grant application to the California Department of

Education, Child Development Division, requesting funding for a licensed after school child care program. The City of Moreno Valley Parks and Community Services Department was one of ten agencies in Riverside County who competed for this funding. The City of Moreno Valley Parks and Community Services Department was awarded funding, and "A Child's Place" was created.

On November 26, 1996, the City Council authorized the acceptance of a grant in the amount of \$427,683 for the calendar years 1997 and 1998 for the purpose of providing an after school child care program for children ages 5 to 14 years. Since that time, the City has applied for and received grant funding every fiscal year for this program. Although the City must apply for the grant funding each year, when the funding was made available to agencies for youth programs in 1987, those agencies that have received this type of grant funding have continued to receive funding for their youth programs.

DISCUSSION

The focus of the grant submitted by the City of Moreno Valley Parks and Community Services Department was based on the high demands assessed by the Department within its own programs. This included the need for after school care during the traditional school year and full day care on school vacation days. The program utilizes five elementary schools: Creekside, Sunnymead, Rainbow Ridge, and Armada during the school year and Red Maple during school breaks. A Child's Place is for low-income parents working or going to school and accommodates up to142 children between the ages of kindergarten through 12 years of age.

A Child's Place is state licensed and operates under the following conditions. The healthy social and emotional development of every child is addressed by providing activities, schedules, materials, and equipment to ensure that children are both challenged and successful. Programming for the students includes a nutritious snack served daily, arts and crafts, indoor and outdoor games, story time, homework time, and social time. The program also includes field trips with bus transportation, parent conferences, and special parenting classes and programs with topics including health issues, substance abuse, nutrition, personal safety, community awareness, literacy, and more. The program works closely with parents and school site staff to incorporate applicable school rules into the program and provide emotional support for children.

A Child's Place operates at schools utilizing the "modified traditional" school schedule between the hours of 2:00 p.m. and 6:00 p.m. on school days and 7:00 a.m. to 6:00 p.m. on school vacation days, Monday through Friday.

As part of the City's policy, the City Council must formally accept this funding from the California Department of Education, Child Development Services and adopt the corresponding resolution.

ALTERNATIVES

- Authorize the acceptance of grant monies in the amount of \$547,461 for FY 2013/2014 from the California Department of Education, Child Development Division for the purpose of providing school age child care and development services; and approve the proposed resolution to certify the approval of the governing board to enter into this transaction with the California Department of Education for the purpose of providing school age child care and development services.
- 2. Do not accept grant funding and eliminate the Child Care Grant Program.

FISCAL IMPACT

The proposed grant funds program expenditures on a cost reimbursement basis. The grant funds as well as food program revenue and program fees are used for providing school age child care and development services and are restricted to this program. There is no impact to the General Fund. Funds are budgeted in the FY 2013-2014 Operating Budget (2201-50-58-75011).

SUMMARY

Parks and Community Services Department staff believes that continuing A Child's Place program is in the best interest of the City. This will allow the City to continue to serve up to 142 low income students after school and during school breaks. Not only do after school programs offer constructive alternatives to gangs, drugs, and crime, but can also help improve school day attendance, increase academic achievement, and boost graduation rates.

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: September 10, 2013

TITLE: SECOND EXTENSION OF THE AGREEMENT – PROJECT NO.

2011 TREE TRIM/REMOVAL MAINTENANCE

RECOMMENDED ACTION

Recommendations:

- 1. Approve the Second Extension of the Agreement ("Second Extension Agreement") for Project No. 2011, Tree Trim/Removal Services, with West Coast Arborists, Inc., 2200 E. Burton Street, Anaheim, CA 92806 for tree trimming and removal services within Community Services District (CSD) zones D, E-1, E-1A, E-2, E-3, E-4, E-7, E-8, E-12, E-14, E-15, E-16, M and S.
- 2. Authorize the City Manager to execute the Second Extension Agreement for tree trimming/removal services with West Coast Arborists, Inc.
- 3. Authorize the issuance of a purchase order for services beginning September 1, 2013 to West Coast Arborists, Inc., in the not-to-exceed (NTE) amount of \$97,050.00. This amount includes \$82,705.00 for base and \$14,345.00 for additional work.
- 4. Authorize the City Manager to execute subsequent Extensions or Amendments to the Agreement, within Council approved annual budgeted amounts, including the authority to authorize the associated purchase order (P.O.) in accordance with the terms of the Agreement, subject to the approval of the City Attorney.

ADVISORY BOARD/COMMISSION RECOMMENDATION

BACKGROUND

The Moreno Valley Community Services District (CSD) furnishes parkway, median and open space landscape maintenance services to designated tracts and developments. CSD landscape maintenance areas include:

Zone D (landscape maintenance) services to non-specific plan tracts, which are provided at either a standard or reduced level of landscape maintenance services.

Zone E (extensive landscape maintenance), provides landscape maintenance services at standard or reduced service levels, for the parkways, medians, and landscaped open space areas of specific plan developments. Zone E areas include: E-1 (Towngate), E-1A (Renaissance Park), E-2 (Hidden Springs), E-3 (Moreno Valley Ranch-West), E-3A (Lasselle Powerline Parkway), E-4 (Moreno Valley Ranch-East), E-4A (Daybreak), E-7 (Centerpointe), E-8 (Promontory Park), E-12 (Stoneridge Ranch), E-14 (Mahogany Fields), E-15 (Celebration), and E-16 (Shadow Mountain).

Zone M (Commercial, Industrial, and/or Multifamily Improved Median Maintenance), provides landscape maintenance of certain landscaped median areas citywide.

Zone S (Sunnymead Boulevard) provides median and parkway landscape maintenance to certain improvements along Sunnymead Boulevard.

Maintenance provided to the landscaped CSD zones is performed via contract services by professionally licensed and insured contractors that perform landscape or specialty maintenance services. Landscape and landscape related specialty service agreements are awarded through a competitive Request for Proposal (RFP) process and entered into via an Independent Contractor Agreement. In accordance with the terms of the Agreement, annual extensions of the Agreement may be entered into up to no more than 4 extensions of the original Agreement, based on services being sufficiently performed at or better than the specifications as outlined in the Agreement, with concurrence of both the CSD and Contractor, at the base rate as provided in the Agreement, plus an additional amount for extra or unanticipated work that may be performed during the term of the Agreement or any applicable Extension Agreement.

The not-to-exceed (NTE) amount of the Agreement or Extension Agreement includes an amount for base services and an amount for unanticipated additional work.

"Base services" for tree trimming or removal includes: trimming/pruning or removal of identified trees within designated CSD zones, litter and debris pick-up and disposal, and recycling of greenwaste materials in accordance with federal, state, and local codes. Base services are performed on identified trees within designated CSD zones, contingent upon available program funding.

"Additional work" includes, but is not necessarily limited to, additional labor and/or material costs to trim/prune or remove additional trees that may be required as a result of emergency or hazardous conditions at the unit prices for additional work as specified in the Agreement.

DISCUSSION

On October 17, 2011, the Special Districts Division of the Financial and Management Services Department received proposals from two (2) tree maintenance companies in response to a Request for Proposal (RFP) to provide tree trimming and/or removal services of trees within the CSD zones. On November 15, 2011 upon staff's evaluation of the proposals and recommendation, the City Manager, acting in the capacity as District Manager to the Board of Directors of the Moreno Valley CSD, with approval as to legal form by the City Attorney, awarded the contract for tree trimming and removal services to West Coast Arborists, Inc., Anaheim, California (the "Contractor"). The amount of the Agreement for the initial contracting term, fiscal year (FY) 2011/12, was \$93,220.00, all of which was designated for base services.

On October 3, 2012, a First Extension Agreement was approved for FY 2012/13 by the City Manager, acting in the capacity as District Manager to the CSD Board, with approval as to legal form by the City Attorney. The Agreement for tree trimming and/or removal services for the CSD zones had a combined base amount of \$75,005.00 and a combined additional work amount of \$7,445.00 for a NTE Agreement amount of \$82,450.00.

The tree trimming and/or removal services have been consistently and satisfactorily performed by the Contractor in accordance with the terms of both the Agreement and the First Extension Agreement, and the Contractor has agreed to further extend the Agreement based upon the same rates and terms of the Agreement as first extended and as identified in this Second Extension Agreement.

Approval of the Extension Agreement for Fiscal Year 2013/14

Approval of the Second Extension Agreement is recommended for authorization in the NTE amount of \$97,050.00 for FY 2013/14. This amount includes \$82,705.00 for base trimming/removal services and an additional work amount of \$14,345.00. This is the second of four possible extensions allowed per the terms of the Agreement.

Authority for City Manager Approval of Extension Agreements for the Balance of Available Extensions to the Agreement

Pursuant to City Council Resolution No. 2008-115, the City Council shall provide approval of procurements greater than \$100,000. Because the current Procurement Policy (Policy #3.18, Section V.B.3) allows the original agreement to be extended for four additional one-year terms, the total potential value of the Agreement is being taken into consideration when determining signature authority. The following table shows a cumulative overview of the costs for the Tree Trim/Removal Agreement, as may be allowed per the terms of the Agreement. Potential extensions are those extensions

which may be allowed, contingent upon satisfactory service by the Contractor and concurrence by the CSD and Contractor to enter into an extension of the Agreement, or the Agreement as Amended.

			FY 2013/14	FY 2014/15	FY 2015/16

¹ The First and Proposed Second Extensions include the costs for trimming/removal of identified trees (base) cost and an additional work amount for trimming or removals due to unanticipated Health and Safety issues.

Staff is requesting the City Council, in its capacity as the CSD Board, authorize the City Manager to approve extensions and any necessary amendments, as well as associated purchase orders for all remaining extensions available, in accordance with the terms of the Agreement, subject to the approval of the City Attorney. Such extensions and amendments shall only be entered into upon determination that sufficient funding appropriations and program approvals have been granted by the City Council (CSD Board), demonstration by the Contractor of having satisfactorily performed services, per the terms of the Agreement in the prior year(s) and both the CSD and the Contractor mutually agreeing to extend the Agreement.

ALTERNATIVES

- 1. Approve the Second Extension Agreement for Project No. 2011 Tree Trim/Removal Services, with West Coast Arborists, Inc., in the form attached hereto for tree trimming and removal services within the CSD zones; authorize the City Manager to execute said Second Extension Agreement for Project No. 2011 Tree Trim/Removal Services, with West Coast Arborists, Inc.; authorize issuance of purchase orders for FY 2013/14 in the NTE amount of \$97,050.00 (\$82,705.00 for base trimming/removal services and \$14,345.00 for additional work) as designated for the various CSD zones; and authorize the City Manager to execute subsequent Extensions or Amendments to the Agreement and authorize the associated purchase orders as may be required in accordance with the terms of the Agreement, subject to the approval of the City Attorney. By selecting this alternative the CSD Board will allow for necessary tree trimming and removal services of identified trees within the various CSD zones.
- 2. Do not approve the Second Extension Agreement for Project No. 2011 Tree Trim/Removal Services, with West Coast Arborists, Inc., in the form attached hereto for tree trimming and removal services within the CSD zones; nor authorize the City Manager to execute said Second Extension Agreement for Project No. 2011 Tree Trim/Removal Services, with West Coast Arborists, Inc.; nor authorize issuance of

² Extensions beyond 2013/14 are anticipated costs based upon presently known information.

purchase orders for FY 2013/14 in the NTE amount of \$97,050.00 (\$82,705.00 for base trimming/removal services and \$14,345.00 for additional work) as designated for each CSD zone; and do not authorize the City Manager to execute subsequent Extensions or Amendments to the Agreement nor authorize the associated purchase orders as may be required in accordance with the terms of the Agreement, subject to the approval of the City Attorney. By selecting this alternative tree trimming and removal services will be delayed, which in turn may cause an increase in the cost of providing the service and could interfere with the migratory bird nesting season, which for Southern California generally runs each year from January 15 to August 31, as advised by staff from the U.S. Fish and Wildlife Services.

FISCAL IMPACT

Administration and maintenance of the CSD zones D, E, M and S are funded through a property owner approved parcel charge, which is levied and collected on the property tax bills. Revenue from the parcel charges collected for each of the CSD zones may only be used for landscape maintenances services, which includes tree trimming and removal services, associated with the parkways and medians in these CSD zones. The costs for these maintenance services have been budgeted, respectively, for each of these CSD zones for the current fiscal year. These actions will not impact the City's General Fund.

The following table represents the base and additional work costs for FY 2013/14 associated with the Second Extension Agreement for each of the listed CSD zones.

¹ No trees are identified for trimming/removal (base) in E-1A, E-14, E-16, and S. An additional work amount for E-1A, E-14, E-16 and S is being allocated in the event of an unanticipated Health and Safety issue(s) is identified.

CITY COUNCIL GOALS

Public Safety and Community Image and Positive Environment:

The City Council in their capacity as the CSD Board will allow for necessary maintenance of the parkway trees within CSD landscaped parkways, medians and open areas be performed in a safe manner, in accordance with State and Federal regulations, and consistent with approved landscape maintenance program funding, which will help to promote community image and pride.

SECOND EXTENSION AGREEMENT PROJECT NO. 2011 TREE TRIM/REMOVAL MAINTENANCE OF PARKWAY AND MEDIAN LANDSCAPING AND IRRIGATION

THIS AGREEMENT is made and entered into by and between the Moreno Valley Community Services District ("District") and **West Coast Arborists, Inc.** ("Contractor").

WHEREAS, the District and Contractor entered into an Independent Contractor Agreement, (hereinafter referred to as "Agreement"), dated November 15, 2011 referencing Project No. 2011 Tree Trim/Removal for the purpose of providing tree trimming and removal services of designated trees within various District parkway and median landscaped areas throughout the City of Moreno Valley; and,

WHEREAS, during the initial term of the Agreement tree trimming and removal services were sufficiently performed, and both District and Contractor mutually agreed to enter into an extension of the Agreement (First Extension Agreement) for the term of July 1, 2012 to June 30, 2013; and,

WHEREAS, tree trimming and removal services provided during the term of the First Extension Agreement were sufficiently performed; and,

WHEREAS, pursuant to the terms of the Agreement, both parties wish to enter into a second extension of the Agreement (Second Extension Agreement) for a period of twelve (12) months under the following terms:

- 1. The extension period shall commence on **July 1**, **2013** and shall terminate on **June 30**, **2014**.
- 2. In accordance with Exhibit D. 1. B. of the Agreement, this Extension shall be considered the second of four possible extensions of the Agreement.
- 3. For the period of this Second Extension Agreement and except where additional compensation is specifically provided for in the Agreement, the District will pay the Contractor for all work (labor, materials, supplies, equipment, etc.) for the performance of tree trimming/removal services of those trees as identified on Attachment 1-A of this Second Extension Agreement, as incorporated herein by this statement and, consistent with the terms of the Agreement, pay to the Contractor a fee of \$35.00 per trim and \$175.00 per removal of those trees as listed on Attachment 1 of this Second Extension Agreement. Payment shall be made on a per month basis, one month in arrears, on the last day of the month based upon the total number of trees trimmed and/or removed for the preceding month at the rates stated herein this Second Extension Agreement. The total amount of this Second Extension Agreement for the twelve (12) month extension period shall not exceed EIGHTY-TWO THOUSAND SEVEN HUNDREND FIVE AND 00/100 DOLLARS (\$82,705.00) to trim or remove the quantity of trees identified in Attachment 1.

SECOND EXTENSION AGREEMENT PROJECT NO. RFP NO. 2011 TREE TRIM/REMOVAL PARKWAY AND MEDIAN TREE TRIMMING AND REMOVAL

- 4. Except as provided for in Section 3 herein, the unit prices as set forth in the Additional Work Price List on Exhibit E, Schedule II, Section II on page 65 of the Agreement, shall apply for any additional trees not included herein, which may be added to the project during the term of this Extension Agreement.
- 5. Notwithstanding Exhibit C. 2 A., of the Agreement, for the period of this Extension and except as specifically approved by subsequent action of the CSD Board (City Council), the Director (the Chief Financial Officer/City Treasurer or their designated appointee) may not authorize additional work pursuant to this Extension in excess of the cumulative total of FOURTEEN THOUSAND THREE HUNDRED FORTY-FIVE AND 00/100 DOLLARS (\$14,345.00).
- 6. Except as set forth herein, all other terms and conditions of the Agreement shall remain in full force and effect.

FIRST EXTENSION AGREEMENT PROJECT NO. 2011 TREE TRIM/REVOAL MAINTENANCE OF PARKWAY AND MEDIAN LANDSCAPING AND IRRIGATION

THIS AGREEMENT is made and entered into by and between the Moreno Valley Community Services District (hereafter, "District") and **West Coast Arborists, Inc.** (hereafter, "Contractor")

WHEREAS, the District and Contractor entered into an independent contractor agreement, hereinafter referred to as "Agreement", dated November 15, 2011 referencing Project No. 2011 Tree Trim/Removal for the purpose of providing tree trimming and removal of designated trees within various District parkway and median landscaped areas throughout the City of Moreno Valley.

WHEREAS, pursuant to the terms of the Agreement, both parties wish to extend the Agreement.

WHEREAS, the Extension of the Agreement shall be extended for a period of twelve (12) months under the following terms:

- 1. The extension period shall commence on July 1, 2012 and shall terminate on June 30, 2013.
- 2. In accordance with Exhibit D, Section 1.B. of the Agreement, this Extension shall be considered the first of four possible extensions of the Agreement.
- 3. For the period of this Extension and except where additional compensation is specifically provided for in the Agreement, the District will pay the Contractor for all work (labor, materials, supplies, equipment, etc.) for the performance of tree trimming/removal services of those trees as identified on Attachment 1 of this Extension Agreement, and incorporated herein by this statement and shall, consistent with the terms of the Agreement, pay to the Contractor a fee of \$35.00 per trim and \$175.00 per removal of those trees listed on Attachment 1 of this Extension Agreement. Payment shall be made per month, one month in arrears, on the last day of the month based upon the total number of trees trimmed and/or removed for the preceding month at the rates stated herein this Extension Agreement. The total amount of this Extension Agreement for the twelve (12) month extension period shall not exceed SEVENTY FIVE THOUSAND AND FIVE AND 00/100 DOLLARS (\$75,005.00).
- 4. Except as provided for in Section 3 herein, the unit prices as set forth in the Additional Work Price List on Exhibit E, Schedule II, Section II on page 65 of the Agreement, shall apply for any additional trees not included herein which may be added to the project during the period of this Extension Agreement.

EXTENSION AGREEMENT PROJECT NO. RFP NO. 2011 TREE TRIM/REMOVAL PARKWAY AND MEDIAN TREE TRIMMING AND REMOVAL

- 5. Notwithstanding Exhibit C., Numeral 2, Letter A, of the Agreement, for the period of this Extension and except as specifically approved by subsequent action of the CSD Board (City Council), the Director (the Public Works Director/City Engineer or his designated appointee) may not authorize additional work pursuant to this Extension in excess of the cumulative total of SEVEN THOUSAND FOUR HUNDRED FORTY-FIVE AND 00/100 DOLLARS (\$7,445.00).
- 6. Except as set forth herein, all other terms and conditions of the Agreement shall remain in full force and effect.

2. CONTRACTOR SERVICES, FEES, AND RELEVANT DATES:

A. The Contractor's scope of work, responsibilities, requirements, provisions, and additional terms and conditions required to be performed by the Contractor the services of this RFP are described in Exhibit "A" attached hereto and incorporated herein by this reference.

- B. The District's responsibilities, other than payment, are described in Exhibit "B" attached hereto and incorporated herein by this reference.
- C. Payment terms are provided in Exhibit "C" attached hereto and incorporated herein by this reference.
- D. The Contract Starting Date is November 1, 2011 and the Contract Ending Date is June 30, 2012. Any provisions for extending the term of the Contract for subsequent terms are provided in Exhibit "D" attached hereto and incorporated herein by this reference. The District acknowledges that it will not unreasonably withhold approval of the Contractor's requests for extensions of time in which to complete the work required. The Contractor shall not be responsible for performance delays caused by others or delays beyond the Contractor's reasonable control (excluding delays caused by non-performance or unjustified delay by Contractor, his/her/its employees, or subcontractors), and such delays shall extend the time for performance of the work by the Contractor.
- E. Contractor's Proposal, including but not limited to the Bid Schedule, Additional Work Price List, Contract Proposal, Proposed Project Work Schedules, Proposed Annual Material Schedule, Contractor Information, Certification of Non-Discrimination, and List of Subcontractors, are described in Exhibit "E" attached hereto and incorporated by this reference.

3. STANDARD TERMS AND CONDITIONS:

- A. Control of Work. Except for compliance with specifications and performance standards provided for in Exhibit "A," the Contractor is solely responsible for the content and sequence of the work, and will not be subject to control and direction as to the details and means for accomplishing the anticipated results of services. The District will not provide, nor be responsible to provide, any training to the Contractor or his/her/its employees.
- B. <u>Intent of Parties</u>. Contractor is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Contractor or any individual whose compensation for services paid by the Contractor, an agent or employee of the District, or authorizing the Contractor to create or assume any obligation or liability for or on behalf of the District, or entitling the Contractor to any right, benefit, or privilege applicable to any officer or employee of the District.
- C. <u>Subcontracting</u>. Contractor may retain or subcontract for the services of other necessary contractors with the prior written approval of the District. Payment for such services shall be the responsibility of the Contractor. Any and all subcontractors shall be subject to the terms and conditions of this Contract, with the exception that the District shall have no obligation to pay for any subcontractor services rendered. Contractor shall be responsible for paying prevailing wages where required by law [See California Labor Code Sections 1770 through 1777.7].
- D. <u>Legal Considerations</u>. The Contractor shall comply with applicable federal, state, and local laws in the performance of this Contract.

- E. Contractor Indemnification. Contractor shall indemnify, defend and hold the City of Moreno Valley (City), the Community Redevelopment Agency of the City of Moreno Valley (RDA), and the Moreno Valley Community Services District (CSD), their officers, agents and employees harmless from any and all claims, damages, losses, causes of action and demands, including reasonable attorney's fees and costs, incurred in connection with or in any manner arising out of Contractor's performance of the work contemplated by this Contract. Acceptance of these terms by both parties constitutes a Contract and signifies that the Contractor is not covered under the City's general liability insurance, employee benefits, or worker's compensation. It further establishes that the Contractor shall be fully responsible for such coverage.
- F. <u>District Indemnification</u>. The District agrees to indemnify, defend and save the Contractor and his/her/its officers, agents and employees harmless from any and all liability, claims, damages or injuries to any person, including injury to the City's, RDA's and the District's employees and all claims which arise from or are connected with the negligent performance or failure to perform the services or other obligations of the District under this Contract, or are caused or claim to be caused by the negligent acts of the City, RDA, and the District, their officers, agents or employees, or its subcontractor(s) or any person acting for the District or under its control or direction; provided, however, that this indemnification and hold harmless shall not include any claims arising from the sole negligence or willful misconduct of the Contractor, its officers, agent, employees, or subcontractors.
- G. <u>Insurance Requirements</u>. Where determined applicable by the District, Contractor will comply with the following insurance requirements at its sole expense. Insurance companies shall be rated (A Minus: VII—Admitted) or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct business in the State of California:

☑ General Liability Insurance—to protect against loss from liability imposed by law for damages on account of bodily injury, including death, and/or property damage suffered or alleged to be suffered by any person or persons whomever, resulting directly or indirectly from any act or activities of the Contractor, subcontractor, or any person acting for the Contractor or under its control or direction. Such insurance shall be maintained in full force and effect throughout the terms of the Contract and any extension thereof in the minimum amounts provided below:

Bodily Injury \$1,000,000 per occurrence/ \$2,000,000 aggregate Property Damage \$1,000,000 per occurrence/ \$2,000,000 aggregate

☐ Professional Errors and Omission Insurance—such coverage shall not be less than \$1,000,000 per claim and aggregate.

Worker's Compensation Insurance—in such amounts as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for both the Contractor and the City, RDA, and District, against any loss, claim or damage arising from any injuries or occupational diseases happening to any worker employed by the Contractor in the course of carrying out the

Agreement. This coverage may be waived if the Contractor is determined to be functioning as a sole proprietor and the city provided form "Exception to Worker's Compensation Coverage" is signed, notarized and attached to this Contract

☑ Liability and Property Damage Insurance coverage for owned and non-owned automotive equipment operated on City/RDA/District premises. Such coverage limits shall not be less than \$1,000,000 combined single limit.

	Insurance requirements waived with Risk Manager's approval.
	By: Date:
· —	(Risk Manager)
	Insurance requirements modified with Risk Manager's approval and attached hereto as Exhibit "F" and incorporated herein by this reference.

A Certificate of Insurance and appropriate additional insured endorsement evidencing the above applicable insurance coverage shall be submitted to the City's Risk Manager prior to the execution of this Contract. The Certificate of Insurance or an appropriate binder shall bear an endorsement containing the following provisions:

Solely as respect to services done by or on behalf of the named insured for the Moreno Valley Community Services District, it is agreed that the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, their officers, employees and agents are included as additional insured under this policy and the coverage(s) provided shall be primary insurance and not contributing with any other insurance available to the City of Moreno Valley, the Community Redevelopment Agency of the City of Moreno Valley, and the Moreno Valley Community Services District, their officers, employees and agents, under any third party liability policy.

The terms of the insurance policy or policies issued to provide the above coverage shall neither be amended to reduce the required insurance limits and coverages nor shall such policies be canceled by the carrier without thirty (30) days prior written notice by certified or registered mail to the City of amendment or cancellation to the District, except that cancellation for non-payment of premium shall require ten (10) days prior written notice by certified or registered mail. In the event the insurance is canceled, the Contractor shall, prior to the cancellation date, submit to the Risk Manager new evidence of insurance in the amounts established.

H. <u>Intellectual Property</u>. Any system or documents developed, produced or provided under this Contract, including any intellectual property discovered or developed by Contractor in the course of performing or otherwise as a result of its work, shall become the sole property of the District unless explicitly stated otherwise in this Contract. The Contractor may retain copies of any and all material, including drawings, documents, and specifications, produced by the Contractor in performance of this Contract. The District and the Contractor agree that to the extent permitted by law, until final approval by the District, all data shall be treated

as confidential and will not be released to third parties without the prior written consent of both parties.

I. Entire of the Contract. This Contract constitutes the entire agreement between the parties. There are no understandings, agreements, or representations of warranties, expressed or implied, not specified in this Contract. This Contract applies only to the proposal attached. This Contract may be modified or amended either by a subsequent written Contract signed by both parties or as provided for in Section 3, Paragraph K, Notice of Service Level Adjustment. Assignment of this Contract is prohibited without prior written consent.

J. Termination.

- Either party may terminate this Contract upon breach of the Contract by the other party. In the event the District terminates the Contract, the Contractor shall perform no further services under the Contract unless the notice of termination authorizes such further work.
- 2. The District may terminate this Contract without fault on the part of the Contractor by giving at least ten (10) days written notice to the Contractor. The written notice shall specify the date of termination. Upon receipt of such notice, the Contractor may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the District. The District shall pay the Contractor within thirty (30) days after the date of termination for all non-objected to services performed by the Contractor in accordance herewith through the date of termination.
- K. Notice of Service Level Adjustments. A minimum 30 day written notice to the Contractor shall be provided by the District regarding any reduction or addition of service to be provided by the Contractor in accordance with the terms of the Contract. It will be the responsibility of the Contractor to provide a revised schedule of service within 30 days of the receipt of notice and to adjust monthly invoicing in accordance with the terms of the reduction or addition to the service area.
- L. <u>Payment</u>. Payments to the Contractor, pursuant to this Contract will be reported to Federal and State taxing authorities as required. The District will not withhold any sums from compensation payable to Contractor, except as provided for in Exhibit "C". Contractor is independently responsible for the payment of all applicable taxes. Where the payment terms provide for compensation on a time and materials basis, the Contractor shall maintain adequate records to permit inspection and audit of the Contractor's time and materials charges under the Contract. Upon reasonable notice, such records must be made available to the District's agent; however, nothing herein shall convert such records into public records. Such records shall be retained by the Contractor for three (3) years following completion of the services under the Contract.
- M. Restrictions on District / City Employees. The Contractor shall not employ any

District or City employee or official in the work performed pursuant to this Contract. No officer or employee of the District or City shall have any financial interest in this Contract in violation of federal, state, or local laws.

- N. <u>Choice of Law and Venue</u>. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Contract, and shall govern the interpretation of this Contract. Any legal proceeding arising from this Contract shall be brought in the appropriate court located in Riverside County, State of California.
- O. <u>Notices</u>. All notices, requests, demands or other communications ("notice") under this Contract by any party shall be in writing, shall be properly addressed as set forth below (or to such other address as any party may later designate), and shall be sufficiently given on the date: (a) of service if served personally upon the person to whom notice is to be given, (b) receipt is confirmed with the addressee by telephone if a notice is sent by telex, telecopier, facsimile or other telecommunication facility, or (c) of receipt if a notice is sent by courier or by registered or certified mail, return receipt requested, postage prepaid:

EXHIBIT A

R.F.P. NO. 2011 TREE TRIM/REMOVAL PROJECT NO. 2011 TREE TRIM/REMOVAL

PARKWAY AND MEDIAN TREE TRIMMING AND REMOVAL

1. SCOPE OF WORK

- A. The work to be performed under this Contract shall include the furnishing of <u>all</u> labor, material, and equipment necessary for the provision of tree trimming and removal services within the boundaries of the various zones of the District as determined in the resolutions of the City Council establishing said zones, and as said boundaries may have been heretofore or may be hereafter altered, and as more particularly shown on the Project Location Maps and described on the tree trimming/removal list as attached at the end of this Exhibit.
- B. The Contractor shall have the duty to perform tree trimming and/or tree removal services. All work shall be performed in accordance with usual and customary horticultural practices to achieve and maintain healthy, viable trees. The Director of Public Works of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director" will periodically inspect all the operations and approve or reject the work performed, and methods or materials used, and make changes in work scheduling.
- C. The Contractor shall be responsible for carefully reviewing the site(s), and verifying the trees noted for each location of proposed work is included in the Proposal. The Contractor shall not be relieved of his/her liability under this Contract, nor the District or City be held liable for any loss sustained by the Contractor as a result of any variance between conditions as referred to in the Technical Provisions, and the actual conditions revealed during the examination of the locations of the proposed work.

2. SCHEDULING OF WORK

- A. The Contractor shall adhere to the facilities, equipment and annual work schedules submitted as a part of the Contractor's bid, and incorporated herein by this reference. These schedules, and any approved revisions thereto, shall be used by the District as a basis for determining Contractor's satisfactory performance.
- B. Revisions to facilities, equipment, and annual work schedules shall not be implemented without the prior written approval of the Director. The Contractor shall submit proposed revisions to equipment and annual work schedules in writing to the District at the address as set forth in Section 3, paragraph O. of the Independent Contractor Agreement "Contract" at least ten (10) working days prior to commencing work per the proposed revisions.
- C. Failure to submit proposed revisions to equipment, staffing, or work schedules by the time limits established hereinabove may result in the Contractor becoming

liable to the District for non-performance penalties per Exhibit C, Section 4.

- D. The above provisions shall not be construed to eliminate the Contractor's responsibility for complying with the requirement to notify the Director for additional maintenance as set forth herein.
- E. When inclement weather renders performance per approved schedule unsafe, impractical, or liable to damage landscaping, the Contractor shall adjust his work force in order to accomplish those work items not affected by weather, and shall contact District field staff to inform them of said alternate work assignments. Failure to advise the District may be cause for assessment of non-performance penalties per Exhibit C, Section 4.
- F. For the purposes of this Contract, "Working Days" shall be Mondays through Thursdays, excluding holidays as provided herein. The hours of maintenance service shall be from 7:00 a.m. to 4:30 p.m. on those days maintenance is to be provided pursuant to the work schedule as approved by the Director. Any work the Contractor proposes to perform outside of the days and hours set forth hereinabove, as well as on legal City holidays, shall not be undertaken without the prior written approval of the Director.

The following days have been designated as holidays by the City:

New Year's Day

Martin Luther King Jr. Day

President's Day Memorial Day

Independence Day

Labor Day

Veteran's Day Thanksgiving Day

Day after Thanksgiving

Christmas Eve

Christmas Day

3rd Monday in January 3rd Monday in February

Last Monday in May

July 4

1st Monday in September

November 11

4th Thursday in November

4th Friday in November

December 24 December 25

If a holiday falls upon a Sunday, the following Monday shall be the day the holiday is observed. If a holiday falls upon a Saturday, the preceding Friday shall be the day the holiday is observed. If a scheduled maintenance service day falls on a designated holiday, the Contractor shall submit a proposed make-up day for the Director's approval.

3. FUNCTIONS AND RESPONSIBILITIES

A. The Director and Contractor shall conduct an inspection of all sites covered under this Contract as soon as practicable after its execution, and prior to commencement of Contractor's operations. This shall include but not be limited to the nature and extent of any deficiencies noted by the Contractor, and acknowledged by the Director. The Contractor is hereby advised that this review shall serve as the benchmark for the Director's evaluation of Contractor's performance under this Contract. Failure to perform services as required shall result in the District deducting payment in full or part of the Contractor's compensation, as further described in Exhibit C., Section 3.

- B. The Contractor or any subcontractors working under Contractor's direction and control must observe all restrictions on the unauthorized take of migratory birds, as set forth in the U.S. Fish and Wildlife Service Migratory Bird Treaty Act (MBTA), including but not limited to Sections 703-713 and the California Department of Fish and Game Code Sections 3503, 3503.5, and 3513.
- C. The Contractor shall on an ongoing basis maintain a monthly log that records all work performed by the Contractor. Said log shall be in a form and content acceptable to the Director (see Appendix B, Monthly Report Form), and shall be submitted to the Director by the tenth day of each month, one (1) month in arrears. The monthly payment for the work so reported will not be authorized until such report (Monthly Report) is received, and approved by the Director.
- D. The Contractor shall maintain an office at some fixed place, and shall maintain an operable telephone thereat, listed in the telephone directory in Contractor's own name or in the Contractor's company name, and shall at all times employ some responsible person(s) to take the necessary action regarding all inquiries, complaints, and/or emergency calls that may be received from the Director or other authorized individuals or agencies as listed in Exhibit A, Section 3., paragraph F. This person(s) shall be reachable twenty-four (24) hours per day, seven (7) days a week. During normal working hours, the Contractor's Supervisor or employee designated as being responsible for providing maintenance services to the District shall be directly available for immediate notification through some type of reliable electronic means, including but not limited to, mobile or cellular phone, two-way radio, or pager. The Contractor or Contractor's designated employee shall confirm said notification within one (1) hour of receipt. An answering service will be considered an acceptable substitute for coverage only during periods outside of normal working hours, provided Contractor is advised of emergency calls within one (1) hour of receipt of the call by the answering service and within twenty-four (24) hours after receipt of non-emergency calls by the answering service. The above provision for Contractor's communication with the District is the minimum acceptable standard under this Contract. Failure to regularly provide said communication capability may result in the Contractor being assessed nonperformance penalties, per Exhibit C., Section 4.
- E. The Contractor shall respond to an emergency call from any of the parties listed below no later than two (2) hours following first notification by facsimile transmission, or in writing, or by telephone. In situations involving emergency repair work after normal working hours, the Contractor shall dispatch qualified personnel, and equipment to reach the site within two (2) hours of first notification. An emergency may be called by the following individuals or agencies at <u>any</u> time:
 - 1. City Manager

5. Special Districts Division Manager

- 2. Director of Public Works
- 6. Street Maintenance Supervisor
- 3. Police Department
- 7. Senior Landscape Services Inspector

4. Fire Department

8. Landscape Services Inspector

Contractor's emergency response and any necessary corrective work shall be considered Additional Work as defined in Exhibit C., Section 2, unless said emergency is determined to have been caused by an act or omission attributable to the Contractor.

4. CONTRACTOR'S STAFF

- A. The Contractor shall provide sufficient personnel to perform all work in accordance with the Specifications set forth herein. All of the Contractor's maintenance personnel shall be supervised at the work site(s) by a qualified Supervisor in the employ of the Contractor. Work Site Supervisors must be able to demonstrate to the satisfaction of the Director that they possess adequate technical background, and communication skills to perform the intended services. Adequate and competent supervision shall be provided for all work done by the Contractor's employees to ensure accomplishment of high quality work, which will be acceptable to the Director. Any order or communication given to the Work Site Supervisor shall be deemed to have been delivered to the Contractor.
- B. The Contractor and his employees and subcontractors, if any, shall conduct themselves in a proper, professional, and efficient manner at all times, and shall cause the least possible inconvenience to the public.
- C. The Director may require the Contractor to remove from the work site any employee(s) deemed careless, incompetent, or otherwise objectionable, whose continued employment on the job is considered to be contrary to the best interests of the District.
- D. The Contractor shall require each employee performing work under the Contract to adhere to basic public works standards of working attire, including but not limited to wearing of proper clothing, proper shoes, and other gear required by applicable Safety Regulations and/or fertilizer/pesticide label requirements.
 - Shirts shall be worn at all times, and shall be buttoned. Approved safety vests shall be worn by Contractor's employees when working on parkway medians, monuments, parkways, and other high traffic-hazard areas as determined by the Director. Failure to comply with the above requirements may make the Contractor liable for assessment of non-performance penalties, per Exhibit C., Section 4.
- E. The Contractor shall establish an identification system for Contractor's personnel which clearly indicates to the public the name of the Contractor. The identification system shall be furnished at the Contractor's expense and may include appropriate attire, and/or name badges as specified by the Director.

5. EMPLOYMENT OF APPRENTICES

The provisions of Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code regarding the employment of properly registered apprentices may apply to this Contract if the Contractor, or any subcontractors thereunder, employs workers in any apprentice able craft or trade. It is the Contractor's sole responsibility to comply with the Labor Code sections cited above. Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the California Department of Industrial Relations.

6. COMPLAINTS

- A. All complaints shall be responded to as soon as possible after notification, but in all cases within twenty-four (24) hours, to the satisfaction of the Director. If any complaint is not satisfactorily responded to within twenty-four (24) hours, the Director shall be notified immediately of the reason for not remedying the complaint followed by a written report to the Director within five (5) working days. If the complaints are not remedied within the time specified, and to the satisfaction of the Director, the Director may correct the specific complaint by using an alternative source. The total cost incurred by the District to effect necessary remedies will be deducted from the payments owing to the Contractor from the District, per Exhibit C., Section 3.
- B. The Contractor shall maintain a written log of all complaints, the date and time thereof, and the action taken pursuant thereto, or the reason for non-action. Said log shall be submitted to the Director monthly as set forth in Section 3, paragraph C. above.
- C. In addition to the provisions of Section 6., paragraph A. above, in the event of a failure by the Contractor to satisfactorily remedy a complaint in a timely manner or for any other breach of this Contract by Contractor, the District may immediately upon written notice to the Contractor terminate this Contract.

7. SAFETY

- A. The Contractor agrees to perform all work as outlined in the Provisions listed herein in such a manner as to meet all accepted standards for safe practices and to safely maintain equipment, machines, and materials, and prescribe and employ all precautions and safety procedures related to other hazards consequential to the work; and accepts additionally the sole responsibility for complying with all local, State, Federal and other legal requirements including but not limited to, full compliance with the terms of any and all applicable OSHA and Cal/OSHA Safety Orders at all times so as to protect all persons, including Contractor's employees and subcontractors, agents of the District, City, materialmen, vendors, members of the public and others from foreseeable injury, or damage to their property.
- B. The Contractor's operations shall be conducted in such a manner as to cause the least possible obstruction, and inconvenience to public traffic. The Contractor shall furnish, erect and maintain such fences, barriers, lights and warning signs as may be deemed necessary by the Director, or any duly constituted public safety official.

Contractor's work area traffic control, including but not limited to type and placement of signs, barricades, and delineators, shall be in accordance with the "Manual of Uniform Traffic Control Devices, 2010 (or most current) California Supplement".

Contractor's work should not encroach into open lanes of traffic between the hours of 7:00 a.m. and 8:30 a.m., or between the hours of 3:30 p.m. and 6:00 p.m.

- C. The Contractor shall maintain all work sites free of hazards to persons or property resulting from Contractor's operations. The Contractor shall inspect for all potential hazards at said areas under maintenance, and keep a log indicating date inspected, and action taken. Said log shall be submitted to the Director monthly as set forth in Section 3, paragraph C. above. Any hazardous condition noted by the Contractor, which is not a result of Contractor's operations, shall be immediately reported to the Director.
- D. The Contractor shall be responsible for making minor corrections, including but not limited to, filling holes in turf areas, replacing valve box covers, and repairing irrigation systems, so as to protect members of the public or others from injury.
 - The Contractor shall cooperate fully with the District or City in the investigation of any accidental injury or death occurring on the site, including a complete written report thereof to the Director within five (5) working days following the occurrence.
- E. Failure to comply with the provisions of this section of Exhibit A may result in: payment deduction per Exhibit C, Section 3 of the Contract, or assessment of non-performance penalties per Exhibit C., Section 4. Repeated failure to comply with the provisions of this section may result in contract termination, per Exhibit A, Section 3, paragraph J of the Independent Contract Agreement.

8. ESTIMATED QUANTITIES

The estimated quantities given in the Bid Schedule are approximate only, being given as a basis for the comparison of bids. The District does not expressly or by implication, agree that the actual amount of work will correspond therewith, and reserves the right to increase or decrease the amount of any portion of the work, or to omit portions of the work, or delete any bid items or work, as may be deemed necessary or advisable by the Director.

9. NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) PERMIT - REQUIRED URBAN RUNOFF MANAGEMENT TRAINING

The Contractor shall provide National Pollutant Discharge Elimination System (NPDES) Permit training for Urban Runoff Management to Contractor's employees and subcontractors if any. Failure to provide Urban Runoff Management training is a violation of Order No. R8-2002-0011, NPDES No. CAS 618033 (Municipal Separate Storm Sewer System NPDES Permit), Section XI.I, for each day of which such failure occurs, and shall in addition, be a breach of the Contract with the City of Moreno Valley (City). Contractor understands and agrees that NPDES Permit violations are grounds for enforcement action by the

Environmental Protection Agency, the State/Regional Water Resources Control Board, and the City and may result in permit termination (stop work order), civil and criminal fines, and termination of Contract. By submitting a proposal, the Contractor certifies to the City that Contractor's employees and subcontractors, if any, have been trained for Urban Runoff Management, and sufficient sums are included in the proposal's amount to cover costs of such said training.

10. LICENSES AND PERMITS

The Contractor shall, without additional expense to the District or City, possess all licenses and permits, including but not limited to a valid City Business License, required for the performance of the work under this Contract.

11. PREVAILING WAGE

- A. Pursuant to provision of Section 1773 of the Labor Code of the State of California, the Moreno Valley Community Services District has obtained the general prevailing rate of per diem wages applicable for the work to be done, including but not limited to: straight time, overtime and holiday work; travel and subsistence payments; employee payments of health and welfare, vacation, pension, and similar purposes. Said rate and scale are on file with the Public Works Department of the City of Moreno Valley, and copies will be made available to any interested party on request. These rates shall be the minimum wage rates for this project. Throughout the term of this Contract, the Contractor will be required to post a copy of said rate, and scale as required by the Labor Code.
- B. Pursuant to provisions of Section 1775 of the Labor Code, the Contractor shall forfeit as penalty to the Moreno Valley Community Services District, not more than fifty dollars (\$50.00) for each laborer, workman, or mechanic employed for each calendar day or portion thereof, if such laborer, workman, or mechanic is paid less than the general prevailing rate of wages hereinabove stipulated for any work done under the attached contract, by the Contractor or by any subcontractor under Contractor's direction and control, in violation of the provisions of said Labor Code.

12. PAYROLL RECORDS

- A. The Contractor, and any subcontractor thereunder, shall keep complete and accurate payroll records for each workman employed by Contractor/subcontractor in connection with this Contract, as required by California Labor Code Section 1776.
- B. The Contractor, and any subcontractor thereunder, shall make available to the District upon its request certified payroll records for each workman employed in connection with this contract as required by California Labor Code Section 1776.
- C. The District may withhold from Contractor's progress payments the penal sum of twenty-five dollars (\$25.00) per calendar day (or portion thereof) for each worker employed in connection with this Contract should Contractor, or any subcontractors thereunder, fail to strictly comply with California Labor Code 1776 after receiving written notice of non-compliance.

13. BONDS

Pursuant to Section 3247 of the Civil Code, the Contractor hereby agrees to provide and maintain in full force and effect for the duration of this Contract, two (2) good, and sufficient surety bonds, to wit:

- A. A "Faithful Performance Bond" in the amount of one hundred percent (100%) of the contract price, which shall guarantee the faithful performance of all work, and;
- B. A "Materials and Labor Bond" in the amount of one hundred percent (100%) of the contract price, which shall secure the payment of the claims of labor, mechanics or materialmen for all work performed hereunder.

14. SUBSTITUTION OF SECURITIES

Pursuant to California Public Contract Code Section 22300, the Contractor will be permitted the substitution of securities for any monies withheld by the Moreno Valley Community Services District to ensure performance under Contract. At the request and expense of the Contractor, securities equivalent to the amount withheld shall be deposited with the Moreno Valley Community Services District, or with a state or federally chartered bank as the escrow agent, who shall pay such monies to the Contractor. Securities eligible for substitution under this section shall include those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest-bearing demand deposit accounts, and standby letters of credit. The Contractor shall be the beneficial owner of any securities substituted for monies withheld, and shall receive any dividends or interest thereon. The Contractor shall give the District written notice within thirty (30) days after the Contract is awarded that it desires to substitute securities for money that would ordinarily be withheld. If the substituted securities are deposited into an escrow, the escrow shall be governed by a written escrow agreement in a form which is substantially similar to the agreement set forth in Section 22300 of the Public Contract Code.

15. CONTRACTOR'S LIABILITY

- A. The Contractor shall be responsible for all damages to people and/or property that occur as a result of the fault or negligence attributable to Contractor in connection with the performance under this Contract. Any and all restitution or repairs deemed necessary by the Director to remedy such damages shall be furnished and performed at the Contractor's sole expense, and shall be completed within the time limits established by the Director.
- B. Repairs made to sites and site appurtenances that are damaged as a result of Acts of Nature, vandalism, theft, and acts or omissions by third parties or any other occurrence not attributable to the Contractor's operations shall be repaired by the Contractor as Additional Work and compensated as defined in Exhibit C., Section 2.

16. CONTRACTORS LICENSE

Contractors are required by law to be licensed, and regulated by the Contractors' State License Board. Contractor will comply with all applicable licensing laws, and regulations. Any questions concerning a Contractor may be referred to the Registrar, Contractors' State License Board, 9821 Business Park Driver, Sacramento, CA 95827. Mailing address: P.O. Box 26000, Sacramento, CA 95826.

17. TECHNICAL PROVISIONS

A. TREE CARE

- 1. All trees are to be maintained in a manner that will promote normal, healthy growth.
- Whenever site conditions permit, trees are allowed to grow to assume their full, natural shape, with the minimum trimming/pruning necessary to assure public safety and tree survival. All tree trimming/pruning shall be done in conformance with <u>ANSI 300-2001</u>, (or most current revision); safety requirements will be per <u>ANSI Z133-1994</u> (or most current revision) standards. Failure to adhere to this specification without the Director's approval may result in the assessment of non-performance penalties, per Exhibit C., Section 4.
- 3. Trees shall be pruned as identified and requested in order to:
 - (a) Remove dead, diseased, or damaged branches:
 - (b) Remove unwanted encroachments into the public and/or utility rightsof-way;
 - (c) Correct any condition which the Director has deemed to be hazardous.
- 4. Trees up to eighteen feet (18') in height shall:
 - (a) Be pruned to enable successful adaptation to their particular site situation;
 - (b) Have no more than one-third (1/3) of living branches removed annually;
 - (c) Be fertilized only as directed by District field staff.
- Trees over eighteen feet (18') in height shall:
 - (a) Pruned and/or trimmed as necessary to maintain proper site orientation;
 - (b) Pruned and/or trimmed as necessary to remove unwanted encroachments into public, and/or utility rights-of-way;

- (c) Pruned and/or trimmed as necessary to correct any condition which the Director has deemed to be hazardous.
- 6. Trimming/pruning tools shall:
 - (a) Be kept properly sharpened and in proper working order.
 - (b) Be sterilized with five percent (5%) chlorine bleach and water solution before commencing work and between any cuts on any tree known to be diseased.
- 7. The following practices shall not be allowed:
 - (a) Internodal cuts of any kind (a.k.a. "stubbing", "shearing", "tipping" or "topping").
 - (b) Cuts made flush with the trunk or branch. The integrity of the branch collars must be maintained at all times.
 - (c) Use of pruning paint/pruning compound/wound dressing.
 - (d) Use of climbing spurs or gaffs.
- 8. Trees shall be staked/guyed in a manner, and with materials that are acceptable to the Director. Double staking with two (2) lodge pole-type stakes is the minimum District standard.
- 9. Tree stakes, tree ties, and guy wires shall be inspected regularly to ensure against girdling and abrasion, and removed as soon as possible after tree establishment, and site conditions allow.

B. DEBRIS/LITTER

- After pruning, trimming, or other work as required under this Contract, the Contractor shall remove immediately from the site all debris generated as a result of the operations to prune, trim or provide other work as required under this Contract and in the performance of the Contractor's work, and dispose of such debris in a legal manner.
- 2. All hardscape areas, including but not limited to sidewalks, curbs, and gutters shall be maintained in a hazard-free condition.
- 3. From time to time the Director may require Contractor to perform Special Clean-Ups on a site-specific basis. Said Special Clean-Ups shall be considered Additional Work per Exhibit C., Section 2.
- 4. The Contractor shall dispose of all debris and litter, as described in paragraphs 1 and 2 above, off-site, and in a legal manner.
- 5. The Contractor shall notify the Director immediately whenever suspicious and/or hazardous waste materials are discovered within service area sites.

Such materials may include, but are not limited to: discarded motor oil, or other petroleum-based liquids; paint; chemical compounds, including but not limited to pesticides, both liquid and dry; any unknown liquid or dry material in an unmarked container; household appliances; household electronic devices, including but not limited to, televisions, computers and computer monitors; firearms or ammunition. Any such articles shall not be touched, handled, or in any way disturbed or moved from the location where they were discovered. Contractor's staff shall secure the area against entry by any third party until District staff arrives at the site.

6. Failure to adhere to the specifications of this section of the Special Provisions may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

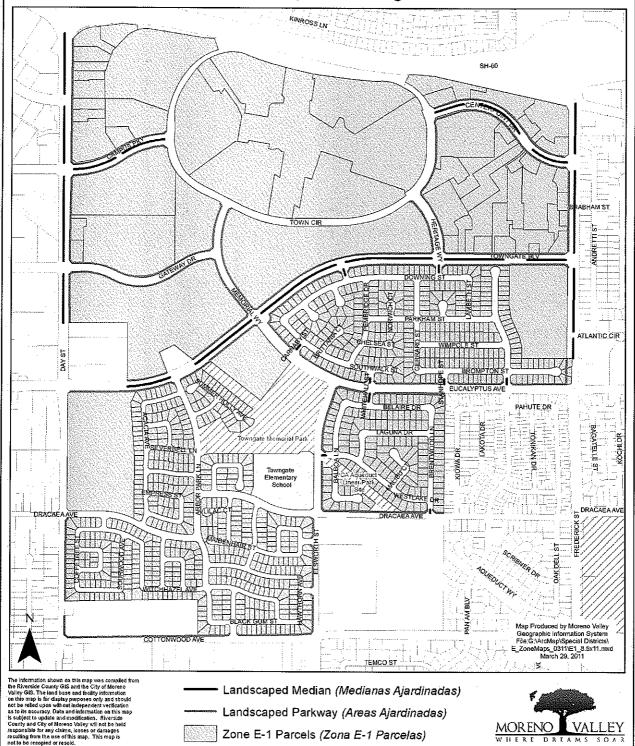

C. GREENWASTE RECYCLING

- 1. The Public Resources Code (PRC), Division 30, Sections 41000 through 41780 requires that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction.
- 2. For the purposes of this contract, materials defined as "greenwaste" shall include all tree and plant parts (e.g., trimmings, prunings, etc.) removed from contract sites by the Contractor, or any subcontractors thereunder, in performance of contract's Scope of Work.
- 3. Contractor, or any subcontractor thereunder, shall deposit all greenwaste generated in performance of contract's Scope of Work at a landscape material recycling center, or reuse said greenwaste in some manner. Contractor, or any subcontractor thereunder, shall be solely responsible for all costs incurred in complying with this requirement.
- 4. The Contractor shall submit a Monthly Greenwaste Report (see Appendix C) as an element of Contractor's Monthly Report, as set forth in Section 3. Functions and Responsibilities. The Contractor shall provide responses to all information requested therein and shall include, on a separate Monthly Greenwaste Report form, any greenwaste generated through the operations of any subcontractors performing under Contractor's Scope of Work.
- 5. Failure to adhere to the specifications of this section of the Special Provisions may result in the assessment of non-performance penalties, per Exhibit C., Section 4.

EXHIBIT B: District Responsibilities

R.F.P. NO. 2011 TREE TRIM/REMOVAL PROJECT NO. 2011 TREE TRIM/REMOVAL

PARKWAY AND MEDIAN TREE TRIMMING AND REMOVAL

1. CONTRACT SUPERVISION

- A. The Contract shall be administered on behalf of the District by the Director of Public Works of the City of Moreno Valley, or his/her delegated representative(s), hereinafter designated as "Director."
- B. The Director will decide all questions which may arise as to the manner of performance and completion per schedule, acceptable fulfillment of the Contract by the Contractor, interpretation of the Specifications, and compensation to include completion of work by alternate sources.

2. IRRIGATION SYSTEMS

The District shall manage the operation of all automatically controlled irrigation systems, including but not limited to irrigation controller programming and scheduling adjacent to the tree trimming sites. .

3. UTILITIES

It shall be the District's duty to provide the utilities necessary for irrigation (e.g., water, electricity and communications), and to maintain their appurtenances (e.g., water and electrical meters and backflow devices). The District will pay the water, electricity, and communications costs used in the sites covered by this Contract. The Contractor shall report any interruption of these services for whatever reason immediately upon Contractor's observation of same to the Director.

4. CONTRACTED LANDSCAPE MAINTENANCE SCHEDULES

The District shall provide the Contractor with a schedule of routine landscape maintenance operations at the site(s) in question. The Contractor shall provide a Tree Trimming Schedule as necessary to accommodate the other landscape maintenance activities. The Contractor's Tree Trimming Schedule must be submitted to the Director for approval within ten (10) working days after the effective date of the Contract.

EXHIBIT C: Payment Terms

R.F.P. NO. 2011 TREE TRIM/REMOVAL PROJECT NO. 2011 TREE TRIM/REMOVAL

PARKWAY AND MEDIAN TREE TRIMMING AND REMOVAL

1. CONTRACTOR'S COMPENSATION

A. The Contractor will be paid monthly based on the number of trees trimmed/removed per site, for the work performed satisfactorily under this Contract. By the tenth of each month the Contractor will electronically submit to the Director detailed reports for the: 1) maintenance performed, 2) Greenwaste, 3) complaints received, 4) hazards noted, 5) chemicals used in the prior month 5) a detailed invoice for services in accordance with the Contract price for the work performed, which shall become the basis for payment. No payment(s) shall be made until the reports, listed herein, have been submitted and approved. The Contractor will submit original all invoices to Accounts Payable staff at AccountsPayable@moval.org.

Accounts Payable questions can be directed to (951) 413-3073.

Copies of invoices and reports will be submitted to the Special Districts Division of the Public Works Department at specialdistricts@moval.org. Calls may also be directed to the Special Districts Division at (951) 413-3480.

- B. The Contractor will obtain, and keep current during the term of this Contract, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at http://www.moval.org/do/biz/biz-license.shtml.
- C. Except where additional compensation is specifically provided for in this Contract, the District will pay the Contractor for all trees trimmed/removed (this cost includes labor, material, supplies, equipment, etc. as necessary to perform such service) under this Contract and shall be based upon the total number of trees trimmed and/or removed per area per month, one (1) month in arrears, on the last day of the month. The total contract amount for the twelve (12) month contract term shall not exceed Ninety-three thousand, two hundred and twenty dollars and zero/100 (\$93,220.00), except as provided for in Section 2 below.
- D. The Contractor agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at:

http://www.moval.org/city_hall/forms.shtml#bf

- E. The minimum information required on all invoices includes:
 - 1. Vendor Name, Mailing Address and Phone Number
 - 2. Invoice Date
 - 3. Vendor Invoice Number
 - 4. City provided Reference Number (Project No. and Title)
 - 5. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed, and rates, explicit portion of a contract amount or detailed billing information is sufficient to justify the invoice amount: single or lump sum amounts without detail are not acceptable.
- F. The City shall pay the Contractor for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for the same.

2. ADDITIONAL WORK

A. During the term of this Contract the District may, at its discretion, authorize the Contractor to perform certain Additional Work as included in Section 2., paragraph C. herein this Exhibit, ("Additional Work"), in addition to the work set forth in Exhibit A, Contractor's Scope of Work.

If the District determines it to be in the District's best interest, said Additional work may include: Acts of God (e.g., earthquake damage, storm damage), vandalism, theft, and acts or omissions by third parties.

Compensation for all such Additional Work shall be calculated either: at the prices set forth by the Contractor in Exhibit E, Schedule II, Section II, Additional Work Price List, or at a price based on the Contractor's written estimate (lump sum, time and materials, or cost plus basis), as determined by the Director. Except as set forth in Section 2, paragraph B. below, the Contractor shall not perform any such Additional Work without first obtaining express written authorization from the District.

B. Notwithstanding the above requirement for prior written authorization, when a condition exists wherein there is imminent danger of injury to the public or damage to property, the District may verbally authorize the work to be performed upon receiving a verbal estimate from the Contractor. Within twenty-four (24) hours after receiving a verbal authorization, the Contractor must submit a written estimate to the District for written approval. Whenever immediate action is required to prevent impending injury, death, or property damage to the facilities being maintained, the District may, after reasonable attempt to notify the Contractor, cause such action to be taken by the District or City's work force.

- C. The Contractor shall maintain as Additional Work, at a unit price comparable to tree trimming and removals described herein, additional trims and removals that the District may add to this Contract.
- D. Except as specifically approved by subsequent action of the District Board of Directors, the Director may not authorize Additional Work pursuant to paragraphs A., B., and C. above in excess of the cumulative total of \$0.00 for each contract year during the term of this Contract.

3. PAYMENT DEDUCTIONS

The District may deduct payment to such extent as may be necessary to protect the District from loss due to:

- A. Work required in the General or Special Provisions which is: not performed, or; not performed to the standards set forth therein, or; not performed at or within the time(s) specified therein, or; is incomplete;
- B. Claims filed or reasonable evidence indicating probable filing of claims by laborers, materialmen, subcontractors, or third parties.

4. NON-PERFORMANCE PENALTIES

The Contractor may become liable for payment of non-performance penalties for failure to: provide adequate communications; provide adequate work area safety; complete operations in a timely manner as set forth in the General Provisions; submit notifications or reports required by the Contract, or General or Special Provisions at the intervals and/or frequencies set forth therein, or; perform work as required by the General or Special Provisions at the intervals and/or frequencies as set forth therein, or as set forth in Contractor's approved work schedule, or as directed by the District. For each of the categories set forth hereinabove, the penal sum of \$100.00 (one hundred dollars) per working day will be assessed for each working day the deficiencies remain uncorrected.

If non-performance penalties are to be assessed, the Contractor will be notified immediately in writing by electronic mail, facsimile transmission, or written and mailed correspondence or by telephone.

The Contractor will not be assessed non-performance penalties for delays caused by the District, or by the owner of a utility to provide for the removal or relocation of utility facilities.

EXHIBIT D: Term of Contract R.F.P. NO. 2011 TREE TRIM/REMOVAL PROJECT NO. 2011 TREE TRIM/REMOVAL

PARKWAY AND MEDIAN TREE TRIMMING AND REMOVAL

1. TERM OF CONTRACT

- A. Following approval by both parties, the Contract will commence on November 1, 2011, and shall terminate on June 30, 2012.
- B. At the expiration of its term, the Contract may be extended for up to four (4) additional twelve (12) month periods with the concurrence of both parties. Written notice of the District's intent to invoke this subsection of the Contract (Exhibit D., Section 1., paragraph B.) shall be given to the Contractor at least thirty (30) days prior to the expiration of the initial term of the Contract or any extension thereof.
- C. In considering the option to extend the Contract, as set forth in paragraph B. above, the District shall determine the following:

That the Contractor's performance during the preceding twelve months has been satisfactory, and;

That any request for increase of Contractor's compensation is based on an annual inflation adjustment based on the percentage increase calculated for the previous calendar year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

D. It should be noted that multiyear contracts may be continued each fiscal year only after funding appropriations and program approvals have been granted by the City Council of the City of Moreno Valley and the City Council acting in the capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District. (CSD) In the event that the City Council and/or the City Council acting in the capacity as President and Members of the Board of Directors for the CSD does not grant necessary funding appropriations and/or program approval, the affected multiyear contract becomes null and void, effective July 1st of the fiscal year for which such approvals have been denied.

V. COMMUNICATIONS, TRAFFIC SAFETY, & GREENWASTE RECYCLING

A. <u>Communications:</u>

<u>The General Provisions</u> require that the selected Contractor possess, and maintain an effective company-wide communications system. The Contractor must also designate responsible staff to be available on a twenty-four (24) hour basis to receive, and respond to emergency calls.

Describe your company's internal communications system, both in the office and in the field, and how it will enable your company to provide the communication capability as required in Exhibit A, Section 3, letter E, (Functions and Responsibilities). Also, describe how your company will provide the required twenty-four (24) hour communication capability. <u>Use additional sheets as necessary to provide a full, and comprehensive response.</u>

Emergency Response is available 24 hours a day 7 days a week.

Communication is an essential key in the day to day operations; from administrative personnel to field crews. Employees are provided with: cell phone, Nextel radio, email, and/or Sprint EVO tablet.

Prior to commencement of work the Area Manager will make arrangements to inspect all sites under contract and will review the proposed Work Schedule and suggested maintenance requirements with City staff.

The Project Team's goal is to provide efficient communication with the city at all times. The Area Manager and Supervisor will work together in delegating crews while the Customer Service Representative will provide City staff with daily "morning locations" when crews are working within city limits. Adequate up-to-date work records are recorded daily and are available online on WCA's inventory software program, ArborAccess. Adequate work records reflect the billing process. Further details are provided in the attachment.

B. Traffic Safety:

The <u>General Provisions</u> require that the selected Contractor provide safe and effective work area traffic control, per Caltrans' "Manual On Uniform Traffic Control Devices 2010 (or most current) California Supplement, Part 6, Temporary Traffic Control". Please describe your company's general traffic control practices and training, and how your company intends, if selected, to conduct work area traffic control operations to provide service for this project. Use additional sheets as necessary to provide a full and comprehensive response.

Please refer to attachment.

C. <u>Greenwaste Recycling:</u>

AB 939 mandates that the City of Moreno Valley divert from landfills fifty percent (50%) of the solid waste, including greenwaste, generated within its jurisdiction. Please describe your company's program to insure that the City receives credit for the greenwaste that will be generated from executing the project's Scope of Work (Exhibit A). Be sure to include the name(s), address(es) and phone number(s) of the recycling facility(ies) that will be accepting the greenwaste generated from your operations on the project. If planning to use any recycled greenwaste products (mulch, compost, soil amendments, etc.) on the project, please give name/address/phone information of the producer if different from those listed above. Use additional sheets as necessary to provide a full and comprehensive response.

Please refer to attachment.

B. EQUIPMENT

Introduction

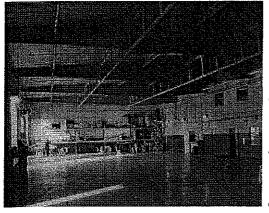

Our modern fleet consists of nearly 700 vehicles that undergo daily inspection by each driver. All equipment is kept serviced and free of graffiti at all times and is painted and detailed on a regular basis. We have a credit line of \$2 million dollars for the acquisition of new equipment.

WCA's policy is that all employees hold a valid, insurable Driver's License. We are enrolled in the DMV's Employee Pull Notice Program which provides us with a means of promoting driver safety through ongoing review of the driving records of commercial drivers. Our company has been assigned CHP Carrier Number CA68562 in the California Highway Patrol's Management Information System of Terminal Evaluation Records (MISTER), which is an automated file pertaining to the motor carriers operating in the State of California. MISTER gives the CHP immediate access to emergency information

about our company and enhances the CHP's capability to monitor the overall safety operations of our company.

Maintenance Facility

Equipment Maintenance Facility

- We have a state-of-the-art full service Maintenance Department at our corporate headquarters
- WCA has 30 full-time mechanics on staff and a full-time Preventive Maintenance Manager
- 90-day detailed inspections are performed by the WCA Maintenance Department
- Attached are certifications for each aerial tower assigned to the the City. Additional and/or replacement certified aerial towers are readily available for this contract.

PROJECT EQUIPMENT

We currently have more than 700 pieces of fairly new equipment that enables us to replace equipment immediately should there be any unforeseen mechanical problems. We employ thirty full-time mechanics that perform an in-house fleet maintenance program. Each vehicle is schedule for service and inspection every ninety days. This allows our equipment to be in good operating condition necessary for accomplishing the City's needs. Upon request a full list can be made available.

III. Proposed Ocilities, Equipmoit, & Staffing

We believe the success of the project is partly attributed to the dedicated pieces of equipment assigned to the City of Moreno Valley. In addition to aerial lift devices, dump trucks, flatbed trucks and roll-off trucks and containers, we also have additional equipment for use in the City such as cranes, loaders, and special aerial lift devices for higher elevated trees. Specific vehicles and equipment that will be dedicated to the City of Moreno Valley are listed

CERTIFIED TREEWORKERS

The purpose of the ISA Treeworker Certification is to establish a meaningful standard of skill and work quality, to establish and measure a level of training and knowledge, to encourage continuing education, and to promote safe work practices. In an effort to provide the best possible urban tree care, WCA hires, trains and assigns Certified Tree Workers for our projects. This insures that a minimum level of training and knowledge for arboriculture has been obtained and that safe work practices and overall safety will be performed. We ensure continuing education and training for those Tree Workers who may wish to gain knowledge in arboriculture or who

may want to become Certified Arborists. Below is a list of our Western Chapter 1.S.A. Certified Tree Workers:

A. COMMUNICATIONS

INTRODUCTION

West Coast Arborists includes with its comprehensive tree maintenance program a well defined quality control plan that incorporates certified personnel assigned to this project, safety, pruning specifications and guidelines, equipment, hours of operation, public relations, traffic control, work descriptions and communication systems. We believe in following this plan to help ensure the quality of work and the level of service expected.

PROJECT MANAGER

Andrew R. Trotter will act as the Project Manager for this project. Mr. Trotter holds ISA Certified Arborist Number 642. With over thirty years experience in the tree care industry, Mr. Trotter will provide overall supervision and coordination of the Area Manager and Field Operations. He has full authority to act on behalf of West Coast Arborists, Inc. on all contract matters.

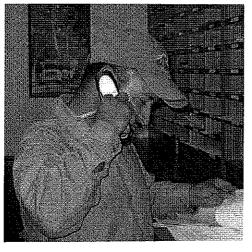

PROJECT AREA MANAGER

The Project Area Manager for this contract will hold an ISA Certified Arborist certificate. With several years of experience in the tree care industry, the Project Area Manager will provide exclusive field supervision and crew management to the City for the length of the contract. They will be the central point of contact with the City and will work cooperatively with City staff, local residents and business owners. During the past thirty years, our Project Area Managers have successfully worked with several cities and established a familiarity with the community and logistics of each City respectively.

Daily Supervision

Daily supervision will consist of, but is not limited to:

- Report to the City Inspector with location of crew and maintain an open line of communication
- Supervise crew personnel to insure proper pruning standards are followed in a safe manner
- Traffic control setup and maintenance of coned area
- Insure City streets are left free of any debris at end of each work day
- Maintain record of work completed each day
- Maintain good public relations at all times

• Immediate notification to City Inspector upon damage of personal property including a plan for corrective measures to take place within 48 hours

Weekly Supervision

Weekly supervision will consist of, but is not limited to:

- Weekly inspection of work completed
- Meeting with the City to review work schedule and progress
- Insure standards of pruning are performed in accordance with specifications provided by the City
- Maintain open communication with City Inspector and field crew

PROJECT WORK FORCE

- WCA is a professional organization and employ only the highest standard of tree care professionals
- All employees will comply with any applicable laws of the State, County, City and/or political subdivision of such state without limitations while under contract
- WCA does not discriminate against employees or applicants because of race, color, religion, sex, pregnancy, national origin, ancestry, age, marital status, or physical handicap
- Equal opportunity will be extended to all persons in all aspects of the employer-employee relationship, including but not limited to hiring, transfer, promotion, training, compensation, layoff, recall or termination
- Employment decisions comply with all applicable laws prohibiting discrimination and comply with Title VII of the Civil Rights Act of 1992 and all federal, state and municipal laws pertaining thereto
- Any employee who is found to be incompetent, troublesome, disorderly or otherwise objectionable, or who fails or refuse to perform work properly and acceptable, will immediately be removed from working on this project

HOURS OF WORK AND OPERATION

All regular tree care will be performed between the hours of 7:00 a.m. and 5:00 p.m., Monday through Friday. In accordance with the City's specifications, we are prepared to perform work during the weekend and evenings. With our large number of employees, we are able to create special weekend teams and night teams that are accustomed to performing during those shifts. Oftentimes these special shifts help to alleviate traffic and pedestrian congestion that may otherwise occur during normal business hours.

SCHEDULING OF WORK

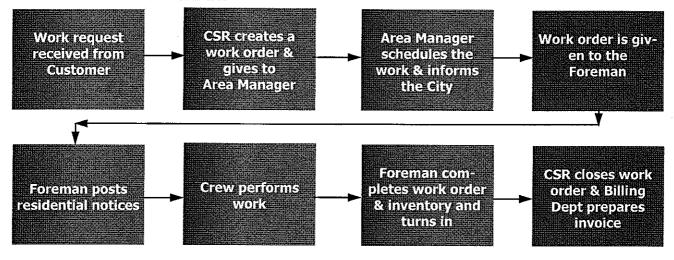

The project shall conform to the City's schedule of performance. We recommend equal distribution of work throughout the course of the fiscal year. West Coast Arborists, Inc. will notify the City of any changes in the start date of each tree maintenance operation at least 24 hours in advance, weather permitting. Our company tracks lists according to work type and prioritizes accordingly. West Coast Arborists, Inc. will provide door hangers that explain the tree maintenance process (acceptable to the City) and distribute the notifications to citizens prior to the start of pruning operations in said area. Work shall be conducted in a cooperative manner as to cause the least amount of possible interference with or annoyance to others. Service request pruning is done on an "as needed" basis and is performed to rectify and immediate problem, a full trim will be completed during the grid pruning cycle. The Area Manager is responsible for scheduling the work, a detailed workflow process is shown on the following page, outlining how work is processed and scheduled.

PUBLIC NOTIFICATION

Prior to commencement of grid pruning, WCA will prepare a sample door hanger notice and present it to City staff for approval. Upon approval, we will have the pruning door hangers printed and post them within twenty -four (24) hours prior to the commencement of work, or as directed by the City. Tree planting door hangers will be hung after the tree has been planted. When requiring a response pertaining to tree planting, we will send a letter along with a return postcard to the resident and respectfully request their input. The City should notify WCA if they would like a mailer sent. We will print all notices (and photos for tree planting operations) and distribute them to the residents utilizing a mail addressing software program. Each notice will be sent utilizing City letterhead and envelopes. For special projects and/or routine maintenance, we can also submit a press release to the community newspaper for a more comprehensive outreach. We understand the City may modify the procedure to which to notify residents.

EMERGENCY RESPONSE

West Coast Arborists has an Area Manager on call 24 hours a day, 7 days a week, including holidays. The toll free number is 866-LIMB-DOWN (866-546-2369). This number will be provided to the City, Police Department and Fire Department. We will be prepared for emergency calls on a 7-day, 24-hour basis. Our emergency response team will do what is necessary to render the hazardous tree or tree-related condition safe until the following workday. Should the emergency call out occur during normal business hours, contact your Area Manager or Customer Service Representative and one of our teams will respond to the scene and perform the necessary work.

B. TRAFFIC SAFETY

West Coast Arborists, Inc. will set up all traffic control procedures in accordance with the Work Area Traffic Control Handbook (W.A.T.C.H.) and State of California Manual of Traffic Controls as well as the City Traffic and Safety Operating Rules. During the progression of work, WCA will make adequate provisions to insure the normal flow of traffic over the public streets and park roads. Every effort will be made to keep commercial driveways and passageways open to the public during business hours. High visibility arrowboard(s) will be used when needed. Prior to use, the City will approve traffic safety equipment and devices. Pedestrian and vehicular traffic shall be allowed to pass through the work areas only under conditions of safety and with as little inconvenience and delay as possible. Unless the work area is totally barricaded or otherwise kept safe, at least one worker will serve to coordinate safe operations on the ground at all times when work operations are in progress.

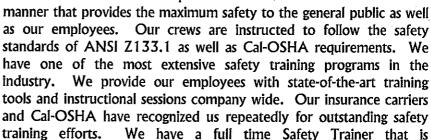

EMPLOYEE TRAINING PROGRAM

West Coast Arborists, Inc. provides an extensive in-house training curriculum for all employees to broaden their knowledge of the arboriculture field of study. Included in this training are the ISA standards, both Treeworker and Arborist study programs, and a variety of Tree Care Industry Association home study programs. We also offer training courses to our staff in areas of customer service satisfaction, maintaining professional conduct, and Qualified Line Clearance Trimmer Training.

SAFETY PROGRAM

Safety standards are top priority at West Coast Arborists, Inc. Our line of work demands that all work is performed in a

professionally trained in the field of horticulture. He brings several years experience to the company as well as expertise in training new and existing employees. He administers I.S.A. certification training, in-house crew leader training programs, and new hire orientation training.

ARBORACCESS ONLINE COMPUTER SOFTWARE

WCA has developed a modern, complete, and comprehensive computer program, called ArborAccess Online, with input from many California cities. This Internet driven program was developed based on the needs of our customers and is only accessible by our customers. Since it is a sole-proprietary program, we have the capability to customize the program to our customers' specific needs. The user-friendly program allows customers to store, retrieve, update, delete and add tree records and work histories. Over the past year, we have made significant upgrades to our software program, we are certain that this new development will better serve our customers and provide information more quickly and accurately. ArborAccess Online also features customizable options that allow for additional information to be compiled within the database such as infrastructure assets or sidewalk damage. The information contained in ArborAccess Online is live data that can also be linked directly to a GIS. program, such as ArcView, for geo-coding purposes. By collecting the data using the GPS system, cities can consolidate tree data with other various GPS coded programs. The information management possibilities for data integration are endless for urban forestry management programs that use similar management methods and resources.

DATA ENTRY

Due to the large amount of information we process, we have a full-time Data Entry department that is capable of taking on extra projects. Projects of this nature include inputting of work history performed by City crews or conversion of data to assimilate into ArborAccess.

BILLING

West Coast Arborists has a state-of-the-art invoicing system that is updated on a daily basis. Progress billings will be submitted to the City on a bi-weekly basis, unless otherwise requested. Invoices will reflect an amount complete for the billing period, along with a year-to-date total for that job. Each billing will include a listing of completed work by address, tree species, work performed and appropriate data acceptable to the City. This information will be supplied in hardcopy and immediately accessible on ArborAccess Online. Job balances reflecting the percent of completion for each job can be viewed on ArborAccess Online.

At the end of each day, every crew is responsible for reporting the quantities of work they perform for that day. Internally, we call this process the Call In. This information is radioed into the Customer Service Representative who inputs it into the computer. This information is accessible through job balances immediately in ArborAccess. Once the billing period is complete, the Billing Coordinator runs a Call In report for that date range and compares what was called in to actual hard-copy of the work record inventory. Before the billing is completed, all discrepancies must be resolved and investi-

C. GREENWASTE RECYCLING

RECYCLING PROGRAM

WCA's commitment to be a socially responsible corporate partner to our customers and communities is exemplified in our Recycling Program. With the steadily-increasing concern for the ecological health of our communities, West Coast Arborists, Inc. has embarked on a landfill diversion process where all material is taken to recycling facilities where it is used in the production of soil amendments. We are committed to taking all recyclable materials removed from the trees trimmed for the duration of this project to a recycling center for processing. Verification of amounts recycled will be obtained and reported by West Coast Arborists, Inc. via ArborAccess for the purpose of meeting the goals of the State for reducing landfill usage.

RECYCLED PRODUCTS:

<u>M U L C H</u>

Mulch is made from coarse ground branches and leaves. It should be spread on the ground at a rate of six to twelve inches for best effect. Fresh mulch will deplete nitrogen from the surface of the soil which will reduce unwanted weeds. Once the mulch has decayed, it returns nitrogen which helps build the quality of soil for plants. A large amount of tree debris is processed by

West Coast Arborists and used in large scale mulching projects for establishing native plants in open space areas.

COMPOST

Compost is made from fine ground branches, leaves or other organic material. When mixed with oxygen and water, the organic material will decay or "compost." A finished compost is excellent for turning into the top layer of soil and will add nitrogen and increase the water holding capacity of soil. You

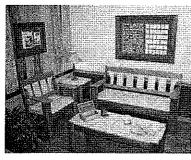

can make compost at home in a pile in your yard or in a bin that you make or purchase. Large scale composting in ing is done at regional recycling facilities.

FIREWOOD

Firewood is traditionally the most common use of large branches and logs. Firewood is used to heat homes during winter months. West Coast Arborists takes logs to a yard in Irvine where a firewood retailer splits and resells the fire-

wood to local residents.

LOGS TO LUMBER

Currently West Coast Arborists is looking for new and better ideas for the use of tree logs. An old idea with a new approach is converting city trees into usable lumber. WCA worked on a twelve month trial program with the California Department of Forestry and Fire Protection to create an environmentally sound and socially responsible alternative to importing lumber from other areas, reducing our demand on trees from natural forests. WCA has demonstrated its

ASSEMBLY BILL 939 (AB939)

The management of solid waste has become a major issue in California and throughout the country. Not only are we producing an increasing amount of solid waste each year, but we are running out of places to put it. Because of the concern about water and air pollution associated with landfills, the opportunities to develop additional disposal capacity are limited.

To address these issues, the Governor of California signed into law on September 29, 1989, Assembly Bill 939 (AB 939). The law fundamentally restructured the state's approach to solid waste management. AB 939 established an integrated waste management hierarchy in the following order of importance:

- Source reduction
- Recycling and composting
- Environmentally safe transformation and land disposal of solid wastes

AB 939 requires that each California county and incorporated city prepare a Source Reduction and Recycling Elements (SRRE) report which shows how they will meet solid waste diversion goals of 50 percent by the year 2000 and beyond.

West Coast Arborists, Inc., offers a multitude of waste diversion opportunities to cities including mulch, compost, firewood and logs to lumber. In an effort to provide cities with valued information pursuant to AB 939 requirements, we provide immediate reporting capabilities through ArborAccess at no additional cost.

TITLE: PUBLIC HEARING FOR AN AMENDMENT 4 TO DEVELOPMENT

AGREEMENT 102-89, P13-027 (REGARDING TENTATIVE TRACT 24203) THE APPLICANT IS BLUE RIBBON ENTERPRISES, LLC

AND HIGHLAND HILLS DEVELOPMENT CORP.

RECOMMENDED ACTION

Recommendations: That the City Council:

- RECOGNIZE that the Development Agreement Amendment will not have the potential for any direct or indirect impacts under CEQA and is therefore exempt under Section 15061 of the CEQA Guidelines.
- 2. ADOPT Resolution No. 2013-73. A Resolution of the City of Moreno Valley, California, Approving the Fourth Amendment to Development Agreement 102-89 (P13-027) to Extend the Term of the Agreement by Five Years and Modifying the Terms of the Agreement Related to the Park Improvements for Tentative Tract 24203.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission approved Resolution 2013-22 on July 11, 2013 recommending approval of the Development Agreement Amendment to the City Council.

BACKGROUND

The Development Agreement 102-89 was intended to allow two developers to contribute to a City park that would meet City requirements. The Development Agreement was approved along with Tentative Tract Maps 23553 and 24203 in 1990.

In 1994, revised tentative tract maps were proposed. The terms of the Agreement were renegotiated. Since there were no provisions for Planned Unit Developments (PUD) in the Municipal Code at that time, the Development Agreement modified development standards that would allow clustering of density on the flatter portions of the site. The third amendment allowed the developers to proceed separately if each developer completed their identified portions of the park improvements within specified time frames.

Subsequent to the third amendment, Empire Homes completed construction of their portion of Shadow Mountain Park in conjunction with the development of Tract Map 23553. The City Council accepted the improvements of Shadow Mountain Park as completed on January 27, 2004.

Tentative Tract Map 24203 has not been recorded or built. The tentative tract map consists of 99 lots northeasterly of Pigeon Pass Road and Lawless Road. The applicant is requesting an additional five years for the life of the map through the Development Agreement.

On July 11, 2013, State legislation went into effect granting a 2-year automatic extension applicable to all unexpired tract maps approved after January 1, 2000. The legislation also allows maps approved on or before January 1, 2000 to apply for a two year extension. Since 2007, the State has provided tentative tract maps with a total of seven years of automatic extensions. Since the expiration of Tentative Tract Map 24203 is specified in the Development Agreement, these State granted extensions do not apply. Therefore, the proposed five year extension associated with the Development Agreement would provide Tentative Tract 24203 with a life that would be similar to that of other tentative tracts benefiting from the automatic extensions.

DISCUSSION

The Planning Commission reviewed the proposed Development Agreement Amendment on July 11th. The Planning Commission recommended approval of the Development Agreement Amendment as presented. Several residents had questions regarding the future park improvements which were addressed at the meeting.

The proposed Amendment 4 makes only minor amendments to the existing agreement. The amendments will only affect development of Tract 24203, because the obligations under the Agreement for Tract 23553 (Empire Homes) have been completed.

The proposed amendments to the Agreement are as follows:

A. The term of the agreement is extended by five years.

B. The lots within Tract 24203 will be required to pay Development Impact Fees for park improvements in lieu of the specific park improvements that were to be constructed by the developer as identified in Amendment 3.

The proposed approach to funding park improvements would allow the same level of improvements that would be provided by the developer in constructing additional park amenities. This approach is preferred by the Parks & Recreation Department.

Concurrent with recordation of Amendment 4 of the Development Agreement, the approximately 1.5 acre park site will be dedicated to the City.

ALTERNATIVES

- 1. Approve the proposed Resolution for approval of the Development Agreement Amendment 4. **Staff recommends this alternative**.
- 2. Do not approve the proposed Resolution for approval of Development Agreement Amendment 4. **Staff does not recommend this alternative**.

If the Development Agreement Amendment is not approved, the applicant would need to make satisfactory progress as required under the Municipal Code to complete recordation of the map by June 2014. If the map expires, a new Tentative Tract Map and Conditional Use Permit for a Planned Unit Development would be required.

FISCAL IMPACT

Not applicable.

CITY COUNCIL GOALS

Not applicable.

NOTIFICATION

A notice of the public hearing was published in the newspaper, posted at required City locations and at the project site, and mailed to property owners within 300 feet of the proposed project. As of the date of report preparation, staff has received no public inquiries in response to the noticing for the City Council public hearing for this project.

RESOLUTION NO. 2013-73

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING THE FOURTH AMENDMENT TO DEVELOPMENT AGREEMENT 102-89 (P13-027) TO EXTEND THE TERM OF THE AGREEMENT BY FIVE YEARS AND MODIFYING THE TERMS OF THE AGREEMENT RELATED TO THE PARK IMPROVEMENTS FOR TENTATIVE TRACT 24203

SECTION 1:

WHEREAS, the applicant, Blue Ribbon Enterprises, LLC and Highland Hills Development Corp., has filed an application for the approval of P13-027, an Amendment to Development Agreement 102-89, as described in the title of this resolution; and

WHEREAS, on July 11, 2013, the Planning Commission of the City of Moreno Valley held a public hearing to consider the subject application; and

WHEREAS, on September 10, 2013, the City Council of the City of Moreno Valley held a public hearing to consider the subject application; and

WHEREAS, all legal prerequisites to the adoption of this Resolution have occurred; and

WHEREAS, the City Council recognized that the proposed action will not have the potential for direct or indirect impacts under the California Environmental Quality Act (CEQA) and is exempt under Section 15061 of the CEQA Guidelines.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

- A. The City Council hereby specifically finds that all of the facts set forth above in this Resolution are true and correct.
- B. Based upon substantial evidence presented to this City Council during the above-referenced meeting, including written and oral staff reports, and the record from the public hearing, this City Council hereby specifically finds as follows:
- That the Development Agreement Amendment is consistent with the goals, objectives, policies, general land uses and programs specified in the General Plan.

Resolution No. 2013-73
Date Adopted: September 10, 2013

FACT: The proposed Amendment is consistent with the General Plan ensuring that new development provides adequate recreational facilities through installation of park improvements. This project will be required to pay applicable development impact fees for park improvements.

2. The proposed Development Agreement Amendment is compatible with the uses authorized in, and the regulations prescribed for, the land use district in which the real property is located.

FACT: The Development Agreement Amendment is compatible with the uses authorized in, and the regulations prescribed for, the land use district in which the real property is located.

3. The proposed Development Agreement Amendment is in conformity with public convenience, general welfare and good land use practice.

FACT: The Development Agreement Amendment would require the payment of impact fees for Tentative Tract 24203 in the same manner as other development within the City of Moreno Valley. The payment of park improvement fees for Tentative Tract 24203 will provide additional amenities for the park. The Development Agreement required the dedication and construction of the 10 acre park (Shadow Mountain Park).

4. The proposed Development Agreement Amendment will not be detrimental to the public health, safety and general welfare.

FACT: The proposal has been determined to be exempt under Section 15061(b)(3) of the California Environmental Quality Act Guidelines in that the proposed Agreement does not have the potential to result in a direct or indirect physical impact on the environment.

5. The proposed Development Agreement Amendment will not adversely affect the orderly development or the preservation of property values of the subject property or any other property.

FACT: The Development Agreement Amendment would not affect the orderly development or the preservation of property values of the subject property or any other property.

FEES, DEDICATIONS, RESERVATIONS, AND OTHER EXACTIONS

1. Impact, mitigation and other fees are due and payable under currently applicable ordinances and resolutions. These fees may include but are not limited to: Development Impact Fee, Transportation Uniform Mitigation Fee (TUMF), Multi-species Habitat Conservation Plan (MSHCP)

Resolution No. 2013-73

Date Adopted: September 10, 2013

Mitigation Fee, Stephens Kangaroo Habitat Conservation fee, Underground Utilities in lieu Fee, Area Drainage Plan fee, Bridge and Thoroughfare Mitigation fee (Future) and Traffic Signal Mitigation fee. The final amount of fees payable is dependent upon information provided by the applicant and will be determined at the time the fees become due and payable.

Unless otherwise provided for by this resolution, all impact fees shall be calculated and collected at the time and in the manner provided in Chapter 3.32 of the City of Moreno Valley Municipal Code or as so provided in the applicable ordinances and resolutions. The City expressly reserves the right to amend the fees and the fee calculations consistent with applicable law.

2. The City expressly reserves the right to establish, modify or adjust any fee, dedication, reservation or other exaction to the extent permitted and as authorized by law.

Pursuant to Government Code Section 66020(d)(1), NOTICE IS FURTHER GIVEN that the 90 day period to protest the imposition of any impact fee, dedication, reservation, or other exaction described in this resolution begins on the effective date of this resolution and any such protest must be in a manner that complies with Section 66020(a) and failure to timely follow this procedure will bar any subsequent legal action to attack, review, set aside, void or annul imposition.

The right to protest the fees, dedications, reservations, or other exactions does not apply to planning, zoning, grading, or other similar application processing fees or service fees in connection with this project and it does not apply to any fees, dedication, reservations, or other exactions of which a notice has been given similar to this, nor does it revive challenges to any fees for which the Statute of Limitations has previously expired.

BE IT FURTHER RESOLVED that the City Council of the City of Moreno Valley HEREBY ADOPTS Resolution No. 2013- approving the Fourth Amendment to Development Agreement 102-89 (P13-027) as contained in Exhibit A.

Amendment 4 to Development Agreement 102-89

THIS AMENDMENT modifies the terms and provisions of that certain Development Agreement (the "Agreement") dated May 31, 1990 and recorded June 4, 1990 as Instrument No. 204508, Records of Riverside County, California entered into by the City of Moreno Valley (the "City"), Empire Homes, a California general partnership, and Lennar Homes of California, Inc., a California corporation ("Lennar Homes"). This Amendment also amends the terms and provisions of Amendment 3 to the Development Agreement (the "Third Amendment") dated March 20, 2000, and recorded April 27, 2000, as Instrument No. 019870, Records of Riverside County, California entered into by the City of Moreno Valley (the "City"), Empire Homes, a California general partnership, and Lennar Homes of California, Inc., a California Corporation. Lennar Homes has conveyed its interest in the Lennar Homes Property (as defined in the Agreement) to Blue Ribbon Enterprises, LLC, a California limited liability company, as to an undivided eighty-three percent (83%) and Highland Hills Development Corporation, a California corporation, as to an undivided seventeen percent (17%) interest, as tenants in common (collectively, "Blue Ribbon"). The City accepted the park improvements completed by Empire Homes (Tract 23553) on January 27, 2004, which fulfilled Empire Homes' park obligations under Development Agreement 102-89.

RECITAL

Section 3.4 of the Agreement recognizes the possibility that due to changed circumstances, it may be necessary or appropriate to modify the term and provisions of this Agreement.

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, the City and Blue Ribbon agree as follows:

- A. Definitions. The "Effective Date" of this amendment to Agreement will refer to the date that this amendment is recorded with the County Recorder.
- B. Term. Section 2.3 of the Agreement is modified to reflect that the term shall be extended for five (5) years thus through June 4, 2019.

Section D.4 of Amendment 3 shall be modified to read as follows:

4. With respect to the Empire Partnership Property, Empire Partnership and the City acknowledge that of the approximately 8.5 acre park site to be dedicated and improved by Empire Partnership, approximately 4.9 acres satisfies the park dedication requirements of Ordinance No. 340. The remainder of Empire

Resolution No. 2013-Date Adopted: September 10, 2013 Partnership's portion of the park site, totaling 3.6 acres is in excess of that requirement and will be credited to offset development impact fees as described in paragraph 6.

With respect to Blue Ribbon, Blue Ribbon and the City agree that the 1.5 acre park site being dedicated and improved by Lennar Homes will fully satisfy the park dedication requirements of the City's Municipal Code.

Section D.5 of Amendment 3 shall be modified to read as follows:

Park Improvements. Empire Partnership and Blue Ribbon will make an offer of dedication of their respective portions of the park site (8.5 acres for Empire Partnership and 1.5 acres for Blue Ribbon) to the City within thirty (30) days of the effective date of the amended agreement. Concurrent with recordation of Amendment 4 of the Development Agreement, the approximately 1.5 acre site will be dedicated to the City. Further, title to this 1.5 acre dedication will be cleared up. In lieu of completing park improvements for the approximately 1.5 acre site, the Park Improvement portion of the City's development impact fee will apply to each residential lot as provided for by the City's current fee ordinance and resolution. Prior to recordation of the final map, Empire Partnership shall provide sufficient security for their respective portions of the park improvements. The conceptual park and photographs of required minimum City standards are depicted in Exhibit A. The park improvements that Empire Partnership is responsible for are set forth in Exhibits B-E, incorporated herein by this reference. Because the cost of the work may change over time, Empire Partnership agrees to renew said security with good and sufficient sureties or change the amounts of said security within ten (10) days after being notified by City staff that the sureties or amounts are insufficient.

Empire Partnership completed park improvements as a separate obligation as described in the following Exhibits:

- A. The detailed breakdown of park improvements itemized in Exhibit C contains general cost estimates. The Developer is not required to spend the amount of money estimated in the respective Exhibit. Nor are the Exhibits intended to limit the cost of any of the improvements. The City and the Developers agree that the Developers are required to construct facilities in accordance with Plans and Specification approved by the City.

Exhibit B - Diagram of Empire Partnership's portion of Park Improvements

Resolution No. 2013-Date Adopted: September 10, 2013 Exhibit C - Detailed breakdown of Empire Partnership's Park Improvements

- C. Not more than 163 building permits shall be issued to Empire Partnership, or any successor in interest until the park improvements described in Exhibits B and C are completed, and accepted by the City's Parks and Recreation Director.
- D. Upon completion of the park site improvements by the developer as approved by the Parks and Recreation Director, the developer shall provide to the City all title documents including title insurance and grant deed(s) as required by the City Attorney. The property owner shall transfer unencumbered fee title of the park site to the City.

Section D.6 of Amendment 3 shall be modified to read as follows:

6. Park Improvements/Development Impact Fee Credit. It is expressly understood that it shall be the sole responsibility of the Empire Partnership and/or their future successor to provide for, without limitation, any architectural, engineering, landscape architectural, or other planning related cost associated with the design of the park as necessary to comply with City requirements. This shall be further understood to include all cost incurred in order to comply with Ordinance No. 340; all cost of constructing designated park improvements including any construction management cost; and all other cost incurred in equipping the park as required by the City in accordance with the provisions of this Agreement (see Attachment "A"). As consideration for dedication of excess park land and construction of the park improvements, Empire Partnership will receive a credit for 3.6 acres of excess land, based upon a fair market value appraisal of the park land -- in an amount not to exceed Four Hundred Thousand Dollars (\$400,000), such amount to be applied against development impact fees.

Empire Partnership will obtain an MAI appraisal in order to determine the fair market value of the excess park land. Such appraisal will value the Property absent its park designation and based on the Development Standards specified in Section C.3 of this Agreement, in developed condition. For purposes of this appraisal, the developed condition would be a graded site with all improvements as shown on Tentative Tract Map 23553 (including streets, sewer, water storm drainage and utilities).

With respect to the fair market value appraisal of the Property, the appraisal shall be submitted by Empire Partnership, subject to acceptance and approval by the City no later than the issuance of the 140th building permit for Empire Partnership. If the City objects to the appraisal, the City may contract with another appraiser to determine the market value at the cost of Empire Partnership. Empire Partnership agrees to take no

8

Resolution No. 2013-Date Adopted: September 10, 2013 action to unreasonably increase the value of the Property. Empire Partnership shall pay in full all applicable development impact fees until the appraisal has been accepted and approved by the City. This fee credit shall be applied against the future development impact fees as they become payable on those lots for which building permits had not been issued and in order to fully amortize the credit, the City will cooperate with Empire Partnership in an equitable allocation of such fee credit with respect to the remaining lots receiving building permits within the Project, to attempt to utilize all of the credit available to Empire Partnership provided, however, the City will have no further obligation for payment of any kind hereunder.

Amendment 4 to Development Agreement 102-89

THIS AMENDMENT modifies the terms and provisions of that certain Development Agreement (the "Agreement") dated May 31, 1990 and recorded June 4, 1990 as Instrument No. 204508, Records of Riverside County, California entered into by the City of Moreno Valley (the "City"), Empire Homes, a California general partnership, and Lennar Homes of California, Inc., a California corporation ("Lennar Homes"). This Amendment also amends the terms and provisions of Amendment 3 to the Development Agreement (the "Third Amendment") dated March 20, 2000, and recorded April 27, 2000, as Instrument No. 019870, Records of Riverside County, California entered into by the City of Moreno Valley (the "City"), Empire Homes, a California general partnership, and Lennar Homes of California, Inc., a California Corporation. Lennar Homes has conveyed its interest in the Lennar Homes Property (as defined in the Agreement) to Blue Ribbon Enterprises, LLC, a California limited liability company, as to an undivided eighty-three percent (83%) and Highland Hills Development Corporation, a California corporation, as to an undivided seventeen percent (17%) interest, as tenants in common (collectively, "Blue Ribbon"). The City accepted the park improvements completed by Empire Homes (Tract 23553) on January 27, 2004, which fulfilled Empire Homes' park obligations under Development Agreement 102-89.

RECITAL

Section 3.4 of the Agreement recognizes the possibility that due to changed circumstances, it may be necessary or appropriate to modify the term and provisions of this Agreement.

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, the City and Blue Ribbon agree as follows:

- A. Definitions. The "Effective Date" of this amendment to Agreement will refer to the date that this amendment is recorded with the County Recorder.
- B. Term. Section 2.3 of the Agreement is modified to reflect that the term shall be extended for five (5) years thus through June 4, 2019.

Section D.4 of Amendment 3 shall be modified to read as follows:

4. With respect to the Empire Partnership Property, Empire Partnership and the City acknowledge that of the approximately 8.5 acre park site to be dedicated and improved by Empire Partnership, approximately 4.9 acres satisfies the park dedication requirements of Ordinance No. 340. The remainder of Empire

Partnership's portion of the park site, totaling 3.6 acres is in excess of that requirement and will be credited to offset development impact fees as described in paragraph 6.

With respect to Lennar Homes of California Inc. <u>Blue Ribbon</u>, Lennar Homes <u>Blue Ribbon</u> and the City agree that the 1.5 acre park site being dedicated and improved by Lennar Homes will fully satisfy the park dedication requirements of <u>Ordinance 340</u> the City's Municipal Code.

Park site improvement plans including an estimate of cost, but not including the final detailed construction drawings shall be prepared by the developer and approved by the City's Parks and Recreation Director prior to the recordation of the final map for Tract 23553 and Tract 24203.

The developers respectively shall each execute an improvement agreement with the City as approved by the City Attorney accompanied with improvement security conforming with Sections 9.14.210 and 9.14.220 of the Development Code (Ordinance No. 359) prior to the recordation of the final map for Tract 23553 and Tract 24203. Each agreement shall reflect the respective responsibilities for park improvements as provided for in Paragraph 6.

Section D.5 of Amendment 3 shall be modified to read as follows:

Park Improvements. Empire Partnership and Lennar Homes Blue Ribbon will make an offer of dedication of their respective portions of the park site (8.5 acres for Empire Partnership and 1.5 acres for Lennar Homes Blue Ribbon) to the City within thirty (30) days of the effective date of the amended agreement. Concurrent with recordation of Amendment 4 of the Development Agreement, the approximately 1.5 acre site will be dedicated to the City. Further, title to this 1.5 acre dedication will be cleared up. In lieu of completing park improvements for the approximately 1.5 acre site, the Park Improvement portion of the City's development impact fee will apply to each residential lot as provided for by the <u>City's current fee ordinance and resolution</u>. Prior to recordation of the final map, Empire Partnership and Lennar Homes shall provide sufficient security for their respective portions of the park improvements. The conceptual park and photographs of required minimum City standards are depicted in Exhibit A. The park improvements that Empire Partnership and Lennar Homes are is each responsible for are set forth in Exhibits B-E, incorporated herein by this Because the cost of the work may change over time, Empire reference. Partnership and Lennar Homes agrees to renew said security with good and sufficient sureties or change the amounts of said security within ten (10) days after being notified by City staff that the sureties or amounts are insufficient.

Empire Partnership <u>completed park improvements as a separate obligation as described</u>. and Lennar Homes have segregated the park improvements into separate obligations of Empire Partnership and Lennar Homes. They are attached in the following Exhibits:

A. The detailed breakdown of park improvements itemized in Exhibits C and E contain general cost estimates. The Developers are <u>is</u> not required to spend the amount of money estimated in the respective Exhibit. Nor are the Exhibits intended to limit the cost of any of the improvements. The City and the Developers agree that the Developers are required to construct facilities in accordance with Plans and Specification approved by the City.

C. Not more than 163 building permits shall be issued to Empire Partnership, or any successor in interest until the park improvements described in Exhibits B and C are completed, and accepted by the City's Parks and Recreation Director. Similarly not more than 56 building permits shall be issued to Lennar Homes or any successor in interest until the park improvements described in Exhibits D and E are completed, and accepted by the City's Parks and Recreation Director.

Upon completion of the park site improvements by the developer as approved by the Parks and Recreation Director, the developer shall provide to the City all title documents including title insurance and grant deed(s) as required by the City Attorney. The property owner shall transfer unencumbered fee title of the park site to the City.

Section D.6 of Amendment 3 shall be modified to read as follows:

6. Park Improvements/Development Impact Fee Credit. It is expressly understood that it shall be the sole responsibility of the property owners/developers Empire Partnership and/or their future successors to provide for, without limitation, any architectural, engineering, landscape architectural, or other planning related cost associated with the design of the park as necessary to comply with City requirements. This shall be further understood to include all cost incurred in order to comply with Ordinance No. 340; all cost of constructing designated park improvements including any

construction management cost; and all other cost incurred in equipping the park as required by the City in accordance with the provisions of this Agreement (see Attachment "A"). The City has agreed that no plan check or other City fees will be levied with respect to approval and construction of the park site. As consideration for dedication of excess park land and construction of the park improvements, Empire Partnership will receive a credit for 3.6 acres of excess land, based upon a fair market value appraisal of the park land -- in an amount not to exceed Four Hundred Thousand Dollars (\$400,000), such amount to be applied against development impact fees.

Empire Partnership will obtain an MAI appraisal in order to determine the fair market value of the excess park land. Such appraisal will value the Property absent its park designation and based on the Development Standards specified in Section C.3 of this Agreement, in developed condition. For purposes of this appraisal, the developed condition would be a graded site with all improvements as shown on Tentative Tract Map 23553 (including streets, sewer, water storm drainage and utilities).

With respect to the fair market value appraisal of the Property, the appraisal shall be submitted by Empire Partnership, subject to acceptance and approval by the City no later than the issuance of the 140th building permit for Empire Partnership. If the City objects to the appraisal, the City may contract with another appraiser to determine the market value at the cost of Empire Partnership. Empire Partnership agrees to take no action to unreasonably increase the value of the Property. Empire Partnership shall pay in full all applicable development impact fees until the appraisal has been accepted and approved by the City. This fee credit shall be applied against the future development impact fees as they become payable on those lots for which building permits had not been issued and in order to fully amortize the credit, the City will cooperate with Empire Partnership in an equitable allocation of such fee credit with respect to the remaining lots receiving building permits within the Project, to attempt to utilize all of the credit available to Empire Partnership provided, however, the City will have no further obligation for payment of any kind hereunder.

3. Case Description: P13-0027 Amendment 4 to Development

Agreement 102-89 (regarding Tentative Tract 24203)

Case Planner: Chris Ormsby

CHAIR VAN NATTA – Okay Agenda Item No. 3; Case Description - P13-007, Amendment 4 to Development Agreement 102-89 (regarding Tentative Tract 24203) and the Planner is Chris Ormsby. Mr. Ormsby tell us all about it.

<u>INTERIM PLANNING OFFICIAL</u> – Yes; Chris Ormsby, Interim Planning Official. Chair and members of the Planning Commission, for the record before I get into the presentation, there is one correction to the packet and it is the title of the Resolution on page 111 of the Agenda packet. The reference is basically a typo that refers to two years and the requested extension by the Applicant is five years, so two should be five.

The Development Agreement for this project was adopted to allow two tracts, Tract 23553 and Tentative Tract 24203, to share in the development and construction of a 10 acre park. That 10 acre park has been constructed improved in terms of the full 10 acres and has been constructed. Tract 23553 to the south of Lawless has been fully developed and its obligations under the Development Agreement have been completed so their piece of it is done and what is up for discussion tonight is an extension of the agreement which is proposed by the property owner of Tract 24203, which is the tract that is undeveloped northerly of Lawless Road. The Applicant Owner is Blue Ribbon Enterprises and Highland Hills Development Corporation.

There are just two modifications to the agreement. The first is to increase the term to five years as already mentioned which is the request of the Applicant. The second is recommended by the Parks and Community Services Department and that is a modification to the agreement which would require lots within the tract to pay development impact fees for park improvements rather than complete specific improvements to the park. Tract 24203 had some obligation to do some additional improvements which included a basketball court. Instead of them building those improvements which were to be done by no later than the 56th permit, Parks prefers to use the development impact fees as the money comes in, which would actually provide the money sooner on a per lot basis, and complete the remaining improvements for the park.

In response to the Public Notice, I received 8 calls from residents in the area and none expressed any major concerns with the proposal. It was more seeing the notice out there in the field and wondering what it was about. So with that, Staff recommends that the Planning Commission approve Resolution 2013-22 and thereby recommend that the City Council recognize that the Development Agreement Amendment is exempt under Section 15061 of the CEQA Guidelines

and approve Amendment 4 to Development Agreement 102-89.	The Application
is P13-027 and with that I will open it up to guestions.	

<u>CHAIR VAN NATTA</u> – Any questions? So basically just to make it simple is you are just saying that this will enable things to be done sooner rather than later?

INTERIM PLANNING OFFICIAL ORMSBY – Yes and the Applicant wants to extend the agreement. That is basically the gist of it.

<u>CHAIR VAN NATTA</u> – And that's basically because there isn't... because they don't want to complete the tract at this time. It isn't economically feasible for them to go ahead with the original plans.

INTERIM PLANNING OFFICIAL ORMSBY — Well they do need the extra five years to get the project under construction and then to record the map, but in terms of the Parks Department, I think they just feel it is better not to go through the detailed list of improvements in the agreement that the developer will then do. It is easier for Parks to use the funds. They'll basically be receiving about as much money as it would cost to do these same improvements anyway. That is their analysis. Their thought is those monies would allow completion of the improvements. It would be a more efficient way in their view to do that.

<u>CHAIR VAN NATTA</u> – But those funds would be earmarked towards those improvements. They couldn't be used somewhere else.

INTERIM PLANNING OFFICIAL ORMSBY – Right

CHAIR VAN NATTA – Yes, okay any other questions?

 <u>COMMISSIONER GIBA</u> – Chris just a couple of quick ones. The fees they collect, will they have to be used exclusively for this park in this area and its improvements or will those fees be put into the Parks general funds so to speak and be used for any other projects.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL -

The basic standard for impact fees is that they have to be used to benefit the project and therefore the primary benefit would be improvements to this park. There may be other park improvements within close proximity where they could also be used, but they couldn't be picked up and be used in Moreno Valley Ranch for example. They have to be within close proximity because the fees are collected to provide park improvements for these residents of these future homes.

COMMISSIONER GIBA – What would close proximity be considered? Is there a you know, a number; miles…

<u>COMMISSIONER GIBA</u> – Because there is not much... there are only a few parks in that area and they are all in close proximity to each other in other words. People in the Moreno Valley Ranch off of Pigeon Pass could use that ball park but they could also use the park at Hidden Springs Elementary School. I mean there are those two sitting side by side of each other. Would those be considered close proximity to each other?

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL — I think a reasonable case could be made for that.

<u>COMMISSIONER GIBA</u> – So what you are saying is those collected fees could be used to benefit other parks that are within a closer area that would also benefit this project as well that those people could use.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL — Correct, but I know that in the discussions with Parks that they hear from the residents of the existing tract to the south. They very much know what improvements need to be made. I think they feel it is much more... having a developer go into an existing City park and make improvements is a little bit awkward and I think that is why they are suggesting doing it this way, but could it be used elsewhere; yes there is that potential.

<u>COMMISSIONER GIBA</u> – I'm just curious about that because of the way it goes. Also on page 118 of the thing, I'm not quite sure of the language and so I just need an explanation. It was after the strike out that the City has agreed that no plan check and then it goes on as consideration for dedication of excess park land and construction of the park improvements, Empire Partners will receive a credit for 3.6 acres of excess land based upon a fair market value appraisal in an amount not to exceed 400 hundred thousand dollars. Such an amount will be applied against development impact fees. Could you explain that to me?

INTERIM PLANNING OFFICIAL ORMSBY – That action already happened. Empire Homes obligation is completely done and the City Council accepted their obligation, so that whole piece of it is completed.

<u>COMMISSIONER GIBA</u> – So we gave something back to them and we paid for it? I wanted you to explain.

INTERIM PLANNING OFFICIAL ORMSBY – Right, they provided 8.5 acres of park but they were not obligated under the ordinances to provide that much, so as a trade-off it was dealt with in this matter.

COMMISSIONER GIBA – So we paid them for the property in essence or...?

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – Essentially for the extra land they were provided, they received some offset for... we didn't pay them in cash but received some reduction in development impact fees based on that.

COMMISSIONER GIBA – Thank you

CHAIR VAN NATTA – Okay are there any other questions?

<u>COMMISSIONER SIMS</u> - I have a question. When the Parks Department sets its Park Mitigation Fee; the 2,700 dollars per EDU, has that been done; when is the last time that has been adjusted I guess would be my first question?

INTERIM PLANNING OFFICIAL ORMSBY – It was just adjusted a few months ago actually and it was just recently adopted, so it will be in effect for at least a year.

<u>COMMISSIONER SIMS</u> – Does the Parks Department have an engineering news record, cost construction indices related to it to escalate the fee on an annual basis or could this fee be potentially be the same for five years?

INTERIM PLANNING OFFICIAL ORMSBY – Typically it is based on a study and John may have a better idea on how often that study is done.

study.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL — In addition, it is adjusted on an annual basis. The City Council has the ability on an annual basis and it is presented to them on an annual basis to increase it by and I believe it is the construction index, so yes that is there. Obviously the City Council can agree to not impose that on an annual basis, but it is assumed they will and that has been the practice for the last many years even before the new

<u>COMMISSIONER SIMS</u> – I struggled a little bit with this going through the Staff Report because I didn't have a picture and you know a list of what was supposed to be there and what we were doing in lieu fee cash payment versus stuff being built so that was a little bit of a struggle, so 99 lots times the current fees is about 267 thousand dollars, so I'm assuming based on what you said that is a good number to get the facilities built, so there is equitableness in the expectation of what happened in 1990 that is going to be built going forward. I guess my only thing that I would and I didn't read the thing close enough, but I would ask since this is a five year extension that the developer be required to pay the then current connection or fees at the time that the EDU's go through.

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – Yes and that's a good plan and that's already a condition of approval of the tract map, so we'd be covered on that.

COMISSIONER SIMS – Alright, thank you

CHAIR VAN NATTA – Okay, no other questions? It is Public Hearing time. Do we have an Applicant who wishes to speak?

APPLICANT GREEN – Chairperson and Commissioners, I'm Stewart Green. We're representing the owners. This is and I'll piggyback on the details a little bit on the ups and downs of the economy and this tract found itself in that. The only thing we are asking for tonight is a five year extension, which is really on the map. The fees go up as when the permits are pulled so whatever the fee is at the time when the house is built, it will be paid and on top of that we owe you an acre and a half of land for that 10 acre park. If you heard, the original Empire gave you eight and a half; you have ten, which is in use now, so we have to dedicate that and upon approval of this, we will go ahead and deed that to the City for no compensation and there is no offset fees on that, so we're just looking for that extension because this is the last piece of this whole puzzle of being built, and because of the economic conditions, we find ourselves in front of you asking for this extension. So we are just asking really for an extension of time and Staff has been great.

CHAIR VAN NATTA – Okay, any questions of the Applicant?

<u>APPLICANT GREEN</u> – By the way the word you are looking for is nexus. There has to be a nexus between the fee and the house. You asked how far away can we use the... so the planning terminology is nexus and it has to be within so many miles.

<u>COMMISSIONER GIBA</u> – You wouldn't happen to know what that is offhand would you?

<u>APPLICANT GREEN</u> – Anyway the planning term is nexus. It benefits that home. It could be a mile; it could be five miles. It depends on what the City decides.

COMMISSIONER GIBA – Okay

APPLICANT GREEN – I'm open for any questions?

<u>COMMISSIONER SIMS</u> – Is there any kind of a timeline for construction? I know we are talking about a five year extension but this has been extended since 1990.

<u>APPLICANT GREEN</u> – Well what happened during that time period when the market was; when there was a market... on the down part of the market there was some permits that had expired that are not part of the City that we now have to go back and get, so we've gone through a plan check. We have done all the

plans. We did all the sewer. We did all the water. We did all the drawing	gs. I
mean this thing was ready to be recorded. There were some things to be	done
on the tract map and then 2008 happened. It was in escrow to be built a	and it
didn't happen, so we have about maybe a little less and six months of	f the
permitting process before we can go back to the City and go back through	h the
plan check fee, which was another 70 thousand dollars, so anyway	/ we
understand that, so again we are in front of you for time. Are there any	other
questions I can answer?	

COMMISSIONER BAKER – Will the five years give you enough time to get this done?

<u>APPLICANT GREEN</u> – Well if it doesn't we are all in trouble. I mean in regards to the economic conditions. I have been in the business quite a while and I've watched it go up and down, but...

<u>COMMISSIONER BAKER</u> – So the five years from now or whenever we approve...

<u>APPLICANT GREEN</u> – Actually it is from the expiration in 2014 to 2019. We just wanted to have enough lead time to come in front of you and not make this an emergency or panic.

COMMISSIONER BAKER – Five years gives you when you hit the first shovel.

APPLICANT GREEN – Absolutely

COMMISSIONER BAKER – Okay, got it. That's good

<u>APPLICANT GREEN</u> – We would not want to come back to the well a second time and say oh by the way you know we miscalculated. We believe it will happen.

COMMISSIONER BAKER – Okay, thank you

<u>CHAIR VAN NATTA</u> – Okay, any other questions? Thank you very much. I don't see any Speaker Slips on this. Did somebody raise their hand? Did you want to come up and speak?

<u>SPEAKER MENDES</u> – My name is Catherine Mendes and my husband is Sam. Okay, we are Samuel and Catherine Mendes and we own on the picture here... it looks like an R5 but we own the ranch house that is directly across the street. We are the only house on that whole section of Pigeon Pass and we don't have a problem with the project. I used to work for a builder in San Diego, so I understand the economic boost that a new housing tract gives to a community. Our question is involved in the planning for these additional 99 homes, is there

something in there for our property with the new sound that is going to be coming from all these cars, the extra traffic that is going to be passing through there. Ninety-nine homes with two cars is a lot of traffic, so our question is and I don't know if this is part of this whole discussion, is there something set in the works to deal with sound that is going to be coming from the extra cars and the extra traffic because they just widened it a little bit and we were promised a retaining wall... not a retaining wall but a wall and we even signed the easement and everything with the City and nothing ever came of it when they did the widening of the road. Is it something that is going to be worked into this next project? That is our question. Is it something that is already set?

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – I believe I spoke to Mr. Mendes perhaps on the phone

SPEAKER MENDES – Yes

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – I understand; I recall the capital project on the west side, but I thought the west side was fully improved and you are on the west side of Pigeon Pass correct?

SPEAKER MENDES - Yes

 INTERIM PLANNING OFFICIAL ORMSBY — Yes and I think that is fully improved, so technically this project would not be doing additional street improvements on the west side. I would have to talk to capital projects and I think I mentioned to Mr. Mendes I could talk to them about what the outcome was of their construction project, because I do know that issue came up and we could certainly take a look at that. I don't believe there are any mitigation measures necessarily on this tract map that would have dealt with the west side of the street because there really wouldn't have been a connection to require mitigation for the west side based on the size of this project and the fact that it was consistent with the General Plan.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL -

This is where that word nexus comes up again. No really we can't require a developer to build something that they don't have a direct impact on. So I think probably the best thing is to work with capital development projects and see why it wasn't built and see if we can address that sooner than the construction of this tract.

<u>SPEAKER MENDES</u> – Is capital the people who did the street widening? Is that what you saying?

<u>INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL</u> – Yes, correct

<u>SPEAKER MENDES</u> – Okay because we signed all of the paperwork and my husband has spoken with the City multiple times about this, but it was before we even knew. This lot has been of course vacant the entire time and people dump their trash. It has just been an eyesore so we are glad that homes will be going in there. It will cut down on fire hazard and our home insurance will go down, but our only issue is that extra sound because it has already... we've had to call the Police because of the drag racing and all the things. We already have a lot of sound on that street. It is like a famous drag racing street for all these young kids, so those kids are already doing that on top of the 99 new home owners is a very big concern for us.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL -

Right and I understand your concern, but this is an approved tract, so therefore it wouldn't be a requirement and it would be very difficult to do that, but I think certainly working with our capital project staff maybe we can figure a way that that is worked into... just find out what happened because if you signed the paperwork then you had an expectation of a wall then we need to work through that.

SPEAKER MENDES – Okay

COMMISSIONER GIBA – Excuse me are you the house with the treehouse?

SPEAKER MENDES – Yes we are the treehouse.

<u>COMMISSIONER GIBA</u> – Okay so I know; you are across from the... so you don't have a wall like all the other houses. You are right out on the front. Everybody else in that area have that wall.

SPEAKER MENDES – Everybody else has the wall and we're the only house...

<u>COMMISSIONER GIBA</u> – But you have that one chunk of property stuck in there.

SPEAKER MENDES – Right and before they did the street widening we were sent all the paperwork for them to have access to our property. We signed it all. We spoke with somebody with the City regarding this. They even sent us a tentative plan for it and nothing ever happened, so we were just wondering. That's already an issue with the sound with the extra widening that happened in that street and then with the extra houses we are stuck in the middle kind of.

CHAIR VAN NATTA – So I think the direction to work with Mr. Terell and have him put you in touch with...

SPEAKER MENDES – Capital Projects

CHAIR VAN NATTA – With whoever you need to talk to on that. It's not really for us.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL -

And Chris and I will commit to kind of brokering that rather than just sending someone elsewhere.

SPEAKER MENDES – Okay thank you

<u>CHAIR VAN NATTA</u> – Thank you. Okay, any other speakers on this matter? Do you have a Speaker Slip there?

<u>SPEAKER BENSON</u> – I didn't complete one. We just decided that we would speak. We are the Benson's. We live on Lawless Road and we have only been in our home for one year and we were quite surprised that this development was going to happen. Our concern is security. With 99 new homes going in just west of our property we are concerned about hikers and extra traffic going through the canyon. We already have a problem with homeless people behind our home and with the property not being maintained we just want to know what plans have been made to ensure that the back of our property is secure and just on another note one of the amenities that certainly we were impressed by, the migration of the donkeys. What happens to them when all these homes go in?

<u>CHAIR VAN NATTA</u> – We don't have any information on where your house is in relationship to the tract that is there but can we direct them back to the...

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – I believe I had the pleasure of speaking to Mr. Benson and his house is actually further east on Lawless and doesn't abut the tract that is already approved here. So in other words there is not anything the tract could do in terms of the trespass concerns that you had and we did look at that after talking with you. I looked at the property surrounding it and also talked to Parks, but Parks has no property behind your house and it is basically all privately owned back there, so it is people it seems that are probably hiking back into the area behind your house, which is really more of a civil property ownership issue.

<u>SPEAKER BENSON</u> – If you are putting in 99 new homes, you are just inviting people to hide behind our home and we feel we are going to be constantly looking at people who are looking over our fence and that is a concern for us.

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – It would seem to me that actually it may limit the amount of activity up in that area because it will create a situation where there will be homes in part of the area that perhaps is used now to actually access the hillside up in that area, so I'm not sure that this project has any bearing on it.

<u>CHAIR VAN NATTA</u> – Besides what you are talking about is people using private land that is abutting his land which is not controlled by the proposed project.

<u>INTERIM PLANNING OFFICIAL ORMSBY</u> – Correct. There is no proposal on the table that affects the property immediately surrounding Mr. Benson's property.

CHAIR VAN NATTA - Okay

<u>COMMISSIONER GIBA</u> – This is down the line a bit because what we are doing here is we're just giving them five years, so how much longer when they get started on this, but I know on the other side, for instance on the Hidden Springs side, at the end of that build-out, they actually put a brick wall behind the last set of houses and that is park land behind it. I think the mountain is Box Springs Mountain and again this is probably something too soon to discuss, but the builder take that into consideration to some way block it off so people can't get out of the site.

INTERIM COMMUNITY & ECONOMIC DEVELOPMENT DIRECTOR TERELL — Yes, this particular tract when it is developed will provide perimeter fencing and that would limit access from these homes and this property into the adjacent private property.

 <u>COMMISSIONER GIBA</u> – Yes and that's what I was thinking, so what you are talking probably about is people accessing your property from another general location or another road or a street and I have a tendency to think this 99 homes will almost be a benefit to you as a block from people if they can't get over the wall and have no desire to do so, but that is far down the line in something that that can still be continued to be discussed I'm quite sure.

<u>SPEAKER BENSON</u> – Well there are quite a lot of particulars that go along with that, but again you are talking about five years, so it hard to tell, but if they put up a wall, there are going to be streets and people are going to use those streets and they are going to park and they are going to walk there and if that is the case, what happens between the easement next to my house. If that is used now to access to the private property behind my home, can that be closed since there is going to be access from new streets?

<u>CHAIR VAN NATTA</u> – I don't think that is anything that we can deal within the Planning Commission tonight with what we have in front of us. We're talking about extending the time for that particular development. If there are people that are using private land to access the back of your property that is not anything that the Planning Commission really has any authority over.

SPEAKER BENSON – Okay

COMMISSIONER GIBA – I just wanted to comment though if I may. Back in '94, Empire Homes when they were going to build there; the section that has been built there; there was a deal brokered between the builder and the adjacent homes for concerns somewhat similar to what you had and the builder himself worked with the local community people to address those concerns and I'm just suggesting that perhaps that is also another avenue to go and the gentleman that spoke on behalf of the builder might be amicable to discussing your concerns. If there is anything they could probably do just out of the kindness of their heart, they might be very willing to discuss that with you. I'm not saying they will. I'm saying that is another avenue to look at because this worked. Empire Homes actually corrected and changed some things on their plan to satisfy the needs of the residents in that area at that time.

SPEAKER BENSON – Thank you for allowing me to speak.

CHAIR VAN NATTA - Thank you.

 <u>VICE CHAIR CROTHERS</u> – I think it would be also a smart idea to possibly find out who the property owner is of that vacant private land that is behind your home; you know maybe consult with them rather than put it on a developer who is you know not really attached to your property, but maybe contact the private land owner of the land that people are accessing. You know if people are accessing private land and they are looking over your backyard, you know maybe the Police need to be called and you know if there are homeless people living back there, definitely the Police need to be called and they need to be made aware of the situation so that they can take preventative actions in keeping those people off of the private land or out of your backyard or looking over your fence in that area.

<u>CHAIR VAN NATTA</u> – Okay, seeing no other speaker slips and nobody else approaching to speak on this case number 3 here, is there any Commissioner discussion? No... would someone like to make a motion.

<u>COMMISSIONER BAKER</u> – I'll make a motion. I move that we **APPROVE** Resolution No. 2013-22 and thereby **RECOMMEND** that the City Council:

 RECOGNIZE that the Development Agreement Amendment will not have the potential for direct or indirect impacts under CEQA and is therefore exempt under Section15061 of the CEQA Guidelines and also;

2. APPROVE Amendment 4 to the Development Agreement 102-89 (P13-027) based on the findings contained in the attached Resolution.

COMMISSIONER GIBA – I'll second it

CHAIR VAN NATTA – Okay we have a motion and a second. All in favor?

Report to City Council

TO: Mayor and City Council

FROM: Richard Teichert, Chief Financial Officer

AGENDA DATE: September 10, 2013

TITLE: PUBLIC MEETING REGARDING THE MAIL BALLOT

PROCEEDING FOR APN 291-650-011 BALLOTING FOR NPDES

RECOMMENDED ACTION

Recommendations: That the City Council:

 Accept public comments regarding the mail ballot proceeding for Assessor Parcel Number (APN) 291-650-011 for approval of the National Pollutant Discharge Elimination System (NPDES) maximum commercial/industrial regulatory rate.

ADVISORY BOARD/COMMISSION RECOMMENDATION

N/A

BACKGROUND

To comply with the 1972 Federal Clean Water Act, Land Development, a division of the Public Works Department, requires that new development projects participate in the appropriate NPDES regulatory rate to fund federally mandated programs. The City Council adopted the residential regulatory rate on June 10, 2003, and the commercial/industrial regulatory rate on January 10, 2006.

Conditions of Approval for APN 291-650-011 require that the property owner provide a funding source to help support the Stormwater Management program. Approving the NPDES maximum commercial/industrial regulatory rate through a mail ballot proceeding fulfills this requirement.

DISCUSSION

In compliance with Proposition 218, which requires that any new or proposed increase in property-related assessments, fees, or charges be submitted to property owners for approval, a mail ballot proceeding is being conducted to give the property owner of APN 291-650-011 the option to approve or oppose the collection of the NPDES maximum commercial/industrial regulatory rate on the property tax bill or as a monthly charge on a utility bill. Property owners are given two opportunities to address the legislative body regarding the charge(s) they are being balloted on. These two opportunities are the Public Meeting on September 10, 2013 and the Public Hearing on September 24, 2013, when the results of the ballot proceeding will be announced.

Public agencies are to obtain Permits to discharge urban stormwater runoff from municipally owned drainage facilities, including streets, highways, storm drains, and flood control channels. New development projects are subject to the current NPDES Permit requirements for stormwater management as mandated by the Federal Clean Water Act. If approved by the property owner, the City will annually inspect site design, source and treatment control Best Management Practices, monitor maintenance records for those on-site facilities, and perform annual inspections of the affected areas to ensure compliance with federally mandated NPDES Permit requirements, as administered by the State. Provided the mail ballot is approved, the City will also be authorized to levy the NPDES maximum commercial/industrial regulatory rate on the annual property tax bill or as a monthly charge on a utility bill.

<u>ALTERNATIVES</u>

- Accept public comments regarding the mail ballot proceeding for APN 291-650-011 for approval of the NPDES Maximum Commercial/Industrial Regulatory Rate. By accepting public comment, the City complies with Proposition 218 state statutes for providing public comment.
- 2. **Do not accept public comments** regarding the mail ballot proceeding for APN 291-650-011 for approval of the NPDES Maximum Commercial/Industrial Regulatory Rate. This alternative would be contrary to state statutes and would require the noticing period for the mail ballot proceeding to begin again.

FISCAL IMPACT

For fiscal year (FY) 2013/14, the NPDES Maximum Commercial/Industrial Regulatory Rate is \$223 per parcel. Beginning FY 2014/15, the NPDES Maximum Commercial/Industrial Regulatory Rate shall be subject to an annual adjustment based on the percentage change calculated for the previous year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

The NPDES rates collected from property owners support the current Permit programs and reduce the level of General Fund support necessary to remain in

compliance with unfunded federal mandates, as administered by the State. Funds collected from the NPDES rates are restricted for use only within the Stormwater Management program.

CITY COUNCIL GOALS

Advocacy

Management of the stormwater will ensure that water pollutants are discharged in compliance with federal mandates and City policies.

Revenue Diversification and Preservation

The NPDES maximum commercial/industrial regulatory rate provides funding for program costs, which includes administration.

SUMMARY

The action before the City Council is to accept public comments regarding the mail ballot proceeding for APN 291-650-011.

NOTIFICATION

The property owner of APN 291-650-011 has been given a 45-day noticing period to review the ballot documents. The documents included a notice to the property owner, map of the project area, ballot, instructions for marking and returning the ballot, and a postage-paid envelope for returning the ballot to the City Clerk. (See Attachments 1 and 2.)

Newspaper advertising for the September 10, 2013, Public Meeting and September 24, 2013, Public Hearing was published in The Press-Enterprise on August 30, 2013. Additionally, the Public Hearing notification was published on September 5 and will be published again on September 12, 2013.

NOTICE TO PROPERTY OWNER-MAIL BALLOT PROCEEDING FOR THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) MAXIMUM COMMERCIAL/INDUSTRIAL REGULATORY RATE FOR APN 291-650-011

***** OFFICIAL BALLOT ENCLOSED *****

Introduction

In November of 1996, California voters passed Proposition 218 ("The Right to Vote on Taxes Act"). As a result, any new or proposed increase in a property-related charge requires approval of the charge by the property owner of record. In compliance with Proposition 218 legislation, the City of Moreno Valley Special Districts Division is conducting a mail ballot proceeding to provide the owner of Assessor's Parcel Number (APN) 291-650-011 the opportunity to express support for or opposition to the approval of the NPDES Maximum Commercial/Industrial Regulatory Rate and services. Approval of the NPDES Maximum Commercial/Industrial Regulatory Rate through a mail ballot proceeding will fulfill the Conditions of Approval to provide a funding source for the NPDES program.

Background

The City shall provide the services necessary to meet mandates of the Federal Clean Water Act. The current NPDES Permit, as administered by the State, regulates the volume and amount of pollutants in stormwater runoff from all development types. NPDES Maximum Commercial/Industrial Regulatory Rate provides financial support for inspecting site design, source and treatment control Best Management Practices, monitoring maintenance records for those on-site facilities, and performing annual inspections of the affected areas to ensure compliance with federally mandated NPDES Permit requirements, as administered by the State.

Services Provided

In compliance with the Federal Clean Water Act, the City of Moreno Valley shall annually inspect site design, source and treatment control Best Management Practices, verify monitoring and maintenance records for those on-site facilities, and perform annual inspections of the affected areas to ensure compliance with federally mandated NPDES Permit requirements.

How is the Amount of the Charge Determined?

Each fiscal year (FY), the City of Moreno Valley shall determine the type of services necessary to comply with NPDES Permit requirements and levy the rate applicable for that service. The rate levied shall not exceed the rate previously approved by the property owner.

Proposed Charge

For FY 2013/14, the NPDES Maximum Commercial/Industrial Regulatory Rate is \$223 per parcel. The total amount of the NPDES rates levied for FY 2012/13 for the program as a whole was \$409,809.00.

Annual Adjustment

Beginning in FY 2014/15, the NPDES Maximum Commercial/Industrial Regulatory Rate shall be subject to an annual adjustment based on the percentage change calculated for the previous year in the Los Angeles-Riverside-Orange County Regional Consumer Price Index for All Urban Consumers, as published by the Department of Labor's Bureau of Labor Statistics.

Duration of the Charge

Upon approval of the NPDES Maximum Commercial/Industrial Regulatory Rate, the annual levy amount will be assessed to APN 291-650-011 (and any division thereof) and shall be placed on the Riverside County property tax bill or as a monthly charge on a utility bill. The NPDES Maximum Commercial/Industrial Regulatory Rate will be levied each following year at the proposed rate, which may include an annual inflation adjustment.

Public Hearing

To provide information concerning this mail ballot proceeding the City has scheduled one (1) Public Meeting and one (1) Public Hearing, which will be held at the Moreno Valley City Hall Council Chamber located at 14177 Frederick Street, Moreno Valley.

Public Meeting	Public Hearing

Matter May Be Called)	Matter May Be Called)

Tabulation of returned ballots will commence after the close of the Public Hearing. All ballots received shall be tabulated under the direction of the City Clerk in compliance with the current Policy For Conducting Mail Ballot Proceedings Policy #1.12.

Effect if Approval of the Charges is Approved

Approval of the NPDES Maximum Commercial/Industrial Regulatory Rate will be confirmed if the ballot is marked in favor of the NPDES rate. Approving the NPDES Maximum Commercial/Industrial Regulatory Rate through a mail ballot proceeding will fulfill the Conditions of Approval to provide a funding source for the NPDES program.

Effect if Approval of the Charges is Not Approved

Not approving the NPDES Maximum Commercial/Industrial Regulatory Rate to meet federally mandated NPDES Permit requirements may result in noncompliance with the Conditions of Approval. If the returned valid ballot is marked opposing the NPDES rate, then the rate will not be levied on the property tax bill.

For More Information

If you have any questions about the proposed program, the annual rate, or about the mail ballot proceeding process, please contact Jennifer Terry, Management Analyst, Special Districts, a

Division of the Financial and Management Services Department, Monday through Thursday from 7:30 a.m. to 6:00 p.m. at 951.413.3505 or via email at JenniferT@moval.org.

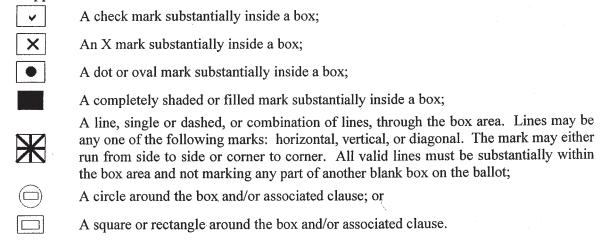

Completing Your Ballot

The enclosed ballot shall be submitted to the City Clerk in support of or opposition to the proposed program and annual charge. Please follow the instructions listed below to complete and return your ballot. Procedures for the completion, return, and tabulation of the ballot are also on file in the City Clerk's office.

- 1. Mark the enclosed ballot in support of or opposition to the proposed program and annual rate by placing a mark in the corresponding box.
- 2. Sign your name on the ballot. Ballots received without signature(s) will be considered invalid and will not be counted.
- 3. Mail or personally deliver your completed ballot in a sealed envelope to the City Clerk's office, 14177 Frederick Street, Moreno Valley, California, 92553. For your convenience, a postage-paid envelope has been included for return of the ballot.
- 4. Ballot(s) must be <u>received</u> by the City Clerk prior to the close of the Public Hearing to be held on <u>Tuesday</u>, <u>September 10</u>, <u>2013</u>, at the Moreno Valley City Hall Council Chamber. The Public Hearing will be held at 6:00 p.m. or as soon thereafter as the matter may be called. Ballots received after the close of the Public Hearing cannot be legally counted.

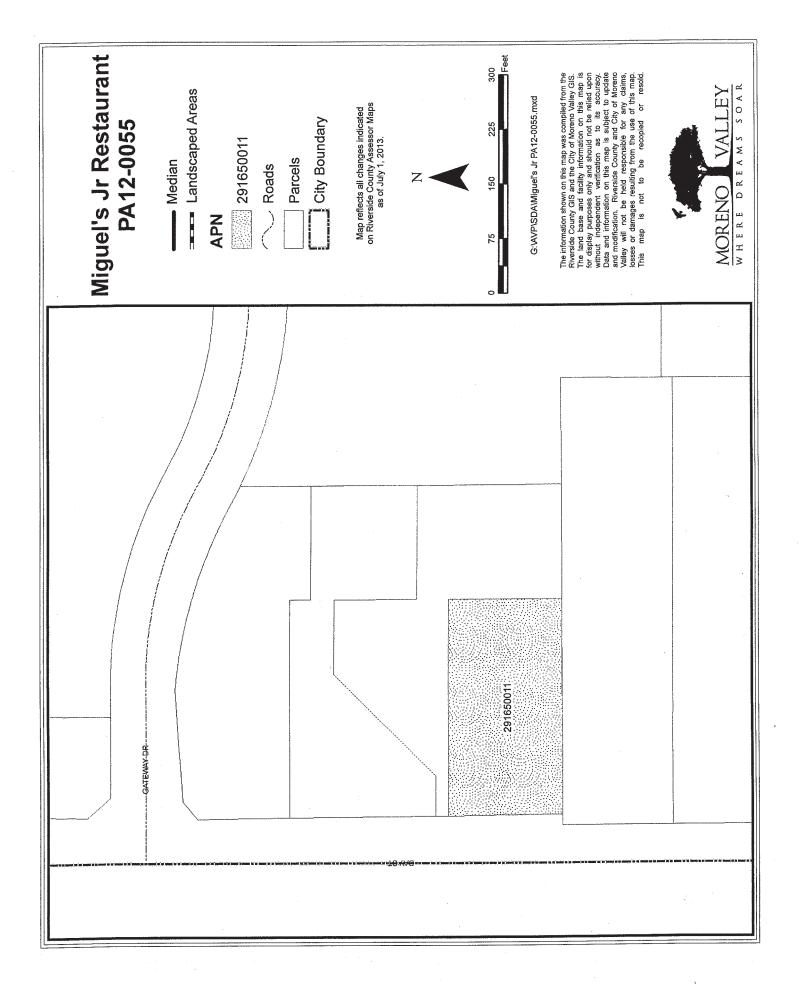

Ballot Marks

Appropriate ballot markings include any one of the following for either the YES/Approved or NO/Not Approved blank box:

Balloting marks shall not extend past one box area into any portion of another nor surround the perimeter or any portion of more than one box area. Markings that extend past one box area into any portion of another or surround the perimeter or any portion of more than one box area shall be considered invalid and not counted.

Ballot Mark Revisions (Changes): An error or desire to revise (change) a selection made on the ballot may be completed and returned any time <u>prior</u> to the conclusion of public testimony at the Public Hearing. The revision must be initialed by the record owner(s) of property. <u>Initials must be clearly printed and placed at the right top corner of the revised selection</u>.

Report to City Council

TO: Mayor and City Council

FROM: Thomas M. DeSantis, Assistant City Manager

AGENDA DATE: September 10, 2013

TITLE: MONTHLY REPORT: MORENO VALLEY ANIMAL SHELTER

ADOPTION RATE

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Receive and file the Monthly Report: Moreno Valley Animal Shelter Adoption Rate for the periods of May 1, 2013 to May 31, 2013 and June 1, 2013 to June 30, 2013.

BACKGROUND

The City Council has challenged staff to increase adoptions and decrease euthanasia rates at the Moreno Valley Animal Shelter. Ongoing evaluation of programs and services, along with increasing public awareness will remain key elements to our success in increasing adoptions of homeless pets from our Shelter.

DISCUSSION

As a follow up to the December 18, 2012 City Council Study Session on Animal Shelter operations, Mayor Owings asked that monthly staff reports be prepared to keep the public informed of the City's progress and the ongoing need to increase pet adoptions and other programs to reduce the number of homeless animals euthanized.

The May and June 2013 reports reveal a Placement (Returned to Owners, Transfer or Adoption) Rate of 41% and 38% respectively, which represents an increase over last year's Placement Rate by 11% for May and 8% for June. Other factors which are noteworthy include:

- The number of cats taken in at the Shelter during May and June 2013 continue to increase each month which is expected during the breeding season. The good news is the intake of cats has declined when compared to May and June 2012 by 5% and 7% respectively.
- The number of dogs taken in at the Shelter during May and June 2013 declined as compared to May and June 2012 by 14% and 28% respectively.
- The number of dog adoptions during May and June 2013 increased as compared to a year ago in May and June 2012 by 54% and 49% respectively.
- The number of cat adoptions remained unchanged in June 2013 as compared to June 2012. There was a decrease in the number of cat adoptions by 22% in May 2013 as compared to May 2012.
- The number of dogs euthanized decreased in May 2013 by 47% when compared to May 2012. Dogs euthanized in June 2013 also decreased by 35% compared to June 2012.
- The number of cats euthanized decreased in May 2013 by 16% compared to May 2012 although experienced a minor increase of 2% in June 2013 compared to June 2012.
- The 16 pets for which adoptive homes could not be found in May 2013 constituted just over 3% of all pets euthanized in our Shelter while in June 2013, the 24 pets not adopted accounted for 4% of all pets euthanized.

Staff wishes to thank the following Moreno Valley businesses who have sponsored and promoted the Moreno Valley Animal Shelter during the 2013 ASPCA Rachael Ray \$100 K Challenge:

- Bud's Tire & Wheel
- Costco Wholesale Moreno Valley
- Estates Furniture
- Family Music Room
- Moreno Valley Mall
- Visterra Credit Union
- Yogurtland
- Steer 'n Stein
- Zapata's Mexican Restaurant
- Merck Home Again Microchips
- Olive Garden
- Lasselle Place Apartments
- White's Bikes
- Your Villa Shopping Guide
- City News Group Moreno Valley City News
- Pop 'n Mama Organic Kettle Corn

These local businesses partnering with the Moreno Valley Animal Shelter is a great example of a public-private partnership that benefits local business, the community and our pets from the Animal Shelter.

The Animal Shelter would like to thank the Parks and Community Services Department for allowing adoptable pets to be highlighted at the City's Summer Concert Series and Movies in the Park. In addition the Animal Shelter would like to thank the City Manager's Office, Media and Communications for their efforts in highlighting the Animal Shelter during the 2013 ASPCA Rachael Ray \$100K Challenge.

June Events

During June 2013, the first month of the ASPCA Rachael Ray \$100K Challenge, the Animal Shelter participated in 8 special adoption events, both on site and at off-site locations, realizing an increase of 49% in the number of dogs adopted along with a 35% reduction in the euthanasia of dogs as compared to June 2012.

July Events

The Animal Shelter participated in the following special events:

- Pet Adoption Event Moreno Valley Animal Shelter Sunday, July 7th.
- Moreno Valley Mall's Concert Series Every Wednesday evening from 6:30 p.m. to 8:30 p.m. on July 10th, 17th, 24th & 31st.
- Movies at the Park hosted by the Parks and Community Services Department every Thursday evening at the CRC Park on July 11th, 18th and 25th.
- 4th of July Parade Winner of the 2013 Chamber of Commerce Award

CITY COUNCIL GOALS

<u>Positive Environment.</u> Create a positive environment for the development of Moreno Valley's future.

Annual Conference Resolutions Packet RE:

Notice of League Annual Meeting

Enclosed please find the 2013 Annual Conference Resolutions Packet.

Annual Conference in Sacramento. This year's League Annual Conference will be held September 18 -20 in Sacramento. The conference announcement has previously been sent to all cities and we hope that you and your colleagues will be able to join us. More information about the conference is available on the League's Web site at www.cacities.org/ac. We look forward to welcoming city officials to the conference.

Annual Luncheon/Business Meeting - Friday, September 20, 12:00 p.m. The League's Annual Business Meeting will be held at the Hyatt Regency Hotel.

Resolutions Packet. At the Annual Conference, the League will consider the two resolutions introduced by the deadline, Saturday, July 20, 2013, midnight. These resolutions are included in this packet. New this year, resolutions submitted to the General Assembly must be concurred in by five cities or by city officials from at least five or more cities. These letters of concurrence are included with this packet. We request that you distribute this packet to your city council.

We encourage each city council to consider the resolutions and to determine a city position so that your voting delegate can represent your city's position on each resolution. A copy of the resolutions packet is posted on the League's website for your convenience: www.cacities.org/resolutions.

The resolutions packet contains additional information related to consideration of the resolutions at the Annual Conference. This includes the date, time and location of the meetings at which resolutions will be considered.

Voting Delegates. Each city council is encouraged to designate a voting delegate and two alternates to represent their city at the Annual Business Meeting. A letter asking city councils to designate their voting delegate and two alternates has already been sent to each city. Copies of the letter, voting delegate form, and additional information are also available at: www.cacities.org/resolutions.

INFORMATION AND PROCEDURES

<u>RESOLUTIONS CONTAINED IN THIS PACKET</u>: The League bylaws provide that resolutions shall be referred by the president to an appropriate policy committee for review and recommendation. Resolutions with committee recommendations shall then be considered by the General Resolutions Committee at the Annual Conference.

This year, two resolutions have been introduced for consideration by the Annual Conference and referred to the League policy committees.

POLICY COMMITTEES: Two policy committees will meet at the Annual Conference to consider and take action on resolutions referred to them. The committees are Environmental Quality and Public Safety. These committees will meet on Wednesday, September 18, 2013, at the Sheraton Grand Hotel in Sacramento. The sponsors of the resolutions have been notified of the time and location of the meetings.

GENERAL RESOLUTIONS COMMITTEE: This committee will meet at 1:00 p.m. on Thursday, September 19, at the Sacramento Convention Center, to consider the reports of the two policy committees regarding the two resolutions. This committee includes one representative from each of the League's regional divisions, functional departments and standing policy committees, as well as other individuals appointed by the League president. Please check in at the registration desk for room location.

<u>ANNUAL LUNCHEON/BUSINESS MEETING/GENERAL ASSEMBLY</u>: This meeting will be held at 12:00 p.m. on Friday, September 20, at the Hyatt Regency Hotel.

<u>PETITIONED RESOLUTIONS</u>: For those issues that develop after the normal 60-day deadline, a resolution may be introduced at the Annual Conference with a petition signed by designated voting delegates of 10 percent of all member cities (47 valid signatures required) and presented to the Voting Delegates Desk at least 24 hours prior to the time set for convening the Annual Business Session of the General Assembly. This year, that <u>deadline</u> is 12:00 p.m., Thursday, September 19. If the petitioned resolution is substantially similar in substance to a resolution already under consideration, the petitioned resolution may be disqualified by the General Resolutions Committee.

Resolutions can be viewed on the League's Web site: www.cacities.org/resolutions.

Any questions concerning the resolutions procedures may be directed to Meg Desmond at the League office: mdesmond@cacities.org or (916) 658-8224

GUIDELINES FOR ANNUAL CONFERENCE RESOLUTIONS

Policy development is a vital and ongoing process within the League. The principal means for deciding policy on the important issues facing cities is through the League's eight standing policy committees and the board of directors. The process allows for timely consideration of issues in a changing environment and assures city officials the opportunity to both initiate and influence policy decisions.

Annual conference resolutions constitute an additional way to develop League policy. Resolutions should adhere to the following criteria.

Guidelines for Annual Conference Resolutions

- 1. Only issues that have a direct bearing on municipal affairs should be considered or adopted at the Annual Conference.
- 2. The issue is not of a purely local or regional concern.
- 3. The recommended policy should not simply restate existing League policy.
- 4. The resolution should be directed at achieving one of the following objectives:
 - (a) Focus public or media attention on an issue of major importance to cities.
 - (b) Establish a new direction for League policy by establishing general principals around which more detailed policies may be developed by policy committees and the board of directors.
 - (c) Consider important issues not adequately addressed by the policy committees and board of directors.
 - (d) Amend the League bylaws (requires 2/3 vote at General Assembly).

<u>Procedural Note</u>: Resolutions that are approved by the General Resolutions Committee, as well as all qualified petitioned resolutions, are reported to the floor of the General Assembly. In addition, League policy provides the following procedure for resolutions approved by League policy committees but *not* approved by the General Resolutions Committee:

Resolutions initially recommended for approval and adoption by all the League policy committees to which the resolution is assigned, but subsequently recommended for disapproval, referral or no action by the General Resolutions Committee, shall then be placed on a consent agenda for consideration by the General Assembly. The consent agenda shall include a brief description of the basis for the recommendations by both the policy committee(s) and General Resolutions Committee, as well as the recommended action by each. Any voting delegate may make a motion to pull a resolution from the consent agenda in order to request the opportunity to fully debate the resolution. If, upon a majority vote of the General Assembly, the request for debate is approved, the General Assembly shall have the opportunity to debate and subsequently vote on the resolution.

2013 ANNUAL CONFERENCE RESOLUTIONS

RESOLUTION REFERRED TO ENVIRONMENTAL QUALITY POLICY COMMITTEE

1. RESOLUTION CALLING UPON THE GOVERNOR AND THE LEGISLATURE TO WORK WITH THE LEAGUE OF CALIFORNIA CITIES IN PROVIDING ADEQUATE FUNDING AND TO PRIORITIZE WATER BONDS TO ASSIST LOCAL GOVERNMENT IN WATER CONSERVATION, GROUND WATER RECHARGE AND REUSE OF STORMWATER AND URBAN RUNOFF PROGRAMS.

Source: Los Angeles County Division

Concurrence of five or more cities/city officials: Cities of Alhambra; Cerritos; Claremont; Glendora; Lakewood; La Mirada; La Verne; Norwalk; Signal Hill; Mary Ann Lutz, Mayor, city of Monrovia.

Referred to: Environmental Quality Policy Committee

Recommendations to General Resolutions Committee: Approve

WHEREAS, local governments play a critical role in providing water conservation, ground water recharge and reuse of stormwater infrastructure, including capture and reuse of stormwater for their citizens, businesses and institutions; and

WHEREAS, local governments support the goals of the Clean Water Act to ensure safe, clean water supply for all and the U.S. Environmental Protection Agency has encouraged local governments to implement programs to capture, infiltrate and treat stormwater and urban runoff with the use of low impact development ordinances, green street policies and programs to increase the local ground water supply through stormwater capture and infiltration programs; and

WHEREAS, local governments also support the State's water quality objectives, specifically Section 13241 of the Porter-Cologne Water Quality Control Act, on the need to maximize the use of reclaimed and water reuse and the Regional Water Quality Control Boards and the State Water Resources Board encourage rainwater capture efforts; and

WHEREAS, the State's actions working through the water boards, supported by substantial Federal, State and local investments, have led to a dramatic decrease in water pollution from wastewater treatment plants and other so-called "point sources" since 1972. However, the current threats to the State's water quality are far more difficult to solve, even as the demand for clean water increases from a growing population and an economically important agricultural industry; and

WHEREAS, the State's Little Hoover Commission found in 2009 that more than 30,000 stormwater discharges are subject to permits regulating large and small cities, counties, construction sites and industry. The Commission found that a diverse group of water users – the military, small and large businesses, home builders and local governments and more – face enormous costs as they try to control and limit stormwater pollution. The Commission concluded that the costs of stormwater clean up are enormous and that the costs of stormwater pollution are greater, as beach closures impact the State's economy and environmental damage threatens to impair wildlife; and

RESOLVED by the General Assembly of the League of California Cities, assembled in Sacramento on September 20, 2013, that the League calls for the Governor and the Legislature to work with the League and other stakeholders to provide adequate funding for water conservation, ground water recharge and capture and reuse of stormwater and runoff in the water bond issue and to prioritize future water bonds to assist local governments in funding these programs. The League will work with its member cities to educate federal and state officials to the challenges facing local governments in providing for programs to capture, infiltrate and reuse stormwater and urban runoff.

Background Information on Resolution No. 1

Source: Los Angeles County Division

Background:

In order to meet the goals of both the Federal Clean Water Act and the State's Porter-Cologne Water Quality Control Act, which seek to ensure safe clean water supplies, cities provide critical water conservation, ground water recharge and reuse of stormwater infrastructure, including capture and reuse of stormwater for their citizens, businesses and institutions.

Working with the State's Regional Water Quality Control Boards and the State Water Resources Board through the National Pollution Discharge Elimination System (NPDES) permitting process and Total Maximum Daily Load (TMDL) Programs, California's cities implement programs to capture, infiltrate and treat stormwater and urban runoff with the use of low impact development ordinances, green streets policies and other programs to increase the local ground water supply.

These actions have led to a dramatic decrease in water pollution from wastewater treatment plants and other so-called "point sources" since the adoption of the Clean Water Act in 1972. However, current threats to the State's "non-point sources" of pollution, such as stormwater and urban runoff are far more difficult to solve, even as the demand for clean water increases from a growing population and an economically important agricultural industry.

Current Problem Facing California's Cities

The Little Hoover Commission found in 2009 that more than 30,000 stormwater discharges are subject to permits regulating large and small cities, counties, construction sites and industry. The Commission found that a diverse group of water users – the military, small and large businesses, home builders and local governments and more – face enormous costs as they try and control and limit stormwater pollution. The Commission concluded that the costs of stormwater clean up are enormous and that the costs of stormwater pollution are greater as beach closures impact the state's economy and environmental damage threatens to impair wildlife.

Additionally, new programs and projects to improve water quality are currently being required by the U.S. EPA and the State under the NPDES permits and the TMDL programs. Many local governments find that they lack the basic infrastructure to capture, infiltrate and reuse stormwater and the cities are facing difficult economic challenges while Federal and State financial assistance has been reduced due to the impacts of the recession and slow economic recovery.

Cities have seen their costs with the new NPDES permit requirements triple in size in the past year, with additional costs anticipated in future years. Additionally, many local businesses have grown increasingly concerned about the costs of retrofitting their properties to meet stormwater and runoff requirements required under the NPDES permits and TMDL programs.

In Los Angeles County alone, reports commissioned by the Los Angeles County Flood Control District estimate the costs of achieving region-wide compliance for implementing TMDL programs in the NPDES permits required by the Los Angeles Regional Water Quality Control Board (LARWQCB) will be in the tens of billions of dollars over the next twenty years. Additionally, failure to comply with the LARWQCB's terms could result in significant Clean Water Act fines, state fines and federal penalties anywhere from \$3,000-\$37,500 per day. Violations can also result in third-party litigation. Such costs are not confined to Los Angeles County and are being realized statewide.

Clearly, compliance with the NPDES permit and TMDL programs will be expensive for local governments over a long period of time and cities lack a stable, long-term, dedicated local funding source to address this need. Many cities are faced with the choice of either cutting existing services or finding new sources of revenue to fund the NPDES and TMDL programs.

Los Angeles County Division Resolution

The Division supports strong League education and advocacy at both the State and Federal levels to help cities face the challenges in providing programs to capture, infiltrate and reuse stormwater and urban runoff. While Los Angeles County cities and other regions seek to secure local funding sources to meet the Clean Water Act and the State's water objectives, it will simply not be enough to meet the enormous costs of compliance. The Los Angeles County Division strongly believes that State and Federal cooperation are necessary to fund programs to secure and reuse stormwater in order to improve water supply and reliability throughout the state.

The Division calls for the League to engage in discussions on 2014 State Water Bond to assist cities in funding and implementing the goals of the Clean Water Act and the State's Water objectives. This resolution does not support the 2014 bond issue, since the League and individual cities will need to make this decision at a later time upon review of the final language. However, the Governor and Legislature have reopened discussions for the 2014 water bond and funding of urban runoff and stormwater programs has taken a back seat in past bond issues, such as Proposition 84. In May, Assembly Speaker John Perez appointed a Water Bond Working Group which recently outlined a new set of Priorities and Accountability Measures for developing a water bond that would gain the support of 2/3 of the Legislature and voters. One of the priorities identified by the committee included, "Regional Self Reliance/Integrated Regional Water

Management," posing the question if stormwater capture should be included in any future bonds. The Division believes the opportunity to advocate for funding in the bond is now.

League of California Cities Staff Analysis on Resolution No. 1

Staff: Jason Rhine; (916) 658-8264 Committee: Environmental Quality

Summary:

This resolution seeks to call upon the Governor and the Legislature to work with the League of California Cities in providing adequate funding and to prioritize water bonds to assist local governments in water conservation, ground water recharge and reuse of stormwater and urban runoff programs.

Background:

In 2009, the State Legislature passed and Governor Arnold Schwarzenegger signed a package of legislation that included four policy bills and an \$11.1 billion water bond (The Clean, and Reliable Drinking Water Supply Act). The water bond included the following major spending proposals:

- \$455 million for drought relief projects, disadvantaged communities, small community wastewater treatment improvements and safe drinking water revolving fund
- \$1.4 billion for "integrated regional water management projects"
- \$2.25 billion for projects that "support delta sustainability options"
- \$3 billion for water storage projects
- \$1.7 billion for ecosystem and watershed protection and restoration projects in 21 watersheds
- \$1 billion for groundwater protection and cleanup
- \$1.25 billion for "water recycling and advanced treatment technology projects"

The \$11.1 billion bond also included nearly \$2 billion in earmarks. Projects slated for funding included:

- \$40 million to educate the public about California's water
- \$100 million for a Lake Tahoe Environmental Improvement Program for watershed restoration, bike trails and public access and recreation projects
- \$75 million for the Sierra Nevada Conservancy, for public access, education and interpretive projects
- \$20 million for the Baldwin Hills Conservancy to be used to buy more land
- \$20 million for the Bolsa Chica Wetlands for interpretive projects for visitors

The water bond was originally scheduled to appear on the 2010 ballot as Proposition 18. However, due to significant criticism over the size of the bond, the amount of earmarked projects, and a lack of public support, the Legislature has voted twice to postpone the ballot vote. The water bond is now slated for the November 4, 2014 ballot.

It is unclear whether or not the water bond will actually appear on the November 2014 ballot. In recent months, pressure has been mounting to postpone the water bond yet again or significantly rewrite the water bond to drastically reduce the overall size of the bond and remove all earmarks. The Legislature has until the summer of 2014 to act.

Fiscal Impact:

Unknown. This resolution does not seek a specified appropriation from a water bond.

Existing League Policy:

In 2008, the League formed a new Water Task Force to consider updates and revision to the Water Guidelines the League drafted and adopted 20 years earlier. These new Guidelines were formally approved by the League board of directors in Feb. 2010. Below are the most pertinent policy and guiding principles related to the proposed resolution. To view the entire water policy guidelines, go to www.cacities.org/waterpolicyguidelines.

General Principles

- The League supports the development of additional groundwater and surface water storage, including proposed surface storage projects now under study if they are determined to be feasible, including but not limited to: environmentally, economically, and geographically relating to point of origin. Appropriate funding sources could include, but are not limited to user fees, bonds and federal funding.
- The League supports state water policy that allows undertaking aggressive water conservation and water use efficiency while preserving, and not diminishing, public and constitutional water rights.

Water Conservation

- The League supports the development of a statewide goal to reduce water use by 20% by 2020 through the implementation of fair and equitable measures consistent with these principles.
- Accomplishing water conservation and water use efficiency goals will require statewide action by all water users, including residential, commercial, industrial and agricultural water users, local and regional planning agencies, state and federal agencies, chambers of commerce, and business, commercial and industrial professional and trade associations.

Water Recycling

- Wherever feasible, water recycling should be practiced in urban, industrial and agricultural sectors. This includes increasing the use of recycled water over 2002 levels by at least one million acrefeet/year (afy) by 2020 and by at least two million afy by 2030.
- Increased recycling, reuse and other refinements in water management practices should be included in all water supply programs.

Water Storage

• The development of additional surface facilities and use of groundwater basins to store surface water that is surplus to that needed to maintain State Water Resource Control Board (SWRCB) Bay-Delta estuary water quality standards should be supported.

Groundwater

- The principle that local entities within groundwater basins (i.e., cities, counties, special districts, and the regional water quality control boards) working cooperatively should be responsible for and involved in developing and implementing basin wide groundwater, basin management plans should be supported. The plans should include, but not be limited to: a) protecting groundwater quality; b) identifying means to correct groundwater overdraft; c) implementing better irrigation techniques; d) increasing water reclamation and reuse; and e) refining water conservation and other management practices.
- Financial assistance from state and federal governments should be made available to requesting local agencies to develop and implement their groundwater management plans.

Financial Considerations

• It is recognized that the development and operation of water supply, water conveyance, flood control and stormwater management, water storage, and wastewater treatment facilities is frequently beyond the capability of local areas to finance;

• The League supports legislation to provide funding for stormwater, water and wastewater programs, including a constitutional amendment which would place stormwater fees in the category of water and wastewater fees, for the purposes of Proposition 218 compliance.

Support:

New this year, any resolutions submitted to the General Assembly must be concurred in by five cities or by city officials from at least five or more cities. Those submitting resolutions were asked to provide written documentation of concurrence. The following letters of concurrence were received: cities of Alhambra; Cerritos; Claremont; Glendora; Lakewood; La Mirada; La Verne; Norwalk; Signal Hill; and Mary Ann Lutz, Mayor, city of Monrovia. A letter of support was also received from the California Contract Cities Association.

Recommendation to General Resolutions Committee: Approve

WHEREAS, in October 2011 the Governor proposed the realignment of public safety responsibilities from state prisons to local government as a way to address recent court orders in response to litigation related to state prison overcrowding, and to reduce state expenditures; and

WHEREAS, the Governor stated that realignment needed to be fully funded with a constitutionally protected source of funds if it were to succeed; and

WHEREAS, the Legislature enacted the realignment measures, AB 109 and AB 117, and the Governor signed them into law without full constitutionally protected funding and liability protection for stakeholders; and

WHEREAS, California currently has insufficient jail space, probation officers, housing and job placement programs, medical and mental health facilities, lacks a uniform definition of recidivism; and utilizes inappropriate convictions used to determine inmate eligibility for participation in the realignment program; and

WHEREAS, since the implementation of realignment there have been numerous issues identified that have not been properly addressed that significantly impact municipal police departments' efforts to successfully implement realignment; and

WHEREAS, ultimately many of these probationers who have severe mental illness are released into communities where they continue to commit crimes that impact the safety of community members and drain the resources of probation departments and police departments throughout the state; and

WHEREAS, an estimated 30 counties were operating under court-ordered or self-imposed population caps before realignment, and the current lack of bed space in county jails has since led to many convicted probationers being released early after serving a fraction of their time; with inadequate to no subsequent supervision, leaving them free to engage in further criminal offenses in our local cities; and

WHEREAS, there is increasing knowledge among the offender population which offenses will and will not result in a sentence to state prison, and many offenders, if held in custody pending trial, that would be sentenced to county jail are ultimately sentenced to time served due to overcrowding in county facilities; and

WHEREAS, there are inadequate databases allowing local police departments to share critical offender information among themselves, with county probation departments, and with other county and state law enforcement entities; and

WHEREAS, local police departments have not received adequate funding to properly address this new population of offenders who are victimizing California communities; and now therefore let it be

RESOLVED by the General Assembly of the League of California Cities, assembled in Sacramento on September 20, 2013, to request the Governor and State Legislature to immediately enter into discussions with League representatives and the California Police Chiefs' Association to address the following issues:

- 1. The need to fully fund municipal police departments with constitutionally protected funding to appropriately address realignment issues facing front-line law enforcement;
- 2. Amend appropriate sections of AB 109 to change the criteria justifying the release of non-violent, non-serious, non-sex offender inmates (N3) inmates to include their total criminal and mental history instead of only their last criminal conviction;
- 3. Establish a uniform definition of recidivism with the input of all criminal justice stakeholders throughout the state;
- 4. Enact legislation that will accommodate the option for city police officers to make ten (10) day flash incarcerations in city jails for probationers who violate the conditions of their probation;
- 5. Establish oversight procedures to encourage transparency and accountability over the use of realignment funding;
- 6. Implement the recommendations identified in the California Little Hoover Commission Report #216 dated May 30, 2013;
- 7. Provide for greater representation of city officials on the local Community Corrections Partnerships. Currently AB 117 provides for only one city official (a police chief) on the seven-member body, six of which are aligned with the county in which the partnership has been established. As a result, the counties dominate the committees and the subsequent distribution of realignment funds.
- 8. Provide, either administratively or by legislation, an effective statewide data sharing mechanism allowing state and local law enforcement agencies to rapidly and efficiently share offender information to assist in tracking and monitoring the activities of AB 109 and other offenders.

Background Information on Resolution No. 2

Source: Public Safety Policy Committee

Background:

In October 2011 the Governor proposed the realignment of public safety tasks from State Prisons to local government as a way to address certain judicial orders dealing with State prison overcrowding and to reduce State expenditures. This program shifts the prisoner burden from State prisons to local counties and cities.

When the Governor signed into law realignment he stated that realignment needed to be fully funded with constitutionally protected source of funds to succeed. Nonetheless, the law was implemented without full constitutional protected funding for counties and cities; insufficient liability protections to local agencies; jail space; probation officers; housing and job placement programs; medical and mental health facilities; and with an inappropriate definition of N3 (non-serious, non-sexual, non-violent) criminal convictions used to screen inmates for participation in the program.

Two-thirds of California's 58 counties are already under some form of mandated early release. Currently, 20 counties have to comply with maximum population capacity limits enforced by court order, while another 12 counties have self-imposed population caps to avoid lawsuits.

At this time no one knows what the full impact of realignment will ultimately be on crime. We hope that crime will continue to drop, but with the current experience of the 40,000 offenders realigned since October 2011, and an estimated additional 12,000 offenders being shifted from State prison to local jails and community supervision by the end of fiscal year 2013-14, it will be very difficult to realize lower crime rates in the future.

Beginning in October 2011, California State prisons began moving N3 offenders into county jails, the county probation and court systems, and ultimately funneled them into community supervision or alternative sentencing program in cities where they will live, work, and commit crime.

Note: There is currently no uniform definition of recidivism throughout the state and no database that can deliver statistical information on the overall impact realignment has had on all cities in California. Because of this problem we have used data from Los Angeles County.

The March 4, 2013 report to the Los Angeles County Criminal Justice Coordination Committee (CCJCC) shows a strong effort and progress in addressing the realignment mandate. However, there is insufficient funding.

The report also states the jail population continues to be heavily influenced by participants housed locally. On September 30, 2012, the inmate count in the Los Angeles County Jail was 15,463; on January 31, 2013, the count was 18,864. The realignment population accounted for 32% of the Jail population; 5,743 offenders sentenced per Penal Code Section 1170 (h) and 408 parole violations.

By the end of January 2013, 13,535 offenders were released on Post Release Community Supervision (PRCS) to Los Angeles County including prisoners with the highest maintenance costs because of medical and drug problems and mental health issues costing counties and local cities millions of dollars in unfunded mandates since the beginning of the program. Prisoners with prior histories of violent crimes are also being released without proper supervision. That is why sections of AB 109 must be amended to change the criteria used to justify the release of N3 inmates to include an offender's total criminal and mental history instead of only their last criminal conviction. Using the latter as the key criteria does not provide

an accurate risk assessment of the threat these offenders pose to society if they are realigned to county facilities, or placed on Post Release Community Supervision.

Chief Jerry Powers from the Los Angeles County Probation Department recently stated the release criteria for N3 offenders "has nothing to do with reality." He said initially the State estimated the population of released PRCS offenders would be 50% High Risk, 25% Medium Risk and 25% Low Risk. The reality is 3% are Very High Risk, 55% are High Risk, 40% are Medium Risk and only 2% are Low Risk offenders. He said the High Risk and serious mentally ill offenders being released "are a very scary population." One of the special needs offenders takes the resources of 20-30 other offenders.

Assistant Sheriff Terri McDonald who is the county Jail Administrator recently stated the Jail has only 30 beds for mentally ill offenders being released – when in fact she actually needs 300 beds to accommodate the volume of serious mentally ill offenders being released that require beds.

Los Angeles County data shows 7,200 released offenders have had some sort of revocation. This number is expected to increase because of a significant increase in the first four months of year two of realignment that totals 83% of the entire first year of the program; 4,300 warrants were issued for offenders; 6,200 offenders have been rearrested; and 1,400 prosecuted. Data reveals one in 10 offenders will test positive for drugs during the first 72 hours after being released knowing they are required to report to a probation officer during that time. Only one in three offenders will successfully complete probation.

There are more than 500 felony crimes that qualify State prison inmates for release under realignment. They will be spending their time in cities with little, if any, supervision.

League of California Cities Staff Analysis on Resolution No. 2

Staff: Tim Cromartie (916) 658-8252

Committee: Public Safety Policy Committee

Summary:

This Resolution seeks to outline the deficiencies in the State's current public safety realignment policy, as implemented in 2011 by AB 109, and to identify policy changes that will assist State, county and municipal law enforcement entities to cope with the expanded universe of offenders that are now being directed to county facilities, resulting in increased related impacts on both local communities and municipal law enforcement.

Background:

This resolution was brought to the Public Safety Policy Committee by individual members of that committee who are increasingly concerned about municipal public safety impacts resulting from county jail overcrowding, a problem that has intensified with realignment, resulting in certain categories of offenders doing no jail time or being sentenced to time served. This has created a climate in which some offenses receive little or no jail time, accompanied by a growing body of anecdotal evidence that property crimes have correspondingly increased, with some, such as auto theft, being committed in serial fashion. Increased criminal activity has strained the resources of many local police departments already struggling to more closely coordinate information sharing with county probation offices to effectively monitor offenders on post-community release supervision.

In addition, there is growing concern about the criteria established for determining which offenders are eligible for post-release community supervision (the non-violent, non-serious, non-sex offenders). There is so much concern that a May 2013 report of California's Little Hoover Commission recommended adjusting

the criteria to examine an offender's total criminal history rather than merely his or her last known offense, as a means of more accurately assessing the risk he or she might pose to the community.

Implementation of the realignment policy is handled in part by the Community Corrections Partnerships established by AB 109, which currently have only one city representative, compared to at least four county-level representatives.

Fiscal Impact:

Unknown impact on the State General Fund. This resolution seeks to establish increased and constitutionally protected funding for city police departments (and county sheriff's departments, to the degree they are contracted to provide police services for cities), but does not specify a dollar amount for the revenue stream. At a minimum, it would entail an annual revenue stream of at least the amount provided for cities for front-line law enforcement in the State's 2013-14 Budget, \$27.5 million, indefinitely – although that revenue stream has never been formally identified by the Brown Administration as having any direct connection to realignment.

Existing League Policy:

Related to this resolution, existing policy provides:

- The League supports policies establishing restrictions on the early release of state inmates for the purpose of alleviating overcrowding, and limiting parole hearing opportunities for state inmates serving a life sentence, or paroled inmates with a violation.
- The League supports increasing municipal representation on and participation in the Community Corrections Partnerships, which are charged with developing local corrections plans.
- In addition, the Strategic Priorities for 2012, as adopted by the League Board of Directors, included the promotion of local control for strong cities. The resolution's objectives of locking in ongoing funding for front-line municipal law enforcement, and increasing city participation in the Community Corrections Partnerships, are consistent with promoting local control.

RE: Los Angeles County Division Annual Conference Resolution

Dear President Bogaard:

The City of Alhambra supports the Los Angeles County Division's effort to submit a resolution for consideration by the General Assembly at the League's 2013 Annual Conference in Sacramento.

The Division's resolution seeks to address a critical funding need for cities working to meet the State's water quality objectives and storm water management plans by providing direction for the League to educate state leaders and advocate for funding during discussions on the 2014 Water Bond. The City of Alhambra is anticipating spending \$24,101.96 this year to start the development of the Enhanced Watershed Plan and monitoring plan. Prior to 2016, the City anticipates spending \$1,169,000 for full capture device on our storm drain catch basins. In the future, it is estimated the city may need \$34 million dollars to finance the required infrastructure to meet the new permit guidelines. We also anticipate needing to hire additional staff to monitor and maintain the program. None of these costs have a dedicated funding source.

As members of the League, our city values the policy development process provided to the General Assembly. We appreciate your time on this issue. Please feel free to contact Mary Chavez, Director of Public Works, at (626) 570-5067 if you have any questions.

LETTER OF SUPPORT

Bill Bogaard President League of California Cities 1400 K Street, Suite 400 Sacramento, CA 95814

SUBJECT: LOS ANGELES COUNTY DIVISION ANNUAL CONFERENCE RESOLUTION

Dear President Bogaard:

On behalf of the City of La Mirada, I am writing to express support for the League of California Cities, Los Angeles County Division's effort to submit a resolution for consideration by the League's General Assembly at the September 2013 Annual Conference in Sacramento.

The Division's resolution seeks to address a critical funding need for local governments working to meet Federal and State objectives to protect water resources and storm water management plans. The resolution also provides direction for the League to educate State leaders and advocates for the inclusion of storm water funding in the State's proposed 2014 Water Bond.

Like many cities, the City of La Mirada does not have the basic infrastructure to capture, filter, and reuse storm water, and Federal and State funding to assist in providing this infrastructure has been reduced in recent years as a result of the economic recession. Compliance with the MS-4 permit and other storm water regulations could cost the City millions, and reduce funding for other vital City services such as infrastructure and public safety. The City could also face steep fines, penalties, and third party lawsuits if it is unable to meet the National Pollutant Discharge Elimination Systems (NPDES) permit requirements. Receiving State funding could help alleviate the financial burden placed on local governments to meet storm water requirements.

As a member of the League, our City values the policy development process provided to the General Assembly. Please contact Jeff Boynton, Deputy City Manager, at (562) 943–0131 if you have any questions.

Sincerely,

CITY OF LA MIRADA

RE: Los Angeles County Division Annual Conference Resolution

President Bogaard:

The City of La Verne supports the Los Angeles County Division's effort to submit a resolution for consideration by the General Assembly at the League's 2013 Annual Conference in Sacramento.

The Division's resolution seeks to address a critical funding need for cities working to meet the State's water quality objectives and storm water management plans by providing direction for the League to educate state leaders and advocate for funding during discussions on the 2014 Water Bond. While the City is still in the process of identifying the costs associated with meeting the new requirements of the MS-4 PERMIT, it is expected these measures will far exceed existing local resources.

As members of the League, our city values the policy development process provided to the General Assembly. We appreciate your time on this issue. Please feel free to contact our City Manager, Bob Russi at 909-596-8726, if you have any questions.

RE: Los Angeles County Division Annual Conference Resolution

Dear President Bogaard:

The city of Norwalk supports the Los Angeles County Division's effort to submit a resolution for consideration by the General Assembly at the League's 2013 Annual Conference in Sacramento.

The Division's resolution seeks to address a critical funding need for cities working to meet the State's water quality objectives and storm water management plans by providing direction for the League to educate state leaders and advocate for funding during discussions on the 2014 Water Bond. The cost of compliance with the new storm water permit is in the millions of dollars. The Watershed Management Plan alone will cost close to \$1M. Implementation of projects in the near future based on that Watershed Management Plan could potentially cost the City of Norwalk \$5 - \$10 million annually.

As members of the League our City values the policy development process provided to the General Assembly. We appreciate your time on this issue. Please feel free to contact Mike Egan, City Manager, at (562) 929-5772 if you have any questions.

President Bogaard:

The city of Signal Hill supports the Los Angeles County Division's effort to submit a resolution for consideration by the General Assembly at the League's 2013 Annual Conference in Sacramento.

The Division's resolution seeks to address a critical funding need for cities working to meet the State's water quality objectives and storm water management plans by providing direction for the League to educate state leaders and advocate for funding during discussions on the 2014 Water Bond. The city of Signal Hill currently budgets for \$755,000 annually for compliance with required stormwater programs, which represents over 4% of the entire General Fund. Future expenditures are expected to be over \$1.5 million annually, as the City will be required to begin construction of costly stormwater capital improvements.

SUBJECT: Los Angeles County Division Annual Conference Resolution

Dear President Bogaard:

As Mayor of the City of Monrovia, I support the Los Angeles County Division's effort to submit a resolution for consideration by the General Assembly at the League's 2013 Annual Conference in Sacramento.

The Division's resolution seeks to address a critical funding need for cities working to meet the State's water quality objectives and storm water management plans by providing direction for the League to educate state leaders and advocate for funding during discussions on the 2014 Water Bond. The City is anticipating millions of dollars in stormwater permit compliance costs over the next five years — funds the City currently does not have available. Funding assistance is vital in order for the City to meet stormwater permit requirements.

As members of the League, our City values the policy development process provided to the General Assembly. We appreciate your time on this issue. Please feel free to contact Heather Maloney, Senior Management Analyst, at (626) 932-5577 or hmaloney@ci.monrovia.ca.us, if you have any questions.

Dear President Bogaard:

On behalf of the City of Arroyo Grande, I am writing to express support for the League of California Cities' Public Safety Resolution, which will be submitted for consideration by the League's General Assembly at the September 2013 Annual Conference in Sacramento.

The League's Resolution seeks to highlight a number of deficiencies with the current public safety realignment policy, and what funding and policy changes need to occur in response. The resolution specifically calls out the need for ongoing local law enforcement funding related to realignment, as well as modification of the criteria for which offenders are eligible for post-release community supervision, i.e. a non-violent, non-serious, non-sex offender criteria that focuses on total criminal history rather than merely the last recorded offense.

As a member of the League, our City values the policy development process provided to the General Assembly. Please contact our City Manager, Steve Adams, at (805)473-5404, if you have any questions.

Report to City Council

TO: Mayor and City Council

FROM: Jane Halstead, City Clerk, CMC

AGENDA DATE: September 10, 2013

TITLE: DISCUSSION AND APPOINTMENT REGARDING MAYOR PRO

TEM POSITION

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Select a Council Member to serve as Mayor Pro Tem for the remainder of the unexpired term.

SUMMARY

The City Council's Rules of Procedure provide that the City Council meet annually at its first regular meeting in December of each year to choose one of its number as Mayor Pro Tem. Due to the resignation of the Council Member serving as Mayor Pro Tem on August 13, 2013, the City Council may appoint a Mayor Pro Tem to fill the vacancy.

Section 4.2.3 of the Rules of Procedure provides that nominations for the office of Mayor Pro Tem may be made by any member of the City Council and need not be seconded in order to be effective. Each selection shall be by three or more affirmative votes. In the event that no person receives three or more votes in the selection process for the office, the selection process shall be repeated immediately; provided, however, that the two persons receiving the highest number of votes in the preceding selection process shall be the only nominees for the office to be filled. If, upon repeating the selection process for Mayor Pro Tem, no person has yet received three affirmative votes for such office, the City Council may either repeat the selection process until the officer has been duly selected or may continue the selection to the next regular meeting of the City Council.

Voting in the selection of Mayor Pro Tem shall be by written ballot unless the City Council, by three or more affirmative votes, determines to conduct the selection process by voice vote. If conducted by written ballot, the vote of each Council Member shall remain undisclosed until all votes have been cast and have been lodged with the City Clerk. The City Clerk shall then read aloud into the minutes of the City Council the identity of the voting Council Member and the name of the person for whom such person is voting. The written ballots shall be public documents and shall be retained in the records of the City Council. The Standard Code of Parliamentary Procedure shall apply to resolve any question of procedure arising during the selection process, which is not governed by Section 4.2 of the City Council Rules of Procedure.

The new appointed Mayor Pro Tem shall serve until the next meeting scheduled for selection of Mayor Pro Tem, pursuant to Section 4.2 of City Council's Rules of Procedure.

ALTERNATIVES

- 1. Conduct the appointment by selecting a new Mayor Pro Tem.
- Continue the selection to the next regular meeting of the City Council if upon repeating the selection process, no person receives three affirmative votes for Mayor Pro Tem.

FISCAL IMPACT

There is no fiscal impact associated with the recommended action.

Report to City Council

TO: Mayor and City Council

FROM: Jane Halstead, City Clerk, CMC

AGENDA DATE: September 10, 2013 (Continued from June 25, 2013)

TITLE: APPOINTMENTS TO THE CITY COUNCIL ADVISORY BOARDS

AND COMMISSIONS

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Ratify extending the expiring August 31, 2013 terms of the current City Council Advisory Board and Commission members to October 31, 2013 to allow additional time for recruitment.

SUMMARY

At the June 25, 2013, the City Council continued appointments to various advisory boards and commissions to the August 27, 2013 City Council meeting and extended June 30, 2013 expiring terms to August 31, 2013. Applications were accepted by the City Clerk's Office to fill vacancies for the various City Council Boards and Commissions, with certain terms expiring June 30, 2013. An insufficient number of applications were received to fill the vacancies.

Members with expiring terms were notified and advised of the need to submit a new application to be considered for reappointment. Appropriate time frames with respect to posting notices of vacancies were followed.

As provided in the City's Municipal Code, the appointees will serve without compensation for designated terms.

Staff recommends that the City Council ratify extending the August 31, 2013 expiring terms of the current board and commission members to October 31, 2013 to allow

additional time for recruitment to fill vacancies. Staff recommends extending the deadline to submit applications to Monday, September 30, 2013.
