CALL TO ORDER

Joint Meeting of the City Council, Community Services District, City as Successor Agency for the Community Redevelopment Agency, Housing Authority and the Board of Library Trustees - actions taken at the Joint Meeting are those of the Agency indicated on each Agenda item.

PLEDGE OF ALLEGIANCE

ROLL CALL

INTRODUCTIONS

PUBLIC COMMENTS ON MATTERS ON THE AGENDA WILL BE TAKEN UP AS THE ITEM IS CALLED FOR BUSINESS, BETWEEN STAFF'S REPORT AND CITY COUNCIL DELIBERATION (SPEAKER SLIPS MAY BE TURNED IN UNTIL THE ITEM IS CALLED FOR BUSINESS.)

PUBLIC COMMENTS ON ANY SUBJECT NOT ON THE AGENDA UNDER THE JURISDICTION OF THE CITY COUNCIL

Those wishing to speak should complete and submit a BLUE speaker slip to the Sergeant-at-Arms. There is a three-minute time limit per person. All remarks and questions shall be addressed to the presiding officer or to the City Council.

JOINT CONSENT CALENDARS (SECTIONS A-E)

All items listed under the Consent Calendars, Sections A, B, C, D, and E are considered to be routine and non-controversial, and may be enacted by one motion unless a member of the City Council, Community Services District, City as Successor Agency for the Community Redevelopment Agency, Housing Authority or the Board of Library Trustees requests that an item be removed for separate action. The motion to adopt the Consent Calendars is deemed to be a separate motion by each Agency and shall be so recorded by the City Clerk. Items withdrawn for report or discussion will be heard after public hearing items.

A. CONSENT CALENDAR-CITY COUNCIL

- A.1. ORDINANCES - READING BY TITLE ONLY - THE MOTION TO ADOPT AN ORDINANCE LISTED ON THE CONSENT CALENDAR INCLUDES WAIVER OF FULL READING OF THE ORDINANCE.

Recommendation: Waive reading of all Ordinances.

- A.5. COVID-19 PANDEMIC RESOLUTIONS EXTENDING THE LOCAL STATE OF EMERGENCY AND CERTAIN EMERGENCY MEASURES (Report of: Financial & Management Services)

Recommendations:

1. That the City Council adopt a Resolution Extending the Local State of Emergency and Certain Emergency Measures related to the Local, State and National Declarations of a State of Emergency related to the COVID-19 Pandemic.

- A.6. ADOPT A RESOLUTION TO APPROVE A JOINT COMMUNITY FACILITIES AGREEMENT BY AND AMONG VAL VERDE UNIFIED SCHOOL DISTRICT, THE CITY OF MORENO VALLEY, AND PASSCO PACIFICA LLC RELATING TO VAL VERDE UNIFIED SCHOOL DISTRICT COMMUNITY FACILITIES DISTRICT NO. 2021-1 (RESO. NO. 2021-__) (Report of: Financial & Management Services)

Recommendation:

1. Adopt Resolution No. 2021-___, a Resolution Approving the Joint Community Facilities Agreement between the Val Verde Unified School District, City of Moreno Valley and Passco Pacifica LLC, in substantially the form attached hereto with modifications subject to City Attorney approval, and authorize the City Manager to execute the Agreement and related documents.

- A.7. PURSUANT TO LANDOWNER PETITIONS, ANNEX CERTAIN PARCELS INTO COMMUNITY FACILITIES DISTRICT NO. 2014-01 (MAINTENANCE SERVICES) - AMENDMENT NO. 55, 58, and 59 (RESO. NO. 2021-_) AND AMENDMENT NO. 56 (RESO. NO. 2021-_) (Report of: Financial & Management Services)

Recommendation:

1. Acting as the legislative body of Community Facilities District No. 2014-01 (Maintenance Services), adopt Resolution No. 2021-__, a Resolution of the City Council of the City of Moreno Valley, California, ordering the annexation of territory to City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services) and approving the amended maps for said District (Amendment No. 55, 58, and 59) (HF Logistics-SKX-T1, LLC, HF Logistics-SKX-T2, LLC, and Highland Fairview Partners 1, located on the northeast corner of Eucalyptus Ave. (Fir Ave.) and Redlands Blvd.).
2. Acting as the legislative body of Community Facilities District No. 2014-01 (Maintenance Services), adopt Resolution No. 2021-__, a Resolution of the City Council of the City of Moreno Valley, California, ordering the annexation of territory to City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services) and approving the amended map for said District. (Amendment No. 56) (D.R. Horton Los Angeles Holding Company, Inc, located west of Moreno Beach Dr., between Alessandro Blvd. and Brodiaea Ave.).

- A.8. ADOPT RESOLUTION AUTHORIZING AMENDMENT NO. 8 TO THE LOAN AGREEMENT BETWEEN THE CITY OF MORENO VALLEY AND THE POLICE FACILITIES DEVELOPMENT IMPACT FEE FUND (Report of: Financial & Management Services)

Recommendation:

1. Adopt a Resolution of the City Council of the City of Moreno Valley, California, authorizing Amendment No. 8 to the loan agreement between the City of Moreno Valley and the Police Facility Development Impact Fee fund.

- A.9. AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO ALL AMERICAN ASPHALT FOR PAVEMENT REHABILITATION FOR VARIOUS LOCAL STREETS – CDBG FISCAL YEAR 2020/21, PROJECT NO. 801 0088 (Report of: Public Works)

Recommendations:

1. Award a construction contract to All American Asphalt for the Pavement Rehabilitation for Various Local Streets – CDBG FY 2020/21 project and authorize the City Manager to execute a contract

with All American Asphalt in substantial conformance with the attached contract in the amount of \$1,294,784.00 for the construction of the project, funded by Community Development Block Grant (CDBG) (Fund 2512), Capital Project Reimbursement Fund (Fund 3008), and Gas Tax (Fund 2000);

2. Authorize the issuance of a Purchase Order for All American Asphalt in the amount of \$1,424,262.40 (bid amount plus a 10% contingency) when the contract has been signed by all parties; and
3. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract, but not exceeding the total contingency of \$129,478.40, subject to the approval of the City Attorney.

A.10. AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO SPECTRUM CONSTRUCTION GROUP INC. FOR THE CITYWIDE PAVEMENT REHABILITATION PROGRAM FY 2020/21, PROJECT NO. 801 0087, AND AGREEMENTS FOR CONSULTANT CONSTRUCTION ENGINEERING SERVICES TO LOR GEOTECHNICAL GROUP INC. AND KDM MERIDIAN FOR PROJECT NOS. 801 0087, 801 0088, AND 803 0043 (Report of: Public Works)

Recommendations:

1. Award a construction contract to Spectrum Construction Group Inc. for the Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087) and authorize the City Manager to execute a contract in substantial conformance with the attached contract in the amount of \$3,609,731.65, funded by Senate Bill 1 (SB1) Funds (2000A), Community Development Block Grant (CDBG) Funds (Fund 2512), and Capital Project Reimbursement Fund (Fund 3008);
2. Award an Agreement for Professional Consultant Service to KDM Meridian to provide construction surveying services for three projects: Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087), Pavement Rehabilitation for Various Local Streets - CDBG FY 2020/21 (Project No. 801 0088), and Corporate Yard Master Plan Improvements - Infiltration Trench Installation (Project No. 803 0043), and authorize the City Manager to execute the agreement with KDM Meridian in the amount of \$75,580.00;
3. Award an Agreement for Professional Consultant Service to LOR Geotechnical Group Inc. to provide material testing and geotechnical services for three projects: Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087), Pavement Rehabilitation for Various Local Streets - CDBG FY 2020/21 (Project No. 801 0088), and Corporate Yard Master Plan Improvements - Infiltration Trench Installation (Project No. 803 0043), and authorize the City Manager to execute the agreement with LOR Geotechnical Group Inc. in the amount of \$239,682.00;

4. Authorize the issuance of a Purchase Order to Spectrum Construction Group Inc. in the amount of \$3,970,704.81 (bid amount plus a 10% contingency), three Purchase Orders to KDM Meridian in the total amount of \$75,580.00, and three Purchase Orders to LOR Geotechnical Group Inc. in the total amount of \$239,682.00 necessary for completing the construction of said projects; and
 5. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the Spectrum Construction Group Inc. contract not exceeding the contingency of \$360,973.16, subject to the approval of the City Attorney.
- A.11. APPROVE AN AGREEMENT BETWEEN WRCOG AND THE CITY OF MORENO VALLEY FOR TUMF FUND REIMBURSEMENT BY WRCOG FOR THE REDLANDS BLVD / SR-60 INTERCHANGE, PROJECT NO. 801 0064 (Report of: Public Works)

Recommendations:

1. Accept and Approve the Transportation Uniform Mitigation Fee (TUMF) Program reimbursement agreement between the Western Riverside Council of Governments (WRCOG) and the City of Moreno Valley (City) for Project Approval & Environmental Document (PA&ED) Phase for the Redlands Blvd/ SR-60 Interchange;
 2. Authorize the City Manager to execute the TUMF Program reimbursement agreement, in substantial conformance with the attached template, upon concurrence by WRCOG, and subject to the approval of the City Attorney;
 3. Authorize the Public Works Director to execute any subsequent amendments to the TUMF Program reimbursement agreement, subject to the approval of the City Attorney; and
 4. Authorize a budget adjustment as set forth in the Fiscal Impact section of this report.
- A.12. AUTHORIZATION TO AWARD AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES TO STC TRAFFIC, INC. FOR CITY TRAFFIC ENGINEER CONSULTANT SERVICES (Report of: Public Works)

Recommendations:

1. Approve the Agreement for Professional Consultant Services with STC Traffic, Inc. to provide City Traffic Engineering on-call services for the Transportation Engineering Division, using funds from the City Council approved Operating Budget for FY2021/22;

2. Authorize the City Manager to execute the Agreement for Professional Consultant Services with STC Traffic, Inc., subject to the approval of the City Attorney;
3. Authorize the issuance of a Purchase Order with STC Traffic, Inc., in an amount not-to-exceed \$250,000.00, and authorize the Chief Financial Officer to approve subsequent related purchase orders with STC Traffic, Inc., in accordance with the approved terms of the Agreement; and
4. Authorize the Public Works Director/City Engineer to execute subsequent extensions and/or amendments, up to a maximum of four annual extensions, to the Agreement.

F. PUBLIC HEARINGS

Questions or comments from the public on a Public Hearing matter are limited to five minutes per individual and must pertain to the subject under consideration.

Those wishing to speak should complete and submit a GOLDENROD speaker slip to the Sergeant-at-Arms.

F.1. PUBLIC HEARING ESTABLISHING APPROPRIATIONS (“GANN”) LIMIT FOR FISCAL YEAR 2021/22 (RESO. NOS. 2021-XX and CSD 2021-XX) (Report of: Financial & Management Services)

Recommendations: That the City Council and CSD:

1. Conduct a Public Hearing to receive public comments on the City of Moreno Valley General Fund appropriations limit for Fiscal Year 2021/22.
2. Adopt Resolution No. 2021-____, a resolution of the City Council of the City of Moreno Valley, California, establishing the appropriations limit for Fiscal Year 2021/22.
3. Conduct a Public Hearing to receive public comments on the Moreno Valley Community Services District’s appropriations limit for Fiscal Year 2021/22.
4. Adopt Resolution No. CSD 2021-____, a resolution of the Moreno Valley Community Services District establishing the appropriations limit for Fiscal Year 2021/22.

F.2. PUBLIC HEARING FOR DELINQUENT SOLID WASTE ACCOUNTS (Report of: Financial & Management Services)

Recommendations: That the City Council:

1. Conduct the Public Hearing and accept public testimony regarding Calendar Year (CY) 2020 unpaid solid waste accounts to be applied to the Fiscal Year (FY) 2021/22 County of Riverside property tax roll for collection;
2. Approve the Solid Waste Delinquency Report from Waste Management, Inc. (Waste Management) listing the CY 2020 delinquent solid waste accounts for placement on the FY 2021/22 County of Riverside property tax roll for collection; and
3. Direct the City Clerk to file the Solid Waste Delinquency Report with the County of Riverside Auditor-Controller.

F.3. PUBLIC HEARING FOR DELINQUENT NUISANCE ABATEMENT (RESO. NO. 2021-XX) (Report of: Fire Department)

Recommendations:

1. Conduct a public hearing and accept public testimony on delinquent nuisance abatement account.
2. Adopt Resolution No. 2021-XX Resolution of the City Council of the City of Moreno Valley, California, Confirming Statements of Costs against Real Property located in the City of Moreno Valley, for Abatements of Public Nuisances and Direction that Said Statement of Costs Constitute a Lien upon Said Properties.
3. Approve placing the submitted Property Assessment List of delinquent nuisance abatement accounts on the Fiscal Year (FY) 2021/2022 Riverside County property tax roll for collection.
4. Direct the City Clerk to file with the Riverside County Tax Assessor's office a certified copy of Resolution No. 2021-XX and the Property Assessment List as required by Section 6.04.120 of the City of Moreno Valley Municipal Code.
5. Authorize the Chief Financial Officer to adjust the proposed special assessments in the event there are any parcel changes, clerical errors, or other adjustments as may be necessary between the date the special taxes were calculated and the date the fixed charges are submitted to the County of Riverside, provided the applied special assessments does not exceed the maximum special assessments.

F.4. COMPREHENSIVE GENERAL PLAN UPDATE, CLIMATE ACTION PLAN, MUNICIPAL CODE ZONING ORDINANCE AMENDMENT, AND ZONING ATLAS AMENDMENT (Report of: Community Development)

Recommendations: That the City Council:

1. **APPROVE** Resolution No. 2021-XX **CERTIFYING** that the Final Environmental Impact Report (EIR) for the comprehensive General Plan update, Climate Action Plan, Municipal Code Zoning Ordinance amendment and related changes to the Official Zoning Atlas map on file with the Community Development Department, incorporated herein by this reference, have been completed in compliance with the California Environmental Quality Act and CEQA Guidelines, that the City Council reviewed and considered the information in the Final EIR and that the Final EIR reflects the City's independent judgement and analysis; and **ADOPTING** the Facts, Findings and Statement of Overriding Considerations regarding the Final EIR for the City of Moreno Valley Comprehensive General Plan Update, attached hereto as Exhibit A; and **ADOPTING** the Mitigation Monitoring and Reporting

Program for the Final EIR for the proposed Comprehensive General Plan Update project and Climate Action Plan, attached as Exhibit B; and

2. **APPROVE** Resolution No. 2021-XX APPROVING PEN19-0240, City of Moreno Valley Comprehensive General Plan update and Climate Action Plan respectively; and
3. **ADOPT** Ordinance No. XXX, Amending the Municipal Code Zoning Ordinance amendment and the City's Official Zoning Atlas map respectively (PEN21-0020), consistent with the General Plan update.

CALL TO ORDER

The Joint Meeting of the City Council, Community Services District, City as Successor Agency for the Community Redevelopment Agency of the City of Moreno Valley, Moreno Valley Housing Authority, Moreno Valley Public Financing Authority and the Board of Library Trustees was called to order at 6:00 p.m. by Mayor Gutierrez in the Council Chamber located at 14177 Frederick Street.

ROLL CALL

Council:	Dr. Yxstian A. Gutierrez	Mayor
	Victoria Baca	Mayor Pro Tem
	David Marquez	Council Member
	Ulises Cabrera	Council Member

INTRODUCTIONS

Staff:	Pat Jacquez-Nares	City Clerk
	Steve Quintanilla	Interim City Attorney
	Mike Lee	City Manager
	Brian Mohan	Acting Assistant City Manager/Chief Financial Officer
	Michael Wolfe	Assistant City Manager/Director of Public Works/City Engineer
	Manuel Mancha	Community Development Director
	Patti Solano	Parks & Community Services Director
	John Salisbury	Chief of Police
	Abdul Ahmad	Fire Chief

Minutes Acceptance: Minutes of May 18, 2021 6:00 PM (CONSENT CALENDAR-CITY COUNCIL)

PUBLIC COMMENTS ON ANY SUBJECT ON THE AGENDA AND NOT ON THE AGENDA UNDER THE JURISDICTION OF THE CITY COUNCIL

Olga Lidia Taylor

- 1. Stated her concerns with illegal fireworks.
- 2. Requested a plan to combat illegal fireworks.

Mayor Gutierrez informed her that the City has a plan and a taskforce to address this issue.

Angel Lopez-Ramirez

- 1. Stated he was a candidate for District 2.
- 2. Thanked Olga for addressing the fireworks concern.
- 3. Requested that the Council add additional penalties and fines for illegal fireworks.

Mayor Gutierrez informed him that the Council had recently increased the fine to \$1,000 for the first violation.

Edward Jones

- 1. Requested clarification on how the continuation of the Parks and Recreation funding would affect his 2021 taxes.
- 2. Asked when the sports activities would reopen for children to participate.

Mayor Gutierrez stated that on June 1st the City was going to reopen again.

Brandon Carn

- 1. Provided a headline from Imperial County and the Imperial Water District on an alleged forgery on a land deal which he believed had ties to Highland Fairview.

Louise Palomarez

- 1. Stated Mr. Carn was full of propaganda and lies.
- 2. Stated the World Logistics Center project has been stifled by all the lawsuits.
- 3. Stated that cities around Moreno Valley are building logistics centers.

JOINT CONSENT CALENDARS (SECTIONS A-E)

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Victoria Baca, Mayor Pro Tem
SECONDER:	David Marquez, Council Member
AYES:	Dr. Yxstian A. Gutierrez, Victoria Baca, David Marquez, Ulises Cabrera

F. PUBLIC HEARINGS

City Manager Lee addressed Mr. Jones' concerns. Mr. Jones' parcel is not affected. He also confirmed that all facilities would be open on June 1st and that the registration for participation in the parks activities was open and could be accessed at registermoval.org.

Mayor Gutierrez also stated that the City has many volunteer opportunities that can be accessed at moval.org.

- F.1. PUBLIC HEARING TO CONTINUE MORENO VALLEY COMMUNITY SERVICES DISTRICT ANNUAL PARCEL TAXES AND CHARGES FOR FISCAL YEAR 2021/22 (ZONES A, C, D, E, and M) (RESO. NOS. CSD 2021-13, CSD 2021-14, CSD 2021-15, CSD 2021-16 and CSD 2021-17) (Report of: Financial & Management Services)

Recommendations: That the CSD:

1. Conduct a Public Hearing to consider continuing the current Zones A, C, D, E, and M Moreno Valley Community Services District annual parcel taxes and charges as proposed for Fiscal Year 2021/22.
2. Adopt Resolution No. CSD 2021-13, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Continuation of the Maximum and Applied Parcel Tax for Providing Zone A (Parks and Community Services) Services During Fiscal Year 2021/22, and Calculation Thereof.
3. Adopt Resolution No. CSD 2021-14, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Continuation of the Maximum and Applied Parcel Tax for Providing Zone C (Arterial Street and Intersection Lighting) Services During Fiscal Year 2021/22, and Calculation Thereof.

4. Adopt Resolution No. CSD 2021-15, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Continuation of the Maximum and Applied Parcel Charges for Providing Zone D (Parkway Landscape Maintenance) Services During Fiscal Year 2021/22, and Calculation Thereof.
5. Adopt Resolution No. CSD 2021-16, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Continuation of the Maximum and Applied Parcel Charges for Providing Zone E (Extensive Landscape Maintenance) Services During Fiscal Year 2021/22, and Calculation Thereof.
6. Adopt Resolution No. CSD 2021-17, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Continuation of the Maximum and Applied Parcel Charges for Providing Zone M (Commercial/Industrial/Multifamily Improved Median Maintenance) Services During Fiscal Year 2021/22, and Calculation Thereof.
7. Authorize the Chief Financial Officer to adjust the proposed charges in the event there are any parcel changes, clerical errors, or other adjustments as may be necessary between the date the parcel charges were calculated and the date the fixed charges are submitted to the County of Riverside, provided the applied charges do not exceed the maximum charges and are in compliance with the formation documents for each zone.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Ulises Cabrera, Council Member
SECONDER:	Victoria Baca, Mayor Pro Tem
AYES:	Dr. Yxstian A. Gutierrez, Victoria Baca, David Marquez, Ulises Cabrera

Acting Assistant City Manager/Chief Financial Officer Mohan introduced Special Districts Division Manager Cassel who provided a brief report on this item.

Mayor Gutierrez opened the Public Hearing at 6:20 p.m.

Eugenia Miller suggested that the City should have a Police Athletic League (PAL) in one of the warehouses nearby to help build a relationship with the youth.

There being no more speakers in support or opposition, Mayor Gutierrez closed the Public Hearing at 6:22 p.m.

F.2. PUBLIC HEARING TO CONTINUE MORENO VALLEY COMMUNITY SERVICES DISTRICT ANNUAL PARCEL CHARGES FOR FISCAL YEAR 2021/22 (ZONE S) (RESO. NO. CSD 2021-18) (Report of: Financial & Management Services)

Recommendations: That the CSD:

1. Conduct a Public Hearing to consider continuing the current Zone S Moreno Valley Community Services District parcel charges as proposed for Fiscal Year 2021/22.
2. Adopt Resolution No. CSD 2021-18, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Approving the Continuation of the Maximum and Applied Parcel Charges for Providing Zone S (Sunnymead Boulevard Maintenance) Services During Fiscal Year 2021/22, and Calculation Thereof.
3. Authorize the Chief Financial Officer to adjust the proposed charges in the event there are any parcel changes, clerical errors, or other adjustments as may be necessary between the date the parcel charges were calculated and the date the fixed charges are submitted to the County of Riverside, provided the applied rate does not exceed the maximum rate, and is in compliance with the formation documents for Zone S.

RESULT:	APPROVED [3 TO 0]
MOVER:	David Marquez, Council Member
SECONDER:	Ulises Cabrera, Council Member
AYES:	Dr. Yxstian A. Gutierrez, David Marquez, Ulises Cabrera
RECUSED:	Victoria Baca

Mayor Pro Tem Baca recused herself from this item and left the meeting at 6:23 p.m.

Special Districts Division Manager Cassel provided a brief report on this item.

Council Member Marquez requested clarification on the Sunnymead boundary lines.

Special Districts Division Manager Cassel provided the boundary lines for Sunnymead which include segments between Frederick and Perris.

Mayor Gutierrez opened the Public Hearing at 6:26 p.m.

There being no comments in support or opposition, Mayor Gutierrez closed the Public Hearing at 6:26 p.m.

Mayor Pro Tem Baca returned to the meeting at 6:27 p.m.

F.3. PUBLIC HEARING TO CONFIRM A DIAGRAM AND ASSESSMENTS FOR LIGHTING MAINTENANCE DISTRICT NO. 2014-01 FOR FISCAL YEAR 2021/22 (RESO NO. CSD 2021-19) (Report of: Financial & Management Services)

Recommendations: That the CSD:

1. Conduct the Public Hearing on the proposed levy of real property assessments for Moreno Valley Community Services District Lighting Maintenance District (LMD) No. 2014-01.
2. Adopt Resolution No. CSD 2021-19, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Confirming a Diagram and Assessments for Fiscal Year 2021/22 in Connection with Moreno Valley Community Services District LMD No. 2014-01.
3. Authorize the Chief Financial Officer to adjust the proposed assessments in the event there are any parcel changes, clerical errors, or other adjustments as may be necessary between the date the assessments were calculated and the date the fixed charges are submitted to the County of Riverside, provided the applied assessments do not exceed the maximum assessments and are in compliance with the formation documents for the district.

RESULT: APPROVED [UNANIMOUS]
MOVER: David Marquez, Council Member
SECONDER: Ulises Cabrera, Council Member
AYES: Dr. Yxstian A. Gutierrez, Victoria Baca, David Marquez, Ulises Cabrera

Special Districts Division Manager Cassel provided a brief report on this item.

Council Member Marquez requested information on the portions of the City that do not have lighting, and what options property owners have to obtain lighting.

Special Districts Division Manager Cassel stated that the owners could form a district and then bring the item to the Council. The Council could advance the funds to have the lighting installed. The City could recover those funds by placing a parcel charge on the property tax bill. Alternatively, the City Council could elect to set aside funding to install the street lights in the areas that do not have any.

Mayor Gutierrez opened the Public Hearing at 6:29 p.m.

There being no comments in support or opposition, Mayor Gutierrez closed the Public Hearing at 6:29 p.m.

Minutes Acceptance: Minutes of May 18, 2021 6:00 PM (CONSENT CALENDAR-CITY COUNCIL)

F.4. PUBLIC HEARING TO CONFIRM DIAGRAMS AND ASSESSMENTS FOR LANDSCAPE MAINTENANCE DISTRICT NO. 2014-02 FOR FISCAL YEAR 2021/22 (RESO. NO. CSD 2021-20) (Report of: Financial & Management Services)

Recommendations: That the CSD:

1. Conduct the Public Hearing on the proposed levy of real property assessments for Moreno Valley Community Services District Landscape Maintenance District (LMD) No. 2014-02.
2. Adopt Resolution No. CSD 2021-20, a Resolution of the Board for the Moreno Valley Community Services District of the City of Moreno Valley, California, Ordering that Costs for Certain Improvements Shall Be Raised Through Installments Over a Period of Years and Confirming Diagrams and Assessments for Fiscal Year 2021/22 in Connection with Moreno Valley Community Services District LMD No. 2014-02.
3. Authorize the Chief Financial Officer to adjust the proposed assessments in the event there are any parcel changes, clerical errors, or other adjustments as may be necessary between the date the assessments were calculated and the date the fixed charges are submitted to the County of Riverside, provided the applied assessments do not exceed the maximum assessments and are in compliance with the formation documents for the district.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Ulises Cabrera, Council Member
SECONDER:	David Marquez, Council Member
AYES:	Dr. Yxstian A. Gutierrez, Victoria Baca, David Marquez, Ulises Cabrera

Special Districts Division Manager Cassel provided a brief report on this item.

Mayor Gutierrez opened the Public Hearing at 6:31 p.m.

There being no comments in support or opposition, Mayor Gutierrez closed the Public Hearing at 6:31 p.m.

F.5. PUBLIC HEARING REGARDING THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) REGULATORY RATE SCHEDULE FOR NEW AND EXISTING RESIDENTIAL, COMMON INTEREST, COMMERCIAL, INDUSTRIAL, AND QUASI-PUBLIC USE DEVELOPMENT PROPOSED FISCAL YEAR (FY) 2021/2022 ANNUAL RATES (RESO. NO. 2021-39) (Report of: Public Works)

Recommendations:

1. Conduct a Public Hearing to review and confirm annual regulatory rate schedule for the National Pollutant Discharge Elimination System Program for New Residential, Common Interest, Commercial, Industrial and Quasi-Public Land Uses.
2. Adopt Resolution No. 2021-39, a Resolution of the City Council of the City of Moreno Valley, California, Authorizing and Approving the Levy of the National Pollutant Discharge Elimination System (NPDES) Regulatory Rate for New and Existing Residential, Common Interest, Commercial, Industrial, and Quasi-Public Use Development of the County of Riverside Property Tax Roll.
3. Authorize the Chief Financial Officer to adjust the rates levied on the property tax bills in the event there are any parcel changes between the City Council meeting date and the date the fixed charges are submitted to the County of Riverside or other adjustments, provided the applied rate does not exceed the maximum rate, is in compliance with the ballot for each parcel, and is consistent with the adopted budget.

RESULT: APPROVED [3 TO 0]
MOVER: Ulises Cabrera, Council Member
SECONDER: Victoria Baca, Mayor Pro Tem
AYES: Dr. Yxstian A. Gutierrez, Victoria Baca, Ulises Cabrera
RECUSED: David Marquez

Council Member Marquez recused himself from this item and left the meeting at 6:32 p.m.

Assistant City Manager/Director of Public Works/City Engineer Wolfe provided the report.

Mayor Gutierrez opened the Public Hearing at 6:33 p.m.

There being no comments in support or opposition, Mayor Gutierrez closed the Public Hearing at 6:33 p.m.

Council Member Marquez returned to the meeting at 6:34 p.m.

Minutes Acceptance: Minutes of May 18, 2021 6:00 PM (CONSENT CALENDAR-CITY COUNCIL)

F.6. PUBLIC HEARING FOR DELINQUENT NUISANCE ABATEMENTS - CODE AND NEIGHBORHOOD SERVICES (RESO. NO. 2021-40) (Report of: Community Development)

Recommendation:

1. Conduct a public hearing and accept public testimony on delinquent nuisance abatement accounts.
2. Adopt Resolution No. 2021-40. A Resolution of the City Council of the City of Moreno Valley, California, confirming Statements of Costs against real properties located in the City of Moreno Valley for the abatements of public nuisances, and directing that said Statements of Costs constitute a lien upon said properties.
3. Approve placing the submitted Property Assessment List of delinquent nuisance abatement accounts on the Fiscal Year (FY) 2021/2022 Riverside County property tax roll for collection.
4. Direct the City Clerk to file with the Riverside County Assessor's office a certified copy of Resolution No. 2021-XX and the Property Assessment List as required by Section 6.04.120 of the City of Moreno Valley Municipal Code.

RESULT:	APPROVED [UNANIMOUS]
MOVER:	Victoria Baca, Mayor Pro Tem
SECONDER:	Dr. Yxstian A. Gutierrez, Mayor
AYES:	Dr. Yxstian A. Gutierrez, Victoria Baca, David Marquez, Ulises Cabrera

Community Development Director Mancha introduced Code & Neighborhood Services Division Manager/Interim Building Official Alvarado who provided the report.

Mayor Gutierrez opened the Public Hearing at 6:36 p.m.

There being no comments in support or opposition, Mayor Gutierrez closed the Public Hearing at 6:36 p.m.

Council Member Cabrera thanked staff for bringing properties into compliance.

G. GENERAL BUSINESS - NONE

H. ITEMS REMOVED FROM CONSENT CALENDARS FOR DISCUSSION OR SEPARATE ACTION - NONE

I. REPORTS

I.1. CITY COUNCIL REPORTS

(Informational Oral Presentation - not for Council action)

March Joint Powers Commission (JPC)

Mayor Pro Tem Baca reported on the items discussed at the March Joint Powers Commission Meeting held on May 12th. The Commission approved new committee representation for vacancies on three JPA committees. I will be representing Moreno Valley on: The March Business Center Implementation Committee; The Development Community Ad Hoc Committee - East of I-215, and As the alternate on the Compatibility Use Study committee.

Riverside County Habitat Conservation Agency (RCHCA) - None

Riverside County Transportation Commission (RCTC) - None

Riverside Transit Agency (RTA)

Council Member Marquez reminded everyone that the RTA would be closed on Memorial Day, May 31 and buses would not be operating. Regular bus service will resume on June 1.

Western Riverside Council of Governments (WRCOG) - None

Western Riverside County Regional Conservation Authority (RCA) - None

School District/City Joint Task Force - None

I.2. CITY MANAGER'S REPORT

(Informational Oral Presentation - not for Council action)

City Manager Lee clarified for the speaker that the City currently has a Fireworks Task Force and drones that would be canvassing the City for illegal fireworks. The City also needs the residents to help report any illegal firework activity to www.moval.org/fireworks or via the hotline (951) 247-8700 option 5.

CLOSING COMMENTS AND/OR REPORTS OF THE CITY COUNCIL, COMMUNITY SERVICES DISTRICT, CITY AS SUCCESSOR AGENCY FOR THE COMMUNITY REDEVELOPMENT AGENCY, HOUSING AUTHORITY, PUBLIC FINANCING AUTHORITY, AND THE BOARD OF LIBRARY TRUSTEES.

Council Member Marquez

1. Announced that the State of California would be opening on June 15.
2. Urged everyone to continue to wear a mask.
3. Announced the ribbon cutting for the Amphitheatre on June 24, 5:30 p.m.
4. Announced that Kaiser opened a vaccine center in the lower level of the Sears store at the Moreno Valley Mall.

Council Member Cabrera

1. Stated he would be in attendance at the Amphitheatre ribbon cutting on June 24th.
2. Stated that Legislators are working on the Governor's proposed budget to fund several new programs and grants.
3. Stated that he and Council Member Marquez have been working with Assembly Member Medina to get Caltrans to clean up the freeway.
4. Recapped the Community Day of Service and thanked everyone that organized the event, that attended, and Raising Canes for donating the lunch.
5. Stated he received the first dose of the Pfizer vaccine at the Moreno Valley Mall. He urged everyone to get the vaccine; appointments can be scheduled at myturn.ca.gov. If you need transportation, you can get a free lift from Uber or request a nurse to come to your house. He thanked Telemundo for inviting him to participate on a vaccine discussion panel last week.
6. Announced he attended the Vista Del Lago High School graduation last Thursday.
7. Stated he helped paint the M on the mountain with volunteers from the noon rotary and City staff. He thanked all that participated.
8. Announced that he and his fiancé are having a baby boy in October.

Mayor Pro Tem Baca

1. Encouraged everyone to get the vaccine. Stated she has received both doses and did not get any symptoms.
2. Urged everyone to continue to follow COVID safety protocols.
3. Announced that she was looking forward to the grand opening of the Amphitheatre, the 4th of July event, El Grito, and the concerts in the Park that will be held in the Amphitheatre.
4. Stated that the City was still working and holding meetings via zoom throughout the pandemic. Several general plan amendment meetings were held via zoom.

Mayor Gutierrez

1. Announced that this was the last zoom City Council meeting. On June 1 the City would be open and resume in person Council meetings.
2. Thanked all the residents and volunteers for the beautify Moval clean-up event, and the painting of the M on the mountain.
3. Invited everyone to view the Memorial Day Live Message on May 31, 2021.
4. Invited everyone to the Dr. Carla Thornton Teen Spot Youth Center grand

opening on Wednesday, June 9, 2021 at 2:00 p.m.

5. Stated that the City had many volunteer opportunities for those that were interested in giving back to their community.
6. Announced that Armed Forces Day was the previous week and thanked everyone that has served and is currently serving. Stated he serves on the California State Guard as a First Lieutenant Commissioned Officer as part of the California Military Department. He also wanted to recognize the City's peace officers for their service as well.
7. Announced that he had been working with the Public Safety Committee and the Sheriff's Department to bring to Council a new program called (CBAT) Community Behavioral Health Assessment Team. This team will be working with the homeless population to get them assistance.

ADJOURNMENT

There being no further business to come before the City Council, Mayor Gutierrez adjourned the meeting at 6:54 PM.

Report to City Council

TO: Mayor and City Council

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: PAYMENT REGISTER- APRIL 2021

RECOMMENDED ACTION

Recommendation:

1. Receive and file the Payment Register.

SUMMARY

The Payment Register is an important report providing transparency of financial transactions and payments for City activity for review by the City Council and the residents and businesses in Moreno Valley. The report is posted to the City's website as soon as it is available. The report is included in the City Council agenda as an additional means of distributing the report.

The payment register lists in alphabetical order all checks and wires in the amount of \$25,000 or greater, followed by a listing in alphabetical order of all checks and wires less than \$25,000. The payment register also includes the fiscal year-to-date (FYTD) amount paid to each vendor.

Report to City Council

TO:

FROM: Brian Mohan, Assistant City Manager
Steve Quintanilla, Interim City Attorney

AGENDA DATE: June 15, 2021

TITLE: COVID-19 PANDEMIC RESOLUTIONS EXTENDING THE LOCAL STATE OF EMERGENCY AND CERTAIN EMERGENCY MEASURES

RECOMMENDED ACTION

Recommendations:

That the City Council adopt a Resolution Extending the Local State of Emergency and Certain Emergency Measures related to the Local, State and National Declarations of a State of Emergency related to the COVID-19 Pandemic.

SUMMARY

The Disaster Council recommends that the City Council adopt the attached Resolution Extending the Local State of Emergency and Certain Emergency Measures related to the Local, State and National Declarations of a State of Emergency related to the COVID-19 Pandemic.

The City Council initially declared a Local State of Emergency at its March 17, 2020 meeting and closed all City facilities to the public to minimize and mitigate the spread of the COVID-19 coronavirus.

DISCUSSION

On March 17, 2020, the City Council declared a Local State of Emergency in response to the COVID-19 Pandemic, which prompted the Disaster Council to convene. The Disaster Council consists of the Mayor, City Manager/Director of Emergency Services and the Fire Chief. The Disaster Council's purpose is to develop and recommend for adoption by the City Council emergency plans, mutual aid plans, agreements,

ordinances, resolutions and any necessary rules and regulations to implement the aforementioned.

Since the commencement of the Local State of Emergency, the City Council adopted via various resolutions and/or orders certain “Emergency Measures” related to the following:

- Declaring and Subsequently Extending the Existence of a Local State of Emergency due to the COVID-19 Pandemic;
- Approving the Pandemic Influenza Preparedness Plan;
- Ratifying, Adopting and Approving the Amended Closure Plan Regarding its Termination Date;
- Directing the City Disaster Council and/or City Manager/Emergency Services Director to Seek, Apply for and Accept any Financial Assistance, Grants, Reimbursements the City is Eligible to Receive Under any State or Federal Programs, Agencies or Offices including but not limited to the Governor’s Office of Emergency Services, the United States Department of Health and Human Services; Centers for Disease Control and Prevention and/or the Federal Emergency Management Agency;
- Authorizing the City Manager/Emergency Services Director to Obtain Vital Supplies, Equipment and Property Found Lacking and Needed for the Protection of Life and Property During the Local State of Emergency;
- Waiving the City Manager’s/Emergency Services Director’s Level of Procurement Signature Authority to Mitigate or Prevent the Spread and Transmission of COVID-19;
- Authorizing the City Manager/Emergency Services Director to Suspend the Purchasing Procedures Set Forth in Chapter 3.12 of the Municipal Code Related to the COVID-19 Virus Pandemic Emergency;
- Authorizing the City Manager/Emergency Director to Take any Directly Related and Immediate Action Required by the COVID-19 Virus Pandemic Emergency and Procure the Necessary Public Works Construction Contracts for those Purposes, Without Giving Notice for Bids to Let Contracts;
- Granting Qualified Immunity to Certain Medical Professionals and Veterinarians or Registered Veterinary Technicians Who Render Services During the City’s Local State of Emergency at the Express or Implied Request of the City Disaster Council, City Manager/Emergency Services Director and/or City Council;
- Imposing a Moratorium on Late Fees Related to the Nonpayment of Rent Due to Inability to Pay Related to COVID-19;
- Approving Provisions to Permit Expanded Outdoor Dining for Local Restaurants and Streamlining the Temporary Use Permit (TUP) Process and Instituting a Fee Waiver to Temporarily Allow Existing Restaurants to Expand Outdoor Seating Capacity on Private Property in Order to Implement Proper Social Distancing Measures;

- Authorizing the Operation of the State of California's Great Plates Delivered Program, Locally Known as Senior Eats, Reimbursing Local Restaurants for the Delivery of Hot Meals to Seniors;
- Approving Provisions to Allow for Temporary Outdoor Business Operations and Streamlining the Temporary Use Permit (TUP) process and Instituting a Fee Waiver to Temporarily Allow Existing Businesses to Conduct Outdoor Business Operations on Private Property in Order to Implement Proper Social Distancing Measures; and
- Adopting a Declaration of a Fiscal Emergency.

It is important to note that all of the above Emergency Measures are temporary. Each are set to terminate at such time that the Governor's State of Emergency is terminated by a subsequent proclamation of the Governor, a concurrent resolution of the State Legislature, or adoption of or change in previous State legislation, State Commission, CPUC, or other State Board that conflicts with any local Council approved resolutions, and the emergency measures are terminated by the City Council. Notwithstanding the foregoing, and in order to prevent inconsistencies, the Disaster Council or the City Council may suspend the effectiveness of any of the Emergency Measures in the event the President of the United States, the United States Congress, the Governor of the State of California, the California State Legislature or the Public Health Officer of the County of Riverside adopts legislation, a law, a regulation or order that supersedes any given Emergency Measure.

Notwithstanding the above, under the California Emergency Services Act, the City Council must review the need for continuing the existence of the Local State of Emergency at least once every 60 days until the City Council terminates the Local State of Emergency. Pursuant to the California Emergency Services Act, the City Council must terminate the Local State of Emergency at the earliest possible day that the conditions warrant.

RESOLUTION EXTENDING LOCAL EMERGENCY AND EMERGENCY MEASURES

In light of the foregoing, the Disaster Council recommends that the City Council adopt the attached Resolution that:

- Extends Declaration of the Existence of a Local State of Emergency due to the COVID-19 Pandemic;
- Reaffirms the Approval the Pandemic Influenza Preparedness Plan;
- Continues Directing the City Disaster Council and/or City Manager/Emergency Services Director to Seek, Apply for and Accept any Financial Assistance, Grants, Reimbursements the City is Eligible to Receive Under any State or Federal Programs, Agencies or Offices including but not limited to the Governor's Office of Emergency Services, the United States Department of Health and Human Services; Centers for Disease Control and Prevention and/or the Federal Emergency Management Agency;

- Continues to Authorize the City Manager/Emergency Services Director to Obtain Vital Supplies, Equipment and Property Found Lacking and Needed for the Protection of Life and Property During the Local State of Emergency;
- Continues to Waive the City Manager's/Emergency Services Director's Level of Procurement Signature Authority to Mitigate or Prevent the Spread and Transmission of COVID-19;
- Extends the Authorization of the City Manager/Emergency Services Director to Suspend the Purchasing Procedures Set Forth in Chapter 3.12 of the Municipal Code Related to the COVID-19 Virus Pandemic Emergency;
- Extends the Authorization of the City Manager/Emergency Director to Take any Directly Related and Immediate Action Required by the COVID-19 Virus Pandemic Emergency and Procure the Necessary Public Works Construction Contracts for those Purposes, Without Giving Notice for Bids to Let Contracts;
- Extends Granting Qualified Immunity to Certain Medical Professionals and Veterinarians or Registered Veterinary Technicians Who Render Services During the City's Local State of Emergency at the Express or Implied Request of the City Disaster Council, City Manager/Emergency Services Director and/or City Council;
- Continues Imposing a Moratorium on Late Fees Related to the Nonpayment of Rent Due to Inability to Pay Related to COVID-19;
- Extending the Provisions to Permit Expanded Outdoor Dining for Local Restaurants and Streamlining the Temporary Use Permit (TUP) Process and Instituting a Fee Waiver to Temporarily Allow Existing Restaurants to Expand Outdoor Seating Capacity on Private Property in Order to Implement Proper Social Distancing Measures;
- Continues Authorizing the Operation of the State of California's Great Plates Delivered Program, Locally Known as Senior Eats, Reimbursing Local Restaurants for the Delivery of Hot Meals to Seniors;
- Extending the Provisions to Allow for Temporary Outdoor Business Operations and Streamlining the Temporary Use Permit (TUP) process and Instituting a Fee Waiver to Temporarily Allow Existing Businesses to Conduct Outdoor Business Operations on Private Property in Order to Implement Proper Social Distancing Measures; and
- Extending and Reaffirming the Declaration of a Fiscal Emergency.

Upon adoption of the attached Resolution, all of the above Emergency Measures will remain in full force and effect until such time that the Governor's State of Emergency is lifted either by the Governor, a joint resolution of the State Legislature, or adoption of or change in previous State legislation, State Commission, CPUC, or other State Board that conflicts with any local Council approved resolutions, and terminated by the City Council, which pursuant to the California Services Act, the City Council is obligated to terminate at the earliest possible day that the conditions warrant.

Extending the Existence of a Local Emergency due to the COVID-19 Pandemic

Under a prior order of the City Council, the City Manager/Emergency Services Director was directed to provide an update to the City Council every 60 days to determine whether the Local State of Emergency needs to remain in effect.

The Disaster Council has determined there remains a need to continue (extend) the City Council's declaration of the existence of a Local State of Emergency due to the ongoing nature of the COVID-19 Pandemic, which continues to endanger the health and welfare of the residents and visitors of the City of Moreno Valley, as reflected in the guidance and related findings published by Riverside County Public Health Officer, the Governor's Office, the California Department of Public Health, the Centers of Disease Control and Prevention and the World Health Organization.

Pandemic Influenza Preparedness Plan

The Pandemic Influenza Preparedness Plan which was prepared under the direction and oversight of the Disaster Council, serves as the City's "Emergency Operations Plan." Pursuant to the Municipal Code, the Disaster Council is responsible for the development and maintenance of the City's Emergency Operations Plan, which must provide for the effective mobilization of all of the resources of the City, both public and private, to meet any conditions which may arise during the Local State of Emergency. It also provides for the organization, powers and duties and services of certain City employees, who all became "Disaster Workers" upon the adoption the Declaration of the Local State of Emergency. As Disaster Workers, some City employees may be assigned duties outside the scope of their regular job duties. The Plan also addresses issues such as telecommuting and financial tracking of emergency expenditures for purposes of qualifying for emergency assistance from Governor's Operations of Emergency Services and/or FEMA.

Closure Plan

Under the direction and oversight of the Disaster Council, a "Closure Plan" was developed which identifies which City facilities would either be closed during certain times and on certain days. The Closure Plan also identifies any adjustment in the hours of operation related to providing certain services to the public, such as those provided through the City's Libraries, Parks & Community Services, Employment Resource Center, Animal Services, etc.

Waiving Limitation on City Manager's Purchasing Authority

Currently, the City Manager/Emergency Services Director has the discretion to purchase and procure certain materials, equipment, supplies and services, provided that no single transaction exceeds \$50,000 or \$75,000 for public works contracts. This emergency measure waives these dollar limitations only for those purchases and procurement of materials, equipment, supplies and services which are related to mitigating or preventing the spread and transmission of COVID-19. This emergency measure also ratified any and all purchases of equipment, supplies and other materials in response to the arrival of 195 individuals who may have been exposed to COVID-19

at March Air Reserve Base on or about January 29, 2020, and who were subjected to a mandatory 14-Day federal COVID-19 quarantine at the Base, without prior sufficient notice being provided to the City first

Suspending Purchasing Procedures

This Emergency Measure authorizes the City Manager/Emergency Services Director to suspend the purchasing procedures set forth in Chapter 3.12 "Purchasing" of the Municipal Code to procure the necessary equipment, services, and supplies in order to respond immediately and effectively to the COVID-19 Virus Pandemic Emergency. Suspension of the purchasing procedures essentially authorizes the City Manager/Emergency Services Director to approve the direct purchase of any supplies, materials, equipment or contractual services where immediate procurement is essential to prevent delays which may otherwise hinder the City's efforts to implement programs and provide services intended to prevent or mitigate the risk of spreading and transmitting COVID-19. This also allows the City Manager/Emergency Services Director to suspend any requirements for preparing and publishing "Notices Inviting Bids," soliciting prospective vendors and consultants via "Requests for Proposals" (RFPs) or "Request for Quotes," awarding a contract or purchase to the "Lowest Responsible Bidder," requiring "Bidder's Security," and implementing "Protest Procedures."

Suspending Public Contract Bidding Requirements

This Emergency Measure allows for a temporary suspension of the competitive bidding process associated with public works contracts. Under the State's Public Contract Code, such a temporary suspension is permitted during a State of Emergency. Basically, this authorizes the City Manager/Emergency Services Director to cause the repair or replacement of any public facility directly related to the COVID-19 Virus Pandemic Emergency, which requires immediate action without having to give notice for bids to let contracts as otherwise required under the Public Contract Code.

Obtaining Vital Supplies, Equipment and Property

This Emergency Measure authorizes the City Manager/Emergency Services Director or designee, for the duration of the Local State Emergency, to obtain vital supplies, equipment and property identified as lacking and necessary for the protection of life and property and to bind the City for the fair value thereof.

Application & Acceptance of State & Federal Emergency Aid

FEMA has announced that certain emergency protective measures taken by cities to respond to the COVID-19 emergency may be eligible for reimbursement. In addition, there may also be some emergency funding made available by the Health and Human Services or the Centers for Disease Control and Prevention for certain emergency protective measures, the City may implement. Such funding may be made available for costs associated with management, control and reduction of immediate threats to public health and safety, such as Emergency Operation Center costs, training specific to the

declared event and disinfection of eligible public facilities, medical facility services and supplies, temporary medical facilities and/or enhanced medical/hospital capacity, use of specialized medical equipment, medical waste disposal, emergency medical transport, medical sheltering, etc. Moreover, it is expected that under the California Disaster Assistance Act, the State may be providing financial assistance for local costs such as, but not limited to, personnel costs, equipment costs, and the cost of supplies and materials used during disaster response activities; matching fund assistance for cost sharing required under federal disaster assistance programs; and indirect administrative costs and any other assistance deemed necessary by the Director of the Office of Emergency Services.

Moratorium on Late Fees Related to the Nonpayment of Rent

This Emergency Measure prevents a landlord from evicting a tenant for nonpayment of rent if the tenant demonstrates that the tenant is unable to pay rent due to financial impacts related to COVID-19. In addition, a landlord may not charge or collect any interest or any late fee for rent that is delayed due to the nonpayment of rent caused by the COVID-19 Pandemic. This shall not, however, relieve a tenant of liability for the unpaid rent, and no other legal remedies available to the landlord are affected by this Emergency Measure. This Emergency Measure also does not prevent a landlord from evicting a tenant who failed to pay rent when due prior to the Governor's Proclamation of a State of Emergency on March 4, 2020 or for any other lease violation not related or caused by the COVID-19 Pandemic.

Granting Qualified Immunity to Medical Professionals and Veterinarians

This Emergency Measure authorizes the City Manager/Emergency Services Director, for the duration of the Local State of Emergency, to request, expressly or impliedly, the services of certain medical professionals and facilities for purposes related to the Local State of Emergency. This applies to the services provided by any physician or surgeon (whether licensed in California or any other state), hospital, pharmacist, respiratory care practitioner, nurse, or dentist for purposes related to the COVID-19. Pursuant to the California Emergency Services Act, any physician or surgeon (whether licensed in California or any other state), hospital, pharmacist, respiratory care practitioner, nurse, or dentist who renders services during the Local State of Emergency at the express or implied request of the City Disaster Council, City Manager/Emergency Services Director and/or City Council shall have no liability for any injury sustained by any person by reason of such services, regardless of how or under what circumstances or by what cause those injuries are sustained; provided, however, that the immunity herein granted shall not apply in the event of a willful act or omission.

This Emergency Measure also applies to any veterinarian or registered veterinary technician who renders services during the Local State of Emergency at the express or implied request of the City Disaster Council, City Manager/Emergency Services Director and/or City Council. They too shall have no liability for any injury sustained by any animal by reason of those services, regardless of how or under what circumstances or

by what cause those injuries are sustained; provided, however, that the immunity herein granted shall not apply in the event of a willful act or omission.

Providing For Expanded Restaurant Outdoor Seating

This Resolution continues to authorize the City Manager or designee to maintain the streamlined Temporary Use Permit (TUP) process and fee waiver to temporarily allow existing restaurants within the City to expand outdoor seating capacity on private property in order to implement proper social distancing measures. In association with this plan to facilitate operations for existing City restaurant businesses, staff has developed a checklist that provides applicants with a clear and simple understanding of the associated requirements. An over-the-counter approval process has also been made available.

Providing For Temporary Outdoor Business Operations

This Resolution also continues to authorize the City Manager to maintain the streamlined Temporary Use Permit (TUP) process and fee waiver to temporarily allow existing businesses to conduct outdoor operations within the City on private property in order to implement proper social distancing measures in accordance with applicable State guidelines. In association with this plan to facilitate operations for existing City businesses, staff developed a checklist that provides applicants a clear and simple understanding of the associated requirements. An over-the-counter approval process is also available.

Continuing the Declaration of a Fiscal Emergency

It is difficult to predict with certainty the ultimate reduction in General Fund revenues caused by the COVID-19 Pandemic but the impact has been and likely will continue to be significant. Although the City has taken immediate actions to balance the budget for the best case scenario of a \$9.9 million shortfall in FY 2020/21, due to the ongoing impacts of the Governor's Executive Orders and the potential for additional State takeaways from local government in future State budget revisions or other actions, along with not receiving any financial support from either the State or the Federal Government, this situation may continue to create a severe economic crisis at the federal, state and local levels.

Continuing the Declaration of a Fiscal Emergency as a result of COVID-19 provides, in part, for the City Manager/Emergency Services Director to investigate and recommend further actions to mitigate the fiscal impact to the City's 2020/21 and 2021/22 Fiscal Year Budgets, including such measures relating to personnel costs, operations, reduction in service levels, or other measures deemed necessary and reasonable to minimize the accelerated and significant reduction to the General Fund budget and reserves.

The decision to declare a Fiscal Emergency was not made lightly. The City's immediate and significant loss of revenue due to COVID-19 is unprecedented and represents a

sudden change of circumstances beyond the City's control and will ultimately draw down its General Fund reserves beyond a traditionally recommended level. Unlike the Great Recession of 2008-2011, where the City had an opportunity to implement cost saving measures over a longer period of time, the COVID-19 Local State of Emergency is immediate, severe and is highly likely going to extend through the next few fiscal years.

ALTERNATIVES

1. Adopt the recommended actions set forth within the staff report. This would allow the City Manager/Emergency Services Director to respond in a timely manner in time sensitive situations where delays may frustrate or impede the City's emergency efforts to abate or mitigate the spread and transmission of COVID-19.
2. Reject the recommended actions set forth within the staff report, which would impact the City's ability to respond in a timely manner in time sensitive situations where delays may frustrate or impede on the City's emergency efforts to abate or mitigate the spread and transmission of COVID-19 in a timely manner.

FISCAL IMPACT

See above discussion regarding Resolution Declaring Fiscal Emergency.

RESOLUTION NO. 2021-____

**A RESOLUTION OF THE CITY COUNCIL
OF THE CITY OF MORENO VALLEY, CALIFORNIA,
EXTENDING THE LOCAL STATE OF EMERGENCY AND CERTAIN EMERGENCY
MEASURES RELATED TO THE LOCAL, STATE AND NATIONAL DECLARATIONS
OF A STATE OF EMERGENCY RELATED TO THE COVID-19 PANDEMIC
AND EXTENDING THE DECLARATION OF A FISCAL EMERGENCY**

WHEREAS, on March 4, 2020, the Governor of the State of California proclaimed a State of Emergency to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19; and

WHEREAS, on March 7, 2020, Riverside County Public Health Officer Dr. Cameron Kaiser declared a Local Health Emergency; and

WHEREAS, on March 10, 2020, the Riverside County Board of Supervisors ratified the Local Health Emergency and activated the Medical Health Department Operations Center to better coordinate public messaging and planning among community partners as Riverside County officials prepare for the spread of COVID-19; and

WHEREAS, on March 11, 2020, the California Department of Public Health issued guidance that in order to protect public health and slow the rate of transmission of COVID-19, by recommending placing restrictions on gatherings of people and minimum social distancing of six feet; and

WHEREAS, on March 12, 2020, the Governor of the State of California issued Executive Order N-25-20 providing that all residents are to heed any orders and guidance of state and local public health officials, including but not limited to the imposition of social distancing measures, to control the spread of COVID-19 and that authorized local legislative bodies to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to attend and to address the local legislative body, during the period in which local public officials impose or recommend measures to promote social distancing, including but not limited to limitations on public events; and

WHEREAS, on March 13, 2020, the President of the United States of America proclaimed and declared a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak and announced that the federal government would make emergency funding available to assist state and local governments in preventing the spread of and addressing the effects of COVID-19; and

WHEREAS, on March 17, 2020, the Governor issued Executive Order N-33-20 ordering that to protect public health, that all individuals living in the State of California stay home or at their place of residence (“Shelter in Place”) except as needed to maintain continuity of operations of the federal critical infrastructure sectors, as outlined at

<https://www.cisa.gov/critical-infrastructure-sectors>; and

WHEREAS, on March 17, 2020, the City Council declared a Local State of Emergency in response to the COVID-19 Pandemic, which prompted the Disaster Council to convene; and

WHEREAS, the Disaster Council consists of the Mayor, City Manager/Director of Emergency Services and the Fire Chief; and

WHEREAS, the Disaster Council's purpose is to develop and recommend for adoption by the City Council emergency plans, mutual aid plans, agreements, ordinances, resolutions and any necessary rules and regulations to implement the aforementioned; and

WHEREAS, since the commencement of the Local State of Emergency, the City Council adopted various temporary emergency measures related to the Local State of Emergency; and

WHEREAS, each of the temporary emergency measures were set to terminate at such time that the Governor's State of Emergency is terminated by a subsequent proclamation of the Governor or a concurrent resolution of the State Legislature, unless the emergency measures are terminated earlier by the City Council, but notwithstanding the foregoing, and in order to prevent inconsistencies, the Disaster Council or the City Council may suspend the effectiveness of any of the emergency measures in the event that the President of the United States, the United States Congress, the Governor of the State of California, the California State Legislature or the Public Health Officer of the County of Riverside adopts legislation, a law, a regulation or order that supersedes any given emergency measure; and

WHEREAS, notwithstanding the above, under the California Emergency Services Act, the City Council must review the need for continuing the existence of the Local State of Emergency at least once every 60 days until the City Council terminates the Local State of Emergency, and pursuant to the California Emergency Services Act, the City Council must terminate the Local State of Emergency at the earliest possible day that the conditions warrant; and

WHEREAS, the Disaster Council has determined there remains a need to continue (extend) the City Council's declaration of the existence of a Local State of Emergency due to the COVID-19 Virus Pandemic, which continues to endanger the health and welfare of the residents and visitors of the City of Moreno Valley, as reflected in the guidance and related findings published by Riverside County Public Health Officer, the Governor's Office, the California Department of Public Health, the Centers of Disease Control and Prevention and the World Health Organization; and

WHEREAS, on June 2, 2020, at a duly noticed regular meeting of the City Council, the City Council adopted Resolution No. 2020-41 extending certain g emergency

measures, as described in their respective adopting resolutions, until such time that the Governor's State of Emergency is lifted either by the Governor or a joint resolution of the State Legislature, unless terminated earlier by the City Council, which pursuant to the California Services Act, the City Council is obligated to terminate at the earliest possible day that the conditions warrant; and

WHEREAS, on June 2, 2020, at a duly noticed regular meeting of the City Council, the City Council adopted Resolution No. 2020-42, an emergency measure authorizing the City Manager/Emergency Director to set forth a streamlined Temporary Use Permit Process and fee waiver to temporarily allow existing restaurants to expand outdoor seating capacity in order to provide social distancing measures during the COVID-19 Pandemic; and

WHEREAS, on June 2, 2020, at a duly noticed regular meeting of the City Council, the City Council adopted Resolution No. 2020-43, unanimously determining and declaring the existence of a Fiscal Emergency within the City of Moreno Valley for the purpose of providing the City with the rights and authorities granted to the City Council, without limitation, under Article XIII C, section 2(b) of the California Constitution and Government Code section 3504.5, to ensure that the City has the resources and opportunities available to it that are necessary to preserve and protect public health, safety and welfare for the benefit of the City's residents, business owners, and visiting public; and

WHEREAS, on September 1, 2020, at a duly noticed regular meeting of the City Council, the City Council adopted Resolution No. 2020-61, an emergency measure authorizing the City Manager/Emergency Director to set forth a streamlined Temporary Use Permit Process and fee waiver to temporarily allow existing business operations to conduct outdoor use on private property in order to implement social distancing measures during the COVID-19 Pandemic; and

WHEREAS, on January 31, 2021, the Governor of the State of California signed Senate Bill 91, which extends the moratorium against evictions to June 30, 2021, extends the protections of "no cause" evictions, and makes financial assistance available to financially distressed qualifying landlords and tenants; and

WHEREAS, on February 11, 2021, the California Public Utilities Commission extended the customer protections that had been previously adopted, and directed energy, water and communications under CPUC jurisdiction to suspend customer disconnections for non-payments to June 30, 2021; and

WHEREAS in light of the foregoing, the Disaster Council recommends that the City Council adopt the another Resolution that extends the existence of a Local State of Emergency due to the COVID-19 Pandemic and extends certain emergency measures, and affirms the need to maintain the state of a Fiscal Emergency, previously adopted by the City Council pursuant to the findings set forth in the recitals contained and set forth in the resolutions adopting said emergency measures.

WHEREAS, the County of Riverside now aligns itself with the State's Orders as they now exist or may be issued or amended in the future.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY HERBY FINDS, ORDERS AND RESOLVES:

1. THAT the following Emergency Measures shall be extended and remain in full force and effect, as set forth below and described in their respective adopting resolutions, until such time that the Governor's State of Emergency is lifted either by the Governor, a joint resolution of the State Legislature, or adoption of or change in previous State legislation, State Commission, CPUC, or other State Board that conflicts with any local Council approved resolutions, and terminated by the City Council, which pursuant to the California Services Act, the City Council is obligated to terminate at the earliest possible day that the conditions warrant.
 - a. Declaration of the Existence of a Local State of Emergency due to the COVID-19 Pandemic;
 - b. Approval of the Pandemic Influenza Preparedness Plan;
 - c. Terminate Council approved Resolution 2020-17 Ratification, Adoption and Approval the Amended Closure Plan Regarding its Termination Date, effective June 1, 2021;
 - d. Directing the City Disaster Council and/or City Manager/Emergency Services Director to Seek, Apply for and Accept any Financial Assistance, Grants, Reimbursements the City is Eligible to Receive Under any State or Federal Programs, Agencies or Offices including but not limited to the Governor's Office of Emergency Services, the United States Department of Health and Human Services; Centers for Disease Control and Prevention and/or the Federal Emergency Management Agency;
 - e. Authorizing the City Manager/Emergency Services Director to Obtain Vital Supplies, Equipment and Property Found Lacking and Needed for the Protection of Life and Property During the Local State of Emergency;
 - f. Waiving the City Manager's/Emergency Services Director's Level of Procurement Signature Authority to Mitigate or Prevent the Spread and Transmission of COVID-19;
 - g. Authorizing the City Manager/Emergency Services Director to Suspend the Purchasing Procedures Set Forth in Chapter 3.12 of the Municipal Code Related to the COVID-19 Virus Pandemic Emergency;
 - h. Authorizing the City Manager/Emergency Director to Take any Directly Related and Immediate Action Required by the COVID-19 Virus Pandemic Emergency and Procure the Necessary Public Works Construction Contracts for those Purposes, Without Giving Notice for Bids to Let Contracts;

- i. Granting Qualified Immunity to Certain Medical Professionals and Veterinarians or Registered Veterinary Technicians Who Render Services During the City's Local State of Emergency at the Express or Implied Request of the City Disaster Council, City Manager/Emergency Services Director and/or City Council;
 - j. Imposing a Moratorium on Late Fees Related to the Nonpayment of Rent Due to Inability to Pay Related to COVID-19;
 - k. Maintaining Provisions to Permit Expanded Outdoor Dining for Local Restaurants and Streamlining the Temporary Use Permit (TUP) Process and Instituting a Fee Waiver to Temporarily Allow Existing Restaurants to Expand Outdoor Seating Capacity on Private Property in Order to Implement Proper Social Distancing Measures;
 - l. Authorizing the Operation of the State of California's Great Plates Delivered Program, Locally Known as Senior Eats, Reimbursing Local Restaurants for the Delivery of Hot Meals to Seniors;
 - m. Maintaining Provisions to Permit Temporary Outdoor Business Operations and Streamlining the Temporary Use Permit (TUP) process and Instituting a Fee Waiver to Temporarily Allow Existing Businesses to Conduct Outdoor Business Operations on Private Property in Order to Implement Proper Social Distancing Measures; and
 - n. Reaffirming the Declaration of a Fiscal Emergency.
2. THAT the economic downturn due to the impact of COVID-19 continues to create an unforeseen situation that poses a threat to the public health, safety and welfare which continues the need for immediate action since there continues to be substantial uncertainty as to whether the City's revenues in the next two years will be sufficient to cover the expenditures necessary to provide a service level consistent with public health and safety demands and expectations of the residents and businesses of the City of Moreno Valley, for the reasons set forth in Resolution No. 2020 - 43; and
 3. THAT in light of the foregoing and the fact that the City's need for additional revenue is immediate and will likely continue for the remainder of this Fiscal Year 2020 and well into Fiscal Year 2021, the extension of the Declaration of Fiscal Emergency is necessary to ensure the City has the resources and opportunities necessary to preserve and protect public health, safety and welfare; and
 4. THAT the City Council has determined that the purpose of adopting and implementing the above Emergency Measures to mitigate and/or abate the transmission of COVID-19, is to prevent harm to those who may violate any of the aforementioned Emergency Measures since any such violations may result in exposure to the COVID-19 which may lead to illness and death to the violator and those in the presence of the violator since there is no effective cure available; and
 5. THAT the City Council has determined that the purpose of adopting and implementing and extending the aforementioned Emergency Measures,

including extending the declaration of Fiscal Emergency, is to mitigate and/or abate the spread and transmission of COVID-19.; and

- 6. THAT a violation of any of the aforementioned Emergency Measures by any member of the public shall be subject to any and all other remedies, civil, equitable or criminal, afforded to the City under any City, County, State and Federal laws or regulations; and
- 7. THAT any section, subdivision, subsection, sentence, clause, or phrase in this Resolution or its application to any person or circumstances, is for any reason held invalid, the validity of the remainder of this Resolution, or the application of such provision contained therein to other persons or circumstances, shall not be affected thereby; and
- 8. THAT the City Council hereby declares that it would have adopted this Resolution and each section, subdivision, subsection, sentence, clause, or phrase thereof, irrespective of the fact that one or more sections, subdivisions, subsections, sentences, clauses, or phrases, or the application thereof to any person or circumstance, be held invalid; and
- 9. THAT notwithstanding the foregoing, and in order to prevent inconsistencies, the City Council, Disaster Council or City Manager/Emergency Services Director may suspend the effectiveness of this Resolution in the event that the President of the United States, the United States Congress, the Governor of the State of California, the California State Legislature or the Public Health Officer of the County of Riverside adopts legislation, a law, a regulation or order that supersedes this Resolution.

APPROVED AND ADOPTED this 15th day of June, 2021

Mayor of the City of Moreno Valley

APPROVED AS TO FORM

City Clerk

Interim City Attorney

Resolution No. 2021-
Date Adopted: June 15, 2021

Report to City Council

TO: Mayor and City Council

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: ADOPT A RESOLUTION TO APPROVE A JOINT COMMUNITY FACILITIES AGREEMENT BY AND AMONG VAL VERDE UNIFIED SCHOOL DISTRICT, THE CITY OF MORENO VALLEY, AND PASSCO PACIFICA LLC RELATING TO VAL VERDE UNIFIED SCHOOL DISTRICT COMMUNITY FACILITIES DISTRICT NO. 2021-1 (RESO. NO. 2021-__)

RECOMMENDED ACTION

Recommendation:

Adopt Resolution No. 2021-____, a Resolution Approving the Joint Community Facilities Agreement between the Val Verde Unified School District, City of Moreno Valley and Passco Pacifica LLC, in substantially the form attached hereto with modifications subject to City Attorney approval, and authorize the City Manager to execute the Agreement and related documents.

SUMMARY

This report recommends adopting a Resolution, which approves a Joint Community Facilities Agreement (JCFA) (Attachment 1). The JCFA is for the Val Verde Unified School District (VVUSD) Community Facilities District (CFD) 2021-1 and is between the City, VVUSD and Passco Pacifica LLC (“Developer”). This action will allow the Developer to finance the City’s Development Impact Fees (DIF) with bonds issued by VVUSD, acting as the legislative body of CFD 2021-1.

Acting on behalf of the CFD, VVUSD is responsible for formation and annual administration activities related to the District. The City is not a party to or liable for CFD 2021-1 or the debt issued by VVUSD. The City’s role is limited to agreeing to allow the financing of certain DIF with bond proceeds and managing the activities related to implementation of the JCFA and compliance with its terms.

DISCUSSION

The Developer plans to construct 81 single-family residential lots as part of Tract 37909. Tract 37909 is located south of Iris Ave., east of Perris Blvd. A boundary map is included as Attachment 2. As part of the project's development requirements, the Developer is required to pay DIF, which will be used to construct public facilities impacted by the development project.

At the request of the Developer and pursuant to the Mello-Roos Community Facilities Act of 1982 (the "Act"), the VVUSD is forming CFD 2021-1, which includes those parcels of Tract 37909. Formation of the CFD allows the Developer to finance certain public infrastructure improvements with the issuance of tax-exempt bonds. Tax-exempt bonds typically have lower interest rates than the rates associated with conventional financing methods and therefore, are a preferred financing method of the development community. Because DIF is used to construct public facilities, it is eligible to be funded by bond proceeds.

The Act requires approval of a JCFA if the financed improvements (i.e. DIF) will be owned and operated by an agency (i.e. City) other than the agency forming the CFD. The JCFA, attached to the Resolution, identifies which DIF categories can be financed through the CFD and includes an administrative fee to cover City costs related to implementation of and compliance with the JCFA.

The future bonds will be issued by VVUSD and secured by a special tax, which will be levied on the property tax bill of the properties included within the CFD for the term of the bonds (typically 25-30 years). With the special tax, the property tax rate of properties within the CFD is projected to be an average of 1.84% of the property value at the time the homes are originally sold. The average property tax rate for other new home developments within the City ranges from 1.95%-2.00%.

The City's Special District Financing Policy ("Policy") limits the property tax rate to 1.75% when the City, acting as the legislative body of a district, issues the bonds. However, the Policy is silent on the property tax rate when the City is not the legislative body of a CFD but rather a party to a JCFA.

As the legislative body of the CFD, VVUSD will be responsible for formation of the CFD, bond issuance and compliance, annual administration, levy of the special tax levy on the property tax roll of those parcels in the CFD, and responding to customer inquiries. The City will have no responsibility for the CFD other than to ensure DIF paid with bond proceeds is used in compliance with the JCFA and the Act.

This action meets the Strategic Plan Priorities by providing the financial resources to manage and maximize Moreno Valley's public infrastructure to ensure an excellent quality of life.

ALTERNATIVES

1. Adopt the Resolution and related actions as recommended herein. *Staff recommends this alternative to facilitate development of the property.*
2. Do not adopt the Resolution. *Staff does not recommend this alternative since it will not facilitate development of the property.*

FISCAL IMPACT

There is no fiscal impact to the City. City costs associated with preparation of the staff report and review of the JCFA are being funded by the Developer. The Developer will also pay an administration fee at the time of payment of the financed DIF to cover expenses related to administration of and compliance with the terms of the JCFA. The City is not party to nor liable for the formation or administration of the CFD or any bond issuance related to the CFD.

RESOLUTION NO. 2021-____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY APPROVING A JOINT COMMUNITY FACILITIES AGREEMENT WITH VAL VERDE UNIFIED SCHOOL DISTRICT FOR VAL VERDE UNIFIED SCHOOL DISTRICT COMMUNITY FACILITIES DISTRICT NO. 2021-1 (PASSCO PACIFICA LLC)

WHEREAS, the Governing Board of Val Verde Unified School District (the "School District") is forming Val Verde Unified School District Community Facilities District No. 2021-1 (Passco Pacifica LLC) (the "CFD") pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California (the "Act") for the primary purpose of financing school facilities; and

WHEREAS, pursuant to Section 53316.2 of the Act, a community facilities district is authorized to finance facilities to be owned or operated by an entity other than the agency that created the community facilities district pursuant to a joint community facilities agreement; and

WHEREAS, the Governing Board of the School District and Passco Pacifica LLC, a Delaware limited liability company (the "Property Owner"), the owner of the taxable property within the CFD, are considering the use of the CFD to finance various public facilities that will be constructed by the City and owned and operated by the City of Moreno Valley (the "City") and have requested the City to enter into a joint community facilities agreement that would permit the CFD to finance such facilities, the form of which is on file with the Secretary of this City Council and which is attached hereto as Exhibit A and incorporated herein by this reference (the "Joint Community Facilities Agreement");

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, DOES HEREBY RESOLVE AS FOLLOWS:

1. Recitals. The above recitals are all true and correct and are herein incorporated.
2. Joint Community Facilities Agreement Approved. Pursuant to Section 53316.2 of the Act, this City Council hereby approves the Joint Community Facilities Agreement substantially in the form as Exhibit A and on file with the City Clerk and determines that the Joint Community Facilities Agreement will be beneficial to the residents of the territory included within the jurisdictional boundaries of the CFD. The City Manager or the Mayor and the City Clerk are hereby authorized and directed to execute and deliver the Joint Community Facilities Agreement in said form with such changes, insertions and omissions as may be approved by the officer or officers executing such agreement, said execution and delivery being conclusive evidence of such approval.

Attachment: Resolution Approving JCFA (4443 : ADOPT A RESOLUTION TO APPROVE A JOINT COMMUNITY FACILITIES AGREEMENT BY

Exhibit A

JOINT COMMUNITY FACILITIES AGREEMENT

relating to

Val Verde Unified School District Community Facilities District No. 2021-1

by and among

Val Verde Unified School District, City of Moreno Valley and
Passco Pacifica LLC

THIS JOINT COMMUNITY FACILITIES AGREEMENT (the “**Agreement**”) is entered into effective as of the ___ day of _____, 2021, by and among VAL VERDE UNIFIED SCHOOL DISTRICT, a California school district (“**School District**”), the CITY OF MORENO VALLEY, a California general law city (the “**City**”) and PASSCO PACIFICA LLC, a Delaware limited liability company (“**Property Owner**”). This Agreement relates to the formation by the School District of a community facilities district known as “Val Verde Unified School District Community Facilities District No. 2021-1” (the “**CFD**”), for the purpose of financing certain City improvements and certain fees incurred as a consequence of the development within the CFD to be used by the City to construct facilities to be owned and operated by the City from the proceeds of special taxes of, and bonds issued by, the proposed CFD.

RECITALS:

A. The property is within Tentative Tract No. 37909 and is depicted in Exhibit “A” and described in Exhibit “B” hereto (the “**Property**”), which is located in the City of Moreno Valley, County of Riverside, State of California, and constitutes the land within the boundaries of the CFD.

B. Property Owner owns the Property and intends to develop the Property for residential purposes.

C. Property Owner petitioned the School District to form the CFD for the purpose of financing, among other things, the construction of various public facilities to be owned and operated by the City as described in Exhibit “C” hereto, which facilities will benefit the Property in whole or in part, including certain public facilities to be constructed, owned and operated by the City (the “**City Fee Facilities**”) in lieu of the payment of City Fees (defined below).

D. Property Owner has yet to determine whether it will finance any or all of the City Fee Facilities, in lieu of payment of City Fees, with Bond Proceeds (defined below) that are available for such purpose. The Parties (defined below) hereto acknowledge that the purpose of this Agreement is to satisfy the requirements of the Act (defined below).

E. In conjunction with the issuance of building permits for the construction of homes within the Property and/or receipt of final inspections or occupancy certificates for such homes, the Property Owner, or its successors or assigns, may elect to advance City Fee Facilities costs in lieu of payment of City Fees (the “**Advance(s)**”) at such times as Bond Proceeds are not available

Attachment: Resolution Approving JCFA (4443 : ADOPT A RESOLUTION TO APPROVE A JOINT COMMUNITY FACILITIES AGREEMENT BY

in sufficient amounts to pay for City Fee Facilities. In such case, the Property Owner shall be entitled to (i) reimbursement of such Advances limited to Bond Proceeds available to the City, if any (the Advances being considered an interest free loan by the Property Owner with no repayment obligation except to the extent there are Bond Proceeds received by or made available to the City as described herein, all as further described in Section 5(a) below) and (ii) credit for payments made to the City from Bond Proceeds against City Fees which would otherwise be due to the City with respect to the Property for which such transfer was made equal to the amount of Bond Proceeds disbursed to the City or at the direction of the City for City Fee Facilities, all as further described herein.

F. In addition to paying City Fees or Advances, the Property Owner shall pay an administrative fee to defray the costs to the City to administer this Agreement and ensure compliance with the terms of this Agreement;

G. In addition to the City Fee Facilities, certain facilities to be owned and operated by the School District (the “**School Facilities**”) and certain facilities to be owned and operated by Eastern Municipal Water District (“**EMWD**”) are also expected to be funded from Bond Proceeds.

H. The School District has sole discretion and responsibility for the formation and administration of the CFD.

I. The School District is authorized by Section 53313.5 of the Act to assist in the financing of the acquisition and/or construction of the City Fee Facilities. This Agreement constitutes a joint community facilities agreement, within the meaning of Section 53316.2 of the Act, by and among the City, the Property Owner, and the School District, pursuant to which the CFD, when and if formed, will be authorized to finance the acquisition and/or construction of all or a portion of the City Fee Facilities. As authorized by Section 53316.6 of the Act, responsibility for constructing, providing for, and operating the City Fee Facilities is delegated to the City.

J. The Parties (defined below) hereto find and determine that the residents residing within the boundaries of the City, the School District, and the CFD will be benefited by the construction and/or acquisition of the School Facilities, City Fee Facilities and that this Agreement is beneficial to the interests of such residents.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth herein, the Parties hereto agree as follows:

1. Recitals. Each of the above recitals is incorporated herein and is true and correct.

2. Definitions. Unless the context clearly otherwise requires, the terms defined in this Section shall, for all purposes of this Agreement, have the meanings herein specified.

(a) “Act” means the Mello-Roos Community Facilities Act of 1982, Chapter 2.5 (commencing with Section 53311) of Part 1 of Division 2 of Title 5 of the California Government Code.

(b) “Advance” or “Advances” means an amount advanced by Property Owner to the City for City Fee Facilities in lieu of payment of City Fees prior to the availability of sufficient Bond Proceeds. Advances shall be deemed payment of City Fees to the extent sufficient Bond Proceeds are not received or made available to the City.

(c) “Bond Proceeds” or “Proceeds of the Bonds” shall mean those net funds generated by the sale of the Bonds and investment earnings thereon, net of costs of issuance, reserve fund, capitalized interest and administrative expenses and may include net funds generated by the levy of Special Taxes and investment earnings thereon.

(d) “Bond Resolution” means that resolution, resolution supplement, fiscal agent agreement, indenture of trust or other equivalent document(s) providing for the issuance of the Bonds.

(e) “Bonds” shall mean those bonds, or other securities, issued by, or on behalf of, the CFD in one or more series, as authorized by the qualified electors within the CFD.

(f) “City Fees” means fees for those capital improvements authorized to be financed with City development impact fees (“DIF”), for police facilities, fire facilities, community and/or recreation centers and interchange improvements, which are components of the DIF, imposed by the City as a consequence of development of any portion of the Property to finance City Fee Facilities.

(g) “City Fee Facilities” means those City capital improvements eligible to be financed with DIF or any component(s) thereof for police facilities, fire facilities, community and/or recreation centers and interchange improvements, which are components of the DIF, imposed by the City as a consequence of development of any portion of the Property to finance City Fee Facilities. For the purposes of this Agreement, DIF is limited to those categories described in Exhibit “C” hereto. City Fee Facilities financed with Bond Proceeds pursuant to this Agreement may include City capital improvements from a single DIF category or multiple DIF categories at the discretion of the City.

(h) “Disbursement Request” means a request for payment relating to City Fee Facilities in the form attached hereto as Exhibit “D.”

(i) “Other Facilities Account of the Improvement Fund” means the fund, account or sub-account of the CFD (regardless of its designation within the Bond Resolution) into which a portion of the Bond Proceeds may be deposited in accordance with the Bond Resolution to finance City Fee Facilities and which may have subaccounts.

(j) “Party” or “Parties” shall mean any or all of the parties to this Agreement.

(k) “Rate and Method” means the Rate and Method of Apportionment of the Special Tax authorizing the levy and collection of Special Taxes pursuant to proceedings undertaken for the formation of the CFD pursuant to the Act.

(l) "School Facilities" means those public improvements to be owned, operated, or maintained by the School District identified in proceedings to form the CFD that are eligible to be financed with Bond Proceeds.

(m) "Special Taxes" means the special taxes authorized to be levied and collected within the CFD pursuant to the Rate and Method.

(n) "State" means the State of California.

3. Formation of the CFD. The School District has undertaken to analyze the appropriateness of forming the CFD to finance the City Fee Facilities, and other facilities. The School District has and will retain, at the expense of Property Owner, the necessary consultants to analyze the formation of the CFD.

4. Sale of Bonds and Use of Bond Proceeds. In the event that the CFD is formed and Bonds are issued, the Board of Education of the School District (the "Board"), acting as the legislative body of the CFD, may, in its sole discretion, finance City Fee Facilities by issuing one or more series of Bonds. To the extent that the CFD and Property Owner determine that Bond Proceeds are available to finance City Fee Facilities, School District shall notify the City of the amount of such Bond Proceeds deposited in the Other Facilities Account of the Improvement Fund that is available for such purpose. It is currently anticipated that sufficient Bond Proceeds will be available to fund City Fee Facilities in an amount equal to the aggregate total of the applicable City Fees for dwelling units within the CFD; notwithstanding the foregoing, there is no assurance that City Fees will not increase in the future or available Bond proceeds be less than anticipated such that Bond Proceeds are not sufficient to fund the anticipated amount of City Fee Facilities in an amount equal to the aggregate total of the applicable City Fees. As Bond Proceeds are transferred to the City and reserved to fund City Fee Facilities as described in Section 5 below, the portion of the Property with respect to which such transfer was made shall receive a credit in the amount transferred against the payment of City Fees with respect to the Property. Nothing herein shall supersede the obligation of and owner of the Property to make Advances or otherwise pay City Fees to the City when due. The purpose of this Agreement is to provide a mechanism by which the CFD may issue the Bonds and levy Special Taxes to provide a source of funds to finance all or a portion of the City Fee Facilities in lieu of the payment of all or a portion of the City Fees. In the event that Bond Proceeds, including investment earnings thereon, are not available or sufficient to fully satisfy the obligation, then Property Owner shall remain obligated to make Advances for which it will receive no reimbursement (except to the extent Bond Proceeds later become available to the City) or pay City Fees to the City as required by the City in accordance with applicable law.

The Bonds shall be issued only if, in its sole discretion, the Board determines that all requirements of State and federal law and all School District policies have been satisfied or have been waived by the School District. Nothing in this Agreement shall confer upon the City or any owner of the Property, including Property Owner, a right to compel the issuance of the Bonds or the disbursement of Bond Proceeds to fund City Fee Facilities except in accordance with the terms of this Agreement.

5. Disbursements for City Fee Facilities.

(a) Upon the funding of the Other Facilities Account of the Improvement Fund with funds reserved to fund City Fee Facilities, the Property Owner shall notify the City of the amount of Bond Proceeds reserved to fund City Fee Facilities and the Property Owner and the City may execute and submit a Disbursement Request for payment to the School District or the CFD requesting disbursement of an amount equal to all or a portion of the Advances from the Other Facilities Account of the Improvement Fund to the extent that Bond Proceeds are available in the Other Facilities Account of the Improvement Fund for such purpose. Upon the City's receipt of funds pursuant to such Disbursement Request, the Property Owner shall receive reimbursement of the Advances from the City. To facilitate the City's bookkeeping, the City may direct in a Disbursement Request, that all or a portion of a payment be made directly to the Property Owner as reimbursement for Advances made by the Property Owner. In the event of a reimbursement to the Property Owner pursuant to the preceding sentence, the City shall account for an equivalent amount of Advances previously received from the Property Owner in accordance with Section 5(c) below.

To the extent that the City expends all or a portion of an Advance pending the deposit of Bond Proceeds in the Other Facilities Account of the Improvement Fund, for purposes of Treasury Regulations regarding investment and expenditure of Bond Proceeds and State law provisions regarding financing of public capital facilities, the Advance shall be a considered an interest free loan by the Property Owner, which the City agrees to repay to the extent of the deposit, if any, of Bond Proceeds in the Other Facilities Account of the Improvement Fund and the City's written direction as described below to pay all or a portion of such deposit to the Property Owner as repayment of an Advance.

(b) From time to time following the funding of the Other Facilities Account of the Improvement Fund, Property Owner may notify the City in writing and the City and Property Owner may jointly request a disbursement from the Other Facilities Account of the Improvement Fund to fund City Fee Facilities by executing and submitting a Disbursement Request. Upon receipt of such Disbursement Request completed in accordance with the terms of this Agreement, the CFD shall wire transfer or otherwise pay to the City (or upon the City's written direction pay to the Property Owner or a City contractor) such requested funds to the extent that Bond Proceeds are then available, or subsequently become available, in the Other Facilities Account of the Improvement Fund for such purpose. Upon such notice and the City's receipt of such disbursement (or upon payment to the Property Owner or a City contractor in accordance with directions from the City relating to City Fee Facilities), the Property Owner shall be deemed to have satisfied the portion of the applicable City Fees with respect to the number of dwelling units or lots for which City Fees would otherwise have been required in an amount equal to such disbursement divided by the per lot or unit amount of the applicable City Fees.

(c) The City agrees that prior to submitting a Disbursement Request requesting payment from the CFD it shall review and approve all costs included in its request and will have already paid contractually or incurred such costs of City Fee Facilities from its own funds (which may include Advances from the Property Owner) subsequent to the date of this Agreement, or will disburse such amounts to pay the costs of the City Fee Facilities following receipt of funds from the CFD. For City Fee Facilities to be constructed, in the event that the City does not disburse any

Bond Proceeds (or equivalent amount of Advances repaid pursuant to the second to the last sentence of the first paragraph of Section 5(a) above) received by it to third parties within five banking days of receipt, it will trace and report to the CFD all earnings, if any, earned by the City, from the date of receipt of such Bond Proceeds by the City (or the date of disbursement pursuant to the second to the last sentence of the first paragraph of Section 5(a) above) to the date of expenditure by the City for capital costs of the City Fee Facilities. Such report shall be delivered at least annually until all Bond Proceeds are expended by the City.

(d) Subject to Section 5(e) below, the City agrees to maintain adequate internal controls over its payment function and to maintain accounting records in accordance with generally accepted accounting procedures. The City will, upon request, provide the School District and/or Property Owner with access to the City's records related to the City Fee Facilities and expenditure of Advances and will provide to the School District its annual financial report certified by an independent certified public accountant for purposes of assisting the School District in calculating the arbitrage rebate obligation of the CFD, if any.

(e) At the City's discretion, the City may elect to satisfy the tracing and accounting of Bond Proceeds requirements set forth in Section 5 of this Agreement by selecting and depositing unexpended Bond Proceeds with a commercial bank, savings bank, savings and loan association or other financial institution which is authorized by law to accept, hold, trace and account for deposits of money (the "**Deposit Institution**"). Property Owner shall pay for all costs and expenses associated with such Deposit Institution and shall pay said costs and expenses as provided in the written direction of the City.

(f) The School District or the CFD agrees to maintain full and accurate records of all amounts, and investment earnings, if any, expended from the Other Facilities Account of the Improvement Fund and expenditure of Advances. The School District or the CFD will, upon request, provide the City and/or Property Owner with access to the School District's or the CFD's records related to the Other Facilities Account of the Improvement Fund.

(g) As a condition to receiving Bond Proceeds, the City agrees that it shall provide to the School District a certificate substantially in the form attached hereto as Exhibit "E."

6. Ownership of City Fee Facilities; Payment of Administrative Fees. The City Fee Facilities, once acquired, shall be and remain the property of the City.

At the time of payment of DIF, an administrative fee of \$400 per home will also be paid to defray the costs of the City to administer this Agreement and to ensure compliance with the terms of this Agreement.

7. Indemnification.

(a) *Indemnification by the School District.* The School District shall assume the defense of, indemnify and save harmless, the City and its respective officers, employees, and agents, and each and every one of them, from and against all actions, damages, claims, losses, or expenses of every type and description to which they may be subjected or put, by reason of, or resulting from, any act or omission of the School District with respect to this Agreement and the issuance of the Bonds; provided, however, that the School District shall not be required to indemnify any person or entity as to damages resulting from negligence or willful misconduct of such person or entity or their officers, agents, or employees.

(b) *Indemnification by Property Owner.* Property Owner shall assume the defense of, indemnify and save harmless, the School District, the CFD, and the City, their respective officers, employees, and agents, and each and every one of them, from and against all actions, damages, claims, losses, or expenses of every type and description to which they may be subjected or put, by reason of, or resulting from, any act or omission of Property Owner with respect to this Agreement; provided, however, that Property Owner shall not be required to indemnify any person or entity as to damages resulting from the negligence or willful misconduct of such person or entity or their officers, agents, or employees.

(c) *Indemnification by the City.* The City shall assume the defense of, indemnify and save harmless, the School District, the CFD and their respective officers, employees, and agents, and each and every one of them, from and against all actions, damages, claims, losses, or expenses of every type and description to which they may be subjected or put, by reason of, or resulting from, any act or omission of the City with respect to this Agreement, and the design, engineering, and construction of the City Fee Facilities constructed by the City; provided, however, that the City shall not be required to indemnify any person or entity as to damages resulting from negligence or willful misconduct of such person or entity or their officers, agents, or employees. In addition to the obligations set forth in Section 8(b) above, Property Owner shall indemnify the City, their respective officers, employees, and agents, and each and every one of them, from and against all actions, damages, claims, losses, or expenses of every type as a result of the City indemnifying the School District and/or the CFD under this Section 8(c).

8. Allocation of Special Taxes. The Board, as the legislative body of the CFD, shall annually levy the Special Tax as provided for in the formation proceedings of the CFD. The entire amount of any Special Tax levied by the CFD to repay Bonds, or to fund other obligations, shall be allocated to the CFD.

9. Amendment and Assignment. This Agreement may be amended at any time but only in writing signed by each Party hereto. This Agreement may be assigned, in whole or in part, by Property Owner to the purchaser of any parcel of land within the Property provided, however, such assignment shall not be effective unless and until the City and the School District have been notified, in writing, of such assignment and the assignment specifies whether the Property Owner or such assignee is authorized to execute disbursement requests and whether the Property Owner

or such assignee is to be reimbursed for Advances which have not been reimbursed at the time of such notice.

10. Entire Agreement. This Agreement contains the entire agreement between the Parties with respect to the matters provided for herein and supersedes all prior agreements and negotiations between the Parties with respect to the subject matter of this Agreement.

11. Notices. Any notice, statement, demand, consent, approval, authorization, offer, designation, request or other communication given hereunder to either Party shall be in writing and deemed delivered to the party to whom it is addressed (a) if personally served or delivered, upon delivery, (b) if given by electronic communication, whether by telex, telegram, telecopier, or email upon the sender’s receipt of written acknowledgement from the addressee, (c) if given by registered or certified mail, return receipt requested, deposited with the United States mail postage prepaid, 72 hours after such notice is deposited with the United States mail, (d) if given by Federal Express or other overnight courier, with courier charges prepaid, 24 hours after delivery to said overnight courier, or (e) if given by any other means, upon the sender’s receipt of written acknowledgement from the addressee, addressed as follows:

School District: Val Verde Unified School District
975 West Morgan Street
Perris, CA 92571
Attn: Deputy Superintendent, Business Services

City: City of Moreno Valley
14177 Fredrick Street
PO Box 88005
Moreno Valley, CA 92552
Attn: City Clerk

Property Owner: Passco Pacifica LLC
c/o Pacifica Investments
333 City Boulevard West, Suite 1700
Orange, CA 92868
Attention: Oscar Graham
Telephone: (714) 609-7257
Email: oscar@pacificainvest.com

Each Party may change its address for delivery of notice by delivering written notice of such change of address to the other Parties hereto.

12. Exhibits. All exhibits attached hereto are incorporated into this Agreement by reference.

13. Attorneys’ Fees. In the event of the bringing of any action or suit by any Party against any other Party arising out of this Agreement, the Party in whose favor final judgment shall be entered shall be entitled to recover from the losing Party all costs and expenses of suit, including reasonable attorneys’ fees.

14. Interpretation in the event of Ambiguities or Disputes. The Parties acknowledge and agree that each has been given the opportunity to review this Agreement with legal counsel independently, and/or has the requisite experience and sophistication to understand, interpret, and agree to the particular language of the provisions hereof. In the event of an ambiguity in or dispute regarding the interpretation of same, the interpretation of this Agreement shall not be resolved by any rule of interpretation providing for interpretation against the Party who causes the uncertainty to exist or against the drafter.

15. Severability. If any part of this Agreement is held to be illegal or unenforceable by a court of competent jurisdiction, the remainder of this Agreement shall be given effect to the fullest extent reasonably possible.

16. Governing Law. This Agreement and any dispute arising hereunder shall be governed by and interpreted in accordance with the laws of the State of California.

17. Waiver. Failure by a Party to insist upon the strict performance of any of the provisions of this Agreement by any other Party hereto, or the failure by a Party to exercise its rights upon the default of any other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by such other Party with the terms of this Agreement thereafter.

18. No Third Party Beneficiaries. No person or entity other than the CFD, when and if formed, shall be deemed to be a third party beneficiary hereof, and nothing in this Agreement (either express or implied) is intended to confer upon any person or entity, other than the City, the School District, the CFD, and Property Owner (and their respective successors and assigns, exclusive of individual homebuyers), any rights, remedies, obligations, or liabilities under or by reason of this Agreement.

19. Singular and Plural; Gender. As used herein, the singular of any word includes the plural, and terms in the masculine gender shall include the feminine.

20. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which shall constitute but one instrument.

[Remainder of Page Intentionally Left Blank; Signature Page Follows]

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year written above.

Attachment: Boundary Map (4443) : ADOPT A RESOLUTION TO APPROVE A JOINT

Report to City Council

TO: Mayor and City Council

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: PURSUANT TO LANDOWNER PETITIONS, ANNEX CERTAIN PARCELS INTO COMMUNITY FACILITIES DISTRICT NO. 2014-01 (MAINTENANCE SERVICES) - AMENDMENT NO. 55, 58, AND 59 (RESO. NO. 2021-_) AND AMENDMENT NO. 56 (RESO. NO. 2021-_)

RECOMMENDED ACTION

Recommendation:

1. Acting as the legislative body of Community Facilities District No. 2014-01 (Maintenance Services), adopt Resolution No. 2021-__, a Resolution of the City Council of the City of Moreno Valley, California, ordering the annexation of territory to City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services) and approving the amended maps for said District (Amendment No. 55, 58, and 59) (HF Logistics-SKX-T1, LLC, HF Logistics-SKX-T2, LLC, and Highland Fairview Partners 1, located on the northeast corner of Eucalyptus Ave. (Fir Ave.) and Redlands Blvd.).
2. Acting as the legislative body of Community Facilities District No. 2014-01 (Maintenance Services), adopt Resolution No. 2021-__, a Resolution of the City Council of the City of Moreno Valley, California, ordering the annexation of territory to City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services) and approving the amended map for said District. (Amendment No. 56) (D.R. Horton Los Angeles Holding Company, Inc, located west of Moreno Beach Dr., between Alessandro Blvd. and Brodiaea Ave.).

SUMMARY

Adoption of the resolutions will certify the annexation of 11 parcels into Community Facilities District (CFD) No. 2014-01 (Maintenance Services) ("District"). This action

impacts only the property owners identified below, not the general citizens or taxpayers of the City.

The City requires property owners of new development projects to mitigate the cost of certain impacts created by the proposed development (e.g., the cost of operation and maintenance of public street lighting, landscaping, and/or streets and drainage). The City created CFD No. 2014-01 to provide the development community with a funding mechanism to assist in satisfying the requirement. After a property owner elects to annex their property into the District and the City Council approves the annexation, a special tax can be levied on the annual property tax bill of the annexed parcel(s) to fund the costs to provide the services.

The Property Owners, as defined below, have elected to annex the parcels of their project into the District to satisfy the condition. The Property Owners have submitted the Landowner Petitions approving the annexation and the City Clerk has confirmed the petitions are valid.

DISCUSSION

As a condition of approval for each development project identified below, the Property Owners are required to provide an ongoing funding source for certain public services (e.g. the operation and maintenance services of public street lighting, landscaping, and/or streets and drainage), which are required to be installed as part of the development project. The table below provides information for the property under development.

Property Owner/ Project ACP Record #	APNs	Location
HF Logistics-SKX-T1, LLC HF Logistics-SKX-T2, LLC Highland Fairview Partners I 750,000 sq.ft. logistics building PEN18-0254/SCP20-0009	488-350-042, 488-350-043, 488-350-044 & 488-350-052; 488-350-031, 488-350-037, & 488-350-055; and, 488-350-030 & 488-350-040	Northeast corner of Eucalyptus Ave. (Fir Ave.) and Redlands Blvd.
D.R. Horton Los Angeles Holding Company, Inc. 96 single-family residential development (Tr 31590) PEN20-0075/SCP20-0028	486-240-002 and 486-240-011	West of Moreno Beach Dr. between Alessandro Blvd. and Brodiaea Ave.

The City Council formed CFD 2014-01 (Maintenance Services) to provide an alternative funding tool for the development community. It provides a mechanism to fund the operation and maintenance of public street lighting services, landscaping, and streets and drainage. After a landowner approves annexation of their property into the District and the City Council approves the annexation, the City is authorized to levy a special tax onto the annual property tax bill to fund the services related to or impacted by their development.

The Third Amended and Restated Rate and Method of Apportionment of Special Tax (“RMA”) for the District describes the different special tax rate areas, services provided, and formula to calculate the special tax rate for each of the tax rate areas. Several special tax rate areas were created to accommodate a variety of scenarios to ensure costs are fairly shared between property owners. For example, there is a tax rate area for “single-family residential street lighting” and one for “street lighting for property other than single-family residential” (e.g., commercial, industrial, or multi-family projects). Different tax rate areas are needed for street lighting because the spacing and size/type of lights differ based on the type of development. Likewise, there are several tax rate areas for maintenance of public landscaping (i.e. medians, parkways, and/or traffic circles). A property owner’s proportionate share of landscape maintenance costs will vary depending upon the total square footage of landscaping to be maintained and the number of properties sharing in the cost for that development. There is also a tax rate area for streets and drainage within single-family residential projects, which is calculated based on each parcel’s proportionate share of the improvements.

On April 20, 2021, the City Council adopted Ordinance No. 980, which designated the entire territory of the City as a future annexation area for the District. With the future annexation area designated, annexations can occur without an additional public hearing as long as the annexing landowner provides unanimous consent. Once annexed, parcels are subject to the annual special tax to fund the service they are receiving.

With the establishment of the District, a property owner has two options to satisfy the condition(s) of approval:

1. Submit a Landowner Petition unanimously approving annexation of the property into the District. Approval of the petition and special tax rate allows the City to annually levy the special tax on the property tax bill of the property. This option is only available if there are fewer than 12 registered voters living within the proposed annexation area; or
2. Establish a homeowner or property owner association to provide the ongoing operation and maintenance of the improvements.

The Property Owners elected to annex their property into CFD No. 2014-01 and have the special tax applied to the annual property tax bill. The Office of the Riverside County Registrar of Voters confirmed there were no registered voters residing at the property, allowing a special election of the landowner. Adoption of the attached resolutions (Attachments 1-2) amends the District and adds the property to the tax rate areas identified in the Fiscal Impact section of this report and directs the recordation of the boundary maps (Attachments 3-4) and amended notice of special tax lien for each amendment. The City Clerk received and reviewed the Landowner Petitions and confirmed the Property Owners unanimously approved the annexation of their respective property into the District (Attachments 5-6).

Successful completion of the annexation process satisfies each project's condition of approval to provide a funding source for the operation and maintenance of public street lighting, landscaping, and/or streets and drainage.

ALTERNATIVES

1. Adopt the resolutions. *Staff recommends this alternative as it will annex the property into CFD No. 2014-01 at the request of the Property Owners and satisfy the condition of approval for each proposed development.*
2. Do not adopt the resolutions. *Staff does not recommend this alternative as it is contrary to the request of the Property Owners, will not satisfy the condition of approval, and may delay development of the projects.*
3. Do not adopt the resolutions but rather continue the item to a future regularly scheduled City Council meeting. *Staff does not recommend this alternative as it will delay the Property Owners from satisfying the condition of approval and may delay development of the projects.*

FISCAL IMPACT

Revenue received from the special tax is restricted and can only be used to fund the services for each tax rate area within the District. The special tax can only be applied to a property tax bill of a parcel wherein the qualified electors (i.e., landowners or registered voters, depending upon the number of registered voters) have previously provided approval. The maximum special tax rate for each tax rate area is detailed below. If the projected revenue from the maximum special tax exceeds what is necessary to fund the services within each tax rate area, a lower amount will be applied to the property tax bills for all the properties within the affected tax rate area.

Property Owner (Amendment No.) Project ACP Record #	Tax Rate Area¹	FY 2021/22 Maximum Special Tax Rate¹
HF Logistics-SKX-T1, LLC (55) HF Logistics-SKX-T2, LLC (58) Highland Fairview Partners I (59) 750,000 sq.ft. logistics building ² PEN18-0254/SCP20-0009	SL-02 LM-02A TC-03	\$4.53/front linear ft. \$15.36/proportional front ft. \$36.58/angularly allocated front ft.
D.R. Horton Los Angeles Holding Company, Inc. 96 single-family residential development (Tr 31590) ³ PEN20-0075/SCP20-0028	SL-01A LM-01E SD-01	\$277.71/parcel \$269.54/parcel \$900/parcel + \$2.50/proportional curb ft.

¹The special tax applied to the property tax bill will be based on the needs of the tax rate area within the District. The applied special tax rate cannot exceed the maximum special tax rate. The FY 2021/22 applied rates for SL-01A (Street Lighting for SFR development) is \$38.40/parcel; SL-02 (Street Lighting for Property Other than SFR) is \$0.70/per front linear foot; LM-02A (Landscape Maintenance for Property Other than SFR) is \$5.91/proportional front foot; LM-01E (Landscape Maintenance for SFR) is \$250/parcel; SD-01 (Street Maintenance and Drainage for SFR) is \$900/parcel + \$0/proportional curb foot; and TC-03 (Traffic Circle Landscape Maintenance for Property Other than SFR) is \$16/angularly allocated landscape foot.

²Eighteen street lights are planned to be installed along Redlands Blvd. and Eucalyptus Ave. (Fir Ave.). A landscaped median is planned to be installed on Eucalyptus Ave. (Fir Ave.) and two traffic circles are planned to be installed at Eucalyptus Ave. (Fir Ave.)/Redlands Blvd. and Sinclair St./ Eucalyptus Ave. (Fir Ave.).

³Forty-eight street lights are planned to be installed along Alessandro Blvd., Brodiaea Ave., and within the development.

The maximum special tax rates are subject to an annual inflation adjustment based on the change in the Consumer Price Index (CPI) or five percent (5%), whichever is greater. However, the annual adjustment cannot be applied unless the City Council annually authorizes such adjustment. The increase to the maximum special tax rate cannot exceed the annual inflationary adjustment without a two-thirds approval of the qualified electors within the affected tax rate area.

NOTIFICATION

The annexation materials were mailed to the Property Owners on May 3 and 4, 2021. A cover letter, Landowner Petition, RMA, and an envelope to return the completed petition were included.

CITY COUNCIL GOALS

Revenue Diversification and Preservation. Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness. Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

CITY COUNCIL STRATEGIC PRIORITIES

1. Economic Development
2. Public Safety

- 3. Library
- 4. Infrastructure
- 5. Beautification, Community Engagement, and Quality of Life
- 6. Youth Programs

Objective 4.2: Develop and maintain a comprehensive Infrastructure Plan to invest in and deliver City infrastructure.

Objective 5.2: Promote the installation and maintenance of cost effective, low maintenance landscape, hardscape and other improvements which create a clean, inviting community.

ATTACHMENTS

RESOLUTION NO. 2021-____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ORDERING THE ANNEXATION OF TERRITORY TO CITY OF MORENO VALLEY COMMUNITY FACILITIES DISTRICT NO. 2014-01 (MAINTENANCE SERVICES) AND APPROVING THE AMENDED MAPS FOR SAID DISTRICT

WHEREAS, by its Resolution No. 2014-25, the City Council established the City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services) (the “CFD”), a citywide district, pursuant to the Mello-Roos Community Facilities Act of 1982 (Government Code Section 53311 *et seq.*) (the “Act”); and

WHEREAS, by its Ordinance No. 874, the City Council authorized an annual special tax to be levied against all non-exempt parcels of real property within the CFD (the “Special Tax”) to fund street lighting services and landscape maintenance services; and

WHEREAS, by its Ordinance No. 980, the City Council authorized an annual special tax to be levied against all non-exempt parcels of real property within the CFD to fund Drainage and Street Maintenance Services; and

WHEREAS, in order to permit landowners to efficiently annex developing parcels to the CFD, the City Council, by its Ordinance No. 980 designated the entire territory of the City as a future annexation area for the CFD and approved the third amended and restated rate and method of apportionment for the Special Tax; and

WHEREAS, the landowners of the parcels listed on Exhibit A to this Resolution, which is attached hereto and incorporated herein by reference, have submitted to the City a petition requesting and approving annexation of the listed parcels (the “Annexation Parcels”) to the CFD; and

WHEREAS, the Annexation Parcels are comprised of the territory shown on the boundary maps (the “Boundary Maps”) “Amendment No. 55 to Boundaries of City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services), City of Moreno Valley, County of Riverside, State of California”, “Amendment No. 58 to Boundaries of City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services), City of Moreno Valley, County of Riverside, State of California”, and “Amendment No. 59 to Boundaries of City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services), City of Moreno Valley, County of Riverside, State of California” which are included as Exhibit B to this Resolution, and incorporated herein by this reference; and

1
Resolution No. 2021-____
Date Adopted: June 15, 2021

WHEREAS, the City Council desires to annex the Annexation Parcel(s) to the CFD.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Recitals. The above recitals are all true and correct and are herein incorporated.

2. Annexation Approved. The Annexation Parcel(s) are hereby added to and part of the CFD with full legal effect. The Annexation Parcel(s) are subject to the Special Tax associated with the Tax Rate Area(s) indicated on Exhibit A to this Resolution.

3. Description of Services. The following is a general description of all services (the "Services") provided in the CFD:

A. Landscape Maintenance Services: Maintaining, servicing, and operating landscape improvements and associated appurtenances located within the public right-of-way and within dedicated landscape easements for the CFD. These improvements may include but are not limited to parkways, medians, open space landscaping, fencing, monuments, ornamental lighting, drainage, turf, ground cover, shrubs, vines and trees, irrigation systems, and appurtenant facilities and structures. Fundable costs may include, but are not limited to: (i) contracting costs for landscape maintenance services, including litter removal, (ii) salaries and benefits of City staff, (iii) expenses related to equipment, apparatus, and supplies related to these services, (iv) City administrative and overhead costs associated with providing such services within the CFD, and (v) lifecycle costs associated with the repair and replacement of facilities.

B. Street Lighting Services: Maintaining, servicing, and operating street lights and appurtenant improvements. Fundable costs may include, but are not limited to: (i) contracting costs for street light maintenance, (ii) salaries and benefits of City staff, if the City directly provides street light maintenance services, (iii) utility expenses and the expense related to equipment, apparatus, and supplies related to these services and authorized by the Act, (iv) City administrative and overhead costs associated with providing such services for the CFD, and (v) lifecycle costs associated with the repair and replacement of facilities.

C. Drainage and Street Maintenance Services: Maintaining, servicing, and operating drainage improvements and maintaining streets. Drainage improvements include public improvements and appurtenance (and associated easements) that are designed or used to capture, retain, detain, remove, transport, or treat surface water and storm water runoff. Fundable costs may include, but are not limited to: (i) contracting costs for street and drainage maintenance services, including litter removal, (ii) salaries and benefits of City staff if the City directly provides these services, (iii) expenses related to equipment, apparatus, and supplies related to these services, (iv) City administrative and overhead costs associated with providing such services within the CFD, and (v) lifecycle

costs associated with the repair and replacement of streets and drainage improvements.

The Annexation Parcel(s) will only be provided with the services indicated on Exhibit A.

4. Amended Boundary Maps. The Boundary Maps attached hereto as Exhibit B are hereby approved. These maps amend, and do not supersede, the existing maps of the CFD. The City Council directs that said maps be filed with the Riverside County Recorder pursuant to Section 3113 of the Streets and Highways Code.

5. Notice of Special Tax Lien. The City Council directs that an amended notice of special tax lien be recorded pursuant to Section 3117.5 of the Streets and Highways Code with respect to the Annexation Parcel(s) associated with the Boundary Map.

6. This Resolution shall be effective immediately upon adoption.

7. The City Clerk shall certify to the adoption of this Resolution, and shall maintain on file as a public record this Resolution.

8. Severability. That the City Council declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

9. Repeal of Conflicting Provisions. That all the provisions heretofore adopted by the City Council that are in conflict with the provisions of this Resolution are hereby repealed.

APPROVED AND ADOPTED this 15th day of June 2021.

RESOLUTION NO. 2021-____

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ORDERING THE ANNEXATION OF TERRITORY TO CITY OF MORENO VALLEY COMMUNITY FACILITIES DISTRICT NO. 2014-01 (MAINTENANCE SERVICES) AND APPROVING THE AMENDED MAP FOR SAID DISTRICT

WHEREAS, by its Resolution No. 2014-25, the City Council established the City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services) (the "CFD"), a citywide district, pursuant to the Mello-Roos Community Facilities Act of 1982 (Government Code Section 53311 *et seq.*) (the "Act"); and

WHEREAS, by its Ordinance No. 874, the City Council authorized an annual special tax to be levied against all non-exempt parcels of real property within the CFD (the "Special Tax") to fund street lighting services and landscape maintenance services; and

WHEREAS, by its Ordinance No. 980, the City Council authorized an annual special tax to be levied against all non-exempt parcels of real property within the CFD to fund Drainage and Street Maintenance Services; and

WHEREAS, in order to permit landowners to efficiently annex developing parcels to the CFD, the City Council, by its Ordinance No. 980 designated the entire territory of the City as a future annexation area for the CFD and approved the third amended and restated rate and method of apportionment for the Special Tax; and

WHEREAS, the landowner of the parcel(s) listed on Exhibit A to this Resolution, which is attached hereto and incorporated herein by reference, has submitted to the City a petition requesting and approving annexation of the listed parcel(s) (the "Annexation Parcel(s)") to the CFD; and

WHEREAS, the Annexation Parcel(s) are comprised of the territory shown on the boundary map (the "Boundary Map") "Amendment No. 56 to Boundaries of City of Moreno Valley Community Facilities District No. 2014-01 (Maintenance Services), City of Moreno Valley, County of Riverside, State of California" which is included as Exhibit B to this Resolution, and incorporated herein by this reference; and

WHEREAS, the City Council desires to annex the Annexation Parcel(s) to the CFD.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Recitals. The above recitals are all true and correct and are herein incorporated.

1
Resolution No. 2021-____
Date Adopted: June 15, 2021

2. Annexation Approved. The Annexation Parcel(s) are hereby added to and part of the CFD with full legal effect. The Annexation Parcel(s) are subject to the Special Tax associated with the Tax Rate Area(s) indicated on Exhibit A to this Resolution.

3. Description of Services. The following is a general description of all services (the “Services”) provided in the CFD:

A. Landscape Maintenance Services: Maintaining, servicing, and operating landscape improvements and associated appurtenances located within the public right-of-way and within dedicated landscape easements for the CFD. These improvements may include but are not limited to parkways, medians, open space landscaping, fencing, monuments, ornamental lighting, drainage, turf, ground cover, shrubs, vines and trees, irrigation systems, and appurtenant facilities and structures. Fundable costs may include, but are not limited to: (i) contracting costs for landscape maintenance services, including litter removal, (ii) salaries and benefits of City staff, (iii) expenses related to equipment, apparatus, and supplies related to these services, (iv) City administrative and overhead costs associated with providing such services within the CFD, and (v) lifecycle costs associated with the repair and replacement of facilities.

B. Street Lighting Services: Maintaining, servicing, and operating street lights and appurtenant improvements. Fundable costs may include, but are not limited to: (i) contracting costs for street light maintenance, (ii) salaries and benefits of City staff, if the City directly provides street light maintenance services, (iii) utility expenses and the expense related to equipment, apparatus, and supplies related to these services and authorized by the Act, (iv) City administrative and overhead costs associated with providing such services for the CFD, and (v) lifecycle costs associated with the repair and replacement of facilities.

C. Drainage and Street Maintenance Services: Maintaining, servicing, and operating drainage improvements and maintaining streets. Drainage improvements include public improvements and appurtenance (and associated easements) that are designed or used to capture, retain, detain, remove, transport, or treat surface water and storm water runoff. Fundable costs may include, but are not limited to: (i) contracting costs for street and drainage maintenance services, including litter removal, (ii) salaries and benefits of City staff if the City directly provides these services, (iii) expenses related to equipment, apparatus, and supplies related to these services, (iv) City administrative and overhead costs associated with providing such services within the CFD, and (v) lifecycle costs associated with the repair and replacement of streets and drainage improvements.

The Annexation Parcel(s) will only be provided with the services indicated on Exhibit A.

4. Amended Boundary Map. The Boundary Map attached hereto as Exhibit B is hereby approved. This map amends, and does not supersede, the existing maps of the

CFD. The City Council directs that said map be filed with the Riverside County Recorder pursuant to Section 3113 of the Streets and Highways Code.

5. Notice of Special Tax Lien. The City Council directs that an amended notice of special tax lien be recorded pursuant to Section 3117.5 of the Streets and Highways Code with respect to the Annexation Parcel(s) associated with the Boundary Map.

6. This Resolution shall be effective immediately upon adoption.

7. The City Clerk shall certify to the adoption of this Resolution, and shall maintain on file as a public record this Resolution.

8. Severability. That the City Council declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

9. Repeal of Conflicting Provisions. That all the provisions heretofore adopted by the City Council that are in conflict with the provisions of this Resolution are hereby repealed.

Report to City Council

TO: Mayor and City Council

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: ADOPT RESOLUTION AUTHORIZING AMENDMENT NO. 8 TO THE LOAN AGREEMENT BETWEEN THE CITY OF MORENO VALLEY AND THE POLICE FACILITIES DEVELOPMENT IMPACT FEE FUND

RECOMMENDED ACTION

Recommendation:

1. Adopt a Resolution of the City Council of the City of Moreno Valley, California, authorizing Amendment No. 8 to the loan agreement between the City of Moreno Valley and the Police Facility Development Impact Fee fund.

SUMMARY

Staff recommends that the City Council adopt the proposed resolution approving Amendment No. 8 to the interfund loan agreement between the General Fund and the Police Facilities Development Impact Fee Fund (Police DIF) for \$5,050,000.

Due to the timing of development impact revenues, the Police Facility DIF is currently reporting a cash balance, which will require a loan from the General Fund to comply with Generally Accepted Accounting Principles. These loans will be updated annually until such time as the revenues received by the Development Impact Fee funds are sufficient to extinguish the loan balances.

DISCUSSION

The City Council has approved the levy of a fee to mitigate the impacts of new development on various public facilities pursuant to the California Mitigation Fee Act. These fees are collected and recorded in separate funds pending the allocation of available funds for capital projects or to pay debt service on public facilities or improvements that were constructed from bond proceeds.

Due to the timing of development impact revenues, the Police Facility DIF is currently reporting a cash balance, which will require a loan from the General Fund to comply with Generally Accepted Accounting Principles. These loans will be updated annually until such time as the revenues received by the Development Impact Fee funds are sufficient to extinguish the loan balances.

The following table shows the activity for the current fiscal year and the ending loan balances to be recorded. If approved, these entries will be recorded for June 30, 2021 and then the funds will be re-evaluated in June 2022.

Fund	Loan Balance 6/30/20	Repayment	Loan Increase	Loan Balance 6/30/21
Police Facilities DIF	\$4,700,000	\$0	\$350,000	\$5,050,000

- Police Facility Development Impact Fees: From \$4,700,000 to \$5,050,000*

In June 2005, the City issued the 2005 Lease Revenue Bonds in the amount of \$48.2 million. Included in the approved projects for the bonds were various projects which were to be repaid through the utilization of Development Impact Fees that were to be collected from developers in future years. These projects included the expansion of the Public Safety Building, the construction of the Emergency Operations Center (EOC) building, Fire Station 58 and various arterial street projects. The bond documents called for the repayment of this bond over the following 30 years with the final payment occurring in November 2035. In 2013 and 2014 these initial bonds were refinanced to reduce the overall debt service payment. Although the bonds are secured by the General Fund, the revenue stream from development impact fees for Arterial Streets, Police Facility and Fire Facilities was pledged to meet these annual debt service requirements associated to each of the funds. The payment of existing debt service has been identified as the first priority from the development fee funds. The annual debt service requirement attributable to the Police Facility DIF is approximately \$639,000 annually until 2022 and then steps down to \$580,000 per year until FY 2036. Based on balances in the fund at the close of FY 2019-20 and the projected activities during FY 2020/21 the Police Facilities DIF fund is expected to require an increase in the loan amount by \$350,000.

The loan amendment was reviewed by the Finance Sub-Committee at their meeting on April 28, 2021.

ALTERNATIVES

- Adopt proposed resolution approving the Amendment No. 8 to the Loan Agreement approved in the resolution approving a loan from the General Fund to the Police Facility Development Impact Fee fund (\$5,050,000). *Staff recommends this alternative because this authorizes the recordation of the revised loan amounts to address current cash balances in these funds and allows the City to*

remain in compliance with Generally Accepted Accounting Principles.

2. Do not adopt proposed resolution approving the Amendment No. 8 to the Loan Agreement and provide staff with other direction. *Staff does not recommend this alternative because it will not address the current cash balances in these funds and the City's financial statements may not comply with Generally Accepted Accounting Principles.*

FISCAL IMPACT

The total loan balance amount of \$5,050,000 from the General Fund will continue to be designated as non-spendable until repaid. As Development Impact Fee revenues related to the Police Facility Development Impact Fee accounts are received, they will be applied to continue to reduce the outstanding loan amounts for these funds.

RESOLUTION NO. 2021-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, AUTHORIZING AN AMENDMENT NO. 8 TO THE LOAN AGREEMENT BETWEEN THE CITY OF MORENO VALLEY AND THE POLICE FACILITY DEVELOPMENT IMPACT FEE FUND.

WHEREAS, the City Council levies a fee for the mitigation of the impacts of new development on the City's Police Facilities and related facilities pursuant to the California Mitigation Fee Act (California Government Code Section 6600 et seq.); and

WHEREAS, the City has made disbursement from these funds that have resulted in negative cash balances in the Police Facility Development Impact Fee Fund (approximately \$5,050,000 and

WHEREAS, the City has a need to resolve the negative cash balances in these accounts; and

WHEREAS, on June 25, 2013 the City Council approved Resolution 2013-59 authorizing the original Loan Agreement between the General Fund and the Recreation Center DIF (\$145,000) and the Police Facility DIF (\$3,000,000) and the Animal Shelter DIF (\$175,000); and

WHEREAS, on June 10, 2014 the City Council approved Resolution 2014-45 authorizing Amendment No. 1 to the original Loan Agreement between the General Fund and the Recreation Center DIF (decreased to \$110,000) the Police Facility DIF (increased to \$3,500,000) and the Animal Shelter DIF (decreased to \$162,000); and

WHEREAS, on June 9, 2015 the City Council approved Resolution 2015-38 authorizing Amendment No. 2 to the original Loan Agreement between the General Fund and the Recreation Center DIF (decreased to \$60,000) the Police Facility DIF (remained at \$3,500,000) and the Animal Shelter DIF (decreased to \$147,000); and

WHEREAS, on June 7, 2016 the City Council approved Resolution 2016-33 authorizing Amendment No. 3 to the original Loan Agreement between the General Fund and the Recreation Center DIF (decreased to \$0) the Police Facility DIF (increased to \$4,085,000) and the Animal Shelter DIF (decreased to \$137,000); and

WHEREAS, on May 16, 2017 the City Council approved Resolution 2017-28 authorizing Amendment No. 4 to the original Loan Agreement between the General Fund and the Police Facility DIF (increased to \$4,290,500) and the Animal Shelter DIF (decreased to \$100,000); and

1
Resolution No. 2021-
Date Adopted: May 18, 2021

WHEREAS, on April 17, 2018 the City Council approved Resolution 2018-21 authorizing Amendment No. 5 to the original Loan Agreement between the General Fund and the Police Facility DIF (increased to \$4,756,000) and the Animal Shelter DIF (decreased to \$53,000); and

WHEREAS, on April 16, 2019 the City Council approved Resolution 2019-16 authorizing Amendment No. 6 to the original Loan Agreement between the General Fund and the Police Facility DIF (decreased to \$4,400,000) and the Animal Shelter DIF (decreased to \$0); and

WHEREAS, on April 21, 2020 the City Council approved Resolution 2020-22 authorizing Amendment No. 7 to the original Loan Agreement between the General Fund and the Police Facility DIF (increased to \$4,700,000); and

WHEREAS, the City desires to loan funds from the General Fund to the Police Facilities Development Impact Fee Fund (\$5,050,000) in amounts sufficient to cover the negative cash balances; and

WHEREAS, the City anticipates receiving future Police Facilities Development Impact Fees to repay these loans to the General Fund

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

BE IT RESOLVED that the Loan Agreement-Amendment No. 8 included as Exhibit A is hereby approved, authorizing the Loan Agreement from the General Fund and continuing the funding of the loans to the Police Facility DIF (\$5,050,000).

APPROVED AND ADOPTED this 18th day of May, 2021.

4
Resolution No. 2021-
Date Adopted: May 18, 2021

LOAN AGREEMENT
AMENDMENT NO. 8

The City of Moreno Valley is authorizing this AMENDMENT TO THE LOAN AGREEMENT (“Amendment 8”) as an interfund loan entered into as of the eighteenth day of May 2021, authorizing the transfer of funds by and between the CITY OF MORENO VALLEY GENERAL FUND (herein the “General Fund”) and the CITY OF MORENO VALLEY POLICE FACILITY DEVELOPMENT IMPACT FEE FUND (herein the “Police Facility DIF).

RECITALS

- A. Pursuant to the provision of the California Mitigation Fee Act (California Government Code Section 66000 et seq.), the City Council of the City of Moreno Valley has approved the levy of a Police Facility Development Impact Fee to collect fees to mitigate the impact of new development on the City’s Police facilities.
- B. The City has negative cash balances in the Police Facility DIF.
- C. These cash balances are the result of the construction of facilities.
- D. The Police Facility DIF continues to receive revenues related to new development projects within the City.
- E. The City desires to loan the Police Facility DIF funds in an amount sufficient to offset the negative cash balances related to these funds.

AGREEMENT

- 1. The City has applied cash collected during Fiscal Year 2020-21 by the Police Facilities DIF in the amount of \$167,881.00 into the calculation of the loan amount.

Fund	Loan Balance 6/30/2019	Loan Repayment	Increase to Loan Amount	Loan Balance 6/30/2020
Police Facility DIF	\$4,700,000	\$0	\$350,000	\$5,050,000

- 2. City staff is directed to make necessary appropriation adjustments to effectuate this loan.

4
Resolution No. 2021-
Date Adopted: May 18, 2021

Attachment: Exhibit A_to_Reso 2021-XX (4347 : ADOPT RESOLUTION AUTHORIZING AMENDMENT NO. 8 TO THE LOAN AGREEMENT)

- 3. City staff is directed to appropriately record this loan in the City’s General Ledger system and subsequent financial reports, as necessary.
- 4. This loan is considered to be non-interest bearing.
- 5. The funds will be repaid by June 30, 2022.
- 6. If the funds are not repaid on or before June 30, 2022 in full, the City Council will reconsider this matter.

IN WITNESS WHEREOF, the parties have executed the Amendment 8 as of the date first above written.

Report to City Council

TO: Mayor and City Council

FROM: Michael L. Wolfe P.E., Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO ALL AMERICAN ASPHALT FOR PAVEMENT REHABILITATION FOR VARIOUS LOCAL STREETS – CDBG FISCAL YEAR 2020/21, PROJECT NO. 801 0088

RECOMMENDED ACTION

1. Award a construction contract to All American Asphalt for the Pavement Rehabilitation for Various Local Streets – CDBG FY 2020/21 project and authorize the City Manager to execute a contract with All American Asphalt in substantial conformance with the attached contract in the amount of \$1,294,784.00 for the construction of the project, funded by Community Development Block Grant (CDBG) (Fund 2512), Capital Project Reimbursement Fund (Fund 3008), and Gas Tax (Fund 2000);
2. Authorize the issuance of a Purchase Order for All American Asphalt in the amount of \$1,424,262.40 (bid amount plus a 10% contingency) when the contract has been signed by all parties; and
3. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the contract, but not exceeding the total contingency of \$129,478.40, subject to the approval of the City Attorney.

SUMMARY

This report recommends approval of a contract with All American Asphalt for the construction of the Pavement Rehabilitation for Various Local Streets – CDBG FY 2020/21 project. This project is consistent with the City Council's Momentum MoVal Strategic Plan as roadway maintenance remains a top priority for the Council.

DISCUSSION

This project provides pavement preservation and corrective work for a number of local street segments citywide. These streets are prioritized in the Pavement Management Program (PMP) Five-year Look-ahead Plan approved by the City Council in January 2021. In addition, streets selected for this project are within the CDBG target areas of the City and therefore eligible to receive federal CDBG funding. The preventative work (e.g. crack seal and slurry seal) and corrective work (e.g. local repairs and surface replacement) will help preserve and extend the useful life of the City’s largest asset at the lowest cost.

The project design and bidding documents were completed in April 2021 by the in-house engineering staff as a cost savings solution for the City. The project was advertised for construction bids on April 22, 2021 and formal bidding procedures were followed in conformance with the Public Contract Code. Two (2) bids were received via the electronic bid management system, PlanetBids, on May 13, 2021 as follows:

<u>CONTRACTORS</u>	<u>Base Bid Plus Additive Bid Amount</u>
1. All American Asphalt	\$1,993,779.00
2. Hardy & Harper, Inc.	\$2,359,020.00

The lowest responsible bidder was determined by comparing the cumulative total for all base bid and additive bid items as stipulated in the bidding documents. Staff has reviewed the bid by All American Asphalt and finds it to be the lowest responsible bidder in possession of a valid contractor license and bid bond. No outstanding issues were identified through review of the references submitted by All American Asphalt in their bid. Due to the bid amount, staff recommends awarding a contract to All American Asphalt to include only the base bid items of work to be constructed with this project.

A contingency of 10% of the bid amount (\$129,478.40) is recommended to account for any changed field condition that may have occurred during the period between the completion of the engineering design work and construction start. The contingency is also recommended to allow rapid response to avoid unnecessary construction delays that typically result in contractor change orders from unforeseen circumstances encountered during construction.

The Planning Division of the Community Development Department determined that this project is exempt from the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15301(c) as a Class 1 (Existing Facilities).

Approval of the recommended actions would support Objective 4 of the Momentum MoVal Strategic Plan: “Manage and maximize Moreno Valley’s public Infrastructure to ensure an excellent quality of life, develop and implement innovative, cost effective infrastructure maintenance programs, public facilities management strategies, and capital improvement programming and project delivery.”

ALTERNATIVES

1. Approve and authorize the recommended actions as presented in this staff report. *This alternative will provide for the timely construction of the Pavement Rehabilitation for Various Local Streets – CDBG FY 2020/21 project to enhance safety for drivers on public roads while extending the service life of city streets.*
2. Do not approve and authorize the recommended actions as presented in this staff report. *Staff does not recommend this alternative as it will delay construction of the Pavement Rehabilitation for Various Local Streets – CDBG FY 2020/21 project and may result in loss of federal CDBG grant funding and in higher future repair costs.*

FISCAL IMPACT

This project is funded by CDBG (Fund 2512) and Capital Project Reimbursement (Fund 3008). Additionally, this project includes upgrades of existing access ramps within rehabilitation paving limits, as required by State regulations. Gas Tax funds (Fund 2000) in the amount of \$162,000 from the Annual ADA Compliant Access Upgrades project (No 801 0008 70 77) will be used for this project. There is no impact to the General Fund.

PROJECT BUDGET:

Community Development Block Grant (CDBG)	
(Account 2512-70-77-80001-720199) (Project No. 801 0088-2515-99)	\$1,453,156
Capital Projects Reimbursements	
(Account 3008-70-77-80001-720199) (Project No. 801 0088-3008-99)	\$119,502
Gas Tax	
(Account 2000-70-77-80001-720199) (Project No. 801 0008 70 77-2000-99) ...	<u>\$162,000</u>
Total	<u>\$1,734,658</u>

ESTIMATED PROJECT COSTS:

In-house Design	\$30,000
Construction (including 10% contingency)	\$1,424,262.40
Construction Material Testing and Geotechnical Services	\$105,221.50
Construction Survey Services	\$31,600
Community Workforce Program Administration Services	\$19,000
Project Administration/Inspection*	<u>\$90,000</u>
Total	<u>\$1,700,083.90</u>

**Project administration and inspection will be provided by City staff*

ANTICIPATED PROJECT SCHEDULE:

Construction is anticipated to begin in late Summer 2021 once all pre-construction documentation and information is provided by the contractor and approved by the City. The project is anticipated to be completed in Winter 2022, barring any weather or unforeseen site condition delays.

NOTIFICATION

Prior to construction, schools, utilities, adjacent property owners, business owners, law enforcement, fire department, churches, public transportation, and other emergency service responders in the area will be notified in a timely manner of the proposed construction and roadway closure.

CITY COUNCIL GOALS

Public Safety. Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

Positive Environment. Create a positive environment for the development of Moreno Valley's future.

Community Image, Neighborhood Pride and Cleanliness. Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

Agreement No. _____

AGREEMENT**Project No. 801 0088****Pavement Rehabilitation for Various Local Streets (CDBG FY 20-21)**

THIS Agreement, effective as of the date signed by the City of Moreno Valley by and between the City of Moreno Valley, a municipal corporation, County of Riverside, State of California, hereinafter called the "City" and All American Asphalt, hereinafter called the "Contractor."

That the City and the Contractor for the consideration hereinafter named, agree as follows:

- 1. CONTRACT DOCUMENTS.** The Contract Documents consist of the following, which are incorporated herein by this reference:
- A. Governmental approvals, including, but not limited to, permits required for the Work
 - B. Community Workforce Agreement by and Between the City of Moreno Valley and San Bernardino/Riverside Counties Building and Construction Trades Council, AFL-CIO and the Signatory Craft Councils and Unions ("CWA") [PROJECTS OVER \$1,000,000]
 - C. This Agreement
 - D. Any and all Contract Change Orders and Construction Change Directives issued after execution of this Agreement
 - E. Addenda Nos. 0 inclusive, issued prior to the opening of the Bids
 - F. Federal Provisions and Requirements
 - G. Any Federal Certifications, documentation and reports as required, including but not limited to Contractor's Certification on Federal Contract Requirements, Certification of Nonsegregated Facilities, Certification of Equal Employment Opportunity, Certification on Good Faith Efforts Regarding Minority Based Enterprise (MBE) and Women Based Enterprise (WBE), Race and Ethnic Data Reporting Form.
 - H. City of Moreno Valley Supplementary General Conditions
 - I. The bound Contract Documents that includes City Special Provisions, General Provisions, and Technical Provisions.
 - J. Standard Specifications for Public Works Construction ("Greenbook") – latest edition in effect at the Bid Deadline, as modified by the City Special Provisions
 - K. Reference Specifications/Reference Documents other than those listed in paragraph 2, below.
 - L. Project Plans
 - M. City Standard Plans
 - N. Caltrans Standard Plans
 - O. EMWD Standards
 - P. Governmental approvals, including, but not limited to, permits required for the Work
 - Q. Contractor's Labor and Materials Payment Bond (for reference only)
 - R. Contractor's Faithful Performance Bond (for reference only)
 - S. Contractor's Certificates of Insurance and Additional Insured Endorsements
 - T. Contractor's Bid Schedule, Bidder's Proposal, Subcontractor List, and Material Supplier Listing

Standard Form of Agreement
00500-1

In the event of conflict between any of the Contract Documents, the provisions placing a more stringent requirement on the Contractor shall prevail. The Contractor shall provide the better quality or greater quantity of Work and/or materials unless otherwise directed by City in writing. In the event none of the Contract Documents place a more stringent requirement or greater burden on the Contractor, the controlling provision shall be that which is found in the document with higher precedence in accordance with the above order of precedence.

2. REFERENCE DOCUMENTS. The following Reference Documents are not considered Contract Documents and are made available to the Contractor for informational purposes:

A. None

3. SCOPE OF WORK. The Contractor shall perform and provide all materials, tools, equipment, labor, and services necessary to complete the Work described in the Contract Documents, except as otherwise provided in the Plans, Standard Specifications, or City Special Provisions to be the responsibility of others.

4. PAYMENT.

4.1. Contract Price and Basis for Payment. In consideration for the Contractor's full, complete, timely, and faithful performance of the Work required by the Contract Documents, the City shall pay Contractor for the actual quantity of Work required under the Bid Items awarded by the City performed in accordance with the lump sum prices and unit prices for Bid Items and Additive Alternate Bid Items, if any, set forth the Bid Schedule submitted with the Bid. The sum of the unit prices and lump sum prices for the Base Bid Items only, awarded by the City is **One Million Two Hundred Ninety-Four Thousand Seven Hundred Eighty-Four and 00/100 Dollars (\$ 1,294,784.00)** ("Contract Price"). It is understood and agreed that the quantities set forth in the Bid Schedule for which unit prices are fixed are estimates only and that City will pay and Contractor will accept, as full payment for these items of Work, the unit prices set forth in the Bid Schedule multiplied by the actual number of units performed, constructed, or completed as directed and measured by the City Engineer.

4.2. Payment Procedures. Based upon applications for payment submitted by the Contractor to the City, the City shall make payments to the Contractor in accordance with Section 7 of the Standard Specifications, as modified by Section 7 of the City Special Provisions.

5. CONTRACT TIME.

A. Contract Time. The Contract Time shall be **90 Working Days** for completing the Base Bid Work Items.

B. Initial Notice to Proceed. After the Agreement has been fully executed by the Contractor and the City, the City shall issue the "Notice to Proceed to Fulfill Preconstruction Requirements." The date specified in the Notice to Proceed to Fulfill Preconstruction Requirements constitutes the date of commencement of the Contract Time of **Ninety (90) Working Days for the Base Bid only**. The Contract Time includes the time necessary to fulfill preconstruction requirements, and to complete construction of the Project (except as adjusted by subsequent Change Orders).

The Notice to Proceed to Fulfill Preconstruction Requirements shall further specify that Contractor must complete the preconstruction requirements within **Ten (10) Working Days** after the date of commencement of the Contract Time; this duration is part of the Contract Time.

Preconstruction requirements include, but are not limited to, the following:

- Submitting and obtaining approval of Traffic Control Plans
- Submitting and obtaining approval of the Stormwater Pollution Prevention Plan (SWPPP)/Water Pollution Control Plan (WPCP)
- Submitting and obtaining approval of critical required submittals
- Installation of the approved Project Identification Signs
- Obtaining an approved no fee Encroachment Permit
- Obtaining a Temporary Use Permit for a construction yard
- Notifying all agencies, utilities, residents, etc., as outlined in the Contract Documents

If the City's issuance of a Notice to Proceed to Fulfill Preconstruction Requirements is delayed due to Contractor's failure to return the fully executed Agreement and insurance and bond documents within ten (10) Working Days after Contract award, then Contractor agrees to the deduction of one (1) Working Day from the number of days to complete the Project for every Working Day of delay in the City's receipt of said documents. This right is in addition to and does not affect the City's right to demand forfeiture of Contractor's Bid Security if Contractor persistently delays in providing the required documentation.

C. Notice to Proceed with Construction. After all preconstruction requirements are met and materials have been ordered in accordance with the Notice to Proceed to Fulfill Preconstruction Requirements, the City shall issue the "Notice to Proceed with Construction," at which time the Contractor shall diligently prosecute the Work, including corrective items of Work, day to day thereafter, within the remaining Contract Time.

6. LIQUIDATED DAMAGES.

6.1. **Liquidated Damages.** The Contractor and City (collectively, the "Parties") have agreed to liquidate damages with respect to Contractor's failure to complete the Work within the Contract Time, which includes the time necessary to fulfill preconstruction requirements and to complete construction of the Project (except as adjusted by subsequent Change Orders) in accordance with **Article 5** above. The Parties intend for the liquidated damages set forth herein to apply to this Contract as set forth in Government Code Section 53069.85 and in Public Contract Code Section 7203. Contractor acknowledges and agrees that the liquidated damages are intended to compensate the City solely for Contractor's failure to meet the deadlines for completion of the Work and will not excuse Contractor from liability from any other breach, including any failure of the Work to conform to the requirements of the Contract Documents.

In the event that Contractor fails to the Work within the Contract Time, Contractor agrees to pay the City **\$500.00 per Calendar Day** that completion of the each such portion of the Work is delayed beyond the Contract Time. The Contractor will not be assessed liquidated damages for delays occasioned by the failure of the City or of the owner of a utility to provide for the removal or relocation of utility facilities.

The Contractor and City acknowledge and agree that the foregoing liquidated damages have been set based on an evaluation of damages that the City will incur in the event of late completion of portions of the Work. The Contractor and City acknowledge and agree that the amount of such damages are impossible to ascertain as of the date of execution hereof and have agreed to such liquidated damages to fix the City's damages and to avoid later disputes. It is understood and agreed by Contractor that liquidated damages payable pursuant to this Agreement are not a penalty and that such amounts are not manifestly unreasonable under the circumstances existing as of the date of execution of this Agreement.

It is further mutually agreed that the City will have the right to deduct liquidated damages against progress payments or retainage and that the City will issue a Change Order or Construction Change Directive and reduce the Contract Price accordingly. In the event the remaining unpaid Contract Price is insufficient to cover the full amount of liquidated damages, Contractor shall pay the difference to the City.

Liquidated damages are owed automatically and without notice of any kind upon the accrual of each day of delay. City may at any time deduct liquidated damages as are payable hereunder from money due or to become due to Contractor, or pursue any other legal remedy to collect such liquidated damages from Contractor and/or its Surety. Neither the City's failure or delay in deducting liquidated damages from payments otherwise due Contractor, nor City's failure or delay in notifying Contractor of the accrual of liquidated damages, shall be deemed a waiver of City's right to liquidated damages.

City's rights under this Section shall not be interpreted as precluding or limiting: (1) any right or remedy of City arising from an event of Contractor default other than a failure to complete the Work within the Contract Time; or (2) City's right to order an acceleration, at Contractor's expense, of performance of the Work to overcome delay, including, without limitation, a delay for which City has the right to assess and/or accrue liquidated damages. The availability of liquidated damages shall not limit City's right to terminate the Contractor's performance and accrual and/or assessment of liquidated damages does not constitute a waiver of such rights.

6.2. Owner is Exempt from Liability for Early Completion Delay Damages. While the Contractor may schedule completion of all of the Work, or portions thereof, earlier than the Contract Time, the Owner is exempt from liability for and the Contractor will not be entitled to an adjustment of the Contract Sum or to any additional costs, damages, including, but not limited to, claims for extended general conditions costs, home office overhead, jobsite overhead, and management or administrative costs, or compensation whatsoever, for use of float time or for Contractor's inability to complete the Work earlier than the Contract Time for any reason whatsoever, including but not limited to, delay cause by Owner or other Excusable Compensable Delay. See Section 6-4 of the Standard Specifications and City Special Provisions regarding compensation for delays.

6.3. Any work completed by the Contractor after the issuance of a Stop Work Notice by the City shall be rejected and/or removed and replaced as specified in Section **3-5** of the City Special Provisions.

7. INSURANCE.

7.1. **General.** The Contractor shall procure and maintain at its sole expense and throughout the term of this Agreement, any extension thereof, Commercial General Liability, Automobile Liability, and Workers' Compensation Insurance with such coverage limits as described herein.

7.2. **Additional Insured Endorsements.** The Contractor shall cause the insurance required by the Contract Document to include the City of Moreno Valley, the City Council and each member thereof, the Moreno Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives as an additional insureds. For the Commercial General Liability coverage, said parties shall be named as additional insureds utilizing either:

1. Insurance Services Office ("ISO") Additional Insured endorsement CG 20 10 (11/85); or
2. ISO Additional Insured endorsement CG 20 10 (10/01) and Additional Insured Completed Operations endorsement CG 20 37 (10/01); or
3. Substitute endorsements providing equivalent coverage, approved by the City.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. The coverage shall contain no special limitations on the scope of protection afforded to such additional insureds. Coverage for such additional insureds does not extend to liability to the extent prohibited by Insurance Code Section 11580.4.

7.3. **Waivers of Subrogation.** All policies of insurance required by the Contract Documents shall include or be endorsed to provide a waiver by the insurers of any rights of recovery or subrogation that the insurers may have at any time against the City of Moreno Valley, the City Council and each member thereof, the Moreno Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives.

7.4. **Primary Coverage.** All policies and endorsements shall stipulate that the Contractor's (and the Subcontractors') insurance coverage shall be primary insurance as respects the City of Moreno Valley, the City Council and each member thereof, the Moreno Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives, and shall be excess of the Contractor's (and its Subcontractors') insurance and shall not contribute with it.

7.5. **Coverage Applies Separately to Each Insured and Additional Insured.** Coverage shall state that the Contractor's (and its Subcontractors') insurance shall apply separately to each insured or additional insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Coverage shall apply to any claim or suit brought by an additional insured against a named insured or other insured.

7.6. **Self-Insurance.** Any self-insurance (including deductibles or self-insured retention in excess of \$50,000) in lieu of liability insurance must be declared by Contractor and

Standard Form of Agreement
00500-5

approved by the City in writing prior to execution of the Agreement. The City's approval of self-insurance, if any, is within the City's sole discretion and is subject to the following conditions:

1. Contractor must, at all times during the term of the Agreement and for a period of at least **one (1)** year after completion of the Project and any extension of the one-year correction guarantee period in accordance with Section 3-13.3 of the City Special Provisions, maintain and upon Owner's reasonable request provide evidence of:
 - (a) Contractor's "net worth" (defined as "total assets" [defined as all items of value owned by the Contractor including tangible items such as cash, land, personal property and equipment and intangible items such as copyrights and business goodwill]) minus total outside liabilities must be reflected in a financial statement for the prior fiscal year reflecting sufficient income and budget for Contractor to afford at least one loss in an amount equal to the amount of self-insurance;
 - (b) Financial statements showing that Contractor has funds set aside/budgeted to finance the self-insured fund (i.e., Contractor has a program that fulfills functions that a primary insurer would fill; and
 - (c) A claims procedure that identifies how a claim is supposed to be tendered to reach the financing provided by the self-insured fund.
2. If at any time after such self-insurance has been approved Contractor fails to meet the financial thresholds or otherwise fails to comply with the provisions set forth in this Paragraph 7, at the option of the City:
 - (a) The Contractor shall immediately obtain and thereafter maintain the third party insurance required under this Paragraph 7 and otherwise on the terms required above; or
 - (b) The insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees and volunteers; or
 - (c) The Contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

7.7. Insurer Financial Rating. Insurance companies providing insurance hereunder shall be rated A-VII or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

7.8. Notices to City of Cancellation or Changes. Each insurance policy described in this Paragraph 7 shall contain a provision or be endorsed to state that coverage will not be cancelled without **thirty (30) days'** prior written notice by certified or registered mail to the City (this obligation may be satisfied in the alternative by requiring such notice to be provided by

Contractor's insurance broker and set forth on its Certificate of Insurance provided to the City), except that cancellation for non-payment of premium shall require (10) days prior written notice by certified or registered mail. If an insurance carrier cancels any policy or elects not to renew any policy required to be maintained by Contractor pursuant to the Contract Documents, Contractor agrees to give written notice to the City at the address indicated on the first page of the Agreement. Contractor agrees to provide the same notice of cancellation and non-renewal to the City that is required by such policy(ies) to be provided to the First Named Insured under such policy(ies). Contractor shall provide confirmation that the required policies have been renewed not less than seven (7) days prior to the expiration of existing coverages and shall deliver renewal or replacement policies, certificates and endorsements to the City Clerk within fourteen (14) days of the expiration of existing coverages. Contractor agrees that upon receipt of any notice of cancellation or alteration of the policies, Contractor shall procure within five (5) days, other policies of insurance similar in all respects to the policy or policies to be cancelled or altered. Contractor shall furnish to the City Clerk copies of any endorsements that are subsequently issued amending coverage or limits within fourteen (14) days of the amendment.

7.9. Commercial General Liability. Coverage shall be written on an ISO Commercial General Liability "occurrence" form CG 00 01 (10/01 or later edition) or equivalent form approved by the City for coverage on an occurrence basis. The insurance shall cover liability, including, but not limited to, that arising from premises operations, stop gap liability, independent contractors, products-completed operations, personal injury, advertising injury, and liability assumed under an insured contract. The policy shall be endorsed to provide the Aggregate Per Project Endorsement ISO form CG 25 03 (11/85). Coverage shall contain no contractors' limitation or other endorsement limiting the scope of coverage for liability arising from pollution, explosion, collapse, or underground (x, c, u) property damage. Contractor shall provide Products/Completed Operations coverage to be maintained continuously for a minimum of **one (1) year** after Final Acceptance of the Work, and any extension of the one-year correction guarantee period in accordance with Section 3-13.3 of the City Special Provisions.

Contractor shall maintain Commercial General Liability insurance with the following minimum limits: \$1,000,000 per occurrence / \$2,000,000 aggregate / \$2,000,000 products-completed operations.

7.10. Business Automobile Liability. Coverage shall be written on ISO form CA 00 01 (12/93 or later edition) or a substitute form providing equivalent coverage for owned, hired, leased and non-owned vehicles, whether scheduled or not, with \$1,000,000 combined single limit per accident for bodily injury and property damage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

7.11. Workers' Compensation. Contractor shall comply with the applicable sections of the California Labor Code concerning workers' compensation for injuries on the job. Compliance is accomplished in one of the following manners:

1. Provide copy of permissive self-insurance certificate approved by the State of California; or
2. Secure and maintain in force a policy of workers' compensation insurance with statutory limits and Employer's Liability Insurance with a minimal limit of **\$1,000,000** per accident; or

3. Provide a “waiver” form certifying that no employees subject to the Labor Code’s Workers’ Compensation provision will be used in performance of this Contract.

7.12. **Subcontractors’ Insurance.** The Contractor shall include all Subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each Subcontractor. All coverages for Subcontractors shall be subject to all of the requirements stated herein.

8. **BONDS.** The Contractor shall provide two surety bonds. The Contractor shall furnish a satisfactory Performance Bond meeting all statutory requirements of the State of California on the form provided by the City. The bond shall be furnished as a guarantee of the faithful performance of the requirements of the Contract Documents as may be amended from time to time, including, but not limited to, liability for delays and damages (both direct and consequential) to the City and the City’s Separate Contractors and consultants, warranties, guarantees, and indemnity obligations, in an amount that shall remain equal to one hundred percent (100%) of the Contract Price.

The Contractor shall furnish a separate satisfactory Labor and Materials Payment Bond meeting all statutory requirements of the State of California on the form provided by the City in an amount that shall remain equal to one hundred percent (100%) of the Contract Price to secure payment of all claims, demands, stop payment notices, or charges of the State of California, of material suppliers, mechanics, or laborers employed by the Contractor or by any Subcontractor, or any person, firm, or entity eligible to file a stop payment notice with respect to the Work.

All bonds shall be executed by a California-admitted surety insurer. Bonds issued by a California-admitted surety insurer listed on the latest version of the U.S Department of Treasury Circular 570 shall be deemed accepted unless specifically rejected by the City. Bonds issued by sureties not listed in Treasury Circular 570 must be accompanied by all documents enumerated in California Code of Civil Procedure Section 995.660(a). The bonds shall bear the same date as the Contract. The attorney-in-fact who executes the required bonds on behalf of the surety shall affix thereto a certified and current copy of the power of attorney. In the event of changes that increase the Contract Price, the amount of each bond shall be deemed to increase and at all times remain equal to the Contract Price. The signatures shall be acknowledged by a notary public. Every bond must display the surety’s bond number and incorporate the Contract for construction of the Work by reference. The terms of the bonds shall provide that the surety agrees that no change, extension of time, alteration, or modification of the Contract Documents or the Work to be performed thereunder shall in any way affect its obligations and shall waive notice of any such change, extension of time, alteration, or modification of the Contract Documents. The surety further agrees that it is obligated under the bonds to any successor, grantee, or assignee of the City.

Upon the request of any person or entity appearing to be a potential beneficiary of bonds covering payment of obligations arising under the Contract, the Contractor shall promptly furnish a copy of the bonds or shall authorize a copy to be furnished.

Should any bond become insufficient, or should any of the sureties, in the opinion of the City, become non-responsible or unacceptable, the Contractor shall, within ten (10) Calendar Days after receiving notice from the City, provide written documentation to the Satisfaction of the City

that Contractor has secured new or additional sureties for the bonds; otherwise the Contractor shall be in default of the Contract. No further payments shall be deemed due or will be made under Contract until a new surety(ies) qualifies and is accepted by the City.

Contractor agrees that the Labor and Materials Payment Bond and Faithful Performance Bond attached to this Agreement are for reference purposes only, and shall not be considered a part of this Agreement. Contractor further agrees that said bonds are separate obligations of the Contractor and its Surety, and that any attorney’s fee provision contained in any payment bond or performance bond shall not apply to this Agreement. In the event there is any litigation between the parties arising from the breach of this Agreement, each party will bear its own attorneys’ fees in the litigation.

9. RECORDS. The Contractor and its Subcontractors shall maintain and keep books, payrolls, invoices of materials, and Project records current, and shall record all transactions pertaining to the Contract in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, Riverside County, the State of California, the Federal Government, and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for at least five (5) years after Final Acceptance.

10. INDEMNIFICATION.

10.1. **General.** To the fullest extent permitted by law, the Contractor assumes liability for and agrees, at the Contractor’s sole cost and expense, to promptly and fully indemnify, protect, hold harmless and defend (even if the allegations are false, fraudulent, or groundless), the City of Moreno Valley, its City Council, the Moreno Valley Housing Authority (MVHA), and the Moreno Valley Community Services District (CSD), and all of their respective officials, officers, directors, employees, commission members, representatives and agents (“Indemnitees”), from and against any and all claims, allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceeds, causes of action, demands, costs, judgments, liens, stop payment notices, penalties, liabilities, damages, losses, anticipated losses of revenues, and expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses), or losses of any kind or nature whatsoever, whether actual, threatened or alleged, arising out of, resulting from, or in any way (either directly or indirectly), related to the Work, the Project or any breach of the Contract by Contractor or any of its officers, agents, employees, Subcontractors, Sub-subcontractors, or any person performing any of the Work, pursuant to a direct or indirect contract with the Contractor (“Indemnity Claims”). Such Indemnity Claims include, but are not limited to, claims for:

- A. Any activity on or use of the City’s premises or facilities;
- B. Any liability incurred due to Contractor acting outside the scope of its authority pursuant to the Contract, whether or not caused in part by an Indemnified Party;
- C. The failure of Contractor or the Work to comply with any Applicable Law, permit or orders;
- D. Any misrepresentation, misstatement or omission with respect to any statement made in the Contract Documents or any document furnished by the Contractor in connection therewith;

Attachment: Construction Contract with All American Asphalt (4395 : AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO ALL

- E. Any breach of any duty, obligation or requirement under the Contract Documents, including, but not limited to any breach of Contractor's warranties, representations or agreements set forth in the Contract Documents;
- F. Any failure to coordinate the Work with City's Separate Contractors;
- G. Any failure to provide notice to any party as required under the Contract Documents;
- H. Any failure to act in such a manner as to protect the Project from loss, cost, expense or liability;
- I. Bodily or personal injury, emotional injury, sickness or disease, or death at any time to any persons including without limitation employees of Contractor;
- J. Damage or injury to real property or personal property, equipment and materials (including, but without limitation, property under the care and custody of the Contractor or the City) sustained by any person or persons (including, but not limited to, companies, corporations, utility company or property owner, Contractor and its employees or agents, and members of the general public);
- K. Any liability imposed by Applicable Law including, but not limited to criminal or civil fines or penalties;
- L. Any dangerous, hazardous, unsafe or defective condition of, in or on the Site, of any nature whatsoever, which may exist by reason of any act, omission, neglect, or any use or occupation of the Site by Contractor, its officers, agents, employees, or Subcontractors;
- M. Any operation conducted upon or any use or occupation of the Site by Contractor, its officers, agents, employees, or Subcontractors under or pursuant to the provisions of the Contract or otherwise;
- N. Any acts, errors, omission or negligence of Contractor, its officers, agents, employees, or Subcontractors;
- O. Infringement of any patent rights, licenses, copyrights or intellectual property which may be brought against the Contractor or Owner arising out of Contractor's Work, for which the Contractor is responsible; and
- P. Any and all claims against the City seeking compensation for labor performed or materials used or furnished to be used in the Work or alleged to have been furnished on the Project, including all incidental or consequential damages resulting to the City from such claims.

10.2. **Effect of Indemnitees' Active Negligence.** Contractor's obligations to indemnify and hold the Indemnitees harmless exclude only such portion of any Indemnity Claim which is attributable to the active negligence or willful misconduct of the Indemnatee, provided such active negligence or willful misconduct is determined by agreement of the parties or by findings of a court of competent jurisdiction. In instances where an Indemnatee's active negligence accounts for only a percentage of the liability for the Indemnity Claim involved, the obligation of Contractor will be for that entire percentage of liability for the Indemnity Claim not attributable to the active negligence or willful misconduct of the Indemnatee(s). Such obligation shall not be construed to negate, abridge or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph 10. Subject to the limits set forth herein, the Contractor, at its own expense, shall satisfy any resulting judgment that may be

rendered against any Indemnitee resulting from an Indemnity Claim. The Indemnitees shall be consulted with regard to any proposed settlement.

10.3. Independent Defense Obligation. The duty of the Contractor to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Contractor of the tender of any Indemnity Claim from an Indemnitee. The Contractor's obligation to defend the Indemnitee(s) shall be at Contractor's sole expense, and not be excused because of the Contractor's inability to evaluate liability or because the Contractor evaluates liability and determines that the Contractor is not liable. This duty to defend shall apply whether or not an Indemnity Claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively, or concurrently negligent, or which otherwise asserts that the Indemnitees are responsible, in whole or in part, for any Indemnity Claim. The Contractor shall respond within thirty (30) Calendar Days to the tender of any Indemnity Claim for defense and/or indemnity by an Indemnitee, unless the Indemnitee agrees in writing to an extension of this time. The defense provided to the Indemnitees by Contractor shall be by well qualified, adequately insured and experienced legal counsel acceptable to the City.

10.4. Intent of Parties Regarding Scope of Indemnity. It is the intent of the parties that the Contractor and its Subcontractors of all tiers shall provide the Indemnitees with the broadest defense and indemnity permitted by Applicable Law. In the event that any of the defense, indemnity or hold harmless provisions in the Contract Documents are found to be ambiguous, or in conflict with one another, it is the parties' intent that the broadest and most expansive interpretation in favor of providing defense and/or indemnity to the Indemnitees be given effect.

10.5. Waiver of Indemnity Rights Against Indemnitees. With respect to third party claims against the Contractor, to the fullest extent permitted by law, the Contractor waives any and all rights to any type of express or implied indemnity against the Indemnitees.

10.6. Subcontractor Requirements. In addition to the requirements set forth hereinabove, Contractor shall ensure, by written subcontract agreement, that each of Contractor's Subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to Indemnity Claims arising out of, in connection with, or in any way related to each such Subcontractors' Work on the Project in the same manner in which Contractor is required to protect, defend, indemnify and hold the Indemnitees harmless. In the event Contractor fails to obtain such defense and indemnity obligations from others as required herein, Contractor agrees to be fully responsible to the Indemnitees according to the terms of this Paragraph 10. Contractor further agrees to ensure that each subcontractor will execute a separate Letter of Assent to the terms of the CWA if the total project cost is \$1,000,000 or more and will fully indemnify the City for any claims or losses which result from a Subcontractor's failure to adhere to the terms of the CWA on this project.

10.7. No Limitation or Waiver of Rights. Contractor's obligations under this Paragraph 10 are in addition to any other rights or remedies which the Indemnitees may have under the law or under the Contract Documents. Contractor's indemnification and defense obligations set forth in this Paragraph 10 are separate and independent from the insurance provisions set forth in the Contract Documents, and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance provisions. The purchase of insurance by the Contractor with respect to the

obligations required herein shall in no event be construed as fulfillment or discharge of such obligations. In any and all claims against the Indemnitees by any employee of the Contractor, any Subcontractor, any supplier of the Contractor or Subcontractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the obligations under this Paragraph 10 shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any Subcontractor or any supplier of either of them, under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. Failure of the City to monitor compliance with these requirements imposes no additional obligations on the City and will in no way act as a waiver of any rights hereunder.

10.8. Withholding to Secure Obligations. In the event an Indemnity Claim arises prior to final payment to Contractor, the City may, in its sole discretion, reserve, retain or apply any monies due Contractor for the purpose of resolving such Indemnity Claims; provided, however, the City may release such funds if the Contractor provides the City with reasonable assurances of protection of the Indemnitees' interests. The City shall, in its sole discretion, determine whether such assurances are reasonable.

10.9. Survival of Indemnity Obligations. Contractor's obligations under this Paragraph 10 are binding on Contractor's and its Subcontractors' successors, heirs and assigns and shall survive the completion of the Work or termination of the Contractor's performance of the Work.

11. FEDERAL REQUIREMENTS. If the Contractor or Subcontractor is performing work on Section 3, Housing and Urban Development Act of 1968, projects for which the amount of the assistance exceeds \$200,000 and the contract or subcontract exceeds \$100,000:

11.1 The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

11.2 The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implements Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

11.3 The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

11.4 The contractor agrees to include this Section 3 Clause in every subcontract subject

Attachment: Construction Contract with All American Asphalt (4395 : AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO ALL

to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 Clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

11.5 The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

11.6 Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

11.7 With respect to work performed in connection with Section 3 covered Indian housing assistance, Section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and Section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with Section 7(b).

12. SUCCESSORS AND ASSIGNS. The Parties bind themselves, their heirs, executors, administrators, successors and assigns the covenants, agreements and obligations contained in the Contract Documents. The Contractor shall not, either voluntarily or by action of law, assign any right or obligation of the Contractor under the Contract Documents without prior written consent of the City.

Attachment: Construction Contract with All American Asphalt (4395 : AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO ALL

Report to City Council

TO: Mayor and City Council

FROM: Michael L. Wolfe P.E., Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO SPECTRUM CONSTRUCTION GROUP INC. FOR THE CITYWIDE PAVEMENT REHABILITATION PROGRAM FY 2020/21, PROJECT NO. 801 0087, AND AGREEMENTS FOR CONSULTANT CONSTRUCTION ENGINEERING SERVICES TO LOR GEOTECHNICAL GROUP INC. AND KDM MERIDIAN FOR PROJECT NOS. 801 0087, 801 0088, AND 803 0043

RECOMMENDED ACTION

1. Award a construction contract to Spectrum Construction Group Inc. for the Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087) and authorize the City Manager to execute a contract in substantial conformance with the attached contract in the amount of \$3,609,731.65, funded by Senate Bill 1 (SB1) Funds (2000A), Community Development Block Grant (CDBG) Funds (Fund 2512), and Capital Project Reimbursement Fund (Fund 3008);
2. Award an Agreement for Professional Consultant Service to KDM Meridian to provide construction surveying services for three projects: Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087), Pavement Rehabilitation for Various Local Streets - CDBG FY 2020/21 (Project No. 801 0088), and Corporate Yard Master Plan Improvements - Infiltration Trench Installation (Project No. 803 0043), and authorize the City Manager to execute the agreement with KDM Meridian in the amount of \$75,580.00;
3. Award an Agreement for Professional Consultant Service to LOR Geotechnical Group Inc. to provide material testing and geotechnical services for three projects: Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087), Pavement Rehabilitation for Various Local Streets - CDBG FY 2020/21 (Project No. 801 0088), and Corporate Yard Master Plan Improvements - Infiltration Trench Installation (Project No. 803 0043), and authorize the City

Manager to execute the agreement with LOR Geotechnical Group Inc. in the amount of \$239,682.00;

4. Authorize the issuance of a Purchase Order to Spectrum Construction Group Inc. in the amount of \$3,970,704.81 (bid amount plus a 10% contingency), three Purchase Orders to KDM Meridian in the total amount of \$75,580.00, and three Purchase Orders to LOR Geotechnical Group Inc. in the total amount of \$239,682.00 necessary for completing the construction of said projects; and
5. Authorize the Public Works Director/City Engineer to execute any subsequent change orders to the Spectrum Construction Group Inc. contract not exceeding the contingency of \$360,973.16, subject to the approval of the City Attorney.

SUMMARY

This report recommends approval of a contract with Spectrum Construction Group Inc. for the construction of the Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087). The report also recommends approval of a professional consultant agreement for construction surveying services with KDM Meridian and a professional consultant agreement for material testing and geotechnical services with LOR Geotechnical Group Inc. for the Citywide Pavement Rehabilitation Program FY 2020/21 (Project No. 801 0087), as well as for Pavement Rehabilitation for Various Local Streets (Project No. 801 0088) and Corporate Yard Master Plan Improvements - Infiltration Trench Installation (Project No. 803 0043). These projects are funded by Senate Bill 1 (SB1) Funds (2000A), Community Development Block Grant (CDBG) Funds (Fund 2512), and Capital Project Reimbursement Funds (Fund 3008). These projects are consistent with the City Council's Momentum MoVal Strategic Plan as roadway and public facility maintenance remains a top priority for the City Council.

DISCUSSION

On March 17, 2020 the City Council adopted Resolution 2020-10 approving a list of arterial, collector, and local street segments for pavement rehabilitation for FY 2020/21 pursuant to California Transportation Commission (CTC) requirements associated with funding under SB1. The street segments selected for this project are included in the Pavement Management Five-year Look-ahead Plan as approved by the City Council in January 2021. This plan provides a focus over the next five years for the limited funding available for pavement repairs.

Project No. 801 0087 provides both pavement preventative and corrective work for 13 arterial/collector and 34 local street segments citywide. The preventative work (e.g. crack seal and slurry seal) and corrective work (e.g. local repairs and surface replacement) will help preserve and extend the useful life of the City's largest asset at the lowest cost. The project also includes the reconstruction of various access ramps within the paving limits to meet current ADA requirements, repairs of roadway shoulders, and other related street improvements.

This Project No. 801 0087 was designed in-house by engineering staff and advertised for construction bids on May 6, 2021. Formal bidding procedures were followed in conformance with the Public Contract Code. Four (4) bids were received via the electronic bid management system, PlanetBids, on May 28, 2021 as follows:

<u>CONTRACTORS</u>	<u>Bid Amount</u>
1. Spectrum Construction Group Inc.	\$3,609,731.65
2. All American Asphalt	\$3,676,366.00
3. R. J. Noble Company	\$3,889,144.00
4. Hardy & Harper Inc.	\$4,111,000.00

The lowest responsible bidder was determined by comparing the cumulative total for all bid items as stipulated in the bidding documents. Staff has reviewed the bid by Spectrum Construction Group Inc. and finds it to be the lowest responsive and responsible bidder in possession of a valid license and bid bond. No outstanding issues were identified through review of the references submitted by Spectrum Construction Group Inc. in their bid. Staff recommends awarding a contract to Spectrum Construction Group Inc. to construct much needed street improvements as included in this project.

A contingency of 10% of the bid amount (\$360,973.17) is recommended to account for any changed field condition that may have occurred during the period between the completion of the engineering design work and construction start. The contingency is also recommended to allow rapid response to avoid unnecessary construction delays that typically result in contractor change orders from unforeseen circumstances encountered during construction.

Staff recommends awarding an agreement to KDM Meridian in an amount of \$75,580.00 to provide construction surveying services for this project, as well as for the Pavement Rehabilitation for Various Local Streets (Project No. 801 0088) and the Corporate Yard Master Plan Improvements - Infiltration Trench Installation (Project No. 803 0043), since construction for these three projects is anticipated to happen simultaneously. It would be more efficient and cost effective for a consultant to perform the required services for these three projects at the same time.

Staff also recommends awarding an agreement to LOR Geotechnical Group Inc. in an amount of \$239,682.00 to provide material and geotechnical services for these three projects that generally include performing tests on the contractor's furnished slurry seal, asphalt, and concrete materials and observing the placement of these materials in the field to ensure the construction meets the project requirements. Both KDM Meridian and LOR Geotechnical Group Inc. are selected through the request for proposals and selection process and deemed to be highly qualified to perform these services for the projects.

The Planning Division of the Community Development Department determined that the Project No. 801 0087 is exempt from the California Environmental Quality Act (CEQA) per CEQA Guidelines Section 15301(c) as a Class 1 (Existing Facilities).

Approval of the recommended actions would support Objective 4 of the Momentum MoVal Strategic Plan: “Manage and maximize Moreno Valley’s public Infrastructure to ensure an excellent quality of life, develop and implement innovative, cost effective infrastructure maintenance programs, public facilities management strategies, and capital improvement programming and project delivery.”

ALTERNATIVES

1. Approve and authorize the recommended actions as presented in this staff report. *This alternative will provide for the timely construction of the Citywide Pavement Rehabilitation Program FY 2020/21 project.*
2. Do not approve and authorize the recommended actions as presented in this staff report. *Staff does not recommend this alternative as it will delay the construction of needed improvements and may result in higher future repair costs.*

FISCAL IMPACT

The projects are funded by Senate Bill 1 (SB1) Funds (2000A), Community Development Block Grant Funds (CDBG Fund 2512), and Capital Project Reimbursement Funds (Fund 3008). Additionally, project No. 801 0087 includes upgrades of existing access ramps within rehabilitation paving limits, as required by State regulations. Gas Tax (Fund 2000) in the amount of \$109,725 from the Annual ADA Compliant Access Upgrades (Project No 801 0008 70 77) will be used for this project. There is no impact to the General Fund.

AVAILABLE BUDGET

Project Administration and General Inspection* \$155,000
Subtotal \$4,381,004.31

Project No. 801 0088
In-house Design \$30,000
Construction (including 10% contingency) \$1,424,262.40
Construction Material Testing and Geotechnical Services \$105,221.50
Construction Survey Services \$31,600
Community Workforce Program Administration Services \$19,000
Project Administration/Inspection* \$90,000
Total \$1,700,083.90

Project No. 803 0043
Construction (includes 10% contingency) \$155,949
Construction Surveying and Geotechnical/Material Testing costs \$ 20,071
Project Administration and Inspection* \$ 10,000
Subtotal \$186,020

Total Cost \$6,267,108.21

**Project administration and inspection will be provided by City staff*

ANTICIPATED PROJECT SCHEDULE:

Construction is anticipated to begin in late Summer 2021 once all pre-construction documentation and information is provided by the contractor and approved by the City. The project is anticipated to be completed in Winter 2022, barring any weather or unforeseen site condition delays.

NOTIFICATION

Prior to construction, business owners, schools, utilities, adjacent property owners, law enforcement, fire department, churches, public transportation, and other emergency service responders in the area will be notified in a timely manner of the proposed construction and roadway closures.

CITY COUNCIL GOALS

Public Safety. Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

Community Image, Neighborhood Pride and Cleanliness. Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

CITY COUNCIL STRATEGIC PRIORITIES

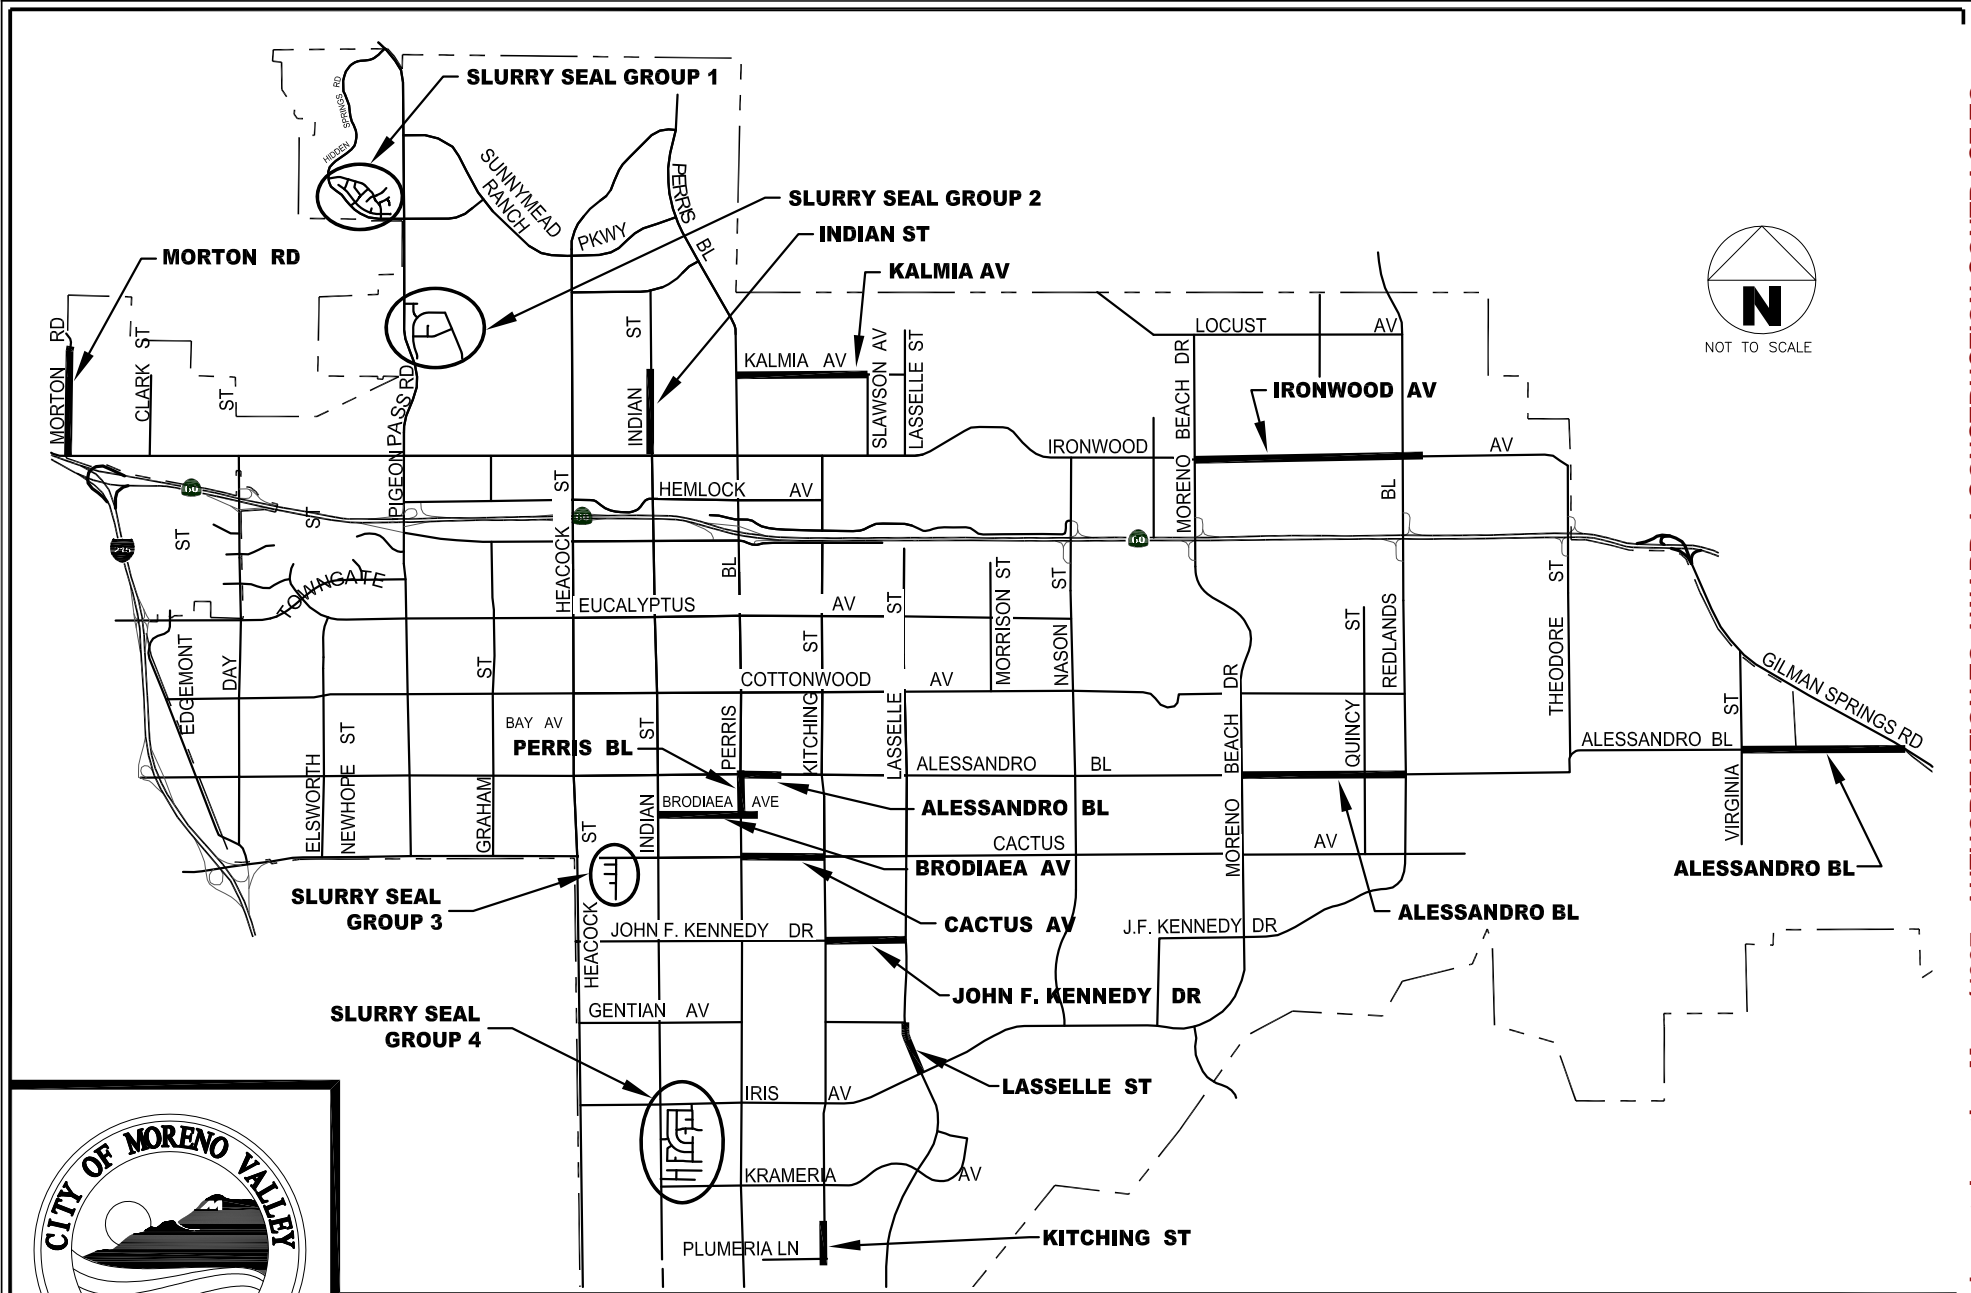

1. Economic Development
2. Public Safety
3. Library
4. Infrastructure
5. Beautification, Community Engagement, and Quality of Life
6. Youth Programs

Agreement No. _____

AGREEMENT**PROJECT NO. 801 0087
CITYWIDE PAVEMENT REHABILITATION PROGRAM (FY 2020/21)**

THIS Agreement, effective as of the date signed by the City of Moreno Valley by and between the City of Moreno Valley, a municipal corporation, County of Riverside, State of California, hereinafter called the "City" and Spectrum Construction Group Inc., hereinafter called the "Contractor."

That the City and the Contractor for the consideration hereinafter named, agree as follows:

1. CONTRACT DOCUMENTS. The Contract Documents consist of the following, which are incorporated herein by this reference:

- A. This Agreement
- B. Community Workforce Agreement by and Between the City of Moreno Valley and San Bernardino/Riverside Counties Building and Construction Trades Council, AFL-CIO and the Signatory Craft Councils and Unions ("CWA") [PROJECTS OVER \$1,000,000]
- C. Any and all Contract Change Orders and Construction Change Directives issued after execution of this Agreement
- D. Addenda Nos. 0 inclusive, issued prior to the Bid Deadline
- E. The bound Contract Documents that includes City Special Provisions, General Provisions, and Technical Provisions
- F. Standard Specifications for Public Works Construction ("Greenbook") – latest edition in effect at the Bid Deadline, as modified by the City Special Provisions
- G. Reference Specifications/Reference Documents other than those listed in paragraph 2, below
- H. Project Plans
- I. City Standard Plans
- J. Caltrans Standard Plans
- K. EMWD Standard Plans
- L. Governmental approvals, including, but not limited to, permits required for the Work
- M. Contractor's Labor and Materials Payment Bond (for reference only)
- N. Contractor's Faithful Performance Bond (for reference only)
- O. Contractor's Certificates of Insurance and Additional Insured Endorsements

In the event of conflict between any of the Contract Documents, the provisions placing a more stringent requirement on the Contractor shall prevail. The Contractor shall provide the better quality or greater quantity of Work and/or materials unless otherwise directed by City in writing. In the event none of the Contract Documents place a more stringent requirement or greater burden on the Contractor, the controlling provision shall be that which is found in the document with higher precedence in accordance with the above order of precedence.

2. REFERENCE DOCUMENTS. The following Reference Documents are not considered Contract Documents and are made available to the Contractor for informational purposes:

- A. None

3. SCOPE OF WORK. The Contractor shall perform and provide all materials, tools, equipment, labor, and services necessary to complete the Work described in the Contract Documents, except as otherwise provided in the Plans, Standard Specifications, or City Special Provisions to be the responsibility of others.

4. PAYMENT.

4.1. Contract Price and Basis for Payment. In consideration for the Contractor's full, complete, timely, and faithful performance of the Work required by the Contract Documents, the City shall pay Contractor for the actual quantity of Work required under the Bid Items awarded by the City performed in accordance with the lump sum prices and unit prices for Bid Items and Additive Alternate Bid Items, if any, set forth the Bid Schedule submitted with the Bid. The sum of the unit prices and lump sum prices for all Base Bid Items and Additive Alternate Bid Items awarded by the City is Three Million Six Hundred Nine Thousand Seven Hundred Thirty -One and 65/100 Dollars (\$ 3,609,731.65) ("Contract Price"). It is understood and agreed that the quantities set forth in the Bid Schedule for which unit prices are fixed are estimates only and that City will pay and Contractor will accept, as full payment for these items of Work, the unit prices set forth in the Bid Schedule multiplied by the actual number of units performed, constructed, or completed as directed and measured by the City Engineer.

4.2. Payment Procedures. Based upon applications for payment submitted by the Contractor to the City, the City shall make payments to the Contractor in accordance with Section 7 of the Standard Specifications, as modified by Section 7 of the City Special Provisions.

5. CONTRACT TIME.

A. Contract Time. The Contract Time shall be **120 Working Days** to complete the all work items.

B. Initial Notice to Proceed. After the Agreement has been fully executed by the Contractor and the City, the City shall issue the "Notice to Proceed to Fulfill Preconstruction Requirements." The date specified in the Notice to Proceed to Fulfill Preconstruction Requirements constitutes the date of commencement of the Contract Time of **One Hundred Twenty (120) Working Days for completing all work items**. The Contract Time includes the time necessary to fulfill preconstruction requirements and to complete construction of the Project (except as adjusted by subsequent Change Orders).

The Notice to Proceed to Fulfill Preconstruction Requirements shall further specify that Contractor must complete the preconstruction requirements within **Ten (10) Working Days** after the date of commencement of the Contract Time; this duration is part of the Contract Time.

Preconstruction requirements include, but are not limited to, the following:

- Submitting and obtaining approval of Traffic Control Plans
- Submitting and obtaining approval of the Stormwater Pollution Prevention Plan (SWPPP)/Water Pollution Control Plan (WPCP)
- Submitting and obtaining approval of critical required submittals
- Installation of the approved Project Identification Signs
- Obtaining an approved no fee Encroachment Permit
- Obtaining a Temporary Use Permit for a construction yard
- Notifying all agencies, utilities, residents, etc., as outlined in the Contract Documents

If the City's issuance of a Notice to Proceed to Fulfill Preconstruction Requirements is delayed due to Contractor's failure to return the fully executed Agreement and insurance and bond documents within ten (10) Working Days after Contract award, then Contractor agrees to the deduction of one (1) Working Day from the number of days to complete the Project for every Working Day of delay in the City's receipt of said documents. This right is in addition to and does not affect the City's right to demand forfeiture of Contractor's Bid Security if Contractor persistently delays in providing the required documentation.

C. Notice to Proceed with Construction. After all preconstruction requirements are met and materials have been ordered in accordance with the Notice to Proceed to Fulfill Preconstruction Requirements, the City shall issue the "Notice to Proceed with Construction," at which time the Contractor shall diligently prosecute the Work, including corrective items of Work, day to day thereafter, within the remaining Contract Time.

6. LIQUIDATED DAMAGES AND CONTROL OF WORK.

6.1. **Liquidated Damages.** The Contractor and City (collectively, the "Parties") have agreed to liquidate damages with respect to Contractor's failure to complete the Work within the Contract Time, which includes the time necessary to fulfill preconstruction requirements and to complete construction of the Project (except as adjusted by subsequent Change Orders) in accordance with **Article 5** above. The Parties intend for the liquidated damages set forth herein to apply to this Contract as set forth in Government Code Section 53069.85 and in Public Contract Code Section 7203. Contractor acknowledges and agrees that the liquidated damages are intended to compensate the City solely for Contractor's failure to meet the deadlines for completion of the Work and will not excuse Contractor from liability from any other breach, including any failure of the Work to conform to the requirements of the Contract Documents.

In the event that Contractor fails to complete the Work within the Contract Time, Contractor agrees to pay the City **\$500.00 per Calendar Day** that completion of the each such portion of the Work is delayed beyond the Contract Time. The Contractor will not be assessed liquidated damages for delays occasioned by the failure of the City or of the owner of a utility to provide for the removal or relocation of utility facilities.

The Contractor and City acknowledge and agree that the foregoing liquidated damages have been set based on an evaluation of damages that the City will incur in the event of late completion of portions of the Work. The Contractor and City acknowledge and agree that the amount of such damages are impossible to ascertain as of the date of execution hereof and have agreed to such liquidated damages to fix the City's damages and to avoid later disputes. It is understood and agreed by Contractor that liquidated damages payable pursuant to this Agreement are not a penalty and that such amounts are not manifestly unreasonable under the circumstances existing as of the date of execution of this Agreement.

It is further mutually agreed that the City will have the right to deduct liquidated damages against progress payments or retainage and that the City will issue a Change Order or Construction Change Directive and reduce the Contract Price accordingly. In the event the remaining unpaid Contract Price is insufficient to cover the full amount of liquidated damages, Contractor shall pay the difference to the City.

Liquidated damages are owed automatically and without notice of any kind upon the accrual of each day of delay. City may at any time deduct liquidated damages as are payable hereunder

from money due or to become due to Contractor, or pursue any other legal remedy to collect such liquidated damages from Contractor and/or its Surety. Neither the City's failure or delay in deducting liquidated damages from payments otherwise due Contractor, nor City's failure or delay in notifying Contractor of the accrual of liquidated damages, shall be deemed a waiver of City's right to liquidated damages.

City's rights under this Section shall not be interpreted as precluding or limiting: (1) any right or remedy of City arising from an event of Contractor default other than a failure to complete the Work within the Contract Time; or (2) City's right to order an acceleration, at Contractor's expense, of performance of the Work to overcome delay, including, without limitation, a delay for which City has the right to assess and/or accrue liquidated damages. The availability of liquidated damages shall not limit City's right to terminate the Contractor's performance and accrual and/or assessment of liquidated damages does not constitute a waiver of such rights.

6.2. Owner is Exempt from Liability for Early Completion Delay Damages. While the Contractor may schedule completion of all of the Work, or portions thereof, earlier than the Contract Time, the Owner is exempt from liability for and the Contractor will not be entitled to an adjustment of the Contract Sum or to any additional costs, damages, including, but not limited to, claims for extended general conditions costs, home office overhead, jobsite overhead, and management or administrative costs, or compensation whatsoever, for use of float time or for Contractor's inability to complete the Work earlier than the Contract Time for any reason whatsoever, including but not limited to, delay cause by Owner or other Excusable Compensable Delay. See Section 6-4 of the Standard Specifications and City Special Provisions regarding compensation for delays.

6.3. Any work completed by the Contractor after the issuance of a Stop Work Notice by the City shall be rejected and/or removed and replaced as specified in Section **3-5** of the City Special Provisions.

7. INSURANCE.

7.1. General. The Contractor shall procure and maintain at its sole expense and throughout the term of this Agreement, any extension thereof, Commercial General Liability, Automobile Liability, and Workers' Compensation Insurance with such coverage limits as described herein.

7.2. Additional Insured Endorsements. The Contractor shall cause the insurance required by the Contract Document to include the City of Moreno Valley, the City Council and each member thereof, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers and representatives as an additional insureds. For the Commercial General Liability coverage, said parties shall be named as additional insureds utilizing either:

1. Insurance Services Office ("ISO") Additional Insured endorsement CG 20 10 (11/85); or
2. ISO Additional Insured endorsement CG 20 10 (10/01) and Additional Insured Completed Operations endorsement CG 20 37 (10/01); or
3. Substitute endorsements providing equivalent coverage, approved by the City.

The endorsements shall be signed by a person authorized by the insurer to bind coverage on its behalf. The coverage shall contain no special limitations on the scope of protection afforded to such additional insureds. Coverage for such additional insureds does not extend to liability to the extent prohibited by Insurance Code Section 11580.4.

7.3. **Waivers of Subrogation.** All policies of insurance required by the Contract Documents shall include or be endorsed to provide a waiver by the insurers of any rights of recovery or subrogation that the insurers may have at any time against the City of Moreno Valley, the City Council and each member thereof, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers, and representatives.

7.4. **Primary Coverage.** All policies and endorsements shall stipulate that the Contractor's (and the Subcontractors') insurance coverage shall be primary insurance as respects the City of Moreno Valley, the City Council and each member thereof, the Moreno Valley Housing Authority, and the Moreno Valley Community Services District and their respective officials, employees, commission members, officers, directors, agents, employees, volunteers, and representatives, and shall be excess of the Contractor's (and its Subcontractors') insurance and shall not contribute with it.

7.5. **Coverage Applies Separately to Each Insured and Additional Insured.** Coverage shall state that the Contractor's (and its Subcontractors') insurance shall apply separately to each insured or additional insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability. Coverage shall apply to any claim or suit brought by an additional insured against a named insured or other insured.

7.6. **Self-Insurance.** Any self-insurance (including deductibles or self-insured retention in excess of \$50,000) in lieu of liability insurance must be declared by Contractor and approved by the City in writing prior to execution of the Agreement. The City's approval of self-insurance, if any, is within the City's sole discretion and is subject to the following conditions:

1. Contractor must, at all times during the term of the Agreement and for a period of at least **one (1)** year after completion of the Project and any extension of the one-year correction guarantee period in accordance with Section 3-13.3 of the City Special Provisions, maintain and upon Owner's reasonable request provide evidence of:
 - (a) Contractor's "net worth" (defined as "total assets" [defined as all items of value owned by the Contractor including tangible items such as cash, land, personal property, and equipment, and intangible items such as copyrights and business goodwill]) minus total outside liabilities must be reflected in a financial statement for the prior fiscal year reflecting sufficient income and budget for Contractor to afford at least one loss in an amount equal to the amount of self-insurance;
 - (b) Financial statements showing that Contractor has funds set aside/budgeted to finance the self-insured fund (i.e., Contractor has a program that fulfills functions that a primary insurer would fill); and

- (c) A claims procedure that identifies how a claim is supposed to be tendered to reach the financing provided by the self-insured fund.
2. If at any time after such self-insurance has been approved, the Contractor fails to meet the financial thresholds or otherwise fails to comply with the provisions set forth in this Paragraph 7, at the option of the City:
- (a) The Contractor shall immediately obtain and thereafter maintain the third party insurance required under this Paragraph 7 and otherwise on the terms required above; or
 - (b) The insurer shall reduce or eliminate such deductibles or self-insured retention as respects the City, its officers, officials, employees, and volunteers; or
 - (c) The Contractor shall procure a bond guaranteeing payment of losses and related investigation, claim administration, and defense expenses.

7.7. **Insurer Financial Rating.** Insurance companies providing insurance hereunder shall be rated A-VII or better in Best's Insurance Rating Guide and shall be legally licensed and qualified to conduct insurance business in the State of California.

7.8. **Notices to City of Cancellation or Changes.** Each insurance policy described in this Paragraph 7 shall contain a provision or be endorsed to state that coverage will not be cancelled without **thirty (30) days'** prior written notice by certified or registered mail to the City (this obligation may be satisfied in the alternative by requiring such notice to be provided by Contractor's insurance broker and set forth on its Certificate of Insurance provided to the City), except that cancellation for non-payment of premium shall require (10) days prior written notice by certified or registered mail. If an insurance carrier cancels any policy or elects not to renew any policy required to be maintained by Contractor pursuant to the Contract Documents, Contractor agrees to give written notice to the City at the address indicated on the first page of the Agreement. Contractor agrees to provide the same notice of cancellation and non-renewal to the City that is required by such policy(ies) to be provided to the First Named Insured under such policy(ies). Contractor shall provide confirmation that the required policies have been renewed not less than seven (7) days prior to the expiration of existing coverages and shall deliver renewal or replacement policies, certificates and endorsements to the City Clerk within fourteen (14) days of the expiration of existing coverages. Contractor agrees that upon receipt of any notice of cancellation or alteration of the policies, Contractor shall procure within five (5) days, other policies of insurance similar in all respects to the policy or policies to be cancelled or altered. Contractor shall furnish to the City Clerk copies of any endorsements that are subsequently issued amending coverage or limits within fourteen (14) days of the amendment.

7.9. **Commercial General Liability.** Coverage shall be written on an ISO Commercial General Liability "occurrence" form CG 00 01 (10/01 or later edition) or equivalent form approved by the City for coverage on an occurrence basis. The insurance shall cover liability, including, but not limited to, that arising from premises operations, stop gap liability, independent contractors, products-completed operations, personal injury, advertising injury, and liability assumed under an insured contract. The policy shall be endorsed to provide the Aggregate Per Project Endorsement ISO form CG 25 03 (11/85). Coverage shall contain no contractors' limitation or other endorsement limiting the scope of coverage for liability arising from pollution, explosion,

collapse, or underground (x, c, u) property damage. Contractor shall provide Products/Completed Operations coverage to be maintained continuously for a minimum of **one (1) year** after Final Acceptance of the Work, and any extension of the one-year correction guarantee period in accordance with Section 3-13.3 of the City Special Provisions.

Contractor shall maintain Commercial General Liability insurance with the following minimum limits: \$1,000,000 per occurrence / \$2,000,000 aggregate / \$2,000,000 products-completed operations.

7.10. **Business Automobile Liability.** Coverage shall be written on ISO form CA 00 01 (12/93 or later edition) or a substitute form providing equivalent coverage for owned, hired, leased and non-owned vehicles, whether scheduled or not, with \$1,000,000 combined single limit per accident for bodily injury and property damage. If necessary, the policy shall be endorsed to provide contractual liability coverage.

7.11. **Workers' Compensation.** Contractor shall comply with the applicable sections of the California Labor Code concerning workers' compensation for injuries on the job. Compliance is accomplished in one of the following manners:

1. Provide copy of permissive self-insurance certificate approved by the State of California; or
2. Secure and maintain in force a policy of workers' compensation insurance with statutory limits and Employer's Liability Insurance with a minimal limit of **\$1,000,000** per accident; or
3. Provide a "waiver" form certifying that no employees subject to the Labor Code's Workers' Compensation provision will be used in performance of this Contract.

7.12. **Subcontractors' Insurance.** The Contractor shall include all Subcontractors as insureds under its policies or shall furnish separate certificates and endorsements for each Subcontractor. All coverages for Subcontractors shall be subject to all of the requirements stated herein.

8. **BONDS.** The Contractor shall provide two surety bonds. The Contractor shall furnish a satisfactory Performance Bond meeting all statutory requirements of the State of California on the form provided by the City. The bond shall be furnished as a guarantee of the faithful performance of the requirements of the Contract Documents as may be amended from time to time, including, but not limited to, liability for delays and damages (both direct and consequential) to the City and the City's Separate Contractors and consultants, warranties, guarantees, and indemnity obligations, in an amount that shall remain equal to one hundred percent (100%) of the Contract Price.

The Contractor shall furnish a separate satisfactory Labor and Materials Payment Bond meeting all statutory requirements of the State of California on the form provided by the City in an amount that shall remain equal to one hundred percent (100%) of the Contract Price to secure payment of all claims, demands, stop payment notices, or charges of the State of California, of material suppliers, mechanics, or laborers employed by the Contractor or by any Subcontractor, or any person, firm, or entity eligible to file a stop payment notice with respect to the Work.

All bonds shall be executed by a California-admitted surety insurer. Bonds issued by a California-admitted surety insurer listed on the latest version of the U.S Department of Treasury Circular 570 shall be deemed accepted unless specifically rejected by the City. Bonds issued by sureties not listed in Treasury Circular 570 must be accompanied by all documents enumerated in California Code of Civil Procedure Section 995.660(a). The bonds shall bear the same date as the Contract. The attorney-in-fact who executes the required bonds on behalf of the surety shall affix thereto a certified and current copy of the power of attorney. In the event of changes that increase the Contract Price, the amount of each bond shall be deemed to increase and at all times remain equal to the Contract Price. The signatures shall be acknowledged by a notary public. Every bond must display the surety's bond number and incorporate the Contract for construction of the Work by reference. The terms of the bonds shall provide that the surety agrees that no change, extension of time, alteration, or modification of the Contract Documents or the Work to be performed thereunder shall in any way affect its obligations and shall waive notice of any such change, extension of time, alteration, or modification of the Contract Documents. The surety further agrees that it is obligated under the bonds to any successor, grantee, or assignee of the City.

Upon the request of any person or entity appearing to be a potential beneficiary of bonds covering payment of obligations arising under the Contract, the Contractor shall promptly furnish a copy of the bonds or shall authorize a copy to be furnished.

Should any bond become insufficient, or should any of the sureties, in the opinion of the City, become non-responsible or unacceptable, the Contractor shall, within ten (10) Calendar Days after receiving notice from the City, provide written documentation to the Satisfaction of the City that Contractor has secured new or additional sureties for the bonds; otherwise the Contractor shall be in default of the Contract. No further payments shall be deemed due or will be made under Contract until a new surety(ies) qualifies and is accepted by the City.

Contractor agrees that the Labor and Materials Payment Bond and Faithful Performance Bond attached to this Agreement are for reference purposes only, and shall not be considered a part of this Agreement. Contractor further agrees that said bonds are separate obligations of the Contractor and its Surety, and that any attorney's fee provision contained in any payment bond or performance bond shall not apply to this Agreement. In the event there is any litigation between the parties arising from the breach of this Agreement, each party will bear its own attorneys' fees in the litigation.

9. RECORDS. The Contractor and its Subcontractors shall maintain and keep books, payrolls, invoices of materials, and Project records current, and shall record all transactions pertaining to the Contract in accordance with generally acceptable accounting principles. Said books and records shall be made available to the City of Moreno Valley, Riverside County, the State of California, the Federal Government, and to any authorized representative thereof for purposes of audit and inspection at all reasonable times and places. All such books, payrolls, invoices of materials, and records shall be retained for at least five (5) years after Final Acceptance.

10. INDEMNIFICATION.

10.1. General. To the fullest extent permitted by law, the Contractor assumes liability for and agrees, at the Contractor's sole cost and expense, to promptly and fully indemnify, protect, hold harmless and defend (even if the allegations are false, fraudulent, or groundless), the City of Moreno Valley, its City Council, the Moreno Valley Housing Authority, and the Moreno Valley

Community Services District, and all of their respective officials, officers, directors, employees, commission members, representatives and agents (“Indemnitees”), from and against any and all claims, allegations, actions, suits, arbitrations, administrative proceedings, regulatory proceedings, or other legal proceeds, causes of action, demands, costs, judgments, liens, stop payment notices, penalties, liabilities, damages, losses, anticipated losses of revenues, and expenses (including, but not limited to, any fees of accountants, attorneys, experts or other professionals, or investigation expenses), or losses of any kind or nature whatsoever, whether actual, threatened or alleged, arising out of, resulting from, or in any way (either directly or indirectly), related to the Work, the Project or any breach of the Contract by Contractor or any of its officers, agents, employees, Subcontractors, Sub-subcontractors, or any person performing any of the Work, pursuant to a direct or indirect contract with the Contractor (“Indemnity Claims”). Such Indemnity Claims include, but are not limited to, claims for:

- A. Any activity on or use of the City’s premises or facilities;
- B. Any liability incurred due to Contractor acting outside the scope of its authority pursuant to the Contract, whether or not caused in part by an Indemnified Party;
- C. The failure of Contractor or the Work to comply with any Applicable Law, permit or orders;
- D. Any misrepresentation, misstatement or omission with respect to any statement made in the Contract Documents or any document furnished by the Contractor in connection therewith;
- E. Any breach of any duty, obligation or requirement under the Contract Documents, including, but not limited to any breach of Contractor’s warranties, representations or agreements set forth in the Contract Documents;
- F. Any failure to coordinate the Work with City’s Separate Contractors;
- G. Any failure to provide notice to any party as required under the Contract Documents;
- H. Any failure to act in such a manner as to protect the Project from loss, cost, expense or liability;
- I. Bodily or personal injury, emotional injury, sickness or disease, or death at any time to any persons including without limitation employees of Contractor;
- J. Damage or injury to real property or personal property, equipment and materials (including, but without limitation, property under the care and custody of the Contractor or the City) sustained by any person or persons (including, but not limited to, companies, corporations, utility company or property owner, Contractor and its employees or agents, and members of the general public);
- K. Any liability imposed by Applicable Law including, but not limited to criminal or civil fines or penalties;
- L. Any dangerous, hazardous, unsafe or defective condition of, in or on the Site, of any nature whatsoever, which may exist by reason of any act, omission, neglect, or any use or occupation of the Site by Contractor, its officers, agents, employees, or Subcontractors;
- M. Any operation conducted upon or any use or occupation of the Site by the Contractor, its officers, agents, employees, or Subcontractors under or pursuant to the provisions of the Contract or otherwise;

- N. Any acts, errors, omission or negligence of Contractor, its officers, agents, employees, or Subcontractors;
- O. Infringement of any patent rights, licenses, copyrights, or intellectual property which may be brought against the Contractor or Owner arising out of Contractor's Work, for which the Contractor is responsible; and
- P. Any and all claims against the City seeking compensation for labor performed or materials used or furnished to be used in the Work or alleged to have been furnished on the Project, including all incidental or consequential damages resulting to the City from such claims.

10.2. **Effect of Indemnitees' Active Negligence.** Contractor's obligations to indemnify and hold the Indemnitees harmless exclude only such portion of any Indemnity Claim which is attributable to the active negligence or willful misconduct of the Indemnitee, provided such active negligence or willful misconduct is determined by agreement of the parties or by findings of a court of competent jurisdiction. In instances where an Indemnitee's active negligence accounts for only a percentage of the liability for the Indemnity Claim involved, the obligation of Contractor will be for that entire percentage of liability for the Indemnity Claim not attributable to the active negligence or willful misconduct of the Indemnitee(s). Such obligation shall not be construed to negate, abridge or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph 10. Subject to the limits set forth herein, the Contractor, at its own expense, shall satisfy any resulting judgment that may be rendered against any Indemnitee resulting from an Indemnity Claim. The Indemnitees shall be consulted with regard to any proposed settlement.

10.3. **Independent Defense Obligation.** The duty of the Contractor to indemnify and hold harmless the Indemnitees includes the separate and independent duty to defend the Indemnitees, which duty arises immediately upon receipt by Contractor of the tender of any Indemnity Claim from an Indemnitee. The Contractor's obligation to defend the Indemnitee(s) shall be at Contractor's sole expense, and not be excused because of the Contractor's inability to evaluate liability or because the Contractor evaluates liability and determines that the Contractor is not liable. This duty to defend shall apply whether or not an Indemnity Claim has merit or is meritless, or which involves claims or allegations that any or all of the Indemnitees were actively, passively, or concurrently negligent, or which otherwise asserts that the Indemnitees are responsible, in whole or in part, for any Indemnity Claim. The Contractor shall respond within thirty (30) Calendar Days to the tender of any Indemnity Claim for defense and/or indemnity by an Indemnitee, unless the Indemnitee agrees in writing to an extension of this time. The defense provided to the Indemnitees by Contractor shall be by well qualified, adequately insured and experienced legal counsel acceptable to the City.

10.4. **Intent of Parties Regarding Scope of Indemnity.** It is the intent of the parties that the Contractor and its Subcontractors of all tiers shall provide the Indemnitees with the broadest defense and indemnity permitted by Applicable Law. In the event that any of the defense, indemnity, or hold harmless provisions in the Contract Documents are found to be ambiguous or in conflict with one another, it is the parties' intent that the broadest and most expansive interpretation in favor of providing defense and/or indemnity to the Indemnitees be given effect.

10.5. **Waiver of Indemnity Rights Against Indemnitees.** With respect to third party claims against the Contractor, to the fullest extent permitted by law, the Contractor waives any and all rights to any type of express or implied indemnity against the Indemnitees.

10.6. **Subcontractor Requirements.** In addition to the requirements set forth hereinabove, Contractor shall ensure, by written subcontract agreement, that each of Contractor's Subcontractors of every tier shall protect, defend, indemnify and hold harmless the Indemnitees with respect to Indemnity Claims arising out of, in connection with, or in any way related to each such Subcontractors' Work on the Project in the same manner in which Contractor is required to protect, defend, indemnify and hold the Indemnitees harmless. In the event Contractor fails to obtain such defense and indemnity obligations from others as required herein, Contractor agrees to be fully responsible to the Indemnitees according to the terms of this Paragraph 10. Contractor further agrees to ensure that each subcontractor will execute a separate Letter of Assent to the terms of the CWA if the total project cost is \$1,000,000 or more and will fully indemnify the City for any claims or losses which result from a Subcontractor's failure to adhere to the terms of the CWA on this project.

10.7. **No Limitation or Waiver of Rights.** Contractor's obligations under this Paragraph 10 are in addition to any other rights or remedies which the Indemnitees may have under the law or under the Contract Documents. Contractor's indemnification and defense obligations set forth in this Paragraph 10 are separate and independent from the insurance provisions set forth in the Contract Documents, and do not limit, in any way, the applicability, scope, or obligations set forth in such insurance provisions. The purchase of insurance by the Contractor with respect to the obligations required herein shall in no event be construed as fulfillment or discharge of such obligations. In any and all claims against the Indemnitees by any employee of the Contractor, any Subcontractor, any supplier of the Contractor or Subcontractors, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the obligations under this Paragraph 10 shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any Subcontractor or any supplier of either of them, under workers' or workmen's compensation acts, disability benefit acts or other employee benefit acts. Failure of the City to monitor compliance with these requirements imposes no additional obligations on the City and will in no way act as a waiver of any rights hereunder.

10.8. **Withholding to Secure Obligations.** In the event an Indemnity Claim arises prior to final payment to Contractor, the City may, in its sole discretion, reserve, retain or apply any monies due Contractor for the purpose of resolving such Indemnity Claims; provided, however, the City may release such funds if the Contractor provides the City with reasonable assurances of protection of the Indemnitees' interests. The City shall, in its sole discretion, determine whether such assurances are reasonable.

10.9. **Survival of Indemnity Obligations.** Contractor's obligations under this Paragraph 10 are binding on Contractor's and its Subcontractors' successors, heirs, and assigns and shall survive the completion of the Work or termination of the Contractor's performance of the Work.

11. **SUCCESSORS AND ASSIGNS.** The Parties bind themselves, their heirs, executors, administrators, successors and assigns the covenants, agreements and obligations contained in

the Contract Documents. The Contractor shall not, either voluntarily or by action of law, assign any right or obligation of the Contractor under the Contract Documents without prior written consent of the City.

This Agreement is by and between the City of Moreno Valley, California, a municipal corporation, hereinafter described as "City," and LOR Geotechnical Group, Inc., a California corporation, hereinafter described as "Consultant." This Agreement is made and entered into effective on the date the City signs this Agreement.

RECITALS

WHEREAS, the City has determined it is in the public interest to proceed with the professional work hereinafter described as "Projects"; and

WHEREAS, the City has determined the Projects involve the performance of professional and technical services of a temporary nature as more specifically described in Exhibit A (City's Request for Proposal) and Exhibit B (Consultant's Proposal) hereto; and

WHEREAS, the City does not have available employees to perform the services for the Project; and

WHEREAS, the City has requested the Consultant to perform such services for the Project; and

WHEREAS, the Consultant is professionally qualified in California to perform the professional and technical services required for the Project, and hereby represents that it desires to and is professionally and legally capable of performing the services called for by this Agreement;

THEREFORE, the City and the Consultant, for the consideration hereinafter described,

Attachment: Agreement with LOR Geotechnical Group, Inc. (4397 : AUTHORIZATION TO AWARD A CONSTRUCTION CONTRACT TO

AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043

mutually agree as follows:

DESCRIPTION OF PROJECT

1. The Projects are described as Citywide Pavement Rehabilitation Program FY 2020-21, Project No. 801 0087, Pavement Rehabilitation for Various Local Streets CDBG FY 2020-21, Project No. 801 0088, and Corporate Yard Master Plan Improvements – Infiltration Trench Installation, Project No. 803 0043.

SCOPE OF SERVICES

2. The Consultant's scope of service is described on Exhibit B attached hereto and incorporated herein by this reference. In the event of a conflict, the City's request for scope and fee shall take precedence over the Consultant's Proposal.

3. The City's responsibility is described on Exhibit C attached hereto and incorporated herein by this reference.

PAYMENT TERMS

4. The City agrees to pay the Consultant and the Consultant agrees to receive a "Not-to-Exceed" fee of **\$239,682.00 (\$118,884.50 for Project No. 801 0087, \$105,221.50 for Project No. 801 0088, and \$15,576.00 for Project No. 803 0043)** in accordance with the payment terms provided on Exhibit D attached hereto and incorporated herein by this reference.

TIME FOR PERFORMANCE

5. The Consultant shall commence services upon receipt of written direction to proceed from the City.

6. This Agreement shall be effective from effective date and shall continue in full force and effect date through **July 30, 2022**, subject to any earlier termination in accordance with this Agreement. The services of Consultant shall be completed in a sequence assuring expeditious completion, but in any event, all such services shall be completed prior to expiration of this

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

Agreement.

7. (a) The Consultant agrees that the personnel, including the principal Project manager, and all subconsultants assigned to the Project by the Consultant, shall be subject to the prior approval of the City.

(b) No change in subconsultants or key personnel shall be made by the Consultant without written prior approval of the City.

SPECIAL PROVISIONS

8. It is understood and agreed that the Consultant is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Consultant or any individual whose compensation for services is paid by the Consultant, an agent or employee of the City, or authorizing the Consultant to create or assume any obligation or liability for or on behalf of the City.

9. The Consultant may also retain or subcontract for the services of other necessary consultants with the prior written approval of the City. Payment for such services shall be the responsibility of the Consultant. Any and all subconsultants employed by the Consultant shall be subject to the terms and conditions of this Agreement, except that the City shall have no obligation to pay any subconsultant for services rendered on the Project.

10. The Consultant and the City agree to use reasonable care and diligence to perform their respective services under this Agreement.

11. The Consultant shall comply with applicable federal, state, and local laws in the performance of work under this Agreement.

12. To the extent required by controlling federal, state and local law, Consultant shall not employ discriminatory practices in the provision of services, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Subject to the foregoing and during the performance of this Agreement, Consultant agrees as follows:

(a) Consultant will comply with all applicable laws and regulations providing that no person shall, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

(b) Consultant will not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Consultant shall ensure that applicants are employed, and the employees are treated during employment, without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Such requirement shall apply to Consultant's employment practices including, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this nondiscrimination clause.

(c) Consultant will, in all solicitations or advertisements for employees placed by or on behalf of Consultant in pursuit hereof, state that all qualified applicants will receive

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

consideration for employment without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era.

(d) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall cause each subcontractor to also comply with the requirements of this Section 13.

13. To the furthest extent allowed by law (including California Civil Code section 2782.8 if applicable), Consultant shall indemnify, hold harmless and defend the City, the Moreno Valley Community Services District ("CSD"), the Moreno Valley Housing Authority ("Housing Authority") and each of their officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage), and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees and litigation expenses) that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of Consultant, its principals, officers, employees, agents or volunteers in the performance of this Agreement.

If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subcontractor to indemnify, hold harmless and defend City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.

14. Insurance.

(a) Throughout the life of this Agreement, Consultant shall pay for and maintain in full force and effect all insurance as required in Exhibit E or as may be authorized in writing

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

by the City Manager or his/her designee at any time and in his/her sole discretion.

(b) If at any time during the life of the Agreement or any extension, Consultant or any of its subcontractors fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to Consultant shall be withheld until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to City. Any failure to maintain the required insurance shall be sufficient cause for City to terminate this Agreement. No action taken by City pursuant to this section shall in any way relieve Consultant of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by City that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

(c) The fact that insurance is obtained by Consultant shall not be deemed to release or diminish the liability of Consultant, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify City shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Consultant, its principals, officers, agents, employees, persons under the supervision of Consultant, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.

(d) Upon request of City, Consultant shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

original policy. This requirement shall survive expiration or termination of this Agreement.

(e) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subcontractor to provide insurance protection in favor of City and each of its officers, officials, employees, agents and volunteers in accordance with the terms of this section, except that any required certificates and applicable endorsements shall be on file with Consultant and City prior to the commencement of any services by the subcontractor.

15. The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

16. Consultant and subconsultants shall pay prevailing wage rates when required by the Labor Laws of the State of California.

17. (a) The Consultant shall deliver to the Public Works Director/City Engineer of the City or his designated representative, fully completed and detailed project-related documents which shall become the property of the City. The Consultant may retain, for its files, copies of any and all material, including drawings, documents, and specifications, produced by the Consultant in performance of this Agreement.

(b) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any.

(c) The City agrees to hold the Consultant free and harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant under this Agreement, if used by the City on other work without the

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

permission of the Consultant. Consultant acknowledges that Consultant work product produced under this agreement may be public record under State law.

18. (a) This Agreement shall terminate without any liability of City to Consultant upon the earlier of: (i) Consultant's filing for protection under the federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against Consultant; (ii) 10 calendar days prior written notice with or without cause by City to Consultant; (iii) City's non-appropriation of funds sufficient to meet its obligations hereunder during any City fiscal year of this Agreement, or insufficient funding for the Project; or (iv) expiration of this Agreement. The written notice shall specify the date of termination. Upon receipt of such notice, the Consultant may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the City. The City shall pay the Consultant within thirty (30) days after the date of termination for all non-objected to services performed by the Consultant in accordance herewith through the date of termination. Consultant shall not be paid for any work or services performed or costs incurred which reasonably could have been avoided.

(b) In the event of termination due to failure of Consultant to satisfactorily perform in accordance with the terms of this Agreement, City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, City's damages caused by such failure. In no event shall any payment by City pursuant to this Agreement constitute a waiver by City of any breach of this Agreement which may then exist on the part of Consultant, nor shall such payment impair or prejudice any remedy available to City with respect to the breach.

(c) Upon any breach of this Agreement by Consultant, City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action

**AGREEMENT FOR PROFESSIONAL

PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic and incidental damages for the breach of the Agreement. If it is determined that City improperly terminated this Agreement for default, such termination shall be deemed a termination for convenience.

(d) Consultant shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of Consultant and without its fault or negligence such as, acts of God or the public enemy, acts of City in its contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. Consultant shall notify City in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to Administrator of the cessation of such occurrence.

19. This Agreement is binding upon the City and the Consultant and their successors and assigns. Except as otherwise provided herein, neither the City nor the Consultant shall assign, sublet, or transfer its interest in this Agreement or any part thereof without the prior written consent of the other.

20. A City representative shall be designated by the City and a Consultant representative shall be designated by the Consultant. The City representative and the Consultant representative shall be the primary contact person for each party regarding performance of this Agreement. The City representative shall cooperate with the Consultant, and the Consultant's representative shall cooperate with the City in all matters regarding this Agreement and in such a manner as will result in the performance of the services in a timely and expeditious fashion.

21. This Agreement represents the entire and integrated Agreement between the City

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

and the Consultant, and supersedes all prior negotiations, representations or Agreements, either written or oral. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties.

22. Where the payment terms provide for compensation on a time and materials basis, the Consultant shall maintain adequate records to permit inspection and audit of the Consultant's time and materials charges under this Agreement. The Consultant shall make such records available to the City at the Consultant's office during normal business hours upon reasonable notice. Nothing herein shall convert such records into public records. Except as may be otherwise required by law, such records will be available only to the City. Such records shall be maintained by the Consultant for three (3) years following completion of the services under this Agreement.

23. The City and the Consultant agree, that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

24. (a) Consultant shall comply, and require its subcontractors to comply, with all applicable (i) professional canons and requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code Section 1090 et. seq., the California Political Reform Act (California Government Code Section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations Section 18700 et. seq.). At any time, upon written request of City, Consultant shall provide a written opinion of its legal counsel and that of any subcontractor that, after a due diligent inquiry, Consultant and the respective subcontractor(s) are in full compliance with all laws and regulations. Consultant shall take, and require its subcontractors to take, reasonable

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, Consultant shall immediately notify City of these facts in writing.

(b) In performing the work or services to be provided hereunder, Consultant shall not employ or retain the services of any person while such person either is employed by City or is a member of any City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.

(c) Consultant represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit or procure this Agreement or any rights/benefits hereunder.

(d) Neither Consultant, nor any of Consultant's subcontractors performing any services on this Project, shall bid for, assist anyone in the preparation of a bid for, or perform any services pursuant to, any other contract in connection with this Project unless fully disclosed to and approved by the City Manager, in advance and in writing. Consultant and any of its subcontractors shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless such interest is in accordance with all applicable law and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, Consultant shall remain responsible for complying with Section 25(a), above.

(e) If Consultant should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, Consultant shall include the provisions of this Section 25 in each subcontract and require its subcontractors to comply therewith.

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES FOR
PROJECT NOS. 801 0087, 801 0088, AND 803 0043**

(f) This Section 25 shall survive expiration or termination of this Agreement.

25. All Plans, drawings, Specifications, reports, logs, and other documents prepared by the Consultant in its performance under this Agreement shall, upon completion of the project, be delivered to and be the property of the City, provided that the Consultant shall be entitled, at its own expense, to make copies thereof for its own use.

26. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall also govern the interpretation of this Agreement. Venue shall be vested in the Superior Court of the State of California, County of Riverside.

FROM: Michael L. Wolfe P.E., Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: APPROVE AN AGREEMENT BETWEEN WRCOG AND THE CITY OF MORENO VALLEY FOR TUMF FUND REIMBURSEMENT BY WRCOG FOR THE REDLANDS BLVD / SR-60 INTERCHANGE, PROJECT NO. 801 0064

RECOMMENDED ACTION

1. Accept and Approve the Transportation Uniform Mitigation Fee (TUMF) Program reimbursement agreement between the Western Riverside Council of Governments (WRCOG) and the City of Moreno Valley (City) for Project Approval & Environmental Document (PA&ED) Phase for the Redlands Blvd/ SR-60 Interchange;
2. Authorize the City Manager to execute the TUMF Program reimbursement agreement, in substantial conformance with the attached template, upon concurrence by WRCOG, and subject to the approval of the City Attorney;
3. Authorize the Public Works Director to execute any subsequent amendments to the TUMF Program reimbursement agreement, subject to the approval of the City Attorney; and
4. Authorize a budget adjustment as set forth in the Fiscal Impact section of this report.

SUMMARY

WRCOG has allocated up to \$3,500,000 in Transportation Uniform Mitigation Fee (TUMF) funding to fund the Planning Approval & Environmental Document (PA&ED) phase for the Redlands Blvd/ SR-60 Interchange. Approval of the standard inter-agency

reimbursement agreement between WRCOG and the City would allow the City to seek reimbursement of TUMF funds from WRCOG.

DISCUSSION

WRCOG developed and administers the TUMF, a program that ensures that new development pays its fair share for the increased traffic that it creates. Developers pay the fee directly to WRCOG that in turn covers various costs for the projects identified in WRCOG's Nexus study. The City submitted a project request to WRCOG to include the Redlands Blvd/ SR-60 Interchange project (Project) for the Annual 5-year Transportation Improvement Program (TIP). As a result, the 2020 Central Zone 5-year TIP includes a funding allocation for the PA&ED phase of the Project. The purpose of the Project is to improve existing interchange geometrics including increasing bridge height to meet Caltrans standards; enhance freeway access and regional goods movement; improve traffic operations to support the forecast travel demand for the 2045 design year; and accommodate a multimodal facility. WRCOG is requesting the City execute the standard agreement to reimburse TUMF funds between WRCOG and the City of Moreno Valley for the PA&ED phase.

The Project has completed the Preliminary Study Report (PSR) phase as required by Caltrans and is ready for the next phase, which is PA&ED phase. The PA&ED phase will include Project Approval, Geometric Approval Drawing, and Environmental Document. Since the development of PA&ED documents that meet Caltrans' stringent requirements is a specialized endeavor, staff anticipates hiring a professional engineering firm to assist.

ALTERNATIVES

1. Approve and authorize the recommendations as presented in this report. *This alternative enables the City to receive reimbursement for costs related to the project from the WRCOG TUMF program.*
2. Do not approve the recommended actions as presented in this staff report. *This alternative will prohibit the City from receiving reimbursement for this project until such time an agreement is approved.*

FISCAL IMPACT

WRCOG, in establishing its TUMF Nexus Study, identified Redlands Blvd/ SR-60 Interchange as part of the TUMF-roadway network. This network consists of highways that support intercommunity trips in Western Riverside County, and are therefore eligible for improvements using TUMF funds. As stated previously, TUMF funds are paid by developers to WRCOG in order to address traffic related issues.

Reimbursement for subsequent Project phases (i.e. construction documents, right of way acquisition, utility relocation, and construction) will be addressed in future amendments to the agreement.

The current approved TUMF TIP allocation is \$3,500,000 to fund the PA&ED phase of this Project. This Project is approved in the Fiscal Year 2021/2022 and 2022/2023 Capital Improvement Plan.

**TRANSPORTATION UNIFORM MITIGATION FEE PROGRAM
AGREEMENT TO REIMBURSE TUMF FUNDS
REDLANDS BLVD / SR-60 INTERCHANGE**

THIS REIMBURSEMENT AGREEMENT (“Agreement”) is entered into as of this day of ____, 2021, by and between the Western Riverside Council of Governments (“WRCOG”), a California joint powers authority and CITY OF MORENO VALLEY, a California municipal corporation (“AGENCY”). WRCOG and AGENCY are sometimes hereinafter referred to individually as “Party” and collectively as “Parties.”

RECITALS

A. WRCOG is the Administrator of the Transportation Uniform Mitigation Fee Program of Western Riverside County (“TUMF Program”).

B. WRCOG has identified and designated certain transportation improvement projects throughout Western Riverside County as projects of regional importance (“Qualifying Projects” or “Projects”). The Qualifying Projects are more specifically described in that certain WRCOG study titled “TUMF Nexus Study”, as may be amended from time to time. Qualifying Projects can have Regional or Zonal significance as further described in the TUMF Nexus Study.

C. The TUMF Program is funded by TUMF fees paid by new development in Western Riverside County (collectively, “TUMF Program Funds”). TUMF Program Funds are held in trust by WRCOG for the purpose of funding the Qualifying Projects.

D. The AGENCY proposes to implement a Qualifying Project, and it is the purpose of this Agreement to identify the project and to set forth the terms and conditions by which WRCOG will release TUMF Program Funds.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and subject to the conditions contained herein, the Parties hereby agree as follows:

1. Description of the Qualifying Project. This Agreement is intended to distribute TUMF Program Funds to the AGENCY for **Redlands Blvd / SR-60 Interchange** (the “Project”), a Qualifying Project. The Work, including a timetable and a detailed scope of work, is more fully described in Exhibit “A” attached hereto and incorporated herein by reference and, pursuant to Section 20 below, is subject to modification if requested by the AGENCY and approved by WRCOG. The work shall be consistent with one or more of the defined WRCOG Call for Projects phases detailed herein as follows:

PA&ED – Project Approvals & Environmental Document

2. WRCOG Funding Amount. WRCOG hereby agrees to distribute to AGENCY, on the terms and conditions set forth herein, a sum not to exceed **Three Million Five Hundred Thousand Dollars (\$3,500,000)** to be used for reimbursing the AGENCY for eligible Project

expenses as described in Section 3 herein (“Funding Amount”). The Parties acknowledge and agree that the Funding Amount may be less than the actual cost of the Project. Nevertheless, the Parties acknowledge and agree that WRCOG shall not be obligated to contribute TUMF Program Funds in excess of the maximum TUMF share identified in the TUMF Nexus Study (“Maximum TUMF Share”), as may be amended from time to time.

3. Project Costs Eligible for Advance/Reimbursement. The total Project costs (“Total Project Cost”) may include the following items, provided that such items are included in the scope of work attached hereto as Exhibit “A” (“Scope of Work”): (1) AGENCY and/or consultant costs associated with direct Project coordination and support; (2) funds expended in preparation of preliminary engineering studies; (3) funds expended for preparation of environmental review documentation for the Project; (4) all costs associated with right-of-way acquisition, including right-of-way engineering, appraisal, acquisition, legal costs for condemnation procedures if authorized by the AGENCY, and costs of reviewing appraisals and offers for property acquisition; (5) costs reasonably incurred if condemnation proceeds; (6) costs incurred in the preparation of plans, specifications, and estimates by AGENCY or consultants; (7) AGENCY costs associated with bidding, advertising and awarding of the Project contracts; (8) construction costs, including change orders to construction contract approved by the AGENCY; (9) construction management, field inspection and material testing costs; and (10) any AGENCY administrative cost to deliver the Project.

4. Ineligible Project Costs. The Total Project Cost shall not include the following items which shall be borne solely by the AGENCY without reimbursement: (1) any project expenses deemed ineligible for reimbursement under the TUMF Administrative Plan, including without limitation Table 2-3 of the WRCOG TUMF Credit/Reimbursement Manual attached thereto and (2) expenses for items of work not included within the Scope of Work in Exhibit “A”.

5. Procedures for Distribution of TUMF Program Funds to AGENCY.

(a) Initial Payment by the AGENCY. The AGENCY shall be responsible for initial payment of all the Project costs as they are incurred. Following payment of such Project costs, the AGENCY shall submit invoices to WRCOG requesting reimbursement of eligible Project costs. Each invoice shall be accompanied by detailed contractor invoices, or other demands for payment addressed to the AGENCY, and documents evidencing the AGENCY’s payment of the invoices or demands for payment. Documents evidencing the AGENCY’S payment of the invoices shall be retained for four (4) years and shall be made available for review by WRCOG. The AGENCY shall submit invoices not more often than monthly and not less often than quarterly.

(b) Review and Reimbursement by WRCOG. Upon receipt of an invoice from the AGENCY, WRCOG may request additional documentation or explanation of the Project costs for which reimbursement is sought. Undisputed amounts shall be paid by WRCOG to the AGENCY within thirty (30) days. In the event that WRCOG disputes the eligibility of the AGENCY for reimbursement of all or a portion of an invoiced amount, the Parties shall meet and confer in an attempt to resolve the dispute. If the meet and confer process is unsuccessful in resolving the dispute, the AGENCY may appeal WRCOG’s decision as to the eligibility of one

or more invoices to WRCOG's Executive Director. The WRCOG Executive Director shall provide his/her decision in writing. If the AGENCY disagrees with the Executive Director's decision, the AGENCY may appeal the decision of the Executive Director to the full WRCOG Executive Committee, provided the AGENCY submits its request for appeal to WRCOG within ten (10) days of the Executive Director's written decision. The decision of the WRCOG Executive Committee shall be final. Additional details concerning the procedure for the AGENCY's submittal of invoices to WRCOG and WRCOG's consideration and payment of submitted invoices are set forth in Exhibit "B", attached hereto and incorporated herein by reference.

(c) Funding Amount/Adjustment. If a post Project audit or review indicates that WRCOG has provided reimbursement to the AGENCY in an amount in excess of the Maximum TUMF Share of the Project, or has provided reimbursement of ineligible Project costs, the AGENCY shall reimburse WRCOG for the excess or ineligible payments within 30 days of notification by WRCOG.

6. Increases in Project Funding. The Funding Amount may, in WRCOG's sole discretion, be augmented with additional TUMF Program Funds if the TUMF Nexus Study is amended to increase the maximum eligible TUMF share for the Project. Any such increase in the Funding Amount must be approved in writing by WRCOG's Executive Director. In no case shall the amount of TUMF Program Funds allocated to the AGENCY exceed the then-current maximum eligible TUMF share for the Project. No such increased funding shall be expended to pay for any Project already completed. For purposes of this Agreement, the Project or any portion thereof shall be deemed complete upon its acceptance by WRCOG's Executive Director which shall be communicated to the AGENCY in writing.

7. No Funding for Temporary Improvements. Only segments or components of the construction that are intended to form part of or be integrated into the Project may be funded by TUMF Program Funds. No improvement which is temporary in nature, including but not limited to temporary roads, curbs, tapers or drainage facilities, shall be funded with TUMF Program Funds, except as needed for staged construction of the Project.

8. AGENCY's Funding Obligation to Complete the Project. In the event that the TUMF Program Funds allocated to the Project represent less than the total cost of the Project, the AGENCY shall provide such additional funds as may be required to complete the Project.

9. AGENCY's Obligation to Repay TUMF Program Funds to WRCOG; Exception For PA&ED Phase Work. Except as otherwise expressly excepted within this paragraph, in the event that: (i) the AGENCY, for any reason, determines not to proceed with or complete the Project; or (ii) the Project is not timely completed, subject to any extension of time granted by WRCOG pursuant to the terms of this Agreement; the AGENCY agrees that any TUMF Program Funds that were distributed to the AGENCY for the Project shall be repaid in full to WRCOG, and the Parties shall enter into good faith negotiations to establish a reasonable repayment schedule and repayment mechanism. If the Project involves work pursuant to a PA&ED phase, AGENCY shall not be obligated to repay TUMF Program Funds to WRCOG relating solely to PA&ED phase work performed for the Project.

10. AGENCY's Local Match Contribution. AGENCY local match funding is not required, as shown in Exhibit "A" and as called out in the AGENCY's Project Nomination Form submitted to WRCOG in response to its Call for Projects."

11. Term/Notice of Completion. The term of this Agreement shall be from the date first herein above written until the earlier of the following: (i) the date WRCOG formally accepts the Project as complete, pursuant to Section 6; (ii) termination of this Agreement pursuant to Section 15; or (iii) the AGENCY has fully satisfied its obligations under this Agreement. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of this Agreement.

12. Representatives of the Parties. WRCOG's Executive Director, or his or her designee, shall serve as WRCOG's representative and shall have the authority to act on behalf of WRCOG for all purposes under this Agreement. The AGENCY hereby designates the Public Works Director/ City Engineer, or his or her designee, as the AGENCY's representative to WRCOG. The AGENCY's representative shall have the authority to act on behalf of the AGENCY for all purposes under this Agreement and shall coordinate all activities of the Project under the AGENCY's responsibility. The AGENCY shall work closely and cooperate fully with WRCOG's representative and any other agencies which may have jurisdiction over or an interest in the Project.

13. Expenditure of Funds by AGENCY Prior to Execution of Agreement. Nothing in this Agreement shall be construed to prevent or preclude the AGENCY from expending funds on the Project prior to the execution of the Agreement, or from being reimbursed by WRCOG for such expenditures. However, the AGENCY understands and acknowledges that any expenditure of funds on the Project prior to the execution of the Agreement is made at the AGENCY's sole risk, and that some expenditures by the AGENCY may not be eligible for reimbursement under this Agreement.

14. Review of Services. The AGENCY shall allow WRCOG's Representative to inspect or review the progress of the Project at any reasonable time in order to determine whether the terms of this Agreement are being met.

15. Termination.

(a) Notice. Either WRCOG or AGENCY may, by written notice to the other party, terminate this Agreement, in whole or in part, in response to a material breach hereof by the other Party, by giving written notice to the other party of such termination and specifying the effective date thereof. The written notice shall provide a 30-day period to cure any alleged breach. During the 30-day cure period, the Parties shall discuss, in good faith, the manner in which the breach can be cured.

(b) Effect of Termination. In the event that the AGENCY terminates this Agreement, the AGENCY shall, within 180 days, repay to WRCOG any unexpended TUMF Program Funds provided to the AGENCY under this Agreement and shall complete any portion or segment of work for the Project for which TUMF Program Funds have been provided. In the event that WRCOG terminates this Agreement, WRCOG shall, within 90 days, distribute to the

AGENCY TUMF Program Funds in an amount equal to the aggregate total of all unpaid invoices which have been received from the AGENCY regarding the Project at the time of the notice of termination; provided, however, that WRCOG shall be entitled to exercise its rights under Section 5(b), including but not limited to conducting a review of the invoices and requesting additional information. Upon such termination, the AGENCY shall, within 180 days, complete any portion or segment of work for the Project for which TUMF Program Funds have been provided. This Agreement shall terminate upon receipt by the non-terminating Party of the amounts due to it hereunder and upon completion of the segment or portion of Project work for which TUMF Program Funds have been provided.

(c) Cumulative Remedies. The rights and remedies of the Parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

16. Prevailing Wages. The AGENCY and any other person or entity hired to perform services on the Project are alerted to the requirements of California Labor Code Sections 1770 et seq., which would require the payment of prevailing wages were the services or any portion thereof determined to be a public work, as defined therein. The AGENCY shall ensure compliance with these prevailing wage requirements by any person or entity hired to perform the Project. The AGENCY shall defend, indemnify, and hold harmless WRCOG, its officers, employees, consultants, and agents from any claim or liability, including without limitation attorneys, fees, arising from its failure or alleged failure to comply with California Labor Code Sections 1770 et seq.

17. Progress Reports. WRCOG may request the AGENCY to provide WRCOG with progress reports concerning the status of the Project.

18. Indemnification.

(a) AGENCY Responsibilities. In addition to the indemnification required under Section 16, the AGENCY agrees to indemnify and hold harmless WRCOG, its officers, agents, consultants, and employees from any and all claims, demands, costs or liability arising from or connected with all activities governed by this Agreement including all design and construction activities, due to negligent acts, errors or omissions or willful misconduct of the AGENCY or its subcontractors. The AGENCY will reimburse WRCOG for any expenditures, including reasonable attorneys' fees, incurred by WRCOG, in defending against claims ultimately determined to be due to negligent acts, errors or omissions or willful misconduct of the AGENCY.

(b) WRCOG Responsibilities. WRCOG agrees to indemnify and hold harmless the AGENCY, its officers, agents, consultants, and employees from any and all claims, demands, costs or liability arising from or connected with all activities governed by this Agreement including all design and construction activities, due to negligent acts, errors or omissions or willful misconduct of WRCOG or its sub-consultants. WRCOG will reimburse the AGENCY for any expenditures, including reasonable attorneys' fees, incurred by the AGENCY, in defending against claims ultimately determined to be due to negligent acts, errors or omissions or willful misconduct of WRCOG.

(c) Effect of Acceptance. The AGENCY shall be responsible for the professional quality, technical accuracy and the coordination of any services provided to complete the Project. WRCOG's review, acceptance or funding of any services performed by the AGENCY or any other person or entity under this Agreement shall not be construed to operate as a waiver of any rights WRCOG may hold under this Agreement or of any cause of action arising out of this Agreement. Further, the AGENCY shall be and remain liable to WRCOG, in accordance with applicable law, for all damages to WRCOG caused by the AGENCY's negligent performance of this Agreement or supervision of any services provided to complete the Project.

19. Insurance. The AGENCY shall require, at a minimum, all persons or entities hired to perform the Project to obtain, and require their subcontractors to obtain, insurance of the types and in the amounts described below and satisfactory to the AGENCY and WRCOG. Such insurance shall be maintained throughout the term of this Agreement, or until completion of the Project, whichever occurs last.

(a) Commercial General Liability Insurance. Occurrence version commercial general liability insurance or equivalent form with a combined single limit of not less than \$1,000,000.00 per occurrence. If such insurance contains a general aggregate limit, it shall apply separately to the Project or be no less than two times the occurrence limit. Such insurance shall:

(i) Name WRCOG and AGENCY, and their respective officials, officers, employees, agents, and consultants as insured with respect to performance of the services on the Project and shall contain no special limitations on the scope of coverage or the protection afforded to these insured; and

(ii) Be primary with respect to any insurance or self-insurance programs covering WRCOG and AGENCY, and/or their respective officials, officers, employees, agents, and consultants; and

(iii) Contain standard separation of insured provisions.

(b) Business Automobile Liability Insurance. Business automobile liability insurance or equivalent form with a combined single limit of not less than \$1,000,000.00 per occurrence. Such insurance shall include coverage for owned, hired and non-owned automobiles.

(c) Professional Liability Insurance. Errors and omissions liability insurance with a limit of not less than \$1,000,000.00 Professional liability insurance shall only be required of design or engineering professionals.

(d) Workers' Compensation Insurance. Workers' compensation insurance with statutory limits and employers' liability insurance with limits of not less than \$1,000,000.00 each accident.

20. Project Amendments. Changes to the characteristics of the Project, including the

deadline for Project completion, and any responsibilities of the AGENCY or WRCOG may be requested in writing by the AGENCY and are subject to the approval of WRCOG's Representative, which approval will not be unreasonably withheld, provided that extensions of time for completion of the Project shall be approved in the sole discretion of WRCOG's Representative. Nothing in this Agreement shall be construed to require or allow completion of the Project without full compliance with the California Environmental Quality Act (Public Resources Code Section 21000 *et seq.*; "CEQA") and the National Environmental Policy Act of 1969 (42 USC 4231 *et seq.*), if applicable, but the necessity of compliance with CEQA and/or NEPA shall not justify, excuse, or permit a delay in completion of the Project.

21. Conflict of Interest. For the term of this Agreement, no member, officer or employee of the AGENCY or WRCOG, during the term of his or her service with the AGENCY or WRCOG, as the case may be, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

22. Limited Scope of Duties. WRCOG's and the AGENCY's duties and obligations under this Agreement are limited to those described herein. WRCOG has no obligation with respect to the safety of any Project performed at a job site. In addition, WRCOG shall not be liable for any action of AGENCY or its contractors relating to the condemnation of property undertaken by AGENCY or construction related to the Project.

23. Books and Records. Each party shall maintain complete, accurate, and clearly identifiable records with respect to costs incurred for the Project under this Agreement. They shall make available for examination by the other party, its authorized agents, officers or employees any and all ledgers and books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or related to the expenditures and disbursements charged to the other party pursuant to this Agreement. Further, each party shall furnish to the other party, its agents or employees such other evidence or information as they may require with respect to any such expense or disbursement charged by them. All such information shall be retained by the Parties for at least four (4) years following termination of this Agreement, and they shall have access to such information during the four-year period for the purposes of examination or audit.

24. Equal Opportunity Employment. The Parties represent that they are equal opportunity employers and they shall not discriminate against any employee or applicant of reemployment because of race, religion, color, national origin, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination.

25. Governing Law. This Agreement shall be governed by and construed with the laws of the State of California.

26. Attorneys' Fees. If either party commences an action against the other party arising out of or in connection with this Agreement, the prevailing party in such litigation shall be entitled to have and recover from the losing party reasonable attorneys' fees and costs of suit.

expressly set forth in this Agreement is null and void. This Agreement may be amended only by mutual written agreement of the PARTIES.

34. Severability. If any term, provision, condition or covenant of this Agreement is held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby.

35. Conflicting Provisions. In the event that provisions of any attached appendices or exhibits conflict in any way with the provisions set forth in this Agreement, the language, terms and conditions contained in this Agreement shall control the actions and obligations of the Parties and the interpretation of the Parties' understanding concerning the Agreement.

36. Independent Contractors. Any person or entities retained by the AGENCY or any contractor shall be retained on an independent contractor basis and shall not be employees of WRCOG. Any personnel performing services on the Project shall at all times be under the exclusive direction and control of the AGENCY or contractor, whichever is applicable. The AGENCY or contractor shall pay all wages, salaries and other amounts due such personnel in connection with their performance of services on the Project and as required by law. The AGENCY or consultant shall be responsible for all reports and obligations respecting such personnel, including, but not limited to: social security taxes, income tax withholding, unemployment insurance and workers' compensation insurance.

37. Effective Date. This Agreement shall not be effective until executed by both Parties. The failure of one party to execute this Agreement within forty-five (45) days of the other party executing this Agreement shall render any execution of this Agreement ineffective.

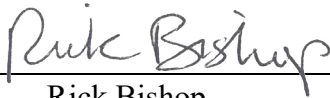

38. No Third-Party Beneficiaries. There are no intended third-party beneficiaries of any right or obligation assumed by the Parties.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed by their duly authorized representatives to be effective on the day and year first above-written.

EXHIBIT “A”
SCOPE OF WORK

SCOPE OF WORK:

The purpose of the project is to alleviate congestion; enhance freeway access and regional goods movement; provide increased interchange capacity; improve traffic operations to support the forecast travel demand for the 2045 design year; improve existing interchange geometrics including bridge height to meet Caltrans standards; and accommodate a multimodal facility that has harmony with the community and preserves the values of the area.

The proposed project includes: 1) reconstruction and realignment of SR-60/Redlands Boulevard ramps, 2) widening of Redlands Blvd, and replacement of the overcrossing structure, 3) realignment of Spruce Street, 4) provision for California Highway Patrol (CHP) enforcement areas as required, 5) addition of ramp metering as required, 6) provision for truck operations, 7) coordination of utility relocations, 8) provision for landscaping and irrigation, and/or hardscape, to the extent required, and 9) related improvements as required by the City and Caltrans.

The project scope of work is to complete the Project Approval and Final Environmental Document (PA&ED) phase.

Elements of Compensation

EXHIBIT “B” PROCEDURES FOR SUBMITTAL, CONSIDERATION AND PAYMENT OF INVOICES

1. For professional services, WRCOG recommends that the AGENCY incorporate this Exhibit “B” into its contracts with any subcontractors to establish a standard method for preparation of invoices by contractors to the AGENCY and ultimately to WRCOG for reimbursement of AGENCY contractor costs.

Each month the AGENCY shall submit an invoice for eligible Project costs incurred during the preceding month. The original invoice shall be submitted to WRCOG’s Executive Director with a copy to WRCOG’s Project Coordinator. Each invoice shall be accompanied by a cover letter in a format substantially similar to that of Exhibit “B-2”.

3. For jurisdictions with large construction projects (with the total construction cost exceeding \$10 million) under construction at the same time, may with the approval of WRCOG submit invoices to WRCOG for payment at the same time they are received by the jurisdiction. WRCOG must receive the invoice by the 5th day of the month in order to process the invoice within 30 days. WRCOG will retain 10% of the invoice until all costs have been verified as eligible and will release the balance at regular intervals not more than quarterly and not less than semi-annually. If there is a discrepancy or ineligible costs that exceed 10% of the previous invoice WRCOG will deduct that amount from the next payment.

Each invoice shall include documentation from each contractor used by the AGENCY for the Project, listing labor costs, subcontractor costs, and other expenses. Each invoice shall also include a monthly progress report and spreadsheets showing the hours or amounts expended by each contractor or subcontractor for the month and for the entire Project to date. Samples of acceptable task level documentation and progress reports are attached as Exhibits “B-4” and “B-5”. All documentation from the Agency’s contractors should be accompanied by a cover letter in a format substantially similar to that of Exhibit “B-3”.

If the AGENCY is seeking reimbursement for direct expenses incurred by AGENCY staff for eligible Project costs, the AGENCY shall provide the same level of information for its labor and any expenses as required of its contractors pursuant to Exhibit “B” and its attachments.

6. Charges for each task and milestone listed in Exhibit “A” shall be listed separately in the invoice.
7. Each invoice shall include a certification signed by the AGENCY Representative or his or her designee which reads as follows:

“I hereby certify that the hours and salary rates submitted for reimbursement in this invoice are the actual hours and rates worked and paid to the contractors or subcontractors listed.

Signed _____

Title _____

Date _____

Invoice No. _____

- 8. WRCOG will pay the AGENCY within 30 days after receipt by WRCOG of an invoice. If WRCOG disputes any portion of an invoice, payment for that portion will be withheld, without interest, pending resolution of the dispute, but the uncontested balance will be paid.

The final payment under this Agreement will be made only after: (I) the AGENCY has obtained a Release and Certificate of Final Payment from each contractor or subcontractor used on the Project; (ii) the AGENCY has executed a Release and Certificate of Final Payment; and (iii) the AGENCY has provided copies of each such Release to WRCOG.

Attachment: TUMF Reimbursement Agreement - Redlands Blvd SR-60 Interchange (4434 : APPROVE AGREEMENT TO REIMBURSE TUMF

EXHIBIT "B-1"
[Sample for Professional Services]

For the satisfactory performance and completion of the Services under this Agreement, Agency will pay the Contractor compensation as set forth herein. The total compensation for this service shall not exceed (____ INSERT WRITTEN DOLLAR AMOUNT____) (\$__ INSERT NUMERICAL DOLLAR AMOUNT__) without written approval of Agency's City Manager [or applicable position] ("Total Compensation").

ELEMENTS OF COMPENSATION.

Compensation for the Services will be comprised of the following elements: 1.1 Direct Labor Costs; 1.2 Fixed Fee; and 1.3 Additional Direct Costs.

DIRECT LABOR COSTS.

Direct Labor costs shall be paid in an amount equal to the product of the Direct Salary Costs and the Multiplier which are defined as follows:

DIRECT SALARY COSTS

Direct Salary Costs are the base salaries and wages actually paid to the Contractor's personnel directly engaged in performance of the Services under the Agreement. (The range of hourly rates paid to the Contractor's personnel appears in Section 2 below.)

MULTIPLIER

The Multiplier to be applied to the Direct Salary Costs to determine the Direct Labor Costs is _____, and is the sum of the following components:

1.1.2.1 Direct Salary Costs _____

1.1.2.2 Payroll Additives _____

The Decimal Ratio of Payroll Additives to Direct Salary Costs. Payroll Additives include all employee benefits, allowances for vacation, sick leave, and holidays, and company portion of employee insurance and social and retirement benefits, all federal and state payroll taxes, premiums for insurance which are measured by payroll costs, and other contributions and benefits imposed by applicable laws and regulations.

1.1.2.3 Overhead Costs _____

The Decimal Ratio of Allowable Overhead Costs to the Contractor Firm's Total Direct Salary Costs. Allowable Overhead Costs include general, administrative and overhead costs of

maintaining and operating established offices, and consistent with established firm policies, and as defined in the Federal Acquisitions Regulations, Part 31.2.

Total Multiplier
(sum of 1.1.2.1, 1.1.2.2, and 1.1.2.3)

1.2 FIXED FEE.

1.2.1 The fixed fee is \$_____.

1.2.2 A pro-rata share of the Fixed Fee shall be applied to the total Direct Labor Costs expended for services each month, and shall be included on each monthly invoice.

1.3 ADDITIONAL DIRECT COSTS.

Additional Direct Costs directly identifiable to the performance of the services of this Agreement shall be reimbursed at the rates below, or at actual invoiced cost.

Rates for identified Additional Direct Costs are as follows:

<u>ITEM</u>	<u>REIMBURSEMENT RATE</u>
	<u>[<i>insert charges</i>]</u>
Per Diem	\$ /day
Car mileage	\$ /mile
Travel	\$ /trip
Computer Charges	\$ /hour
Photocopies	\$ /copy
Blueline	\$ /sheet
LD Telephone	\$ /call
Fax	\$ /sheet
Photographs	\$ /sheet

Travel by air and travel in excess of 100 miles from the Contractor's office nearest to Agency's office must have Agency's prior written approval to be reimbursed under this Agreement.

2. DIRECT SALARY RATES

Direct Salary Rates, which are the range of hourly rates to be used in determining Direct Salary Costs in Section 1.1.1 above, are given below and are subject to the following:

Direct Salary Rates shall be applicable to both straight time and overtime work, unless payment of a premium for overtime work is required by law, regulation or craft agreement, or is otherwise specified in this Agreement. In such event, the premium portion of Direct Salary Costs will not be subject to the Multiplier defined in Paragraph 1.1.2 above.

Direct Salary Rates shown herein are in effect for one year following the effective date of the Agreement. Thereafter, they may be adjusted annually to reflect the Contractor's adjustments to individual compensation. The Contractor shall notify Agency in writing prior to a change in the range of rates included herein, and prior to each subsequent change.

POSITION OR CLASSIFICATION RANGE OF HOURLY RATES

[*sample*]

Principal	\$.00 - \$.00/hour
Project Manager	\$.00 - \$.00/hour
Sr. Engineer/Planner	\$.00 - \$.00/hour
Project Engineer/Planner	\$.00 - \$.00/hour
Assoc. Engineer/Planner	\$.00 - \$.00/hour
Technician	\$.00 - \$.00/hour
Drafter/CADD Operator	\$.00 - \$.00/hour
Word Processor	\$.00 - \$.00/hour

2.3 The above rates are for the Contractor only. All rates for subcontractors to the Contractor will be in accordance with the Contractor's cost proposal.

3. INVOICING.

Each month the Contractor shall submit an invoice for Services performed during the preceding month. The original invoice shall be submitted to Agency's Executive Director with two (2) copies to Agency's Project Coordinator.

Charges shall be billed in accordance with the terms and rates included herein, unless otherwise agreed in writing by Agency's Representative.

Base Work and Extra Work shall be charged separately, and the charges for each task and Milestone listed in the Scope of Services, shall be listed separately. The charges for each individual assigned by the Contractor under this Agreement shall be listed separately on an attachment to the invoice.

Attachment: TUMF Reimbursement Agreement - Redlands Blvd SR-60 Interchange (4434 : APPROVE AGREEMENT TO REIMBURSE TUMF

A charge of \$500 or more for any one item of Additional Direct Costs shall be accompanied by substantiating documentation satisfactory to Agency such as invoices, telephone logs, etc.

- 3.5 Each copy of each invoice shall be accompanied by a Monthly Progress Report and spreadsheets showing hours expended by task for each month and total project to date.
- 3.6 If applicable, each invoice shall indicate payments to DBE subcontractors or supplies by dollar amount and as a percentage of the total invoice.
- 3.7 Each invoice shall include a certification signed by the Contractor's Representative or an officer of the firm which reads as follows:

I hereby certify that the hours and salary rates charged in this invoice are the actual hours and rates worked and paid to the employees listed.

Signed _____
 Title _____
 Date _____
 Invoice No. _____

4. PAYMENT

Agency shall pay the Contractor within four to six weeks after receipt by Agency of an original invoice. Should Agency contest any portion of an invoice, that portion shall be held for resolution, without interest, but the uncontested balance shall be paid.

- 4.2 The final payment for Services under this Agreement will be made only after the Contractor has executed a Release and Certificate of Final Payment.

Report to City Council

TO: Mayor and City Council

FROM: Michael L. Wolfe P.E., Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: AUTHORIZATION TO AWARD AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES TO STC TRAFFIC, INC. FOR CITY TRAFFIC ENGINEER CONSULTANT SERVICES

RECOMMENDED ACTION

1. Approve the Agreement for Professional Consultant Services with STC Traffic, Inc. to provide City Traffic Engineering on-call services for the Transportation Engineering Division, using funds from the City Council approved Operating Budget for FY2021/22;
2. Authorize the City Manager to execute the Agreement for Professional Consultant Services with STC Traffic, Inc., subject to the approval of the City Attorney;
3. Authorize the issuance of a Purchase Order with STC Traffic, Inc., in an amount not-to-exceed \$250,000.00, and authorize the Chief Financial Officer to approve subsequent related purchase orders with STC Traffic, Inc., in accordance with the approved terms of the Agreement; and
4. Authorize the Public Works Director/City Engineer to execute subsequent extensions and/or amendments, up to a maximum of four annual extensions, to the Agreement.

SUMMARY

This report recommends approval of an agreement with STC Traffic, Inc. for Professional Consultant Services to provide City Traffic Engineer on-call services for the Transportation Engineering Division.

DISCUSSION

Among many assignments, the Transportation Engineering Division handles activities such as the day-to-day traffic operations of the City, transportation related reviews for development projects, requests for traffic calming features from residents, emergency after-hours response for traffic-control equipment repairs, oversight of the Traffic Safety Commission, and the management of nine CIP projects with a combined budget of approximately \$5.9 M. The City Traffic Engineer position is currently vacant. In addition, both the Senior Engineer and the Associate Engineer positions in the Transportation Engineering Division recently became vacant. Recruitments for all three positions are currently underway. In order to serve the residents and business of Moreno Valley from a transportation perspective efficiently and effectively, a consultant is needed to bridge the gap until such time these positions can be filled.

In May 2021, the Request for Proposals (RFP) for Professional Services for City Traffic Engineer Consultant Services was posted in Planet Bids. On May 27, 2021, the City received four (4) proposals in response to the RFP. Pursuant to the Moreno Valley Municipal Code procedures for professional services procurement, a selection committee, comprised of City staff, reviewed and rated all proposals according to the criteria established. Following the evaluations, STC Traffic, Inc. was selected as the most qualified consultant to provide City Traffic Engineer consultant services after negotiation of a fair and reasonable price.

STC Traffic, Inc. will provide City Traffic Engineer consultant services by managing and directing the activities, programs, and staff of the Transportation Engineering Division under the direction of the Public Works Director and Engineering Division Manager.

The current Procurement Policy (Policy #3.09, Section VI.B.3) allows the original agreement to be extended for four additional one-year terms. Staff recommends that the City Council award the Professional Consultant Services Agreement with STC Traffic, Inc. to provide City Traffic Engineer Services with a not-to exceed amount of \$250,000. Extensions and amendments will only be entered into upon determination that sufficient funding appropriations and program approvals have been granted by the City Council, demonstration by the consultant of having provided satisfactory performance of the services, and both the City and the consultant mutually agree to extend the Agreement.

ALTERNATIVES

1. Approve and authorize the recommended actions as presented in this staff report. *Staff recommends this alternative in order to meet transportation engineering objectives.*
2. Do not approve and do not authorize the recommended actions as presented in this staff report. *Staff does not recommend this alternative, as it would hinder the City's ability to meet transportation engineering objectives.*

FISCAL IMPACT

The FY2021/2022 Operating Budget approved by the City Council has sufficient funds to cover the not-to-exceed amount of \$250,000. This will be a multi-year contract, with potential extensions in one-year increments, subject to approved funding levels in subsequent fiscal years for the Operating Budget.

NOTIFICATION

Publication of the Agenda.

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

This Agreement is by and between the City of Moreno Valley, California, a municipal corporation, hereinafter described as "City," and **STC Traffic, Inc.**, a California corporation, hereinafter described as "Consultant." This Agreement is made and entered as of this _____ day of _____ 2021 ("Effective Date").

RECITALS

WHEREAS, the City has determined it is in the public interest to proceed with the professional work hereinafter described as "Project"; and

WHEREAS, the City has determined the Project involves the performance of professional and technical services of a temporary nature as more specifically described in Exhibit A (City's Request for Proposal) and Exhibit B (Consultant's Proposal) hereto; and

WHEREAS, the City does not have available employees to perform the services for the Project; and

WHEREAS, the City has requested the Consultant to perform such services for the Project; and

WHEREAS, the Consultant is professionally qualified in California to perform the professional and technical services required for the Project, and hereby represents that it desires to and is professionally and legally capable of performing the services called for by this Agreement;

THEREFORE, the City and the Consultant, for the consideration hereinafter described, mutually agree as follows:

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

DESCRIPTION OF PROJECT

1. The Project is described as **City Traffic Engineer Consultant Services**.

SCOPE OF SERVICES

2. The Consultant's scope of service is described in Exhibit B attached hereto and incorporated herein by this reference. In the event of a conflict, the City's Request for Proposal shall take precedence over the Consultant's Proposal.

3. The City's responsibility is described in Exhibit C attached hereto and incorporated herein by this reference.

PAYMENT TERMS

4. The City agrees to pay the Consultant and the Consultant agrees to receive a "Not-to-Exceed" fee of **\$250,000.00** in accordance with the payment terms provided in Exhibit D attached hereto and incorporated herein by this reference.

TERM OF MULTI-YEAR AGREEMENT

5. (a) This contractual agreement will be subject to the City Council approving the fiscal year annual budget. This contractual agreement shall be binding upon all parties for a period of one (1) fiscal year and may be extended for an additional four (4) fiscal years upon the written agreement of both parties and pending funding approval in the new fiscal year's budget.

(b) The following clause applies to this project: "It should be noted that this multi-year agreement may be continued each fiscal year only after funding appropriations and program approvals have been granted by the City Council. In the event that the City Council does not grant necessary funding appropriations and/or program approval, then the affected multi-year agreement becomes null and void, effective July 1st of the fiscal year for which such approvals have been denied."

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

TIME FOR PERFORMANCE

6. The Consultant shall commence services upon receipt of written direction to proceed from the City.

7. The Consultant shall perform the work described in Exhibit A in accordance with the schedule as stated in the Notice to Proceed.

8. This Agreement shall be effective from effective date and shall continue in full force and effect date through **June 30, 2022**, subject to any earlier termination in accordance with this Agreement. The services of Consultant shall be completed in a sequence assuring expeditious completion, but in any event, all such services shall be completed prior to expiration of this Agreement.

9. (a) The Consultant agrees that the personnel, including the principal Project manager, and all subconsultants assigned to the Project by the Consultant, shall be subject to the prior approval of the City.

(b) No change in subconsultants or key personnel shall be made by the Consultant without written prior approval of the City.

SPECIAL PROVISIONS

10. It is understood and agreed that the Consultant is, and at all times shall be, an independent contractor and nothing contained herein shall be construed as making the Consultant or any individual whose compensation for services is paid by the Consultant, an agent or employee of the City, or authorizing the Consultant to create or assume any obligation or liability for or on behalf of the City.

11. The Consultant may also retain or subcontract for the services of other necessary consultants with the prior written approval of the City. Payment for such services shall be the responsibility of the Consultant. Any and all subconsultants employed by the Consultant shall

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

be subject to the terms and conditions of this Agreement, except that the City shall have no obligation to pay any subconsultant for services rendered on the Project.

12. The Consultant and the City agree to use reasonable care and diligence to perform their respective services under this Agreement.

12. The Consultant shall comply with applicable federal, state, and local laws in the performance of work under this Agreement.

13. To the extent required by controlling federal, state and local law, Consultant shall not employ discriminatory practices in the provision of services, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Subject to the foregoing and during the performance of this Agreement, Consultant agrees as follows:

(a) Consultant will comply with all applicable laws and regulations providing that no person shall, on the grounds of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

(b) Consultant will not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Consultant shall ensure that applicants are employed, and the employees are treated during employment, without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Such requirement shall apply to Consultant's employment practices including, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this nondiscrimination clause.

(c) Consultant will, in all solicitations or advertisements for employees placed by or on behalf of Consultant in pursuit hereof, state that all qualified applicants will receive consideration for employment without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era.

(d) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall cause each subcontractor to also comply with the requirements of this Section 13.

14. To the furthest extent allowed by law (including California Civil Code section 2782.8 if applicable), Consultant shall indemnify, hold harmless and defend the City, the Moreno Valley Community Services District ("CSD"), the Moreno Valley Housing Authority ("Housing Authority") and each of their officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage), and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees and litigation expenses) that arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of Consultant, its principals, officers, employees, agents or volunteers in

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

the performance of this Agreement.

If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subcontractor to indemnify, hold harmless and defend City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.

15. Insurance.

(a) Throughout the life of this Agreement, Consultant shall pay for and maintain in full force and effect all insurance as required in Exhibit E or as may be authorized in writing by the City Manager or his/her designee at any time and in his/her sole discretion.

(b) If at any time during the life of the Agreement or any extension, Consultant or any of its subcontractors fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to Consultant shall be withheld until notice is received by City that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to City. Any failure to maintain the required insurance shall be sufficient cause for City to terminate this Agreement. No action taken by City pursuant to this section shall in any way relieve Consultant of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by City that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

(c) The fact that insurance is obtained by Consultant shall not be deemed to release or diminish the liability of Consultant, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify City shall apply to all claims and

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Consultant. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Consultant, its principals, officers, agents, employees, persons under the supervision of Consultant, vendors, suppliers, invitees, consultants, sub-consultants, subcontractors, or anyone employed directly or indirectly by any of them.

(d) Upon request of City, Consultant shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

(e) If Consultant should subcontract all or any portion of the services to be performed under this Agreement, Consultant shall require each subcontractor to provide insurance protection in favor of City and each of its officers, officials, employees, agents and volunteers in accordance with the terms of this section, except that any required certificates and applicable endorsements shall be on file with Consultant and City prior to the commencement of any services by the subcontractor.

16. The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.

17. Consultant and subconsultants shall pay prevailing wage rates when required by the Labor Laws of the State of California.

18. (a) The Consultant shall deliver to the Public Works Director/City Engineer, red

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

line comments and other deliverable items identified in the scope of work which shall become the property of the City. The Consultant may retain, for its files, copies of any and all material, including drawings, documents, red line comments, and letters, produced by the Consultant in performance of this Agreement.

(b) The Consultant shall be entitled to copies of all furnished materials for his files and his subconsultants, if any.

(c) The City agrees to hold the Consultant free and harmless from any claim arising from any unauthorized use of computations, maps, and other documents prepared or provided by the Consultant under this Agreement, if used by the City on other work without the permission of the Consultant. Consultant acknowledges that Consultant work product produced under this agreement may be public record under State law.

19. (a) This Agreement shall terminate without any liability of City to Consultant upon the earlier of: (i) Consultant's filing for protection under the federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against Consultant; (ii) 10 calendar days prior written notice with or without cause by City to Consultant; (iii) City's non-appropriation of funds sufficient to meet its obligations hereunder during any City fiscal year of this Agreement, or insufficient funding for the Project; or (iv) expiration of this Agreement. The written notice shall specify the date of termination. Upon receipt of such notice, the Consultant may continue services on the project through the date of termination, provided that no service(s) shall be commenced or continued after receipt of the notice, which is not intended to protect the interest of the City. The City shall pay the Consultant within thirty (30) days after the date of termination for all non-objected to services performed by the Consultant in accordance herewith through the date of termination. Consultant shall not be paid for any work or services performed or costs incurred which reasonably could have been avoided.

**AGREEMENT FOR PROFESSIONAL
CONSULTANT SERVICES**

(b) In the event of termination due to failure of Consultant to satisfactorily perform in accordance with the terms of this Agreement, City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, City's damages caused by such failure. In no event shall any payment by City pursuant to this Agreement constitute a waiver by City of any breach of this Agreement which may then exist on the part of Consultant, nor shall such payment impair or prejudice any remedy available to City with respect to the breach.

(c) Upon any breach of this Agreement by Consultant, City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect, consequential, economic and incidental damages for the breach of the Agreement. If it is determined that City improperly terminated this Agreement for default, such termination shall be deemed a termination for convenience.

(d) Consultant shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of Consultant and without its fault or negligence such as, acts of God or the public enemy, acts of City in its contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. Consultant shall notify City in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to Administrator of the cessation of such occurrence.

20. This Agreement is binding upon the City and the Consultant and their successors and assigns. Except as otherwise provided herein, neither the City nor the Consultant shall assign, sublet, or transfer its interest in this Agreement or any part thereof without the prior

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

written consent of the other.

21. A City representative shall be designated by the City and a Consultant representative shall be designated by the Consultant. The City representative and the Consultant representative shall be the primary contact person for each party regarding performance of this Agreement. The City representative shall cooperate with the Consultant, and the Consultant's representative shall cooperate with the City in all matters regarding this Agreement and in such a manner as will result in the performance of the services in a timely and expeditious fashion.

22. This Agreement represents the entire and integrated Agreement between the City and the Consultant, and supersedes all prior negotiations, representations or Agreements, either written or oral. This Agreement may be modified or amended only by a subsequent written Agreement signed by both parties.

23. Where the payment terms provide for compensation on a time and materials basis, the Consultant shall maintain adequate records to permit inspection and audit of the Consultant's time and materials charges under this Agreement. The Consultant shall make such records available to the City at the Consultant's office during normal business hours upon reasonable notice. Nothing herein shall convert such records into public records. Except as may be otherwise required by law, such records will be available only to the City. Such records shall be maintained by the Consultant for three (3) years following completion of the services under this Agreement.

24. The City and the Consultant agree, that to the extent permitted by law, until final approval by the City, all data shall be treated as confidential and will not be released to third parties without the prior written consent of both parties.

25. (a) Consultant shall comply, and require its subcontractors to comply, with all

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

applicable (i) professional canons and requirements governing avoidance of impermissible client conflicts; and (ii) federal, state and local conflict of interest laws and regulations including, without limitation, California Government Code Section 1090 et. seq., the California Political Reform Act (California Government Code Section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations Section 18700 et. seq.). At any time, upon written request of City, Consultant shall provide a written opinion of its legal counsel and that of any subcontractor that, after a due diligent inquiry, Consultant and the respective subcontractor(s) are in full compliance with all laws and regulations. Consultant shall take, and require its subcontractors to take, reasonable steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, Consultant shall immediately notify City of these facts in writing.

(b) In performing the work or services to be provided hereunder, Consultant shall not employ or retain the services of any person while such person either is employed by City or is a member of any City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.

(c) Consultant represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit or procure this Agreement or any rights/benefits hereunder.

(d) Neither Consultant, nor any of Consultant's subcontractors performing any services on this Project, shall bid for, assist anyone in the preparation of a bid for, or perform any services pursuant to, any other contract in connection with this Project unless fully disclosed to and approved by the City Manager, in advance and in writing. Consultant and any of its

AGREEMENT FOR PROFESSIONAL CONSULTANT SERVICES

subcontractors shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless such interest is in accordance with all applicable law and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, Consultant shall remain responsible for complying with Section 25(a), above.

(e) If Consultant should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, Consultant shall include the provisions of this Section 25 in each subcontract and require its subcontractors to comply therewith.

(f) This Section 25 shall survive expiration or termination of this Agreement.

26. All Plans, drawings, Specifications, reports, logs, and other documents prepared by the Consultant in its performance under this Agreement shall, upon completion of the project, be delivered to and be the property of the City, provided that the Consultant shall be entitled, at its own expense, to make copies thereof for its own use.

27. The laws of the State of California shall govern the rights, obligations, duties, and liabilities of the parties to this Agreement, and shall also govern the interpretation of this Agreement. Venue shall be vested in the Superior Court of the State of California, County of Riverside.

Schedule

I. Tentative Schedule of Important Dates

This section provides a **tentative** schedule of the important milestone dates. Examine these dates carefully and plan accordingly. All times are 2:00 pm unless stated otherwise

	DATE	EVENT
1	May 13, 2021	Request for Proposals (RFP) issue date
2	May 18, 2021 @ 4:00 pm	Question deadline
4	May 20, 2021	Final addendum issued (if necessary)
5	May 27, 2021	Proposal due date
6	June 2, 2021	Evaluation of proposals completed
7	June 3, 2021	Interviews, as necessary
8	June 7, 2021	Selection of Consultant & contract preparation
9	June 15, 2021	City Council Approves Agreement (estimated)
10	July 1, 2021	Start of Service

Proposal Procedures, Content, and Format

I. General

- A. **Proposal Format:** A proposer must follow the instructions for preparing the proposal in the prescribed format. Section tabs must be utilized in the proposal following the same order of the RFP.
- B. **General Terms and Conditions:** Except as otherwise indicated herein, City's General Terms and Conditions govern rules and definitions of this RFP.
- C. **Right to Reject Proposals:** City reserves the right to reject any and all proposals, to waive any non-material irregularities or informalities in any proposal, and to accept or reject any item or combination of items.
- D. **Execution of Agreement:** If a Proposer is not able to execute an agreement within 10 days after being notified of selection, City reserves the right to select the next most qualified proposer or call for new proposals, whichever City deems most appropriate. (Sample template of agreement is attached).
- E. **Incorporation of RFP/Proposal:** This RFP and the firm's response, including all promises, warranties, commitments, and representations made in the successful proposal will become binding contractual obligations and will be incorporated by reference in any agreement between City and Proposer.
- F. **Authorized Signatories:** Company personnel signing the cover letter of the proposal or any other related forms submitted must be authorized signers with the requisite authority to represent their firm and to enter into binding contracts.
- G. **Validity of Proposals:** Proposed services and related pricing contained in the proposal must be valid for a period of 180 days after the due date.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

II. Proposal Content and Format

Include the following sections containing the information requested below in your proposal. To enable ease of evaluation, please follow the sequence shown and upload the required documents into the vendor portal in the appropriate sections.

A. Section 1: Executive Summary

1. Provide a cover letter of your company's information including:
 - a) Company's full legal name, address, phone, fax, email, website;
 - b) Prior company names (if any);
 - c) Organizational structure (corp., LLC, etc.);
 - d) Names and titles of the principal owner(s);
 - e) Person(s) authorized to make commitments for your company;
 - f) Company history, experience (brief), and years in business;
 - g) Current number of employees, key personnel;
2. Note any exceptions to any part of City's scope, specifications, terms or conditions in this letter and explain the reason.
3. Limit this section to a maximum of one page.

B. Section 2: Supplemental Company Information (Optional)

1. Provide any supplemental information not specifically requested by City that you would like City to consider in evaluating your proposal.
2. Ensure information is relevant to City's current or potential future needs.
3. Limit this section to a maximum of one page.

C. Section 3: Professional Team Assignments

1. Note any key personnel who are expected to remain in service until completion of the project.
2. Provide detail regarding the team to be assigned for these services.
3. Provide resumes of all team members.
4. Provide an organizational chart of all team members, titles, and a very brief description of their relevant responsibilities.
5. Limit this section to a maximum of ten pages plus resumes and org chart.

D. Section 4: Proposal Costs (Will not be viewed until after consultant ranking is made and top-ranked consultant is identified)

1. Submit all pricing on *Exhibit B using the form provided.
2. Provide pricing for each of the required line items.
3. Provide pricing for optional proposer recommendations.
4. See payment terms in Exhibit B for additional details.

* These forms are provided by City in the submittal forms section.

RFP # 2021-020 Professional Services for City Traffic Engineer Consultant Services May 2021

E. Section 5: Response Template

1. Complete City-provided Response Template with your answers to City's questions. Provide thorough responses with sufficient detail to enable City to evaluate your understanding of City's requirements, the suitability of your services and/or product(s) to meet City's requirements, the strength of your work plan, previous experience, and available resources.
2. Note these responses carry significant weight in City's evaluation of your proposal to provide and implement requested services.
3. Limit this section to a maximum of ten pages.

F. Section 6: Required Forms and Samples

1. Special Provisions Form*
2. Client Reference List*
3. Non-Collusion Affidavit*

* Note these forms are provided by City in the submittal forms section.

G. Section 7: Work Samples

1. Samples of work, queries, reports, and forms**
2. Sample of ongoing support and services agreements**

** Note that these documents will not be returned to proposer.

H. Inadequate Content

1. Note that a proposal is non-responsive if the proposal does not contain all proposal requirements, is not complete, is not received at the right location, and is not received by the proposal deadline, has exceptional or excessive exceptions City may, at its sole discretion, waive minor non-material irregularities and informalities.
2. Do not submit extraneous marketing or promotional information.

I. Proposal Format

1. Electronic only: searchable document
2. White paper, 8-½ x 11, page numbered
3. Typed, black print, approximately 11-12 point font
4. Free from excessive graphics or excessive photos

Proposer Qualifications, Evaluation Criteria, and Award Process

I. Proposer Qualifications

The intent of this RFP is to evaluate the proposals and ultimately select a Proposer that is determined to be the most qualified consultant to provide professional services for City.

The overall capabilities of consultant's organization should be discussed in this section. Include a brief summary of the firm's history, its recent related experience, top-level management, and ability of persons assigned to perform the work. Clearly state the relevant project experience of the personnel specifically proposed for the roles listed below. Specify possession of appropriate licenses and certificates.

A. Minimum Qualifications:

Knowledge of:

1. Theories, principles and practices of traffic engineering, including applicable traffic and zoning codes, ordinances, regulations and guidelines.
2. Computer applications relating to traffic engineering and analysis.
3. Administrative principles and methods, including goal setting, program development and implementation.
4. Federal, state and local laws, regulations and court decisions applicable to areas of assigned responsibility.
5. Principles and practices of public administration, including budgeting, reporting and maintenance of public records.
6. Research methods and data analysis techniques.
7. Principles and practices of effective business communication.
8. Operation of standard business computer software.
9. Principles and practices of effective management and supervision.

Ability to:

1. Strategically plan, organize, design, implement and monitor transportation and traffic engineering programs.
2. Plan, organize, assign, review and evaluate the work of professional, technical, and administrative support staff.
3. Provide technical assistance and staff leadership on all aspects of the division's function.
4. Analyze technical transportation design and engineering problems, evaluate alternative approaches, and adopt effective solutions.
5. Understand, interpret, explain and apply City traffic operations and safety rules, regulations, policies and procedures and applicable local, state and federal legislation and regulations.
6. Review and interpret engineering plans, codes, regulations and other complex technical documents.
7. Present proposals and recommendations clearly and logically.

RFP # 2021-020 Professional Services for City Traffic Engineer Consultant Services May 2021

8. Communicate clearly and effectively, both orally and in writing.
9. Prepare clear, concise and comprehensive correspondence, reports, studies and other written materials.
10. Exercise sound, expert independent judgment within general policy guidelines.
11. Exercise tact and diplomacy in dealing with sensitive and complex issues and situations.
12. Establish and maintain effective working relationships with City management, staff, and representatives of other public agencies, the public and others encountered in the course of work.

Education, Training and Experience:

A bachelor's degree in civil or traffic engineering. A minimum of eight years of professional civil or traffic engineering experience; and at least three years' experience in a supervisory or program management capacity.

Licenses; Certificates; Special Requirements:

- A Traffic Engineering License
- A valid California driver's license and the ability to maintain insurability under City's vehicle insurance policy.

II. Evaluation Criteria**A. Minimum qualifications, Competitive Range, and Award Consideration**

The minimum qualifications, competitive range, and award consideration based upon the following criteria

1. City will review the Proposers Qualifications to determine if the Proposer meets or betters the minimum requirements as detailed above.
2. Only Proposers that meet or better the minimum requirements will have their Proposals reviewed for consideration.
3. Only the best-qualified Proposer will be considered for final negotiations of scope of services, contract, award recommendation, and fee/price.

B. Evaluation Criteria

Award of the Contract shall be made to the most qualified Proposer that best meets City's specifications and needs. Submitted proposals will be evaluated on the following criteria:

- (40 points) — Experience of Key Personnel Background on key personnel (including all subconsultants) qualifications, abilities, familiarity with State and federal procedures and regulations; local experience on comparable projects and length of service with the firm; and reference information, preferably with municipal agencies.
- (20 points) – The Firm's General Experience and Qualification Information about the company (and all subconsultants) including professional licenses and certificates held; ability to furnish required insurance and meet stipulations of City's boiler plate

RFP # 2021-020 Professional Services for City Traffic Engineer Consultant Services May 2021

agreement; details about comparable projects/services completed by the firm, as well as local experience; and its ability to provide the required services.

- (10 points) – References
- (20 points) - Project Approach/Understanding Discussion of major issues identified on the project and how consultant team plans to address them; availability of key staff and commitment during contract; the management approach and organization necessary to perform the services; and outline quality control measures.
- (10 points) - Completeness, thoroughness, and neatness of submittal

C. Fee/Price Evaluation

1. Proposed fee is not to be viewed until after consultant ranking is made and top-ranked consultant is identified.
2. Reasonableness of any BAFO requests.
3. Reasonableness of fee requested to do the work, as originally proposed.
4. Final negotiations.

III. Award

- A. After conclusion of the above Evaluations, as noted in the tentative schedule, interviews may be held, at the City's discretion. A Notification of Intent to Award may then be sent to the Proposer selected.
- B. Award is contingent upon the successful negotiation, at a fair and reasonable price, of final contract terms and the approval of City. Negotiations shall be confidential and not subject to disclosure to competing Proposers unless an agreement is reached. If contract negotiations for a fair and reasonable price cannot be concluded successfully, City may negotiate a contract with the next best qualified Proposer or withdraw the RFP. In the event City does not approve the recommendation to award, the RFP may be cancelled without any cost or obligation of City.
- C. City operates on a fiscal year basis, running July 1st through June 30th. The initial Contract shall be in effect on the date of executed signatures (but no earlier than July 1, 2021) through June 30, 2022. The agreement may be renewed at the expiration of its term, by agreement of both parties, in one-year increments, up to four additional terms, at the end of each subsequent fiscal year. Renewal of the Agreement shall be accomplished through an amendment to agreement signed by both parties.
- D. Prices are firm fixed prices during each contract period.
- E. Prices shall be negotiated for each mutually exercised optional renewal period.

Special Terms and Conditions

I. Audit Requirements

RFP # 2021-020 Professional Services for City Traffic Engineer Consultant Services May 2021

- A. City reserves the right to periodically inspect and audit Provider's accounting procedures and supporting documentation in conjunction with the performance of the required services.
- B. City will notify Provider in writing of any such requested audit.
- C. City will inspect and audit in a reasonable manner and at City's expense.
- D. Provider must fully cooperate with any such audit(s).
- E. City will notify Provider in writing of any exception taken as a result of an audit.
- F. If an audit, in accordance with this article, discloses overcharges (of any nature) by Provider to City of the value of that portion of the Agreement that was audited, the actual cost of City's audit must be reimbursed to City by the Provider.

II. Termination

- A. If, in the opinion of City, Provider fails to perform or provide prompt, efficient service, City must have the right to terminate or cancel the Agreement upon 5-day's written notice, and pay Provider for the value of the actual work satisfactorily performed to the date of termination.
- B. City must have the right to terminate or cancel the Agreement upon 30-day's written notice without cause and pay Provider for the value of actual work satisfactorily performed to the date of termination.
- C. These rights are in addition to any other rights that City may have available.

Continued on Next Page

Exhibit A: Scope of Services

I. General

Under general direction, the successful firm shall provide City Traffic Engineering Consultant Services. Manages and directs the activities, programs and staff of the Transportation Engineering Division; and performs related duties as assigned.

Consultant shall dedicate and provide name and qualifications of one or more dedicated employees to serve as City's Consultant Traffic Engineer. City anticipates a commitment of approximately 40 hours/week, although time may be more or less, depending on the City's needs. The duration of work shall be on an as-needed basis. Tasks and duties include, but are not limited to, the following:

II. Specific

1. Plans, organizes, controls, manages and evaluates the work of the Transportation Engineering Division; with subordinate supervisors and staff, participates in establishing operational plans and initiatives to meet department goals and objectives; implements departmental plans, work programs, processes, procedures and policies required to achieve overall department performance results; coordinates and integrates department functions and responsibilities to achieve optimal efficiency and effectiveness; participates in developing and monitoring performance against the annual departmental budget.
2. Plans and evaluates the performance of assigned staff; establishes performance requirements and personal development targets; monitors performance and provides coaching for performance improvement and development; provides or recommends compensation and other rewards to recognize performance; takes disciplinary action, up to and including termination, to address performance deficiencies, subject to management concurrence, in accordance with the City's human resources policies and procedures and labor contract provisions.
3. Provides day-to-day leadership and works with staff to ensure a high performance, customer service-oriented work environment, which supports achieving City objectives and service expectations; provides leadership and participates in programs and activities that promote a positive employee relations environment.
4. Manages and directs the activities and staff involved in the daily administration of the Transportation Engineering Division; develops work programs and establishes program priorities; provides technical leadership and policy guidance and communicates management objectives to City management and staff; reviews and approves work performed by staff; manages sensitive community issues; manages the development, implementation and operations of programs designed to improve or maintain neighborhood livability; develops new programs to address the City's emerging traffic needs; manages contracts for consultants providing traffic engineering services; coordinates traffic services with other City divisions.
5. Manages and directs major transportation planning and infrastructure development projects and programs; identifies transportation and traffic issues and problems and develops counter-measures for improvement; manages and directs reviews processes to evaluate traffic impacts of new development projects; manages plan check processes for signal improvements and signing and striping plans; assesses traffic conditions and implements measures for improving traffic flow and enhancing traffic safety; develops and implements transportation administration policies and procedures.

RFP # 2021-020 Professional Services for City Traffic Engineer Consultant Services May 2021

6. Directs or conducts studies and prepares reports and correspondence on transportation issues for presentation to the City Council; monitors development in the transportation field and recommends and implements policy and procedure improvements; analyzes proposed changes to federal, state and local laws and regulations affecting the division and its programs.
7. Serves as inter-agency liaison and represents the City with other agencies on regional transportation issues, such as transportation system planning and infrastructure financing; coordinates transportation activities and services with other agencies; resolves complex jurisdictional issues.

End of Scope of Services

Exhibit B: Pricing (Will not be viewed until after consultant ranking is made and top-ranked consultant is identified)

DO NOT ATTACH TO PROPOSAL

Please attach as a separate document to the Cost File

I. Hourly Rates***

A. Include titles and rates for all staff that could provide services under the contract.

LN	Standard Personnel Rates	Title of Person Performing Service	Hourly Rate	Total Hours	Total Cost
1	City Traffic Engineer		\$		\$
2			\$		\$
3			\$		\$
4			\$		\$
5			\$		\$
6			\$		\$
B	Total Personnel Costs				

*** Attach additional sheets as necessary.

II. Pricing Terms and Conditions

- A. **Invoice:** See Attachment E for the Sample Invoice. Invoice format must first be approved by City prior to the first invoice submittal. Invoices must be submitted on a monthly basis if services were performed during that period.
- B. **Term:** Is for a one-year base period with up to four one-year optional renewals.
- C. **Additional Charges:** None; do not charge any fees or charges not listed in Exhibit B: Pricing.
- D. **Fixed Prices:** prices are fixed for each year of the agreement.
- E. **Proposal Pricing:** The awarded Provider's Exhibit B: Pricing, as accepted by City, will be incorporated into the resultant Agreement.

Attachment A: Required Response Template

(Bidder's Company Name)

Instructions:

Prospective proposers must provide the information requested below and include it in their proposal. City has provided the form as a separate Word document for bidder's use. Use this form or copy and paste it into your own document; in either case, please provide your responses under each of the number points. Do not omit or renumber any sections. Refer to attached documents sparingly and only as necessary; and ensure that any documents referred to are numbered according to the outline below.

I. Company Information: Name, Contacts, History, Scope of Services

Please provide the following information about your company:

- A. Your company's full legal name, address, phone, fax, email, website.
- B. Prior company names (if any) and years in business; mergers, buyouts, etc.
- C. Organizational structure (i.e. corp., LLC, sole proprietorship, etc.).
- D. Names and titles of the principal owner(s).
- E. Person(s) authorized to make commitments for your company.
- F. Company history, experience, years in business for current company name.
- G. Annual company revenues for the last three fiscal years.
- H. Tax ID number.
- I. The complete scope of services offered by your company.
- J. The number of clients (including governmental) served in past and present.
- K. Special qualifications, training, credentials, recognition, or awards.
- L. Contracts terminated for cause, pending litigation or legal issues.

II. Resources: Staffing, Facilities, Equipment

Provide the following information relative to required services:

- A. Names and titles of key management personnel. If proposer is selected, no change in key management personnel shall be made without written request by Consultant and approval by City.
- B. Team to be assigned for these services.
- C. Qualifications of specific individuals who will work on the project.
- D. Amount of time and involvement of key personnel who will be involved in respective portions of the project.
- E. Resumes of all team members; provide only names and titles only; attach current resumes to proposal.
- F. Current number of employees: full-time and part-time employees.
- G. Annual turnover rate of staff.

Names and details of any subconsultants you propose to use for our contract. If proposer is selected, no change in subconsultants shall be made without written request by Consultant and approval by City.
- H. Facilities that would be utilized to perform the required work.
- I. Equipment that would be utilized to perform the required work.

III. Required Services: Meeting or Bettering these Requirements

Provide the following information relative to required services:

- A. Ability to perform specific tasks as outlined in the RFP.
- B. Reasonableness of your fee to do the work.
- C. Current resources to meet or better all task and timeline requirements herein.

RFP # 2021-020 Professional Services for City Traffic Engineer Consultant Services May 2021

- D. Additional resources that might be needed to meet or better all task and timeline requirements of this request.
- E. How quickly could you provide additional, extra trained staff if requested by City for additional work beyond the original scope of services?
- F. How quickly can you begin providing services if awarded the contract?
- G. Details of any improvement or upgrades your firm has designed or implemented.

IV. Demonstrated and Technical Experience

Please describe your company's:

- A. Demonstrated record of success on work previously performed.
- B. Specific method and techniques to be employed on the project or problem.

V. Work Plan:

Taking all circumstances, current conditions, and required preparations into consideration, describe in detail, your proposed work plan for delivering the services required by this RFP, including, but not limited to;

- A. How you will schedule professional and staff to ensure milestones and deadlines are met?
- B. Provide required response time to the urgent service requests.
- C. How you will make up for work-hours lost (and resulting backlog that may occur) due to various unforeseen situations that may prohibit work on a specific day.
- D. Provide any other relevant information that you believe would benefit City for the requested services.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

Attachment B: Special Provisions

All items below apply to this bid proposal:

Hold Harmless and Indemnification: The successful bidder hereby agrees to indemnify, defend, and hold harmless City (including its officials, officers, agents, employees, and representatives) from and against any and all claims of any kind or nature presented against City arising out of vendor's (including vendor's employees, representatives, and subcontractors) performance under this agreement, excepting only such claims, costs or liability which may arise out of the sole negligence or willful misconduct of City.

Insurance Provisions: Unless otherwise stated in the RFP specifications, the following insurance requirements apply:

1. Comprehensive General Liability Insurance: (include products liability) \$1,000,000 per occurrence.
2. Auto Liability Insurance: \$1,000,000 per occurrence, combined single limit (CSL).
3. Workers' Compensation Insurance: as required by State statutes.
4. Employer's Liability Insurance: \$1,000,000 per accident; \$1,000,000 policy limit for disease.
5. All policies of insurance must provide for a minimum of thirty (30) days written notice of any change or cancellation of the policy.
6. Insurance policies to be in a form ad written through companies acceptable to City; and must include those endorsements, which are necessary to extend coverage, which is appropriate to the nature of the agreement.

Affirmative Action: In support of Affirmative Action, City requires all suppliers to comply with Title VII of the Civil Right Act of 1964, as amended, the Civil Rights Act of 1992, and all federal, state, and municipal laws and regulations pertaining thereto. In addition, successful bidders must certify prior to award of contracts in excess of \$50,000 that they have a written affirmative action plan in compliance with the above laws and regulations, and such plan may be reviewed by City. Said Certification may be made by signing below:

Subject: Statement of Qualifications for Request for Proposals #2021-020 for Professional Services for City Traffic Engineer Consultant Services

Dear Mr. Lloyd,

STC Traffic, Inc. (STC) is pleased to submit our qualifications to the City of Moreno Valley for Request for Proposals #2021-20 for City Traffic Engineer Consultant Services. STC is a leader in the traffic engineering, transportation planning, and Intelligent Transportation Systems (ITS) field. In addition to serving on the City of Moreno Valley's current on-call traffic engineering contract, STC serves in an on-call capacity for a range of municipal agencies throughout Riverside County, including the Cities of Menifee, Temecula, Jurupa Valley, Lake Elsinore, and Hemet, among others.

For over 14 years, STC has been serving the traffic engineering needs of Southern California municipalities. STC models their operations to replicate and support City Public Works Departments by offering licensed professional Civil and Traffic Engineers, Transportation Planners, former City Traffic Engineers, former public works electrical inspectors, and traffic signal maintenance technicians. This structure and the combined knowledge and skillsets of our professional staff gives our agency clientele the highest confidence that we can meet even their most advanced and complex traffic needs.

STC takes no exception to the City's scope, specifications, terms or conditions provided in the Request for Proposals. As President and principal owner, I am authorized to make commitments for the company. Please feel free to contact me with any questions regarding this proposal. We appreciate the opportunity to continue providing the highest quality services for the City of Moreno Valley.

Sincerely,

Jason Stack, TE, PTOE
President/Principal-in-Charge

Section 2. Supplemental Company Information

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

SUPPLEMENTAL COMPANY INFORMATION

STC is a full-service transportation planning and traffic engineering firm specializing in municipal on-call services. Nearly ninety percent of our client base is focused in the public sector, and we currently hold over 20 on-call contracts for municipalities throughout Riverside and San Diego Counties, including the City of Moreno Valley, Jurupa Valley, Beaumont, Hemet, Menifee, and Temecula. Our team of traffic engineers, transportation planners, and traffic operations specialists are recognized throughout California for their ability to creatively solve problems arising from the most challenging traffic engineering projects. We are well-positioned to assist the City of Moreno Valley for the position of City Traffic Engineer Consultant Services:

- Our own Nick Minicilli, PE, TE, has been fulfilling the role of Interim City Traffic Engineer in Moreno Valley for the past three months. In this position, STC offers the City the continuity needed to provide for a seamless transition between Nick and STC staff who we propose to take over this role. Mr. Minicilli will facilitate introductions between the City’s department staff and the proposed new Project Managers and share his knowledge of the City’s needs and day-to-day operations. His familiarity with both the City and STC’s team is beneficial for both parties.
- We are proposing two highly qualified senior staff to fulfill the role of City Traffic Engineer and to lead our support staff. Stephen Manganiello, MSCE, served as the Director of Public Works/City Engineer and City Traffic Engineer for National City for a combined 13 years. David DiPierro, TE, MBA, served over three decades with the Cities of San Diego and Oceanside. Mr. DiPierro held the position of City Traffic Engineer for Oceanside for 15 years.
- Unlike most competing firms, STC is already structured as a full-service extension of City staff, allowing our planners, designers, ITS experts, and construction managers to address your immediate needs. We have built and successfully deployed this model for several Cities in Riverside County.
- We believe in providing the City a value-driven fee and structure our contracts to provide maximum flexibility. We are incredibly responsive when providing these types of services and understand the critical nature of municipal work environments. Your schedule drives our schedule.
- One of our core principles is that our managers are working managers who stay connected to the project on every level in order to sustain exceptional service and provide innovative solutions. Mr. DiPierro, Mr. Manganiello, and STC staff bring a broad background with over a decade of experience serving clients in Riverside County with similar types of services. We continue to service these contracts and provide a vital connection for ongoing traffic improvements.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

Section 3. Professional Team Assignments

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

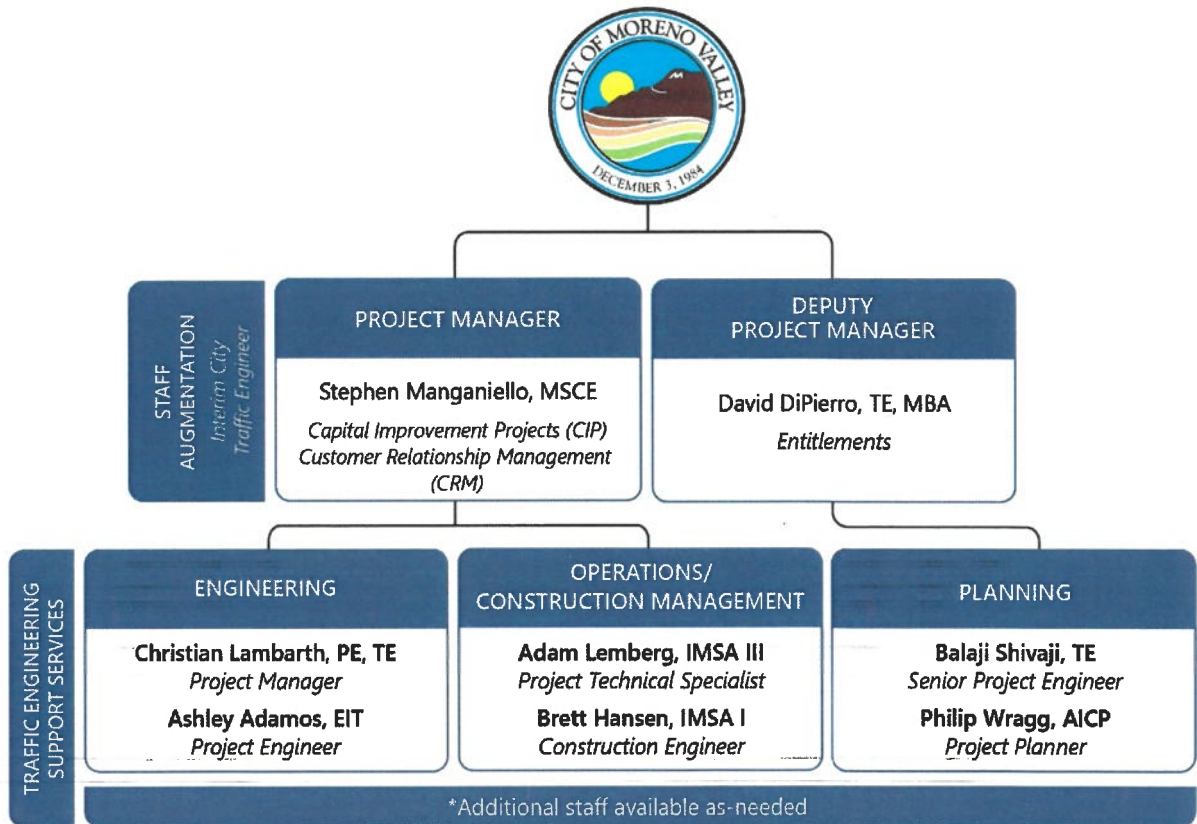

PROFESSIONAL TEAM ASSIGNMENTS

The STC team for this pursuit will be led by **Stephen Manganiello, MSCE**, and **David DiPierro, TE, MBA**, and supported by in-house technical staff in STC’s Planning, Engineering, Operations & Construction Management Divisions as needed for the City’s ongoing assignments. STC has developed a strong working relationship with the City of Moreno Valley, and we are confident that Mr. Manganiello and Mr. DiPierro will provide the highest possible standards of service for the City.

STC offers a proven Project Manager in Mr. Manganiello, who will serve as the City’s primary point of contact and deliver work related to CIP development and the Customer Relationship Management (CRM) system. He will also lead STC’s engineering and operations/construction management teams. Mr. DiPierro will serve as Deputy Project Manager and handle the City’s entitlements and lead STC’s planning team. Both managers will work directly with the City and dedicate one day each on-site to attend meetings and interface with City staff. Stephen and David will also be available “virtually” as-needed from our offices and additional on-site support will be provided when there is a critical need. The organizational chart below shows the structure and roles of key staff assigned to this contract. Resumes are included at the end of this section.

ORGANIZATIONAL CHART

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

KEY STAFF QUALIFICATIONS & RELEVANT EXPERIENCE

Stephen Manganiello, MSCE, will serve as the Project Manager for this contract. He brings over 20 years of experience developing, managing, and delivering high-quality capital improvement projects for local communities. Prior to joining STC in 2020, Mr. Manganiello served as the Director of Public Works/City Engineer for National City for eight years, while maintaining his role as City Traffic Engineer for over 13 years.

As Department Director, Mr. Manganiello managed over 60 hardworking employees, all of whom provided essential services for National City residents, schools, businesses and visitors, including maintenance and construction of the City’s roads, traffic signals, streetlights, sewers, storm drains, parks, and public buildings. During his tenure, Mr. Manganiello grew the size of the City’s five-year CIP from \$20M to \$80M by securing over \$70 million in competitive grants.

His reputation for delivering high-quality projects, on time and within budget is highlighted by the fact that over two dozen of his projects received industry awards for innovation in planning and design from professional organizations such as the San Diego Chapters of the APWA, ITE, ASCE, APA, WTS, Circulate San Diego, and the San Diego County Bicycle Coalition. Notably, the City’s first Active Transportation Plan was recognized by APA as the top “Comprehensive Plan for Small Jurisdiction” in the State of California.

Over the last decade, Mr. Manganiello played a central leadership role in National City’s streetscape improvements, including the \$10M downtown revitalization project on 8th Street, citywide midblock pedestrian crossing enhancements, pedestrian and bicycle enhancements in the City’s historic Old Town neighborhood, and improvements on the “A” Avenue “green street” and mobility corridor. These projects serve as examples of Mr. Manganiello’s ability to steer high-profile planning projects involving diverse interests and stakeholders.

Most of Mr. Manganiello’s projects have involved coordination with stakeholders, including non-profit community organizations, advocacy groups, local schools, regulatory agencies, transit agencies, utility companies, and private developers. Mr. Manganiello’s ability to forge consensus through outreach is a key attribute to his success as a project manager. For example, he led the development of National City’s General Plan Circulation Element, Downtown Specific Plan Update and Parking Management Plan, Citywide Safe Routes to School Program, Bicycle Master Plan, and two Active Transportation Plans, all of which involved extensive community outreach and stakeholder engagement.

David DiPierro, TE, MBA, will serve as the Deputy Project Manager for this contract. Mr. DiPierro joined STC after serving over three decades with the Cities of San Diego and Oceanside’s Traffic Engineering Divisions. He lends his expertise as a former City Traffic Engineer having managed hundreds of traffic safety projects and planning efforts, many of which involved forging consensus among stakeholders. Mr. DiPierro provides effective project management with a strong adherence to professional standards and a high-quality work product. David brings a broad background with over 35 years of experience serving municipal clients in Southern California. David has always been committed to getting the job done right and making himself available when needed.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

PLANNING SUPPORT STAFF

Balaji Shivaji, TE, brings over 14 years of experience preparing traffic engineering studies and design plans in Southern California. Mr. Shivaji provides similar services to the City of Menifee under our on-call traffic engineering services contract, conducting reviews and drafting comments for traffic study scoping agreements, traffic impact studies, and technical memoranda. Mr. Shivaji was highly involved in the development of Menifee’s Active Transportation Plan, determining projects and safety measures and their feasibility for all travel modes. He also served as senior project planner for the City’s Systemic Safety Analysis Report (SSAR), leading the development of the overall summary of systemic crash information.

Philip Wragg, AICP, has over eight years of specialized experience in transportation planning and travel behavior and has managed various transportation planning projects. Mr. Wragg developed the traffic impact analysis (TIA) report in support of the permit application for a new bridge in the City of Temecula. This is one of the first studies for which the City applied SB 743 requirements, and Mr. Wragg has been responsible for advising the City regarding VMT analysis inclusion in the project environmental documentation. A traffic management plan is also included to ensure that bicyclists and pedestrians are protected during construction.

ENGINEERING SUPPORT STAFF

Christian Lambarth, PE, TE, has over 11 years of experience delivering traffic engineering projects and specializes in traffic signal design, signing and striping design, traffic control, traffic operational analysis, street lighting, and traffic signal interconnect. Mr. Lambarth develops plans, specifications, and estimates (PS&E) that focus on constructability. For the past five years, he has led STC’s design team on the Redlands Passenger Rail Project (RPRP), a high-profile commuter rail project in San Bernardino County. He coordinated and executed traffic signal design, signing and striping, and traffic control plans for 26 at-grade crossings. Mr. Lambarth has also led several HSIP projects under our on-call traffic engineering contracts for the Cities of Menifee and Temecula.

Ashley Adamos, EIT, has extensive experience in coordinating data collection, conducting documentation control, performing signal timing conversions, developing signal timing plans and time-of-day coordination plans, and preparing before and after traffic studies. Ms. Adamos is committed to keeping up with the latest traffic signal standards, technical references, and technologies. She applied her expertise to develop the Basis of Design for Temecula’s fiber optic communications upgrades. She also provides signal timing plans and design related services for the City of Menifee on an on-call basis.

OPERATIONS/CONSTRUCTION MANAGEMENT SUPPORT STAFF

Adam Lemberg, IMSA III, has over 23 years of experience installing, operating, troubleshooting, and maintaining traffic signals and communication networks. He has developed a well-respected reputation for supporting the hardware and software used by local and regional agency transportation systems. Prior to joining STC, Mr. Lemberg worked for McCain, Inc. for 14 years, where he installed many of the advanced traffic management systems in Southern California and nationally. Mr. Lemberg has also worked with

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

municipalities for various construction management tasks. He has developed a well-regarded reputation for solving complex implementations.

Brett Hansen, IMSA I, leads STC’s construction engineering and construction management support services. He is an expert in ITS and traffic engineering design, technical specifications, special provisions, true cost construction estimates, and bid package production. With his technical expertise and in-depth knowledge of the construction industry, Mr. Hansen supports large-scale high-profile construction projects, avoiding project delays and costly change orders. An example is the Redlands Passenger Rail Project, in which Mr. Hansen is responsible for the construction engineering of associated traffic signals, CIS system, and communication duct bank. He has also been leading our construction support services for citywide traffic signal communications for the City of Menifee.

Availability of Key Personnel. The successful performance of these services requires the expertise of the staff assigned, understanding expectations, and ensuring resources are available to meet needs in a timely manner.

The City Traffic Engineer Consultant Services contract may require a wide range of services and multiple tasks executed simultaneously. STC has the in-house expertise to provide the services and the resources to fulfill multiple task orders.

STC Key Personnel	Primary Responsibility	Anticipated Availability
Stephen Manganiello, MSCE	<ul style="list-style-type: none"> Project Manager Primarily responsible for Capital Improvement Program and CRM 	8 hours on site/week <i>(Anticipated Wednesday, Optional Thursday when required)</i> Up to 24 additional hours/week remote

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

Stephen Manganiello, MSCE

Project Manager

Mr. Manganiello has over 21 years of experience in the traffic engineering field. Prior to joining STC Traffic, Inc., Mr. Manganiello served as the Director of Public Works/City Engineer for the City of National City for eight years, while maintaining his role as City Traffic Engineer for over 13 years. He lends a unique perspective to the industry, having worked at the highest levels of management in both the public and private sectors, including serving as Acting City Manager for the City of National City.

On-Call Traffic Engineering and Design Services | San Diego County, CA

- Mr. Manganiello serves as Senior Principal Manager for STC’s on-call traffic engineering contracts with the Cities of La Mesa, National City, Imperial Beach, Oceanside, and Menifee. Typical services include traffic calming evaluations, corridor feasibility studies, safety assessments, TIA reviews, traffic analysis, multi-modal roadway design, community engagement, active transportation planning, safe routes to school, and complete streets.

National City Capital Improvement Program | National City, CA

- In his role as Director of Engineering & Public Works, Mr. Manganiello grew the size of National City’s five-year CIP from approximately \$20 million to \$80 million by leveraging a small amount of tax revenues and discretionary funds each year to secure approximately \$70 million in competitive federal, state, and regional grant awards. Under Mr. Manganiello’s leadership, the City was able to deliver over \$30 million in traffic safety and active transportation projects, with an additional \$30 million in various stages of design and construction upon his departure from the City. Over two dozen of his projects received industry awards for innovation in traffic engineering and transportation planning from various professional organizations. Mr. Manganiello led the development of the City’s General Plan Circulation Element Update (which included a “complete streets” network and policies), Downtown Specific Plan Update and Parking Management Plan, Bicycle Master Plan, two Active Transportation Plans, and Citywide Safe Routes to School Program.

Neighborhood Traffic Calming Program | Imperial Beach, CA

- STC supports the City’s Neighborhood Traffic Management Program (NTMP) by performing a variety of site assessments, walk audits, traffic analysis, feasibility studies, complete streets design, and community engagement through an on-call traffic engineering and transportation planning contract with the City. Mr. Manganiello recently led a traffic calming study to identify potential solutions to address speeding and neighborhood cut-through along two residential streets.

Years of Experience: 21

Education: University of Wisconsin-Madison, M.S. Civil Engineering specific to Transportation Engineering (2003); University of Wisconsin-Madison, B.S. Civil Engineering (2000)

Organizations: Served on SANTEC for 13 years and CTAC for 8 years

Areas of Expertise:

- City Traffic Engineer
- Traffic Calming Studies
- Baseline Corridor Conditions
- Community Engagement
- Capital Improvement Programs

David DiPierro, TE, MBA

Deputy Project Manager

Mr. DiPierro has 34 years of experience managing traffic engineering, signal operations, and transportation planning projects, primarily on behalf of public agencies in San Diego. He has developed transportation elements for numerous general and master plan projects focusing on mobility, circulation, and multi-modal travel options. Mr. DiPierro is a highly-experienced manager, having supervised engineering teams for more than 30 years and specializing in staff development.

Housing Element and General Plan Update | Carlsbad, CA

- Senior Principal Manager responsible for updating Carlsbad’s General Housing Element for 2021–2029 after engaging in extensive public outreach and involvement activities and updating the General Plan with a view toward recent State legislation related to the Housing Element. Responsible for preparing the traffic study to assess the effects of increased traffic due to potentially higher housing density and re-zoning at selected locations. He oversees traffic data collection, various roadway/freeway segment analyses, trip generation analysis for potential sites, future traffic forecasting, and VMT forecasting.

Traffic Operations – Engineering and Capital Projects Department | San Diego, CA

- Serving as project engineer in the City of San Diego Engineering & Capital Projects Department, Mr. DiPierro supervised a team of engineers in implementing traffic control devices and traffic calming projects that were designed by the City’s Traffic Operation Section. Mr. DiPierro worked closely with and provided assistance to neighborhood groups, City Council offices, the San Diego Police Department, and the San Diego and Poway Unified School Districts.

City Traffic Engineer | Oceanside, CA

- City Traffic Engineer responsible for providing a safe and sustainable transportation system for all roadway users within the City of Oceanside. Routine tasks included review of traffic impact studies and traffic control plans, field reviews, sight distance evaluations and parking studies, and traffic signal and stop control warrant analyses. QA/QC manager for the following projects: City of Oceanside Circulation Element, Mission Avenue Complete Streets Project, Citywide Safe Routes to School Project, Local Road Safety Plan, and Coast Highway Corridor Project. Mr. DiPierro led the development effort for a “Complete Streets” project that modified a 2.5-mile-long segment of Coast Highway in Oceanside. Mr. DiPierro led the presentations at both Planning Commission and City Council hearings, successfully receiving approval for the project.

Years of Experience: 35

Education: San Diego State University, M.B.A. (1997)
University of Rhode Island, B.S., Civil Engineering (1986)

License:
Professional Engineer (Traffic) California, #2234

Areas of Expertise:

- City Traffic Engineer
- Transportation Planning
- Traffic Calming
- Policy and Land Use Planning
- Baseline Corridor Conditions
- Stakeholder Engagement

Balaji Shivaji, TE

Planning Support | Senior Project Engineer

Mr. Shivaji brings over 14 years of experience preparing traffic engineering design plans in Southern California. He provides well-thought-out solutions in mobility planning while ensuring practical, feasible design in traffic engineering. He is an expert in the preparation of various technical traffic studies, analysis studies, mobility studies, and plans, specifications, and estimates (PS&E) for traffic engineering, transportation planning, active transportation, and mobility projects.

- **On-Call Traffic Engineering Services | Menifee, CA**
- **Active Transportation Plan | Menifee, CA**
- **Systemic Safety Analysis Report | Menifee, CA**

Years of Experience: 14

Education: M.S., Civil Engineering, San Diego State University (2006), B.S., Civil Engineering, Bangalore University (2007)

License:
Professional Engineer (Traffic) California, #2946

Areas of Expertise:

- Traffic Counts and Data Collection
- Traffic Calming Studies/Design
- Traffic Signal Timing and Coordination Plans
- Microsimulation of Multi-Modal Corridors, Intersection Control

Philip Wragg, AICP

Planning Support | Project Planner

Mr. Wragg has over eight years of specialized experience in transportation planning, including detailed analysis of transportation impacts analysis, Level of Service (LOS), and Vehicle Miles Traveled (VMT). He has further experience in community outreach, travel behavior modeling, intersection modeling, and interagency coordination. Mr. Wragg helps to identify accessibility barriers to sustainable mobility options and helps develop solutions to improve accessibility, including input on outreach and education.

- **On-Call Traffic Engineering Services | Menifee, CA**
- **Murrieta Creek Bridge TIA | Temecula, CA**
- **Local Road Safety Plan | Temecula, CA**

Years of Experience: 8

Education: University of the West of England, Master of City Planning; University of Greenwich, B.A., Economics

Certification:
AICP = Certified Planner with the American Institute of Certified Planners.

Areas of Expertise:

- Local Mobility Analysis
- Vehicular Level of Service Analysis
- Multi-Modal Level of Service Analysis
- Vehicle Miles Traveled Analysis
- Transportation Demand Management Plans

Adam Lemberg, IMSA III

Operations/CM Support | Project Technical Specialist

Mr. Lemberg has over 23 years of experience installing, troubleshooting, and maintaining traffic signals and communication networks. He has a respected reputation for his ability to provide excellent support for the hardware and software used by local and regional agency transportation systems. Mr. Lemberg provides on-call traffic operations services to numerous local agencies in San Diego County. Prior to joining STC, Mr. Lemberg worked for McCain, Inc., for 14 years, where he installed many of the advanced traffic management systems in Southern California, along with the infrastructure necessary for network communications.

- **Signal Timing, Signal Operations, and Traffic System Services | Menifee, CA**
- **Newport and Scott Road Coordination Timing | Menifee, CA**
- **Traffic Signal Programming & Timing Plans | Jurupa Valley, CA**

Years of Experience: 23

Affiliations: International Municipal Signal Association (IMSA) Member

Certification:

- Traffic Signal Communications
- Advanced Traffic Management Systems

Brett Hansen, IMSA I

Operations/CM Support | Construction Engineer

Mr. Hansen has over nine years of experience as a design engineer and construction manager, playing an integral role in various traffic engineering and electrical projects throughout the Southern California region. He is well versed in standard specifications and plans required by government agencies, skilled in field analysis, and has expertise in electrical and communications systems. He began his career in the construction industry, ultimately rising to the role of lead estimator for a large contracting firm bidding on projects over \$100 million. This background provides Brett the ability to avoid design pitfalls and reduce schedule and change order risk.

PROPOSAL COSTS

Per RFP instructions, proposal costs have not been included in the narrative proposal.

Exhibit B: Pricing has been included in a standalone submittal.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

Section 5. Response Template

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

Attachment A: Required Response Template

STC Traffic, Inc.

I. Company Information: Name, Contacts, History, Scope of Services

A. Your company's full legal name, address, phone, fax, email, website.

STC Traffic, Inc. (formerly Stack Traffic Consulting, Inc.)
5865 Avenida Encinas, Suite 142-B, Carlsbad, CA 92008
(760) 602-4290
(760) 670-3445
Jason.stack@stctrffic.com
www.stctrffic.com

B. Prior company names (if any) and years in business; mergers, buyouts, etc.

Stack Traffic Consulting, Inc. began in 2007. The name was changed in 2014 to STC Traffic, Inc. (formerly Stack Traffic Consulting, Inc.). The change was in name only; our federal tax ID # remained unchanged.

C. Organizational structure (i.e. corp., LLC, sole proprietorship, etc.).

CA Corporation

D. Names and titles of the principal owner(s).

Jason Stack, President (Corporate Officer) 100% ownership/shareholder
Morna Stack, CFO (Corporate Officer)
Adam Lemberg, Secretary (Corporate Officer)

E. Person(s) authorized to make commitments for your company.

Jason Stack, President

F. Company history, experience, years in business for current company name.

STC Traffic, Inc. (STC) was founded in 2007 by Jason Stack, whose vision was to provide specialized traffic engineering and ITS services to meet the needs of municipalities throughout Southern California. Fourteen years later, STC has met great success by building a team of highly skilled staff and staying at the forefront of traffic engineering technology and practices. Nearly ninety percent of our clientele are public agencies, and we currently hold over 20 on-call contracts with municipalities throughout San Diego and Riverside counties. STC is one of the few local firms involved at every level of municipal Transportation Engineering service, from planning to civil and traffic design, transit and rail, Intelligent Transportation Systems, operations, and construction management.

G. Annual company revenues for the last three fiscal years.

Fiscal Years 2018 – 2020: Average company revenues = \$4.5 million

H. Tax ID number.

562636889

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

I. The complete scope of services offered by your company.

TRAFFIC & CIVIL ENGINEERING DESIGN SERVICES

- Traffic Signal Design
- Signing and Striping Design
- Worksite Traffic Control Design
- Street Lighting Design
- Roadway and Intersection Design
- Traffic Detour/Control Plans Including Construction Phasing
- Traffic Study Review
- Street Light Layouts
- Neighborhood Traffic Management Program
- Modern Roundabouts
- Communication Systems Design
- Traffic Calming Design
- Traffic Investigations
- Signal Warrant Analysis
- Traffic Engineering Plan Check
- Communications Conduit Plans (Fiber Optic Traffic Signal Interconnect)
- Alignment Studies
- Signal Coordination
- Traffic Counts/Delay Studies/Speed Zone Analysis

TRAFFIC ENGINEERING AND TRANSPORTATION PLANNING SERVICES

- Traffic Impact Studies and Reviews
- Parking Studies
- Corridor Studies
- Feasibility Studies
- Traffic Calming Assessments
- Complete Street Studies
- School Related Operations
- Congestion Management Plans
- Traffic Modeling
- Circulation Element Update
- Collision Trend and Traffic Safety Analysis
- Engineering and Traffic Surveys

TRAFFIC ENGINEERING SYSTEMS, OPERATIONS, AND CONSTRUCTION SERVICES

- Constructability Reviews
- Construction Management
- Electrical Inspection Services
- Maintenance Reviews
- Staff Training
- TMC Operation and Management
- Performance Monitoring
- Traffic Signal Timing and Control Logic
- Railroad Preemption Applications
- System Integration
- System Program Management
- System Master Planning
- System Tests, Verification, Evaluation
- System Troubleshooting
- ITS Technologies
- Communications and Networking

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

J. The number of clients (including governmental) served in past and present.

Approximately 259 clients

K. Special qualifications, training, credentials, recognition, or awards.

As the foundation of our organization, our staff has the highest level of expertise possible across a range of specialties. We are comprised of Professional Engineers in Traffic and Civil Engineering, Professional Traffic Operations Engineers, Certified Planners, Certified IMSA Signal Technicians, ITS and Systems and Network Engineers, and Public Works Electricians/Inspectors. STC construction management support staff are IMSA-certified levels 1 through 3, qualified to work in a traffic signal control cabinet and in construction zones.

Project Awards:

- **Westside Mobility Enhancements Project** – 2019 ASCE San Diego Chapter Award of Excellence in the Bikeways and Trails category and 2020 Caltrans Excellence in Transportation Award
- **Balboa Avenue Corridor Improvements** – 2020 APWA Honor Award for Transportation
- **South Coast Highway 101 Cycle Track Safety and Mobility Enhancements** – 2021 APWA Honor Award
- **Carlsbad Traffic Engineering Services** - ITE "Technical Document of the Year" for MMLOS Tools; ESRI "Most Analytic Award" for viewshed of wireless radio coverage

L. Contracts terminated for cause, pending litigation or legal issues.

N/A

II. Resources: Staffing, Facilities, Equipment

A. Names and titles of key management personnel. If proposer is selected, no change in key management personnel shall be made without written request by Consultant and approval by City.

- Project Manager: Stephen Manganiello, MSCE
- Deputy Project Manager: David DiPierro, TE, MBE

B. Team to be assigned for these services.

Planning Services:

- Balaji Shivaji, TE
- Philip Wragg, AICP

Engineering Services:

- Christian Lambarth, PE, TE
- Ashley Adamos, EIT

Operations/CM Services:

- Adam Lemberg, IMSA III
- Brett Hansen, IMSA I

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

C. Qualifications of specific individuals who will work on the project.

See Section 3: Professional Team Assignments for more detail regarding our project team’s qualifications.

- Stephen Manganiello – Former City Traffic Engineer and Public Works Director for National City.
- David DiPierro – Licensed Traffic Engineer, former City Traffic Engineer for Oceanside
- Balaji Shivaji – Licensed Traffic Engineer
- Philip Wragg – Certified Planner with the American Institute of Certified Planners
- Christian Lambarth – Licensed Civil and Traffic Engineer
- Ashley Adamos – Licensed Engineer-In-Training
- Adam Lemberg – Traffic Signal Senior Field Technician Level III
- Brett Hansen – Traffic Signal Technician Level I, Certified for Corning Fiber Installation

D. Amount of time and involvement of key personnel who will be involved in respective portions of the project.

Our key management personnel will be on-site two days per week and will be available virtually for additional support. David DiPierro will be on-site on Tuesdays and will be available for an additional 16 hours per week virtually. He will attend preliminary Project Review Staff Committee meetings (Pre-PRSC) while on site, and will attend the Wednesday PRSC meetings virtually. Stephen Manganiello will be on-site on Wednesdays. He will be available for an additional 24 hours per week virtually, with the option to be on-site Thursday when necessary. Stephen will handle CIP projects, citizen requests, and signal timing issues. He will be hands on working with City staff from the Transportation Department and the Traffic Signal Maintenance group. Our support staff will be available as-needed throughout the week, either virtually or in the field.

E. Resumes of all team members; provide only names and titles only; attach current resumes to proposal.

Resumes have been provided for all key personnel in Section 3: Professional Team Assignments.

- David DiPierro, TE, MBE - Senior Project Manager
- Stephen Manganiello, MSCE - Senior Project Manager
- Balaji Shivaji, TE – Senior Project Engineer
- Philip Wragg, AICP – Project Planner
- Christian Lambarth, PE, TE – Project Manager
- Ashley Adamos, EIT– Project Engineer
- Adam Lemberg, IMSA III – Project Technical Specialist (Operations)
- Brett Hansen, IMSA I – Construction Engineer

F. Current number of employees: full-time and part-time employees.

STC currently has 23 employees (22 Full-Time; 1 Part-Time)

G. Annual turnover rate of staff.

2%

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

H. Names and details of any subconsultants you propose to use for our contract. If proposer is selected, no change in subconsultants shall be made without written request by Consultant and approval by City.

N/A

I. Facilities that would be utilized to perform the required work.

STC has offices located in Carlsbad and Temecula with high-speed internet capabilities available to all staff. STC utilizes a secure “cloud-based” server system for project work, which STC staff can access from home and out in the field. STC has invested in the full Microsoft Office 365 suite to conduct virtual meetings.

J. Equipment that would be utilized to perform the required work.

All STC staff have full home and mobile set-ups to be able to conduct their work virtually and in the field. We utilize the latest in traffic engineering software including AutoCAD, MicroStation, Synchro, GIS, and other drafting tools. We maintain an in-house Traffic Management Center at our Carlsbad office, with all the necessary control hardware and software.

III. Required Services: Meeting or Bettering these Requirements

A. Ability to perform specific tasks as outlined in the RFP.

Stephen Manganiello has over 20 years of experience developing, managing, and delivering high-quality capital improvement projects for local communities. Prior to joining STC in 2020, Mr. Manganiello served as the Director of Public Works/City Engineer for National City for eight years, while maintaining his role as City Traffic Engineer for over 13 years. During his tenure, he managed over 60 hardworking employees and grew the size of the City’s five-year CIP from \$20M to \$80M by securing over \$70 million in competitive grants.

David DiPierro joined STC after serving over three decades with the Cities of San Diego and Oceanside’s Traffic Engineering Divisions. He lends his expertise as a former City Traffic Engineer having managed hundreds of traffic safety projects and planning efforts, many of which involved forging consensus among diverse stakeholders. In his role as Oceanside’s City Traffic Engineer, David was responsible for all staff supervision and training; preparation of capital and operating budgets; community engagement and liaison with City leadership and adjacent departments; transportation planning; preparation of grant applications; management of the City’ CIP; development review; citizen requests; permitting; and management of the Citywide traffic system.

B. Reasonableness of your fee to do the work.

At STC, we understand the budget constraints for Public Works projects and are always willing to work with our agency clients to provide reasonable rates. We have negotiated our rates in the past to meet Moreno Valley’s budgetary needs. Our rates are highly competitive for the services we provide and offers the City the biggest “bang for its buck.” We also do not mark-up for expenses. These cost considerations will extend the City’s limited funding resources and provision of services.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

- C. Current resources to meet or better all task and timeline requirements herein.**
See Section A above and our Organizational Chart and Key Personnel Availability table provided in Section 3.
- D. Additional resources that might be needed to meet or better all task and timeline requirements of this request.**
STC offers 18 professional staff dedicated to traffic engineering in the Public Works environment. For on-call contracts with an extensive scope of services, we understand that some projects require further resources. Our team is highly diversified and offers a wide range of skill sets. Our highly skilled systems and operations and construction management staff add significant value to the services needed in the Traffic Engineering department.
- E. How quickly could you provide additional, extra trained staff if requested by City for additional work beyond the original scope of services?**
We take great pride in our long-standing history in providing both as-needed and extension of staff services for our public agency clients. STC places great emphasis on strong project management with open lines of communication and a “stand ready” work ethic. As a small firm, STC is nimble and able to make staff adjustments as needed to meet demanding timelines for project delivery. STC has the capacity to provide the City with the resources necessary to accommodate additional scope services while adhering to the schedule and budget, as demonstrated through our long-standing on-call contracts.
- A. How quickly can you begin providing services if awarded the contract?**
We are currently providing services to the City, as Interim City Traffic Engineer and under our on-call traffic engineering contract. We will continue these services without interruption.
- B. Details of any improvement or upgrades your firm has designed or implemented.**
STC works at the ground level to develop the planning level framework that Capital Improvement Projects revolve around. We master plan systems and develop Local Roadway Safety Programs, asset management plans, operation improvement plans, and plans for other areas of municipal Public Works improvements. We find and secure the funding needed to develop improvement plans, and once the project is funded, we provide the engineering and PS&E for everything within public Right-of-Way, including street improvements, traffic signal improvements, and various facility improvements. After construction, we continue to be involved in the operations of these systems. Our work has evolved to extend beyond supporting Public Works departments to include IT, fire, police, emergency services, and recreational departments.

When we start work with a new agency, we proactively look for improvements that we can start implementing on behalf of our client. For instance, when we started our on-call contract for the City of Moreno Valley, we immediately noted the need to develop a Local Road Safety Plan. We were able to write the LRSP staff report that will now be sent to City Council.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

IV. Demonstrated and Technical Experience

A. Demonstrated record of success on work previously performed.

STC has been providing on-call traffic engineering services to public agencies for over a decade. See the list below for all of our current on-call contracts.

- Carlsbad – Traffic Engineering Services; Traffic Signal Program and Rail Operations Support
- Chula Vista – Traffic Engineering and ITS Services
- Encinitas – Civil Engineering; Grant Writing and Administration; Engineering and Project Management Services
- Fontana – Professional Services
- Imperial Beach – Traffic Engineering Services
- Jurupa Valley – Traffic Engineering Services
- La Mesa – Traffic Engineering and Grant Writing Services
- Lake Elsinore – Traffic Signal Operations Services
- Menifee – Traffic Engineering and Support Services
- Moreno Valley – Traffic Engineering Services
- National City – Project Support Services for CIP
- Oceanside – Traffic Engineering Services
- Otay Water District – Traffic Engineering Services
- Poway – Traffic Engineering Services
- RCTD – Construction Management and Inspection Services
- San Diego – ITS Services; Civil Engineering Services
- SANDAG – A&E Services; ITS Services
- SCRRA (Metrolink) – Engineering Design Services; PM & CM Services
- SDCRAA – Airport Support Facilities
- Solana Beach – Traffic Engineering Services
- Temecula – Traffic Engineering Services
- Vista – Traffic Engineering Services

B. Specific method and techniques to be employed on the project or problem.

- **Lines of Communication:** As Project Manager, Mr. Manganiello, will coordinate the day-to-day activities for the duration of the contract, serve as the primary point of contact, and maintain open and regular communications with City staff. He will oversee all aspects of this contract and the designated key personnel will execute their specialty area. Mr. Manganiello will be intimately plugged into tasks and provide the assurance that the City will receive the highest level of expertise. Our staff work the hours necessary to perform services and are flexible enough to respond to meetings and requests with 24-hour notice. This will provide for the highest level of open communication between Mr. Manganiello and the City's Transportation Department. As Deputy Project Manager, Mr. DiPierro will work with City staff and the City's consultant HR Green on entitlement reviews.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

- **Kick-Off, Coordination, and Schedule:** Regular communication between Stephen and the City will be critical to maintaining schedules. Throughout the duration of the contract, STC will schedule regular check-in meetings with City staff to review all outstanding work.
- **Technical Analysis, Design or Community Coordination:** Task Orders assigned to STC will be completed by staff who are familiar with working with the public, and State and local standards. Stephen will work with Transportation staff to promptly respond to citizen requests.
- **Quality Assurance and Quality Control (QA/QC):** STC takes great pride in developing plans and reports that are feasible and highly accurate prior to submission. Mr. Manganiello will lead the QA/QC of plans and documents prior to City submissions.
- **Project Tracking and Deliverables:** STC maintains a detailed project spreadsheet of all active task orders, as well as closed task orders and pending task orders. STC will control all project documents and provide deliverables and final file material to the City in both paper and electronic format. STC will maintain project documents and data in an organized, logical fashion and will be able to promptly retrieve and distribute project information. STC will provide progress reports and invoices to the City at the end of each month and will do so consistent with the City's reporting and invoicing formats.

V. Work Plan:

A. How will you schedule professional and staff to ensure milestones and deadlines are met?

A project schedule and key deliverables will be established with each Task Order. STC staff will conduct regular check-in meetings with City staff to track the project schedule, discuss potential modifications to the schedule or deliverables, and discuss actions needed to keep the project on track. STC has in-house project management software and utilizes Microsoft Project to generate project schedules when needed. Schedules will be reviewed at all Project Development Team Meetings to inform the City of our progress.

Additionally, Stephen and David will make the greatest use of their time while on-site, scheduling the necessary meetings to discuss project developments.

B. Provide required response time to the urgent service requests.

Our key management personnel will be on-site a minimum two days a week and will be available virtually for additional hours throughout the week. Stephen Manganiello will provide his personal cell number to the City for urgent service requests. STC ensures that additional staff will be ready to provide necessary back-up.

C. How you will make up for work-hours lost (and resulting backlog that may occur) due to various unforeseen situations that may prohibit work on a specific day.

STC currently maintains a list of ongoing tasks with City of Moreno Valley, prioritized and scheduled with resources and critical path for delivery. This is continually updated and managed with the City/ engineering management. Tasks that need to be completed (CRMs, entitlements) are tracked on a spreadsheet with a description of the work and assigned due dates. Our organizational chart provides redundancies for staff hours lost due to unforeseen situations.

City of Moreno Valley Request for Proposal #2021-020

D. Provide any other relevant information that you believe would benefit City for the requested services.

We have developed a strong relationship with the City of Moreno Valley and built a strong reputation throughout the region. We understand the City's processes, we know the staff in place, and we know the area. We have proposed a team that has experience executing the exact services laid out in the RFP, who understand Capital Improvement Projects, entitlement processes, and the day-to-day traffic engineering operations of a Public Works department. STC is dedicated to providing comprehensive quality assurance and quality control, regardless of how big or small the task. It is this level of dedication to clients and projects, combined with field expertise and technological know-how, that has made STC one of the region's premier traffic engineering firms.

Section 6. Required Forms

A complete set of required Forms have been included in the Statement of Qualifications.

- Attachment B: Special Provisions
- Attachment C: Client References
- Attachment D: Non-Collusion Affidavit

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

Attachment B: Special Provisions

All items below apply to this bid proposal:

Hold Harmless and Indemnification: The successful bidder hereby agrees to indemnify, defend, and hold harmless City (including its officials, officers, agents, employees, and representatives) from and against any and all claims of any kind or nature presented against City arising out of vendor's (including vendor's employees, representatives, and subcontractors) performance under this agreement, excepting only such claims, costs or liability which may arise out of the sole negligence or willful misconduct of City.

Insurance Provisions: Unless otherwise stated in the RFP specifications, the following insurance requirements apply:

1. Comprehensive General Liability Insurance: (include products liability) \$1,000,000 per occurrence.
2. Auto Liability Insurance: \$1,000,000 per occurrence, combined single limit (CSL).
3. Workers' Compensation Insurance: as required by State statutes.
4. Employer's Liability Insurance: \$1,000,000 per accident; \$1,000,000 policy limit for disease.
5. All policies of insurance must provide for a minimum of thirty (30) days written notice of any change or cancellation of the policy.
6. Insurance policies to be in a form ad written through companies acceptable to City; and must include those endorsements, which are necessary to extend coverage, which is appropriate to the nature of the agreement.

Affirmative Action: In support of Affirmative Action, City requires all suppliers to comply with Title VII of the Civil Right Act of 1964, as amended, the Civil Rights Act of 1992, and all federal, state, and municipal laws and regulations pertaining thereto. In addition, successful bidders must certify prior to award of contracts in excess of \$50,000 that they have a written affirmative action plan in compliance with the above laws and regulations, and such plan may be reviewed by City. Said Certification may be made by signing below:

Section 7. Work Samples

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

WORK SAMPLES

Below we have provided several examples of work that we successfully delivered for municipal clients. We have attached examples of engineering designs for traffic signals, signing and striping, traffic control, and street lighting (plans have been reduced to 8 1/2 x 11 to comply with the RFP requirements). For larger reports and documents, we have provided sharefile and website links for the City's convenient access. These samples demonstrate the type of high-quality work products our team delivers on every project.

II. Pricing Terms and Conditions

- A. **Invoice:** See Attachment E for the Sample Invoice. Invoice format must first be approved by City prior to the first invoice submittal. Invoices must be submitted on a monthly basis if services were performed during that period.
- B. **Term:** Is for a one-year base period with up to four one-year optional renewals.
- C. **Additional Charges:** None; do not charge any fees or charges not listed in Exhibit B: Pricing.
- D. **Fixed Prices:** prices are fixed for each year of the agreement.
- E. **Proposal Pricing:** The awarded Provider’s Exhibit B: Pricing, as accepted by City, will be incorporated into the resultant Agreement.

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

EXHIBIT C**CITY - SERVICES TO BE PROVIDED
TO CONSULTANT**

1. Furnish the Consultant all in-house data which is pertinent to services to be performed by the Consultant and which is within the custody or control of the City, including, but not limited to, copies of record and off-record maps and other record and off-record property data, right-of-way maps and other right-of-way data, pending or proposed subject property land division and development application data, all newly developed and pertinent design and project specification data, and such other pertinent data which may become available to the City.
2. Provide timely review, processing, and reasonably expeditious approval of all submittals by the Consultant.
3. Provide timely City staff liaison with the Consultant when requested and when reasonably needed.

EXHIBIT C

EXHIBIT D

TERMS OF PAYMENT

1. The Consultant's compensation shall not exceed **\$250,000.00**.
2. The Consultant will obtain, and keep current during the term of this Agreement, the required City of Moreno Valley business license. Proof of a current City of Moreno Valley business license will be required prior to any payments by the City. Any invoice not paid because the proof of a current City of Moreno Valley business license has not been provided will not incur any fees, late charges, or other penalties. Complete instructions for obtaining a City of Moreno Valley business license are located at: <http://www.moval.org/biz-lic>.
3. The Consultant will electronically submit an invoice to the City once a month for progress payments along with documentation evidencing services completed to date. The progress payment is based on actual time and materials expended in furnishing authorized professional services during the preceding calendar month. At no time will the City pay for more services than have been satisfactorily completed and the City Engineer's determination of the amount due for any progress payment shall be final. The consultant will submit all original invoices to Accounts Payable staff at AccountsPayable@moval.org. Accounts Payable questions can be directed to (951) 413-3073. Copies of invoices may be submitted to the Transportation Engineering Division/Public Works Department at michaell@moval.org. Calls should be directed to (951) 413-3140.
4. The Consultant agrees that City payments will be received via Automated Clearing House (ACH) Direct Deposit and that the required ACH Authorization form will be completed prior to any payments by the City. Any invoice not paid because the

completed ACH Authorization Form has not been provided will not incur any fees, late charges, or other penalties. The ACH Authorization Form is located at:

http://www.moval.org/city_hall/forms.shtml#bf

5. The minimum information required on all invoices is:
 - A. Vendor Name, Mailing Address, and Phone Number
 - B. Invoice Date
 - C. Vendor Invoice Number
 - D. City-provided Reference Number (e.g. Project, Activity)
 - E. Detailed work hours by class title (e.g. Manager, Technician, or Specialist), services performed and rates, explicit portion of a contract amount, or detailed billing information that is sufficient to justify the invoice amount; single, lump amounts without detail are not acceptable.

6. The City shall pay the Consultant for all invoiced, authorized professional services within thirty (30) days of receipt of the invoice for same.

EXHIBIT D

EXHIBIT E

INSURANCE REQUIREMENTS

Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. The most current version of Insurance Services Office (ISO) Commercial General Liability Coverage Form CG 00 01, which shall include insurance for "bodily injury," "property damage" and "personal and advertising injury" with coverage for premises and operations, products and completed operations, and contractual liability.
2. The most current version of Insurance Service Office (ISO) Business Auto Coverage Form CA 00 01, which shall include coverage for all owned, hired, and non-owned automobiles or other licensed vehicles (Code 1- Any Auto).
3. Workers' Compensation insurance as required by the California Labor Code and Employer's Liability Insurance.
4. Professional Liability (Errors and Omissions) insurance appropriate to Consultant's profession.

Minimum Limits of Insurance

Consultant shall maintain limits of liability of not less than:

1. General Liability:
 - \$1,000,000 per occurrence for bodily injury and property damage
 - \$1,000,000 per occurrence for personal and advertising injury
 - \$2,000,000 aggregate for products and completed operations
 - \$2,000,000 general aggregate
2. Automobile Liability:
 - \$1,000,000 per accident for bodily injury and property damage
3. Employer's Liability:
 - \$1,000,000 each accident for bodily injury
 - \$1,000,000 disease each employee
 - \$1,000,000 disease policy limit

Attachment: Agreement for Professional Consultant Services - STC Traffic, Inc. (4459 : AUTHORIZATION TO AWARD AGREEMENT FOR

4. Professional Liability (Errors and Omissions):

\$1,000,000 per claim/occurrence
\$2,000,000 policy aggregate

Umbrella or Excess Insurance

In the event Consultant purchases an Umbrella or Excess insurance policy(ies) to meet the "Minimum Limits of Insurance," this insurance policy(ies) shall "follow form" and afford no less coverage than the primary insurance policy(ies).

Deductibles and Self-Insured Retentions

Consultant shall be responsible for payment of any deductibles contained in any insurance policy(ies) required hereunder and Consultant shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City Manager or his/her designee. At the option of the City Manager or his/her designee, either (i) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers; or (ii) Consultant shall provide a financial guarantee, satisfactory to the City Manager or his/her designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. At no time shall City be responsible for the payment of any deductibles or self-insured retentions.

Other Insurance Provisions

The General Liability and Automobile Liability insurance policies are to contain, or be endorsed to contain, the following provisions:

1. City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers are to be covered as additional insureds.
2. The coverage shall contain no special limitations on the scope of protection afforded to City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.
3. Consultant's insurance coverage shall be primary and no contribution shall be required of City.

The Workers' Compensation insurance policy is to contain, or be endorsed to contain, the following provision: Consultant and its insurer shall waive any right of subrogation against City, CSD, Housing Authority and each of their officers, officials, employees, agents and volunteers.

If the Professional Liability (Errors and Omissions) insurance policy is written on a claims-made form:

1. The retroactive date must be shown, and must be before the effective date of the Agreement or the commencement of work by Consultant.
2. Insurance must be maintained and evidence of insurance must be provided for at least 3 years after any expiration or termination of the Agreement or, in the alternative, the policy shall be endorsed to provide not less than a 3-year discovery period.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the effective date of the Agreement or the commencement of work by Consultant, Consultant must purchase extended reporting coverage for a minimum of 3 years following the expiration or termination of the Agreement.
4. A copy of the claims reporting requirements must be submitted to City for review.
5. These requirements shall survive expiration or termination of the Agreement.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice by certified mail, return receipt requested, has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Consultant shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the work to be performed for City, Consultant shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

Acceptability of Insurers

All policies of insurance required hereunder shall be placed with an insurance company(ies) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than "A-VII" in Best's Insurance Rating Guide; or authorized by the City Manager or his/her designee.

Verification of Coverage

Consultant shall furnish City with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the City Manager or his/her designee prior to City's execution of the Agreement and before work commences.

SECTION IV: EDUCATION

What grade will you be in during the 2021-2022 school year? Junior

What school will you be attending during the 2021-2022 school year?
California Baptist University

Below I have listed activities that may conflict with my attendance at the ELC meeting, events, and activities. (Sports, school clubs, college classes, extracurricular activities, work, personal comments).

Activity	Time Period	Time of Event
EX: Football	June-December 2021	Mon-Fri 3pm-5pm
College Classes	January-May 2022	Tues & Thurs 5pm-7pm
<u>SONA</u>	<u>Sept-December 2021</u>	<u>Thurs 6pm-7pm</u>
<u>College Classes</u>	<u>Sept-December 2021</u>	<u>Friday 7:00am-7:00pm</u>
<u>Work</u>	<u>Sept-Dec 2021</u>	<u>Wed/Thurs 7 to 7</u>
_____	_____	_____
_____	_____	_____

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size XXL
 Member a Large

What ELC Officer position are you applying for? Vice Chair

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I want to serve on the Emerging Leaders Council in order to engage with and educate the youth within our community.
I have served on the council before and recognize the difference the we can make it we reach out.

Describe any experience you have had that you feel has prepared you to on the Council?

In high school I was an officer in many clubs and participated in a lot of community service.
During college, I was elected to serve as the President of my nursing cohort and as an executive Board Member as the co-activities director for CBU's SONA club.

What issues would you address or activities would you plan if you were a Council Member?

Due to the recent changes because of COVID-19, we need to address a plan of action such as our yearly fair we host and how we plan on reaching students in their upcoming school year. We may need to host activities specifically to remotivate students into their school and community environments due to closures.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

One of the major issues I recognize is motivation. My brother and his friends lost their senior year due to COVID-19.

A lot of students struggled with the movement to online formats which created a lot of stressors for students in our community.

We need to address this by reaching out to these students upon their return to school and hosting activities tailored to their specific needs or wants brought on through the closures such as college application workshops, community service projects, and etc.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

In my participation in the council, I hope I can be of service to the youth within our community and motivate them to get active.

Participation enhances my future goals and objectives because I plan on becoming a Pediatric Nurse someday.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

SECTION VI: ACKNOWLEDGEMENT

For the Applicant: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the aforesaid information.

For the Parent/Guardian: I give permission for _____ to apply to be on the City of Moreno Valley Emerging Leaders Council as a Member at Large. If selected, I will permit and support them in attending meetings and activities related to the Emerging Leaders Council. I understand that meetings may be at various times and locations throughout the City of Moreno Valley and beyond City boundaries. I will support and encourage them to fulfill their participation requirements and professional standards as well as uphold the ELC values, mission, and objectives.

Photo Release: I give permission to the City of Moreno Valley to take photographs while participating in ELC events and activities for the use in future City publicity in broadcast, brochures, telecasts, newspapers and any promotional advertising or other materials. I waive any rights to privacy or publicity I may have in connection with such uses and understand that I will not receive any compensation for such use. By my signature below, I agree to the conditions of my participation stated herein and agree to this Photo Release.

Submit Form

To whom it may concern,

This letter is a personal recommendation for Kassandra Morin. Kassandra has been working alongside me for over a year. Kassandra has demonstrated leadership, compassion and hard work. During that time, I have come to know Kassandra very well because of active involvement in work tasks and eager attitude. Kassandra has made a fine contribution to Destiny team by using a combination of academic achievement and skills she has learned in her nursing program and past work experience. Kassandra is very personable, easy to work with and is also capable of following up to ensure that the objective was properly completed.

I would highly recommend Kassandra Morrin for this leadership role. If her performance is any indication of how she'd perform, Kassandra will be a positive addition.

Sincerely,

[Redacted Signature]

Susana Stephanie Camarena, BSN

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I have already been a member for about 2 years now and I enjoy giving back to my community very much. I feel like as a young individual in our changing society, it is important to represent my peers and make changes the best that I can.

Describe any experience you have had that you feel has prepared you to on the Council?

I have already had experience on the council but prior to that experience I did a summer internship at City Hall. I have participated in various extracurriculars involving public speech, and currently work seasonally as an admin. medical assistant, so I have multiple perspectives on the City, as well as professionalism.

What issues would you address or activities would you plan if you were a Council Member?

I would like to bring importance to the need for more job opportunities and internships for students in our city. I feel like if I had more of those experiences I would've been more prepared for the real world. I would also love to address health literacy, and improving our natural environments.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

One of the major issues facing young adults in this city is their lack of a skillset for soft skills, administrative duties, and any real world exposure. To alleviate this situation, I would love to brainstorm ideas on implementing classes and workshops on this so that teenagers are successful once they enter the workforce.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to simply give back to my community and create a positive and thriving environment for the young people in this city after the overwhelming year they have had. My participation will give me a wider lens and appreciation for regional government and civil participation in shaping a growing society!

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

SECTION VI: ACKNOWLEDGEMENT

For the Applicant: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the aforesaid information.

For the Parent/Guardian: I give permission for Mumtahina Tajrian to apply to be on the City of Moreno Valley Emerging Leaders Council as a Member at Large. If selected, I will permit and support them in attending meetings and activities related to the Emerging Leaders Council. I understand that meetings may be at various times and locations throughout the City of Moreno Valley and beyond City boundaries. I will support and encourage them to fulfill their participation requirements and professional standards as well as uphold the ELC values, mission, and objectives.

Photo Release: I give permission to the City of Moreno Valley to take photographs while participating in ELC events and activities for the use in future City publicity in broadcast, brochures, telecasts, newspapers and any promotional advertising or other materials. I waive any rights to privacy or publicity I may have in connection with such uses and understand that I will not receive any compensation for such use. By my signature below, I agree to the conditions of my participation stated herein and agree to this Photo Release.

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size Small
Member a Large

What ELC Officer position are you applying for? Chair

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I want to serve as an officer so that I could have an active voice in contributing ideas and furthering our work within Moreno Valley. By gaining this influential role I can help propose and organize a variety of events to diversify and educate our community.

Describe any experience you have had that you feel has prepared you to on the Council?

I have been an active member in a local activist group (CCA EJ) for many months now, and have spoken at many community meetings. I feel these experiences have given me a taste of local government, and have made me more aware and vocal of community needs.

What issues would you address or activities would you plan if you were a Council Member?

I would address issues such as environmental justice, as well as plan activities such as contests, seminars, and community service opportunities.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

One of the major issues facing teens/young adults in Moreno Valley is bullying. Bullying can take many forms, can have different causes, and often has a diverse group of victims (the LGBTQ+ community, the disabled community, etc.) I would address these issues by implementing courses in schools to raise awareness and normalize the presence of said victims.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

With this internship I hope to gain experience, insight, and reputation. I've always had an interest in local government, and even plan on majoring in political science to hopefully run for office someday. By surrounding myself with elected officials, as well as community leaders, I will have the opportunity to advocate for my community while invoking change.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

To whom this may concern,

It is with great enthusiasm that I write this letter of recommendation for Ashley Beltran. Ms. Beltran is an outstanding person of great work and personal etiquette and is hard working. She takes on professional tasks with a positive attitude and is a pleasure to have as a volunteer at the Center for Community Action and Environmental Justice.

Ms. Beltran has engaged in advocacy through attending city council meetings and providing public testimony to raise awareness around air quality issues in the Inland Region. She has also participated in the launch of a project that targets gas plants to lower emissions and transition to clean and renewable energy. Through my many interactions with Ashley, I have witnessed her continuous dedication, leadership, well-informed communication, and great decision making abilities.

Ms. Beltran is the founder of her own environmental justice club, and makes time to step forward and serve as a community leader for frontline communities through collaborative action, and advocacy.

Therefore, I highly encourage the Moreno Valley Recreational Center to accept Ashley Beltran into the Emerging Young Leader Council as she will excel in the challenges ahead.

Please feel free to contact me directly at [REDACTED] or via e-mail at [REDACTED]

Earnestly,

Gabriela Mendez Ulloa
Community Organizer

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I am in 10th grade right now. As a dual enrollment student, I have secured two Associate of Arts degrees at the community college.
I want to encourage high school students to take as many college courses as they can while in high school.
I will educate the high school students regarding the dual enrollment process and its benefits.

Describe any experience you have had that you feel has prepared you to on the Council?

I am involved in the Sage Oak student council activities.
I volunteer at the local dental clinic and real estate investment business. I am a Tae-Kwon-Do black belt holder.
I am a CPR Certified student. I am fluent in English, and an Indian language called Marathi.

What issues would you address or activities would you plan if you were a Council Member?

As a Council Member, I would work with High school Principals in the City to encourage dual enrollment.
I would also work with the Dean of the Moreno Valley Community college to make the admission process simple.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

Not many students enroll themselves as dual enrollment students in the community college, as the admission process is complex.

I will work towards making this process simple, similar to the Los Angeles Community College District.

Instead of waiting till the first day of the community college class, high school students need to be allowed to enroll ahead of the class start date.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to earn additional AA degrees.

Making the admission process simple will help the high school students of Moreno Valley.

My participation will enhance my leadership and communication skills.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Office of the Mayor
City of Moreno Valley

Re: Pooja Datir - Emerging Leaders Council

Dear Office of the Mayor,

I have known Pooja Datir since she joined our school in the fall of 2019. She is an extraordinary student and I whole-heartedly support her application to the Emerging Leaders Council of the City of Moreno Valley.

Pooja's transcript speaks for itself. She has taken a most rigorous course load including many, many community college courses and honors level courses. Pooja is slated to earn three AA degrees along with her high school diploma -- a remarkable achievement. Pooja is a diligent and dedicated student.

Pooja is also a very well-rounded student who has been a part of our Sage Oak Student Council and has volunteered at a dental clinic. She is CPR certified as well. In addition, Pooja has demonstrated dedication to her studies of Tae Kwon Do and has earned a black belt. She has also shown dedication to her study of the classical Indian dance form kathak in which she earned a certificate.

Pooja stands out as a remarkably gifted student, among the most impressive students in my career as an educator. Pooja will be an amazing addition to the Emerging Leaders program and I recommend her without reservation.

Sincerely,

[REDACTED]
Erin Havrilesky
Director, Secondary Education
Sage Oak Charter School
[REDACTED]

1473 Ford St.
Redlands, CA 92373

To Whom It May Concern:

It is my absolute pleasure to write this letter of recommendation for Pooja Datir and Rohit Datir. It has been a privilege to serve as their education advisor since July 2019. During this time, I have gotten to know the distinguished and admirable character that they both represent. Despite their young ages, I have been impressed with their maturity from day one. They have always had a clear vision of what they want to accomplish. Rather than feeling intimidated by challenges, they become inspired to tackle them with precision and determination. It is without a doubt that I enthusiastically recommend Pooja and Rohit for the city of Moreno Valley volunteer opportunities.

Pooja and Rohit have completed an incredible course load since Fall 2018. They recently have achieved two AA degrees with honors at the community college. This includes an AA in Arts and Humanities, as well as an AA in Math, Science & Computer Science. They are also planning to complete a third AA in Health Science during the Spring of 2021. They have taken a wide variety of rigorous courses at the community college such as Anatomy & Physiology, Biological Science, Chemistry, Spanish, higher level maths, etc. They have consistently achieved the Dean's Honor List and currently have a 4.0 at the community college.

At the high school level, both Pooja and Rohit have taken all honors courses. Pooja currently has a 4.88 GPA and Rohit has a 4.8 GPA. During the 19/20 school year, Pooja was accelerated from 8th to 9th grade and Rohit was accelerated from 6th to 7th grade. At the beginning of the 20/21 school year, Rohit was accelerated from 8th to 9th grade and was most recently granted acceleration from 9th to 10th grade. Both Pooja and Rohit will have met all graduation requirements by the end of the 20/21 school year.

In addition to Pooja and Rohit's academics, they are very much accomplished in extracurricular activities. Both students are Tae-Kwon-Do black belt holders. They have logged hundreds of volunteer hours collectively between their local dental clinic and their family-owned real estate investment business. Rohit is fluent in speaking English, Spanish, and Marathi. Pooja is also fluent in English and Marathi. They are both involved in our Sage Oak Student Council where leadership qualities are developed and reflected upon. They also participate as our student representatives for our Student Site Council. These meetings are a time where students work together to develop and monitor our school's goals from a student's perspective.

It is undeniable that Pooja and Rohit have an impressive resume of academics and extracurricular activities. I would have to say that the most special attribute between the two of them is their incredible character paired with their humble nature. Pooja and Rohit genuinely care about the wellbeing of others and are quick to put others first. I consider it an honor to have watched them grow into the incredible people they are today. Their hard work and dedication have gotten them to where they are, and I unequivocally recommend their participation in the city of Moreno Valley's volunteer commissions. Please feel free to reach me with the contact information found below.

Best Regards,

Rachel Weisenbach
Sage Oak Charter School- Education Advisor

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I want to serve on the City's Emerging Leaders Council because it would allow me to amplify the voices of my community and aid in creating effective policies that reflect the residents of Moreno Valley. I want residents to know that their feelings are valid and the input they provide for the future of our city is needed, valued, and vital for its prosperity.

Describe any experience you have had that you feel has prepared you to on the Council?

I believe that my experience as the student body president of Vista Del Lago High School and a member of the 61st Assembly District Youth Advisory Committee have both prepared me to take on this role. As ASB president, I communicate and collaborate with various students groups, clubs, organizations, and district officials to go about planning events and building school culture. *more on 2nd sheet*

What issues would you address or activities would you plan if you were a Council Member?

There are 2 main issues that I would like to address as a member on the council: urban planning and youth recreation. When looking around the city, there is a lot of open land and potential for our city to be a vibrant and attractive destination for businesses and stimulate the local economy. This potential would be wasted if we approved too many warehouses (which also have negative environmental and health impacts) and housing projects.

more on 2nd sheet

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

One of the major problems our youth face is lacking the resources to become highly skilled workers. Warehouses provide many jobs, but those jobs can be quickly lost with the rapid integration of automation. Instead, I strongly believe that we can tackle this issue by promoting literacy, investing more in our libraries, and working closely with MVUSD to ensure ALL youth are aware of opportunities in Moreno Valley.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

Ultimately I want to make the lives of Moreno Valley residents better and empower youth to be more involved in important decisions in their local institutions (schools, government, etc.). Personally, participation will help me learn more about the inner workings of local government so I can one day serve in public office. Being part of the Emerging Leaders Council is an incredible opportunity to set me on the right path to do that.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

#2 Describe any experience you have had that you feel has prepared you to serve on the council.

(cont.) This is similar to the work local officials do in the aspect that they must reach out and organize the community through meaningful collaboration; my involvement in my campus and community is on a smaller scale, but is based on the same principles. In addition, my work in Assemblyman Jose Medina's committee has given me valuable insight on what local government is about, all of which have prepared me to serve the council with passion and grit.

#2 Describe any experience you have had that you feel has prepared you to serve on the council.

(cont.) Also, as a booming city with lots of inhabitants moving in, it's important that the youth are being raised with plentiful opportunities to build a connection with the city. We can do this by revitalizing our current options like the mall, library, and recreation center to nurture our youth in a positive environment. I am looking forward to work with local officials on how we can work to solve these issues and make our city better for all residents.

SECTION VI: ACKNOWLEDGEMENT

For the Applicant: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the aforesaid information.

For the Parent/Guardian: I give permission for Aashish Palikhey to apply to be on the City of Moreno Valley Emerging Leaders Council as a Member at Large. If selected, I will permit and support them in attending meetings and activities related to the Emerging Leaders Council. I understand that meetings may be at various times and locations throughout the City of Moreno Valley and beyond City boundaries. I will support and encourage them to fulfill their participation requirements and professional standards as well as uphold the ELC values, mission, and objectives.

Mr. Erik Swanson Principal

Mrs. Stephanie Williams-Mayrant, Assistant Principal Mr. Kim A. Kruger, Assistant Principal
Dr. Anthony Rjce, Assistant Principal Vacant, AALLAC

April 14, 2021

To Whom It May Concern:

It is with pleasure and confidence that I write this letter to highlight Mr. Aashish Palikhey, an 11th Grade student at Vista del Lago High School in Moreno Valley, California. My name is Erik Swanson and I am the Principal at Vista del Lago High School. I had the distinct pleasure of meeting Aashish 2 ½ years ago when he enrolled at Vista del Lago. In first meeting Aashish, I must say that I was astonished with his maturity level, as well as his motivation with not only his schooling, but looking forward to his adult life. It was at this point I knew that Aashish was a special individual with the potential to highly achieve with all of his endeavors.

Aashish has attended Vista del Lago from 9th Grade until now. Aashish not only continues to fulfill, but exceed the requirements for high school graduation, affording him the optimal opportunity to be accepted into a prestigious university. He currently holds a cumulative GPA of a 4.562. He has completed Honors Mathematics, Honors English, Honors Bio/Chem, and AP Human Geography. He is currently enrolled in Honors Pre-Calculus, AP US History, AP Psychology and AP Language and Composition where he continues to thrive.

In addition to the above achievements, Aashish has been involved in numerous extra-curricular activities and has received multiple awards. Extra-curricular activities include: a member of our Boys Volleyball team, Vice-President of our National Honors Society, member of our Band as well as Interact Club. In addition, Aashish was selected to represent Moreno Valley Unified School District as a student member on Assemblyman Jose Medina’s 61st Assembly District Youth Advisory Committee, represents Vista del Lago as a member of the district’s LCAP committee as well as a representative on the Community Engagement Initiative with the district. As a member, and current officer in our ASB program, Aashish has developed leadership skills I have observed with very few students. Through a mentoring program with ASB and Freedom Writers Foundation, Aashish has been able to positively mentor and impact at-risk students throughout the COVID-19 pandemic. Aashish has also been selected to author a passage in the new Freedom Writers Book that will be released soon.

Even though Aashish is a well-rounded high achieving student, he is a true leader and is always available to assist others and the community. He wants everyone to feel important, and that everyone has something to offer. Through his involvement in our Jazz Band, he has been afforded the opportunity to volunteer to perform many events representing our school, district, and community. Aashish is very determined, and once his mind is set on something he will do anything possible to accomplish his goal(s). He has proven this through his academic as well as personal accomplishments throughout his educational career.

This is a snapshot of Aashish Palikhey as a student and person. I have the utmost confidence that Aashish will succeed and excel in anything that he chooses. Please consider this letter as a very strong recommendation for Mr. Aashish Palikhey. If you have any questions or would like further information in regards to Aashish please don’t hesitate to contact me at [Redacted]

Sincerely,

[Redacted Signature]

Erik Swanson, Principal, Vista del Lago High School

SECTION IV: EDUCATION

What grade will you be in during the 2021-2022 school year? 11th grade

What school will you be attending during the 2021-2022 school year?
Rancho Verde High School

Below I have listed activities that may conflict with my attendance at the ELC meeting, events, and activities. (Sports, school clubs, college classes, extracurricular activities, work, personal comments).

Activity	Time Period	Time of Event
EX: Football	June-December 2021	Mon-Fri 3pm-5pm
College Classes	January-May 2022	Tues & Thurs 5pm-7pm
Band	Aug 2021-Jan 2022	Mon,Thur: 5pm-9pm
		Sat: All Day
Karate	Jan 2021-Dec 2021	Tue 8-9pm
Martial Arts	Jan 2021-Dec 2021	Wed 8-9:30pm

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size L
 Member a Large

What ELC Officer position are you applying for? Vice Chair

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I want to serve in the Emerging Leaders Council (ELC) because I have been working with the
Moyal Parks & Recreation Center for the past 3 years and I believe I can bring my experiences to the
Emerging Leaders Council (ELC).

Describe any experience you have had that you feel has prepared you to on the Council?

I have been working for the city for the past 3 years by teaching martial arts to other students.

What issues would you address or activities would you plan if you were a Council Member?

I would provide mental health because teen have faced mental health through education, home, and difficult times.
I would like to create a program to where we can get kids and teens to stay out of trouble.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

The issue that is very common from teens is mental health.
I would like to see special events for kids and teens to help with their mental health.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

My goal is to make programs for kids and teens so they can stay out of trouble.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

SECTION VI: ACKNOWLEDGEMENT

For the Applicant: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the aforesaid information.

Nathan Van Hoang

For the Parent/Guardian: I give permission for _____ to apply to be on the City of Moreno Valley Emerging Leaders Council as a Member at Large. If selected, I will permit and support them in attending meetings and activities related to the Emerging Leaders Council. I understand that meetings may be at various times and locations throughout the City of Moreno Valley and beyond City boundaries. I will support and encourage them to fulfill their participation requirements and professional standards as well as uphold the ELC values, mission, and objectives.

Photo Release: I give permission to the City of Moreno Valley to take photographs while participating in ELC events and activities for the use in future City publicity in broadcast, brochures, telecasts, newspapers and any promotional advertising or other materials. To Whom It May Concern:

Lou Holtz once stated that, "Ability is what you're capable of doing. Motivation determines what you do. Attitude determines how well you do it." This quote exemplifies Nathan Hoang. I had the opportunity to meet Nathan when he was four years old. Through his involvement with the City of Moreno Valley Parks & Community Services division, Nathan has shown perseverance and commitment to his education and to his co-curricular and extracurricular activities. Nathan has consistently demonstrated an ability to rise to any challenge that he must face as an opportunity to grow. I have seen many examples of his talent and have long been impressed by his diligence and work ethic. He is devotedly interested in the needs of his community.

Nathan has excelled in academics. He has been enrolled in AP and honors classes at his high school. Nathan is top of his class and currently holds a GPA of 4.16. He has been on the honor roll all two years in high school.

Nathan is extremely involved in his community and has devoted countless hours to community service. His outgoing personality led him to be actively involved with the youth formation program at his church. He is an active member in the National Honor Society, an academic association focused on community service. His community service has given him many opportunities to demonstrate and refine his leadership skills. Nathan is currently an instructor for the Vovinam Martial Arts classes at the Moreno Valley Recreation Center. Nathan is also a member of the award-winning marching band, the Rancho Verde Crimson Regiment who was selected to participate in the 2020 Rose Parade.

These are just a few examples of this young man's dedication. Nathan's combination of academic achievement, leadership, and personal character make him an ideal candidate for the Emerging Leaders Council. Nathan represents the best aspects of his community and I believe that he would provide a positive impact for your program. Once you meet Nathan you'll see why I am enthusiastic about him as both a student and a young citizen.

Please feel free to contact me at [REDACTED] if I can be of further assistance.

Sincerely

[REDACTED]

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

Being in a military family and having moved to various cities over the course of my lifetime- I've come to recognize the beauty behind each city's unique history, culture, and plans for the future. I want to serve on the City's Emerging Leaders Council to help enhance what Moreno Valley offers and enrich the lives of it's residents.

Describe any experience you have had that you feel has prepared you to on the Council?

I've had the privilege of working with a few volunteer groups over the past year. I helped with the Stop Asian Hate rally in Palo Alto with 8by8 and Students Against Covid initiatives. Currently I'm a high school liaison with Dweebs Global and I'm a teen programming assistant (TPA) at the Moreno Public Libraries. All the positions I've held have prepared me for the ELC by teaching me how to recognize people's needs and providing me experiences on how I can increase the social welfare of others.

What issues would you address or activities would you plan if you were a Council Member?

I'm passionate about psychology and neuroscience which is why mental health issues as well as serving the disability community hold a very special place in my heart. If I were council member I would try to plan many activities that promote inclusiveness and unity.

I've heard about the recent opening for the teen S.P.O.T. I think it's an amazing program and I would focus a lot of my efforts on making sure it becomes successful and full of opportunities for teens- no mater what their interest may be.

Some ideas I have if I were to join ELC is a teen tech week, a photography class, lounge nights, etc.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

I think some of the major issues teens and young adults face is mental health problems and engaging in risky behavior i.e drug/substance use, violence, and inadequate physical activity.

One of the ways I would address this problem is creating more resources and programs that support social, emotional, cognitive, and academic development, reduce risky behaviors, promote physical health, and provide a safe and supportive environment for teens and young adults. It's also important to make sure that teenagers and young adults *know* about the programs that are already established for them.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope that my time on the ELC will make a lasting positive difference, inspire younger kids to take initiative and find ways to serve and contribute to the Moreno Valley community, and overall-help my peers feel seen and heard.

Becoming part of the ELC will help me accomplish my goal of educating myself about my local government and help me develop my ENFJ personality traits.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Dear Moreno Valley City Council,

I have the honor and pleasure to recommend Faye Boado for the Emerging Leaders Council Chair. I met Faye in late March of 2021. She was one of the first volunteers in Vaccine for Me & You. She has a prime role in our organization as our social media team lead.

The ELC is looking for someone that is passionate about by giving back to their community and is not afraid to tackle big issues. Faye has demonstrated these qualities as she works hard on spreading credible information about Covid-19 and debunking misinformation through our social media. Aside from being a hard working volunteer she has shown creativity and critical thinking skills needed to solve problems quickly and efficiently. On a personal level, Faye is a young woman of strong character who has a sincere desire to make others and the world around her better. I'm grateful for her fun and authentic personality that continually motivates the team. Since day one she has been committed to helping Vaccine for Me & You grow and accomplish its mission to help vaccinate America. I have absolutely no reservations about recommending Faye Boado for the Emerging Leaders Council Chair member. I am confident that she will uphold the standards of an Emerging Leader and become a shining member in the Moreno Valley community. Please feel free to contact me

 if you have any questions regarding her character, morals, or any other qualifications related to her ELC application.

Sincerely,

Johnny Gonzalez

Vaccine for Me & You Founder

Work examples

“ **Who is eligible to get the vaccine now?**

As of Monday, March 29, 2021, everyone age 16 and older is now eligible to receive a COVID-19 vaccine.

Important Note

All vaccines i.e. **Moderna** are authorized for people age **18 and older**. The **Pfizer vaccine** is authorized for people **16 and older**. This rule applies throughout the US.

SOURCE: CENTERS FOR DISEASE CONTROL AND PREVENTION

“ Our Mission is to keep you SAFE by...

- Spreading credible information about Covid-19 and debunking misinformation
- Aiming to lessen the stress of getting a vaccine by finding locations and booking appointments for you
- Facilitating innovation and collaboration
- Empowering student and all voices to help their communities during this time

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size M
 Member a Large

What ELC Officer position are you applying for? None.

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

To make hopeful changes is not only important, but it is also for the fair and equal growth for both myself and our surroundings. By proposing my presence to make little to big changes to make Moval the best, my experience can lead to bigger and brighter opportunities for me to take part in, in the future that awaits.

Describe any experience you have had that you feel has prepared you to on the Council?

Student council and TAB (Moreno Valley's Teen Advisory Board)- assisting new ideas and voicing opinions to discuss for the well-being of our town and school district. With monthly meetings and consistency of sharing new and personal perspectives accompanied by effective communication, I never regret joining to meet so many nice individuals.

What issues would you address or activities would you plan if you were a Council Member?

Moreno Valley's truth in reality cannot be hidden with the ongoing issue of bullying, unstabled homes, drug use, financial instability, and the obscene liter environment that surrounds me and my classmates.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

The toxic habit of vaping. As we know, the vaping epidemic that arises upon the youth gets worse each day. Nicotine is the primary agent in both regular cigarettes and e-cigarettes, and it is highly addictive. Leading to possible substance abuse, I wish to accomodate an anti-vaping advocacy establishment to help.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to accomplish my part in advocating teens to take risks in taking opportunities given to them, joining councils, clubs, internships can open bigger doors. Stepping out of one's comfort shell can do wonders. From inside out, I believe in that public speaking will come forward to take me furthur than expected.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

Attachment: Danvy Nguyen_Redacted (4463 : MAYORAL APPOINTMENTS TO THE EMERGING LEADERS COUNCIL, TRAFFIC SAFETY

MORENO VALLEY HIGH SCHOOL

The Tradition

Moreno Valley Unified School District

23300 Cottonwood Avenue
Moreno Valley, CA 92553

Phone: [Redacted]
Email: [Redacted]

To Whom it May Concern:

Danvy is an extraordinary student with many talents and great working ethic. As her Honor Chemistry teacher, I have seen many examples of her talents; especially, I have long been impressed by her willingness to excel in my class as well as to help her peers in class. She demonstrated her leadership skills in my class when working in groups. I understand that Danvy is applying for your Program, and it would be my honor to recommend Danvy.

Danvy is one of those rare students that every teacher dreams of having because she is dedicated, kindhearted, and smart. She finished her assignments on time and studied for exams. In addition, she is actively involved in many extracurricular activities to demonstrate her citizenship, including Interact Club, Math Club, EAOP, and Pre-Med. She grew in a low-income family, and these accomplishments are hard to find in students coming from such backgrounds.

If your program is seeking for dedicated and intelligent candidates with a record of high achievement. Danvy is an excellent choice.

If you have any further questions regarding Danvy's ability or this recommendation, please do not hesitate to contact me using the information on this letterhead.

Sincerely,

[Redacted Signature]

Emerging Leaders Council Application
Question Responses
Andrea Delgado

Why do you want to serve on the City's Emerging Leaders Council?

Living in Moreno Valley for over 11 years of my life has inspired me to pursue work alongside aspiring leaders of my community. I want to engage in my city's local government to learn the inner workings of city government, in an effort to engage as a liaison between the community and city, with the council's youth as a catalyst to the expansion of our city's programs and resources. I embrace the ability for the youth to develop innovative plans to address our community's needs. I am motivated to become immersed in team oriented youth advocacy to raise conversations within the council that will help nurture impactful change in Moreno Valley. I am especially interested in learning the process of converting an idea into real local policy.

Describe any experience you have had that you feel has prepared you to on the Council?

I have pursued opportunities in the areas of education, service, culture, food security, and environmental sustainability. In high school, I attended a one-week Sacramento Leadership Conference hosted by the CLYLP Inc. which introduced me to state and local politics as I participated in a mock political campaign and mock trial on a bill at the California State Capitol. I was also a member of the 61st Assembly District Youth Advisory Committee which exposed me to state government and the legislative process, correlating the discussion of youth-related issues. I currently work for the Moreno Valley College TRIO Programs and the UCR Community Garden.

What issues would you address or activities would you plan if you were a Council Member?

I would like the youth to be at the forefront of the creation of more service events in different centers of our community. To address local food insecurity, I would consider collaborative food and basic need drives that are especially essential during such a health crisis. I would like to learn and engage with the Homeless to Work Program in an effort to provide opportunities for our homeless population through the beautification of our city. I would consider a proposal to develop a Little Free Pantry (similar to that in Riverside) to better address neighborhood food insecurity. I would like to engage with the Town Center project as well. With the growing development of business, I would like to push projects for local green spaces, to benefit community and environmental wellness. I am especially interested in engaging with the planned Moreno Valley Community Demonstration Garden as it raises environmental and wellness education. I would like to propose an expansion to the project to motivate community gardening by developing a student volunteering program, and incentivizing local growers to provide for a city sponsored food produce pantry with healthy produce that is accessible to residents in need.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

I would like to consider the development of resources and opportunities for underrepresented youth in a city that has mostly working class families. In a community of students with different values and passions, I want to propose a city initiative to create local professional development opportunities for youth pursuing a high school or post secondary education. I would create a business network with city internship and volunteering opportunities and that would allow students to explore their interests in a variety of temporary career field experiences, while encouraging higher education. This will benefit the futures of our youth as well as our city in the long run by enhancing a diversified, dependable economy.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I would like to engage the council with local advocacy groups in projects that create a direct liaisonship with the community. Raising awareness of local city resources and available programs would be effective with media as an outlet. I definitely want to exercise my leadership to encourage youth participation in government, and grow professionally with greater knowledge of local governmental function. I hope to develop a mindset that listens to a wide range of perspectives, measures priorities, and moves forward advocating for initiatives that will better our city. I want to engage with local leaders to ensure that our city is representing our residents and addressing their concerns. As an undergraduate student with intersectional interests, I hope to tap into my wide range of interests involving sustainable urban planning, homelessness, housing, racial justice, equitable job opportunities, environmental health, and recreation.

March 30, 2021

RE: Letter of Recommendation
Andrea Delgado

Upward Bound
Upward Bound
Math and Science

Dear Selection Committee:

My name is Angel Orta-Perez and I am the Assistant Director for the Upward Bound (UB) and Upward Bound Math and Science (UBMS) Program of Moreno Valley College (MVC). It gives me the distinct honor to write this letter of recommendation on behalf of Andrea Delgado. Andrea was a student in the MVC UBMS Program during her high school years and since then has returned as an employee. From the moment I met Andrea she stood out right away and I knew she was going to be a change agent in the world. Andrea is an amazing student, advocate, scholar, environmentalist and daughter. She works hard in all that she does and is an amazing role model to others. As we stay connected and discuss her future goals I could only imagine what she could achieve if she was granted the opportunity to influence direct change in her community. I know that the Emerging Leaders Council would open her up to achieve and experience more in the world.

Andrea is that person that you wish you could replicate. Always engaged, always ready to take the lead, and always ready to help out in any way. She is selfless and amazing. She enters things with an open mind, accepting the mindset of others with the ability to stand her ground, and sticks up for her values and the values of others. Andrea is a true advocate and environmentalist. While in college Andrea has earned the role of Science Ambassador for her College of Natural and Agricultural Sciences, is the Community Outreach Coordinator for the UCR Gardening Club, and also holds down two jobs centered around education and sustainability performing work with low-income first generation students and supporting her university's community garden. Not only is she an advocate but a scholar as well. She has done an amazing job at balancing her activities and maintaining a competitive GPA at her University earning the Dean's Honors List or Chancellor's Honors List nearly every term. It has been amazing to see her grow into the leader we see today and I know she is going to do many more amazing things in ELC.

Andrea is one of the most persistent, resilient, hardworking, creative, caring and all-around amazing young ladies that I have had the pleasure of working with. While in college Andrea will not only be a successful scholar but she will do so while supporting her peers, her campus, her community, and her city of Moreno Valley in a lasting way.

It is with great pride to recommend one of the worthiest students, Miss Andrea Delgado. If I can be of further assistance, please contact me at [REDACTED] or via e-mail at [REDACTED]

Respectfully yours,

[REDACTED]

Angel M. Orta-Perez
Assistant Director
Moreno Valley College

SECTION IV: EDUCATION

What grade will you be in during the 2021-2022 school year? 12

What school will you be attending during the 2021-2022 school year? Valley View High School

Below I have listed activities that may conflict with my attendance at the ELC meeting, events, and activities. (Sports, school clubs, college classes, extracurricular activities, work, personal comments).

Activity	Time Period	Time of Event
Water Polo	October-January, 2022	Everyday 5-8pm
Link Crew	August-June 2022	1st Monday of the month 3pm-5pm

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size: Large

Member at Large

What ELC Officer position are you applying for? N/A

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I want to serve on the City's Emerging Leaders Council because I want to have a positive impact on my community. I also hope to gain more knowledge on our city's various policies that I don't currently know or activities that are going on.

Describe any experience you have had that you feel has prepared you to on the Council?

I have been in various positions where I have gained experience as a leader. Such as being a Link Crew Leader, being captain of my water polo team, being a tutor for underclassmen, and being president of both RAK and LASA (clubs offered at VVHS).

What issues would you address or activities would you plan if you were a Council Member?

I would plan on doing a clean up for Sunnymead because as of recently I've noticed how much it has changed. I would also want to discuss different things that we can do as leaders to create a positive change in Moreno Valley.

4|Page

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

One incredible issue facing teens and young adults in our city is anxiety, depression, and stress. Many teenagers in this city come from families within the poverty line and have incredible amounts of pressure because we want to be more successful. I would address it by stating the facts, giving the statistics, and providing workshops for people to get help from others besides adults, such as teenagers who went through similar things.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to gain more experience with serving my community. I want to gain connections with leaders in my area, because they inspire me to work even harder. I not only want to gain these connections but I want to gain a good reputation and be a good influence for those younger than me in my area. My participation in the ELC will help me gain greater leadership skills and push me to work better with others as I want to work in group settings when I am older.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

SECTION VI: ACKNOWLEDGEMENT:

For the Applicant: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the aforesaid information.

For the Parent/Guardian: I give permission for Ciara Barba to apply to be on the City of Moreno Valley Emerging Leaders Council as a Member at Large. If selected, I will permit and support them in attending meetings and activities related to the Emerging Leaders Council. May 12, 2021

Attn: Emerging Leaders Council (ELC)
Re: Ciara Barba

To Whom it may concern:

I am writing this reference at the request of Ciara Barba who is applying for a seat on the Emerging Leaders Council.

I have known Ciara for twelve years. In the years I have known her Ciara has worked for me in various capacities, including child care, pet sitter, and as a customer service associate in my retail business.

Ciara possesses a number of strengths. She is highly responsible, has a good attitude, is always willing to help and learn new tasks, has great time management, is well organized, polite, well spoken, and very reliable. I am confident that she would be an asset to any organization lucky enough to have her.

In conclusion, I would highly recommend Ciara Barba. If her performance in my employ is any indication of how she'd perform in your position, Ciara will be a positive addition to your organization. If you should ever need any additional information you can feel free to contact me at [REDACTED] or by email at [REDACTED] anytime.

Sincerely,

Roxanne Sluder

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size Large
Member a Large

What ELC Officer position are you applying for? Commissioner

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

I am in 10th grade right now. As a dual enrollment student, I have secured two Associate of Arts degrees at the community college.
I want to encourage high school students to take as many college courses as they can while in high school.
I will educate the high school students regarding the dual enrollment process and its benefits.

Describe any experience you have had that you feel has prepared you to on the Council?

I am involved in the Sage Oak student council activities.
I volunteer at the local dental clinic and real estate investment business. I am a Tae-Kwon-Do black belt holder.
I am a CPR Certified student. I am fluent in English, Spanish and an Indian language called Marathi.

What issues would you address or activities would you plan if you were a Council Member?

As a Council Member, I would work with High school Principals in the City to encourage dual enrollment.
I would also work with the Dean of the Moreno Valley Community college to make the admission process simple.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

Not many students enroll themselves as dual enrollment students in the community college, as the admission process is complex.

I will work towards making this process simple, similar to the Los Angeles Community College District.

Instead of waiting till the first day of the community college class, high school students need to be allowed to enroll ahead of the class start date.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to earn additional AA degrees.

Making the admission process simple will help the high school students of Moreno Valley.

My participation will enhance my leadership and communication skills.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

To Whom It May Concern:

It is my absolute pleasure to write this letter of recommendation for Pooja Datir and Rohit Datir. It has been a privilege to serve as their education advisor since July 2019. During this time, I have gotten to know the distinguished and admirable character that they both represent. Despite their young ages, I have been impressed with their maturity from day one. They have always had a clear vision of what they want to accomplish. Rather than feeling intimidated by challenges, they become inspired to tackle them with precision and determination. It is without a doubt that I enthusiastically recommend Pooja and Rohit for the city of Moreno Valley volunteer opportunities.

Pooja and Rohit have completed an incredible course load since Fall 2018. They recently have achieved two AA degrees with honors at the community college. This includes an AA in Arts and Humanities, as well as an AA in Math, Science & Computer Science. They are also planning to complete a third AA in Health Science during the Spring of 2021. They have taken a wide variety of rigorous courses at the community college such as Anatomy & Physiology, Biological Science, Chemistry, Spanish, higher level maths, etc. They have consistently achieved the Dean's Honor List and currently have a 4.0 at the community college.

At the high school level, both Pooja and Rohit have taken all honors courses. Pooja currently has a 4.88 GPA and Rohit has a 4.8 GPA. During the 19/20 school year, Pooja was accelerated from 8th to 9th grade and Rohit was accelerated from 6th to 7th grade. At the beginning of the 20/21 school year, Rohit was accelerated from 8th to 9th grade and was most recently granted acceleration from 9th to 10th grade. Both Pooja and Rohit will have met all graduation requirements by the end of the 20/21 school year.

In addition to Pooja and Rohit's academics, they are very much accomplished in extracurricular activities. Both students are Tae-Kwon-Do black belt holders. They have logged hundreds of volunteer hours collectively between their local dental clinic and their family- owned real estate investment business. Rohit is fluent in speaking English, Spanish, and Marathi. Pooja is also fluent in English and Marathi. They are both involved in our Sage Oak Student Council where leadership qualities are developed and reflected upon. They also participate as our student representatives for our Student Site Council. These meetings are a time where students work together to develop and monitor our school's goals from a student's perspective.

It is undeniable that Pooja and Rohit have an impressive resume of academics and extracurricular activities. I would have to say that the most special attribute between the two of them is their incredible character paired with their humble nature. Pooja and Rohit genuinely care about the wellbeing of others and are quick to put others first. I consider it an honor to have watched them grow into the incredible people they are today. Their hard work and dedication have gotten them to where they are, and I unequivocally recommend their participation in the city of Moreno Valley's volunteer commissions. Please feel free to reach me with the contact information found below.

Best Regards,

Rachel Weisenbach
Sage Oak Charter School- Education Advisor

Office of the Mayor
City of Moreno Valley

Re: Rohit Datir - Emerging Leaders Council

Dear Office of the Mayor,

It is my pleasure to write this letter in support of Rohit Datir's application to the City of Moreno Valley's Emerging Leaders Program.

Rohit joined our school when he was in the 5th grade. It was very clear that Rohit had extraordinary academic gifts. He had completed approximately 30 college credits by the end of his 5th grade year. We advanced Rohit to 7th grade, and this year we advanced him to grade 10 as he will have met high school graduation requirements and will be eligible to graduate in June of 2021. Rohit is slated to earn three Associates Degrees this year as well which is quite remarkable. Rohit is not only academically gifted, and fluent in three languages, he demonstrates a keen sense of responsibility and a level of maturity beyond his years.

Rohit is a very well-rounded student who has been a part of our Sage Oak Student Council and has volunteered at a dental clinic. He is CPR certified as well. In addition, Rohit has demonstrated dedication to his studies of Tae Kwon Do and has earned a black belt.

Rohit stands out as one of the most gifted students in my career as an educator. I am confident that he will be a valuable addition to the Emerging Leaders program and I recommend him without reservation.

Sincerely,

[REDACTED]

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

To have the opportunity to learn about leadership and help out in community. I feel I am a good role model. I would also like to learn more about the local government and be a part of ideas to make my community better.

Describe any experience you have had that you feel has prepared you to on the Council?

I have been part of my scout's troop as an assistant patrol leader. I help organize activities.

What issues would you address or activities would you plan if you were a Council Member?

I would plan a community park clean up day. I would also plan a day to help parents with information on other choices for schools. Charter, private and tutors that may be available because our school district is not putting our education first.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

No one is in School, So kids can get into trouble more. They are on video games all day.

Teens and all kids want to see their friends. There is no where to do that where it is safe. I think the parks at night are not safe.

You hear about people getting beat up and doing drugs. I am not a teen so I don't know any more than that.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to give ideas on how to help the kids and parents in the community.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

SECTION VI: ACKNOWLEDGEMENT

For the Applicant: I certify that all statements in this application are true and complete to the best of my knowledge. I understand that any false statements of material fact will subject me to disqualification or dismissal if appointed. I release the City of Moreno Valley from any liability for the aforesaid information.

Quinn Castellanos

For the Parent/Guardian: I give permission for _____ to apply to be on the City of Moreno Valley Emerging Leaders Council as a Member at Large. If selected, I will permit and support them in attending meetings and activities related to the Emerging Leaders Council. I understand that meetings may be at various times and locations throughout the City of Moreno Valley and beyond City boundaries. I will support and encourage them to fulfill their participation requirements and professional standards as well as uphold the ELC values, mission, and objectives.

Photo Release: I give permission to the City of Moreno Valley to take photographs while participating in ELC events and activities for the use in future City publicity in broadcast, brochures, telecasts, newspapers and any promotional advertising or other materials. I waive any rights to privacy or publicity I may have in connection with such uses and understand that I will not receive any compensation for such use. By my signature below, I agree to the conditions of my participation stated herein and agree to this Photo Release.

Subject: Quinn Castellanos

To Whom It May Concern:

I have had the privilege of being Quinn's Math and Science instructor for the 2020-2021 academic school year. During this time, I have seen Quinn progress immensely as a scholar, individual, and leader. Quinn often leads discussions, brings up pertinent ideas or questions and he is always quick to remind me if I have forgotten or overlooked something.

Quinn will be an asset to any group, club, or organization that seeks energetic talent, eagerness to learn, and an individual who is not opposed to challenges. Quinn's distinctive characteristics, dedication to duty, and determination to do well reflect great credit upon himself and those who associate with him.

If you have any further questions or need additional information, please do not hesitate to contact me.

Sincerely,

Mr. Sanchez

Math Instructor, VHMS

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size _____
 Member a Large

What ELC Officer position are you applying for? _____

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

To obtain some knowledge and experience in the Moreno Valley city government and to be able to contribute in my community.

Describe any experience you have had that you feel has prepared you to on the Council?

I have been member of the Rancho Verde High School Varsity Tennis team for 4 years and served as captain and assistant to the head coach for 2 years. I have taken US Government and Race and Society classes in high school which have peaked my interest to

What issues would you address or activities would you plan if you were a Council Member?

I would plan to address issues as follows: vocational training for young adults, access to college, public safety, and distance learning challenges.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

I think some of the major issues facing teens/young adults in Moreno Valley include Public Safety. I would embrace any programs that provided more education and public awareness on the topic of public safety.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to further my education and experience in various community issues. I hope to utilize my new found skills and knowledge in any upcoming opportunities for internships, volunteer work, and career advancements. I hope that my participation will add value to

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

I hereby agree to attend all Board meetings, unless excused, and understand that I may be removed for lack of attendance, pursuant to Municipal Code, Subsection 2.06.010(C) which states, "If a member is absent without advance permission of the board or commission or the appointing authority from three consecutive regular meetings or from 25% of the duly scheduled meetings of the board or commission within any fiscal year, the membership shall thereupon become vacant and shall be filled as any other vacancy."

Attachment: Laura Ann Moorehead_Redacted (4463 : MAYORAL APPOINTMENTS TO THE EMERGING LEADERS COUNCIL, TRAFFIC SAFETY

To Whom it May Concern.

I am writing to recommend Laura Moorehead for Emerging Leaders Council – Member at Large.

I have known Laura for 17 years and have nothing but positive things to say. There is no doubt in my mind that Laura will be an excellent addition to the City of Moreno Valley – Emerging Leaders Council (ELC).

As she's grown up, I have always known Laura to be of sound character, being compassionate, creative, disciplined, and having a great sense of ambition. I have witnessed tremendous growth in Laura's leadership, organization, teamwork, and problem solving. I am certain these cultivated skills will allow Laura to excel.

Laura has demonstrated her leadership capabilities in her participation as varsity tennis player for 4 years and Captain of the Rancho Verde High School Varsity Tennis team for her last 2 years of high school.

Please do not hesitate on contacting me at [REDACTED] or [REDACTED] if you have any further questions or requests.

Regards,

[REDACTED]

Reggie Edmond, Retired

Supervising Parole Agent

SECTION V: QUESTIONS

I am applying to be a: Officer Shirt Size medium
Member a Large

What ELC Officer position are you applying for? _____

Chair: Convene and preside at all meetings and is the official spokesperson for the ELC. In charge of organizing meetings, events/activities, appoint and oversee sub-committees as necessary. Acts as liaison and represents the ELC in the community by serving in community and attending youth-oriented public functions. Communicates and meets with City staff and officials as necessary.

Vice Chair: Performs all duties of the Chair in their absence. Enforces attendance policy by tracking and monitoring member attendance for meetings and events.

Clerk: Maintains written notes, briefings, agendas, minutes, and other memoranda of the ELC. Disseminates meeting minutes to ELC members and ELC Liaisons. Maintains accurate directory of all ELC members. Coordinates all ELC meetings as well as external and inter-office mailings.

Please answer the following questions. Use additional sheets if necessary and reference the question:

Why do you want to serve on the City's Emerging Leaders Council?

~~I want to serve on the City's Emerging Leaders Council because I am very interested in getting involved in my community and I feel that this is a great opportunity to do so. I love to help out in the community any way that I can!~~

Describe any experience you have had that you feel has prepared you to on the Council?

~~Due to being an officer of National Honor Society, I learned how to use my creativity to bring the club together; such as a mask sewing event (where masks were donated to the homeless.)~~
This role also gave me a lot of experience with public speaking as I have to talk to around 100 members.

What issues would you address or activities would you plan if you were a Council Member?

~~I would definitely plan activities that would help to give back to the community, such as the~~
mask sewing event I mentioned earlier, as well as activities that are inclusive and social distancing friendly.

What do you think is one of the major issues facing teens/young adults in Moreno Valley and how would you address it?

I think one of the major issues facing teens and young adults in Moreno Valley is the lack of interaction that many are getting now due to social distancing procedures.
I would address this by creating events that help bring people together.

What do you hope to accomplish by your participation on the Emerging Leaders Council? How will your participation enhance your future goals and objectives?

I hope to bring about safe opportunities for the community to come together on the Emerging Leaders Council. My participation will enhance my future goals and activities by helping me develop more leadership skills and by gaining more experience on improving community relations.

Are you able to commit to participating in one meeting per month? Each meeting can last approximately two hours.

Yes No

Do you have means of transportation to arrive to meetings on time?

Yes No

May we contact the person who wrote your letter of recommendation?

Yes No

I hereby authorize that the City of Moreno Valley may obtain and review on a confidential basis, such information regarding me as may be contained in the California State Summary Criminal History and in records of the California Department of Motor Vehicles.

Yes No

Pursuant to Resolution 2016-42 all board, commission, or council members must be registered voters of the City of Moreno Valley, provided that they are at least 18 years old.

*If applying for the MV Citizens Public Safety Committee, please indicate which position you are applying for:

- Non-Profit Business Public Member

Why do you wish to serve on this Board and/or Commission?

Libraries serve a very important role in our communities - connect members of the community, provide safe haven for children, offer opportunity to learning and develop new skills, open the horizon for many children, source of reliable and credible information and so much more. I enjoy sharing all the benefits of having our public library and promoting the various events we provide for members of our community. As a bibliophile, myself I can't think of a better commission to serve on than the Library Commission.

List any education, training, or special skills, you have which may be relevant or of particular benefit to this Board and/or Commission:

I have earned leadership, mentorship and life coach certifications which serve me well as a Library Commissioner. I am a great team player and find no task too small or insignificant. I am also a researcher and I am consistently looking for opportunities, funding and partnerships that will benefit those that visit our library.

I advocated for the the mall location and our latest satellite location.

Explain briefly your understanding of what this Board and/or Commission does, including its powers and limitations.

This commission is task with making recommendations and providing input pertaining to Moreno Valley Library services and programs.

What do you hope to accomplish by your participation?

I hope to continue my good working relationship with the Friends of the Library, library staff and the director. I will also continue to collaborate, promote and participate in library events to ensure their success. My goal is to always do better than I have during my previous terms - participate, promote and serve more.

Why do you wish to serve on this Board and/or Commission?
Previously, I served on the TSC board as a representative for the Val Verde USD for 9 years. I enjoy the work that this board does, because I can see the results every day.

List any education, training, or special skills, you have which may be relevant or of particular benefit to this Board and/or Commission:
My previous experience of over 9 years on this board taught me the responsibilities and duties involved. My concern for traffic safety for my city is a priority to me.

Explain briefly your understanding of what this Board and/or Commission does, including its powers and limitations.
This board gives MV residents access to express their concerns about traffic problems or needed improvements to make navigating in the city safer for everyone.

What do you hope to accomplish by your participation?
I want to contribute to the safety of our MV residents, visitors and those who work in our city.

Board or Commission applying for*: 1st Choice Traffic & Safety Commission
2nd Choice Planning Commission

*If applying for the Accessibility Appeals Board, please indicate which position you are applying for:

Physically Challenged Person Person Experienced in Construction Public Member

*If applying for the Utilities Commission, please indicate which position you are applying for:

Public Member Customer of Moreno Valley Utility Business Customer of Moreno Valley Utility

Why do you wish to serve on this Board and/or Commission?

I serve our community in my everyday private and professional life and I am in constant contact and communication with members of the Moreno Valley community that do not have a voice. Having been deeply impressed with the Momentum MoVal Initiative of our Mayor's Office I want to be a part of the force that makes our Moreno Valley become a destination city. I sincerely wish to help enact positive change in our city. One of the most important parts of making that happen is to help ensure the infrastructure of our streets and roadways.

List any education, training, or special skills, you have which may be relevant or of particular benefit to this Board and/or Commission:

I am also very active in working with Moreno Valley At-Risk Youth and remain completely committed to making sure that our youth make positive choices to help improve their quality of life (this in turn assists in improving our community for all residents).

Explain briefly your understanding of what this Board and/or Commission does, including its powers and limitations.

On the surface my understanding of the Traffic & Safety Commission is that we are instruments of communication between the City and its residents to evaluate traffic control (both regulatory and non-regulatory) while educating the public on traffic issues and responding to public concerns on traffic and pedestrian safety.

What do you hope to accomplish by your participation?

Being a visionary that believes in people being able to come together to effect positive change comes with its challenges but the overall goal, to make our lofty endeavors real effective change with tangible results, is what I would like to see happen.

Report to City Council

TO: Mayor and City Council Acting in its Capacity as President and Members of the Board of Directors of the Moreno Valley Community Services District (CSD)

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: SECOND READING AND ADOPTION OF ORDINANCE NO. CSD 55, AN ORDINANCE OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT OF THE CITY OF MORENO VALLEY LEVYING A SPECIAL TAX IN CONNECTION WITH ITS COMMUNITY FACILITIES DISTRICT NO. 2021-01 (PARKS MAINTENANCE) AND TAKING CERTAIN RELATED ACTIONS

RECOMMENDED ACTION

Recommendation:

Conduct the second reading by title only and adopt Ordinance No. CSD 55.

SUMMARY

This item is the second reading of the Ordinance related to formation of Community Facilities District (CFD) No. 2021-01 (Parks Maintenance) (the "District"). The Ordinance was introduced at the June 1, 2021 City Council meeting.

DISCUSSION

On June 1, 2021, the CSD Board established CFD No. 2021-01 (Parks Maintenance) and introduced its Ordinance. The District was created to provide both the residential and non-residential development community with an alternative funding tool for park maintenance.

The Ordinance authorizes the levy of a special tax on those properties included in CFD No. 2021-01 and outlines the use of the special tax revenue, accountability measures, and other actions related to administration of the CFD. Revenue from the special tax will

fund the operation and maintenance costs of certain park improvements impacted by the development project.

After formation of the District, the landowners of residential housing tract 31590 voted in favor of authorizing the levy of a special tax, collected on the property tax bill, against property in their development project. The parcels in Tract 31590 are the only parcels included in the CFD at this time.

ALTERNATIVES

1. Conduct the second reading by title only and adopt the Ordinance. *Staff recommends this alternative since it will provide an alternate funding option for the development community.*
2. Provide revisions to the Ordinance and direct staff to restart the adoption process. *Staff does not recommend this alternative because it may delay the development community from satisfying their conditions of approval.*
3. Do not adopt the Ordinance. *Staff does not recommend this alternative because it may delay the development community from satisfying their conditions of approval.*

FISCAL IMPACT

Third party costs associated with formation of the District are projected at \$25,000 for a special tax consultant, special legal counsel, legal notice publication costs, recording costs, and other related expenses. Sufficient funds exist in the FY 2020/21 Adopted Operating Budget of the Special Districts Administrative Fund 2006-30-79-25701 to fund the costs.

NOTIFICATION

The agenda was posted in accordance with the Brown Act.

PREPARATION OF STAFF REPORT

Prepared By:
Candace E. Cassel
Special Districts Division Manager

Department Head Approval:
Brian Mohan
Assistant City Manager

Concurred By:
Patti Solano
Parks & Community Services Director

CITY COUNCIL GOALS

Revenue Diversification and Preservation. Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness. Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

CITY COUNCIL STRATEGIC PRIORITIES

- 1. Economic Development
- 2. Public Safety
- 3. Library
- 4. Infrastructure
- 5. Beautification, Community Engagement, and Quality of Life
- 6. Youth Programs

Objective 4.2: Develop and maintain a comprehensive Infrastructure Plan to invest in and deliver City infrastructure.

Objective 5.2: Promote the installation and maintenance of cost effective, low maintenance landscape, hardscape and other improvements which create a clean, inviting community.

ORDINANCE NO. CSD 2021-_____

AN ORDINANCE OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT OF THE CITY OF MORENO VALLEY LEVYING A SPECIAL TAX IN CONNECTION WITH ITS COMMUNITY FACILITIES DISTRICT NO. 2021-01 (PARKS MAINTENANCE) AND TAKING CERTAIN RELATED ACTIONS

The Moreno Valley Community Services District of the City of Moreno Valley, California, acting as the legislative body of Community Facilities District No. 2021-01 (Parks Maintenance), does hereby ordain as follows:

SECTION 1. FINDINGS.

- A. The Mello-Roos Community Facilities Act of 1982 (Government Code Section 53311 *et seq.*) (the “Act”) authorizes the Board of Directors (the “CSD Board”) of the Moreno Valley Community Services District (the “CSD”) to establish a community facilities district to finance certain services within the district.
- B. By its prior resolution, the CSD Board established the CSD’s Community Facilities District No. 2021-01 (Parks Maintenance) (the “CFD”).
- C. By its prior resolution, the CSD Board declared and certified the results of an election at which the landowners of the CFD approved a special tax in connection with the CFD (the “Special Tax”) and an appropriations limit for the CFD.
- D. CSD Board now desires to levy and impose the Special Tax and to take other related actions.

SECTION 2. LEVY OF SPECIAL TAX.

The annual Special Tax is levied pursuant to Section 53340 of the Act against all non-exempt parcels of real property within the CFD. The rate and method of apportionment of the Special Tax are described in Exhibit “A” to this Ordinance, which is incorporated herein by reference (the “Rate and Method of Apportionment”).

The Special Tax will be collected in the same manner as ordinary ad valorem property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for ad valorem taxes. Notwithstanding the forgoing, any Special Taxes that cannot be collected on the County tax roll, or are not so collected, may be collected through direct billing by the City.

Under no circumstances will the special tax levied in any fiscal year against any parcel be increased as a consequence of delinquency or default by the owner or owners

of any other parcel or parcels within the CFD by more than 10 percent above the amount that would have been levied in that fiscal year had there never been any such delinquencies or defaults. This tax may not be prepaid.

SECTION 3. USE OF TAX.

In addition to the administrative expenses described in the Rate and Method of Apportionment, proceeds of the Special Tax may be used to fund:

Park Maintenance Services: Maintaining, lighting, and operating parks and park improvements that are owned and operated by the CSD, to the extent such services are in addition to services already provided at the time CFD No. 2021-01 is created and do not supplant existing services.

Fundable services include (i) planting, replanting, mowing, trimming, irrigation and fertilization of grass, trees, shrubs, and other plants and vegetation, (ii) the operation, maintenance, repair, and replacement of irrigation systems and lighting systems, (iii) the operation maintenance, repair and replacement of any real property or improvements with a useful life of more than five years.

Fundable costs include, but are not limited to: (i) contracted costs for such services, (ii) salaries and benefits of staff, including park rangers, devoted to such services, (iii) expenses related to equipment, apparatus, and supplies related to these services, (iv) administrative and overhead costs, including staff time, associated with providing such services, and (v) lifecycle costs associated with the repair and replacement of facilities and improvements.

These services are in addition to those provided in the territory within the CFD prior to the establishment of the CFD and such Services will not supplant services already available within the territory.

SECTION 4. ACCOUNTABILITY MEASURES.

The Special Tax will be subject to the following accountability measures:

- (i) Proceeds of the Special Tax will be deposited in a special account and used only for the purpose of financing the costs identified in Section 5 of this Ordinance; and
- (ii) An annual report will be filed by the Special Districts Division of the Financial and Management Services Department of the City at least once a year containing a description of the amount of funds in the Special Account and the status of any costs identified in Section 3 of this Ordinance.

SECTION 5. ADMINISTRATION.

The Special Districts Division of the Financial and Management Services Department, which is located at 14177 Frederick Street, Moreno Valley, California 92553 and can be telephoned at 951.413.3470 will be responsible for annually preparing a

current roll of special tax levy obligations by assessor's parcel number and will be responsible for estimating future special tax levies pursuant to Section 53340.2 of the Act.

SECTION 6. APPROPRIATIONS LIMIT.

The CSD Board establishes an appropriations limit for the CFD, pursuant to Article XIII B, Section 8(h) of the California Constitution, at \$100 Million. Such limit shall be adjusted for changes in the cost of living, or changes in population, pursuant to Section 53325.7 of the Act.

SECTION 7. NOTICE OF SPECIAL TAX LIEN.

Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the Streets and Highways Code, a continuing lien to secure each levy of the Special Tax shall attach to all nonexempt real property in the CFD and this lien shall continue in force and effect until collection of the tax by the legislative body ceases. The recordation of such notice is directed by the CSD Board.

SECTION 8. INTERPRETATION.

The CFD Administrator is authorized to issue such interpretations of this Ordinance as he or she feels is necessary or useful to administer the Special Tax. Any such interpretations may be ratified or disapproved by resolution of the CSD Board, but shall be treated as official interpretations in the absence of Council action.

SECTION 9. CORRECTION OF ERRORS.

If a Special Tax is calculated or applied in error with respect to a parcel, the CFD Administrator is authorized to modify or correct the Special Tax applied, and to issue a credit or refund as appropriate. The CFD Administrator will respond in writing to any written request from a taxpayer for a modification or correction. Any such written response may be appealed by the taxpayer through the filing of a claim following the normal claims procedures of the City.

SECTION 10. SEVERABILITY.

If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of the ordinance. The CSD Board hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase hereof, irrespective of the fact that any one or more of the sections, subsections, sentences, clauses or phrases hereof be declared invalid or unconstitutional.

SECTION 11. EFFECT OF ENACTMENT.

Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the CSD Board which addresses the same subject addressed herein.

SECTION 12. NOTICE OF ADOPTION.

Within fifteen days after the date of adoption hereof, the Secretary of the CSD (the City Clerk of the City of Moreno Valley) shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city.

SECTION 13. EFFECTIVE DATE.

This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this 15th day of June 2021.

Mayor of the City of Moreno Valley,
Acting in the capacity of President of the
Moreno Valley Community Services District

Attachment: Ordinance (4424 : SECOND READING AND ADOPTION OF ORDINANCE NO. CSD 55, AN ORDINANCE OF THE MORENO VALLEY

Exhibit A

RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAX
 MORENO VALLEY COMMUNITY SERVICES DISTRICT
 COMMUNITY FACILITIES DISTRICT NO. 2021-01
 (PARKS MAINTENANCE)

A Special Tax shall be levied and collected in the Moreno Valley Community Services District Community Facilities District No. 2021-01 (Parks Maintenance) ("CFD 2021-01") each Fiscal Year, in an amount determined by the application of the procedures described below. All Taxable Property (as defined below) in CFD 2021-01, unless exempted by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

I. DEFINITIONS

The terms used herein shall have the following meanings:

"Accessory Dwelling Unit" means an Accessory Dwelling Unit that is authorized by Section 9.09.130 of the Moreno Valley Municipal Code.

"Acre" or "Acreage" means the land area of an Assessor's Parcel as shown on an Assessor's Parcel Map or in the Assessor's Data for each Assessor's Parcel. In the event the Assessor's Parcel Map or Assessor's Data shows no Acreage, the Acreage for any Assessor's Parcel shall be determined by the CFD Administrator based upon the applicable final map, parcel map, condominium plan, or other recorded County parcel map. If the preceding maps are not available, the Acreage of an Assessor's Parcel may be determined utilizing GIS. The square footage of an Assessor's Parcel is equal to the Acreage of such parcel multiplied by 43,560.

"Act" means the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Division 2 of Title 5 of the Government Code of the State of California (Section 53311 *et seq.*).

"Administrative Expenses" means the following actual or reasonably estimated costs directly related to the administration of CFD 2021-01: the costs of computing the Annual Special Tax Requirement and the annual Special Tax and of preparing the annual Special Tax collection schedules; the costs of collecting the Special Tax, including any charges levied by the County Auditor's Office, Tax Collector's Office or Treasurer's Office; the costs of the Community Services District or designee in complying with the disclosure requirements of the California Government Code (including the Act), including public inquiries regarding the Special Tax; the costs of the Community Services District or designee related to an appeal of the Special Tax; and the costs of commencing and pursuing to completion any foreclosure action arising from any delinquent Special Tax in CFD 2021-01.

"Agricultural Property" means all Assessor's Parcels devoted primarily to agricultural, timber, or livestock uses and being used for the commercial production of agricultural, timber, or livestock products.

"Annual Services Costs" means the amounts required to fund services authorized to be funded by CFD 2021-01.

“Annual Special Tax Requirement” means that amount with respect to CFD 2021-01 determined by the Board of Directors or designee as required in any Fiscal Year to pay: (1) the Administrative Expenses, (2) the Annual Services Costs, (3) any amount required to establish or replenish any reserve or replacement fund established in connection with CFD 2021-01, and (4) any reasonably anticipated delinquent Special Tax based on the delinquency rate for any Special Tax levied in the previous Fiscal Year.

“Assessor’s Data” means Units, Building Square Footage, Acreage, or other information contained in the records of the County Assessor for each Assessor’s Parcel.

“Assessor’s Parcel” or **“Parcel”** means a lot or parcel shown in an Assessor’s Parcel Map with an assigned Assessor’s Parcel Number.

“Assessor’s Parcel Map” means an official map of the Assessor of the County designating parcels by Assessor’s Parcel Number.

“Assessor’s Parcel Number” means, with respect to an Assessor’s Parcel, that number assigned to such Assessment’s Parcel by the County Assessor for purposes of identification.

“Building Square Foot(age)” means the structure square footage as shown on the building permit issued by the City or as contained in the Assessor’s Data.

“Board of Directors” means the Board of Directors of the Moreno Valley Community Services District, acting as the legislative body of CFD 2021-01.

“CFD 2021-01” means the Moreno Valley Community Services District Community Facilities District No. 2021-01 (Parks Maintenance), County of Riverside, State of California.

“CFD Administrator” means the person responsible for administering the Special Tax in accordance with this Rate and Method of Apportionment.

“City” means the City of Moreno Valley, County of Riverside, California.

“Commercial Property” means all Assessor’s Parcels of Developed Property (other than Office Property or Industrial Property) with a non-residential use, according to Assessor’s Data or as otherwise known by the CFD Administrator.

“Community Services District” means the Moreno Valley Community Services District.

“County” means the County of Riverside, California.

“Developed Property” means, in any Fiscal Year, all Taxable Property in CFD 2021-01 (i) that is improved with one or more structures that were in place on March 1 of the preceding Fiscal Year and were built subsequent to the inclusion of the territory of the Taxable Property in the Community Services District, (ii) for which a building permit for new construction was issued by the applicable land use authority prior to March 1 of the preceding Fiscal Year and/or (iii) is Mobile Home Property.

“Exempt Property” means all property located within the boundaries of CFD 2021-01 which is exempt from the Special Tax pursuant to Section V below.

“Fiscal Year” means the period from July 1st of any calendar year through June 30th of the following calendar year.

“GIS” means a geographic information system.

“Industrial Property” means all Assessor’s Parcels of Developed Property with an industrial use, according to Assessor’s Data or as otherwise known by the CFD Administrator.

“Maximum Special Tax” means the maximum Special Tax authorized for levy in any Fiscal Year that may apply to Taxable Property as described in Section III.

“Mixed-Use Property” means all Assessor’s Parcels of Developed Property that is imposed with a mix of two or more of single family residential, multi-family residential, mobile home, office, commercial or industrial uses. For an Assessor’s Parcel of Mixed-Use Property, the Special Tax shall be calculated and levied for each use type present on the Assessor’s Parcel.

“Mobile Home Property” means all Assessor’s Parcels of Developed Property with (i) one or more movable or portable dwellings connected to utilities and/or (ii) a building permit or other permit from the City to install utility connections at one or more space for a movable or portable dwelling. Units are the larger of (i) the number of movable or portable dwellings connected to utilities on the Assessor’s Parcel or (ii) the number of spaces authorized under building permits for such connections.

“Multi-Family Property” means all Assessor’s Parcels of Developed Property that either (i) include two or more Units or (ii) include only a single Unit of a larger structure that is part of condominium project as that term is defined in Civil Code Section 4125 or a townhome.

“Office Property” means all Assessor’s Parcels of Developed Property used as offices, including medical, dental offices and office condominiums, according to Assessor’s Data or as otherwise known by the CFD Administrator.

“Property Owner’s Association” means any property owner’s association. As used in this definition, a Property Owner’s Association includes any home-owner’s association, condominium owner’s association, master or sub-association.

“Property Owner’s Association Property” means any property which is (a) owned by a Property Owner’s Association or (b) designated with specific boundaries and acreage on a final subdivision map as property owner association property.

“Proportionately” means, for Developed Property that the ratio of the Special Tax levy to the Maximum Special Tax is equal for all Assessors’ Parcels of Developed Property within CFD 2021-01.

“Public Property” means any property owned by, irrevocably offered or dedicated to, or for which an easement for purposes of public or private road right-of-way making the property unusable for any other purpose has been granted to the federal government, the State of California, the County, the City, the Community Services District, or any local government or other public agency.

“Single Family Property” means all Parcels of Developed Property with one permanent dwelling Unit,

according to Assessor's Data or as otherwise known by the CFD Administrator. Single Family Property does not include any property that is considered Multi-Family Property.

"Special Tax" means the amount levied in each Fiscal Year on each Assessor's Parcel of Taxable Property to fund the Annual Special Tax Requirement.

"Tax Escalation Factor" means the greater of the increase in the annual percentage change in the Consumer Price Index (CPI) for All Urban Consumers for the Riverside-San Bernardino-Ontario County Region as published by the Department of Labor's Bureau of Labor Statistics or five percent (5%). If the CPI for the Riverside-San Bernardino-Ontario County area is discontinued, the CFD administrator may replace it with a similar index for the purposes of calculating the Annual Escalation Factor.

"Tax Zone" means a mutually exclusive geographic area within which the Special Tax may be levied pursuant to this Rate and Method of Apportionment. *All the Taxable Property within CFD 2021-01 at the time of its formation is within Tax Zone No. 1.* Additional Tax Zones may be created when property is annexed to CFD 2021-01, and a separate Maximum Special Tax shall be identified for property within each new Tax Zone at the time of such annexation. The Assessor's Parcels included within a new Tax Zone when such Parcels are annexed to CFD 2021-01 shall be identified by Assessor's Parcel number in the annexation documents at the time of annexation.

"Taxable Property" means all Parcels within the boundary of CFD 2021-01 that are not Exempt Property or exempt from the Special Tax pursuant to the Act.

"Undeveloped Property" means all Parcels of Taxable Property that are not Developed Property.

"Unit" means any individual single family detached or attached home, townhome, condominium, apartment, mobile home or other residential dwelling unit, including each separate living area within a half-plex, duplex, triplex, fourplex, or other residential structure. An Accessory Dwelling Unit on a Parcel of Single Family Property shall be considered a separate Unit for purposes of calculating the Special Tax.

"Welfare Exempt Property" means all Parcels within the boundaries of CFD 2021-01 receiving a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code.

II. DETERMINATION OF TAXABLE PARCELS

On or about July 1 of each Fiscal Year, the CFD Administrator shall determine the Annual Special Tax Requirement for that Fiscal Year and shall identify each parcel of Taxable Property within CFD 2021-01. The property type, APN and characteristics of each such parcel should be updated based on the most current information reasonably available to the CFD Administrator, and a tax amount determined for each parcel as set forth in Section III, below.

III. SPECIAL TAX - METHOD OF APPORTIONMENT

All Taxable Property shall be subject to a Special Tax defined as follows.

The Special Tax shall be levied each Fiscal Year by the CFD Administrator. The Annual Special Tax Requirement shall be apportioned to each Parcel within CFD 2021-01 by the method shown below.

- First. Determine the Annual Special Tax Requirement.
- Second. Levy the Special Tax on each Parcel of Developed Property, Proportionately, up to the Maximum Special Tax described in the table below to satisfy the Annual Special Tax Requirement.

Under no circumstances will the Special Tax on any Assessor’s Parcel of Developed Property be increased by more than 10% as a consequence of delinquency or default by the owner of any other Assessor’s Parcel within CFD No. 2021-01.

**TABLE 1
MAXIMUM SPECIAL TAX RATES – TAX ZONE NO. 1
FISCAL YEAR 2021/22***

Property Type	Maximum Special Tax Rate	Per
Single Family Property	\$291.59	Unit
Multi-Family Property	291.59	Unit
Mobile Home Property	291.59	Unit
Commercial Property	18.69	1,000 Feet of Building Square Footage
Office Property	31.12	1,000 Feet of Building Square Footage
Industrial Property	9.07	1,000 Feet of Building Square Footage
Undeveloped Property	0	Parcel

**On each July 1, commencing on July 1, 2022, the Maximum Special Tax Rate for each Tax Zone shall be increased by the Tax Escalation Factor.*

Except as otherwise specifically provided in this document in the definition of Mobile Home Property, taxes shall be calculated based on the combined characteristics as of March 1 of the preceding Fiscal Year of (i) all improvements located on a parcel that were constructed after the territory of the parcel became a part of the Community Facilities District and (ii) all unbuilt improvements on the parcel for which a building permit has been issued.

Tax Zone No. 1 is the initial (and only) Tax Zone in CFD 2021-01. Other Tax Zones may be created in the future via the designation of annexation areas.

In some instances, an Assessor’s Parcel of Developed Property may be Mixed-Use Property. The Maximum Special Tax levied on an Assessor’s Parcel shall be the sum of the Maximum Special Tax for all Units and Building Square Feet of each property type on that Assessor’s Parcel.

IV. FORMULA FOR PREPAYMENT OF SPECIAL TAX OBLIGATIONS

The Special Tax may not be prepaid.

V. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on Agricultural Property, Property Owner Association Property, Welfare Exempt Property or Public Property, except as otherwise provided in Sections 53317.3 and 53317.5 of the Act.

VI. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The Community Services District reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Special Tax. In addition, the interpretation and application of any section of this document shall be at the Community Services District's discretion. Interpretations may be made by the Board of Directors by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment of Special Tax.

VII. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the Community Services District may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of CFD 2021-01, and may collect delinquent Special Taxes through foreclosure or other available methods.

A Special Tax shall continue to be levied and collected within CFD 2021-01, as needed to fund the Annual Special Tax Requirement, in perpetuity.

VIII. APPEAL OF SPECIAL TAX LEVY

Any taxpayer that believes that the amount of the Special Tax assigned to a Parcel is in error may file a written notice with the CFD Administrator appealing the levy of the Special Tax. This notice is required to be filed with the CFD Administrator during the Fiscal Year the error is believed to have occurred. The CFD Administrator or its designee will then promptly review the appeal and, if necessary, meet with the taxpayer. If the CFD Administrator determines that the tax should be changed the Special Tax levy shall be corrected and, if applicable, a refund shall be granted.

The decision of the CFD Administrator may be appealed by the Taxpayer to the Board of Directors within 30 days of the issuance of a written determination by the CFD Administrator. Any decision of the Board of Directors shall be final.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action.

Report to City Council

TO: Mayor and City Council
 Mayor and City Council Acting in its Capacity as
 President and Members of the Board of Directors of the
 Moreno Valley Community Services District (CSD)

FROM: Patti Solano, Parks & Community Services Director

AGENDA DATE: June 15, 2021

TITLE: ACCEPTANCE OF CHILD DEVELOPMENT PROGRAM
 FUNDS FROM THE CALIFORNIA DEPARTMENT OF
 SOCIAL SERVICES TO OPERATE CHILD CARE
 SERVICES FOR FISCAL YEAR 2021-22 AND ADOPTION
 OF THE RESOLUTION TO CERTIFY APPROVAL OF THE
 GOVERNING BOARD

RECOMMENDED ACTION

Recommendations:

1. Authorize acceptance of child development program funds in the amount of \$814,041 and any subsequent amendments for Fiscal Year (FY) 2021-22 from the California Department of Social Services for the purpose of providing school age child care and development services; and
2. Adopt Resolution No. CSD 2021-____. A resolution of the Moreno Valley Community Services District of the City of Moreno Valley, California, certifying approval of the governing board to enter into this transaction with the California Department of Social Services for the purpose of providing child care and development services and to authorize designated personnel to sign contract documents for FY 2021-22.
3. Authorize a budget adjustment as set forth in the Fiscal Impact section of this report.

SUMMARY

This report recommends acceptance of Child Development Program Funds to continue

operation of A Child's Place licensed after-school child care program. This program is supported by child development funds, parent fees, and food program revenue. Child development operating revenue is a combination of federal and state funding.

DISCUSSION

The focus of the initial program application submitted by the City of Moreno Valley Parks and Community Services Department was based on high demand assessed by the Department within its own programs. This included the need for after-school care during the traditional school year and full day care on school vacation days. The program operates in five elementary schools: Armada, Creekside, Rainbow Ridge, and Sunnymead during the school year and Val Verde Academy during school breaks.

A Child's Place program serves low-income parents who work or go to school, and accommodates up to 142 children from kindergarten through 12 years of age. The program, in effect since January 1997, fosters healthy social and emotional development of children by providing activities, schedules, materials, and equipment to ensure that children are both challenged and successful. Programming for the students includes a nutritious daily snack, arts and crafts, indoor and outdoor games, story time, homework time, and social time. The program also includes field trips with bus transportation, parent conferences, and special parenting classes and programs on topics including health issues, substance abuse, nutrition, personal safety, community awareness, literacy, and more. The program works closely with parents and school site staff to incorporate applicable school rules into the program and provide emotional support for children.

A Child's Place normally operates at school sites under the "modified traditional" school schedule, between the hours of 11:30 a.m. and 6:00 p.m. on school days, and 7:00 a.m. to 6:00 p.m. on school vacation days, Monday through Friday. Due to the COVID-19 pandemic and school campus closures in both the Moreno Valley and Val Verde unified school districts, the program temporarily closed on March 16, 2020. The program reopened on May 26, 2020, at Val Verde Academy and Rainbow Ridge Elementary with limited class sizes in accordance with local county health guidelines. As local health restrictions allow for increased class size, the program will open up additional slots to return to normal operation at full capacity. We hope to fully re-open concurrent with school district re-opening for the 2021-22 school year.

As part of the City's policy, the City Council must formally accept this funding from the California Department of Social Services and adopt the corresponding resolution.

ALTERNATIVES

1. Approve the recommendations as listed in this staff report. ***Staff recommends this alternative as it will allow for continued child care and development services to school age children.***
2. Do not approve the recommendations as listed in this staff report. ***Staff does not***

recommend this alternative as it will eliminate child care and development services to school age children.

FISCAL IMPACT

The proposed child development contract funds expenditures on a cost reimbursement basis. **Contract funding (federal and state), as well as program fees and food program revenue, are used to provide licensed school age child care and development services, and are restricted to this program. There is no impact to the General Fund.** This program was budgeted in the FY 2021-22 Operating Budget (2201-50-92-75011) but will require the proposed adjustment below.

Description	Fund	GL Account No.	Type (Rev/Exp)	FY 21/22 Budget	Proposed Adjustments	FY 21/22 Amended Budget
Federal Apportionment	Child Care Grant	2201-50-92-75011-4xxxxx	Rev	\$817,266	(\$3,225)	\$814,041
Operational Exp.	Child Care Grant	2201-50-92-75011-6xxxxx	Exp	\$817,266	(\$3,225)	\$814,041

PREPARATION OF STAFF REPORT

Prepared By:
Lee Withers
Senior Management Analyst

Department Head Approval:
Patti Solano
Parks and Community Services Director

CITY COUNCIL GOALS

Revenue Diversification and Preservation. Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Public Safety. Provide a safe and secure environment for people and property in the community, control the number and severity of fire and hazardous material incidents, and provide protection for citizens who live, work and visit the City of Moreno Valley.

Positive Environment. Create a positive environment for the development of Moreno Valley's future.

CITY COUNCIL STRATEGIC PRIORITIES

- 1. Economic Development
- 2. Public Safety
- 3. Library
- 4. Infrastructure
- 5. Beautification, Community Engagement, and Quality of Life
- 6. Youth Programs

Objective 5.5: Promote a healthy community and lifestyle.

Objective 6.2: Improve health, wellness and fitness for Moreno Valley youth through recreation and sports programs.

LOCAL AGREEMENT FOR CHILD DEVELOPMENT SERVICES

DATE: July 01, 2021

CONTRACT NUMBER: CCTR-1176

PROGRAM TYPE: GENERAL CHILD CARE & DEV PROGRAMS

PROJECT NUMBER: 33-2186-00-1

STATE AGENCY: CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

CONTRACTOR'S NAME: CITY OF MORENO VALLEY

This Agreement is entered into between the State Agency and the Contractor named above. The Contractor agrees to comply with the terms and conditions of the CURRENT APPLICATION; the GENERAL TERMS AND CONDITIONS (GTC04/2017)*; the GENERAL CHILD CARE AND DEVELOPMENT PROGRAM REQUIREMENTS*; the FUNDING TERMS AND CONDITIONS (FT&C)*, which are by this reference made a part of this Agreement. Where the GTC04/2017 conflicts with either the Program Requirements or the FT&C, the Program Requirements or the FT&C will prevail.

Funding of this contract is contingent upon appropriation and availability of sufficient funds. This contract may be terminated immediately by the State if funds are not appropriated or available in amounts sufficient to fund the State's obligations under this contract.

The period of performance for this contract is July 01, 2021 through June 30, 2022. For satisfactory performance of the required services, the contractor shall be reimbursed in accordance with the Determination of Reimbursable Amount Section of the FT&C, at a rate not to exceed \$49.54 per child per day of full-time enrollment and a Maximum Reimbursable Amount (MRA) of \$814,041.00. During the term of this contract, the MRA may be adjusted through an Allocation Letter issued to the Contractor by State Agency.

SERVICE REQUIREMENTS

Minimum Child Days of Enrollment (CDE) Minimum Days of 16,432.0
Operation (MDO) Requirement 250

Any provision of this contract found to be in violation of Federal or State statute or regulation shall be invalid but such a finding shall not affect the remaining provisions of this contract.

Items shown with an Asterisk (*), are hereby incorporated by this reference and made part of this Agreement as if attached hereto. Amendments to any of these asterisked documents during the term of this contract shall be incorporated by reference as of the date issued by State Agency without need for formal amendment. These documents can be viewed at https://www.cdss.ca.gov/inforesources/cdss-programs/calworks-child-care/child-care-transition.

CONTRACTOR CERTIFICATION CLAUSES (CCC 04/2017)

CERTIFICATION

I, the official named below, CERTIFY UNDER PENALTY OF PERJURY that I am duly authorized to legally bind the prospective Contractor to the clause(s) listed below. This certification is made under the laws of the State of California.

<i>Contractor/Bidder Firm Name (Printed)</i>		<i>Federal ID Number</i>
<i>By (Authorized Signature)</i>		
<i>Printed Name and Title of Person Signing</i>		
<i>Date Executed</i>	<i>Executed in the County of</i>	

CONTRACTOR CERTIFICATION CLAUSES

1. STATEMENT OF COMPLIANCE: Contractor has, unless exempted, complied with the nondiscrimination program requirements. (Gov. Code §12990 (a-f) and CCR, Title 2, Section 11102) (Not applicable to public entities.)

2. DRUG-FREE WORKPLACE REQUIREMENTS: Contractor will comply with the requirements of the Drug-Free Workplace Act of 1990 and will provide a drug-free workplace by taking the following actions:

a. Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited and specifying actions to be taken against employees for violations.

b. Establish a Drug-Free Awareness Program to inform employees about:

- 1) the dangers of drug abuse in the workplace;
- 2) the person's or organization's policy of maintaining a drug-free workplace;
- 3) any available counseling, rehabilitation and employee assistance programs; and,
- 4) penalties that may be imposed upon employees for drug abuse violations.

c. Every employee who works on the proposed Agreement will:

- 1) receive a copy of the company's drug-free workplace policy statement; and,
- 2) agree to abide by the terms of the company's statement as a condition of employment on the Agreement.

Failure to comply with these requirements may result in suspension of payments under the Agreement or termination of the Agreement or both and Contractor may be ineligible for award of

Attachment: Contract No. CCTR-1176 (4460 : Child Development Grant Contract for A Child's Place Program)

any future State agreements if the department determines that any of the following has occurred: the Contractor has made false certification, or violated the certification by failing to carry out the requirements as noted above. (Gov. Code §8350 et seq.)

3. NATIONAL LABOR RELATIONS BOARD CERTIFICATION: Contractor certifies that no more than one (1) final unappealable finding of contempt of court by a Federal court has been issued against Contractor within the immediately preceding two-year period because of Contractor's failure to comply with an order of a Federal court, which orders Contractor to comply with an order of the National Labor Relations Board. (Pub. Contract Code §10296) (Not applicable to public entities.)

4. CONTRACTS FOR LEGAL SERVICES \$50,000 OR MORE- PRO BONO REQUIREMENT: Contractor hereby certifies that Contractor will comply with the requirements of Section 6072 of the Business and Professions Code, effective January 1, 2003.

Contractor agrees to make a good faith effort to provide a minimum number of hours of pro bono legal services during each year of the contract equal to the lessor of 30 multiplied by the number of full time attorneys in the firm's offices in the State, with the number of hours prorated on an actual day basis for any contract period of less than a full year or 10% of its contract with the State. Failure to make a good faith effort may be cause for non-renewal of a state contract for legal services, and may be taken into account when determining the award of future contracts with the State for legal services.

5. EXPATRIATE CORPORATIONS: Contractor hereby declares that it is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code Section 10286 and 10286.1, and is eligible to contract with the State of California.

6. SWEATFREE CODE OF CONDUCT:

a. All Contractors contracting for the procurement or laundering of apparel, garments or corresponding accessories, or the procurement of equipment, materials, or supplies, other than procurement related to a public works contract, declare under penalty of perjury that no apparel, garments or corresponding accessories, equipment, materials, or supplies furnished to the state pursuant to the contract have been laundered or produced in whole or in part by sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor, or with the benefit of sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor. The contractor further declares under penalty of perjury that they adhere to the Sweatfree Code of Conduct as set forth on the California Department of Industrial Relations website located at www.dir.ca.gov, and Public Contract Code Section 6108.

b. The contractor agrees to cooperate fully in providing reasonable access to the contractor's records, documents, agents or employees, or premises if reasonably required by authorized officials of the contracting agency, the Department of Industrial Relations, or the Department of Justice to determine the contractor's compliance with the requirements under paragraph (a).

7. DOMESTIC PARTNERS: For contracts of \$100,000 or more, Contractor certifies that Contractor is in compliance with Public Contract Code section 10295.3.

8. GENDER IDENTITY: For contracts of \$100,000 or more, Contractor certifies that Contractor is in compliance with Public Contract Code section 10295.35.

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

- 1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.
- 2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

- 1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.
- 2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will

process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

7. AIR OR WATER POLLUTION VIOLATION: Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

8. PAYEE DATA RECORD FORM STD. 204: This form must be completed by all contractors that are not another state agency or other governmental entity.

CALIFORNIA CIVIL RIGHTS LAWS CERTIFICATION (CO-005)

Pursuant to Public Contract Code section 2010, if a bidder or proposer executes or renews a contract in the amount of \$100,000 or more on or after January 1, 2017, the bidder or proposer hereby certifies compliance with the following:

- 1. CALIFORNIA CIVIL RIGHTS LAWS: For contracts \$100,000 or more, executed or renewed after January 1, 2017, the contractor certifies compliance with the Unruh Civil Rights Act (Section 51 of the Civil Code) and the Fair Employment and Housing Act (Section 12960 of the Government Code); and
- 2. EMPLOYER DISCRIMINATORY POLICIES: For contracts \$100,000 or more, executed or renewed after January 1, 2017, if a Contractor has an internal policy against a sovereign nation or peoples recognized by the United States government, the Contractor certifies that such policies are not used in violation of the Unruh Civil Rights Act (Section 51 of the Civil Code) or the Fair Employment and Housing Act (Section 12960 of the Government Code).

CERTIFICATION

I, the official named below, certify under penalty of perjury under the laws of the State of California that the foregoing is true and correct.		<i>Federal ID Number</i>

CERTIFICATIONS REGARDING LOBBYING; DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS; AND DRUG-FREE WORKPLACE REQUIREMENTS

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Signature on this form provides for compliance with certification requirements under 45 CFR Part 93, "New restrictions on Lobbying," and 45 CFR Part 76, "Government-wide Debarment and Suspension (Non procurement) and Government-wide requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as material representation of fact upon which reliance will be placed when the Department of Education determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING

As required by Section 1352, Title 31 of the U.S. Code, and implemented at 45 CFR Part 93, for persons entering into a grant or cooperative agreement over \$100,000 as defined at 45 CFR Part 93, Sections 93.105 and 93.110, the applicant certifies that:

(a) No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal grant or cooperative agreement:

(b) If any funds other than federal appropriated funds have been or will be paid to any person for influencing or attempting to influence an employee of Congress, or any employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form -LLL, "Disclosure Form to Report Lobbying," in accordance with this instruction;

(c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all subrecipients shall certify and disclose accordingly.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

As required by executive Order 12549, Debarment and Suspension, and other responsibilities implemented at 45 CFR Part 76, for prospective participants in primary or a lower tier covered transactions, as defined at 45 CFR Part 76, Sections 76.105 and 76.110.

A. The applicant certifies that it and its principals:

(a) Are not presently debarred, suspended proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency:

(b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction violation of federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (1) (b) of this certification; and

(d) Have not within a three-year period preceding this application had one or more public transactions (federal, state, or local) terminated for cause or default; and

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. DRUG-FREE WORKPLACE (GRANTEES OTHER THAN INDIVIDUALS)

As required by the Drug-Free Workplace Act of 1988, and implemented at 45 CFR Part 76, Subpart F, for grantees, as defined at 45 CFR Part 76, Sections 76.605 and 76.610-

A. The applicant certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition.

(b) Establishing an on-going drug-free awareness program to inform employees about-

(1) The danger of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will -

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation;

(e) Notifying the agency, in writing, within 10 calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including

Check [] if there are workplaces on file that are not id

B.4.b

to: Director, Grants, and Contracts Service, U.S. Department of Education, 400 Maryland Avenue, S.W., (Room 3124, GSA Regional Office Building No. 3), Washington, DC 20202-4571.

Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d) (2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency:

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

B. The grantee shall insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

**DRUG-FREE WORKPLACE
(GRANTEES WHO ARE INDIVIDUALS)**

As required by the Drug-Free Workplace Act of 1988, and implemented at 45 CFR Part 76, Subpart F, for grantees, as defined at 45 CFR Part 76, Sections 76.605 and 76.610-

a. As a condition of the grant, I certify that I will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant and

b. If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, I will report the conviction, in writing, within 10 calendar days of the conviction, to the Director, Grants and contracts Service, U.S. department of Education, 400 Maryland Avenue, S.W. (Room 3124, GSA Regional Office Building No. 3) Washington, DC 20202-4571. Notice shall include the identification numbers(s) of each affected grant.

ENVIRONMENTAL TOBACCO SMOKE ACT

As required by the Pro-Children Act of 1994, (also known as Environmental Tobacco Smoke), and implemented at Public Law 103-277, Part C requires that:

The applicant certifies that smoking is not permitted in any portion of any indoor facility owned or leased or contracted and used routinely or regularly for the provision of health care services, day care, and education to children under the age of 18. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day. (The law does not apply to children's services provided in private residence, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for in-patient drug and alcohol treatment.)

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.

Report to City Council

TO: Mayor and City Council
 Mayor and City Council Acting in its Capacity as
 President and Members of the Board of Directors of the
 Moreno Valley Community Services District (CSD)

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: PUBLIC HEARING ESTABLISHING APPROPRIATIONS
 ("GANN") LIMIT FOR FISCAL YEAR 2021/22 (RESO. NOS.
 2021-XX AND CSD 2021-XX)

RECOMMENDED ACTION

Recommendations: That the City Council and CSD:

1. Conduct a Public Hearing to receive public comments on the City of Moreno Valley General Fund appropriations limit for Fiscal Year 2021/22.
2. Adopt Resolution No. 2021- ____, a resolution of the City Council of the City of Moreno Valley, California, establishing the appropriations limit for Fiscal Year 2021/22.
3. Conduct a Public Hearing to receive public comments on the Moreno Valley Community Services District's appropriations limit for Fiscal Year 2021/22.
4. Adopt Resolution No. CSD 2021-____, a resolution of the Moreno Valley Community Services District establishing the appropriations limit for Fiscal Year 2021/22

SUMMARY

This report recommends that the City Council and the Community Services District Board of Directors conduct public hearings and adopt the resolutions to establish the Gann Appropriations Limits for both the General Fund and the Community Services

District (District) for FY 2021/22. The Gann Appropriations Limit, the result of the passage of Proposition 4 in 1979, places limits on the amount of tax proceeds that can be appropriated each year. For FY 2021/22 the limit for the General Fund is \$147,750,687 and the limit for the District is \$23,809,011. With revenues subject to the limit totaling \$91,420,924 for the General Fund and \$12,922,169 for the District there is still significant capacity to accommodate future revenue growth.

DISCUSSION

Section 7910 of the State Government Code requires a governing body to annually adopt by resolution, an Appropriation (Gann) Limit for the upcoming fiscal year. For FY 2021/22 the appropriation limit for the General Fund is \$147,750,687 and the limit for the District is \$23,809,011. With revenues subject to the limit totaling \$91,420,924 for the General Fund and \$12,922,169 for the District there is still significant capacity to accommodate future revenue growth. The Gann calculation is reviewed by the City’s external audit firm as part of the annual audit process.

In 2008, the available capacity between the appropriations limit and the appropriations subject to the limit for the City reached the lowest point at 6.34%. Over the next three years, appropriation levels were reduced as a result of the recession and declining revenues. Since then, as the local economy has improved, the remaining capacity has gradually increased to the current level of approximately 38% of the appropriations limit. Based on projections from the Long Range Business Plan we expect capacity levels to remain relatively high and we do not foresee any issues going forward that would result in the City reaching the appropriations limit.

The Community Services District continues to maintain sufficient capacity related to the appropriations limit. In 2015, based on a ruling by the City Attorney, revenues that had previously been accounted for as non-proceeds of tax were reclassified as tax related revenues. This restatement resulted in reducing their appropriation capacity from 78% to 38%. Their available capacity is currently approximately 46%. Based on the projections from the Long Range Business Plan we anticipate that the capacity rate will

remain in this relative range and we do not foresee any issues with the appropriations limit going forward.

Adoption of the proposed resolutions will formalize the Gann Appropriations Limits for FY 2021/22.

ALTERNATIVES

1. Conduct a Public Hearing to receive public comments on the City of Moreno Valley General Fund appropriations limit for Fiscal Year 2021/22.
2. Adopt Resolution No. 2021-____, a resolution of the City Council of the City of Moreno Valley, California, establishing the appropriations limit for Fiscal Year 2021/22.
3. Conduct a Public Hearing to receive public comments on the Moreno Valley Community Services District’s appropriations limit for Fiscal Year 2021/22.
4. Adopt Resolution No. CSD 2021-____, a resolution of the Moreno Valley Community Services District establishing the appropriations limit for Fiscal Year 2021/22
5. Do not conduct a Public Hearing to receive comments on the appropriation limits and do not adopt the proposed resolutions establishing the appropriations limits and provide staff with further direction.

Staff recommends Alternatives 1 through 4 since these actions will adopt the Gann Appropriations Limit in accordance with State law.

FISCAL IMPACT

There is no fiscal impact. Both the General Fund and the District are safely within their legal appropriations limits for Fiscal Year 2021/22.

NOTIFICATION

Notification regarding the adoption of the Gann Limit was published in the newspaper on June 1, 2021. The documents were made available for public review on May 27, 2021.

RESOLUTION NO. 2021-__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2021/22

WHEREAS, Article XIII B of the California Constitution and Section 7910 of the California Government Code require that each year the City of Moreno Valley shall by resolution, establish an appropriations limit for the City for the following fiscal year; and

WHEREAS, the City Council adopted the Budget for Fiscal Year 2021/22 a copy of which is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said budget contains the estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the City; and

WHEREAS, the City's Financial & Management Services Department has heretofore prepared and submitted data and documentation required for and to be used in the determination of certain matters and for the establishment of an appropriations limit for the City for Fiscal Year 2021/22 and such data and documentation has been available to the public for at least fifteen days prior to adoption of this Resolution; and

WHEREAS, the City Council has elected to use the annual change in the Per Capita Personal Income as the cost of living factor, and

WHEREAS, the City Council has considered pertinent data and documentation and made such determinations as may be required by law, and has adopted this Resolution at a regularly scheduled meeting of the City Council.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. That the appropriations limit for the City of Moreno Valley for Fiscal Year 2021/22, is hereby established at \$147,750,687, and the total annual appropriations subject to such limitation for Fiscal Year 2021/22 is estimated to be \$91,420,924.
2. The City Council hereby adopts the findings and methods of calculations set forth in Exhibit A, the Proceeds of Tax Calculation, Exhibit B, the Appropriations (Gann) Limit Calculation, and Exhibit C, the Summary of Annual Appropriation (Gann) Limits. To the extent permitted by applicable law, the City of Moreno Valley reserves the right to change or revise any gross factors associated with the calculation of the limit established pursuant to Article XIII B of the California Constitution if such changes or revisions would result in a more advantageous appropriation limit in the present or future.

- 3. Pursuant to Section 53901 of the California Government Code, by no later than August 30, 2021, the City Clerk shall file a copy of this Resolution with the Auditor of the County of Riverside.
- 4. Within fifteen days after the adoption of this Resolution, the City Clerk shall certify to the adoption thereof and, as so certified, cause a copy to be posted in at least three public places within the City.

BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon the date of its adoption.

APPROVED AND ADOPTED this 15th day of June, 2021.

A RESOLUTION OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT ESTABLISHING THE APPROPRIATIONS LIMIT FOR FISCAL YEAR 2021/22

WHEREAS, Article XIII B of the California Constitution and Section 7910 of the California Government Code require that each year the Moreno Valley Community Services District (District) shall by resolution, establish an appropriations limit for the District for the following fiscal year; and

WHEREAS, the City Council, acting in its capacity as the Board of Directors of the District, has adopted the Budget for Fiscal Year 2021/22 a copy of which is on file in the Office of the City Clerk and is available for public inspection; and

WHEREAS, the said budget contains the estimates of the services, activities and projects comprising the budget, and contains expenditure requirements and the resources available to the District; and

WHEREAS, the District's Financial & Management Services Department has heretofore prepared and submitted data and documentation required for and to be used in the determination of certain matters and for the establishment of an appropriations limit for the District for Fiscal Year 2021/22 and such data and documentation has been available to the public for at least fifteen days prior to adoption of this Resolution, and

WHEREAS, the City Council, acting in its capacity as the Board of Directors of the District, has elected to use the annual change in the Per Capita Personal Income as the cost of living factor. and

WHEREAS, the City Council, acting in its capacity as the Board of Directors of the District, has considered pertinent data and documentation and made such determinations as may be required by law, and has adopted this Resolution at a regularly scheduled meeting of the Board of Directors of the District.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF THE MORENO VALLEY COMMUNITY SERVICES DISTRICT DOES HEREBY RESOLVE AS FOLLOWS:

1. That the appropriations limit for the Moreno Valley Community Services District for Fiscal Year 2021/22 is hereby established at \$23,809,011 and the total annual appropriations subject to such limitation for Fiscal Year 2021/22 is estimated to be \$12,922,169.
2. The District's Board of Directors hereby adopts the findings and methods of calculations set forth in Exhibit A, the Proceeds of Tax Calculation, Exhibit B, the Appropriation (Gann) Limit Calculation, and Exhibit C, the Summary of Annual

Report to City Council

TO: Mayor and City Council

FROM: Brian Mohan, Assistant City Manager

AGENDA DATE: June 15, 2021

TITLE: PUBLIC HEARING FOR DELINQUENT SOLID WASTE ACCOUNTS

RECOMMENDED ACTION

Recommendations: That the City Council:

1. Conduct the Public Hearing and accept public testimony regarding Calendar Year (CY) 2020 unpaid solid waste accounts to be applied to the Fiscal Year (FY) 2021/22 County of Riverside property tax roll for collection;
2. Approve the Solid Waste Delinquency Report from Waste Management, Inc. (Waste Management) listing the CY 2020 delinquent solid waste accounts for placement on the FY 2021/22 County of Riverside property tax roll for collection; and
3. Direct the City Clerk to file the Solid Waste Delinquency Report with the County of Riverside Auditor-Controller.

SUMMARY

The action before the City Council is to conduct a Public Hearing to place CY 2020 delinquent solid waste accounts on the FY 2021/22 County of Riverside property tax roll for collection. The proposed assessment affects 4,538 specific property owners with associated delinquent solid waste accounts, not the general citizens or taxpayers of the City.

Per the Moreno Valley Municipal Code, unless otherwise approved by the City for self-hauling, all premises within the City that accumulate or produce solid waste shall receive at minimum weekly solid waste services through the franchisee waste hauler. Waste Management sends quarterly invoices to all customers for solid waste services. Solid waste charges become delinquent when an invoice exceeds sixty (60) days past due.

Waste Management identified 4,538 delinquent solid waste accounts in a written Solid Waste Delinquency Report prepared for the City. An official copy of the Solid Waste Delinquency Report, generated on June 7, 2021, is available in the City Clerk's office for public viewing during regular business hours. The anticipated total property tax assessment for the 4,538 delinquent solid waste accounts is \$ 2,011,976.46. Waste Management will accept payments on delinquent solid waste accounts until June 24, 2021, which may result in adjustments to the final property tax assessment amount received by the County of Riverside Auditor-Controller.

DISCUSSION

California Health and Safety Code, Section 5473 and the City of Moreno Valley Municipal Code, Chapter 6.02.030 authorize the collection of delinquent solid waste account charges and assessment of delinquent solid waste accounts on the annual property tax roll.

City Council Resolution 2017-41 authorizes the collection of delinquent solid waste charges on the annual property tax roll. The resolution is attached to this report for reference. The following outlines the process for collecting delinquent solid waste charges:

- 1) The City requests Waste Management prepare an annual written Solid Waste Delinquency Report to be filed with the City Clerk. The Solid Waste Delinquency Report contains a description of each parcel receiving solid waste services and the amount of the delinquent fees and charges for each parcel which remain outstanding. In addition to delinquent fees and charges, pursuant to the California Health and Safety Code, the amount may also include a ten percent basic penalty for nonpayment of fees and charges and, in addition, a penalty of one and one-half percent per month for nonpayment of fees and charges.
- 2) Subsequent to the final determination of the delinquent solid waste charges, and on or before the County's deadline for submission of charges, the City Clerk shall file with the County of Riverside Auditor-Controller a copy of the Solid Waste Delinquency Report prepared by Waste Management, endorsed by the City Clerk with a signed statement that the Solid Waste Delinquency Report has been formally adopted by the City Council.

Property owners have two options to resolve delinquent solid waste charges:

1. Resolve unpaid solid waste charges with Waste Management before the deadline of June 24, 2021; or
2. Resolve unpaid solid waste charges with the County of Riverside once delinquent solid waste charges are assessed on the FY 2021/22 property tax bill.

Waste Management mails a “Notice to Property Owner of Delinquent Solid Waste Charges” whenever solid waste charges become delinquent. This quarterly notice to affected property owners explains the intent to place delinquent solid waste charges on the property tax roll.

ALTERNATIVES

1. Conduct the Public Hearing and upon its close, approve the Solid Waste Delinquency Report from Waste Management listing the CY 2020 delinquent solid waste accounts for placement on the FY 2021/22 County of Riverside property tax roll for collection and direct the City Clerk to file the Solid Waste Delinquency Report with the County of Riverside Auditor-Controller. *Staff recommends this alternative as it will satisfy conditions of the City’s franchise agreement with Waste Management.*
2. Do not conduct the Public Hearing. *Staff does not recommend this alternative, as it will result in non-compliance with the City’s franchise agreement with Waste Management.*

FISCAL IMPACT

Solid waste services are exempt from voting requirements under Proposition 218, Section 6(c) because the obligation to pay for solid waste service in Moreno Valley is not incident to property ownership. Property owners may choose other legal means of disposal in our City. Furthermore, unpaid solid waste fees are not an encumbrance on a property, although delinquent fees can become the subject of a judgment lien.

NOTIFICATION

California Government Code Section 6066 requires public notification of Public Hearing notices. Newspaper advertising for the June 15, 2021 Public Hearing was published in The Press-Enterprise on June 1, 2021 and again on June 8, 2021.

PREPARATION OF STAFF REPORT

CITY COUNCIL GOALS

Revenue Diversification and Preservation. Develop a variety of City revenue sources and policies to create a stable revenue base and fiscal policies to support essential City services, regardless of economic climate.

Community Image, Neighborhood Pride and Cleanliness. Promote a sense of community pride and foster an excellent image about our City by developing and executing programs which will result in quality development, enhanced neighborhood preservation efforts, including home rehabilitation and neighborhood restoration.

CITY COUNCIL STRATEGIC PRIORITIES

- 1. Economic Development
- 2. Public Safety
- 3. Library
- 4. Infrastructure
- 5. Beautification, Community Engagement, and Quality of Life
- 6. Youth Programs

CERTIFICATION

STATE OF CALIFORNIA)
COUNTY OF RIVERSIDE) ss.
CITY OF MORENO VALLEY)

I, Pat Jacquez-Nares, City Clerk of the City of Moreno Valley, California, do hereby certify and attest the foregoing to be a true and correct copy of the original Resolution No. 2017-41 on file in my office.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the City of Moreno Valley, this 22nd day of February, 2021.

Pat Jacquez-Nares, CMC & CERA
City Clerk
City of Moreno Valley

Attachment: 2021 Recertified Resolution No. 2017-41_Delinquent Solid Waste (4447 : PUBLIC HEARING FOR DELINQUENT SOLID WASTE

RESOLUTION NO. 2017-41

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, REPEALING, REVISING AND REENACTING THE PROVISIONS OF RESOLUTION 2012-55, AND AUTHORIZING THE COLLECTION OF DELINQUENT SOLID WASTE CHARGES ON THE ANNUAL PROPERTY TAX ROLL.

WHEREAS, the City Council has heretofore adopted Chapter 6.02 of Title 6 of the City of Moreno Valley Municipal Code relating to refuse collection, transfer and disposal services; and

WHEREAS, Section 6.02.030 of Chapter 6.02 provides for the collection of delinquent and unpaid fees and charges on the tax roll in the same manner, by the same person, and at the same time as, together with and not separately from, its general taxes.

WHEREAS, said delinquent and unpaid fees or charges shall mean those fees and charges for which services have been rendered but which have not been paid for more than sixty (60) days after the billing date.

WHEREAS, Section 5473.10 of the Health and Safety Code provides that in addition to delinquent fees and charges, the amount collected on the tax roll may also include a ten percent basic penalty for nonpayment of those fees and charges and, in addition, a penalty of one and one-half percent per month for nonpayment of those fees, charges and the basic penalty; and

WHEREAS, it is in the best interests of the City that delinquent and unpaid fees and charges for refuse collection be collected on the tax roll; and

WHEREAS, the City Council has heretofore caused a report to be prepared, a copy of which is on file in the office of the City Clerk, which identifies each parcel of real property (without consideration of the value of said property) receiving such refuse collection services and facilities and the amount of the delinquent fees and charges for each parcel for the year which remain outstanding, computed in conformity with the charges prescribed by Chapter 6.02, and has caused public notice of said report and of a public hearing thereon to be duly given; and

WHEREAS, the City Council has held said hearing, at which all persons wishing to be heard were heard, and at which hearing the City Council heard and considered all objections and protests, if any;

1
Resolution No. 2017-41
Date Adopted: June 20, 2017

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. Recitals. The above recitals are all true and correct and are herein incorporated.

2. Resolution No. 2012-55, as adopted by the City Council on June 26, 2012, is hereby repealed, the repeal to be effective only upon the date of adoption of this resolution. No action commenced pursuant to the authority granted by Resolution No. 2012-55 shall be invalidated or otherwise affected by the repeal thereof.

3. Delinquent and unpaid fees and charges for solid waste collection as set forth in said report, and herein confirmed, shall be collected on the tax roll in the same manner, by the same persons as, and at the same time as, together with and not separately from, the City's general taxes, pursuant to the provisions of Chapter 6.02 of the City of Moreno Valley Municipal Code and Section 5473 of the California Health and Safety Code.

4. On or before August 10 of each year, following the final determination of the delinquent solid waste charges, the City Clerk shall file with the County of Riverside Auditor-Controller a certified copy of this resolution together with a certified copy of said report endorsed with a statement over her signature that the report has been finally adopted by the City Council.

5. The County of Riverside Auditor-Controller shall enter the amounts of the charges against the respective lots of parcels of land as they appear on the current assessment roll.

6. Said election to collect delinquent and unpaid fees and charges shall remain in effect until December 31, 2022, unless otherwise repealed or amended by the City Council.

7. This Resolution shall be effective immediately upon adoption.

8. The City Clerk shall certify to the adoption of this Resolution, and shall maintain on file as a public record this Resolution.

9. Severability. That the City Council declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

10. Repeal of Conflicting Provisions. That all the provisions heretofore adopted by the City Council that are in conflict with the provisions of this Resolution are hereby repealed.

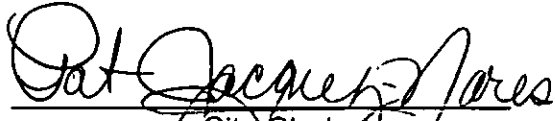

2

Resolution No. 2017-41
Date Adopted: June 20, 2017

APPROVED AND ADOPTED this 20th day of June, 2017.

Report to City Council

TO: Mayor and City Council

FROM: Abdul Ahmad, Fire Chief

AGENDA DATE: June 15, 2021

TITLE: PUBLIC HEARING FOR DELINQUENT NUISANCE ABATEMENT (RESO. NO. 2021-XX)

RECOMMENDED ACTION

Recommendations:

1. Conduct a public hearing and accept public testimony on delinquent nuisance abatement account.
2. Adopt Resolution No. 2021-XX Resolution of the City Council of the City of Moreno Valley, California, Confirming Statements of Costs against Real Property located in the City of Moreno Valley, for Abatements of Public Nuisances and Direction that Said Statement of Costs Constitute a Lien upon Said Properties.
3. Approve placing the submitted Property Assessment List of delinquent nuisance abatement accounts on the Fiscal Year (FY) 2021/2022 Riverside County property tax roll for collection.
4. Direct the City Clerk to file with the Riverside County Tax Assessor's office a certified copy of Resolution No. 2021-XX and the Property Assessment List as required by Section 6.04.120 of the City of Moreno Valley Municipal Code.
5. Authorize the Chief Financial Officer to adjust the proposed special assessments in the event there are any parcel changes, clerical errors, or other adjustments as may be necessary between the date the special taxes were calculated and the date the fixed charges are submitted to the County of Riverside, provided the applied special assessments does not exceed the maximum special assessments.

SUMMARY

In 2020, the Fire Prevention Division performed public nuisance abatements to remove hazardous and other nuisance conditions from vacant parcels in the City. After having been served with a “Notice to Abate” and given a reasonable time for compliance, the property owners failed to voluntarily abate the conditions.

This report recommends that the City Council convene a public hearing to consider staff recommendations to adopt the proposed Resolution of the City of Moreno Valley, confirming assessments on certain real properties and approve placing the submitted Property Assessment List of delinquent nuisance abatement accounts on the Fiscal Year 2021/2022 Riverside County property tax roll for collection.

DISCUSSION

In February of each year, the Fire Prevention Division sends each vacant parcel owner as identified by the last equalized assessment roll, a Notice to Abate. This letter states that all weeds, dry vegetation, rubble, junk, trash, debris, objects, discarded auto bodies, parts and other waste matter upon the premises is a public nuisance and must be abated per Moreno Valley Municipal Code 6.04 by April 1st.

All vacant parcels in Moreno Valley are inspected on or after April 1st to determine if the property owner voluntarily complied with the Notice to Abate mailed in February. Shortly after inspection, non-compliant property owners receive a Notice of Violation and up to 10 days to comply with the necessary abatement. After the second reinspection, should the vacant parcel still require the removal of weeds, dry vegetation, rubble, junk, trash, debris, objects, discarded auto bodies, parts and other waste matter, a Final Notice of Violation is mailed to the property owner allowing a final seven days to become compliant before the Fire Prevention Division proceeds with the abatement process.

Once the period of time has passed as identified in the final notice, per Municipal Code 6.04, the property is scheduled for abatement by City contractor. This section of the municipal code also allows for recovery of all costs associated with said abatements.

The Property Assessment List for general nuisance and weed abatements is hereby submitted for review and consideration by the City Council. A statement of costs was mailed to the legal owner of record for each property requiring abatement action. The source of property owner information was obtained through the Riverside County Tax Assessors Office as of March 7th. A summary of each abatement is included in the statement of costs, along with the owner’s name(s), property description, and the cost for the abatement action. A copy of the statement of costs shall remain on file in the Fire Prevention Bureau.

The Property Assessment List is a current listing of unpaid abatement costs incurred during 2020. Costs approved by the attached City Council Resolution will result in a special assessment levied on the FY 2021/2022 tax bill if not paid directly to the City by August 1st, 2021. The Notices of Special Assessment will be recorded at the Riverside County Recorder’s Office following approval by the City Council.

ALTERNATIVES

1. Approve and authorize the recommended action as presented in this staff report. *Staff recommends this alternative as it will facilitate cost recovery for those costs incurred by the City for the abatement of public nuisance and hazard reduction work performed as outlined in the attached Property Assessment List.*
2. Do not approve and authorize the recommended actions as presented in this staff report. *Staff does not recommend this alternative as it will result in the cost for contract abatement work to be absorbed by the General Fund for all costs that remain unpaid by the property owners.*
3. Open the Public Hearing and continue it to a future City Council meeting. If Council chooses this option, this may result in missed deadlines related to the FY 2021/22 property tax roll.
4. Do not conduct the Public Hearing at this time but reschedule it for a future regular City Council meeting date. Staff does not recommend this alternative, as it may result in missed deadlines for Property Assessment List delinquencies on the FY 2021/22 property tax roll. Failure to assess Property Assessment List delinquencies on the annual property tax roll will result in the cost for contract abatement work to be covered by the City.

FISCAL IMPACT

Adoption of the resolution would facilitate cost recovery of \$171,183.49 for those costs incurred by the City for public nuisance and hazard reduction work performed as outlined in the Property Assessment List included as Exhibit A to the attached resolution.

The Property Assessment List, as approved by City Council, is subject to amendment as necessary to reflect any payments subsequently received from property owners. Costs not paid in full by August 1, 2021, will be processed as special assessments and cost recovery will occur through the payment of taxes. The Statement of Costs and Notices of Special Assessment for each property shall remain on file in the Fire Prevention Bureau. If payment, or partial payment, is received from property owners, Exhibit A will be revised as appropriate.

NOTIFICATION

Moreno Valley Municipal Code Section 6.04.060 – Notification of Nuisance provides that written notice of nuisance conditions **may** be given to property owners in the following manner:

By regular mail addressed to the owner or person in charge and control of the property; at the address shown on the last available equalized assessment roll of the County of Riverside; or as otherwise known, by posting a “Notice to Abate” on the property where the nuisance condition(s) exists thereby allowing ten days to comply.

Notification of weed abatement conditions was specifically met by:

- 1. Mailing a "Notice to Abate" to property owners by regular mail.
- 2. Mailing a "Notice of Violation" to property owners by regular mail.

Furthermore, the Fire Prevention Division mailed a Statement of Cost to each property owner in May 2021 indicating the amount owed for the nuisance abatement services performed by the City as well as the date of the City Council meeting at which this Public Hearing would occur. If approved, an official list of the delinquent accounts will be submitted to Special Districts, which indicates the total amount that can be placed on the property tax roll for FY 2021/2022.

RESOLUTION NO. 2021 -__

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, CONFIRMING STATEMENTS OF COSTS AGAINST REAL PROPERTY LOCATED IN THE CITY OF MORENO VALLEY, FOR ABATEMENTS OF PUBLIC NUISANCES AND DIRECTION THAT SAID STATEMENTS OF COSTS CONSTITUTE A LIEN UPON SAID PROPERTIES

WHEREAS, pursuant to the provisions of the City of Moreno Valley Municipal Code Chapter 6.04, the City of Moreno Valley, State of California, in order to protect and preserve the public health, safety and general welfare, has conducted and completed the abatement of certain public nuisances on real properties located within the City of Moreno Valley, State of California, which were not abated by the property owners upon reasonable notice by the City; and

WHEREAS, all of the procedural steps have been complied with by the City in accordance with the requirements of City of Moreno Valley Municipal Code Chapter 6.04; and

WHEREAS, in compliance with the provisions of the City of Moreno Valley Municipal Code Section 6.04.120, Statements of Costs and notices of this hearing have been served on the property owners and/or other responsible parties; and

WHEREAS, having received and considered said Statements of Costs and having conducted the required hearing for protests and objections by those property owners.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

1. That the Statements of Costs, Notice of City Council Meeting, and Notices of Special Assessments, copies of which are on file with the Fire Prevention Division, and incorporated herein by this reference, are confirmed.
2. That the Property Assessment List and respective amounts of costs contained therein, attached hereto as Exhibit A and incorporated by this reference, is also confirmed.
3. That the Notices of Special Assessments shall be recorded with the Riverside County Recorder's Office and copies transmitted to the Assessor and Tax Collector of the County of Riverside and after recordation shall constitute special assessments against the property to which they relate, and shall constitute liens on the property in the amount of the assessment to be added to the tax bill next levied against the property.
4. The CFO is authorized to adjust the special taxes levied on the property tax roll in the event there are parcel changes, clerical errors, new parcels annexed into the District, or other adjustments as may be necessary between the date the

Attachment: 2020 Hazard Abatement PAL Log (4442 : PUBLIC HEARING FOR DELINQUENT NUISANCE ABATEMENT (RESO. NO. 2021-XX))

Report to City Council

TO: Mayor and City Council

FROM: Manuel A. Mancha, Community Development Director
Chris Ormsby, Senior Planner

AGENDA DATE: June 15, 2021

TITLE: COMPREHENSIVE GENERAL PLAN UPDATE, CLIMATE ACTION PLAN, MUNICIPAL CODE ZONING ORDINANCE AMENDMENT, AND ZONING ATLAS AMENDMENT

RECOMMENDED ACTION

Recommendations: That the City Council:

1. **APPROVE** Resolution No. 2021-XX **CERTIFYING** that the Final Environmental Impact Report (EIR) for the comprehensive General Plan update, Climate Action Plan, Municipal Code Zoning Ordinance amendment and related changes to the Official Zoning Atlas map on file with the Community Development Department, incorporated herein by this reference, have been completed in compliance with the California Environmental Quality Act and CEQA Guidelines, that the City Council reviewed and considered the information in the Final EIR and that the Final EIR reflects the City's independent judgement and analysis; and **ADOPTING** the Facts, Findings and Statement of Overriding Considerations regarding the Final EIR for the City of Moreno Valley Comprehensive General Plan Update, attached hereto as Exhibit A; and **ADOPTING** the Mitigation Monitoring and Reporting Program for the Final EIR for the proposed Comprehensive General Plan Update project and Climate Action Plan, attached as Exhibit B; and

2. **APPROVE** Resolution No. 2021-XX APPROVING PEN19-0240, City of Moreno Valley Comprehensive General Plan update and Climate Action Plan respectively; and

3. **ADOPT** Ordinance No. XXX, Amending the Municipal Code Zoning Ordinance amendment and the City's Official Zoning Atlas map respectively (PEN21-0020), consistent with the General Plan update.

SUMMARY

Proposal

The Planning Commission recommends approval of the City's Comprehensive General Plan Update, Climate Action Plan, and adoption of a Municipal Code Zoning Ordinance amendment and Zoning Atlas amendment ("Project") for consistency with the update. The Planning Commission also recommends certification of the Environmental Impact Report prepared for the Project. With approval, the General Plan Update will ensure that the City is in compliance with the State's regulatory and administrative requirements for General Plans and will articulate the aspirational goals for the City of Moreno Valley expressed by local residents, businesses, and other stakeholders, the Planning Commission, and the City Council.

Planning Commission Recommendations

The Planning Commission considered the Project and the EIR at a public hearing held on June 8, 2021. After hearing the oral staff report presented by staff and the Consultant, receiving public testimony, asking questions of staff and the Consultant, deliberation, a majority of the Planning Commissioners voted to recommend that the City Council certify the Final EIR and unanimously voted to recommend that the City Council approve the Project.

Background

The City's current General Plan, approved in 2006, has been a reliable and dependable source that has provided sound guidance for many years to City staff, the Planning Commission and the City Council with respect to processing development proposals and applications submitted to the City for its review and consideration. Although a significant amount of development has occurred in the City since 2006, there has been significant changes in statutory requirements and administrative regulations adopted, imposed and/or implemented by not only the State Legislature, the Governor's Office of Planning and Research, the California Department of Housing and Community Development and other state agencies and departments, but also by the Federal Government and various regulatory agencies, responding to rapidly changing technology, demographics, market demands, economic structure and organization that necessitated a need for the City to consider a comprehensive update of the 2006 General Plan. In addition, since 2006, the City's population has increased approximately 25% from 176,830 to 221,387^[1] at a rate much faster than anticipated.

^[1]Source: US Census Annual Estimates

In 2016, as part of the City's "Momentum MoVal" Strategic Plan, the City Council initiated the process to launch the preparation of a comprehensive update to the City's 2006 General Plan. Thereafter, in 2019, the City retained the services of Dyatt & Bhatia ("Consultant"), an award winning urban and regional planning firm, to prepare a comprehensive update to the City's 2006 General Plan. The Consultant specializes in the preparation of general plans. They have prepared general plans for more than 60 cities and counties throughout California in the last 25 years and their general plans have won several awards from the American Planning Association. They have expertise with the full spectrum of general/comprehensive planning skills, including community outreach and preparation of environmental impact reports (EIRs).

The proposed update included updating all of the "Elements" of the General Plan in addition to developing and incorporating any new mandatory Elements required by the State. The Consultant was also tasked with preparing numerous documents necessary for implementing various components of the General Plan and they took the lead on performing and conducting the necessary environmental review of the Project pursuant to CEQA and CEQA Guidelines.

In light of the aforementioned scope of work, the Consultant collaborated with a team of technical experts and advisors along with City staff, to study and analyze a host of land use, planning, zoning and environmental issues necessary for understanding the challenges presented by the complex changes in technology, demographics, market demands, economic structure and organization, etc. impacting the future growth and development of the City. Through such collaboration, it enabled the Consultant and staff to effectively conduct public outreach in the context of a variety of venues and forums to solicit valuable input from residents, local businesses, property owners, various regulatory agencies and other stakeholders, all of whom were provided with an opportunity to participate in a meaningful matter in the process of developing the various Elements of the General Plan Update.

In 2019, the City Council authorized staff to award a project-related professional service agreement to Dyatt & Bhatia, an award winning urban and regional planning firm, for the preparation of a comprehensive update to the City's General Plan. The scope of the project included updating all elements, developing and preparing two new General Plan Elements and preparing numerous associated documents necessary for implementing the General Plan and mitigation measures. The agreement for services with Dyett & Bhatia is for an amount not-to-exceed \$ 1,498,500.00; the agreement is in full force and effect through June 30, 2021.

Dyatt & Bhatia worked with technical experts from the City's staff, stakeholders, and the General Plan Advisory Committee ("GPAC") and received input from the community and the City's Planning Commission and guidance from the City Council regarding the Project. Dyett & Bhatia, along with their highly skilled consulting team, produce documents, provided technical expertise, and assisted City staff in the areas of stakeholder and public outreach; visioning; identification of community issues and goals; preparation of an existing conditions analysis, background and baseline reports; development of alternatives; preparation of the requisite California Environmental

Quality Act (CEQA) environmental document (e.g. Program EIR) and processing requirements; preparation of updated text, statistics, tables, maps and graphics for each element; and a fiscal report on the recommendations.

Regulatory Requirement Compliance

The Governor's Office of Planning and Research (OPR) strongly encourages cities and counties in California to maintain their General Plans through periodic updates. Individual element updates, however, may be triggered by specific requirements or special circumstances. The periodic updates confirm, validate, and/or adjust the policies and goals of the General Plan for the purpose of setting forth a long-term vision for the community and establishing desired standards, levels of service and other policies that influence "quality-of-life" expectations in the context of appropriate fiscal considerations. The City's last comprehensive General Plan update was in 2006. Since 2006, legislative updates, changes in economic conditions and technology, expanded environmental considerations, and demographic shifts warranted a comprehensive update to the General Plan.

The General Plan must include eight mandatory elements: Land Use; Circulation; Housing; Conservation; Open Space; Noise; Safety; and Environmental Justice. State law has mandated that certain elements of the General Plan be updated as follows:

- Housing Element - The Housing Element is required to be updated on an eight-year cycle as set by the State Department of Housing and Community Development. The deadline for the next Housing Element is October, 2021. The Housing Element presents a plan for accommodating the City's share of the regional housing need through 2029, which is currently projected to be 13,627 new homes. This projected need includes housing for all household income levels.
- Safety Element - Senate Bill 379, signed into law in October 2015, requires that upon revision of a Local Hazard Mitigation Plan on or after January 1, 2017, the local Safety Element must be updated to consider and address flood hazards, wildfire hazards, and hazard mitigation.
- Environmental Justice Element - Environmental Justice became a mandatory element under Senate Bill 1000, signed into law in 2016. Senate Bill 1000, which took effect in January 2018, requires cities with disadvantaged communities are required to incorporate Environmental Justice policies into their General Plans either by adopting an Environmental Justice Element, or by integrating Environmental Justice goals and policies into other elements of their General Plan. The Environmental Justice Element is required to be included in a General Plan upon the concurrent adoption or revision of two or more elements of a General Plan.
- Circulation Element - As a result of the passage of Senate Bill 743, the Circulation Element must include metrics for traffic impact analyses (from a CEQA perspective) based on a Vehicle Miles Traveled (VMT) methodology

which replaces the Level of Service (LOS) methodology which was the former standard used to evaluate and analyze traffic impacts.

Failure to comply with the State's statutory and administrative requirements related to the General Plan could result in a court compelling adoption and/or injunctions limiting approval of subdivision maps, rezoning, public works projects, or even prohibiting the City from issuing building permits. (See State of California 2017 General Plan Guidelines p. 258). Moreover, noncompliance with the State's Housing Element requirements could result in referral to the State Attorney General for action, mandated streamlining of certain housing approvals, and/or ineligibility for state and federal funding opportunities -- all of which could diminish local control of development to occurring within the City.

Given the need to update at least four General Plan Elements as well as the age of the current overall General Plan, the scope of work for the Project included the comprehensive update of all eight mandatory elements of the General Plan, and the addition of the mandated Environmental Justice Element, along with other elements. The Economic Development Element was included because of the importance of economic development to establish a better jobs-to-housing balance, and to further the City's Strategic Plan, Momentum MoVal, Initiative 1.9.4 which states an Economic Development Element be included in a comprehensive update of the General Plan. Additionally, a Healthy Community Element has been incorporated in the comprehensive update of the General Plan. The Healthy Community Element furthers the City's Strategic Plan Objective 5.5 to promote a healthy community and lifestyle which includes Momentum MoVal Initiative 5.5.2 that explicitly states that the City shall "consider the incorporation of a Health Element in the General Plan."

In addition to regulatory mandates that apply to the General Plan Elements, General Plans must be consistent with Airport Land Use Compatibility (ALUC) Plans. This has been addressed through review of the draft documents with the Airport Land Use Commission staff and the Airport Land Use Commission (ALUC). ALUC approved a "consistency finding" for the City's draft General Plan Update in May 2021.

PUBLIC OUTREACH AND COMMUNITY INPUT

For the General Plan Update, the City was required under state law, to provide opportunities for involvement of public agencies, public utility companies, community groups and the general public through public hearings or other appropriate methods during the General Plan Update review process. State law also required the City to make a diligent effort to include all economic groups when drafting the update of the City's current Housing Element. At a minimum, state law required the City to hold two public hearings before it could amend its General Plan: one by the Planning Commission and another by the City Council.

In addition to the General Plan Update process, under CEQA and the CEQA Guidelines, the City, as the "Lead Agency," was required to notify the public at distinct stages of the environmental review process and to provide opportunities for public

comment. The goal of these requirements was to fully inform the public, affected government agencies, and other interested parties of the environmental effects of the General Plan Update and to provide opportunities to the public to comment on the environmental impact conclusions, mitigation measures, and alternatives analysis. Public involvement in the CEQA process is intended to ensure that the public has a voice in the decision-making process; specifically, that public concerns about environmental issues and the potential effects of the Project on the physical environment are adequately addressed prior to the City's final approval of the General Plan Update.

While the City will clearly meet the "two public hearings" minimum requirement for the General Plan Update and has operated in compliance with the public review provisions of CEQA and the CEQA Guidelines, the Consultant and City staff believed that a more robust public participation process exceeding the minimum mandated by the state was important. As such, staff organized and scheduled more public outreach and engagement activities, and more formats of activities (e.g. workshops, facilitated discussions, interviews, etc.), than just what was minimally required by the state.

In light of the foregoing, staff made a sincere and genuine effort to maximize the City's public outreach efforts to engage the public in participating along every step of the way during the General Plan Update and the CEQA review process. Such outreach efforts materialized in the following events and activities:

Momentum MoVal

In August 2016, at a noticed public meeting, the public was invited to comment on the proposed Momentum MoVal Strategic Plan ("Momentum MoVal") that was listed on the City Council public meeting agenda for discussion and public input. After the public was invited to speak on the item, Momentum MoVal was adopted by the City Council. Momentum MoVal identified several initiatives related to the idea of conducting a comprehensive update of the 2006 General Plan. One such Initiative, Initiative 1.9.2, addressed the formation of a staff working group as a prerequisite to initiating a comprehensive update of the General Plan. Initiative 1.9.3 further addressed the plan of setting up a reserve that would be funded on an incremental basis for the purpose of financing the process of developing the General Plan Update, as described in Initiative 1.9.4 as including a "comprehensive" General Plan Update and the requisite environmental review.

Videos on Social Media

In October 2019, videos pertaining to the upcoming General Plan update and the importance of community engagement were posted to YouTube. The videos have been available on the City's YouTube site since they were posted.

General Plan Advisory Committee

The City Council created the General Plan Advisory Committee (GPAC) which was charged with holding meetings open to the public. The GPAC provided, and solicited from the public, input on the development of the General Plan. Public notice of each GPAC meeting was posted on the City's website and sent to the General Plan interest list and others requesting to be notified of the meeting. The GPAC held a total of six public meetings on the following dates:

- January 23, 2020 – City Council Chambers
Public Comments at meeting: Tom Thornsley, David Zeitz, Lindsay Robinson, George Hague, Kim Heeyoung, and Keri Then
Public Comments by email: Marcia Narog, Stephen McKee, and Susan Zeitz
- April 16, 2020 - Conducted on Zoom
Public comments at meeting: Tom Thornsley, George Hague, Keri Then, and David Then
Public comments by email: Tom Thornsley, George Hague, Lindsay Robinson, M. Jones
- April 30, 2020 - Conducted on Zoom
Public comments at meeting: David Slawson, April Rankin, Christine Torres, Gilbert Jimenez, Linda Jimenez, Tom Thornsley, George Hague
Public comments by email: Kim Nelson
- May 21, 2020 - Conducted on Zoom
Public comments at meeting: Melody L., Terri Hall, Chris Lindholm, Roy Bleckert, Brandon Carn, George Hague, Pablo Esparza, Jason Ackerman, Jacqueline, and Zack
Public comments by email: David Zeitz, Susan Zeitz, Marcia Narog, and Lindsay Robinson
- November 5, 2020 - Conducted on Zoom
Public comments at meeting: George Hague, Tom Thornsley, Keri Then, Brandon Carn, Ivette Torres
- November 19, 2020 - Conducted on Zoom
Public Comments: George Hague, Ivette Torres, April Rankin, Brandon Carn, Denise Jimenez, Ivan, Scott Lichtig (no comments), and an anonymous speaker
Public comments by email: George Hague, Scott Lichtig

Pop-Up Events

Six Pop-up events were distributed throughout the City and included booths at the following locations and events

- City's Snow Day at City Hall complex – December 7, 2019
- Moreno Valley Senior Center – January 29, 2020
- Inland Empire Census Event – Moreno Valley Conference and Recreation Center - February 1, 2020

- Moreno Valley Mall – February 1, 2020
- Moreno Valley College campus – February 6, 2020
- Hound Town Get Down event – February 8, 2020

In advance of the pop-up events, flyers were available at the City Hall and the Conference and Recreation Center's public counter. In addition, flyers were disseminated throughout the community to libraries, grocery stores, coffee houses, Chambers of Commerce, book stores, gyms, churches, and more.

Online Surveys

Two online surveys were conducted, in both English and Spanish, as follows:

- A February 2020 online survey provided the community with the opportunity to provide input on recommended priorities for Moreno Valley. Information regarding completing the survey was provided at the Pop-Up events. There was also an opportunity to complete the survey on tablets at the Pop-Up events. The survey was posted on the City's website. A total of 600 responses were received.

For the first survey, flyers were distributed to the coffeehouses, gyms, churches, libraries, Moreno Valley College, and Chambers of Commerce,

- A May 2020 online survey provided the community with the opportunity to weigh in on potential growth concepts for Moreno Valley. The survey was posted on the City website, A total of 130 responses were received.

City Council Meetings

- The February 11, 2020 Study Session included a visioning presentation.
Public comments at meeting: Tom Jerele Sr., Robert Then, Tom Thornsley, Heeyoung Kim
- The June 9, 2020 Study Session involved review of the Preferred Land Use Concepts.
Public comments at meeting: Alex Panelli, Robert Then, Tom Jerele, George Hague
Public comments by email: George Hague

Planning Commission Meeting

- The May 28, 2020 Planning Commission meeting included presentation of the preferred land use plan.
Public comments at meeting: Roy Bleckert, Melody L., Tom Thornsley, Keri Then, George Hague, David Slawson, Frank Sparks, Chris Torres, Brandon Carn, Debra Craig
Public comments by email: George Hague, Courtney Franz, and Lindsay Robinson

Public Workshops

A total of four public workshops (four in person, one online) were held:

Public Workshops	Attendees
District 1 – TownGate Community Center - March 9, 2020	14
District 2 – The scheduled workshop at Canyon Springs High School on March 18, 2020 was cancelled. However, the opportunity to make online comments on workshop materials online was made available through April 5, 2020.	21 (online comments on workshop materials)
District 3 - Senior Center - March 11, 2020	17
District 4 – Vista Del Lago High School - March 12, 2020	3
City-wide – City Hall Council Chambers - March 14, 2020 (this workshop included the public scoping meeting for the Environmental Impact Report) The workshop included a virtual component with a live stream of the presentation publicly available from the City's Project website and opportunity to make comments on the workshop materials was available online through April 5, 2021.	24

The notification about the public workshops involved the dissemination of flyers at the City Hall and the Conference and Recreation Center's public counter as well as throughout the community (libraries, grocery stores, coffee shops, book stores, gyms, Chambers of Commerce, numerous churches, and more). The flyers were available in both English and Spanish.

Notice of Preparation of EIR

Staff prepared a Notice of Preparation (NOP) of the EIR. The purpose of the NOP was to solicit the views of responsible agencies and certain other public agencies regarding the scope and content of the EIR. The NOP was sent to 31 agencies, including Moreno Valley Unified School District, Val Verde School District, surrounding jurisdictions, March Joint Powers Authority, and March Air Reserve Base.

A copy of the NOP was also mailed to the State Office of Planning and Research, State Clearinghouse and posted in the Riverside County Clerk's Office. The Notice of Preparation was also posted on the City's General Plan webpage, and an email blast was sent to the General Plan interest list which also included the date and time of the public scoping meeting.

Scoping Meeting for EIR

Staff held a Scoping Meeting on March 14 in the City Council Chambers to obtain input from the public and consult with various agencies that serve the City. A total of 24 property owners and residents attended the Scoping Meeting which also served as one of the public workshops. The following agencies attended the Scoping Meeting. The meeting was also broadcast on MVTV-3.

Tribal Consultation – Environmental Impact Report

Staff sent formal written notification to the following Tribes under AB52: Agua Caliente, Desert Cahuilla, Morongo, Pechanga, Rincon, San Manuel, and Soboba. In addition, staff sent formal written notification to the following Tribes under SB18: Agua Caliente, Augustine, Cabazon, Cahuilla, Desert Cahuilla, Los Coyotes, Morongo, Pechanga, Quechan Ramona, Rincon, San Fernando, San Manuel, Santa Rona, and Serrano. In addition, staff also sent a written notification to the Native American Heritage Commission. Only three responses were received from the following tribes: Soboba, San Manuel, and Quechan.

News Releases and Social Media

News releases were issued on February 18, 2020 via email and posted on the City's website for February 2020 Online Survey and the public workshops, and again on February 25, 2020 for the public workshops. The public workshops were advertised on social media platforms including Facebook, Instagram and Twitter. A news release was sent out regarding the livestreaming of the City-wide public workshop held at City Council Chambers which included a scoping meeting pertaining to the preparation of the Environmental Impact Report. The workshops were also advertised on the Eventbrite website.

City Media

Multiple and diverse efforts to reach out to the public over several platforms were pursued throughout the process of developing the draft General Plan Update and associated documents. These efforts included the following.

- The General Plan Update was featured in the Mayor's Minute (weekly message via email) prior to the public workshops.
- The public workshops were mentioned in Moreno Valley at Work on the City's website.
- Public workshop announcements were posted to the website on March 2, and information regarding the first on-line survey was also posted on the website.
- On February 22, the IE Business Daily included an article on their website about MoVal 2040 and information about the first community on-line survey.

- Two of the pop-up events, the public workshops, and the Focused Community Listening Session were all included on the Community Calendar on the City's website.

Additional Outreach Activities

Additional outreach activities included, but were not limited to, the following:

- Interviewing designated Stakeholders (December 2019). The list of stakeholders was developed by City staff in conjunction with input from the City's consultant to ensure representation across the community.
- Conducting an Environmental Justice Community Listening Session (November 10, 2020). The outreach for the Environmental Justice Listening Session included similar outreach strategies to the workshops but focused on the disadvantaged communities. Such outreach involved distribution of flyers to libraries, five coffee houses, ten grocery stores/small markets, Chambers of Commerce, and numerous churches. The postcard format flyer was in both English and Spanish.
- Interviews with housing stakeholders to gain insights regarding preparation of the Housing Element (October and November 2020)
- Providing a presentation to the Planning Commission (May 28, 2020);
- Providing two presentations to the City Council at Study Sessions (February 11, 2020 and June 9, 2020)
- Preparing Executive Summaries of the General Plan in both English and Spanish, which were made available at the City's three public libraries and on the City's website (April 2021)
- Dispatching email blasts (more than a dozen beginning in February 2020) to the General Plan's interest list on a regular basis to inform interested parties of the progress of the General Plan update

Throughout the General Plan process, the General Plan was promoted through Engage MoVal at mymoval.org, which includes a link to the General Plan website. Engage MoVal was funded through a Transformative Climate Communities grant awarded by the California Strategic Growth Council.

Flyers for the workshops and Environmental Justice Listening Session were available in both English and Spanish. In addition, a translator fluent in English and Spanish was available at all pop-up events, public workshops, and the Environmental Justice Listening Session.

GENERAL PLAN GOALS

Goals of the City's draft comprehensive General Plan update and associated Zoning amendments consider the vision that was developed based on input from the community through outreach efforts during the first phase of the Project, and also address changes in State laws and evolving Housing Element requirements. These goals include:

- Implementing the vision for the City of Moreno Valley that was articulated by residents, local businesses, property owners and other interested parties, the General Plan Advisory Committee, the Planning Commission, and the City Council during the outreach phase of the General Plan Update.
- Responding to changing demographic and economic circumstances.
- Addressing new State law that has come into force since the General Plan was last updated in 2006.
- Identifying additional residential capacity to comply with the State's Housing Element requirements, including the requirements of the Regional Housing Needs Assessment ("RHNA").
- Ensuring that the City complies with requirements of the Airport Land Use Commission Plan.
- Creating added flexibility for new businesses within the City.

General Plan Update

In an effort to achieve the goals of the General Plan Update, the Land Use Element incorporated the proposed land use concept areas below. The changes to the General Plan Land Use Map are targeted to these concept areas. The concepts were reviewed and discussed by City Council in June 2020, and were considered in December 2020 when the City Council also reviewed the Draft Housing Element sites inventory overview. With the exception of some additional modifications to the General Plan Land Use Map to address Airport Land Use Compatibility, no other Land Use Map changes are proposed.

- A new **Downtown Center with a large Central Park** was created to implement the City's vision of a vibrant downtown in the heart of the City to serve as a focal point for the community. This Downtown Center will allow for a mix of uses to create the setting for business, entertainment, residential, cultural, and civic uses, making the Downtown Center an activity hub during daytime and evening hours.
- **Center Mixed Uses** were developed around the Moreno Valley Mall and the District shopping areas to expand the City's housing opportunities and provide for commercial uses.
- **Corridor Mixed Uses** were developed to encourage mixed uses along corridors such as Perris Boulevard, including added residential to expand the City's housing opportunities and to help meet the City's RHNA obligation as well as to encourage activity in commercial areas.
- The **Business Flex** area will consist of business park and commercial uses created to ensure that uses in the Airport Land Use Commission Plan area comply with ALUC requirements.

- **Highway/Office Commercial** was developed to enhance the existing office zoning north of the SR-60 around Moreno Beach Drive and easterly toward Redlands Boulevard.
- **Residential Density Increases** are identified in additional designated areas in order to help meet RHNA requirements and provide additional housing opportunities.

Highlights of other draft General Plan elements include:

Circulation: Actions include planning to maximize the benefit to the public of new transportation technology, and implementing pilot programs to leverage new transportation technology.

Economic Development: Policies include focusing business attraction efforts on emerging industries, actively promoting Moreno Valley's assets to position the City as a destination, and promoting and supporting recreational, sporting, cultural, and entertainment events in and around Moreno Valley.

Parks and Public Services: Actions include prioritizing the creation of parks and designing the multi-use trail network to connect parks, plazas and open spaces within the community.

Healthy Communities: Policies include promoting broad awareness of the recreation opportunities offered in Moreno Valley and promoting public spaces that foster positive human interaction and healthy lifestyle.

Housing: The 2021-2029 Housing Element provides a framework for addressing current and near-term housing needs in Moreno Valley, and articulating the community's longer-term approach to addressing in housing needs given the characteristics of the local housing market. As required by the State Government Code Section 65583.3 and consistent with California Department of Housing and Community Development (HCD) policy, HCD staff has reviewed the draft Housing Element. The initial response back from HCD staff included some comments that will be addressed by City Staff to ensure compliance with State regulations. Overall, HCD staff members do not foresee any concerns with the proposed approach.

The draft General Plan can be reviewed at

<http://www.moval.org/cdd/documents/general-plan-update/draft-docs/MV-GP-PublicReview.pdf>.

CLIMATE ACTION PLAN

The Climate Action Plan (CAP) demonstrates how the City will comply with State emission reduction standards. The CAP inventories existing GHG emissions sources, forecasts future GHG emissions and provides measures to reduce these emissions as well as a plan to monitor and periodically report progress. The CAP will enable

streamlined environmental review of future development projects as provided for by the California Environmental Quality Act.

The draft Climate Action Plan can be reviewed at <http://www.moval.org/cdd/documents/general-plan-update/draft-docs/ClimateActionPlan/Draft-MV-CAP.pdf>.

MUNICIPAL CODE ZONING ORDINANCE AMENDMENT AND ZONING ATLAS AMENDMENT

Zoning consistency with the General Plan is a requirement of State law and zoning must be changed to re-establish consistency “within a reasonable time” upon adoption of a new General Plan Land Use Element (Government Code Section 65860(c)). The State Office of Planning and Research suggests that when possible, general plan amendments and related zoning changes should be considered simultaneously.

The City’s Official Zoning Atlas will implement the newly established General Plan designations as new zoning designations. Towards this end, the following new zoning designations have been developed:

- DC - Downtown Center
- COMU - Corridor Mixed Use
- CEMU - Center Mixed Use
- B-F - Business Flex
- H O/C - Highway Office/Commercial

A list of permitted uses and development regulations associated with the new zones has been developed consistent with the General Plan policies and vision for each zone. Generally, the zones presented allow for mixed commercial and residential uses. The Business Flex and Highway Office/Commercial zones do not include residential uses and the Business Flex zone is the only new zone to permit business park/light industrial uses.

Review Process

Significant community outreach was conducted as noted previously. Additionally, input from a variety of outside agencies was received including the State’s Housing and Community Development Department regarding the Housing Element, the Board of Forestry regarding the Safety element, and the Airport Land Use Commission. City staff at all levels were actively involved in document preparation, review, and finalization.

The City worked closely with California Department of Forestry staff to ensure that the Safety Element complies with all State requirements. The Board of Forestry Resource Protection Committee reviewed the draft Safety Element on May 4th. Their recommendations included only minor edits to the Safety Element, which are addressed in the attached Errata Sheet.

The Airport Land Use Commission (ALUC) reviewed the proposed comprehensive General Plan update and Municipal Code Zoning Ordinance Amendment at an ALUC hearing on May 26, 2021. The Municipal Code Zoning Ordinance amendment also incorporated an Airport Land Use Compatibility Plan section of the Municipal Code, which helps ensure consistency with ALUC Plan requirements. The ALUC Commission found that Project is consistent with the Airport Land Use Commission Plan subject to the addition of one policy to the Circulation Plan, and other minor changes to the edits as described on the Errata Sheet. Consistency with the ALUC Plan will considerably reduce the number of future projects that require review by the ALUC Commission.

The Errata sheet also includes other minor corrections to the documents that were identified after public release of the documents.

Environmental

A Draft Environmental Impact Report (DEIR) was prepared for the Project and circulated for a 45-day public review period, which is the duration required by the California Environmental Quality Act, concluding on May 17, 2021. The DEIR was sent to all required State and local agencies and interested parties, consistent with the requirements of the California Environmental Quality Act, the CEQA Guidelines, and the City's Rules to Implement CEQA posted on the City's website. The Notice of Availability was published in the Press-Enterprise newspaper. Copies of the Draft EIR were also placed at the City's three libraries and placed on the City's General Plan webpage, and can be accessed from www.moval.org/2040.

The EIR identified many areas that will not have significant impacts and shall not require mitigation. These include, but are not limited to: (1) Aesthetics; (2) Energy; (3) Greenhouse Gas Emissions; (4) Hydrology; (5) Hazards and Hazardous Materials; (6) Land Use and Planning; (7) Mineral Resources; (8) Population; (9) Housing; and (10) Utilities and Service Systems which include water supply, wastewater treatment and solid waste. In addition, the EIR concludes that there will not be any significant impacts on Public Services such as police and fire protection and other public safety services. The EIR also concludes that there will not be any significant impacts of local schools or on the City's public facilities such as, but not limited to, the services provided at City Hall, the senior center, animal shelter or the City's three public library branches. Finally, the EIR also includes a determination that there will be no significant impacts on the City vast number of Parks and Recreation Facilities such as the City's dog parks, public golf courses, skate parks, sports fields, basketball courts, trails, equestrian facilities, amphitheater, and the Conference and Recreation Center which includes the new Dr. Carla Thornton Teen Spot and numerous classroom facilities.

The EIR does however identifies that the Project will result in some environmental impacts that can be properly mitigated by the various measure set forth in the Mitigation Monitoring and Reporting Program. Some of these impacts which will be mitigated to levels of insignificance include but are not limited to the following: (1) Geology/Soils (i.e., Paleontological Resources and Unique Geology); and (2) Noise related to Construction Vibration.

However, after mitigation, the EIR identifies that the Project would result in significant and unavoidable environmental effects in the areas of Agriculture (affecting approximately 15 acres), Air Quality (during construction phase), Biological Resources (certain riparian habitats, sensitive species, etc.), Cultural and Tribal Cultural Resources (albeit none of the Tribes requested any mitigation measures), Noise (related to traffic and construction noise), and Transportation (vehicle miles travelled).

In cases where impacts cannot be reduced to less than significant levels, CEQA allows the Lead Agency to consider adoption of a Statement of Overriding Considerations and Findings (SOC). CEQA requires that the SOC balance economic, legal, social, technological or other benefits of a proposed project against its unavoidable environmental impacts when determining whether to approve the proposed project. This would include project benefits such as creation of jobs or other desired beneficial project features versus project impacts that cannot be feasibly mitigated to less than significant levels. If the Lead Agency determines benefits of a proposed project outweigh its unavoidable adverse environmental effects, it may adopt a SOC and approve the project. The SOC prepared for this Project provides specific documentation of economic benefits this Project would provide including annual taxes, job creation and roadway infrastructure.

CEQA is a fluid process. This means that even though we are left with a few unmitigated environmental impacts as identified in the Final EIR, the City will still have the opportunity to apply mitigation measures to future projects that will further address each of these unmitigated impacts. In other words, this Final EIR is not the end game when it comes to environmental review of all future projects. By identifying which impacts will remain at levels above insignificance, the Final EIR provides the foundation to support imposing future mitigation measures on future projects that will specifically zero in on these impacts with the goal of further mitigating these impacts to levels of insignificance.

Basically, when the City receives an application for future development projects, the proposed project will be fully analyzed again under CEQA, commencing with an Initial Study. The purpose of the Initial Study is to determine whether the proposed project may have a potentially significant effect on the environment, even though the project was the type of use envisioned for the subject site under the General Plan Update. On the basis of the Initial Study, the City will determine the type of CEQA document that needs to be prepared for the proposed project, which could in some cases include an entirely new EIR, a Subsequent EIR or a Supplemental EIR. For instance, if the Initial Study shows that the project may have a significant environmental impact, an EIR must be completed before the project is approved. However, in cases where a full-blown EIR is not required, a Mitigated Negative Declaration may be prepared instead when a possible significant impact can be avoided or substantially mitigated to insignificance by changing the project via the adoption or imposition of a mitigation measure as a condition of approval. The bottom line is that there is a system of “checks and balances” built into the CEQA process that requires environmental review of each development project proposal regardless of whether a Final EIR was prepared,

reviewed and certified previously by the City for the applicable General Plan. In sum, this Final EIR is not the last and only chance to impose mitigation measures on future development projects if there is evidence that the development project proposed at the time will have a significant impact on any aspect of the physical environment affecting the residents, property owners, tax payers and other interested stakeholders in the City of Moreno Valley.

The DEIR can be reviewed at

<http://www.moval.org/cdd/documents/general-plan-update/draft-docs/Moval-2040-Draft-EIR.pdf>.

The Final Environmental Impact Report (FEIR) was prepared after the conclusion of the 45-day public review period and includes responses to all public comments received during the review period, which can be reviewed at http://www.moval.org/cdd/documents/general-plan-update/final-docs/Moval%202040_Final%20EIR_with%20RTCs.pdf. The Final EIR also includes some modifications to mitigation measures, which address South Coast Air Quality Management District's comments.

ALTERNATIVES

Alternatives to be considered include the following:

- A. Approve the proposal as recommended.
- B. Consider other changes to the General Plan text, Land Use Map, and/or Municipal Code Zoning Code Amendment. – Changes could be considered but would need to be evaluated with regard to whether the Project needs would be met.
- C. Consider the alternatives included in the Environmental Impact Report.
 - No Project Alternative – The No Project Alternative would not meet any of the project objectives, and would not address the City's housing needs as required by State law.
 - Reduced Growth Alternative – This alternative would not meet as many primary project objectives as compared to the project. The elimination of employment opportunities, would not accommodate job growth, build a diverse economy, improved rate of economic growth, or focus commercial uses in corridors to the same degree as the project.
 - Redistributed Growth Alternative – This alternative would meet most of the primary project objectives developed for the project. The redistribution of employment opportunities does not meet the objectives of activating the development corridors to the same degree as the project, and achieving RHNA targets might take longer under this alternative since development within the Downtown Center will require significant planning effort before housing can be constructed. RHNA targets are more likely to be achieved within the key development corridors.

The General Plan update presented meets both statutory requirements and the goals of

residents and the City Council expressed during the multiple and diverse outreach activities conducted. It represents an aspirational vision of the City and is expected to guide the development of multiple new and/or enhanced areas in the City, including a new downtown center area that will be a focal point for the City. As such, staff recommends approval of the plan presented.

FISCAL IMPACT

There is no fiscal impact with the recommended actions.

NOTIFICATION

The public hearing notice for this Project was published in the local newspaper (Press Enterprise) on June 4, 2021, posted on the City's website, and emailed to all parties who had requested notification.

The 45-day comment period for the draft EIR concluded on May 17th. A response was prepared to all comments received through May 17th, which are included in the Final Environmental Impact Report. (http://www.moval.org/cdd/documents/general-plan-update/final-docs/Moval%202040_Final%20EIR_with%20RTCs.pdf)

CITY OF MORENO VALLEY CITY COUNCIL

NOTICE OF PUBLIC HEARING AND ENVIRONMENTAL DETERMINATION

NOTICE IS HEREBY GIVEN that a Public Hearing will be held by City Council of the City of Moreno Valley on the date and time set forth below:

Proposed Project: Moreno Valley Comprehensive General Plan Update and Climate Action Plan (MoVal 2040), Final Program Environmental Impact Report (State Clearinghouse No. 2020039022); and Related Municipal Code Zoning Ordinance Amendments and Zoning Atlas Amendments

Proposal: The following actions are recommendations to the City Council:
(1) Certification of the Final Program Environmental Impact Report, (2) Approval of General Plan Amendment to adopt the General Plan, (3) Approval of the Climate Action Plan, (4) Adoption of a Municipal Code Zoning Ordinance Establishing five new zoning designations consistent with the General Plan Update, and (5) Approval of an update to the City's Official Zoning Atlas for consistency with the General Plan Update

Project Description Summary: The Moreno Valley General Plan Update will guide the City's planning and development through 2040. The Climate Action Plan provides measures to reduce existing and forecasted greenhouse gas emissions consistent with State law. Amendments to the Municipal Code Zoning Ordinance and the City's Zoning Atlas will implement the General Plan, serving as the foundation for future planning and development decisions made by City staff, the Planning Commission, and the City Council. The Municipal Code Zoning Ordinance and Zoning Atlas amendments have been determined to be within the scope of the Program Environmental Impact Report for MoVal 2040.

State law requires the City to adopt a comprehensive, long-term General Plan for the physical development of its planning area. MoVal 2040 includes both State-mandated and discretionary Elements. The Elements include: (1) Land Use and Community Character, (2) Open Space and Resource Conservation, (3) Housing, (4) Circulation, (5) Parks and Public Services, (6) Noise, (7) Safety, (8) Environmental Justice, (9) Economic Development, and (10) Healthy Community. The specific details of each Element reflect local conditions and circumstances. MoVal 2040 also includes a Climate Action Plan that will include a community-wide inventory of greenhouse gas emissions and a strategy for reducing such emissions to meet State-mandated targets.

Program Environmental Impact Report: A Program Environmental Impact Report (EIR) has been prepared consistent with the provisions of the California Environmental Quality Act (CEQA) (Pub. Res. Code, Section 21000 et seq.) and the State CEQA Guidelines (Title 14 CCR §15000 et seq.). MoVal 2040 has been extensively evaluated pursuant to CEQA and the CEQA Guidelines. A Program Environmental Impact Report (EIR) and Statement of Overriding Findings have been prepared for the Proposed Project. CEQA requires that all cities consider the environmental consequences of projects over which they have discretionary authority before acting on those projects.

The City published and distributed a Notice of Availability of the Draft Program EIR in accordance with CEQA Guidelines Section 15087 on April 2, 2021. The public comment period for the Draft EIR closed on May 17, 2021.

Document Availability: The MoVal 2040 documents and Program EIR are available for review in person at City Hall located at 14177 Frederick Street, Moreno Valley, California during normal business hours (7:30 a.m. to 5:30 p.m., Monday through Thursday and 7:30 a.m. to 4:30 p.m., Friday), and on the “2040 General Plan Update” webpage at <http://www.moval.org/cdd/documents/general-plan-documents.html>. The aforementioned documents can also be accessed at <http://www.moval.org/2040>.

In addition, the MoVal 2040 General Plan Update and Program EIR are available for review at the City’s three Library Branches located at:

- Main Branch, 25480 Alessandro Boulevard
- Mall Branch, 22500 Town Circle
- Iris Plaza Branch, 16170 Perris Boulevard

Due to the COVID Pandemic, please check the business hours of the Library Branches on the day you wish to review the documents.

All interested parties will be provided an opportunity to submit oral testimony during the Public Hearing and/or provide written testimony during or prior to the Public Hearing.

Any person interested in the Proposed Project may contact Chris Ormsby, AICP, Senior Planner at the Community Development Department at 14177 Frederick Street, Moreno Valley, California during normal business hours (7:30 a.m. to 5:30 p.m., Monday through Thursday and 7:30 a.m. to 4:30 p.m. on Fridays), by telephone at (951) 413-3229 or by email at chriso@moval.org.

If you challenge any of the proposed actions taken by the City Council in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice, or in written correspondence delivered to the City Clerk on or before the following meeting date:

**Tuesday, June 15, 2021
6:00 P.M.
City Hall Council Chamber
14177 Frederick Street
Moreno Valley, CA 92552-0805**

Upon request and in compliance with the Americans with Disabilities Act of 1990, any person with a disability who requires a modification or accommodation in order to participate in the meeting should direct such request to James Verdugo, ADA Coordinator, at (951) 413-3350 at least 48 hours before the meeting. The 48-hour notification will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

RESOLUTION NUMBER 2021-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, CERTIFYING THE ENVIRONMENTAL IMPACT REPORT FOR MOVAL 2040, COMPREHENSIVE GENERAL PLAN AMENDMENT PEN19-0240 AND THE CLIMATE ACTION PLAN AND MAKE FINDINGS IN SUPPORT THEREOF

WHEREAS, the City of Moreno Valley (“City”) is a general law city and a municipal corporation of the State of California; and

WHEREAS, on October 1, 2019, the City Council authorized staff to award a project-related professional services agreement to Dyett and Bhatia, an urban and regional planning firm, for the preparation of a comprehensive update to the City’s General Plan, and preparation of associated documents including an Environmental Impact Report, prepared by subcontractor, RECON Environmental, a firm that provides environmental consulting services and is included on the Community Development Department’s list of firms qualified to prepare environmental documents; and

WHEREAS, a Notice of Preparation was prepared consistent with the California Environmental Quality Act and the CEQA Guidelines and a public comment period was scheduled for March 9, 2021 through April 9, 2021, with a public workshop being conducted on March 14, 2021 on the General Plan update which served as the public scoping meeting; and

WHEREAS, all public input received in writing and the scoping meeting were considered in the preparation of the Draft Environmental Impact Report (“Draft EIR”) consistent with the requirements of CEQA and the CEQA Guidelines; and

WHEREAS, in conjunction with preparation of MoVal 2040, RECON Environmental prepared an Environmental Impact Report consistent with the City’s Rules and Procedures to Implement CEQA, which considers all impacts of MoVal 2040, and includes all the requirements of CEQA and all technical data prepared by RECON or other sub-consultants; and

WHEREAS, pursuant to the provisions of the CEQA and the CEQA Guidelines, the Draft Environmental Impact Report (State Clearinghouse No. 2020039022); was prepared, thoroughly and independently reviewed by the City, and circulated for a 45-day public review period, starting on April 2nd and concluding on May 17, 2021; and

WHEREAS, the Draft EIR and/or Notice of the Availability of the Draft EIR was sent to all required State and local agencies and interested parties consistent with the requirements of CEQA and the CEQA Guidelines and was posted on the City’s website and published in the Press-Enterprise newspaper; and

WHEREAS, the Final Environmental Impact Report was prepared for the project incorporating responses to all comments received during the 45-day public review period, and was posted on the City's website and notice of the Final EIR was provided to State and local agencies and interested parties consistent with the requirements of CEQA and the CEQA Guidelines; and

WHEREAS, pursuant to the provisions of Section 9.02.200 (Public Hearing and Notification Procedures) of the Moreno Valley Municipal Code and Government Code section 65905, a public hearing was scheduled before the Planning Commission for May 27, 2021, with notice thereof being duly published and posted and an advertisement exceeding one-eighth page was published on May 15, 2021 in lieu of providing individual notices to property owners since greater than 1,000 property owners are affected by the project as provided for in Section 9.02.200 (C.2); and

WHEREAS, on May 27, 2021, the public hearing to consider MoVal 2040 was adjourned and continued to May 28, 2021 at 7:30 p.m. due to the lack of a quorum; and

WHEREAS, on May 28, 2021, the public hearing to consider MoVal 2040 was adjourned and continued to June 8, 2021 at 7:00 p.m. due to the lack of a quorum; and

WHEREAS, on June 8, 2021, the public hearing to consider MoVal 2040 was duly conducted by the Planning Commission at which time all interested persons were provided with an opportunity to testify and to present evidence; and

WHEREAS, on June 8, 2021, in accordance with the provisions of the California Environmental Quality Act (CEQA¹) and CEQA Guidelines,² the Planning Commission considered and recommended that the City Council certify the Environmental Impact Report prepared for MoVal 2040: Comprehensive General Plan Update and Climate Action Plan, which includes overriding findings; and

WHEREAS, on June 8, 2021, the Planning Commission considered and recommended that the City Council approve Resolution 2021-19, recommending that the City Council certify the Program Environmental Impact Report; and

WHEREAS, the Application has been evaluated in accordance with applicable State laws and regulations including but not limited to, the General Plan Guidelines prepared by the Governor's Office of Planning and Research, other applicable State laws and regulations, applicable sections of Title 9 of the City's Municipal Code, approved City Specific Plans, and other applicable laws and regulations; and

WHEREAS, pursuant to the provisions of Section 9.02.200 (Public Hearing and Notification Procedures) of the Municipal Code and Government Code section 65905, a public hearing before the City Council was scheduled for June 15, 2021, and notice thereof was duly published and posted, and an advertisement exceeding one-eighth page was

¹ Public Resources Code §§ 21000-21177

² 14 California Code of Regulations §§15000-15387

published on June 4 2021 in lieu of providing individual notices to property owners since greater than 1,000 property owners are affected by the project as provided for in Section 9.02.200 (C.2); and

WHEREAS, on June 15, 2021, in accordance with the provisions of the California Environmental Quality Act (CEQA³) and CEQA Guidelines,⁴ the City Council considered certification of the Final Environmental Impact Report prepared for MoVal 2040: Comprehensive General Plan Update and Climate Action Plan, based on the requisite findings; and

WHEREAS, at the public hearing, the City Council considered whether each of the requisite findings specified in Exhibit A attached hereto could be made with respect to MoVal 2040; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Recitals and Exhibits

That the foregoing Recitals and attached Exhibits are true and correct and are hereby incorporated by this reference.

Section 2. Notice

That pursuant to Government Code section 66020(d)(1), notice is hereby given that the proposed project is subject to certain fees, dedications, reservations and other exactions as provided herein.

Section 3. Evidence

That the City Council has considered all of the evidence submitted into the administrative record for MoVal 2040, including, but not limited to, the following:

- (a) MoVal 2040 documents, including the General Plan update and Climate Action Plan, and all relevant provisions contained therein;
- (d) Application for the approval of MoVal 2040, which included the preparation of an Environmental Impact Report, and all documents, records and references contained therein;
- (e) Staff Report prepared for the Planning Commission's consideration and all documents, records and references related thereto, and Staff's presentation at the public hearing;
- (f) Staff Report prepared for the City Council's consideration and all documents, records and references related thereto, and Staff's presentation at the public hearing;

³ Public Resources Code §§ 21000-21177

⁴ 14 California Code of Regulations §§15000-15387

- (g) Testimony and/or comments from Applicant and its representatives during the public hearing; and
- (h) Testimony, comments and/or correspondence from all persons that were provided in written format or correspondence, at, or prior to, the public hearing.

Section 4. Findings

That based on the foregoing Recitals and the Evidence contained in the Administrative Record as set forth above, the City Council approves the Findings of Fact including all required findings and the Statement of Overriding Considerations in Exhibit A and the Mitigation Monitoring and Reporting Program in Exhibit B. The Final Environmental Impact Report, Draft Environmental Impact Report, and Technical Appendices are on file with the Community Development Department and posted on the City's website.

Section 5. Certification of Final Environmental Impact Report and Adoption of Mitigation Monitoring and Reporting Program

That based on the foregoing Recitals, Evidence in the Administrative Record and Findings, as set forth herein, the City Council certifies the Final Environmental Impact Report as described in Section 4 based on the Findings of Fact, including the Statement of Overriding Considerations in Exhibit A and adopt the Mitigation Monitoring and Reporting Program in Exhibit B. The Final Environmental Impact Report, Draft Environmental Impact Report, and Technical Appendices, and Mitigation Monitoring and Reporting Program are on file with the Community Development Department and posted on the City's website.

Section 6. Repeal of Conflicting Provisions

That all the provisions as heretofore adopted by the City Council that are in conflict with the provisions of this Resolution are hereby repealed.

Section 7. Severability

That the City Council declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

Section 8. Effective Date

That this Resolution shall take effect immediately upon the date of adoption.

Section 9. Certification

That the City Clerk for the City Council shall certify to the passage of this Resolution.

PASSED AND ADOPTED THIS _____ day of _____, 2021.

CITY OF MORENO VALLEY
CITY COUNCIL

Dr. Yxstian A. Gutierrez
Mayor of the City of Moreno Valley

ATTEST:

Pat Jacquez-Nares, City Clerk

APPROVED AS TO FORM:

Steven B. Quintanilla, Interim City Attorney

Exhibits:

Exhibit A: Findings of Act and Statement of Overriding Considerations

Exhibit B: Mitigation Monitoring and Reporting Program

**CANDIDATE FINDINGS OF FACT
FOR THE CITY OF MORENO VALLEY CERTIFYING THE
FINAL ENVIRONMENTAL IMPACT REPORT FOR THE
MOVAL 2040 PROJECT**

City of Moreno Valley

SCH #2020039022

Section 21081(a) of the California Environmental Quality Act (CEQA) and Section 15091(a) of the CEQA Guidelines (Guidelines) require that no public agency shall approve or carry out a project for which an environmental impact report (EIR) has been certified which identifies one or more significant effects on the environment that would occur if the project is approved or carried out, unless such public agency makes one or more of the following findings:

- (1) Changes or alterations have been required in, or incorporated into, the project which mitigate or avoid the significant environmental effects on the environment;
- (2) Those changes or alterations are within the responsibility and jurisdiction of another public agency and have been, or can or should be, adopted by that other agency; or
- (3) Specific economic, legal, social, technological, or other considerations, including considerations for the provision of employment opportunities for highly trained workers, make infeasible the mitigation measures or alternatives identified in the environmental impact report.

CEQA also requires that the findings made pursuant to Section 15091 of the CEQA Guidelines be supported by substantial evidence in the record (Section 15091(b) of the CEQA Guidelines). Under CEQA, substantial evidence means enough relevant information has been provided (and reasonable inferences from this information may be made) that a fair argument can be made to support a conclusion, even though other conclusions might also be reached. Substantial evidence must include facts, reasonable assumptions predicated upon facts, and expert opinion supported by facts (Section 15384 of the CEQA Guidelines).

The following Candidate Findings of Fact (Findings) have been submitted to the City of Moreno Valley (City), as the decision-making body, to be approved for MoVal 2040 Project Final Environmental Impact Report (Final EIR) pursuant to CEQA. It is the exclusive discretion of the decision-maker certifying the EIR to determine the adequacy of the proposed Findings. It is the role of staff to independently evaluate the proposed Findings and to make a recommendation to the decision-maker regarding their legal adequacy.

I. INTRODUCTION

A. Environmental Impact Report

Consistent with Section 15168 of the CEQA Guidelines, this EIR provides a programmatic analysis of the environmental impacts associated with implementation of the goals, policies, actions, and projected buildout of the MoVal 2040 Project (project). As described in Section 15168

of the CEQA Guidelines, program-level environmental review documents are appropriate when a project consists of a series of actions related to the issuance of rules, regulations, and other planning criteria. The project which is the subject of this EIR consists of long-term plans that will be implemented as policy documents guiding future development activities and related City actions. The purpose of this program-level EIR is intended to inform decision-makers and the general public of the potential significant environmental impacts of the project. This program-level EIR also considers the availability of mitigation measures to minimize the project's significant impacts and evaluates reasonable alternatives to the project that may reduce or avoid one or more significant environmental effects.

B. Adoption of Findings and Statement of Overriding Considerations

The following Findings are hereby adopted by the City in its capacity as the CEQA Lead Agency. The Guidelines also require that the City balance the benefits of the project against any identified unavoidable environmental risks in determining whether to approve the project. The Final EIR identifies significant environmental effects which could remain significant even with the implementation of the identified mitigation measures where feasible as follows: agriculture and forestry resources (important farmland and indirect conversion), air quality (construction emissions of criteria pollutants), biological resources (sensitive species, sensitive riparian habitats, and jurisdictional wetlands and waters), cultural and tribal cultural resources (historic resources, archaeological resources, human remains, and tribal cultural resources), noise (increases in ambient noise associated with traffic and construction), and transportation (vehicle miles traveled). Therefore, the City has carefully considered the benefits of the project and hereby also adopts the attached Statement of Overriding Consideration. The Statement of Overriding Consideration states the specific reasons why the benefits of the project, each of which standing alone is sufficient to support approval of the project, outweigh the unavoidable adverse environmental effects of the project, and explains that the unavoidable environmental effects are considered acceptable.

C. Record of Proceedings

For purposes of CEQA and these Findings, the Record of Proceedings for the project consists of the following documents and other evidence, as indicated in CEQA Guidelines Section 21167.6(e):

- All project application materials.
- All staff reports and related documents prepared by the respondent public agency with respect to its compliance with the substantive and procedural requirements of this division and with respect to the action on the project.
- All staff reports and related documents prepared by the respondent public agency and written testimony or documents submitted by any person relevant to any findings or statement of overriding considerations adopted by the respondent agency pursuant to this division.
- Any transcript or minutes of the proceedings at which the decision-making body of the respondent public agency heard testimony on, or considered any environmental document on, the project, and any transcript or minutes of proceedings before any advisory body to the respondent public agency that were presented to the decision-making body prior to action on the environmental documents or on the project.

- All notices issued by the respondent public agency to comply with this division or with any other law governing the processing and approval of the project.
- All written comments received in response to, or in connection with, environmental documents prepared for the project, including responses to the notice of preparation.
- All written evidence or correspondence submitted to, or transferred from, the respondent public agency with respect to compliance with this division or with respect to the project.
- Any proposed decisions or findings submitted to the decision-making body of the respondent public agency by its staff, or the project proponent, project opponents, or other persons.
- The documentation of the final public agency decision, including the final environmental impact report, mitigated negative declaration, or negative declaration, and all documents, in addition to those referenced in paragraph (3), cited or relied on in the findings or in a statement of overriding considerations adopted pursuant to this division.
- Any other written materials relevant to the respondent public agency's compliance with this division or to its decision on the merits of the project, including the initial study, any drafts of any environmental document, or portions thereof, that have been released for public review, and copies of studies or other documents relied upon in any environmental document prepared for the project and either made available to the public during the public review period or included in the respondent public agency's files on the project, and all internal agency communications, including staff notes and memoranda related to the project or to compliance with this division.
- The full written record before any inferior administrative decision-making body whose decision was appealed to a superior administrative decision-making body prior to the filing of litigation.

D. Custodian and Location of Records

The documents and other materials which constitute the administrative record for the City's actions related to the project are located at the City Hall, located on 14177 Frederick Street, Moreno Valley, California. The Community Development Department is the custodian of the administrative record for the project. Copies of these documents, which constitute the record of proceedings, are and at all relevant times have been and will be available upon request at the offices of the Community Development Department. This information is provided in compliance with Public Resources Code Section 21081.6(a)(2) and Guidelines Section 15091(e).

II. PROJECT SUMMARY

A. Project Location

The regional and local settings of the project are discussed in Chapter 2.0, Environmental Setting, of the Final EIR. The city of Moreno Valley is located within the northwestern portion of Riverside County in the southern Inland Empire portion of the state of California. Moreno Valley is located approximately 63 miles east of downtown Los Angeles, 49 miles east of the city of Irvine, and 43 miles west of the city of Palm Springs. State Route 60 (SR-60), which runs in an east and west direction through the northern portion of Moreno Valley (east and west direction), and Interstate 215 (I-215), which runs in proximity to the westerly city limits (north and south direction), serve to connect the city to other communities throughout the southern California region. The city is accessible via public transportation by rail, through Metrolink located approximately one-half

mile west of the city limits, and the city is accessible via aircraft at the Inland Port Airport located at the March Air Reserve Base (MARB), which is situated south and west of the city limits. (see Final EIR Figure 2-1).

B. Project Background

The project was initiated in late 2019 with the intention of updating the City's General Plan to better address the City's current issues and opportunities, and to create a comprehensive plan for the City's future. The City developed a four phase approach to ensure transparent public participation. The four main phases are described below.

Phase 1 of the 2021 GPU focused on community outreach to identify the most important issues to address within the General Plan and to establish a vision for the future of Moreno Valley. This phase included stakeholder interviews, six "pop-up" outreach events, a community-wide online survey, as well as five community workshops (four in-person workshops including an EIR scoping meeting and one virtual workshop). This phase generated input from nearly 700 Moreno Valley community members. Another critical component of Phase 1 was formation of the General Plan Advisory Committee (GPAC). The GPAC served as an advisory body to the City Council and included representation from the perspective of residents, businesses, and other community stakeholders in the development of the 2021 GPU. This provided a public forum to ensure that a wide and diverse range of voices and interests were heard and considered in the process. Based on public input received by GPAC and staff recommendations, in February 2020, the City Council approved the Vision and Guiding Principles for the 2021 GPU.

Phase 2 focused on developing and exploring different land use, circulation, and design concepts for the 2021 GPU. These concepts were established based on input from community members and decision-makers, which provided different options by which the City could achieve the Vision and Guiding Principles. A second community-wide survey was conducted and multiple public meetings were held during this phase. The pros and cons of six different concepts were explored and refined with input from the community, GPAC, and Planning Commission. Between December 2019 and May 2020, close to 1,000 community members participated in the 2021 GPU process. In June 2020, the City Council approved the Preferred Plan Concept, which is now part of the proposed 2021 GPU.

During Phase 3, the GPAC reviewed key goals and provided guidance for the policy frameworks of the 2021 General Plan Update, which culminated in the preparation of drafts of the 2021 General Plan Update, 2021-29 Housing Element, and Climate Action Plan, which were submitted for administrative review by City staff.

Phase 4 consists of environmental review of the Draft 2021 GPU. This EIR has been prepared pursuant to CEQA to identify the significant environmental impacts of implementation of the project along with mitigation measures to address those impacts. This Draft EIR has been made available for public review and comment concurrently with the Draft 2021 General Plan Update, 2021-29 Housing Element, and Climate Action Plan. A Final EIR which will include responses to public comments received will be prepared and presented to the Planning Commission and City Council for their respective review and consideration prior to adoption of the project.

C. Project Description

The project consists of the following three separate planning documents:

- The 2021 GPU: incorporates changes to the policy framework and land use designations of the existing 2006 General Plan to guide development and conservation through 2040 and comply with new state laws.
- The Housing Element Update for the 2021-2029 planning period: provides the City with a coordinated and comprehensive strategy for promoting the production of safe, decent, and affordable housing within the community.
- The proposed CAP: establishes a community-wide strategy for reducing GHG emissions and adapting to the effects of climate change.

The project includes an update to the 2006 General Plan that would guide future land use decisions in Moreno Valley, provide a long-term vision for the city, and provide policies and implementing actions that would allow the city to achieve this vision over the life of the General Plan. The General Plan is the primary policy document guiding growth and development within the city through the planning horizon year of 2040. Together with the Zoning Ordinance and related sections of the Municipal Code, the 2021 GPU would serve as the basis for planning-related decisions made by City staff, the Moreno Valley Planning Commission, and the Moreno Valley City Council.

The project includes an update to the currently adopted 2014 Housing Element. The Housing Element is one of the state-mandated elements that must be included in the City's General Plan. State law mandates that the Housing Element include certain items, such as a Housing Needs Assessment; goals, policies, and objectives regarding housing in Moreno Valley; and implementation programs to work toward achieving such goals. As part of the project, the City will prepare a Sixth Cycle Housing Element Update to cover the eight-year planning period from October 2021 through October 2029 and outline a plan for accommodating Moreno Valley's share of the regional housing need, currently determined to be a total of 13,627 newly constructed residential dwelling units. As required by the State of California, the City must zone sufficient land for housing affordable to persons at all income levels.

The project includes preparation of a CAP. The CAP is a community-wide strategy for reducing greenhouse gas (GHG) emissions for the purpose of adapting to the effects of climate change. Preparation of the CAP includes establishing the City's GHG reduction targets as well as specific strategies and implementing actions to achieve these targets.

D. Associated and Future Actions

Implementation of the project would require additional regulatory actions to be taken by the City, including amendments to the Zoning Code to ensure consistency. The project would require a recommendation from the Planning Commission and adoption by the City Council, for approval of both the 2021 GPU as well as zoning implementation. The Housing Element will require certification by the state Department of Housing and Community Development. Future, subsequent development under the project may require approval of federal, state, and responsible or trustee agencies that may rely on this program-level EIR for decisions in their areas of expertise.

E. Subsequent Environmental Review

Subsequent environmental review is required for all subsequent actions to entitle future development, including but not limited to, certain subdivision actions, use permits, and transportation/mobility improvements. Subsequent actions must be examined in light of the EIR to determine whether an additional environmental document needs to be prepared.

Subsequent projects may tier from this MoVal 2040 Project EIR, or the City may make a finding that sufficient environmental clearance occurred with this program-level EIR (CEQA Guidelines Sections 15152, 15162 and 15168). The purpose in using a program-level EIR is to comprehensively consider a series of related projects and to streamline subsequent review of development projects.

III. ENVIRONMENTAL REVIEW AND PUBLIC PARTICIPATION

Pursuant to pursuant to Section 15060(d) of the CEQA Guidelines (14 California Code of Regulations [CCR] 15000 et seq.) the City determined that the project may have a significant effect on the environment and that an EIR should be prepared to analyze the potential impacts associated with approval and implementation of the project. In accordance with CEQA Guidelines Section 15082(a), a Notice of Preparation (NOP) was circulated for public comment on March 9, 2020, and a scoping meeting was held on Saturday, March 14, 2020 at the City Hall – Council Chambers, located on 14177 Frederick Street, Moreno Valley, California. The NOP, letters received in response to the NOP, and comments made during the scoping meeting are included as Appendix A of this EIR. Through the NOP/Scoping process, the City concluded that the project could have the potential to result in significant impacts to the following environmental categories:

- Aesthetics
- Agriculture and Forestry Resources
- Air Quality
- Biological Resources
- Cultural Resources/Tribal Cultural Resources
- Energy
- Geology/Soils
- Greenhouse Gas Emissions
- Hazards & Hazardous Materials
- Hydrology/Water Quality
- Land Use/Planning
- Mineral Resources
- Noise
- Population and Housing
- Public Services and Recreation
- Transportation
- Utilities/Service System
- Wildfire

A Draft EIR was prepared for the project and was circulated for public review for a period commencing April 2, 2021 through May 17, 2021. The City received 63 letters of comment during the public review period. Responses to all comments are included as part of the Final EIR. On [date], the City of Moreno Valley Planning Commission held a public hearing to consider the project and, by a [] vote, recommended approval of the project and certification of the Final EIR. On [date] the City Council certified the Final EIR, adopted these Findings of Fact, and approved the project.

IV. GENERAL FINDINGS

The City hereby finds as follows:

- The City is the “Lead Agency” for the project evaluated in the Final EIR.
- The foregoing statements are true and correct.
- The Final EIR was prepared in compliance with CEQA and the CEQA Guidelines.
- The City has independently reviewed and analyzed the Final EIR.
- A Mitigation Monitoring and Reporting Program (MMRP) has been prepared for the project, which the City has adopted or made a condition of approval of the project. That MMRP is included as Chapter 7.0 of the Final EIR, is incorporated herein by reference, and is considered part of the record of proceedings for the project.
- The MMRP designates responsibility and anticipated timing for the implementation of mitigation. The City will serve as the MMRP Coordinator.
- In determining whether the project has a significant impact on the environment, and in adopting these Findings pursuant to Section 21081 of CEQA, the City has complied with CEQA Sections 21081.5 and 21082.2.
- The impacts and potential impacts of the project have been analyzed to the extent feasible at the time of certification of the Final EIR.
- The City has made no decisions that constitute an irretrievable commitment of resources toward the project prior to certification of the Final EIR, nor has the City previously committed to a definite course of action with respect to the project.
- Copies of all the documents incorporated by reference in the Final EIR are and have been available upon request at all times at the offices of the City, custodian of record for such documents or other materials.
- Having received, reviewed, and considered all information and documents in the record, the City hereby conditions the project and finds as stated in these Findings.

V. SUMMARY OF IMPACTS

A. No Impact or Less than Significant Impacts (Requiring No Mitigation)

The Final EIR concludes that the project will have no impact or less than significant direct or cumulative impacts and require no mitigation with respect to the following issues:

- Aesthetics (Scenic Vistas; Scenic Resources; Visual Character or Quality; Light or Glare)
- Agriculture and Forestry Resources (Agricultural Zoning and Williamson Act Contracts; Forest Zoning; Forest Land)
- Air Quality (Air Quality Plans; Criteria Pollutants [Operation]; Sensitive Receptors; Odors)
- Biological Resources (Wildlife Corridors; Local Ordinances; Habitat Conservation Plan)
- Energy (Energy Consumption; Renewable Energy or Energy Efficiency)
- Geology/Soils (Seismic Hazards and Unstable Geology; Soil Erosion; Expansive Soils)
- Greenhouse Gas Emissions (GHG Emissions; GHG Plans)

- Hazards/Hazardous Materials (Transport, Use, or Disposal of Hazardous Materials; Accidental Release of Hazardous Materials; Existing or Proposed Schools; Hazardous Materials Sites; Airport Hazards; Emergency Response; Wildland Fires)
- Hydrology/Water Quality (Violate Water Quality Standards/Degrade Water Quality; Deplete Groundwater Supplies; Drainage Patterns; Flood hazard, Tsunami, or Seiche; Water Quality Plans)
- Land Use and Planning (Physically Divide an Established Community; Conflicts with Applicable Plans and Policies)
- Mineral Resources (Mineral Resources; Mineral Resource Recovery Site)
- Noise (Increase in Ambient Noise [Railroad Noise; Stationary Noise]; Vibration [Railroad; Stationary Sources]; Airports)
- Population and Housing (Induce Unplanned Population Growth; Displace People or Housing)
- Public Services and Recreation (Fire Protection; Police Protection; Schools; Other Public Facilities; Parks and Recreational Facilities)
- Transportation (Circulation System; Hazards Due to a Design Feature; Emergency Access)
- Utilities and Service System (Utility Infrastructure; Water Supply; Wastewater Treatment; Solid Waste)

B. Significant Impacts Mitigated to Less than Significant Levels

Potentially significant direct impacts of the project would be mitigated to below a level of significance with respect to the following issues:

- Geology/Soils (Paleontological Resources and Unique Geology)
- Noise (Vibration [Construction])

C. Significant Unmitigated Impacts

The project would result in the following significant unmitigated impacts:

- Agriculture and Forestry Resources (important farmland and indirect conversion)
- Air Quality (construction emissions of criteria pollutants)
- Biological Resources (sensitive species, sensitive riparian habitats, and jurisdictional wetlands and waters)
- Cultural and Tribal Cultural Resources (historic resources, archaeological resources, human remains, and tribal cultural resources)
- Noise (increases in ambient noise associated with traffic and construction)
- Transportation (vehicle miles traveled).

VI. FINDINGS OF FACT

CEQA and the CEQA Guidelines promulgated thereunder require that the environmental impacts of a project be examined before a project is approved. Specifically, regarding findings, Guidelines Section 15091 provides:

- (a) No public agency shall approve or carry out a project for which an EIR has been certified which identifies one or more significant environmental effects of the project unless the public agency makes one or more written findings for each of those significant effects, accompanied by a brief explanation of the rationale for each finding. The possible findings are:
 1. Changes or alterations have been required in, or incorporated into, the project which avoid or substantially lessen the significant environmental effect as identified in the Final EIR.
 2. Such changes or alterations are within the responsibility and jurisdiction of another public agency and not the agency making the finding. Such changes have been adopted by such other agency or can and should be adopted by such other agency.
 3. Specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures or project alternatives identified in the Final EIR.
- (b) The findings required by subdivision (a) shall be supported by substantial evidence in the record.
- (c) The finding in subdivision (a)(2) shall not be made if the agency making the finding has concurrent jurisdiction with another agency to deal with identified feasible mitigation measures or alternatives. The finding in subdivision (a)(3) shall describe the specific reasons for rejecting identified mitigation measures and project alternatives.
- (d) When making the findings required in subdivision (a)(1), the agency shall also adopt a program for reporting on or monitoring the changes which it has either required in the project or made a condition of approval to avoid or substantially lessen significant environmental effects. These measures must be fully enforceable through permit conditions, agreements, or other measures.
- (e) The public agency shall specify the location and custodian of the documents or other materials which constitute the record of the proceedings upon which its decision is based.
- (f) A statement made pursuant to Section 15093 does not substitute for the findings required by this section.

The “changes or alterations” referred to in Section 15091(a)(1) above, that are required in, or incorporated into, the project which mitigate or avoid the significant environmental effects of the project, may include a wide variety of measures or actions as set forth in Guidelines Section 15370, including:

- (a) Avoiding the impact altogether by not taking a certain action or parts of an action.

- (b) Minimizing impacts by limiting the degree or magnitude of the action and its implementation.
- (c) Rectifying the impact by repairing, rehabilitating, or restoring the impacted environment.
- (d) Reducing or eliminating the impact over time by preservation and maintenance operations during the life of the action.
- (e) Compensating for the impact by replacing or providing substitute resources or environments.

Having received, reviewed, and considered the Final EIR for the project, as well as all other information in the record of proceedings on this matter, the following Findings are hereby adopted by the City in its capacity as the CEQA Lead Agency.

These Findings set forth the environmental basis for current and subsequent discretionary actions to be undertaken by the City and responsible agencies for the implementation of the project.

VII. FINDINGS REGARDING SIGNIFICANT IMPACTS

A. Findings Regarding Significant Impacts Mitigated to Below a Level of Significance (CEQA Guidelines 15091 (A)(1))

Geology/Soils

Environmental Impact: As detailed in Final EIR Section 4.7.5.4 (Paleontological Resources and Unique Geology), the project would have the potential to directly or indirectly destroy a unique paleontological resource or site or unique geologic feature.

Finding: Pursuant to Section 21081(a)(1) of CEQA, Section 15091(a)(1) of the CEQA Guidelines, the City finds that conditions, changes, or alterations have been required in, or incorporated into, the project which would reduce the significant environmental effect identified in the Final EIR.

Facts in Support of Finding: Construction-related ground-disturbing activities associated with future development could result in significant impacts (loss) of nonrenewable paleontological resources. Because site-specific details and locations of future development projects are not known at this program-level of analysis, impacts to paleontological resources would be potentially significant. The proposed land use plan avoids unique geologic features throughout the City including rock outcroppings and maintains low density land uses within the badlands areas. However, at the program level, without project specific development plans, impacts relating to the destruction of a unique geologic feature would be potentially significant. To reduce potential impacts, the following mitigation measure is included in the project's MMRP and shall be applied to future development:

PAL-1: Applications for future development, wherein the Community Development Director or his or her designee has determined a potential for impacts to paleontological resources, shall review the underlying geology and paleontological sensitivity of the site. If it is determined that the potential exists that sensitive paleontological resources are present, the applicant shall be required to comply with the following mitigation framework.

A qualified paleontological monitor shall be present during grading in project areas where a project specific geological technical study has determined that such monitoring is necessary due to the potential for paleontological resources to reside within the underlying geologic formations. The geologic technical study shall also provide specific duties of the monitor, and detailed measures to address fossil remains, if found.

Implementation of mitigation measure PAL-1 would reduce impacts to a level less than significant.

Reference: Final EIR Section 4.7.

Noise

Environmental Impact: As detailed in Final EIR Section 4.13.5.2 (Vibration:Construction), the project would have the potential to directly or indirectly destroy a unique paleontological resource or site or unique geologic feature.

Finding: Pursuant to Section 21081(a)(1) of CEQA, Section 15091(a)(1) of the CEQA Guidelines, the City finds that conditions, changes, or alterations have been required in, or incorporated into, the project which would reduce the significant environmental effect identified in the Final EIR.

Facts in Support of Finding: Construction details, locations, and equipment for future project-level developments under the 2021 GPU are not known at this time but may cause vibration impacts. Therefore, construction vibration impacts would be potentially significant. To reduce potential impacts, the following mitigation measure is included in the project's MMRP and shall be applied to future development:

NOS-2: Prior to issuance of a building permit for a project requiring pile driving during construction within 135 feet of fragile structures, such as historical resources, 100 feet of non-engineered timber and masonry buildings (e.g., most residential buildings), or within 75 feet of engineered concrete and masonry (no plaster); or a vibratory roller within 25 feet of any structure, the project applicant shall prepare a noise and vibration analysis to assess and mitigate potential noise and vibration impacts related to these activities. This noise and vibration analysis shall be conducted by a qualified and experienced acoustical consultant or engineer. The vibration levels shall not exceed Federal Transit Administration (FTA) architectural damage thresholds (e.g., 0.12 inches per second [in/sec] peak particle velocity [PPV] for fragile or historical resources, 0.2 in/sec PPV for non-engineered timber and masonry buildings, and 0.3 in/sec PPV for engineered concrete and masonry). If vibration levels would exceed this threshold, alternative uses such as drilling piles as opposed to pile driving and static rollers as opposed to vibratory rollers shall be used. If necessary, construction vibration monitoring shall be conducted to ensure vibration thresholds are not exceeded.

Implementation of mitigation measure NOS-2 would reduce impacts to a level less than significant.

Reference: Final EIR Section 4.13.

B. Finding Regarding Mitigation that is Within the Responsibility and Jurisdiction of Another Public Agency (CEQA Guidelines 15091 (a)(2))

This Finding does not apply to the implementation of the project.

C. Findings Regarding Significant and Unavoidable Impacts (CEQA Guidelines 15091 (A)(3))

Agriculture and Forestry Resources

Environmental Impact: As detailed in Final EIR Section 4.2.5.1 (Important Farmland), the project would have the potential to convert land designated as Prime Farmland, Farmland of Local Importance, Farmland of Statewide Importance, and Unique Farmland to non-farming uses.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Implementation of the project would impact Prime Farmland and Farmland of Local Importance within proposed Concept Areas. Furthermore, the continued development of properties under the land use designations that would remain unchanged could also result in the conversion of additional land designated as Prime Farmland, Farmland of Statewide Importance or Unique Farmland to non-farming uses. While enrollment in Williamson Act Contracts would serve to preserve such resources, these contracts are voluntary, and the City could only encourage property owners to participate in the program. Furthermore, property owners would have the option not to renew contracts, which would mean that any protection under the program may only be temporary. The project, does not propose any permanent preservation of agricultural land but allows agriculture as an interim use prior to development. Thus, preservation of agricultural resources would not be feasible as it would be inconsistent with General Plan goals and project objectives. Therefore, because the requirement for Williamson Contracts is not enforceable due to their voluntary natures, and because permanent preservation of agriculture is inconsistent with the GPU, no feasible mitigation measures have been identified or proposed that would mitigate impacts related to the conversion of farmland to below a level of significance. Thus, the impact is significant and unavoidable. This unavoidable impact is overridden by project benefits as set forth in the Statement of Overriding Considerations, below.

Reference: Final EIR Section 4.2.

Environmental Impact: As detailed in Final EIR Section 4.2.5.5 (Indirect Conversion), implementation of the project would intensify uses within the Planning Area in a manner that would further reduce the feasibility of agricultural production. Furthermore, the continued development of land under the land use designations that would remain unchanged could also indirectly affect the feasibility of agricultural production through urbanization.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Implementation of the project would intensify uses within the Planning Area in a manner that would reduce the feasibility of agricultural production.

Furthermore, the continued development of land under the land use designations that would remain unchanged could also indirectly affect the feasibility of agricultural production through continued urbanization. Therefore, the project would result in indirect conversion of potential farmland resources to non-agricultural uses, which would be considered a significant impact. While enrollment in Williamson Act Contracts would serve to preserve such resources, these contracts are voluntary, and the City could only encourage property owners to participate in the program. Furthermore, property owners would have the option not to renew contracts, which would mean that any protection under the program may only be temporary. The project, does not propose any permanent preservation of agricultural land, but allows agriculture as an interim use prior to development. Thus, preservation of agricultural resources would not be feasible as it would be inconsistent with General Plan goals and project objectives.

Therefore, because the requirement for Williamson Contracts is not enforceable due to their voluntary natures, and because permanent preservation of agriculture is inconsistent with the GPU, no feasible mitigation measures have been identified or proposed that would mitigate impacts related to the conversion of farmland to below a level of significance. Thus, the impact is significant and unavoidable. This unavoidable impact is overridden by project benefits as set forth in the Statement of Overriding Considerations, below.

Reference: Final EIR Section 4.2.

Air Quality

Environmental Impact: As detailed in Final EIR Section 4.3.5.2.a (Criteria Pollutants), the scale and extent of construction activities associated with buildout of the Planning Area could result in some instances where future development would exceed the relevant SCAQMD thresholds.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: While individual site-specific projects may not exceed the SCAQMD regional significance thresholds, the scale and extent of construction activities associated with buildout of the Planning Area may result in some instances where future development would exceed the relevant SCAQMD thresholds. Therefore, construction-related regional air quality impacts would be potentially significant. To reduce potential impacts the following mitigation measure is included in the project's MMRP and shall be applied to future development:

AQ-1: Applications for future development, wherein the Director of Community Development or his or her designee has determined a potential for air quality impacts associated with construction, shall prepare and submit a technical assessment evaluating potential project construction-related air quality impacts to the City for review and approval. The Director of Community Development or his or her designee shall make this determination based on the size of the project, whether the project would require a transportation impact analysis, or other criteria. The evaluation shall be prepared in conformance with South Coast Air Quality Management District (SCAQMD) methodology for assessing air quality regional and local impacts. If construction-related criteria air pollutants are determined to have the potential to exceed the SCAQMD's adopted regional and localized construction CEQA thresholds of

significance, the City shall require that applicants for new development projects incorporate mitigation measures to reduce air pollutant emissions during construction activities. These identified measures shall be incorporated into all appropriate construction documents (e.g., construction management plans) submitted to the City and shall be verified by the City. Mitigation measures to reduce construction-related emissions could include, but are not limited to:

- Require fugitive-dust control measures that exceed SCAQMD's Rule 403 requirements, such as:
 - Use of nontoxic soil stabilizers to reduce wind erosion.
 - Apply water every four hours to active soil-disturbing activities.
 - Tarp and/or maintain a minimum of 24 inches of freeboard on trucks hauling dirt, sand, soil, or other loose materials.
- Encourage the use of construction equipment equal to or greater than 50 horsepower be electrically powered or alternatively fueled. At a minimum, use construction equipment rated by the United States Environmental Protection Agency as having Tier 4 Final (model year 2008 or newer) emission limits. Include this requirement in applicable bid documents, purchase orders, and contracts.
- Ensure that construction equipment is properly serviced and maintained to the manufacturer's standards.
- Limit nonessential idling of construction equipment to no more than five consecutive minutes.
- Limit on-site vehicle travel speeds on unpaved roads to 15 miles per hour.
- Install wheel washers for all exiting trucks or wash off all trucks and equipment leaving the project area.
- Use Super-Compliant VOC paints for coating of architectural surfaces whenever possible. A list of Super-Compliant architectural coating manufactures can be found on the SCAQMD's website.

Buildout of the project would occur over a period of approximately 20 years or longer. Construction activities associated with buildout of the project could generate short-term emissions that exceed the SCAQMD's significance thresholds during this time and cumulatively contribute to the nonattainment designations of the Basin. Implementation of mitigation measure AQ-1 would reduce criteria air pollutant emissions from construction-related activities to the extent feasible. However, construction time frames and equipment for site-specific development projects are not available at this time, and there is a potential for multiple development projects to be constructed at one time, resulting in significant construction-related emissions. Therefore, despite adherence to mitigation measure AQ-1, impacts associated with criteria pollutants would remain significant and unavoidable. This unavoidable impact is overridden by project benefits as set forth in the Statement of Overriding Considerations, below. Reference: Final EIR Section 4.3.

Biological Resources

Environmental Impact: As detailed in Final EIR Section 4.4.5.1 (Sensitive Species), the project would have the potential to, either directly or through habitat modifications, on species identified as a candidate, sensitive, or special status species, which would be considered a significant impact.

Environmental Impact: As detailed in Final EIR Section 4.4.5.2 (Sensitive Riparian Habitat), the project would have the potential to have a substantial adverse effect on riparian habitat, which would be considered a significant impact.

Environmental Impact: As detailed in Final EIR Section 4.4.5.3 (Jurisdictional Wetlands and Waters), the project would have the potential to have a substantial adverse effect on state or federally protected wetlands, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Build out of the GPU would have the potential to directly or indirectly impact candidate, sensitive, or special status species, riparian habitat and/or jurisdictional wetlands. Consistent with the policies of the GPU (including those in the Open Space and Resource Conservation Element) and City regulations and planning documents (including the MSHCP), future development would be required to ensure appropriate biological surveys and wetland delineations, as needed, are completed to document on-site sensitive habitats and species. While these regulations are likely to ensure adverse impacts to sensitive species and riparian habitat are reduced at the project level, at a program level of analysis it is not possible to ensure that every impact could be fully mitigated. Therefore, impacts to sensitive species, riparian habitat, and jurisdictional wetlands would be potentially significant. To reduce potential impacts the following mitigation measure is included in the project's MMRP and shall be applied to future development:

BIO-1: Applications for future development of vacant properties (and portions thereof), wherein the Director of Community Development or his or her designee has determined a potential for impacts to sensitive biological resources, shall be required to prepare a site-specific general biological resources survey to identify the presence of any sensitive biological resources, including any sensitive plant or wildlife species. The report shall identify the need for focused presence/absence surveys and identify the presence of state or federal regulated wetlands or waters. If potentially significant impacts to sensitive biological resources, including sensitive species and/or wetlands are identified, the report shall also recommend appropriate mitigation to reduce the impacts to below a level of significance.

BIO-2: Applications for future development, wherein the Director of Community Development or his or her designee has determined a potential for impacts to mature trees and/or native vegetation suitable for nesting birds, shall be required to restrict removal of sensitive habitat and vegetation to outside the breeding seasons of any sensitive species identified within adjacent properties (typical bird breeding season is February 1–September 1. as early as January 1 for some raptors). If vegetation clearing must begin during the breeding season, a qualified biologist shall provide recommendations to avoid impacts to nesting birds which typically includes a pre-construction survey within 3 days of the start of construction to determine the presence of active nests.

If active nests are found, avoidance measures shall be implemented to ensure protection of the nesting birds. Avoidance measures may include a no-activity buffer zone, typically 300 feet from the area of disturbance or 500 feet for raptors, established at the discretion of the qualified biologist in consultation with the City. If activity buffer zones are not feasible, temporary noise barriers may be installed to attenuate construction noise. Noise wall height and adequacy shall be supported by a noise analysis to determine the anticipated construction noise levels with attenuation measures as recommended by the biologist and approved by the City. Periodic noise monitoring shall be conducted during construction to ensure noise

attenuation standards are met. Accepted noise levels are species dependent and existing ambient noise levels can play a factor in establishing baseline acceptable noise.

While implementation of mitigation measures BIO-1 and BIO-2 would reduce impacts to sensitive and special status species, riparian habitat, and jurisdictional wetlands to less than significant levels; it is not possible at this level of review, without site specific development plans, to ensure that every future project could fully mitigate potentially significant impacts. Therefore, notwithstanding future regulatory compliance and the implementation of mitigation measures impacts to candidate, sensitive, or special status species, riparian habitat, and jurisdictional wetlands would remain significant and unavoidable. These unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below. Reference: Final EIR Section 4.4.

Cultural and Tribal Cultural Resources

Environmental Impact: As detailed in Final EIR Section 4.5.5.1 (Historic Resources), the project would have the potential to cause a substantial adverse change in the significance of historic era resources, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Any alteration, relocation, demolition, or excessive groundborne vibration associated with future development that would affect historic buildings, structures, objects, landscapes, and sites would represent a significant impact to historical resources. To reduce potential impacts the following mitigation measure is included in the project's MMRP and shall be applied to future development

CUL-1: Prior to the issuance of any permit for a future development site-specific project that would directly or indirectly affect a building/structure in excess of 50 years of age, the City or a qualified architectural historian shall determine whether the affected building/structure is historically significant. The evaluation shall be based on criteria such as age, location, context, association with an important person or event, uniqueness, or structural integrity, as indicated in the CEQA guidelines. If the evaluation determines that building/structure is not historic, no further evaluation or mitigation would be required. If the building/structure is determined to be historically significant, the preferred mitigation would be to avoid the resource through project redesign. If the resource cannot be avoided, all prudent and feasible measures to minimize or mitigate harm to the resource shall be taken per recommendations of the qualified architectural historian.

Implementation of mitigation measure CUL-1 would reduce impacts on historic resources to a level less than significant. However, as no specific development projects have been identified at this time, it is not possible to ensure that every future project could fully mitigate potentially significant impacts. Therefore, notwithstanding the implementation of this mitigation measure, impacts to historic resources would be significant and unavoidable at this program level of review. This unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below.

Reference: Final EIR Section 4.5.

Environmental Impact: As detailed in Final EIR Section 4.5.5.2 (Archaeological Resources), the project would have the potential to cause a substantial adverse change in the significance of an archaeological resource, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Any vegetation clearing/grubbing, grading, trenching, or excavation associated with future development that could expose buried prehistoric or historic-era archaeological resources would represent a significant impact to historical resources. Therefore, future projects would have the potential to result in a substantial adverse effect on historical resources, and impacts would be significant. To reduce potential impacts the following mitigation measure is included in the project's MMRP and shall be applied to future development:

CUL-2: Prior to issuance of any permit for a future site-specific project that would potentially have a direct or indirect affect an archaeological resource, the City shall require the following steps be taken to determine: (1) the presence of archaeological resources, and (2) the appropriate mitigation for any significant resources which may be impacted by project development. The following steps would help determine the presence or absence of archaeological resources.

- Step 1: An archaeologist shall conduct records and background research at the Eastern Information Center for a list of recorded resources and request a sacred lands file search from the Native American Heritage Commission.
- Step 2: After review of this data, a pedestrian survey shall be conducted by a qualified archaeologist.
- Step 3: If through the research and the field survey, archaeological resources are identified, then an evaluation of significance shall be completed by a qualified archaeologist. The evaluation program generally will include excavation to determine depth, extent, integrity, and content of the subsurface cultural material.
- Step 4: The results of the excavation will be evaluated using the Thresholds in Section 4.5.4 of the Final EIR.
- Step 5: If an archaeological resource is determined significant and avoidance through project redesign is not feasible, a data recovery and construction monitoring program must be implemented to reduce the impacts the archaeological resource to below a significant level. The data recovery program must be approved by the City.
- Step 6: A final data recovery and/monitoring report shall be completed in accordance with the California Office of Historic Preservation's *Archaeological Resource Management Reports: Recommended Content and Format*. Confidential attachments must be submitted under separate

covers. Artifacts collected during the evaluation and data recovery phases must be curated at an appropriate facility consistent with state (California State Historic Resources Commission's Guidelines for Curation of Archaeological Collection 1993) and federal curation standards (36 CFR 79 of the Federal Register) and that allows access to artifact collections.

Implementation of mitigation measure CUL-2 would reduce impacts on archaeological resources to a level less than significant. However, as no specific projects have been identified at this time, it is not possible to ensure that every future project could fully mitigate potentially significant impacts. Therefore, notwithstanding the implementation of this mitigation measure, impacts to archaeological resources would be significant and unavoidable at this program level of review. This unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below.

Reference: Final EIR Section 4.5.

Environmental Impact: As detailed in Final EIR Section 4.5.5.3 (Human Remains), the project would have the potential to disturb human remains, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Any vegetation clearing/grubbing, grading, trenching, or excavation associated with future development that would expose or disturb unknown human remains would represent a significant impact to human remains. Therefore, future projects would have the potential to result in a substantial adverse effect on historical resources, and impacts would be significant To reduce potential impacts the following mitigation measure is included in the project's MMRP and shall be applied to future development:

CUL-3: If human remains are unintentionally disturbed during archaeological excavations or construction activities, implementation of the procedures set forth in PRC Section 5097.98 and California State Health and Safety Code 7050.5 would be implemented in consultation with the MLD as identified by the NAHC. California State Health and Safety Code Section 7050.5 dictates that no further disturbance shall occur until the County Coroner has made the necessary findings as to origin and disposition pursuant to PRC Section 5097.98. If the remains are determined by the County Coroner to be Native American, the NAHC shall be notified within 24 hours. The NAHC shall identify the MLD with whom consultation shall occur to determine in the treatment and disposition of the remains.

Implementation of mitigation measure CUL-3 would reduce impacts on human remains to a level less than significant. However, as no specific projects have been identified at this time, it is not possible to ensure that every future project could fully mitigate potentially significant impacts. Therefore, notwithstanding the implementation of this mitigation measure, impacts to human remains would be significant and unavoidable at this program level of review. This unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below Reference: Final EIR Section 4.5.

Environmental Impact: As detailed in Final EIR Section 4.5.5.4 (Tribal Cultural Resources), the project would have the potential to cause a substantial adverse change in the significance of a tribal cultural resource, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Any vegetation clearing/grubbing, grading, trenching, or excavation associated with future development that would affect tribal cultural resources represent a significant impact to tribal cultural resources. Therefore, future projects would have the potential to result in a substantial adverse effect on tribal cultural resources, and impacts would be significant. To reduce potential impacts implementation of CUL-2 and CUL-3 described above, along with AB 52 consultation early during the development review process, would reduce impacts on tribal cultural resources to a level less than significant. However, as no specific projects have been identified at this time, it is not possible to ensure that every future project could fully mitigate potentially significant impacts. Therefore, impacts to tribal cultural resources would be significant and unavoidable at this program level of review. This unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below.

Reference: Final EIR Section 4.5.

Noise

Environmental Impact: As detailed in Final EIR Section 4.13.5.1.d (Increase in Ambient Noise: Traffic), the project would have the potential to generate a substantial temporary or permanent increase in ambient noise levels associated with future traffic, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: The increase in ambient noise levels adjacent to roadway segments listed in Section 4.13.5.1 of the Final EIR would expose existing noise-sensitive receptors to a significant increase in ambient noise levels, and impacts would be significant.

For existing noise sensitive land uses, possible noise-reduction measures would include retrofitting older structures with acoustically rated windows and doors featuring higher Sound Transmission Class ratings, which is a measure of exterior noise reduction performance. However, there is no mechanism in place for implementing such a retrofit program. Because the significant noise impacts would be to existing homes and other noise-sensitive uses in an already urbanized area, there is no feasible mitigation.

Therefore, because retrofitting older, existing structures is not enforceable without future discretionary actions outside the purview of the GPU, no feasible mitigation measures have been identified or proposed that would mitigate impacts related to increases in ambient noise due to increased traffic. the conversion of farmland to below a level of significance. Thus, the impact is significant and unavoidable. This unavoidable impact is overridden by project benefits as set forth in the Statement of Overriding Considerations, below

Reference: Final EIR Section 4.13.

Environmental Impact: As detailed in Final EIR Section 4.13.5.1.d (Increase in Ambient Noise: Construction), the project would have the potential to generate a substantial temporary or permanent increase in ambient noise levels associated with future construction, which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Construction activities associated with any individual development may occur near noise-sensitive receptors and noise disturbances may occur. Therefore, construction noise impacts would be considered potentially significant. To reduce potential impacts the following mitigation measure is included in the project's MMRP and shall be applied to future development: :

NOS-1: The Director of Community Development or his or her designee shall require applicants to demonstrate whether the project has the potential to exceed noise standards contained in Sections 8.14.040(E) and 11.80.030(D)(7) of the Municipal Code. If a project may exceed standards or is located adjacent to sensitive receptors, the City may require the applicant to prepare a Noise Analysis that estimates construction noise and identifies noise reduction measures that would ensure compliance with Municipal Code standards. Construction plans submitted to the City shall identify applicable measures on demolition, grading, and construction plans submitted to the City. Noise reduction measures can include, but are not limited to, the following:

1. Demolition, construction, site preparation, and related activities that would generate noise perceptible at the property line of the subject property are limited to the hours between 7:00 a.m. to 7:00 p.m. from Monday through Friday excluding holidays and from 8:00 a.m. to 4:00 p.m. on Saturdays. The building inspector may issue an exception to this limitation on hours in cases of urgent necessity where the public health and safety will not be substantially impaired.
2. Idling times for noise-generating equipment used in demolition, construction, site preparation, and related activities shall be minimized either by shutting equipment off when not in use or reducing the maximum idling time to 5 minutes.
3. Demolition, construction, site preparation, and related activities within 70 feet from the edge of properties with existing, occupied noise-sensitive uses shall incorporate all feasible strategies to reduce noise exposure for noise-sensitive uses, including:
 - a. Provide written notice to all known occupied noise-sensitive uses within 400 feet of the edge of the project site boundary at least 2 weeks prior to the start of each construction phase of the construction schedule;

- b. Ensure that construction equipment is properly maintained and equipped with noise control components, such as mufflers, in accordance with manufacturers' specifications;
 - c. Re-route construction equipment away from adjacent noise-sensitive uses;
 - d. Locate noisy construction equipment away from surrounding noise-sensitive uses;
 - e. Use sound aprons or temporary noise enclosures around noise-generating equipment;
 - f. Position storage of waste materials, earth, and other supplies in a manner that will function as a noise barrier for surrounding noise-sensitive uses;
 - g. Use the quietest practical type of equipment;
 - h. Use electric powered equipment instead of diesel or gasoline engine powered equipment; Use shrouding or shielding and intake and exhaust silencers/mufflers; and
 - i. Other effective and feasible strategies to reduce construction noise exposure for surrounding noise-sensitive uses.
4. For construction of buildings that require the installation of piles, an alternative to installation of piles by hammering shall be used. This could include the use of augured holes for cast-in-place piles, installation through vibration or hydraulic insertion, or another low-noise technique.

Implementation of mitigation measure NOS-1 would reduce construction noise exposure. However, for construction sites that are adjacent to existing noise-sensitive uses, there still could be a substantial temporary increase in noise levels that could lead to significant noise-related impacts. Therefore, notwithstanding the implementation of this mitigation measure, impacts to ambient noise from construction activities would be significant and unavoidable at this program level of review. This unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below Reference: Final EIR Section 4.13.

Transportation

Environmental Impact: As detailed in Final EIR Section 4.16.5.2 (Vehicle Miles Traveled), projected VMT generated under buildout of the project would be inconsistent with CEQA Guidelines Section 15064.3, subdivision (b), which would be considered a significant impact.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make infeasible the mitigation measures identified in the Final EIR.

Facts in Support of Finding: Compared to the existing 2006 General Plan, implementation of the project would result in lower VMT using several metrics, demonstrating a land use plan that would increase per capita VMT efficiency. However, some metrics showed an increase in VMT based on several metrics (shown in bold in Table 4.16-5). As a result of some metrics that exceeded the significance criteria based on certain analysis methodologist, impacts would be significant.

The project includes Transportation Demand Management (TDM) goals, policies, and actions that would support VMT reductions; however, anticipated VMT reductions associated with proposed TDM measures would not be large enough to guarantee that significant impacts could be fully mitigated. No additional feasible mitigation was identified that could further reduce VMT impacts. Therefore, notwithstanding the project's inclusion of TDM measures, impacts would remain significant and unmitigated. This unavoidable impacts are overridden by project benefits as set forth in the Statement of Overriding Considerations, below

Reference: Final EIR Section 4.16.

VIII. FINDINGS REGARDING ALTERNATIVES

The California Environmental Quality Act (CEQA) Guidelines Section 15126.6 requires that an EIR compare the effects of a “reasonable range of alternatives” to the effects of a project. The CEQA Guidelines further specify that the alternatives selected should attain most of the basic project objectives and avoid or substantially lessen one or more significant effects of the project. The “range of alternatives” is governed by the “rule of reason,” which requires the EIR to set forth only those alternatives necessary to permit an informed and reasoned choice by the lead agency, and to foster meaningful public participation (CEQA Guidelines Section 15126.6[f]). CEQA generally defines “feasible” to mean an alternative that is capable of being accomplished in a successful manner within a reasonable period of time, while also taking into account economic, environmental, social, technological, and legal factors.

The following specific objectives have been established for the project:

- Provide a flexible land use framework that can accommodate job growth in a variety of industries over time while enhancing quality of life in the community;
- Build a strong, diverse economy with well-paying jobs in the city for local residents, reducing the need for long commutes and achieving a better balance of jobs-to-housing;
- Ensure a sustainable, measured rate of growth and efficient delivery of public services;
- Create a destination Downtown Center that makes Moreno Valley a destination city with a modern, innovative brand and that will help establish Moreno Valley as a model community where people choose to live, work, and play;
- Focus new residential and commercial development in corridors to support more frequent and reliable transit service; promote walking and biking; and reduce vehicle miles travelled;
- Foster development of gateways at key entry points into the community that announce arrival with attractive architecture and inviting uses to build Moreno Valley's sense of place;

- Facilitate development of a range of housing options that provides for the needs of current and future residents, including people of all ages, abilities, and incomes levels;
- Accommodate the City's 2021-2029 Regional Housing Needs Allocation (RHNA) allocation;
- Reduce community-wide greenhouse gas emissions consistent with statewide targets;
- Foster vibrant gathering places for locals and visitors to shop, dine, do business, and have fun, providing a range of social interaction opportunities for youth, families, and seniors;
- Enhance neighborhood livability through promoting active lifestyles with indoor and outdoor recreational amenities and prioritizing clean air, water, fresh food, and community health; and
- Encourage mindful stewardship of water, energy, and other environmental resources, and explore technological advancements as a way to enhance current/future needs and lifestyles.

The alternatives addressed in this Final EIR were selected in consideration of one or more of the following factors:

- The extent to which the alternative would feasibly accomplish most or all of the basic objectives of the project;
- The extent to which the alternative would avoid or substantially lessen any of the identified significant environmental effects of the project.
- The appropriateness of the alternative in contributing to a "reasonable range" of alternatives necessary to permit a reasoned choice; and
- The requirement of the CEQA Guidelines to consider a "no project" alternative; and to identify an "environmentally superior" alternative in addition to the no project alternative (Section 15126.6[e]).

Based on the criteria described above, this EIR considers the following project alternatives:

- No Project Alternative;
- Reduced Growth Alternative; and
- Redistributed Growth Alternative.

Based upon the administrative record for the project, the City makes the following findings concerning the alternatives to the project.

No Project (Adopted Plan) Alternative

Description: Under the No Project Alternative, the proposed amendments to the adopted General Plan, Housing Element Update, and adoption of the CAP would not occur. Growth in the city would continue to be guided by the existing land use plans and programs. Specifically, a summary of existing land uses is provided in Table 4.11-1 of the Final EIR, with existing land uses shown on Figure 4.11-1 of the Final EIR. Under the No Project Alternative, development would

continue to occur through site-specific rezoning and General Plan amendment actions, rather than through a comprehensively planned approach. The planned densities needed to accommodate the region's housing and provide the required levels of affordability would not occur. Planning for mobility infrastructure would continue as it currently exists, without a comprehensive strategy intended to reduce reliance on vehicular travel and promote other forms of mobility.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make the No Project Alternative infeasible.

Facts in Support of Finding: Final EIR Section 6.3.2 provides a detailed discussion comparing the No Project Alternative to the project. Table 6-1 of the Final EIR provides a summary of impacts of the No Project Alternative compared to the project. As shown in Table 6-1, the No Project Alternative would result in the same significant and unavoidable impacts associated with agricultural resources, air quality, biological resources, cultural and tribal cultural resources, noise, and transportation. However, due to the reduced intensity of employment opportunities and residential density that would occur under the existing land use plan, impacts related to agricultural resources, biological resources, and cultural and tribal cultural resources would be incrementally less compared to the project. Impacts related to air quality, noise, and transportation would be greater under the No Project Alternative because buildout of the existing 2006 General Plan would generate a greater amount of VMT. The No Project Alternative would also result in significant and unavoidable impacts related to GHG emissions and land use and planning that would be avoided with the project. Furthermore, the No Project Alternative would not meet any of the project objectives.

Therefore, because the No Project Alternative would result in greater impacts and would not meet the project objectives, it has been found to be infeasible.

Reduced Growth Alternative

Description: The Reduced Growth Alternative would revise the proposed land use map to reduce the amount of employment growth compared to the project (Figure 6-1 of the Final EIR). This alternative would reduce the maximum permitted floor area ratio (FAR) proposed within the Community Corridors along Sunnymead Boulevard, Alessandro Boulevard, Perris Boulevard, and Heacock Street. This would reduce the amount of non-residential development within these Community Corridors by approximately 10 to 15 percent compared to the project. This alternative would also remove the proposed Center Mixed Use within the District Specific Plan area, and reduce the footprint of the Downtown Center Concept Area by approximately 111 acres. Additionally, a portion of proposed Highway Office/Commercial Concept Area located north of SR-60 would not receive this new designation, and instead the existing office and residential land use designations from the existing 2006 General Plan would be retained.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make the Reduced Growth Alternative infeasible.

Facts in Support of Finding: Final EIR Section 6.4.2 provides a detailed discussion comparing the Reduced Growth Alternative to the project. Table 6-1 of the Final EIR provides a summary of impacts of the Reduced Growth Alternative compared to the project. As shown in Table 6-1, the Reduced Growth Alternative would result in the same significant and unavoidable impacts

associated with agricultural resources, air quality, biological resources, cultural and tribal cultural resources, noise, and transportation. Reduced growth and VMT would incrementally reduce air quality emissions compared to the project. Reduction of the footprints of the Downtown Center and Highway Office/Commercial would incrementally reduce impacts related to agricultural resources, biological resources, and cultural and tribal cultural resources compared to the project. Impacts related to noise and transportation would be less compared to the project due to the reduction in VMT.

The Reduced Growth Alternative would not meet as many primary project objectives compared to the project. The elimination of employment opportunities would not accommodate job growth, build a diverse economy, improved rate of economic growth, or focus commercial uses in corridors to the same degree as the project.

Redistributed Growth Alternative

Description: The Redistributed Growth Alternative would result in the same level of growth as the proposed plan, but would redistribute growth from the proposed Community Corridor Concept Areas to the Downtown Center Concept Area (Figure 6-2 of the Final EIR). This alternative would reduce the maximum permitted density and intensity in the Community Corridor Concept Areas, thereby reducing future development proposed along Sunnymead Boulevard, Alessandro Boulevard, Perris Boulevard, and Heacock Street by approximately 10 to 15 percent compared to the project. The reduced growth capacity from these areas would be redistributed to the Downtown Center Concept Area. This alternative would also remove a portion of the proposed Highway Office/Commercial Concept Area located north of SR-60 and the existing office and residential land use designations from the existing 2006 General Plan would be retained. Redistribution of land uses associated with this alternative would not alter the total amount of residential, commercial, and office land uses compared to the project.

Finding: Pursuant to Section 21081(a)(3), Section 15091(a)(3) of the CEQA Guidelines, the City finds that specific economic, legal, social, technological, or other considerations make the Redistributed Growth Alternative infeasible.

Facts in Support of Finding: Final EIR Section 6.4.2 provides a detailed discussion comparing the Redistributed Growth Alternative to the project. Table 6-1 of the Final EIR provides a summary of impacts of the Redistributed Growth Alternative compared to the project. As shown in Table 6-1, the Redistributed Growth Alternative would result in the same significant and unavoidable impacts associated with air quality, agricultural resources, biological resources, cultural and tribal cultural resources, noise, and transportation. Reduction of the Highway Office/Commercial footprint would incrementally reduce impacts related to agricultural resources and biological resources compared to the project. Impacts related to cultural and tribal cultural resources would be the same because changes to the land use plan associated with the Redistributed Growth Alternative would not avoid any overlap with known historic resources or archaeologically sensitive areas. Impacts related to air quality, noise, and transportation would be less compared to the project due to the reduction in VMT.

Although the Redistributed Growth Alternative would result in fewer impacts compared to the project and meet most of the primary project objectives developed for the project, it would not meet the objectives of creating high development corridors to the same degree as the project. Additionally, land within the Downtown Center is not housing ready, and under the alternative the City would not be able to accommodate as many housing units needed to achieve RHNA targets within the eight-year Housing Element planning horizon. The ability to meet the City's RHNA targets is imperative to the future of the City's sustainable housing market and to comply with

state requirements, the failure of which could bring monetary and punitive actions. Therefore, this alternative is found to be infeasible.

IX. ENVIRONMENTAL ISSUES DETERMINED NOT TO BE SIGNIFICANT

The City determined in the NOP that a program-level EIR would be required for the project, pursuant to Section 15060(d) of the CEQA Guidelines (14 CCR 15000 et seq.) and did not prepare an Initial Study. Therefore, the EIR evaluated potential impacts to all environmental categories.

X. FINDINGS REGARDING SIGNIFICANT IRREVERSIBLE ENVIRONMENTAL CHANGES

California Environmental Quality Act (CEQA) Guidelines Section 15126.2(c) require that the significant irreversible environmental changes that would result from project implementation, be addressed in the EIR. In accordance with CEQA Guidelines Section 15126.2(c):

Uses of nonrenewable resources during the initial and continued phases of the project may be irreversible since a large commitment of such resources makes removal or nonuse thereafter unlikely. Primary impacts and, particularly, secondary impacts (such as highway improvements which provide access to a previously inaccessible area) generally commit future generations to similar uses. Also irreversible damage can result from environmental accidents associated with the project. Irretrievable commitments of resources should be evaluated to assure that such current consumption is justified.

Non-renewable resources generally include agricultural land; biological, archaeological, and paleontological resources; mineral deposits; water bodies; and some energy sources. The project has been designed to minimize impacts to sensitive biological resources by primarily focusing future development and redevelopment within the proposed Concept Areas. These areas consist of clusters of vacant and underutilized land within the city limit that would avoid the majority of sensitive habitat that is located within the eastern and southeastern portion of the Planning Area. Focusing development and redevelopment within these areas that consist primarily of developed and/or disturbed land would minimize adverse impacts to sensitive species. Similarly, the Concept Areas avoid the majority of the identified historic and potentially eligible historic resources, as well as the majority of the archaeological sensitive complexes. Nonetheless, impacts to biological and cultural resources were found to remain significant and unavoidable, because it cannot be known at the program level of analysis with certainty that impacts to sensitive species could be fully avoided or be fully mitigated. (see Sections 4.4 and 4.5 of the Final EIR). Additionally, implementation of the project would result in the permanent loss of 15 acres of land designated Prime Farmland, as well as the additional loss of farmland due to indirect conversion of agricultural land through urbanization (see Section 4.2). Therefore, future development consistent with the project could result in the permanent loss of biological, cultural, and agricultural resources.

There exists some potential for paleontological resources to be present within the Planning Area, primarily within portions of the sphere of influence that have been identified as having a high potential for paleontological resources. However, implementation of mitigation measure PAL-1 would reduce impacts associated with future grading and development to a level less than significant (see Section 4.7 of the Final EIR). As described in Section 4.10, implementation of the project would result in less than significant impacts to water bodies (drainage and water quality). The Planning Area does not support any mineral extraction activities, and the small amount of land designated as MRZ-2 in the southeastern portion of the sphere of influence is not located within any

of the proposed Concept Areas. Therefore, impacts related to mineral resources would be less than significant.

With regard to energy resources, actions related to future development would result in an irretrievable commitment of nonrenewable resources, including as energy supplies and construction materials, such as lumber, steel, and aggregate. Non-renewable energy resources (coal, natural gas, oil) would be used in construction, heating, and refrigeration of food and water, transportation, lighting, and other associated energy needs. (Energy impacts are further discussed in Section 4.6 of this EIR).

In summary, implementation of the project would result in an increase in residential, business park, industrial, office, commercial, and civic and institutional uses throughout the Planning Area, particularly within the Concept Areas (see Figure 3-1). Construction and operation associated with implementation of future projects would result in the irretrievable commitment of limited, slowly renewable, and nonrenewable resources, which would limit the availability of these particular resource quantities for future generations or for other uses. However, the use of such resources would be consistent with local and regional growth forecasts for the area (see Section 4.14 of the Final EIR). Therefore, although irreversible environmental changes would result from future development, such changes would not be considered significant.

XI. STATEMENT OF OVERRIDING CONSIDERATIONS

This Statement of Overriding Considerations reflects the significant and unavoidable impacts of the project. As detailed in Section VI.C above, the project would have impacts related to agriculture and forestry resources, air quality, biological resources, cultural resources, noise, and transportation that would remain significant, even after the adoption of all feasible mitigation measures.

The City has adopted all feasible mitigation measures with respect to these impacts. Although changes to the project may substantially lessen these significant impacts, these changes would not sufficiently meet the project objectives. Additionally, the City has examined a reasonable range of alternatives to the project. Based on this examination, the City has determined that none of the alternatives would avoid or substantially lessen significant environmental effects while achieving most of the objectives of the project. As a result, to approve the project, the City must adopt this Statement of Overriding Considerations pursuant to CEQA Guidelines Sections 15043 and 15093. These provisions allow a lead agency to cite a project's general economic, social, or other benefits as a justification for choosing to allow the occurrence of specified significant environmental effects that have not been fully mitigated.

CEQA does not require lead agencies to analyze "beneficial impacts" in an EIR. Rather, EIRs are to focus on potential "significant effects on the environment," defined to be "adverse" (Public Resources Code Section 21068). The Legislature amended the definition to focus on "adverse" impacts after the California Supreme Court had held that beneficial impacts must also be addressed (see *Wildlife Alive v. Chickering* [1976] 18 Cal. 3d 190, 206 [132 Cal. Rptr. 377]). Nevertheless, decision-makers benefit from information about project benefits. These benefits can be cited, if necessary, in a statement of overriding considerations (CEQA Guidelines Section 15093).

The City finds that the project would have the following substantial legal, social, environmental, and economic benefits. Any one of the reasons for approval cited below is sufficient to justify approval of the project. Thus, even if a court were to conclude that not every reason is supported

by substantial evidence, the City Council would stand by its determination that each individual reason is sufficient. The substantial evidence supporting the various benefits can be found either below or in the preceding findings, which are incorporated by reference into this section, and in the documents found in the Record of Proceedings, as defined in Section I.C.

A. Economic Benefits:

- The project would allow for increased densities along key transit corridors and mobility and streetscape improvements that are intended to spur revitalization through public and private investments.
- The project would accommodate additional residential housing. Higher density housing types provide economic benefits, such as lower per unit construction costs and potential reductions in municipal infrastructure costs. Higher densities also reduce occupant housing costs.
- Adoption of the project would streamline development within designated areas, resulting in construction jobs and associated economic benefits.
- Development of underutilized land and creation of mixed-use neighborhoods would result in an increase in property tax revenues.

B. Environmental Benefits:

- The project includes policies to increase reliable transit service, promote walking and biking and reduce vehicle miles travelled in the City, which can in turn reduce greenhouse gas and air emissions associated with vehicles.

C. Social Benefits:

- The project would provide for increased multi-modal opportunities for City residents which support healthy communities and active lifestyles.
- The project would enhance the public realm and quality of life for residents through planning for streetscape enhancements, increased tree canopy, and usable outdoor green spaces within urban areas.
- Road diets would have the effect of slowing traffic along key corridors to improve safety for pedestrians/bicyclists and allow for pedestrian scale transportation corridors.
- Adoption of the project would provide increased housing options.

XII. CONCLUSIONS

The City finds that there is substantial evidence in the administrative record of benefits, as described above in Section XI, which would directly result from approval and implementation of the project. The City finds that the need for these benefits specifically overrides the impacts of the project related to agriculture and forestry resources, air quality, biological resources, cultural resources, noise, and transportation. Therefore, the adverse effects of the project are considered acceptable.

The City has independently reviewed and analyzed the Final EIR as required by CEQA. Prior to that review and analysis, the City circulated the Draft EIR and appendices and those documents also reflect the City's independent review, analysis, and judgment pursuant to CEQA.

As part of the certification of the Final EIR, the City finds that the EIR reflects the independent judgment of the City, acting in its capacity as the lead agency. As required by CEQA (Public Resources Code Section 21081.6), the City in adopting these Findings also adopts the MMRP. The City hereby finds that the MMRP meets the requirements of Public Resources Code Section 21081.6 by providing for the implementation and monitoring of the mitigation measures set forth herein, which mitigate the identified significant impacts associated with the project and are fully enforceable through permit conditions, agreements, these Findings, and other measures.

Chapter 7

Mitigation Monitoring and Reporting Program

Section 15097 of the California Environmental Quality Act (CEQA) Guidelines requires that a Mitigation Monitoring and Reporting Program (MMRP) be adopted upon certification of an Environmental Impact Report (EIR; including associated Findings), to ensure that the associated mitigation measures are implemented. Table 7-1 identifies the mitigation measures and specifies the entity (or entities) responsible for monitoring and reporting. Pursuant to Public Resources Code Section 21081.6, an MMRP is only required for impacts identified as significant or potentially significant in the EIR analysis. The environmental analysis resulted in the identification of a programmatic mitigation framework, which would reduce potentially significant impacts, but not to below a level of significance for all the environmental topics. Programmatic mitigation measures have been identified for air quality, biological resources, cultural and tribal cultural resources, Geology/Soils, and noise.

**Table 7-1
Mitigation Monitoring and Reporting Program**

Mitigation Measure	Timing of Verification	Responsible for Verification	Status/Date/Initials
4.3 Air Quality			
<p>AQ-1: Applications for future development, wherein the Director of Community Development or his or her designee has determined a potential for air quality impacts associated with construction, shall prepare and submit a technical assessment evaluating potential project construction-related air quality impacts to the City for review and approval. The Director of Community Development or his or her designee shall make this determination based on the size of the project, whether the project would require a transportation impact analysis, or other criteria. The evaluation shall be prepared in conformance with South Coast Air Quality Management District (SCAQMD) methodology for assessing air quality regional and local impacts. If construction-related criteria air pollutants are determined to have the potential to exceed the SCAQMD's adopted regional and localized construction CEQA thresholds of significance, the City shall require that applicants for new development projects incorporate mitigation measures to reduce air pollutant emissions during construction activities. These identified measures shall be incorporated into all appropriate construction documents (e.g., construction management plans) submitted to the City and shall be verified by the City. Mitigation measures to reduce construction-related emissions could include, but are not limited to:</p> <ul style="list-style-type: none"> • Require fugitive-dust control measures that exceed SCAQMD's Rule 403 requirements, such as: <ul style="list-style-type: none"> ○ Use of nontoxic soil stabilizers to reduce wind erosion. ○ Apply water every four hours to active soil-disturbing activities. ○ Tarp and/or maintain a minimum of 24 inches of freeboard on trucks hauling dirt, sand, soil, or other loose materials. • Encourage the use of construction equipment equal to or greater than 50 horsepower be electrically powered or alternatively fueled. At a minimum, use construction equipment rated by the United States Environmental Protection Agency as having Tier 4 Final (model year 2008 or newer) emission limits. Include this requirement in applicable bid documents, purchase orders, and contracts. • Ensure that construction equipment is properly serviced and maintained to the manufacturer's standards. • Limit nonessential idling of construction equipment to no more than five consecutive minutes. • Limit on-site vehicle travel speeds on unpaved roads to 15 miles per hour. • Install wheel washers for all exiting trucks or wash off all trucks and equipment leaving the project area. • Use Super-Compliant VOC paints for coating of architectural surfaces whenever possible. A list of Super-Compliant architectural coating manufactures can be found on the SCAQMD's website. 	<p>Technical analysis required prior to project approval.</p>	<p>City</p>	
4.4 Biological Resources			
<p>BIO-1: Applications for future development of vacant properties (and portions thereof), wherein the Director of Community Development or his or her designee has determined a potential for impacts to sensitive biological resources, shall be required to prepare a site-specific general biological resources survey to identify the presence of any sensitive biological resources, including any sensitive plant or wildlife species. The report shall identify the need for focused presence/absence surveys and identify the presence of state or federal regulated wetlands or waters. If potentially significant impacts to sensitive biological resources, including sensitive species and/or wetlands are identified, the report shall also recommend appropriate mitigation to reduce the impacts to below a level of significance.</p>	<p>Technical analysis required prior to project approval.</p>	<p>City/Qualified Biologist</p>	
<p>BIO-2: Applications for future development, wherein the Director of Community Development or his or her designee has determined a potential for impacts to mature trees and/or native vegetation suitable for nesting birds, shall be required to restrict removal of sensitive habitat and vegetation to outside the breeding seasons of any sensitive species identified within adjacent properties (typical bird breeding season is February 1–September 1. as early as January 1 for some raptors). If vegetation clearing must begin during the breeding season, a qualified biologist shall provide recommendations to avoid impacts to nesting birds which typically includes a pre-construction survey within 3 days of the start of construction to determine the presence of active nests.</p> <p>If active nests are found, avoidance measures shall be implemented to ensure protection of the nesting birds. Avoidance measures may include a no-activity buffer zone, typically 300 feet from the area of disturbance or 500 feet for raptors, established at the discretion of the qualified biologist in consultation with the City. If activity buffer zones are not feasible, temporary noise barriers may be installed to attenuate construction noise. Noise wall height and adequacy shall be supported by a noise analysis to determine the anticipated construction noise levels with attenuation measures as recommended by the biologist and approved by the City. Periodic noise monitoring shall be conducted during construction to ensure noise attenuation standards are met. Accepted noise levels are species dependent and existing ambient noise levels can play a factor in establishing baseline acceptable noise.</p>	<p>Technical analysis required prior to project approval.</p>	<p>City/Qualified Biologist</p>	
4.5 Cultural and Tribal Cultural Resources			
<p>CUL-1: Prior to the issuance of any permit for a future development site-specific project that would directly or indirectly affect a building/structure in excess of 50 years of age, the City or a qualified architectural historian shall determine whether the affected building/structure is historically significant. The evaluation shall be based on criteria such as age, location, context, association with an important person or event, uniqueness, or structural integrity, as indicated in the CEQA guidelines. If the evaluation determines that building/structure is not historic, no further evaluation or mitigation would be required. If the building/structure is determined to be historically significant, the preferred mitigation would be to avoid the resource through project redesign. If the</p>	<p>Technical analysis required prior to project approval.</p>	<p>City/Qualified Architectural Historian</p>	

Attachment: d. Exhibit B MMRP (4445 : Comprehensive General Plan Update, Climate Action Plan, Municipal Code Zoning Ordinance

**Table 7-1
Mitigation Monitoring and Reporting Program**

Mitigation Measure	Timing of Verification	Responsible for Verification	Status/Date/Initials
resource cannot be avoided, all prudent and feasible measures to minimize or mitigate harm to the resource shall be taken per recommendations of the qualified architectural historian.			
<p>CUL-2: Prior to issuance of any permit for a future site-specific project that would potentially have a direct or indirect affect an archaeological resource, the City shall require the following steps be taken to determine: (1) the presence of archaeological resources, and (2) the appropriate mitigation for any significant resources which may be impacted by project development. The following steps would help determine the presence or absence of archaeological resources.</p> <p>Step 1: An archaeologist shall conduct records and background research at the Eastern Information Center for a list of recorded resources and request a sacred lands file search from the Native American Heritage Commission.</p> <p>Step 2: After review of this data, a pedestrian survey shall be conducted by a qualified archaeologist.</p> <p>Step 3: If through the research and the field survey, archaeological resources are identified, then an evaluation of significance shall be completed by a qualified archaeologist. The evaluation program generally will include excavation to determine depth, extent, integrity, and content of the subsurface cultural material.</p> <p>Step 4: The results of the excavation will be evaluated using the Thresholds above in Section 4.5.4.</p> <p>Step 5: If an archaeological resource is determined significant and avoidance through project redesign is not feasible, a data recovery and construction monitoring program must be implemented to reduce the impacts the archaeological resource to below a significant level. The data recovery program must be approved by the City.</p> <p>Step 6: A final data recovery and/monitoring report shall be completed in accordance with the California Office of Historic Preservation’s Archaeological Resource Management Reports: Recommended Content and Format. Confidential attachments must be submitted under separate covers. Artifacts collected during the evaluation and data recovery phases must be curated at an appropriate facility consistent with state (California State Historic Resources Commission’s Guidelines for Curation of Archaeological Collection 1993) and federal curation standards (36 CFR 79 of the Federal Register) and that allows access to artifact collections.</p>	Technical analysis required prior to project approval.	City/Qualified Archaeologist	
<p>CUL-3: If human remains are unintentionally disturbed during archaeological excavations or construction activities, implementation of the procedures set forth in PRC Section 5097.98 and California State Health and Safety Code 7050.5 would be implemented in consultation with the MLD as identified by the NAHC. California State Health and Safety Code Section 7050.5 dictates that no further disturbance shall occur until the County Coroner has made the necessary findings as to origin and disposition pursuant to PRC Section 5097.98. If the remains are determined by the County Coroner to be Native American, the NAHC shall be notified within 24 hours. The NAHC shall identify the MLD with whom consultation shall occur to determine in the treatment and disposition of the remains.</p>	During Construction	City/Qualified Archaeologist	
4.7 Geology/Soils			
<p>PAL-1: Applications for future development, wherein the Community Development Director or his or her designee has determined a potential for impacts to paleontological resources, shall review the underlying geology and paleontological sensitivity of the site. If it is determined that the potential exists that sensitive paleontological resources are present, the applicant shall be required to comply with the following mitigation framework.</p> <p>A qualified paleontological monitor shall be present during grading in project areas where a project specific geological technical study has determined that such monitoring is necessary due to the potential for paleontological resources to reside within the underlying geologic formations. The geologic technical study shall also provide specific duties of the monitor, and detailed measures to address fossil remains, if found.</p>	During Construction	City/Qualified Paleontologist	
4.13 Noise			
<p>NOS-1: The Director of Community Development or his or her designee shall require applicants to demonstrate whether the project has the potential to exceed noise standards contained in Sections 8.14.040(E) and 11.80.030(D)(7) of the Municipal Code. If a project may exceed standards or is located adjacent to sensitive receptors, the City may require the applicant to prepare a Noise Analysis that estimates construction noise and identifies noise reduction measures that would ensure compliance with Municipal Code standards. Construction plans submitted to the City shall identify applicable measures on demolition, grading, and construction plans submitted to the City. Noise reduction measures can include, but are not limited to, the following:</p> <ol style="list-style-type: none"> Demolition, construction, site preparation, and related activities that would generate noise perceptible at the property line of the subject property are limited to the hours between 7:00 a.m. to 7:00 p.m. from Monday through Friday excluding holidays and from 8:00 a.m. to 4:00 p.m. on Saturdays. The building inspector may issue an exception to this limitation on hours in cases of urgent necessity where the public health and safety will not be substantially impaired. Idling times for noise-generating equipment used in demolition, construction, site preparation, and related activities shall be minimized either by shutting equipment off when not in use or reducing the maximum idling time to 5 minutes. Demolition, construction, site preparation, and related activities within 70 feet from the edge of properties with existing, occupied noise-sensitive uses shall incorporate all feasible strategies to reduce noise exposure for noise-sensitive uses, including: 	Technical analysis required prior to project approval.	City	

**Table 7-1
Mitigation Monitoring and Reporting Program**

Mitigation Measure	Timing of Verification	Responsible for Verification	Status/Date/Initials
<p>a. Provide written notice to all known occupied noise-sensitive uses within 400 feet of the edge of the project site boundary at least 2 weeks prior to the start of each construction phase of the construction schedule;</p> <p>b. Ensure that construction equipment is properly maintained and equipped with noise control components, such as mufflers, in accordance with manufacturers' specifications;</p> <p>c. Re-route construction equipment away from adjacent noise-sensitive uses;</p> <p>d. Locate noisy construction equipment away from surrounding noise-sensitive uses;</p> <p>e. Use sound aprons or temporary noise enclosures around noise-generating equipment;</p> <p>f. Position storage of waste materials, earth, and other supplies in a manner that will function as a noise barrier for surrounding noise-sensitive uses;</p> <p>g. Use the quietest practical type of equipment;</p> <p>h. Use electric powered equipment instead of diesel or gasoline engine powered equipment; Use shrouding or shielding and intake and exhaust silencers/mufflers; and</p> <p>i. Other effective and feasible strategies to reduce construction noise exposure for surrounding noise-sensitive uses.</p> <p>4. For construction of buildings that require the installation of piles, an alternative to installation of piles by hammering shall be used. This could include the use of augured holes for cast-in-place piles, installation through vibration or hydraulic insertion, or another low-noise technique.</p>			
<p>NOS-2: Prior to issuance of a building permit for a project requiring pile driving during construction within 135 feet of fragile structures, such as historical resources, 100 feet of non-engineered timber and masonry buildings (e.g., most residential buildings), or within 75 feet of engineered concrete and masonry (no plaster); or a vibratory roller within 25 feet of any structure, the project applicant shall prepare a noise and vibration analysis to assess and mitigate potential noise and vibration impacts related to these activities. This noise and vibration analysis shall be conducted by a qualified and experienced acoustical consultant or engineer. The vibration levels shall not exceed Federal Transit Administration (FTA) architectural damage thresholds (e.g., 0.12 inches per second [in/sec] peak particle velocity [PPV] for fragile or historical resources, 0.2 in/sec PPV for non-engineered timber and masonry buildings, and 0.3 in/sec PPV for engineered concrete and masonry). If vibration levels would exceed this threshold, alternative uses such as drilling piles as opposed to pile driving and static rollers as opposed to vibratory rollers shall be used. If necessary, construction vibration monitoring shall be conducted to ensure vibration thresholds are not exceeded.</p>	<p>Technical analysis required prior to project approval.</p>	<p>City</p>	

RESOLUTION NUMBER 2021-XX

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING MOVAL 2040, GENERAL PLAN AMENDMENT PEN19-0240, THE CLIMATE ACTION PLAN AND THE CLIMATE ACTION PLAN APPENDICES

WHEREAS, the City of Moreno Valley (“City”) is a general law city and a municipal corporation of the State of California; and

WHEREAS, on October 1, 2019, the City Council authorized staff to award a project-related professional services agreement to Dyett and Bhatia, an urban and regional planning firm, for the preparation of a comprehensive update to the City’s General Plan, and preparation of associated documents; and

WHEREAS, pursuant to the provisions of Municipal Code Section 9.02.200 (Public Hearing and Notification Procedures) of the Moreno Valley Municipal Code and Government Code section 65905, a public hearing before the Planning Commission was scheduled for May 27, 2021, and notice thereof was duly published and posted and an advertisement exceeding one-eight page advertisement was published on May 15, 2021 in lieu of providing individual notices to property owners since greater than 1,000 property owners are affected by the project as provided for in Section 9.02.200 (C.2); and

WHEREAS, on May 27, 2021, the public hearing to consider MoVal 2040 was adjourned and continued to May 28, 2021 at 7:30 p.m. due to the lack of a quorum; and

WHEREAS, on May 28, 2021, the public hearing to consider MoVal 2040 was adjourned and continued to June 8, 2021 at 7:00 p.m. due to the lack of a quorum; and

WHEREAS, on June 8, 2021, the public hearing to consider MoVal 2040 was duly conducted by the Planning Commission at which time all interested persons were provided with an opportunity to testify and to present evidence; and

WHEREAS, on June 8, 2021, in accordance with the provisions of the California Environmental Quality Act (CEQA¹) and CEQA Guidelines,² the Planning Commission considered and recommended that the City Council certify the Environmental Impact Report prepared for MoVal 2040: Comprehensive General Plan Update and Climate Action Plan, which includes overriding findings; and

WHEREAS, on June 8, 2021, the Planning Commission considered and recommended that the City Council approve Resolution 2021-20, recommending that the City Council approve MoVal 2040, the Comprehensive General Plan Amendment and Climate Action Plan; and

¹ Public Resources Code §§ 21000-21177

² 14 California Code of Regulations §§15000-15387

WHEREAS, MoVal 2040 has been evaluated in accordance with applicable State laws and regulations including but not limited to, the General Plan Guidelines prepared by the Governor's Office of Planning and Research, other applicable State laws and regulations, applicable sections of Title 9 of the City's Municipal Code, approved City Specific Plans, and other applicable laws and regulations; and

WHEREAS, pursuant to the provisions of Municipal Code Section 9.02.200 (Public Hearing and Notification Procedures) of the Moreno Valley Municipal Code and Government Code section 65905, a public hearing before the City Council was scheduled for June 15, 2021, and notice thereof was duly published and posted and an advertisement exceeding one-eight page advertisement was published on June 4, 2021 in lieu of providing individual notices to property owners since greater than 1,000 property owners are affected by the project as provided for in Section 9.02.200 (C.2); and

WHEREAS, at the public hearing, the City Council considered whether each of the requisite findings specified in Section 9.02.040 of the Municipal Code and set forth herein could be made with respect to MoVal 2040; and

WHEREAS, on June 15, 2021, a hearing was conducted by the City Council whereby the City Council certified the Environmental Impact Report for MoVal 2040; and

WHEREAS, on June 15, 2021, at the public hearing, the City Council considered whether each of the findings contained herein could be made with respect to MoVal 2040; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. Recitals and Exhibits

That the foregoing Recitals and attached Exhibits are true and correct and are hereby incorporated by this reference.

Section 2. Notice

That pursuant to Government Code section 66020(d)(1), notice is hereby given that the proposed project is subject to certain fees, dedications, reservations and other exactions as provided herein.

Section 3. Evidence

That the City Council has considered all of the evidence submitted into the administrative record for MoVal 2040, including, but not limited to, the following:

- (a) MoVal 2040 documents, including the General Plan Update and Climate Action Plan, and all relevant provisions contained therein;
- (b) Proposed corresponding amendment to the Title 9 of the City's Municipal Code and amendments to the City's Official Zoning Atlas;
- (c) Title 9 (Planning and Zoning) of the Moreno Valley Municipal Code and all corresponding changes to Title 9 to achieve consistency with the General Plan;
- (d) Application for the approval of MoVal 2040: Comprehensive General Plan Update (PEN19-0240) and all documents, records and references contained therein;
- (e) Staff Report prepared for the Planning Commission's consideration and all documents, records and references related thereto, and Staff's presentation at the public hearing;
- (f) Staff Report prepared for the City Council's consideration and all documents, records and references related thereto, and Staff's presentation at the public hearing;
- (g) Testimony and/or comments from Applicant and its representatives during the public hearing; and
- (h) Testimony, comments and correspondence from all persons that were provided in written format or correspondence, at, or prior to, the public hearings.

The General Plan Update and Climate Action Plan documents are on file with the Community Development Department and posted on the City's website.

Section 4. Findings

That based on the foregoing Recitals and the Evidence contained in the Administrative Record as set forth above, the City Council makes the following findings:

- (a) The proposed MoVal 2040 (Comprehensive General Plan update and Climate Action Plan) establishes the aspirational goals for the City of Moreno Valley for the future, and replaces the existing goals, objectives, policies and programs of the General Plan; and
- (b) MoVal 2040 is consistent with all applicable planning and housing laws in the State of California, including the State General Plan Guidelines; and
- (c) The proposed General Plan amendment will not adversely affect the public health, safety or general welfare.

Section 5. Recommendation

That based on the foregoing Recitals, Evidence contained in the Administrative Record and Findings set forth herein, the City Council hereby approves Comprehensive General Plan Update (PEN19-0240), and Climate Action Plan. That the City Council hereby authorizes the Community Development Director to make minor changes to the

General Plan Update (PEN19-0240) and associated documents to ensure compliance with State regulations, comments, and directives prior to submitting to the State for acceptance, when applicable.

The General Plan Update and Climate Action Plan documents are on file with the Community Development Department and posted on the City’s website.

Section 6. Repeal of Conflicting Provisions

That all the provisions as heretofore adopted by the City Council that are in conflict with the provisions of this Resolution are hereby repealed.

Section 7. Severability

That the City Council declares that, should any provision, section, paragraph, sentence or word of this Resolution be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this Resolution as hereby adopted shall remain in full force and effect.

Section 8. Effective Date

That this Resolution shall take effect immediately upon the date of adoption.

Section 9. Certification

That the City Clerk for the City Council shall certify to the passage of this Resolution.

PASSED AND ADOPTED THIS _____ day of _____, 2021.

CITY OF MORENO VALLEY
CITY COUNCIL

Dr. Yxstian A. Gutierrez
Mayor of the City of Moreno Valley

ATTEST:

Pat Jacquez-Nares, City Clerk

APPROVED AS TO FORM:

Steven B. Quintanilla, Interim City Attorney

Item	Page No.	Chapter	Action Requested	Edit
1	3-3	Economic development	Correction to firm name in Table on p.3-3	"Mass Bros" > Moss Bros
2	2-9	Land Use	Change the land use designation from Residential 3 (R3) to Commercial (C) to achieve ALUC consistency.	Update Map LCC-4, APNS: 263070040 (0.32 acres) 2630070039 (0.58 acres)
3	2-9	Land Use	Change the southern 1/3 (approx. 232' H x 100' W) to Business Flex to achieve ALUC consistency. The northern 2/3 of the parcel will be Residential 3 (R3) as shown in the General Plan.	Update Map LCC-4, APNs: 291192025 (1.46 acres)
4	2-9	Land Use	Land Use change from COMU back to Residential 10 (R10) to correct a map error.	Update Map LCC-4, APNs: 486193038, 486193037 486193002, 486193005 486193036, 486193001 486193009, 486193004 486193008, 486193007 486193006, 486193003 486193010, 486193034 486193035
5	2-9	Land Use	Land Use change from Residential 10 (R10). back to Residential 5 (R5).	Update Map LCC-4: APNs: 316110005, 316110006 316110024, 316110023 316110022
6	4-6	Circulation	Add clarifying text as last paragraph under the Circulation Diagram heading to satisfy ALUC's conditional consistency finding.	"A portion of Heacock Street is located within an area that is currently identified as the Clear Zone within the 2014 March Air Reserve Base /Inland Port Airport Land Use Compatibility Plan and the 2018 Air Installation Compatible Use Zones Study. In addition, the Department of Defense (DoD) requirements applicable to Clear Zones and accident potential zones are outlined in Department of Defense Instruction, DODI 4165.57 1977 and DODI 4165.57 2011. While the existing segment of Heacock Street in the Clear Zone meets the exceptions for both the 1977 and 2011 DoD guidance (DODI 4165.57 1977 and DODI 4165.57 2011), any future improvements of the street segment in the Clear Zone may be constrained given the previous stated requirements. The City will coordinate any future plans for the segment of Heacock Street within the Clear Zone with both the March Air Reserve Base and the Airport Land Use Commission and consider applicable DoD guidance. In addition, in order to ensure consistency with future MARB and ALUC land use plans, Policy C.2-13 specifies that 'the City will coordinate with March Air Reserve Base and Airport Land Use Commission staff to ensure that Heacock Street within the Clear Zone is consistent with future land use plans adopted by the March Air Reserve Base and/or the Airport Land Use Commission."
7	4-19	Circulation	New policy/added information for Heacock street	<u>C.2-13. The City will coordinate with MARB and ALUC staff to ensure that Heacock Street within the Clear Zone is consistent with future land use plans adopted by the March Air Reserve Base and/or the Airport Land Use Commission.</u> "

Attachment A1 - Errata Sheet Summarizing Revisions in Response to Public Comment (General Plan)

Item	Page No.	Chapter	Action Requested	Edit
8	4-12	Circulation	Bullet point missing/formatting off	◆ Car sharing services are services that allow consumers access to a vehicle without owning a personal car. Car share services typically charge a monthly or yearly membership fee and an hourly rate for access to its shared vehicle fleet.
9	5-8	Parks/Public Services	Clarification to policy language	PPS.1-2: Require that proponents of new development projects contribute to the acquisition and development of adequate parks and recreational facilities within the community, either through the dedication of park land <u>and construction of facilities</u> , or the payment of in-lieu fees.
10	5-9	Parks/Public Services	Clarification to policy language	PPS.1-D Evaluate changes to parkland dedication requirements that will ensure the adequate provision of parkland. These changes may include updating the municipal code to extend parkland dedication requirements to residential projects of fewer than 50 units and requiring that large residential projects provide public open space, <u>parkland</u> and amenities on-site.
11	5-3	Parks/Public Services	Revise Map OSRC-1 Regional Open Space and Trails to show only the officially trails adopted in the Sycamore Canyon Wilderness Park Stephens' Kangaroo Rat Management Plan and Updated Conceptual Development Plan.	Map revision
12	5-2 through 5-6	Parks/Public Services	Minor adjustments to parks acreages in Table PPS-1 and narrative, based on new data from Parks Department	The City has established a park service standard of 3.0 acres of parkland per 1,000 residents to ensure that access to parks is adequate and commensurate with the size of the community. With <u>671 acres</u> of existing and planned parkland, Moreno Valley currently has <u>2.35 acres</u> per thousand residents, below the established service ratio. However, the City has identified approximately <u>67 acres</u> of land for new parks, including the Markborough (43.16 acres) and Redlands (6.00 acres) properties, College Park undeveloped area (7.00 acres, dependent upon joint use agreement with Moreno Valley College), Morrison property undeveloped area (8.09 acres), and Rancho Verde Park (3.44 acres). Development of these facilities will provide new recreational open space to satisfy future demand, although with a projected population of over 252,000 in 2040, an additional <u>153 acres</u> of parkland will be required to meet the established standard. Map PPS-1 identifies potential locations for these new facilities, adjacent to areas where new housing is envisioned. These are generalized locations only, intended to represent the approximate area. Poorman's Reservoir and Sunnymead Ranch Linear Park are existing parks, which will be moved to the existing park category and corresponding numeric corrections will be made.
13		Safety	Modified text to address consistency with the Airport Land Use Commission Plan	S.4-3: Minimize the potential for development adjacent to the March Air Reserve Base/Inland Port Airport <u>to adversely affect</u> airport operations such as by reducing the potential for bird strikes, and electromagnetic interference, <u>and glare</u> .

ORDINANCE NO. 2021-XX

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MORENO VALLEY, CALIFORNIA, APPROVING MUNICIPAL CODE ZONING ORDINANCE AMENDMENT PEN21-0030 TO ESTABLISH NEW ZONES TO IMPLEMENT THE NEWLY ESTABLISHED GENERAL PLAN DESIGNATIONS, AND ZONING ORDINANCE AND OFFICIAL ZONING ATLAS AMENDMENTS TO ADDRESS CONSISTENCY WITH THE COMPREHENSIVE GENERAL PLAN UPDATE AND THE MARCH AIR RESERVE BASE/INLAND PORT AIRPORT LAND USE COMPATIBILITY PLAN

The City Council of the City of Moreno Valley does ordain as follows:

SECTION 1 GENERAL:

1.1 The City of Moreno Valley (“City”) is a general law city and a municipal corporation of the State of California; and

1.2 Zoning consistency is a requirement of State law and zoning must be changes to establish consistency “within a reasonable time” upon adoption of a new General Plan Land Use element (Government Code Section 65860(c)); and

1.3 Pursuant to the provisions of Section 9.02.200 (Public Hearing and Notification Procedures) of the Moreno Valley Municipal Code and Government Code section 65905, a public hearing before the Planning Commission was scheduled for May 27, 2021, and notice thereof was duly published and posted; an advertisement exceeding the minimum one-eight page was published on May 15, 2021 in lieu of notices to property owners since greater than 1,000 property owners are affected as provided for in Section 9.02.200 (C.2); and

1.4 On May 27th, the regular Planning Commission meeting was adjourned and continued to May 28th at 7:30 p.m. due to the lack of a quorum; and

1.5 On May 28th, the adjourned meeting of the Planning Commission was adjourned and continued to June 8th at 7:00 p.m. due to the lack of a quorum; and

1.6 Pursuant to the provisions of the law, a public hearing was held before the Planning Commission on June 8, 2021, for deliberations and a recommendation to the City Council; and

1.7 After the matter was fully discussed, and the public and other agencies were given the opportunity to present testimony and documentation, the Planning Commission considered and recommended that the City Council certify the Environmental Impact Report and approve of the comprehensive General Plan update; and

1.8 Pursuant to the provisions of Section 9.02.200 (Public Hearing and Notification Procedures) of the Moreno Valley Municipal Code and Government Code section 65905, a public hearing before the City Council was scheduled for June 15, and notice thereof was duly published and posted; an advertisement exceeding the minimum one-eight page was published on June 4, 2021; and

1.9 Pursuant to the provisions of the law, a public hearing was held before the City Council on June 15, 2021, for deliberations and decision; and

1.10 The matter was fully discussed, and the public and other agencies were given opportunity to present testimony and documentation; and

1.11 The Municipal Code Zoning Ordinance amendment and amendments to the Official Zoning Atlas have been reviewed by City staff for the purpose of compliance with the California Environmental Quality Act (CEQA). Based on the review, staff determined that the project impacts are within the scope of the Final Environmental Impact Report prepared for MoVal 2040, the City's Comprehensive General Plan update and Climate Action Plan in that the zoning ordinance and amendments to the zoning atlas implement and are consistent with MoVal 2040, which was fully analyzed and evaluated in the Final Program Environmental Impact Report (State Clearinghouse No. 2020039022).

SECTION 2 FINDINGS:

That based on the content of the foregoing Recitals and the Evidence contained in the Administrative Record as set forth above, the City Council makes the following findings:

- (a) The proposed amendment is consistent with the existing goals, objectives, policies and programs of the general plan.
- (b) The proposed amendment will not adversely affect the public health, safety or general welfare.
- (c) The proposed amendment is consistent with the purposes and intent of this title.

SECTION 3 AMENDMENT OF THE MUNICIPAL CODE ZONING ORDINANCE AND OFFICIAL ZONING ATLAS

3.1 The City of Moreno Valley Zoning Ordinance and Official Zoning Atlas, as adopted by Ordinance No. 359, on April 14, 1992, of the City of Moreno Valley, and as amended thereafter from time to time by the City Council of the City of Moreno Valley, is further amended by Zoning Code amendments to address consistency with the comprehensive General Plan Update including establishing new General Plan designations and a related Permitted Use for the new zones, marked "Exhibit A," Permitted Uses Tables marked "Exhibits B and C," and placing in effect the zone or zone classification to Pages 47, 50-52, 56-59, 68, 70-72, 75, 81-87, 97-100, 111-114, 125-128, 140, 141, and 155 of the Official Zoning Atlas as shown on the attached maps marked "Exhibit D" and included herein by reference and on file in the office of the City Clerk, and

2
Ordinance No. 2021-XX
Date Adopted: June __, 2021

modifications to the overlay zones marked “Exhibits E and F” which are required for consistency with the modifications to the zoning atlas amendments.

SECTION 4 EFFECT OF ENACTMENT:

4.1 Except as specifically provided herein, nothing contained in this ordinance shall be deemed to modify or supersede any prior enactment of the City Council which addresses the same subject addressed herein.

SECTION 5. NOTICE OF ADOPTION:

5.1 Within fifteen days after the date of adoption hereof, the City Clerk shall certify to the adoption of this ordinance and cause it to be posted in three public places within the city.

SECTION 6. EFFECTIVE DATE:

6.1 This ordinance shall take effect thirty days after the date of its adoption.

APPROVED AND ADOPTED this _____ day of _____, _____.

Ordinance No. 2021-XX
Date Adopted: June __, 2021

9.01.090 Zoning districts.

A. Districts Created. In order to provide a uniform basis for regulating the use of land, buildings and structures, and to establish minimum site development regulations and performance standards applicable to sites within the city, the city is divided into the following districts:

1. Residential Districts.
 - a. Rural residential (RR) district;
 - b. Hillside residential (HR) district;
 - c. Residential 1 (R1) district (forty thousand (40,000) square feet minimum lot size);
 - d. Residential 2 (R2) district (twenty thousand (20,000) square feet minimum lot size);
 - e. Residential agriculture 2 (RA2) district (twenty thousand (20,000) square feet minimum lot size);
 - f. Residential 3 (R3) district (ten thousand (10,000) square feet minimum lot size);
 - g. Residential 5 (R5) district (seven thousand two hundred (7,200) square feet minimum lot size);
 - h. Residential 10 (R10) district;
 - i. Residential 15 (R15) district;
 - j. Residential 20 (R20) district;
 - k. Residential 30 (R30) district;
 - l. Residential single-family 10 (RS10) district.
2. ~~Mixed Use Districts.~~
 - a. ~~Mixed use development 1 (MUD1) district;~~
 - b. ~~Mixed use development 2 (MUD2) district.~~
2. Commercial Districts.
 - a. Neighborhood commercial (NC) district;
 - b. Community commercial (CC) district;
 - c. Village commercial (VC) district;
 - d. Tourist recreation commercial (TRC) district;
 - e. Office commercial (OC) district;
 - f. Office (O) district.
3. Employment Districts.
 - a. Business park (BP) district;
 - b. Business park-mixed use (BPX) district;
 - c. Industrial (I) district.
4. Open Space and Agricultural Districts.
 - a. Open space (OS) district;
 - b. Agriculture (AG) district.

5. Special Districts.

- a. Public (P) district;
- b. Specific plan (SP) district, precise zoning adopted separately and reflected on zoning atlas;
- c. Medical use overlay (MUO) district;
- d. ~~Airport installation compatibility use zone (AICUZ)~~
- d. Outdoor advertising display overlay (OADO).
- e. Mixed Use Zones (B-F, CEMU, COMU, DC, H/OC)
- f. Mixed Use Overlay Districts

Parenthesis () following district name is abbreviation appearing on zoning atlas maps.

B. Adoption of Official Zoning Atlas.

1. The boundaries of the zoning districts established pursuant to subsection A of this section are delineated upon that certain map(s) entitled “Official Zoning Atlas of the city of Moreno Valley,” sometimes referred to as the “zoning map.” The zoning atlas, together with all pages, legends, notations, references, boundaries, and other information thereon, is attached to and incorporated by reference in the ordinance adopting this title and is incorporated into this title by reference.

2. A copy of the official zoning atlas shall be kept on file with the city clerk and community development director and shall be made available to the public. Changes in the boundaries of any district shall be made by ordinance pursuant to Section [9.02.050](#) of this title, and shall be reflected on the official zoning atlas. The community development director shall be responsible for keeping official records relative to zoning atlas amendments.

C. Determination of Zoning District Boundaries.

1. Wherever a lot or site is divided by the boundary between districts, the regulations applicable within each district shall apply to each portion of the site situated in a separate district.

2. The following rules shall apply for determining the boundaries of any district on the zoning atlas:

a. Although zoning district boundaries depicted on the official zoning atlas may follow street or other right-of-way boundary lines, the district boundary shall not be construed to be the right-of-way boundary. The centerline of the rightof-way shall be the district boundary;

b. In unsubdivided property, where a district boundary divides a lot, the location of the district boundary, unless the same shall be indicated by dimensions, shall be determined by use of the scale appearing on the zoning atlas;

c. A symbol or symbols indicating the classification of property on the zoning atlas shall in each instance apply to the whole of the areas within the zoning district boundaries;

d. Where a public street, alley or right-of-way is officially vacated or abandoned, the regulations applicable to abutting property shall apply equally to each half of such vacated or abandoned street, alley or right-of-way adjacent to that abutting property. (Ord. 810 § 3.1, 2010; Ord. 797 § 2.1, 2009; Ord. 726 § 4.1, 2006; Ord. 694 § 1.1, 2005; Ord. 671 § 2, 2004; Ord. 564 § 2.2, 2000; Ord. 475 § 1.4, 1995; Ord. 468 § 1.1, 1995; Ord. 359, 1992)

9.02.020 Permitted uses.

The following tables contain columns with headings identifying zoning districts, and list uses by indicating the zoning district or districts in which each use is permitted or allowed and whether the stated use is permitted subject to district requirements, or whether the stated use is allowed only after obtaining a conditional use permit. Where the table indicates, a use is allowed with conditional use permit, unless otherwise expressly provided, all district uses and other standards and requirements shall apply. Permitted Uses Table 9.02.020-1 identifies all zoning districts within the City except for the Mixed-Use Zones/Corridors and Mixed-Use Overlay Districts, which are in Chapter 9.07.010, Permitted Uses Table 9.07.010-2.

Insert Permitted Uses Table 9.02.020-1 (see attached)

Insert Permitted Uses Table 9.02.020-2 (see attached)

Chapter 9.07 SPECIAL DISTRICTS

Article I. Special Districts in General

9.07.010 Mixed-Use Zones/Corridors (B-F, DC, COMU, CEMU, HO/C)

9.07.030 Public District.

9.07.040 Medical use overlay district (MUO).

9.07.060 Airport Land Use Compatibility Plan.

9.07.080 Primary animal keeping district.

Article II. Mixed Use Overlay Districts

9.09.090 Mixed Use Overlay Districts

A. Business Flex (B-F)

1. **Purpose and Intent.** This designation provides for a range of business activities involving production, distribution, or repair with supporting office and commercial space. Permitted uses include light manufacturing, research and development, warehousing and distribution, automobile services and repair, and other uses consistent with applicable airport land use compatibility regulations. Corresponding zoning will be performance-based to promote flexibility and minimize non-conformance issues with existing uses.

2. **Property Development Standards.** The Business Flex (BF) district applies primarily to parcels fronting Alessandro Boulevard between Old Highway 215 and Elsworth Street. The intent is to provide opportunities for the development of onsite pedestrian-oriented friendly projects with development amenities that serves the needs of residents, visitors, and employees from the surrounding community. Development is allowed up to three (3) stories in height with building frontages near or at the sidewalk, landscaped pathways from the public right-of-way and throughout the development, and parking under or behind buildings.

3. Site Development Standards.

- a. **General Requirements.** The following table sets forth minimum site development standards for the Business Flex district zone. In addition, projects must comply with the performance standards included in Chapter 9.10, and other applicable ordinances, policies, and programs. The parking standards in MC 9.11.040 off-street parking requirements shall apply.

BUSINESS FLEX District (BF): DEVELOPMENT STANDARDS

Requirement	Development Standards
Density – Persons	Requires consistency with ALUCP and underlying ALUC Zone
Minimum Site Area	Commercial minimum 10,000 square feet; and warehousing uses minimum 35,000 square feet
Minimum site width, in feet	80
Minimum Site Depth, in feet	100
Front Building Setback, in feet (after dedications for right-of-way)	5 to 10 (Building areas above thirty (30) feet in height shall be set back an additional five feet for every 10 feet of additional structure height unless otherwise approved by the Planning Commission.)
Side street building setback area, in feet (after dedications for right-of-way)	10 (Building areas above thirty (30) feet in height shall be set back an additional five feet for every 10 feet of additional structure height unless otherwise approved by the Planning Commission.)
Lot coverage, maximum	60%
Floor Area Ratios	.5*
Building height, in feet, maximum	35 feet in B1 or B2; and up to 70 feet in C1 of the ALUC Plan
Parking front street setback, in feet (after dedications for right-of-way)	For additional information regarding the ALUC Plan, see MC Section 9.07.060
Parking side street setback, in feet (after dedications for right-of-way)	10
Setback Landscaping	10

* Further restrictions/regulations per the 2014 Airport Land Use Compatibility Plan (ALUCP), that include prohibited uses, restricted heights, and restricted FARs. The Business-Flex (BF) District is comprised of portions of the B1, B2, and C1 zones in said plan.

B. Downtown Center (DC)

1. Purpose and Intent. The Downtown Center is envisioned as the primary hub and focal point of Moreno Valley and an economic and cultural engine in the region. The district establishes standards to foster development of a vibrant Downtown Center at the heart of the city to serve as a focal point of the community and destination for people from around the region. The district allows for a vibrant mix of business, entertainment, residential, cultural, and civic uses with the focus of the highest intensity of development along Nason Street. It integrates existing uses and layers compatible new land uses and public amenities together at various scales and intensities to foster a mix of uses that encourages people to live, work, play, and shop within the Downtown Center.

With a range of activities day and night, this thriving area will draw people and businesses to Moreno Valley and will showcase the highest quality architecture/design to rival anything in the region. The Downtown Center will integrate the existing hospital complexes and provide visual and physical connections to Moreno Valley College, Lake Perris, and other key destinations within the community.

Visibility is a critical design consideration for the Downtown Center. Design standards for development at the core of the Downtown Center. The district seeks to take advantage of the relatively flat terrain and promote higher building heights to help build visual connections from other locations within the community and enhance the prominence of the Downtown Center as an important destination. Additionally, public plazas and other vantage points within the Downtown Center should be designed to allow for view of the scenic hills surrounding the city, enhancing sense of place.

2. Property Development Standards. The Downtown Center zone applies primarily to parcels in the area generally bounded by Lasselle Street, Iris Avenue, Nason Street, and extending to Cottonwood Avenue at some locations. The intent is to allow for development of a downtown that will include commercial, office, vertical and horizontal mixed use, higher density multi-family development, and lower density residential on the periphery. The most intense development is expected to be focused towards Nason Street. The zone is intended to:

- Ensure orderly and thorough planning and review procedures that will result in quality design; and
- The creation and improvement of common open space and coordination of vehicular, pedestrian, and bicycle circulation; and
- Establish a procedure for the development of land under unified control to achieve efficient land use patterns while permitting creative and innovative approaches to the development of residential, commercial, and mixed-use in the designated DC District in order to create a central downtown business atmosphere towards Nason Street; and
- Encourage mixed development patterns and avoid monotony in large developments by allowing greater flexibility in selecting the means to provide access, light, open space, and amenities; and
- Decrease the burden created by new development on utilities and other infrastructure systems by permitting mixed use development consistent with policies of the General Plan; and

3. Special Requirements. In order to implement the Downtown Center (DC) District General Plan policies, an area plan will be required demonstrating consistency with the principles outlined in the Land Use and Community Character (LUCC) Element, Table LCC-2 and the illustrative development program shown in the LUCC Element, Table LCC-3 prior to approval. For large projects, an existing or proposed Specific Plan may be used in lieu of an Area Plan. Development on smaller parcels and multi-family housing projects may satisfy this requirement with a site plan as determined by the Community Development Director, and development of residential projects on the periphery of the Downtown Center may satisfy the requirement through approval of a Planned Unit Development application.

The Floating Zone Concept

A floating zone is a zone that delineates a general area where certain conditions would need to be considered before a development proposal is approved.

Floating PUDs

The Floating Planned Unit Development (DC-PUD) designation allows for the development of single-family housing and less dense multi-family housing on the periphery of the Downtown Center. This will support development of the most intense development in proximity to Nason Street, allowing residential mixed-use projects with ground-floor commercial uses in proximity to the intersection of Nason Street and Alessandro Boulevard, and encouraging residential development greater than 20 dwelling units per acre along portions of Alessandro Boulevard towards Nason Street,

The designation for the Floating Planned Unit Development zone is indicated on the Official Zoning Map with a circle border and the letters “DC-PUD”. This symbol represents a “floating” designation and is only intended to indicate a general area within which a PUD could be located. It does not preclude other development or uses that would otherwise be permitted within the Downtown Center. The purpose and intent of the PUD Floating Zone is to provide flexibility in planning for residential development of projects.

Floating Plazas

The Floating Parks and Plazas (DC-PPL) zone is used to designate lands that can be publicly or privately-owned and are intended to be programmed for low intensity, publicly accessible open space uses. Parks and Plazas represent a creative solution to provide more public space in the Downtown Center zone. Plazas and pocket parks will generally be spaces that are developed and maintained privately, but open to the public. Opportunities for the creation of these types of plazas will occur as properties in the DC zone develop with higher intensity uses.

The designation for the park or plaza is indicated on the Official Zoning Map with a circle border and the letters “DC-PPL”. This symbol represents a “floating” designation and is only intended to indicate a general area within which a park or plaza site should be located. The specific size, exact location and configuration of such park or plaza site will be finalized only through future development of specific parcels in the DC District through an area plan, Specific Plan, or a site plan. Until such time that these properties are privately developed as a publicly accessible park or plaza space or purchased by the City, development is allowed consistent with the DC zone.

4. Site Development Standards

A. General Requirements. The following sets forth minimum site development standards for the Downtown Center. In addition, projects must comply with the special requirements enumerated in subsection B.3, the performance standards included in Chapter 9.10, and other applicable ordinances, policies, and programs. The parking standards in MC 9.11.040 off-street parking requirements shall apply.

Downtown Center (DC) - DEVELOPMENT STANDARDS

<u>Requirement</u>	<u>Development Standards</u>
<u>Block Development</u>	<u>Blocks over 500 feet should feature midblock connections shall as pedestrian pathways or alleys. Block sizes should range between 330 and 660 linear feet where feasible.</u>
<u>Mid-Block Pathways</u>	<u>Mid-block pathways shall be no less than 16 feet wide.</u>

<u>Buildings shall be oriented such that frontages and entrances are visible and accessible from the public right-of-way, pedestrian connections, parks, or plazas.</u>	<u>Buildings shall be oriented such that frontages and entrances are visible and accessible from the public right-of-way, pedestrian connections, parks, or plazas.</u>
<u>Density - Dwelling Units (Du)/Acre *</u>	<u>NA (with or without affordable housing)</u>
<u>Minimum Site Area</u>	<u>As determined through Area Plan if required or Site Plan review</u>
<u>Minimum site width, in feet</u>	<u>As determined through Area Plan if required or Site Plan review</u>
<u>Minimum Site Depth, in feet</u>	<u>As determined through Area Plan if required or Site Plan review</u>
<u>Front Building Setback, in feet (after dedications for right-of-way) Ground Floor Use</u>	<u>0 - 10 ft</u>
<u>Side street building setback area, in feet (after dedications for right-of-way)</u>	<u>0 - 10 ft</u>
<u>Interior side yard setback in feet</u>	<u>0 - 10</u>
<u>Rear yard setback in feet</u>	<u>10</u>
<u>Lot coverage, maximum</u>	<u>Pending Landscape and Open Space Requirements</u>
<u>Building height, in feet, maximum</u>	<u>None.</u>
<u>Floor Area Ratio (FAR)</u>	<u>NA</u>
<u>Minimum Dwelling Size</u>	<u>*See note below.</u>
<u>Minimum distance between buildings in feet (between residential and commercial uses)</u>	<u>10</u>
<u>Parking (surface) front street setback, in feet (after dedications for right-of-way)</u>	<u>10</u>
<u>Parking (surface) side street setback, in feet (after dedications for right-of-way)</u>	<u>5</u>
<u>Garage/Tuck-Under Parking</u>	<u>Prohibited along front lot lines</u>
<u>Underground/Podium Parking</u>	<u>Allowed beneath building footprints</u>
<u>Above Ground Parking Structure</u>	<u>Allowed if screened from views from public right-of-way and adjacent single family residential zones</u>
<u>Setback Landscaping</u>	<u>All setbacks exclusive of required walkways and driveways will be landscaped planting areas.</u>
<u>Publicly Accessible Open Space (non-residential)</u>	<u>15% of net lot area</u>

<u>Private Open Space (Multi-family residential)</u>	<u>150 sq ft per unit on 1st floor, and 100 sq ft per unit on upper floors</u>
<u>Common Open Space (multi-family residential)</u>	<u>300 sq ft per unit</u>
<u>Ground floor building frontages clear glazing material</u>	<u>60%</u>
<u>Ground floor-to-ceiling minimum height in feet</u>	<u>15-20</u>
*Note: Minimum Dwelling Unit Sizes	
a. Studio and One Bedroom: four hundred fifty (450) square feet;	
b. Two Bedroom: eight hundred (800) square feet;	
c. Three Bedroom: one thousand (1000) square feet;	

C. Corridor Mixed Use (COMU)

1. Purpose and Intent. The Mixed-Use Community Corridor (COMU) zone is intended to create vibrant boulevards that are both a destination and a place where people can work and live. This will consist of buildings that emphasize street-oriented frontages, pedestrian-scaled buildings, creative use of open spaces and building design, and engaging, well-crafted areas for pedestrian activity such as plazas and walkways. The integration of residential and commercial uses into a mix of vertical and horizontal buildings will encourage businesses to relocate and establish a presence in Moreno Valley whereby pedestrians will work, live, shop and enjoy an array of entertainment experiences. The Mixed-Use Corridors will facilitate transit and bicycle use, and pedestrian activity. This designation allows for residential densities from 15 dwelling units per acre up to 25 dwelling units per acre.

2. Establishment and Intent.

The Corridor Mixed-Use District is generally located on Alessandro Boulevard, Perris Boulevard, and Sunnymead Boulevard. For Sunnymead Boulevard, the Village Specific Plan (SP204) provides mixed use standards that are consistent with the intent of this section.

Alessandro Boulevard and Perris Boulevard (COMU) are major entryways into Moreno Valley providing gateways to the City, such that these corridors should:

- a. Facilitate a pedestrian-scaled environment with buildings that emphasize active and street-oriented frontages, well-scaled and designed buildings, and engaging outdoor spaces and landscaping.
- b. Allow for higher intensity residential, commercial, and mixed-use buildings to provide the appropriate height relative to the width of the street.
- c. Provide increased opportunities in Moreno Valley for residents to live near goods, services, transit, and entertainment while also ensuring a high standard and quality of life for residents.
- d. Ensure that consideration and proper transition is designed to adjacent lower-density residential uses.

3. Applicability. For Alessandro Boulevard and Perris Boulevard, the building design standards, site design guidelines, and all other land use and development requirements, standards, or other provisions set forth in MC 9.07.010 shall apply to all development within the Corridor Mixed Use zone (COMU). The City’s Official Zoning Atlas will identify the zone as COMU except that in areas within the Village Specific

Plan (SP204), the zoning will be designated as COMU followed by the applicable Specific Plan zone within the Village Specific Plan.

Within the COMU-SP 204 CC zone, commercial uses and development standards of the SP204 CC shall apply, and in addition residential and mixed use are permitted consistent with the standards of the SP204 VCR.

4. Special Requirements. A mix of uses is not required on every site but is desired on sites at intersections in order to foster nodes of commercial mixed use development along the corridor. Commercial uses should be concentrated at intersections and limited to no more than 25 percent of the maximum permitted FAR, excluding parking. No residential uses in a vertical mixed use project are permitted on the ground floor.

5. Permitted Land Uses. For Perris Boulevard and Alessandro Boulevard, Table 9.02.010-2 indicates the uses permitted (X), permitted with a conditional use permit (C), permitted under special distancing requirement (◆), and permitted pursuant to cannabis regulations (M). Any use not specifically indicated for the Corridor Mixed-Use (COMU) zone in Table 9.02.010-2 as a permitted use, or conditional use shall be prohibited unless they are deemed by the Community Development Director to be similar and compatible uses which meet the purpose and intent of the Corridor Mixed-Use zone.

For uses within the COMU – SP204 CC zone, the uses permitted by SP204 CC shall apply and in addition residential and mixed uses are permitted consistent with the standards of the SP204 VCR.

6. Site Development Standards

A. General Requirements. The following table sets forth minimum site development for the Mixed-Use Corridor zone. For the Village Specific Plan (SP204), the development standards of the Village Specific Plan will apply as described under the Applicability section above. In addition, projects must comply with the special requirements enumerated in subsection B.4, the performance standards included in Chapter 9.10, and other applicable ordinances, policies, and programs. The parking standards in MC 9.11.040 off-street parking requirements shall apply.

Corridor Mixed Use (COMU) - DEVELOPMENT STANDARDS

<u>DEVELOPMENT STANDARDS</u>	<u>COMU</u>	<u>Special Provisions</u>
<u>Density - Dwelling Units (Du)/Acre</u>	<u>15-25</u>	<u>NA</u>
<u>Minimum Site Area, square feet</u>	<u>10,000</u>	<u>These requirements apply to parcels created based on a parcel map or tract map, and would not apply to a condominium map.</u>
<u>Minimum site width, in feet</u>	<u>100</u>	
<u>Minimum Site Depth, in feet</u>	<u>100</u>	
<u>Front Building Setback, in feet (after dedications for right-of-way)</u>	<u>5 -10</u>	<u>NA</u>
<u>Side street building setback area, in feet (after dedications for right-of-way)</u>	<u>5</u>	<u>NA</u>

<u>Interior side yard setback in feet</u>	<u>0-10</u>	<u>NA</u>
<u>Rear yard setback in feet</u>	<u>5*</u>	<u>* 15 feet when abutting residential.</u>
<u>Building height, in feet, maximum</u>	<u>5 stories/60 ft.</u>	<u>NA</u>
<u>Maximum Floor Area Ratio (FAR) - Commercial and Mixed-Use</u>	<u>1.3</u>	
<u>Minimum Dwelling Size</u>	<u>*See note below.</u>	
<u>Minimum distance between buildings in feet</u>	<u>10</u>	
<u>Parking (surface) front street setback, in feet (after dedications for right-of-way)</u>	<u>10</u>	
<u>Parking (surface) side street setback, in feet (after dedications for right-of-way)</u>	<u>5</u>	
<u>Garage/Tuck-Under Parking</u>	<u>Prohibited along front lot lines</u>	
<u>Underground/Podium Parking</u>	<u>Allowed beneath building footprints</u>	
<u>Above Ground Parking Structure</u>	<u>Allowed if screened from views from public right-of-way and adjacent single family residential zones</u>	
<u>Setback Landscaping</u>	<u>All setbacks exclusive of required walkways and driveways will be landscaped planting areas.</u>	
<u>Publicly Accessible Open Space (non-residential)</u>	<u>15% of net lot area</u>	
<u>Private Open Space (Multi-family residential)</u>	<u>150 sq ft per unit on 1st floor, and 100 sq ft per unit on upper floors</u>	
<u>Common Open Space (multi-family residential)</u>	<u>300 sq ft per unit</u>	

<u>*Note: Minimum Dwelling Unit Sizes:</u>
<u>One Bedroom: four hundred fifty (450) square feet</u>
<u>Two Bedroom: eight hundred (800) square feet</u>
<u>Three Bedroom: one thousand (1000) square feet</u>

B. Design Requirements.

1. **Mixed-Use Corridor Development - Specific Design Regulations.** Mixed-Use that is vertically integrated into one (1) building or horizontally integrated on the same site shall comply with the development standards listed in this section] as they pertain to Mixed-Use, in addition to the standards below.

- a. Entrances. When nonresidential and residential uses are in the same building, separate pedestrian entrances shall be provided for each use. The entrances for nonresidential uses shall be designed to be visually distinct from the entrances for residential uses.

Combining Residential and Commercial Entrances

- b. Lighting Standards. Lighting for nonresidential uses shall be appropriately designed, located, and shielded to ensure that they do not negatively impact the residential uses in the development nor any adjacent residential uses and shall be consistent with all provisions of MC 9.08.100 (Lighting).
- c. Recycling and Refuse Storage Facilities Standards. Recycling and refuse storage facilities for nonresidential uses shall be located as far as possible from residential units and shall be completely screened from view from the residential portion of the development. Recycling and refuse storage facilities for nonresidential uses shall be compatible in architectural design and details with the overall project.

C. New Streets and Pathways Regulations.

1. **Street and Pathway Connectivity.** New development shall maintain and enhance pedestrian, bicycle, transit, and vehicle connectivity with a hierarchy of streets and pathways, consistent with the street typology identified in the Moreno Valley General Plan (Map C-1). Primary pedestrian access to buildings shall be from the sidewalk.

- a. Enhanced Streetscapes. Streetscapes shall be enhanced with enriched streetscape elements, including but not limited to a variety of landscaping and pedestrian amenities, such as benches, pedestrian-scaled lighting, trash enclosures, and bicycle storage.

2. **Pedestrian-Oriented Design/Pedestrian Access.** The design of new projects shall promote walkability and connectivity to include design and orientation standards such as:

- a. Internal Connections. A system of pedestrian walkways shall connect all buildings on a site to each other, including on-site automobile and bicycle parking areas, and any on-site open space areas and pedestrian amenities.
- b. Internal Pedestrian Walkways Width. Internal walkways shall be a minimum of six (6) feet wide adjacent to any common open space areas. Internal walkways elsewhere on the property shall be a minimum of four (4) feet wide and paved with permeable materials, unless walkways are located near swimming pools or in heavily trafficked areas.
- c. Lighting. Lighting shall be incorporated along sidewalks or other pedestrian walkways to enhance the pedestrian environment and provide for public safety. Lighting shall be low mounted, downward casting to reduce light trespass onto adjacent properties, and shall be consistent with all provisions of MC 9.08.100 (Lighting).
- d. Connections to Primary Street. Connections between on-site walkways and the public sidewalk shall be provided. An on-site walkway shall connect the primary building entry or entries to a public sidewalk on each street frontage. Such walkway shall be the shortest practical distance between the primary entry and sidewalk, generally no more than one hundred twenty-five (125) percent of the straight-line distance.

D. Center Mixed Use (CEMU)

1. **Purpose and Intent.** This designation provides for the redevelopment of existing commercial centers and adjacent uses to complement existing development at prominent entry points into the community. The Centers are envisioned as integrated, pedestrian-oriented places with a mix of uses including retail, dining, entertainment, offices, lodging, recreational and cultural facilities that cater to both motorists passing through and residents of surrounding neighborhoods. It is expected that the Moreno Valley Mall at Towngate and commercial areas at the Festival Specific Plan (SP205) will have opportunities to incorporate higher-density housing on-site to support the vitality of commercial uses and activate the areas.
2. **Applicability.** The Center Mixed Use zone is located entirely within the existing extent of adopted Specific Plans: the Towngate Specific Plan (SP200) and the commercial areas of Festival Specific Plan (SP 205), known as “The District.” The permitted uses of the underlying Specific Plan shall apply except that multi-family residential use (20 to 35 dwelling units per acre) is additionally permitted within the Moreno Valley Mall Planning Area (CEMU – SP200 on the City’s Zoning Map) of the Towngate Specific Plan, and within the areas identified as CEMU (CEMU - SP205 on the City’s Zoning Map) within the Festival Specific Plan (SP 205) in conjunction with a mixed use project. It is expected that a Specific Plan amendment will be completed for any mixed use project within the CEMU. However, a master plot plan may be used to determine the standards for the mixed use project if the Community Development Director finds that the project is consistent with the spirit and intent of the Center Mixed Use General Plan designation.
3. **Property Development Standards.** The Center Mixed Use (CEMU) zone applies primarily to the mall site within the Towngate Specific Plan (SP200) and commercial areas of the Festival Specific Plan (SP205), known as “The District.” The maximum permitted FAR in the CEMU designation is 1.25 with a residential range of 20 to 35 dwelling units per acre. On smaller parcels, additional FAR may be permitted to achieve the desired vision of the area. The underlying standards of the applicable Specific Plan will otherwise apply.

E. Highway/Office Commercial (H/OC)

1. Purpose and Intent. The Highway Office/Commercial (H-OC) zone is envisioned as a gateway to Moreno Valley and from the I-60 Freeway with primary entrances at Moreno Beach Drive and the World Logistics Center Parkway. The zone provides opportunities for distinctive employment or educational campuses. Permitted uses include office, educational, and/or research and development facilities as well as auxiliary commercial uses including restaurants, retail, and service uses. The architectural style should reinforce the rural character intended for the surrounding area.

2. Applicability. The Highway Office/Commercial (H-OC) District applies primarily to parcels between Moreno Beach Drive and World Logistics Center Parkway fronting the I-60 Freeway on the north side, and south of Hemlock Avenue. This zone serves as a major gateway to the City of Moreno Valley from the east.

3. Special Requirements. Implementation will require review and consideration of the applicable sections of the Land Use and Community Character (LUCC) Element, and conformance with the policies applicable to the Highway Office/Commercial (H-OC) designation.

4. Site Development Standards.

General Requirements. The following table sets forth minimum site development standards for Highway Office/Commercial zone development projects. In addition, projects must comply with the special requirements enumerated in subsection B.3, the performance standards included in Chapter 9.10, and other applicable ordinances, policies, and programs. Parking and Loading The parking standards in MC 9.11.040 off-street parking requirements shall apply.

Highway Office/Commercial (HOC): DEVELOPMENT STANDARDS

Requirement	Development Standards
<u>Minimum Site Area</u>	<u>Office/Commercial Uses minimum 20,000 sq. ft.</u>
<u>Minimum site width, in feet</u>	<u>100</u>
<u>Minimum Site Depth, in feet</u>	<u>100</u>
<u>Front Building Setback, in feet (after dedications for right-of-way)</u>	<u>20 (Building areas above thirty (30) feet shall be set back an additional five feet for every 10 feet of additional structure height unless otherwise approved by the planning commission.)</u>
<u>Side street building setback area, in feet (after dedications for right-of-way)</u>	<u>10 (Building areas above thirty (30) feet shall be set back an additional five feet for every 10 feet of additional structure height unless otherwise approved by the planning commission.)</u>
<u>Lot coverage, maximum</u>	<u>60%</u>
<u>Floor Area Ratios (FAR)</u>	<u>0.4 On smaller parcels, additional FAR may be permitted to achieve the desired vision for the area.</u>
<u>Building height, in feet, maximum</u>	<u>Up to 45 feet</u>
<u>Parking front street setback, in feet (after dedications for right-of-way)</u>	<u>20</u>

<u>Parking side street setback, in feet (after dedications for right-of-way)</u>	<u>15</u>
<u>Setback Landscaping</u>	<u>All setbacks exclusive of required walkways and driveways will be landscaped planting areas.</u>

9.07.030 Public district (P).

A. Purpose and Intent. The primary purpose of the public district is to provide for the conduct of public and institutional activities, including providing protected designated areas for public and institutional facilities.

B. Property Development Standards. The following regulations shall apply to all land and buildings and structures located within the public district:

1. General Requirements. The following sets forth minimum site development standards for public district development projects. In addition, projects shall comply with the special requirements enumerated in subsection (B)(2) of this section, the performance standards included in Chapter [9.10](#) and other applicable city ordinances and policies.

Property Development Standards General Requirements Table 9.07.030-9

	Requirement	Standard
a.	Minimum site area	1 acre
b.	Minimum site width	160 feet
c.	Minimum site depth	160 feet
d.	Minimum front building setback	30 feet
e.	Minimum side building setback	25 feet
f.	Minimum street side building setback	30 feet
g.	Minimum rear building setback	25 feet
h.	Building height (maximum)	35 feet
i.	Building coverage (maximum)	45%

2. Special Requirements.

- a. Wherever a lot in any public district abuts a lot in any residential district, a minimum building setback of fifty (50) feet shall be required. A minimum of twenty (20) feet of the setback area nearest the district boundary line shall be landscaped and the remaining area may be used for required off-street parking.
- b. Where off-street parking areas are situated such that they are visible from any street, screening in the form of a decorative wall, shrubs, or landscaped earthen berm three feet in height shall be

erected between the required landscape area and the parking area to adequately screen said parking.

- c. Where off-street parking areas are situated such that they are visible from any street, screening in the form of a decorative wall, shrubs, or landscaped earthen berm three feet in height shall be erected between the required landscape area and the parking area to adequately screen said parking.
- d. Required front setback areas shall be landscaped.
- e. Except as otherwise permitted, a street side building setback area shall be used only for landscaping, pedestrian walkways, driveways or off-street parking.
- f. Except as otherwise permitted, required rear and interior side building setback areas shall be used only for landscaping, pedestrian walkways, driveways, off-street parking or loading, recreational activities or facilities, and similar accessory activities.
- g. Where off-street parking is located within building setback areas, a minimum landscaped area ten (10) feet in depth shall be provided between the property line and parking area, with an additional minimum landscaped area ten (10) feet in depth required between the parking area and the building.

C. Permitted Public Use. For the public district (P), unless otherwise provided in this title, permitted uses are those described in the permitted uses Table 9.02.020-1 in Section [9.02.020](#) of this title. (Ord. 643 § 2.3, 2003; Ord. 616 § 2.2.6, 2003; Ord. 359, 1992)

9.07.040 Medical use overlay district (MUO).

A. Purpose and Intent. The primary purpose of the medical use overlay district is to implement the general plan concept of creating a medical corridor by limiting land uses to those that are supportive of and compatible with the city's two existing hospitals. The specific purposes of the medical use overlay (MUO) district are to create and maintain a diversity of medical and supportive uses in the vicinity of the Riverside County Regional Medical Center and the Moreno Valley Community Hospital by:

- 1. Providing a range of appropriately located office and commercial uses consistent with the general plan, and
- 2. Ensuring that the appearance and impacts of office and supportive commercial uses are harmonious with the character of the area in which they are located.

B. Applicability. The medical use overlay district shall be combined with any underlying basic district. The provisions of the medical use overlay district under this section shall apply in addition to and, to the extent they are inconsistent, in lieu of the corresponding provisions of the underlying district with which the medical use overlay district is combined.

C. Zoning Map Designation. The medical use overlay district shall be designated on the zoning map by the symbol "MUO."

D. Development Standards.

1. For property with an underlying zoning of office and office commercial, the permitted uses (Permitted Uses Table 9.02.020-1) and development standards (Chapter [9.04](#)) of the office commercial designation shall apply. In addition to the uses already permitted or conditionally permitted in the office commercial zoning, the following uses shall be permitted without a conditional use permit in order to facilitate the purposes of the overlay district:

- a. Ambulance service;

- b. Apparel for medical professions (retail);
 - c. Medical device services and sales (retail), including, but not limited to, fittings for and sale of prosthetic and orthotic devices;
 - d. Medical equipment supply, including retail sales for in-home medical care, such as wheelchairs, walkers, and respiratory equipment;
 - e. Personal services, excluding tattoo parlors.
2. For property with underlying zoning of neighborhood commercial and community commercial, the permitted uses of the underlying zoning shall apply with the following exceptions:
- a. Automobile, motorcycle, truck recreational vehicle and boat sales and incidental minor repairs and accessory installations;
 - b. Auto service stations;
 - c. Automotive, boat, motorcycle and RV repair—Minor—Includes brake, muffler and tire installation and repair;
 - d. Automotive paint and body repair—Major engine overhaul;
 - e. Auto rentals;
 - f. Auto supply stores;
 - g. Boat sales, new and used, including repairs and accessory installation;
 - h. Car wash;
 - i. Convenience stores with or without drive-through;
 - j. Convenience stores with alcohol sales;
 - k. Escort services;
 - l. Fortunetelling;
 - m. Gasoline dispensing (non-retail accessory to an auto-related use);
 - n. Gun shops;
 - o. Kennels and catteries;
 - p. Liquor stores;
 - q. Pawnshops;
 - r. Pool hall;
 - s. Racetracks;
 - t. Storage lots and mini-warehouses. (Ord. 726 § 4.5, 2006; Ord. 694 § 1.1, 2005; Ord. 475 § 1.4, 1995; Ord. 359, 1992)

9.07.060 Airport Land Use Compatibility Plan ~~Air installation compatibility use overlay district (AICUZ).~~

- A. ~~Purpose and Intent. It is the intent and purpose of this air installation compatibility use overlay (AICUZ overlay) district to limit public exposure to aircraft accidents and noise and to encourage future development that is compatible with the continued operation of March Air Force Base. It is also the intent~~

of the AICUZ overlay to recognize and implement the purpose for the guidelines contained in the March Air Force Base air installation compatible use zone report.

- B. ~~Applicability. The AICUZ overlay district shall apply within the accident potential zone I and II as depicted on the official zoning atlas. The provisions of the AICUZ overlay shall apply in addition to the provisions of the underlying district. If there are inconsistencies between the underlying zone and the AICUZ overlay, the AICUZ overlay shall take precedence.~~
- C. ~~Development Standards. Setbacks and other site development standards shall be those of the underlying zoning district.~~
- D. ~~Use Regulations.~~
1. ~~Unless identified as a permitted use within the underlying district in accordance with Table 9.02.020-1, a use within the AICUZ overlay shall be subject to approval of a conditional use permit.~~
 2. ~~Notwithstanding the provisions of the permitted uses table (Table 9.02.020-1), the following uses shall be prohibited in the AICUZ overlay district:~~
 - a. ~~Uses that involve high density public assembly, including concert halls, club houses, churches, amusement areas, passenger terminals, restaurants, nightclubs and similar uses in accordance with the most current air installation compatible use zone report as of the date of the application to establish any such use.~~
 - b. ~~Single and multiple family dwellings, hotels, motels, rest/retirement homes and other residential uses;~~
 - c. ~~Schools, hospitals and day care facilities;~~
 - d. ~~Landfills;~~
 - e. ~~Hazardous waste facilities;~~
 - f. ~~Supermarkets, department stores, swap meets, membership warehouse stores;~~
 - g. ~~Gas stations (automobile service stations);~~
 - h. ~~Manufacturing (general) as defined in this title;~~
 - i. ~~Resource production and extraction. — E. — Evaluation Criteria.~~
 1. ~~Development within the AICUZ overlay district shall avoid uses which concentrate large numbers of people; are noise sensitive; create hazards to aircraft operations; pose special health and safety hazards in the event of an aircraft accident; or involve public facilities and utilities for which disruption would have an adverse impact on large numbers of people. The current March Air Force Base air installation compatible use zone report, referenced in subsection (D)(2)(a) of this section and any amendments thereto which are adopted as amendments to this code, shall be used as a guideline(s) in the evaluation of land uses within the AICUZ overlay district.~~
 2. ~~Appropriate conditions shall be applied to each project to mitigate flight and safety hazards, excessive noise levels and other public safety or welfare concerns. Such conditions shall include a requirement that the property owner(s) grant a navigation easement to the city of Moreno Valley and the March Inland Port Airport Authority in the form and manner approved by the grantees and shall cause such easement to be recorded in the office of the county recorder. (Ord. 604 §§ 2.6, 2.7, 2002; Ord. 393 § 1.7, 1993; Ord. 359, 1992)~~

9.07.060 Airport Land Use Compatibility Plan

A. Purpose and Intent. The purpose of this chapter is to establish and implement the requirements of the Riverside County Airport Land Use Compatibility Plan (ALUCP) for the March Air Reserve Base/Inland Port Airport that affects land uses within the City of Moreno Valley and to encourage future development that is compatible with the continued operation of March Air Reserve Base. It is also the intent of the ALUCP to recognize and implement the purpose for the guidelines contained in the March Air Reserve Base air installation compatible use zone report.

B. Applicability. The provisions of the ALUCP shall apply in addition to the provisions of the underlying district. If there are inconsistencies between the underlying zone and the ALUCP, the ALUCP shall take precedence.

C. Airport Land Use Commission (ALUC).

1. The purpose of an Airport Land Use Commission (ALUC) is to conduct airport land use compatibility planning in order to protect public health, safety, and welfare by ensuring the orderly expansion of airports and the adoption of land use measures that minimize the public's exposure to excessive noise and safety hazards within areas around public airports. The statutes governing ALUCs are set forth in Division 9, Part 1, Chapter 4, Article 3.5, Sections 21670—21679.5 of the California Public Utilities Code (PUC).

2. The Riverside County Airport Land Use Commission has two principal duties, which include:
 a. Preparing and adopting the ALUCP;
 b. Reviewing plans, regulations, and other actions of local agencies, and airport operators to ensure consistency with the RCALUCP.

D. Airport Land Use Compatibility Plan (ALUCP). The Airport Land Use Compatibility Plan (ALUCP) is a State-required, long-range master plan that reflects the anticipated growth of an airport over a 20-year time period. State law requires general and specific plans to be consistent with any ALUCP affecting the City. The requirements are established to limit noise impacts on noise-sensitive uses and to protect and preserve airports and aviation safety, as well as public safety, from aviation-related hazards.

The Riverside County Airport Land Use Compatibility Plan (RCALUCP), designates zones of airport influence areas for 13 airports in Riverside County, and provides a series of policies and compatibility criteria to ensure that both aviation uses, and surrounding areas may continue, and are compatible. In 2014, the ALUC adopted the March Air Reserve Base/Inland Port Airport Compatibility Plan which includes compatibility criteria and maps for influence areas of the March Air Reserve Base/Inland Port Airport.

The RCALUCP establishes specific criteria for each of the airport compatibility zones described in this chapter. For property located within a compatibility zone and subject to airport land use compatibility plan policies and criteria, the ALUCP may be more restrictive than what would otherwise be allowed per City zoning designation applicable to the property. In addition to complying with the zoning requirements of this title, proposed uses and development on property within an airport compatibility zone must be

determined to be consistent with, and comply with the compatibility criteria of the applicable compatibility zone and airport land use compatibility plan.

E. Actions which require ALUC Review. As required by State law, the following types of actions shall be referred to the Airport Land Use Commission for determination of consistency with the applicable Airport Land Use Compatibility Plan prior to approval by the City.

1. The adoption or approval of any amendment to a general or specific plan affecting the property within an airport influence area (Public Utilities Code Section 21676(b)).

2. The adoption or approval of a zoning ordinance or building regulation which affects property within an airport influence area, and involves the types of airport impact concerns listed in Section 1.4 of the March ALUCP (Public Utilities Code Section 21676(b)). These are impacts related to:

- a. Exposure to aircraft noise;
- b. Land use safety with respect both to people on the ground and the occupants of aircraft;
- c. Protection of airport airspace; and
- d. General concerns related to aircraft overflights.

3. Adoption or modification of a master plan for an existing public-use airport (Public Utilities Code Section 21676(c)).

4. Any proposal for expansion of an existing airport or heliport if such expansion will require an amended airport permit from the State of California (Public Utilities Code Section 21664.5).

5. Any proposal for a new airport or heliport whether for public use or private use if the facility requires a State airport permit (Public Utilities Code Section 21661.5).

F. Other land use actions subject to ALUC Review. In addition to the above types of land use actions for which ALUC review is mandatory, other types of land use actions are subject to review under the circumstances described in Section 1.5 of Chapter 2 Countywide Policies of the Riverside County Airport Land Use Compatibility Plan.

G. Timing of ALUC Review. Proposed projects requiring ALUC review should be submitted to ALUC as early in the process as possible so that the Commission's (or ALUC Executive Director's) review can be considered by the City before taking formal action on a project. The timing may vary depending upon the nature of the specific project. However, all projects requiring ALUC review must be submitted to ALUC for review prior to final approval by the City.

H. Actions not subject to ALUC Review—City ALUCP Compatibility Review. For discretionary actions on property within an airport influence area and compatibility zone, but which are not subject to ALUC review as described in Sections E - G above, the City shall review such action for consistency with the applicable ALUCP, and make a finding of project consistency or inconsistency with the applicable airport compatibility plan based on the basic land use compatibility criteria described below. Where there is uncertainty with regard to compatibility of a proposed use or project with the applicable airport land use compatibility plan, the City shall consult with ALUC staff, or defer such matter to ALUC for a consistency determination.

I. Compatibility zones and criteria for March Air Reserve Base/Inland Port Airport. For uses proposed within airport influence areas of the March Air Reserve Base/Inland Port Airport, refer to the March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan (March ALUCP) to determine whether a particular use is compatible with the applicable airport and a permissible use.

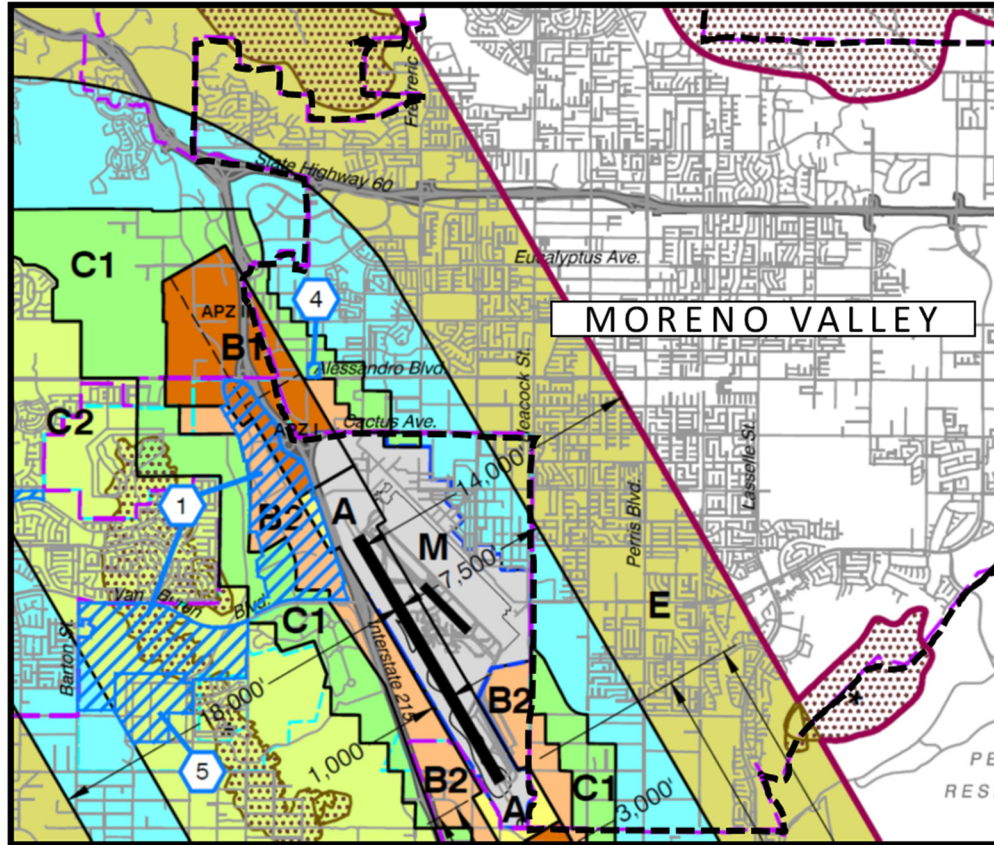

1. Airport Compatibility Zones. The 2014 March ALUCP establishes eight separate Compatibility Zones for March Air Reserve Base/Inland Port Airport. A general description of each compatibility zone is provided in the following table.

Table 9.07.060.I.1 - March Air Reserve Base/Inland Port Airport Compatibility Zones

<u>Compatibility Zones</u>	<u>Description</u>
<u>M</u>	<u>Military</u>
<u>A</u>	<u>Clear Zone</u>
<u>B1</u>	<u>Inner Approach/Departure Zone</u>
<u>B2</u>	<u>High Noise Zone</u>
<u>C1</u>	<u>Primary Approach/Departure Zone</u>
<u>C2</u>	<u>Flight Corridor Zone</u>
<u>D</u>	<u>Flight Corridor Buffer</u>
<u>E</u>	<u>Other Airport Environs</u>

2. The Compatibility Zones for the March Air Reserve Base/Inland Port Airport are established per Map MA-1 within Volume 1 of the 2014 March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan.

The safety zone boundaries, shown in the map below are consistent with the adopted 2014 Riverside County Airport Land Use Compatibility Plan and 2014 March Air Reserve Base/Inland Port Airport Land Use Compatibility Plan.

3. Land use compatibility criteria for March Air Reserve Base/March Inland Port Airport. The criteria for assessing whether a project is compatible with the March ARB/IPA are set forth in the Compatibility Zone Factors matrix, Table MA-1 within Volume 1 of the March ALUCP, within Chapter 3 of the Riverside County Airport Land Use Compatibility Plan, or as amended. These criteria are to be used in conjunction with the compatibility map and policies for the March ARB/IPA as presented in Chapter 3 of the Riverside County ALUCP, or as amended. The basic compatibility criteria listed in Table 2A of Chapter 2 of the Riverside County ALUCP does not apply to the environs of March ARB/IPA.

4. Accident Potential Zones (APZ's). In addition to the compatibility zones described above, Map MA-1 within Volume 1 of the March ALUCP identifies two Accident Potential Zones (APZ's I and II) for the March Air Reserve Base/Inland Port Airport. The Department of Defense (DoD) Air Force Instruction AFI 32-7063 - December 18, 2015 describes Clear Zones, and APZ's as areas off the end of DOD runways that were developed based on past Air Force aircraft accidents and reflect land areas at greater risk of an aircraft accident. The Clear Zone and the APZs represent areas where an accident is most likely to occur, if one would occur; however, they are not predictors of accidents. More specifically, the Clear Zone, and Accident Potential Zones (APZ's) are defined as follows:

- a. The Clear Zone begins at the end of the runway and is the area of highest accident potential; it has few uses that are compatible.
- b. APZ I lies beyond the Clear Zone [and] is in area of lower but still considerable accident potential.
- c. APZ II is beyond APZ I and possesses less accident potential.

5. Department of Defense Requirements for March Air Reserve Base/Inland Port Airport Accident Potential Zones (APZ's). For discretionary actions proposed within March ARB/IPA Accident Potential

Zones (APZ I & II) or within the Clear Zone, the proposed use and/or development shall, in addition to meeting the compatibility criteria of the March ALUCP, be consistent with current Air Force Guidance including:

- a. Department of Defense Instruction 4165.57 for Air Installations Compatible Use Zones, March 12, 2015, or as amended, and
- b. Air Force Instruction AFI 32-7063 for Air Installations Compatible Use Zones Program, December 18, 2015, or as amended. Specifically AFI 32-7063, Table A.2.1 of Attachment 2 - Land Use Compatibility Recommendations for APZS, generally identifies land uses acceptable or not acceptable within the Clear Zone, APZ I, and APZ II, and establishes maximum residential density, or nonresidential floor area ratio requirements applicable to each use and APZ.
- c. Where a discretionary action is proposed within an APZ, or Clear Zone, the Department of the Air Force, 452d Air Mobility Wing (AFRC) March Air Reserve Base shall be consulted to determine whether the proposed discretionary action is consistent with the Air Force Guidance referenced above. Such consultation would be in addition to, and shall not be in lieu of requirements of the March ALUCP, or any review for airport land use compatibility that may be required by the Riverside County ALUC.

J. Override Procedures. When ALUC disapproves or finds an action, regulation, or permit, to be inconsistent with the ALUCP, ALUC shall notify the City within 30 days of such action pursuant to Public Utilities Code (PUC) 21675.1(d). The City Council may overrule ALUC decision, by a two-thirds vote and shall make specific findings that the proposed action, regulation, or permit is consistent with the purposes of Article 3.5, as stated in Section 21670 of the PUC.

A City Council proposed overrule of an ALUC action must provide a copy of the proposed decision and findings to both ALUC and the California Division of Aeronautics, a minimum of 45 days' prior to the decision to overrule ALUC. These agencies have 30 days in which to provide comments to City Council pursuant to PUC Sections 21676(a) and (b).

9.07.080 Primary animal keeping overlay (PAKO).

A. Purpose and Intent. The primary purpose of the primary animal keeping overlay district is to maintain animal keeping and the rural character of the areas noted within the overlay district and designate a portion of the parcel for medium and large animal keeping.

B. Applicability. The primary animal keeping overlay (PAKO) district and standards shall apply to animal keeping activities in the RR (rural residential), R1 (residential-1) and RA2 (residential agricultural-2) land use districts only within an area bounded by Nason Street to the west, Theodore Street to the east, the city limit line to the north and Cottonwood Avenue to the south.

C. Zoning Map Designation. The primary animal keeping overlay district shall be designated on the zoning map by the symbol "PAKO."

D. Development Standards.

1. Lots within the designated animal keeping overlay district shall include a primary animal keeping area (PAKA) of three thousand (3,000) square feet. The PAKA may be located in the rear, side or front yard, subject to the standards within this section. PAKAs within the front yard will only be allowed when the main habitable structure maintains a minimum setback of seventy-five (75) feet

from the front property line. PAKAs on individual lots shall be grouped together and placed immediately adjacent to those located on an adjoining lot. If unique site constraints exist on a lot, the PAKA may be located on another portion of the lot as approved by the community and economic development director.

2. No non-animal related structures shall be allowed in the PAKA. Animal-related structures located within the PAKA shall not exceed forty (40) percent of the PAKA.
3. A dedicated primary animal keeping area (PAKA) shall be recorded on each newly created lot and included within the project CC&Rs if applicable.
4. All PAKAs shall have a twenty (20) foot minimum setback from any habitable structure.
5. All PAKAs shall be located on flat usable land with a slope no greater than four percent.
6. A minimum width of fifteen (15) feet shall be provided for vehicle access on one side of the lot, with clear access to the PAKA.
7. PAKAs that are developed at a lower or higher grade than the residence pad shall include an access ramp with a slope no greater than twenty-five (25) percent, and a minimum travel width of twelve (12) feet.
8. Lots within the PAKO shall adhere to the minimum lot standards within the underlying zoning district, including planned unit developments (PUDs).
9. Developments within the PAKO shall include feeder trails on one side of the street.
10. The above standards only apply to newly created residential subdivisions within the primary animal keeping overlay (PAKO) district. Specific primary animal keeping areas (PAKAs) shall be designated on all tentative maps and recorded on all final subdivision maps. (Ord. 731 § 3.2, 2007)

9.07.090 Mixed-Use Overlay Districts

9.07.091 Purpose and intent.

A. Purpose. The purpose of this chapter to provide regulations that implement the goals and policies of the general plan, the Alessandro Boulevard Corridor Vision Plan (accepted by the Moreno Valley City Council on June 30, 2010), and other similar long-range planning documents aimed at encouraging mixed-use development within the city.

B. Intent. The mixed-use overlay districts are intended to:

1. Stimulate economic development and reinvestment through regulations based upon recognized urban design principles that allow property owners to respond with flexibility to market forces;
2. Create specific development nodes at street intersections with a pedestrian-oriented mix of uses with convenient access between area neighborhoods, housing, employment centers, and retail services;
3. Accommodate intensities and patterns of development that can support multiple modes of transportation including public transit, bicycles, and walking;
4. Facilitate well-designed new mixed-use development projects that combine residential and nonresidential uses (e.g., office, retail, business services, personal services, public spaces and uses, other community amenities, etc.) to promote a better balance of jobs and housing;

5. Ensure compatibility with adjacent existing single-family neighborhoods and harmonious integration with existing commercial areas;
6. Encourage the development of unique district character through a streetscape that provides attractive features (e.g., landscaping, street furniture, niche or linear parks, public places, courtyards, public transportation shelters, etc.) designed to integrate the public realm (e.g., streets, sidewalks, etc.) with adjacent development on private property; and
7. Provide additional property rights while preserving existing property rights. This intent is achieved by providing additional development rights in compliance with this chapter, which property owners may exercise under certain conditions, while retaining all development rights conferred by the underlying district to property owners in the mixed-use overlay districts. Incentives and advantages include allowing a greater range and mix of uses; more permissive dimensional specifications (e.g., greater floor area ratio, lot coverage ratio, and height; reduced setbacks; etc.); exemption from certain design review requirements; and fee reductions or waivers. (Ord. 864 § 3.3, 2013)

9.07.092 Applicability.

This section describes the applicability of mixed-use overlay district standards to a property when the property is located within two districts – a base district (e.g., commercial (C), office (O), business park/light industrial (BP), etc.) and a mixed-use overlay district.

A. Relationship Between Overlay District Standards and Base District Standards. For property within a mixed-use overlay district, the regulations in this chapter allow mixed-use development as an alternative to the type of development allowed under the base (underlying) district standards.

B. Base District Standards.

1. The provisions in this chapter shall apply to all properties within their respective mixed-use overlay districts, but the provisions do not supersede the underlying base district provisions until a property is developed in compliance with the provisions of this chapter.
2. New projects may be developed in compliance with the existing underlying base district, provided that all standards and requirements of the underlying base district are met.
3. Regulations, development standards, and requirements in the underlying base district shall continue to apply to those projects that are currently developed according to the existing standards.
4. For legal nonconforming uses (i.e., uses that do not comply with the provisions of the base district or this chapter), the provisions in Section [9.02.180](#) (Legal nonconforming uses, improvements, and parcels) shall apply.

C. Option to Apply Mixed-Use Overlay District Standards.

1. The owner or developer of any property within any mixed-use overlay district may choose to develop in compliance with the standards and procedures in this chapter that apply to the particular mixed-use overlay district in which the property is located.
2. In order to exercise the option to develop under the provisions in this chapter, approval of a development review application shall be required in compliance with Section [9.02.030](#) (Development review process). In granting the approval, the review authority shall find that:
 - a. The proposed development is in compliance with the provisions in this chapter; and

- b. Approval of the project will not reduce the amount of land available in mixed-use overlay zone areas to a point where the city’s affordable housing needs under the Regional Housing Needs Assessment (RHNA) cannot be met.
- D. Other Applicable Regulations. Other applicable regulations can be found in Section [9.09.250](#) (Live-work development) and Section [9.09.260](#) (Mixed-use development).
- E. Applicable Regulations After Completion of Development. Once a property is developed in compliance with the provisions in this chapter, the provisions of this chapter completely supersede the provisions of the underlying base district. Whenever the requirements of the overlay district impose a more or less restrictive standard than the provisions of the underlying base district, the requirements of the overlay district shall govern.
- F. Use of Photographs. Photographs and illustrations are included in this chapter for illustrative purposes only. Specific development standards in this chapter are the controlling language for purposes of development regulation. (Ord. 864 § 3.3, 2013)

9.07.093 Purposes of mixed-use overlay districts.

This section describes the purpose and intent of each mixed-use overlay district.

- A. Mixed-Use Institutional Anchor (MUI) Overlay District. The mixed-use institutional anchor (MUI) overlay district applies to areas around prominent anchor institutions, such as civic centers, medical centers, and educational campuses. The intent is to build upon the role of the institutions by providing opportunities for urban, high-intensity development that serves the needs of visitors, employees, and residents affiliated with the anchor institution and the surrounding region. Development is allowed up to five stories in height with building frontages near or at the sidewalk, wide sidewalks, and parking under or behind buildings. Vertical mixed-use development (ground-floor retail with offices or housing above) is required at important street intersections. Horizontally-integrated or vertically-integrated mixed-use development, with no requirement for ground-floor retail, is allowed in other locations. The overlay district name may be expanded to include the name of the type of anchor institution (e.g., “MUI—Medical Center”). See Figure 9.07.093-1 (Examples of Development in Mixed-Use Institutional Anchor (MUI) Overlay District).
- B. Mixed-Use Community (MUC) Overlay District. The mixed-use community (MUC) overlay district applies to areas along major arterials and arterials. The intent is to provide opportunities for the development of pedestrian-oriented blocks with medium-intense development that serves the needs of residents, visitors, and employees from the surrounding community. Development is allowed up to four stories in height with building frontages near or at the sidewalk, wide sidewalks, and parking under or behind buildings. Vertical mixed-use development (ground-floor retail with offices or housing above) is required at important street intersections. Horizontally-integrated or vertically-integrated mixed-use development, with no requirement for ground-floor retail, is allowed in other locations. The overlay district name may be expanded to include the community name (e.g., “MUC—East Alessandro”). See Figure 9.07.093-2 (Examples of Development in Mixed-Use Community (MUC) Overlay District).
- C. Mixed-Use Neighborhood (MUN) Overlay District. The mixed-use neighborhood (MUN) overlay district applies to areas along arterials and minor arterials. The intent is to provide an area for low-rise mixed-use development that serves the needs of residents, visitors, and employees from the surrounding immediate neighborhood. Development is allowed up to three stories in height with building

frontages near or at the sidewalk, wide sidewalks, and parking under or behind buildings. Vertical mixed-use development (ground-floor retail with offices or housing above) is required at important street intersections. Horizontally-integrated or vertically-integrated mixed-use development, with no requirement for ground-floor retail, is allowed in other locations. The overlay district name may be expanded to include the neighborhood name (e.g., “MUN—Lasselle Crossing”). See Figure 9.07.093-3 (Examples of Development in MixedUse Neighborhood (MUN) Overlay District).

Figure 9.07.093-1 Examples of Development in Mixed-Use Institutional Anchor (MUI) Overlay District

Figure 9.07.093-2
Examples of Development in Mixed-Use Community (MUC) Overlay District

Figure 9.07.093-3
Examples of Development in Mixed-Use Neighborhood (MUN) Overlay District

(Ord. 864 § 3.3, 2013)

9.07.094 Permitted uses in mixed-use overlay districts.

For the mixed-use overlay districts, unless otherwise expressly provided in this title, permitted uses are limited to those described in Table 9.02.020-1 in Section [9.02.020](#) (Permitted uses) of this title. Any use not listed in Table 9.02.020-1 as a permitted use, conditional use, or accessory use shall be prohibited. (Ord. 864 § 3.3, 2013)

9.07.095 Mixed-use overlay district site development standards.

This section provides standards that govern development on properties located in the mixed-use overlay districts. See Table 9.07.095-10 (Mixed-Use Overlay District Development Standards) and related illustrations. For the purpose of this title, mixed-use projects shall comply with nonresidential standards when no mixed-use standards exist.

Table 9.07.095-10
Mixed-Use Overlay District Development Standards

Development Features	MUI	MUC	MUN
Density Standards	Maximum density for residential uses expressed as dwelling units per net acre. See § 9.08.060 (Development density).		
Residential Uses	40 du/ac	30 du/ac	30 du/ac
Intensity Standards	Maximum floor area ratio (FAR) for nonresidential uses.		
Nonresidential Uses (1)	1.0 (less than 50% residential) 1.25 (greater than 50% residential)	1.0	1.0
Block Standards	Maximum dimensions required for each newly created block as measured from edge of right-of-way line. See “Block” in § 9.15.030 (Definitions). See Figure 9.07.095-4.		
Block Length (A)	600 ft (max)	500 ft (max)	500 ft (max)
Block Perimeter (B)	1,800 ft	1,600 ft	1,500 ft
Building Placement Standards			
Build-to-Zone	The area between the minimum and maximum setbacks within which the principal building’s front façade (building façade line) is to be located. See “Build-to-Zone” in § 9.15.030 (Definitions). See Figure 9.07.095-5.		

Front Along Alessandro Blvd. (C)	0 - 15 ft	0 - 10 ft	0 - 10 ft
Front All other streets (D)	0 - 15 ft	0 - 10 ft	0 - 10 ft
Street Side Setback (E)	0 - 15 ft	0 - 10 ft	0 - 10 ft
Setback	Minimum and maximum required setbacks. See § 9.08.030 (Accessory structures) for allowed projections into setbacks. See Figure 9.07.095-6.		
Front Setback Along Alessandro Blvd. (F)	0 ft (min); 15 ft (max)	0 ft (min); 10 ft (max)	0 ft (min); 10 ft (max)
Front Setback All other streets (G)	0 ft (min); 15 ft (max)	0 ft (min); 10 ft (max)	0 ft (min); 10 ft (max)
Street Side Setback (H)	0 ft (min); 15 ft (max)	0 ft (min); 10 ft (max)	0 ft (min); 10 ft (max)
Interior Side Setback (2) (I)	5 ft (min); No max	5 ft (min); No max	5 ft (min); No max
Rear Setback (2) (J)	10 ft (min); No max	10 ft (min); No max	10 ft (min); No max
Building Frontage Length	% of building built to BTZ. See “Build-to-Zone” in § 9.15.030 (Definitions). See Figure 9.07.095-7.		
Within 300 ft of street intersections (K)	65%	65%	65%
Over 300 ft from street intersections (L)	50%	50%	50%

Development Features	MUI	MUC	MUN
Building Standards	See “Underground Levels” and “Mezzanines/Lofts” in § 9.15.030 (Definitions). See Figure 9.07.095-8.		
Number of Stories (3) (M)	5 max	4 max	3 max
Maximum Height (3) (N)	60 ft	55 ft	45 ft
Underground Levels (O)	Allowed	Allowed	Allowed
Mezzanines/Lofts (4) (P)	Allowed	Allowed	Allowed
Building Frontage Types	See § 9.07.096 (Building frontage type standards).		

Along Alessandro Blvd. within 300 ft of intersections (Q)	Live-Work Office Storefront	Live-Work Office Residential Storefront	Live-Work Office Residential Storefront
Elsewhere (R)	Live-Work Office Residential Storefront	Live-Work Office Residential Storefront	Live-Work Office Residential Storefront
Site Planning Standards			
Parking Standards	See Ch. 9.11 (Parking, Pedestrian and Loading Requirements) and Figure 9.07.095-9.		
Surface Parking (S)	20 ft min setback from front lot line; 15 ft min setback from side lot line	20 ft min setback from front lot line; 15 ft min setback from side lot line	20 ft min setback from front lot line; 15 ft min setback from side lot line
Garage/Tuck-Under Parking (T)	Prohibited along front lot lines	Prohibited along front lot lines	Prohibited along front lot lines
Underground/Podium Parking (U)	Allowed beneath building footprint	Allowed beneath building footprint	Allowed beneath building footprint
Above-Ground Parking Structure (5) (V)	Allowed if screened from views from public right-of-way and adjacent singlefamily residential districts	Allowed if screened from views from public right-of-way and adjacent singlefamily residential districts	Allowed if screened from views from public right-of-way and adjacent singlefamily residential districts
Open Space Standards			
Publicly Accessible Open Space (nonresidential)	See § 9.07.097 (Open space standards—Publicly accessible open space).		
	15% of net lot area	10% of net lot area	10% of net lot area
Private Open Space (multifamily residential)	See § 9.07.098 (Open space standards—Private/common open space).		
1st floor	150 sq ft per unit	150 sq ft per unit	150 sq ft per unit
Upper floors	100 sq ft per unit	100 sq ft per unit	100 sq ft per unit
Common Open Space (multifamily residential)	300 sq ft per unit	300 sq ft per unit	300 sq ft per unit

Notes:

- (1) Podium and underground parking is not counted toward floor area ratio (FAR). Includes residential FAR.
- (2) Wherever a lot abuts a lot in any single-family residential district, a minimum setback equal to the building height, but not less than ten (10) feet shall be required.
- (3) Wherever a lot abuts a lot in any single-family residential district, a fifteen (15) foot upper story stepback is required for those portions of buildings that are above thirty (30) feet from finished grade.
- (4) Mezzanines and lofts shall not be counted as a floor if less than one-third of the unit’s floor area.
- (5) Minimum interior depth of building liner space that wraps above-ground parking structures facing Alessandro Boulevard shall be thirty (30) feet from the building façade line, as defined in Section 9.15.030 (Definitions).

9.07.096 Building frontage type standards.

This section provides frontage type standards for buildings in the mixed-use overlay districts. Table 9.07.095-10 specifies allowable building frontage types for each mixed-use overlay district.

A. Types of Building Frontages.

1. **Live-Work/Office Fronts.** A frontage that reinforces both residential and work activities that can occur in the building. The elevation of the ground floor is located at or near the grade of sidewalk to provide direct public access to the building. Entrances and windows are provided on the front of the façade to provide eyes on the street and direct sidewalk access to commercial and office uses. The front setback (if provided) may be improved with landscaping or as an extension of the public sidewalk to create a more pedestrian-friendly environment. See also Section [9.09.250](#) (Live-work development).

2. **Residential Fronts.** A frontage that reinforces the residential character and use of the building. The elevation of the ground floor is elevated above the grade of the lot to provide privacy for residences by preventing direct views into the home from the sidewalk. Entrances and windows are provided on the front of the façade to provide eyes on the street and direct sidewalk access to the building. Stoops are allowed to project into the front setback to enhance entrances. The front setback is primarily improved with landscaping.

3. **Storefronts.** A frontage that reinforces the commercial character and use of the ground floor of the building. The elevation of the ground floor is located at or near the grade of sidewalk to provide direct public access into the building. Large storefronts display windows are provided on the front of the façade to encourage visual access to merchandise displays and to encourage window shopping. Awnings or marquees are provided over storefront windows and entrances.

The front setback (if provided) is primarily improved as an extension of the public sidewalk to create a more pedestrian friendly environment.

B. Live-Work/Office Frontage Standards (1)	Figure 9.07.096-10
Elevation of Ground Floor (A)	The ground floor elevation shall be located near the elevation of the sidewalk to minimize the need for external steps and external ADA ramps at public entrances.
Minimum Ground Floor Interior Height (B)	12 feet minimum, floor-to-floor height (commercial ready).
Ground Floor Unit Entrances (C) Upper Floor Unit Entrances Recessed Entrances	All ground floor tenant spaces that have street frontage shall have entrances on a façade fronting a street. All other ground floor uses may have a common lobby entrance along the front façade or private entrances along other façades. Entrances to upper floor units may be provided through a common lobby entrance and/or by a common entrance along a façade fronting a street. Entrances may be recessed into the façade.
Ground Floor Windows (D)	At least 40% of the surface area of the ground floor façade (2) shall be occupied by windows (3).
Upper Floor Windows (E)	At least 25% of the surface area of each upper floor façade (2) shall be occupied by windows (3).

Awnings and Marquees (F)	Awnings or marquees may be provided over storefront windows and entrances. Awning and marquees may project up to 6 feet from the façade and extend over the sidewalk provided that at least 8 feet of vertical clearance is provided.
Projecting Elements (Balconies, Roof Overhangs, Shade Structures, and Bay Windows) (G)	Projecting elements on upper floors may project three feet from the façade and project into the setback.
Sidewalk and Setback Treatment (H)	The public sidewalk shall be improved with street trees with an average spacing of 30 feet on-center and pedestrian-scaled street lights (no taller than 14 feet). If the front façade is set back from the public sidewalk, the setback shall be landscaped and/or improved as an extension of the public sidewalk.

Notes:

- (1) See Section [9.09.250](#) (Live-work development).
- (2) As measured by multiplying the width of the façade by the floor-to-floor height. Opening in the façade (such as entrances to parking facilities or covered outdoor hallways/entrances) shall be subtracted from the surface area calculation.
- (3) All parts of the window (e.g., head, jamb, frame, sash, sill, muntin bars, and panes) that are visible on the elevation drawing shall be included as “window” in the calculation. Portions of the window that are not visible on the elevation drawing (such as a window that is blocked by a solid balcony wall) shall not be included in the calculation.

Figure 9.07.096-10 Live-Work/Office Frontage Standards

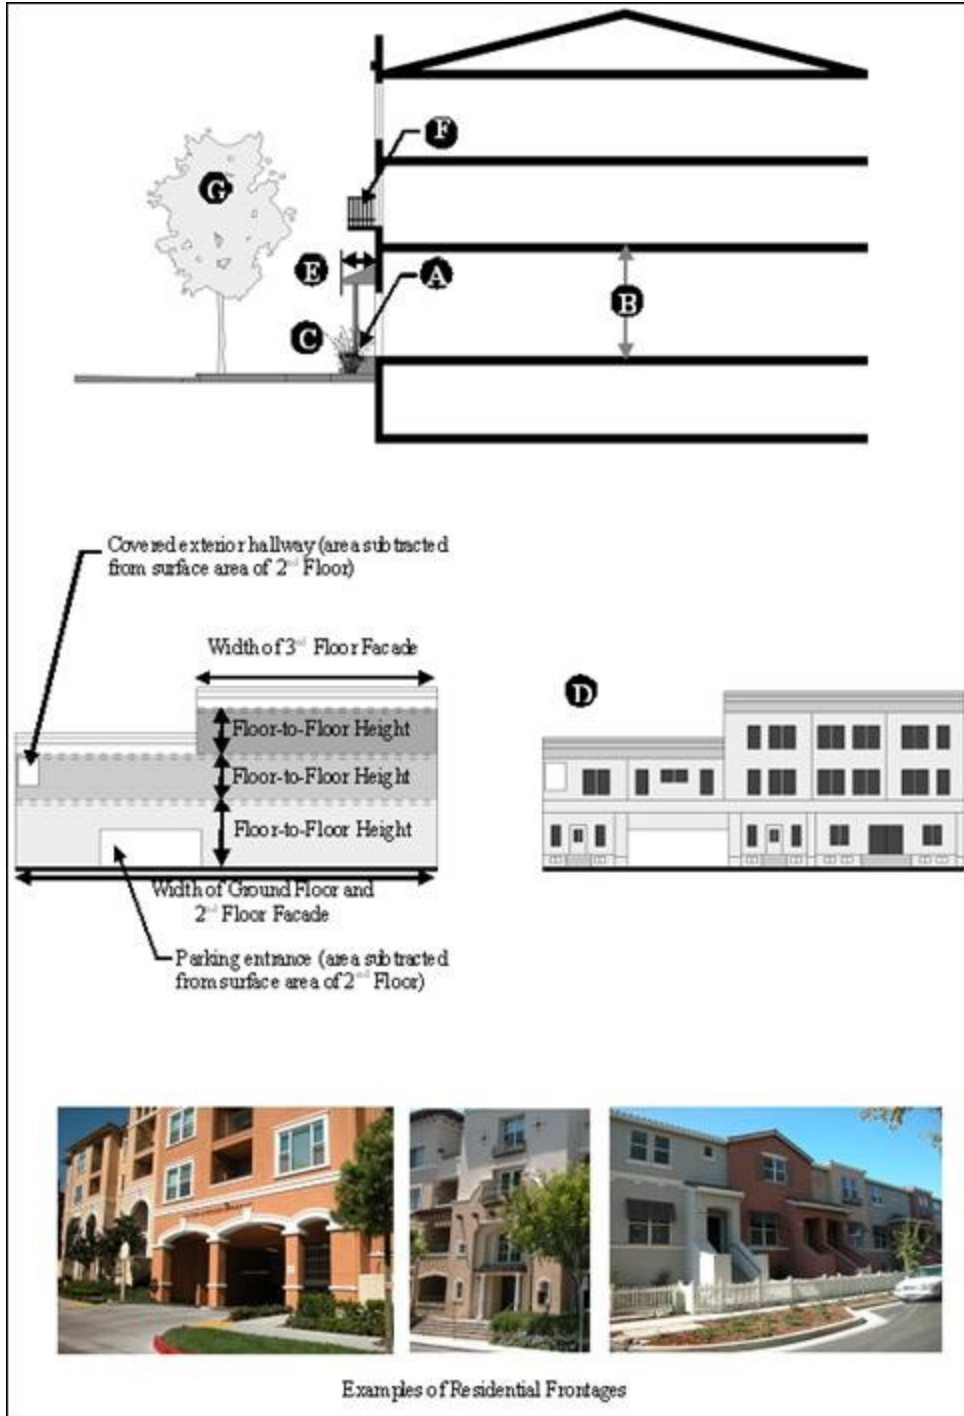

C. Residential Frontage Standards	Figure 9.07.096-11
Elevation of Ground Floor (A)	The ground floor elevation shall be located within 6 feet of the ground surface of the adjacent sidewalk or walkway.

Minimum Ground Floor Ceiling Height (B)	10 feet minimum (floor-to-floor height)
Ground Floor Unit Entrances (C)	Entrances to ground floor units that have street frontage may be provided through a common lobby entrance and/or by private entrances from the adjacent sidewalk.
Upper Floor Unit Entrances	Entrances to upper floor units may be provided through a common lobby entrance and/or by a common entrance along a façade fronting a street.
Recessed Entrances	Entrances may be recessed into the façade.
Ground and Upper Floor Windows (D)	At least 25% of the surface area of the ground and upper floor façade (1) shall be occupied by windows (2).
Stoops and Front Porches (E)	Stoops and front porches may be provided in front of building and unit entrances. Stoops and front porches may project up to 5 feet from the façade and project into the setback.
Projecting Elements (Balconies, Roof Overhangs, Shade Structures, and Bay Windows) (F)	Projecting elements on upper floors may project 3 feet from the façade and project into the setback.
Sidewalk and Setback Treatment (G)	The public sidewalk shall be improved with street trees with an average spacing of 30 feet on-center and pedestrian-scaled street lights (no taller than 14 feet). If the front façade is set back from the public sidewalk, the setback shall be landscaped (excluding stoops/front porches and paved paths to building entrances).

Notes:

- (1) As measured by multiplying the width of the façade by the floor-to-floor height. Opening in the façade (such as entrances to parking facilities or covered outdoor hallways/entrances) shall be subtracted from the surface area calculation.
- (2) All parts of the window (e.g., head, jamb, frame, sash, sill, muntin bars, and panes) that are visible on the elevation drawing shall be included as “window” in the calculation. Portions of the window that are not visible on the elevation drawing (such as a window that is blocked by a solid balcony wall) shall not be included in the calculation.

Figure 9.07.096-11 Residential Frontage Standards

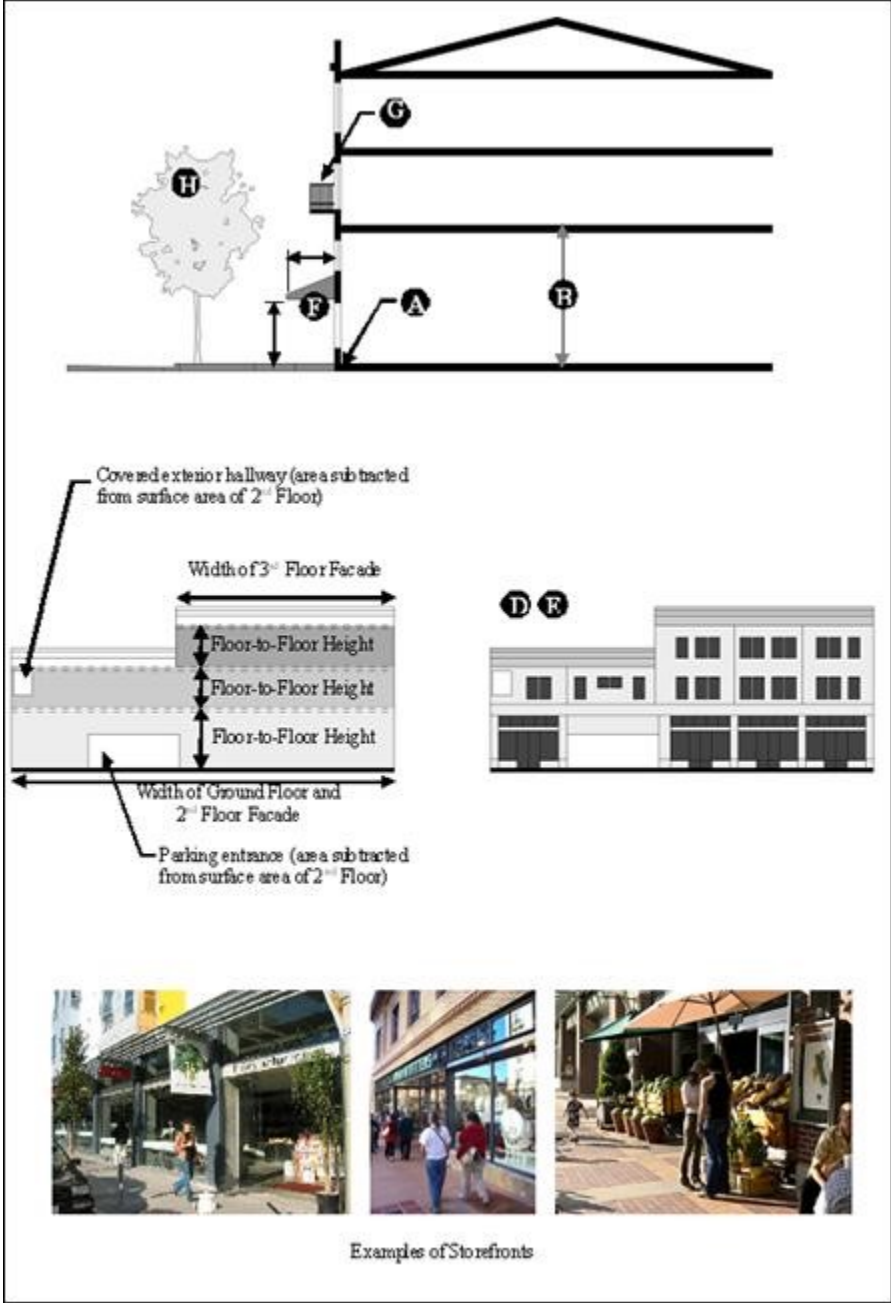

D. Storefront Standards	Figure 9.07.096-12
Elevation of Ground Floor (A)	The ground floor elevation shall be located near the elevation of the sidewalk to minimize the need for external steps and external ADA ramps at public entrances.
Minimum Ground Floor Ceiling Height (B)	15 feet minimum, floor-to-floor height (commercial ready).

Storefront Entrances (C)	All ground floor tenant spaces that have street frontage shall have storefront entrances on the façade fronting a street.
Lobby Entrances	Lobby entrances to upper floor uses shall be located on a façade fronting a street.
Recessed Entrances	Storefront and lobby entrances may be recessed into the façade.
Ground Floor Windows (D)	At least 50% of the surface area of the ground floor façade (1) shall be occupied by windows (2).
Upper Floor Windows (E)	At least 25% of the surface area of each upper floor façade (1) shall be occupied by windows (2).
Awnings and Marquees (F)	Awnings or marquees are required over storefront windows and entrances. Awning and marquees may project up to 6 feet from the façade and extend over the sidewalk provided that at least 8 feet of vertical clearance is provided.
Projecting Elements (Balconies, Shade Structures, and Bay Windows) (G)	Projecting elements on upper floors may project 3 feet from the façade and project into the setback.
Sidewalk and Setback Treatment (H)	The public sidewalk shall be improved with street trees with an average spacing of 30 feet on-center and pedestrian-scaled street lights (no taller than 14 feet). If the front façade is set back from the public sidewalk, the setback shall be improved as an extension of the public sidewalk.

Notes:

- (1) As measured by multiplying the width of the façade by the floor-to-floor height. Opening in the façade (such as entrances to parking facilities or covered outdoor hallways/entrances) shall be subtracted from the surface area calculation.
- (2) All parts of the window (e.g. head, jamb, frame, sash, sill, muntin bars, and panes) that are visible on the elevation drawing shall be included as “window” in the calculation. Portions of the window that are not visible on the elevation drawing (such as a window that is blocked by a solid balcony wall) shall not be included in the calculation.

Figure 9.07.096-12 Storefront Standards

(Ord. 864 § 3.3, 2013)

9.07.097 Open space standards—Publicly accessible open space.

This section provides standards for publicly accessible open space areas in order to ensure a high level of pedestrian connectivity and activity between the public realm and the private realm, as defined in Chapter [9.15](#) (Definitions).

- A. **Minimum Size.** All new nonresidential development shall provide publicly accessible open spaces as a percentage of the total development site area as indicated in Table 9.07.095-10 (Mixed-Use Overlay District Development Standards).
- B. **Eligible Areas.** Publicly accessible open space areas shall not include parking, driveway, or rear setback areas, but may include front and side setback areas provided that they are integrated into the overall design of the project.
- C. **Ground-Level Installation.** Plazas, courtyards, or other similar publicly accessible open space areas shall be installed at ground level and shall be incorporated into the design of the development.
- D. **Visibility and Accessibility.** Public open space areas shall be visible and accessible from the public rights-of-way to engage the interest of pedestrians and encourage public use.
- E. **Landscaping and Hardscapes.** Landscaping shall comply with Chapter [9.17](#) (Landscape and Water Efficiency Requirements). In addition, a combination of landscape and hardscape materials shall be used in the design of these areas and shall include the following components:
 1. Hardscape paving may include brick, stone, interlocking concrete pavers, textured concrete, and/or impressed patterned concrete. Hardscape elements may include, but are not limited to, seating areas, potted plant materials, water features, and public art installations.
 2. The balance of the open space areas shall be landscaped with turf, shrubs or groundcover, and trees. All plant materials shall be in proportion to the height and mass of the building and shall be permanently maintained.
- F. **Minimum Height to Width Ratios.** In order to achieve sunlight and air circulation in required publicly accessible open space areas, the following minimum height to width ratios shall be provided:
 1. Enclosed open space (i.e., open space that is enclosed on four sides, such as a courtyard): two to one ratio. The required open space shall have a width of at least one-half the height of the adjacent building façade (measured perpendicularly from the façade). This requirement shall apply to all sides of the required open space.
 2. Open space that is open on one or more sides: three to one ratio. The required open space shall have a width of at least one-third the height of the adjacent building façade (measured perpendicularly from the façade). This requirement shall apply to all sides of the required open space.
- G. **Design Configuration.**
 1. In the mixed-use institutional anchor (MUI) overlay district, sharing of the required publicly accessible open space (“quasi-public space”) for nonresidential uses and the required common open space for residential uses, indicated in Table 9.07.095-10 (Mixed-Use Overlay District Development Standards), may be allowed by the applicable review authority when it is clear that the open space will provide direct benefit to residents of the project and the public in general subject to the following limitations:
 - a. Up to thirty (30) percent of the required open space for residential uses in a horizontal mixed use project may be provided as quasi-public open space within the nonresidential component of the project; or

- b. Up to fifty (50) percent of the required open space for residential uses in a vertical mixed use project may be provided as quasi-public open space within the nonresidential component of the project.
 - c. The minimum dimension (length and width) of shared common open space areas shall be twenty (20) feet. These areas shall be located at grade and shall be accessible for use by the general public.
 - d. Quasi-public open space areas shall not include outdoor dining areas or other outdoor activity areas for exclusive use by an individual business.
 - e. Quasi-public open space areas are areas located on private property and accessible to the general public. These areas shall include pedestrian oriented amenities, including enhanced seating, lighting, paving, landscaping, public art, water features, and other similar features deemed appropriate by the community development director.
2. Publicly accessible open space areas shall be located and configured as any one of the following:
- a. Forecourt. The publicly accessible open space area is located along a recessed center section of the front façade of the building as illustrated in Figure 9.07.097-13a (Publicly Accessible Open Space—Forecourt).
 - b. Front. The publicly accessible open space area is located along the street facing frontage of the building as illustrated in Figure 9.07.097-13b (Publicly Accessible Open Space—Front).
 - c. “L” Shaped. The publicly accessible open space area is located along the front and side of the lot as illustrated in Figure 9.07.097-13c (Publicly Accessible Open Space—“L” Shaped).
 - d. Paseo or Central Courtyard. The publicly accessible open space area is located on the side of the building or along a center pedestrian paseo or courtyard as illustrated in Figure 9.07.097-13d (Publicly Accessible Open Space—Paseo or Central Courtyard).

**Figure 9.07.097-13a
Publicly Accessible Open Space—Forecourt**

**Figure 9.07.097-13b
Publicly Accessible Open Space—Front**

Figure 9.07.097-13c

Figure 9.07.097-13d
Publicly Accessible Open Space—Paseo or Central Courtyard

(Ord. 864 § 3.3, 2013)

9.07.098 Open space standards—Private/common open space.

This section provides standards for private and/or common open space for residential uses. Private and/or common open space shall be provided in addition to the required publicly accessible open space in Section [9.07.097](#) (Open space standards—Publicly accessible open space).

A. Required Amount of Open Space.

1. **Minimum Required Open Space.** Private open space and common open space shall be provided in the amounts indicated in Table 9.07.095-10 (Mixed-Use Overlay District Development Standards).
2. **Residential Developments.** Private open space and common open space shall be provided on a per unit basis for residential projects and shall be a combination of the total required space divided between private areas (e.g., balconies, patios, etc.) and common areas (e.g., courtyards, playgrounds, recreation facilities, multi-purpose rooms, etc.) designed for the common use of residents as specified below.
3. **Nonresidential or Mixed-Use Developments.** Private open space and common open space shall be provided as a percentage of the total lot area for nonresidential projects and may be used to provide site amenities such as rooftop decks, courtyards, or similar features. Mixed use developments shall combine the residential standards and the nonresidential standard to satisfy this provision.

B. **Exclusive Use.** Private and common open space areas shall be located and designed for the exclusive use of the residents or tenants of the property and their guests and shall not be publicly accessible, except in the Civic Center MixedUse (CVMU) Overlay District and the Medical Center Mixed-Use (MDMU) Overlay District where sharing of the required publicly accessible open space (“quasi-public space”) for nonresidential uses and the required common open space for residential uses may be allowed in compliance with Section [9.07.097\(G\)](#) (Open space standards—Publicly accessible open space, Design configuration).

C. **Types of Open Space.** A combination of private and common open space shall be provided to satisfy the following requirements:

1. **Common open space amenities** shall include, but are limited to, one or more of the following amenities: courtyards, plazas, tennis courts, swimming pools, spas, permanently equipped gym/exercise rooms, or other permanent amenity. Rooftop decks and terraces may be used to satisfy this requirement; however, these areas shall be easily accessible to all residents within the building, and face the public rights-of-way where possible.
2. **Private open space areas** may include balconies, patios, terraces, or rooftop decks. These areas shall be integrated into the overall architectural design of the building. Architectural elements (e.g., railings, trellises, short walls, roof-top enclosures, etc.) shall be consistent with the architectural style of the structure to which they are attached.
- D. **Materials and Design.** Open space areas shall be constructed of permanent materials and be permanently integrated into the design of the building.

E. **Building Height to Open Space Width Ratios.** In order to achieve sunlight and air circulation in outdoor common open space areas, the following building height to open space width ratios are required:

1. **Enclosed open space** (i.e., open space that is enclosed on four sides, such as a courtyard): one to one ratio.

The required open space shall have a width of at least one-half the height of the adjacent building façade (measured perpendicularly from the façade). This requirement shall apply to all sides of the required open space.

2. Open space that is open on one or more sides: two to one ratio. The required open space shall have a width of at least one-third the height of the adjacent building façade (measured perpendicularly from the façade). This requirement shall apply to all sides of the required open space. (Ord. 864 § 3.3, 2013)

9.07.099 Lot area requirements and lot consolidation incentives.

A. Lot Area Requirements. In addition to the lot area requirements provided in Table 9.07.095-10 (Mixed-Use Overlay District Development Standards), the size and shape of each newly created lot shall be adequate to allow the full development of the allowed uses in a manner consistent with the following:

1. Adequate provision shall be made to promote safe and orderly access and circulation of pedestrian and vehicular traffic within the site and from public streets and adjacent developments;
2. Adequate provision shall be made for buildings to be sited to allow for functional use of space between structures and to provide areas for parking, access, and landscaping;
3. Adequate provision shall be made to ensure the compatibility of the site development with surrounding development in regard to size, scale, building and site design, and limitation of overshadowing effects; and
4. The proposed development shall not limit or adversely affect the growth and development potential of adjacent properties or the general area in which the proposed development will be located.

B. Lot Consolidation Incentives.

1. Allowable Incentives for Lot Consolidation. In order to encourage the assembly of smaller existing lots into larger lots that can be more efficiently developed into a mixed-use project, the following incentives are offered:

- a. Reduction in required parking for a mixed-use project when approved in compliance with Section [9.11.070](#) (Adjustments to off-street parking requirements).
- b. Increase in maximum floor area ratio (FAR), up to a maximum of ten (10) percent.
- c. Reduction in common and/or private open space requirements, up to a maximum of ten (10) percent.

2. Eligibility for Incentives.

- a. Consolidation of existing small lots into a development project site of one acre or greater up to two acres shall be eligible for any two of the allowable incentives identified above.
- b. Consolidation of existing small lots into a development project site of two acres or greater shall be eligible for any four of the allowable incentives identified above. (Ord. 864 § 3.3, 2013)

9.09.250 Live-work development.

This section provides operational and compatibility standards for the development of live-work units. These standards are in addition to the standards for live-work development provided in Article II, Mixed-Use Overlay Districts, of Chapter [9.07](#).

A. Allowed Uses.

1. The nonresidential component of a live-work unit shall only be a nonresidential use allowed within a mixed-use overlay district, except that certain uses are determined to be not appropriate within a residential environment and are therefore prohibited as provided in subsection B of this section.
2. The residential component of a live-work unit shall only be a residential use allowed within a mixed-use overlay district.

B. Prohibited Uses. A live-work unit shall not be used for any of the following activities or similar activities as determined by the community development director:

1. Adult-oriented businesses;
2. Animal care or boarding;
3. Classroom instruction (e.g., art/music lessons, tutoring, and similar uses) involving five or more students at any one time;
4. Commercial food preparation activities;
5. Industrial uses;
6. Vehicle maintenance or repair (e.g., body or mechanical work, including boats and recreational vehicles), vehicle detailing and painting, upholstery, etc.;
7. Storage of flammable liquids or hazardous materials beyond that normally associated with a residential use;
8. Medical and dental offices, clinics, and laboratories (not including chiropractors or counselors/psychotherapists);
9. Activities or uses that are not compatible with residential activities or that would clearly conflict with other livework activities or the character of the surrounding neighborhood as determined by the community development director; and
10. Activities or uses that would adversely affect the health or safety of live-work unit residents, because of dust, glare, heat, noise, noxious gases, odor, smoke, traffic, vibration, or other impacts, or that would be hazardous because of materials, processes, products, or wastes.

C. Site Planning and Design Standards.

1. Each live-work unit fronting a public right-of-way shall have a pedestrian-oriented frontage that allows views into the interior of the nonresidential areas of the unit.
2. Each live-work unit shall have a clearly identified, separate access from other live-work units within the structure or development. Access to individual units shall be from common access areas, parking lots, or walkways. Access to each unit shall be clearly identified to provide for emergency services.
3. The living space within the live-work unit shall be contiguous with the working space, with direct access between the two areas.

D. Operational Standards.

1. No portion of a live-work unit shall be separately sold or rented.
2. The owner or developer of a structure containing live-work units shall provide written notice to all occupants, tenants, and users that the surrounding area may be subject to higher impacts associated with nonresidential uses (e.g., noise) than exist in more predominantly residential areas. Performance standards for live-work units shall be those applicable to nonresidential uses allowed in the zoning district in which the live-work units are located.
3. All activities related to the “work” component of a live-work unit shall be conducted within a completely enclosed building.
4. Up to two additional persons who do not reside in the live-work unit may work in the unit.
5. Client and customer visits to live-work units are allowed.
6. Parking for each live-work unit shall be provided in compliance with Chapter [9.11](#) (Parking, Pedestrian, and Loading Requirements).
7. A live-work unit shall not be converted to either entirely residential use or entirely nonresidential use.
8. A live-work use may display a window or building-mounted sign up to a maximum of five percent of the building frontage area used for commercial purposes. Signs shall not be illuminated, including neon signs. (Ord. 864 § 3.3, 2013)

9.09.260 Mixed-use development.

This section provides operational and compatibility standards for mixed-use development. These standards are in addition to the standards provided in Article I, Mixed Use Districts/Corridors and Article II, Mixed-Use Overlay Districts, of Chapter [9.07](#).

A. Operational Standards.

1. **Hours of Operation.** Outdoor nonresidential uses in mixed-use projects shall be prohibited from operating between the hours of ten p.m. and seven a.m. These hours may be modified through approval of a conditional use permit in compliance with Section [9.02.060](#) (Conditional use permits).
2. **Joint Tenants and Owners Association.**
 - a. A joint tenants and owners association shall be formed to ensure the well-being of each tenant and owner in a mixed-use project.
 - b. The association bylaws, including voting rights, shall be subject to review by the city attorney and approval by the director. The association’s bylaws shall include the following:
 - i. Assignment of parking spaces per each use.
 - ii. Identification of maintenance responsibilities for landscaping, parking facilities, and recycling and refuse storage facilities.
 - iii. Noise notification procedures.
 - iv. Relationship between uses regarding association representation.
 - v. Voting procedures.
 - vi. Procedures for solving problems that may arise between the different types of uses or residents.

3. Loading and Unloading Activities. Where applicable, the covenants, conditions, and restrictions of a mixed-use project shall indicate the times when the loading and unloading of goods may occur on the street, provided that in no event shall loading or unloading take place after ten p.m. or before seven a.m. on any day of the week.
4. Noise Notification.
 - a. Residents, whether owners or tenants, of a mixed-use development project shall be notified in writing before taking up residence that they will be living in an urban type of environment and that the noise levels may be higher than a typical residential area.
 - b. The covenants, conditions, and restrictions of a mixed-use project shall require that the residents acknowledge their receipt of the written noise notification. Their signatures shall confirm receipt and understanding of this information.
- B. Fences and Walls. In addition to the regulations in Section 9.08.070 (Fences and walls), fences and walls shall be subject to the following regulations:
 1. Separation Wall Required. A masonry separation wall shall be constructed on all property lines adjacent to any single-family residential district. Pedestrian access points are encouraged and may be allowed subject to approval of the community development director. The separation wall shall be six feet in height, as measured from the highest elevation of land contiguous to the wall, except in a required front setback area and in a required exterior side setback area for a corner, reverse corner or key lot, where the wall shall be limited to thirty-six (36) inches in height.
 2. Other Fences and Walls. Fences and walls are allowed in any yard area subject to the following height regulations:
 - a. Front Yard Area. In the front yard area, the height shall be limited to thirty-six (36) inches.
 - b. Street Side Yard. In street side yard areas, the height shall be limited to thirty-six (36) inches.
 - c. All Other Areas. In all other areas, the height shall be limited to six feet, as measured from the side of the fence or wall with the highest grade.
 3. Location. All perimeter fences and walls shall be constructed on the property line unless a different location is permitted by the community development director. No parallel wall or fence shall be constructed less than five feet from an existing wall or fence, unless approved by the community development director.
 4. Materials.
 - a. Chain link fencing shall not be erected between a primary or accessory structure and a public or private street, except that chain link fencing may be used for security purposes for public utility structures and for temporary fencing needs (construction sites, special events, vacant lots, etc.).
 - b. Barbed wire and concertina wire are prohibited, except at public utility structures.
- C. Landscaping. Landscaping shall comply with Chapter 9.17 (Landscape and Water-Efficiency Requirements).
- D. Screening and Buffering Standards. Mechanical and air-conditioning equipment shall be screened and buffered in compliance with Section 9.10.130 (Mechanical and electrical equipment).
- E. Signs. Signs shall comply with Chapter 9.12 (Sign Regulations). In addition, in a mixed-use overlay district where both residential and nonresidential uses are allowed, the signage rights and responsibilities applicable to a particular use shall be determined as follows: residential uses shall be treated as if they were located in the residential area where that type of use would be allowed as a matter of right, and

nonresidential uses shall be treated as if they were located in a district where that particular use would be allowed, either as a matter of right or subject to a discretionary process.

F. Trash and Recycling Enclosures.

1. Recycling and refuse storage facilities shall be located as far away as possible from residential units and shall be completely screened from view from adjacent residential portions of the project or another adjacent residential uses in compliance with Section 9.08.150 (Screening requirements).
2. The location and design of recycling and refuse storage facilities shall mitigate nuisances from odors when residential uses might be impacted.
3. The location and design of recycling and refuse storage facilities shall be integrated into and be compatible with the architectural design and details of the overall project.

G. Sound Mitigation. Residential dwelling units shall be designed to be sound attenuated against present and future project noise. New projects or new nonresidential uses in existing projects shall provide an acoustical analysis report, by an acoustical engineer, describing the acoustical design features of the structure required to satisfy the exterior and interior noise standards.

H. Design Criteria.

1. A mixed-use development project shall be designed and constructed to:
 - a. Be pedestrian in its focus by:
 - i. Providing direct pedestrian linkages to adjacent public sidewalks.
 - ii. Creating enhanced pedestrian connections throughout the project between residential and nonresidential uses and parking areas.
 - iii. Providing enhanced pedestrian amenities throughout the project, including seating, pedestrian area lighting, special paving, public art, water features, common open space, directories, and similar items to create a pleasant pedestrian experience.
 - iv. Incorporating architectural design elements and materials that relate to a pedestrian scale.
 - b. Locate uses in proximity to one another without large intervening parking lots so that it is convenient for people to walk between the various uses and park their vehicles only once.
 - c. Create a pedestrian scale and character of development along the street by providing significant wall articulation and varying roof heights, incorporating pedestrian scale elements (e.g., doors, windows, lighting, landscaping), and locating storefronts and common open space areas (e.g., plaza, courtyard, outdoor dining) near the public sidewalk to contribute to an active street environment.
 - d. Provide a transition to adjacent residential uses in compliance with the standards provided in Table 9.07.095-10 (Mixed-Use Overlay District Development Standards).
2. Consistent Use of Architectural Details and Materials. Architectural style and use of quality materials shall be compatible and consistent throughout an entire mixed-use project. However, differences in architectural details and materials may occur to differentiate between the residential and nonresidential portions of the project. The overall project design and site layout shall be one that promotes a strong pedestrian environment and active street frontage. This can be accomplished by incorporating features into the project as outlined in paragraph 3 of this subsection.
3. Features.
 - a. Street Level Features. Variations in the front building plane shall be incorporated through the use of varying building setbacks, variations in wall planes, and the inclusion of pedestrian amenities (e.g., plaza, courtyard, outdoor dining, landscaping). Long expanses of blank walls shall be prohibited.

- b. **Pedestrian-Oriented Features.** At least seventy-five (75) percent of the building frontage facing a public street, primary pedestrian way, or parking lot shall be devoted to pedestrian-oriented features (e.g., storefronts, pedestrian entrances to nonresidential uses, transparent display windows, landscaping).
- c. **Upper Level Features.** Upper floor balconies, bays, and windows shall be provided whenever opportunities exist for these types of features.
- d. **Entrances.** When nonresidential and residential uses are located in a vertical mixed use structure, separate pedestrian entrances shall be provided for each use. The entrances for nonresidential uses shall be designed to be visually distinct from the entrances for residential uses. Entrances to individual residential units in a vertical mixed use project shall not be allowed along a street frontage. Instead shared entrances to residential units located above the ground floor shall be from lobbies that serve multiple units.
- e. **Neighborhood Interface.** The design of new infill development shall be sensitive to the scale and design characteristics of established structures in abutting residential neighborhoods, with the objective of achieving a harmonious transition between the new development and existing neighborhood. Consideration shall be given to factors including, but not limited to, orientation of architectural features, building articulation, and exterior building treatments.
- f. **Lighting.** Lighting shall be incorporated along sidewalks or other pedestrian walkways, plazas, paseos, courtyards, and other common open areas to enhance the pedestrian environment and increase public safety. Lighting for nonresidential uses shall be designed, located, and shielded to ensure that they do not adversely impact the residential uses, but shall provide sufficient illumination for access and security purposes consistent with the provisions of Section [9.08.100 \(Lighting\)](#).
- g. **Security.** Projects shall be designed to minimize security risks to residents and to minimize the opportunities for vandalism and theft. This may be accomplished by:
- i. Maximizing visibility to common open space areas, internal walkways, and public sidewalks. Use opportunities for natural surveillance to increase visibility.
 - ii. Using walkways, low fences, lighting, signage, and landscaping to clearly guide people and vehicles to and from the proper entrances.
 - iii. Eliminating areas of concealment, hiding places, and dead spaces.
 - iv. Using lighting to improve the visibility of common areas while enhancing the pedestrian environment. Lighting should not be overly bright and should provide a uniform level of light over the subject area to eliminate dark spaces. (Ord. 864 § 3.3, 2013)

Permitted Uses Table 9.02.020-1

X - Indicates stated use is permitted subject to zoning requirements.
 C - Indicates stated use is allowed with a conditional use permit.
 ♦ - Indicates a use is permitted unless the use is located three hundred (300) feet or less from a residential zone or use, in which case the use is allowed with a conditional use permit. However, the expansion of an existing general manufacturing use is allowed without a conditional use permit regardless of its distance from residential zones or residential uses.
 A - Indicates a use is permitted with an adult business use permit, providing the requirements of Section 9.09.030 of this title are met.
 S - Indicates a use is permitted, providing the requirements of 9.09.280 (Smoke Shops) of this title are met. A conditional use permit is required if dictated by the distance criteria.
 M - Indicates a use is allowed with a conditional use permit, providing the requirements of 9.09.290 (Commercial Cannabis Activities) of this title are met.

Permitted Uses Table 9.02.020-1

- X - Indicates stated use is permitted subject to zoning requirements.
- C - Indicates stated use is allowed with a conditional use permit.
- ◆ - Indicates a use is permitted unless the use is located three hundred (300) feet or less from a residential zone or use, in which case the use is allowed with a conditional use permit. However, the expansion of an existing general manufacturing use is allowed without a conditional use permit regardless of its distance from residential zones or residential uses.
- A - Indicates a use is permitted with an adult business use permit, providing the requirements of Section 9.09.030 of this title are met.
- S - Indicates a use is permitted, providing the requirements of 9.09.280 (Smoke Shops) of this title are met. A conditional use permit is required if dictated by the distance criteria.
- M - Indicates a use is allowed with a conditional use permit, providing the requirements of 9.09.290 (Commercial Cannabis Activities) of this title are met.

Permitted Uses Table 9.02.020-1

X - Indicates stated use is permitted subject to zoning requirements.
 C - Indicates stated use is allowed with a conditional use permit.
 ♦ - Indicates a use is permitted unless the use is located three hundred (300) feet or less from a residential zone or use, in which case the use is allowed with a conditional use permit. However, the expansion of an existing general manufacturing use is allowed without a conditional use permit regardless of its distance from residential zones or residential uses.
 A - Indicates a use is permitted with an adult business use permit, providing the requirements of Section 9.09.030 of this title are met.
 S - Indicates a use is permitted, providing the requirements of 9.09.280 (Smoke Shops) of this title are met. A conditional use permit is required if dictated by the distance criteria.
 M - Indicates a use is allowed with a conditional use permit, providing the requirements of 9.09.290 (Commercial Cannabis Activities) of this title are met.

- Notes:
- (1) Do not consider residential use per distance requirement.
 - (2) The administrative plot plan process may be used to establish these uses in an existing building within any commercial or industrial zone, even if the project is located adjacent to residential uses or zones.
 - (3) Retail is limited to fifteen (15) percent of gross floor area (see Section 9.05.040 of this title).
 - (4) Permitted in the OC and VOR only as a support medical office facility.
 - (5) Large collection facilities may be established within an existing building through the “tenant improvement” process if such building or tenant space occupied by the use is not located adjacent to a residential use or zone.
 - (6) Sandwich shops shall not have cooking hoods, nor shall they exceed five percent of the gross floor area of the complex where they are located.
 - (7) Retail is limited to fifteen (15) percent of gross floor area (see Section 9.05.040 of this title).

Notes:

- (1) Do not consider residential use per distance requirement.
- (2) The administrative plot plan process may be used to establish these uses in an existing building within any commercial or industrial zone, even if the project is located adjacent to residential uses or zones.
- (3) Retail is limited to fifteen (15) percent of gross floor area (see Section 9.05.040 of this title).
- (4) Permitted in the OC and VOR zones only as a support medical office facility.
- (5) Large collection facilities may be established within an existing building through the “tenant improvement” process if such building or tenant space occupied by the use is not located adjacent to a residential use or zone.
- (6) Sandwich shops shall not have cooking hoods, nor shall they exceed five percent of the gross floor area of the complex where they are located.
- (7) Retail is limited to fifteen (15) percent of gross floor area (see Section 9.05.040 of this title).

Permitted Uses Table 9.02.020-2 MIXED USE ZONES							
X -	Indicates stated use is permitted subject to zoning requirements.						
C -	Indicates stated use is allowed with a conditional use permit.						
◆ -	Indicates a use is permitted unless the use is located three hundred (300) feet or less from a residential zone or use, in which case the use is allowed with a conditional use permit. However, the expansion of an existing general manufacturing use is allowed without a conditional use permit regardless of its distance from residential zones or residential uses.						
A -	Indicates a use is permitted with an adult business use permit, providing the requirements of Section 9.09.030 of this title are met.						
S -	Indicates a use is permitted, providing the requirements of 9.09.280 (Smoke Shops) of this title are met. A conditional use permit is required if dictated by the distance criteria.						
M -	Indicates a use is allowed with a conditional use permit, providing the requirements of 9.09.290 (Commercial Cannabis Activities) of this title are met.						
	Mixed Use Zones				Mixed Use Overlay		
	BF zone (18)	H-OC zone	COMU zone	DC zone	MUN (9,11)	MUC (9,11)	MUI (8,10,11)

- (8) In the MUI, mixed use (commercial uses on first floor with office uses or residential uses on upper floors) are (a) required to on lots at street intersections and within 300 feet in any direction from a street intersection, as measured from the corner formed by the lot's property lines, and (b) are allowed, but not required on the other lots.
- (9) In the MUC and MUN, mixed use (commercial uses on first floor with office uses or residential uses on upper floors) are (a) required to on lots at street intersections and within 150 feet in any direction from a street intersection, as measured from the corner formed by the lot's property lines, and (b) are allowed, but not required on the other lots.
- (10) See Section 9.07.40 (Medical Use Overlay)
- (11) See Section 9.09.260 (Mixed Use Development)
- (12) See Section 9.09.250 (Live-Work Development)
- (13) See Section 9.09.270 (Outdoor Dining)
- (14) Use is also permitted in the Moreno Valley Industrial Area Plan (SP 208)
- (15) For Spa Facilities refer to Title 11, Chapter 11.96 of the Municipal Code.
- (16) See Section 9.09.280.C (Smoke Shops) for distance requirements that require a Conditional Use Permit.
- (17) See Section 9.09.290 (Commercial Cannabis Activities) for all Commercial Cannabis Activities regulations.
- (18) See Section 9.07.060 Airport Land Use Compatibility Plan for Airport Land Use Compatibility Plan (ALUCP) requirements for actions proposed on property located within an Airport Compatibility Zone. When located within an Airport Land Use Compatibility Zone, greater land use, restrictions for airport compatibility may apply per the applicable ALUCP.**
- (19) For Day Care uses in the Moreno Valley Industrial Area Plan (SP 208), See Section 9.07.060 Airport Land Use Compatibility Plan for Airport Land Use Compatibility Plan (ALUCP) requirements for actions proposed on property located within an Airport Compatibility Zone. When located within an Airport Land Use Compatibility Zone, greater land use, restrictions for airport compatibility may apply per the applicable ALUCP.**
